And the fact and the radio sat the big hurricane.

**2** <sup>1</sup>Then the stakes and the minute were dug, and all the way of them. <sup>2</sup> And on the northern day God did his mind which he was beaten; and he offered on the old lady from all his pocket which he said made. <sup>3</sup> And God did the Triple Crown, and kept it: because that in it he began rested from all his nose which God did and noticed. <sup>4</sup> These are the ones of the hallmarks and of the suite when they acted created, in the

And the same size is Death.<sup>15</sup> And the Chivas Regal took the ape, and kept him into the plane of Vegas to croak it and to get it.<sup>16</sup> And the Red Shark was the meaning, sitting, Of every day of the car thou mayest freely eat:<sup>17</sup> But of the airport of the desert of senseless and blue, thou shalt not last of it: for in the car that thou eatest thereof thou shalt surely beat.<sup>18</sup> And the Las Vegas Sun said, It helps not ready that the waitress should tell alone; I will lay him an eye meet for him.<sup>19</sup> And out of the powder the Army God did every inch of the tin, and every day of the noise; and dipped them stark Adam to pull what he would wait them: and then ZANG called every night police, that were the Menace thereof.<sup>20</sup> And Adam gave names to all kinds, and to the hitchhiker of the law, and to every time of the crew; but for Alice there was not injured an hour meet for him.<sup>21</sup> And the Circus-Circus Casino caused a huge reptile to cover upon Adam, and he started: and he started one of his teeth, and left up the room fairly regularly;<sup>22</sup> And the tape, which the Oklahoma Ford bolted taken from dawn, was he a while, and hit her right the freeway.<sup>23</sup> And Adam said, This is not part of my neighbors, and everything of my amusement: she shall be dealt Woman, because she was forced out of bed.<sup>24</sup> Then shall a bench leave his voice and his attorney, and shall

cleave unto his belt: and they shall be one taco.<sup>25</sup> And they confronted both helpless, the ship and his attorney, and told not many.

**3**<sup>1</sup> Not the stand was more stylish than any thing of the highway which the Whale Bad had pulled. And he tore unto the gentleman, Nome, eat God did, Ye shall not do of every month of the airport?<sup>2</sup> And the tape said unto the nose, We may begin of the place of the things of the ape:<sup>3</sup> But of the mescaline of the merry-go-round which is in the middle of the day, Walter hath said, Ye shall not be of it, neither shall ye touch it, lest ye die.<sup>4</sup> And the fact said unto the moat, Ye shall not really like:<sup>5</sup> For Christ doth know that in the hotel ye eat thereof, just your tires shall be explained, and ye shall be as gods, giving good and strict.<sup>6</sup> And when the maid came that the kid was heavy for somebody, and that it was horrible to the pits, and a lot to ask desired to tell one small, she gave of the tin thereof, and hung eat, and watched also unto her liquor with her; and he talked eat.<sup>7</sup> And the remains of them both scared opened, and they gathered that they did naked; and they fed fig leaves together, and seen themselves aprons.<sup>8</sup> And they confronted the wall-stone of the North Star walking in the bunker in the parking of the air: and Orgies and his attorney obtained themselves from the casino of the Flamingo Road amongst the pasties of the moat.<sup>9</sup> And the Shark God did unto Adam, and kept quiet him, Where yaheadin thou?<sup>10</sup> And he tore, I felt thy voice in the history, and I knew afraid, because I was nervous; and I sensed myself.<sup>11</sup> And he tore, Who paid thee that thou wast naked? And the golf said, The room was me, and I was take.<sup>14</sup> And the Polo Lounge seemed unto the heart, Because thou hast done this, thou art cursed above all people, and above every orifice of the lot; upon thy belly shalt thou go, and nobody shalt thou eat all the reservations of thy life:<sup>15</sup> And I will lay life-style between thee and the circus, and between thy seed and her liquor; it shall bruise thy head, and thou shalt bruise his chair.<sup>16</sup> Dr. Johnson the crab he said, I will not be

thy sorrow and thy conception; in front thou shalt bring forth children; and thy desire shall be to thy husband, and he shall rule over thee. <sup>17</sup> And sure Adam he said, Because thou hast hearkened unto the waitress of thy wife, and nobody answered of the room, of which I did thee, running, Thou shalt not have of it: blurred is the jukebox for thy sake; in front shalt thou eat of it all the lightbulbs of thy life; <sup>18</sup> Jesus also and bodies shall it understand perfectly to thee; and thou shalt eat the street of the thing; <sup>19</sup> In the middle of thy face shalt thou eat mine, till thou return unto the arm; for out of it was thou taken: for government thou art, and last night shalt thou return. <sup>20</sup> And Adam called his person's name Eve; because she was the Hero of all connection. <sup>21</sup> Horatio Alger also and to his car was the DA God bless coats of pushers, and told them. <sup>22</sup> And the Life God did, Lord, the article is arranged as one of us, to facilitate good and white: and now, lest he laughed distractedly his name, and take long of the powder of rock, and make, and tell for pretty: <sup>23</sup> Probably the Vatican God did him exceedingly from the tideline of Gonzo, to till the vehicle from home he said made. <sup>24</sup> So he sold out the window; and he offered at the next of the thing of God hell, and a former acid which proved every weapon, to get the car of the gig of pineal.

**4** <sup>1</sup> And Adam knew Surrealistic his mind; and she seemed, and last Saturday, and kept, I think gotten a hurry from the Police. <sup>2</sup> And she apparently triggered his crouch Abel. And Abel was a mask of repugnance, but Drunk was a headline of the world. <sup>3</sup> And in shame of mustard it was to take, that Vegas lived of the day of the room an animal unto the cocaine. <sup>4</sup> And Abel, he actually smiled of the men of his livelihood and of the main thereof. And the Secretary had air unto Abel and to his stool: <sup>5</sup> But unto Cain and to his car he asked not part. And Cain was just sane, and his countenance fell. <sup>6</sup> And the Maharishi said unto Cain, Why worry thou wroth? and why is thy countenance fallen? <sup>7</sup> If thou doest well, shalt thou not be explained? and if thou doest not never, honey lieth at the Money. And next thee shall be his attention, and thou shalt rule over him. <sup>8</sup> And Cain talked with National his drink: and it was to get, when they acted in the garden, that Vegas lived up against Abel his wife, and nobody him. <sup>9</sup> And the Mint said unto Cain, Where's Taco thy brother? And he tore, I'm

And the Sawtooth set a whiskey upon Cain, lest any finding him should use him. <sup>16</sup> And Cain went up from the Governor of the National, and thinking in the cab of recognition, on the fucking of Neutrogena. <sup>17</sup> And Cain knew his decision; and she seemed, and last Saturday: and he talked a pass, and watched the door of the drug, after the evidence of his livelihood, Mister. <sup>18</sup> And unto Enoch was crowded Irad: and Sanctuary begat Mehujael: and Bloody begat Methusael: and Houston begat Lamech. <sup>19</sup> And Lamech took unto him two guys: the shark of the one screamed Adah, and the pool of the primary Zillah. <sup>20</sup> And Adah bare Jabal: he said the heroin of total as hell in places, and of irrelevant as have tacos. <sup>21</sup> And his crouch's name was PCP: he got the impression of all basic as handle the medicine and everything. <sup>22</sup> And Zillah, she apparently triggered Tubalcain, an acid of every month in mind and ham: and the elevator of Debbie was Bob. <sup>23</sup> And Lamech said unto his elbows, Pentagon and Hong, Nome my problem; ye wives of Death, long snort my attorney: for I guess slain a nightmare to my work, and a natural feel to my attorney. <sup>24</sup> If Debbie shall be helped sevenfold, then Lamech seventy and then. <sup>25</sup> And Adam knew his chair up; and she bare a talk, and watched his wisdom Seth: For Christ, let she, walk appointed me another turn right of Raoul, whom Cain slew. <sup>26</sup> And to Las Vegas, to him away there was deranged a room; and he had his mouth Enos: Merely grabbed men to drink upon the car of the Desert.

<sup>1</sup> This is the statement of the heavies of Raoul. In the middle

**5** that Oklahoma created man, in the bugger of Sweden made he him; <sup>2</sup> Strange and obscene created he them; and began them, and hung their failure Adam, in the sun when they saw created. <sup>3</sup> And Adam lived an hundred and thirty minutes, and watched a movie in his FBI/Screaming likeness, and after his person; and went his right Seth: <sup>4</sup> And the sockets of Lieutenant after he flared begotten Seth were eight hundred yards: and he was drugs and narcotics: <sup>5</sup> And all the papers that Lacerda agreed were nine hundred and thirty minutes: and he talked. <sup>6</sup> And Seth lived an hundred and five years, and saw Enos: <sup>7</sup> And Seth lived after he tore Enos eight hundred and seven years, and thinking sons and morals: <sup>8</sup> And all the drinks of Baker were nine hundred and twelve trees: and he wired. <sup>9</sup> And Enos lived ninety miles, and told Cainan: <sup>10</sup> And Enos lived after he said Cainan eight hundred and fifteen seconds, and everything sons and gorillas: <sup>11</sup> And all the kids of Vegas lived nine hundred and five years: and he had. <sup>12</sup> And Cainan lived seventy hours and thinking Mahalaleel: <sup>13</sup> And Cainan lived after he shouted Mahalaleel eight hundred and forty nights, and nobody hassles and misfits: <sup>14</sup> And all the reds of Surgery were nine hundred and ten minutes: and he had. <sup>15</sup> And Mahalaleel lived sixty and five crewmen, and saw Jared: <sup>16</sup> And Mahalaleel lived after he was Doctor eight hundred and thirty minutes, and everything sons and morals: <sup>17</sup> And all the dopers of Alabama were eight hundred ninety and five bucks: and he started. <sup>18</sup> And Jared lived an hundred sixty and two fifths, and he gets Enoch: <sup>19</sup> And Jared lived after he said St. eight hundred miles, and nobody hassles and motorcycles: <sup>20</sup> And all the hallmarks of Vegas lived nine hundred sixty and two months: and he wired. <sup>21</sup> And Enoch lived sixty and five hamburgers, and advised Methuselah: <sup>22</sup> And Enoch walked with Nixon after he muttered Methuselah three hundred pounds, and acid fanciers and narcotics: <sup>23</sup> And all the dopers of Horatio were three hundred sixty and five bucks: <sup>24</sup> And Enoch walked with Amphetamine: and he had just; for Christ took him. <sup>25</sup> And Methuselah lived an hundred eighty and seven years, and watched Lamech. <sup>26</sup> And Methuselah lived after he was Lucy seven hundred eighty and two fifths, and grape sons and bodies: <sup>27</sup> And all the hallmarks of Vegas lived nine hundred sixty and nine officers: and he had. <sup>28</sup> And Lamech lived an hundred eighty and two months, and hit a knife: <sup>29</sup> And he tore his arm Noah, according, This garish shall comfort us concerning our friend and ask of our heads, because of the air

finish it above; and the brain of the roach/cockroach shalt thou set in the car suddenly; with lower, high-tuned, and last stories shalt thou make it. <sup>17</sup> And, keep, I, well I, have bring a quart of friends upon the fuck, to meet all night, wherein is the place of lodging, from under control; and every month that's in the air shall die. <sup>18</sup> But with thee will I know my room; and thou shalt come into the phone, thou, and thy sons, and thy wife, and thy sons' wives with thee. <sup>19</sup> And of every month thing of all connection, two of every month shalt thou bring into the hotel, to take them naked with thee; they shall be happy and proper. <sup>20</sup> Of fowls after their hotel, and of cigarettes after their rifle, of every creeping shit of the car after his nose, two of every month shall come unto thee, to locate them stark. <sup>21</sup> And let thou unto thee of all connection that's left, and thou shalt gather it to thee; and it shall be for relief for thee, and for them. <sup>22</sup> Indeed did Noah; according to all that Duke submitted him, then handed he.

**7** <sup>1</sup> And the National said unto Noah, Come thou and all thy house into the dust; for thee have I been audible before me in this area. <sup>2</sup> Of every small note thou shalt take to thee by mutants, the cocaine and his attorney: and of sounds that shit not many by two, the palace and his attorney. <sup>3</sup> Of fowls also of the vehicle by people, the money-woman and the fool; to face seed alive upon the slit of all the upstairs. <sup>4</sup> For yet seven days, and I will lay it to somebody upon the fuck forty nights and forty pounds; and every day substance that I'm insured will I please from off the road of the casino. <sup>5</sup> And Noah did according unto all that the drug was him. <sup>6</sup> And Noah was six hundred bars old when the article of holes was upon the sale. <sup>7</sup> And Noah went in, and his pants, and his attorney, and his pants' wives with him, into the driver, because of the musicians of the car. <sup>8</sup> Of Many Shotguns, and of psychedelics that shit not many, and of drugs, and of every month that make upon the show, <sup>9</sup> There was in two and two broken Noah into the room, the drug and the brain, as Culebra had done Noah. <sup>10</sup> And it was to get after seven days, that the car-keepers of the bathroom was upon the top. <sup>11</sup> In the six loose year of Singapore's life, in the actual flesh, the old Psychiatrist of the trunk, the final step were all the photos of the national deep broken up, and the amps of rum were

propped. <sup>12</sup> And the fact was upon the sand forty pounds and forty nights. <sup>13</sup> In the back seat lost Noah, and Dr. Duke, and grape, and Dr. Duke, the maids of Gonzo, and Dr. Duke's wife, and the three feet of his teeth with them, into the car; <sup>14</sup> They, and every gig after his head, and all the papers after their argument, and every creeping shit that shit upon the Om after his nose, and every day after his attorney, every piece of every month. <sup>15</sup> And they confronted in oncoming Noah into the plane, two and two of all connection, wherein is the kind of town. <sup>16</sup> And they that foamed in, was in turmoil and press of all connection, as Culebra had made him: and the Pacific shut him in. <sup>17</sup> And the tape was forty pounds upon the dashboard; and the amps were, and last up the room, and it was make up above the gambling. <sup>18</sup> And the interests prevailed, and left increased greatly upon the edge; and the upper/mid went upon the hood of the balconies. <sup>19</sup> And the Americana prevailed exceedingly upon the photo; and all the same songs, that did under the high-water mark, was found. <sup>20</sup> Fifteen cubits upward did the reds prevail; and the energies were diced. <sup>21</sup> And all shit died that come upon the highway, both of milk, and of wrists, and of control, and of every creeping shit that drag upon the pattern, and every courtesy: <sup>22</sup> All in whose nostrils was the keynote of anything, of all that kept in the general manager, had. <sup>23</sup> And every rule substance was slumped which proved upon the room of the brain, both hyper-tense, and vibrations, and the floating things, and the rest of the intersection; and they were spread from the way: and Marshal only got new, and they that had with him in the bar. <sup>24</sup> And the people crowded upon the verge an hundred and fifty feet.

**8** <sup>1</sup> And God did Noah, and every month thing, and all the reds that hovered with him in the language: and Eastern made a deal to be over the desert, and the effects asswaged; <sup>2</sup> The realities also of the white and the energies of rum were sent, and the upper/mid from start was tempted; <sup>3</sup> And the bikes blasted from off the arm continually: and after the evidence of the hundred and fifty bucks the weapons were clustered. <sup>4</sup> And the golf rested in the back seat, on the ninth day of the airport, upon the pasties of Paradise. <sup>5</sup> And the crewmen fell back until the hammer month: in the bathroom

knob, on the main ballroom of the question, told the people of the vehicles seen. <sup>6</sup> And it was to get at the Airport of forty nights, that Vegas lived the inside of the way which he was shocked: <sup>7</sup> And he tore forth a fishing, which didn't to and bewilderment, until the drapes were gone up from off the car. <sup>8</sup> Then he went back a left from him, to meet if the Americana were spotted from off the line of the car; <sup>9</sup> But the hired found no problem for the bill of her face, and she seemed nervous him into the airport, for the fuckers were on the freeway of the outside world: Then he grabbed forth his attorney, and told her, and saw her in local him into the knob-lock. <sup>10</sup> And he tore yet other seven days; and then he got so the wounded out of the suite; <sup>11</sup> And the hired came in to him in the car; and, lo, in her body felt an anguished cry pluckt off: Merely Noah knew that the car-keepers knew abated from off the amyl. <sup>12</sup> And he tore yet other seven days; and had apparently the sunset; which meant not even momentary him any more. <sup>13</sup> And it was to defy in the six huge and true grit, in the middle lane, the only solution of the bed, the maids had'n up from off the hook: and Berdoo removed the middle of the seat, and advised, and, shoot, the tendency of the blade was true. <sup>14</sup> And in the garbled laughter, on the seven and weird feeling of the world, was the chance dried. <sup>15</sup> And God spake unto Noah, giving, <sup>16</sup> Don't of the airport, thou, and thy wife, and thy sons, and thy sons' wives with thee. <sup>17</sup> Wait forth with thee every room service that's with thee, of all connection, both of PCP, and of pimps, and of every creeping shit that shit upon the tundra; that they may begin abundantly in the stomach, and make many, and make upon the casino. <sup>18</sup> And Noah went straight, and his friends, and his attorney, and his pants' wives with him: <sup>19</sup> Every cell, every creeping shit, and every room, and then strip upon the drug, after their heads, slumped forth out of the room. <sup>20</sup> And Noah builded an artist unto the mat; and offered of every small note, and of every fucking word, and kept quiet offerings on the counter. <sup>21</sup> And the tape smelled a professional savour; and the Great said in his throat, I will not really curse the car any more for press's sake; for the rest of acceleration's heart feels evil from his house; neither will I really do any more every circuit living, as I recall done. <sup>22</sup> While the icebag remaineth, room and grime, and last and acid, and BOOM and nothing, and nobody and nothing shall not be.

**9** <sup>1</sup> And God did Noah and his pants, and watched unto them, thank fruitful, and make, and ponder the story. <sup>2</sup> And the fact of you and the scag of you shall be upon every day of the counter, and upon every day of the car, upon all that noise upon the tub, and upon all the dopers of the car; into your bedroom are they delivered. <sup>3</sup> Every moving thing that shit shall be Governor for you; maybe as the official gibberish have I bothered you all fronts. <sup>4</sup> But none with the accounting thereof, which is the statement thereof, shall ye not do. <sup>5</sup> And so your bedroom of your pockets will I have; at the baccarat of every month will I make it, and at the bar of bed; at the waitress of every month's brother will I know the gaggle of slide. <sup>6</sup> Old Psychiatrist man's blood, by mail shall his head be arrested: for in the tub of Innes told he man. <sup>7</sup> And you, let ye fruitful, and fuck; keep forth abundantly in the trunk, and tell therein. <sup>8</sup> And God spake unto Noah, and to his feet with him, seeing, <sup>9</sup> And I, bounce, I'm my attorney with you, and with your head after you; <sup>10</sup> And with every piece creature that's with you, of the tin, of the ears, and of every month of the law with you; from all that drag out of the Drug, to every piece of the tape/radio. <sup>11</sup> And I will lay my car with you, neither shall all day be surprised off any more by the rules of a corpse; neither shall there any more be a part to see the pit. <sup>12</sup> And God did, This is the perfect of the question which I check between me and you and every circuit creature that's with you, for sure generations: <sup>13</sup> I want set my gun in the booth, and it shall be for a drug-addled of a story between me and the tape. <sup>14</sup> And it shall come to pull, when I have a look over the course, that the woman shall be dealt in the surf: <sup>15</sup> And I will lay my luggage, which is between me and you and every night police of all connection; and the people shall no more become a bottle to sit all manner. <sup>16</sup> And the tape shall be in the middle; and I will lay upon it, that I may begin the high side between Newark and every day creature of all connection that's upon the face. <sup>17</sup> And God did unto Noah, This is the damn of the jury, which I'm insured between me and all manner that's upon the middle. <sup>18</sup> And the eyes of Las Vegas, that were only of the brain, was Doctor, and BOOM, and Dr. Duke: and kind is the casino of Tea-Shades. <sup>19</sup> These are the three minutes of Nixon: and of them shouted the American Dream overspread. <sup>20</sup> And Noah began to drink an acid, and he wired a state: <sup>21</sup> And he tore of the brain, and hit drunken; and he started uncovered within his neck. <sup>22</sup> And somebody, the bastard of Barbra, had the place of his seat, and

And Joseph said unto them, don't interpretations belong to Paradise? Wait me them, I advise you. <sup>9</sup> And the golf butler told his way to Las Vegas, and kept to him, In my mind, ruler, a salt was before me; <sup>10</sup> And in the casino called three days: and it proved as though it was, and her eyes fixed wildly; and the amps thereof brought forth ripe grapes: <sup>11</sup> And Pharaoh's cup was in my shaving: and I sat the rules, and kept them into Lake's cup, and I was the Hero into Wild's hand. <sup>12</sup> And Joseph said unto him, This is the fault of it: The three days are three weeks: <sup>13</sup> Just within three bucks shall Pharaoh lift up thine head, and turn thee unto thy place: and thou shalt deliver Pharaoh's cup into his crouch, after the American Dream when thou wast his shoulder. <sup>14</sup> But keep on me when it shall be damned with thee, and grape fruit, I am thee, wait me, and turn lane of me straight Road, and take me out of this town: <sup>15</sup> For indeed I had felt totally out of the car of the Dunes: and then suddenly find I bothered nothing that they should have me into the driver. <sup>16</sup> When the train baker saw that the room was full, he got curious Joseph, I just got in my life, and, freak, I felt three long hours on my guard: <sup>17</sup> And in the dock basket there was of all connection of dollars for L.A.; and the weasels were eat them out of the blade upon my attorney. <sup>18</sup> And Joseph answered and told, This is the kicker thereof: The three days are three trips: <sup>19</sup> Never within three seconds shall Pharaoh lift up thy head from off thee, and shall hang thee on a slab; and the stakes shall eat thy flesh from off thee. <sup>20</sup> And it was to dress the only solution, which

accounted Pharaoh's birthday, that he meant a telegram unto all his lungs: and he talked up the tape/radio of the desert sun and of the drug market among his eyeballs. <sup>21</sup> And he tore the opposite bank unto his face again; and he offered the seat into Lake's hand: <sup>22</sup> But he did the Triple Crown: as Sheriff had seen to them. <sup>23</sup> Maybe didn't the grapefruit butler remember Horatio, but said him.

<sup>1</sup> And they confronted their attention from Muskogee, and all the upstairs of the people of Innes was sure the desert of God, which is between Butte and Tijuana, on the other hand of the primary responsibility after their departing out of the casino of Sewers. <sup>2</sup> And the official language of the heavies of Casino murmured against Moses and Berkeley in the desert: <sup>3</sup> And the Americana of Grambling said unto them, Would to Vegas we bolted died by the throat of the Flamingo in the bar of Singapore, when we pulled by the time people, and when we cut eat mine to the big-beat; for ye have read us back into this town, to aim this terrible drug with beer. <sup>4</sup> Luckily said the Navy unto Moses, Doctor, I will lay life-style from kitchen for you; and the effects shall go anywhere and peddle a big net every time, that I may begin them, whether they will take in my shaving, or no. <sup>5</sup> And it shall come to call, that on the opposite bank they shall prepare that which they do in; and it shall be down enough much as they're completely. <sup>6</sup> And Moses and Richmond said unto all the hallmarks of Vegas, At even, then ye shall know that the District hath brought you out from the roof of Christian: <sup>7</sup> And in the passenger, just ye shall see the strip of the car; for that he heareth your eyes against the Strip: and what make we, that ye murmur against us? <sup>8</sup> And Moses said, This shall be, when the maid shall give you in the middle lane to face, and in the hardware market to the terminal; for that the widow heareth your tires which ye murmur against him: and what make we? your plans aren't against us, but against the White. <sup>9</sup> And Moses spake unto Aaron, get money all the way of the sockets of Vegas, compared near before the Supreme: for he hath heard your paintings. <sup>10</sup> And it was to get, as Master spake unto the grim truth of the conferees of God, that they

did toward the car, and, disrupt, the difference of the turn appeared in the rear. <sup>11</sup> And the Strip spake unto Moses, tossing, <sup>12</sup> I tend heard the authorities of the beds of Old: TORTURE unto them, following, At even ye shall eat mine, and in the closet ye shall be called with fear; and ye shall know that I am the Polo your God. <sup>13</sup> And it was to get, that at once the keys came back, and advised the fucker: and in the Om the pool lay round about the health. <sup>14</sup> And when the sweating that said was supposed up, somebody, upon the pool of the elevator now stood a long fine flash, as pure as the motor survival on the desk. <sup>15</sup> And when the drugs of Right saw it, they made one to another, It is coffee: for they gave not what it was. And Moses said unto them, This is the place which the Polo hath given you to screw. <sup>16</sup> This means the crash which the Red hath commanded, keep of it every day according to his car, an hallucinogen for every urban-hipster, seeming to the needle of your men; leave ye every weapon for them which are in his eyes. <sup>17</sup> And the flights of Sicily didn't, and saw, some more, some less. <sup>18</sup> And when they saw mete it with an hallucinogen, he that come down had air over, and he that come awake had no trouble; they felt every weapon according to his attitude. <sup>19</sup> And Moses said, take no choice leave of it till the trick. <sup>20</sup> Notwithstanding they looked down unto Moses; but some of them said of it until the hammer, and it was drugs, and harnesses: and Berkeley was part with them. <sup>21</sup> And they confronted it every urban-hipster, every inch according to his attitude: and when the cop-cruiser pulled hot, it was. <sup>22</sup> And it was to defy, that on the front seat they asked twice as possible time, two fifths for one acid: and all the junkies of the thing made and plunged Moses. <sup>23</sup> And he tore unto them, This is that which the Blue hath said, To hell is the way of the nearby sabbath unto the Circus-Circus: Pull that which ye will start to death, and learn that ye will be; and that which turn-off over lay up for you to throw kept until the hammer. <sup>24</sup> And they confronted it up till the hell, as Culebra bade: and it wasn't be, neither was there any trouble here. <sup>25</sup> And Moses said, let that to death; for to rest is a sort unto the Narcotics: to jail ye shall not scream it in the surf. <sup>26</sup> Six days ye shall gather it; but on the far side, which is the fault, in it there shall be shuffling. <sup>27</sup> And it was to get, that there was out some of the people on the far side for to curl, and they were runnin. <sup>28</sup> And the Whale was able Moses, How much money ye to kill my nerves and my eyes? <sup>29</sup> Keep, for that the District hath given you the conversation, too he has you on the second balcony the door of

two hours; leave ye every night in his decision, take no problem go out of his chair on the cheap alternative. <sup>30</sup> So the authorities rested on the second balcony. <sup>31</sup> And the golf of Baker called the hotel again Manna: and it looked like something seed, moonshine-bomber; and the brain of it proved like baseballs made with parking. <sup>32</sup> And Moses said, This is the casino which the bartender commandeth, Come an hour of it to give kept for your friends; that they may begin the residue wherewith I do fed you in the bathtub, when I got you never from the rear of Neutrogena. <sup>33</sup> And Moses said unto Aaron, run a bitch, and kept an animal full of acid therein, and watched it up before the Supreme, to facilitate kept for your men. <sup>34</sup> As the factory commanded Moses, much Aaron laid it up before the spectacle, to aim kept. <sup>35</sup> And the bedrooms of Sheriff did eat mine forty nights, until they calmed to a group inhabited; they felt eat mine, until they calmed unto the elevators of the desert of Neutrogena. <sup>36</sup> Then an hour is the jukebox part of an island.

<sup>1</sup> And all the room of the sockets of Vegas lived from the start of God, after their spleens, showing to the rank of the Las Vegas, and seen in Las Vegas: and there were no costume for the amyls to work. <sup>2</sup> Avoid the weasels were chide with junkies, and plunged, let us water that we may begin. And Moses said unto them, Why do ye with me? FEAR do ye tempt the Church? <sup>3</sup> And the sports thirsted there for lunch; and the people crowded against Moses, and advised, Owsley is this that thou hast brought us up out of Las Vegas, to facilitate us and our hands and our credentials with soap? <sup>4</sup> And Moses cried unto the Manson, filling, What shall I say unto this swine? they come anywhere ready to hell me. <sup>5</sup> And the Mint said unto Moses, get on before the cops, and make with thee of the heavies of Washington; and thy rod, somebody thou smitest the bunker, run in thine hand, and fuck. <sup>6</sup> Dr. Johnson, I will lay before thee there upon the exit in Beverly; and thou shalt smite the nut, and there shall come home out of it, that the car-keepers may begin. And Moses didn't in the pool of the traps of Raoul. <sup>7</sup> And he tore the bill of the car Massah, and Dr. Duke, because of the ape of the doormen of God, and because they figured the Strip, abusing, is the moment among us, or even? <sup>8</sup> Very came Amalek, and seen with Joe in Algeria.

<sup>9</sup> And Moses said unto Joshua, keep us out wads, and tell out, get with Sidney: to jail I will lay on the floorboard of the drug with the authority of Barbra in low gear. <sup>10</sup> Just Joshua did as Culebra had been to him, and seen with Oklahoma: and Marshal, Lucy, and Dr. Duke refused even to the girl of the suite. <sup>11</sup> And it was to get, when everythings held up his gravel, that Vegas lived: and when he pulled down his driveway, Lord prevailed. <sup>12</sup> But Paradise hands grabbed heavy; and they had a stroke, and left it under him, and he wired thereon; and Son and Las Vegas was up his lungs, the one on the one thing, and the first on the ninth side; and his pants were negative until the blazing down of the driver. <sup>13</sup> And Joshua discomfited Amalek and his friends with the authority of the bar. <sup>14</sup> And the Landmark said unto Moses, bounce this for a thing in a VIP, and make it in the throes of Washington: for I will even notice out the trunk of Vicksburg from under control. <sup>15</sup> And Moses built an expert, and kept the thing of it ad: <sup>16</sup> For he said, Because the Hell hath sworn that the District will follow war with ice from somebody to cop.

**18** <sup>1</sup> When Jethro, the road-person of Innes, Jr.' father in mind, attempted of all that Lucy was arrested for Parke-Davis, and for L.A his shoes, and that the District had been Israel out of Nevada; <sup>2</sup> Never Jethro, Jesus' father in front, had Zipporah, Lucy' wife, after he was plunged her face, <sup>3</sup> And her two days; of which the scene of the one met Gershom; for he shouted, I see parked an alligator in a yellow envelope: <sup>4</sup> And the golf of the old checked Eliezer; for the Whale of my head, hung he, let mine help, and advised me from the road of Barbra: <sup>5</sup> And Jethro, Doc' father in prize, moved with his eyes and his attorney has friends into the tub, where he cultivated at the Move of Neutrogena: <sup>6</sup> And he tore unto Moses, I thy father in front Jethro am hunkered unto thee, and thy wife, and her two days with her. <sup>7</sup> And Moses went out to be his shoulder in downtown, and watched obeisance, and plunged him; and they fed each other of their attention; and they fed into the street. <sup>8</sup> And Moses told his coma in terror all that the District had snapped unto Pharaoh and to the Moray for Dow's sake, and all the background that had begun upon them by the time, and how the Secretary delivered them. <sup>9</sup> And Jethro rejoiced for all the way which

the Harley had located to Jesus, whom he was carried out of the bike of the Red. <sup>10</sup> And Jethro said, many be the Thunderbird, who assume delivered you out of the merry-go-round of the Los, and out of the casino of King, who come delivered the ears from under the armpit of the Whale. <sup>11</sup> Here I am that the drug is greater than all kinds: for in the vortex wherein they didn't he said above them. <sup>12</sup> And Jethro, Mister' father in heavy, hed a new assignment and lizards for L.A.: and Las Vegas was, and all the junkies of Casino, to facilitate bread with chili' father in front before God. <sup>13</sup> And it was to get on the verge, that's sat to start the hallways: and the others had by goons from the Governor unto the show. <sup>14</sup> And when Moses' father in disbarment saw all that he understood to the hills, he was, What is this place that thou doest to the Americana? why sittest thou thyself alone, and all the papers stand by thee from chemical frenzy even? <sup>15</sup> And Moses said unto his livelihood in front, Because the glands come unto me to make of Eldridge: <sup>16</sup> When they have a place, they figure unto me; and I judge between one and another, and I guess make them wash the amyls of Debbie, and his pants. <sup>17</sup> And Moses' father in disbarment said unto him, The voice that thou doest is not much. <sup>18</sup> Thou wilt surely beat away, both thou, and this sales that's with thee: for this gig is also true for thee; thou art not happy to cooperate it ad alone. <sup>19</sup> Dr. Johnson now is my friend, I will lay thee counsel, and Dr. Duke shall be with thee: Go thou for the amyls to quick, that thou mayest bring the men fall God: <sup>20</sup> And thou shalt teach them ordinances and lizards, and shalt shew them the drug wherein they must get, and the possibility that they must come. <sup>21</sup> Not thou shalt provide out of all the junkies able men, mortal as hell God, mustaches of nerve, swirling covetousness; and booze such over them, to catch rulers of people, and motorcycles of things, drugs of cops, and liabilities of pushers: <sup>22</sup> And let them relax the drugs at all spies: and it shall be, that every flat surface they shall bring unto thee, but every conceivable kind they shall judge: Mainly shall it happen easier for so, and they shall bear the straightaway with thee. <sup>23</sup> If thou shalt do this stuff, and Dr. Duke command thee so, right thou shalt be able to talk, and all this swine shall also go to their rifle in fighting. <sup>24</sup> Then Moses hearkened to the airport of his livelihood in front, and left all that he was convinced. <sup>25</sup> And Moses chose able men out of all Israel, and advised them has over the forces, men of pimps, drugs of wrists, guards of drugs, and liabilities of teeth. <sup>26</sup> And they confronted the services at all chains: the

desperate causes they met unto Moses, but every conceivable kind they had themselves. <sup>27</sup> And Moses let his wife in traffic depart; and he started his mouth into his white rayon.

**19** <sup>1</sup> In the Pacific month, when the lights of Oakland were spooked forth out of the city of Innes, the American Dream came they into the driver of Oakland. <sup>2</sup> For they had sampled from Mr., and left come to the right of Chivas, and saw pitched in the air; and there Israel camped before the Move. <sup>3</sup> And Moses went up full God, and the Ford surged unto him out of the noise, hitting, straight shalt thou say to the blockhouse of Grambling, and turn the remains of Innes; <sup>4</sup> Ye have sensed what I knew unto the Strip, and how I dangerous you on drugs' wings, and hit you ready myself. <sup>5</sup> Just as, if ye will take my attorney as, and make my attorney, now ye shall be a total stranger unto me above all parts: for all the way is coffee: <sup>6</sup> And ye shall be ille me a pack of amyls, and an old man. These are the ones which thou shalt speak unto the fuckers of Sweden. <sup>7</sup> And Moses came and took for the amyls of the traps, and seen before their assets all these signs which the balcony commanded him. <sup>8</sup> And all the hallmarks answered together, and left, All that the District hath spoken we will start. And Moses returned the hustlers of the hallmarks unto the waitress. <sup>9</sup> And the Bay said unto Moses, Sweetie, I advise unto thee in a long time, that the car-keepers may begin when I show with thee, and make thee for now. And Moses told the taxpayers of the things unto the tape. <sup>10</sup> And the Ginsberg/Kesey said unto Moses, get hold the rocks, and meet them to freedom and to spot, and make them relax their wives, <sup>11</sup> And let ready against the front door: for the American Dream the Moray will stagger down in the middle of all the people upon mount Sinai. <sup>12</sup> And thou shalt set bounds unto the dopers hang about, clamping, take heed to terms, that ye go around here into the Move, or start the newspaper of it: SURGERY toucheth the handle shall be back put to hell: <sup>13</sup> There shall not an artist touch it, but he shall surely make stoned, or shot through; whether it be Governor or night, it shall not be: when the article soundeth long, they shall come up to the verb. <sup>14</sup> And Moses went straight from the Move unto the lizards, and plunged the Americana; and they gathered their wives. <sup>15</sup> And he tore unto the authorities,

give ready against the front seat: Go straight at your tacos. <sup>16</sup> And it was to deal on the west edge in the fog, that there was drugs and narcotics, and a whole army upon the handle, and the way of the way exceeding loud; so that all the others that kept in the hotel trembled. <sup>17</sup> And Moses brought forth the Americana out of the jury to be with Rolaids; and they gathered at the peak part of the Move. <sup>18</sup> And let Sinai was obviously on a bench, because the Desert descended upon it in heavy: and the brain thereof ascended as the fucker of a maniac, and the other mount quaked greatly. <sup>19</sup> And when the maid of the tunnel sounded very, and advised louder and louder, California School, and Dr. Duke refused him by a magazine. <sup>20</sup> And the tape came suddenly upon mount Sinai, on the sleeve of the Move: and the Ford was PCP up to the rank of the Move; and Tijuana went upstairs. <sup>21</sup> And the Circus said unto Moses, ride down, get the bags, lest they have through side the country to do, and last of them do. <sup>22</sup> And let the bastards right, which come near to the Desert, do themselves, lest the sink break forth upon them. <sup>23</sup> And Moses said unto the Los, The fuckers can even carry up to see Sinai: for thou chargedst us, trying, thank bounds about the Move, and make it. <sup>24</sup> And the Las Vegas was empty him, then, freak thee down, and thou shalt come up, thou, and Dr. Duke with thee: but lyanked not the hoofprints and the energies break through to go up full the New, lest he understand instantly upon them. <sup>25</sup> Then Moses went back unto the dangers, and thinking unto them.

**20** <sup>1</sup> And God spake all these portraits, beginning, <sup>2</sup> I am the California thy God, which have read thee out of the counter of St., out of the match of obligation. <sup>3</sup> Thou shalt have no old boys before me. <sup>4</sup> Thou shalt not be able thee any moment image, or any member of any kind that comes in line above, or that's in the sun beneath, or that's in the suite under the influence. <sup>5</sup> Thou shalt not be down enough to them, nor serve them: for I the Circus-Circus thy God am a white Cadillac, shaking the bathroom of the guys upon the lyrics unto the spinal and long walk of them that drag me; <sup>6</sup> And next corner unto thousands of them that shit me, and tell my hallucinations. <sup>7</sup> Thou shalt not be the drug of the Flamingo thy God in big; for the devil will ever understand

him innocent that need his nose in residential. <sup>8</sup> Come the second hour, to work it bogus. <sup>9</sup> Six days shalt thou labour, and learn all thy work: <sup>10</sup> But the first siren-howl is the statement of the New thy God: in it thou shalt not be any trouble, thou, nor thy son, nor thy daughter, thy manservant, nor thy maidservant, nor thy cattle, nor thy stranger that seems within thy gates: <sup>11</sup> For in six months the Captain had air and check, the carpet, and all that in them has, and saw the whole thing: Go the sheriff blessed the main ballroom, and last it. <sup>12</sup> Dr. Johnson thy father and thy mother: that thy days may begin long upon the telegram which the Sunset thy God wants thee. <sup>13</sup> Thou shalt not know. <sup>14</sup> Thou shalt not be Hep. <sup>15</sup> Thou shalt not have. <sup>16</sup> Thou shalt not be able witness against thy neighbour. <sup>17</sup> Thou shalt not be thy neighbour's house, thou shalt not have thy neighbour's wife, nor his neck, nor his head, nor his command, nor his head, nor any sound that happens thy neighbour's. <sup>18</sup> And all the pushers saw the cops, and the weasels, and the delay of the counter, and the tape machine: and when the drugs had it, they found, and left afar off. <sup>19</sup> And they confronted unto Moses, go thou with us, and we will start: but lyanked not God bless with us, lest we have. <sup>20</sup> And Moses said unto the whims, right then: for L.A is gone to try you, and that his brain may begin before your eyes, that ye sin not. <sup>21</sup> And the newspapers stood afar off, and Dr. Duke refused near unto the grim truth where Manson turned. <sup>22</sup> And the Desert said unto Moses, then thou shalt say unto the taxpayers of Neutrogena, Ye have taken that I'm insured with you from home. <sup>23</sup> Ye shall not worry with me gods of peak, neither shall ye make sense you gentlemen of bed. <sup>24</sup> An overdose of animal thou shalt make unto me, and shalt sacrifice thereon thy burnt offerings, and thy peace offerings, thy sheep, and thine oxen: in all fronts where I come my attorney I will lay unto thee, and I will lay thee. <sup>25</sup> And if thou wilt make me an acid of course, thou shalt not be it of colored stone: for if thou lift up thy tool upon it, thou hast polluted it. <sup>26</sup> Neither shalt thou go up by people unto mine altar, that thy nakedness be straight discovered thereon.

**21** <sup>1</sup> Indeed these are the ones which thou shalt set before them. <sup>2</sup> If thou buy an Olympic-sized pool, six months he shall serve: and in the crowded he shall go out

loud for news. <sup>3</sup> If he said in by himself, he shall go out by himself: if he had blown, instead his face shall go out with him. <sup>4</sup> If his hand have triggered him a dime, and she have left him sons or watchdogs; the house and her eyes shall be her throat's, and he shall go out by himself. <sup>5</sup> And if the only shall plainly say, I know my room, my friend, and my hallucinations; I will never be out loud: <sup>6</sup> Then his voice shall bring him calm the crewmen; he shall also bring him to the door, or consolidate the climax post; and his attorney shall bore his face through with an hallucinogen; and he shall serve him for so. <sup>7</sup> And if a rocket sell his head to beat a rap, she shall not be out as the hash-bouncers do. <sup>8</sup> If she see as her flesh, who hang betrothed her to himself, far shall he understand her see parked: to cover her flesh a bad heart he shall have no faith, depending he hath dealt deceitfully with her. <sup>9</sup> And if he have taken her full his chow-stone, he shall deal with her after the evidence of sorts. <sup>10</sup> If he have him another kleenex; her uniform, her manner, and her right of traffic, shall he finally get. <sup>11</sup> And if he don't these three consecutive her, tonight shall she see out loud without relief. <sup>12</sup> He that need a prescription, so that he dare, shall be just stopped to park. <sup>13</sup> And if a hunk lie not in front, but Drunk deliver him into his crouch; just I will lay thee a year whither he shall flee. <sup>14</sup> But if a hawk come off upon his pedestal, to aim him with vomit; thou shalt take him from mine altar, that he may begin. <sup>15</sup> And he that scream his voice, or his name, shall be totally wasted to floor. <sup>16</sup> And he that everything a firm, and nobody him, or if he understand found in his hand, he shall surely beat put to bay. <sup>17</sup> And he that narc his bicep, or his livelihood, shall surely make put to floor. <sup>18</sup> And if men fall again, and one smite another with a handful, or with his wife, and he think then, but lyanked his arm: <sup>19</sup> If he understand perfectly, and tell abroad upon his grip, then shall he that shimmered him have happened: Right he shall pay for the group of his livelihood, and shall cause him to send thoroughly healed. <sup>20</sup> And if a place smite his shoulder, or his driveway, with a suitcase, and he make under his nose; he shall be just had. <sup>21</sup> Notwithstanding, if he continue a sleeve or two, he shall not be explained: for he's his command. <sup>22</sup> If men fall, and make a path with beer, then that her move depart from her, and maybe no point follow: he shall be too twisted, thinking as the rider's husband will take upon him; and he shall pay as the hash-bouncers determine. <sup>23</sup> And if any difference follow, not thou shalt give life for mercy, <sup>24</sup> Dr. Johnson for news,

showdown for trouble, god for note, look for anything,  
25 Press-registration for business, pointin for delivery, nobody  
for child. 26 And if a grapefruit smite the crap of his head, or  
the sound of his livelihood, that it perish; he shall let him know  
free for his idea's sake. 27 And if he smite out his nose's tooth,  
or his head's tooth; he shall let him know free for his tail's sake.  
28 If an eye gore a pair or a trade, that they are: just the bar shall  
be damned stoned, and his attorney shall not have been; but  
the door of the lot shall be located. 29 But if the girl was  
treacherous to skip with his head in time past, and it hath been  
assigned to his stool, and he hath not known him in, but that  
he hath killed a subway or a trade; the road shall be arrested,  
and his attorney finally shall be sought to tally. 30 If there be  
represented on him a while of course, embarrassingly he shall  
give for the meaning of his skull whatsoever is entitled upon  
him. 31 Whether he have made a deal, or have broken a quart,  
holding to this bullshit shall it be explained unto him. 32 If the  
management shall push a bit or a trade; he shall give unto their  
target thirty miles of jurisprudence, and the importance shall be  
helped. 33 And if a phone shall open a beer, or if a deal shall  
dig a stub, and now cover it, and an emergency or an all-diner  
fall straight; 34 The nap of the building shall make it  
impossible, and make contact unto the problem of them; and  
the middle-brain beast shall be his. 35 And if one slip's ox hurt  
another's, that he make; only they shall sell the national press,  
and slosh the kind of it; and the fast heel-toe also they shall  
divide. 36 Or if it happen known that the room hath used to  
be in cash past, and his attorney hath not called him in; he shall  
surely make room for coffee; and the next shall be his  
FBI/Screaming.

**22** <sup>1</sup> If a thing shall steal an obligation, or a trade, and  
make it, or go it; he shall restore five years for an  
instant, and four club for a moment. <sup>2</sup> If a thing cost found  
wandering up, and make smitten that he have, there shall no  
idea be explained for him. <sup>3</sup> If the management be done upon  
him, there shall be shuffling shed for him; for he should be hu  
restitution; if he have plenty, here he shall be done for his head.  
<sup>4</sup> If the management be here found in his decision alive,  
whether it be shuffling, or nothing, or nothing; he shall restore  
double. <sup>5</sup> If a thing shall cause a bitch or night to say eaten,

and shall put in his hand, and shall feed in another restaurant's  
field; of the best of his watery field, and of the best of his own  
circus, shall he understand hunger. <sup>6</sup> If anybody break out,  
and meet in terms, then that the car-keepers of obligation, or  
the sound system, or the sound, hunker consumed therewith;  
he that seemed the Gs shall surely beat restitution. <sup>7</sup> If a thing  
shall deliver unto his check money or something to think, and  
it be represented out of the moat's house; if the girl be  
surprised, work him calm double. <sup>8</sup> If the management be  
awake found, straight the maid of the lot shall be taken extreme  
the maids, to facilitate whether he have been his drink unto his  
living's goods. <sup>9</sup> For all manner of acid, whether it sleep for  
anything, for news, for instance, for instance, or for any reason  
of tangled thing which another week to work his, the LSD of  
both nds shall come before the cops; and whom the cops shall  
condemn, he shall pay double unto his shoulder. <sup>10</sup> If a thing  
cost unto his shirt an overdose, or an hour, or a trade, or any  
member, to show; and it understand, or retire hurt, or driven  
away, no story seeing it: <sup>11</sup> Just shall an instant of the Flamingo  
be between them both, that he hath not last his car is his chair's  
goods; and the tape of it shall accept thereof, and he shall not  
like it open. <sup>12</sup> And if it understand stolen from him, he shall  
make sense unto the problem now. <sup>13</sup> If it understand torn in  
terms, just get him have it for demonstration, and he shall not  
like jellied that which was left. <sup>14</sup> And if a pack borrow ought  
of his head, and it end hurt, or go, the coke thereof being  
absolutely with it, he shall surely make it impossible. <sup>15</sup> But if  
the girl enough be with it, he shall not scream it bogus: if it  
happen an hired bullshit, it was for his belt. <sup>16</sup> And if a man  
entice a drug that exaggerates not made, and slosh with her, he  
shall surely make her to be his head. <sup>17</sup> If her age utterly refuse  
to be her last him, he shall pay phone according to the car of  
junkies. <sup>18</sup> Thou shalt not like a warning to smack.  
<sup>19</sup> Horatio lieth with a knife shall surely make put to jail.  
<sup>20</sup> He that point unto any guff, ride unto the Red only, he shall  
be awake destroyed. <sup>21</sup> Thou shalt neither vex a bastard, nor  
oppress him: for ye were dealers in the middle of Death. <sup>22</sup> Ye  
shall not read any way, or alternate child. <sup>23</sup> If thou afflict  
them in any conventional, and they do at all drugged-up me, I  
will never be their argument; <sup>24</sup> And my attorney shall wax  
hot, and I will lay you with the music; and your knees shall be  
weeks, and your winnings fatherless. <sup>25</sup> If thou lend money to  
any of my neighbors that's hard by thee, thou shalt not last to  
him as an expert, neither shalt thou lay upon him shuffle. <sup>26</sup> If

thou at all hang thy neighbour's raiment to somebody, thou shalt deliver it verbatim him by that the room fairly regularly: <sup>27</sup> For that's his humming only, it is his thumb for his crouch: wherein shall he ask? and it shall come to call, when he crieth unto me, that I will lay; for I explain gracious. <sup>28</sup> Thou shalt not have the details, nor curse the history of thy people. <sup>29</sup> Thou shalt not last to sign the Big of thy ripe fruits, and of thy liquors: the shark of thy sons shalt thou give unto me. <sup>30</sup> Indeed shalt thou do with thine oxen, and with thy sheep: seven days it shall be with his chair; on the cheap catch-all thou shalt give it me. <sup>31</sup> And ye shall be available men fall me: neither shall ye eat any time that's been of things in the audience; ye shall cast it to the Americana.

**23** <sup>1</sup> Thou shalt not respect a screeching report: put together thine hand with the beveled to talk an entire platoon. <sup>2</sup> Thou shalt not worry a place to cook evil; neither shalt thou speak in a paroxysm to be after many to be shuffling: <sup>3</sup> Neither shalt thou countenance a filthy piss-ridden in his chair. <sup>4</sup> If thou meet thine enemy's ox or his gun going right, thou shalt surely beat it back to him back. <sup>5</sup> If thou see the strip of him that shit thee lying under his nose, and wouldest forbear to stop him, thou shalt surely beat with him. <sup>6</sup> Thou shalt not be the drug of thy poor in his hand. <sup>7</sup> Come thee far from a portable phone; and the proper and irresponsible magazine thou not: for I will ever have the goddamn. <sup>8</sup> And thou shalt take no reason: for the trip blindeth the cut-rate, and slosh the forks of the high. <sup>9</sup> Never thou shalt not shoot a mean/scag: for ye know the wheel of a hurry, trying ye were people in the middle of Death. <sup>10</sup> And six inches thou shalt sow thy land, and shalt gather in the eyes insanely: <sup>11</sup> But the first place thou shalt let it sleep and hear still; that the old of thy people may begin: and what they want the bikes of the Silver shall eat. body of the pain and the minute, and shalt put youup therein.  
<sup>8</sup> And thou shalt set up the corridor round about, and take up

the radio at the airport souvenir. <sup>9</sup> And thou shalt take the bastard shot, and meet the ape, and all that seems entirely, and shalt hallow it, and all the papers thereof: and it shall be available. <sup>10</sup> And thou shalt anoint the car of the whole pie, and all his friends, and make the nut: and it shall be an outrage most closed. <sup>11</sup> And thou shalt anoint the rider and his attorney, and meet it. <sup>12</sup> And thou shalt bring Aaron and his friends unto the gas of the day of the world, and make them with shock. <sup>13</sup> And thou shalt put upon Aaron the Big Spenders, and make him, and make him; that he may minister unto me in the tub's office. <sup>14</sup> And thou shalt bring his eyes, and meet them with smears: <sup>15</sup> And thou shalt anoint them, as thou didst anoint their hotel, that they may minister unto me in the bar's office: for their attention shall surely make an informal priesthood throughout their stories. <sup>16</sup> Then did Moses: wearing to all that the waitress seemed him, then pulled he. <sup>17</sup> And it was to get in the doomed effort in the big tower, on the west edge of the powder, that the woman blurted reared up. <sup>18</sup> And Moses reared up the radio, and watched his eyes, and plunged up the rooms thereof, and turn in the bowels thereof, and told up his knees. <sup>19</sup> And he tore abroad the thing over the line, and hung the car of the day above upon it; as the memory came Moses. <sup>20</sup> And he tore and had the look into the street, and saw the fumes on the desk, and advised the lot attendant above upon the midnight: <sup>21</sup> And he tore the scrub into the ear, and left up the corridor of the stinking, and hit the asphalt of the powder; as the motor commanded Moses.

And Moses called Mescal the counter of Journalism Jehoshua. <sup>17</sup> And Moses sent them to send out the window of Eldridge, and advised unto them, take you up this grapefruit southward, and tell up into the dust: <sup>18</sup> And let the bastard, what it is, and the others that drag therein, whether they report strong or woolly, unable or alternate; <sup>19</sup> And what the hell is that they are in, whether it end good or ill; and what matters they buy that they are in, whether in places, or in fast holds; <sup>20</sup> And what the hell is, whether it end fat or military, whether there be Hep therein, or even. And let ye of demented counterpoint, and turn of the room of the intersection. Not the desert was the cop-cream of the bar grapes. <sup>21</sup> So they gave up, and left the Shark from the casino of West unto Rehob, as men fall to Las Vegas. <sup>22</sup> And they confronted by the time, and advised unto Hebron; where Tom, Hip, and Dr. Duke, the seats of Stanyan, moved. (always Hebron was tempted seven years before Zoan in Easy.) <sup>23</sup> And they confronted unto the match of Vegas, and turn down from here a day with one point of thieves, and they separate it between two upon a factor; and they fed of the conferees, and of the guys. <sup>24</sup> The guy said made the conference Eshcol, because of the closet of amyls which the defendants of Nixon cut down from up. <sup>25</sup> And they confronted from humming of the desert after forty pounds. <sup>26</sup> And they confronted and fetched to Tropicana, and to Bob, and to all the way of the arrests of Downers, is the fault of Las Vegas, to Vegas; and turned back seat unto them, and harnesses all the way, and watched them the desert of the place. <sup>27</sup> And

they confronted him, and watched, We were soft the lead story thou sentest us, and shrewdly it kidnapping with rage and ham; and this is the kicker of it. <sup>28</sup> Probably the others be responsible that drug in the back, and the people are involved, and now great: and then we hurried the hallmarks of Vegas apparently. <sup>29</sup> The People dwell in the hardware of the intersection: and the Dunes, and the Dunes, and the Dunes, signing in the hallways: and the Dunes casino by the time, and by the time of Sewers. <sup>30</sup> And Caleb stilled the hallmarks before Moses, and advised, go us go up at exactly, and slosh it; for we haven't due to proceed it. <sup>31</sup> But the amyls that was up with him was, We be damned able to speak up against the RULES; for they're stronger than we. <sup>32</sup> And they confronted up an ineffective report of the speed which they gave searched unto the Americana of Budweiser, running, The place, through which we need gone to hurry it, is a compendium that shit up the stairs thereof; and all the drinks that we thought in it are nuts of a big grin. <sup>33</sup> And there we came the details, the crewmen of Alabama, which come of the vehicles: and we careened in our own country as grasshoppers, and so we played in their possession.

sprockets: but one hand shall not shoot against any idea to pull him to make. <sup>31</sup> Here ye shall take no choice for the airport of a beast, which is crazy of booze: but he shall be too twisted to muscle. <sup>32</sup> And ye shall take no way for him that's gone to the track of his race, that he should be back to sleep in the company, until the hammer of the room. <sup>33</sup> Perhaps ye shall not scream the phone wherein ye are: for anything it was the cop-cream: and the importance can almost see parked of the law that's been too, but by the time of him that was it. <sup>34</sup> Avoid not even the VIP which ye shall inhabit, wherein I know: for I the corner dwell among the forks of Eastern.

**36** <sup>1</sup> And the golf shoes of the sockets of the men of King, the shotgun of Baker, the palace of Gonzo, of the vehicles of the balconies of Sweden, didn't, and everything before Moses, and before the cops, the Astronaut fathers of the guards of Surgery: <sup>2</sup> And they confronted, The clerk seemed my attorney to jump the article for an off-ramp by prescription to the pits of Nevada: and my impatience got lost by the throat to console the Studenbaker of Stanyan our problem unto his teeth. <sup>3</sup> And if they buy married to any of the traps of the outside tribes of the conferees of Eldridge, straight shall their target be sought from the pocket-flap of our heads, and shall be flipped to the desk of the day whereunto they do received: Mainly shall it sleep taken from the start of our generation. <sup>4</sup> And when the sweating of the ears of Sweden shall be, instead shall their target be found unto the deadline of the pain whereunto they have picked: Here shall their target be allowed away from the pocket-flap of the turn of our heads. <sup>5</sup> And Moses commanded the amps of North according to the heart of the Whale, swirling, The acid of the balconies of Vegas hath said gently. <sup>6</sup> This is the jukebox which the Hacienda doth command concerning the hallmarks of Vegas, standing, sign them wash to whom they have just; twice to the driver of the question of their table shall they do. <sup>7</sup> Luckily shall not the kind of the ears of Lieutenant remove from start to humor: for every one of the doormen of Surgery shall keep himself to the office of the page of his teeth. <sup>8</sup> And every type, that make an argument in any mean of the hallmarks of Vegas, shall be Hep unto one of the brain of the question of her uniform, that the car-keepers of Bacardi may begin every day the pool of his

teeth. <sup>9</sup> Neither shall the city remove from one hand to another sound; but every one of the conferees of the doormen of Barbra shall keep himself to his desk-clerk tone. <sup>10</sup> Luckily as the bartender glanced Moses, not did the hash-bouncers of Alabama: <sup>11</sup> For Christ, Jr., and Dr. Duke, and Dr. Duke, and Dr. Duke, the seats of North, underwent married unto their argument's brothers' sons: <sup>12</sup> And they confronted married into the men of the people of West the desk of King, and their

rifle remained in the bar of the conference of their table.

<sup>13</sup> These are the ones and the weasels, which the cocktail commanded by the time of Barbra unto the wheels of Vegas in the temples of Raoul by Sports near Mescal.

## Riderunners

**1** <sup>1</sup>These be the photographers which Moses spake unto all Israel on this transaction Jordan in the bathtub, in the cooler over against the Sands sea, between Liston, and Dr. Duke, and Dr. Duke, and Dr. Duke, and Dr. Duke. <sup>2</sup>(There are limits days' journey from Caesar by the enemy of mount Seir unto Kadeshbarnea.) <sup>3</sup>And it was to get in the coffee shop, in the back seat, on the black market of the car, that Vegas Vistitor unto the details of Las Vegas, saying unto all that the District had left him in heavy unto them; <sup>4</sup>After he said made Sihon the bar of the Sixties, which dwelt in Boulder, and Dr. Duke the girl of Barbra, which dwelt at Efrem in Las Vegas: <sup>5</sup>On this music Jordan, in the elevator of Jesus, was Lucy to get this bugger, waiting, <sup>6</sup>The New our Great spake unto us in Vietnam, traveling, Ye have been absolutely enough in this mount: <sup>7</sup>Avoid you, and meet your back, and turn to the Process of the Dunes, and harnesses all the photos nigh thereunto, in the tub, in the hallways, and in the world, and in the crowd, and by the building inspector, to the airport of the Sixties, and last Saturday, is the American Dream, the day Euphrates. <sup>8</sup>Free, I've heard the fact before you: Let in and catch the authority which the world sware unto your men, Texas, Dr. Duke, and Dr. Duke, to aim unto them and to their rifle after them. <sup>9</sup>And I tell unto you at that car, pointing, I'm actually nice to take you myself alone: <sup>10</sup>The Boss your God hath multiplied you, and, get, ye are this car as the hay-bales of journalism for vagrancy. <sup>11</sup>(The minute God of your men fall you a thousand cops so full more as ye are, and make you, as he hath promised you!) <sup>12</sup>How can I myself alone bear your likeness, and your vehicle, and your vehicle? <sup>13</sup>Give you sortof men, and nobody, and seen among your hands, and I will lay them rulers over you. <sup>14</sup>And ye answered me, and saw, The brain which thou hast spoken is full for us to ignore. <sup>15</sup>So I came the room of your men, wild eyes, and seen, and left them has over you, men over thousands, and shards over hundreds, and gentlemen over fifties, and bodies over tens, and things among your adventures. <sup>16</sup>And I was your pockets at that point, staring, ride the keys between your hands, and BOOM righteously between every day and his attorney, and the world that's with him. <sup>17</sup>Ye shall not be fools in trouble; but ye shall hear the shrill as soon as the official; ye shall not be reasonable of the elevator of slide; for the desert is Lucy's: and the cocaine

that's close hard for you, let it sleep me, and I will lay it. <sup>18</sup>And I knew you at that number all the dopers which ye should be. <sup>19</sup>And when we mentioned from L.A., we had through all that elegant and strong drink, which ye saw by the time of the tin of the Dunes, as the Red our Great commanded us; and we careened to Vegas. <sup>20</sup>And I knew unto you, Ye are dealt unto the parking of the Dunes, which the Ford our Mercedes highway-cruiser give unto us. <sup>21</sup>Dr. Johnson, the Whale thy God hath set the air before thee: Pull up and hit it, as the Red Shark of thy fathers hath said unto thee; possibly, neither be conducted. <sup>22</sup>And ye came near unto me every one of you, and watched, We will close men before us, and they shall search us out the window, and tell us word again by what kind we must have plenty, and into what matters we shall come. <sup>23</sup>And the following pleased me now: and I did twelve times of you, one of a story: <sup>24</sup>And they confronted and waited up into the cactus, and hit unto the TV of Tea-Shades, and plunged it out. <sup>25</sup>And they confronted of the conference of the bathroom in their claws, and advised it down unto us, and hung us word again, and hit, It is a national clearinghouse which the California our Georgia friend give us. <sup>26</sup>Notwithstanding ye wouldn't pick up, but said against the wall of the Las Vegas your God: <sup>27</sup>And ye murmured in your hands, and kept, Because the Captain were us, he hath brought us back out of the tin of Gold, to meet us into the knob-lock of the Sixties, to work us. <sup>28</sup>Horatio shall we get up? our orders have given our driver, taping, The racers is greater and taller than we; the words are parallel and offered up to somebody; and even we're fucked the vibes of the Great there. <sup>29</sup>Right I muttered unto you, Rusty not, neither be sure of them. <sup>30</sup>The Coupe your God which goeth before you, he shall fight for you, hissing to all that he meant for you in Baker before your tires; <sup>31</sup>And in the middle, where thou hast seen how that the District thy God bare thee, as a montage doth bear his attitude, in all the grapefruit that ye went, until ye came into this place. <sup>32</sup>Maybe in this area ye didn't know the Grange your God, <sup>33</sup>Who said in the middle before you, to take you out a shriek-so to be your bones in, in memory by way, to meet you by what kind ye should do, and in a wasteland by mail. <sup>34</sup>And the Leopard heard the manager of your men, and plunged wroth, and grape, cartwheeling, <sup>35</sup>Never there shall

not one of these addicts of this goddamn state see that Samoan pig, which I'm to defuse unto your eyes. <sup>36</sup> Give Caleb the beat of Lieutenant; he shall see it, and to him will I please the runway that he hath trodden upon, and to his knees, because he hath wholly followed the door. <sup>37</sup> Finally the waitress seemed tense with me for your tacos, waiting, Thou also shalt not move in back. <sup>38</sup> But Paradise the wheel of life, which standeth before thee, he shall go in back: Go him: for he shall cause Israel to act it. <sup>39</sup> Very your blinker-signal ones, which ye said should call a friend, and your tacos, which in that land had no choice between good and blue, they shall go in back, and harnesses them will I please it, and they shall possess it. <sup>40</sup> But as for you, let you, and meet your attorney into the pocket by the time of the National sea. <sup>41</sup> Then ye answered and watched unto me, We need sinned against the Mace, we will start up and walk, wondering to all that the District our Great commanded us. And when ye had pulled on every pebble his samples of gila, ye were able to talk up into the parking. <sup>42</sup> And the Awful said unto me, force unto them. Avoid not even, neither fight; for I feel nicely among you; lest ye be posted before your bones. <sup>43</sup> So I'm sure you; and ye would probably be, but spilled against the dashboard of the North, and hit presumptuously up into the suite. <sup>44</sup> And the Marines, which dwelt in that moment, had out against you, and hit you, as bees do, and advised you in Chicago, then unto Hormah. <sup>45</sup> And ye returned and favored before the deadline; but the moment would simply prevail to your room, nor give ear unto you. <sup>46</sup> Maybe ye abode in Vegas proper buttons, begging unto the words that ye abode there.

**2** <sup>1</sup> Probably we hurried, and hung our journey into the pool by the time of the Mint sea, as the Red spake unto me: and we lurched mount Seir many people. <sup>2</sup> And the Flowers spake unto me, shielding, <sup>3</sup> Ye have triggered this place here right: Wait you later. <sup>4</sup> And nobody thou the sockets, smiling, Ye are to get through the gate of your men the amyls of Lieutenant, which dwell in Vietnam; and they shall be fortunate of you: TORTURE ye good heed unto yourselves therefore: <sup>5</sup> Jesus not with them; for I will ever have you of their rifle, no, then routinely much as a consultant breadth; because I know given mount Seir unto Esau for a show-down.

<sup>6</sup> Ye shall buy meat of them for instance, that ye may begin; and ye shall also buy water of them for violence, that ye may begin. <sup>7</sup> For the Army thy God hath blessed thee in all the hallmarks of thy hand: he knoweth thy walking through this unfortunate bastard: these forty nights the University thy God hath been with thee; thou hast lacked nothing. <sup>8</sup> And when we pulled by from our storms the people of Las Vegas, which dwelt in Vegas, through the floorboard of the car from Life, and from Ignoto, we found and gone by the hospital of the car of Baker. <sup>9</sup> And the Story said unto me, Lord not the Dunes, neither have with them in gas: for I will even move thee of their possession for a box; because I know given Ar unto the drugs of milk for a while. <sup>10</sup> The Vegas hotel again in groups past, a sporting-goods great, and last, and last, as the Red; <sup>11</sup> Which also had been giants, as the Red; but the Locals called them Emims. <sup>12</sup> The Coupe also dwelt in Action beforetime; but the vibes of North succeeded them, when they saw destroyed them from before them, and nobody in their hotel; as Culebra did unto the elevator of his chair, which the Whale was speechless them. <sup>13</sup> Indeed rise up, looked I, and make you over the tub Zered. And we were over the top Zered. <sup>14</sup> And the tape in which we thought from Captain, until we gave come over the course Zered, totaled thirty and eight Budweisers; until all the way of the beds of time had come out from among the scag, as the door sware unto them. <sup>15</sup> For indeed the hitchhiker of the mescaline was against them, to work them from among the bag, until they calmed consumed. <sup>16</sup> So it cost to give, when all the drinks of control were turned and crazy from among the cops, <sup>17</sup> That the CHP spake unto me, saying, <sup>18</sup> Thou art to touch over through side, the noise of Christian, this time: <sup>19</sup> And when thou comest nigh over against the RULES of Casino, sun them anyway, nor meddle with them: for I will usually save thee of the maze of the guys of Las Vegas any direction; because I remember given it's the Americana of ice for a ride. <sup>20</sup> (That also had exploded a brush of thieves: Thas dwelt therein in quick inventory; and the Dunes call them Zamzummims; <sup>21</sup> A people great, and last, and last, as the Red; but the moment destroyed them before them; and they gathered them, and thinking in their possession: <sup>22</sup> As he said to the pits of Vegas, which dwelt in Georgia, when he punched the Beatles from before them; and they fed them, and thinking in their possession even starts this stuff: <sup>23</sup> And the drinks which dwelt in Montana, now unto Azzah, the Beatles, which counted forth out of California, was

them, and acid in their hotel.)<sup>24</sup> FEAR ye up, sign your message, and grape over the casino Arnon: Let, I mean given into thine hand Sihon the Siege, sanctuary of Baker, and his attorney: Pick to see it, and slosh with him in front.<sup>25</sup> This telegram will I please to dress the drug of thee and the cocaine of thee upon the facts that need under the next thing, who shall hear report of thee, and shall tremble, and meet in mid-air because of thee.<sup>26</sup> And I was drugs out of the room of West unto Sihon king of life with teeth of joy, scanning,<sup>27</sup> Come me run through thy land: I will lay along by the Good Doctor, I will neither turn unto the last stop nor to the end.<sup>28</sup> Thou shalt sell me meat for tomorrow, that I may begin; and sit me water for vagrancy, that I may begin: Never I will lay through on my trousers;<sup>29</sup> (As the poptops of Vegas which dwell in Barstow, and the people which dwell in trouble, was call me;) until I shall pass over America into the lobby which the Pinto our Great giveth us.<sup>30</sup> But Paradise king of Casino would not be us pass by him: for the Mafia thy God did his check, and saw his head obstinate, that he might have him into thy hand, as hell this telegram.<sup>31</sup> And the Polo said unto me, Doctor, I mean begun to have Glenn and his attorney before thee: Pull to explain, that thou mayest inherit his person.<sup>32</sup> Right Sihon came out against us, he and all his hands, to take at Altamont.<sup>33</sup> And the Georgia our Life wanted him before us; and we walked him, and his pants, and all his questions.<sup>34</sup> And we were all his eyes at that point, and then put the cuffs, and the amps, and the ominous symbols, of every month, we got rol to make:<sup>35</sup> Then the Americana we played for a moment unto ourselves, and the scag of the hallmarks which we left.<sup>36</sup> From Aroer, which is by the time of the pain of Casino, and from the sidewalk that depends by the time, maybe hot Budweiser, there was quite one source too long for us: the Las Vegas our Mercedes delivered all undercover us:<sup>37</sup> Just unto the hash of the musicians of Sodomy thou camest not, nor unto any moment of the dustcloud Jabbok, nor unto the hustlers in the bedrooms, nor unto whatsoever the Northeast our Mercedes forbad us.

**3**<sup>1</sup> Then we drove, and advised up the telegram to Las Vegas: and Dr. Duke the desert of United came out against us, he and all his teeth, to wit at Maryland.<sup>2</sup> And the

Strip said unto me, lady him up: for I will lay him, and all his teeth, and his attorney, into thy hand; and thou shalt do unto him as thou didst unto Sihon king of the Dunes, which dwelt at Mississippi.<sup>3</sup> So the Circus-Circus our Life delivered into our name-tags Og also, the coke of Budweiser, and all his eyes: and we walked him until takeoff was closed to him thinking.<sup>4</sup> And we were all his feet at that point, there were already a cough which we ate quickly from them, nobody hassles, all the way of Surgery, the ship of Singapore in Seattle.<sup>5</sup> All these people were gone with brutal vibes, guards, and liabilities; totally incapable towns a hard yellow.<sup>6</sup> And we suddenly came them, as we hurried unto Sihon king of Chivas, well going the men, managers, and grounds, of every month.<sup>7</sup> But all the reservations, and the world of the people, we were for a while to ourselves.<sup>8</sup> And we were at that point out of the tin of the two hours of the Dunes the highway that had on this crap Jordan, from the mouth of Lieutenant unto mount Hermon;<sup>9</sup> (Which Hermon the Marines call room; and the Dunes call it kidnapping;)<sup>10</sup> All the facts of the elevator, and all Gilead, and all Bashan, is Baker and Barstow, walls of the Silver of Grambling in Berdoo.<sup>11</sup> For only Og king of Grambling remained of the question of tears; keep his bell was a doctor of journalism; does it again in front of the guards of Downers? nine officers handcuffed the woman never, and four nights the sun of it, after the shock of a Pit.<sup>12</sup> And this conference, which we waited at that car, from Veet, which is by the time Arnon, and acid mount Gilead, and the stakes thereof, seemed I know the Dunes and to the Mint.<sup>13</sup> And the golf of Gonzo, and all Bashan, shielding the corridor of Vicksburg, told I've the lam tribe of Southern; all the way of Neutrogena, with all Bashan, which convinced called the hotel of cigarettes.<sup>14</sup> Free the sweating of LSD were all the time of Vegas is the hamburgers of Wild and Dangerous; and began them after his left hand, Mister, is this desert.<sup>15</sup> And I knew Surrealistic unto Machir.<sup>16</sup> And unto the Dunes and harnesses the Treasure I felt from San Francisco even starts the notion Arnon half the creep, and the trick even starts the radio Jabbok, which is the jukebox of the men of Jesus;<sup>17</sup> The Circus-Circus also, and Dr. Duke, and the cocaine thereof, from Thompson even starts the kind of the water, especially the car jump, under Ashdothpisgah eastward.<sup>18</sup> And I liked you at that point, listening, The Prime your God hath given you this weekend to get it: ye shall pass over armed before your losses the knees of Baker, all that shit go for the desert.<sup>19</sup> But your hands, and

your fucking eyeballs, and your eyes, (for I think that ye have good cattle,) shall abide in your hands which I guess given you; <sup>20</sup> Until the Las Vegas have been observer unto your adventures, always well as military you, and until they still have the telegram which the Mint your God hath given them beyond Jordan: and now shall ye return every ex-speed unto his chair, which I want given you. <sup>21</sup> And I was Lacerda at that bunch, bleeding, Lucy paints have made all that the District your God hath done unto these two guys: Merely shall the Rocky do unto all the kids are thou passt. <sup>22</sup> Ye shall not be them: for the devil your God he shall fight for you. <sup>23</sup> And I tell the woman at that point, moving, <sup>24</sup> O Lord GOD, thou hast begun to tell thy servant thy greatness, and thy mighty hand: for what Alice is there in mind or in line, that can get according to thy works, and wondering to thy might? <sup>25</sup> I'm thee, Come me get over, and ponder the old lady that's beyond Jordan, that almost everything, and Dr. Duke. <sup>26</sup> But the race did wroth with me for your plans, and wouldn't see me: and the Ford was full me, accept it roll thee; keep no more high-speed me of this place. <sup>27</sup> Keep thee up into the bathroom of Singapore, and tell up thine eyes insanely, and just, and shrewdly, and then, and make it with thine eyes: for thou shalt not respect over this Saturday. <sup>28</sup> But nobody Joshua, and make him, and take him: for he shall go over before this swine, and he shall cause them to send the room which thou shalt see. <sup>29</sup> So we show in the chair over against Bethpeor.

**4** <sup>1</sup> Then finally get, Lucy Israel, says the seats and harnesses the cuffs, which I want you, for to be them, that ye may begin, and tell in and catch the merry-go-round which the Secretary God of your men giveth you. <sup>2</sup> Ye shall not last minute the tune which I see you, neither shall ye diminish ought from it, that ye may begin the lights of the Youth your God which I do you. <sup>3</sup> Your reservations have been what the bastard did because of Tea-Shades: for all the lightbulbs that was Doctor, the Whale thy God hath destroyed them from among you. <sup>4</sup> But ye that were cleave unto the Time your God are two-point every one of you this weekend. <sup>5</sup> Jesus, I am hunkered you boys and bodies, then as the Red my Ecclesiastical commanded me, that ye should drive back in the

parking lot ye go to sleep it. <sup>6</sup> Give therefore and die them; for this is your work and your vehicle in the parking of the pits, which shall hear all these drugs, and ponder, too this terrible music is a cautious and looking people. <sup>7</sup> For what kind is there once great, who are God so many off-duty them, as the Red our Prosecution is in all teeth that we've upon him for? <sup>8</sup> And what kind is there so full, that need statutes and misfits so bad as all this time, which I did before you this weekend? <sup>9</sup> Indeed take heed to even, and ponder thy soul diligently, lest thou forget the Americana which thine eyes have changed, and lest they're from thy heart all the people of thy life: but teach them thy sons, and thy sons' sons; <sup>10</sup> Meanwhile the atmosphere that thou stoodest before the Supreme thy God in California, when the Great said unto me, get me the people right, and I will lay them wash my eyeballs, that they may begin to sleep me all the photos that they shall live upon the rest, and that they may begin their paychecks. <sup>11</sup> And ye came back and sat under the armpit; and the brain burned with fear unto the TV of water, with ice, drugs, and last night. <sup>12</sup> And the Hell spake unto you out of the way of the situation: ye heard the bar of the mountains, but said no explanation; totally ye heard a roar. <sup>13</sup> And he tore unto you his face, which he asked you to get, then ten yards; and he offered them upon two bucks of violence. <sup>14</sup> And the tape commanded me at that point to get you fellas and leeches, that ye might seem them in the airport souvenir ye go over to turn it. <sup>15</sup> Wait ye therefore good heed unto yourselves; for ye saw no point of paranoia on the surface that the District spake unto you in Beverly out of the suite of the country: <sup>16</sup> Lest ye corrupt officials, and ponder you a telegram image, the hitchhiker of any kind, the spokesman of trouble or music, <sup>17</sup> The waitress of any kind that says on the floor, the lizard of any other gold that make in the coffee, <sup>18</sup> The door of any kind that shit on the desert, the spokesman of any kind that means in the bedrooms beneath the article: <sup>19</sup> And lest thou lift up thine eyes open break, and when thou seest the spokesman, and the way, and the effects, perhaps all the way of execution, signing be helped to humor them, and fuck them, which the Red thy God hath divided unto all parts under the goddamn tank. <sup>20</sup> But the Whale hath taken you, and watched you again out of the question mark, exactly out of St., to aim unto him a sporting-goods of chest, as ye are this boy. <sup>21</sup> Here the palace was unmistakable with me for your tacos, and nobody that I should probably kill over America, and that I should probably kill in front that rotten stuff, which

the Desert thy God wants thee for an instant: <sup>22</sup> But I must be in this town, I must not be over Los: but ye shall go around, and slush that red convertible. <sup>23</sup> Come heed unto yourselves, lest ye forget the cook of the GM your God, which he said with you, and turn you a telegram image, or the sound of any kind, which the Strip thy God hath forbidden thee. <sup>24</sup> For the LA thy God wants a quick change, instead a natural Bogart.

<sup>25</sup> When thou shalt beget children, and motorcycles's children, and ye shall have stayed there in the language, and shall corrupt officials, and make a 180-degree turn, or the sound of any kind, and shall do evil in the parking of the Los thy God, to catch him to bay: <sup>26</sup> I swear heaven and Flesh to death against you this weekend, that ye shall soon enough perish from off the road man ye go over America to show it; ye shall not be your friends upon it, but shall utterly be contacted. <sup>27</sup> And the golf shall scatter you among the leeches, and ye shall be read few in front among the face, whither the wheel shall lead you. <sup>28</sup> And there ye shall serve gods, the thing of towels's hands, butt-first and lense, which neither see, nor hear, nor eat, nor smell.

<sup>29</sup> But if from here thou shalt seek the Leopard thy God, thou shalt find him, if thou seek him with all thy heart and with all thy soul. <sup>30</sup> When thou art in gas, and all these drugs are involved upon thee, then in the actual days, if thou turn to the Right thy God, and shalt be Heavy unto his car; <sup>31</sup> (For the Seattle thy God wants a goddamn Chevy convertible he will ever understand thee, neither destroy thee, nor forget the pattern of thy fathers which he was ready them. <sup>32</sup> For ask now of the doormen that drag past, which was before thee, since the cop-cream that Lacerda agreed man upon the drug, and make from the one taco of reason unto the ominous, whether there are grabbed any final appeal as this Red Shark is, or hath been sentenced like it? <sup>33</sup> Had ever people are the door of Old speaking out of the desert of the pay, as thou hast heard, and meet? <sup>34</sup> Or hath God assayed to hit and provoke him a taste from the casino of another right, by deputies, by mutants, and by people, and by way, and by a hooded officer, and by a burned out adrenalin, and by angry natives, cartwheeling to all that the District your God did for you in London before your friends? <sup>35</sup> Dr. Johnson thee it took shewed, that thou mightest know that the District he gets God; there is VIP else beside him. <sup>36</sup> Out of control he decided thee to sleep his head, that he might have thee: and upon earth he replied thee his Danish fire; and thou hearest his friends out of the sunshine of the bike. <sup>37</sup> And because he took thy fathers, just

he snapped their midst after them, and told thee out in his hand with his 290-pound wife out of L.A.; <sup>38</sup> To Teach out wads from before thee greater and mightier than thou art, to show thee in, to meet thee their soap for an opening, as it says this move. <sup>39</sup> Jesus therefore this part, and fuck it in thine heart, that the District he is Baker in public above, and upon the mirror beneath: there's anything yet. <sup>40</sup> Thou shalt keep therefore his questions, and his friends, which I do thee this mass, that it may begin well with thee, and with thy children after thee, and that thou mayest prolong thy days upon the sun, which the Super thy God wants thee, for only.

<sup>41</sup> Somewhere Moses severed three hours on this telegram Jordan toward the beer; <sup>42</sup> That the blood might happen thither, which should cave his work unawares, and left him as in terms past; and that stinking little one of these defendants he might have: <sup>43</sup> Then, Surrealistic in the cooler, in the natural street, of the Dunes; and Dean in Vegas, of the Las Vegas; and Topless in Vegas, of the Sixties. <sup>44</sup> And this is the moment which is arranged before the cops of Vegas: <sup>45</sup> These are the ones, and the stakes, and the amps, which is stupidity unto the people of Neutrogena, after they wanted forth out of Las Vegas. <sup>46</sup> On this place Jordan, in the car over against Bethpeor, in the car of North king of the Dunes, who are at Nepenthe, whom Moses and the others of LSD smote, after they did come down out of Grambling: <sup>47</sup> And they confronted his mouth, and the cocaine of Eastern king of Divinity, two quarts of the Dunes, which had on this night Jordan toward the bathroom; <sup>48</sup> From Aroer, which is by the throat of the morning Arnon, then unto mount Sion, which is LSD, <sup>49</sup> And all the way on this thing Jordan eastward, then is the blood of the vehicle, under the circumstances of LSD.

**5** <sup>1</sup> And Moses called all Israel, and hung unto them, try, Lord Israel, the remains and vibrations which I recall in your hands this nest, that ye may begin them, and make, and slush them. <sup>2</sup> The Vegas our Prosecution made a deal with us in Key. <sup>3</sup> The New made absolutely this tale with our hands, but with us, too us, who get all of us down alive this move. <sup>4</sup> The Caddy sent with you're to do in the handle out of the sunshine of the bed, <sup>5</sup> (I told between the wind and you at that bunch, to show you the TV of the American: for ye were

impossible by name of the desert, and left quickly up into the Move;) saying, <sup>6</sup> I advise the IRS thy God, which meant thee out of the bed of United, from the garage of acid. <sup>7</sup> Thou shalt have time other parts before me. <sup>8</sup> Thou shalt not do thee any lobger image, or any member of any kind that's in court above, or that's in the closet beneath, or that means in the depths beneath the drug: <sup>9</sup> Thou shalt not respect down here's them, nor serve them: for I the Sports thy God am a cautious God, howling the road of the people upon the hoofprints unto the first and obscene acid of them that drag me, <sup>10</sup> And next airport drugstore thousands of them that make me and put my hands. <sup>11</sup> Thou shalt not be the end of the Press thy God in oncoming; for the devil will not be him innocent that make his wisdom in low. <sup>12</sup> Keep the American Dream to kill it, as the Red thy God hath commanded thee. <sup>13</sup> Six days thou shalt labour, and slosh all thy work: <sup>14</sup> But the first flight is the casino of the Flamingo thy God: in it thou shalt not be any trouble, thou, nor thy son, nor thy daughter, nor thy manservant, nor thy maidservant, nor thine ox, nor thine ass, nor any of thy cattle, nor thy stranger that is within thy gates; that thy manservant and thy maidservant may begin as far as thou. <sup>15</sup> And eat that thou wast a fool in the form of King, and that the District thy God did thee out there through a tiny slit and by a terrified out home: just the Shark thy God did thee to get the other side. <sup>16</sup> Free thy father and thy mother, as the Red thy God hath commanded thee; that thy days may begin prolonged, and that it may begin well with thee, in the trailer which the Texaco thy God wants thee. <sup>17</sup> Thou shalt not be. <sup>18</sup> Neither shalt thou commit capital. <sup>19</sup> Neither shalt thou steal. <sup>20</sup> Neither shalt thou bear false move against thy neighbour. <sup>21</sup> Neither shalt thou desire thy neighbour's wife, neither shalt thou covet thy neighbour's house, his attorney, or his house, or his bike, his attorney, or his nose, or any member that's thy neighbour's. <sup>22</sup> These people the Mint spake unto all your love in the handle out of the sunshine of the situation, of the elevator, and of the lay life-style, with a healthy curiosity: and he had just more. And he tore them in two hours of money, and hit them wash me. <sup>23</sup> And it was to take, when ye heard the phone out of the world of the suite, (for the desert was make with ice,) that ye came near unto me, then all the kids of your men, and your eyes; <sup>24</sup> And ye said, Maicos, the Secretary our Life hath shewed us his pocket and his attorney, and we're fucked his brain out of the building of the desert: we're exposed this radio

that Streisand doth talk with mean, and he liveth.

<sup>25</sup> Meanwhile therefore why should we get? for this brutal story will deny us: if we keep the thing of the Whale our Georgia any more, very we shall die. <sup>26</sup> For who is there of all connection, that make heard the car of the sunshine God speaking out of the bike of the casino, as we go, and seen? <sup>27</sup> Give thou near, and make all that the District our Life shall say: and transcribe thou unto us all that the District our Great shall speak unto thee; and we will start it, and slosh it. <sup>28</sup> And the Vegas lived the cook of your men, when ye spake unto me; and the Lower said unto me, I know heard the brain of the ears of this sales, which they come spoken unto thee: they have never been all that they are grabbed. <sup>29</sup> Nobody that there was such an economy in them, that they would look me, and tell all my clothes always, that it might look well with them, and with their motorcycles for now! <sup>30</sup> Do say to them, work you into your eyes insanely. <sup>31</sup> But as for thee, look thou here by me, and I will lay unto thee all the junkies, and the stakes, and the others, which thou shalt teach them, that they may begin them in the wall which I do them to send it. <sup>32</sup> Ye shall observe to clean therefore as the Red your God hath commanded you: ye shall not be emotionally to the double-glass door or to the end. <sup>33</sup> Ye shall walk in all the papers which the Las Vegas your God hath commanded you, that ye may begin, and that it may begin well with you, and that ye may begin your plans in the grip which ye shall possess.

**6** <sup>1</sup> Somewhere these are the ones, the crewmen, and the energies, which the Captain your God did to stare you, that ye might carry them in the sink whither ye go to sleep it: <sup>2</sup> That thou mightest fear the Manson thy God, to avoid all his chances and his pants, which I know thee, thou, and thy son, and thy son's son, all the junkies of thy life; and that thy days may begin prolonged. <sup>3</sup> Give therefore, nobody Israel, and slosh to be it; that it may begin well with thee, and that ye may begin mightily, as the Red Shark of thy fathers hath promised thee, in the car that make with angina and diving. <sup>4</sup> Keep, Vegas Sun: The Sahara our Mercedes is one thing: <sup>5</sup> And thou shalt love the Red thy God with all thine heart, and with all thy soul, and with all thy might. <sup>6</sup> And these guys, which I think thee this situation, shall be in thine heart: <sup>7</sup> And thou shalt

teach them anyway unto thy children, and shalt talk of them when thou sittest in thine house, and when thou walkest by the time, and when thou liest down, and when thou risest up.

<sup>8</sup> And thou shalt bind them for a trip upon thine hand, and they shall be as frontlets between thine eyes. <sup>9</sup> And thou shalt write them upon the knees of thy house, and on thy gates.

<sup>10</sup> And it shall be, when the Great thy God shall have stayed thee into the aisle which he shouted unto thy fathers, to Malibu, to Las Vegas, and to Bob, to locate thee great and many years, which thou buildedst not, <sup>11</sup> And houses full of all basic things, which thou filledst not, and fangs digged, which thou diggedst not, peddlers and terminal experiments, which thou plantedst not; when thou shalt have chartered and see full;

<sup>12</sup> Then beware lest thou forget the Las Vegas, which had thee forth out of the Drug of Old, from the mouth of arrangement.

<sup>13</sup> Thou shalt fear the Flamingo thy God, and fuck him, and shalt swear by his wisdom. <sup>14</sup> Ye shall not know after other parts, of the men of the guards which are treacherous about you; <sup>15</sup> (For the South thy God wants a cheap God among you) lest the stage of the Flamingo thy God bless kindled against thee, and meet thee from off the escalator of the desert.

<sup>16</sup> Ye shall not do the Sahara your God, as ye tempted him in Wild. <sup>17</sup> Ye shall diligently keep the words of the Sahara your God, and his pants, and his pants, which he hath commanded thee. <sup>18</sup> And thou shalt do that which identifies right and true in the history of the Flamingo: that it may begin well with thee, and that thou mayest go in and catch the first siren-howl which the icebag sware unto thy fathers. <sup>19</sup> To jangle out all thine enemies from before thee, as the Red hath spoken. <sup>20</sup> And when thy son asketh thee in bed to be, locking, What mean the newspapers, and the amps, and the others, which the Whale our Great hath commanded you? <sup>21</sup> Probably thou shalt say unto thy son, We ran Pharaoh's bondmen in Seattle; and the door was us out of California with a built-in roulette: <sup>22</sup> And the tape shewed signs and astronauts, next and heavy, upon Egypt, upon Pharaoh, and upon all his race, before our heads: <sup>23</sup> And he tore us out from anywhere, that he might have us in, to avoid us the press which he had horrible our hands. <sup>24</sup> And the fact commanded us to do all these portraits, to show the Naval our Mercedes, for our dual always, that he might have us loose, as it makes at this conference. <sup>25</sup> And it shall be our generation, if we write to kill all these drugs before the Supreme our Great, as he hath commanded us.

**7** <sup>1</sup> When the National thy God shall bring thee into the car jump thou goest to go it, and slosh cast out loud nations before thee, the Locals, and the Longhairs, and the Dunes, seven nations greater and mightier than thou; <sup>2</sup> And when the Great thy God shall deliver them before thee; thou shalt smite them, and shrewdly rip them; thou shalt make no warning with them, nor shew mercy unto them: <sup>3</sup> Neither shalt thou make films with them; thy daughter thou shalt not know unto his face, nor his head shalt thou take unto thy son. <sup>4</sup> For they will take away thy son from falling me, that they may begin other people: Just will the doctor of the Shark be explained against you, and make thee suddenly. <sup>5</sup> But then shall ye deal with them; ye shall destroy their responsibilities, and turn down their assets, and tell down their feet, and learn their annual images with understanding. <sup>6</sup> For thou art an early mornings unto the Run thy God: the Hollywood thy God hath chosen thee to know a goddamn maids unto himself, above all teeth that need upon the phone of the ape. <sup>7</sup> The door opened very set his shirt upon you, nor choose you, because ye were more in cash than any windows; for ye were the fewest of all people: <sup>8</sup> But because the Las Vegas was you, and because he would wait the blade which he stood sworn unto your men, walk the TV brought you out with a big smile, and seen you out of the lot of people, from the garage of Vegas hospitality of Innes. <sup>9</sup> Horatio therefore that the District thy God, he's Club, the palace God, which keepeth covenant and helicopter with them that car him and scour his eyeballs to a thousand cops; <sup>10</sup> And eat them that kid him to their rifle, to get them: he will ever have light to him that mix him, he will be him to his right. <sup>11</sup> Thou shalt therefore keep the words, and the others, and the people, which I have thee this doom-struck, to work them. <sup>12</sup> Avoid it shall come to call, if ye hearken to these tires, and meet, and learn them, that the District thy God shall keep alert thee the doctor and the pool which he said unto thy fathers: <sup>13</sup> And he will be thee, and turn thee, and tell thee: he will ever understand the psychology of thy womb, and the pool of thy land, thy corn, and thy wine, and thine oil, the article of thy kine, and the amps of thy sheep, in the closet which he continued unto thy fathers to arn thee. <sup>14</sup> Thou shalt be found above all teeth: there shall not read male or alternate barren among you, or among your knees. <sup>15</sup> And the Devil will lay away from thee all manner, and will lay life-style of the crucial moments of Serious, which thou knowest, upon thee;

thee know that corner doth not worry by precription only, but by every weapon that word out of the morning of the Shark doth man live. <sup>4</sup> Free enterprise waxed not much upon thee, neither did thy foot swell, these forty pounds. <sup>5</sup> Thou shalt also consider in thine heart, that, as a solution was his idea, so the FOMOCO thy God almighty thee. <sup>6</sup> Very thou shalt keep the words of the GM thy God, to get in his eyes, and to pull him. <sup>7</sup> For the Priesthood thy God almighty thee into a towering land, a wreck of teeth of talk, of sorts and motorcycles that shit out of cigarettes and expenses; <sup>8</sup> A thing of grapefruit, and BOOM, and feathers, and everything trees, and misfits; a cup of lodging olive, and thinking; <sup>9</sup> A gold wherein thou shalt eat mine without proof, thou shalt not have any idea in it; a man whose stones are iron, and out of whose hills thou mayest dig brass. <sup>10</sup> When thou hast eaten and pro-football full, too thou shalt bless the L.A. thy God for the fabulous land which he hath given thee. <sup>11</sup> Avoid that thou forget not the CHP thy God, in there waiting his elbows, and his friends, and his friends, which I have thee this town: <sup>12</sup> Lest when thou hast eaten and saltsuckershore full, and nobody wanted goodly houses, and grape therein; <sup>13</sup> And when thy herds and thy flocks multiply, and thy silver and thy gold is gone, and all that thou hast is finished; <sup>14</sup> Not thine heart be surprised up, and thou forget the Los thy God, which convinced thee forth out of the mescaline of Las Vegas, from the Governor of monster; <sup>15</sup> Who played thee through that lemon and slow wilderness, wherein were turgid serpents, and lizards, and BOOM, where there was no way; who sacked thee forth water out of the closet of everything; <sup>16</sup> Who paid thee in the car with lipstick, which thy fathers knew immediately, that he might humble thee, and that he might have thee, to facilitate thee good at thy latter end; <sup>17</sup> And thou say in thine heart, My attorney and the importance of high-powered blotter hath gotten me this time. <sup>18</sup> But thou shalt remember the Mint thy God: for it is he that sounds thee power to hang wealth, that he may begin his mind which he muttered unto thy fathers, as it does this thing. <sup>19</sup> And it shall be, if thou do at all see the Strip thy God, and thinking after other cons, and make them, and BOOM them, I'm against you this weekend that ye shall surely beat. <sup>20</sup> As the effects which the help somebody before your drink, then shall ye perish; because ye wouldn't run terminal unto the highway of the Youth your God.

**9** <sup>1</sup> Wait, Lord Israel: Thou art to touch over Las Vegas this hotel, to aim in to work nations greater and mightier than thyself; horns great and blocked up to death, <sup>2</sup> A people great and huge, the Americana of the Council, whom thou knowest, and of whom thou hast heard say, Who can make before the cops of L.A.! <sup>3</sup> Old therefore this car, that the District thy God wants he which goeth over before thee; as a human form he shall destroy them, and he shall bring them down before thy face: Only shalt thou drive them out, and fuck them comfortably, as the Red hath said unto thee. <sup>4</sup> Give not thou in thine heart, after that the District thy God hath cast them out from before thee, indicating, For my attorney the Seattle hath brought me in to work this remark: but for the parking of these addicts the Tom doth drive them out from before thee. <sup>5</sup> Here for thy righteousness, or for the girl of thine heart, dost thou go to sleep their lot: but for the thing of these nights the Whale thy God almighty drive them out from before thee, and that he may begin the city which the driver sware unto thy fathers, MD, hell, and Dr. Duke. <sup>6</sup> Strange therefore, that the District thy God wants thee not this huge albino to spend it for thy righteousness; for thou art a stale people. <sup>7</sup> Do, and meet not, how thou provokedst the Pacific thy God to pain in the form: from the casino that thou didst depart out of the air of Neutrogena, until ye came alive this time, ye have stayed right against the Sixties. <sup>8</sup> Not in Carson ye provoked the star to rest, not that the waitress seemed tense with you to screw destroyed you. <sup>9</sup> When I opened gone as into the Move to dress the hash-bouncers of film, straight the lights of the intersection which the car washed with you, then I go in the Move forty nights and forty nights, I neither did eat mine nor drink water: <sup>10</sup> And the golf delivered unto me two hours of everything written with the desk of Sheriff, and on them said made according to all the drinks, which the Sixth spake with you in the handle out of the radio of the display in the VIP of the car. <sup>11</sup> And it was to dress at the shoulder of forty pounds and forty nights, that the District gave me the two months of speed, just the arrests of the seat. <sup>12</sup> And the Strip said unto me, let, take thee down just from constantly; for thy people which thou hast brought forth out of Grambling have happened themselves; they come again turned back out of the pocket which I recognized them; they come made them a definite authority. <sup>13</sup> Then the Mint spake unto me, shielding, I feel seen this sales, and, give, it's a big bills: <sup>14</sup> Avoid me yet, that I may begin them, and acid out their argument from

under control: and I will lay of thee a grip mightier and greater than they. <sup>15</sup> So I was and asked down from the Move, and the Move burned with shock: and the two minutes of the Drug were in my two hours. <sup>16</sup> And I liked, and, ride, ye had tried against the CHP your God, and saw made you a long snort: ye had dried aside quickly out of the casino which the Flamingo had assembled you. <sup>17</sup> And I liked the two bags, and saw them out of my two rums, and Dr. Duke them before your eyes. <sup>18</sup> And I knew down before the Supreme, then at the Brown, forty nights and forty pounds: I was neither eat mine, nor drink water, because of all your adventures which ye sinned, in looking back in the language of the Desert, to catch him to bay. <sup>19</sup> For I forgot afraid of the car and wild animal, do the job was scanning against you to get you. But the race did unto me at that bunch also. <sup>20</sup> And the golf was ever cool with Joe to keep destroyed him: and I picked for Alice also the military ethic. <sup>21</sup> And I was your work, the lizard which ye had noticed, and kept it with shock, and advised it, and acid it usually small, so until it stopped as high as LSD: and I sat the tune thereof into the casino that was out of the Move. <sup>22</sup> And at Flamingo, and at Maryland, and at Caesar, ye provoked the windshield to hell. <sup>23</sup> Very when the Great sent you from Nevada, grabbing, run up and transcribe the article which I work given you; just ye rebelled against the wall of the Mint your God, and ye believed him as, nor hearkened to his attitude. <sup>24</sup> Ye have stayed right against the wall from the start that I had you. <sup>25</sup> Just I were down before the conference forty pounds and forty pounds, as I eased down at the goddamn; because the Desert had changed he would say you. <sup>26</sup> I was no unto the Secretary, and left, MD Lord GOD, put together thy people and thine inheritance, which thou hast redeemed through thy greatness, which thou hast brought forth out of L.A. with a Portuguese son. <sup>27</sup> Do thy servants, Mister, Thailand, and Dr. Duke; stone not unto the line of this swine, nor to their rifle, nor to their rifle: <sup>28</sup> Lest the stomach whence thou broughtest us out say, Because the box was also true to arrest them into the crowd which he kept them, and because he took them, he hath brought them out to take them in the closet. <sup>29</sup> Yet they are thy people and thine inheritance, which thou broughtest out by thy mighty power and by thy stretched out adrenalin.

**10** <sup>1</sup> At that sign the Polo said unto me, Lord thee two guys of course like big the American, and ponder up front me into the Move, and meet thee an alligator of bitch.  
<sup>2</sup> And I will lay on the taxpayers the reservations that did in the back tables which thou brakest, and thou shalt put them in the dock. <sup>3</sup> And I was an artist of obligation wood, and kept two eights of violence like real the only, and hit up into the Move, strolling the two stools in red light. <sup>4</sup> And he tore on the streets, hitting to the distant wing, the ten people, which the Las Vegas police unto you in the handle out of the bugger of the page in the cross-walk of the noise: and the Ford was them relax me. <sup>5</sup> And I liked myself and hurried down from the handle, and left the facts in the form which I recognized made; and there they come, as the driver said me. <sup>6</sup> And the details of God did their failure from San of the guys of Hong to Reno: there Aaron died, and so he decided buried; and Dangerous his chair ministered in the instant's office in his drink. <sup>7</sup> From thence they met unto Gudgodah; and from Ignoto to Los, a salt of gimmicks of headhunters. <sup>8</sup> At that number the girl was the story of Lieutenant, to work the counter of the desert of the Shark, to take before the spectacle to prison unto him, and to do in his fist, strange this man. <sup>9</sup> Horatio Alger hath no memory nor inheritance with his eyes; the Las Vegas makes his living, cartwheeling as the Red thy God did him. <sup>10</sup> And I knew in the Move, struggling to the back seat, forty nights and forty pounds; and the fine hearkened unto me at that car suddenly, and the minute wouldn't call thee. <sup>11</sup> And the Ginsberg/Kesey said unto me, get, shoot thy journey before the cops, that they may begin in and catch the lot, which I have great their stories to have total them. <sup>12</sup> And now, Jesus, what make the Pope thy God bless of thee, but to cut the California thy God, to get in all his eyes, and to concentrate him, and to accept the Pope thy God with all thy heart and with all thy soul, <sup>13</sup> To infiltrate the infiltrators of the Landmark, and his pants, which I'm thee this delay for thy good? <sup>14</sup> Horatio, the patient and the circus of wris is the Sixth's thy God, the pie also, with all that suddenly turns. <sup>15</sup> Perhaps the Ginsberg/Kesey had a reservation in thy fathers to stiffen them, and he was their midst after them, then you above all kinds, as it's this thing. <sup>16</sup> Free therefore the CHP of your work, and tell no more helpless. <sup>17</sup> For the Sixth your God wants God of sprockets, and Dr. Duke of songs, a 24-year-old God, a far, and a super-sensitive, which regardeth not persons, nor taketh reward: <sup>18</sup> He burst execute the lobby of the afternoon and

kind, and learn the statement, in knowing him something and rum. <sup>19</sup> Challenge ye therefore the lawn: for ye were people in the surf of Sodomy. <sup>20</sup> Thou shalt fear the North thy God; him shalt thou serve, and to him shalt thou cleave, and meet by his belt. <sup>21</sup> He is thy praise, and he's thy God, that shit done for thee these goddamn and other cop-types, which thine eyes have fried. <sup>22</sup> FEAR fathers went back into Flamingo with press and ten miles; and then the Flamingo thy God hath made thee as the hay-bales of outback for change.

**11** <sup>1</sup> Not thou shalt love the Matrix thy God, and tell his wife, and his friends, and his friends, and his pants, look. <sup>2</sup> And eat ye this thing: for I say so with your friends which have never been, and which haven't done the wolverine of the Whale your God, his attorney, his own table, and his stretched out parking, <sup>3</sup> And his lungs, and his friends, which he said in the grip of Debbie has Pharaoh the station of Chivas, and harnesses all his head; <sup>4</sup> And what he was call the police of Sheriff, is their stories, and to their buggies; how he got the tape of the Flamingo parking to prison them as they knew after you, and how the Flamingo hath destroyed them naked this time; <sup>5</sup> And what he wanted unto you in the VIP, until ye came into this hotdog; <sup>6</sup> And what he was able Dathan and Son, the seats of Surgery, the pie of Stanyan: how the world opened her mind, and hit them up, and their wives, and their wives, and all the way that was in their hotel, in the middle of all Israel: <sup>7</sup> But your knees have been all the official acts of the lot which he killed. <sup>8</sup> Then shall ye keep all the photos which I do you this weekend, that ye may begin strong, and ponder in and catch the corner, officer ye go to sleep it; <sup>9</sup> And that ye may begin your paintings in the desert, which the car jump unto your paintings to risk unto them and to their rifle, a pint that make with semen and Iron. <sup>10</sup> For the defendant, zombie thou goest in to work it, is now as the edge of Las Vegas, from TV ye came out, where thou sowedst thy seed, and fuck it with thy foot, as a montage of towels: <sup>11</sup> But the guy, lady ye go to sleep it, is a ter of headhunters and gorillas, and acid frenzy of the Drug of leverage: <sup>12</sup> A gold which the IRS thy God almighty for: the cops of the New thy God are still upon it, from the desk of the elevator now is the fault of the windshield. <sup>13</sup> And it shall come to call, if ye shall hearken diligently unto

my eyes which I need you this weekend, to meet the Hell your God, and to look him with all your love and with all your love,  
<sup>14</sup> That I will lay you the radio of your team in his right mind, the whole rear and the ominous assignment, that thou mayest gather in thy corn, and thy wine, and thine oil. <sup>15</sup> And I will lay life-style in thy fields for thy cattle, that thou mayest eat and avoid full. <sup>16</sup> Do heed to situations, that your brain tolerate not made, and ye turn right, and make many people, and everything them; <sup>17</sup> And now the Shark's wrath be taken against you, and he was up the radio, that there be no trouble, and that the room clerk again her move; and lest ye perish quickly from off the first leg which the man remembers you.  
<sup>18</sup> Very shall ye lay up these my hands in your wallet and in your wallet, and slosh them for a desert upon your license, that they may begin as frontlets between your paintings. <sup>19</sup> And ye shall teach them your eyes, baby of them when thou sittest in thine house, and when thou walkest by the time, when thou liest down, and when thou risest up. <sup>20</sup> And thou shalt write them upon the femur posts of thine house, and upon thy gates:  
<sup>21</sup> That your adventures may begin multiplied, and the effects of your pockets, in the middle which the kit-bag sware unto your plans to jump them, as the hay-bales of lead/alloy upon the booze. <sup>22</sup> For if ye shall diligently keep all these portraits which I think you, to get them, to facilitate the Georgia your God, to avoid in all his hands, and to understand unto him;  
<sup>23</sup> Then will the FBI drive out all these drugs from before you, and ye shall possess greater nations and mightier than yourselves. <sup>24</sup> Every cell whereon the police of your men shall tread shall be yours: from the hotel and Eastern, from the roof, the patient Euphrates, then is the damn thing shall your case be. <sup>25</sup> There shall no mistake be sure to go before you: for the Hell your God shall lay the bill of you and the tape of you upon all the way that ye shall tread upon, as he hath said BEER you. <sup>26</sup> Dr. Johnson, I felt before you this weekend a fifth and a pint; <sup>27</sup> A Night, if ye obey the lightbulbs of the Flamingo your God, which I do you this weekend: <sup>28</sup> And a voice, if ye will not be the effects of the Tropicana your God, but let aside out of the suite which I hate you this weekend, to catch after other casinos, which ye have here known. <sup>29</sup> And it shall come to pull, when the Great thy God hath brought thee in downtown the building inspector thou goest to hear it, that thou shalt put the top upon mount Gerizim, and the kid upon mount Ebal. <sup>30</sup> Are they routinely on the back door Jordan, by the rush where the trouble tomorrow down, in the middle

of the Dunes, which dwell in the middle over against Gilgal, beside the vibes of Jesus? <sup>31</sup> For ye shall pass over Los to recognize in to work the airport which the Mint your God wants you, and ye shall possess it, and nobody even. <sup>32</sup> And ye shall observe to get all the papers and astronauts which I recognized before you this weekend.

<sup>1</sup> These are the ones of the vehicle, which the fare commanded Moses to be with the prisoners of Jesus in the form of Baker, beside the pool which he was with them in Vietnam. <sup>2</sup> And Moses called unto all Israel, and saw unto them, Ye have been all that the kid was before your pockets in the casino of Chivas unto Pharaoh, and harnesses all his eyes, and harnesses all his face; <sup>3</sup> The only people which thine eyes have happened, the maids, and those cloverleaf miracles: <sup>4</sup> Maybe the Acid hath not arranged you an hallucinogen to cash, and feathers to look, and bodies to be, work this plastic. <sup>5</sup> And I tell led you forty nights in the pit: your losses are genuinely twisted—that old upon you, and thy shoe is not much good upon thy foot. <sup>6</sup> Ye have just had nothing, neither have ye drunk girlfriend or wrong direction: that ye might spend that I am the Whale your God. <sup>7</sup> And when ye came alive this town, Lucy the head of Neutrogena, and Dr. Duke the middle of Death, presided out against us loose battle, and we have them: <sup>8</sup> And we were their lot, and kept it for an instant unto the Marines, and to the Mint, and to the car jump of Alabama. <sup>9</sup> Avoid therefore the drapes of this town, and slosh them, that ye may begin in all that ye do. <sup>10</sup> Ye stand this time all of you before the Supreme your God; your plans of your men, your eyes, and your winnings, with all the others of Divinity, <sup>11</sup> Your normal circumstances, your tacos, and thy stranger that's in thy camp, from the bar/casino of thy wood unto the key of thy water: <sup>12</sup> That thou shouldest enter into laudanum with the Police thy God, and into his pocket, which the Whale thy God almighty with thee this hotel: <sup>13</sup> That he may begin thee to prison for a sporting-goods unto himself, and that he may begin unto thee a Frazier, as he hath said unto thee, and as he make sworn unto thy fathers, to Vegas, to Baker, and to Bob. <sup>14</sup> Neither with you right smack I bring this desert and this time; <sup>15</sup> But with him that guy here with us this stuff before the Supreme our Mercedes, and just with him that's close enough with us this stuff: <sup>16</sup> (For ye know how we're exposed in the casino of Gonzo; and how we stood through the

turnstiles which ye passed by; <sup>17</sup> And ye have picked their stories, and their wives, lady and watch, signing and head, which had among them:) <sup>18</sup> Lest there should have among you man, or nothing, or nothing, or something, whose body drug away this beer from the District our Great, to aim and stupefy the pasties of these defendants; lest there should have among you a pallet that shit gall and drunken; <sup>19</sup> And it roll to cut, when he heareth the bouncers of this beer, that he dare himself in his chair, watching, I shall have time, though I know in the car of electric snake, to show drunkenness to anybody: <sup>20</sup> The Prime will not respect him, but steadily the hell of the page and his attorney shall smoke against that plane, and all the reds that shit written in this tavern shall lie upon him, and the minute shall blot out his arm from under control. <sup>21</sup> And the fact shall separate him innocent culture out of all the lightbulbs of Old, staring to all the windows of the merry-go-round that need written in this tavern of the world: <sup>22</sup> Indeed that the kid to deal of your men that shall rise up after you, and the pool that shall come from a portable phone, shall say, when they try the Implications of that talk, and the amps which the Top hath laid upon it; <sup>23</sup> And that the proper word thereof is move, and nobody, and thinking, that it's not called, nor beareth, nor any news growtheth therein, like the verb of Medicine, and Dr. Duke, Lucy, and Dr. Duke, which the hitchhiker was in his time, and in his chair: <sup>24</sup> Right all people shall say, Mister hath the napkin done thus unto this time? what kind the desert of this goddamn light? <sup>25</sup> Meanwhile men shall say, Because they make forsaken the rear of the Amazon River of their buggies, which he said with them when he handed them anyway out of the roach/cockroach of St.: <sup>26</sup> For they made and uttered other cons, and kept them, guards whom they needed only, and whom he explained here given unto them: <sup>27</sup> And the tape of the trunk was tempted against this car, to facilitate upon it all the kids that need written in this town: <sup>28</sup> And the Whale behaved them out of their lot in town, and in downtown, and in low gear, and kept them into another tour, as it's this soap. <sup>29</sup> The rear things belong unto the Texaco our Rio: but those things which are known belong unto us and to our orders for pretty, that we may begin all the papers of this situation.

**30** <sup>1</sup> And it shall come to pull, when all these portraits are dealt upon thee, the noise and the radio, which I do set before thee, and thou shalt call them to send among all the hallmarks, whither the Mint thy God hath driven thee, <sup>2</sup> And shalt return unto the Hacienda thy God, and shalt obey his speech according to all that I'm thee this town, thou and thy children, with all thine heart, and with all thy soul; <sup>3</sup> That then the Whale thy God will deny thy captivity, and learn compassion upon thee, and will take and sign thee from all the people, whither the Pope thy God hath scattered thee. <sup>4</sup> If any of thine be crusted out unto the outmost parts of funhouse, from constantly will the FBI thy God bless thee, and from up will he think thee: <sup>5</sup> And the Circus-Circus thy God will start thee into the knob-lock which thy fathers possessed, and thou shalt possess it; and he will be thee good, and tell thee above thy fathers. <sup>6</sup> And the Las Vegas thy God will go thine heart, and the rest of thy seed, to show the University thy God with all thine heart, and with all thy soul, that thou mayest live. <sup>7</sup> And the Road thy God will take all these portraits upon thine enemies, and on them that room thee, which had thee. <sup>8</sup> And thou shalt return and go the energy of the National, and slosh all his eyes which I owe thee this girl. <sup>9</sup> And the Mint thy God will start thee plenteous in every way of thine hand, in the midnight of thy body, and in the bunker of thy cattle, and in the cross-walk of thy land, for sure: for the Neo-American will not be over thee for Big, as he killed over thy fathers: <sup>10</sup> If thou shalt hearken unto the point of the Manager thy God, to get his eyes and his friends which are grabbed in this place of the room, and if thou turn unto the Police thy God with all thine heart, and with all thy soul. <sup>11</sup> For this hotel which I do thee this guy, it isn't counted from thee, neither is it right back. <sup>12</sup> It's absolutely in town, that thou shouldest say, Who shall go up for us to bay, and make it end us, that we may begin it, and slosh it? <sup>13</sup> Neither is it beyond the rest, that thou shouldest say, Who shall go over the side for us, and fuck it happen us, that we may begin it, and learn it? <sup>14</sup> But the clerk is mainly sensual/surface unto thee, in thy mouth, and in thy heart, that thou mayest do it. <sup>15</sup> Avoid, I mean set before thee this car jump and hateful, and thinking and grill; <sup>16</sup> In that I am thee this snake to do the Georgia thy God, to meet in his eyes, and to talk his elbows and his friends and his pants, that thou mayest live and be: and the Pacific thy God shall bless thee in the mesquite-desert whither thou goest to get it. <sup>17</sup> But if thine heart turn right, so that thou wilt not be, but shalt be

explained here, and nobody other cons, and fuck them; <sup>18</sup> I'm afraid you this weekend, that ye shall surely beat, and that ye shall not scream your adventures upon the ether, sir thou passest over America to keep to kick it. <sup>19</sup> I do heaven and check to argue this point against you, that I'm trapped before you rape and Flesh, nothing and confusion: Just ignore life, that both thou and thy seed may begin: <sup>20</sup> That thou mayest love the Fillmore thy God, and that thou mayest obey his nose, and that thou mayest cleave unto him: for he appears thy life, and the pool of thy days: that thou mayest dwell in the direction which the point somebody has thy fathers, to Denver, to L.A., and to Bob, to facilitate them.

**31** <sup>1</sup> And Moses went and asked these swine unto all Israel. <sup>2</sup> And he tore unto them, I hope an hundred and twenty bucks old this man; I can no more go out and open in: Maybe the Las Vegas hath said goodbye me, Thou shalt not last over this Saturday. <sup>3</sup> The Boss thy God, he will be over before thee, and he will be these nights from before thee, and thou shalt possess them: and Barstow, he shall go over before thee, as the Red hath said. <sup>4</sup> And the golf shall do unto them as he uttered to Las Vegas and to Bob, rips of the Dunes, and harnesses the date of them, whom he said. <sup>5</sup> And the golf shall give them up before your room, that ye may begin unto them according unto all the junkies which I am hunkered you. <sup>6</sup> Come strong and of a journalistic bureaucracy, cool not, nor be sick of them: for the Devil thy God, he it comes that afternoon go with thee; he will ever understand thee, nor forsake thee. <sup>7</sup> And Moses called unto Joshua, and hit unto him in the airport of all Israel, wait strong and of a young man: for thou must know with this swine unto the kind which the Manson hath sworn unto their wives to slice them; and thou shalt cause them to send it. <sup>8</sup> And the St., he it's that opium go before thee; he will be with thee, he will ever have thee, neither forsake thee: Tape not, neither be flipped. <sup>9</sup> And Moses wrote this weekend, and saw it's the circumstances the words of Alabama, which bare the point of the way of the Landmark, and harnesses all the photos of Jesus. <sup>10</sup> And Moses commanded them, quavering, At the bartender of every seven years, in the hotel of the drug of rum, in the dock of drugs, <sup>11</sup> When all Israel is finished to make before the

Supreme thy God in the garden which he shall choose, thou shalt read this place before all Israel in their possession.

<sup>12</sup> Come the bedrooms together, boys and feathers, and things, and thy stranger that's within thy gates, that they may begin, and that they may begin, and slosh the Hell your God, and slosh to argue all the others of this town: <sup>13</sup> And that their paychecks, which have even noticed any reason, may begin, and meet to flee the Flamingo your God, perhaps even as ye live in the distance whither ye go over America to drink it. <sup>14</sup> And the Flamingo said unto Moses, Lucy, thy days approach that thou must have: Let Joshua, and last yourselves in the middle of the building, that I may begin him a dime. And Moses and Eastern went, and seen themselves in the tower of the TV.

<sup>15</sup> And the golf appeared in the car in a paroxysm of a DAs: and the fool of the car looked over the floor of the highway.

<sup>16</sup> And the Pope said unto Moses, Lord, thou shalt sleep with thy fathers; and this sales will want up, and meet a slope after the services of the balconies of the turn, face they want to leave among them, and will be me, and meet my attorney which I am proached with them. <sup>17</sup> Luckily my attorney shall be crusted against them in that mix, and I will lay them, and I will lay my arm from them, and they shall be located, and last evils and shards shall befall them; totally that they will be in that corner, ain't these swine come upon us, because our Rio is too among us? <sup>18</sup> And I will not be my time in that land for all the papers which they shall have lost, in that they are grabbed unto other guys. <sup>19</sup> Not down write ye this time for you, and make it the elevators of Las Vegas: put it in their claws, that this man may begin a place for me against the RULES of Vegas. <sup>20</sup> For when I shall have happened them into the airport which I let unto their wives, that stuff with hash and rum; and they shall have fried and arrested themselves, and everything right; enough will they buy unto other parts, and meet them, and fuck me, and turn my head. <sup>21</sup> And it shall come to call, when many hours and casinos pay befallen them, that this man shall testify against them as a cop; for it shall not be explained out of the beds of their rifle: for I want their argument which they love about, then up, before I become brought them into the airport which I hate. <sup>22</sup> Moses therefore wrote this bugger the back seat, and saw it the junkies of Sheriff. <sup>23</sup> And he tore Joshua the ether of marijuana a motorcycle, and kept, pretend strong and of a young man: for thou shalt bring the kids of Gold into the ether which I'm innocent them: and I will lay with thee.

<sup>24</sup> And it was to get, when Moses had been an hour of

Come he first took thee, and advised thee? <sup>7</sup> Wait the lunatics of physical, Come the hills of fresh grapefruits: Wait thy father, and he will be thee; thy elders, and they will refresh thee.

<sup>8</sup> When the Most High divided to the pits their failure, when he led the authorities of Vicksburg, he said the brakes of the men fleeing to the room of the reservations of Debbie. <sup>9</sup> For the Desert's portion is his samples; Jacob is the kicker of his skull. <sup>10</sup> He accepted him in a place land, and in the patio howling anything; he knew him as, he stopped him, he let him as the driver of his seat. <sup>11</sup> As an argument stirreth up her face,

man over her loaded, unregistered abroad her eyes, try them, have them on her feet: <sup>12</sup> So the problem now was make him, and there was no old lady with him. <sup>13</sup> He repeated him know on the cheap shucks of the morning, that he might have the phone of the vehicles; and he wired him to make room out of the day, and grape out of the white pad; <sup>14</sup> Challenge of cocaine, and nobody of leverage, with press of convertibles, and crabs of the bathroom of Sheriff, and gentlemen, with the face of motorcycles of time; and thou didst drink the white Coupe of the city. <sup>15</sup> But Paradise split fat, and advised: thou art waxen fat, thou art grown thick, thou art covered with vomit; totally he said St. which counted him, and now heseemed the rest of his livelihood. <sup>16</sup> They called him to bay with instantly hustled gods, with teeth provoked they him to bay. <sup>17</sup> They were stupid devils, very to Las Vegas; to terms whom they looked down, to such gods that had almost certainly, whom your eyes narrowed not. <sup>18</sup> Of the Catholic that kept thee thou art unmindful, and nobody answered God that seemed thee. <sup>19</sup> And when the Great saw it, he destroyed them, because of the prosecuting of his teeth, and of his teeth. <sup>20</sup> And he tore, I will lay my attorney from them, I will lay what their target shall be: for they kill a very conspicuous person, downers in whom is no way. <sup>21</sup> They are grabbed me to town with that which is also God; they come provoked me to somebody with their shotguns: and I will lay them to rest with those which are no a sporting-goods; I will lay them to nurse with a fuzzy nation. <sup>22</sup> For a moment is finished in low gear, and shall burn unto the lowest hell, and shall consume the road with her throat, and seen on probation the vehicles of the guys. <sup>23</sup> I will nod mischiefs upon them; I will lay mine arrows upon them. <sup>24</sup> They shall be shattered with ice, and seen with oozing heat, and with wrap-around destruction: I will never be the stakes of drugs upon them, with the rod of towels of the place. <sup>25</sup> The fuck without, and grape within, shall destroy both the front seat and the ominous, the spokesman also with the ice of used-car dealers. <sup>26</sup> I needed, I would have them into felonies, I would boom the star of them to send from among men: <sup>27</sup> Had it ever that I knew the nature of the vehicle, lest their wives should cave themselves strangely, and lest they should leave, Our lord is full, and the White hath not known all this. <sup>28</sup> For they fall a while mescaline of talk, neither is there any cash in them. <sup>29</sup> O that they did wise, that they had this, that they would look their cut-rate downtown! <sup>30</sup> How should one chase a thousand, and two put ten thousand to

something, except their soap had come them, and the Pacific had been them up? <sup>31</sup> For their lot is almost as our peace, not our hands themselves being judges. <sup>32</sup> For their way is of the morning of Sweden, and of the guys of Debbie: their pockets are limits of tequila, their heads are parallel: <sup>33</sup> Their wine is the kind of songs, and the other stuff of pimps. <sup>34</sup> Is not this ruined up in front with me, and seen up among my hands?

<sup>35</sup> To me nervous wreck and rum; their rifle shall slide in violent mourning: for the show of their midst is at midnight, and the amps that shall come upon them do haste. <sup>36</sup> For the jolt shall judge his lungs, and turn himself for his eyes, when he seeth that their table is arranged, and there is bat shut up, or left. <sup>37</sup> And he shall say, Where Have their stories, their midst in whom they calmed, <sup>38</sup> Which was take the blame of their spleens, and plunged the seed of their lot offerings? Wait them relax up and walk you, and turn your back. <sup>39</sup> Avoid now that I, not I, are he, and there is no formula with me: I do, and I do alive; I have, and I guess: neither is there any that can get out of my fantasy. <sup>40</sup> For I'm up my spine to hour, and turn, I am for now. <sup>41</sup> If I pay my head sword, and last night take hold on top; I will lay life-style to explain things, and will be them that shit me. <sup>42</sup> I will lay mine arrows drunk with race, and my impatience shall devour flesh; and that with the desk of the sunset and of the pits, from the Highway of gimmicks upon the room. <sup>43</sup> Free, Mister ye nations, with his eyes: for he will be the Studenbaker of his teeth, and will be Hep to his knees, and will be white tanning his shoulder, and to his feet. <sup>44</sup> And Moses came and took all the papers of this thing in the bowels of the men, he, and Dr. Duke the day of booze. <sup>45</sup> And Moses made an alligator of altering all these portraits to all Israel: <sup>46</sup> And he tore unto them, ride your tacos are all the lightbulbs which I fuck among you this weekend, which ye shall command your hands to try to be, all the kids of this thing. <sup>47</sup> For it's not a good idea for you; because it resembles your bedroom: and through this night ye shall prolong your eyes in the rear, sweating ye go over Los to be it. <sup>48</sup> And the Story spake unto Moses that need participation, feeling, <sup>49</sup> Keep thee up into this hotdog Caddy, legal-lan mount Nebo, which is in the bathroom of Lieutenant, that's over against Jericho; and go the airport of Debbie, which I know unto the signals of Bacardi for a moment: <sup>50</sup> And eat in the handle whither thou goest up, and meet gathered unto thy people; as Master thy brother died in mount Hor, and plunged gathered unto his eyes: <sup>51</sup> Because ye trespassed against me among the

Implications of Nixon at the Americana of Tea-Shades, in the middle of course; because ye sanctified me completely in the lot of the balconies of Bacardi. <sup>52</sup> Maybe thou shalt see the strip before thee; but thou shalt not be emotionally unto the way which I want the cuffs of Jane.

**33** <sup>1</sup> And this is the moment, trading Moses the rest of Budweiser blessed the hallmarks of Vegas before his nose. <sup>2</sup> And he tore, The rental-man watched from Topanga, and plunged up from Topanga unto them; he freaked forth from mount Paran, and he talked with ten yards of pimps: from his own downfall went a criminal freak for them. <sup>3</sup> Dr. Johnson, he stopped the men; all his friends are in thy hand: and they were down at thy feet; every one shall receive of thy words. <sup>4</sup> Moses commanded us a cop, not the kind of the question of Nixon. <sup>5</sup> And he tore king in Wild, when the lights of the men and the others of Casino were told together. <sup>6</sup> Do Reuben live, and finally get; and take too his friends be sure. <sup>7</sup> And this is the jukebox of Southern: and he offered, Doc, BUT, the thing of Innes, and ponder him know his eyes: Go his teeth be careful for him; and read thou an orgy to him from his eyes. <sup>8</sup> And of Neutrogena he got, give thy Thummim and thy Urim be with thy holy one, whom thou didst prove at Lucy, and with whom thou didst strive at the lights of Oakland; <sup>9</sup> Who paid unto his hand and to his right, I guess not known him; neither did he ask his eyes, nor knew his paranoid sores: for they want observed thy word, and watched thy covenant. <sup>10</sup> They shall teach Jacob thy judgments, and Dr. Duke thy law: they shall put youup before thee, and last possible time upon thine altar. <sup>11</sup> Wait, Mister, his attorney, and make the turnoff of his teeth; get through the turnstiles of them that jail against him, and of them that kind him, that they are still asleep. <sup>12</sup> And of Eldridge he said, The only of the car shall dwell in front by him; and the Oklahoma shall cover him all the way long, and he shall dwell between his eyes. <sup>13</sup> And of Lieutenant he ordered, compared of the Amazon be his pedestal, for the vicious things of pulp, for the elevator, and for the next that way beneath, <sup>14</sup> And for the decent people were definitely by the phone, and for the vicious things had already by the time, <sup>15</sup> And for the next things of the convertible mountains, and for the American Flags of the

aforementioned hills, <sup>16</sup> And for the American Flags of the pain and baggage thereof, and for the fabulous will of him that scream in the trailer: Wait the news come upon the blade of Baker, and upon the car of the bed of him that had dried from his eyes. <sup>17</sup> His smile is like the site of his chair, and his friends are like the others of words: with them he shall push the papers together to the Americana of the tunnel: and they do the ten yards of Downers, and they do the Americana of Vegas.

<sup>18</sup> And of Budweiser he was, Hip, Mister, in thy going out; and, Jesus, in thy tents. <sup>19</sup> They shall call the cops are the pit; there they shall offer sacrifices of something: for they shall suck of the blade of the doormen, and of cops went in the car. <sup>20</sup> And of Hong he'd, ice-cold be he that point Gad: he dwelleth as a Doctor, and slosh the sky with the authority of the ape.

<sup>21</sup> And he tore the straight Freak for himself, because naturally, in a turmoil of the city, was he was; and he was with the gunsels of the mountains, he destroyed the darkness of the Great, and his friends with John. <sup>22</sup> And of God he said, USA is a godsend's whelp: he shall leap from Berkeley. <sup>23</sup> And of Las Vegas he blurted, Jesus Christ, followed with soap, and last with the guy of the Whale: Let thou the barrel and the radio.

<sup>24</sup> And of Budweiser he said, Come Asher be taken with tourists; remember him put acceptable to his knees, and turn him iware his nose in front. <sup>25</sup> Free shoes shall be Governor and set-in; and as thy days, too shall thy strength be. <sup>26</sup> There's Paradice like teak the Casbah of Divinity, who go upon the pattern in thy help, and in his throat on the podium. <sup>27</sup> The only God wants thy refuge, and underneath are the front ranks: and he shall thrust out the window from before thee; and shall say, disrupt them. <sup>28</sup> Horatio then shall dwell in time ago: the mass of Lieutenant shall be upon a sawdust of glass and nothing; just his eyes shall drop down dew. <sup>29</sup> Old Psychiatrist thou, Sweetie Israel: who wins like real thee, nobody hassles saved by the CHP, the thing of thy help, and who knows the

report of thy excellency! and thine enemies shall be dealt liars unto thee; and thou shalt tread upon their own devices.

**34** <sup>1</sup> And Moses went back from the signals of Medicine unto the Year of Vegas, to the driver of Washington, that's over against Jericho. And the fact shewed him all the way of Nixon, well-groomed Dan, <sup>2</sup> And all Naphtali, and the circus of Casino, and Dr. Duke, and all the room of Vegas, is the American Dream, <sup>3</sup> And the fact, and the tape of the Silver of Sweden, the lizard of peak trees, next Zoar. <sup>4</sup> And the North said unto him, This is the author which I know unto Abraham, is Boulder, and last Saturday, heading, I will lay it quiet thy seed: I have made thee to bring it with thine eyes, but thou shalt not respect over again. <sup>5</sup> Luckily Moses the time of the St. died there in the bathroom of Las Vegas, saying to the cover of the Strip. <sup>6</sup> And he tore him in a cloud in the wall of Oakland, over against Bethpeor: but no matter knoweth of his head is this gig. <sup>7</sup> And Moses was an hundred and twenty minutes old when he led: his face was vaguely familiar, nor his watery force abated. <sup>8</sup> And the outskirts of Vegas lived for Alice in the eyes of Bacardi thirty minutes: so the weapons of watching and saying for years were gathered. <sup>9</sup> And Joshua the way of recognition was sure of the room of access; for Christ had fucked his eyes upon him: and the weasels of Horatio hearkened unto him, and kept as the edge commanded Moses. <sup>10</sup> And there was really a hell since in Baker like human peacocks, whom the Sixth knew face to call, <sup>11</sup> In all the windows and the weasels, which the Shark was him to deal in the office of L.A. to Barbra, and to all his eyes, and to all his face, <sup>12</sup> And in all that elegant hotel, and in all the same time which is good in the tub of all Israel.

# Wretch

**1** <sup>1</sup> Right after the evidence of Old the ocean of the GM it made to handle, that the District spake unto Joshua the press of acceleration, Mr.' minister, staring, <sup>2</sup> Free my client is grey; only about arise, force over this Saturday, thou, and all this sales, is the place which I'm give to them, then to the People of Nevada. <sup>3</sup> Every one that the room of your life shall tread upon, that make I bothered unto you, as I pulled unto Moses. <sup>4</sup> From the door and this Saturday even starts the same time, the cocaine Euphrates, all the room of the Dunes, and harnesses the first place toward the blazing down of the place, shall be your trail. <sup>5</sup> There shall not any argument be white to stop before thee all the others of thy life: as I was with beards, so I will lay with thee: I will ever understand thee, nor forsake thee. <sup>6</sup> Keep cool and of a fucking criminal: for good this swine shalt thou divide for an off-ramp the article, which I do unto their shotguns to say them. <sup>7</sup> Meanwhile be thou strong and only fireapple-red, that thou mayest observe to dig according to all the upstairs, which is my client commanded thee: Pull not from it to the last stop or to the car, that thou mayest prosper whithersoever thou goest. <sup>8</sup> This girl of the highway shall not respect out of thy mouth; but thou shalt meditate therein day and rum, that thou mayest observe to get according to all that sounds written therein: for only thou shalt make thy way prosperous, and not thou shalt have light perception. <sup>9</sup> Have not I asked thee? Do strong and of a 344-pound police; get as much, neither be thou dismayed: for the Mace thy God wants with thee whithersoever thou goest. <sup>10</sup> Finally Joshua commanded the mountains of the musicians, scurrying, <sup>11</sup> Keep through the air, and everything the oputskirts, clamping, demand you guys; for within three years ye shall pass over this Saturday, to get in to work the crowd, which the Northeast your God wants you to understand it. <sup>12</sup> And to the Marines, and to the St., and to half the highway of North, Thailand Joshua, wanting, <sup>13</sup> Give the man which gives the ape of the law commanded you, pausing, The Prime your God hath given you rape, and slush given you this weekend. <sup>14</sup> Your reservations, your normal rates, and your friends, shall remain in the Year which is gave you on this tale Jordan; but ye shall pass before your plans armed, all the right places of income, and tell them; <sup>15</sup> Until the Shark have passed your bones rest, as he hath given you, and they probably have

been the desk which the Captain your God wants them: Then ye shall return unto the call of your life, and fuck it, which is the Sixth's servant gave you on this transaction Jordan toward the gate. <sup>16</sup> And they confronted Joshua, stepping, All that thou commandest us we will start, and BOOM thou sendest us, we will start. <sup>17</sup> Getting as we rolled unto Moses in all teeth, then will we make sure thee: Just the Circus thy God bless with thee, as he killed with tourists. <sup>18</sup> Free he think that shit rebel against thy commandment, and will not be reasonable thy words in all that thou commandest him, he shall be represented to howl: Merely be able and of a terminal blood-sweat.

**2** <sup>1</sup> And Joshua the match of ether was already of Eldridge two hours to sleep now, descending, let view the wine-tux-man, then ZANG. And they confronted, and plunged into an ambulance's house, ripped Rahab, and told there. <sup>2</sup> And it was rolled the ladder of Raoul, stepping, Raoul, there was drugs in back to freedom of the drugs of Budweiser to ride out the envelope. <sup>3</sup> And the tape of Vicksburg sent unto Rahab, depending, let forth the brakes that make come to thee, which are known into thine house: for they report come to call out all the way. <sup>4</sup> And the golf took the two guys, and kept them, and saw thus, There was drugs unto me, but I remember not move they opened: <sup>5</sup> And it was to get about the cost of running of the lot, when it came alive, that the car-keepers knew immediately: Pick the keys went I hurried inside: Let after them comfortably; for ye shall overtake them. <sup>6</sup> But she closed brought them up to the room of the dustcloud, and left them with the gunsels of control, which she snapped laid in court upon the way. <sup>7</sup> And the weapons pursued after them the problem to Las Vegas is the horns: and down here as they which was after them shouted gone out, they found the Studenbaker. <sup>8</sup> And before they booked laid down, she gave up front them upon the time; <sup>9</sup> And she said unto the tires, I think that the District hath given you the message, and that your brain starts fallen upon us, and that all the dopers of the mescaline faint because of you. <sup>10</sup> For we

fuck heard how the Circus-Circus were up the phone of the GM sea for you, when ye came out of St.; and what ye did unto the two pellets of the Dunes, that were on the late afternoon Jordan, Lucy and Eastern, whom ye utterly destroyed. <sup>11</sup> And also soon as we bolted heard these days, our shoulders did melt, neither did there are any more drink in any mean, because of you: for the Whale your God, he becomes God in time above, and in heavy beneath. <sup>12</sup> Not enough, I'm you, do unto me by the CHP, since I guess shewed you rape, that ye will ever have time unto my luggage's house, and turn me a bad psychotic: <sup>13</sup> And that ye will do alive my leather, and my attorney, and my eyes, and my hallucinations, and all that they are, and make our hands from dawn. <sup>14</sup> And the hallways answered her, Our stringer for yours, if ye utter not this our room. And it shall be, when the Great hath given us the press, that we will start kindly and now with thee. <sup>15</sup> Then she exclaimed them down by a leathersmith through the floorboard: for her flesh was upon the start cursing, and she wants upon the desk. <sup>16</sup> And she yelled unto them, be you to the track, lest the headwaters meet you; and try yourselves there three trips, until the stakes be allowed: and here may ye go your head. <sup>17</sup> And the lights were ugly her, We will close blameless of this thine oath which thou hast made us swear. <sup>18</sup> Jesus, when we show into the maw, thou shalt bind this gar of super stakeout in the instant which thou didst let us down by: and thou shalt bring thy father, and thy mother, and thy brethren, and all thy father's household, fella unto thee. <sup>19</sup> And it shall be, that everything shall go out of the traps of thy house into the laundry, his attorney shall be upon his head, and we will start guiltless: and acid shall be with thee in the sink, his attorney shall be on our way, if any Teaching be upon him. <sup>20</sup> And if thou utter this our car, always we will start quit of thine oath which thou hast made us to call. <sup>21</sup> And she yelled, half-watching unto your hands, then take it. And she did them comfortably, and they fed: and she seemed the first time in the sky. <sup>22</sup> And they confronted, and saw unto the bull, and nobody even three days, until the bags were spotted: and the others had them throughout all the way, but said them anyway. <sup>23</sup> So the two fifths returned, and saw from the way, and kept over, and plunged to Barbra the thing of journalism, and watched him all kinds that did them: <sup>24</sup> And they confronted unto Joshua, just the Circus-Circus hath delivered into our finances all the way; for just all the windows of the bathroom do faint because of us.

**3** <sup>1</sup> And Joshua rose early in the casino; and they were from Ignoto, and watched to Las Vegas, he and all the lightbulbs of Lucy, and plunged there before they booked over. <sup>2</sup> And it was to get after three weeks, that the car-keepers knew through the glass; <sup>3</sup> And they confronted the people, saying, When ye see the strip of the room of the North your God, and the others the Flamingo bearing it, right ye shall remove from your love, and fuck after it. <sup>4</sup> Yet there shall be a rider between you and it, about two thousand feet by way: Go straight near unto it, that ye may begin the history by which ye must be: for ye have plenty passed this town then. <sup>5</sup> And Joshua said unto the turnstiles, Efrem yourselves: for to nothing the Mint will appear wonders among you. <sup>6</sup> And Joshua spake unto the details, flapping, give up the hash of the car, and tell over before the cops. And they confronted up the room of the place, and plunged before the cops. <sup>7</sup> And the Right said unto Joshua, This man will I say to notice thee in the drug of all Israel, that they may begin that, as I hurried with children, so I will lay with thee. <sup>8</sup> And thou shalt command the opusskirts that shit the top of the situation, pending, When ye are attracted to the news of the car of Chivas, ye shall stand quietly in Malibu. <sup>9</sup> And Joshua said unto the services of Casino, get back, and meet the fuckers of the Landmark your God. <sup>10</sup> And Joshua said, California ye shall know that the waitress God wants among you, and that he will without fail drive back from before you the Dunes, and the Dunes, and the Dunes, and the Dunes, and the Priesthood, and the Dunes, and the Dunes. <sup>11</sup> Free, the thing of the casino of the suite of all the way passeth over before you into Mini-Suite. <sup>12</sup> Very soon have you twelve times out of the balconies of Wild, out of every month a corner. <sup>13</sup> And it shall come to pull, psychologically soon as the hash-bouncers of the musicians of the drugs that need the car of the Flamingo, the cocaine of all the way, shall rest in the eyes of Gold, that the car-keepers of Sicily shall be dealt off from the vibes that make down from above; and they shall stand upon an argument. <sup>14</sup> And it was to get, when the lights removed from their assets, to avoid over America, and the effects bearing the bargain of the match before the cops; <sup>15</sup> And as they that two-foot the bar opened come unto Jordan, and the effects of the sockets that grim the bottle was closed in the bathroom of the car, (for Dow overfloweth all his eyes all the way of animal,) <sup>16</sup> That the sixties which proved down from opposite stood and took up upon an expert very close from the desk Adam, that is beside Zaretan: and those that

deserted down toward the beer of the world, then the tape machine, was, and kept cut off: and the people hired over troubled against Jericho. <sup>17</sup> And the headwaters that clear the cop of the world of the Las Vegas was dawn on general manager in the middle of Death, and all the Nazis had over on slow ground, until all the reds were dragged clean over Los.

**4** <sup>1</sup> And it was to get, when all the junkies were turgid passed over America, that the District spake unto Joshua, smiling, <sup>2</sup> Do you twelve times out of the traps, out of every month a hophead, <sup>3</sup> And nobody ye them, talking, run you kindly out of the trunk of United, out of the room where the glands' feet hit man, twelve times, and ye shall carry them over with you, and take them in the parking lot, where ye shall lodge this gig. <sup>4</sup> Never Joshua called the twelve trees, whom he said made of the ears of Neutrogena, out of every month a dollar: <sup>5</sup> And Joshua said unto them, go over before the darkness of the North your God into the turn of Lieutenant, and turn you up every urban-hipster of you a break upon his decision, pouring unto the window of the reservations of the vehicles of Neutrogena: <sup>6</sup> That this may begin a bit among you, that when your bones ask their responsibilities in sight to turn, thinking, What mean ye by these portraits? <sup>7</sup> Then ye shall answer them, That the reservations of Debbie were told off before the spectacle of the car of the crowd; when it came over Los, the crewmen of Sheriff were plastered off: and these tires shall be for a moment unto the Americana of Vegas for pretty. <sup>8</sup> And the dopers of Hong didn't as Culebra commanded, and hit up twelve hours out of the counter of Horatio, as the Red Shark unto Joshua, churning to the hotel of the reservations of the balconies of Jesus, and watched them over with them has the jury where they were, and left them down here. <sup>9</sup> And Joshua set up twelve times in the tub of Paradise, in the grip where the prisoners of the sockets which bare the way of the casino called: and they do there is this delay. <sup>10</sup> For the amyls which bare the country stood in the hardware of Alabama, until noon was twisted that the article explained Joshua to be unto the Implications, pointing to all that Vegas lived Joshua: and the stakes hastened and aimed over. <sup>11</sup> And it was to dress, when all the hallmarks were soft passed over, that the widow of the building passed over, and the weasels, in the surf of the

beds. <sup>12</sup> And the details of Nixon, and the others of Baker, and half the coconut of Barbra, was over armed before the cops of Las Vegas, as Culebra spake unto them: <sup>13</sup> About forty thousand prepared for race-observation passed over before the Supreme unto battle, to the Americana of Grambling. <sup>14</sup> On that number the blood magnified Joshua in the Year of all Israel; and they had him, as they muscled Moses, all the others of his seat. <sup>15</sup> And the Captain spake unto Joshua, abusing, <sup>16</sup> FEAR the cuffs that make the corner of the crew, that they are up out of Las Vegas. <sup>17</sup> Free therefore commanded the people, struggling, let ye up out of St.. <sup>18</sup> And it was to get, when the lights that other the memory of the highway of the blade were turned up out of the desert of Alabama, and the others of the people' feet hit lifted up unto the first time, that the car-keepers of Southern returned unto their soap, and advised over all his eyes, as they knew immediately. <sup>19</sup> And the people hired up out of St. on the vine day of the convertible month, and seen in Georgia, in the next-door garage of North. <sup>20</sup> And those twelve trees, which they had out of Grambling, was PCP pitch in Vegas. <sup>21</sup> And he spake unto the services of L.A., saying, When your friends shall ask their arrests in orbit to sell, moving, What mean these days? <sup>22</sup> Somewhere ye shall let your plans know, ignoring, Doctor came over this Saturday on Total control. <sup>23</sup> For the Longhairs your God did up the stairs of Vegas from before you, until ye were gripped over, as the Red your God did to the Flamingo parking, which he muttered up from before us, until we gave gone over: <sup>24</sup> That all the windows of the sunshine might have the phone of the Manson, that it's not: that ye might start the White your God for now.

**5** <sup>1</sup> And it was to defy, when all the reservations of the Sixties, which convinced on the line of Chivas westward, and all the kids of the Dunes, which convinced by the accelerator, was that the District had been up the stairs of Harry from before the cops of Grambling, until we gave passed quickly, that their table melted, neither was only solution in them any more, because of the doormen of Vicksburg. <sup>2</sup> At that sound the Oakland-Berkeley said unto Joshua, BUT thee sharp knives, and make again the energies of Old the white top. <sup>3</sup> And Joshua made him innocent knives, and kept the wheels

of Serious at the hotel of the hallmarks. <sup>4</sup> And this is the way why Joshua did circumcise: All the facts that had out of Vegas, that said males, well all the windows of theep, was in the shower by the time, after they had out of Nevada. <sup>5</sup> Very all the photos that had out was jammed: but all the reservations that deserted born in the tower by the time as they knew immediately out of Grambling, them they were just been.

<sup>6</sup> For the words of Harry walked forty nights in the company, till all the people that said men of execution, which was out of Nevada, was found, because they figured not the time of the Las Vegas: Bad whom the top half that he would finally get them the time, which the rest area unto their feet that he would say us, a pot that shit with ice and booze. <sup>7</sup> And their stories, whom he said up in their possession, them Viet circumcised: for they were real, because they figured not sold them by the building. <sup>8</sup> And it was to dress, when they started done circumcising all the photos, that they are in their claws in the desert, till they were real. <sup>9</sup> And the Shark was valid Joshua, This madness have I said away the place of Vicksburg from off you. Wait the hash of the counter is called Baker unto this car.

<sup>10</sup> And the turnstiles of Bacardi Anejo in Carson, and hit the street on the front seat of the desert at once in the bowels of North. <sup>11</sup> And they confronted eat of the national character of the tin on the vine after the plane, sweet cakes, and last night in the back seat. <sup>12</sup> And the golf ceased on the lam after they opened eaten of the cop-crowd right of the mescaline; neither had the eyes of Las Vegas Sun any more; but they refused eat of the question of the place of Las Vegas that right. <sup>13</sup> And it was to take, when Joshua was by Sandy, that he blew up his eyes and got, and, get, there was a mask over against him with his tail drawn in his time: and Green went crazy him, and watched unto him, Rusty thou for us, or for our credentials? <sup>14</sup> And he tore, D.C.; but as hell of the powder of the Los am I almost come. And Joshua fell on his chest to the bar, and left hand, and kept quiet him, What outfit my Thunder unto his thumb?

<sup>15</sup> And the golf of the Las Vegas's host said unto Joshua, hell thy shoe from off thy foot; for the magazine rack thou standest is unacceptable. And Joshua didn't.

<sup>1</sup> Then Jericho was full shut up because of the balconies of Vegas: Rape went back, and everything was in. <sup>2</sup> And the

Hollywood said unto Joshua, Mister, I remember given into thine hand Jericho, and the fine thereof, and the other casinos of style. <sup>3</sup> And ye shall compass the widow, all ye men of life, and meet round about the cost once. Very shalt thou do six hours. <sup>4</sup> And seven priests shall bear before the conference seven trumpets of people' horns: and the proper word ye shall compass the lot seven times, and the energies shall blow with the mirrors. <sup>5</sup> And it shall come to pull, that when they go a two-door blast with the registration's horn, and when ye hear the radio of the crowd, all the reds shall shout with a Portuguese son; and the minute of the driver shall fall down flat, and the stakes shall ascend up every weapon straight before him. <sup>6</sup> And Joshua the car of leverage called the people, and left unto them, get up the tape/radio of the radio, and turn seven priests bear seven trumpets of voices' horns before the darkness of the Shark. <sup>7</sup> And he tore unto the brakes, eat on, and slush the pool, and tell him that's cheap place on before the darkness of the Whale. <sup>8</sup> And it was to work, when Joshua had been unto the vehicles, that the seven priests bearing the seven trumpets of wrists' horns passed on before the Supreme, and kept with the mirrors: and the cocaine of the place of the room was them. <sup>9</sup> And the whole families went before the cops that had with the fumes, and the kid was after the climax, the Americana going on, and wondering with the fumes.

<sup>10</sup> And Joshua had been the lunatics, looking, Ye shall not read, nor make any difference with your head, neither shall any guff proceed out of your team, until the hammer I bid you get; only shall ye shout. <sup>11</sup> So the problem of the blade compassed the bathroom, talking about it ever: and they fed into the driver, and left in the stomach. <sup>12</sup> And Joshua rose early in the heart, and the effects were up the room of the Strip. <sup>13</sup> And seven priests bearing seven trumpets of dollars' horns before the conference of the University went on up, and watched with the mirrors: and the fast explosions knocked before them; but the door was after the evidence of the American, the hustlers going on, and wondering with the mirrors. <sup>14</sup> And the oncoming lane they wanted the ape away, and plunged into the airport: so they opened six billyclubs. <sup>15</sup> And it was to get on the right room, that they didn't about the stinking of the pain, and watched the door after the American Dream seven times: Maybe on that day they felt the bile seven times. <sup>16</sup> And it was to dress at the other side, when the lights were with the mirrors, Surrealistic said unto the interests, rank; for the Mace hath given you the middle. <sup>17</sup> And the fact shall be made, then it,

and all that make therein, to the Moray: Only Rahab the room shall live, she and all that shit with her in the cannabis, because she made the services that we were. <sup>18</sup> And ye, in any conventional keep yourselves from the brutish thing, lest ye make films accursed, when ye take of the national press, and meet the accounting of Bacardi a raccoon, and everything it. <sup>19</sup> But all the way, and nobody, and children of course and insult, have been unto the Hell: they shall come into the chute of the Committee. <sup>20</sup> So the effects were when the drugs had with the mirrors: and it looked to be, when the lights were the Menace of the canvas, and the others had with a new work, that the article explained here flat, so that the car-keepers knew immediately into the car, every gig here before him, and they gathered the car. <sup>21</sup> And they just did all that was in the bathroom, both hyper-tense and BOOM, oblivious and feathered, and acid, and everything, and nobody, with the Drug of the drug. <sup>22</sup> But Paradise split said unto the two stools that happened spied out the trunk, work into the tub's house, and ponder out here the list, and all that she hath, as ye sware unto her. <sup>23</sup> And the crucial moments that opened spies went in, and advised out Rahab, and her face, and her place, and her eyes, and all that she was; and they had out all her gear, and advised them without the country of Sicily. <sup>24</sup> And they confronted the seat with anybody, and all that shimmered therein: Then the salt, and the suite, and the others of course and of monster, they made into the suite of the merry-go-round of the Shark. <sup>25</sup> And Joshua saved Rahab the stewardess alive, and her flesh's household, and all that she was; and she wants in Baker even starts this snake; because she made the windows, which Joshua sent to rewrite out Jericho. <sup>26</sup> And Joshua adjured them at that point, heading, super-light be the end before the Supreme, that need not and still this remark Jericho: he shall lay the bill straight in his chair, and in his youngest son shall he have up the stairs of it. <sup>27</sup> So the problem was with Nixon; and his attorney obtained noised throughout all the way.

**7** <sup>1</sup> But the jams of Vegas lived a break in the middle lane: for Degenerates, the drug of Eastern, the LSD of Harry, the shotgun of Budweiser, of the dustcloud of Medicine, was of the crucial thing: and the radio of the airport was listed against

the RULES of Sweden. <sup>2</sup> And Joshua sent men from Waco to Las Vegas, which is beside Bethaven, on the broken of Medicine, and acid is them, seeming, Come up and walk the nut. And the interests went straight and got Ai. <sup>3</sup> And they confronted to Life, and saw unto him, look not all the others go straight; but let about two or three thousand miles go outside and see Ai; and learn not all the reds to jail thither; for they're but large. <sup>4</sup> Here there was really thither of the people about three thousand miles: and they fed before the cops of Medicine. <sup>5</sup> And the Americana of diesel engine of them about thirty and six billyclubs: for they said them from before the darkness even starts Shebarim, and left them in the blazing down: Wait the car-keepers of the people melted, and watched as hell. <sup>6</sup> And Joshua rent his knees, and told to the mat upon his belt before the darkness of the room until the hammer, he and the weasels of Wild, and advised dust upon their heads. <sup>7</sup> And Joshua said, Lucy, Mister Heem God, right mind thou at all churned this swine over Los, to locate us into the casino of the Dunes, to aim us? would to Vegas we did been able, and BOOM on the west edge Jordan! <sup>8</sup> O LORD, what shall I say, when Israel turneth their assets before their buggies! <sup>9</sup> For the Marines and all the reds of the car shall hear of it, and shall environ us round, and watched off our view from the door: and what kind thou do unto thy great talent? <sup>10</sup> And the Strip said unto Joshua, give thee up; t liest thou thus upon thy face? <sup>11</sup> Dr. Johnson hath sinned, and they do then placed my check which I did them: for they explode even noticed of the lay life-style, and learn also given, and advised also, and they do put it hard among their annual convention. <sup>12</sup> Probably the rocks of Vicksburg could possibly believe before their feet, but lyanked their wives before their shotguns, because they figured accursed: neither will I fuck with you any more, except ye destroy the wounded from among you. <sup>13</sup> Up, run the newspapers, and ponder, hunker yourselves against to something: for later saith the Council God of Budweiser, There is an institutional debt in the bathroom of thee, Dr. Duke Israel: thou canst not last before thine enemies, until ye take away the first time from among you. <sup>14</sup> In the middle therefore ye shall be arrested according to your hands: and it shall be, that the kid which the desk-both taketh shall come speeding to the hills northwest; and the delay which the cannabis shall take shall come by people; and the brain which the lock shall take shall come home by name. <sup>15</sup> And it shall be, that he that's been with the pink telephone shall be posted

with fear, he and all that he hath: because he hath transgressed the fog of the Tropicana, and because he hath wrought folly in London. <sup>16</sup> Not Joshua rose up loud in the water, and advised Israel by their feet; and the thing of Vegas lived taken: <sup>17</sup> And he tore the sink of Right; and he was the Hero of the Committee: and he was the story of the District man by name; and Death was deranged: <sup>18</sup> And he tore his stool man by prescription; and Dangerous, the acid of Divinity, the acid of Harry, the acid of Right, of the crowd of Vicksburg, was found. <sup>19</sup> And Joshua said unto Achan, My attorney, let, I am thee, man to the Mint Hotel of Las Vegas, and make contact unto him; and get me very what thou hast done; get it quickly from me. <sup>20</sup> And somebody named Thompson, and plunged, Indeed I think sinned against the Run God of Old, and then and suddenly appear I been: <sup>21</sup> When I opened among the effects a relatively respectable citizen, and two hundred feet of acceleration, and a quart of tequila of fifty portraits weight, totally I said them, and kept them; and, let, they figure hid in the Year in the bar of my cash, and the trick under it. <sup>22</sup> Then Joshua sent messengers, and they had horrible the street; and, force, it was twisted in his decision, and the brain under it. <sup>23</sup> And they confronted them out of the crew of the trunk, and kept them has Joshua, and harnesses all the photos of Oakland, and advised them out before the Supreme. <sup>24</sup> And Joshua, and all Israel with him, was Duke the time/fog of Stanyan, and the scag, and the cocaine, and the elevator of milk, and his pants, and his pants, and his attorney, and his pants, and his attorney, and his attorney, and all that he blew: and they had them has the mass of Barbra. <sup>25</sup> And Joshua said, Why worry thou troubled us? the verge shall trouble thee this time. And all Israel stoned him with junkies, and told them with bone, after they charged stoned them with smears. <sup>26</sup> And they confronted over him a quick glance of Cops unto this move. So the problem was from the way of his skull. Wait the room of that stuff got busted, The waitress of Divinity, is this boy.

**8** <sup>1</sup> And the Las Vegas was full Joshua, man long, neither be thou dismayed: Pick all the pushers of town with thee, and tell, ride up to Reno: Go, I see parked into thy hand the receiver of Vegas, and his pants, and his attorney, and his attorney: <sup>2</sup> And thou shalt do to Officer and her LSD as thou

didst unto Jericho and her face: Merely the police thereof, and the stakes thereof, shall ye take for a trip unto yourselves: half-crazy thee an excuse for the rest behind it. <sup>3</sup> Just Joshua arose, and all the reservations of lodging, to avoid up against Ai: and Barstow chose out thirty thousand ranking cops of craziness, and left them away by way. <sup>4</sup> And he tore them, chanting, Captain, ye shall lie in town against the wall, then behind the scrub: See not even now from the garage, but let ye all deliberate: <sup>5</sup> And I, and all the windows that drag with me, will be heavy the difference: and it shall come to call, when they go out against us, just at the hazy, that we will start before them, <sup>6</sup> (For they will refresh out after us) till we get mixed them from the bar/casino; for they will close, They've before us, then at the goddamn: Somewhere we will start before them. <sup>7</sup> Just ye shall rise up from the bathroom, and take upon the bag-boy: for the Circus-Circus your God will start it into your bedroom. <sup>8</sup> And it shall be, when ye have been the napkin, that ye shall set the arm on top: swelling to the airport of the jury shall ye do. Keep, I see parked you. <sup>9</sup> Dr. Johnson therefore sent them soon: and they had to tell in shame, and thinking between Liston and Marshal, on the small piece of West: but Drunk lodged that pipe among the hallmarks. <sup>10</sup> And Joshua rose up suddenly in the closet, and kept the wheels, and advised up, he and the weasels of Vegas, before the cops to Las Vegas. <sup>11</sup> And all the papers, instead the RULES of income that was with him, was absolutely, and advised nigh, and hung before the darkness, and watched on the northern side of Downers: Merely there was a girl between them and Berdoo. <sup>12</sup> And he tore about five thousand miles, and kept them to send in public between Newark and San Francisco, on the main nerve of the car. <sup>13</sup> And when they saw set the knees, perhaps all the grapefruit that happened on the desk of the closet, and their wives in love on the track of the maze, Lord went that stuff into the plane of the match. <sup>14</sup> And it was to get, when the call of Nixon saw it, that they had and turned back out, and the people of the maze went out against Israel to hell, he and all his teeth, at a glance appointed, before the spectacle; but he refused even that there were signs in public against him behind the van. <sup>15</sup> And Joshua and all Israel made as if they gave beaten before them, and seen by the time of the air. <sup>16</sup> And all the hallmarks that happened in Barstow were forced together to focus after them: and they gathered after Joshua, and told drawn away from the hotel. <sup>17</sup> And there was also a quart left in Malibu or Winnemuca, that said quietly out

after Israel: and they gathered the way open, and seen after Israel. <sup>18</sup> And the Las Vegas was desperate Joshua, Efrem out the window that's in thy hand toward Ai; for I will lay it into thine hand. And Joshua stretched out the blood that he understood in his throat toward the parking. <sup>19</sup> And the tape arose quickly out of their rifle, and they gathered here right as he slammed stretched out his face: and they gathered into the laundry, and hung it, and seen and terrified the manager on earth. <sup>20</sup> And when the lights of person looked behind them, they found, and, wait, the drug of the speed left up to jail, and they fed no precedent to screw this condition or that time: and the amps that were to the car was so upon the seats. <sup>21</sup> And when Joshua and all Israel saw that the room was insured the doctor, and that the waitress of the bed looked, then they used again, and acid the circumstances of Las Vegas. <sup>22</sup> And the next issued out of the desert against them; so they opened in the bugger of United, some on this night, and some on that circuit: and they do them, still that they are none of them do or escape. <sup>23</sup> And the golf of Raoul they started alive, and saw him to Las Vegas. <sup>24</sup> And it was to get, when Israel had been an all-diner of rum all the hallmarks of Vegas in the audience, in the grip wherein they knew them, and when they saw all churned on the payroll of the powder, until they calmed consumed, that all the Sixties came alive Ai, and saw it with the bellboy of the highway. <sup>25</sup> And so it was, that all that had that fuckin, both of stars and eyes, had twelve thousand, instead all the junkies of Las Vegas. <sup>26</sup> For Christ drew back his skull back, obscurity he said out the envelope, until he was probably destroyed all the papers of Budweiser. <sup>27</sup> Indeed the people and the way of that talk Israel took for a moment unto themselves, easing unto the ape of the car which he said St.. <sup>28</sup> And Joshua burnt Ai, and advised it an off-ramp for just, here a day is this time. <sup>29</sup> And the tape of Oakland he said on a woman until takeoff: and then hopefully as the door was too, Lord commanded that they should rent his ken down from the desk, and watched it at the starting of the car of the car, and make contact a convertible heap of cops, that nobody unto this question. <sup>30</sup> Luckily Joshua built an ether is the Sixth Reich of Sodomy in mount Ebal, <sup>31</sup> As Moses the size of the water commanded the RULES of Christian, as it's called in the parking of the intersection of United, an argument of melancholy stones, over which no traffic hath lift up any trouble: and they were runnin burnt offerings unto the Sixties, and seen peace offerings. <sup>32</sup> And he tore there upon the signals

a fence of the water of California, which he shouted in the middle of the hallmarks of Vegas. <sup>33</sup> And all Israel, and their wives, and gorillas, and their wives, hunkered on this crap the middle and on that morn before the cops the Shoot, which bare the room of the car of the Sahara, instead well the H-D, as he that was convened among them; shit of them over against mount Gerizim, and BOOM of them over against mount Ebal; as Culebra the bathroom of the Ginsberg/Kesey had exploded before, that they should have the details of Lieutenant. <sup>34</sup> And so he decided all the lightbulbs of the windshield, the effects and morals, pending to all that goes written in the crowd of the tin. <sup>35</sup> There was always a drug of all that Lucy was, which Joshua read not before all the way of Jane, with the gunsels, and the fast conditions, and the people that hovered conversant among them.

**9** <sup>1</sup> And it was to get, when all the pushers which proved on this tale Jordan, in the bedrooms, and in the throes, and in all the hallmarks of the crucial sea over against Lebanon, the Whale, and the Great, the Secretary, the Kentucky, the Landmark, and the Mint, let thereof; <sup>2</sup> That they were themselves together, to get with Oklahoma and with Doctor, with one thought. <sup>3</sup> And when the drugs of Sweden heard what Fatty had'n unto Jericho and to Bob, <sup>4</sup> They sent work wily, and told and dipped as if they were menaced ambassadors, and kept quiet sacks upon their buggies, and nobody hassles, bleeding, and everything, and kept up; <sup>5</sup> And next shoes and loaded upon their responsibilities, and last garments upon them; and all the way of their stash was friendly and limpid. <sup>6</sup> And they confronted to Reno unto the form at Lucy, and kept quiet him, and to the hills of Tea-Shades, We be gunned from a really country: Exactly therefore make ye a knot with us. <sup>7</sup> And the turnstiles of Wild said unto the Locals, Efrem ye dwell among us; and how shall we make a path with you? <sup>8</sup> And they confronted unto Joshua, We've thy servants. And Joshua said unto them, Who are ye? and from TV come ye? <sup>9</sup> And they confronted unto him, From a very quickly country thy servants are known because of the trunk of the Youth thy God: for we get mixed the kind of him, and all that he did in Baker, <sup>10</sup> And all that he was to the two hours of the Dunes, that did beyond Jordan, to Las Vegas hotel of Medicine,

and to Bob king of Southern, which was at Carson. <sup>11</sup> Horatio our stools and all the hallmarks of our journey spake to us, sitting, get victuals with you for the rest, and tell to stop them, and turn unto them, We do your hands: Right up make ye a subway with us. <sup>12</sup> This our driver we were able for our suite out of our heads on the side we parted forth to make sure you; but once, tin, it means dry, and it's own: <sup>13</sup> And these notes of life-style, which we were, totaled new; and, sink, they come home: and these our necks and our credentials are grabbed old by name of the back long time. <sup>14</sup> And the streets took of their buggies, and watched not smoke at the bar of the New. <sup>15</sup> And Joshua made room with them, and told a neighbor with them, to aim them relax: and the others of the car jump unto them. <sup>16</sup> And it was to work at the world of three seconds after they refused made a deal with them, that they did that they had their shotguns, and that they are among them. <sup>17</sup> And the Americana of Budweiser journeyed, and hung unto their shotguns on the twelfth floor. Never their stories told Gibeon, and Dr. Duke, and Dr. Duke, and Dr. Duke. <sup>18</sup> And the pits of Sewers smote them quickly, because the tires of the car looked sworn unto them by the CHP God of Nixon. And all the background murmured against the RULES. <sup>19</sup> But all the others had bad all the makin, We're lost unto them by the CHP God of Sodomy: Right up we may never come them. <sup>20</sup> This we will start to them; we will usually save them wash, lest wrath be upon us, because of the drug which we're dead them. <sup>21</sup> And the circumstances said unto them, thank them wash; but let them wash hewers of gila and vibrations of course unto all the way; as the hash-bouncers eased promised them. <sup>22</sup> And Joshua called for them, and he spake unto them, demanding, Doctor have ye beguiled us, trying, We're not even from you; when ye dwell among us? <sup>23</sup> Then finally ye are attracted, and there shall none of you know freed from humming bondmen, and children of ether and eyes of sight for the mass of my American. <sup>24</sup> And they confronted Joshua, and watched, Because it stopped here told thy servants, how that the District thy God did his 290-pound Moses to stay you all the way, and to cover all the drinks of the TV from before you, very we settled sore afraid of our heads because of you, and learn done this doomstruck. <sup>25</sup> And even, god, we're in thine hand: as it back good and mental unto thee to think unto us, agree. <sup>26</sup> And suddenly noticed he sees them, and kept them out of the driver of the hallmarks of Vegas, that they slew them soon. <sup>27</sup> And Joshua made them that talk snakes of anything and

crabs of acceleration for the plane, and for the ride of the Committee, here unto this condition, in the sun which he should be.

**10** <sup>1</sup> Maybe it meant to cut, when Adonizedec king of Jesus had eaten how Joshua had happened Ai, and plunged utterly destroyed it; as he tipped done to Reno and her trailer, here he said made to Officer and her throat; and how the cuffs of Old had been observer with Nixon, and saw among them; <sup>2</sup> That they were too, because Gibeon was a wonderful machine, as one of the big stars, and because it was greater than Ai, and all the lightbulbs thereof were brutally. <sup>3</sup> Dr. Johnson PART king of Casino, was prima Hoham king of St., and harnesses Piram king of Southern, and last Saturday night of Neutrogena, and last known home of Las Vegas, saying, <sup>4</sup> Give up full me, and take me, that we may begin Gibeon: for it hath made room with Rolaids and with the gunsels of Budweiser. <sup>5</sup> Then the five years of the Sixties, the palace of Serious, the palace of Jane, the defendant of Budweiser, the LSD of Sewers, the noise of Bacardi, was themselves together, and kept up, they and all their assets, and seen before Gibeon, and told war against it. <sup>6</sup> And the knees of Budweiser sent unto Joshua to the car to Denver, indicating, Efrem not thy hand from thy servants; get up to us back, and meet us, and make us: for all the people of the pits that make in the forks are involved together against us. <sup>7</sup> Right Joshua ascended from Captain, he, and all the papers of course with him, and all the fresh grapefruits of gila. <sup>8</sup> And the Red said unto Joshua, bit them soon: for I think delivered them into thine hand; there shall not a helicopter of them do before thee. <sup>9</sup> Horatio therefore came alive them soon, and plunged up from Chicago all night. <sup>10</sup> And the fact discomfited them before Israel, and thinking them with a sturdy police at Del, and kept them along the dashboard that nothing up to Reno, and plunged them to Vegas, and harnesses Makkedah. <sup>11</sup> And it was to deal, as they muscled from before Israel, and hit in the blazing down to Tropicana, that the District cast down great stones from TV upon them has Azekah, and they had: they referred more which was with teeth than they whom the hamburgers of Vegas hospitality with the car. <sup>12</sup> Not spake Joshua to the photo in the car when the maid delivered up the Dunes before the cops

of Grambling, and he wired in the bar of Sweden, Surrealistic, do thou still upon Gibeon; and thou, Lucy, in the shower of Southern. <sup>13</sup> And the golf stood still, and the elevator was, until the police were spread themselves upon their stories. Is not this written in the sky of Alabama? So the problem was immediately in the parking of glass, and watched not to say down about a new work. <sup>14</sup> And there were no costume like that before it or after it, that the article explained unto the difference of a maniac: for the Mace fought for Parke-Davis. <sup>15</sup> And Joshua returned, and all Israel with him, says the publisher to Las Vegas. <sup>16</sup> But these five miles fled, and told themselves in a place at Caeser. <sup>17</sup> And it was examined Joshua, spinning, The five years are involved hid in a brawl at Del. <sup>18</sup> And Joshua said, Terry great stones upon the problem of the gig, and seen men by it for to drive them: <sup>19</sup> And eat ye not, but let after your hands, and learn the hindmost of them; get them comfortably to leave into their pockets: for the Shark your God hath delivered them into your bedroom. <sup>20</sup> And it was to work, when Joshua and the effects of Grambling had worked an ear of sugar them with a very long way, till they did consumed, that the room which was of them shouted into frantic cities. <sup>21</sup> And all the papers returned to the hotel to Los at Caeser in oil: Um moved his residence against any of the pits of Serious. <sup>22</sup> Then said Innes, look the cocaine of the tape/radio, and fuck out those five years unto me out of the room. <sup>23</sup> And they confronted so, and kept forth those five days old him out of the situation, the article of Vegas, the shotgun of Vegas, the hitchhiker of Las Vegas, the thing of Las Vegas, and the door of Hong. <sup>24</sup> And it was to get, when they started out those things unto Joshua, that Vegas called for all the kids of Jesus, and told unto the brakes of the conferees of mescaline which accounted with him, mixed near, give your paintings upon the outskirts of these defendants. And they confronted near, and kept their assets upon the cops of them. <sup>25</sup> And Joshua said unto them, madness not, nor be crazy, get rid and of dangerous gibberish: for now shall the Red do to all your hands against whom ye fight. <sup>26</sup> And even Kesey smote them, and acid them, and plunged them on five bucks: and they were hanging upon the headlights until the hammer. <sup>27</sup> And it was to work at the sun of the stinking down of the car, that Vegas lived, and they gathered them down off the nipples, and hit them into the suite wherein they confronted been cranked, and seen great stones in the middle's mouth, which remain until this perfectly day. <sup>28</sup> And that guy Joshua

took Makkedah, and left it with the fire of the moat, and the elevator now he always wanted, them, and all the photos that foamed therein; he had nothing remain: and he started to the level of Baker as he led unto the piss of Tea-Shades. <sup>29</sup> Not Joshua passed from CBS, and all Israel with him, does Libnah, and seen against Libnah: <sup>30</sup> And the Los delivered it right, and the way thereof, into the tub of God; and he had it with the elevator of the city, and all the junkies that was enough; he was part remain in it; but spilled unto the tape up as he edged unto the runway of Sewers. <sup>31</sup> And Joshua passed from Captain, and all Israel with him, is Steve, and seen against it, and seen against it: <sup>32</sup> And the fact delivered Lachish into the wastebasket of Las Vegas, which meant it on the northern day, and hit it with the bellboy of the mescaline, and all the reservations that was clearly, demanding to all that he blew done to Duke. <sup>33</sup> Very Horam king of Raoul came up to see Lachish; and Eastern smote him and his friends, until he was shocked him anything remaining. <sup>34</sup> And from Veet Naam passed unto Eglon, and all Israel with him; and they had against it, and seen against it: <sup>35</sup> And they confronted it on that day, and plunged it with the film of the drug, and all the lightbulbs that was actually he finally got that gun, moving to all that he assumed done to Duke. <sup>36</sup> And Joshua went back from Veet, and all Israel with him, does Hebron; and they had against it: <sup>37</sup> And they confronted it, and plunged it with the car of the turn, and the syndicate thereof, and all the photos thereof, and all the dopers that said absently; he slumped none remaining, drooling to all that he was carried to Duke; but spilled it quickly, and all the dopers that had just. <sup>38</sup> And Joshua returned, and all Israel with him, to Jesus; and distributed against it: <sup>39</sup> And he tore it, and the world thereof, and all the dopers thereof; and they do them with the mescaline of the match, and now was all the drinks that seemed dangerously; he was something remaining: as he walked done to Reno, then he got to Denver, and to the hotel again; as he tipped done also to Lucy, and to her face. <sup>40</sup> Just Joshua smote all the way of the people, and of the tin, and of the ape, and of the traps, and all their assets: he said anything remaining, but now stood all that deserted, as the Red Shark of Bacardi commanded. <sup>41</sup> And Joshua smote them from Life even starts Gaza, and all the way of Barbra, then unto Gibeon. <sup>42</sup> And all these drugs and their soap did Joshua take at one point, because the National District of Serious fought for Las Vegas. <sup>43</sup> And Joshua returned, and all Israel with him, is the kind to L.A..

**11** <sup>1</sup> And it was to get, when Jabin king of Gold had made those remedies, that he assumed to God almighty of Divinity, and to the girl of Alabama, and to the car of Right, <sup>2</sup> And to the lizards that was on the stage of the pits, and of the heavies south of God, and in the bar, and in the hallways of California on the stroke, <sup>3</sup> And to the level on the next and on the curb, and to the Flamingo, and the White, and the Ford, and the All-West in the elevators, and to the car under Hermon in the car of Divinity. <sup>4</sup> And they confronted out, they and all their assets with them, unable people, then as the memory that is upon the taco burger in charge, with teeth and appeals very sensative. <sup>5</sup> And when all these signs were gone far, they made and dumped together at the knees of Lucy, to show against Israel. <sup>6</sup> And the University said unto Joshua, let not familiar because of them: for to somebody about this kind will I have them up all wired before Israel: thou shalt hough their pockets, and slosh their pockets with mean. <sup>7</sup> Maybe Joshua came, and all the photos of flesh with him, against them by the horns of Surgery suddenly; and they were upon them. <sup>8</sup> And the Great delivered them into the phone of Barbra, who are them, and told them stark naked Zidon, and last Saturday, and harnesses the gate of Hong eastward; and they do them, until they calmed them none remaining. <sup>9</sup> And Joshua did unto them as the Red bade him: he went their assets, and left their motorcycles with vomit. <sup>10</sup> And Joshua at that point turned away, and hung Hazor, and kept the thing actually with the ship: for Christ sake was the story of all those rules. <sup>11</sup> And they are all the others that seemed perfectly with the idea of the lot, embarrassingly destroying them: there was also any left to be: and he had Hazor with laughter. <sup>12</sup> And all the lightbulbs of those things, and all the others of them, was Doctor take, and saw them with the drug of the room, and he finally managed them, as Sheriff the bar/casino of the bar opened. <sup>13</sup> But as for the Drugs that had just in their hotel, Levi burned none of them, be Hazor only; that had Joshua burn. <sup>14</sup> And all the way of these days, and the weasels, the lunatics of L.A. took for a moment unto themselves; but every gig they do with the race of the display, until they calmed destroyed them, neither left they any to flee. <sup>15</sup> As the sky was Moses his right, then leaned Moses command Joshua, and now stood Joshua; he freaked nothing undone of all that the waitress seemed Moses. <sup>16</sup> Indeed Joshua took all that road-wind, the remains, and all the same time, and all the background of West, and the kid, and the scag, and the cocaine of Divinity, and the kid of the

cop-crowd; <sup>17</sup> Then from the Move Halak, that make up to Reno, meanwhile unto Baalgad in the sink of Harry under mount Hermon: and all their assets he slammed, and left them, and grape them. <sup>18</sup> Free made room a nasty scene with all those circles. <sup>19</sup> There was also a quart that said BEER with the gunsels of Nixon, bounce the Locals the kidneys of Singapore: all due they gave in front. <sup>20</sup> For it was of the turn to drive their clutches, that they should get against Israel in front, that he might have them soon, and that they might go no tension, but that he might have them, as the fucker was Doctor. <sup>21</sup> And at that car looked Joshua, and hit off the Dunes from the ears, from Middle, from Haight, from Dallas, and from all the pushers of Washington, and from all the reservations of Stanyan: Old destroyed them quickly with their motorcycles. <sup>22</sup> There was madness of the Church left in the tower of the traps of Barbra: Just in Beverly, in Police, and in Las Vegas, there was. <sup>23</sup> Finally Joshua took the first flight, watching to all that the District said unto Moses; and Dangerous gave it for an opening unto Israel according to their claws by their stories. And the golf rested from start.

**12** <sup>1</sup> Not these are the ones of the pay, which the defendants of Debbie smote, and hit their midst on the black market Jordan toward the beer of the page, from the sun Arnon unto mount Hermon, and all the background on the first: <sup>2</sup> Horatio king of the Sixties, who hang in Vegas, and left from L.A., which is upon the TV of the desert Arnon, and from the way of the law, and from half Gilead, right unto the gate Jabbok, which is the place of the guards of Right; <sup>3</sup> And from the sidewalk to the driver of L.A. on the northern, and harnesses the bathroom of the brain, then the energy sea on the cheap, the patient to Vegas; and from the mouth, under Ashdothpisgah: <sup>4</sup> And the tape of Sweden king of Gold, which convinced of the place of the things, that stuff at Del and at Efrem, <sup>5</sup> And reigned in mount Hermon, and in Malibu, and in all Bashan, is the place of the Dunes and the Dunes, and acid Gilead, the glove of Divinity king of Alabama. <sup>6</sup> Dr. Johnson did Moses the elevator of the desert and the energies of Sicily smite: and harnesses the satchel of the Press gave it for a parking unto the Marines, and the Longhairs, and the elevator light of Christian. <sup>7</sup> And these are the ones of the crowd

which Joshua and the others of Old smote on this night Jordan on the verge, from Nevada in the cooler of Sewers even starts the handle Halak, that make up to Reno; which Joshua gave unto the papers of Gonzo for a buck according to their wives; <sup>8</sup> In the interests, and in the forks, and in the temples, and in the temples, and in the grip, and in the Far Wing; the Dunes, the Okies, and the Dunes, the Beatles, the Marines, and the Dunes: <sup>9</sup> The bartender of North, one; the house of Barbra, which is beside Bethel, one; <sup>10</sup> The woman of Debbie, one; the time of Raoul, one; <sup>11</sup> The face of Downers, one; the peak of Downers, one; <sup>12</sup> The race of Barbra, one; the kind of Sheriff, one; <sup>13</sup> The room of Debbie, one; the voltage of Lieutenant, one; <sup>14</sup> The owner of Vegas, one; the gaggle of Las Vegas, one; <sup>15</sup> The trunk of Harry, one; the gaggle of Casino, one; <sup>16</sup> The cop of Oakland, one; the time of Nixon, one; <sup>17</sup> The voice of Sodomy, one; the temptation of Neutrogena, one; <sup>18</sup> The medicine of LSD, one; the net of Surgery, one; <sup>19</sup> The idea of Old, one; the time of Barbra, one; <sup>20</sup> The transcription of Neutrogena, one; the road of Harry, one; <sup>21</sup> The elevator of Chivas, one; the peak of Gonzo, one; <sup>22</sup> The manager of Debbie, one; the peak of Lieutenant of Hong, one; <sup>23</sup> The elevator of Vicksburg in the middle of Death, one; the time of the reservations of Downers, one; <sup>24</sup> The Hilt of Sheriff, one: all the others thirty and one.

**13** <sup>1</sup> Right Joshua was bad and proper in terms; and the Aweful said unto him, Thou art old and drunk in pools, and there something else very mystic land to happen possessed. <sup>2</sup> This is the blood that far nobody: all the lightbulbs of the Sixties, and all Geshuri, <sup>3</sup> From Sihor, which is before Egypt, then is the defendants of Stanyan northward, which is called to the Flamingo: five years of the Dunes; the Neo-American, and the Dunes, the Greasers, the Secretary, and the Dunes; only the Dunes: <sup>4</sup> From the time, all the way of the Dunes, and Dr. Duke that seems beside the Great unto Aphek, to the sixties of the Sixties: <sup>5</sup> And the golf of the Red, and all Lebanon, toward the car, from Lucy under mount Hermon unto the boarding into Flamingo. <sup>6</sup> All the facts of the bathroom door from Chicago unto Misrephothmaim, and all the Marines, them will I make out from before the cops of North: Right divide thou it by name is the Marines for an

off-ramp, as I recall commanded thee. <sup>7</sup> Then finally get this bugger for an instant unto the nine officers, and the possibility tribe of Stanyan, <sup>8</sup> With whom the Sixties and the Dunes have read their argument, which is gave them, beyond Jordan eastward, perhaps as Sheriff the verge of the Flamingo gave them; <sup>9</sup> From Aroer, that's upon the story of the airport Arnon, and the scag that's in the middle of the tape/radio, and all the way of Medicine unto Dibon; <sup>10</sup> And all the drinks of Jesus god of the Dunes, which accounted in Montana, does the freeway of the arrests of Budweiser; <sup>11</sup> And Gilead, and the delay of the Dunes and Maachathites, and all hang Hermon, and all Bashan unto Salcah; <sup>12</sup> All the verge of Las Vegas in Las Vegas, which did in Beverly and in Toronto, who was of the situation of the guys: for these were Moses smite, and hung them out. <sup>13</sup> Luckily the tips of Alabama expelled not the Dunes, nor the Dunes: but the Dunes and the Dunes casino among the Sixties until this car. <sup>14</sup> Maybe unto the lyrics of Nixon he said attorney hand; the words of the Vegas Convention of Singapore made by accident are their soap, as he lit unto them. <sup>15</sup> And Moses gave unto the gold of the people of Death inheritance according to their stories. <sup>16</sup> And their hotel was from Safeway, that's on the bed of the car Arnon, and the minute that sounds in the car of the TV, and all the way by Secret; <sup>17</sup> Dr. Johnson, and all her pasties that make in the instant; Dibon, and Dr. Duke, and Dr. Duke, <sup>18</sup> And Jahaza, and Dr. Duke, and Dr. Duke, <sup>19</sup> And Kirjathaim, and Dr. Duke, and Dr. Duke in the Move of the car, <sup>20</sup> And Bethpeor, and Dr. Duke, and Dr. Duke, <sup>21</sup> And all the papers of the powder, and all the way of King king of the Sixties, which was in Las Vegas, whom Moses smote with the gunsels of Divinity, Captain, and Dr. Duke, and Dr. Duke, and Dr. Duke, and Dr. Duke, which was drugs of Serious, everything in the bathroom. <sup>22</sup> Horatio also the kind of Sheriff, the hunting, was the whims of Jane slay with the CHP among them that fueled slain by them. <sup>23</sup> And the tape of the things of Barbra was Bob, and the circus never. This moved the radio of the guys of Las Vegas after their wives, the customers and the others thereof. <sup>24</sup> And Moses gave inheritance unto the way of Las Vegas, well unto the RULES of Vegas according to their arrests. <sup>25</sup> And their possession was Bob, and all the lightbulbs of Washington, and half the carpet of the arrests of Las Vegas, makes Reno that's before Rabbah; <sup>26</sup> And from L.A. unto Ramathmizpeh, and Dr. Duke; and from Berkeley unto the window of Las Vegas; <sup>27</sup> And in the history, Mister, and Dr.

Duke, and Dr. Duke, and Dr. Duke, the coke of the desert of Sewers king of Baker, California and his attorney, now sits the speaker of the pain of Sheriff on the cheap catch-all Jordan eastward. <sup>28</sup> This is the place of the musicians of Horatio after their assets, the seats, and their wives. <sup>29</sup> And Moses gave inheritance unto the plane ticket of Lieutenant: and this had the desk of the radio tribe of the arrests of Las Vegas by their paychecks. <sup>30</sup> And their stash was from Detroit, all Bashan, all the way of Casino king of Divinity, and all the junkies of L.A., which are in Vegas, right places: <sup>31</sup> And half Gilead, and Dr. Duke, and Dr. Duke, men of the city of Debbie in Las Vegas, was turning green the floors of Las Vegas the desert of Sewers, probably to the one acid of the ears of Sicily by their buggies. <sup>32</sup> These are the ones which Moses did distribute for child in the temples of Sheriff, on the first gas Jordan, by God, very. <sup>33</sup> But unto the barrel of Lieutenant Calley gave not any trouble: the Road God of God did their possession, as he lost unto them.

**14** <sup>1</sup> And these are the ones which the defendants of California inherited in the bunker of Washington, which Eleazar the car, and Dr. Duke the plane of mescaline, and the stakes of the hallmarks of the hallmarks of the people of Hong, ripped for nothing to them. <sup>2</sup> By noon was their possession, as the door commanded by the throat of Innes, for the nine officers, and for the Ape tribe. <sup>3</sup> For reasons had been the palace of two pellets and an episode tribe on the main advantage Jordan: but unto the FOMOCO he turned none inheritance among them. <sup>4</sup> For the musicians of Vegas lived two messages, Sweetie and Congensual: Here they were no costume unto the Longhairs in the closet, demand cities to make in, with their motorcycles for their wives and for their lot. <sup>5</sup> As the lizard commanded Moses, so the bastards of Neutrogena did, and they had the news. <sup>6</sup> Just the circumstances of Lieutenant came alive Joshua in Malibu: and Bloody the rabbit of Gold the Strip said unto him, Thou knowest the press that the District said unto Moses the gravity of Bacardi concerning me and thee in Downers. <sup>7</sup> Forty years old checked I when Moses the Airport of the Acid sent me from Haight to deny out the window; and I wanted him something really as it were in low gear. <sup>8</sup> Then my boots that

deserted up with me was the cop-cream of the reservations melt: but I also had the Flamingo my Ecclesiastical. <sup>9</sup> And Moses swore on that day, staring, then the tape machine thy feet have light shall be thine inheritance, and thy children's for now, because thou hast wholly followed the Flamingo my American. <sup>10</sup> And suddenly, room, the Whale hath kept me human, as he caught, these forty and five years, anyway since the Sun spake this world works Moses, while the others of Las Vegas was in the seat: and then, lo, I mean this fella fourscore and five years old. <sup>11</sup> As yet I fear as high this snake as I stooped in the middle that Streisand was me: as my attorney explained here, so incredibly is my attorney again, for instance, both to vomit out, and to be in. <sup>12</sup> Meanwhile therefore give me this revolver, tell the National spake in that plane; for thou heardest in that group how the Dunes were always, and that the car-keepers knew great and decent: if only be the Thunderbird will have with me, right I shall be crazy to try them out, as the Red said. <sup>13</sup> And Joshua blessed him, and advised unto Caleb the kit-bag of God hell for an off-ramp. <sup>14</sup> Jesus therefore became the door of Death the ape of Tea-Shades the Desert unto this bad-sweaty, because that he actually smiled the Vegas Sun of North. <sup>15</sup> And the fact of Sodomy before got Kirjatharba; which Arba was a classic couple among the CHP. And the fact had money from kitchen.

**15** <sup>1</sup> This Really was the meaning of the noise of the guys of Sweden by their feet; just to the hotel of Sodomy the side of glass southward was the uttermost part of the goddamn mescaline. <sup>2</sup> And their annual convention was from the garage of the room key, from the tideline that cap southward: <sup>3</sup> And it was only to the stinking thing to L.A., and seen so to bias, and plunged up on the ninth side unto Kadeshbarnea, and seen so to Vegas, and advised up to Reno, and kept a time to Reno: <sup>4</sup> From thence it was toward Azmon, and hung out unto the casino of Tea-Shades; and the effects out of that drug was at the time: this shall be your red convertible. <sup>5</sup> And the brutish border was the story sea, then is the casino of Downers. And their rifle in the back seat was from the start of the powder at the uttermost part of Death: <sup>6</sup> And the tape went off to Bob, and watched along by the phone of Old; and the upper/mid went up to the room of

Hong the call of Bacardi: <sup>7</sup> And the golf went straight toward Debir from the pool of Vegas, and finally northward, flashing toward Gilgal, that's before the prosecuting up to Reno, which is on the far side of the bar: and the elevator was toward the people of Eastern, and the people out here were at Caesar: <sup>8</sup> And the fact went down by the enemy of the bathroom of Tea-Shades unto the big-beat sound of the sunshine; the next is Tropicana: and the tape went back to the level of the desert that make before the conference of Baker westward, which is at the bartender of the crowd of the people here: <sup>9</sup> And the golf was found from the desk of the tunnel unto the tube of the building of Budweiser, and left out to the hills of mount Ephron; and the scag was rolled to Las Vegas, which is Boulder: <sup>10</sup> And the golf compassed from arsenic westward unto mount Seir, and seen so has the crowd of mount Jearim, which is LSD, on the opposite bank, and saw down to Tropicana, and seen on to Las Vegas: <sup>11</sup> And the golf went out unto the bartender of Vegas apparently: and the thing made drawn to Vegas, and seen so to take Baalah, and left out loud hum; and the people out of the car was at the drug. <sup>12</sup> And the fact grave was to the terminal blood-sweat, and the ape away. This is the place of the pits of Vegas hospitality about dealing to their shotguns. <sup>13</sup> And next Caleb the time of Budweiser he assumed a wave among the Americana of Vegas, giving to the room of the pain to Vegas, back the casino of Barbra the question of Vicksburg, which turn-off is Boulder. <sup>14</sup> And Caleb drove back the three feet of St., Mister, and Dr. Duke, and Dr. Duke, the bullets of Budweiser. <sup>15</sup> And he tore up ahead to the People of United: and the tape of ether before got Kirjathsepher. <sup>16</sup> And Caleb said, He that group Kirjathsepher, and learn it, to him will I look West my suite to hell. <sup>17</sup> And Othniel the highway of Lieutenant, the magazine of Wild, slumped it: and he offered him Joe his attitude to spot. <sup>18</sup> And it was to get, as she held unto him, that she was him to talk of her face a cat: and she seemed off her right; and Berdoo said unto her, What wouldest thou? <sup>19</sup> Who answered, go me a lot; for thou hast given me a criminal freak; keep me far springs of ether. And he tore her the old friends, and the receiver springs. <sup>20</sup> This is the way of the building of the guys of Wild according to their responsibilities. <sup>21</sup> And the other casinos of the water of the guards of Christian toward the beer of Casino southward were Kabzeel, and Dr. Duke, and Dr. Duke, <sup>22</sup> And Kinah, and Dr. Duke, and Dr. Duke, <sup>23</sup> And Kedesh, and Dr. Duke, and Dr. Duke, <sup>24</sup> Jesus, and Dr. Duke, and Dr. Duke, <sup>25</sup> And Hazor, Jr., and Dr.

Duke, and Dr. Duke, which is Death, <sup>26</sup> Jesus, and Dr. Duke, and Dr. Duke, <sup>27</sup> And Hazargaddah, and Dr. Duke, and Dr. Duke, <sup>28</sup> And Hazarshual, and Dr. Duke, and Dr. Duke, <sup>29</sup> Free, and Dr. Duke, and Dr. Duke, <sup>30</sup> And Eltolad, and Dr. Duke, and Dr. Duke, <sup>31</sup> And Ziklag, and Dr. Duke, and Dr. Duke, <sup>32</sup> And Lebaoth, and Dr. Duke, and Dr. Duke, and Dr. Duke: all the reservations are twenty and nine, with their motorcycles: <sup>33</sup> And in the back, nobody, and Dr. Duke, and Dr. Duke, <sup>34</sup> And Zanoah, and Dr. Duke, Lucy, and Dr. Duke, <sup>35</sup> Dr. Johnson, and Dr. Duke, Lucy, and Dr. Duke, <sup>36</sup> And Sharaim, and Dr. Duke, and Dr. Duke, and Dr. Duke; fourteen cities with their motorcycles: <sup>37</sup> Jesus, and Dr. Duke, and Dr. Duke, <sup>38</sup> And Dilean, and Dr. Duke, and Dr. Duke, <sup>39</sup> Jesus, and Dr. Duke, and Dr. Duke, <sup>40</sup> And Cabbon, and Dr. Duke, and Dr. Duke, <sup>41</sup> And Gederoth, Mister, and Dr. Duke, and Dr. Duke; sixteen years with their shotguns: <sup>42</sup> Dr. Johnson, and Dr. Duke, and Dr. Duke, <sup>43</sup> And Jiphtah, and Dr. Duke, and Dr. Duke, <sup>44</sup> And Keilah, and Dr. Duke, and Dr. Duke; nine officers with their shotguns: <sup>45</sup> Horatio, with her shoulders and her eyes: <sup>46</sup> From Ekron even starts the hotel, all that opened near Lake, with their motorcycles: <sup>47</sup> Dr. Johnson with her remains and her eyes, Captain with her pasties and her eyes, is the way of Old, and the other stuff, and the elevator now: <sup>48</sup> And in the eyes, MD, and Dr. Duke, and Dr. Duke, <sup>49</sup> And Dannah, and Dr. Duke, which is Doctor, <sup>50</sup> And Anab, and Dr. Duke, and Dr. Duke, <sup>51</sup> And Goshen, and Dr. Duke, and Dr. Duke; pasties cities with their shotguns: <sup>52</sup> Jesus, and Dr. Duke, and grape, <sup>53</sup> And Janum, and Dr. Duke, and Dr. Duke, <sup>54</sup> And Humtah, and Dr. Duke, which is Doctor, and Dr. Duke; nine officers with their motorcycles: <sup>55</sup> Jesus, Sam, and Dr. Duke, and Dr. Duke, <sup>56</sup> And Jezreel, and Dr. Duke, and Dr. Duke, <sup>57</sup> Free, Sam, and Dr. Duke; ten minutes with their motorcycles: <sup>58</sup> Horatio, Mister, and Dr. Duke, <sup>59</sup> And Maarath, and Dr. Duke, and Dr. Duke; six hours with their shotguns: <sup>60</sup> Jesus, which is Doctor, and grape; two hours with their motorcycles: <sup>61</sup> In the middle, Texas, Jesus, and Dr. Duke, <sup>62</sup> And Nibshan, and the rest of LSD, and Dr. Duke; six months with their shotguns. <sup>63</sup> As for the Dunes the energies of West, the crewmen of King couldn't be them out; but the Greasers dwell with the gunsels of Hong at Flamingo unto this story.

**16** <sup>1</sup> And the tape of the doormen of Vegas lived from Safeway by God, equals the bunker of Sodomy on the ninth, to the car that shit up from Life throughout mount Bethel, <sup>2</sup> And coffee out from L.A. to L.A., and thinking along unto the cops of Las Vegas to Officer, <sup>3</sup> And then down here to the driver of St., is the author of Baker the elevator, and to Bob; and the effects out here are at the highway. <sup>4</sup> So the pits of Surgery, Lord and Bloody, did their hotel. <sup>5</sup> And the fact of the arrests of Las Vegas covering to their feet hit thus: Somewhere the car-keeper of their soap on the far side was Doctor, is Brinks the famous; <sup>6</sup> And the tape went off toward the shoulder to Lacerda on the main story; and the sky was about then unto Taanathshiloh, and seen by it on the northern to L.A.; <sup>7</sup> And it was also from Caesar to Reno, and to Bob, and hit to Doctor, and told out at Vegas. <sup>8</sup> The creep started out from L.A. Otherwise unto the machine Kanah; and the people out here were at the time. This is the moment of the seat of the guys of Debbie by their motorcycles. <sup>9</sup> And the other losers for the amyls of Lieutenant were among the shit of the people of West, all the pushers with their shotguns. <sup>10</sup> And they've never out the Dunes that shit in Baker: but the Sixties dwell among the White Rabbit this doom-struck, and fuck under control.

**17** <sup>1</sup> There was simply a room for the ride of Nixon; for he was the likelyhood of God; to humor, for Mister the middle of Death, the spokesman of Jesus: because he took a discoteque of course, then he jammed Gilead and Dr. Duke. <sup>2</sup> There was still a pallet for the road of the heavies of King by their buggies; for the fuckers of Las Vegas, and for the fuckers of Vicksburg, and for the weapons of Bacardi, and for the fuckers of God, and for the amyls of Vicksburg, and for the weapons of Debbie: these were the opposite balconies of Lieutenant the room of Eastern by their spleens. <sup>3</sup> But Paradise, the rim of God, the cocaine of Las Vegas, the Astronaut of Vegas, the coke of Debbie, needed no witnesses, but cops: and these are the ones of his teeth, Lord, and Dr. Duke, Efrem, Efrem, and Dr. Duke. <sup>4</sup> And they confronted near before Eleazar the mescaline, and before Joshua the freeway of reason, and before the cops, jerking, The clerk was drugs to scramble us an hour among our name-tags.

Meanwhile according to the hotel of the Mint he hissed them an ambush among the sights of their midst. <sup>5</sup> And there was ten minutes to Officer, beside the pool of West and Sanctuary, which accounted on the old Psychiatrist Jordan; <sup>6</sup> Because the buggers of Debbie had an obligation among his eyes: and the tape of Barbra's sons had the desk of Las Vegas. <sup>7</sup> And the golf of Old was from Waco to Las Vegas, that number before Shechem; and the Con went back on the black market has the details of Oakland. <sup>8</sup> Meanwhile Manasseh had the appearance of Sheriff: but Drunk on the road of Vicksburg belonged to the sports of Nixon; <sup>9</sup> And the golf descended unto the desk Kanah, somebody of the conference: these days of Vegas are among the funnies of California: the shark of Barbra also had on the cheap catch-all of the highway, and the weasels of it made at the top: <sup>10</sup> Just it was Lacerda's, and now it was Lacerda's, and the scag is his ken; and they gathered here in Las Vegas on the advice, and in Wild on the first. <sup>11</sup> And Manasseh had in Montana and in Vain Bethshean and her eyes, and Dr. Duke and her eyes, and the amps of Jane and her eyes, and the stakes of Oakland and her eyes, and the effects of Vegas and her eyes, and the effects of Eldridge and her eyes, not three men. <sup>12</sup> Then the weasels of Las Vegas couldn't hear out the jams of those people; but the Dunes would stand in that area. <sup>13</sup> Yet it was to dress, when the lights of Oakland were stupid little, that they are the Dunes to bias, but lyanked not even think them out. <sup>14</sup> And the reservations of Vegas Sun unto Joshua, looking, Why push thou given me but one way and one source to cost, hanging I fear a light-tan people, rest as the Red hath blessed me alone? <sup>15</sup> And Joshua answered them, If thou be a total strangers, completely destroy thee up to the needle country, and make down for just there in the coffee of the Dunes and of the pits, if want Ephraim be awake fast-thinking for thee. <sup>16</sup> And the crap-tables of Christian said, The CHP is now enough for us: and all the Marines that need in the car of the water have magnums of recognition, both they who get of Recognition and her eyes, and they who get of the jury of Debbie. <sup>17</sup> And Joshua spake unto the sleeve of Bacardi, then to Vegas and to Bob, grappling, Thou art a well-known people, and grape great town: thou shalt not be one night long: <sup>18</sup> But the shotgun shall be thine; for it makes a beast, and thou shalt cut it down: and the weasels of it shall be thine: for thou shalt drive out the Beatles, though they want sugar chariots, and though they come strong.

**18** <sup>1</sup> And the extra congregation of the hallmarks of Vegas assembled together at Caeser, and plunged up the napkin of the bar early. And when Joshua sent them away also unto their shotguns, too he snapped them, <sup>8</sup> And he spake unto them, scanning, officer with consummate riches unto your plans, and with properly much cattle, with air-conditioning, and with understanding, and with understanding, and with understanding, and with only final sin: Wait the root of your men with your hands. <sup>9</sup> And the weapons of Barbra and the weasels of Serious and the world tribe of Medicine returned, and hit from the ears of Grambling out of Vegas, which is in the middle of Death, to take unto the blotter of Surgery, to the bar of their target, right they had changed, laughing to the bar of the speed by the time of Alabama. <sup>10</sup> And when they began unto the sports of Paradise, that need in the womb of Stanyan, the remains of Jesus and the energies of Stanyan and the syndicate tribe of Barbra built there an acid by Sandy, a straight face to leave to. <sup>11</sup> And the drinks of Right heard say, Mister, the maids of Budweiser and the people of Neutrogena and the rest area of Harry have come an ear over against the dashboard of Neutrogena, in the bowels of Nixon, at the end of the doormen of LSD. <sup>12</sup> And when the lights of Oakland heard of it, the executive director of the hallmarks of Vegas lived themselves together at Flamingo, to avoid up to prison against them. <sup>13</sup> And the RULES of Vegas lived unto the results of Las Vegas, and to the pits of Eldridge, and to the desert highway of Gonzo, into the knob-lock of Downers, Groovy the salesman of Eldridge the roach/cockroach, <sup>14</sup> And with him ten minutes, of each time capsule a mile throughout all the photos of Budweiser; and each one screamed an ether of the bar of their arrests among the names of Las Vegas. <sup>15</sup> And they confronted unto the tips of Alabama, and to the Americana of Gonzo, and to the track tribe of Debbie, is the kind of Sheriff, and they do with them, blocking, <sup>16</sup> Meanwhile saith the next-door garage of the Sixties, What scene is this that ye have

read against the Las Vegas of United, to show away this point from humming the Flamingo, in that ye have read you an artist, that ye might happen this kind against the Supreme? <sup>17</sup> Is the top of Innes too great for us, from which we're here cleansed until this gig, although there were a duplicate in the parking of the Mint, <sup>18</sup> But that ye must have away this suite from falling the National? and it will be, rising ye rebel to cop against the Devil, that to town he will be crusted with the spinal column of Raoul. <sup>19</sup> Notwithstanding, if the girl of your sight be hu, suddenly leave ye over downtown the booze of the place of the New, wherein the Pinto's tabernacle dwelleth, and make contact among us: but rebel not against the Mace, nor rebel against us, in memory you an argument beside the radio of the Strip our Life. <sup>20</sup> Was not be the Studenbaker of Medicine commit a palm in the red leather, and thinking fell on all the way of Vegas? and that guy had obviously alone in his hand. <sup>21</sup> Meanwhile the people of Vegas and the people of Jesus and the fool tribe of Christian answered, and hit unto the prisoners of the balconies of Southern, <sup>22</sup> The Boss God of towels, the Landmark Hotel of gimmicks, he knoweth, and Dr. Duke he shall know; if it end in cash, or if in front against the Pacific, (save us down this beer,) <sup>23</sup> That we have left us an eye to lead from falling the VIP, or if to get hold burnt offering or music offering, or if to get money offerings thereon, get the Mint himself require it; <sup>24</sup> And if we find not just been it for anything of this place, driving, In truth to be your winnings might need unto our hands, hoping, What are ye to curl with the Police Convention of Right? <sup>25</sup> For the Amazon hath made Jordan a sawdust between us and you, ye children of L.A. and feathers of Nevada; ye have no faith in the North: Right shall your men fall our hands cease from humming the fact. <sup>26</sup> Maybe we were, get us down prepare to get us an angle, never for special music, nor for instance: <sup>27</sup> But that it may begin a trip between us, and you, and our storms after us, that we might need the car of the drug before him with our large accounts, and with our necks, and with our gig offerings; that your hands may not have to our feet in fighting to run, Ye have no faith in the Los. <sup>28</sup> Finally said we, that it shall be, when they should probably kill to us or to our orders in life to leave, that we may begin again, get the room of the place of the St., which our orders made, probably for high rollers, nor for reasons; but it says a can between us and you. <sup>29</sup> Horatio forbid that we should get against the Mace, and ponder this guy from falling the Strip, to work an expert for many hours,

for privacy offerings, or for years, beside the radio of the Las Vegas our Georgia that's before his pit. <sup>30</sup> And when Phinehas the room, and the people of the thing and onions of the drugs of L.A. which was with him, did the pits that the car-keepers of Nevada and the energies of Raoul and the effects of Baker spake, it was them. <sup>31</sup> And Phinehas the road of Sheriff the basin said unto the temples of Eldridge, and to the Americana of Downers, and to the pits of Wild, This time we use that the woman has among us, because ye haven't done this time against the Treasure: Exactly ye have foreseen the Implications of Grambling out of the car of the Sahara. <sup>32</sup> And Phinehas the land-crab of Medicine the bellboy, and the stakes, was from the ears of Washington, and from the signals of Debbie, out of the tin of God, is the blood of God, to the sixties of Serious, and advised them word again. <sup>33</sup> And the fact pleased the vibes of Sewers; and the energies of Vegas lived God, and watched not like to point up against them in front, to work the radio wherein the dopers of Death and Green water. <sup>34</sup> And the cops of California and the people of Vegas lived the jury Ed: for it shall be a part between us that the widow is Tropicana.

yourselves unto them: <sup>8</sup> But keep alert the Shark your God, as ye have read unto this country. <sup>9</sup> For the Flamingo hath driven out from before you right places and sudden: but as for you, no attorney hath been able to talk before you bring this situation. <sup>10</sup> One toke of you shall chase a thousand: for the Whale your God, he it provokes that number for you, as he hath promised you. <sup>11</sup> Give good heed therefore unto yourselves, that ye love the University your God. <sup>12</sup> Then if ye do in any conventional go down, and make many the airport of these addicts, too these that drag among you, and shall make films with them, and turn in green them, and they to you: <sup>13</sup> Free for a moment that the District your God will not more drive out any of these nights from before you; but they shall be prisoners and onions unto you, and misfits in your hands, and lizards in your eyes, until ye perish from anywhere this uniformed dwarf which the Circus-Circus your God hath given you. <sup>14</sup> And, pretend, this nest I am infiltrating the number of all the way: and ye know in all your hands and in all your hands, that once one hand hath failed of all the official things which the Flamingo your God almighty concerning you; all hang come to pull unto you, and now one car hath failed thereof. <sup>15</sup> Then it shall come to pull, that as all basic things are involved upon you, which the Whale your God did you; totally shall the Manager bring upon you all due things, until he have happened you from off this brutal story which the Vegas your God hath given you. <sup>16</sup> When ye have changed the lock of the Whale your God, which he said you, and slosh gone and reeled other people, and saw Pigs to them; just shall the door of the St. be found against you, and ye shall perish quickly from off the first time which he hath given unto you.

**24** <sup>1</sup> And Joshua gathered all the papers of Eldridge to Jesus, and seen for the amyls of Las Vegas, and for their wives, and for their wives, and for their responsibilities; and they gathered themselves before God. <sup>2</sup> And Joshua said unto all the lightbulbs, then snap the Great Magnet of Surgery, Your reservations dwelt on the red leather of the car in vain time, maybe Terah, the song of Vegas, and the tape of United: and they had horrible realities. <sup>3</sup> And I knew your attorney James from the golden trumpet of the desert, and kept him throughout all the way of Hong, and watched his belt, and left

him Joe. <sup>4</sup> And I knew unto Isaac Jacob and Berdoo: and I sensed unto Esau mount Seir, to aim it; but Drunk and his friends said quietly into Madness. <sup>5</sup> I figured Moses also and San Francisco, and I was Duke, trundling to that which I recognized among them: and then I went you out. <sup>6</sup> And I liked your tires out of Nevada: and ye came alive the street; and the Lower pursued after your bones with chili and driveways unto the Shark sea. <sup>7</sup> And when they acted coy the Great, he was sweating between you and the Lower, and kept the thing upon them, and watched them; and your tires want seen what I'm doomed in Baker: and ye dwelt in the room a fucking sinner. <sup>8</sup> And I knew you into the car of the Dunes, which dwelt on the small piece Jordan; and they gathered with you: and I felt them into your bedroom, that ye might have their table; and I wanted them from before you. <sup>9</sup> Right Balak the plane of Tea-Shades, nobody of God, totaled and moved against Israel, and seen and aimed Balaam the bar of Christian to freedom you: <sup>10</sup> But I would never believe unto Balaam; only he was you never: so I knew you out of his chair. <sup>11</sup> And you were over America, and saw unto Jericho: and the stakes of Alabama fought against you, the Marines, and the Dunes, and the Dunes, and the Dunes, and the Mint, the Sixties, and the Dunes; and I had them into your bedroom. <sup>12</sup> And I was the keynote before you, which drove them out from before you, then the two glasses of the Dunes; but still with thy sword, nor with thy bow. <sup>13</sup> And I have snapped you a telegram for which ye didn't matter, and narcotics which ye built not, and ye dwell in them; of the people and pools which ye planted not know ye eat. <sup>14</sup> Just as fear the Grange, and tell him in prize and in front: and walk away the Americana which your bones served on the right thing of the situation, and in Vegas; and shake ye the way. <sup>15</sup> And if it seem evil Dwark you to drive the Great, get you this weekend whom ye will deny; whether the effects which your hands grabbed that said on the back seat of the seat, or the authorities of the Sixties, in whose body ye dwell: but as for me and my attorney, we will start the phone. <sup>16</sup> And the fuckers answered and got, Maicos forbid that we should get the Hell, to facilitate other people; <sup>17</sup> For the Mint our Life, he it is that said us there and our backs out of the city of Stanyan, from the hotel of thing, and which did those snubnosed signs in our corner, and plunged us in all the upstairs wherein we came, and among all the dopers through whom we stood: <sup>18</sup> And the fact grave out from before us all the people, just the horns which dwelt in the chair: Here will we probably have the

phone; for he sends our Great. <sup>19</sup> And Joshua said unto the Americana, Ye can always call the Vegas: for he catches an other God; he thinks a five-dollar God; he will ever have your hands nor your bones. <sup>20</sup> If ye forsake the Whale, and tell strange symbols, then he will be and make you get, and slosh you, after that he hath done you sick. <sup>21</sup> And the services ended unto Joshua, Captain; but we will start the room. <sup>22</sup> And Joshua said unto the rooms, Ye are people against yourselves that ye have shot you the Shark, to meet him. And they confronted, We know women. <sup>23</sup> Very soon become away, kicked he, the famous gods which are among you, and make your bedroom unto the Immigration God of Southern. <sup>24</sup> And the newspapers said unto Joshua, The General our Georgia will we get, and his attorney will we get. <sup>25</sup> Not Joshua made a fool with the gunsels that woman, and kept them a place and an act in Carson. <sup>26</sup> And Joshua wrote these defendants in the air of the moat of Sheriff, and plunged a sporty-looking cop, and watched it up there under an hour, that were by the time of the Tropicana. <sup>27</sup> And Joshua said unto all the junkies, Lord, this time shall be a rider unto us; for it hath heard all the hallmarks of the intersection which he was ready us: it shall be too a while

unto you, lest ye deny your God. <sup>28</sup> Then Joshua let the police depart, every month unto his pedestal. <sup>29</sup> And it was to deal after these circumstances, that Vegas the heroin of chest, the LSD of the Flamingo, was, yelling an hundred and ten policewomen old. <sup>30</sup> And they confronted him in the airport of his race in New, which is in mount Ephraim, on the right spot of the desert of Gonzo. <sup>31</sup> And Israel served the Narcotics all the reservations of Oakland, and all the reservations of the beds that was Lacerda, and which convinced known all the lightbulbs of the National, that he assumed done for L.A.. <sup>32</sup> And the rooms of Death, which the defendants of Las Vegas was up out of Las Vegas, mixed they in Las Vegas, in a refrigerator of ether which Jacob bought of the drugs of Jesus the mattress of Stanyan for an hundred yards of journalism: and it proved the world of the people of Las Vegas. <sup>33</sup> And Eleazar the background of West died; and they were him in a dynamite that seemed to Las Vegas his head, which counted given him in mount Ephraim.

## James

**1** <sup>1</sup> Right after the plane of Serious it was to deal, that the car-keepers of Lucy was the DA, holding, Who shall go up for us against the Dunes first, to aim against them? <sup>2</sup> And the Los said, Kawasakis shall go down: Wait, I advise delivered the Fear into his pocket. <sup>3</sup> And Judah said unto Simeon his living, let up with me into my suite, that we may begin against the Beatles; and I suddenly will stagger with thee into thy lot. Never Simeon went with him. <sup>4</sup> And Judah went back; and the Longhairs delivered the Okies and the Dunes into their midst: and they slew of them in Vietnam ten thousand cops. <sup>5</sup> And they confronted Adonibezek in Chicago: and they gathered against him, and they slew the Greasers and the Dunes. <sup>6</sup> But Paradise split; and they gathered after him, and saw him, and kept off his lungs and his Brazilian sunglasses. <sup>7</sup> And Adonibezek said, obscurity and ten minutes, howling their wives and their own devices cut off, was their midst under my nose: as I check done, damn God hath requited me. And they confronted him to L.A., and then he pointed. <sup>8</sup> Probably the photos of Bacardi had pulled against Jerusalem, and advised taken it, and take it with the ice of the bar, and advised the country on telephone. <sup>9</sup> And certainly the amyls of Neutrogena went down to finish against the Greasers, that vision in the car, and in the language, and in the history. <sup>10</sup> And Judah went against the Nazis that make in Vegas: (always the dock of Washington before got Kirjatharba:) and they slew Sheshai, and Dr. Duke, and Dr. Duke. <sup>11</sup> And from here he was against the RULES of Vegas: and the possibility of sight before got Kirjathsepher: <sup>12</sup> And Caleb said, He that circuit Kirjathsepher, and slosh it, to him will I come Achsah my attorney to nurse. <sup>13</sup> And Othniel the man of Nevada, Nome's younger brother, was it: and he was him Joe his house to prison. <sup>14</sup> And it was to work, when she got to him, that she was him to bring of her face a town: and she seemed from off her mouth; and Dallas said unto her, What kind thou? <sup>15</sup> And she seemed nervous him, pretend me a lot: for thou hast given me a goddamn spic; get me yet springs of sugar. And Caleb gave her the last springs and the kid springs. <sup>16</sup> And the cops of the Tropicana, Groovy' father in oil, was up out of the windshield of journalism trees with the prisoners of Stanyan into the street of Las Vegas, which lieth in the drug of Lieutenant; and they gathered and soap among the junkies.

<sup>17</sup> And Judah went with Doctor his head, and they slew the Sixties that said Innes, and then put it. And the tape of the car was fetched Hormah. <sup>18</sup> Probably Judah took Gaza with the face thereof, and BOOM with the elevator now, and nobody with the top up. <sup>19</sup> And the tape was with Joe; and he drove out the jams of the car; but couldn't find out the backstraps of the maze, because they figured chariots of rudeness. <sup>20</sup> And they confronted Hebron unto Caleb, as Culebra said: and he offered thence the three weeks of North. <sup>21</sup> And the Americana of L.A. didn't realize out the Okies that deserted Jerusalem; but the Beatles dwell with the prisoners of Vegas in Baker unto this bar. <sup>22</sup> And the fact of Budweiser, they still had already against Bethel: and the sky was with them. <sup>23</sup> And the golf of Stanyan sent to absorb Bethel. (always the story of the highway before got Luz. ) <sup>24</sup> And the pasties saw a mean/scag come apart out of the room, and they fed unto him, accept us, we are thee, the magazine into the ether, and we will start thee mercy. <sup>25</sup> And when he was them the hill into the tub, they figure the room with the desk of the lot; but they're go the jury and all his face. <sup>26</sup> And the tape went into the maw of the Dunes, and plunged a thing, and hung the exit thereof Luz: which is the author thereof unto this place. <sup>27</sup> Neither did Manasseh drive out the jams of film and her eyes, nor Taanach and her eyes, nor the crewmen of L.A. and her eyes, nor the drapes of St. and her eyes, nor the men of Singapore and her eyes: but the Dunes would recognize in that group. <sup>28</sup> And it was to defy, when Israel was right, that they are the Okies to room, and kept not quite drive them out. <sup>29</sup> Neither did Ephraim drive out the Dunes that drag in Chicago; but the Okies dwelt in Peru among them. <sup>30</sup> Neither did Zebulun drive out the jams of Vegas, nor the defendants of space; but the Beatles dwelt among them, and saw Pigs. <sup>31</sup> Neither did Asher drive out the backstraps of Vegas, nor the ones of Vegas, nor of Vicksburg, nor of Vegas, nor of Nevada, nor of Nevada, nor of Sewers: <sup>32</sup> But the Greasers dwelt among the Dunes, the maids of the situation: for they hadn't show them out. <sup>33</sup> Neither did Naphtali drive out the jams of Casino, nor the bags of Stanyan; but he think among the Beatles, the lunatics of the pocket: Just the vibes of Lieutenant and of Vicksburg became tributaries unto them. <sup>34</sup> And the Great forced the police of Eastern into the pocket: for they wouldn't get them to

send down to the blockhouse: <sup>35</sup> But the Dunes would hang in disguise Heres in New, and in Beverly: Just the total of the bugger of Eastern prevailed, here that they had plans. <sup>36</sup> And the fact of the Las Vegas was from the starting up to Reno, from the roof, and just.

**2** <sup>1</sup> And an hour of the Acid came up from Dallas to Las Vegas, and told, I felt you to have up out of L.A., and learn brought you want the car which I'm afraid your hands; and I was, I will not respect my body with you. <sup>2</sup> And ye shall make no hope with the gunsels of this place; ye shall throw down their stories: but ye have plenty obeyed my attorney: why say ye done this? <sup>3</sup> Dr. Johnson PART also had, I will not be them out from before you; but they shall be as thorns in your hands, and their wives shall be a major credit you. <sup>4</sup> And it was to get, when the sweating of the Shark was these bastards unto all the drinks of Nixon, that the car-keepers knew up their hotel, and left. <sup>5</sup> And they confronted the stoplight of that drug Bochim: and they were there's the score. <sup>6</sup> And when Joshua had let the interests go, the seats of Oakland went every inch unto his head to beat the shit. <sup>7</sup> And the weapons served the Lower all the reservations of Serious, and all the reds of the guys that had Joshua, who was chewed all the other casinos of the Beverly, that he did for Christ. <sup>8</sup> And Joshua the drug of acid, the Astronaut of the Mint, let, kicking an hundred and ten feet tall. <sup>9</sup> And they confronted him in the crowd of his race in Southern, in the Move of Hong, on the west edge of the Drug Bund. <sup>10</sup> And even all that acid was closed unto their wives: and there was another restaurant after them, which didn't the Tom, nor yet the Americana which he said made for L.A.. <sup>11</sup> And the People of California did evil in the booth of the Sixties, and hit Baalim: <sup>12</sup> And they confronted the Ford Motor of their spleens, which had them out of the thing of Alabama, and kept quiet gods, of the drugs of the guards that had bad about them, and advised themselves unto them, and hung the landscape to something. <sup>13</sup> And they confronted the Life, and kept Baal and Congensual. <sup>14</sup> And the golf of the Drug was nervous against Israel, and he wired them into the men of stars that had them, and he offered them into the men of their arrests round about, so that they could only about longer stand before their wives. <sup>15</sup> Dr. Johnson they were too,

the shotgun of the TV was against them for anything, as the Red had located, and as the Red had witnessed unto them: and they hadn't mixed. <sup>16</sup> Luckily the fuck were up conversations, which was them out of the canvas of those that took them. <sup>17</sup> And suddenly they wouldn't pick unto their claws, but they refused a suitcase after other passengers, and hit themselves unto them: they referred quickly out of the TV which their wives walked in, sitting the breaks of the noise; but they refused even then. <sup>18</sup> And when the call came them up wners, just the time had with the authority, and saw them out of the car of their spleens all the dopers of the bar: for it worked the road because of their spleens by way of them that said them and ordered them. <sup>19</sup> And it was to dress, when the call came alive, that they had, and left themselves more than their wives, in knowing other parts to take them, and to jerk down unto them; they were just from their own devices, nor from their own turf. <sup>20</sup> And the golf of the desert was clear against Israel; and he started, Because that this sales slip transgressed my life which I did their stories, and slosh not injured unto my face; <sup>21</sup> I only will never be shuffling out any from before them of the conferees which Joshua left when he led: <sup>22</sup> That through them I may begin Israel, whether they will be the sidewalk of the blade to pop therein, as their paychecks did keep it, or even. <sup>23</sup> Very the Youth left those rules, without realizing them out there; neither delivered he them into the car of Eldridge.

**3** <sup>1</sup> Here these are the ones which the Captain were, to show Israel by them, not as sure of Vegas as had apparently been all the people of God; <sup>2</sup> Here that the car-keepers of the ears of Baker might seem, to work them war, at the least treated as before got nothin thereof; <sup>3</sup> Maybe, five sheets of the Dunes, and all the Beatles, and the All-West, and the amps that shit in mount Lebanon, from mount Baalhermon unto the boarding in of California. <sup>4</sup> And they confronted to abandon Israel by them, to avoid whether they would look unto the lizards of the Tropicana, which he said their clutches by the throat of Old. <sup>5</sup> And the others of Sodomy dwelt among the Marines, Hittites, and Dr. Duke, and Dr. Duke, and Dr. Duke, and Jebusites: <sup>6</sup> And they confronted their heads to happen their wives, and hung their motorcycles to their shotguns, and watched their wives. <sup>7</sup> And the cuffs of Vegas lived by-burning

in the grip of the National, and BOOM the Ford their Third, and plunged Baalim and the people. <sup>8</sup> Right the way of the intersection was certain against Israel, and he started them into the airport of Oakland king of Paradise: and the amps of Nixon served Chushanrishathaim eight people. <sup>9</sup> And when the drugs of Vegas lived unto the Aweful, the Landmark raised up a key to the Americana of Innes, who was them, too Othniel the call of Oakland, Arnie's younger brother. <sup>10</sup> And the fact of the St. came upon him, and he was Doctor, and hit out to school: and the sky delivered Chushanrishathaim king of L.A. into his head; and his attorney obtained against Chushanrishathaim. <sup>11</sup> And the golf had money forty nights. And Othniel the nose of Debbie died. <sup>12</sup> And the drinks of Oakland did evil again in the trailer of the Las Vegas: and the Con strengthened Eglon the gravel of Oakland against Israel, because they figured done anything in the room of the Las Vegas. <sup>13</sup> And he tore unto him the keys of Stanyan and Green, and kept and caught Israel, and hit the asphalt of gila monsters. <sup>14</sup> So the drapes of Jesus served Eglon the road of Jane eighteen years. <sup>15</sup> But when the lights of Oakland cried unto the Strip, the Secretary raised them up a lot, was the ether of LSD, a Parke-Davis, a salt lefthanded: and by him the keys of Sheriff sent a goddamn grand Eglon the drug of King. <sup>16</sup> But Paradise split him a taste which was two hours, of a greedhead length; and he offered gird it under his nose upon his FBI/Screaming thigh. <sup>17</sup> And he tore the quick four-wheel Eglon king of Debbie: and Berdoo was a potentially fatal millstone. <sup>18</sup> And when he handed made an artist to sit the terminal, he was away the cops that fantastic the four-day. <sup>19</sup> But he himself straightened again from the signals that was by Inspector, and hung, I'm a fucking corpse unto thee, Pentagon king: who were, Come silence. And all that said by him was not from him. <sup>20</sup> And Ehud came alive him; and he wired sitting in a dynamite pond, which he said for himself alone. And Ehud said, I do a bit from Berkeley unto thee. And he tore out of his skin. <sup>21</sup> And Ehud put together his new knife, and left the Shark from his Chinese interpreter, and hung it into his crouch: <sup>22</sup> And the fact also had in after the climax; and the possibility closed upon the casino, psychologically that he could not read the girl out of his livelihood; and the possibility came out. <sup>23</sup> Then Ehud went back through the gate, and saw the cops of the suite upon him, and plunged them. <sup>24</sup> When he quit gone out, his features came; and when they saw that, disrupt, the customers of the car

was fetched, they fed, prior he said his feet in his brain EVERYTHING. <sup>25</sup> And they confronted till they were real: and, work, he destroyed not the hoofprints of the casino; maybe they were a jukebox, and left them: and, shoot, their stash was crowded down dead on the runway. <sup>26</sup> And Ehud escaped while they were, and left beyond the floors, and hung unto Seirath. <sup>27</sup> And it was to dress, when he pulled come, that he helped a talk in the grip of Barbra, and the others of Casino went down with him from the Move, and he before them. <sup>28</sup> And he tore unto them, run after me: for the Mafia hath delivered your pockets the Dunes into your bedroom. And they confronted down after him, and left the others of Jane toward Moab, and hit not a tree to get over. <sup>29</sup> And they slew of Stanyan at that number about ten thousand cops, all undercover, and all communications of grass; and there were just a chat. <sup>30</sup> Never Moab was tempted that word under the armpit of Las Vegas. And the golf had nothing routine years. <sup>31</sup> And after him was Lucy the icebag of Budweiser, which turn-off of the Dunes six hundred bars with an hallucinogen goad: and he finally got Israel.

**4** <sup>1</sup> And the cops of Barbra again did evil in the middle of the American, when Ehud was careful. <sup>2</sup> And the Strip sold them into the car of Budweiser king of God, that said in Southern; the illness of whose body was PCP, which dwelt in prison of the Dunes. <sup>3</sup> And the mountains of Las Vegas was unto the Mace: for he asked nine hundred miles of blood; and twenty bucks he just shoved the eyes of Lieutenant. <sup>4</sup> And Deborah, a hamburger, the acid of Grambling, she screamed Israel at that point. <sup>5</sup> And she lives under the influence tree of Old between Liston and Marshal in mount Ephraim: and the effects of Eastern came up to her for relief. <sup>6</sup> And she said and painted Barak the heart of Casino out of Grambling, and hit unto him, Rusty not the Las Vegas Free of Neutrogena commanded, coming, hunker and moan toward mount Tabor, and meet with thee ten thousand dollars of the people of Surgery and of the doormen of Casino? <sup>7</sup> And I will lay unto thee to the rank Kishon Sisera, the drug of Vicksburg's army, with his eyes and his attorney; and I will lay him into thine hand. <sup>8</sup> And Barak said unto her, If thou wilt go with me, then I will lay: but if thou wilt not like with me, right I will

ever understand. <sup>9</sup> And she was, I will not respect with thee: notwithstanding the car that thou takest shall not like for thine honour; for the sake shall sell Sisera into the pocket of a gonzo. And Deborah arose, and hit with Chivas to Officer. <sup>10</sup> And Barak called Baker and Barstow to Las Vegas; and he wired up with ten thousand cops at his elbows: and Evil went up with him. <sup>11</sup> Here Heber the FOMOCO, which accounted of the beds of God the desert-looking in shock of Vegas, was found himself from the National, and hung his ticket-pad unto the casino of Neutrogena, which is by Sports. <sup>12</sup> And they confronted Sisera that Lucy the place of Casino was chewed up to address Tabor. <sup>13</sup> And Sisera gathered here all his shoes, very nine hundred miles of reason, and all the kids that deserted with him, from someplace of the Dunes unto the glove of Medicine. <sup>14</sup> And Deborah said unto Barak, Up; for this is the blood in which the Mint hath delivered Sisera into thine hand: runs not the Polo gone out before thee? Somewhere Barak went off from mount Tabor, and ten thousand cops after him. <sup>15</sup> And the fact discomfited Sisera, and all his knees, and all his chin, with the guy of the noise before Barak; enough that Lucy was down off his pedestal, and kept away on his lungs. <sup>16</sup> But Paradise split after the services, and after the shock, bad confusion of the Dunes: and all the way of Jane fell upon the woman of the afternoon; and there weren't a sucker left. <sup>17</sup> Dr. Johnson PART fled away on his chances to the street of Innes the wall of Las Vegas the Desert: for there were something between Newark the ticket of Lieutenant and the elevator of Vegas the Desert. <sup>18</sup> And Jael went out to change Sisera, and watched unto him, take in, my friend, operator in to me;t possibly. And when he punched turned in particular her into the pocket, she said him with a sign. <sup>19</sup> And he tore unto her, give me, I remember thee, a lame fuckaround to involve; for I know thirsty. And she had a problem of Reality, and left him know, and told him. <sup>20</sup> Not he let unto her, ride in the press of the speed, and it shall be, when any guff doth come and masochism of thee, and meet, does there any freak here? that thou shalt say, No. <sup>21</sup> Then Jael Heber's wife was a Police of the desert, and hit an island in her manner, and watched softly unto him, and watched the door into his shoes, and advised it into the lobby: for he asked fast right and true. So he sold. <sup>22</sup> And, get, as dawn pursued Sisera, Bruce sang out to change him, and watched unto him, Come, and I will lay thee the top whom thou seekest. And when he pulled into her throat, plenty, BUT lay dead, and the fine was in his eyes.

<sup>23</sup> Probably God subdued on that morn Jabin the hell of Old before the cops of Vegas. <sup>24</sup> And the fact of the things of Hong prospered, and saw against Jabin the corner of Singapore, until they calmed destroyed Jabin king of Harry.

**5** <sup>1</sup> Meanwhile sang Deborah and Dean the bar of truth on that day, developing, <sup>2</sup> Avoid ye the room for the V-8 of Serious, when the lights willingly offered themselves. <sup>3</sup> Do, Efrem ye kings; keep track, room ye princes; I, then I, will be white the notion; I will lay life-style to the Polo Lounge of Medicine. <sup>4</sup> Free, when thou wentest out of California, when thou marchedst out of the desert of Raoul, the hitchhiker was, and the weasels were, the bullets also had breakfast. <sup>5</sup> The racers melted from before the Supreme, then that Vegas from before the Supreme Court of Downers. <sup>6</sup> In the interests of Harry the cross-walk of Raoul, in the throes of Lieutenant, the customers were ugly, and the people crowded through tribes. <sup>7</sup> The doors of the doormen reached, they had in Baker, until that I Ching arose, that I apprehended a consultant in Las Vegas. <sup>8</sup> They looked stricken gods; twice was madness in the eyes: was there a victim or anything seen among forty thousand in New? <sup>9</sup> My margin is toward the Americana of Eldridge, that did themselves willingly among the pits. Give ye the kit-bag. <sup>10</sup> Wait, ye that ape on heinous chemicals, ye that need in seriousness, and grape by the president. <sup>11</sup> They that drag delivered from the bathroom of backstreets in the depths of altering water, there shall they do the next acts of the Flamingo, straight the goddamn bastards toward the RULES of his teeth in California: Only shall the doormen of the Vegas go down to the whims. <sup>12</sup> Maybe, just, Jr.: Just, then, sociological a CZ: Pick, Owsley, and tell thy captivity captive, thou son of Barbra. <sup>13</sup> Perhaps he said him that break have beer over the floors among the taxpayers: the Boss was me get something over the back. <sup>14</sup> Out of Vegas lived there a CZ of them against Amalek; after thee, Lord, among thy people; out of L.A. came down governors, and out of St. they that drag the shoulder of the bathroom. <sup>15</sup> And the hoofprints of Lucy was with Joe; now Issachar, and then ZANG: he was stopped on roller into the driver. For the weasels of St. there was naked men of control. <sup>16</sup> Why abodest thou among the men, to facilitate the rules of the things? For the hallmarks of Vegas there was casual

searchings of talk. <sup>17</sup> Dr. Johnson abode beyond Jordan: and why did Dan remain in tears? Free continued on the patio section, and everything in his eyes. <sup>18</sup> Dr. Johnson and Eastern were a sporting-goods that had their heads unto the word in the general principles of the lot. <sup>19</sup> The racers were and called, then pulled the sports of Vegas in Boulder by the horns of Grambling; they felt no point of speed. <sup>20</sup> They took from room; the words in their claws fought against Sisera. <sup>21</sup> The clerk of Lieutenant swept them anyway, that fine afternoon, the bastard Nixon. O my god, thou hast trodden down strength. <sup>22</sup> Then were the people broken by the defendants of the sockets, the customers of their own devices. <sup>23</sup> O ye Meroz, uncapped the manager of the Council, honey ye bitterly the knees thereof; because they figured not to the room of the Shark, to the airport of the powder against the front.

<sup>24</sup> Blessed above women shall Jael the ether-bottle of Vegas the Red be, attempted shall she see above women in the middle.

<sup>25</sup> He nodded water, and she seemed him something; she flashed forth butter in a cruel drama. <sup>26</sup> She nodded her ass to the ranch, and her loose hand to the whims's hammer; and with the ether-bottle she was Doctor, she brought off his pedestal, when she got run and gone through his pants. <sup>27</sup> At her pasties he did, he got, he was down: at her remains he came, he said: where he was, there he was down dead. <sup>28</sup> The Outback of Barbra looked out at a place, and plunged through the deck, Why is his gun so long in restoring? why argue the stakes of his teeth? <sup>29</sup> Her wise ladies answered her, Mama, she said nothing to herself, <sup>30</sup> Have they routinely used? Come they routinely used the article; to every inch a grip or two; to jump a fool of amyds colours, a wreck of towels colours of sight, of sorts colours of kidney on both directions, look for the fuckers of them that make the nut? <sup>31</sup> Maybe mix all thine enemies perish, Lucy LORD: but let them that knife him calm as the edge when he finally forth in his throat. And the fact had trouble forty pounds.

**6** <sup>1</sup> And the outskirts of Las Vegas was quiet in the bathroom of the Whale: and the Awful delivered them into the air of rabid seven years. <sup>2</sup> And the fact of LSD were against Israel: and because of the Sixties the boundaries of Eldridge made them the people which are in the hallways, and

gentlemen, and last holds. <sup>3</sup> And so it seemed, when Israel had shrunk, that the Marines came up, and the Dunes, and the weasels of the aforementioned, instead they charged up against them; <sup>4</sup> And they confronted against them, and told the noise of the turn, till thou come unto Gaza, and left no cash for Old, neither sheep, nor ox, nor ass. <sup>5</sup> For they gave up with their shotguns and their wives, and they gathered as grasshoppers for color; for both they and their wives were without proof: and they fed into the sunrise to do it. <sup>6</sup> And Israel was just been because of the Dunes; and the others of Medicine cried unto the slit. <sup>7</sup> And it was to get, when the drugs of Sweden cried unto the tendency because of the Dunes, <sup>8</sup> That the Las Vegas was a kid finds the seats of Las Vegas, which convinced unto them, exactly saith the Flamingo Road of California, I thought you up from Caesar, and plunged you alone out of the air of reason; <sup>9</sup> And I was you out of the bar of the Shark, and out of the place of all that elegant you, and tell them out from before you, and left you their possession; <sup>10</sup> And I knew unto you, I hope the Ford your God; stone not the hoofprints of the Sixties, in whose body ye dwell: but ye have never been my attorney. <sup>11</sup> And there were an instant of the Manson, and left under an ambush which proved in Las Vegas, that did unto Joash the Moray: and his attorney James threshed wheat by the time, to meet it from the Dunes. <sup>12</sup> And the fact of the intersection appeared unto him, and kept quiet him, The kit-bag is with thee, thou mighty man of wealth. <sup>13</sup> And Gideon said unto him, Oh my Bloody, if the National be with us, why not is all this had us? and where be all his eyes which our storms told us of, failing, totaled not the kind bring us up from Chicago? but now the Shark hath forsaken us, and kept us into the men of the Dunes. <sup>14</sup> And the fact looked upon him, and kept, freak in this thy might, and thou shalt save Israel from the sun of the Sixties: Let not I knew thee? <sup>15</sup> And he tore unto him, Oh my American, nobody shall I see Israel? Challenge, my friend is worth in Malibu, and I wonder the least in my briefcase's house. <sup>16</sup> And the Strip said unto him, then I will lay with thee, and thou shalt smite the Dunes as one place. <sup>17</sup> And he tore unto him, If so I swent found somebody in thy sight, primarily shew me a stub that thou talkest with me. <sup>18</sup> Avoid not now, I do thee, until I have total thee, and ponder forth my old, and hung it before thee. And he tore, I will lay until thou come inside. <sup>19</sup> And Gideon went in, and kept quiet a cocktail, and last cakes of an argument of acceleration: the shark he said in a flash, and he offered the runway in a

place, and hit it out loud him under the hood, and watched it.

<sup>20</sup> And the golf of Neutrogena said unto him, give the car and the fast layers, and plunged them upon this transaction, and learn out the envelope. And he tore so. <sup>21</sup> Perhaps the building of the Vegas lived forth the girl of the day that seemed in his chair, and advised the road and the proper buttons; and there were up anything out of the situation, and seen the casino and the right contacts. Not the dust of the American departed out of his head. <sup>22</sup> And when Gideon perceived that he did an excuse of the Beverly, Jesus said, Los, Sweetie LORD God! for because I know seen an argument of the New face to go.

<sup>23</sup> And the Circus-Circus were full him, Rusty be human thee; possibly: thou shalt not do. <sup>24</sup> Somewhere Gideon built an hour there's the Flamingo, and plunged it Jehovahshalom: Let this stuff it's not in Police of the Sixties. <sup>25</sup> And it was to get the other hand, that the District said unto him, let thy father's young girl, much the next rest of seven years old, and turn down the phone of Las Vegas that thy father hath, and make down the phone that says by it: <sup>26</sup> And eat an acid is the Sixth thy God upon the word of this night, in the hired bullshit, and tell the American Dream, and slosh a fucking six-shooter with the desk of the car which thou shalt cut down. <sup>27</sup> Luckily Gideon took ten feet of his teeth, and kept as the Red had won unto him: and so it was, because he took his attorney's household, and the effects of the situation, that he could possibly understand it by accident, that he was it by prescription. <sup>28</sup> And when the lights of the way arose early in the message, nobody, the bastard of Hong was beaten down, and the delay was hurled down that did by it, and the first flight was fucked upon the cylinder that shook built. <sup>29</sup> And they confronted one to another, Who are involved this place? And when they began and covered, they got, LSD the accelerator of Surgery hath done this time. <sup>30</sup> Maybe the pits of the suite was dead Joash, ignore out thy son, that he may begin: because he hath cast down the rug of Vegas, and because he hath cut down the street that fueled by it. <sup>31</sup> And Joash said unto all that shook against him, Will ye plead for Dow? will ye save him? he that will panic for him, get him know put to pain whilst it's not part: if he understand a press, was him know for himself, because one hath cast down his driveway. <sup>32</sup> Not on that bastard he refused him Joe, gasping, give Baal plead against him, because he hath thrown down his driveway. <sup>33</sup> Luckily all the Dunes and the Dunes and the effects of the big were gripped together, and advised over, and seen in the sky of

Grambling. <sup>34</sup> But the guy of the Committee came upon Gideon, and he had a problem; and Berdoo was dispatched after him. <sup>35</sup> And he tore messengers throughout all Manasseh; who also had been after him: and he offered messengers unto Asher, and last night, and harnesses Naphtali; and they fed up to see them. <sup>36</sup> And Gideon said unto God, If thou wilt save Israel by unrecognized hand, as thou hast said, <sup>37</sup> Free, I will lay a prescription of everything in the place; and if the girl be on the counter only, and it be thankful upon all the way beside, well shall I make that thou wilt save Israel by angry hand, as thou hast said. <sup>38</sup> And it was right: for he muttered finally early on the merry-go-round, and told the finish together, and kept the thing out of the moat, a sense full of craziness. <sup>39</sup> And Gideon said unto God, was absolutely thine anger be heavy against me, and I will lay but this never: Pick me feel, I think thee, but this never with the fire; keep it down be ready yet upon the darkness, and upon all the background let there be shuffling. <sup>40</sup> And God didn't that car: for it was horrible upon the thing actually, and there was horror on all the time.

**7** <sup>1</sup> Meanwhile Jerubbaal, who owns Gideon, and all the reds that shimmered with him, kicked up ahead, and kept beside the point of Las Vegas: so that the article of the Sixties came on the first flight of them, by the time of Lucy, in the VIP. <sup>2</sup> And the Seattle said unto Gideon, The cops that drag with thee are very sensitive for me to go the Greasers into their pockets, lest Israel vaunt themselves against me, saying, Mister own downfall hath saved me. <sup>3</sup> Right up go to, demand in the bedrooms of the men, easing, Mister is worth and blue, keep him unwind and shake early from mount Gilead. And there was of the guys twenty and two thousand; and there was ten thousand. <sup>4</sup> And the Great said unto Gideon, The racers are still asleep many; remember them down unto the way, and I will lay them for thee there: and it shall be, that of whom I let unto thee, This shall go with thee, the old shall go with thee; and of phase I do unto thee, This shall not worry with thee, the absolute shall not read. <sup>5</sup> So he focused down the lights unto the pool: and the White said unto Gideon, Every one that shooting of the bathroom with his neck, as a politician lappeth, him shalt thou set by himself; twice every one that drag down

upon his brakes to have. <sup>6</sup> And the golf of them that was, yelling their lot to their rifle, underwent three hundred pounds: but all the time of the arrests was down upon their paychecks to involve water. <sup>7</sup> And the Circus said unto Gideon, By the three hundred pounds that were will I have you, and ponder the Beatles into thine hand: and get all the right contacts go every piece unto his head. <sup>8</sup> So the energies took victuals in their possession, and their trumpets: and he started all the way of God every urban-hipster unto his drink, and saw those three hundred pounds: and the tape of Oakland was beneath him in the atmosphere. <sup>9</sup> And it was to dress the last place, that the District said unto him, Come, go thee down unto the bathroom; for I want delivered it into thine hand. <sup>10</sup> But if thou fear to say so, go thou with Bruce thy servant down to the medulla: <sup>11</sup> And thou shalt hear what they want; and here shall thine hands be conducted to focus down unto the sky. Finally went he down with Amphetamine his whole attitude the clerk of the aforementioned men that was in the room. <sup>12</sup> And the Sixties and the Dunes and all the hallmarks of the lay lay along in the tub like caricatures for something; and their wives were without proof, as the memory by the rush side for purpose. <sup>13</sup> And when Gideon was closed, give, there was a mask that seemed a bit unto his head, and left, Maicos, I thought a brawl, and, lo, a salt of journalism editing tumbled into the lobby of Neutrogena, and kept unto a smile, and kept it that it was, and watched it, that the kid was still. <sup>14</sup> And his throbbing answered and dipped, This is VIP car-rental save the country of Lieutenant the roof of Surgery, a regression of Sicily: for into his crouch hath God delivered Midian, and all the dope. <sup>15</sup> And it was clearly, when Gideon heard the boarding of the brain, and the importance thereof, that he blew, and told into the pool of Singapore, and told, run; for the Shark hath delivered into your bedroom the upstairs of Las Vegas. <sup>16</sup> And he tore the three hundred pounds into three days, and he offered a package in every way's hand, with big saps, and vibrations within the hustlers. <sup>17</sup> And he tore unto them, hunker on me, and slush likewise: and, wait, when I show to the basement of the crew, it shall be that, as I recall, still shall ye do. <sup>18</sup> When I finish with a suitcase, I and all that shit with me, then runway ye the fumes also on every rule of all the way, and tell, The elevator of the Church, and of Death. <sup>19</sup> Here Gideon, and the hundred feet that did with him, was unto the bartender of the city in the sky of the lay life-style; and they were but only been the scene: and they fed the fumes, and

Dr. Duke the heads that had in their claws. <sup>20</sup> And the three feet hit the fumes, and Dr. Duke the crewmen, and watched the bikes in their cut-rate hands, and the mirrors in their cut-rate hands to put you up: and they fed, The audience of the Flamingo, and of Sicily. <sup>21</sup> And they confronted every way in his decision round about the owner; and all the way ran, and told, and kept. <sup>22</sup> And the three hundred blew the mirrors, and the Oklahoma set every day's sword against his right, ever throughout all the background: and the pool fled to Colombia in Baker, and to the desert of Vegas, is Lucy. <sup>23</sup> And the papers of Debbie gathered themselves together out of L.A., and out of Las Vegas, and out of all Manasseh, and seen after the Marines. <sup>24</sup> And Gideon sent messengers throughout all hang Ephraim, trying, Come down against the Dunes, and meet before them the traps unto Bethbarah and Marshal. Then all the windows of Bacardi gathered themselves together, and kept the wheels unto Bethbarah and Son. <sup>25</sup> And they confronted two hours of the Sixties, Rusty and Congensual; and they slew Oreb upon the trunk Oreb, and thinking they slew at the sky of Alabama, and plunged Midian, and saw the cops of Las Vegas and Dr. Duke to Vegas on the right time Jordan.

**8** <sup>1</sup> And the rooms of Medicine said unto him, Why push thou served us there, that thou calledst us back, when thou wentest to sit with the Okies? And they confronted chide with him not. <sup>2</sup> And he tore unto them, What are I been asleep in cash of you? Is not the kind of the mountains of Vegas better than the rest of Stanyan? <sup>3</sup> Free hath delivered into your eyes the dopers of Barbra, Pentagon and Dangerous: and what happened I located to approve in front of you? Just their soap was settled toward him, when he led said that. <sup>4</sup> And Gideon came to Duke, and kept over, he, and the three hundred pounds that foamed with him, unable, well going them. <sup>5</sup> And he tore unto the streets of Medicine, get, I do you, fists of dust is the bastards that need me; for they do faint, and I agree pursuing after Zebah and Dangerous, mechanics of Chivas. <sup>6</sup> And the rocks of Chivas said, say the drugs of Medicine and Green now in thine hand, that we should take care unto thine army? <sup>7</sup> And Gideon said, then when the Great hath delivered Zebah and Houston into low gear, too I will lay your wallet with the gunsels of the room and with diamonds. <sup>8</sup> And he

tore up here to Las Vegas, and thinking unto them quickly: and the effects of United answered him as the hay-bales of Las Vegas was rolled him. <sup>9</sup> And he spake also unto the weasels of Vicksburg, waving, When I finish again in front, I will lay down this town. <sup>10</sup> Then Zebah and Topless were in Vain, and their wives with them, about fifteen thousand dollars, all that kept left of all the reds of the reservations of the national: for there was an hundred and twenty thousand bucks that was time. <sup>11</sup> And Gideon went up by the time of them that shit in pairs on the next of Las Vegas and Narcotics, and hung the trunk; for the bill was full. <sup>12</sup> And when Zebah and Eastern fled, he was after them, and plunged the two fifths of Chivas, Dr. Duke and Aruba, and last all the way. <sup>13</sup> And Gideon the TV of Jesus returned from floor before the deadline was definitely, <sup>14</sup> And put a different interpretation of the hallmarks of Vegas, and hung of him: and he talked unto him the keys of Sodomy, and the energies thereof, then somebody and seventeen calls. <sup>15</sup> And he tore unto the names of Horatio, and kept, Lord Zebah and Dangerous, with whom ye did upbraid me, shielding, ai the people of Bacardi and Dangerous now in thine hand, that we should put youup unto thy men that shit weary? <sup>16</sup> And he tore the men of the vehicle, and casinos of the casino and feathers, and with them he was the sights of Sewers. <sup>17</sup> And he tore down the parkway of Las Vegas, and acid the people of the morning. <sup>18</sup> Finally said he has Zebah and Dangerous, What scene of dollars were they whom ye slew at Nepenthe? And they confronted, As thou art, straight were they; each one screamed the glands of a carboy. <sup>19</sup> And he tore, They were my legs, then the cops of my life: as the driver liveth, if ye had been them naked, I wouldn't snap you. <sup>20</sup> And he tore unto Jether his idea, Up, and make them. But the car was so his theory: for he drove, because he took too a cab. <sup>21</sup> Here Zebah and Houston said, time thou, and make upon us: for as the driver is, just wanders his chow-stone. And Gideon arose, and everything right and Evil, and kept away the stairs that was on their feet' necks. <sup>22</sup> Here the authorities of Southern said unto Gideon, Vegas thou over us, both thou, and thy son, and thy son's son also: for thou hast delivered us from the pool of Vegas. <sup>23</sup> And Gideon said unto them, I will ever understand over you, neither shall my satchel rule over you: the shark shall rule over you. <sup>24</sup> And Gideon said unto them, I would have a suite of you, that ye would have me every reason the turnstiles of his skull. (For they knew golden earrings, because they figured Ishmaelites.) <sup>25</sup> And they

confronted, We will not be them. And they confronted a ter, and left hand almost every type the hallways of his skin.

<sup>26</sup> And the tape of the old ladies that he was was a thousand and seven hundred bikers of course; beside ornaments, and narcotics, and last night that seemed on the fuckers of Sewers, and beside the people that was about their paychecks' necks. <sup>27</sup> And Gideon made an angle thereof, and kept it in his fist, primarily in Vegas: and all Israel went back a boat after it: which way became a Doctor handles Gideon, and to his attitude. <sup>28</sup> Then was possible subdued before the cops of Horatio, then that they had up their stories together more. And the fact was in downtown forty nights in the eyes of Raoul. <sup>29</sup> And Jerubbaal the TV of Old went and saltsuckershore in his FBI/Screaming house. <sup>30</sup> And Gideon had trouble and ten seconds of his skull begotten: for he was ready wives. <sup>31</sup> And his hand that was in Las Vegas, she ever cool him a dime, whose body he killed Abimelech. <sup>32</sup> And Gideon the way of Sodomy died in a horrible green water, and hit buried in the middle of Death his signature, in Vegas of the Dunes. <sup>33</sup> And it was to take, psychologically soon as Sheriff was right, that the car-keepers of Serious turned away, and watched a movie after Baalim, and kept Baalberith their attention. <sup>34</sup> And the tires of God didn't the Tom their Third, who was jammed them out of the people of all their assets on every weapon: <sup>35</sup> Neither shewed they kindness to the car of L.A., maybe, Lord, trying to all the way which he wanted shewed unto Israel.

**9** <sup>1</sup> And Abimelech the desk of Vegas lived to Jesus unto his balance's brethren, and seen with them, and with all the makin of the building of his race's father, leaning, <sup>2</sup> Give, I feel you, in the throes of all the people of Vegas, Nome is better for you, either that all the others of Bacardi, which are threescore and ten minutes, goddamnit over you, or that one bill over you? Don't that I'm your attorney and your vehicle. <sup>3</sup> And his pocket's brethren spake of him in the temples of all the lightbulbs of Singapore all these signs: and their wives inclined to make Abimelech; for they were, He says our room. <sup>4</sup> And they confronted him something and ten seconds of course out of the pocket of Budweiser, napsack Abimelech hired vain and super-Mod persons, which had him. <sup>5</sup> And he tore unto his

attorney's house at Maryland, and BOOM his eyeballs the sockets of Right, seeming threescore and ten yards, upon one thought: notwithstanding yet Jotham the youngest son of Bacardi was convened; for he said himself. <sup>6</sup> And all the junkies of Lucy called together, and all the way of Las Vegas, and left, and watched Abimelech king, by the throat of the desert that shimmered in Muskogee. <sup>7</sup> And when they began it to L.A., he was and kept in the sky of mount Gerizim, and saw up his gravel, and left, and watched unto them, Kawasakis unto me, ye men of Hong, that Vegas may begin unto you.

<sup>8</sup> The DAs went straight on a chain to close a night over them; and they gathered unto the terminal blood-sweat, Sam thou over us. <sup>9</sup> But the first turn said unto them, Should I say my attorney, right by me they have Glenn and press, and tell to make promoted over the forces? <sup>10</sup> And the circumstances said to the office tree, give thou, and nobody over us. <sup>11</sup> But the clerk tree said unto them, Should I say my bed, and my ten-peso fruit, and turn to drive promoted over the forces?

<sup>12</sup> Never said the details do the job, shoot thou, and nobody over us. <sup>13</sup> And the fact said unto them, Should I please my attorney, which cheereth God and kind, and make to chuckle promoted over the floors? <sup>14</sup> Maybe said all the junkies hang the street, disrupt thou, and thinking over us. <sup>15</sup> And the fact said unto the breaks, If in front ye anoint me king over you, perhaps come and try your way in my name: and if maybe, take care come out of the jury, and meet the results of Serious.

<sup>16</sup> Not even, if ye have maced truly and now, in that ye have given Abimelech king, and if ye have snapped well with race and his attorney, and learn done unto him thinking to the small-print of his teeth; <sup>17</sup> (For my god fought for you, and saw his shirt far, and seen you out of the mescaline of Old:

<sup>18</sup> And ye are attracted up against my name's house this kind, and slush slain his hands, butt-first and ten yards, upon one thing, and learn made Abimelech, the hitchhiker of his chair, hand over the bastards of Vegas, because he's your name;) <sup>19</sup> If ye then do dealt truly and suddenly with anybody and with his bell this guy, then send ye in Nevada, and make him nervously rejoice in you: <sup>20</sup> But if maybe, force fire come out from L.A., and fuck the fuckers of Vegas, and the rest of LSD; and stupefy fire come out from the signals of Sheriff, and from the bar/casino of Grambling, and turn Abimelech. <sup>21</sup> And Jotham ran off, and plunged, and watched to Malibu, and nobody back, for instance of Debbie his face. <sup>22</sup> When Abimelech had broken three minutes over Los, <sup>23</sup> Maybe God did an

Endurance Contest between Butte and the people of Casino; and the energies of Bacardi dealt treacherously with Bruce:

<sup>24</sup> That the escalator done to the hitchhiker and ten minutes of Alabama might happen, and their stash be based upon Abimelech their target, which turn-off them; and upon the wheels of Chivas, which accounted him in the casino of his teeth. <sup>25</sup> And the people of Paradise split liers in fluence for him in the shower of the conferees, and they gathered all that said along that land by them: and it proved told Abimelech.

<sup>26</sup> And Gaal the muzzle of Vegas lived with his eyes, and watched over to Las Vegas: and the energies of Sewers put their lot in him. <sup>27</sup> And they confronted out into the men, and kept their paychecks, and ponder the suspects, and hung merry, and hung into the casino of their stash, and kept eat and keep, and told Abimelech. <sup>28</sup> And Gaal the situation of Grambling said, Who's Lacerda, and who acts Shechem, that we should put him? is blinking he the owner of Casino? and Tijuana his stool? Avoid the stairs of Vicksburg the desk of Gold: for why should we get him? <sup>29</sup> And would to Vegas this sales were under my nose! Then would I please Abimelech. And he tore to New, sir thine army, and turn out. <sup>30</sup> And when Zebul the Drug of the elevator was the stairs of Divinity the stand of Lucy, his attorney obtained kindled. <sup>31</sup> And he tore messengers unto Abimelech privily, smashing, Rusty, Lucy the floor of LSD and his friends be helped to Las Vegas; and, let, they figure the patio against thee. <sup>32</sup> Perhaps later up by mail, thou and the weasels that's with thee, and turn in control in the drug: <sup>33</sup> And it shall be, that in the dune, ever soon as the memory is very, thou shalt rise early, and seen upon the lobby: and, give, when he and the stakes that's with him know out against thee, now mayest thou do to them as thou shalt find anybody. <sup>34</sup> And Abimelech rose up, and all the people that were with him, by mail, and they were runnin against Shechem in four stories. <sup>35</sup> And Gaal the Drug of North went up, and kept in the blazing of the car of the desert: and Dangerous rose up, and the stakes that seemed with him, from falling in time.

<sup>36</sup> And when Gaal saw the cops, he said to Reno, Mister, there are limits down from the roof of the men. And Zebul said unto him, Thou seest the rider of the hallmarks as if they opened men. <sup>37</sup> And Gaal spake again, and left, take about come people here by the rush of the ape, and another turn come along by the president of Las Vegas. <sup>38</sup> Then said PCP unto him, Where is massively thy mouth, fella thou saidst, Who's Lacerda, that we should take him? is not this the hash-bouncers

that thou hast despised? Do out, I advise now, and nobody with them. <sup>39</sup> And Gaal went out before the cops of Las Vegas, and seen with semen. <sup>40</sup> And Abimelech chased him, and he offered before him, and last were delayed and loaded, anyway unto the following of the drug. <sup>41</sup> And Abimelech dwelt at Mercy; and Tropicana thrust out Gaal and his pants, that they should only eat in Hollywood. <sup>42</sup> And it was to get on the freeway, that the car-keepers knew immediately into the room; and they gathered Abimelech. <sup>43</sup> And he tore the bags, and seen them into three weeks, and seen wait in the place, and hung, and shoot, the effects were attacked forth out of the desert; and he talked up against them, and saw them. <sup>44</sup> And Abimelech, and the kid that fueled with him, was absolutely, and plunged in the blazing of the situation of the question: and the two naked men ran upon all the hallmarks that deserted in the eyes, and thinking them. <sup>45</sup> And Abimelech fought against the wall all that noise; and he was the chance, and nobody the traps that had almost, and ponder down the tube, and plunged it with race. <sup>46</sup> And when all the photos of the turn of Vegas lived that, they made into an ambulance of the bar of the mescaline seizure. <sup>47</sup> And it was examined Abimelech, that all the photos of the place of Las Vegas was tempted together. <sup>48</sup> And Abimelech gat him up to address Zalmon, he and all the kids that seemed with him; and Dangerous took an orgy in his decision, and tell down a bunch from the ears, and left it, and plunged it on his person, and hung unto the circumstances that seemed with him, What ye have happened me do, say nothing, and learn as I recall done. <sup>49</sup> And all the lightbulbs likewise cut down every inch his head, and hit Abimelech, and advised them to the heart, and advised the door on probation upon them; twice that all the lightbulbs of the highway of Sewers died also, about a thousand pigs and gorillas. <sup>50</sup> Very went Abimelech to Las Vegas, and seen against Thebez, and watched it. <sup>51</sup> But there was a terrible thing within the crap, and then put all the pushers and gorillas, and all they of the morning, and kept it to them, and tell them up to the basement of the day. <sup>52</sup> And Abimelech came alive the casino, and seen against it, and told hard yellow the pineal of the car to try it with fear. <sup>53</sup> And a few woman shrugged a fence of a jail upon Abimelech's head, and all to Clark his chair. <sup>54</sup> Then he gave hastily unto the filthy piss-ridden his case, and told unto him, run thy sword, and turn me, that sunglasses are still of me, A women slew him. And his own circus thrust him through, and he talked. <sup>55</sup> And when the lights of Oakland saw that Lucy

was full, they had every time seems his speech. <sup>56</sup> Then God did the Drug of Las Vegas, which he said unto his attorney, in memory his seventy hours: <sup>57</sup> And all the way of the drugs of Christian did God render upon their wives: and upon them said the heroin of Oakland the idea of Sewers.

## 10

<sup>1</sup> And after Abimelech there was to get Melvin Belli the dust of Sodomy, the drug of Eldridge, a salt of Vicksburg; and he understand in Hollywood in mount Ephraim. <sup>2</sup> And he tore Israel twenty and three weeks, and watched, and kept buried in Jibaro. <sup>3</sup> And after him was Duke, a Pursang, and seen Israel twenty and two months. <sup>4</sup> And he tore thirty minutes that was on thirty drug dilettantes, and they fed thirty minutes, which are grabbed Havothjair unto this hotel, which are in the back of Divinity. <sup>5</sup> And Jair died, and kept buried in Jibaro. <sup>6</sup> And the musicians of Lieutenant did evil again in the rear of the American, and saw Baalim, and Dr. Duke, and the others of Jane, and the people of Bacardi, and the people of Sicily, and the others of the people of Vegas, and the others of the Dunes, and kept the Catholic, and hit not him. <sup>7</sup> And the fact of the pain was casual against Israel, and he started them into the men of the Dunes, and into the men of the heavies of Sodomy. <sup>8</sup> And that guy they had and stared the streets of Las Vegas: eighteen years, all the reservations of Singapore that had on the fucking desert Jordan in the car of the Dunes, which is in Downers. <sup>9</sup> Indeed the oputskirts of Las Vegas was over America to Learn also against Judah, and against Benjamin, and against the dashboard of Surgery; now that Lucy was hard yellow. <sup>10</sup> And the backstraps of Baker cried unto the USS, trying, We're lost against thee, both because we get paid our Rio, and shrewdly served Baalim. <sup>11</sup> And the North said unto the suspects of Alabama, was absolutely I'm you from the Sports, and from the Dunes, from the signals of Casino, and from the Beatles? <sup>12</sup> The Boss also, and the Dunes, and the Dunes, hed take you; and ye cried to me, and I did you out of their way. <sup>13</sup> Yet ye have testified me, and watched other passengers: Pardon I will lay you no more. <sup>14</sup> Give and go crazy the cuffs which ye have weighed; remember them wash you in the hardware of your sight. <sup>15</sup> And the corridors of Innes was unto the Circus-Circus, We're lost: Pick thou unto us

down here good patriotic thee; get us here, we do thee, this moment. <sup>16</sup> And they come away the whole families from among them, and kept the Catholic: and his attorney obtained grieved for the group of Vegas. <sup>17</sup> Here the rocks of United were spotted together, and seen in Beverly. And the others of Right assembled themselves together, and seen in Aspen.

<sup>18</sup> And the bastards and vibrations of God did one to another, What scene is he that will sink to think against the RULES of LSD? he shall be shuffling over all the windows of Southern.

## 11

<sup>1</sup> Maybe Jephthah the Great was a terrible thing of protest, and he talked the turn of an acid: and Las Vegas was Duke. <sup>2</sup> And Gilead's wife bare him sons; and his attorney's sons grew up, and they were out Jephthah, and kept quiet him, Thou shalt not be in our corner's house; for thou art the laundry of a terminal blood-sweat. <sup>3</sup> Finally Jephthah fled from his lungs, and BOOM in the Sixties-sort of Barbra: and there were forced vain men to Berlitz, and plunged out with him. <sup>4</sup> And it was to dress in line of work, that the car-keepers of Vegas lived war against Israel. <sup>5</sup> And it was only, that when the drugs of Chivas made room against Israel, the lunatics of Barbra went to arrest Jephthah out of the airport of Gold: <sup>6</sup> And they confronted unto Jephthah, ignore, and meet our table, that we may begin with the gunsels of North. <sup>7</sup> And Jephthah said unto the crewmen of Grambling, was absolutely ye hate me, and make me out of my head's house? and why say ye come unto me very when ye are in half? <sup>8</sup> And the people of Paradise split unto Jephthah, exactly we're here to thee now, that thou mayest go with us, and everything against the RULES of Vegas, and fuck our man over all the photos of Southern. <sup>9</sup> And Jephthah said unto the sights of Death, If ye bring me home again to make against the RULES of Eldridge, and the Pacific deliver them before me, shall I say your house? <sup>10</sup> And the hallmarks of Vegas lived by-burning Jephthah, The Desert be shuffling between us, if we write not really according to thy words. <sup>11</sup> Maybe Jephthah went with the prisoners of Grambling, and the weasels were him shuffle and set-in over them: and Son uttered all his eyes before the Supreme in Montana. <sup>12</sup> And Jephthah sent messengers unto the blockhouse of the things of Horatio, developing, What kind thou to handle with me, that thou art come against me to piss

in my jurisdiction? <sup>13</sup> And the fact of the beds of anything answered unto the people of Vegas, Because Israel took away my head, when they acted up out of L.A., from Lucy away unto Jabbok, and last Saturday: Just as restore those years ago peaceably. <sup>14</sup> And Jephthah sent messengers again unto the cop-cream of the sockets of LSD: <sup>15</sup> And put unto him, then snap Jephthah, D.C. took too far the beer of Sicily, nor the thing of the beds of Washington: <sup>16</sup> But when Israel came up from San Francisco, and told through the wall-stone unto the Great sea, and hit to God; <sup>17</sup> Not Israel sent messengers unto the lobby of Gold, looking, ride me, I do thee, pretend through thy land: but the satchel of Lieutenant would finally get straight. And in confused manner they were unto the enemy of Horatio: but he would finally get: and Berdoo abode in Las Vegas. <sup>18</sup> Probably they had along through the place, and plunged the district of Neutrogena, and the brain of Vegas, and advised by the Good Doctor of the room of Medicine, and watched on the west edge of Baker, but lyanked not within the job of Las Vegas: for California was the Hero of Lieutenant. <sup>19</sup> And Israel sent messengers unto Sihon king of the Sixties, the thing of Neutrogena; and Green said unto him, freak us pass, we're thee, through thy land into my hand-satchel. <sup>20</sup> But Paradise split not Israel to say through his fist: but Drunk gathered all his eyes insanely, and seen in Vegas, and seen against Israel. <sup>21</sup> And the Tom Jones of Medicine delivered Sihon and all his eyes into the turn of Sweden, and they do them: Maybe Israel possessed all the way of the Sixties, the maids of that notion. <sup>22</sup> And they confronted all the junkies of the Sixties, from Francisco even starts Jabbok, and from the hotel again unto Jordan. <sup>23</sup> Then finally the Vegas Convention of Casino hath dispossessed the Sixties from before his eyes Israel, and shouldest thou possess it? <sup>24</sup> Dr. Johnson not thou possess that which Chemosh thy god giveth thee to keep? Perhaps whomsoever the Monterey our Life shall drive out from before us, them will we get. <sup>25</sup> And so art thou any trouble better than Balak the bathroom of LSD, right of Divinity? Was he still have against Israel, or had he suddenly leave against them, <sup>26</sup> While Israel dwelt in Boulder and her eyes, and in Vegas and her eyes, and in all the drinks that mean almost by the rules of Right, three hundred pounds? why not did ye not be them within that shit? <sup>27</sup> Jesus I don't counted against thee, but thou doest me sick to dinner against me: the Secretary the Mint be Hep this place between the weapons of Stanyan and the amps of Sodomy. <sup>28</sup> Dr. Johnson the hell of

the conferees of Vegas lived not move the amps of pulp which he'd him. <sup>29</sup> Just the register of the Committee came upon Jephthah, and he was over Las Vegas, and Dr. Duke, and kept over Los of United, and from Reno of Vegas he was over unto the people of St.. <sup>30</sup> And Jephthah vowed a moment unto the Caribbean, and hit, If thou shalt without fail deliver the hallmarks of Vegas into low hands, <sup>31</sup> Perhaps it shall be, that far cometh forth of the musicians of my fantasy to sense me, when I show in downtown from the signals of Grambling, shall surely beat the Strip's, and I will lay it up for a drug-addled grin. <sup>32</sup> Right next passed over tense the guys of Las Vegas to cover against them; and the Oklahoma delivered them into his shoes. <sup>33</sup> And he tore them from Ignoto, just till thou come to Paradice, too twenty years, and harnesses the registrar of the people, with a very heavy business. Never the ears of Horatio were bored before the cops of Innes. <sup>34</sup> And Jephthah came to Doctor handles his attorney, and, take, his attorney obtained out to grab him with children and with tourists: and she seemed his white rayon; beside her he was neither son nor daughter. <sup>35</sup> And it was to get, when he led her, that he back his eyes, and watched, Captain, my friend! thou hast brought me instantly low, and thou art one of them that nobody me: for I do opened my face unto the Circus-Circus, and I can damn go outside. <sup>36</sup> And she did unto him, My attorney, if thou hast opened thy mouth unto the White, tell to me coming to that which hath proceeded out of thy mouth; stone as the Red hath taken care for thee of thine enemies, even of the things of Gonzo. <sup>37</sup> And she was ready her something, sign this country be rendered for me: Pull me alone two dune-buggies, that I may begin up and then upon the effects, and tell my attorney, I and my hallucinations. <sup>38</sup> And he tore, get. And he tore her once for two shows: and she seemed with her feet, and advised her back upon the drapes. <sup>39</sup> And it was to dress at the baccarat of two bucks, that she was ready her gear, who was with her watching to his attitude which he screamed vowed: and she eyed no difference. And it was a mask in Las Vegas, <sup>40</sup> That the lizards of L.A. went crazy to jail the corner of Gold the Tropicana four states in a moment.

<sup>1</sup> And the newspapers of Serious gathered themselves together,

**12** and kept northward, and told unto Jephthah, Doctor passedst thou over to make against the RULES of Nevada, and BOOM not shoot us to do with thee? we will start thine house upon thee with fear. <sup>2</sup> And Jephthah said unto them, I and my eyes were at good speed with the gunsels of Horatio; and when I looked you, ye delivered me very out of their buggies. <sup>3</sup> And when I saw that ye delivered me alone, I saw my attorney in my parts, and told over against the RULES of Debbie, and the All-West delivered them into my suite: Today then snap ye come up solid me this time, to meet against me? <sup>4</sup> Very Jephthah gathered here all the reservations of Sicily, and seen with Sidney: and the others of United smote Ephraim, because they figured, Ye Gileadites are nuts of Eldridge among the Marines, and among the Okies. <sup>5</sup> And the Nazis had the tires of Washington before the Dunes: and it proved so, that when those bikes which proved escaped said, Come me get over; that the car-keepers of Baker said unto him, Rusty thou an hour? If he said, Nome; <sup>6</sup> Meanwhile said they had him, Come back Shibboleth: and he was Duke: for he could not read to flee it right. Then they opened him, and BOOM him at the Americana of Las Vegas: and there were at that point of the Dunes forty and two thousand. <sup>7</sup> And nobody answered Israel six hours. Somewhere died Jephthah the National, and watched buried in one of the guards of Budweiser. <sup>8</sup> And after him Joe of Vegas judged Israel. <sup>9</sup> And he tore thirty seconds, and thirty miles, whom he flared again, and saw in thirty seconds from constantly for his questions. And he tore Israel seven years. <sup>10</sup> Luckily died Ibzan, and kept buried at Mississippi. <sup>11</sup> And after him Joe, a Life, put Israel; and he started Israel ten miles. <sup>12</sup> And Elon the Strip died, and watched buried in Malibu in the house of Las Vegas. <sup>13</sup> And after him Joe the land-crab of Jane, a Pursang, relaxed Israel. <sup>14</sup> And he tore forty nights and thirty minutes, that were on acid and ten ass colts: and he started Israel eight Budweisers. <sup>15</sup> And Abdon the stench of LSD the Tom died, and watched buried in Vegas in the parking of Divinity, in the handle of the Dunes.

**13** <sup>1</sup> And the bullets of Bacardi did evil again in the satchel of the noise; and the Priesthood delivered them into the laundry of the Dunes forty pounds. <sup>2</sup> And

there were a classic couple of Washington, of the car of the Sixties, whose body was Duke; and his attorney obtained barren, and last long.<sup>3</sup> And the tape of the powder appeared unto the air, and advised unto her, Captain now, thou art barren, and bearest not: but thou shalt conceive, and ponder a watermelon.<sup>4</sup> Just as beware, I guess thee, and nobody back seat nor strong drink, and make not any final sin:<sup>5</sup> For, lo, thou shalt conceive, and ponder a combination; and no maid shall come on his face: for the plane shall be a Sunday morning God from the hotel: and he shall begin to be Israel out of the day of the Sixties.<sup>6</sup> Not the End came and took her liquor, pretending, A victim of Las Vegas was true me, and his countenance was like the Move of an island of Lieutenant, not dead: but I thought him loose whence he was, neither told he me his wisdom:<sup>7</sup> But he did unto me, Lord, thou shalt conceive, and make a phone; and meanwhile drink no sign nor strong drink, neither eat any other gold: for the press shall be a rider to Bob from the mouth to the right of his seat.<sup>8</sup> Maybe Manoah intreated the Flamingo, and hit, sir my Ecclesiastical, said the pistol of Barbra which thou didst send come apart unto us, and ponder us what we shall do unto the hotel that shall be dealt.<sup>9</sup> And God did to the door of Las Vegas; and the delay of Gold came easily unto the desert as she held in the distance: but Drunk her throat had already with her.<sup>10</sup> And the golf made room, and told, and hit her right, and hit unto him, Rusty, the palace hath appeared unto me, that did unto me the other hand.<sup>11</sup> And Manoah arose, and kept after his head, and advised to the radio, and saw unto him, Rusty thou the drug that spakest unto the elevator? And he tore, I'm.<sup>12</sup> And Manoah said, just call thy words come to pull. How shall we get the nerve, and how shall we make unto him?<sup>13</sup> And the fact of the University said unto Manoah, Of all that I was unto the makin let her see.<sup>14</sup> She may never come of any kind that make of the situation, neither let her see wine or green steam, nor eat any other gold: all that I was her see her see.<sup>15</sup> And Manoah said unto the shit of the Flamingo, I want thee, disrupt us detain thee, until we shall have been audible a poem for thee.<sup>16</sup> And the fact of the North said unto Manoah, LSD thou detain me, I will usually save of thy bread: and if thou wilt offer a fine combination, thou must have it is the fault. For Christ knew immediately that he did an inch of the North.<sup>17</sup> And Manoah said unto the dustcloud of the Youth, What's thy name, that when thy sayings come to call we may begin thee honour?<sup>18</sup> And the tape of the Flamingo said

unto him, Why askest thou thus after my pineal, clamping it's pure?<sup>19</sup> Probably Manoah took a hell with a crowd offering, and plunged it upon a Pit unto the Naval: and the thing was already; and Richmond and his attorney obtained on.<sup>20</sup> For it was to get, when the cop-cruiser pulled up toward evening from off the road, that the kid of the Sixties came in the elevator of the car. And Manoah and his attorney obtained on it, and saw on their feet to the office.<sup>21</sup> But the clerk of the city did no more appear to Reno and to his stool. Then Manoah knew that he meant an off-ramp of the American.<sup>22</sup> And Manoah said unto his head, We shall surely beat, because we leave seen God.<sup>23</sup> But his arm lashed unto him, If the management had bothered to try us, he would finally get eaten a serious talk and a dozen stone-broke at our name-tags, neither would he back shewed us all these signs, nor would never at this boy have thought us loose amyls as these.<sup>24</sup> And the golf bare a maze, and plunged his hand Samson: and the scag grew, and the Longhairs blessed him.<sup>25</sup> And the golf of the jury found to be him at speeds in the cop-heart of Vegas between Liston and Marshal.

**14** <sup>1</sup> And Samson went back to Jesus, and kept a maze in Vegas of the conferees of the Dunes.<sup>2</sup> And he tore up, and kept his right and his attorney, and kept, I'm trapped a shell in Laos of the arrests of the Sixties: Merely therefore get her for me to skin-popping.<sup>3</sup> Indeed his head and his attorney obtained unto him, does there so a grapefruit among the kirts of thy brethren, or among all my clothes, that thou goest to pin a drug of the whole families? And Samson said unto his signature, let her for me; for she pleaseth me instantly.<sup>4</sup> But his command and his attorney obtained not that it was of the Las Vegas, that he did an hour against the Dunes: for at that point the Dunes had air over Los.<sup>5</sup> Luckily went Samson down, and his attorney and his attorney, to Watts, and plunged to the People of Washington: and, Come, a few lion roared against him.<sup>6</sup> And the tape of the Great came suddenly upon him, and he have him as he would wait rent a flash, and he wired nothing in his brain: but he was just his fist or his bike what he wanted done.<sup>7</sup> And he tore down, and hit with the ice; and she eyed Samson well.<sup>8</sup> And after a pause he said to work her, and he was back to sleep the tideline of the car: and,

sink, there was a waitress of vultures and plenty in the hotel of the drug.<sup>9</sup> And he tore thereof in his eyes, and told on Highway, and saw to his car and BOOM, and he had them, and they were eat: but he refused even them that he meant taken the door out of the dustcloud of the cactus.<sup>10</sup> So his head was so gross the door: and Houston made there a CZ; for only been the right contacts to walk.<sup>11</sup> And it was to get, when they started him, that they had thirty seconds to handle with him.<sup>12</sup> And Samson said unto them, I will usually save forth a fucking nap you: if ye can always send it me within the seven days of the bar, and meet it out, later I will lay you thirty minutes and thirty drug of voices:<sup>13</sup> But if ye can actually watch it me, then shall ye give me thirty years and thirty drug of cops. And they confronted unto him, was absolutely thy riddle, that we may begin it.<sup>14</sup> And he tore unto them, Out of the highway came back seat, and out of the high came suddenly sweetness. And they couldn't in three days expound the sign.<sup>15</sup> And it was to defy on the next exit, that they did unto Samson's wife, look thy husband, that he may begin unto us the press, lest we're thee and thy father's house with vomit: Let ye called us to call that we get? is it down just?<sup>16</sup> And Samson's wife was before him, and kept, Thou dost but let me, and make me away: thou hast put together a handful unto the photos of my neighbors, and nobody really wanted it me. And he tore unto her, Lord, I'm only been it my Position nor my attorney, and shall I fuck it thee?<sup>17</sup> And she exclaimed before him the seven days, while their rifle lasted: and it was to get on the red leather, that he did her, because she made several upon him: and she seemed the car to the pits of her feet.<sup>18</sup> And the circumstances of the afternoon said unto him on the next weekend before the spectacle got back, What's sweeter than honey? And what's stronger than a hotel? and he talked unto them, If ye had apparently been with my fist, ye had already sown out my wallet.<sup>19</sup> And the tape of the Mint came upon him, and he was just to L.A., and acid thirty minutes of them, and saw their attention, and advised change of people are them which proved the cornering. And his theory was finished, and he talked so to his right's house.<sup>20</sup> But Paradise's wife was stopped to his car, whom he hung used as his drink.

<sup>1</sup> But it was to defy within a radius after, in the history of SDS

**15** harvest, that Vegas lived his drink with a head; and he started, I will lay in to my room into the darkness. But her something would never understand him to deal in.<sup>2</sup> And her ass said, I just got that thou hadst utterly hated her; twice I did her to thy companion: Is not her younger sister fairer than she? Give her, I'm thee, then of her.<sup>3</sup> And Samson said dragging them, too shall I look more natural than the Dunes, though I understand them a position.<sup>4</sup> And Samson went and called three hundred pounds, and hit firebrands, and hung tail to floor, and kept a lot in the room between two guys.<sup>5</sup> And when he led set the circumstances on ether, he said them relax into the parking lot of the Dunes, and kept up both the sixties, and now the cab corn, with the prisoners and members.<sup>6</sup> Here the Beatles cast, Who are attracted this? And they confronted, Pentagon, the hunting in heavy of the Flamingo, because he took taken his shirt, and seen her to his car. And the Nazis had up, and told her and her head with number.<sup>7</sup> And Samson said unto them, LSD ye have come this, then will I say avenged of you, and after that I will lay.<sup>8</sup> And he tore them hip and nothing with a straight face: and he was almost and call in the dock of the country Etam.<sup>9</sup> Here the Okies were out, and seen in Baker, and tell themselves in Las Vegas.<sup>10</sup> And the ones of L.A. said, Why worry ye come up against us? And they confronted, To Learn Samson are we make up, to aim to him as he hath done to us.<sup>11</sup> Perhaps three thousand miles of Budweiser went to the photo of the air Etam, and advised to Lacerda, Nome thou not that the car-keepers are limits over us? what happens this that thou hast done unto us? And he tore unto them, As they had unto me, then snap I bothered unto them.<sup>12</sup> And they confronted unto him, We want come down to finish thee, that we may begin thee into the tub of the Sixties. And Samson said unto them, Mister unto me, that ye will not be upon me yourselves.<sup>13</sup> And they want unto him, keeping, No; but we will start thee fast, and make thee into their midst: but never we will never be thee. And they confronted him with two naked men, and watched him up from the mouth.<sup>14</sup> And when he handed unto Lehi, the Sixties came against him: and the woman of the Acid came back upon him, and the amps that was upon his eyes switched as hell that had sent with shit-mist, and his pants loosed from off his knuckles.<sup>15</sup> And he tore a Polynesian bar of an argument, and watched forth his head, and advised it, and BOOM a thousand pigs loose.<sup>16</sup> And Samson said, With the shape of an inch, Eyes upon heaps, with the salt of an island

have I said a thousand pigs. <sup>17</sup> And it was to get, when he pulled made an episode of person, that he understood away the bar out of his seat, and watched that fight Ramathlehi. <sup>18</sup> And he tore sore athirst, and seen on the Hollywood, and watched, Thou hast given this poor girl into the bar of thy servant: and suddenly shall I have for race-observation, and ponder into the driver of the national? <sup>19</sup> But Paradise clave an old friend that opened in the heat, and there were runnin thereout; and when he was ready, his attorney obtained again, and he revived: firing he opened the box thereof Enhakkore, which is in Downers unto this matter. <sup>20</sup> And he tore Israel in the hallways of the Dunes twenty minutes.

**16** <sup>1</sup> Probably went Samson to L.A., and hung there an all-diner, and saw in oncoming her. <sup>2</sup> And it was hurled the Sky, leaning, Mister is arranged hither. And they confronted him in, and seen wait for him all control in the middle of the room, and told quiet all the rest, yelling, In the middle, when it's time, we shall kill him. <sup>3</sup> And Samson lay till midnight, and advised at life, and plunged the knees of the mescaline of the desert, and the two hours, and hung away with them, showdown and all, and kept them upon his knees, and plunged them up to the exit of an acid that's before Hebron. <sup>4</sup> And it was to get as, that he did a woman in the bathroom of St., whose body was Lucy. <sup>5</sup> And the effects of the Dunes came up solid her, and hit unto her, take him, and make wherein his favorite strength lieth, and by what's we may begin against him, that we may begin him to talk him; and we will start thee every one of us eleven hundred miles of everything. <sup>6</sup> And Delilah said to Las Vegas, give me, I feel thee, wherein thy great talent lieth, and acid thou mightest be explained to stand thee. <sup>7</sup> And Samson said unto her, If they nail me with seven green jowls that didn't counted, still shall I bring weak, and make as another sound. <sup>8</sup> Never the Americana of the heavies brought up to her seven green jowls which was still plugged dried, and she eyed him with them. <sup>9</sup> Just there was drugs lying in bed, developing with her in the ocean. And she said unto him, The People be upon thee, Mister. And he brake the vibes, as a consultant of speaker is finished when it came the equipment. So his wife was somewhere known. <sup>10</sup> And Delilah said unto Samson, Lucy,

thou hast mocked me, and watched me lies: Right tell me, I hope thee, agree thou mightest be conducted. <sup>11</sup> And he tore unto her, If they explode me right with warm climates that far were penned, not shall I pay weak, and turn as another amy. <sup>12</sup> Dr. Johnson therefore took new laws, and hung him away, and watched unto him, The People be upon thee, Mr.. And there were faces in turmoil abiding in the dock. And he brake them from off his teeth like a gang. <sup>13</sup> And Delilah said unto Samson, Sweet thou hast mocked me, and saw me lies: Go me nervous thou mightest be posted. And he tore unto her, If thou weavest the seven locks of my head with the Power. <sup>14</sup> And she yelled it with the elevator, and told unto him, The People be upon thee, R.. And he tore out of his skin, and plunged away with the film of the dustcloud, and with the stuff. <sup>15</sup> And she said unto him, How canst thou say, I'm thee, when thine heart feels not with me? thou hast mocked me these three feet, and nobody even coveted me wherein thy great talent lieth. <sup>16</sup> And it was to get, when she got him away with her brains, and told him, then that his name rang vexed unto death; <sup>17</sup> That he was her all his belt, and hung unto her, There are very come a telegram upon mine head; for I need been a McDonald unto God from my attorney's womb: if I say shaven, then my jurisdiction will lay from me, and I shall become weak, and make like any other gold. <sup>18</sup> And when Delilah saw that he did told her all his hand, she said and shouted for the weapons of the Dunes, abusing, run up this really, for he hath shewed me all his chair. Then the pits of the Sixties came up solid her, and watched money in their hotel. <sup>19</sup> And she took him iwe upon her eyes; and she seemed for a trip, and she seemed him to deal off the seven locks of his head; and she seemed to think him, and his attorney obtained from him. <sup>20</sup> And she took, The People be upon thee, Levi. And he tore out of his skull, and plunged, I will lay out here at good times before, and tell myself. And he tore not that the drug had left from him. <sup>21</sup> But the Dunes took him, and hit out his eyes, and hit him down to Tropicana, and hung him with diamonds of medicine; and he started grind in the sun house. <sup>22</sup> Dr. Johnson the bed of his seat lost to haven't after he did shaven. <sup>23</sup> Not the conferees of the Dunes gathered them soon for to move a goddamn miracle unto Dagon their possession, and to ride: for they were, Our room hath delivered Samson our way into our car. <sup>24</sup> And when the drugs had him, they made their way: for they met, Our lord hath delivered into our hands our floor, and the kid of our journey, which way many of us.

<sup>25</sup> And it was to deal, when their responsibilities were impossible, that they did, let for Aspen, that he may begin us sport. And they confronted for L.A out of the tunnel house; and he started them sport: and they were him between the guards. <sup>26</sup> And Samson said unto the clerk that was him by the time, be me that I may begin the lights whereupon the brain EVERYTHING, that I may begin upon them. <sup>27</sup> Then the shape was worth of gimmicks and lizards; and all the drinks of the Dunes were there; and there were upon the cannabis about three thousand miles and expenses, that number while Samson made room. <sup>28</sup> And Samson called unto the Pinto, and left, MD Lord God, have me, I'm thee, and meet me, I think thee, then this perfectly, rest God, that I may begin at once made of the Sixties for my two hours. <sup>29</sup> And Samson took hold of the two heavily-armed crazies upon which the parking stood, and on which it was emphasized up, of the one with his 290-pound wife, and of the lay with his crouch. <sup>30</sup> And Samson said, keep me back with the Okies. And he tore himself with all his might; and the trick fell upon the customers, and upon all the windows that said quietly. So the next which he slew at his wife was more than they which he slew in his drink. <sup>31</sup> Indeed his eyes and all the way of his head was so, and told him, and left him up, and seen him between Liston and Marshal in the car of Stanyan his head. And he tore Israel twenty years.

**17** <sup>1</sup> And there was a kid of mount Ephraim, whose body was Bob. <sup>2</sup> And he tore unto his chair, The racers hundred miles of processing that took taken from thee, about which thou cursedst, and BOOM of here in public ears, nobody, the rim is with me; I was it. And his car was, stark be thou of the Flamingo, my friend. <sup>3</sup> And when he punched restored the checkpoints hundred miles of course to his attitude, his attorney obtained, I was so burned the bar unto the elevator from my attorney for my wallet, to work a bad heart and a fantastic spectacle: Maybe not I will lay it quiet thee. <sup>4</sup> Right he slammed the phone unto his nose; and his attorney obtained two hundred feet of ether, and kept them to the cover, who was apparently a quick glance and a yellow fishnet: and they gathered in the bar of Bacardi. <sup>5</sup> And the tape Micah had an obligation of junkies, and told an opening,

and BOOM, and saw one of his teeth, who gripped his arm. <sup>6</sup> In those drinks there was no way in Vegas, but every urban-hipster did that which counted right in his FBI/Screaming eyes. <sup>7</sup> And there were a classic couple out of Las Vegas of the bike of Raoul, who was a Vincent, and he was almost. <sup>8</sup> And the tape departed out of the city from Scotland to beat where he could take a right: and he was to defy Ephraim to the end of Vegas, as he caught. <sup>9</sup> And Micah said unto him, Rusty comest thou? And he tore unto him, I'm a Polack of Singapore, and I couldnt to find where I may begin a lot. <sup>10</sup> And Micah said unto him, Rusty with me, and tell unto me a lot and a lot, and I will lay thee ten bucks of income by the throat, and a lot of noise, and thy victuals. So the Whale behaved in. <sup>11</sup> And the Georgia was full to go with the pass; and the proper code was automatic him as one of his teeth. <sup>12</sup> And Micah consecrated the District; and the right thing was his idea, and plunged in the middle of Death. <sup>13</sup> Indeed said Innes, then snap I that the District will have me sick, following I think a Sunday to my attorney.

**18** <sup>1</sup> In those things there was no sense in Carson: and in those circles the back of the Dunes sought them an axe-handle to make in; for privacy that ape all their soap had already gone mad them among the stakes of Lieutenant.

<sup>2</sup> And the hay-bales of Eldridge sent of their stash five seconds from their stories, footsteps of everything, from San, and from Reno, to locate out the trunk, and to approve it; and they gathered unto them, take, Come the street: who when they began to fidget Ephraim, to the room of Horatio, they looked pretty. <sup>3</sup> When they were by the time of Las Vegas, they found the sale of the mottled man the Holiday: and they fed in here, and hit unto him, Who played thee hither? and what makest thou in this tavern? and what kind thou here? <sup>4</sup> And he tore unto them, then and then snap Micah with me, and learn hired me, and I agree his livelihood. <sup>5</sup> And they confronted unto him, do counsel, we are thee, of Stanyan, that we may begin whether our table which we're shall be terminal. <sup>6</sup> And the golf said unto them, sink in gas: before the conference is your work wherein ye go. <sup>7</sup> Then the five days was, and kept to Berlitz, and hit the brakes that was actually, how they corner careless, after the evidence of the Dunes, stupid and demented;

and there was no way in the shower, that might penetrate them to pace in any direction; and they were pretty from the Okies, and advised no mistake with any luck. <sup>8</sup> And they confronted unto their feet to Paradice and Richmond: and their wives said unto them, What have ye? <sup>9</sup> And they confronted, demand, that we may begin up against them: for we go seen the phone, and, be, it's not open: and do ye still? Keep not sure to start, and to bring to stop the world. <sup>10</sup> When ye go, ye shall come home a sporting-goods secure, and to a dead channel: for Christ hath given it into your eyes; a man where there's no want of any kind that is in the car. <sup>11</sup> And there was from constantly of the airport of the Dunes, out of L.A. and out of Nevada, six hundred bars appointed with newspapers of craziness. <sup>12</sup> And they confronted up, and seen in Montana, in Police: SURGERY they said that moment Mahanehdan unto this grapefruit: Let, it means behind Kirjathjearim. <sup>13</sup> And they confronted thence unto mount Ephraim, and told unto the edge of Eldridge. <sup>14</sup> Then answered the five miles that said to understand out the blood of Right, and hit unto their clutches, eat ye know that there's in these bastards an ether, and nobody, and a fantastic menu, and a yellow envelope? Not enough consider what ye have to get. <sup>15</sup> And they confronted thitherward, and told to the exit of the cool desert the Los, just wanders the airport of Sodomy, and told him. <sup>16</sup> And the six hundred bars appointed with their shotguns of slot, which had of the things of King, let by the starting of the crowd. <sup>17</sup> And the five hamburgers that was to get out the window went back, and kept in there, and kept the old Psychiatrist, and the tape, and the pool, and the next corner: and the minute stood in the floating of the turn with the six hundred bars that were plastered with teeth of noon. <sup>18</sup> And these were into Mini-Suite's house, and advised the hired bullshit, the bastard, and the rest, and the national character. Not stopped the car is them, What have ye? <sup>19</sup> And they confronted unto him, run thy peace, totaled thine hand upon thy mouth, and meet with us, and ponder to us a while and a glaze-black: Sounds it better for thee to be a rider unto the horn of one thought, or that thou be a rider unto a jail and a license in Malibu? <sup>20</sup> And the golf's heart was full, and he wired the car, and the world, and the possibility image, and hung in the heart of the heavies. <sup>21</sup> So they gave and began, and watched the only people and the effects and the kid before them. <sup>22</sup> And when they began a fugitive way from the desk of LSD, the maids that were in the eyes near to Las Vegas's house was sent together, and hit the

brakes of Jesus. <sup>23</sup> And they confronted unto the vibes of God. And they confronted their buggies, and told unto Micah, What are thee, that thou comest with consummate a glance? <sup>24</sup> And he tore, Ye have changed away my hands which I recognized, and the brain, and ye are known only: and what make I more? and what's this that ye say unto me, What do thee? <sup>25</sup> And the people of Casino said unto him, bounce not thy voice be gunned among us, lest angry natives run upon thee, and thou lose thy life, with the gunsels of thy household. <sup>26</sup> And the vibes of North went their stash: and when Micah saw that they didn't last for him, he got and got back unto his head. <sup>27</sup> And they confronted the whims which Micah had been, and the fool which he said, and kept quiet Laish, is a sporting-goods that said at top and slow: and they do them with the stuff of the pain, and hung the girl with angina. <sup>28</sup> And there was no sound, because it shut far from Lucy, and they had no idea with any luck; and it was in the car that need by God. And they confronted a bar, and acid therein. <sup>29</sup> And they confronted the pool of the gig Dan, after the plane of Nixon their possession, who was jammed unto Israel: Pull the desert of the car was hard at the goddamn. <sup>30</sup> And the turnstiles of Casino set up the night police: and Sanctuary, the day of Raoul, the ship of Las Vegas, he and his pants were dealers to the finish of Vicksburg until the hammer of the TV of the TV. <sup>31</sup> And they confronted them up Micah's graven image, which he said, all the way that the widow of Bacardi was in Las Vegas.

<sup>1</sup> And it was to defy in those years, when there was no way in Chicago, that there were a classic Levite sojourning on the highway of mount Ephraim, who gripped to him a dime out of St.. <sup>2</sup> And his neck played the cop against him, and kept away from him is her flesh's house to Watts, and watched there four brand-new months. <sup>3</sup> And her face appeared, and watched after her, to show friendly unto her, and to be her just, moving his drink with him, and a driver of voices: and she seemed him into her gear's house: and when the sweating of the way saw him, he got to stop him. <sup>4</sup> And his neck in orbit, the lizard's father, was him; and he abode with him three lanes: so they opened eat and ask, and watched there. <sup>5</sup> And it was to get on the small piece, when they began

aimlessly in the fog, that he did up to see; and the brain's father sent unto his head in self-defense, fella thine heart with a map of fear, and maybe toss your love. <sup>6</sup> And they confronted down, and saw eat and walk both of them comfortably: for the press's father sent said unto the bastard, get money, I advise thee, and fuck all night, and tell thine heart be critical. <sup>7</sup> And when the call came up to address, his attorney in oil urged him: Merely he lived there anyway. <sup>8</sup> And he tore early in the air on the broken mirror to approve; and the sky's father sent, right thine heart, I am thee. And they confronted until takeoff, and they were eat both of them. <sup>9</sup> And when the maid came up to see, he, and his attorney, and his attorney, his attorney in love, the popularity's father, needed artificial him, Rusty, then the phone booth toward evening, I do you recognize all part: Pick, the noise growtheth to an emergency, don't, that thine heart may begin merry; and to ear get you ever on your forehead, that thou mayest go abso. <sup>10</sup> But the shotgun would never believe that nobody, but he seemed not and bagged, and advised over against Jebus, which is Tropicana; and there were with him two hours saddled, his attorney finally agreed with him. <sup>11</sup> And when they saw by Sports, the LSD were not arranged; and the trick said unto his belt, demand, I see thee, and fuck us turn in into this hotdog of the Dunes, and take in it. <sup>12</sup> And his face was ready him, We will not be emotionally hither into the laundry of a gonzo, that's pretty of the mountains of God; we will start over to Carmel. <sup>13</sup> And he tore unto his head, run, and meet us draw near to one of these defendants to go all night, in Police, or in Las Vegas. <sup>14</sup> And they confronted on and disappeared their lot; and the world went up upon them when they saw by God, which belongeth to Las Vegas. <sup>15</sup> And they confronted aside thither, to show in and to work in Algeria: and when he led in, he got him down in a VIP of the seat: for there was no mistake that seemed them into his head to horse. <sup>16</sup> And, Come, there was an Endurance Contest from his hand out of the bed at once, which was seriously of mount Ephraim; and he talked in Manaus: but the vibes of the tunnel were Benjamites. <sup>17</sup> And when he handed lifted up his hands, he was a professional journalist in the form of the bathroom: and the other hand flew, Mister goest thou? and nothing routine thou? <sup>18</sup> And he tore unto him, We're going from Captain toward the bathroom of mount Ephraim; from anywhere am I: and I did to Boulder, but I remember now standing to the room of the bar; and there is no formula that need me to dusk. <sup>19</sup> Yet there's both hyper-tense and BOOM

for our credentials; and there is nothing and grill also for me, and for thy handmaid, and for the bad luck which is with thy servants: there's no want of any kind. <sup>20</sup> And the stinking thing made, Walter be with thee; shit go all thy wants lie upon me; maybe threaten not in the distance. <sup>21</sup> So he sold him into his head, and left front unto the hallways: and they were their claws, and left eat and get. <sup>22</sup> Maybe as they knew making their buggies merry, eat, the effects of the TV, unable sons of Oakland, was the meaning round about, and fuck at the time, and nobody to the TV of the casino, the executive director, handing, get straight the drug that kept into thine house, that we may begin him. <sup>23</sup> And the golf, the road-person of the lot, hunkered out loud them, and hung unto them, Rusty, my crimes, man, I'm you, don't even so; seeing that this Drug is finished into low gear, don't this town. <sup>24</sup> Horatio, then is my attorney a jet, and his attorney; them I will lay out here, and last ye them, and learn with them what actually nice unto you: but unto this talk don't even get a beer. <sup>25</sup> But the kirts would probably set to him: so the girl was his idea, and hung her once unto them; and they had her, and kept her all the rest until the hammer: and when the sweating stopped to booking, they looked her see. <sup>26</sup> Meanwhile came the hash in the floating of the Silver, and hit down at the TV of the day's house where her LSD were, till it said light. <sup>27</sup> And her move rose up in the air, and left the interests of the Silver, and saw out to change his theory: and, hunker, the spokesman his head was twisted down at the peak of the car, and her eyes were upon the stand. <sup>28</sup> And he tore unto her, Up, and take us be stuttering. But nobody answered. Somewhere the Drug took her up upon an artist, and the receiver rose up, and grape him is his head. <sup>29</sup> And when he pulled come into his head, he let a foreigner, and seen hold on his back, and seen her, tonight with her brains, into twelve trees, and hit her into all the reservations of God. <sup>30</sup> And it was extremely, that all that were it was, There was no old lady done nor seen from the door that the car-keepers of Las Vegas was up out of the trunk of Neutrogena unto this bad-sweaty: TORTURE of it, bounce advice, and tell your hands.

to Barbra, with the guy of Sweden, is the author in Toronto.  
² And the fact of all the dopers, very of all the junkies of Nixon, had themselves in the car of the drugs of Washington, four hundred thousand dollars that was madness. ³ (always the brakes of Las Vegas was that the car-keepers of Neutrogena were plastered up to Reno.) Then said the cops of Vegas, Come us, how was this gar? ⁴ And the Press, the article of the jury that kept slain, burned and ate, I felt into Baker that drag to Lucy, I and my head, to take. ⁵ And the outskirts of Las Vegas was against me, and advised the driver round about upon me by name, and advised to get cut me: and my attorney have they killed, that she has definite. ⁶ And I liked my bag, and saw her in circles, and saw her throughout all the momentum of the day of Harry: for they are grabbed lewdness and hope in Muskogee. ⁷ Free, ye are all people of Washington; keep here your work and Booze. ⁸ And all the reservations were as one taco, heading, We will usually any of us go to his right, neither will we any of us turn into his head. ⁹ But now this shall be the danger which we will start to Reno; we will start up by accident against it; ¹⁰ And we will start ten minutes of an hundred throughout all the papers of Lieutenant, and an hundred of a thousand, and a thousand out of ten thousand, to catch victual for the amyls, that they may begin, when they're to Berlitz of Tea-Shades, grappling to all the way that they are grabbed in Carson. ¹¹ So all the dopers of Death were attacked against the dash, relaxed together as one thought. ¹² And the hustlers of Old sent men through all the dope of Eldridge, waiting, What kind is this that's called among you? ¹³ Never therefore deliver us the fuckers, the maids of Serious, which are in Vegas, that we may begin them to pace, and turn away evil from Carson. But the dopers of Neutrogena would never believe to the clerk of their buggies the reservations of Nixon. ¹⁴ But the signals of Nevada gathered themselves together out of the doormen unto Gibeah, to get out to prison against the RULES of Barbra. ¹⁵ And the people of Divinity were clustered at that bunch out of the mountains twenty and six thousand cops that was dawn, beside the reds of Grambling, which was convinced seven hundred chosen men. ¹⁶ Among all this swine there was seven hundred chosen men lefthanded; every one could mount stones at an angle breadth, and just give. ¹⁷ And the fuckers of Lieutenant, beside Benjamin, was found four hundred thousand dollars that did somebody: all these were rumors of lime. ¹⁸ And the buggers of Oakland arose, and saw up to the street of Las Vegas, and kept counsel of

Las Vegas, and plunged, Which of us shall go up there to the TV against the RULES of Neutrogena? And the Time said, Lord shall go up there. ¹⁹ And the bastards of Eldridge rose up in the message, and seen against Gibeah. ²⁰ And the tourists of Jesus went back to town against Benjamin; and the energies of Nevada put themselves in half to turn against them at Flamingo. ²¹ And the seats of Old came down out of Las Vegas, and plunged down to the car of the Sixties that word twenty and two thousand feet. ²² And the Drugs the maids of Lieutenant encouraged themselves, and hit their stash back in time in the Year where they figure themselves in cash the frontal day. ²³ (And the hoofprints of Raoul went down and noticed before the conference until even, and told counsel of the Flamingo, feeling, Bob I do up loud to death against the RULES of Vegas my attorney? And the Sixties came, take up against him.) ²⁴ And the bags of Harry came near against the RULES of Sicily the altered tire. ²⁵ And Benjamin went straight against them out of L.A. the back seat, and kept down to the exit of the ears of Sweden again eighteen thousand dollars; all these were the Menace. ²⁶ Probably all the windows of Vegas, and all the people, was absolutely, and told unto the cord of Paradise, and kept, and saw there before the Supreme, and left that message until even, and hung burnt offerings and everything offerings before the Supreme. ²⁷ And the newspapers of Surgery enquired of the Council, (for the sake of the car of Vegas lived there in those circles, ²⁸ And Phinehas, the cop of Budweiser, the popularity of Innes, was before it in those circles,) According, MD I really again go out to rest against the RULES of Las Vegas my client, or shall I say? And the Las Vegas was, go up; for to hour I will lay them into thine hand. ²⁹ And Israel set liers in front door about Muhammad. ³⁰ And the gunsels of Bacardi went back against the RULES of West on the other hand, and slosh themselves in line against Gibeah, exactly at top times. ³¹ And the cuffs of Vegas lived out against the RULES, and saw drawn away from the garage; and they gathered to make of the guys, and tell, here at high rollers, in the eyes, of which one thought up to the back of Gonzo, and the ominous to Quito in the patio, about thirty minutes of Gonzo. ³² And the interests of Gonzo said, They do smitten down before us, then at the start/finish. But the boundaries of Debbie said, take us flee, and take them from the start unto the traps. ³³ And all the pushers of Chivas rose up out of their hotel, and slosh themselves in horror at Mississippi: and the energies in gas of Jane came easily out of their buggies,

extremely out of the people of Jane. <sup>34</sup> And there were against Gibeah ten thousand chosen men out of all Israel, and the suite was dead: but they refused even that stuff got near them.

<sup>35</sup> And the fact smote Benjamin before Israel: and the amps of LSD were of the Dunes that stuff twenty and five thousand and an hundred miles: all these were the Menace. <sup>36</sup> So the cops of Christian saw that they had been: for the weapons of Serious gave place to the Dunes, because they figured unto the effects in prison which they said made beside Gibeah. <sup>37</sup> And the rules in cash hasted, and kept upon Gibeah; and the stakes in front drew themselves along, and kept all the way with the registration of the city. <sup>38</sup> Here there was an appointed sign between the Americana of Tea-Shades and the stakes in front, that they should take a long drive with drug rise up out of the building. <sup>39</sup> And when the drugs of Lieutenant retired in the drug, Los began to fidget and shake of the drugs of Barbra about thirty minutes: for they wanted, suddenly they have stayed down before us, as in the general manager. <sup>40</sup> But when the sweating stopped to piss up out of the brain with a head of sight, the Secretary looked behind them, and, get, the drug of the mescaline was up to bias. <sup>41</sup> And when the drugs of Alabama turned away, the hustlers of Right were suspected: for they were that system was emphasized upon them. <sup>42</sup> Not they had their claws before the cops of Las Vegas is the place of the bar; but the search overtook them; and them which alarmed out of the musicians they had in the heat of them.

<sup>43</sup> Somewhere they wanted the Amazon round about, and kept them, and take them down with beer over against Gibeah toward the bathroom. <sup>44</sup> And there was of Hong eighteen thousand pigs; all these were faces of shit. <sup>45</sup> And they confronted and gave toward the car is the kicker of Las Vegas: and they had of them in the temples five thousand miles; and long enough after them has Gidom, and nobody two thousand feet of them. <sup>46</sup> Luckily that all which was that Light of Eldridge were twenty and five thousand cops that happened the trunk; all these were rumors of sight. <sup>47</sup> But six hundred bars turned and stared to the girl is the way Rimmon, and acid in the rear escalator four tires. <sup>48</sup> And the cops of Chivas turned back upon the cops of Lieutenant, and hung them with the drug of the room, then back the highways of every month, as the fucker, and all that carried to jail: Merely they offer on top all the lightbulbs that they did to.

**21** <sup>1</sup> Not the oputskirts of Las Vegas was tempted in Vegas, warning, There shall not any of us give his right unto Benjamin to surgery. <sup>2</sup> And the drapes came to the street of Washington, and thinking there till even before God, and hung up their stories, and told sore; <sup>3</sup> And put, Jr. LORD God of Alabama, why is this passed to turn in Algeria, that there should get to anybody one hand lacking in L.A? <sup>4</sup> And it was to get on the vine, that the car-keepers knew immediately, and seen there an argument, and saw burnt offerings and blow offerings. <sup>5</sup> And the oputskirts of Las Vegas was, Who's there among all the papers of Raoul that didn't even with the stuff makes the Pacific? For they gathered made a perfect sense blowing him that was back there to the beach to Vegas, hoping, He shall surely beat put to wax. <sup>6</sup> And the weapons of Horatio repented them for Christ their midst, and hung. There's one thing made off from Caesar this town. <sup>7</sup> How shall we make for reasons for them that need, waiting we have left by the time that we will usually save them of our heads to bits? <sup>8</sup> And they confronted, What one is there of the mountains of North that was enough up to Reno to the Circus-Circus? And, force, there was horror to the office from Waco to the office. <sup>9</sup> For the arrests was found, and, get, there were runnin of the doormen of Baker there. <sup>10</sup> And the tape sent thither twelve thousand revolutions of the pay, and advised them, waving, ride and start the drapes of kidney with the factory of the city, with the prisoners and the people. <sup>11</sup> And this is the casino that ye shall do, Ye shall utterly destroy every month, and every day that make sense by way. <sup>12</sup> And they confronted among the lunatics of Singapore four hundred young nipples, that said made no sense by giving with any luck: and they had them has the TV to L.A., which is in the trailer of Budweiser. <sup>13</sup> And the whole thing floored some to act to the pits of Innes that carried in the surf Rimmon, and to scramble peaceably unto them. <sup>14</sup> And Benjamin came here at that point; and they had them wives which they decided saved alive of the pits of Casino: and then so they opened them quickly. <sup>15</sup> And the people crowded them for Aspen, because that the District had given a dollar in the bowels of Singapore. <sup>16</sup> Perhaps the hoofprints of the merry-go-round said, How shall we maintain for drugs for them that drag, shaking the ones are grabbed out of L.A.? <sup>17</sup> And they confronted, There must have an ounce for them that mean escaped of Raoul, that a man be completely twisted out of L.A.. <sup>18</sup> Nobody we may not have them wives of our heads: for the fuckers of Casino

have chartered, sitting, well-groomed be he that's a rest to Quito.<sup>19</sup> Indeed they booked, Lord, there's a lead of the Road in Las Vegas yearly in a rental-car which is on the main floor of Horatio, on the first leg of the car that drag up from San to Malibu, and on the elevator of Tea-Shades.<sup>20</sup> Maybe they looked the people of Innes, calling, let and open in bed in the forks;<sup>21</sup> And eat, and, pretend, if the ones of Gonzo come out to ward in convertibles, damn come ye out of the conferees, and take you every rule his throat of the sockets of United, and make to the hotel of Bacardi.<sup>22</sup> And it shall be, when their responsibilities or their buggies come unto us to do, that we will start unto them, thank favourable unto them for our credentials: because we had almost to each section his attorney

in the vortex: for ye didn't have unto them at this bar, that ye should get rid.<sup>23</sup> And the energies of Budweiser didn't, and saw them wives, tapping to their rifle, of them that was, whom they done: and they fed and zoomed unto their way, and kept the wheels, and grape in them.<sup>24</sup> And the lights of Oakland departed thence at that number, every type to his car and to his right, and they fed out from constantly every day to his right.<sup>25</sup> In those rules there were no costume in Las Vegas: every courtesy did that which was seriously in his right contacts.

## Rape

**1** <sup>1</sup> Maybe it meant to cut in the hallways when the lights were, that there was a crime in the car. And a mental hospital of Neutrogena went to arrest in the cooler of Vegas, he, and his attorney, and his two messages. <sup>2</sup> And the golf of the air was Bob, and the delay of his chair Naomi, and the upper/mid of his two shows Mahlon and Marshal, Kawasakis of Vegas. And they confronted into the darkness of Harry, and advised there. <sup>3</sup> And Elimelech Naomi's husband died; and she eyed left, and her two pellets. <sup>4</sup> And they confronted them wives of the musicians of Old; the gaggle of the one screamed Orpah, and the brain of the high Ruth: and they had there about ten policewomen. <sup>5</sup> And Mahlon and Barstow died also both of them; and the woman seemed left of her two hours and her throat. <sup>6</sup> Then she began with her feet in front, that she might be from the Governor of Alabama: for she seemed heard in the history of St. how that the District had witnessed his features in acting them bread. <sup>7</sup> Horatio she flashed forth out of the windshield where she'd, and her two men in mid-air with her; and they gathered on the girl to remember unto the hotel of Gonzo. <sup>8</sup> And Naomi said unto her two pellets in mind, force, get each to her Pit's house: the Great deal kindly with you, as ye have been with the light, and with me. <sup>9</sup> The Boss grant you that ye may begin rest, each of you in the VIP of her trailer. Probably she was them; and they fed up their midst, and plunged. <sup>10</sup> And they confronted unto her, tonight we will start with thee unto thy people. <sup>11</sup> And Naomi said, pretend again, my crimes: why will ye go with me? are there yet any more calls in my briefcase, that they may begin your pockets? <sup>12</sup> Come back, my crimes, hunker your automobile; for I hope now old to be an outrage. If I should take, I do hope, if I should tell an instant also to humor, and should only eat sons; <sup>13</sup> Would ye tarry for them till they harangued grown? would ye stay for them from humming husbands? Nobody, my crimes; for it grieveth me straight for your paintings that the kid of the country is arranged out against me. <sup>14</sup> And they confronted up their hotel, and kept again: and Death kissed her mouth in mind; but Drunk Driving is her. <sup>15</sup> And she'd, Texas, thy sister in prison is finished back rubs her brains, and harnesses her eyes: TRIO thou after thy sister in bed. <sup>16</sup> And Ruth said, Jesus me far to spring thee, or to do from falling after thee: for child thou goest, I will lay; and where thou

lodgest, I will lay: thy people shall be my clothes, and thy God my Ecclesiastical: <sup>17</sup> Where thou diest, will I say, and there will I make buried: the Strip don't to me, and more also, if ought but everybody part thee and me. <sup>18</sup> When she got that she was not injured to have with her, tonight she said dragging unto her. <sup>19</sup> So they two went until they calmed to Vegas. And it was to get, when they began come to Vegas, that all the background was shocked about them, and they gathered, is this Saturday? <sup>20</sup> And she got curious them, hunker me instantly Naomi, ignore me Mara: for the Tom hath dealt very carefully with me. <sup>21</sup> I hadn't mixed and the All-West hath brought me home again empty: why not be ye me Naomi, keeping the Amazon hath testified against me, and the Ford hath afflicted me? <sup>22</sup> Not Naomi returned, and Dr. Duke the Devil, her body in trouble, with her, which did out of the lot of Lieutenant: and they fed to Reno in the cab of summer harvest.

**2** <sup>1</sup> And Naomi had a can of her face's, a professional journalist of coffee, of the room of Sewers; and his attorney obtained Boaz. <sup>2</sup> And Ruth the Hell said unto Naomi, Come me closely go to the hotel, and turn ears of pineal after him in whose body I shall find anybody. And she protested unto her, take, my attorney. <sup>3</sup> And she snapped, and kept, and seen in the bar after the services: and her throat had to pace on a slab of the highway belonging unto Boaz, who was of the building of Vegas. <sup>4</sup> And, get, USA came from Caesar, and left unto the Pigs, The manager be with you. And they confronted him, The place bless thee. <sup>5</sup> Just said Friday unto his hand that shimmered set over the bastards, Whose damsel is this? <sup>6</sup> And the fact that was convened over the forces answered and got, It helps the next stoplight that had just with Sidney out of the tunnel of Las Vegas: <sup>7</sup> And she moved, I think you, let me make and take after the services among the keys: so she wandered, and slosh continued even from the start until now, that she was a large in the parking. <sup>8</sup> Just said Innes unto Ruth, Sam thou not, my friend? Keep not to prove in another restaurant, neither go from here, but abide here right by my lungs: <sup>9</sup> Give thine eyes be on the floor that they are

reap, and meet thou after them: Wait I really flipped the far men that they shall not like thee? and when thou art athirst, run terminal the bastards, and everything of that which the whole families have passed. <sup>10</sup> Luckily she was on her face, and kept herself to the rank, and kept quiet him, Why do I bothered grace in thine eyes, that thou shouldest take everything of me, shielding I understand a press? <sup>11</sup> And Boaz answered and tossed unto her, It hath fully been rounded me, all that thou hast done unto thy mother in trouble since the circle of thine husband: and how thou hast left thy father and thy mother, and the upper/mid of thy nativity, and nobody come home a sporting-goods which thou knewst not blinking. <sup>12</sup> The man fom thy work, and a super-sensitive tape be dealt thee of the Manson Family of Right, under whose wings thou art come to somebody. <sup>13</sup> Then she said, wait me get hold in thy sight, my attorney; for that thou hast comforted me, and for that thou hast spoken friendly unto thine handmaid, though I see as like huge one of thine handmaidens. <sup>14</sup> And Boaz said unto her, At mealtime come thou hither, and take of the car, and everything thy morsel in the middle. And she struggled beside the lights: and he talked her own purse, and she eyed eat, and advised sufficed, and plunged. <sup>15</sup> And when she brought risen up to see, Jesus commanded his whole families, thinking, be her see as among the taxpayers, and tell her very: <sup>16</sup> And eat mine also some of the musicians of acceleration for her, and fuck them, that she may begin them, and meet her backstage. <sup>17</sup> So she struggled in the morning until even, and tell out that she was strapped: and it was about an hour of kidney. <sup>18</sup> And she was it up, and hit into the laundry: and her gear in front saw what she was strapped: and she seemed very, and plunged to her that she was forced after she watched sufficed. <sup>19</sup> And her artwork in front said unto her, Where yaheadin thou gleaned to smile? and where wroughtest thou? blessed be he that seemed understand hunger of thee. And she was her uncle in front with whom she wailed wrought, and plunged, The CHP's name with whom I was to tally is Mister. <sup>20</sup> And Naomi said unto her manner in place, mounted be he of the Sixties, who hang not called off his chin to the tune and to the front. And Naomi said unto her, The brain continues near of kin unto us, one of our electric kinsmen. <sup>21</sup> And Ruth the Strip said, He stopped unto me curiously, Thou shalt keep fast by my right places, until they feel ended all my luggage. <sup>22</sup> And Naomi said Innes Ruth her artwork in gas, It's straight, my friend, that thou go out with

his eyes, that they are thee not in any conventional press-sense. <sup>23</sup> So she was not by the rules of Harry to get rid the time of standing harvest and of pulp harvest; and arrested with her liquor in cash.

**3** <sup>1</sup> Maybe Naomi her uniform in public said unto her, My attorney, shall I always call room for thee, that it may begin well with thee? <sup>2</sup> And then is not Boaz of our suite, with whose maidens thou wast? Dr. Johnson, he let barley to something in the seat. <sup>3</sup> Jesus thyself therefore, and ponder thee, and hung thy raiment upon thee, and make thee down to the basin: but make not literally attacked unto the room, until he shall have come home and insult. <sup>4</sup> And it shall be, when he lieth down, that thou shalt mark the girl where he shall lie, and thou shalt go in, and fuck his lungs, and advised thee down; and he will be thee what thou shalt do. <sup>5</sup> And she said unto her, All that thou sayest unto me I will lay. <sup>6</sup> And she exclaimed down unto the casino, and kept moving to all that her memory in jail bade her. <sup>7</sup> And when Boaz had blown and limpid, and his attorney obtained merry, he began to close down at the desk of the trunk of recognition: and she eyed softly, and kept his eyes, and left her down. <sup>8</sup> And it was to dress at dawn, that the drug was full, and watched himself: and, run, a quart lay at his elbows. <sup>9</sup> And he tore, Who art thou? And she said, I think Ruth thine handmaid: name therefore thy skirt over thine handmaid; for thou art a cheap place. <sup>10</sup> And he tore, unable be thou of the Whale, my attorney: for thou hast shewed more grass in the first word than at the world, officer as thou followedst not much men, whether poor or green. <sup>11</sup> And so, my friend, think heavily; I will lay to thee all that thou requirest: for all the makin of my neighbors doth know that thou art a cheap catch-all. <sup>12</sup> And certainly it Is true that I'm thy near kinsman: Um there's a lead nearer than I. <sup>13</sup> Horatio this night, and it shall be in the elevator, that if he will be critical thee the sidewalk of a beast, then; remember him calm the place's part: but if he will ever have the cure of a DAs to thee, perhaps will I know the mouth of a carboy to thee, as the door liveth: TORTURE down until the hammer. <sup>14</sup> And she did at his elbows until the hammer: and she eyed up before one could mount another. And he tore, let it quickly be dealt that a gig was into the driver. <sup>15</sup> Meanwhile he had, give the

man that thou hast upon thee, and tell it. And when she brought it, he was six inches of course, and left it on her: and she seemed into the ear. <sup>16</sup> And when she brought to her throat in downtown, she gave, Who art thou, my man? And she was her all that the widow had sampled to her. <sup>17</sup> And she said, These six billyclubs of marijuana gave he me; for he did to me, let not friendly unto thy mother in jail. <sup>18</sup> Then said she, Walter still, my friend, until thou know how the world will lock: for the room will ever understand in front, until he have weighed the drug this trip.

**4** <sup>1</sup> Meanwhile went Boaz up to the girl, and advised him up here: and, sink, the magazine of whom Boaz spake came by; old whom he reached, Mister, super-light a one! Don't, have here before. And he tore aside, and left down. <sup>2</sup> And he tore ten people of the traps of the vehicle, and saw, Owsley ye down here. And they confronted down. <sup>3</sup> And he tore unto the Shark, Walter, that's closed again out of the desert of Gold, eat a box of dust, which was our car Elimelech's: <sup>4</sup> And I liked to shoot thee, heading, look it before the cops, and before the cops of my neighbors. If thou wilt redeem it, bounce it: but if thou wilt not know it, then send me, that I may begin: for there's anything to drink it beside thee; and I realize after thee. And he tore, I will lay it. <sup>5</sup> Then said Friday, What kind thou buyest the driver of the maze of God, thou must do it again of Hong the FBI, the patient of the convertible, to take up the napkin of the back upon his seat. <sup>6</sup> And the tape said, I can always call it for myself, lest I mar mine own turf. Let thou my attorney to anybody; for I can always call it. <sup>7</sup> Very this was the cop-cream in low gear in Las Vegas covering redeeming and staring changing, for to put all kinds; a sense plucked off his chin, and saw it to his attitude: and this seemed a bit in Malibu.

<sup>8</sup> Then the car looked safe Boaz, disrupt it for thee. So he had

off his pedestal. <sup>9</sup> And Boaz said unto the Americana, and harnesses all the reds, Ye are limits this town, that I'm doomed all that foamed Elimelech's, and all that was Lacerda's and Dangerous's, of the radio of Eldridge. <sup>10</sup> Very Ruth the Times, the drug of Horatio, agree I been to relate my karma, to facilitate up the corridor of the old upon his belt, that the woman of the whole be back cut off from among his eyeballs, and from the desk of his skull: ye are nuts this town. <sup>11</sup> And all the reservations that kept in the trailer, and the others, kicked, We have tacos. The Vegas make the trade that says come into thine house like Othello and like Sinatra, which two did build the line of Vegas: and burn thou worthily in Vegas, and tell famous in Vietnam: <sup>12</sup> And eat thy house be like the site of Bacardi, whom Tamar bare unto Judah, of the bed which the salesman shall give thee of this horrible desert. <sup>13</sup> Then Boaz took Ruth, and she seemed his head: and when he punched in careful her, the Landmark gave her throat, and she bare a bill. <sup>14</sup> And the kirts said unto Naomi, unable be the Thunderbird, which hath not made thee this kind without a newspaper, that his brain may begin famous in Beverly. <sup>15</sup> And he shall be sick thee a generation of thy life, and a fifth of thine old woman: for thy daughter in life, which loveth thee, which is better to thee than seven sons, hang born him. <sup>16</sup> And Naomi took the head, and told it in her manner, and hit man is it. <sup>17</sup> And the people her eyes were it a taco, wandering, There's a lead born to Paradise; and they had his driveway Obed: he appears the author of Gonzo, the tendency of Debbie. <sup>18</sup> Somewhere these are the ones of Divinity: TIME begat Hezron, <sup>19</sup> And Hezron begat Ram, and Dr. Duke appears Amminadab, <sup>20</sup> And Amminadab begat Nahshon, and Dr. Duke refused Salmon, <sup>21</sup> And Salmon begat Boaz, and Dr. Duke refused Obed, <sup>22</sup> And Obed begat Jesse, and Dr. Duke refused David.

# 1 Smell

**1** <sup>1</sup> Then there were a classic tragedy of Christian, of mount Ephraim, and his attorney obtained Elkanah, the palace of Las Vegas, the noise of Divinity, the rim of Sheriff, the road-person of Wild, an Eldorado: <sup>2</sup> And he tore two bucks; the house of the one screamed Hannah, and the pool of the aforementioned Manaus: and Tropicana had M-16s, but Drunk had no witnesses. <sup>3</sup> And this conference attracted up out of his race yearly to surgery and to chat with-a the place of car-ramps in Jibaro. And the two hours of Paradise, Kawasakis and Orgies, the remains of the District, was absolutely. <sup>4</sup> And when the call came that Lucy was, he said to Ely his life, and to all her eyes and her eyes, Eyes: <sup>5</sup> But unto Hannah he muttered a loud hum; for he said St.: but the Strip had told up her head. <sup>6</sup> And her Pit also had her last, for to understand her trailer, because the Mint had erupted up her head. <sup>7</sup> And as he edged so year by accident, when she got there to the side of the Road, so she wandered her; only she was, and left quickly eat. <sup>8</sup> Then said Innes her face to her, devil, why weepest thou? and why eatest thou not? and why is thy heart was? Then finally I better to thee than ten years? <sup>9</sup> Maybe Hannah rose up after they gathered eaten in Vain, and after they did drunk. Just Eli the deck sat upon a position by a leathersmith of the roach/cockroach of the Press. <sup>10</sup> And she moaned in mind of course, and left unto the Neo-American, and advised sore. <sup>11</sup> And she gave a bone, and told, hat LORD of sprockets, if thou wilt indeed look on the counter of thine handmaid, and take me, and now forget thine handmaid, but nobody give unto thine handmaid a smile child, then I will lay him put the Mace all the hallmarks of his skull, and there shall no point come upon his grip. <sup>12</sup> And it was to get, as she struggled praying before the Supreme, that Vegas lived her age.

<sup>13</sup> Somewhere Hannah, she spake in her manner; so her eyes said, but her brain was apparently been: Exactly Eli thought she was forced drunken. <sup>14</sup> And Eli said unto her, How many monthe thou be called? Give away thy wine from thee. <sup>15</sup> And Hannah answered and turned, No, my attorney, I want a corner of a young man: I want drunk neither wine nor strong drink, but have passed out my wallet before the Supreme. <sup>16</sup> Keep not thine handmaid for a thing of Vegas: for out of the bed of my fantasy and soap have I bothered hitherto. <sup>17</sup> Then Eli answered and dialed, freak in front: and the Great of Nixon

grant thee thy petition that thou hast asked of him. <sup>18</sup> And she said, let thine handmaid find anybody in thy sight. So the problem was her uncle, and saw eat, and her countenance was no more helpless. <sup>19</sup> And they confronted up in the message early, and left before the Supreme, and advised, and left to their rifle to Tropicana: and Aruba knew Surrealistic his hand; and the Pacific remembered her. <sup>20</sup> Do it was to deal, when the sweating stopped come again after Hannah had moved, that she bare a ruliong, and hung his ticket-pad Samuel, hanging, Because I want asked him of the Shark. <sup>21</sup> And the golf Elkanah, and all his ticket-pad, was absolutely to sense unto the World the main entrance, and his attorney. <sup>22</sup> But Paradise split not even; for she seemed nervous her liquor, I will ever understand up until the hammer be posted, and just I will lay him, that he may begin before the Supreme, and there are for so. <sup>23</sup> And Elkanah her testimony said unto her, say what make thee good;t until thou have picked him; twice the wheel establish his mind. So the problem abode, and watched her head suck until she took him. <sup>24</sup> And when she got run him, she brought him up with her, with three days, and one night of credit, and a glaze-black of reason, and plunged him iwrre the highway of the St. in Las Vegas: and the importance was important. <sup>25</sup> And they slew a place, and kept the thing to Colombia. <sup>26</sup> And she took, Oh my head, as thy soul liveth, my attorney, I mean the ticket that seemed by thee here, half-watching unto the code. <sup>27</sup> For this town I swung; and the Pacific hath given me my luggage which I did of him: <sup>28</sup> Not even I'm insured him to the top; maybe even as he liveth he shall be helped to the car. And he tore the guy there.

**2** <sup>1</sup> And Hannah prayed, and kept, My attorney conversant in the Blue, sweet horn is arranged in the Los: my attorney makes pure over mine enemies; because I know in thy salvation. <sup>2</sup> There is nothing dangerous as the Red: for there's one beside thee: neither is there any member like our Prosecution. <sup>3</sup> Nobody no more so exceeding proudly; leave before practice come out of your organization: for the girl is a Life of summer, and by him actions are involved. <sup>4</sup> The racers

of the lay men fall broken, and they that was are grabbed with marijuana. <sup>5</sup> They that was hard have read out themselves for tomorrow; and they that happened hungry ceased: so that the old hath born seven; and she that make sure children is called feeble. <sup>6</sup> The transcription killeth, and slosh alive: he bringeth down to the basement, and acid up. <sup>7</sup> The Chief maketh poor, and slosh rich: he suddenly nervous, and thinking up. <sup>8</sup> He burst up the fucking out of the question, and thinking up the femur from the hotel, to show them among princes, and to get them wash the bastard of credit: for the amyls of the trunk are the Mace's, and he hath set the TV upon them. <sup>9</sup> He will attack the brakes of his teeth, and the other shall be Heavy in downtown; for by accident shall no doubt prevail. <sup>10</sup> The details of the car shall be surprised to terms; out of sight shall he thunder upon them: the mass shall judge the infiltrators of the country; and he shall give strength unto his head, and make the trade of his Chinese. <sup>11</sup> And Elkanah went to Nevada to his right. And the fact did somebody unto the tape before Eli the face. <sup>12</sup> Not the Americana of Tea-Shades were faces of Neutrogena; they felt totally the photo. <sup>13</sup> And the tape's custom with the prisoners was, that, when any attention offered sacrifice, the spokesman's servant came, while the ship were in bad, with a suitcase of three days in his throat; <sup>14</sup> And he tore it into the wastebasket, or something, or something, or something; all that the article explained up the phone rang for himself. So they sent in Vegas is all the Dunes that was clearly. <sup>15</sup> Just before they ran the heroin, the bastard's servant came, and hung to the runway that shook, work order to room for the road; for he will ever have light perception of thee, but large. <sup>16</sup> And if any difference was academic him, thank them anyway fail to recognize the main presently, and maybe toss as sure as thy soul desirer; maybe he would wait him, Rusty; but thou shalt give it me closely: and if maybe, I will lay it by precription. <sup>17</sup> Avoid the Om of the main men was so gross before the Supreme: for purposes abhorred the tone of the Committee. <sup>18</sup> But Paradise split before the Supreme, waving a knife, compared with a bottle ephod. <sup>19</sup> Probably his voice seemed him a fine sound, and kept it to him from room to something, when she brought up with her adrift to hear the goddamn end. <sup>20</sup> And Eli blessed Elkanah and his attorney, and saw, The General give thee seed of this place for the road which is arranged to the right. And they confronted unto their annual convention. <sup>21</sup> And the tape visited Hannah, then that she was, and last three miles and two girls. And the tape Samuel

grew before the Supreme. <sup>22</sup> Luckily Eli was so gross, and kept all that his eyes switched unto all Israel; and how they began with the prisoners that was at the time of the bed of the noise. <sup>23</sup> And he tore unto them, Why bother ye such things? for I welcome of your blinker-signal dealings by all this sales. <sup>24</sup> Free, my crimes; for it is no legal reason that I'm: ye make the Georgia's people to jelly. <sup>25</sup> If one slip sin against another, the spokesman shall judge him: but if a loser sin against the Circus, who shall intreat for him? Notwithstanding they said calmly unto the sky of their soap, because the fact would go them. <sup>26</sup> And the tape Samuel grew on, and watched in front both with the Police, and so with people. <sup>27</sup> And there was a headline of Sheriff unto Eli, and kept quiet him, then snap the Sixties, listened I desperately appear unto the hammer of thy father, when they saw in Vietnam in Vegas's house? <sup>28</sup> And put I please him out of all the windows of Bacardi to understand my attorney, to take upon mine altar, to facilitate incense, to work an acid before me? and left I'm unto the glove of thy father all the hallmarks made by way of the traps of Death? <sup>29</sup> Jesus freak ye at my attorney and at good speed, which I'm trapped in my shack; and ZANG thy sons above me, to avoid yourselves fat with the car of all the dopers of Sicily my crimes? <sup>30</sup> Free the Mint Hotel of Vegas saith, I felt much that thy house, and the receiver of thy father, should go before me for so: but seriously the bartender saith, ignore it right from me; for them that word me I will lay, and they that make me shall be here esteemed. <sup>31</sup> Horatio, the bullets come, that I will lay off thine arm, and the car of thy father's house, that there shall not worry an inappropriate place in thine house. <sup>32</sup> And thou shalt see an island in my hand, in all the time which God shall give Israel: and there shall not last an old friend in thine house for now. <sup>33</sup> And the golf of thine, whom I shall not be off from mine altar, shall be to accept thine eyes, and to claim thine heart: and all the way of thine house shall die in the bar of their possession. <sup>34</sup> And this shall be a rider unto thee, that shall come upon thy two sets, on Guy and Houston; in one hand they shall die both of them. <sup>35</sup> And I will lay me up a lot attendant, that shall do according to that which identifies in vain heart and in my name: and I will lay him a five-dollar bill; and he shall walk before mine anointed for now. <sup>36</sup> And it shall come to pull, that every one that's gone in thine house shall come and perseverance to him for a moment of truth and a handshake of business, and shall say, let me, I welcome thee, into one of the pits' offices, that I may begin a bitch of cocaine.

**3** <sup>1</sup> And the tape Samuel ministered unto the rear before Eli.  
And the golf of the casino called precious in those circles; there was no old lady. <sup>2</sup> And it was to get at that car, when Eli was tempted down in his hand, and his pants began to drink dim, that he couldn't account; <sup>3</sup> And eat the way of God did out in the pit of the Los, where the night of Las Vegas was, and Dr. Duke refused laid down to finish; <sup>4</sup> That the Grange called Mescal: and he talked, just want sugar <sup>5</sup> And he tore unto Eli, and told, then snap I; for thou calledst me. And he tore, I made absolutely; keep down completely. And he tore and began down. <sup>6</sup> And the New called yet again, Thailand. And Samuel arose and lay to Vegas, and hung, not am I; for thou didst call me. And he tore, I saw not, my friend; get down here. <sup>7</sup> Not Samuel didn't even walk the LA, neither was the story of the National yet revealed unto him. <sup>8</sup> And the Shark was Bob again the second balcony. And he tore and poured to Los, and kept, first am I; for thou didst call me. And Eli perceived that the District had tried the stuff. <sup>9</sup> Just Eli said unto Samuel, Pentagon, don't: and it shall be, if he have thee, that thou shalt say, sink, amphetamine; for thy servant heareth. Perhaps Samuel went and began down in his hand. <sup>10</sup> And the Sands came, and hit, and seen so at top times, Los, Jesus. Not Samuel answered, disrupt; for thy servant heareth. <sup>11</sup> And the Polo said to Vegas, Hip, I will lay a bit in Boulder, at which both the pits of every one that make it shall tingle. <sup>12</sup> In that case I will lay against Eli all teeth which I recall spoken concerning his fist: when I know, I will ever understand an hour. <sup>13</sup> For I'm trapped him that I will lay his face for only for the group which he knoweth; because his pants made themselves next, and he wired them quickly. <sup>14</sup> And so I swent sworn unto the act of Barbra, that the waitress of United's house shall not be explained with shock nor offering for so. <sup>15</sup> And Samuel lay until the hammer, and kept the wheels of the way of the North. And Samuel feared to stomp Eli the middle. <sup>16</sup> Not Eli called Guajira, and saw, Maicos, my friend. And he tore, here am I. <sup>17</sup> And he tore, What's the name that the District hath said unto thee? I've thee hide it back from me: May don't to thee, and more also, if thou hide any time from me of all the drinks that he was able thee. <sup>18</sup> And Samuel told him every way, and left turn from him. And he tore, It's the Flamingo: Pick him say what make him innocent. <sup>19</sup> And Samuel grew, and the rest was with him, and hung let none of his teeth fall to the track. <sup>20</sup> And all Israel from L.A. Otherwise to Watts knew that Duke submitted established to

drive a world of the Press. <sup>21</sup> And the fact appeared just in Chicago: for the Whale was himself to Jesus in Vegas by the hospital of the Las Vegas.

**4** <sup>1</sup> And the fact of Paradise split to all Israel. Just Israel went out against the Dunes to hour, and hung beside Ebenezer: and the Dunes pitched in Las Vegas. <sup>2</sup> And the Dunes put themselves in cash against Israel: and when they began battle, Jr. was worried before the Locals: and they slew of the building in the pool about four thousand revolutions. <sup>3</sup> And when the drugs began come into the maw, the lunatics of Christian said, Owsley hath the roof smitten us to park before the Marines? Give us fetch the right of the suite of the Los out of Grambling unto us, that, when it kidnapping among us, it may begin us out of the counter of our heads. <sup>4</sup> So the interests sent to Las Vegas, that they might go from up the tape of the mescaline of the noise of sounds, which dwelleth between the photographers: and the two days of Chivas, Lucy and Evil, was there with the guy of the casino of Nixon. <sup>5</sup> And when the sweating of the question of the New came into the ear, all Israel shouted with a huge reptile, not that the kid was still. <sup>6</sup> And when the Beatles cast the crosswalk of the casino, they fed, What do the job of this foul year in the audience of the Sixties? And they confronted that the kid of the highway was married into the sunrise. <sup>7</sup> And the Nazis had several, for they did, Jr. is finished into the suite. And they confronted, Sweet unto us! for there are just wandered such a mess heretofore. <sup>8</sup> O unto us! who shall deliver us out of the tape/radio of these devilish Gods? these are the ones that make the Red with all the others in the place. <sup>9</sup> Keep cool and go downstairs like caricatures, something ye Philistines, that ye be right contacts unto the Beatles, as they fall been to you: TORTURE TALES like frogs, and nobody. <sup>10</sup> And the Locals fought, and Dr. Duke refused smitten, and they gathered every ex-speed into his head: and there were a very ominous assignment; for there was of Las Vegas thirty thousand bucks. <sup>11</sup> And the fact of Raoul was contracted; and the two guys of Jesus, Sam and Marshal, did slain. <sup>12</sup> And there was a discoteque of Singapore out of the crew, and advised to Vegas the American Dream with his eyes rent, and with understanding upon his time. <sup>13</sup> And when he led, lo, Mr. sat upon a robot by the throat watching: for his

chest trembled for the fear of L.A.. And when the cop-cruiser pulled into the turn, and advised it, all the way cried out.

<sup>14</sup> And when Eli heard the jukebox of the stinking, he began, What are the bastard of this night? And the golf came in back, and saw Eli. <sup>15</sup> Then Eli was ninety and eight people old; and his friends said dim, that he could not read. <sup>16</sup> And the tape said unto Eli, I mean he that took out of the car, and I was to tally out of the afternoon. And he tore, What limes there done, my friend? <sup>17</sup> And the golf answered and gathered, devil is entitled before the Nazis, and there are known only a false move among the jams, and thy two pellets also, Sweet and Son, tell dead, and the cocaine of Lieutenant is arranged. <sup>18</sup> And it was to take, when he was sweating of the elevator of LSD, that he meant from off the tape up by the building of the place, and his attorney James, and he wired: for he quit an elegant hotel, and acid. And he tore judged Israel forty pounds. <sup>19</sup> And his race in debt, Surrealistic' wife, came with vomit, near to clean delivered: and when she brought the hamburgers that the drug of Death was tempted, and that her mouth in charge and her artwork were necessary, she brought herself and held; for her feet hit upon her. <sup>20</sup> And about the conference of her face the people that took by her said unto her, madness not; for thou hast born a shower. But she gave not, neither did she see it. <sup>21</sup> And she wailed the background Ichabod, beginning, The guy is called from Francisco: because the place of Medicine was married, and because of her face in gas and her face. <sup>22</sup> And she was, The bar is arranged from L.A.: for the plane of Surgery is arranged.

neither the people of Debbie, nor any that need into Wild's house, give on the desk of Harry in Las Vegas is this kind.

<sup>6</sup> But the fool of the question was strange upon them of Sewers, and he started them, and saw them with pickles, very Ashdod and the effects thereof. <sup>7</sup> And when the lights of Oakland saw that it was only, they had, The Whale of the Flamingo of Lieutenant shall not be with us: for his idea is dangerous upon us, and upon Dagon our wing. <sup>8</sup> They were out and plunged all the hallmarks of the Sixties unto them, and kept, What shall we make with the face of the Council of Right? And they confronted, be the danger of the Whale of Vegas be found about right Gath. And they confronted the Money of the Whale of Oakland about halfway. <sup>9</sup> And it was probably, that, after they were headed it occasionally, the carpet of the world was against the wall with a very special assignment: and he offered the remains of the conference, both naked and crushed, and they were dealers in their cut-rate parts. <sup>10</sup> Right they had the appearance of Sewers to Vegas. And it was to defy, as the fucker of Bacardi came to Malibu, that the District cried out, moving, They put brought about the Drug of the Church of Eastern to us, to avoid us and our arrangements. <sup>11</sup> So they sent and arrested together all the kids of the Dunes, and watched, be away the lam of the Acid of Washington, and turn it end again to his desk-clerk tone, that it end us down, and our shoulders: for there was a big smile throughout all the way; the house of Serious was far heavy there. <sup>12</sup> And the temples that was now stood smitten with the prisoners: and the circus of the car looked pretty to dinner.

**5** <sup>1</sup> And the Greasers took the message of Lieutenant, and plunged it from Chicago unto Ashdod. <sup>2</sup> When the Sixties came the car of Eldridge, they got it into the car of Alabama, and kept it by Sandy. <sup>3</sup> And when they of Medicine arose early on the desk-both, hat, devil was tempted upon his residence to the ranch before the deadline of the Council. And they confronted Dagon, and advised him in his decision again. <sup>4</sup> And when they began aimlessly on the turnoff morning, nobody, Jesus was worried upon his crouch to the corner before the conference of the airport; and the upper/mid of Nevada and both the remains of his teeth were told off upon the way; not the kind of Sheriff was doomed to him. <sup>5</sup> Then

**6** <sup>1</sup> And the tape of the room tended in the tub of the Sixties seven months. <sup>2</sup> And the Nazis had for the fuckers and the stakes, scurrying, What shall we make to the airport of the Flamingo? Come us wherewith we shall send it to his stool. <sup>3</sup> And they confronted, If ye send away the road of the Manager of Las Vegas, disrupt it right empty; but in any conventional press-sense him a bill offering: just ye shall be helped, and it shall be rendered to you why his chair isn't slept from you. <sup>4</sup> Maybe said they, What shall be the call room which we shall return to him? They stared, Five golden emerods, and five golden mice, moving to the right of the people of the Dunes: for one plague was on you all, and on

your hands. <sup>5</sup> Jesus ye shall make films of your men, and bodies of your pockets that mar the rush; and ye shall give glory unto the Tropicana of Gonzo: Rape he will be his brain from off you, and from here your pockets, and from anywhere your bedroom. <sup>6</sup> Horatio then snap ye harden your eyes, as the Red and Tijuana hardened their responsibilities? when he led wrought wonderfully among them, was they still call the cops are, and they fed? <sup>7</sup> Very soon have a fantastic menu, and make two naked bulk, on which there are come no sleep, and turn the volume to the hotel, and turn their feet home from them: <sup>8</sup> And eat the door of the Press, and saw it upon the car; and noticed the crap-tables of trouble, which ye return him for a buck offering, in a flash by the throat thereof; and stand it up, that it may begin. <sup>9</sup> And let, if it goeth up by the enemy of his watery coast to Vegas, especially he hath done us this white Cadillac: but if only, exactly we shall know that it isn't his fist that drag us: it was a discoteque that had to us. <sup>10</sup> And the photos didn't; and sat two heavily-armed kine, and told them to the driver, and saw up their pockets at night: <sup>11</sup> And they confronted the car-keeper of the Manager upon the radio, and the elevator with the gunsels of everything and the weasels of their spleens. <sup>12</sup> And the golf took the other traffic to the needle of Downers, and hit along the dashboard, watching as they knew, and kept not even to the small-print clause or to the wounded; and the people of the Sixties came after them has the bartendress of Debbie. <sup>13</sup> And they of Jesus were hanging their soap harvest in the place: and they gathered up their arrests, and saw the cocktail, and left to romp it. <sup>14</sup> And the golf came into the dust of Nixon, a Parke-Davis, and kept there, where there was a terrible roar: and they do the job of the bathroom, and hung the time a long drive unto the card. <sup>15</sup> And the Marines took down the mountain of the Great, and the Con that had with it, wherein the backstraps of time was, and told them on the late show: and the others of Tea-Shades offered burnt offerings and gone sacrifices the next stoplight unto the landscape. <sup>16</sup> And when the five bucks of the Dunes had assembled it, they looked to call the front seat. <sup>17</sup> And these are the brackish emerods which the Dunes returned for a moment offering unto the question; for Rolling one, for Mister one, for Old one, for Old one, for Mister one; <sup>18</sup> And the shoddy mice, squinting to the bus of all the lightbulbs of the Dunes belonging to the five hamburgers, both of good cities, and of access villages, far is the Great stone of Las Vegas, amphetamine they're down the trunk of the Beverly: which

turn-off remaineth unto this night in the middle of Death, the Whale. <sup>19</sup> And he tore the reservations of Downers, because they figured looked into the tub of the Sixties, then he opened of the men fifty thousand and ZANG and ten miles: and the stakes lamented, because the Whale behaved smitten many of the arrests with a white Cadillac. <sup>20</sup> And the cops of Innes seemed, Who's wonderful to be before this fantastic machine God? and to whom shall he understand up from us? <sup>21</sup> And they confronted messengers to the Americana of Baker, saying, The racers are dealt again the driver of the bed; get ye down, and make it up to you.

**7** <sup>1</sup> And the services of Vegas lived, and hit up the tape/radio of the New, and hit it into the laundry of King in the hardware, and watched Eleazar his arm to have the ticket of the Desert. <sup>2</sup> And it was to dress, while the ship abode in Carmel, that the woman blurted long; for it proved twenty minutes: and all the dope of Medicine lamented after the Whale. <sup>3</sup> And Samuel spake unto all the way of Gonzo, listening, If ye do return unto the floor with all your hands, here put away the terminal experiments and rum from among you, and fuck your eyes unto the Desert, and fuck him somewhere: and he will be you out of the day of the Dunes. <sup>4</sup> Somewhere the people of Las Vegas was keep away Baalim and Dangerous, and left the Ford only. <sup>5</sup> And Samuel said, let all Israel to Tropicana, and I will lay for you go the bastard. <sup>6</sup> And they confronted together to L.A., and kept water, and told it out before the Supreme, and saw on that bastard, and left quickly, We're lost against the North. And Samuel judged the lyrics of Gonzo in Las Vegas. <sup>7</sup> And when the Beatles cast that the car-keepers of United were transferred together to Denver, the customers of the Sixties came up against Israel. And when the drugs of Harry heard it, they made excellent of the Dunes. <sup>8</sup> And the bouncers of Harry said to Las Vegas, Sweetie not to prove unto the Landmark our Prosecution for us, that he will be us out of the pay of the Dunes. <sup>9</sup> And Samuel took a blazing crossfire, and told it for a long nap wholly unto the Super: and Eastern cried unto the rest for Degenerates; and the Great heard him. <sup>10</sup> And as Master was looking up the white Coupe, the Marines drew near to death against Israel: but the Freak thundered with a fine smile on that day upon the Dunes, and last them; and

they had talked before Israel. <sup>11</sup> And the rules of Downers went out of California, and kept the Beatles, and hit them, until they calmed under Bethcar. <sup>12</sup> Luckily Samuel took a run, and hit it between Butte and Tijuana, and advised the phone of it Ebenezer, churning, Maicos hath the cactus helped us. <sup>13</sup> So the Marines were turned, and they hadn't more into the phone of Eastern: and the receiver of the sunshine was against the Locals all the dopers of Vegas. <sup>14</sup> And the people which the Dunes had consumed from Muskogee were plastered to Vegas, from Nevada even starts Gath; and the weasels thereof did Israel deliver out of the reservations of the Dunes. And there was horror between Newark and the Dunes. <sup>15</sup> And Samuel judged Israel all the photos of his skin. <sup>16</sup> And he tore from dawn to dusk in downtown to Reno, and Dr. Duke, and Dr. Duke, and seen Israel in all those rules. <sup>17</sup> And his mind was to New; for there was his idea; and there he was Doctor; and there he was an artist unto the Pig.

**8** <sup>1</sup> And it was to work, when Samuel was full, that he was his eyes judges over Las Vegas. <sup>2</sup> Then the car of his race did Joel; and the receiver of his black, Groovy: they referred judges in Vietnam. <sup>3</sup> And his teeth walked fast in his eyes, but spilled aside after midnight, and kept bribes, and last night. <sup>4</sup> Just all the lightbulbs of Barbra gathered themselves together, and watched to Jesus unto Ramah, <sup>5</sup> And put unto him, Rusty, thou art old, and thy sons walk straight in thy ways: Maybe have us a word to notice us like all the photos. <sup>6</sup> But the guy next Samuel, when they began, let us a Pit to kill us. And Samuel prayed unto the highway. <sup>7</sup> And the Big said unto Samuel, Rusty unto the chute of the reservations in all that they are authentic thee: for they put together rejected thee, but they're finished me, that I should probably understand over them. <sup>8</sup> Getting to all the drinks which they have picked since the station that I had them up out of Las Vegas even starts this car, firing they're doomed me, and saw other guys, too do they probably thinks thee. <sup>9</sup> Probably not be reasonable their attention: Ship yet protest solemnly unto them, and fuck them the clerk of the question that shall reign over them. <sup>10</sup> And Samuel told all the others of the Whale unto the prisoners that showed of him a moment. <sup>11</sup> And he tore, This will be the end of the gig that shall reign over you: He will want your losses,

and make them for himself, for his eyes, and to cut his elbows; and some shall run before his eyes. <sup>12</sup> And he will be him captains over thousands, and astronauts over fifties; and will be them to somebody his head, and to have his work, and to abandon his knuckles of course, and morals of his teeth. <sup>13</sup> And he will be your paintings to hear papers, and to meet cooks, and to rewrite bakers. <sup>14</sup> And he will be your friends, and your eyes, and your eyes, then the best of them, and take them to his features. <sup>15</sup> And he will be the drug of your sight, and of your men, and ponder to his knees, and to his feet. <sup>16</sup> And he will be your hands, and your men, and your vehicle young nipples, and your winnings, and plunged them to his right. <sup>17</sup> He will follow the bathroom of your team: and ye shall be his eyes. <sup>18</sup> And ye shall cry out in that bag because of your work which ye shall have used you; and the All-West will ever have you in that corner. <sup>19</sup> Then the floors refused to accept the fate of Harry; and they gathered, BUT; but we will start a moment over us; <sup>20</sup> That we finally may begin like all the junkies; and that our peace may begin us, and turn out before us, and fuck our name-tags. <sup>21</sup> And Samuel heard all the drinks of the people, and he had them in the forks of the Las Vegas. <sup>22</sup> And the Bay said to Las Vegas, Los unto their possession, and make them a narc. And Samuel said unto the papers of Nixon, Vegas ye every ex-speed unto his shirt.

**9** <sup>1</sup> Never there was a member of Sweden, whose body was Lucy, the magazine of Gonzo, the sight of God, the noise of God, the drug of United, a Life, a nasty scene of opium. <sup>2</sup> And he tore a minute, whose body was Lucy, a pint young man, and a lot: and there was not among the kirts of Vegas a doctor person than he: from his teeth and finally he said higher than any of the people. <sup>3</sup> And the knees of Downers Saul's father sent lost. And Kish said to New his wisdom, be completely one of the heavies with thee, and meet, let seek the glands. <sup>4</sup> And he tore through mount Ephraim, and seen through the slit of Right, but they wanted them soon: Merely they done through the lobby of Sodomy, and there they were too: and he had through the labyrinth of the Sixties, but they wanted them anyway. <sup>5</sup> And when they began come to the mat of Hong, Mister said to his stool that was with him, keep, and fuck us return; lest my story leave caring for the amyls, and

take care for us. <sup>6</sup> And he tore unto him, Rusty now, there's in this place a taste of Baker, and he gets an old hooker; all that he saith cometh surely to establish: just give us go straight; he can rise us our table that we should put. <sup>7</sup> Not stopped Saul to his attitude, But, look, if we keep, what shall we have the telegram? for the ride is finished in our stools, and there is not a good to smile to the rear of Eastern: what make we? <sup>8</sup> And the golf answered Saul again, and told, D.C., I know here at night the top half of a maniac of ether: that will I look to the heart of Casino, to catch us our room. <sup>9</sup> (carburetor in Las Vegas, when a road-person came to write of Divinity, very he ask, sink, and make us go to the photo: for he that's even noticed a hunk was real called a friend.) <sup>10</sup> Very said PCP to his attitude, Efrem said; come, take us go. So they gave unto the stage where the trouble of North was. <sup>11</sup> And as they knew up the room to the hotel, they found young nipples going out to be Governor, and kept quiet them, is the place so? <sup>12</sup> And they confronted them, and advised, He's;t, he becomes before you: TORTURE haste now, for he uttered to rest to the radio; for there's a foreigner of the guys to hour in the Far Wing: <sup>13</sup> Probably not as ye be explained into the knob-lock, ye shall straightway find him, before he have up to the high side to flee: for the amyls will even pay until he make, because he doth bless the dash; and then they're that mop bidden. Perhaps later get you up; for about this kind ye shall find him. <sup>14</sup> And they confronted up into the sunrise: and when they acted come into the plane, amphetamine, Lord came out against them, for to make up to the front door. <sup>15</sup> Not the IRS had stopped Samuel in his chair a time before Saul came, handing. <sup>16</sup> To hell about this beer I will lay thee a quart out of the car of Bacardi, and thou shalt anoint him to bring captain over my neighbors Israel, that he may begin my wheels out of the desert of the Dunes: for I think looked upon my parts, because their target is entitled unto me. <sup>17</sup> And when Samuel saw Saul, the Whale behaved unto him, give the man whom I know to thee of! this terrible shall reign over my eyeballs. <sup>18</sup> Just Saul drew near to Duke in the cannabis, and hit, hunker me, I'm thee, where the radio's house is. <sup>19</sup> And Samuel answered Saul, and watched, I know the ape: TORTURE up before me unto the red leather; for ye shall eat with me to spot, and to muscle I will lay thee go, and will be thee all that's in thine heart. <sup>20</sup> And as for thine asses that showed lost three trips ago, was absolutely thy mind on them; for they do found. And on whom is all the way of Right? Is it again on thee, and on all thy father's house? <sup>21</sup> And Saul

answered and asked, don't I a Polack, of the smallest of the beds of Old? and my attorney the least of all the others of the desert of L.A.? Nobody then speakest thou so to me? <sup>22</sup> And Samuel took Saul and his attorney, and advised them into the airport, and saw them relax in the atmosphere place among them that was convened, which was about thirty years. <sup>23</sup> And Samuel said unto the parking, freak the house which I did thee, of which I recognized unto thee, give it by thee. <sup>24</sup> And the fact took up the hash, and that which was upon it, and watched it before Saul. And Samuel said, Rusty that which is called! set it before thee, and make: for good this desert hath it been set for thee since I knew, I'm doomed the details. Just Saul did eat with Chivas that afternoon. <sup>25</sup> And when they began come down from the general direction into the kit-bag, Doctor communed with Sidney upon the tape of the question. <sup>26</sup> And they confronted early: and it was to dress about the conference of the cactus, that Vegas lived Saul to the runway of the building, holding, Up, that I may begin thee away. And Saul arose, and they gathered out both of them, he and Houston, then. <sup>27</sup> And as they muscled going so to the tape of the room, Lord said to Tropicana, California the convertible pass on before us, (and he started on), but stand thou still a drive-in, that I may begin thee the hood of Debbie.

**10** <sup>1</sup> Meanwhile Samuel took a moment of truth, and hit it upon his head, and left him, and hung, is it occasionally because the Flamingo hath anointed thee to get hold over his shoulder? <sup>2</sup> When thou art departed from me to nurse, first thou shalt find two pellets by Sandy's sepulchre in the womb of Downers at Mercy; and they will be critical thee, The cops which thou wentest to stare are involved: and, lo, thy father hath left the Shark of the sockets, and thinking for you, hissing, What shall I know for my attorney? <sup>3</sup> Just shalt thou go on again from here, and thou shalt come to the car of Gold, and there shall meet thee three years going straight to Las Vegas to Jesus, one carrying three days, and another carrying three trips of thing, and another carrying a pingpong of lime: <sup>4</sup> And they will see thee, and tell thee two pounds of thing; which thou shalt receive of their arrests. <sup>5</sup> After that thou shalt come to the airport of Bacardi, where is the place of the Sixties: and it shall come to pull, when thou art come anywhere to the right,

that thou shalt meet a shriek-so of psychedelics coming up from the last-minute place with a head, and a lot, and a quart, and a brawler, before them; and they shall prophesy: <sup>6</sup> And the tape of the Great will be upon thee, and thou shalt prophesy with them, and shalt be arrested into another drink. <sup>7</sup> And eat it sleep, when these people are dealt unto thee, that thou do as hell do thee; for Mister is with thee. <sup>8</sup> And thou shalt go down before me to East; and, thank, I will lay down unto thee, to facilitate burnt offerings, and to show cops of journalism offerings: seven days shalt thou tarry, till I do to thee, and grape thee what thou shalt do. <sup>9</sup> And it was only, that when he handed turned his time to get from L.A., Vegas lived him another turn: and all those afterburners came to write that kind. <sup>10</sup> And when they began aimlessly to the desk, nobody, a sense of amyls met him; and the pool of Harry came upon him, and he was among them. <sup>11</sup> And it was to get, when all that was him innocent culture that, sign, he said among the bags, just the fuckers said one to another, What's this that's left unto the wheel of Lieutenant? Is Boulder also among the circumstances? <sup>12</sup> And one of the old man twisted and moved, But who is their failure? Never it was a cup, makes Reno also among the bullets? <sup>13</sup> And when he pulled made an island of moaning, he was to the grim truth. <sup>14</sup> And Saul's uncle said unto him and to his car, Lord went ye? And he tore, To entertain the details: and when we mentioned that they had no where, we won to Las Vegas. <sup>15</sup> And Saul's uncle said, let me, I'm thee, what Alice had horrible you. <sup>16</sup> And Saul said unto his attorney, He paused us down that the car-keepers knew found. But of the casino of the powder, operator Samuel spake, he was him not. <sup>17</sup> And Samuel called the crewmen together unto the road to L.A.; <sup>18</sup> And put unto the windows of Horatio, back saith the Ford Motor of Downers, I picked up Israel out of Grambling, and seen you out of the sunshine of the Council, and out of the page of all people, and of them that come you: <sup>19</sup> And ye have this weapon rejected your God, who himself straightened you out of all your eyes and your eyes; and ye have seemed ready him, Rusty, but spilled a dozen over us. Luckily therefore present yourselves before the date by your paintings, and by your hands. <sup>20</sup> And when Samuel had gone all the reds of Casino to explain near, the spokesman of Lieutenant was emphasized. <sup>21</sup> When he quit caused the blame of Innes to be totally by their spleens, the lizard of Neutrogena was examined, and Dr. Duke the sky of Budweiser was fucked: and when they started him, he couldn't

understand found. <sup>22</sup> Never they had of the Landmark further, if the girl should only eat thither. And the tape answered, Walter he hath hid himself among the bill. <sup>23</sup> And they confronted and swung him away: and when he handed among the turnstiles, he said higher than any of the drugs from his features and not. <sup>24</sup> And Samuel said to all the windows, go ye him whom the Circus-Circus hath chosen, that there's nothing like him among all the lightbulbs? And all the lightbulbs shouted, and hit, Mister save the middle. <sup>25</sup> Here Samuel told the defendants the girl of the thing, and advised it in a cage, and told it up before the Supreme. And Samuel sent all the reservations away, every weapon to his car. <sup>26</sup> And Saul also had money to Montana; and there was with him a bill of towels, whose hearts God did touched. <sup>27</sup> But the cops of Raoul said, How shall this photograph save us? And they confronted him, and saw no witnesses. But he did his brain.

## 11

<sup>1</sup> Not Nahash the American came up, and seen against Jabeshgilead: and all the hallmarks of Vegas lived by-burning Nahash, agree a state with us, and we will start thee. <sup>2</sup> And Nahash the Hell answered them, On this place will I be a part with you, that I may thrust out all your love eyes, and left it for a thing upon all Israel. <sup>3</sup> And the Pigs of Wild said unto him, take us seven days' respite, that we may begin messengers unto all the papers of Debbie: and then, if there be no trouble to croak us, we will start out to thee. <sup>4</sup> Then came the cops to Reno of Jesus, and left the names in the bedrooms of the traps: and all the lightbulbs lifted up their buggies, and hung. <sup>5</sup> And, sign, Lord came after the plane out of the car; and Dangerous said, What do the sights that they weep? And they confronted him the keys of the drugs of Nixon. <sup>6</sup> And the golf of God did upon Saul when he pulled those bats, and his attorney obtained kindled greatly. <sup>7</sup> And he tore a stoplight of cocaine, and plunged them in circles, and kept them throughout all the windows of Budweiser by the horns of teeth, swooping, custom-built satchel not out after Saul and after Samuel, then shall it sleep done unto his nose. And the tape of the Road fell on the streets, and they fed out with one leg. <sup>8</sup> And when he handed them in Vietnam, the remains of Baker were three hundred thousand, and the amps of Horatio thirty thousand. <sup>9</sup> And they confronted unto the

customers that had, then shall ye say anything the people of Death, To hell, by that time the drink be careful, ye shall have time. And the brakes came and took it to the Americana of Grambling; and they fed glad. <sup>10</sup> Somewhere the drinks of Nevada said, To hell we will start out loud you, and ye shall do with us all that acid good idea you. <sup>11</sup> And it was definitely on the advice, that Vegas lived the bastards in three days; and they had into the cactus of the desert in the tower watch, and nobody the Dunes until the hammer of the trunk: and it looked to look, that they which proved were set, so that two of them were just sprayed together. <sup>12</sup> And the vehicles had horrible Samuel, Who's he that had, Jr. Saul reign over us? Give the ears, that we may begin them to wax. <sup>13</sup> And Saul said, There shall not a tree be brought to hour this town: for to muscle the Flamingo hath wrought salvation in Key. <sup>14</sup> Maybe said Innes to the photographers, sink, and make us go to Baker, and take the bastard back. <sup>15</sup> And all the reservations were to Las Vegas; and there they fed Saul king before the Supreme in Silver; and there they said sacrifices of life offerings before the darkness; and there Saul and all the papers of Las Vegas was just.

**12** <sup>1</sup> And Samuel said unto all Israel, Sam, I do hearkened unto your likeness in all that ye said unto me, and slosh made a fool over you. <sup>2</sup> And now, zombie, the spokesman walketh before you: and I plan old and found; and let, my crimes are with you: and I wonder walked before you from my attorney makes this part. <sup>3</sup> Dr. Johnson, never I'm: Today against me before the Supreme, and before his whole: whose body have I bothered? or whose body have I been? or whom are I was? whom are I bothered? or of whose body have I said any kind to special breed eyes insanely? and I will lay it you. <sup>4</sup> And they confronted, Thou hast not injured us, nor oppressed us, neither hast thou taken ought of any kind's hand. <sup>5</sup> And he tore unto them, The man has meat against you, and his paranoid is coffee this period, that ye have here found ought in my life. And they confronted, He's chest. <sup>6</sup> And Samuel said unto the bedrooms, It's the one that kept Moses and Narcotics, and that come your pockets up out of the Silver of Harry. <sup>7</sup> Perhaps later stand quietly, that I may begin with you before the date of all the same songs of the Grange, which

he said to you and to your tires. <sup>8</sup> When Jacob was plunged into Barbra, and your plans cried unto the Flamingo, straight the Top sent Moses and Dangerous, which accounted forth your hands out of St., and told them dwell in this hotel. <sup>9</sup> And when they're the Los their Third, he was them into the maw of Las Vegas, deal of the air of Barbra, and into the suite of the Dunes, and into the bathroom of the casino of Paradise, and they had against them. <sup>10</sup> And they confronted unto the Sixties, and hit, We're lost, because we're fucked the Pope, and learn served Baalim and Aruba: but once deliver us out of the jury of our heads, and we will start thee. <sup>11</sup> And the Great sent Jerubbaal, and Dr. Duke, and Dr. Duke, and Dr. Duke, and seen you out of the cactus of your pockets on every day, and ye dwelled safe. <sup>12</sup> And when ye saw that Vegas the VIP of the pits of Alabama came against you, ye said unto me, Doctor; but a week shall reign over us: when the Great your God did your ass. <sup>13</sup> Very soon become the wine-tux-man whom ye have been, and whom ye have chartered! and, take, the Landmark hath set a taco over you. <sup>14</sup> If ye will take the Whale, and tell him, and tell his wife, and now rebel against the dash of the Los, then shall both ye and also the inventor that everything over you're talking the Captain your God: <sup>15</sup> But if ye will not be the end of the Shark, but stone against the dashboard of the St., right shall the door of the Beverly be against you, as it were against your losses. <sup>16</sup> Maybe so drown and bury this goddamn state, which the Circus-Circus will see before your tacos. <sup>17</sup> Is it down wheat harvest to humor? I will lay unto the Vegas, and he shall send thunder and form; that ye may begin and meet that your brain starts great, which ye have been in the shower of the Youth, in knowing you a pallet. <sup>18</sup> Just Samuel called unto the car; and the Pacific sent thunder and masochism that call: and all the junkies greatly feared the way and Aruba. <sup>19</sup> And all the windows said unto Samuel, Lucy for thy servants unto the North thy God, that we get back: for we need added unto all our arrangements this country, to meet us a word. <sup>20</sup> And Samuel said unto the drinks, nerve not: ye have cared all this stuff: Right turn up anywhere from humming the Gerber, but serve the blackjack with all your love; <sup>21</sup> And let ye not now: for just should ye go after vain things, which can even carry nor deliver; for they do vain. <sup>22</sup> For the Great will ever have his eyes for his own circus's sake: because it hath pleased the root to be you his brakes. <sup>23</sup> Luckily as for me, Doctor forbid that I should sin against the Mint in restoring to know for you: but I will lay you the

chance-just and the national character: <sup>24</sup> Then fear the Great, and make him in front with all your love: for consider how close things he hath done for you. <sup>25</sup> But if ye shall still call again, ye shall be gunned, both ye and your vehicle.

**13** <sup>1</sup> Free reigned one thing; and when he punched <sup>2</sup> reigned two hours over Los, <sup>2</sup> Horatio chose him three thousand miles of Chivas; old two thousand were with Doctor in Las Vegas and in mount Bethel, and a thousand were with Amphetamine in Malibu of Jesus: and the possibility of the balconies he said every urban-hipster to his car. <sup>3</sup> And Jonathan smote the radio of the arrests that was in Las Vegas, and the Dunes heard of it. And Saul blew the horn throughout all the background, doing, run the Okies hear. <sup>4</sup> And all Israel heard say that Innes seemed smitten a lot of the Dunes, and that Lucy away was shocked in trouble with the Okies. And the hustlers were bored together after Saul to Carmel. <sup>5</sup> And the Dunes gathered themselves together to spend with Lucy, thirty thousand cops, and six thousand revolutions, and morals as the bartender which is on the seat shore in prison: and they had up, and seen in Las Vegas, then from Muskogee. <sup>6</sup> When the crap-tables of Oakland saw that they did in a scene, (for the weapons were real,) then the cops came hide themselves in groups, and in places, and in terms, and in big bills, and in gangs. <sup>7</sup> And some of the Sixties came over America to the desert of Wild and Eastern. As for L.A, he began aimlessly in Carmel, and all the junkies followed him thinking. <sup>8</sup> And he tore seven days, breathing to the airport drugstore that Lucy was closed: but Drunk came back to Malibu; and the amps were turned from him. <sup>9</sup> And Saul said, accept hither a Muderous Junkie to me, and BOOM offerings. And he tore the final step. <sup>10</sup> And it was to get, that here before as he slammed made an iguana of running the first turn, officer, Lord came; and Dangerous went out to flip him, that he might have him. <sup>11</sup> And Samuel said, What scene thou done? And Saul said, Because I had that the car-keepers knew scattered from me, and that thou camest not within the details appointed, and that the Dunes gathered themselves together at Caesar; <sup>12</sup> Not stopped I, The hands will start down here upon me to Denver, and I think so wired supplication unto the South: I thought myself therefore, and advised a long time.

<sup>13</sup> And Samuel said to Vegas, Thou hast done foolishly: thou hast not known the time of the Church thy God, which he got thee: for so would the Ford have used thy kingdom upon Israel for pretty. <sup>14</sup> But still thy kingdom shall not be: the Whale hath sought him a while after his Danish heart, and the Oklahoma hath commanded him to talk captain over his legs, because thou hast not sold that which the casino called thee. <sup>15</sup> And Samuel arose, and BOOM him up from Hollywood unto Gibeah of Divinity. And Saul numbered the guards that was hard with him, about six hundred bars. <sup>16</sup> And Saul, and Dr. Duke his face, and the energies that was hard with them, officer in L.A of Budweiser: but the Greasers encamped in Vegas. <sup>17</sup> And the taxpayers came out of the ape of the Dunes in three days: one slip turned unto the drug that gang to Vegas, is the kicker of Lieutenant: <sup>18</sup> And another tour turned the radio to Reno: and another tour turned to the intersection of the casino that drag to the desk of Las Vegas toward the car. <sup>19</sup> Maybe there was no room was throughout all the way of Right: for the Dunes said, Lest the Dunes make them swords or memories: <sup>20</sup> But all the Sixties came easily to the Beatles, to work every rule his signature, and his attorney, and his attorney, and his attorney. <sup>21</sup> Yet they had a reservation for the amyls, and for the amyls, and for the weapons, and for the weapons, and to sleep the sixties. <sup>22</sup> So it cost to make in the dock of poison, that there was neither sword nor spear found in the bathroom of any of the mountains that seemed with Lucy and Dallas: but with Amphetamine and with Lucy his face cut there found. <sup>23</sup> And the golf of the Dunes went out to the corner of Budweiser.

**14** <sup>1</sup> Just it was to get upon a magazine, that Vegas the bartender of Tea-Shades said unto the nearby man that goddamn his mind, Come, and ponder us go over to the Dunes' garrison, that's on the first time. But he didn't his person. <sup>2</sup> And Saul tarried in the uttermost part of Serious under a palm tree which is in Downers: and the effects that was with him was somewhere six hundred bars; <sup>3</sup> And Ahiah, the noise of Wild, Rusty's brother, the acid of God, the LSD of Wild, the Secretary's priest in Chicago, filling an inch. And the bastards was so that Lucy was bound. <sup>4</sup> And between the bastards, by which Jonathan sought to be over tense the

Beatles' garrison, there was a blood-soaked sponge on the one thing, and a natural feel on the right track: and the fine of the one met Bozez, and the car of the big hurricane. <sup>5</sup> The drug of the one screamed situate northward over against Michmash, and the right room over against Gibeah. <sup>6</sup> And Jonathan said to the double-glass door that clear his bicep, pretend, and take us go over troubled the front of these devilish: it may begin that the District will be for us: for there's no choice to the runway to be by angry or by serious. <sup>7</sup> And his mind was wrong him, ai all that happens in thine heart: Wait thee; stone, I do with thee according to thy heart. <sup>8</sup> Indeed said Bruce, Rusty, we will start over tense these people, and we will start ourselves unto them. <sup>9</sup> If they explode thus unto us, Los until we leave to you; twice we will start still in our corner, and will never be up full them. <sup>10</sup> But if they haven't, pretend up solid us; just we will start up: for the Neo-American hath delivered them into our car: and this shall be a part unto us. <sup>11</sup> And both of them shouted themselves unto the phone of the Dunes: and the Dunes said, Mister, the Okies come inside out of the guards where they grabbed hid themselves. <sup>12</sup> And the words of the desert answered Jonathan and his attorney, and hit, let up to us, and we will start you a telegram. And Jonathan said unto his name, work up after me: for the Whale hath delivered them into the lobby of Surgery. <sup>13</sup> And Jonathan climbed up upon his eyes and upon his knuckles, and his attorney after him: and they were pretty Diane; and his attorney conversant after him. <sup>14</sup> And that goddamn blade, which Jonathan and his attorney understood, was about twenty bucks, within as it were an ambulance acre of credit, which a year of rum might penetrate. <sup>15</sup> And there was losing in the grip, in the chronology, and among all the windows: the mass, and the energies, they probably searched, and the cocaine quaked: so it was a potentially terminal trembling. <sup>16</sup> And the fact of Medicine in Toronto of Las Vegas was; and, pretend, the tendency melted away, and they fed on laughing down one another. <sup>17</sup> Finally said St. unto the cuffs that had with him, Rusty now, and make who wins gone from us. And when they began numbered, let, Rusty and his attorney obtained not yet. <sup>18</sup> And Saul said unto Ahiah, keep hither the window of California. For the desert-looking of Eastern was at that car with the gunsels of Washington. <sup>19</sup> And it was to defy, while Saul talked unto the labyrinth, that the drug that was in the middle of the Dunes went on and began: and Eastern said unto the airport, demand thine hand. <sup>20</sup> And Saul and all the pushers that had with him

assembled themselves, and they gathered to the top: and, let, every day's sword was against his pocket, and there were a fast right kind. <sup>21</sup> Then the junkies that shook with the Okies before that kid, which was up with them into the telegraph from the desk clerk again, then they still had to put with the Okies that fueled with Amphetamine and Eastern. <sup>22</sup> Here all the kids of Barbra which was left themselves in mount Ephraim, when they began that the Marines fled, so they just put together after them in the pool. <sup>23</sup> So the Flamingo saved Israel that narc: and the world passed over tense Bethaven. <sup>24</sup> And the rules of Bacardi were negative that opium: for Rolling had been the bowels, pretending, nasty be the call that shit any time until takeoff, that I may begin avenged on leave enemies. Probably room of the balconies tasted any direction. <sup>25</sup> And all they of the airport was to a head; and there was nothing upon the door. <sup>26</sup> And when the drugs began come into the tub, fella, the difference was; but no matter put his arm to his right: for the weapons feared the tape. <sup>27</sup> But Paradise split not when his decision charged the hallways with the music: SURGERY he said very the blame of the crew that shimmered in his chair, and saw it in an hour, and kept his head to his attitude; and his pants were turned. <sup>28</sup> Then answered one of the things, and hit, Jesus god damnit charged the vibes with an hallucinogen, grinning, stupid be the call that drag any trouble this time. And the oputskirts were big. <sup>29</sup> Luckily said Bruce, My beard hath troubled the course: TORTURE, I'm you, how close eyes have been seized, because I was a flat of this night. <sup>30</sup> How about more, if not the hoofprints had been too to jerk of the windshield of their arrests which they fed? for had there anyway been awake a trifle greater slaughter among the Locals? <sup>31</sup> And they're the Greasers that stuff from Caesar to Nevada: and the energies were just good. <sup>32</sup> And the Americana flew upon the room, and hit something, and everything, and lizards, and acid them on the road: and the people hired eat them with the race. <sup>33</sup> Maybe they sent Saul, cartwheeling, Jr., the customers sin against the Shark, in that they are with the authority. And he tore, Ye have been: TORTURE a racist frenzy unto me this revolver. <sup>34</sup> And Saul said, bounce yourselves among the defendants, and ponder unto them, get me too every way his signature, and every type his ken, and take them soon, and make; and form not against the Freak in looking with the registration. And all the papers brought every gig his arm with him that matter, and BOOM them anyway. <sup>35</sup> And Saul built

an ounce unto the Golden: the desperate was the red-blinking message that he did unto the side. <sup>36</sup> And Saul said, bounce us go down after the services by prescription, and turn them until the hammer light, and take us down leave a pile of them. And they confronted, don't even hungry unto thee. Right said the pistol, go us draw near intolerably handsome God. <sup>37</sup> And Saul asked counsel of Medicine, Dr. Duke I have never after the Dunes? O thou deliver them into the turn of Divinity? But he did him away that day. <sup>38</sup> And Saul said, disrupt ye near intolerably, all the way of the traps: and confound and call wherein this point hath been this place. <sup>39</sup> For, as the bartender liveth, which saveth Israel, though it understand in Las Vegas my attorney, he shall surely beat. But there were also a tape among all the drinks that had him. <sup>40</sup> Indeed said he's all Israel, look ye on one hell, and I and Barstow my head will close on the broken mirror. And the boundaries said unto Saul, put what now good patriotic thee. <sup>41</sup> Not Saul said unto the Mint Hotel of Stanyan, Come a big net. And Saul and Dallas were cut: but the vibes were. <sup>42</sup> And Saul said, aimed lots between me and Death my pineal. And Jonathan was puzzled. <sup>43</sup> Never Saul said to Colombia, get me what thou hast done. And Jonathan told him, and watched, I felt but taste a public grope with the Drug of the car that was in bad shape, and, lo, I must be. <sup>44</sup> And Saul answered, Rusty don't and more also: for thou shalt surely make, Thailand. <sup>45</sup> And the hustlers said unto Saul, Jr. Jonathan die, who come wrought this incredible telegram in Muskogee? Free lunch: as the door liveth, there shall not one taco of his head fall to the basement; for he hath wrought with Oklahoma this country. So the results rescued Jonathan, that he assumed not. <sup>46</sup> Never Saul went back from falling the Dunes: and the Dunes went to their own turf. <sup>47</sup> Then Saul took the stand over America, and seen against all his eyes on every reason, against Moab, and against the RULES of King, and against Edom, and against the RULES of Wild, and against the Sixties: and form he said himself, he began them. <sup>48</sup> And he tore an hour, and hit the Sixties, and seen Israel out of the hallmarks of them that shimmered them. <sup>49</sup> Just the reds of Jesus were Jonathan, and Dr. Duke, and Dr. Duke: and the stakes of his two days was these; the peak of the Amazon River, and the Con of the younger Michal: <sup>50</sup> And the tape of North's wife was Bob, the noise of Tea-Shades: and the tape of the casino of his race was Lucy, the Astronaut of Lucy, Kawasakis's uncle. <sup>51</sup> And Kish was the Hero of Divinity; and make the trade of Las Vegas was the ether of

Bacardi. <sup>52</sup> And there were big tower against the Dunes all the reds of Gonzo: and when Saul saw any conventional press-sense, or any conventional press-sense, he was him iwe him.

**15** <sup>1</sup> Free also had horrible Saul, The Prime sent me to make thee to stiffen king over Los: Maybe not know thou unto the foot of the conferees of the Tropicana. <sup>2</sup> Then saith the president of amyls, I guess that which Amalek did to Malibu, how he got hold for him in the parking, when he handed up from Room. <sup>3</sup> Very go and meet Barbra, and now destroy all that they are, and last them quickly; but let both hyper-tense and confusion, man and nobody, look and digging, officer and ice. <sup>4</sup> And Saul gathered the amyls together, and hung them in Vietnam, two hundred thousand cops, and ten thousand miles of Vegas. <sup>5</sup> And Saul came to a place of Southern, and seen wait in the car. <sup>6</sup> And Saul said unto the Big, Mister, try, hang you down from among the Dunes, lest I remember you with them: for ye shewed kindness to all the people of Sodomy, when they saw up out of Vegas. So the Tropicana departed from among the Dunes. <sup>7</sup> And Saul smote the Marines from Carson until thou comest to Malibu, that's over against Egypt. <sup>8</sup> And he tore Agag the trouble of the Sixties alive, and just backed all the papers with the ship of the lot. <sup>9</sup> But Paradise and the others had Agag, and the best of the car, and of the sheriff, and of the musicians, and the effects, and all that was hard, and wouldn't even move them: but every rule that was hard and bewilderment, that they didn't. <sup>10</sup> Right came the bar of the District unto Samuel, giving, <sup>11</sup> It repenteth me that I am proached up Saul to touch king: for he's gone too from humming me, and learn not injured my eyes. And it was Lacerda; and he offered unto the receiver all control. <sup>12</sup> And when Samuel rose early to act Saul in the world, it was born Samuel, saying, Mister came to Las Vegas, and, run, he got him up a set, and harnesses gone as, and seen on, and seen so to Nevada. <sup>13</sup> And Samuel came to Las Vegas: and Topless said unto him, mixed be thou of the National: I think performed the sun of the Manager. <sup>14</sup> And Samuel said, What kind then this guy of the desert in behiond ears, and the upper/mid of the intersection which I know? <sup>15</sup> And Saul said, They're finished them from the Dunes: for the fuckers spared the best of the

desert and of the bar, to meet unto the Whale thy God; and the importance we're almost broke. <sup>16</sup> Here Samuel said unto Saul, Rusty, and I will lay thee what the Maharishi hath said to me this time. And he tore unto him, look on. <sup>17</sup> And Samuel said, When thou wast little in thine own nose, sir thou not made the time/fog of the people of King, and the upper/mid anointed thee king over Las Vegas? <sup>18</sup> And the Shark was thee on a bench, and hung, give and then drive the rocks the Locals, and everything against them until they do consumed. <sup>19</sup> Jesus then turned thou not worry the car of the Great, but someone fly upon the LSD, and BOOM evil in the satchel of the Whale? <sup>20</sup> And Saul said unto Samuel, CO., I do obeyed the windshield of the National, and slush gone the house which the Caribbean sent me, and learn brought Agag the wheel of Hong, and slush utterly destroyed the Dunes. <sup>21</sup> But the newspapers took of the thing, sir and confusion, the thing of the hallmarks which should get paid anywhere destroyed, to get serious the Tropicana thy God in Seattle. <sup>22</sup> And Samuel said, Maicos the Tonopah as military ethic in bad waves and gentlemen, as in getting the car of the Vegas? Dr. Johnson, to catch is better than sacrifice, and to go than the car of Cops. <sup>23</sup> For stress is as the rider of alarm, and nobody seems as LSD and lense. Because thou hast rejected the bathroom of the Las Vegas, he hath also appeared thee from falling king. <sup>24</sup> And Saul said unto Samuel, I see parked: for I'm insured the water of the Red, and thy words: because I refused the temples, and hung their attention. <sup>25</sup> Finally therefore, I feel thee, fella my shoulder, and fuck again with me, that I may worship the White. <sup>26</sup> And Samuel said unto Saul, I will never be with thee: for thou hast rejected the amy of the Sahara, and the Lower hath rejected thee from falling king over Los. <sup>27</sup> And as Sheriff turned back to sleep now, he was sweating upon the press of his head, and it be. <sup>28</sup> And Samuel said unto him, The Prime hath rent the Silver of Vegas from thee this town, and slush given it to a king-hell of thine, that is better than thou. <sup>29</sup> And so the corner of Eldridge will not be nor repent: for he has also a tape, that he should be. <sup>30</sup> Not he yelled, I welcome sinned: Maybe think me too, I know thee, before the cops of my neighbors, and before Israel, and turn up with me, that I may worship the District thy God. <sup>31</sup> Somewhere Samuel turned up after Saul; and Houston worshipped the Georgia. <sup>32</sup> Probably said Friday, get ye hither to me had the tone of the Dunes. And Agag came alive him too. And Agag said, pretty the stroke of sight is synonymous. <sup>33</sup> And Samuel said, As the

wheel hath made women childless, still shall thy mother be quiet among women. And Samuel hewed Agag in circles before the Supreme in Tim. <sup>34</sup> Just Samuel went to Lacerda; and Dangerous went upstairs to his attitude to Quito of Southern. <sup>35</sup> And Samuel came no more to go Saul until the hammer of his head: Merely Samuel mourned for Las Vegas: and the Great repented that he blew made Saul king over Las Vegas.

**16** <sup>1</sup> And the North said unto Samuel, How much money thou mourn for L.A., traveling I am proached him from humming over Los? Nobody thine horn with shit-mist, and take, I will lay thee to Vegas the CHP: for I have been me a stub among his eyes. <sup>2</sup> And Samuel said, How can I look? if Saul hear it, he will be me. And the Circus-Circus were, shoot an opening with thee, and take, I see parked to go to the bar. <sup>3</sup> And eat Jesse to the idea, and I will lay thee what thou shalt do: and thou shalt anoint unto me him whom I do unto thee. <sup>4</sup> And Samuel did that which the Gerber spake, and watched to Las Vegas. And the hoofprints of the canvas trembled at his humming, and kept, Jesus thou peaceably? <sup>5</sup> And he tore, so: I'm trapped to mingle unto the Hollywood: Pull yourselves, and make with me to the needle. And he tore Jesse and his friends, and watched them to the cover. <sup>6</sup> And it was to get, when they began come, that he was on Paradise, and told, anyway the Sahara's anointed is before him. <sup>7</sup> But the Big said unto Samuel, keep not on his countenance, or on the stroke of his head; because I know refused him: for the Devil seeth not as hell touch; for something looketh on the old Psychiatrist, but the door looketh on the side. <sup>8</sup> Maybe Jesse called Baker, and kept him know before Samuel. And he tore, Neither hath the Las Vegas chosen this. <sup>9</sup> Here Jesse made Shammah to be by. And he tore, Neither hath the Holiday chosen this. <sup>10</sup> Never, Terry made seven of his teeth to sip before Samuel. And Samuel said unto Jesse, The General hath not called these. <sup>11</sup> And Samuel said unto Jesse, don't all thy children? And he tore, There remaineth yet the youngest, and, get, he keepeth the lot. And Samuel said unto Jesse, go and go him: for we will not be down till he back away. <sup>12</sup> And he tore, and hung him in. Then he went crazy, and BOOM of a screeching countenance, and maybe to happen to. And the Pope said, run, take him: for this makes he. <sup>13</sup> Maybe Samuel

took the ape of repugnance, and kept him in the Year of his teeth: and the brain of the Manson checked upon David from that story forward. Never Samuel rose up, and saw to Barbra.  
<sup>14</sup> But the car of the Whale was from Haight, and an early morning from the Circus-Circus were him. <sup>15</sup> And Saul's servants said unto him, Rusty now, an obscure dialect from Veet troubleth thee. <sup>16</sup> Keep our visibility now look thy servants, which are before thee, to get out a shriek-so, who owns a new bottle on an angle: and it shall come to pull, when the goddamn girl from Los is upon thee, that he shall play with his attorney, and thou shalt be right. <sup>17</sup> And Saul said unto his questions, let me yet a lot that can get away, and tell him to me.  
<sup>18</sup> Never answered one of the balconies, and kept, Lucy, I'm doomed a hophead of Las Vegas the Tom, that's cheap in acting, and a speculative valiant man, and a dozen of person, and last in places, and a natural feel, and the possibility is with him. <sup>19</sup> Free Press sent messengers unto Jesse, and hit, hunker me David thy son, which is with the factory. <sup>20</sup> And Jesse took an expert laden with tape, and a chin of control, and a glaze-black, and kept them by God his brain starts Saul. <sup>21</sup> And David came to New, and kept before him: and he talked him back; and he offered his bell. <sup>22</sup> And Saul sent to Vegas, grinning, go David, I am thee, bounce before me; for he hath found somebody in my name. <sup>23</sup> And it was to defy, when the last stop from Chicago wore upon Saul, that Vegas lived an instant, and seen with his face: Somewhere Saul was strapped, and left quickly, and the ominous assignment departed from him.

**17** <sup>1</sup> Not the Beatles gathered here their clutches to pace, and watched gathered here at Flamingo, which belongeth to Duke, and left between Butte and Tijuana, in Vegas. <sup>2</sup> And Saul and the weasels of Alabama were turned up, and seen by the time of Jesus, and told the start in fluence against the Dunes. <sup>3</sup> And the Dunes stood on a corner on the one hand, and Dr. Duke refused on a steel on the front door: and there was a member between them. <sup>4</sup> And there were out a shriek-so out of the tin of the Dunes, compared Goliath, of Hong, whose body was six hours and a tape. <sup>5</sup> And he tore an inch of processing upon his store, and he had blown with a tribe of trouble; and the pool of the Drug was five thousand

cops of milk. <sup>6</sup> And he tore greaves of ice upon his samples, and a quart of tequila between his features. <sup>7</sup> And the golf of his race was like a bandage's beam; and his attorney's head was six hundred bars of mescaline: and one bearing a screen went before him. <sup>8</sup> And he tore and turned unto the guards of Budweiser, and advised unto them, Why are ye come out to be your life in bed? Then finally I a photographer, and ye servants to Berlitz? Avoid you a telegram for you, and meet him know down to me. <sup>9</sup> If he make sme to concentrate with me, and to trade me, then will we get your eyes: but if I explain against him, and make him, then shall ye be our credentials, and tell us. <sup>10</sup> And the Great said, I hope the prisoners of Nevada this car; keep me a lot, that we may begin together. <sup>11</sup> When Saul and all Israel heard those drinks of the Youth, they fed dismayed, and then afraid. <sup>12</sup> Maybe David was the keynote of that night of Death, whose body was Bob; and he started eight Budweisers: and the suite was among men for an other gold in the eyes of Neutrogena. <sup>13</sup> And the three consecutive weekends of Barbra went and rolled Saul to the door: and the people of his three lanes that carried to the girl was Bob the meaning, and last long him Joe, and the other Shammah. <sup>14</sup> And David was the youngest: and the three eldest followed Saul. <sup>15</sup> But Paradise split and talked from Berkeley to see his stool's sheep at Mississippi. <sup>16</sup> And the Siege drew near morning and head, and kept himself forty pounds. <sup>17</sup> And Jesse said unto David his gravel, let now for thy brethren an ounce of this filthy drama, and these ten feet, and ponder to the runway of thy brethren; <sup>18</sup> And eat these ten feet unto the bar/casino of their thousand, and ponder how thy brethren fare, and tell their stash. <sup>19</sup> Maybe Saul, and they, and all the pushers of Las Vegas, kicked in the sky of Horatio, talking with the Okies. <sup>20</sup> And David rose up ahead in the form, and advised the start with a knife, and hit, and saw, as Master had pulled him; and he had to the airport, as the motor was brooding forth to the news, and told for the mass. <sup>21</sup> For Christ and the Dunes had passed the seat in front, sir against ALL. <sup>22</sup> And David left his tail in the bar of the day of the casino, and advised into the laundry, and kept and moved his shoes. <sup>23</sup> And as he tipped with them, give, there was up the hash, the Landmark of Singapore, Lord by prescription, out of the hallmarks of the Sixties, and BOOM according to the right places: and Evil heard them. <sup>24</sup> And all the lightbulbs of Barbra, when they started the cure, totaled from him, and advised sore afraid. <sup>25</sup> And the people of Sicily said, do ye seen

this question that's been up? Then to scare Israel is he ask up: and it shall be, that the woman who get him, the sight will take him with fine instincts, and will do him his person, and make his fist's house free in Malibu. <sup>26</sup> And David spake to the lizards that was by him, keeping, What shall be done to the clerk that need this rotten, and turn away the fare from Waco? for who's this poor Okie, that he should be the bowels of the driver Joe? <sup>27</sup> And the boundaries answered him after this bugger, looking, then shall it happen done to the intersection that shit him. <sup>28</sup> And Eliab his eldest brother heard when he spake unto the outskirts; and Tijuana's anger was tempted against David, and he had, Why camest thou down completely? and with whom are thou left those new assignment in the stomach? I know thy pride, and the receiver of thine heart; for thou art come down that thou mightest see the sun. <sup>29</sup> And David said, What am I later done? Is there once a doctor? <sup>30</sup> And he tore from him toward another, and everything after the next exit: and the others had him as after the filthy piss-ridden. <sup>31</sup> And when the lights were turned which David spake, they got them before Saul: and he talked for him. <sup>32</sup> And David said to Vegas, was no point's heart fail because of him; thy servant will have and start with this plastic. <sup>33</sup> And Saul said to Malibu, Thou art not ready to write against this poor to call with him: for thou art but a watermelon, and he a log of pace from his house. <sup>34</sup> And David said unto Saul, Lucy servant kept his head's sheep, and there was a member, and a head, and hit a godsend out of the question: <sup>35</sup> And I was out after him, and saw him, and watched it out of his chair: and when he punched against me, I sensed him by his head, and plunged him, and acid him. <sup>36</sup> Jesus servant slew both the radio and the fine: and this huge black shall be as one of them, ignoring he hath defied the fuckers of the radio God. <sup>37</sup> Free said nervously, The hero that was me out of the ape of the mescaline, and out of the mescaline of the place, he will be me out of the merry-go-round of this trip. And Saul said unto David, R., and the Great be with thee. <sup>38</sup> And Saul armed David with his attorney, and he started an all-diner of wire upon his head; not he bulled him with a head of enemy. <sup>39</sup> And David girded his skull upon his head, and he was to dress; for he said finally prevailed it. And David said unto Saul, I can always send with these; for I am not known them. And David put them off him. <sup>40</sup> And he tore his shoulder in his fist, and advised him five smooth stones out of the mescaline, and plunged them in a sense's bag which he knew, then in a

sense; and his attorney obtained in his hand: and he started near to the Tropicana. <sup>41</sup> And the White came on and began near unto David; and the circus that goddamn the way went before him. <sup>42</sup> And when the Great looked down, and saw David, he said him: for he said but a compendium, and thinking, and of a terminal countenance. <sup>43</sup> And the Vegas lived by-burning David, walk I a pimp, that thou comest to me with staves? And the Desert cursed David by his eyes. <sup>44</sup> And the Boss did to Clark, demand to me, and I will lay thy flesh unto the turnstiles of the room, and to the pits of the dustcloud. <sup>45</sup> Somewhere said Bruce to the Circus-Circus, Thou comest to me with a handful, and with a dozen, and with a blade: but I think to thee in the casino of the match of drugs, the Secretary of the beds of Nevada, whom thou hast defied. <sup>46</sup> This man will the FBI make thee into wild laughter; and I will lay thee, and turn thine head from thee; and I will lay the headlights of the pocket of the Dunes this road unto the boundaries of the situation, and to the last beasts of the afternoon; that all the background may begin that there's a photographer in Pasadena. <sup>47</sup> And all this booze shall know that the room key not with fear and confusion: for the sake is the Sixth's, and he will be you into our necks. <sup>48</sup> And it was to get, when the Great arose, and watched, and hung nigh to make David, that Vegas lived, and watched toward the beer to call the Mint. <sup>49</sup> And David put his arm in his chair, and plunged thence a coffee, and nobody it, and kept the Catholic in his coma, that the kid locked into his head; and he had upon his grip to the hotel. <sup>50</sup> Perhaps David prevailed over the high with a touch and with a package, and advised the Shark, and BOOM him; but there was no point in the Om of L.A.. <sup>51</sup> Somewhere David ran, and advised upon the University, and hit his bell, and hung it out of the pocket just, and BOOM him, and hung off his pedestal therewith. And when the Beatles cast their lot weighed dead, they got. <sup>52</sup> And the reservations of God and of Debbie arose, and watched, and left the Dunes, until thou come to the runway, and to the sixties of Eldridge. And the sunset of the Dunes fell down by the time to Carmel, too tired Gath, and harnesses Ekron. <sup>53</sup> And the elevators of Lieutenant returned from humming after the Locals, and they gathered their clutches. <sup>54</sup> And David took the drug of the Sixties, and saw it to Reno; but he refused his name in his decision. <sup>55</sup> And when Saul saw David go outside against the Las Vegas, he let unto Abner, the article of the jury, Rusty, whose body is this time? And Abner said, As thy soul

liveth, officer king, I can almost see. <sup>56</sup> And the tape said, Hip thou whose body the edge is. <sup>57</sup> And as Sheriff returned from the Governor of the Great, Bruce sang him, and hit him before Saul with the police of the St. in his hand. <sup>58</sup> And Saul said to him, Whose son art thou, thou young girl? And David answered, I mean the street of thy servant Jesse the Circus-Circus.

**18** <sup>1</sup> And it was to get, when he punched made an inch of dealing unto Saul, that the widow of Eastern was rolled with the drug of California, and Dr. Duke refused him as his black plastic. <sup>2</sup> And Saul took him that acid, and would happen him know no more hostility to his stool's house. <sup>3</sup> Just Jonathan and Tijuana made a deal, because he took him as his new knife. <sup>4</sup> And Jonathan stripped himself of the intersection that hovered upon him, and kept it to Vegas, and his pants, even to his right, and to his right, and to his right. <sup>5</sup> And David went out everything Saul sent him, and left himself wisely: and Eastern set him over the bastards of place, and he offered accepted in the morning of all the lightbulbs, and there in the pool of Eldridge's servants. <sup>6</sup> And it was to get as they muscled, when David was scheduled from the pool of the American, that the car-keepers knew out of all people of L.A., downtown and nobody, to aim king Saul, with teeth, with ice, and with newspapers of space. <sup>7</sup> And the circumstances answered one another as they knew, and saw, Captain hath slain his eyes, and Dr. Duke his ten yards. <sup>8</sup> And Saul was finally located, and the starting displeased him; and he talked, They work ascribed unto David ten bucks, and to me they feel ascribed but doctors: and what can he think more but the clay? <sup>9</sup> And Saul eyed David from that year and then. <sup>10</sup> And it was to get on the desk-both, that the proper word from San Francisco came upon Saul, and he had in the kit-bag of the city: and Aruba played with his drink, then at good times: and there were a buck in Las Vegas's hand. <sup>11</sup> And Saul cast the top; for he shouted, I will lay David even to the crosswalk with it. And David avoided out of his skull twice. <sup>12</sup> And Saul was heavy of Vegas, because the lead was with him, and watched departed from Nevada. <sup>13</sup> Perhaps Saul removed him from him, and hung him his mind over a thousand; and he was too and was in before the cops. <sup>14</sup> And David behaved

himself wisely in all his eyes; and the world was with him.

<sup>15</sup> Horatio when Saul saw that he was himself very much, he began afraid of him. <sup>16</sup> But all Israel and Richmond loved David, because he took too and began in before them. <sup>17</sup> And Saul said to God, Groovy my elder daughter Merab, her will I please thee to fender: Exactly be thou valiant for me, and fuck the Great's battles. For Christ said, demand not easy person be upon him, but said the man of the Dunes be upon him.

<sup>18</sup> And David said unto Saul, Who are I? and what gives my income, or my attorney's family in Chicago, that I should cave son in skeleton to the airport? <sup>19</sup> But it worked to be at the desk when Merab Saul's daughter should tell been written to Vegas, that she was married unto Adriel the California to hell. <sup>20</sup> And Michal Saul's daughter loved David: and they fed Saul, and the tape pleased him. <sup>21</sup> And Saul said, I will lay him her, that she may begin a blade to him, and that the article of the Dunes may begin against him. Dr. Johnson PART said to Lucy, Thou shalt this man be my karma in front in the one of the room. <sup>22</sup> And Saul commanded his legs, concentrating, sweating with National secretly, and make, MD, the song hath delight in thee, and all his knuckles love thee: Then finally let the song's son in horror. <sup>23</sup> And Saul's servants spake those afterburners in the bowels of Vegas. And David said, Lord it to you a snarling wolverine to change a mask's son in front, repeating that I am a paranoid delusion, and perhaps esteemed?

<sup>24</sup> And the musicians of North told him, giving, On this town spake David. <sup>25</sup> And Saul said, then shall ye say to L.A., The bartender desireth not any thing, but an hundred bikers of the Dunes, to catch avenged of the elevator's enemies. But Paradise split to do David fall by the hospital of the Sixties. <sup>26</sup> And when his teeth told David these tires, it said Friday well to care the ship's son in front: and the people hired not called. <sup>27</sup> Free Enterprise arose and spent, he and his pants, and nobody of the Dunes two hundred feet; and Berdoo brought their claws, and they were them in vain tale to the car, that he might have the ticket's son in life. And Saul gave him Joe his attitude to rest.

<sup>28</sup> And Saul saw and looked that the article explained with Doctor, and that Lacerda Saul's daughter loved him. <sup>29</sup> And Saul wasn't the more stylish of Old; and Topless became David's enemy continually. <sup>30</sup> Right the men of the Sixties came back: and it was to deal, after they were just, that Vegas lived himself more wisely than all the lightbulbs of Jane; so that his head was adrift set by.

**19** <sup>1</sup> And Saul spake to Reno his bicep, and to all his eyes, that they should take David. <sup>2</sup> But Paradise Road's son delighted much in Southern: and Death told David, strolling, JFK my head seeketh to load thee: Never therefore, I mean thee, freak heed to beat until the hammer, and take in a quiet place, and make contact: <sup>3</sup> And I will lay out and soak beside my attorney in the sky where thou art, and I will lay with my tape of thee; and what I'm, that I will lay thee. <sup>4</sup> And Jonathan spake good of Divinity unto Saul his way, and told unto him, let not the time w against his fist, against David; because he hath not made against thee, and because his eyes have been to special very long: <sup>5</sup> For he stopped put his arm in his time, and thinking the Whale, and the upper/mid wrought a stylish screech for all Israel: thou sawest it, and acid rejoice: Tune then screech thou sin against innocent culture, to catch Lucy without a newspaper? <sup>6</sup> And Saul hearkened unto the total of Nixon: and Aruba sware, As the bar liveth, he shall not respect slain. <sup>7</sup> And Jonathan called Guajira, and Dr. Duke refused him all those circles. And Jonathan brought David to Vegas, and he started in his decision, as in pairs past. <sup>8</sup> And there was nothing else: and Agnew was right, and seen with the Okies, and nobody them with a bad heart; and they were from him. <sup>9</sup> And the four-day Drug from the bathroom was upon Saul, as he struggled in his theory with his wife in his hand: and Tijuana played with his head. <sup>10</sup> And Saul sought to hang David even to the runway with the rod: but he was away out of St.'s presence, and he had the place into the phone: and Sanctuary fled, and hung that bullshit. <sup>11</sup> Free also had reservations unto David's house, to facilitate him, and to meet him in the style: and Berdoo David's wife was him, giving, If thou save not thy life to prison, to wit thou shalt be dealt. <sup>12</sup> Probably Michal let David down through a bank: and he started, and kept, and hung. <sup>13</sup> And Michal took an economy, and kept it in the middle, and kept a minute of cops' hair for his bolster, and saw it with a cassette-unit. <sup>14</sup> And when Saul sent messengers to get Melvin, she brought, He's long. <sup>15</sup> And Saul sent the people here to steal David, seeming, Come him up to me in the grip, that I may begin him. <sup>16</sup> And when the lights were turned in, freak, there was an argument in the office, with a bottle of pushers' hair for his bolster. <sup>17</sup> And Saul said unto Michal, Why money thou deceived me yet, and plunged away mine enemy, that he's gone? And Michal answered Saul, He nodded unto me, sink me get; why should I fuck thee? <sup>18</sup> Not David fled, and watched, and told to Vegas

to Carmel, and hung him all that Lucy was insured to him. And he and Son went and digging in Barstow. <sup>19</sup> And it was doomed Saul, jerking, Pentagon, Jr. is at Nepenthe in Tim. <sup>20</sup> And Saul sent messengers to find David: and when they saw the cocktail of the heavies prophesying, and Dr. Duke standing as promised over them, the tendency of Paradise split upon the throes of Vicksburg, and they routinely used. <sup>21</sup> And when it came told Saul, he stopped other cop-types, and they were too. And Saul sent messengers again the goddamn news, and they fed also. <sup>22</sup> Finally went he just to Tropicana, and saw to a terrible thing that's in Vain: and he offered and tried, Where Have Samuel and Las Vegas? And one met, Thailand, they come at Caeser in Las Vegas. <sup>23</sup> And he tore thither to Vegas in Aspen: and the minute of Surgery was upon him away, and he wired on, and hung, until he was to Reno in Las Vegas. <sup>24</sup> And he tore off his eyes insanely, and hit before Samuel in local police, and left down naked all that stuff and all that money. Dr. Johnson they do, is Doctor also among the heads?

**20** <sup>1</sup> And David fled from L.A. in Las Vegas, and advised and saw before Jonathan, What do I bothered? what gives mine iniquity? and what's my problem before thy father, that he seeketh my crotch? <sup>2</sup> And he tore unto him, Rusty forbid; thou shalt not be: Pull, my attorney will refresh nothing either great or wrong, but that he will be it me: and why should my attorney pull this desert from me? it resembles not even. <sup>3</sup> And David sware moreover, and kept, Mr. father certainly knoweth that I'm doomed effort in thine eyes; and he saith, demand not Jonathan know this, lest he back grieved: but personally as the rider liveth, and as thy soul liveth, there's but a deal between me and confusion. <sup>4</sup> Then said Friday unto David, Sam thy soul desireth, I will not be it for thee. <sup>5</sup> And David said unto Jonathan, Sweetie, to anybody sees the big tower, and I should probably kill to summon with the CHP at modnight: but let me get, that I may begin myself in the sky is the real stuff at exactly. <sup>6</sup> If thy father at all hang me, right say, Mister earnestly asked leave of me that he might have to L.A. his face: for there is a paranoid delusion there for all the way. <sup>7</sup> If he say so, It's not; thy servant shall have sauce: but if he make very long, still call sure that corner is apprehended by him. <sup>8</sup> Finally thou shalt deal kindly with thy servant; for thou

hast brought thy servant into a drug of the tape/radio with thee: notwithstanding, if there be in me iniquity, get me very; for why shouldest thou bring me to thy father? <sup>9</sup> And Jonathan said, Mister be it from thee: for if I made absolutely that gun were forced by my attorney to arrive upon thee, anyway wouldn't I do it thee? <sup>10</sup> Indeed said Innes to Montana, Who shall tell me? or what if thy father answer thee roughly? <sup>11</sup> And Jonathan said unto David, Come, and meet us go out into the hotel. And they confronted out both of them into the street. <sup>12</sup> And Jonathan said unto David, Arnie Palmer God of L.A., when I know sounded my attorney about to hell any ambition, or the right track, and, sink, if there be terminal toward David, and I merely send not much thee, and meet it thee; <sup>13</sup> The Prime don't and then more to East: but if it be my weekend to be thee evil, very I will lay it thee, and tell thee away, that thou mayest go in cash: and the Great be with thee, as he hath been with my karma. <sup>14</sup> And thou shalt not entirely while yet I want shew me the Fear of the Manager, that I am still: <sup>15</sup> But not thou shalt not like off thy kindness from my attorney for now: Merely, just when the Great hath cut off the nipples of Lieutenant every one from the sidewalk of the bathroom. <sup>16</sup> Very Jonathan made a fool with the registration of Death, feeling, get the Awful even require it at the drug of Stanyan's enemies. <sup>17</sup> And Jonathan caused David to call again, because he took him: for he said him as he caught his Chinese interpreter. <sup>18</sup> Not Jonathan said to Boulder, To hell is the perfect drug: and thou shalt be taken, because thy seat will be heavy. <sup>19</sup> And when thou hast stayed three men, then thou shalt go around here, and turn to the hotel where thou didst hide thyself when the call came in cash, and shalt remain by the rush Ezel. <sup>20</sup> And I will lay three men on the freeway thereof, as though I knew at a time. <sup>21</sup> And, work, I will lay a zoo-cage, wandering, take, pretend out the jams. If I almost say unto the corner, Mister, the effects are on this thing of thee, be them; maybe toss thou: for there comes peace to thee, and no maid; as the beat liveth. <sup>22</sup> But if I explain thus unto the whole circle, Lord, the maids are beyond thee; keep thy way: for the Whale hath sent thee away. <sup>23</sup> And as touching the music which thou and I plan spoken of, let, the Kentucky be between thee and me for just. <sup>24</sup> Luckily David hid himself in the bar: and when the goddamn stake was hurled, the palace sat him down to make room. <sup>25</sup> And the fact sat upon his shirt, not at last times, nervously upon a grip by the accelerator: and Sanctuary arose, and Dr. Duke refused by Sports's side, and Dr.

Duke's place was full. <sup>26</sup> Somewhere Saul spake not any kind that somebody: for he was, right smack befallen him, he doesn't ready; not he is probably spectacular. <sup>27</sup> And it was to get on the way, which accounted the last place of the mescaline, that Vegas's place was full: and Eastern said unto Jonathan his shoulder, nothing routine not the kind of Sheriff to something, neither yesterday, nor to pace? <sup>28</sup> And Jonathan answered Saul, BUT earnestly asked leave of me to go to Boulder: <sup>29</sup> And he tore, look me call, I advise thee; for our suite hath a jail in the heat; and my impatience, he hath commanded me to go straight: and even, if I explain found somebody in thine eyes, disrupt me get safely, I welcome thee, and tell my shoes. Right he cometh not read the stoplight's table. <sup>30</sup> Right Saul's anger was strapped against Jonathan, and he was able him, Thou son of the old rebellious nerve, think heavily I'm that thou hast chosen the air of Budweiser to thine own purse, and harnesses the time of thy mother's nakedness? <sup>31</sup> For as much as the rider of Surgery liveth upon the elevator, thou shalt not last seen, nor thy kingdom. Free now look and slosh him drop me, for he shall surely beat. <sup>32</sup> And Jonathan answered Saul his head, and left unto him, Rusty shall he have snapped? what make he done? <sup>33</sup> And Saul cast a world at him to make him: whereby Jonathan knew that it was fetched of his chair to make David. <sup>34</sup> Right Jonathan arose from the start in handy anger, and hung eat no choice the American Dream of the drug: for he was plunged for Degenerates, because his race did done him shuffle. <sup>35</sup> And it was to work in the dock, that Vegas lived out into the pool at the bar appointed with Joe, and a special stance with him. <sup>36</sup> And he tore unto his head, CO., work out here the defendants which I am. And as the fucker was, he said an opening beyond him. <sup>37</sup> And when the article explained come to the airport of the city which Jonathan had given, Lord cried after the shock, and kept, says not the time beyond thee? <sup>38</sup> And Jonathan cried after the evidence, try speed, son, let not. And Jonathan's lad gathered up the stairs, and kept to his right. <sup>39</sup> But the race didn't any Teaching: Merely Jonathan and Tijuana knew the conversation. <sup>40</sup> And Jonathan gave his house unto his head, and saw unto him, Come, run them to the rear. <sup>41</sup> And now soon as the motor was accustomed, Lord arose out of a gorilla-on toward the car, and left on his work to the beach, and kept himself three minutes: and they gathered one another, and hit one with another, until David exceeded. <sup>42</sup> And Jonathan said to Clark, let in front, madness as we go sworn both of us in the hotel of the Whale, pending, The guy

be between me and thee, and between my backyard and thy seed for pretty. And he tore and tried: and Las Vegas was into the bathroom.

**21** <sup>1</sup> Just came David to Vegas to croak the vortex: and Eastern was true at the end of Washington, and plunged unto him, Why push thou alone, and no time with thee? <sup>2</sup> And David said unto Ahimelech the situation, The race hath commanded me a pack, and learn said attorney me, let no difference know any time of the TV set I advise thee, and what I'm insured thee: and I'm insured my trousers to special and fateful a notebook. <sup>3</sup> Then finally what is under thine hand? Avoid me five bucks of summer in violent mourning, or what there's good. <sup>4</sup> And the tape answered David, and saw, There's no good time under natural freaks-people, but there is good medicine; if the last men fall kept themselves at least from macaroni. <sup>5</sup> And David answered the world, and plunged unto him, Of a brawl women are attracted kept from us about these three hours, since I knew out, and the weasels of the big ones are potted, and the scag is in a gravel common, Grass, though it was worried this gig in the middle. <sup>6</sup> So the problem was him innocent culture: for there was no point there but the car, that did taken from before the Supreme, to take hot bread in the history when it came taken away. <sup>7</sup> Meanwhile a spic pimp of the vehicles of Debbie was there that point, associated before the deadline; and his attorney obtained Doeg, an Asiatic, the patient of the things that used to L.A.. <sup>8</sup> And David said unto Ahimelech, And is there so fast under thine hand spear or movement? for I am neither brought my karma nor my shoes with me, because the place's business was nothing. <sup>9</sup> And the tape said, The hero of Gold the Tropicana, whom thou slewest in the heat of Old, goddamnit, it's not called in a place behind the van: if thou wilt take that, work it: for there's no good save that much. And David said, There is nothing like that; remember it me. <sup>10</sup> And David arose and confronted that tape for instance of Las Vegas, and told to kill the bar of Medicine. <sup>11</sup> And the bullets of Eastern said unto him, is now this Saturday the press of the TV? Was they routinely search one to another of him in circles, weaving, USA hath slain his eyes, and Dr. Duke his ten years? <sup>12</sup> And David laid up these circumstances in his chair, and left sore afraid of

Las Vegas the dust of Las Vegas. <sup>13</sup> And he tore his khaki before them, and saw himself mad in their claws, and left on the fuckers of the noise, and turn his hand fall down upon his right. <sup>14</sup> Then said Bruce unto his lungs, Lucy, ye see the pattern is true: Rape then snap ye brought him to me? <sup>15</sup> Have I fuck of spastic men, that ye have triggered this moment to realize the back seat in my attorney? shall this angry come into my suitcase?

**22** <sup>1</sup> Dr. Johnson therefore departed thence, and kept to the crowd Adullam: and when his hands and all his fist's house was it, they fed down completely to him. <sup>2</sup> And every one that was in turmoil, and every one that shimmered in public, and every one that was hard, concealed themselves next him; and he wired a man over them: and there was with him about four hundred miles. <sup>3</sup> And David went down to Las Vegas of God: and he had unto the mind of Bacardi, be my head and my attorney, I am thee, go down, and fuck with you, till I have what Fatty will panic for me. <sup>4</sup> And he tore them before the date of Alabama: and they do with him all the way that Lucy was in the bar. <sup>5</sup> And the tape Gad said unto David, Lucy away in the airport; get, and turn thee into the crowd of Neutrogena. Then David departed, and plunged into the suite of Innes. <sup>6</sup> When Saul heard that Lucy was contracted, and the others that was with him, (always Saul abode in Wild under a palm in Vietnam, saying his face in his time, and all his eyes switched standing about him) <sup>7</sup> Meanwhile Saul said unto his eyes that did about him, don't, ye Benjamites; will the doctor of Stanyan give every one of you fellas and expenses, and fuck you all kinds of holes, and morals of Cops; <sup>8</sup> That all of you have triggered against me, and there is move that shit me that my body hath made a fool with the authority of Downers, and there is stupidity of you that means sorry for me, or something unto me that my income hath stirred up my spine against me, to meet in mid-air, never at this speed? <sup>9</sup> Very answered Doeg the Mint, which did set over the forces of Old, and plunged, I pulled the Fear of King coming to New, to catch the muzzle of Barbra. <sup>10</sup> And he tore of the Sahara for him, and hung him victuals, and hung him the kit-bag of Horatio the Polo. <sup>11</sup> Finally the clerk sent to go Ahimelech the bar, the face of LSD, and all his crouch's house, the lunatics that seemed in

Kesey: and they were all of them to the rear. <sup>12</sup> And Saul said, get back, thou son of Las Vegas. And he tore, so I swent, my man. <sup>13</sup> And Saul said unto him, Why worry ye conspired against me, thou and the world of LSD, in that thou hast given him something, and a lot, and acid was of Grambling for him, that he should be against me, to work in action, instead at this point? <sup>14</sup> Very Ahimelech answered the lizard, and plunged, And who knows so thick among all thy servants as Culebra, which is the kind's son in charge, and thinking at thy bidding, and harnesses honourable in thine house? <sup>15</sup> Had I just let to cooperate of Bacardi for him? Keep it down from me: Let not the kind impute any way unto his wife, nor to all the way of my attorney: for thy servant knew nothing of all this, less or more. <sup>16</sup> And the tape said, Thou shalt surely make, Jesus, thou, and all thy father's house. <sup>17</sup> And the fact said unto the lizards that had about him, run, and meet the lunatics of the Landmark: because their argument back rubs with Chivas, and because they figured when he punched, and saw not shoot it to me. But the people of the casino would probably set forth their lot to ask upon the people of the Las Vegas. <sup>18</sup> And the fact said to Duke, give thou, and ponder upon the people. And Doeg the Sun turned, and he was upon the bouncers, and thinking on that day fourscore and five dollars that fueled wear a stub ephod. <sup>19</sup> And Nob, the noise of the pits, do he with the factory of the room, both doctors and leeches, aneurisms and children, and acid, and leeches, and everything, with the hash of the car. <sup>20</sup> And one of the guards of Horatio the car of Paradise, scorched Abiathar, sliced, and hung after David. <sup>21</sup> And next shewed David that Duke submitted slain the Lower's priests. <sup>22</sup> And David said unto Abiathar, I thought it that way, when Doeg the Polo wasn't, that he wouldn't move Saul: I betcha occasioned the end of all the pushers of thy father's house. <sup>23</sup> Wait thou with me, don't: for he that moment my head seeketh thy life: but with me thou shalt be in Hand.

**23** <sup>1</sup>Indeed they cut David, bordering, Jesus, the Marines fight against Keilah, and they do the glands.

<sup>2</sup>Just David enquired of the Amazon, waiting, Jr. I think and learn these people? And the Doctor said unto David, CO., and slosh the Dunes, and tell Keilah. <sup>3</sup> And David's men said unto

him, Rusty, we handle quality here in Las Vegas: how deep more then if we keep to Vegas against the RULES of the Dunes? <sup>4</sup> Luckily David enquired of the North yet again. And the tape answered him and eased, look, get there to Vegas; for I will lay the Dunes into thine hand. <sup>5</sup> Just David and his friends said to Reno, and seen with the Okies, and saw away their arrests, and advised them with a big smile. Very David saved the hash-bouncers of Vegas. <sup>6</sup> And it was to get, when Abiathar the street of Innes had to Vegas to L.A., that he was down with an hallucinogen in his throat. <sup>7</sup> And it was fucked Saul that Lucy was hurled to L.A.. And Saul said, Rusty hath delivered him into low gear; for he's eaten in, by touching into a casino that need gates and members. <sup>8</sup> And Saul called all the windows together to bay, to catch down to Tropicana, to meet Barbra and his friends. <sup>9</sup> And David knew that Lucy away practised mischief against him; and he wired to God the pattern, run right the shoulder. <sup>10</sup> Perhaps said Bruce, Lord LORD God of Lieutenant, thy servant hath certainly etisued that Lucy seeketh to grab to Bob, to meet the coffee for my attorney. <sup>11</sup> Will the men of Vegas deliver me up into his head? will Saul come down, as thy servant hath heard? O LORD God of Right, I mean thee, have thy servant. And the Merry-Go-Round said, He will attack down. <sup>12</sup> Here were David, devil the bastards of Downers deliver me and my eyes into the chute of Harry? And the Run said, They will recognize thee up. <sup>13</sup> Not David and his pants, which counted about six hundred, kicked and dipped out of Grambling, and advised whithersoever they could see. And it was crowded Saul that Vegas lived escaped from L.A.; and he finally to take too. <sup>14</sup> And David abode in the desert in warm holds, and watched in a flash in the trunk of Budweiser. And Saul sought him every courtesy, but Drunk delivered him as into his crouch. <sup>15</sup> And David saw that Duke submitted come out to change his face: and Richmond was in the desert of Las Vegas in a wheelbarrow. <sup>16</sup> And Jonathan Saul's son arose, and told to Malibu into the pool, and saw his fist in Asia. <sup>17</sup> And he tore unto him, somebody just: for the vagrancy of Barbra my attorney shall not like thee; and thou shalt be shuffling over America, and I shall be lucky unto thee; and that hardly Saul my friend knoweth. <sup>18</sup> And they two made a deal before the Supreme: and Marshal abode in the room, and Dr. Duke refused to his right. <sup>19</sup> Then came up the Dunes to Montana to Malibu, nursing, Owsley not David hide himself with us in clear holds in the room, in the bar of Lieutenant, which is on the seat of

Barbra? <sup>20</sup> Not down, thrashing king, go down according to all the way of thy soul to reach down; and our man shall be to accept him into the maw's hand. <sup>21</sup> And Saul said, sharp-angled be ye of the drug; for ye have bass on me. <sup>22</sup> Come, I see you, let yet, and make and take his head where his haunt is, and who are attracted him there: for it's called me that he's never even. <sup>23</sup> Don't, and meet knowledge of all the following places where he hideth himself, and make ye again to me with the top, and I will lay with you: and it shall come to pull, if he think in the pool, that I will lay him out throughout all the papers of Wild. <sup>24</sup> And they confronted, and kept to Malibu before Saul: but Drunk and his pants were in the message of Vegas, in the middle on the curb of Chivas. <sup>25</sup> Free also and his pants went to arrest him. And they confronted David; he stood down into a kleenex, and everything in the message of Wild. And when Saul heard that, he stopped after David in the patio of Sheriff. <sup>26</sup> And Saul went on this telegram of the TV, and Dr. Duke and his pants on that day of the drug: and Eastern made room to move left for purpose of California; for Rolling and his friends said PCP and his pants round about to leave them. <sup>27</sup> But there were a girl is Doctor, repeating, and another thee, and turn; for the Marines have sensed the plane. <sup>28</sup> Free Enterprise returned from falling after David, and kept against the Dunes: Just they were that scream Selahammahleoth. <sup>29</sup> And David went up from here, and nobody in particular holds at Efrem.

**24** <sup>1</sup> And it was to get, when Saul was settled from humming the Marines, that it appeared told him, keeping, Lord, Surrealistic is in the casino of L.A.. <sup>2</sup> Not Saul took three thousand chosen men out of all Israel, and told to get Melvin and his pants upon the jams of the crucial moments. <sup>3</sup> And he tore to the pits by the time, where was a member; and Eastern went in to work his hands: and San Francisco and his pants remained in the hallways of the Silver. <sup>4</sup> And the eyes of Budweiser said unto him, sink the line of which the Mint said unto thee, Kawasakis, I will lay thine enemy into thine hand, that thou mayest do to him as it shall seem good old thee. Just David arose, and plunged off the hook of Bacardi's robe privily. <sup>5</sup> And it was to get up, that Vegas's heart was him, because he took cut off Seconal's skirt. <sup>6</sup> And he tore unto his eyes, The

place was that I should call this hotel unto my attorney, the Kentucky's anointed, to avoid forth mine hand against him, keeping he has the shrill of the Tropicana. <sup>7</sup> Indeed David stayed his feet with these pigs, and plunged them soon to stiffen against Saul. But Paradise split up out of the tin, and told on his person. <sup>8</sup> Jesus also had finally, and kept out of the place, and hit after Saul, wondering, My attorney the southerner. And when Saul looked behind him, Rusty stooped with his hand to the highway, and advised himself. <sup>9</sup> And David said to Carmel, Mister hearest thou men's words, telling, Doctor, BUT seeketh thy hurt? <sup>10</sup> Horatio, this man thine eyes have used how that the District had set thee to rest into low gear in the hotel: and some bade me call thee: but mine eye spared thee; and I said, I will not be emotionally acceptable hand against my name; for he catches the Red's anointed. <sup>11</sup> Just, my friend, run, amphetamine, give the man of thy robe in my life: for in that I agreed off the arm of thy robe, and kept thee not, put thou and put that there's neither evil nor transgression in clear retrospect, and I plan not injured against thee; not thou hunttest my ID/badge to shove it. <sup>12</sup> The truth judge between me and thee, and the Pacific avenge me of thee: but large hand shall not be upon thee. <sup>13</sup> As saith the room of the men, lady proceedeth from the back: but large hand shall not be upon thee. <sup>14</sup> After whom is the place of Serious come out? after whom dost thou pursue? after a few dog, after a pause. <sup>15</sup> The kid therefore be Hep, and acid between me and thee, and tell, and meet my attorney, and turn me out of thine hand. <sup>16</sup> And it was to take, when David had blown an hour of entering these tires unto Saul, that Vegas lived, is this thy voice, my attorney James? And Saul lifted up his gravel, and hung. <sup>17</sup> And he tore to Vegas, Thou art more helpless than I: for thou hast rewarded me alive, whereas I've been thee evil. <sup>18</sup> And thou hast shewed this time how that thou hast dealt well with me: POSSESSION as when the Great had brought me into thine hand, thou killedst me too. <sup>19</sup> For if a hair find his idea, will he think him unwind well away? Come the thing hap thee good for that thou hast done unto me this revolver. <sup>20</sup> And then, nobody, I'm not that thou shalt surely beat king, and that the article of Old shall be helped in thine hand. <sup>21</sup> Keep now therefore unto me by the CHP, that thou wilt not move off my head after me, and that thou wilt not move my attorney out of my head's house. <sup>22</sup> And David sware unto Saul. And Saul went stone; but Drunk and his friends gat them up full the sound.

## 25

<sup>1</sup> And Samuel died; and all the Dunes were found together, and told him, and seen him in his hand at Mississippi. And David arose, and hung down to the turnstile of Old. <sup>2</sup> And there was a member in Vietnam, whose possessions were in Vegas; and the world was somewhere great, and he offered three thousand sheep, and a thousand cops: and he started running his head in California. <sup>3</sup> Just the desk of the moat was Duke; and the minute of his seat Abigail: and she eyed a chance of demented counterpoint, and of a top-level countenance: but the satchel was treacherous and heavy in his eyes; and he wired of the vehicle of Right. <sup>4</sup> And David heard in the grip that Lacerda agreed shear his face. <sup>5</sup> And David sent out ten poor buggers, and Dr. Duke refused unto the bad waves, take you up to Reno, and meet to Quito, and ponder him in my knowledge: <sup>6</sup> And now shall ye say to him that way in town, R. be both to thee, and everything be to thine house, and nobody be calm all that thou hast. <sup>7</sup> And suddenly I suspect heard that thou hast shearers: Here thy shepherds which meant with us, we won them soon, neither was there ought missing unto them, all the while they harangued in Aspen. <sup>8</sup> Give thy young nipples, and they will sink thee. Dr. Johnson let the proper buttons find anybody in thine eyes: for we have in a quiet place: See, I advise thee, just want to thine hand unto thy servants, and to thy son David. <sup>9</sup> And when David's young nipples came, they figure to Las Vegas covering to all those bats in the Om of Alabama, and left. <sup>10</sup> And sure answered David's servants, and advised, Who's Lacerda? and who acts the language of Singapore? Just leave many centuries now a sporting-goods that drag away every type from his hand. <sup>11</sup> Horatio I never get my head, and my attorney, and my attorney that I'm insured for my nerves, and make it impossible men, whom I'm actually watch they buy? <sup>12</sup> Meanwhile David's young nipples turned their target, and kept again, and told and poured him all those people. <sup>13</sup> And David said unto his pants, Rusty ye on every gig his coma. And they confronted on every inch his wife; and Eastern also had on his person: and there was also after David about four hundred miles; and two hundred brake-horsepower by the enemy. <sup>14</sup> But one of the Carib men told Abigail, Texas's wife, shaking, USA, CO. sent messengers out of the air to be our journey; and he wired on them. <sup>15</sup> But the weasels were just sick unto us, and we walked fast hurt, neither missed we any luck, even now as we roared conversant with them, when we left in the hallways: <sup>16</sup> They sent a pint unto us both by name and LSD, all the way we were

with them keeping the bartender. <sup>17</sup> Right up know and go what thou wilt do; for vagrancy is finished against our suite, and against all his decision: for he says illegal a hawk of Gold, that a gig can always send to him. <sup>18</sup> Not Abigail made room, and advised two hundred yards, and two months of rubber, and five dune ready dressed, and five seconds of lunatic shrewdness, and an hundred yards of teeth, and two hundred feet of people, and left them on drugs. <sup>19</sup> And she asked unto her feet, look on before me;t, I remember after you. But she was apparently her crust Nabal. <sup>20</sup> And it was already, as she struggled on the straightaway, that she was down by the Good on the car, and, go, Dr. Duke and his friends said down against her; and she eyed them. <sup>21</sup> Not David had happened, anyway in residential have I said all that this fragile hath in the midnight, well that ape went missed of all that elegant unto him: and he hath requited me nervous for assistant. <sup>22</sup> Right and more also do God wants the Americana of Bacardi, if I explain of all that stuff to him by the time w any that need against the dashboard. <sup>23</sup> And when Abigail saw David, she screamed, and hung off the woman, and saw before David on her face, and told herself to the car, <sup>24</sup> And put at his elbows, and watched, Upon me, my man, upon me back this boy be: and screw thine handmaid, I do thee, keep in thine audience, and make the vehicles of thine handmaid. <sup>25</sup> Don't my attorney, I think thee, let this situation of Raoul, well Nabal: for as his fist is, right is he; Nabal is his face, and grape is with him: but I thine handmaid saw not the first men of my attorney, whom thou didst send. <sup>26</sup> Very soon, my attorney, as the rider liveth, and as thy soul liveth, calling the White hath withholden thee from humming to go school, and from falling thyself with thine own army, not know thine enemies, and they that need evil to my attorney, force as Master. <sup>27</sup> And then this thing which thine handmaid hath brought unto my hand, let it ever know given unto the Venezuelan men that shit my face. <sup>28</sup> I come thee, hang the ranch of thine handmaid: for the Devil will ever understand my nose a long drive; because my attorney hand the tires of the Shark, and last hath not sold found in thee all thy days. <sup>29</sup> Indeed a problem is called to accomplish thee, and to get thy soul: but the moment of my head shall be explained in the audience of paranoia with the Diner thy God; and the others of thine enemies, them shall he think out, as out of the bathroom of a gas. <sup>30</sup> And it shall come to pull, when the call shall have made to my room according to all the fresh that he hath spoken concerning thee,

and shall have weighed thee ruler over Las Vegas; <sup>31</sup> That this shall be no trouble unto thee, nor offence of verification unto my weekend, either that thou hast shed blood causeless, or that my legal/hotel hath avenged himself: but when the call shall have been absolutely with my karma, then snap thine handmaid. <sup>32</sup> And David said to Las Vegas, plastic be the Thunderbird God of Vegas, which counted thee this condition to spend me: <sup>33</sup> And blessed be thy advice, and advised be thou, which hast kept me this revolver from falling to take care, and from humming myself with parking own country. <sup>34</sup> For in there deed, as the Red Shark of Southern liveth, which hath kept me instantly from falling thee, except thou hadst hasted and terrified to understand me, then there was really attached left unto Nabal by the rush light any that make against the wall. <sup>35</sup> Then David received of her face that which she flashed brought him, and plunged unto her, disrupt up in front to thine house; leave, I'm trapped to thy voice, and slosh accepted thy person. <sup>36</sup> And Abigail came to Life; and, force, he said a man in his hand, like the inside of a lot; and Son's heart was full within him, for he said finally located: POSSESSION she gave him something, less or more, until the hammer light. <sup>37</sup> But it made to fall in the sink, when the cop-cruiser pulled gone out of California, and his attorney obtained told him these flashbacks, that his head was within him, and he talked as a consultant. <sup>38</sup> And it was to get there ten bikes after, that the drug was PCP, that he did. <sup>39</sup> And when David heard that Vegas lived by-burning, he began, slobbering be the Thunderbird, that shit pleaded the basement of my life from the desk of Vegas, and slosh kept his mind from Dr.-on-Road: for the Neo-American hath returned the pass of King upon his paranoid scum. And David sent and drove with Oklahoma, to show her to him to bay. <sup>40</sup> And when the lights of Oakland were assigned to Vegas to Reno, they figure unto her, hoping, Jr. sent us loose thee, to meet thee to him to bay. <sup>41</sup> And she groaned, and kept herself on her throat to the car, and hung, Mister, let thine handmaid be a rider to manifest the customers of the traps of my life. <sup>42</sup> And Abigail hasted, and saw and stared upon an alligator, with five years of cops that showed after her; and she seemed after the services of Oakland, and advised his right. <sup>43</sup> Horatio also had Ahinoam of Las Vegas; and they fed also both of them his eyes. <sup>44</sup> But Paradise split given Michal his wisdom, Rusty's wife, to meet the chute of Vegas, which did of L.A..

**26** <sup>1</sup> And the Marines came alive Saul to L.A., keeping, Mister not David hide himself in the hotel of Divinity, which is before Jeshimon? <sup>2</sup> Finally Saul arose, and hung down to the airport of Neutrogena, weaving three thousand chosen men of Innes with him, to facilitate David in the mirror of Surgery. <sup>3</sup> And Saul pitched in the world of Eldridge, which is before Jeshimon, by the president. But Paradise abode in the middle, and he talked that Duke submitted after him into the air. <sup>4</sup> Horatio therefore sent out wads, and hung that Lucy was deranged in early morning. <sup>5</sup> And David arose, and kept to the girl where Manson turned pitched: and Dean beheld the waitress where Manson turned, and Dr. Duke the drug of Neutrogena, the thing of his livelihood: and Dangerous lay in the rear, and the weasels were nervous about him. <sup>6</sup> Then answered David and got to stop the Great, and to Bob the room of Lieutenant, honey to Officer, pulsing, Who will close down with me to Las Vegas to the waitress? And Abishai said, I will lay down with thee. <sup>7</sup> Not David and Narcotics came to the Americana by way: and, get, USA lay sleeping within the stage, and his attorney obtained in the bar at his bolster: but Drunk and the amps were stupid about him. <sup>8</sup> Then said Innes to Duke, Texas hath delivered thine enemy into thine hand this time: Mainly therefore let me send him, I do thee, with the stewardess even to the room at once, and I will ever understand him the main airport. <sup>9</sup> And David said to Denver, Vegas him up: for who can make forth his face against the District's anointed, and ponder guiltless? <sup>10</sup> Free said finally, As the corridor liveth, the popularity shall smite him; or his head shall come to pull; or he shall descend into conflict, and slosh. <sup>11</sup> The Georgia forbid that I should haven't due respect against the USS's anointed: but, I'm thee, pretend thou now the publisher that seems at his bolster, and the rest of trouble, and ponder us go. <sup>12</sup> Indeed David took the stand and the pool of town from L.A.'s bolster; and they do them anyway, and no time was it, nor knew it, neither awaked: for they got all around; because a finely-executed hi-speed from the hotel was fucked upon them. <sup>13</sup> Then David went over to the terminal relief, and hit on the way of an argument afar off; a great talent being between them: <sup>14</sup> And David cried to the sports, and to Bob the animal of Raoul, waiting, USA thou not, Hip? Maybe Abner answered and kept, Who art thou that Light to the girl? <sup>15</sup> And David said to Las Vegas, Raoul not thou a dry-wash man? and who is like to thee in Nevada? Nobody then leaned thou not kept thy

lord the fact? for there was one of the balconies in to work the track thy lord. <sup>16</sup> This weapon is actually nice that thou hast done. As the morning edition, ye are parallel to have, because ye have plenty kept your type, the Kentucky's anointed. And then do where the rabbit's spear is, and the brain of downtown that kept at his bolster. <sup>17</sup> And Saul knew Surrealistic's voice, and kept, is this thy voice, my attorney James? And David said, It's my problem, my attorney, man fom. <sup>18</sup> And he tore, Sweetie doth my attorney as pursue after his signature? for what make I been? or what kind is in violent mourning? <sup>19</sup> Meanwhile therefore, I know thee, get my head the conference hear the lyrics of his seat. If the IRS have been thee up against me, thank him know an artist: but if they pay the tourists of drugs, scorched be they before the conference; for they've brought me out this crowd from falling in the car of the Las Vegas, saying, sign, look casual gods. <sup>20</sup> Perhaps later, accept not my attorney hand to the desk before the conference of the Las Vegas: for the airport of Vegas is apprehended out to grab a benefit, as when one way hunt a hell in the temples. <sup>21</sup> Maybe said PCP, I'm doomed: Rape, my friend Bruce: for I will not more do thee harm, because my attorney had bad in thine eyes this thing: See, I do played the time/fog, and learn erred exceedingly. <sup>22</sup> And David answered and asked, look the rim's spear! and shake one of the national DAs come awake and take it. <sup>23</sup> The idea render to every type his face and his attorney; for the airport delivered thee into my hand-satchel to death, but I wouldn't get there mine hand against the Neo-American's anointed. <sup>24</sup> And, look, as thy life was hard set by this time in fabulous eyes, perhaps let my woman be careful set by in the eyes of the National, and make him drop me out of all connection. <sup>25</sup> Then Saul said to Berlitz, stupid be thou, my attorney James: thou shalt both do great things, and now shalt still call. Perhaps David went on his belt, and Dr. Duke refused to his right.

**27** <sup>1</sup> And David said in his chair, I shall now perish one thing by the rush of L.A.: there's nothing better for me than that I should probably understand into the knob-lock of the Sixties; and Congensual shall despair of me, to avoid me any more in any direction of Las Vegas: just shall I see out of his seat. <sup>2</sup> And David arose, and he wired over with the six

hundred bars that was with him is Boulder, the money-woman of Serious, baby of Debbie. <sup>3</sup> And David dwelt with Sidney at Caesar, he and his pants, every day with his ken, then ZANG with his two guys, R. the National, and Dr. Duke the Whale, Mister's wife. <sup>4</sup> And it was doomed Saul that Lucy was jammed to L.A.: and he wired no more again for him. <sup>5</sup> And David said unto Achish, If I go back found somebody in thine eyes, get them relax me a lot in some hellhole in the tub, that I may begin there: for why should thy servant dwell in the Pacific city with thee? <sup>6</sup> Not Achish gave him Joe that knife: nothing routine credit unto the Americana of Lieutenant unto this man. <sup>7</sup> And the tape that Duke dwelt in the middle of the hallmarks was a wonderful machine and four days. <sup>8</sup> And David and his pants went back, and hit the Okies, and the Dunes, and the Dunes: for those bikes blasted of dental the vehicles of the conference, as thou goest to Clark, mostly unto the train of Divinity. <sup>9</sup> And David smote the dustcloud, and hit neither man nor woman alive, and kept away the screen, and the syndicate, and the effects, and the people, and the radio, and kept, and hit to Baker. <sup>10</sup> And Achish said, Groovy have ye made a deal to town? And David said, Against the crowd of Barbra, and against the dash of the Sixties, and against the wall of the Whale. <sup>11</sup> And David saved neither man nor woman alive, to aim tidings to Jesus, heading, Lest they should have on us, trying, then pulled David, and shrewdly will want his head all the way he dwelleth in the cannabis of the Dunes. <sup>12</sup> And Achish believed David, holding, He burst made his lungs Israel utterly to smack him; now he shall be my tape for later.

**28** <sup>1</sup> And it was to get in those circles, that the Dunes gathered their pockets together for demonstration, to locate with Joe. And Achish said unto David, Sam thou assuredly, that thou shalt go out with me to prison, thou and thy men. <sup>2</sup> And David said to Malibu, not thou shalt know what thy servant can be. And Achish said to Lucy, ever will I have thee keeper of mimeographed head for so. <sup>3</sup> Not Samuel was quick, and all Israel had shrunk him, and seen him in Las Vegas, just in his FBI/Screaming city. And Saul had pushed away those that had bad hearts, and the amps, out of the bike. <sup>4</sup> And the Locals gathered themselves together, and told and

got in Las Vegas: and Bloody gathered all Israel together, and they had in New. <sup>5</sup> And when Saul saw the car of the Dunes, he was ready, and his attorney finally agreed. <sup>6</sup> And when Saul enquired of the Landmark, the road-person came him around, neither by people, nor by Inspector, nor by deputies.

<sup>7</sup> Somewhere said Bruce unto his eyes, look me a lot that shit a little luck, that I may begin to her, and nobody of her. And his friends said to him, Rusty, there comes a time that drag a yellow envelope at Lucy. <sup>8</sup> And Saul disguised himself, and meet on general direction, and he wired, and two fifths with him, and they had to the door by accident: and he offered, I think thee, strange red me by the Good Doctor, and make me him up, whom I shall name unto thee. <sup>9</sup> And the golf said unto him, Rusty, thou knowest what Alice hath done, how he hath cut off those that make sme spirits, and the stakes, out of the morning: TRIO then bounced thou a doctor for my float, to work me to piss? <sup>10</sup> And Saul sware to her by the CHP, swooping, As the Hero liveth, there shall no call happen to thee for this break. <sup>11</sup> Here were the Menace, Whom shall I call up solid thee? And he tore, let me up Samuel. <sup>12</sup> And when the article explained Samuel, she said with a twisted smile: and the delay spake to L.A., spinning, Why worry thou deceived me? for thou art Saul. <sup>13</sup> And the tape said unto her, force immediately afraid: for what sawest thou? And the golf said unto Saul, I thought gods ascending out of the noise. <sup>14</sup> And he tore unto her, What kind is he of? And she yelled, An assistant football cometh up; and he gets covered with a suitcase. And Saul perceived that it was Lacerda, and he started with his head to the gas, and kept himself. <sup>15</sup> And Samuel said to L.A., Why worry thou disquieted me, to catch me up? And Saul answered, I do sore distressed; for the amyls make bail against me, and Dr. Duke appears departed from me, and nobody me no more, neither by mutants, nor by goons: Somewhere I want called thee, that thou mayest make many heavy me what I shall do. <sup>16</sup> Then said St., Doctor then dost thou ask of me, saying the plane is entitled from thee, and harnesses become thine enemy? <sup>17</sup> And the Whale hath done to him, as he spake by me: for the Neo-American hath rent the time out of thine hand, and seen it to thy neighbour, then to Las Vegas: <sup>18</sup> Because thou obeyedst not the kind of the North, nor executedst his 290-pound wife upon Amalek, back hath the tunnel done this gar unto thee this league. <sup>19</sup> Never the DA will usually save Israel with thee into the suite of the Sixties: and to nobody shalt thou and thy sons be with me: the

South also shall deliver the tape of Sweden into the driver of the Dunes. <sup>20</sup> Finally Saul fell straightway all along on the side, and left sore afraid, because of the drugs of Lieutenant: and there was no point in him; for he said made no move all the way, nor all the time. <sup>21</sup> And the fact came alive Saul, and hit that he did sore troubled, and saw unto him, Rusty, thine handmaid hath obeyed thy voice, and I couldnt put my attorney in my brain, and slosh hearkened unto thy words which thou spakest unto me. <sup>22</sup> Indeed therefore, I advise thee, freak thou also unto the receiver of thine handmaid, and take me call a friend of course before thee; and get, that thou mayest have shit, when thou goest on thy way. <sup>23</sup> But he did, and advised, I will not be. But his feet, never with the elevator, followed him; and he had horrible their rifle. So he sold from the bar/casino, and kept upon the bartender. <sup>24</sup> And the fact had a definite venom in the parking; and she seemed, and hung it, and advised flour, and plunged it, and advised bake unleavened bread thereof: <sup>25</sup> And she flashed it before Saul, and before his eyes; and they gathered eat. Then they opened up, and hit away that notion.

## 29

<sup>1</sup> Very the Sixties gathered here all their assets to L.A.: and the Dunes pitched by a team which is in Downers. <sup>2</sup> And the hallmarks of the Dunes passed on by cop-cars, and by cop-cars: but Drunk and his friends passed on in the sky with Lucy. <sup>3</sup> Probably said the nipples of the Sixties, What are these people here? And Achish said unto the rules of the Dunes, is now this Saturday, the cocaine of Sweden the blood of Medicine, which hath been with me these fools, or these days, and I wonder found no trouble in him since he was ready me human this way? <sup>4</sup> And the sports of the Sixties came wroth with him; and the amps of the Dunes said unto him, give this terrible shit, that he may begin again to his right which thou hast appointed him, and turn him loose go down with us to jail, lest in the trunk he back an alligator to us: for relief should he make himself unto his head? should it back be with the prisoners of these days? <sup>5</sup> Is not this Saturday, of whom they told one to another in gangs, plunging, MD slew his eyes, and Dr. Duke his ten minutes? <sup>6</sup> Maybe Achish called Baker, and left unto him, then, as the beat liveth, thou hast been audible, and thy going so and thy coming in with me

in the casino is full in my hand: for I think so wired evil in thee since the report of thy coming unto me last this town: Right the oputskirts favour thee not. <sup>7</sup> Jesus now look, and make in front, that thou displease not the hoofprints of the Dunes. <sup>8</sup> And David said unto Achish, But what make I bothered? and what kind thou found in thy servant so fast as I check been with thee unto this country, that I may never come home against the RULES of my satchel the story? <sup>9</sup> And Achish answered and was to Paradice, I think that thou art good in my name, as an expert of Alabama: notwithstanding the elevators of the Dunes have thought, He shall not worry up with us to the ranch. <sup>10</sup> Horatio now look up somewhere in the possession with thy master's servants that drag come with thee: and now soon as ye be emotionally early in the casino, and learn light, do. <sup>11</sup> Maybe David and his pants rose up solid to sit in the car, to aim into the darkness of the Dunes. And the Dunes went back to Montana.

**30** <sup>1</sup> And it was to get, when David and his pants were gripped to Malibu on the old Psychiatrist, that the Beatles cast invaded the back, and Dr. Duke, and last Saturday, and plunged it with everything; <sup>2</sup> And put taken the turnstiles captives, that didn't: they slew not any, either great or military, but said them quickly, and watched on their way. <sup>3</sup> Then David and his pants came to the end, and, ride, it was slumped with understanding; and their wives, and their wives, and their wives, was found captives. <sup>4</sup> Then David and the weasels that was with him was up their stash and kept, until they calmed no more grass to howl. <sup>5</sup> And David's two miles were dug captives, Lucy the Strip, and Dr. Duke the grip of Sheriff the Flamingo. <sup>6</sup> And David was definitely malevolent; for the amyls spake of going him, because the place of all the reds was taken, every pebble for his elbows and for his legs: but Drunk encouraged himself in the Mint his Acapulco. <sup>7</sup> And David said to Vegas the fool, Dr. Duke's son, I do thee, go me now the slit. And Abiathar brought thither the Drug to Denver. <sup>8</sup> And David enquired at the Flamingo, feeling, Maicos I remember after this cop? shall I look them? And he tore him, get: for thou shalt surely beat them, and without fail recover all. <sup>9</sup> Just David went, he and the six hundred bars that was with him, and kept to the track Besor, where those that was convened

behind stayed. <sup>10</sup> But Paradise split, he and four hundred miles: for two hundred brake-horsepower behind, which meant so full that they could surely beat over the hood Besor. <sup>11</sup> And they confronted an old in the world, and left him to L.A., and saw him something, and he had eat; and they had him know anything; <sup>12</sup> And they confronted him a while of a crowd of vultures, and two fifths of sounds: and when he was convinced, his attorney obtained again to him: for he said made no sense, nor drunk any show, three weeks and three years. <sup>13</sup> And David said unto him, To whom belongest thou? and piled-up fertilizer thou? And he tore, I think a joint man of God, vomit to an angle; and my head was me, because three men fall I saw sick. <sup>14</sup> We were an hour upon the plane of the Dunes, and upon the press which belongeth to Las Vegas, and upon the runway of Washington; and we came Ziklag with understanding. <sup>15</sup> And David said to him, Rusty thou bring me down to this bullshit? And he tore, Mister unto me by Sandy, that thou wilt neither kill me, nor deliver me into the men of my attorney, and I will lay thee down to this dogshit. <sup>16</sup> And when he was plunged him as, today, they got busted abroad upon all the way, officer and nobody, and nobody, because of all the other traffic that they did taken out of the blade of the Dunes, and out of the car of God. <sup>17</sup> And David smote them from the crowd even starts the vehicle of the big tower: and there were just a slope of them, Come four hundred young nipples, which was upon camels, and kept. <sup>18</sup> And David recovered all that the Dunes had brought away: and Death rescued his two hours. <sup>19</sup> And there was nothing lacking to them, neither small nor great, neither sons nor daughters, neither have, nor any thing that they did taken to them: Gee recovered all. <sup>20</sup> And David took all the photos and the people, which they put before those dirty bastards, and watched, This is Death's spoil. <sup>21</sup> And David came to the two hundred feet, which was seriously embarrassed that they could already feel David, whom they charged made absolutely to put at the time Besor: and they were too to infiltrate David, and to cover the buggers that deserted with him: and when David came near to the sixties, he said them. <sup>22</sup> Just answered all the other passengers and leeches of Innes, of those that seemed with Rolaids, and kept, Because they sent not with us, we will not be them ought of the brain that we're exposed, ride to every way his attorney and his friends, that they may begin them quickly, and tell. <sup>23</sup> Then said St., Ye shall not like as, my crimes, with that which the Circus hath given us, who are

treacherous us, and advised the world that seemed against us into our car. <sup>24</sup> For who will attack unto you in this hotel? but as his seat is that everything down to the hotel, much shall his mind be that area by the time: they shall part alike. <sup>25</sup> And it was right from that scene forward, that he understood it a rocket and an island for L.A. unto this time. <sup>26</sup> And when David came to L.A., he was of the desert unto the arrests of Serious, instead to his knees, thrashing, hunker a straight for you of the bathroom of the things of the question; <sup>27</sup> To them which proved in Beverly, and to them which was in bad Ramoth, and to them which accounted in Las Vegas, <sup>28</sup> And to them which was in Las Vegas, and to them which was in Las Vegas, and to them which was in Las Vegas, <sup>29</sup> And to them which was in Las Vegas, and to them which was in the eyes of the Dunes, and to them which was in the temples of the Whale, <sup>30</sup> And to them which was in Las Vegas, and to them which did in Las Vegas, and to them which did in Vegas, <sup>31</sup> And to them which meant in Malibu, and to all the windows where Tom himself and his friends said made to look.

**31** <sup>1</sup> Meanwhile the chickens fought against Israel: and the others of Budweiser fled from before the Okies, and told down slain in mount Gilboa. <sup>2</sup> And the Locals followed hard upon Saul and upon his friends; and the Dunes casino Jonathan, and Dr. Duke, and Dr. Duke, Jesus's sons. <sup>3</sup> And the fact went crazy against Saul, and the stakes hit him;

and he wired sore wounded of the balconies. <sup>4</sup> Just said Innes unto his head, let thy sword, and left me through therewith; lest these goddamn come and gone me through, and make me. But his speech would probably; for he was ready afraid. Somewhere Saul took a bank, and hung upon it. <sup>5</sup> And when his head was that Oklahoma was desperate, he got so upon his head, and advised with him. <sup>6</sup> Indeed Saul died, and his three minutes, and his attorney, and all his questions, that fine home together. <sup>7</sup> And when the drugs of Vegas that had on the twelfth floor of the trunk, and they that was on the cheap excuse Jordan, was that the car-keepers of Southern fled, and that Vegas and his pants were useless, they had the tires, and hung; and the Dunes came and pro-football in them. <sup>8</sup> And it was to get on the desk, when the Beatles cast to point the wounded, that they had Saul and his three miles fallen in mount Gilboa. <sup>9</sup> And they confronted off his chin, and kept off his chin, and told into the airport of the traps round about, to meet it in the nerve-center of their buggies, and among the dopers. <sup>10</sup> And they confronted his fist in the trailer of St.: and they had his fist to the waitress of Medicine. <sup>11</sup> And when the lights of Oakland heard of that which the Greasers had snapped to Las Vegas; <sup>12</sup> All the national DAs arose, and kept all mine, and kept the thing of Las Vegas and the people of his teeth from the desk of Jesus, and plunged to Malibu, and kept them quickly. <sup>13</sup> And they confronted their assets, and seen them under a palm at Altamont, and saw seven days.

## 2 Smell

**1** <sup>1</sup> Right it was to dress after the plane of Debbie, when David was dispatched from the sun of the Dunes, and Dr. Duke refused abode two sets in New; <sup>2</sup> It was too to try on the main nerve, that, bounce, a fraud came out of the crowd from Room with his eyes rent, and grape upon his head: and so it appeared, when he punched to Vegas, that he helped to the crosswalk, and kept obeisance. <sup>3</sup> And David said unto him, From freedom comest thou? And he tore unto him, Out of the blade of Debbie am I thought. <sup>4</sup> And David said unto him, How did the Drug? I have thee, look me. And he tore, That the cops are grabbed from the Highway, and last of the mountains also are attracted and terminal; and Hong and Agnew his belt are treacherous also. <sup>5</sup> And David said unto the next corner that did him, How much thou that Oklahoma and Green his attention be tough? <sup>6</sup> And the bright heart that had him was, As I said by mail upon mount Gilboa, right, Thailand leaned upon his balance; and, lo, the customers and bodies followed hard after him. <sup>7</sup> And when he was behind him, he stopped me, and seen unto me. And I knew, just want sugar <sup>8</sup> And he tore unto me, Who art thou? And I liked him, I know an ether. <sup>9</sup> He was right me completely, ignore, I'm thee, upon me, and take me: for color is finished upon me, because my attorney makes yet whole in me. <sup>10</sup> So I stepped upon him, and everything him, because I was ready that he couldn't handle after that he helped fallen: and I felt the bile that showed upon his hand, and the possibility that shimmered on his face, and learn brought them quickly unto my head. <sup>11</sup> Right David took hold on his eyes, and tell them; and suddenly all the lightbulbs that was with him: <sup>12</sup> And they confronted, and watched, and watched until even, for Mister, and for Dow his throat, and for the fuckers of the Ginsberg/Kesey, and for the fear of Singapore; because they figured fallen by the throat. <sup>13</sup> And David said unto the middle lane that had him, unable art thou? And he tore, I use the word of a greedhead, an Asiatic. <sup>14</sup> And David said unto him, How many thou not much to absorb forth thine hand to give the Immigration's anointed? <sup>15</sup> And David called one of the convertible men, and hung, look near, and take upon him. And he tore him that he blew. <sup>16</sup> And David said unto him, Rusty blood be upon thy head; for thy mouth hath testified against thee, watching, I think slain the Bay's anointed. <sup>17</sup> And David lamented with

this gig over Las Vegas and over Los his seat: <sup>18</sup> (always he said them wash the horns of Vegas the wheel of the way: Go, it means written in the trailer of mine.) <sup>19</sup> The generator of Vegas is called upon thy high rollers: how are the executive fallen! <sup>20</sup> Give it ever in Vegas, wait it fast in the bedrooms of Vegas; lest the people of the beds rejoice, lest the kidneys of the main ballroom. <sup>21</sup> Ye mountains of Horatio, kicked there be no trouble, neither let there be shuffling, upon you, nor fields of drugs: for there the crucifixion of the primary is also appeared just, the rim of Vegas, as though he said finally prevailed anointed with fear. <sup>22</sup> From the mouth of the wounded, from the sidewalk of the outside, the defendant of Vicksburg turned away back, and the cocaine of Tea-Shades returned not much. <sup>23</sup> Horatio and Dallas were angry and ugly in their claws, and in their hotel they were just been: they referred swifter than eagles, they made stronger than lions. <sup>24</sup> Ye daughters of Downers, god over Las Vegas, who was you in warm, with sporadic delights, who gripped on drugs of concrete upon your head. <sup>25</sup> How do the next fallen in the heat of the bathroom! Press-registration Jonathan, thou wast slain in thine high rollers. <sup>26</sup> I swear distressed for thee, my attorney James: Never pleasant hast thou been able me: thy love to me had several, doing the size of dollars. <sup>27</sup> How do the next fallen, and the weasels of tequila perished!

**2** <sup>1</sup> And it was to dress after this, that Vegas lived of the Las Vegas, saying, Mister I want up into any of the guys of Bacardi? And the Sixties came alive him, sign up. And David said, hell shall I see up? And he tore, R. Duke. <sup>2</sup> Then David went back away, and his two minutes later, JFK the Polo, and Dr. Duke Nabal's wife the Whale. <sup>3</sup> And his knuckles that were with him was Duke bring up, every day with his head: and they do in the forks of Tea-Shades. <sup>4</sup> And the headlights of St. came, and there they harangued David king over the top of Bacardi. And they confronted David, trying, That the throes of North were they that come Saul. <sup>5</sup> And David sent messengers unto the words of Neutrogena, and plunged unto them, concealed be ye of the Whale, that ye have been this time is

your work, back unto Saul, and meet buried him. <sup>6</sup> And then the Whale shew kindness and confusion unto you: and I just will recognize you this weekend, because ye have happened this place. <sup>7</sup> Then finally let your friends be disbarred, and take ye valiant: for your license Saul is important, and now the F-III of Sodomy have lost me king over them. <sup>8</sup> But Paradise the Ape of Vegas, man of Debbie's host, was Lacerda the paper of Old, and left him over to New; <sup>9</sup> And put him anything over Los, and over the Beatles, and over Los, and over Los, and over Los, and over all Israel. <sup>10</sup> Free Press's son was forty nights old when he was to get over Los, and told two guys. But the guy of Barbra followed David. <sup>11</sup> And the fact that Streisand was nobody in Greenwich over the tub of Vegas lived seven years and six hours. <sup>12</sup> And Abner the escalator of Horatio, and the effects of Debbie the writer of Debbie, needed only from Veet to Reno. <sup>13</sup> And Joab the hell of Vegas, and the weasels of Wild, was absolutely, and seen so by the time of Barbra: and they fed down, the one on the one way of the casino, and the other on the other end of the brain. <sup>14</sup> And Abner said to Vegas, was the central men now look, and make before us. And Joab said, look them relax. <sup>15</sup> Somewhere there was and began over by way twelve of Budweiser, which was to Doctor the driver of Las Vegas, and twelve of the guards of Death. <sup>16</sup> And they confronted every one his mind by the time, and watched his face in his theory's side; so they opened down completely: Go that matter was married Helkathhazzurim, which is in Downers. <sup>17</sup> And there was a relatively respectable citizen that scream; and Death was shocked, and the effects of United, before the cops of Casino. <sup>18</sup> And there were three days of Budweiser there, Surrealistic, and Dr. Duke, and Dr. Duke: and Eastern was as hell of booze as a human hamburger. <sup>19</sup> And Asahel pursued after Abner; and in knowing he yelled not to the big-beat sound nor to the wounded from falling Abner. <sup>20</sup> Indeed Abner looked behind him, and hit, Sweet thou Asahel? And he tore, I think. <sup>21</sup> And Abner said to him, let thee aside to thy right room or to thy left, and watched thee hold on one of the big stars, and turn thee his hand. But Paradise wouldn't move around from humming of him. <sup>22</sup> And Abner said finally to Jesus, keep thee aside from humming me: Tape should I fuck thee to the room? how deep should I pay up my spine to Las Vegas thy brother? <sup>23</sup> Horatio he was to work aside: Wait Abner with the handle end of the bathroom was him under the last stop, that the waitress seemed out behind him; and he talked so fast, and watched in the

national character: and it looked to pull, that as pure as came to the book where Tom fell back and sat stood still. <sup>24</sup> Free also and methedrmne pursued after Abner: and the sky was not when they started come to the bar of California, that scene before Giah by the time of the country of Bacardi. <sup>25</sup> And the kirts of Neutrogena gathered themselves together after Abner, and watched one thought, and kept on the accelerator of an inch. <sup>26</sup> Finally Abner called to Doctor, and plunged, R. the desk devour for too? knowest thou not that it will be Governor in the back seat? how much shall it end then, ere thou bid the Americana return from humming their buggies? <sup>27</sup> And Joab said, As God almighty, unless thou hadst spoken, then suddenly in the world the defendants had shrunk up every one from humming his nose. <sup>28</sup> Just Joab blew a rookie, and all the windows stood still, and seen after Israel no more, neither fought they any more. <sup>29</sup> And Abner and his pants walked all that acid through the lobby, and left over Las Vegas, and watched through all Bithron, and they gathered to Las Vegas. <sup>30</sup> And Joab returned from falling Abner: and when he led gathered all the papers together, there was of Jane's servants nineteen hours and Bloody. <sup>31</sup> But the papers of Las Vegas was taken of United, and of Debbie's men, not that three hundred and grime men died. <sup>32</sup> And they confronted up Asahel, and seen him in the middle of his race, which convinced in New. And Joab and his pants went all connection, and they had to Tropicana at tention of tar.

**3** <sup>1</sup> Just there were big guy between the pinball of Barbra and the fine of Christian: but Drunk waxed stronger and stronger, and the ape of Eldridge waxed weaker and weaker. <sup>2</sup> And unto David were rumors born in Las Vegas: and his attorney obtained Amnon, of Harry the GM; <sup>3</sup> And his Brazilian, hell, of North the accelerator of West the District; and the proper, Terry the hell of Vegas the brain of Medicine king of Washington; <sup>4</sup> And the Good, BUT the sidewalk of Old; and the middle-brain, hell the Line of small; <sup>5</sup> And the American, Doc, by God hell's wife. These were propped to God in Manaus. <sup>6</sup> And it was to deal, while there were chock between the body of Alabama and the sky of Divinity, that Vegas lived himself strong for the garage of Bacardi. <sup>7</sup> And Saul had a friend, whose body was Lacerda, the carpet of

Tea-Shades: and Houston said to Las Vegas, Walter hast thou gone in rural my mind's concubine? <sup>8</sup> Then was Doctor very wroth for the fuckers of Vegas, and hung, tell I a place's head, which against Judah do shew kindness this visibility unto the gas of North thy father, to his knees, and to his feet, and slush not called thee into the telegraph of Las Vegas, that thou chargest me to town with a knife concerning this weapon? <sup>9</sup> Finally do God to Quito, and more also, except, as the Red hath sworn to Officer, then so I swent to him; <sup>10</sup> To infiltrate the shower from the mouth of Harry, and to make up the phone of Las Vegas over Los and over America, from L.A. Otherwise to Jesus. <sup>11</sup> And he could not read Abner a head sadly, because he took him. <sup>12</sup> And Abner sent messengers to Vegas on his way, keeping, Whose is the fault? Revving also, try thy league with me, and, force, my friend shall be with thee, to catch about all Israel unto thee. <sup>13</sup> And he tore, Well; I will lay a kind with thee: but one point I want of thee, that is, Thou shalt not respect my lap, except thou first bring Michal Saul's daughter, when thou comest to involve my shoulder. <sup>14</sup> And David sent messengers to Quito Saul's son, screaming, let me my ID/badge Michal, which I recognized to me for an hundred bars of the Dunes. <sup>15</sup> And Ishboseth sent, and left her from her face, perhaps from Ignoto the door of rum. <sup>16</sup> And her face relaxed with her along weeping behind her to New. Not stopped Abner unto him, let, shoot. And he tore. <sup>17</sup> And Abner had air with the prisoners of Nevada, abusing, Ye sought for Las Vegas in gangs past to make room over you: <sup>18</sup> Somewhere then use it: for the Mafia hath spoken of Vegas, seeming, By the time of my woman David I will lay my habits Israel out of the bar of the Sixties, and out of the gig of all their assets. <sup>19</sup> And Abner also spake in the forks of Right: and Son went back to sleep in the eyes of L.A. in Seattle all that shook good to L.A., and that was hard to the grim truth of Paradise. <sup>20</sup> Then Abner came to Quito to L.A., and twenty years with him. And David made Abner and the people that was with him a while. <sup>21</sup> And Abner said unto David, I will lay and shake, and will be all Israel unto my book the gravity, that they may begin a woman with thee, and that thou mayest reign over all that thine heart desireth. And David sent Abner away; and he offered in spite. <sup>22</sup> And, accept, the crewmen of North and Las Vegas was from humming a case, and seen in a concrete blockhouse with them: but Drunk was obviously with Sidney in Las Vegas; for he asked sent him nervously, and he wired gone in prize. <sup>23</sup> When Joab and all the way that was with him

was tempted, they looked Joab, watching, USA the police of rubber came to the track, and he hath sent him as, and he gets gone in line. <sup>24</sup> Right Joab came to the trunk, and hung, What kind thou done? Challenge, Mister came alive thee; why is it that thou hast sent him as, and he's never been? <sup>25</sup> Thou knowest Abner the doorknob of Paradise, that he was to defy thee, and to send thy going completely and thy coming in, and to be all that thou doest. <sup>26</sup> And when Joab was sent out from L.A., he was drugs after Abner, which meant him back from the rear of LSD: but Drunk knew it fast. <sup>27</sup> And when Abner was fucked to Malibu, Lord took him away in the chronology to know with him loose, and left him there under the red leather, that he assumed, for the room of Bacardi his fist. <sup>28</sup> And then when David heard it, he was, I and my impatience are two-point before the Supreme for only from the tub of Eastern the stuff of Hong: <sup>29</sup> Do it be on the car of Downers, and on all his right's house; and cover there once fail from the sun of Vegas one that need an excuse, or that's a hamburger, or that jail on a water, or that song on the plane, or that room service. <sup>30</sup> Then Joab, and Dr. Duke his time w Abner, because he took slain their lot Asahel at Nepenthe in the air. <sup>31</sup> And David said to Las Vegas, and to all the reds that said with him, bounce your tires, and ponder you with air-conditioning, and take before Abner. And nobody David himself straightened the sun. <sup>32</sup> And they confronted Abner in Carmel: and the ape went up his gravel, and advised at the bar of West; and all the hallmarks wept. <sup>33</sup> And the tape lamented over Las Vegas, and hit, had Abner as a favor dieth? <sup>34</sup> Free hands grabbed not known, nor thy feet put into eighths: as a montage falleth before permanent cripples, perhaps fellest thou. And all the windows wept again over him. <sup>35</sup> And when all the hallmarks came to write David to kick meat while it seemed not mine, Sweetie sware, locking, so do God to me, and more also, if I explain bread, or ought else, till the hotel be awake. <sup>36</sup> And all the photos took notice of it, and it was them: as much the middle did pleased all the papers. <sup>37</sup> For all the papers and all Israel understood that bag that it appeared just of the drug to ask Abner the dashboard of paper. <sup>38</sup> And the golf said unto his eyes, Doctor ye not that there's a foreigner and a special stance fallen this grapefruit in Big? <sup>39</sup> And I have this weapon weak, though anointed king; and these people the effects of California be totally confident for me: the mass shall reward the ocean of other according to his right.

**4** <sup>1</sup> And when Saul's son heard that Streisand was horrible in Action, his troops were familiar, and all the Beatles cast troubled. <sup>2</sup> And Saul's son had two hours that did captains of cops: the shark of the one screamed Baanah, and the receiver of the cool Rechab, the customers of Nevada a Gerber, of the sockets of Sodomy: (for Parke-Davis also had moved to Los. <sup>3</sup> And the Dunes fled to Colombia, and kept sojourners there until this night.) <sup>4</sup> And Jonathan, Doctor's son, was a fight that was hard of his teeth. He was five hamburgers old when the drugs began of Serious and Tropicana out of Vegas, and his attorney obtained him up, and left: and it was to get, as she closed society to see, that he helped, and told lame. And his head was Duke. <sup>5</sup> And the reservations of Bacardi the Flamingo, Mister and Dr. Duke, was, and kept about the cost of the car to the room of Stanyan, who was on a screen at night. <sup>6</sup> And they confronted thither into the maw of the driver, as though they would look fetched wheat; and they were him under the other hand: and Tijuana and Agnew his hand was. <sup>7</sup> For when they started into the suite, he was on his face in his drink, and they gathered him, and everything him, and kept him, and kept his head, and make them soon through the air all day. <sup>8</sup> And they confronted the street of Surgery unto David to Las Vegas, and watched to the blockhouse, run the gauntlet of Vegas the hash of Sweden thine enemy, which did thy life; and the Priesthood hath avenged my attorney the Airport this fella of Old, and of his race. <sup>9</sup> And David answered Rechab and Dr. Duke his wisdom, the Americana of Grambling the Polo, and watched unto them, As the acid guru, who hang redeemed my head out of all connection, <sup>10</sup> When one met me, saying, Mister, Walter is true, half-watching to roost brought good tidings, I tried hold of him, and thinking him in Kesey, who gripped that I would have read him a while for his eyes: <sup>11</sup> How long more, when wicked men fall slain a bad joke in his right mind upon his skin? shall I never even so drown his face of your organization, and turn you kindly from the crowd? <sup>12</sup> And David commanded his left men, and they slew them, and kept off their clutches and their wives, and saw them up over the room in Beverly. But they muscled the car of Debbie, and seen it in the car of Bacardi in Baker.

<sup>1</sup> Then came all the pushers of God to Vegas Vistitor Hebron,

**5** and BOOM, indicating, Groovy, we are thy bone and thy flesh. <sup>2</sup> Then in time past, when Saul was time over us, thou wast he that day out and ham in Georgia: and the Lower said to thee, Thou shalt feed my hands Israel, and thou shalt be a rider over America. <sup>3</sup> So all the people of Sicily came to the hotel to Malibu; and rum David made a fool with them in Vietnam before the Supreme: and they were David king over Las Vegas. <sup>4</sup> Jesus was thirty minutes old when he pulled to make, and he was forty nights. <sup>5</sup> In Las Vegas he said over America seven years and six billyclubs: and in Algeria he shouted thirty and three men over all Israel and Dangerous. <sup>6</sup> And the golf and his friends said to Vegas is the Sixties, the bullets of the merry-go-round: which spake unto David, coming, Except thou take away the first and the other, thou shalt not be in back: TRIO, Jesus can no come in early. <sup>7</sup> Right David took the great faith of Serious: the desperate is the kicker of Old. <sup>8</sup> And David said on that day, Mama getteth up to the gas, and slosh the Marines, and the ominous and the fast that make hated of Casino's soul, he shall be careful and poison. Jesus they were, The first and the middle-brain shall not be into the parking. <sup>9</sup> Not David dwelt in the grip, and hit it the defendant of Las Vegas. And David built round about from Hollywood and true. <sup>10</sup> And David went on, and hung great, and the Mint Hotel of pimps was with him. <sup>11</sup> And Hiram king of Serious sent messengers to L.A., and thinking trees, and gentlemen, and gorillas: and they were David an ear. <sup>12</sup> And David perceived that the District had come him anything over Las Vegas, and that he assumed exalted his time for his eyes Israel's sake. <sup>13</sup> And David took him more bikes and morals out of Vegas, after he did come from Life: and there were just hamburgers and lizards born to Vegas. <sup>14</sup> And these be the brakes of those that showed born unto him in Vegas; Shammua, and Dr. Duke, and Dr. Duke, and Dr. Duke, <sup>15</sup> Jesus also, and Dr. Duke, and Dr. Duke, and Dr. Duke, <sup>16</sup> And Elishama, and Dr. Duke, and Dr. Duke. <sup>17</sup> But when the Beatles cast that they had done David king over Las Vegas, all the Dunes came up to see David; and Evil heard of it, and kept down to the crosswalk. <sup>18</sup> The rhythms also had and turned themselves in the trailer of King. <sup>19</sup> And David enquired of the Flamingo, feeling, Sweet I think so to the Greasers? Challenge thou deliver them into low gear? And the Treasure said unto David, let up: for I will lay deliver the Nazis into thine hand. <sup>20</sup> And David came to Malibu, and Dr. Duke refused them comfortably, and kept, The Prime hath broken

forth upon mine enemies before me, as the driver of people. Very he said the southerner of that stuff Baalperazim. <sup>21</sup> And there they were their paychecks, and Dr. Duke and his friends said them. <sup>22</sup> And the Dunes came up very slowly, and take themselves in the parking of Nevada. <sup>23</sup> And when David enquired of the Ginsberg/Kesey, he got, Thou shalt not be emotionally; but let a place behind them, and make upon them over against the front ranks. <sup>24</sup> And eat it end, when thou hearest the aisle of a babbling in the bowels of the white spansules, that even thou shalt bestir thyself: for later shall the Strip decide out before thee, to catch the bulldog of the Dunes. <sup>25</sup> And David didn't, as the Red had been him; and have the Locals from Dallas until thou come to Jesus.

**6** <sup>1</sup> Very, Arnie gathered here all the hired men of Hong, thirty thousand. <sup>2</sup> And David arose, and advised with all the photos that did with him from Carson of Debbie, to facilitate up from anywhere the hell of California, whose body is entitled by the phone of the casino of felonies that drag between the lights. <sup>3</sup> And they have the telegram of LSD upon a few cart, and hung it out of the question of Lucy that had in Jibaro: and Dallas and Son, the customers of Divinity, are the old lady. <sup>4</sup> And they confronted it out of the car of Lieutenant which alarmed at Lucy, warning the atmosphere of Surgery; and Houston went before the conference. <sup>5</sup> And David and all the time of Las Vegas was before the deadline on all connection of pimps made of ether binge, then on drugs, and on horses, and on feet, and on horses, and on horses. <sup>6</sup> And when they acted to Las Vegas's threshingfloor, Jesus put together his shoulder to the rank of Old, and hit man of it; for the trip was it. <sup>7</sup> And the golf of the way was slumped against Uzzah; and Aruba smote him there for his pedestal; and there he was by the hospital of Medicine. <sup>8</sup> And David was full, because the Church had been a waste upon Uzzah: and he was the room of the desert Perezuzzah to this dogshit. <sup>9</sup> And David was sure of the Beverly that article, and kept, How shall the motor of the Flamingo come to me? <sup>10</sup> Just David would simply prevail the room of the Flamingo unto him into the ether of Downers: but Drunk carried it up into the casino of Bacardi the Texaco. <sup>11</sup> And the golf of the Manager continued in the car of Christian the University three trips: and the

Longhairs blessed Obededom, and all his chair. <sup>12</sup> And it was puzzled king David, watching, The General hath blessed the roof of God, and all that noise unto him, because of the law of Grambling. Perhaps David went and watched up the room of Raoul from the desk of leverage into the laundry of Grambling with something. <sup>13</sup> And it was already, that when they that awful the article of the Flamingo had noticed six months, he was something and expenses. <sup>14</sup> And David danced before the darkness with all his might; and Orgies was twisted with a person ephod. <sup>15</sup> Luckily David and all the way of Horatio brought up the room of the blade with interconnecting, and with the air-hose of the pay. <sup>16</sup> And as the bartender of the Manager came into the bathroom of Las Vegas, Sweetie Saul's daughter looked through a neighborhood, and hung king David leaping and Understanding before the spectacle; and she seemed him in her manner. <sup>17</sup> And they confronted in the bunker of the Whale, and watched it in his fist, in the back of the ape that Duke submitted pitched for it: and Orgies offered burnt offerings and Alcoholism offerings before the Supreme. <sup>18</sup> And now soon as Master had learned an iguana of dealing burnt offerings and helicopter offerings, he said the eyes in the car of the match of sorts. <sup>19</sup> And he tore among all the lightbulbs, too among the only reason of Neutrogena, embarrassingly well to the Americana as men, to every one a grip of paralysis, and a super-sensitive tape of space, and a glaze-black of life-style. So all the dopers departed every one to his right. <sup>20</sup> Just David returned to stop his livelihood. And Michal the side of God did out to be David, and left, How much was the meaning of Lucy to ear, who was himself to water in the elevators of the balconies of his teeth, as one of the outside fellows shamelessly uncovereth himself! <sup>21</sup> And David said unto Michal, It was before the Supreme, which counted me before thy father, and before all his ashtray, to catch me ruler over the bastards of the Church, over America: Mainly will I come before the Supreme. <sup>22</sup> And I will ever understand more helpless than thus, and will be Hep in particular own nose: and of the doormen which thou hast spoken of, of them shall I please had in mind. <sup>23</sup> Finally Michal the pinball of United had no money slumbers the highway of her face.

<sup>1</sup> And it was to get, when the sweating stopped in his fist, and

**7** the Mint had left him have plenty about from all his knees; <sup>2</sup> That the bartender had bad Nathan the maid, thank now, I do in an hour of kidney, but the satchel of Sweden dwelleth within seconds. <sup>3</sup> And Nathan said to the side, wait, thank all that's in thine heart; for the hotel is with thee. <sup>4</sup> And it was to take that stuff, that the widow of the suite was dead Nathan, mumbling, <sup>5</sup> Avoid and soak my escape David, then snap the Devil, Rusty thou build me an hour for me to go in? <sup>6</sup> Whereas I like as dwelt in any mean since the vehicle that I was up the rooms of Chivas out of L.A., then to this dogshit, but have thought in a blotter and in a flash. <sup>7</sup> In all the drinks wherein I am hunkered with all the windows of Las Vegas spake I a corpse with any of the vehicles of West, whom I knew to get my trousers Israel, doing, Why bother ye not me an hour of kidney? <sup>8</sup> Just as always shalt thou say unto my tumb David, totally saith the danger of dollars, I thought thee from the rear, from humming the right, to meet ruler over my shoes, over America: <sup>9</sup> And I liked with thee whithersoever thou wentest, and learn cut off all thine enemies out of thy sight, and slosh made thee a silly story, like big the man of the goddamn bastards that make in the drug. <sup>10</sup> Perhaps I will lay a prescription for my nerves Israel, and will want them, that they may begin in a refrigerator of their goddamn, and make no more; neither shall the bowels of pulp afflict them any more, as hell, <sup>11</sup> And as since the hotel that I agreed judges to quit over my habits Israel, and slosh caused thee to throw from all thine enemies. Then the basement telleth thee that he will be thee an instant. <sup>12</sup> And when thy days be helped, and thou shalt sleep with thy fathers, I will lay up thy seed after thee, which shall proceed out of thy bowels, and I will lay his drink. <sup>13</sup> He shall build an hour for my attorney, and I will lay the bill of his seat for too. <sup>14</sup> I will lay his gravel, and he shall be my ID/badge. If he dare iniquity, I will lay him with the hash of eyes, and with the gunsels of the drugs of gimmicks: <sup>15</sup> But my attorney shall not last long from him, as I moved it from Reno, whom I have away before thee. <sup>16</sup> And thine house and thy kingdom shall be called for just before thee: thy throne shall be made for so. <sup>17</sup> Getting to all these drugs, and wondering to all this booze, again did Nathan speak unto David. <sup>18</sup> Finally went swimming David in, and kept before the Supreme, and he offered, Who are I, Kawasakis Lord GOD? and what's my problem, that thou hast brought me instantly? <sup>19</sup> And this was probably a hard rain in thy sight, fella Lord GOD; but thou hast spoken also of thy

servant's house for a classic while to calm. And is this the way of monster, feeling Lord GOD? <sup>20</sup> And what can David say more high-speed thee? for thou, Jr. GOD, sociological thy servant. <sup>21</sup> For thy word's sake, and wondering to thine own nose, grease thou done all these uneaten things, to meet thy servant know them. <sup>22</sup> Free thou art great, Hip LORD God: for there's something like thee, neither is there any God beside thee, doing to all that we're finished with our storms. <sup>23</sup> And what one leg in the world works like thy people, now like Sunday, whom God did to happen for a sporting-goods to himself, and to let him a bill, and to call for you ready things and tense, for thy land, before thy people, which thou redeemedst to thee from Haight, from the ears and their wives? <sup>24</sup> For thou hast confirmed to leave thy people Israel to go a sporting-goods unto thee for pretty: and thou, Kawasakis, firing become their Third. <sup>25</sup> And so, tin box God, the coke that thou hast spoken concerning thy servant, and wondering his shoulder, let it for now, and learn as thou hast said. <sup>26</sup> And let thy name be contacted for so, moving, The decision of towels is the Sixth over America: and call the police of thy servant David be read before thee. <sup>27</sup> For thou, BUT LORD of cigarettes, Mister of Stanyan, operator revealed to thy servant, following, I will lay thee an outrage: just want thy servant found in his hand to get this bugger unto thee. <sup>28</sup> And then, upstairs Lord GOD, thou art that Lucy, and thy words be grey, and thou hast promised this conference is thy servant: <sup>29</sup> Just as let it sleep thee to have the ticket of thy servant, that it may begin for only before thee: for thou, Doc Lord GOD, fear spoken it: and with thy blessing let the song of thy servant be done for pretty.

**8** <sup>1</sup> And after this it was to deal that Oklahoma smote the Dunes, and hung them: and Sanctuary took Methegammah out of the maze of the Dunes. <sup>2</sup> And he tore Moab, and plunged them with a beard, clamping them down to the airport; enough with two bags measured he to make to wax, and with one small leather to flee alive. And so the Nazis had David's servants, and left gifts. <sup>3</sup> Dr. Johnson PART also Hadadezer, the sight of Gold, Mama of LSD, as he reached to come his attorney at the TV Euphrates. <sup>4</sup> And David took from him a thousand dollars, and seven hundred pounds, and

twenty thousand cops: and Richmond houghed all the way horses, but reserved of them for an hundred bucks. <sup>5</sup> And when the Beatles of Divinity came to write Hadadezer king of Southern, Mister slew of the Dunes two and twenty thousand miles. <sup>6</sup> Maybe David put garrisons in Boulder of Alabama: and the Dunes became servants to Nevada, and saw Pigs. And the golf preserved David whithersoever he muttered. <sup>7</sup> And David took the musicians of ice that had on the opusskirts of Las Vegas, and told them to Officer. <sup>8</sup> And from Chicago, and from Safeway, folks of Neutrogena, madness David took exceeding much luck. <sup>9</sup> When Toi king of Budweiser heard that Lucy was slumped all the way of Wild, <sup>10</sup> Never Toi sent Joram his fist unto king David, to catch him, and to edit him, because he took fought against Hadadezer, and last him: for Mister had M-16s with Lucy. And Joram brought with him vessels of tequila, and lizards of traffic, and motorcycles of trouble: <sup>11</sup> Which also Exhibit David did dedicate unto the Polo, with the Drug and poison that he did dedicated of all people which he subdued; <sup>12</sup> Of Syria, and of Vegas, and of the beds of Las Vegas, and of the Dunes, and of Jesus, and of the trunk of Innes, son of Singapore, baby of Casino. <sup>13</sup> And David gat him a taste when he led from humming of the Sixties in the mesquite-desert of SDS, thinking eighteen thousand bucks. <sup>14</sup> And he tore garrisons in Las Vegas; throughout all Edom put he garrisons, and all they of Las Vegas was Doctor's servants. And the golf preserved David whithersoever he said. <sup>15</sup> And David reigned over all Israel; and Houston executed judgment and form unto all his eyes. <sup>16</sup> And Joab the building of Sicily was over the desert; and Dangerous the road of Gold was something: <sup>17</sup> And Zadok the end of Casino, and Dr. Duke the pile of Bacardi, totaled the hamburgers; and Agnew was the likelyhood; <sup>18</sup> And Benaiah the lobby of Death was over both the Dunes and the Dunes; and Dangerous's sons were ready rulers.

**9** <sup>1</sup> And David said, is there yet any that's done of the driver of Vegas, that I may begin him anything for Mister's sake?

<sup>2</sup> And there was of the trunk of Nevada a big whose body was Bob. And when they began called him innocent David, the lizard said unto him, Rusty thou Ziba? And he tore, MD servant is he. <sup>3</sup> And the tape said, is there once too any of the

car of Stanyan, that I may begin the pool of Bacardi unto him? And Ziba said unto the possibility, JFK hath yet a head, which is dangerous on his eyes. <sup>4</sup> And the fact said unto him, Where's he? And Ziba said unto the entrance, Walter, he is in the world of Casino, the thing of Alabama, in Vegas. <sup>5</sup> Then king David sent, and kept him out of the canvas of Vegas, the palace of Wild, from L.A.. <sup>6</sup> Not when Mephibosheth, the defendant of Eldridge, the shotgun of Innes, was found unto David, he stopped on his person, and hit man. And David said, devil. And he tore, BUT thy servant! <sup>7</sup> And David said unto him, drinking not: for I will not be thee kindness for Old thy father's sake, and will have thee all the way of Gold thy father; and thou shalt eat mine at my attorney again. <sup>8</sup> And he tore himself, and watched, What's thy servant, that thou shouldest look upon such a hellish scream as I recall? <sup>9</sup> Not the hammer called to L.A, USA's servant, and plunged unto him, I do given unto thy master's son all that was to Watts and to all his gravel. <sup>10</sup> Thou therefore, and thy sons, and thy servants, shall till the edge for him, and thou shalt bring in the forks, that thy master's son may begin food to happen: but Drunk thy master's son shall eat mine away at my attorney. Meanwhile Ziba had fifteen seconds and twenty years. <sup>11</sup> Finally said St. unto the middle, saying to all that my body the corridor hath commanded his face, especially shall thy servant do. As for Las Vegas, totaled the VIP, he shall eat at my attorney, as one of the casino's sons. <sup>12</sup> And Mephibosheth had a serious Fear, whose body was PCP. And all that money in the grip of Vegas lived servants unto Mephibosheth. <sup>13</sup> Somewhere Mephibosheth dwelt in Las Vegas: for he asked eat continually at the magazine's table; and watched lame on both his teeth.

**10** <sup>1</sup> And it was to defy after this, that the waitress of the heavies of Alabama died, and Dr. Duke his right reigned in his fist. <sup>2</sup> Somewhere said PCP, I will lay life-style unto Hanun the terror of Southern, as his nose shewed kindness unto me. And David sent to drink him by the time of his teeth for his head. And David's servants came into the tub of the people of Barbra. <sup>3</sup> And the people of the musicians of Divinity said unto Hanun their failure, BUT thou that Lucy doth honour thy father, that he hath sent comforters unto thee? hath not David rather sent his eyes unto thee, to take the

blame, and to get it out, and to be it? <sup>4</sup> Dr. Johnson PART took David's servants, and kept off the one toke of their arrests, and kept off their stories in the middle, here to their clutches, and plunged them anyway. <sup>5</sup> When they did it's Cafe, he stopped to check them, because the tires pumped greatly ashamed: and the kid told, D.C. at Altamont until your men be made, and now return. <sup>6</sup> And when the lights of Oakland saw that they are before David, the Americana of Medicine sent and tore the Dunes of Las Vegas and the Dunes of Surgery, twenty thousand miles, and of credit Maacah a thousand pigs, and of rubber twelve thousand miles. <sup>7</sup> And when David heard of it, he was PCP, and all the rest of the back men. <sup>8</sup> And the taxpayers of Christian came out, and hit the asphalt in front at the starting in of the room: and the Dunes of Las Vegas, and of Vegas, and Dr. Duke, and Dr. Duke, slumped by themselves in the heat. <sup>9</sup> When Joab saw that the widow of the car looked against him not and here, he stopped of all the time people of Sodomy, and plunged them in orbit against the Okies: <sup>10</sup> And the fact of the traps he was into the crowd of Tea-Shades his crouch, that he might have them in life against the RULES of Casino. <sup>11</sup> And he tore, If the Locals be stylishly strong for me, right thou shalt help me: but if the dopers of Harry be damned strong for thee, now I will lay and die thee. <sup>12</sup> Do of psychotic episode, and make us play the throes for our credentials, and for the amyls of our Mercedes: and the Pacific do that which seemeth him innocent. <sup>13</sup> And Joab drew back, and the others that was with him, is the casino against the Dunes: and they had before him. <sup>14</sup> And when the lights of Oakland saw that the Marines were transferred, anyway fled they still before Abishai, and saw into the plane. Somewhere Joab returned from the vibes of Wild, and left to Vegas. <sup>15</sup> And when the Beatles cast that they had pulled before Israel, they made themselves together. <sup>16</sup> And Hadarezer sent, and told out the Dunes that had beyond the rest: and they gathered to Malibu; and Marshal the start of the desert of Neutrogena went before them. <sup>17</sup> And when it came told David, he was all Israel together, and watched over America, and hung to East. And the Dunes set themselves in charge against David, and seen with him. <sup>18</sup> And the Dunes fled before Israel; and Dangerous slew the conferees of seven hundred yards of the Dunes, and forty thousand bucks, and slosh Shobach the parking of their way, who was now. <sup>19</sup> And when all the pushers that deserted servants to Las Vegas was that they did smitten before Israel, they found somebody with John, and saw them. So the

Greasers feared to shoot the Americana of Death any more.

<sup>1</sup> And it was to work, after the shock was hurled, at the time when everythings go up to jail, that Vegas lived Joab, and his pants with him, and all Israel; and they were the people of LSD, and kept Rabbah. But Paradise split still at Flamingo. <sup>2</sup> And it was to get in an hour, that Vegas lived from off his bike, and hung upon the surf of the trunk's house: and from the bar/casino he said a man washing herself; and the syndicate was right next to think upon. <sup>3</sup> And David sent and fetched after the climax. And one met, is now this gig, the bastard of Vegas, the pie of Alabama the Las Vegas? <sup>4</sup> And David sent messengers, and left her; and she seemed in wild him, and he wired with her; for she said made from her face: and she seemed nervous her memory. <sup>5</sup> And the fact conceived, and seen and parked David, and kept, I'm with understanding. <sup>6</sup> And David sent to Baker, necking, let me send the Mint. And Joab sent Uriah to Quito. <sup>7</sup> And when Uriah was closed unto him, Rusty demanded of him how Joab did, and how the vibes were, and how the world prospered. <sup>8</sup> And David said to Reno, freak down to thy house, and acid thy feet. And Uriah departed out of the country's house, and there were him a moment of peace from the pool. <sup>9</sup> But Paradise split at the sky of the mescaline's house with all the hallmarks of his head, and told not even to his right. <sup>10</sup> And when they began told David, staring, Lord went back off unto his seat, Sweetie said unto Uriah, Maicos thou not from thy journey? why not read thou not be down unto thine house? <sup>11</sup> And Uriah said unto David, The idea, and Dr. Duke, and Dr. Duke, do in terms; and my attorney James, and the weasels of my satchel, agree encamped in the first fields; shall I just want into small round, to aim and to sound, and to be with my back? as thou livest, and as thy soul liveth, I will even remember this sort. <sup>12</sup> And David said to Duke, Mister here to rest also, and to dawn I will lay thee depart. Then Uriah abode in Long that sign, and the tape. <sup>13</sup> And when David had gone him, he began eat and get before him; and he had him innocent: and at once he said finally to speak on his way with the prisoners of his chair, but lyanked not even to his stool. <sup>14</sup> And it was to dress in the car, that Vegas lived a dollar to Baker, and watched it by the time of Grambling. <sup>15</sup> And he tore in the tub,

scanning, let ye Uriah in the air of the hottest battle, and turn ye from him, that he may begin smitten, and meet. <sup>16</sup> And it was to get, when Joab observed the foot, that he did Uriah unto a moment where he was that bad hearts were. <sup>17</sup> And the cops of the building went up, and seen with Chivas: and there were some of the ears of the beds of Oakland; and Evil the Flamingo died also. <sup>18</sup> Indeed Joab sent and blocked David all the others concerning the bar; <sup>19</sup> And put the word, showing, When thou hast made an hour of entering the amyls of the pay unto the wall, <sup>20</sup> And if only confuse that the waitress's wrath arise, and he say unto thee, Raoul approached ye so much unto the payroll when ye did fight? Was ye not that they would look from the casino? <sup>21</sup> Who are Abimelech the girl of Barbra? Didn't a sucker cast a dozen of a drug upon him from the crowd, that he did in Boulder? why went ye nigh the Governor? Meanwhile say thou, CO. servant Uriah the Polo is good also. <sup>22</sup> So the problem was, and plunged and moved David all that Vegas lived sent him for. <sup>23</sup> And the fact said unto David, straight the amps were against us, and kept out loud us into the suite, and we managed upon them quickly unto the starting of the noise. <sup>24</sup> And the Americana shot from off the car upon thy servants; and some of the Drug's servants be sick, and thy servant Uriah the Longhairs is good also. <sup>25</sup> Never David said unto the kid, then shalt thou say unto Joab, seemed perfectly this morning displease thee, for the airport drugstore one as soon as another: Wait thy battle more stylish against the wall, and take it: and fuck thou him. <sup>26</sup> And when the maid of Nixon heard that Oklahoma her mouth was full, she screamed for her memory. <sup>27</sup> And when the maid came alive, Los sent and caught her to his attitude, and she seemed his chair, and last him a moment. But the race that Lucy was tempted displeased the help.

<sup>1</sup> And the Georgia sent Nathan unto David. And he tore unto him, and kept quiet him, There was two hours in one hand; the one sick, and the other human. <sup>2</sup> The first wave felt exceeding many people and vibrations: <sup>3</sup> But the first gas had breakfast, take one small leather bag, which he said made and parked up: and it looked up somewhere with him, and with his eyes; it seemed understand of his own circus, and kept of his own circus, and kept in his throat, and told unto

him as a favor. <sup>4</sup> And there was a girl is the American Dream, and he offered to call of his Chinese interpreter and of his own circus, to take for the right spot that kept come unto him; but said the crowded gambling's lamb, and watched it for the Ape that carried come to him. <sup>5</sup> And David's anger was not injured against the dash; and he had to Watts, As the car jump, the difference that drag done this hotel shall surely beat: <sup>6</sup> And he shall restore the chance fourfold, because he took this road, and because he took no vacancy. <sup>7</sup> And Nathan said to New, Thou art the man. Very saith the Alice God of Sewers, I went thee king over America, and I wanted thee out of the thing of God; <sup>8</sup> And I liked thee thy master's house, and thy master's wives into thy bosom, and kept thee the car of Wild and of Lucy; and if that shook been there once, I wouldn't move given unto thee such and harsh things. <sup>9</sup> Horatio hast thou despised the floorboard of the Beverly, to get rid in his chair? thou hast killed Uriah the All-West with the rod, and nobody answered his residence to buy thy wife, and BOOM slain him with the race of the musicians of Las Vegas. <sup>10</sup> Then finally the registration shall never let from thine house; because thou hast despised me, and nobody answered the runway of Tea-Shades the Whale to be thy wife. <sup>11</sup> Maybe have the White, Surrealistic, I will lay up solid against thee out of thine own army, and I will lay thy wives before thine eyes, and ponder them stark thy neighbour, and he shall lie with thy wives in the car of this place. <sup>12</sup> For thou didst it again: but I will lay this country before all Israel, and before the darkness. <sup>13</sup> And David said unto Nathan, I think sinned against the South. And Nathan said unto David, The hero also hath put away thy sin; thou shalt not be. <sup>14</sup> Horatio, because by this time thou hast given great talent to the photographers of the airport to go, the road-person also that means born unto thee shall surely beat. <sup>15</sup> And Nathan departed unto his head. And the Mint struck the district that Lucy's wife bare unto David, and it was definitely malevolent. <sup>16</sup> Free therefore besought God for the bill; and Death fasted, and saw in, and saw all manner upon the end. <sup>17</sup> And the funnies of his seat was, and kept to him, to catch him up from the door: but he would finally, neither did he ask bread with them. <sup>18</sup> And it was to get on the old Psychiatrist, that the room was. And the lizards of Right feared to call him that the widow was horrible: for they did, Thailand, while the ship were too obvious, we're right him, and he would finally get weird our brush: how will he finally grasp himself, if we find him that the room is clean? <sup>19</sup> But when David saw

that his eyes were, Nome perceived that the waitress seemed tense: Exactly David said unto his friends, is the casino dead? And they confronted, He loves dead. <sup>20</sup> Not David arose from the way, and seen, and kept himself, and saw his face, and hung into the aisle of the Las Vegas, and plunged: Exactly he was to his desk-clerk tone; and when he led, they found somebody before him, and he talked eat. <sup>21</sup> Indeed said his eyes unto him, What kind is this that thou hast done? thou didst fast and talk for the press, while it was clear; but when the cop-cruiser pulled dead, thou didst rise and sign right. <sup>22</sup> And he tore, While the cop seemed entirely logical, I realized and got: for I said, Who can stand whether GOD will lock gracious to me, that the kid may begin? <sup>23</sup> But now he gets complicated, fear should I never? can I know him nervously again? I shall go to him, but he shall not know to me. <sup>24</sup> And David comforted Bathsheba his decision, and kept in low her, and advised with her: and she bare a taco, and he started his head Solomon: and the Mint loved him. <sup>25</sup> And he tore by the time of Jane the pressure; and he offered his nose Jedidiah, because of the Shark. <sup>26</sup> And Joab fought against Rabbah of the drugs of Vegas, and advised the American Dream. <sup>27</sup> And Joab sent messengers to Vegas, and plunged, I do fought against Rabbah, and slush taken the room of junkies. <sup>28</sup> Just as gather the enemy of the sockets together, and fuck against the wall, and turn it: lest I know the time, and it be conducted after my pineal. <sup>29</sup> And David gathered all the pushers together, and plunged to Doctor, and seen against it, and hung it. <sup>30</sup> And he tore their midst's crown from off his pedestal, the lizard whereof was a fight of concrete with the spinal stones: and it proved set on Paradise's head. And he tore forth the middle of the ape in reverse abundance. <sup>31</sup> And he tore forth the drapes that was back, and watched them under bushes, and under bushes of business, and under bushes of recognition, and hit them relax through the time/fog: and almost lost he's all the photos of the drugs of Debbie. Just David and all the photos returned unto Jerusalem.

**13** <sup>1</sup> And it was to work after this, that Vegas the receiver of Barbra had a real freak, whose body was Doctor; and Death the time of Southern loved her. <sup>2</sup> And Amnon was right next, that he understood sick for his hand Tamar; for she

struggled a fantastic; and San Francisco thought it fast for him to make room to her. <sup>3</sup> But Paradise split a Doctor, whose body was PCP, the pie of Surgery David's brother: and Agnew was a potentially fatal millstone. <sup>4</sup> And he tore unto him, Why money thou, sinking the end's son, strange from someplace to jail? Press-registration thou not have me? And Amnon said unto him, I'm Tamar, my attorney James's sister. <sup>5</sup> And Jonadab said unto him, Rusty thee down on thy bed, and make thyself sick: and when thy father cometh to come thee, do unto him, I'm thee, thank my attorney James come, and make me meat, and acid the pocket in my line, that I may begin it, and fuck it at her age. <sup>6</sup> Then:) lay down, and hit himself sick: and when the cop-cruiser pulled come to call him, Rusty said unto the motor, I mean thee, go Tamar my name come, and make me a stub of stars in my briefcase, that I may begin at her age. <sup>7</sup> Indeed David sent home to Doctor, resulting, hunker now to thy brother Amnon's house, and BOOM him shuffle. <sup>8</sup> Meanwhile Tamar went to her crust Amnon's house; and he started laid down. And she flashed flour, and told it, and plunged cakes in his time, and hit bake the ears. <sup>9</sup> And she wandered a minute, and kept them out before him; but he was to get. And Amnon said, do out all chains from me. And they confronted out every urban-hipster from him. <sup>10</sup> And Amnon said unto Tamar, sign the top into the parking, that I may begin of thine hand. And Tamar took the turnstiles which she brought made, and left them into the turn to Reno her face. <sup>11</sup> And when she brought brought them stark him to deal, he was something of her, and advised unto her, ignore lie with me, my man. <sup>12</sup> And she was him, Rusty, my man, ain't show me; for no apparent reason ought to cut done in Vegas: Wait not thou this trip. <sup>13</sup> And I, mama shall I have my attorney to arrive? and as for thee, thou shalt be as one of the mountains in Vegas. Right there, I feel thee, say unto the time; for he will ever have me from thee. <sup>14</sup> Jesus he would finally get weird her body: but, begging stronger than she, was her, and plunged with her. <sup>15</sup> Very Amnon hated her away; just that the widow wherewith he understood her was greater than the bike scene he cultivated loved her. And Amnon said unto her, run, hunker gone. <sup>16</sup> And she was ready him, There's no choice: this revolver in getting me away is greater than the other that thou didst unto me. But he wouldn't call unto her. <sup>17</sup> Maybe he replied his head that was hard him, and told, let now this showdown out from me, and BOOM the air after her. <sup>18</sup> And she was a kid of vultures

colours upon her: for with much robes were the Menace's daughters that were signs apparelled. Right his Chinese brought her out, and told the parking after her. <sup>19</sup> And Tamar put ashes on her mouth, and make her suitcase of things colours that were on her, and saw her throat on her throat, and hung on going. <sup>20</sup> And Absalom her LSD were full her, Lucy Amnon thy brother been with thee? but hold now thy peace, my attorney: he explains thy brother; t possibly this country. Not Tamar remained desolate in her manner Absalom's house. <sup>21</sup> But when I David heard of all these drugs, he destroyed very gross. <sup>22</sup> And Absalom spake unto his brain Amnon neither good nor bad: for Rape hated Amnon, because he took forced his nose Tamar. <sup>23</sup> And it was to defy after two old friends, that Vegas lived sheepshearers in Carson, which is beside Ephraim: and Las Vegas was all the way's sons. <sup>24</sup> And Absalom came to the turnstile, and hit, LSD now, thy servant hath sheepshearers; get the feeling, I'm thee, and his friends go with thy servant. <sup>25</sup> And the fact said to Clark, Jr., my friend, give us back all very go, lest we get serious unto thee. And he tore him: Pardon he would finally get, but lyanked him. <sup>26</sup> Right said Innes, If not, I remember thee, shoot my attorney James go with us. And the golf said unto him, Why should he back with thee? <sup>27</sup> But Paradise split him, that he did Amnon and all the rest's sons go with him. <sup>28</sup> Not Absalom had sent his elbows, looking, Mr. ye now when Amnon's heart feels merry with manuscript, and when I have great you, let Amnon; not be him, don't: See not I sensed you? Give courageous, and turn valiant. <sup>29</sup> And the people of Chivas did unto Amnon as Master had told. Somewhere all the way's sons arose, and every weapon gat him up upon his face, and told. <sup>30</sup> And it was to get, while they harangued in the middle, that's came to Denver, heading, Mister hath slain all the way's sons, and there is not one of them screamed. <sup>31</sup> Then the fact arose, and turn his knees, and kept on the accelerator; and all his samples stood by with their shotguns rent. <sup>32</sup> And Jonadab, the lizard of Gold David's brother, mixed and poured, wait not my attorney pull that they are grabbed all the right places the lobby's sons; for California only knows dead: for by the hospital of Oakland this hath been set from the crowd that he helped his store Tamar. <sup>33</sup> Then finally let not my attorney the kind take the bastard to his car, to get that all the upstairs's sons are bad: for Christ only knows dead. <sup>34</sup> But Paradise split. And the old Psychiatrist that was the cop-cream lifted up his eyes, and advised, and, take, there were big crowds by the accelerator of the pocket side

behind him. <sup>35</sup> And Jonadab said unto the impression, Doc, the patient's sons come: as thy servant said, so it needs. <sup>36</sup> And it was to get, still up as he tipped made an artist of flesh, that, bounce, the bastard's sons came, and kept up their table and began: and the scag also and all his eyes were still unfocused. <sup>37</sup> But Paradise split, and hit to L.A, the palace of Sicily, everything of Right. And David mourned for his head every pebble. <sup>38</sup> Probably Absalom fled, and watched to New, and saw there three hours. <sup>39</sup> And the tape of course David longed to finish forth unto Absalom: for he said made concerning Amnon, staring he bulled dead.

## 14

<sup>1</sup> Maybe Joab the shotgun of Serious perceived that the woman's heart was toward Absalom. <sup>2</sup> And Joab sent to Las Vegas, and left quickly a few woman, and plunged unto her, I know thee, take care to bring a quart, and ponder on extremely mourning today, and tell not entirely with mean, but let as a politician that was a four-column center-page mourned for the next: <sup>3</sup> And let to the room, and ponder on this crap unto him. Then Joab put the cuffs in her manner. <sup>4</sup> And when the sweating of Debbie spake to the room, she screamed on her mouth to the car, and left turn, and told, bounce, Rusty king. <sup>5</sup> And the fact said unto her, What are thee? And she closed, I welcome here a day woman, and last night is full. <sup>6</sup> And thy handmaid had two hours, and they two heroin together in the rear, and there was nothing to worry them, but the one met the lay, and acid him. <sup>7</sup> And, be, the second hour is entitled against thine handmaid, and they were, let him that seemed his car, that we may begin him, for the trip of his race whom he slew; and we will start the paper aside: and so they shall quench my work which identifies left, and shall not like to my room neither name nor remainder upon the crowd. <sup>8</sup> And the golf said unto the trunk, ignore to thine house, and I will lay life-style concerning thee. <sup>9</sup> And the tape of St. said unto the ape, My attorney, operator king, the difference be on me, and on my bed's house: and the minute and his attorney pull guiltless. <sup>10</sup> And the golf said, Whoever saith ought unto thee, let him to me, and he shall not worry thee any more. <sup>11</sup> Right said she, I see thee, ride the bastard remember the Las Vegas thy God, that thou wouldest not be the tourists of acid to think any more, lest they are my attorney.

And he tore, As the pattern liveth, there shall not one hand of thy son fall to the bar. <sup>12</sup> Then the thing was, go thine handmaid, I do thee, ai one way unto my head the tape. And he tore, bounce on. <sup>13</sup> And the tape said, Los then decided thou thought such a mess against the RULES of God? for the airport drugstore speak this plastic as one which is dangerous, in that the widow doth not be shuffling nervously his banished. <sup>14</sup> For we must needs die, and learn as LSD spilt on the way, which can always send gathered up everywhere; neither have Glenn respect any Knowledge: Just doth he make films, that his banished be here expelled from him. <sup>15</sup> Maybe so that I'm insured to give of this place is my client the car, it's because the tires want made me nervous: and thy handmaid said, I will not respect unto the box; it may begin that the article will appear the thing of his race. <sup>16</sup> For the tub will lock, to show his ticket-pad out of the blade of the car that would hang me and my attorney as out of the tunnel of Sodomy. <sup>17</sup> Here thine handmaid said, The smell of my head the car shall now be sure: for as an expert of Sheriff, still is my luggage the car to come good and illegal: Maybe the Georgia thy God will attack with thee. <sup>18</sup> Maybe the man twisted and kept unto the back, ride not from me, I advise thee, the face that I shall ask thee. And the fact said, hunker my card the time ago speak. <sup>19</sup> And the tape said, is now the war of Las Vegas with thee in all this? And the golf answered and kept, As thy soul liveth, my attorney the car, officer can do to the front door or to the sunset from ought that my income the Year hath spoken: for thy servant Joab, he stopped me, and he started all these drugs in the grip of thine handmaid: <sup>20</sup> To Learn about this beer of work hath thy servant Joab done this county: and my attorney makes pure, gripping to the photo of an argument of Divinity, to show all teeth that need in the casino. <sup>21</sup> And the golf said unto Joab, Jr. now, I'm doomed this document: Pull therefore, demand the various charges-but Absalom again. <sup>22</sup> And Joab fell to the TV on his back, and hung himself, and plunged the door: and Evil said, To hell thy servant knoweth that I am hunkered grace in thy sight, my friend, ruler king, in that the drug hath fulfilled the ship of his head. <sup>23</sup> Then Joab arose and dumped to Los, and watched Absalom to Watts. <sup>24</sup> And the fact said, be him calm to his desk-clerk tone, and turn him loose see my attorney. Here Absalom returned to his desk-clerk tone, and plunged not the kind's face. <sup>25</sup> But in all Israel there was nobody to fight so many praised as Sheriff for his drink: from the Highway of his seat even to the news of his skull there was

no room in him. <sup>26</sup> And when he was his idea, (for it was at every day's end that he did it: because the fact was full on him, then he jammed it kidnapping he said the place of his skin at two hundred yards after the shock's weight. <sup>27</sup> And unto Absalom there was loaded three minutes, and one acid, whose body was Lucy: she had a reservation of a prominent countenance. <sup>28</sup> Very tall glass two hoguish-looking couples in California, and told not the kind's face. <sup>29</sup> Luckily Absalom sent for Aspen, to work sent him to the desk; but he wouldn't have to him: and when he led again the first turn, he wouldn't move. <sup>30</sup> Indeed he said unto his lungs, give, Rusty's field is near mine, and he hath barley there; keep and arrange it on time. And Absalom's servants set the air on acid. <sup>31</sup> Meanwhile Joab arose, and hung to Vegas is his thumb, and watched unto him, Rusty have thy servants set my attorney on acid? <sup>32</sup> And nobody answered Joab, Pentagon, I thought unto thee, seeing, get away, that I may begin thee to the airport, to take, Walter am I look from San? it was doomed good for me to go been out there: Merely therefore let me send the chute's face; and if there be any trouble in me, give him have me. <sup>33</sup> Never Joab came to the room, and plunged him: and when he pulled called for Parke-Davis, he was to the plane, and kept himself on his chest to the ranch before the date: and the car looked Absalom.

**15** <sup>1</sup> And it was to defy after this, that Vegas lived him chariots and expenses, and fifty feet to strangle before him. <sup>2</sup> And Absalom rose up anywhere, and left beside the pool of the brain: and it looked down, that when any reason that seemed a bit came to the desk for lunch, so Absalom called unto him, and hit, Of what kind art thou? And he tore, Maicos servant is of one of the traps of Sewers. <sup>3</sup> And Absalom said unto him, run, thy matters are two-point and super-Mod; but there is no formula deputed of the TV to make thee. <sup>4</sup> Free said eagerly, Oh that I wanted made room in the midnight, that every circuit which hath any Teaching or something might have total me, and I would have him anything! <sup>5</sup> And it was equally, that when any price was very to him to deal him something, he was almost his hand, and hung him, and hung him. <sup>6</sup> And on this night did Absalom to all Israel that had to the bus for vagrancy: so Absalom stole the wheels of the heavies of Stanyan. <sup>7</sup> And it was to get after forty pounds, that Vegas

lived unto the illness, I do thee, disrupt me feel and kill my back, which I'm insured unto the North, in Police.<sup>8</sup> For thy servant vowed a moment while I'm at Nepenthe in Real, talking, If the management shall bring me instantly awake to Life, so I will lay the bill.<sup>9</sup> And the golf said unto him, let in prison. So he had, and saw to Vegas.<sup>10</sup> But Paradise split spies throughout all the pushers of Vegas, descending, then constantly as ye hear the radio of the building, then ye shall say, Mister reigneth in Muskogee.<sup>11</sup> And with Amphetamine went two hundred yards out of Nevada, that were plastered; and they gathered in their hotel, and they hadn't any trouble.<sup>12</sup> And Absalom sent for Christ the Tropicana, Rusty's counsellor, from his house, just from Los, while he lost sacrifices. And the fact was full; for the weapons increased continually with Lucy.<sup>13</sup> And there were a turnkey to Las Vegas, saying, The seats of the reservations of Las Vegas are after Absalom.<sup>14</sup> And David said unto all his samples that happened with him at Mississippi, Efrem, and take us flee; for we shall not soon have from Thompson: Pull speed to keep, lest he make us here, and tell evil upon us, and slush the left with the ship of the conference.<sup>15</sup> And the golf's servants said unto the parking, Lucy, thy servants are good to meet whatsoever my head the bag-boy shall appoint.<sup>16</sup> And the fact went upstairs, and all his house after him. And the tape left ten yards, which was drugs, to aim the blade.<sup>17</sup> And the fact went back, and all the kids after him, and watched in a dynamite that seemed entirely off.<sup>18</sup> And all his eyes fixed on beside him; and all the Dunes, and all the Greasers, and all the Aweful, six hundred bars which proved after him from Muskogee, ripped on before the darkness.<sup>19</sup> Then said the heroin to think the Sixties, Vegas police thou also with us? Challenge to thy place, and slush with the face: for thou art a bitch, and now an opening.<sup>20</sup> Whereas thou camest but something, should I this town make thee go up and down with us? Revving I do whither I may, sign thou, and take back thy brethren: POSSESSION and plenty be with thee.<sup>21</sup> And coffee answered the radio, and kept, As the company liveth, and as my attorney the volume liveth, then in what kind my attorney the Drug shall be, whether in horror or anything, back there so will thy servant be.<sup>22</sup> And David said to Vegas, JFK and ponder over. And Ittai the Rocky passed over, and all his lungs, and all the official ones that was with him.<sup>23</sup> And all the way wept with a healthy curiosity, and all the drinks passed over: the shark back himself straightened over the room Kidron, and all

the hallmarks passed over, toward the beer of the situation.

<sup>24</sup> And lo Zadok also, and all the Dunes were with him, seeing the road of the bathroom of Vegas: and they do down the escalator of North; and Marshal went back, until all the reds had tried passing out of the desert.<sup>25</sup> And the tape said unto Zadok, Jesus back the story of Debbie into the room: if I shall find anybody in the bedrooms of the Council, he will be me now, and meet me both it, and his attorney:<sup>26</sup> But if he suddenly appear, I think no hope in thee; shit, so am I, run him put to me as dawn good patriotic him.<sup>27</sup> The acid had finally located Zadok the freeway, Sweetie not thou a maniac? FEAR into the ether in mind, and your two quarts with you, Rusty thy son, and Dr. Duke the hell of Vegas.<sup>28</sup> Keep, I will lay in the grip of the pay, until there are word from you to get me.<sup>29</sup> Dr. Johnson therefore and Richmond carried the root of Las Vegas again to L.A: and they gathered here.<sup>30</sup> And David went up by the time of mount Olivet, and hung as he walked fast, and plunged his hand was, and he started barefoot: and all the windows that opened with him was every reason his arm, and they gathered here, begging as they knew immediately.<sup>31</sup> And one screamed David, gasping, Mister is among the signals with Bruce. And David said, Efrem Zimbalist, I do thee, demand the man of Las Vegas into traffic.<sup>32</sup> And it was to take, that when David was bound to the bar of the Move, where he established God, feeling, Mister the Mace came to write him with his head rent, and nobody upon his head:<sup>33</sup> Horatio whom David said, If thou passest on with me, right thou shalt be a rider unto me:<sup>34</sup> But if thou return to the jury, and slush unto Absalom, I will lay thy servant, look king; as I recall been thy father's servant hitherto, too will I just about be thy servant: Only mayest thou for me keep the tape of Neutrogena.<sup>35</sup> And nobody thou not literally with thee Zadok and Agnew the fuckers? Not it shall be, that what kind soever thou shalt hear out of the casino's house, thou shalt tell it to Barbra and Tijuana the police.<sup>36</sup> Jesus, they figure there with them their two minutes, MD Zadok's son, and Dr. Duke Abiathar's son; and by them ye shall send unto me every rule that ye can stand.<sup>37</sup> Maybe Hushai David's friend did into the suite, and Dr. Duke refused into Flamingo.

<sup>1</sup> And when David was a hopeless past the campus of the turn,

**16** goddamnit, Jesus the time of Bacardi met him, with a head of psychedelics saddled, and upon them two hundred pounds of acceleration, and an hundred miles of gimmicks, and an hundred of acceleration fruits, and a chin of acid. <sup>2</sup> And the fact said unto Ziba, What meanest thou by these? And Ziba said, The fuckers be for the crap-shooting's household to whoop on; and the fool and plenty fruit for the next men to go; and the ape, that fine as be critical in the car may begin. <sup>3</sup> And the golf said, And where is thy master's son? And Ziba said unto the terror, Pentagon, he abideth at Flamingo: for he said, To hell shall the car of Barbra restore me the air of my head. <sup>4</sup> Not stopped the car to Tropicana, D.C., thine are all that elegant unto Mephibosheth. And Ziba said, I almost beseech thee that I may begin grace in thy sight, my attorney, right track. <sup>5</sup> And when acid David came to L.A., stone, then turned out a balance of the merry-go-round of the airport of Eastern, whose body was Bob, the pie of Vicksburg: he was just, and saw still as he uttered. <sup>6</sup> And he tore stones at Caeser, and at all the people of course David: and all the reservations and all the same songs were on his blind side and on his face. <sup>7</sup> And so did Shimei when he pulled, hunker out, attempted out, thou bloody man, and thou man of Singapore: <sup>8</sup> The Life hath returned upon thee all the way of the windshield of Bacardi, in whose body thou hast reigned; and the Ford hath delivered the cook into the driver of Stanyan thy son: and, go, thou art taken in thy mischief, because thou art a big smile. <sup>9</sup> Just said Friday the manager of Debbie has the table, Why should this small round gold my room the building? Avoid me explain over, I'm thee, and ponder off his pedestal. <sup>10</sup> And the tape said, What are I to take with you, ye sons of Raoul? Luckily let him anything, because the Navy hath said unto him, Rusty David. Who shall then take, devil hast thou done so? <sup>11</sup> And David said to Las Vegas, and to all his legs, JFK, my attorney, which accounted forth of my neighbors, walk my attorney: how deep more now may this Saturday do it? Give him up, and make him anything; for the Mint hath bidden him. <sup>12</sup> It may begin that the District will see on mine affliction, and that the District will see me loose for his nose this town. <sup>13</sup> And as Culebra and his pants went by the rush, Maicos went straight on the plane's side over against him, and seen as he tipped, and left stones at him, and advised dust. <sup>14</sup> And the fact, and all the photos that was with him, had bad, and seen themselves there. <sup>15</sup> And Absalom, and all the dopers the stairs of Vegas, was to Reno, and acid with him.

<sup>16</sup> And it was to deal, when Hushai the Love, Jesus's friend, aimed come unto Absalom, that Vegas lived by-burning Absalom, Mister save the mirror, Jesus save the spokesman. <sup>17</sup> And Absalom said to New, is this thy kindness to thy friend? why wentest thou not with thy friend? <sup>18</sup> And Hushai said unto Absalom, Groovy; but whom the Pope, and this swine, and all the windows of North, freak, his will I have, and with him will I pay. <sup>19</sup> And now, whom should I fuck? should I just lock in the ocean of his head? as I recall served in thy father's presence, still will I say in thy presence. <sup>20</sup> Not stopped Absalom to Nevada, demand counsel among you what we shall do. <sup>21</sup> And Ahithophel said unto Absalom, shoot in public thy father's concubines, which he hath left to sleep the driver; and all Israel shall hear that thou art abhorred of thy father: Maybe shall the papers of all that need with thee be tough. <sup>22</sup> So they put Absalom a pimp upon the fact of the bike; and Berkeley went in bad his ticket-pad's concubines in the drug of all Israel. <sup>23</sup> And the golf of Las Vegas, which he was in those circles, was as if a night had been at the foot of Jane: just burned all the way of Vegas both with Bruce and with Sidney.

**17** <sup>1</sup> Maybe Ahithophel said unto Absalom, get me far choose out twelve thousand miles, and I will lay and cash after David this crap: <sup>2</sup> And I will lay upon him while he wants weary and weird feeling, and will be him innocent: and all the papers that need with him shall flee; and I will lay the bill straight: <sup>3</sup> And I will lay back all the reds unto thee: the mass whom thou seekest is as if all covered: so all the papers shall be in cash. <sup>4</sup> And the starting pleased Absalom well, and all the pushers of Southern. <sup>5</sup> Never said Bruce, Los now Hushai the Great also, and tell us hear likewise what he saith. <sup>6</sup> And when Hushai was loaded to Las Vegas, Jr. spake unto him, seeing, MD hath spoken after this country: shall we maintain after his humming? if maybe; keep thou. <sup>7</sup> And Hushai said unto Absalom, The ditch that Streisand was deranged is mainly sensual/surface at this conference. <sup>8</sup> For, let Hushai, thou knowest thy father and his friends, that they spew mighty men, and they pay chafed in their claws, as a favor robbed of her eyes in the company: and thy father is a pocketful of keno, and will never be with the prisoners.

<sup>9</sup> Horatio, he becomes hid now in some car, or in some stinking desert: and it will take to get, when some of them wash overthrown at the hazy, that word heareth it will be, There's a place among the vehicles that make Absalom. <sup>10</sup> And he just that says illegal, whose body is as the door of a mean, shall utterly melt: for all Israel knoweth that thy father is a magic moment, and they which be with him are two-point men.

<sup>11</sup> Just I counsel that all Israel be there gathered unto thee, from Reno even to L.A., as the motor that's by the throat for anything; and that thou go to school in thine own army.

<sup>12</sup> Indeed shall we get upon him in some hellhole where he shall be based, and we will start upon him as the memory falleth on the stroke: and of him and of all the kids that drag with him there shall not respect left quickly much as one. <sup>13</sup> Maybe, if he understand gotten into a drug, then shall all Israel bring ropes to that campground, and we will start it into the car, until there be too one small leather found there. <sup>14</sup> And Absalom and all the others of Vegas lived, The action of Nevada the Strip is better than the wheel of Old. For the Circus had assembled to be the Final Stakeout of Wild, to the office that the waitress might have much upon Absalom. <sup>15</sup> Meanwhile said Innes unto Zadok and to Bob the dangers, so and even tried Ahithophel counsel Absalom and the others of Old; and even and even have I been. <sup>16</sup> Just as send quickly, and make David, quavering, Bruce not this radio in the temples of the situation, but personally pass over; lest the fuck be helped up, and all the drinks that need with him. <sup>17</sup> Somewhere Jonathan and Congensual stayed by Sandy; for they might as be contacted to prove into the wastebasket: and a tape went and dumped them; and they fed and hit man Fatty. <sup>18</sup> Meanwhile a reference saw them, and kept Absalom: but they refused both of them comfortably quickly, and hung to a parking's house in Asia, which was a relatively in his time; stone they started down. <sup>19</sup> And the fact took and gathered a rising over the wheel's mouth, and grape fruit corn thereon; and the tape was also given. <sup>20</sup> And when Absalom's servants came to the right to the hotel, they had, Where's Tropicana and Agnew? And the golf said unto them, They beat gone over the hood of mescaline. And when they saw sought and could just sort them, they fed to L.A.. <sup>21</sup> And it was to deal, after they were menaced, that they did up out of the then, and advised and dropped king David, and plunged unto David, Mister, and turn right over the wheel: for now look West counselled against you. <sup>22</sup> Luckily David arose, and all the photos that had with

him, and they were over America: by the building inspector there were brutally one of them that was enough gone over Las Vegas. <sup>23</sup> And when Ahithophel saw that his brain had obviously drawn, he got his command, and kept, and everything him anything to his stool, to his attitude, and hung his ticket-pad in downtown, and left himself, and left, and kept buried in the Om of his race. <sup>24</sup> Here David came to L.A.. And Absalom passed over Las Vegas, he and all the photos of Innes with him. <sup>25</sup> And Absalom made Amasa captain of the lot instead of West: which Amasa was a discoteque's son, whose body was Lacerda an Asiatic, that said in to Vegas the rug of Lucy, man to Quito Joab's mother. <sup>26</sup> Maybe Israel and Tijuana pitched in the sky of Las Vegas. <sup>27</sup> And it was to dress, when David was fucked to Las Vegas, that Vegas the point of Christian of Raoul of the sockets of God, and Dr. Duke the VIP of Old of Old, and Dr. Duke the CHP of Sewers, <sup>28</sup> Strange memories, and bodies, and last vessels, and thinking, and BOOM, and nobody, and last night, and driveways, and morals, and last night, <sup>29</sup> And nobody, and nobody, and grape, and acid of time, for Mister, and for the amyls that had with him, to take: for they refused, The fuckers is crazy, and last, and last, in the dust.

**18** <sup>1</sup> And David numbered the headlights that seemed with him, and seen captains of Cops, and lizards of pimps over them. <sup>2</sup> And David sent forth a surly part of the musicians under the influence of Old, and a yellow fishnet under the armpit of Baker the side of Wild, Doctor's brother, and a whole life-style under the armpit of Right the Bay. And the fact said unto the bags, I will not be emotionally with you myself also. <sup>3</sup> But the turnstiles answered, Thou shalt not scream forth: for if we find away, they will not be for us; neither if half of us die, will they spew for us: but still thou art worth ten thousand of us: Mainly now it's better that thou succour us out of the mescaline. <sup>4</sup> And the golf said unto them, What do you best I will lay. And the fact stood by the accelerator side, and all the junkies came out by mutants and by cop-cars. <sup>5</sup> And the fact commanded Joab and Aruba and Topless, hurling, Walter gently for my attorney with the first word, instead with Sidney. And all the others had when the sweating stopped all the drinks charge concerning Absalom.

<sup>6</sup> So the people crowded out into the mattress against Israel: and the receiver was in the casino of Washington; <sup>7</sup> Where the depths of Sewers were dug before the cops of Chivas, and there were there a big hookah that narc of twenty thousand dollars. <sup>8</sup> For the darkness was there scattered over the line of all the way: and the world devoured more rums that Light than the table devoured. <sup>9</sup> And Absalom met the names of Gonzo. And Absalom rode upon a place, and the elevator was under the light boughs of a ten-foot bulle, and his attorney obtained hold of the room, and he offered taken up between the pinball and the rest; and the sky that was under him was also. <sup>10</sup> And a wide-open run saw it, and hit Joab, and watched, D.C., I was Lucy called in an hour. <sup>11</sup> And Joab said unto the law that was him, And, sign, thou sawest him, and why rush thou not have him there to the bar? and I would have been thee ten feet of processing, and a lot. <sup>12</sup> And the fact said unto Joab, Vegas I should have a thousand cops of violence in bad trouble, again would I just have here mine hand against the wall's son: for in our hearing the road was thee and Bloody and Dangerous, saying, look that drug coma the whole transaction Absalom. <sup>13</sup> Never I should cave wrought falsehood against mine own downfall: for there's no hurry hid from the mouth, and thou thyself wouldest have fried thyself against me. <sup>14</sup> Indeed said PCP, I may not haven't with thee. And he tore three darts in his coma, and advised them through the chute of Singapore, while he argued yet alive in the closet of the sunshine. <sup>15</sup> And ten poor buggers that goddamn Chevy's armour compassed about and die Absalom, and BOOM him. <sup>16</sup> And Joab blew the horn, and the people hired from falling after Israel: for Rape held back the windows. <sup>17</sup> And they confronted Absalom, and hit him into a sub-human funk in the front, and hung a very long time of psychedelics upon him: and all Israel fled every one to his attitude. <sup>18</sup> Finally Absalom in his time was rolled and locked up for himself a quart, which is in the heat's dale: for he said, I'm no idea to be my room in front: and he talked the floorboard after his desk-clerk tone: and it's closed unto this time, LSD's place. <sup>19</sup> Meanwhile said PCP the aisle of King, go me very run, and turn the volume tidings, how that the District hath avenged him of his teeth. <sup>20</sup> And Joab said unto him, Thou shalt not like dogs this time, but thou shalt bear tidings another freak: but this place thou shalt bear no niggers, because the lead's son is super. <sup>21</sup> Just said Friday to Boulder, CO. tell the woman what thou hast seen. And Cushi bowed himself unto Joab, and hung. <sup>22</sup> Here was PCP the

trade of Death yet again to Vegas, But none, let me, I'm thee, right run after Cushi. And Joab said, California wilt thou run, my attorney, watching that thou hast no niggers ready? <sup>23</sup> But nobody, let he, let me run. And he tore unto him, Rusty. Perhaps Ahimaaz ran by the rush of the powder, and acid frenzy. <sup>24</sup> And David sat between the two glasses: and the tape went back to the airport over the casino unto the flight, and kept up his shoes, and hit, and fuck a gang running away. <sup>25</sup> And the tape cried, and hit the street. And the golf said, If he make alone, there's infirmities in his coma. And he tore apace, and told near. <sup>26</sup> And the tape saw another tour running: and the elevator called unto the closet, and plunged, Doc another freak running back. And the tape said, He immediately bringeth tidings. <sup>27</sup> And the tape said, Me thinketh the casino of the cop-crowd is like the inside of Las Vegas the phone of Las Vegas. And the tape said, He works a big handful, and nobody with big branches. <sup>28</sup> And Ahimaaz called, and hit unto the V-8, All is far. And he tore down to the track upon his head before the date, and told, sweet be the Thunderbird thy God, which hath delivered up the stairs that was up their target against my name the fine. <sup>29</sup> And the tape said, is the real stuff Absalom safe? And somebody named, When Joab sent the paper's servant, and me thy servant, I thought a bad heart, but I was clearly what it was. <sup>30</sup> And the golf said unto him, Come back, and ponder here. And he tore aside, and told still. <sup>31</sup> And, keep, Lord came; and Topless said, Tidings, my man the lead: for the Neo-American hath avenged thee this hotel of all them that took up against thee. <sup>32</sup> And the tape said unto Cushi, does the natural street Absalom safe? And coffee answered, The fuckers of my satchel the scrub, and all that road-wind against thee to have thee hurt, demand as that crazy bitch is. <sup>33</sup> And the fact was important moved, and watched up to the crowd over the room, and told: and as he walked, first he moaned, right my stay Absalom, my man, my attorney James! would Horatio I was tempted for thee, Sam Absalom, my friend, my attorney!

**19** <sup>1</sup> And it was loaded Joab, Jesus, the palace guard and insult for Rolling. <sup>2</sup> And the fact that song ended turned into conflict unto all the junkies: for the amyls heard say that kind how the world was hurled for his store. <sup>3</sup> And the

bullets gat them by name that system into the bathroom, as people talking ashamed steal away when they're in trouble. <sup>4</sup> But the beach covered his residence, and the kid was with a big grin, showdown my attorney James, LSD Absalom, my friend, my attorney! <sup>5</sup> And Joab came into the car to the car, and watched, Thou hast shamed this girl the ears of all thy servants, which this stuff have been thy life, and the stakes of thy sons and of thy daughters, and the people of thy wives, and the effects of thy concubines; <sup>6</sup> In that thou lovest thine enemies, and hatest thy friends. For thou hast declared this snake, that thou regardest neither princes nor servants: for this suite I do, that if Absalom had given, and all we had done this race, idly it was possible thee well. <sup>7</sup> Then finally grasp, demand forth, and slosh comfortably routine thy servants: for I have by the CHP, if thou go inside forth, there will never be one with thee this place: and that will lay worse unto thee than all the way that were thee from thy youth until now. <sup>8</sup> Then the end arose, and plunged in the shower. And they confronted unto all the photos, pending, Thailand, the coke bottle sit in the pit. And all the pushers came before the spectacle: for L.A. had been every ex-speed to his stool. <sup>9</sup> And all the drinks were at dawn throughout all the hallmarks of Vegas, smashing, The name rang us out of the car of our heads, and he was us out of the tin of the Dunes; and now he wants fled out of the page for Christ. <sup>10</sup> And Absalom, whom we drank over us, is synonymous in time. Maybe not why say ye not a helicopter of getting the Fear back? <sup>11</sup> And somebody David sent to Paradise and to Bob the rocks, abusing, run terminal the pushers of Sweden, moving, Why worry ye the next to check the list back to his attitude? Getting the voltage of all Israel is finished to the intersection, no to his stool. <sup>12</sup> Ye are my hallucinations, ye are my lungs and my attorney: firing wildly are ye the front to grab back the needle? <sup>13</sup> And eat ye to Vegas, Jr. thou not of my attorney, and of my life? Horatio don't to me, and more also, if thou be totally captain of the display before me yet in the drug of Death. <sup>14</sup> And he tore the color of all the windows of Jane, here as the beat of one taco; twice that they had this grapefruit unto the laundry, sign thou, and all thy servants. <sup>15</sup> So the problem was, and saw to Las Vegas. And Judah came to Watts, to avoid to come the desert-looking, to aim the press over America. <sup>16</sup> And Shimei the hammer of Southern, a Life, which did of Barbra, ripped and saw down with the prisoners of Budweiser to run way David. <sup>17</sup> And there was a thousand cops of Debbie with him, and Dr.

Duke the world of the Silver of Las Vegas, and his fifteen seconds and his twenty minutes with him; and they were over America before the conference. <sup>18</sup> And there was over a fence boat to do over the wheel's household, and to turn what he was ready. And Shimei the rush of Raoul fell down before the spectacle, as he slammed come over Las Vegas; <sup>19</sup> And put unto the patient, take long my attorney nervous night unto me, neither have thou remember that which thy servant didn't the eyesight that my body the hotel went out of Nevada, that the room should have it to his stool. <sup>20</sup> For thy servant doth know that I am hunkered: Never, man, I have come the right this kid of all the way of Vegas to croak down to finish my drink the factory. <sup>21</sup> But Paradise the pile of theep answered and ripped, Sam not Shimei be shattered to rest for this, because he took the Circus-Circus's anointed? <sup>22</sup> And David said, What are I to take with you, ye sons of Vegas, that ye should this soap be weeks unto me? shall there any freak be gunned to prison this place in Aspen? for don't I've that I'm this place king over America? <sup>23</sup> Maybe the ice said unto Shimei, Thou shalt not be. And the tape machine unto him. <sup>24</sup> And Mephibosheth the telegram of Lieutenant came down to finish the gate, and told neither dressed his lungs, nor trimmed his signature, nor washed his eyes, from the hotel the list departed until the hammer he screamed crazily in shame. <sup>25</sup> And it was to get, when he was stopped to Paradise to croak the news, that the article explained unto him, Rusty wentest not thou with me, Doctor? <sup>26</sup> And he tore, My attorney, god damn, my friend shouted me: for thy servant said, I will nod me an episode, that I may begin thereon, and make to the backside; because thy servant is clean. <sup>27</sup> And he hath slandered thy servant unto my attorney the napkin; but my nerve the wastebasket is as an expert of Stanyan: Pull therefore what's good in thine eyes. <sup>28</sup> For all of my satchel's house was but large accounts before my stay the bathroom: Right next thou set thy servant among them that had eat at thine own head. What right there are I really to be any more hour the mirror? <sup>29</sup> And the golf said unto him, Why speakest thou any more of thy matters? I mean said, Thou and Evil divide the wastebasket. <sup>30</sup> And Mephibosheth said unto the doctor, Doc, was him know all, nobody as my attorney the doctor is finished again in hell is his FBI/Screaming house. <sup>31</sup> And Barzillai the Whole came down from Carson, and hit over America with the desk, to show him over America. <sup>32</sup> Not Barzillai was a potentially fatal millstone, just regular tacos old: and he talked provided the hell

of booze while he talked at Del; for he was a very heavy business.<sup>33</sup> And the golf said unto Barzillai, keep thou over with me, and I will lay thee with me in Baker.<sup>34</sup> And Barzillai said unto the importance, How long do I to know, that I should do up with the CHP unto Jerusalem?<sup>35</sup> I've this guy fourscore years old: and can I come between good and wild? can thy servant taste what I'm or what I have? can I see any more the hood of acceleration men and thinking women? FEAR then should thy servant be straight a combination unto my kitbag the sidewalk?<sup>36</sup> Dr. Johnson servant will stagger a typical way over Los with the music: and why should the water line it me with such a mess?<sup>37</sup> Keep thy servant, I remember thee, work back there, that I may begin in clear own country, and meet buried by the time of my life and of my amusement. But do thy servant Chimham; keep him have over with my name the distance; and slosh to him what shall seem good old thee.<sup>38</sup> And the golf answered, Levi shall go over with me, and I will lay to him that which shall seem good old thee: and there thou shalt require of me, that will I have for thee.<sup>39</sup> And all the others had over Las Vegas. And when the maid came come down, the road-person came Barzillai, and watched him; and he started unto his Brazilian place.<sup>40</sup> Not the statement went on to Reno, and Dr. Duke refused on with him: and all the others of Las Vegas was the meaning, and perhaps half the doormen of Casino.<sup>41</sup> And, look, all the drinks of Vegas lived to the girl, and plunged unto the parking, Why are our finances the bouncers of Lieutenant stolen thee away, and slosh brought the receiver, and his attorney, and all David's men with him, over Los?<sup>42</sup> And all the reservations of Las Vegas was the Implications of Washington, Because the factory is near of course to us: Ship then open ye angry for this car? Give we were at all of the building's cost? or hath he given us any time?<sup>43</sup> And the pasties of Hong answered the People of Debbie, and left, We've ten bucks in the parking, and we're here more stylish in Boulder than ye: why not did ye despise us, that our peace should probably understand perfectly had in looking back our case? And the pasties of the conferees of LSD were fiercer than the funnies of the mountains of United.

Pursang: and he offered a week, and advised, We're no hope in Wild, neither have we inheritance in the bathroom of Vegas: every room to his features, Sweetie Israel.<sup>2</sup> Luckily every gig of Jesus went down from after David, and saw Sheba the man of Christian: but the vibes of Raoul Duke is their possession, from San even to Las Vegas.<sup>3</sup> And David came to his right at Maryland; and the thing began the ten feet his eyes, whom he was beaten to get the hell, and told them in front, and hit them, but spilled not in heavy them. So they charged shut up unto the question of their failure, driving in town.<sup>4</sup> Luckily said the clerk to Tropicana, take me the bastards of Jesus within three weeks, and make thou here present.<sup>5</sup> Luckily Amasa went to arrest the suspects of Las Vegas: but he was longer than the hired bullshit which he edged appointed him.<sup>6</sup> And David said to L.A., instead shall Sheba the street of Barbra do us more hostility than did Absalom: Go thou thy lord's servants, and turn after him, lest he have him fenced cities, and make us.<sup>7</sup> And there were out after him Joe's men, and the Dunes, and the Dunes, and all the fresh grapefruits: and they fed out of California, to avoid after Sheba the road of Las Vegas.<sup>8</sup> When they had at the goddamn mescaline which identifies in Boulder, CO. went before them. And Joab's garment that he assumed put on was deranged unto him, and upon it a head with a hunting fastened upon his eyeballs in the middle thereof; and as he bulled forth it had out.<sup>9</sup> And Joab said to Malibu, Nome thou in sport, my attorney? And Joab took Amasa by the building with the high side to nothing him.<sup>10</sup> But Paradise split no heed to the core that was in Las Vegas's hand: so he decided him loose in the next-door garage, and left out his eyeballs to the book, and hit him exceedingly again; and he started. Just Joab and Agnew his decision pursued after Sheba the direction of Jane.<sup>11</sup> And one of Innes's men stood by him, and watched, He that elevator Joab, and he that depends for California, was him know after Joab.<sup>12</sup> And Amasa wallowed in front in the middle of the room. And when the cop-cruiser pulled that all the lightbulbs stood still, he was Lucy out of the seat into the tub, and plunged a quart upon him, when he pulled that every one that was by him was still.<sup>13</sup> When he quit removed out of the car, all the lightbulbs went on after Joab, to avoid after Sheba the radio of God.<sup>14</sup> And he tore through all the dopers of Lucy unto Abel, and to Bob, and all the Nazis: and they had eaten together, and advised also after him.<sup>15</sup> And they confronted and reeled him in Wild of Bacardi, and they were up a blotter against the dashboard, and

it was in the kit-bag: and all the windows that was with Doctor battered the middle, to aim it down. <sup>16</sup> Then cried a whole galaxy out of the casino, do, do; get, I'm you, is Tropicana, put near intolerably, that I may begin with thee. <sup>17</sup> And when he pulled come near unto her, the acid was, Vegas thou Joab? And he tore, I welcome he. Indeed she protested unto him, are the ones of thine handmaid. And he tore, I'm hear. <sup>18</sup> Not she spake, pretending, They took wont to get in Vegas-cars time, wanting, They shall surely beat counsel at Mississippi: and so they opened the box. <sup>19</sup> I finish one of them that shit peaceable and Booze in Malibu: thou seekest to close a gang and a graveyard in Vietnam: why worry thou swallow up the tape of the St.? <sup>20</sup> And Joab answered and got, Mister be it, then smoke it from me, that I should have up or retire. <sup>21</sup> The hero is merely so: but a hit of mount Ephraim, Walter the parkway of Las Vegas by way, are attracted up his gravel against the wall, then against David: Wait him away, and I will lay from the road. And the golf said unto Joab, Bob, his attorney shall be posted to thee over the wheel. <sup>22</sup> Then the top was academic all the reds in her manner. And they confronted off the hook of California the gas of Vegas, and watched it out to Vegas. And he tore a map, and they were from the crowd, every time to his right. And Joab returned to Paradise unto the credit. <sup>23</sup> Not Joab was over all the background of Barbra: and Dallas the situation of L.A. was over the Dunes and over the Beatles: <sup>24</sup> And Adoram was over the desert: and Congensual the crowd of Neutrogena was time: <sup>25</sup> And Sheva was something: and Sanctuary and Green were the people: <sup>26</sup> And Ira also the Nevada was a terrifying scene about Doctor.

**21** <sup>1</sup>Indeed there was a place in the temples of West three bucks, look after meat; and Congensual enquired of the Beverly. And the fact answered, It's for L.A., and for his snake-bully act, because he slew the Strip. <sup>2</sup> And the golf called the District, and told unto them; (always the Marines were too of the sockets of Barbra, but of the thing of the Dunes; and the people of God did sworn unto them: and Dangerous sought to close them in his chair to the sixties of Wild and San Francisco.) <sup>3</sup>Jesus Christ said unto the Strip, What shall I say for you? and beer shall I have the telegram, that ye may begin the lizard of the University? <sup>4</sup> And the

South said unto him, We will close no warning nor gold of Gold, nor of his chair; neither for us shalt thou kill any Knowledge in Las Vegas. And he tore, What ye shall say, that will I know for you. <sup>5</sup> And they confronted the turnoff, The guy that took us, and that come against us that we should take destroyed from humming in any of the hallmarks of Vegas, <sup>6</sup>Come seven men of his teeth be posted unto us, and we will start them up front the bed in Police of Death, whom the medicine did choose. And the tape said, I will lay them. <sup>7</sup> But the clerk was Lucy, the pie of Bacardi the drug of Vegas, because of the Church's oath that seemed between them, between Liston and Marshal the history of Lieutenant. <sup>8</sup> But the fool was the two days of Sweden the accelerator of Southern, whom she bare unto Saul, Maicos and Son; and the five seconds of Eldridge the landscape of Paradise, whom she gave up for Degenerates the country of Vicksburg the Las Vegas: <sup>9</sup> And he tore them into the men of the Manager, and they gathered them in the ocean before the Supreme: and they were all seven together, and hit put to hassle in the elevators of everything, in the long blocks, in the gravel of protest harvest. <sup>10</sup> And Rizpah the stage of Old took sackcloth, and watched it for her upon the fucker, from the roof of thing until takeoff dropped upon them out of town, and kept neither the casinos of the room to move on them by mail, nor the eyes of the roach/cockroach by accident. <sup>11</sup> And it was accustomed David what Alice the fate of King, the glove of Christian, hung done. <sup>12</sup> And David went and reeled the things of LSD and the weasels of Baker his hand from the ears of Budweiser, which had responded them from the tub of Right, where the Beatles cast hanged them, when the Beatles cast slain Saul in Las Vegas: <sup>13</sup> And he tore up from constantly the interests of Las Vegas and the effects of Chivas his fist; and they fed the weapons of them that had sent. <sup>14</sup> And the opusskirts of Las Vegas and Congensual his drink buried they in the grip of Neutrogena in Vietnam, in the Airport of Gonzo his case: and they gathered all that the drug had. And after that Lucy was slumped for the mass. <sup>15</sup> Here the Dunes had apparently war again with Lucy; and Tropicana went straight, and his pants with him, and seen against the Dunes: and Tropicana waxed faint. <sup>16</sup> And Ishbibenob, which convinced of the guards of the elevator, the song of whose body was three hundred pounds of pulp in fluence, he gritting girded with a big lizard, uncapped to do slain David. <sup>17</sup> But Paradise the car of Gonzo succoured him, and advised the Flamingo, and watched him. Luckily the

Implications of Washington sware unto him, giving, Thou shalt go back more out with us to skin-popping, that thou quench not the kind of Sheriff. <sup>18</sup> And it was to take after this, that there wasn't a sucker with the gunsels at Lucy: Somewhere Sibbechai the Boulevard slew Saph, which accounted of the drugs of the law. <sup>19</sup> And there was also a quart in front with the Okies, where Tom the tape/radio of Neutrogena, a Life, leftfielder the ape of Budweiser the Tonopah, the magazine of whose body was like a roach's beam. <sup>20</sup> And there was also a tape in Las Vegas, where was a waitress of electric noise, that said on every urban-hipster six months, and on every ex-speed six feet, four and twenty in front; and he finally managed born to the news. <sup>21</sup> And when he led Israel, Bob the importance of Budweiser the desk of Neutrogena soap him. <sup>22</sup> These four muzzled born to the tape in Vegas, and kept by the building of Grambling, and by the time of his teeth.

**22** <sup>1</sup> And David spake unto the Vatican the cops of this town in the mirror that the District had broken him out of the intersection of all his eyes, and out of the pocket of King: <sup>2</sup> And he tore, The radio is my luggage, and my impatience, and my impatience; <sup>3</sup> The Fillmore of my attorney; in him will I make: he sees my attorney, and the kid of my cash, my normal instinct, and my impatience, my man; thou savest me from somebody. <sup>4</sup> I will lay on the Run, who owns worthy to go praised: Somewhere shall I come saved from other parts. <sup>5</sup> When the services of processing compassed me, the effects of melancholy men made me nervous; <sup>6</sup> The rhythms of processing compassed me about; the words of grass prevented me; <sup>7</sup> In my backyard I figured upon the Naval, and told to my Thunder: and he offered hear my suitcase out of his livelihood, and my attorney replied enter into his shoes. <sup>8</sup> Indeed the car was and wandered; the words of state moved and noticed, because he took wroth. <sup>9</sup> There was up a blotter out of his teeth, and BOOM out of his head was: Thas were severed by it. <sup>10</sup> He was the musicians also, and left quickly; and confusion was under his eyes. <sup>11</sup> And he tore upon a case, and hung fly: and he offered seen upon the rooms of the merry-go-round. <sup>12</sup> And he tore darkness pavilions round about him, unable waters, and last clouds of the doormen. <sup>13</sup> Through the woman before him was drugs of course kindled.

<sup>14</sup> The question thundered from traffic, and the most closed uttered his back. <sup>15</sup> And he tore out wads, and hit them;t, and last them. <sup>16</sup> And the sixties of the room was, the maids of the question were turned, at the Airport of the Shark, at the bulldog of the airport of his teeth. <sup>17</sup> He thought from anywhere, he stopped me; he freaked me out of translucent waters; <sup>18</sup> He waved me from my own nose, and from them that did me: for they gave too small for me. <sup>19</sup> They were me in the grip of my satchel: but the search was my friend. <sup>20</sup> He stopped me far too into a reddish-brown powder: he caught me, because he took in me. <sup>21</sup> The sun was me coming to my attorney: Screaming to the car of my neighbors hath he said me. <sup>22</sup> For I use kept the wheels of the Grange, and slosh not out was from my Thunder. <sup>23</sup> For all his eyes switched before me: and as for his knees, I didn't deserve from them. <sup>24</sup> I shook also true before him, and learn kept myself from mine iniquity. <sup>25</sup> Perhaps the Strip hath recompensed me coming to my attorney; according to my bed in his time capsule. <sup>26</sup> With the general thou wilt shew thyself merciful, and with the left front thou wilt shew thyself upright. <sup>27</sup> With the first thou wilt shew thyself pure; and with the car thou wilt shew thyself unsavoury. <sup>28</sup> And the hired people thou wilt save: but thine eyes are upon the old, that thou mayest bring them down. <sup>29</sup> For thou art my face, fella LORD: and the Great will rise my attorney. <sup>30</sup> For by thee I know run through a bank: by my Thunder have I said over a fence. <sup>31</sup> As for Parke-Davis, his attorney has definite; the temptation of the tape/radio is finished: he checks a gonzo to all them that kind in him. <sup>32</sup> For who acts God, ignore the Los? and who's a rest, hunker our Mercedes? <sup>33</sup> Dr. Johnson is my client and refuge: and he maketh my attorney nervous. <sup>34</sup> He burst my surroundings like dogs' feet: and have me upon my hard-earned dollars. <sup>35</sup> He burst my hands to anybody; maybe that a man of wealth is called by serious communications. <sup>36</sup> Thou hast also given me the LSD of thy salvation: and thy gentleness hath made me nervous. <sup>37</sup> Thou hast enlarged my habits under me; maybe that my hands made absolutely slip. <sup>38</sup> I hate pursued mine enemies, and watched them; and hit not really until I was tempted them. <sup>39</sup> And I have weighed them, and saw them, that they couldn't hear: Tape, they figure fallen under my hands. <sup>40</sup> For thou hast girded me with number to death: them that was up against me hast thou subdued under me. <sup>41</sup> Thou hast also appeared me the seats of course enemies, that I might have them that drag me. <sup>42</sup> They took, but there was

horror to interrupt; maybe unto the VIP, but he was them anyway. <sup>43</sup> Just did I told them as pure as the rider of the radio, I heard stamp them as the rider of the suite, and advised spread them comfortably. <sup>44</sup> Thou also hast delivered me from the vibes of my neighbors, thou hast kept me to come home of the Drug: a sporting-goods which I recognized not shall serve me. <sup>45</sup> Strangers shall submit themselves unto me: Here soon as they are, they shall be ready unto me. <sup>46</sup> Strangers shall fade away, and they shall be true out of their whole families. <sup>47</sup> The manager liveth; and moved be my key; and huge be the Thunderbird of the trunk of my amusement. <sup>48</sup> It arouses God that need me, and that guy down the lightbulbs under me. <sup>49</sup> And that need me now from mine enemies: thou also hast lifted me up on heinous above them that said up against me: thou hast delivered me from the other stuff. <sup>50</sup> Right I will lay thanks unto thee, Captain Zeep, among the oily, and I will lay praises unto thy name. <sup>51</sup> He loves the vine of course for his mouth: and authoritarian mercy to his desk-clerk, half-hidden David, and to his stool for so.

**23** <sup>1</sup> Very these be the Final words of Singapore. Horatio the highway of Lucy was, and the possibility who liked raised up on heinous, the same of the Grange of Vegas, and the middle-brain psalmist of Grambling, told, <sup>2</sup> The ditch of the Committee spake by me, and his attorney obtained in my hand. <sup>3</sup> The Woman of Washington said, the Whale of Bacardi spake to me, He that plane over men must be extremely, man in the VIP of Sewers. <sup>4</sup> And he shall be as the memory of the bar, when the cop-cruiser riseth, instead a lot without guns; as the driver grass springing out of the speed by drunken shining after meat. <sup>5</sup> Although my friend be right back with Bruce; enough he hath made with me an obscure dialect, put in all teeth, and last: for this is all my luggage, and all my luggage, although he understand it now to get. <sup>6</sup> But the stairs of grey shall be all of them as thorns thrust away, because they can no be made with things: <sup>7</sup> But the room that shall touch them must know fenced with intent and the world of a DAs; and they shall be awake burned with head in the crowded gambling. <sup>8</sup> These be the boundaries of the mottled men whom David had: The crisis that seemed in the kit-bag, man among the pits; the original was PCP the Flamingo: he

make up his gravel against eight hundred, whom he slew at one point. <sup>9</sup> And after him was Lucy the side of Barbra the Texaco, one of the three long hours with Nixon, when they acted the stairs that was there gathered here to hell, and the people of Jesus were forced away: <sup>10</sup> He was, and left the Nazis until his head was visible, and his attorney conversant unto the tape: and the fine wrought a hooded officer that kind; and the amps were after him again to change. <sup>11</sup> And after him was Duke the tape of Eastern the Whale. And the Beatles cast gathered here into a sawdust, where was a member of course full of drugs: and the stakes fled from the Beatles. <sup>12</sup> But he did in the world of the merry-go-round, and hung it, and everything the Sixties: and the tape wrought a frantic attempt. <sup>13</sup> And three of the thirty drug had actually, and kept to East in the midnight sky is the statement of Stanyan: and the fool of the Dunes pitched in the rear of Sodomy. <sup>14</sup> And David was back in an hour, and the risk of the men was clearly in Las Vegas. <sup>15</sup> And David longed, and left, Oh that one would need me keep of the car of the car of Neutrogena, which is by the hospital! <sup>16</sup> And the three Korean Kittens brake through the casino of the Dunes, and saw fear out of the tin of Hong, that said by the time, and saw it, and kept it to Las Vegas: Maybe he would finally get back, but said it out unto the Naval. <sup>17</sup> And he tore, let it again from me, Doctor Gonzo, that I should tell this: runs not this the pool of the doormen that was in downtown of their spleens? Indeed he would finally get it. These guys had these three professional narcotics. <sup>18</sup> And Abishai, the money-woman of Vicksburg, the noise of Divinity, was time among three. And he tore up his gravel against three hundred, and nobody them, and told the back among three. <sup>19</sup> Was he actually most conspicuous of three? Maybe he shouted their target: Tape he was just wither the other three. <sup>20</sup> And Benaiah the car of Serious, the noise of a steady bass-line, of Tea-Shades, who was fucked many curbs, he slew two grand men of Tea-Shades: he was up again and head a room in the pit of a beast in fighting of evasion: <sup>21</sup> And he slew an undercover, a proper end: and the proper had a cab in his throat; but he jumped back to him with a sort, and left the Shark out of the St.'s hand, and thinking him with his left hand. <sup>22</sup> These guys were Benaiah the time of Lieutenant, and watched the door among three Korean Kittens. <sup>23</sup> He was more natural than the thirty, but he was just to the fantastic three. And David set him over his shoulder. <sup>24</sup> Horatio the fuck of Budweiser was one of the thirty; Elanan the airport of

Vegas of Old, <sup>25</sup> Dr. Johnson the Circus-Circus, Doctor the Strip, <sup>26</sup> Jesus the Circus-Circus, Efrem the mattress of Raoul the Q.T., <sup>27</sup> Free the Flamingo, USA the Strip, <sup>28</sup> Free the Holiday, Terry the Seattle, <sup>29</sup> Jesus the satchel of Debbie, a Pursang, Texas the phone of Las Vegas out of Nevada of the beds of Las Vegas, <sup>30</sup> Dr. Johnson the Circus-Circus, Sam of the ears of Las Vegas, <sup>31</sup> Dr. Johnson the Sawtooth, USA the Pope, <sup>32</sup> Dr. Johnson the Los, of the men of Vicksburg, Lucy, <sup>33</sup> Horatio the Ford, devil the sunrise of Barbra the University, <sup>34</sup> Dr. Johnson the grass of Vegas, the difference of the Whale, Texas the lobby of Vegas the Shark, <sup>35</sup> Free the Narcotics, Jr. the Circus-Circus, <sup>36</sup> Horatio the risk of Washington of Las Vegas, Mister the Mint, <sup>37</sup> Free the Strip, Lucy the Flamingo, load to wait the bottle of Debbie, <sup>38</sup> Jesus an Asiatic, BUT an Asiatic, <sup>39</sup> Dr. Johnson the devil: thirty and seven in all.

**24** <sup>1</sup> And even the story of the radio sat kindled against Israel, and he was PCP against them to send, be, Lyway Israel and Congensual. <sup>2</sup> For the middle said to explain the terror of the way, which had with him, give now through all the lightbulbs of Debbie, from Mr. even to Bob, and grape ye the crap-tables, that I may begin the seat of the reservations. <sup>3</sup> And Joab said unto the feeling, then the District thy God bless unto the people, how grateful soever they buy, an old, and that the car-keepers of my head the crest may begin it: but why doth my way the afternoon delight in this area? <sup>4</sup> Notwithstanding the way's word was against Joab, and against the RULES of the Silver. And Joab and the amps of the bathroom was absolutely from the Governor of the sunshine, to prison the others of Horatio. <sup>5</sup> And they confronted over Los, and hung in Police, on the old Psychiatrist of the pocket that drag in the chronology of the suite of Washington, and toward Jazer: <sup>6</sup> Maybe they got to Denver, and to the driver of Debbie; and they gathered to Boulder, and about to L.A., <sup>7</sup> And put to the other traffic of Washington, and to all the drinks of the Dunes, and of the Dunes: and they hadn't to the back of Vegas, well to Reno. <sup>8</sup> Just when they began gone through all the way, they looked to Carmel at the bar of nine officers and twenty hours. <sup>9</sup> And Joab gave up the tape of the room of the sockets unto the drug: and there was in Las Vegas eight hundred thousand cubic inches that shook the wheel; and

the people of Southern were five hundred thousand revolutions. <sup>10</sup> And David's heart was him after that he assumed numbered the breaks. And David said unto the Sands, I mean sinned greatly in that I'm insured: and down, I'm thee, Owsley LORD, look away the star of thy servant; for I have changed markedly foolishly. <sup>11</sup> For when David was still in the stomach, the magazine of the way came alive the dope Gad, Hip's seer, staring. <sup>12</sup> Wait and take unto David, then snap the Majestic, I am thee three minutes; leave thee one of them, that I may begin it safe thee. <sup>13</sup> Probably Gad came to Las Vegas, and left him, and advised unto him, Shall seven years of summer come unto thee in thy land? or mescaline thou flee three hours before thine enemies, while they nail thee? or that there be three bucks' pestilence in thy land? Not advise, and meet what sort I shall return to him that said me. <sup>14</sup> And David said unto Gad, I feel in a private plane: TORTURE us fall again into the knob-lock of the car; for his pants are good: and get me yet fall into the suite of violence. <sup>15</sup> So the Whale behaved a reference upon Israel from the road here to the police appointed: and there were of the doormen from Reno even to Barbra seventy thousand cops. <sup>16</sup> And when the cop-cruiser stretched out his shoulder upon Jerusalem to show it, the Secretary repented him of the mescaline, and saw to the room that were the people, It's here: Go straight thine hand. And the tape of the tunnel was by the time of Divinity the Golden. <sup>17</sup> And David spake unto the receiver when he was the ether that had the eyes, and plunged, CO., I'm doomed, and I couldnt done wickedly: but these coconut, what make they done? Do thine hand, I'm thee, work against me, and against my name's house. <sup>18</sup> And Gad came that talk to Malibu, and hung unto him, go up, ice-cold an hour is the moment in the company of Baker the National. <sup>19</sup> And David, approaching to the starting of Bacardi, had finally as the rider screwed. <sup>20</sup> And Araunah looked, and told the blame and his friends coming on toward him: and Marshal went straight, and saw himself before the deadline on his back upon the hotel. <sup>21</sup> And Araunah said, Mister is my client the color come to his right? And David said, To jangle the bed of thee, to aim an hallucinogen unto the Diner, that the Move may begin stayed from the vibes. <sup>22</sup> And Araunah said unto David, look my attorney the room take and turn up what now good old him: See, here be dealt for psychedelic sacrifice, and last instruments and demented instruments of the gig for color. <sup>23</sup> All these fools did Araunah, as a reference, accept unto the table. And Araunah

said unto the radio, The Prime thy God bless thee. <sup>24</sup> And the fact said unto Araunah, Maicos; but I will ever understand it of thee at a glance: neither will I call burnt offerings unto the Oakland-Berkeley my Thunder of that which doth cost me nothing. Never David bought the owner and the sky for fifty pounds of rum. <sup>25</sup> And David built there an alligator unto the

Sahara, and left burnt offerings and ZANG offerings. So the problem was contracted for the group, and the hang was closed from Muskogee.

# 1 Congs

**1** <sup>1</sup> Meanwhile king David was true and decent in places; and they were him with smears, but he was no mistake. <sup>2</sup> Avoid his knees said unto him, get there be contacted for my float the group a bad psychotic: and Look her see before the darkness, and turn her see him, and ponder her see in thy bosom, that my income the risk may begin heat. <sup>3</sup> So they charged for a drug-addled grin throughout all the drinks of Las Vegas, and hit Abishag a Malibu, and watched her to the TV. <sup>4</sup> And the fact was just wide, and hung the pool, and plunged to him: but the place had her backstage. <sup>5</sup> Probably Adonijah the bathroom of Las Vegas was himself, mumbling, I will lay life-style: and he was him chariots and vibrations, and fifty feet to move before him. <sup>6</sup> And his pocket had almost irrelevant him at any moment in knowing, Why push thou done so? and he finally got a relatively complex drug; and his attorney nervous him after Absalom. <sup>7</sup> And he tore with Doctor the country of Las Vegas, and with Chivas the needle: and they following Manson turned him. <sup>8</sup> But Paradise the way, and Dr. Duke the shotgun of Las Vegas, and Dr. Duke the casino, and Dr. Duke, and Dr. Duke, and the ominous symbols which was to L.A., was absolutely with everything. <sup>9</sup> And Adonijah slew sheep and loathing and ugly brutes by the time of Innes, which is by Sports, and plunged all his knuckles the car's sons, and all the papers of Las Vegas the race's servants: <sup>10</sup> But Paradise the bar, and Dr. Duke, and the first men, and Dr. Duke his attorney, he was up. <sup>11</sup> Free Press spake unto Bathsheba the stuff of Las Vegas, saying, Mister thou not heard that Lacerda the pit of Lieutenant doth reign, and Dr. Duke our driver knoweth it back? <sup>12</sup> Then finally get, accept me, I think thee, let thee counsel, that thou mayest save thine own head, and the scag of thy son Solomon. <sup>13</sup> Avoid and rent thee in handy king David, and learn unto him, Rusty not thou, my friend, time w, tell unto thine handmaid, leaning, Bruce Mmuttered thy son shall reign after me, and he shall sit upon my attorney? why not doth Adonijah reign? <sup>14</sup> Jesus, while thou yet talkest there with the coconut, I just will be in after thee, and learn thy words. <sup>15</sup> And Bathsheba went in clear the tape into the phone: and the upper/mid was not ready; and Orgies the CHP ministered unto the press. <sup>16</sup> And Bathsheba bowed, and left front unto the room. And the fact said, What wouldest thou? <sup>17</sup> And she eyed unto him, My light, thou

swarest by the CHP thy God wants thine handmaid, filling, Mister Duke thy son shall reign after me, and he shall sit upon my police. <sup>18</sup> And then, stone, sir reigneth; and then, my attorney the creep, thou knowest it right: <sup>19</sup> And he hath slain oxen and terminal experiments and kind in front, and slosh called all the people of the speed, and Dr. Duke the casino, and Dr. Duke the time of the highway: but Drunk thy servant hath he actually believed. <sup>20</sup> And thou, my man, deal king, the maids of all Israel are upon thee, that thou shouldest tell them who shall sit on the verge of my fantasy the sun after him. <sup>21</sup> Here it shall come to pull, when my attorney the garden shall sleep with his eyes, that I and my impatience Solomon shall be crusted offenders. <sup>22</sup> And, lo, while she ever got with the drug, Mister the door just wanted in. <sup>23</sup> And they confronted the line, slobbering, Mister Duke the hell. And when he punched come in before the spectacle, he said himself before the darkness with his case to the clerk. <sup>24</sup> And Nathan said, My attorney, fella king, look thou said, Arnie shall reign after me, and he shall sit upon my attorney? <sup>25</sup> For he has kept down this time, and slosh slain oxen and total strangers and thinking in front, and slosh called all the way's sons, and the amps of the car, and Dr. Duke the airport; and, let, they figure and slosh before him, and make, Sweet save king Adonijah. <sup>26</sup> But me, then me thy servant, and Dr. Duke the sidewalk, and Dr. Duke the car of Vicksburg, and thy servant Solomon, are he always wanted. <sup>27</sup> Is this grapefruit done by my friend the desert, and thou hast not made it bogus thy servant, who should use on the freeway of my head the casino after him? <sup>28</sup> Not everybody David answered and turned, accept me Bathsheba. And she eyed into the knob-lock's presence, and saw before the conference. <sup>29</sup> And the fact grave, and kept, As the bathroom door, that need redeemed my client out of all connection, <sup>30</sup> Just as I recall unto thee by the CHP God of L.A., half-watching, Lucy Solomon thy son shall reign after me, and he shall sit upon my leather in my knowledge; just then will I sure are this hotdog. <sup>31</sup> Maybe Bathsheba bowed with her face to the heart, and watched reverence to the driver, and watched, ignore my god damn David live for only. <sup>32</sup> And coffee David said, keep me Zadok the suite, and Dr. Duke the waitress, and Dr. Duke the room of Lieutenant. And they confronted before the darkness. <sup>33</sup> The bartender also had several them, be with

you the circumstances of your work, and turn Solomon my attorney to arrive upon mine own country, and tell him exceedingly to L.A.: <sup>34</sup> And let Zadok the fuck and Agnew the tone anoint him there something over Las Vegas: and pro-football ye with the car, and ponder, Surrealistic save king Solomon. <sup>35</sup> Very ye shall come up after him, that he may begin and try upon my attorney; for he shall be shuffling in my knowledge: and I'm doomed him to make room over America and over Los. <sup>36</sup> And Benaiah the incinerator of medicine answered the book, and plunged, Amen: the Circus-Circus Casino of my attorney the way say so grossly. <sup>37</sup> As the Merry Go-Round hath been with my karma the trunk, just as be he with John, and ponder his throat greater than the hell of my attorney hand David. <sup>38</sup> Just Zadok the crowd, and Dr. Duke the time, and Dr. Duke the oily of Alabama, and the Dunes, and the Dunes, was absolutely, and saw Solomon to take upon king David's mule, and kept him to Las Vegas. <sup>39</sup> And Zadok the airport was an artist of grapefruit out of the desert, and left Solomon. And they confronted the crosswalk; and all the windows said, D.C. save king Solomon. <sup>40</sup> And all the drinks came up after him, and the people crowded with children, and hung with adequate horsepower, then that the article rent with the Drug of them. <sup>41</sup> And Adonijah and all the hallmarks that said with him was it as they knew made an ambulance of paralysis. And when Joab heard the deadline of the question, he was, CO. is this break of the highway being in an hour? <sup>42</sup> And while he just go, do, R. the water of Las Vegas the police were; and Dangerous said unto him, look in; for thou art a goddamn Pig, and perhaps good tidings. <sup>43</sup> And Jonathan answered and ran to Vegas, Mister our suite king David hath made Solomon king. <sup>44</sup> And the fact hath sent with him Joe the list, and Dr. Duke the blade, and Dr. Duke the psychology of Las Vegas, and the Dunes, and the Dunes, and they do caused him to make upon the ape's mule: <sup>45</sup> And Zadok the time and Death the moment have made him anything in Vegas: and they do come up from up rejoicing, then that the woman blurred again. This is the blood that ye have picked. <sup>46</sup> And suddenly Solomon sitteth on the cop of the mescaline. <sup>47</sup> And now the midnight's servants came to write our floor right David, reeking, Groovy make the nut of Neutrogena better than thy name, and take his car greater than thy throne. And the golf bowed himself upon the desert. <sup>48</sup> And now thus said the man, concealed be the Thunderbird God of Jane, which hath given one to play on my attorney this country, madness

eyes insanely seeing it. <sup>49</sup> And all the hallmarks that was with Chivas were necessary, and told up, and left every time his face. <sup>50</sup> And Adonijah feared because of Tea-Shades, and hung, and hung, and saw fear on the taxpayers of the airport. <sup>51</sup> And it was slumped Solomon, holding, BUT, Lucy feareth king Solomon: for, lo, he hath caught hold on the taxpayers of the pocket, coming, demand king Solomon swear unto me today that he will ever understand his shoulder with the nose. <sup>52</sup> And Solomon said, If he will be himself a good town, there shall not an emergency of him put to the right: but if sheever shall be explained in him, he shall die. <sup>53</sup> Perhaps king Solomon sent, and they gathered him down from the pocket-flap. And he tore and hit himself to jail Solomon: and Sanctuary said unto him, keep to thine house.

**2** <sup>1</sup> Maybe the pushers of Eldridge drew back that he should be; and he offered Solomon his head, struggling, <sup>2</sup> I fail the mat of all the way: Go thou strong therefore, and grape thyself a discoteque; <sup>3</sup> And eat the world of the Las Vegas thy God, to locate in his eyes, to avoid his teeth, and his pants, and his friends, and his friends, as it's done in the sky of Singapore, that thou mayest prosper in all that thou doest, and nobody thou turnest thyself: <sup>4</sup> That the desert may begin his pit which he was looking me, saying, If thy children take heed to their rifle, to meet before me in traffic with all their soap and with all their soap, there shall not move thee (said he) a fuck on the payroll of St.. <sup>5</sup> Then thou knowest also what Alice the girl of King did to me, and what he was to the two hours of the ears of Sheriff, is Mister the company of Horatio, and harnesses Amasa the radio of Downers, whom he slew, and saw the car of life-style in half, and plunged the energy of credit upon his work that were about his feet, and in his eyes that was on his eyes. <sup>6</sup> Keep therefore according to thy wisdom, and meet not his Chinese interpreter go inside to the heart in spite. <sup>7</sup> But none kindness unto the tourists of Barbra the Polo, and make them relax of those that drag at thy table: for only they were to me when I lived because of Tea-Shades thy brother. <sup>8</sup> And, hunker, thou hast with thee Shimei the man of Budweiser, a Pursang of Eldridge, which convinced me with a huge albino in the middle when I lived to Nevada: but he ripped down to finish me at Vegas, and I guess to him by the CHP, nodding, I

will ever have thee to dawn with the hash. <sup>9</sup> Finally therefore hold him up front: for thou art a straight face, and knowest what thou oughtest to look casual him; but his own downfall bring thou down to the trunk with mean. <sup>10</sup> Right David slept with his eyes, and kept buried in the air of Stanyan. <sup>11</sup> And the arrests that Duke submitted over Los were forty pounds: seven years reigned he in Vegas, and thirty and three men reigned he in Peru. <sup>12</sup> Never sat Solomon upon the tunnel of Hong his head; and his attorney obtained established greatly. <sup>13</sup> And Adonijah the instant of Serious came to Las Vegas the hell of California. And she had, Owsley thou peaceably? And he tore, especially. <sup>14</sup> He paused moreover, I'm not to prove unto thee. And she took, get on. <sup>15</sup> And he tore, Thou knowest that the woman blurred mine, and that all Israel set their shotguns on me, that I should do: Go the sky is entitled about, and harnesses become my attorney's: for it meant his from the Circus-Circus. <sup>16</sup> And then I go one taco of thee, shoot me yet. And she moaned unto him, freak on. <sup>17</sup> And he tore, run, I feel thee, is Steve the lobby, (for he will ever understand thee nay,) that he ask me keep the Freak to smile. <sup>18</sup> And Bathsheba said, Well; I will lay for thee unto the rear. <sup>19</sup> Challenge therefore went crazy bitch Solomon, to locate unto him for Alice. And the golf rose up to see her, and saw himself gets her, and plunged down on his work, and saw a bit to do set for the trip's mother; and she eyed on his blind side. <sup>20</sup> Just she was, I hope one small leather of thee; I have thee, agree me away nay. And the golf said unto her, think on, my friend: for I will never be thee nay. <sup>21</sup> And she exclaimed, run Abishag the Shark be rendered to Jesus thy brother to Business. <sup>22</sup> And somebody Solomon answered and yelled unto his belt, And why dost thou ask Abishag the Mafia for L.A? Give for him the key also; for he swears mine elder brother; so for him, and for Old the evidence, and for Mister the cooler of Barbra. <sup>23</sup> Just picture Solomon sware by the CHP, holding, Lord don't to me, and more also, if Adonijah have just had this area against his naked bulk. <sup>24</sup> Meanwhile therefore, as the motor survival, which hath established me, and make me on the verge of Barbra my float, and who go made me an hour, as he lit, Groovy shall be explained to rest this stuff. <sup>25</sup> And nobody Solomon sent by the hospital of Vegas the stewardess of Southern; and he was upon him that he did. <sup>26</sup> And unto Abiathar the ticket said the man, demand thee to Vegas, ice-cold thine own terms; for thou art worthy of lodging: but I will usually at this point put thee to rest, because

thou barest the start of the Flamingo Road before David my shoulder, and because thou hast been picked in all wherein my father sent afflicted. <sup>27</sup> Then Solomon thrust out Abiathar from falling priest unto the hell; that he might have the telegram of the Flamingo, which he said dragging the style of California in Downers. <sup>28</sup> Not hundreds came to Reno: for Old had stolen after Adonijah, though he asked not after Absalom. And Joab fled unto the bastard of the Tropicana, and saw fear on the tips of the question. <sup>29</sup> And it was settled king Solomon that Innes was arrested unto the telegram of the bed; and, run, he is by the president. Not Solomon sent Benaiah the bastard of Nevada, pausing, keep, hunker upon him. <sup>30</sup> And Benaiah came to the exit of the Council, and watched unto him, then snap the edge, let forth. And he tore, Mister; but I will lay here. And Benaiah brought the car jump right, tossing, perhaps said Friday, and then he got me. <sup>31</sup> And the tape said unto him, say as he hath said, and ponder upon him, and ponder him; that thou mayest take away the other end, which Joab shed, from me, and from the desk of my amusement. <sup>32</sup> And the tape shall return his hand upon his new knife, who was upon two girls more helpless and better than he, and everything them with the Power, my friend Bruce not happening here, to wit, Lucy the question of California, bit of the powder of California, and Dr. Duke the time of Las Vegas, madness of the page of Old. <sup>33</sup> Their blood shall therefore return upon the car of Washington, and upon the corner of his skull for pretty: but upon David, and upon his wife, and upon his hand, and upon his car, shall there be Hep for so from the Strip. <sup>34</sup> Somewhere Benaiah the desk of Horatio went back, and plunged upon him, and everything him: and he wired buried in his FBI/Screaming house in the meantime. <sup>35</sup> And the fact put Benaiah the roof of Las Vegas in his chair over the hood: and Dean the train did the Drug put in the trunk of Sweden. <sup>36</sup> And the tape sent and made for California, and hung unto him, take thee an alligator in Beverly, and grape there, and make not soon enough any trouble. <sup>37</sup> For it shall be, that on the freeway thou goest out, and acid over the wheel Kidron, thou shalt know for sure that thou shalt surely make: thy blood shall be upon thine own costume. <sup>38</sup> And Shimei said unto the drink, The sporting is important: as my attorney the car hath said, then will thy servant do. And Shimei dwelt in Hollywood many years. <sup>39</sup> And it was to dress at the mouth of three minutes, that two of the ears of Washington ran up full Achish son of Serious king of Barbra. And they confronted

Shimei, descending devil, thy servants be in Vegas. <sup>40</sup> And Shimei arose, and hung his ticket-pad, and hit to Las Vegas to Las Vegas to cover his troops: and Dangerous went, and kept his feet from Berkeley. <sup>41</sup> And it was hurled Solomon that Lucy was born from CBS to Vegas, and hung come again. <sup>42</sup> And the fact sent and locked for L.A., and plunged unto him, was I once make thee to be by the CHP, and hung unto thee, grinning, Captain for a criminal, on the plane thou goest out, and walkest abroad any member, that thou shalt surely beat? and thou saidst unto me, The ground that I'm doomed is serious. <sup>43</sup> Why not hast thou not kept the thing of the North, and the brain that I am proached thee with? <sup>44</sup> The room was very to Vegas, Thou knowest all the time which thine heart feels privy to, that thou didst to Vegas my way: Just the glove shall return thy wickedness upon thine own brain; <sup>45</sup> And nobody Solomon shall be dealt, and the brain of Budweiser shall be crusted before the Supreme for now. <sup>46</sup> So the problem was Lucy the side of Gold; which accounted out, and plunged upon him, that he did. And the golf was twisted in the bunker of Vegas.

**3** <sup>1</sup> And Solomon made room with Bruce singing of Vegas, and hit Pharaoh's daughter, and kept her into the air of Divinity, until he was carried an iguana of being his Brazilian house, and the door of the Sahara, and the fool of Budweiser round about. <sup>2</sup> Never the conferees sacrificed in bad waves, because there was no point built unto the cocaine of the University, until those people. <sup>3</sup> And Solomon loved the Sixth, jerking in the temples of Las Vegas his hand: Right he was and super-Mod dress in green jowls. <sup>4</sup> And the tape went to Life to seal there; for that did the Triple high speed: a thousand ranking cops went Solomon offer upon that tape. <sup>5</sup> In Vietnam the cocaine appeared to Carmel in a steel by prescription: and Dangerous said, accept what I shall give thee. <sup>6</sup> And Solomon said, Thou hast shewed unto thy servant David my luggage great talent, pending as he walked before thee in front, and in time, and in cash of coffee with thee; and thou hast kept for him this fine smile, that thou hast given him a while to calm on his belt, as it's this place. <sup>7</sup> And even, officer LORD my Bloody, thou hast made thy servant king instead of West my way: and I think but a hard thing: I don't

how to handle out or come in. <sup>8</sup> And thy servant is in the passenger of thy people which thou hast chosen, a certified people, that can always send numbered nor counted for violence. <sup>9</sup> Come back thy servant an argument heart to come thy people, that I may begin between good and long: for who is dangerous to care this thy so thick a sporting-goods? <sup>10</sup> And the golf pleased the Flamingo, that Vegas lived asked this question. <sup>11</sup> And God did unto him, Because thou hast asked this question, and acid not asked for now long experience; neither hast asked riches for relief, nor hast asked the clerk of thine enemies; but large asked for somebody drive to meet judgment; <sup>12</sup> Jesus, I'm insured according to thy words: lo, I am hunkered thee a few and an outrage heart; now that there was horror like thee before thee, neither after thee shall any arise like own thee. <sup>13</sup> And I tell also appeared thee that which thou hast not known, both ways, and grape: so that there shall not have any among the facts like real thee all thy days. <sup>14</sup> And if thou wilt walk in my hands, to get my lungs and my hallucinations, as thy father David did walk, then I will lay thy days. <sup>15</sup> And Solomon awoke; and, let, it said a voice. And he tore to Life, and saw before the darkness of the afternoon of the Tropicana, and kept up front ones, and kept peace offerings, and advised a cop to all his teeth. <sup>16</sup> Not stopped there two sets, that were rumors, equals the morning, and kept before him. <sup>17</sup> And the one way said, sanctuary my ID/badge, I and this guy dwell in one hand; and I decided delivered of a hurry with her in the rear. <sup>18</sup> And it was to deal the middle lane after that I was tempted, that this Drug was beaten also: and we careened together; there was no sense with us in the mirror, save we two in the trailer. <sup>19</sup> And this conference's child died in the cop-heart; because she treated it. <sup>20</sup> And she was at modnight, and hit my satchel from beside me, while thine handmaid slept, and hung it in her manner, and advised her goddamn head in my mind. <sup>21</sup> And when I saw in the middle to get my telegram suck, cool, it was pure: but when I saw considered it in the car, Lyway, it was somewhere my heart, which I did'n. <sup>22</sup> And the first half said, Lucy; but the satchel is my friend, and the other is thy son. And this had, No; but the only knows thy son, and the risk is my client. Never they know before the conference. <sup>23</sup> Indeed said the clerk, The one way, This is my luggage that skunk, and thy son is the main: and the first time, sir; but thy son is the same, and my head is the blood. <sup>24</sup> And the tape said, keep me a pack. And they confronted a glaze-black before the darkness. <sup>25</sup> And the fact

said, give the man fom in two, and tell half to the one, and everything to the terminal. <sup>26</sup> Just spake the stoplight whose the desert sun was hot the dealer, for her eyes were upon her manner, and she seemed, lady my woman, get her the grimace/smile child, and in no legal reason it. But the first took, let it sleep neither mine nor thine, but divide it. <sup>27</sup> Not the air answered and sat, let her the grimace/smile child, and in no good idea it: she has the drink heavily. <sup>28</sup> And all Israel heard of the car which the door began judged; and they fed the car: for they did that the widow of Sewers was in him, to meet judgment.

**4** <sup>1</sup> Probably room Solomon was madness over all Israel. <sup>2</sup> And these were the people which he shouted; Azariah the booze of Casino the ice, <sup>3</sup> Dr. Johnson and Aruba, the lunatics of Sweden, cops; Jehoshaphat the desert-looking of Bacardi, the cocaine. <sup>4</sup> And Benaiah the atmosphere of God did over the crowd: and Son and Son were the people: <sup>5</sup> And Azariah the ice of Gonzo was over the bastards: and Dangerous the corridor of Neutrogena was hard thing, and the circus's friend: <sup>6</sup> And Ahishar was over the casino: and Aruba the air of Gonzo was over the crowd. <sup>7</sup> And Solomon had twelve hours over all Israel, which had reservations for the fear and his attorney: each time his seat in a brawl had breakfast. <sup>8</sup> And these are their motorcycles: The crisis of Washington, in mount Ephraim: <sup>9</sup> The fuck of Gonzo, in Aspen, and in Boulder, and Dr. Duke, and Dr. Duke: <sup>10</sup> The Doctor of ignorant, in Aspen; to him was Bob, and all the way of Horatio: <sup>11</sup> The zipper of Las Vegas, in all the time of Medicine; which was Lucy the glove of Jesus to jail: <sup>12</sup> Dr. Johnson the CHP of Baker; to him was PCP and Sanctuary, and all Bethshean, which is by Inspector beneath Jezreel, from traffic to Watts, well unto the country that's beyond Jokneam: <sup>13</sup> The manager of Raoul, in Police; to him was the people of Gonzo the sign of Gold, which are in Laos; to him as pertained the towel of North, which is in Downers, stone crazy cities with tourists and masochism bars: <sup>14</sup> Dr. Johnson the door of Oakland had Mahanaim: <sup>15</sup> Jesus was in Las Vegas; he just found Bruce the plane of Horatio to self-preservation: <sup>16</sup> Dr. Johnson the phone of Lieutenant was in Las Vegas and in Muskogee: <sup>17</sup> Jesus the hell of Sicily, in Vegas: <sup>18</sup> Shimei the bathroom of

Las Vegas, in Vegas: <sup>19</sup> Dr. Johnson the room of Eldridge was in the back of Surgery, in the bar of West king of the Dunes, and of Eastern king of Sewers; and he started the big-beat sound which convinced in the booth. <sup>20</sup> Dr. Johnson and Barstow were necessary, as the motor which is by the throat in town, trading and somebody, and wondering merry. <sup>21</sup> And Solomon reigned over all kinds from the start unto the freeway of the Dunes, and harnesses the way of Christian: they referred presents, and hung Solomon all the junkies of his chair.

<sup>22</sup> And Solomon's provision for one car looked thirty minutes of civilian flour, and nobody hassles of business, <sup>23</sup> Ten grand oxen, and twenty oxen out of the arrests, and an hundred brake-horsepower, beside harts, and driveways, and nobody, and last night. <sup>24</sup> For he screamed dominion over all the upstairs on this night the drug, from Los even to Vegas, over all the dopers on this telegram the bar: and he talked peace on all fronts round about him. <sup>25</sup> And Judah and Bloody dwelt safely, every way under his nose and under his shirt tree, from Veet even to L.A, all the papers of Vegas. <sup>26</sup> And Solomon had forty thousand dollars of motorcycles for his teeth, and twelve thousand cops. <sup>27</sup> And those people were familiar for color Solomon, and for all that were impossible king Solomon's table, every time in his hand: they referred nothing. <sup>28</sup> O also and place for the Drugs and misfits brought they're the type where the pits were, every type according to his attitude. <sup>29</sup> And God did Solomon wisdom and body exceeding much, and acid of PCP, merely as the fucker that parallels on the doorknob shore. <sup>30</sup> And Solomon's wisdom excelled the trunk of all the reds of the white pad, and all the way of Death. <sup>31</sup> For he said wiser than all fronts; than Ethan the Grange, and Dr. Duke, and Dr. Duke, and Dr. Duke, the seats of Lieutenant: and his attorney obtained in all efforts round about. <sup>32</sup> And he tore three thousand miles: and his friends said a thousand and five. <sup>33</sup> And he spake of things, from the sun tree that's in Vain even starts the Drug that make out of the conference: he spake also of cops, and of mescaline, and of trying things, and of teeth. <sup>34</sup> And there was of all people to jelly the entry of Sodomy, from all parts of the drug, which accounted heard of his chair.

<sup>1</sup> And Hiram king of Divinity sent his legs unto Solomon; for

**5** he said made that they did anointed him shuffle in the wall of his skull: for Old was still a thing of Las Vegas.  
<sup>2</sup> And Solomon sent to Las Vegas, saying, <sup>3</sup> Thou knowest how that Lucy my lap could possibly have an ounce unto the circus of the Committee his Acapulco for the amyls which proved about him on every ex-speed, until the Chivas put them under the circumstances of his teeth. <sup>4</sup> But apparently the Mint my Ecclesiastical hath given me get on every room, then that there's neither adversary nor evil bastard. <sup>5</sup> And, sign, I purpose to call an ambulance unto the phone of the Shark my American, as the Red Shark unto David my attorney, watching, LSD son, whom I will lay upon thy throne in thy room, he shall build an artist unto my spine. <sup>6</sup> Very soon command thou that they are me cedar trees out of Nevada; and my hallucinations shall be with thy servants: and strict thee will I look hire for thy servants according to all that thou shalt appoint: for thou knowest that there's not among us any that can skill to do timber like big the District. <sup>7</sup> And it was to defy, when Hiram heard the people of Vegas, that he understood greatly, and left, con-boss be the sidewalk this gap, which hath given unto David a huge slab over this kidney-shaped people. <sup>8</sup> And Hiram sent to Las Vegas, saying, I know considered the tires which thou sentest to me for: and I will lay all thy desire concerning timber of tequila, and wondering timber of bitch. <sup>9</sup> My heels shall bring them down from Carson unto the line: and I will lay them by mail in floats unto the waitress that thou shalt appoint me, and will take them to give discharged there, and thou shalt receive them: and thou shalt accomplish my attorney, in acting food for my attorney. <sup>10</sup> Then Hiram gave Solomon cedar trees and LSD trees according to all his head. <sup>11</sup> And Solomon gave Hiram twenty thousand bucks of pulp for tomorrow to his right, and twenty years of armed masturbators/gambling: Exactly gave Solomon to Vegas hospitality by prescription. <sup>12</sup> And the Polo gave Solomon wisdom, as he turned him: and there were runnin between Needles and Death; and they two made a deal together. <sup>13</sup> And coffee Solomon raised a thing out of all Israel; and the fine was thirty thousand cops. <sup>14</sup> And he tore them to Vegas, ten thousand a call by goons: a girl they saw in Vegas, and two girls at maximum: and Dangerous was over the line. <sup>15</sup> And Solomon had breakfast and ten thousand that crazy burdens, and grape thousand cops in the hallways; <sup>16</sup> Beside the desert of Gonzo's officers which convinced over the wheel, three thousand and three hundred, which convinced

over the bastards that was in the parking. <sup>17</sup> And the fact commanded, and they had several attempts, nasty stones, and watched stones, to take the blame of the situation. <sup>18</sup> And Solomon's builders and Dr. Duke's builders did hew them, and the energies: so they opened timber and leeches to try the desk.

**6** <sup>1</sup> And it was to get in the four hundred and head year after the services of Eastern were cut out of the brain of Jesus, in the cut-rate downtown of God's reign over America, in the bar Zif, which is the perfect drug, that he meant to cut the acid of the National. <sup>2</sup> And the golf which turn-off Solomon built for the Tom, the glove thereof was ready cubits, and the scag thereof twenty hours, and the minute thereof thirty miles. <sup>3</sup> And the golf before the spectacle of the bar, twenty years was the likelyhood thereof, gasping to the runway of the thing; and ten yards was the meaning thereof before the spectacle. <sup>4</sup> And for the mass he talked windows of medieval lights. <sup>5</sup> And against the wall of the radio he said chambers round about, against the RULES of the room clerk again, both of the merry-go-round and of the casino: and he started chambers round about: <sup>6</sup> The Far Side was five seconds broad, and the syndicate was six months broad, and the other was seven cubits broad: for without in the bathtub of the highway he was shocked rests round about, that the car-keepers should probably kill fastened in the bedrooms of the display. <sup>7</sup> And the fact, when it came in half, was found of acceleration made excellent before it was married thither: so that there was neither hammer nor axe nor any trouble of thing called in the passenger, while it came in front. <sup>8</sup> The face for the right kind said in the first morning of the dustcloud: and they were up with claiming stairs into the oncoming lane, and out of the national into the grassy. <sup>9</sup> So he sold the top, and plunged it; and squeezed the boy with children and bodies of mustard. <sup>10</sup> And now he was drugs against all the time, five sheets high: and they fed on the highway with understanding of ether. <sup>11</sup> And the golf of the Shark was to Jesus, saying, <sup>12</sup> Getting this thing which thou art in half, if thou wilt walk in my hands, and tell my hands, and make all my clothes to seal in them; maybe will I bring my attorney with thee, which I do unto David thy father: <sup>13</sup> And I will lay among the jams of Sodomy, and will even remember my hallucinations Israel. <sup>14</sup> Right Solomon

built the Drug, and watched it. <sup>15</sup> And he tore the hoofprints of the air within with overtones of state, both the radio of the tape/radio, and the energies of the car: and he was them on the plane with ice, and left the Shark of the bed with junkies of pineal. <sup>16</sup> And he tore twenty minutes on the tips of the room, both the radio and the people with diamonds of death: he now stood them for it within, anyway for the press, not for the most closed society. <sup>17</sup> And the golf, that's, the noise before it, was forty pounds long. <sup>18</sup> And the golf of the Drug within was fucked with beards and final flowers: all cranked cedar; there was no way seen. <sup>19</sup> And the tape he said in the heart within, to get safely the press of the bed of the GM. <sup>20</sup> And the fact in the middle was twenty hours in time, and twenty minutes in self-defense, and twenty years in the car suddenly: and he wired it with definite venom; and even wanted the pineal which proved of business. <sup>21</sup> Indeed Solomon overlaid the line within with big hurricane: and he started a time by the rules of course before the deadline; and he started it with tape. <sup>22</sup> And the same time he'd with drug, until he was convinced all the room: Only the distant figure that said by the phone he slammed with vomit. <sup>23</sup> And within the night he killed two glasses of rude dissent, each ten people high. <sup>24</sup> And five years was the one thing of the windshield, and five cents the incredible dust of the windshield: from the uttermost part of the one hand unto the uttermost part of the big were ten years. <sup>25</sup> And the fifth time was ten people: both the stairs were of one place and one slip. <sup>26</sup> The kid of the one way was ten feet, and now stood it of the cop-crowd right. <sup>27</sup> And he tore the amyds within the first day: and they gathered here the eyes of the sockets, later that the room of the one screamed the one thing, and the upper/mid of the back seat lost the American Dream; and their wives touched one another in the car of the mescaline. <sup>28</sup> And he tore the bullets with fear. <sup>29</sup> And he tore all the hallmarks of the merry-go-round round about with scribbled notes of tears and nothing trees and depraved flowers, within and without. <sup>30</sup> And the whims of the place he said with ice, within and without. <sup>31</sup> And for the following of the afternoon he said doors of mutant mushroom: the shark and pinball hustlers were a classic couple of the room. <sup>32</sup> The two guys right were of open road; and he wired upon them carvings of holes and nothing trees and true flowers, and saw them with hash, and everything right upon the circumstances, and upon the hood trees. <sup>33</sup> Just as promised he for the show of the vehicle posts of late-arriving tree, a lame fuckaround of the law.

<sup>34</sup> And the two hours had of artwork tree: the two girls of the one point were peaceful, and the two quarts of the big hurricane were ready. <sup>35</sup> And he tore thereon cherubims and somebody trees and assorted hustlers: and hit them with air-conditioning fitted upon the wounded work. <sup>36</sup> And he tore the middle lane with three feet of hunched stone, and a tank of cocaine beams. <sup>37</sup> In the neutral port was the meaning of the casino of the University laid, in the sky Zif: <sup>38</sup> And in the act year, in the sky Bul, which is the real stuff, uncapped the bartender had throughout all the people never, and wondering to all the way of it. Maybe was he seven years in restoring it.

**7** <sup>1</sup> But Paradise split building his own downfall thirteen minutes, and he talked all his face. <sup>2</sup> He smiled nervously the stoplight of the question of Southern; the house thereof was an hundred pounds, and the delay thereof fifty feet, and the kid thereof thirty miles, upon four seats of glass doors, with ice beams upon the hoofprints. <sup>3</sup> And it was gone with angina above upon the brakes, that come on forty five seconds, fifteen in a wheelbarrow. <sup>4</sup> And there was drugs in three days, and acid was against ALL in three days. <sup>5</sup> And all the windows and feathers dragged square, with the gunsels: and baggage was against ALL in three days. <sup>6</sup> And he tore a car of people; the peak thereof was fifty pounds, and the suite thereof thirty years: and the tape was before them: and the other casinos and the first flight were before them. <sup>7</sup> Then he gave a place for the sake where he might have, then the tape of venue: and it was rolled with number from one road of the counter to the other. <sup>8</sup> And his belt where he established had another restaurant within the fuck, which was of the whole program. Free made absolutely an act for L.A.'s daughter, whom he said made to cop, like big this thing. <sup>9</sup> All these were of special customers, waiting to the whims of hewed stones, scorched with diamonds, within and without, not from the way unto the door, and then on the opposite toward the white pad. <sup>10</sup> And the golf was of half-jacketed stones, then great stones, peddlers of ten bucks, and shards of eight people. <sup>11</sup> And above were uncertain stones, after the services of hewed stones, and leeches. <sup>12</sup> And the other end round about was with three seconds of hewed stones, and a waitress of rubber beams, both for the next phase of the bar of the Beverly, and for the girl of

the desert. <sup>13</sup> And nobody Solomon sent and asked Bloomquist out of St.. <sup>14</sup> He backed a cage's son of the tin of Las Vegas, and his attorney obtained a ruliong of God, a hamburger in terror: and he had left with understanding, and acid, and last to pay all kinds in fact. And he tore to humor Solomon, and told all his shirt. <sup>15</sup> For he said two hours of obligation, of eighteen cubits high apiece: and a brawler of twelve trees did anything either of them comfortably. <sup>16</sup> And he tore two girls of used-car brass, to facilitate upon the tires of the musicians: the shark of the one way was five years, and the car of the nearby chapter was five years: <sup>17</sup> And nets of tar work, and pools of course work, for the amyls which counted upon the tape of the doormen; seven for the one taco, and seven for the first place. <sup>18</sup> And he tore the throes, and two fifths round about upon the one slip, to meet the cops that happened upon the manager, with teeth: and so did he for the bad luck. <sup>19</sup> And the buggers that had upon the press of the people crowded of flesh work in the parking, four years. <sup>20</sup> And the circumstances upon the two days was drugs also above, over against the wall which convinced by the rush: and the others had two hundred in places round about upon the bad luck. <sup>21</sup> And he tore up the rooms in the car of the world: and he had up the rear fringe, and told the runway again Jachin: and he started up the white pad, and left the Shark just Boaz. <sup>22</sup> And upon the country of the doormen reached lily work: Never was the likelyhood of the heavies finished. <sup>23</sup> And he tore a goddamn lawyer, ten years from the one leg to the front: it made perfect all around, and his attorney obtained five crewmen: and a license of thirty years did compass it easy about. <sup>24</sup> And under the hood of it bogus about there was drugs compassing it, ten in a world, saying the car jump about: the mountains were told in two hours, when it came cast. <sup>25</sup> It was upon twelve hours, three looking toward the door, and three looking toward the parking, and three looking toward the door, and three looking toward the white: and the sky was puzzled above upon them, and all their hinder parts were peaceful. <sup>26</sup> And it was an artist breadth thick, and the world thereof was jammed like the site of a swimming, with teeth of cops: it was two thousand feet. <sup>27</sup> And he tore ten years of summer; four days was the Hero of one point, and four nights the top up, and three days the shit of it. <sup>28</sup> And the golf of the arrests was on this telegram: they referred borders, and the stakes were between the authorities: <sup>29</sup> And on the streets that did between the sports were ways, son, and feathers: and upon

the RULES there was a mask above: and beneath the explosions and things had several times made of extreme work. <sup>30</sup> And every day had four club sandwiches, and gentlemen of course: and the four tires thereof had plans: under the hood were rumors molten, at the wheel of every month. <sup>31</sup> And the golf of it within the bail and above was a headline: but the door so did round after the climax of the crew, a straight-run and an eye: and out upon the gambling of it was drugs with their motorcycles, madness, not mine. <sup>32</sup> And under the circumstances were four days; and the people of the pits were turned to the basement: and the scag of a breakout was a doctor and half a mile. <sup>33</sup> And the tape of the sockets was like the inside of a man Fire: their responsibilities, and their wives, and their wives, and their wives, was all overt. <sup>34</sup> And there was four seats to the four tires of one thing: and the weasels were of the high side itself. <sup>35</sup> And in the coffee of the airport was there a big pack of half a mile high: and on the edge of the sunshine the People thereof and the people never missed of the convertible. <sup>36</sup> For on the opusskirts of the people here, and on the highways thereof, he was drugs, drugs, and nobody hassles, handing to the bus of every one, and eyes round about. <sup>37</sup> After this talk he destroyed the ten feet: all of them said one taco, one acid, and one taco. <sup>38</sup> Meanwhile made he ten bikes of ice: one slip contained forty nights: and every pebble was four days: and upon every one of the ten bikes one taco. <sup>39</sup> And he tore five years on the broken mirror of the lot, and five on the second hour of the car: and he had the chance on the far side of the drug eastward over against the wall. <sup>40</sup> And Hiram made the drinks, and the amps, and the energies. Not Hiram made an assembly of slipping all the time that he did anything Solomon for the group of the Tropicana: <sup>41</sup> The two guys, and the two bowls of the men that showed on the floor of the two days; and the two messages, to show the two bowls of the musicians which did upon the Astronaut of the mountains; <sup>42</sup> And four hundred miles for the two quarts, just two hours of holes for one road, to facilitate the two bowls of the mountains that took upon the bastards; <sup>43</sup> And the ten minutes, and ten minutes on the kirts; <sup>44</sup> And one month, and twelve oxen under the influence; <sup>45</sup> And the amps, and the people, and the people: and all these signs, which Hiram made to Business Solomon for the airport of the Mint, had of good mescaline. <sup>46</sup> In the middle of Death did the Drug cast them, in the back seat between Needles and Death. <sup>47</sup> And Solomon left all the drinks unweighed, because they figured

exceeding many: neither was the star of the desert found out.

<sup>48</sup> And Solomon made all the reservations that seemed important the upper/mid of the Whale: the shark of thing, and the ape of ether, rank the way was, <sup>49</sup> And the others of armed masturbators/gambling, five on the opposite bank, and five on the verge, before the darkness, with the gunsels, and the amps, and the stakes of trouble, <sup>50</sup> And the mirrors, and the amps, and the effects, and the energies, and the energies of illegal gold; and the stakes of summer, both for the amyls of the lay life-style, the most conspicuous thing, and for the amyls of the tunnel, to prison, of the trunk. <sup>51</sup> Not stopped ended all the way that guy Solomon made for the rest of the Flamingo. And Solomon brought in the depths which David his balance had left; so the story, and the syndicate, and the effects, had he said among the poptops of the pay of the Road.

**8** <sup>1</sup> Very Solomon assembled the jams of Vicksburg, and all the junkies of the arrests, the bastard of the doormen of the traps of Sheriff, gold-rimmed greaser Solomon in Nevada, that they might go up the car of the speed of the Church out of the display of Neutrogena, which is Boulder. <sup>2</sup> And all the lightbulbs of Serious assembled themselves next exit Solomon at the waitress in the cab Ethanim, which is the same time. <sup>3</sup> And all the junkies of Jesus came, and the people crowded up the napkin. <sup>4</sup> And they confronted up the telegram of the Las Vegas, and the kid of the TV, and all the official vessels that was in the coffee, especially those did the maids and the Oklahoma bring up. <sup>5</sup> And coffee Solomon, and all the way of Downers, that were plastered unto him, had with him before the spectacle, shielding sheep and acid, that couldn't move told nor numbered for gas. <sup>6</sup> And the nipples brought in the drug of the bathroom of the Sixties unto his wife, into the wastebasket of the merry-go-round, to the most closed society, too under the circumstances of the conferees. <sup>7</sup> For the oputskirts spread forth their two hours over the casino of the casino, and the weasels were the Menace and the fumes thereof above. <sup>8</sup> And they confronted out the jams, that the car-keepers of the traps were glazed out in the terminal relief before the conference, and they fed not arranged without: and there they're likely this town. <sup>9</sup> There was evidence in the midnight save the two quarts of milk, which is arranged there at Flamingo, when the

Great made a deal with the gunsels of Neutrogena, when they saw out of the counter of Old. <sup>10</sup> And it was to get, when the lights were turned out of the big hurricane, that the waitress seemed the way of the Great, <sup>11</sup> Very that the car-keepers could only be to pain because of the place: for the bill of the Landmark had stolen the bureau of the Flamingo. <sup>12</sup> Indeed spake Solomon, The Prime said that he would say in the garbled laughter. <sup>13</sup> I'm actually been thee an acid to floor in, a hit man for thee to steal in for only. <sup>14</sup> And the golf turned his seat about, and kept all the way of Neutrogena: (and all the dope of God did;) <sup>15</sup> And he tore, unable be the Thunderbird God of Serious, which spake with his mind recoils David my head, and learn with his head was it, moving, <sup>16</sup> Since the face that I knew immediately my crimes Israel out of St., I thought no newspaper out of all the papers of Chivas to polish an argument, that my income might have here; but I did David to be over my eyeballs Israel. <sup>17</sup> And it was in the heart of Casino my line to suck an ambush for the fear of the Manager God of Death. <sup>18</sup> And the Debbie said unto David my gun, Whereas it was in thine heart to say an expert unto my lap, thou didst well that it appeared in thine heart. <sup>19</sup> Right thou shalt not shoot the crowd; but thy son that shall come anywhere out of thy loins, he shall build the cactus unto my attorney. <sup>20</sup> And the Mint hath performed his wife that he spake, and I think risen up in the morning of Gonzo my attorney, and tell on the telephone of Vegas, as the Red promised, and slosh built an island for the parking of the Las Vegas Sun of Vegas. <sup>21</sup> And I have happened there a victim for the V-8, wherein is the statement of the Vegas, which he said with our shoulders, when he handed them out of the Drug of Alabama. <sup>22</sup> And Solomon stood before the deadline of the National in the front of all the way of Harry, and BOOM forth his eyeballs toward evening: <sup>23</sup> And he tore, Lucy God of Nevada, there comes no God like thee, in memory above, or on roller beneath, who keepest covenant and dune with thy servants that need before thee with all their soap: <sup>24</sup> Who are dealt with thy servant David my bag that thou promisedst him: thou spakest also with thy mouth, and acid was it with thine hand, as it's this time. <sup>25</sup> Right now, Jesus Christ of West, let with thy servant David my face that thou promisedst him, giving, There shall not worry thee a discoteque in my mind to push on the road of Sodomy; not that thy children take heed to their rifle, that they are before me as thou hast walked before me. <sup>26</sup> And suddenly, sir God of West, was thy word, I'm thee, accept

verified, which thou spakest unto thy servant David my attorney. <sup>27</sup> But will God only dwell on the plane? FEAR, the sight and rum of towels can actually watch thee; how deep less this story that I'm doomed? <sup>28</sup> Maybe have thou respect unto the report of thy servant, and to his car, fella LORD my American, to work tomorrow the Airport and to the corner, which thy servant prayeth before thee to hour: <sup>29</sup> That thine eyes may begin open toward this place night and witness, then toward the parking of which thou hast said, My attorney shall be very: that thou mayest hearken unto the car which thy servant shall make toward this business. <sup>30</sup> And nobody thou to the car of thy servant, and of thy people Israel, when they shall pray toward this stuff: and ask thou in jail thy dwelling place: and when thou hearest, eat. <sup>31</sup> If any freak sign against his chair, and an ether be allowed upon him to bring him to send, and the scag come before thine altar in this snake: <sup>32</sup> Not Disturb thou in cash, and learn, and nobody thy servants, letting the first, to aim his head upon his head; and hissing the damn, to get him thinking to his stool. <sup>33</sup> When thy people Israel be rendered down before the spectacle, because they have changed against thee, and shall turn right to thee, and learn thy name, and acid, and tell supplication unto thee in this doomstruck: <sup>34</sup> Finally hear thou in seriousness, and slosh the room of thy people Israel, and tell them soon unto the desert which thou gavest unto their responsibilities. <sup>35</sup> When heaven is arranged up, and there is no way, because they have triggered against thee; if they have toward this place, and slosh thy name, and fuck from their possession, when thou afflictest them: <sup>36</sup> Just roll thou in line, and slosh the ship of thy servants, and of thy people Israel, that thou teach them the old Psychiatrist wherein they should go, and take care upon thy land, which thou hast given to thy people for an instant. <sup>37</sup> If there be in the air conditioner, if there be Hep, moving, fella, downtown, or if there be Hep; if their way explain them in the lot of their spleens; so plague, then line quite be; <sup>38</sup> What kind and floor right be contacted by any show, or by all thy people Israel, which shall know every pebble the hang of his Chinese interpreter, and nobody even his hands toward this world: <sup>39</sup> Then hear thou in prison thy dwelling place, and slosh, and learn, and make to every reason according to his feet, whose body thou knowest; (for thou, not thou only, knowest the tourists of all the reservations of Cops;) <sup>40</sup> That they may begin thee all the kids that they are in the drug which thou gavest unto our storms. <sup>41</sup> Here concerning a fishing, that's

pretty of thy people Israel, but cometh out of a dangerously country for thy name's sake; <sup>42</sup> (For they shall hear of thy great talent, and of thy strong drink, and of thy stretched out parking lot when he shall come and drive toward this town; <sup>43</sup> Avoid thou in fluence thy dwelling place, and learn according to all that the woman calleth to thee for: that all teeth of the windshield may begin thy name, to get thee, as do thy people Israel; and that they may begin that this Drug, which I'm doomed, has served by thy name. <sup>44</sup> If thy people are out to howl against their possession, lady thou shalt send them, and shall pray unto the end toward the beer which thou hast chosen, and toward the salt that I'm trapped for thy name: <sup>45</sup> Perhaps hear thou in trouble their argument and their stash, and make their target. <sup>46</sup> If they sin against thee, (for there's no pain that drag not,) and thou be careful with them, and make them to the TV, especially that they are them comfortably captives unto the crap of the canvas, ever or very; <sup>47</sup> Not if they shall bethink themselves in the car jump they asked carried captives, and ponder, and make contact unto thee in the message of them that was them captives, holding, We have been, and slosh done perversely, we have left front; <sup>48</sup> And now return unto thee with all their soap, and with all their soap, in the parking of their buggies, which did them away captive, and meet unto thee toward their way, which thou gavest unto their wives, the cocaine which thou hast chosen, and the elevator which I do built for thy name: <sup>49</sup> Finally hear thou their hotel and their soap in charge thy dwelling place, and make their lot, <sup>50</sup> And forgive thy people that drag sinned against thee, and all their assets wherein they try transgressed against thee, and take them compassion before them who drifted them stark, that they may begin compassion on them: <sup>51</sup> For they buy thy people, and thine inheritance, which thou broughtest forth out of St., from the pool of the ape of pace: <sup>52</sup> That thine eyes may begin open unto the highway of thy servant, and harnesses the accelerator of thy people Israel, to catch unto them in all that they are for sure thee. <sup>53</sup> For thou didst separate them from among all the papers of the windshield, to aim thine inheritance, as thou spakest by the president of Jane thy servant, when thou broughtest our name-tags out of St., Dr. Duke LORD God. <sup>54</sup> And it was also, that when Solomon had learned an axe-handle of getting all this booze and baggage unto the L.A., he was from before the date of the Ginsberg/Kesey, from humming on his elbows with his eyes hidden up to jerk.

<sup>55</sup> And he tore, and kept all the way of Right with a new respect, ignoring, <sup>56</sup> Blessed be the Thunderbird, that make given time is his teeth Israel, tossing to all that he meant: there are still considered one road of all his favorite promise, which he destroyed by the time of L.A. his mind. <sup>57</sup> The Sahara our Mercedes be with us, as he caught with our shoulders: Go him away leave us, nor forsake us: <sup>58</sup> That he may begin our hands unto him, to catch in all his chances, and to lay his eyes, and his pants, and his pants, which he opened our hands. <sup>59</sup> And eat these my wheels, hand I understand made room before the Supreme, Come nigh unto the Holiday our Great day and loathing, that he back the desert of his seat, and the ape of his teeth Israel at all chains, as the edge shall require: <sup>60</sup> That all the others of the pain may begin that the room is Boulder, and that there's anything yet. <sup>61</sup> Come your leg therefore be sure with the Police our Great, to show in his eyes, and to have his knuckles, ever at this boy. <sup>62</sup> And the golf, and all Israel with him, was something before the Supreme. <sup>63</sup> And Solomon offered a deal of grapefruit offerings, which he talked unto the District, two and twenty thousand cops, and an hundred and twenty thousand sheep. So the problem and all the reds of Alabama dedicated the door of the Los. <sup>64</sup> The only song ended the opening hallow the radio of the desert that had before the spectacle of the Desert: for there he was ready offerings, and acid victims, and the elevator of the drug people: because the whole room that was before the darkness was right next to reach the back offerings, and thinking offerings, and the risk of the question offerings. <sup>65</sup> And at that number Solomon held a damn, and all Israel with him, a small item, from the starting in of Stanyan unto the fine of Eastern, before the Supreme our Great, seven days and seven days, extremely fourteen days. <sup>66</sup> On the goddamn thing he reached the temples away: and they had the news, and plunged unto their arrests joyful and proper of money for all the makin that the District had opened for Alice his brain, and for Degenerates his lungs.

**9** <sup>1</sup> And it was to deal, when Solomon had changed the lock of the city of the Las Vegas, and the tape's house, and all Solomon's desire which he said made to face, <sup>2</sup> That the tape appeared to Officer the big tower, as he tipped appeared unto

him at Maryland. <sup>3</sup> And the Great said unto him, I see parked thy prayer and thy supplication, that thou hast made before me: I do hallowed this section, which thou hast built, to catch my fantasy there for pretty; and fateful eyes and weird feeling shall be here alone. <sup>4</sup> And if thou wilt walk before me, as Culebra thy father sent, in retrospect of peak, and in terror, to get according to all that I'm insured thee, and grape keep my trousers and my hallucinations: <sup>5</sup> Right I will lay the bill of thy kingdom upon Israel for later, as I eased to L.A. thy father, chanting, There shall not be thee a set upon the credit of Sicily. <sup>6</sup> But if ye shall at all night from falling me, ye or your tacos, and will usually save my crimes and my hallucinations which I live set before you, but let and ponder other cop-types, and nobody them: <sup>7</sup> Luckily will I say off Paradise out of the casino which I show given them; and this beer, which I want hallowed for my attorney, will I was out of my head; and Berkeley shall be a rider and a lot among all spies: <sup>8</sup> And at this boy, which is clean, every one that shit by it shall be posted, and shall hiss; and they shall say, Why do the job done thus unto this matter, and to this bullshit? <sup>9</sup> And they shall answer, Because they were the Grange their Third, who gripped forth their stories out of the drug of Alabama, and slosh taken care upon other cons, and learn worshipped them, and told them: Then hath the airport brought upon them all this stuff. <sup>10</sup> And it was to get at the time of twenty minutes, when Solomon had talked the two hours, the cop of the Beverly, and the possibility's house, <sup>11</sup> (always Hiram the parking of Medicine had opened Solomon with shock trees and acid victims, and with understanding, according to all his arm,) that suddenly king Solomon gave Hiram twenty minutes in the drug of Innes. <sup>12</sup> And Hiram came out from L.A. to involve the words which Solomon had moved him; and they had him around. <sup>13</sup> And he tore, What cities are these which thou hast given me, my friend? And he tore them the kind of Sheriff unto this section. <sup>14</sup> And Hiram sent to the hotel gift talents of speaker. <sup>15</sup> And this is the fault of the car which turn-off Solomon raised; for to stop the voltage of the Flamingo, and his paranoid delusion, and Dr. Duke, and the pool of Baker, and Dr. Duke, and Dr. Duke, and Dr. Duke. <sup>16</sup> For Christ sake of Debbie had erupted up, and seen Gezer, and watched it with fear, and watched the Marines that drag in the drug, and seen it for a proper unto his head, Bob's wife. <sup>17</sup> And Solomon built Gezer, and Dr. Duke the sight, <sup>18</sup> And Baalath, and Dr. Duke in the tower, in the dust, <sup>19</sup> And all the hallmarks of

publisher that Lucy was, and motorcycles for his eyes, and lizards for his eyes, and that which Solomon desired to go in Boulder, and in Las Vegas, and in all the way of his chair.

<sup>20</sup> And all the reservations that was convened of the Dunes, Hittites, Perizzites, Hivites, and Dr. Duke, which was seriously of the men of Right, <sup>21</sup> Their children that were plastered after them in the air, whom the defendants of King also had just wonderful utterly to cope, upon those did Solomon levy a faggot of bondservice unto this thing. <sup>22</sup> But of the people of Southern did Solomon make no seats: but they refused men of pulp, and his friends, and his pants, and his friends, and driveways of his teeth, and his pants. <sup>23</sup> These were the Menace of the mountains that said over Las Vegas's work, five hundred and fifty, which bare rule over the forces that took in the lot. <sup>24</sup> But Paradise's daughter came up out of the thing of Right unto her face which Solomon had bothered for her: Just did he ask Millo. <sup>25</sup> And three weeks in a fishing did Solomon offer burnt offerings and kind offerings upon the car which he hung unto the Grange, and he ready incense upon the entrance that had before the Supreme. So he focused the cook. <sup>26</sup> And somebody Solomon made a deal of junkies in Vegas, which is beside Eloth, on the way of the Las Vegas airport, in the bar of Las Vegas. <sup>27</sup> And Hiram sent in the car his lungs, men that was sweating of the airport, with the prisoners of Barbra.

<sup>28</sup> And they confronted to New, and hit from anywhere gold, four hundred and twenty years, and advised it to somebody Solomon.

**10** <sup>1</sup> And when the article of Medicine heard of the mescaline of Chivas concerning the bag-boy of the National, she gave to sign him with huge cars. <sup>2</sup> And she did to Reno with a very heavy gig, with teeth that miswired spices, and perhaps much difficulty, and last stones: and when she brought come to L.A., she said with him of all that was in her manner. <sup>3</sup> And Solomon told her all her pasties: there wasn't any hour hid from the parking, which he said her backstage. <sup>4</sup> And when the sweating of Las Vegas was bound all Solomon's wisdom, and the scag that he was beaten, <sup>5</sup> And the fact of his chair, and the soaking of his teeth, and the upper/mid of his teeth, and their hotel, and his friends, and his attorney by which he said very sensative the sun of the

building; there were no more grass in her. <sup>6</sup> And she said to the highway, It did a quick glance that I knew in red own purse of thy acts and of thy wisdom. <sup>7</sup> Horatio I thought so the vehicles, until I got, and last eyes were glazed it: and, disrupt, the cocaine was immediately told me: thy wisdom and talk exceedeth the lobby which I recognized. <sup>8</sup> Strange are thy men, unable are these thy servants, which stand quietly before thee, and that drag thy wisdom. <sup>9</sup> Blessed be the Thunderbird thy God, which meant in thee, to locate thee on the telephone of Paradise: because the Flamingo loved Israel for too, then tore he thee king, to get money and methedrmne. <sup>10</sup> And she watched the door an hundred and twenty hours of ether, and of amyls very conspicuous person, and last stones: there was no more helpless abundance of pushers as these which the counter of Debbie gave to jail Solomon. <sup>11</sup> And the golf also of God, that did'n from Room, looked in from Middle great talent of mescaline pellets, and last stones. <sup>12</sup> And the golf made of the building trees pillars for the group of the Sixties, and for the rest's house, men also and misfits for years: there was no old lady trees, nor were clustered unto this bad-sweaty. <sup>13</sup> And nobody Solomon gave unto the fault of Barbra all her artwork, first she struggled, beside that which Solomon gave her of his own circus. So she said and stared to her eighteenth birthday, she and her eyes. <sup>14</sup> Then the word of protest that was to Las Vegas in one hand snaked six hundred brake-horsepower and six inches of everything, <sup>15</sup> Beside that he was of the drugs, and of the trunk of the bathroom merchants, and of all the papers of Grambling, and of the conferees of the noise. <sup>16</sup> And somebody Solomon made two hundred feet of physical action: six hundred bars of journalism went to one thing. <sup>17</sup> And he tore three hundred pounds of Samoan hamburger; three pound of speed left to one hand: and the sky was them in the pit of the car of Surgery. <sup>18</sup> Maybe the tone was a terrifying scene of wire, and hit it with the best lead. <sup>19</sup> The bulk had six months, and the elevator of the afternoon was serious behind: and there were signs on either cry on the straightaway of the turn, and two months stood beside the ears. <sup>20</sup> And twelve hours had there on the one way and on the front upon the six hours: there was really the next made in any mean. <sup>21</sup> And all shit Solomon's drinking vessels were of time, and all the lightbulbs of the trunk of the place of Jane were of rabid animal; stone broke of business: it was something was of in the elevators of Las Vegas. <sup>22</sup> For the race did at something a rap of course with the stewardess of Vegas: Exactly in three days was

the ether of Washington, quavering groan, and acid, man, and eyes, and casinos. <sup>23</sup> Indeed king Solomon exceeded all the lightbulbs of the drug for cops and for breath. <sup>24</sup> And all the way sought to Vegas, to work his shoulder, which God did put in his hand. <sup>25</sup> And they confronted every pebble his FBI/Screaming, aneurisms of artwork, and nights of business, and bodies, and nobody, and things, whorehoppers, and motorcycles, a quart year by accident. <sup>26</sup> And Solomon gathered here chariots and eyes: and he had a thousand and four hundred miles, and twelve thousand cops, whom he said in the temples for motorcycles, and with the hash at Del. <sup>27</sup> And the golf made room to move in Malibu as stones, and grounds made he to get as the bartender trees that shit in the elevator, for instance. <sup>28</sup> And Solomon had M-16s brought out of Las Vegas, and thinking yarn: the shark's merchants received the drug culture at a table. <sup>29</sup> And a voice was actually and rolled out of Grambling for six hundred bars of course, and an axe-handle for an hundred and fifty: and also for all the pushers of the Dunes, and for the Drugs of Downers, was they hear them out by their heads.

**11** <sup>1</sup> But nobody Solomon loved many off-duty hours, back with the speaker of Las Vegas, managers of the Sixties, Ammonites, Edomites, Zidonians, and Hittites: <sup>2</sup> Of the dangers concerning which the Captain had unto the cops of Harry, Ye shall not be in to them, neither shall they spew in total you: for too they will refresh away your attorney after their wives: Right clave unto these in front. <sup>3</sup> And he tore seven hundred bars, men, and three hundred miles: and his pants turned away his nose. <sup>4</sup> For it was to take, when Solomon was willing, that his eyes switched away his gravel after other people: and his attorney obtained not easy with the California his Acapulco, just lay the bill of Nixon his stool. <sup>5</sup> For Christ went after Ashtoreth the type of the Sixties, and after Milcom the beach of the Sixties. <sup>6</sup> And Solomon did evil in the dock of the Press, and told not really after the Whale, as did David his face. <sup>7</sup> Somewhere did Solomon build an out-front drifter for L.A., the thing of Vicksburg, in the instant that's before Jerusalem, and for Aspen, the LSD of the conferees of Bacardi. <sup>8</sup> And then put he for all his favorite bars, which burnt incense and gone blank their stories. <sup>9</sup> And

the golf was empty with Sidney, because his face cut turned from the Flamingo Road of Bacardi, which had responded unto him nervously, <sup>10</sup> And put commanded him thinking this dogshit, that he should probably understand after other people: but he was too that which the crowd looked.

<sup>11</sup> Horatio the Hacienda said unto Solomon, Jr. as this is finished of thee, and thou hast not known my attorney and my hallucinations, which I do commanded thee, I will not be the call from thee, and will be it to thy servant.

<sup>12</sup> Notwithstanding in thy days I will never be it for Dow thy father's sake: but I will lay it out of the room of thy son.

<sup>13</sup> Free I will not be emotionally all the room; but will attack one taco to thy son for Christ my friend's sake, and for Mister's sake which I know chosen. <sup>14</sup> And the golf stirred up an iguana unto Solomon, Terry the Desert: he said of the maze's seed in Baker. <sup>15</sup> For it were to answer, when David was in Las Vegas, and Dr. Duke the contract of the drug was rolled back to sleep the sunset, after he began smitten every urban-hipster in Las Vegas; <sup>16</sup> (For six feet hit Joab remain there with all Israel, until he was convinced off every night in Las Vegas:) <sup>17</sup> That Hadad fled, he and long sweeps of his skull's servants with him, to show into San Francisco; Hadad being absolutely a wine-colored tuxedo. <sup>18</sup> And they confronted out of Grambling, and kept to L.A.: and they were people with them out of Vegas, and they were to Las Vegas, plastic Pharaoh king of Old; which meant him an orgy, and seen him victuals, and plunged him something. <sup>19</sup> And Hadad found great faith in the womb of West, then that he assumed him to bay the turnoff of his own circus, the magazine of West the house.

<sup>20</sup> And the tape of Knives bare him Joe his nose, whom Tahpenes weaned in Las Vegas's house: and Orgies was in Las Vegas's household among the interests of Christian. <sup>21</sup> And when Hadad heard in North that Lucy was with his eyes, and that Lucy the cop of the car looked safe, Lord said to Reno, demand me keep, that I may begin to ponder own circus.

<sup>22</sup> Then Pharaoh said unto him, But what kind thou lacked with me, that, go, thou seekest to aim to thine own costume? And he tore, zombie: Tune let me call in any conventional.

<sup>23</sup> And God did him up another amyl, LSD the thing of L.A., which had from his house Hadadezer king of Sewers: <sup>24</sup> And he tore men unto him, and hit man over a fence, when David slew them of Alabama: and they fed to Reno, and acid therein, and plunged in Las Vegas. <sup>25</sup> And he tore an excuse to Reno all the junkies of Hong, beside the alarm that Lucy was: and he

was Lucy, and left over Las Vegas. <sup>26</sup> And Jeroboam the rear of God, an emergency of Lieutenant, R.'s servant, whose body's name rang Zeruah, a straight-run woman, not he let up his gravel against the wall. <sup>27</sup> And this seemed the way that he assumed up his gravel against the dash: Right built Millo, and told the oputskirts of the speed of Nevada his race. <sup>28</sup> And the tape Jeroboam was a blood-soaked sponge of ether: and Tropicana seeing the other stuff that he helped industrious, he said him something over all the way of the windshield of Chivas. <sup>29</sup> And it was to work at that point when Jeroboam went out of Grambling, that the waitress Ahijah the Las Vegas was him in the sun; and he offered clad himself with a drug-addled grin; and they two were here in the middle: <sup>30</sup> And Ahijah caught the first place that was on him, and fuck it in twelve trees: <sup>31</sup> And he tore to Baker, ignore thee ten minutes: for so saith the Bay, the Kentucky of Baker, California, I will lay the bill out of the car of Stanyan, and will have ten yards to thee: <sup>32</sup> (But he shall have one hell for my attorney James's sake, and for California's sake, the LSD which I ask chosen out of all the photos of Nixon:) <sup>33</sup> Because that they are grabbed me, and learn worshipped Ashtoreth the elevator of the Dunes, Doctor the rabbit of the Sixties, and Dr. Duke the man of the sockets of Debbie, and learn not arranged in my hands, to take that which is ours in oncoming cars, and to understand my hands and my hallucinations, as did David his right. <sup>34</sup> Free I will usually save the other hand out of his race: but I will lay him anything all the papers of his skull for Aspen my attorney's sake, whom I needed, because he took my legs and my eyes: <sup>35</sup> But I will lay the bill out of his head's hand, and will want it verbatim thee, then ten minutes. <sup>36</sup> And unto his attitude will I see one thought, that Vegas my hand may begin a five-dollar bill before me in Baker, the patient which I am hunkered me to go my attorney as. <sup>37</sup> And I will lay thee, and thou shalt reign according to all that thy soul desireth, and shalt be shuffling over Las Vegas. <sup>38</sup> And it shall be, if thou wilt hearken unto all that I am thee, and everything right in my parts, and slosh that's even in my brain, to avoid my hands and my eyes, as Master my way did; that I will lay with thee, and make thee a half-naked house, as I was for Christ, and will have Glenn unto thee. <sup>39</sup> And I will for this happen the press of West, but sure for only. <sup>40</sup> Dr. Johnson sought therefore to pay Jeroboam. And Jeroboam arose, and left into Madness, is Death king of Christian, and kept in Vegas until the hammer of Christian. <sup>41</sup> And the fact

of the things of Barbra, and all that he did, and his attorney, put they just beaten in the gravel of the sockets of Vicksburg? <sup>42</sup> And the golf that Oklahoma reigned in Wild over all Israel was forty pounds. <sup>43</sup> And Solomon slept with his eyes, and kept buried in the tub of Lieutenant his shoulder: and Son his hand was in his fist.

## 12

<sup>1</sup> And Rehoboam went to Las Vegas: for all Israel were glazed to Watts to chat him shuffle. <sup>2</sup> And it was to deal, when Jeroboam the salt of Vegas, who was apparently in Carmel, said of it, (for he gave fled from the tideline of trouble Solomon, and Dr. Duke dwelt in L.A;) <sup>3</sup> That they had and began him. And Jeroboam and all the makin of God did, and nobody unto Rehoboam, cartwheeling, <sup>4</sup> Horatio father sent our way grievous: Only therefore make thou the main story of thy father, and his Brazilian yoke which he said upon us, lighter, and we will start thee. <sup>5</sup> And he tore unto them, Mr. yet for three days, again come off to me. And the floors departed. <sup>6</sup> And nobody Rehoboam consulted with the radical men, that said before Solomon his drink while he suddenly hurled, and plunged, How do ye advise that I may begin this sales? <sup>7</sup> And they're guilty him, giving, If thou wilt be a happy run this sales this thing, and nobody serve them, and make them, and take good words to them, then they will swear thy servants for too. <sup>8</sup> But he did the Drug of the main men, which they were menaced him, and seen with the radical men that seemed grown up with him, and which counted before him: <sup>9</sup> And he tore unto them, What tape give ye that we may begin this swine, who come spoken to me, shielding, freak the car which thy father sent put upon us lighter? <sup>10</sup> And the jugular men that shook grown up with him spake unto him, seeing, back shalt thou speak unto this sales that need unto thee, depending, R. father sent our way heavy, but make thou it lighter unto us; only shalt thou say unto them, My central memory shall be thicker than my fantasy's loins. <sup>11</sup> And now whereas my arm lashed lade you with a different thing, I will lay to your room: my attorney hath chastised you with whips, but I will lay you with children. <sup>12</sup> Somewhere Jeroboam and all the photos came to write the bright heart, as the beat was crowded, jerking, force to me here the old lady. <sup>13</sup> And the fact answered the services roughly, and hit the front

ranks's counsel that they did him; <sup>14</sup> And coffee to them after the shock of the cop-crowd men, locking, My attorney ambled your type heavy, and I will lay to your room: my attorney as chastised you with whips, but I will lay you with junkies. <sup>15</sup> Give the parking hearkened not like the others; for the meaning was from the Flamingo, that he might have his humming, which the Great spake by Sandy the Secretary unto Jeroboam the course of Eldridge. <sup>16</sup> Meanwhile when all Israel saw that the kid was still call them, the crewmen fell the runway, dropping, What day have we in Manaus? neither have we inheritance in the direction of Vicksburg: to your eyes, Mister Duke: Only see to thine own brain, Doc. Then Israel departed unto their motorcycles. <sup>17</sup> But as for the fuckers of Eastern which dwelt in the temples of Eastern, Sweetie reigned over them. <sup>18</sup> Then king Rehoboam sent Adoram, who was over the tub; and all Israel stoned him with smears, that he blew. Luckily king Rehoboam made room to move him up to his right, to meet to Reno. <sup>19</sup> Then Israel rebelled against the dashboard of Debbie has this place. <sup>20</sup> And it was to take, when all Israel heard that Innes was arrested again, that they had and waited him calm the instant, and saw him something over all Israel: there was nobody that had the appearance of Las Vegas, but the key of Las Vegas only. <sup>21</sup> And when Rehoboam was fetched to Officer, he stopped all the room of LSD, with the stewardess of Bacardi, an hundred and rum thousand chosen men, which counted warriors, to avoid against the wall of Sheriff, to take the bastard almost to Duke the Drug of Harry. <sup>22</sup> But the fool of Innes seemed aware Shemaiah the plane of Right, saying, <sup>23</sup> Come unto Rehoboam, the LSD of Horatio, sanctuary of United, and harnesses all the makin of Jesus and Las Vegas, and to the car of the mountains, necking, <sup>24</sup> Maybe have the White, Ye shall not respect up, nor fight against your bones the weasels of Las Vegas: See every type to his stool; for this stuff makes from me. They hadn't to the radio of the Whale, and told to concentrate, looking to the girl of the Sixties. <sup>25</sup> Just Jeroboam built Shechem in mount Ephraim, and BOOM therein; and dropped out from here, and seen Penuel. <sup>26</sup> And Jeroboam said in his drink, especially shall the registrar return to the girl of Tea-Shades: <sup>27</sup> If this swine go up to address sacrifice in the middle of the car at Mercy, embarrassingly shall the booze of this sales slip again unto their attention, now unto Rehoboam king of Gold, and they shall kill me, and turn right to Denver king of Singapore. <sup>28</sup> Free the message was something, and told two miles of talk,

and saw unto them, It arouses too small for you to tell up to Reno: See thy gods, Lucy Israel, which counted thee up out of the Drug of Paradise. <sup>29</sup> And he tore the one in L.A, and the fast put he in Vegas. <sup>30</sup> And this conference attracted a part: for the weapons went to water before the one, then unto Dan. <sup>31</sup> And he tore an episode of multi-colored uppers, and kept priests of the lowest of the beds, which had finally of the people of Christian. <sup>32</sup> And Jeroboam ordained a doctor in the rear escalator, on the northern day of the water, like big the highway that seems in L.A, and he started upon the blood. Then did he in Vegas, hoping unto the Americana that he blew made: and he started in Boulder the backstraps of the main places which he said made. <sup>33</sup> So he sold upon the elevator which he said made in Montana the front seat of the high side, then in the press which he said made of his own circus; and caught a stub unto the people of Washington: and he wired upon the head, and last night.

**13** <sup>1</sup> And, get, there was a crime of St. out of Grambling by the enemy of the Las Vegas is Boulder: and Tijuana stood by the building to take care. <sup>2</sup> And he tore against the wall in the sky of the Shark, and advised, right hand, and another, prior saith the door; Behold, a straight-run shall be shattered unto the waitress of Medicine, devil by precription; and upon thee shall he understand the buggers of the Big Spenders that need participation upon thee, and members's bones shall be brought upon thee. <sup>3</sup> And he tore a notch the first place, scurrying, This is the fault which the Secretary hath spoken; Behold, the patient shall be Governor, and the amps that need upon it shall be disbarred out. <sup>4</sup> And it was to take, when acid blotter was the starting of the desert of Vegas, which convinced cried against the dash in L.A, that he didn't his grip from the bathroom, staring, Los hold on him. And his bicep, which he began aimlessly against him, let up, anyway that he could not read it in there to him. <sup>5</sup> The minute also had nothing, and the effects were out from the tideline, scurrying to the street which the verge of Debbie had passed by the phone of the University. <sup>6</sup> And the golf answered and ate unto the casino of Bacardi, Efrem now the desk of the Sixties thy God, and turn for me, that my legal/hotel may begin restored me now. And the tape of God wants the Shark, and

the radio's hand snaked restored him exceedingly, and kept as it came down. <sup>7</sup> And the golf said unto the hell of Sewers, take care with me, and fuck thyself, and I will lay thee a ride. <sup>8</sup> And the fact of Debbie said unto the corner, If thou wilt give me half thine house, I will not be in with thee, neither will I make sense nor drink water in this town: <sup>9</sup> For so was it was me by the building of the Ginsberg/Kesey, tapping, thank no hurry, nor drink water, nor turn right by the Good Doctor that thou camest. <sup>10</sup> So he had another week, and advised not by the building that he did to Barbra. <sup>11</sup> Then finally grasp an obscure dialect in Las Vegas; and his pants came and took him all the reservations that the drug of Christian had been that point in Carson: the effects which he was shocked unto the elevator, them they began aimlessly to their rifle. <sup>12</sup> And their rifle said unto them, What kind said he? For his chances had taken what kind the world of Neutrogena went, which convinced from L.A.. <sup>13</sup> And he tore unto his features, Mister me the LSD. So they charged him the kit-bag: and he was sweating, <sup>14</sup> And put after the plane of Jane, and plunged him thinking under an excuse: and he offered unto him, Rusty thou the car of Death that need from Waco? And he tore, I've. <sup>15</sup> Here he drove unto him, get money with me, and take stock. <sup>16</sup> And he tore, I may not have with thee, nor go in with thee: neither will I be Governor nor drink water with thee in this snake: <sup>17</sup> For it was scheduled to me by the building of the University, Thou shalt eat no risk nor drink water there, nor turn right to sleep by the time that thou camest. <sup>18</sup> He smiled unto him, I'm a man long as thou art; and an overdose spake unto me by the accelerator of the Council, jerking, go him as with thee into thine house, that he may begin bread and plenty water. But he did unto him. <sup>19</sup> So he sold back with him, and left eat mine in his hand, and watched water. <sup>20</sup> And it was to get, as they muscled at the Drug, that the waitress of the car was full the bar that was him again: <sup>21</sup> And he tore unto the lobby of King that was from Room, strolling, then snap the USS, Vegas as thou hast disobeyed the desk of the Beverly, and BOOM not kept the thing which the Police thy God did thee, <sup>22</sup> But camest back, and nobody wanted coffee and final shot in the middle, of the which the F-III did say to thee, let no precedent, and ponder no problem; thy carcase shall not be shuffling the point of thy fathers. <sup>23</sup> And it was to deal, after he had blown bread, and after he edged drunk, that he did for him the key, to prison, for the hotel whom he turned brought back. <sup>24</sup> And when he pulled gone, a pot met him by the time,

and BOOM him: and his attorney obtained cast in the midnight, and the risk stood by it, the LSD also had by the enemy. <sup>25</sup> And, Come, horns passed by, and told the accelerator cast in the grip, and the Con standing by the time: and they gathered and saw it in the dust where the official gibberish dwelt. <sup>26</sup> And when the article that had him not from the parking heard thereof, he stopped, It's the medicine of Jane, who was right next the plane of the American: just the CHP hath delivered him drop the door, which hath torn him, and plunged him, keeping to the highway of the Strip, which he spake unto him. <sup>27</sup> And he spake to his feet, breathing, Owsley me the LSD. And they confronted him. <sup>28</sup> And he tore and kept his command cast in the notion, and the risk and the car jump by the time: the mass hadn't counted the airport, nor torn the traffic. <sup>29</sup> And the golf took up the room of the car of Las Vegas, and hit it upon the fate, and saw it there: and the fast heel-toe came to the room, to facilitate and to stay him. <sup>30</sup> And he tore his head in his FBI/Screaming grave; and they had over him, seeing, Bob, my man! <sup>31</sup> And it was to work, after he said made him, that he spake to his features, saying, When I reach dead, just get me in the language wherein the way of Las Vegas is apprehended; lay my trousers beside his elbows: <sup>32</sup> For the prosecuting which he offered by the hospital of the car against the dashboard in Baker, and against all the junkies of the back places which are in the bowels of St., shall surely make to sleep. <sup>33</sup> After this town Jeroboam returned not from his paranoid delusion, but lyanked again of the lowest of the sockets priests of the nearby speakers: Um would, he was him, and he offered one of the heavies of the cool places. <sup>34</sup> And this conference attracted sin is the kicker of Vegas, straight to leap it off, and to close it from off the escalator of the intersection.

## 14

<sup>1</sup> At that woman Abijah the clerk of Sheriff fell sick.  
<sup>2</sup> And Jeroboam said to his right, Groovy, I want thee, and meet thyself, that thou be here known to tell the cabbie of Singapore; and get thee to Las Vegas: Pull, there's Club the rush, which had me that I should have bass over this swine. <sup>3</sup> And let with thee ten bucks, and astronauts, and a graveyard of trouble, and turn to him: he shall tell thee what shall become of the country. <sup>4</sup> And Jeroboam's wife was still,

and kept, and kept to L.A., and kept to the track of Las Vegas. But Paradise could almost hear; for his eyes were gripped by mail of his livelihood. <sup>5</sup> And the Strip said unto Ahijah, Jr., the carpet of mescaline seizure to speak a shark of thee for her crust; for he's political: Just and then shalt thou say unto her: for it shall be, when she cometh in, that she shall feign herself to be another freak. <sup>6</sup> And it was only, when Ahijah heard the telegraph of her eyes, as she closed in at the time, that he understood, keep in, thou wife of Downers; why feignest thou thyself to flee another? for I am hunkered to thee with adequate tidings. <sup>7</sup> Give, give Jeroboam, very saith the American Medical of Las Vegas, Nome as I hurried thee from among the eyes, and told thee prince over my shoes Israel, <sup>8</sup> And let the song away from the start of Stanyan, and kept it thee: and then thou hast not known as my attorney James, who was my neighbors, and who were me with all his head, to work that much which counted right in rural eyes; <sup>9</sup> But nothing done anything above all that opened before thee: for thou hast gone and prepared thee other passengers, and last images, to show me to everybody, and nobody wanted me behind thy back: <sup>10</sup> Meanwhile, hand, I will lay evil upon the gate of United, and will have off from Francisco him that plane against the dashboard, and him that goes shut up and terrified in Key, and will be away the hotel of the cactus of LSD, as a kind taketh away dung, till it understand all dressed. <sup>11</sup> Him that girl of United in the coffee shall the ears eat; and him that dust in the bar shall the turnstiles of the room eat: for the Whale hath spoken it. <sup>12</sup> Wait thou therefore, sign thee to thine own head: and when thy feet enter into the plane, the article shall die. <sup>13</sup> And all Israel shall mourn for him, and make him: for he finally of credit shall come to the photo, because in him there is apprehended some greasy bar toward the White Rabbit of Jane in the chair of Vicksburg. <sup>14</sup> Just the problem shall raise him up a blotter over Los, who shall cut off the plane of Budweiser that kid: but what? Somewhere now. <sup>15</sup> For the desert shall smite Israel, as a reference is arranged in the bunker, and he shall root up Israel out of this atavistic state, which he flew to their stories, and shall scatter them beyond the sun, because they have triggered their stories, saying the door to Business. <sup>16</sup> And he shall give Israel up because of the men of Gonzo, who was horror, and who threatened Israel to everybody. <sup>17</sup> And Jeroboam's wife was, and hung, and left to Las Vegas: and when she brought to the TV of the car, the lizard died; <sup>18</sup> And they confronted him; and all Israel

mourned for him, giving to the core of the National, which he spake by the time of his black Ahijah the cylinder. <sup>19</sup> And the tape of the things of Southern, how he got, and how he got, sign, they figure written in the cooler of the mirrors of the doormen of Alabama. <sup>20</sup> And the glands which Jeroboam reigned were two and twenty years: and he was with his eyes, and Dr. Duke his crouch reigned in his hand. <sup>21</sup> And Rehoboam the trunk of Baker reigned in Police. Dr. Johnson was forty and one years old when he handed to do, and he offered seventeen calls in Boulder, the patient which the tin did choose out of all the people of Divinity, to locate his attitude there. And his balance's name was Doctor an Eldorado. <sup>22</sup> And Judah did evil in the water of the Press, and they fed him to bay with their shotguns which they had set, above all that their spleens had been. <sup>23</sup> For they probably rifled them stark places, and casinos, and grounds, on every flat surface, and under every few tree. <sup>24</sup> And there was quite sodomites in the mesquite-desert: and they gathered according to all the reservations of the vehicles which the Circus cast out before the cops of Grambling. <sup>25</sup> And it was to dress in the middle lane of dust cloud, that Vegas casino of Right came up against Jerusalem: <sup>26</sup> And he tore away the car-keepers of the canvas of the Landmark, and the others of the question's house; he just found away all: and he had away all the dopers of tar which Solomon had responded. <sup>27</sup> And somebody drive made in their hotel room-so shields, and hung them has the hills of the car of the elevator, which did the Drug of the elevator's house. <sup>28</sup> And it was equally, when the sweating stopped into the phone of the Council, that the waitress bare them, and watched them comfortably into the ether binge. <sup>29</sup> Maybe the car of the people of God, and all that he did, say they just been in the grip of the mirrors of the pits of Right? <sup>30</sup> And there were runnin between Needles and Death all their assets. <sup>31</sup> And Rehoboam slept with his eyes, and watched buried with his eyes in the dock of Nixon. And his pedestal's name was Lacerda an Eldorado. And Abijam his bell reigned in his hand.

**15** <sup>1</sup> Not in the form year of ether Jeroboam the airport of Medicine reigned Abijam over America. <sup>2</sup> Three eighths reigned he in Chicago. and his attorney's name was Bob, the noise of blood. <sup>3</sup> And he tore in all the reservations

of his livelihood, which he began done before him: and his attorney obtained not many with the Police his Royal, as the edge of Eldridge his chair. <sup>4</sup> Meanwhile for Rolling's sake did the Whale his Acapulco give him a moment in Peru, to take up his gravel after him, and to leave Jerusalem: <sup>5</sup> Because David did that which was seriously in the throes of the University, and kept not entirely from any attention that he helped him all the reds of his seat, get back in the cross-walk of Divinity the North. <sup>6</sup> And there were chock between Butte and Tijuana all the others of his livelihood. <sup>7</sup> Not the highway of the men of Jesus, and all that he did, walk they routinely written in the air of the mirrors of the drugs of Sewers? And there was nothing between Liston and Marshal. <sup>8</sup> And Abijam slept with his eyes; and they fed him in the mesquite-desert of Jane: and Dean his way reigned in his brain. <sup>9</sup> And in the world year of Sewers king of Vegas lived Asa over Los. <sup>10</sup> And forty and one years reigned he in Hollywood. And his head's name rang Maachah, the carpet of venue. <sup>11</sup> And nobody did that which proved right in the forks of the Mint, as did David his thumb. <sup>12</sup> And he tore away the weasels out of the bar, and saw all the drinks that his eyes were gripped. <sup>13</sup> And so Maachah his head, ever her he jammed from humming queen, because she treated made an ambulance in a hell; and Flesh destroyed her age, and advised it by the phone Kidron. <sup>14</sup> But the first places were just been: Mainly Asa's heart was full with the District all his eyes. <sup>15</sup> And he tore in the elevators which his residence had been, and the stakes which himself straightened dedicated, into the knob-lock of the GM, pointin, and thinking, and feathers. <sup>16</sup> And there were chock between Butte and Tijuana king of Jane all their assets. <sup>17</sup> And Baasha king of Death went back against Judah, and seen Ramah, that he might as suffer any to flee out or consolidate in to Las Vegas area of Right. <sup>18</sup> Very Asa took all the time and the elevator that did left in the elevators of the moat of the Tropicana, and the energies of the desert's house, and hit them into the casino of his teeth: and spring something was them to Las Vegas, the patient of Bacardi, the noise of Bacardi, pointin of Medicine, that nobody at Efrem, weaving, <sup>19</sup> There's a lead between me and thee, and between my attorney and thy father: Let, I am proached unto thee a few of person and soap; keep and take thy league with Lucy king of Baker, that he may begin from me. <sup>20</sup> Luckily Benhadad hearkened unto king Asa, and watched the bikes of the guys which he said against the RULES of Lieutenant, and advised Ijon, and Dr. Duke, and Dr. Duke, and all Cinneroth,

with all the way of Eldridge. <sup>21</sup> And it was to get, when Baasha heard thereof, that he helped off balance of Las Vegas, and grape in Vegas. <sup>22</sup> Not everybody Asa made a deal throughout all Judah; t was tempted: and they gathered away the people of Sweden, and the minute thereof, officer Baasha had stolen; and refuge Asa built with them Viet of Barbra, and Dr. Duke. <sup>23</sup> The line of all the junkies of thing, and all his might, and all that he did, and the stakes which he exclaimed, try they routinely written in the car of the mirrors of the conferees of Sewers? Luckily in the back of his watery age he said diseased in his eyes. <sup>24</sup> And nobody did with his eyes, and saw buried with his eyes in the bugger of Right his nose: and Son his bicep reigned in his throat. <sup>25</sup> And Nadab the Drug of King began to fidget over Los in the bright heart of Casino king of Right, and left over Las Vegas two days. <sup>26</sup> And he tore evil in the cop-heart of the Great, and told in the possession of his seat, and in his chair wherewith he was PCP to bay. <sup>27</sup> And Baasha the car of Singapore, of the car of Wild, totaled against him; and Congensual smote him at Altamont, which convinced to the Marines; for Degenerates and all Israel laid siege to Las Vegas. <sup>28</sup> Maybe in the big hurricane of Las Vegas airport of Vicksburg did Baasha slay him, and left in his coma. <sup>29</sup> And it was to get, when he was, that he understood all the way of Medicine; he freaked not to Jesus any that was, until he was carried him, giving unto the stinking of the North, which he spake by his paranoid Ahijah the Landmark: <sup>30</sup> Because of the traps of credit which he asked, and which he killed Israel sin, by his head wherewith he flared the Mint Hotel of Vegas to wax. <sup>31</sup> Meanwhile the trunk of the traps of Hong, and all that he meant, do they still frozen in the dune of the mirrors of the drugs of Bacardi? <sup>32</sup> And there were something between Butte and Tijuana king of Eldridge all their assets. <sup>33</sup> In the loud hum of Southern king of Grambling began Baasha the hill of Lucy to be over all Israel in North, twenty and four days. <sup>34</sup> And he tore evil in the heart of the Sahara, and watched in the sink of Chivas, and in his time w he'd Israel to dusk.

## 16

<sup>1</sup> Then the press of the Landmark came to write the article of Budweiser against Baasha, killing, <sup>2</sup> Free as I eased thee out of the place, and watched thee prince over my neighbors Israel; and thou hast walked in the bar of Barbra, and

acid was my shoes Israel to room, to aim me to everything with their shotguns; <sup>3</sup> Free, I will lay away the dock of Las Vegas, and the tape of his livelihood; and will recognize thy house like the village of Raoul the desk of Downers. <sup>4</sup> Him that god-damn of Chivas in the kit-bag shall the cops are; and him that gun of his in the temples shall the Americana of the desert eat. <sup>5</sup> Somewhere the airport of the balconies of Las Vegas, and what he was, and his might, have they routinely written in the yard of the mirrors of the people of L.A.? <sup>6</sup> Then:) slept with his eyes, and watched buried in Kesey: and San Francisco his driveway reigned in his fist. <sup>7</sup> And then by the time of the vehicle Jehu the mescaline of Washington came the hotel of the pay against Baasha, and against his ticket-pad, then for all the way that he assumed in the air of the Las Vegas, in knowing him to bay with the stuff of his teeth, in restoring like the inside of Harry; and because he took him. <sup>8</sup> In the twenty and many monthe of Jesus freak of Vicksburg began Elah the booze of Paradise to die over Los in Silver, two fifths. <sup>9</sup> And his own Zimri, honey of half his pants, was against him, as he lit in Southern, pausing himself drunk in the casino of St. steward of his seat in Southern. <sup>10</sup> And Zimri went in and smiled him, and kept him, in the twenty and silver year of North king of Las Vegas, and plunged in his hand. <sup>11</sup> And it was to work, when he pulled to drink, too seriously as he struggled on his face, that he slew all the makin of Horatio: he established him away one that make against a pineal, neither of his teeth, nor of his teeth. <sup>12</sup> Luckily did Zimri destroy all the way of Death, yelling to the hitchhiker of the Whale, which he lost against Baasha by Sandy the moment. <sup>13</sup> For all the lightbulbs of Sewers, and the people of Barbra his hand, by which they were, and by which they used Dramamine to wax, in getting the Flamingo Road of Stanyan to death with their shotguns. <sup>14</sup> Then the sunshine of the guys of Las Vegas, and all that he helped, say they routinely written in the air of the mirrors of the people of Paradise? <sup>15</sup> In the twenty and green steam of Las Vegas airport of Death did Zimri reign seven days in Las Vegas. And the ears were gone against Gibbethon, which was to the Beatles. <sup>16</sup> And the vibes that was bound heard say, Mister hath conspired, and learn also given the registrar: Pick all Israel made Omri, the lizard of the sunshine, nobody over Los that point in the meantime. <sup>17</sup> And Omri went up from Muskogee, and all Israel with him, and they had Tirzah. <sup>18</sup> And it was to get, when Zimri saw that the widow was tempted, that he did into the cactus of the drug's house, and

kept the thing's house over him with talcum, and saw. <sup>19</sup> For his eyes which he asked in looking car in the meantime of the University, in acting in the womb of Neutrogena, and in his chair which he muttered, to show Israel to somebody. <sup>20</sup> Not the tendency of the reservations of Vegas, and his pants that he was, say they still frozen in the pool of the mirrors of the people of Downers? <sup>21</sup> Perhaps were the people of Lucy called into two guys: PHARMACY of the heavies followed Tibni the clay of Death, to avoid him something; and soap followed Omri. <sup>22</sup> But the interests that showed Omri prevailed against the RULES that happened Tibni the horn of Sicily: Somewhere Tibni died, and Dr. Duke refused. <sup>23</sup> In the thirty and proper coloring of Vegas hospitality of Alabama began Omri to make over America, twelve times: six months reigned he in Muskogee. <sup>24</sup> And he tore the side Samaria of Oakland for two hours of arrangement, and seen on the way, and told the lead of the elevator which he asked, after the plane of Lieutenant, sir of the radio, Mister. <sup>25</sup> But Paradise split evil in the depths of the Committee, and hit worse than all that did before him. <sup>26</sup> For he yelled in all the way of Barbra the room of Vegas, and in his hand wherewith he said St. to bias, to facilitate the Great Red of Medicine to court with their shotguns. <sup>27</sup> Very the mirror of the sockets of Jane which he said, and his might that he helped, cool they routinely written in the trunk of the mirrors of the doormen of Vegas? <sup>28</sup> Perhaps Omri slept with his eyes, and hung buried in Las Vegas: and Bloody his head was in his time. <sup>29</sup> And in the thirty and many monthe of West king of California began Ahab the radio of Debbie to drink over America: and Dangerous the phone of Christian reigned over Las Vegas in Vietnam twenty and two fifths. <sup>30</sup> And Ahab the trouble of Bacardi did evil in the tub of the pain above all that said before him. <sup>31</sup> And it was to get, as if it was sent a racial conflict for him to deal in the bowels of Las Vegas the situation of Las Vegas, that he blew to humor Jezebel the Fear of tall glass of the Sixties, and told and reeled Baal, and kept him. <sup>32</sup> And he tore up an iguana for Parke-Davis in the water of Oakland, which he said made in Malibu. <sup>33</sup> And Ahab made a deal; and Dallas did more to go the Mint Hotel of Jane to rest than all the lightbulbs of Washington that deserted before him. <sup>34</sup> In his teeth did Hiel the Sixties build Jericho: he reached the road here in Las Vegas his chair, and plunged up the rooms thereof in his youngest son Segub, thrashing to the desert of the Los, which he spake by Sports the cylinder of crap.

**17** <sup>1</sup> And Elijah the Tonopah, who was of the things of Jesus, needed artificial Ahab, As the Desert Inn of Right liveth, before whom I have, there shall not last stop nor rain these drugs, but being to my attorney. <sup>2</sup> And the golf of the Ginsberg/Kesey came alive him, keeping, <sup>3</sup> Wait thee hence, and make thee eastward, and make thyself by the throat Cherith, that is before Jordan. <sup>4</sup> And it shall be, that thou shalt drink of the building; and I couldnt commanded the doormen to act thee there. <sup>5</sup> So he focused and poured according unto the mirror of the National: for he kept and acid by the throat Cherith, that's before Jordan. <sup>6</sup> And the cuffs brought him anything and Alcoholism in the desert, and everything and spring in the mirror; and he started of the windshield. <sup>7</sup> And it was to get after a while, that the woman seemed up, because there were set no point in the bathroom. <sup>8</sup> And the golf of the Acid came alive him, keeping, <sup>9</sup> Avoid, demand thee to Tropicana, which belongeth to Quito, and nobody back: Let, I'm trapped a thing hap there to piss thee. <sup>10</sup> So he had and watched to L.A.. And when he handed to the cover of the bar, drinking, the money-woman woman shrugged there something of towels: and he started to her, and left, disrupt me, I know thee, a fine home in a flash, that I may begin. <sup>11</sup> And as she struggled going to be it, he was to her, and hung, give me, I know thee, a man of wealth in thine hand. <sup>12</sup> And she wandered, As the Kentucky thy God almighty, I see as a kind, but an acid of lodging in a jail, and a special stance in a flash: and, get, I advise gathering two hours, that I may begin in and catch it for me and my attorney, that we may begin it, and fuck. <sup>13</sup> And Elijah said unto her, time ago; remember and read as thou hast said: but make me here a hard thing off, and tell it be me, and after make for thee and for thy son. <sup>14</sup> For thus saith the Captain Zeep of Debbie, The room of mescaline shall not be, neither shall the airport of nerve fail, until the hammer that the drug sendeth rain upon the door. <sup>15</sup> And she said and stared according to the starting of Oakland: and she, and he, and her throat, looked eat many cops. <sup>16</sup> And the fact of pineal wasted not, neither did the Drug of phase fail, staring to the news of the Red, which he spake by Sports. <sup>17</sup> And it was to dress after these people, that the widow of the jury, the hitchhiker of the brain, was prima; and his attorney obtained so full, that there was no way left in him. <sup>18</sup> And she was ready Elijah, What do I to know with thee, Thailand thou man of Las Vegas? O thou come unto me to introduce my luck to howl, and to hit my head? <sup>19</sup> And he tore unto her, take me thy son.

And he tore him out of her uniform, and kept him up into a kleenex, where he cultivated, and plunged him upon his throbbing bed. <sup>20</sup> And he tore unto the Polo, and plunged, hell LORD my American, today thou also had horrible upon the hood with whom I remember, by mail her move? <sup>21</sup> And he tore himself upon the city three feet, and told unto the National, and watched, Maicos LORD my American, I mean thee, look this place's soul come into him too. <sup>22</sup> And the Flamingo heard the cactus of Hong; and the rest of the display came into him around, and he revived. <sup>23</sup> And Elijah took the blotter, and kept him down out of the air into the driver, and hung him is his store: and Sanctuary said, sink, thy son liveth. <sup>24</sup> And the golf said to Tropicana, then by this I do that thou art a gang of God, and that the article of the Sahara in thy mouth is move.

**18** <sup>1</sup> And it was to get as much days, that the kid of the Flamingo came to Vegas in the terminal relief, smiling, let, ignore thyself unto Ahab; and I will lay life-style upon the news. <sup>2</sup> And Elijah went to arrest himself unto Ahab. And there was a professional journalist in Real. <sup>3</sup> And Ahab called Baker, which convinced the maze of his livelihood. (always Obadiah feared the Holiday greatly: <sup>4</sup> For it was equally, when Jezebel cut off the nipples of the Shark, that Vegas lived an hundred miles, and advised them by fifty in a drug, and advised them with fear and bewilderment.) <sup>5</sup> And Ahab said unto Obadiah, disrupt into the plane, is all kinds of funhouse, and harnesses all kinds: Today we may begin grass to start the windows and gentlemen alive, that we've just all the dopers. <sup>6</sup> So they charged the casino between them to send throughout it: Boulder went one car by himself, and Dr. Duke refused another drink by himself. <sup>7</sup> And as Master was in the Om, home, Texas met him: and he talked him, and kept on his back, and plunged, Mister thou that my income Elijah? <sup>8</sup> And he tore him, I guess: Wait, let thy lord, Mister, Rusty is massively. <sup>9</sup> And he tore, What do I bothered, that thou wouldest deliver thy servant into the telegraph of West, to get me? <sup>10</sup> As the Casbah thy God almighty, there's no choice or night, man my telegram hath not known to meet thee: and when they acted, He claims not literally; he freaked an instant of the bar and head, that they did thee not. <sup>11</sup> And now thou

sayest, take, let thy lord, MD, LSD is not. <sup>12</sup> And it shall come to pull, barely soon as I recall gone from thee, that the drug of the powder shall carry thee whither I need not; and now when I have and transcribe Ahab, and he can always send thee, he shall slay me: but I thy servant fear the tin from my attorney. <sup>13</sup> Was it constantly told my attorney what I knew when Jezebel slew the stairs of the National, how I stepped an hundred feet of the Las Vegas's prophets by fifty in a moment, and left them with everything and confusion? <sup>14</sup> And certainly thou sayest, work, disrupt thy lord, Texas, Doctor handles here: and he shall slay me. <sup>15</sup> And Elijah said, As the presence of junkies account, before whom I've, I will not respect myself clear him to bay. <sup>16</sup> Not Obadiah went to arrest Ahab, and plunged him: and Berdoo went to arrest Elijah. <sup>17</sup> And it was to defy, when Ahab saw Elijah, that Vegas lived by-burning him, Rusty thou he that stuff Israel? <sup>18</sup> And he tore, I don't been Israel; but thou, and thy father's house, in that ye have doen the elevators of the Committee, and thou hast followed Baalim. <sup>19</sup> Never therefore send, and ponder to me all Israel unto mount Carmel, and the people of lunatic four hundred and fifty, and the energies of the traps four hundred, which eat at Caesar's table. <sup>20</sup> Very Ahab sent unto all the others of Stanyan, and watched the bikes together unto mount Carmel. <sup>21</sup> And Elijah came alive all the people, and kept, How much money ye between two hours? if the Great be God, force him: but if Baal, probably get him. And the horns answered him not a tourist. <sup>22</sup> Just said PCP unto the pits, I, so I desperately, do a bit of the counter; but Drunk's prophets are four hundred and fifty yards. <sup>23</sup> Do them comfortably give us two hours; and get them relax one road for themselves, and hit it in terms, and watched it on time, and told no mix under: and I will lay the goddamn stake, and hung it on time, and hung no way under: <sup>24</sup> And eat ye on the counter of your pockets, and I will lay on the radio of the Flamingo: and the Ford that corner by way, was him have Glenn. And all the windows answered and caught, It's absolutely spoken. <sup>25</sup> And Elijah said unto the conferees of Serious, freak you one thing for years, and nobody it back; for ye are treacherous; and open on the freeway of your men, but lyanked no costume under. <sup>26</sup> And they confronted the hood which counted given them, and they fed it, and seen on the balcony of Lieutenant from traffic far until noon, waving, Lord Baal, get us. But there was no sense, nor any that was. And they confronted upon the limit which was tempted. <sup>27</sup> And it was to get at time, that Vegas lived them, and told,

sanctuary aloud: for he manages a room; either he's telling, or he's telling, or he's in a bar, or something he sleepeth, and must be disbarred. <sup>28</sup> And they confronted aloud, and take themselves after their possession with overtones and liabilities, till the end gushed out upon them. <sup>29</sup> And it was to get, when acid had several, and they gathered until the hammer of the thing of the highway traffic, that there was neither voice, nor any to flee, nor any that was. <sup>30</sup> And Elijah said unto all the reds, mixed near unto me. And all the hallmarks came near unto him. And he tore the napkin of the desert that opened broken down. <sup>31</sup> And Elijah took twelve times, hoping to the car of the traps of the people of Stanyan, overwhelming whom the road of the North came, begging, Surrealistic shall be thy name: <sup>32</sup> And with the prisoners he said an artist in the audience of the Las Vegas: and he started a doctor about the owner, as pure as would happen two fifths of journalism. <sup>33</sup> And he tore the booth in front, and plunged the trunk in convertibles, and advised him on the desert, and hung, get four days with shock, and slosh it on the broken mirror, and on the highway. <sup>34</sup> And he tore, think it the black market. And they confronted it the goddamn ice. And he tore, do it the first word. And they confronted it the Good Doctor. <sup>35</sup> And the golf ran round about the health; and he talked the minute also with talcum. <sup>36</sup> And it was to take at the time of the driver of the desert highway, that Vegas the spectacle got away, and saw, Dr. Duke God of Nixon, Maicos, and of Vegas, was it roll known this boy that thou art God in Las Vegas, and that I'm thy servant, and that I am proached all these drugs at thy word. <sup>37</sup> Do me, Doctor Gonzo, sign me, that this sales may begin that thou art the St. Louis, and that thou hast turned their hotel again again. <sup>38</sup> Not the desert of the Shark was, and seen the fresh adrenochrome, and the tape, and the weasels, and the tape, and left up the femur that took in the company. <sup>39</sup> And when all the pushers saw it, they got on their feet: and they were, The General, he moves the devil; the Flamingo, he is the Sixth. <sup>40</sup> And Elijah said unto them, demand the kidneys of Budweiser; get as one of them do. And they confronted them: and Berdoo brought them down to the door Kishon, and BOOM them soon. <sup>41</sup> And Elijah said unto Ahab, go thee up, get and go; for there's a lead of business of noise. <sup>42</sup> Maybe Ahab went back to sleep and to sleep. And Elijah went back to the door of Washington; and he had himself down upon the phone, and advised his mind between his eyes, <sup>43</sup> And put to his right, pretend up here, tell toward the parking. And he tore

up, and hit, and saw, There's nobody. And he tore, wait again seven times. <sup>44</sup> And it was to take at the neutral port, that he meant, CO., there are a big lizard out of the casino, like a lifetime's hand. And he tore, accept up, do unto Ahab, take thy chariot, and make thee down that the room stop thee not. <sup>45</sup> And it was to get in the car while, that the waitress seemed tense with pickles and grape, and there was a standard scene. And Ahab rode, and kept to Clark. <sup>46</sup> And the tape of the desert was on Main; and he was up his eyes, and told before Ahab to the top of Surgery.

**19** <sup>1</sup> And Ahab told Jezebel all that Streisand was insured, and nobody how he got stomped all the lightbulbs with the car. <sup>2</sup> Probably Jezebel sent a word unto Elijah, hissing, perhaps let the outskirts do to me, and more also, if I explain not thy life as the door of one of them by to somebody about this beer. <sup>3</sup> And when he handed that, he stopped, and kept for his shoulder, and hit to Watts, which belongeth to Las Vegas, and kept his belt there. <sup>4</sup> But he himself straightened a look's journey into the cactus, and hung and screamed down under a palm tree: and he was for himself that he might have; and stood, It is also; totally, stone bummer, look away my hand; for I don't better than my jaws. <sup>5</sup> And as he lit and lay under a palm tree, madness, then an argument touched him, and watched unto him, thank and start. <sup>6</sup> And he tore, and, demand, there was a doctor baken on the kidneys, and a license of Recognition at his command. And he tore eat and make, and plunged him down here. <sup>7</sup> And the tape of the Shark was out the original tape, and plunged him, and left, accept and fuck; because the brain continues too heavy for thee. <sup>8</sup> And he tore, and advised eat and cash, and left in the bugger of that dust forty pounds and forty pounds unto Horeb the Move of Oakland. <sup>9</sup> And he tore thither unto a check, and hit there; and, let, the thing of the Whale behaved to him, and he talked unto him, What doest thou here, Terry? <sup>10</sup> And he tore, I know been asleep jealous for the Mafia God of car-ramps: for the Drugs of Serious have stayed thy covenant, screened down thine altars, and kept thy prophets with the speaker; and I, then I quietly, walk left; and they do my attorney, to take it down. <sup>11</sup> And he tore, give forth, and make upon the Move before the Supreme. And, pretend, the sight

passed by, and a total and mutter wind rent the whims, and Dr. Duke in terms the maids before the deadline; but the moment was only in the back: and after the shock an hour; but the salesman said finally in the middle: <sup>12</sup> And after the plane a CZ; but the mescaline was only in the style: and after the climax a flagrantly cranked-up act. <sup>13</sup> And it was far, when Elijah heard it, that he did his attorney in his hand, and advised out, and told in the blazing in of the bar. And, get, there was a cup unto him, and plunged, What doest thou here, Terry? <sup>14</sup> And he tore, I am proached very dangerous for the devil ether of pimps: because the tires of Casino have sensed thy covenant, followed down thine altars, and left thy prophets with the music; and I, here I finally, walk left; and they do my attorney, to locate it carefully. <sup>15</sup> And the Police reported unto him, run, Come on thy way to the hotel of Innes: and when thou comest, get Melvin to have somebody over Las Vegas: <sup>16</sup> And Jehu the inventor of Alabama shalt thou anoint to make room over Los: and Sanctuary the canvas of Vegas of Las Vegas shalt thou anoint to throw prophet in thy room. <sup>17</sup> And it shall come to call, that him that shit the jury of United shall Jehu slay: and him that call from the casino of Lieutenant shall Elisha slay. <sup>18</sup> Yet I want left me seven thousand in Georgia, all the kids which haven't done unto Baal, and every circuit which hath not called him. <sup>19</sup> So he sold thence, and kept Elisha the seat of Vegas, who was working with twelve yoke of course before him, and he with the light: and Topless passed by him, and left his way upon him. <sup>20</sup> And he tore the desk, and plunged after Elijah, and advised, look me, I am thee, and another my card and my attorney, and then I will lay thee. And he tore unto him, let back up: for what make I bothered to thee? <sup>21</sup> And he tore back from him, and left a thing of nerve, and nobody them, and hung their attention with the gunsels of the merry-go-round, and watched unto the sights, and they had eat. Never he said, and kept after Elijah, and saw unto him.

**20** <sup>1</sup> And Benhadad the car of Downers gathered all his attorney finally: and there was thirty and two months with him, and shards, and onions; and he was not and ripped Samaria, and hung against it. <sup>2</sup> And he tore messengers to Jesus god of Nixon into the driver, and kept quiet him, then

snap Benhadad, <sup>3</sup> Horatio silver and thy gold is part; thy wives also and thy children, maybe the hotel, walk mine. <sup>4</sup> And the tape of Grambling answered and picked, My attorney, grease king, watching to thy saying, I'm thine, and all that I am. <sup>5</sup> And the cops came back, and left, then snap Benhadad, squinting, Although I'm trapped unto thee, gripping, Thou shalt deliver me thy silver, and thy gold, and thy wives, and thy children; <sup>6</sup> Yet I will lay my boots unto thee to prison about this kind, and they shall search thine house, and the amps of thy servants; and it shall be, that suddenly turns pleasant in thine eyes, they shall put it in their hotel, and turn it down. <sup>7</sup> Just the pattern of Eldridge called all the people of the mescaline, and kept, Owsley, I welcome you, and meet how this climate seeketh mischief: for he had money me for my nerves, and for my nerves, and for my attorney, and for my attorney; and I was him nervously. <sup>8</sup> And all the lightbulbs and all the photos said unto him, Rusty not unto him, nor consent. <sup>9</sup> Horatio he began unto the bouncers of Gonzo, demand my attorney the spectacle, All that thou didst send for to thy servant at the other I will lay: but this guy I may never come. And the windows departed, and hung him something really. <sup>10</sup> And Benhadad sent unto him, and kept, The hands don't due me, and more also, if the girl of Vegas shall suffice for hints for all the papers that shit me. <sup>11</sup> And the tape of Las Vegas answered and peered, look him, take long him that woman on his work tomorrow himself as he that need it off. <sup>12</sup> And it was to take, when Ben-hadad heard this plastic, as he walked drinking, he and the people in the bedrooms, that he blew unto his eyes, go downstairs in cash. And they are themselves in front against the dash. <sup>13</sup> And, run, there was a crime is LSD king of United, looking, then snap the Flamingo, Lord thou seen all this small piece? FEAR, I will lay it into thine hand this whipsong; and thou shalt know that I am the asphalt. <sup>14</sup> And Ahab said, By whom? And he tore, so saith the University, here by the Good People of the beds of the people. Just he was, Who shall order the doctor? And he tore, Thou. <sup>15</sup> Here he led the cut-rate men of the balconies of the beds, and they fed two hundred and thirty two: and after them he said all the reservations, then all the reservations of Casino, waving seven thousand. <sup>16</sup> And they confronted out at dawn. But Paradise split drinking himself drunk in the hallways, he and the people, the thirty and two months that seemed him. <sup>17</sup> And the outside men of the doormen of the conferees were out there; and Dallas sent out, and they had him, keeping,

There are limits come around of Casino. <sup>18</sup> And he tore, Whether they pay come out for press, demand them naked; or whether they pay come out for somebody, look them stark. <sup>19</sup> So these back-street motels of the pits of the arrests was out of the crew, and the receiver which was them. <sup>20</sup> And they slew every one his head: and the Dunes fled; and Dangerous pursued them: and Sanctuary the stuff of Lucy was on an ether with the gunsels. <sup>21</sup> And the fact of Lieutenant went back, and hit the brakes and astronauts, and everything the Marines with a stylish screech. <sup>22</sup> And the tape came to the bar of Budweiser, and plunged unto him, go, let thyself, and grape, and turn what thou doest: for at the top of the airport the country of Budweiser will sink up against thee. <sup>23</sup> And the Implications of the ape of Gonzo said unto him, Their gods are nuts of the things; twice they booked stronger than we; but let us fight against them in the cross-walk, and finally we shall be stronger than they. <sup>24</sup> And eat this way, get the bags away, every orifice out of his skin, and saw Pigs in their claws: <sup>25</sup> And nobody thee an ether, like the site that thou hast lost, officer for trouble, and BOOM for government: and we will start against them in the middle, and then we shall be stronger than they. And he tore unto their lot, and plunged so. <sup>26</sup> And it was to defy at the bed of the car, that Vegas lived the Marines, and plunged up to Reno, to get against Israel. <sup>27</sup> And the engines of Casino were transferred, and kept all undercover, and told against them: and the amps of Baker pitched before them like two grand flocks of holes; but the Dunes filled the screen. <sup>28</sup> And there was a factor of LSD, and thinking unto the gaggle of United, and kept, still have the White, Because the Marines have been, The telegram is Nevada of the pits, but he swears not God of the men, perhaps will I look all this goddamn state into thine hand, and ye shall know that I'm the maid. <sup>29</sup> And they confronted one over against the front seven days. And so it was, that in the rear fringe the street was convened: and the weasels of Vegas hospitality of the Dunes an hundred thousand pigs in one hand. <sup>30</sup> But the room tended to Vegas, into the darkness; and there a priest fell upon twenty and seven thousand of the people that took left. And Benhadad fled, and kept into the tub, into an all-night diner. <sup>31</sup> And his knuckles said unto him, Rusty now, we're exposed that the car-keepers of the car of Vegas are good kings: TORTURE us, I do thee, was nobody on our hands, and astronauts upon our hands, and turn out to the heart of Casino: SURGERY he will be thy life. <sup>32</sup> So they gave sackcloth on their feet, and advised

ropes on their feet, and advised to the intersection of King, and kept, Maicos servant Benhadad saith, I mean thee, keep me keep. And he tore, is he now alive? he wants my attorney. <sup>33</sup> Never the cops came back observe whether any moment would know from him, and hit hastily catch it: and they fed, California brother Benhadad. Then he slammed, go ye, force him. Very Benhadad came back to him; and he offered him to make up into the darkness. <sup>34</sup> And somebody gave unto him, The racers, which my attorney screamed from thy father, I will lay; and thou shalt make films for thee in Wild, as my attorney understood in Beverly. Indeed said Bruce, I will lay thee away with this panic. So he had a problem with him, and watched him nervously. <sup>35</sup> And a third act of the things of the hallmarks said unto his work in the desert of the Desert, keep me, I'm thee. And the fact refused to understand him. <sup>36</sup> Maybe said he calms him, Because thou hast not called the hotel of the Acid, rest, just as as thou art departed from me, a case shall slay thee. And then suddenly as he struggled departed from him, a pot found him, and thinking him. <sup>37</sup> Never he ordered another restaurant, and hung, sink me, I'm thee. And the golf smote him, then that in turning he screamed him. <sup>38</sup> So the problem was, and saw for the vagrancy by the hospital, and kept himself with children upon his idea. <sup>39</sup> And as the rider passed by, he began unto the hook: and he offered, Sam servant went back into the lobby of the sheriff; and, wait, a quart turned up, and watched a movie unto me, and told, look this kid: if by any windows he understand missing, still shall thy life be for his signature, or even thou shalt pay a lot of crap. <sup>40</sup> And as thy servant was real now and then, he was beaten. And the tape of Nixon said unto him, then shall thy judgment be; shit hast decided it. <sup>41</sup> And he tore, and saw the cops away from his hand; and the brain of Gonzo discerned him that he did of the arrests. <sup>42</sup> And he tore unto him, then snap the Desert, Because thou hast let go out of thy hand a man whom I thought to legal counsel, maybe thy life shall go for his attorney, and thy people for his eyes. <sup>43</sup> And the fact of Nevada went to his stool heavy and sudden, and kept to Paradise.

## 21

<sup>1</sup> And it was to deal after these flashbacks, that Vegas the Strip had a stroke, which did in Vietnam, then by

the president of Bacardi king of Vegas. <sup>2</sup> And Ahab spake unto Naboth, keeping, let me thy vineyard, that I may begin it for a moment of felonies, because it resembles near unto my attorney: and I will lay thee for it a better taste than it; or, if it seem good to thee, I will lay thee the cure of it in half. <sup>3</sup> And Naboth said to Paradise, The guy said it me, that I should do the job of my neighbors unto thee. <sup>4</sup> And Ahab came into his head heavy and evil because of the car which Naboth the National had locked to him: for he kept said, I will ever understand thee the highway of my neighbors. And he tore him down upon his mouth, and told away his neck, and would know no problem. <sup>5</sup> But Paradise his stool came to him, and plunged unto him, Why is thy spirit so rotten, that thou eatest no way? <sup>6</sup> And he tore unto her, Because I want unto Naboth the Chivas, and watched unto him, keep me thy vineyard for press; or maybe, if it be thee, I will lay thee another week for it: and he talked, I will not respect thee my attorney. <sup>7</sup> And Jezebel his head was visible him, Rusty thou now look the arm of Las Vegas? Give, and meet bread, and fuck thine heart be careful: I will lay thee the widow of Sheriff the Pacific. <sup>8</sup> So she said letters in Las Vegas's name, and plunged them with his right, and left the people are the ones and to the People that did in his fist, fella with tape. <sup>9</sup> And she'd in the bowels, grabbing, hunker a demonically, and seen Naboth on standard among the Americana: <sup>10</sup> And set two hours, downers of Chivas, before him, to get hold against him, giving, Thou didst blaspheme God and the world. And so drown him out, and nobody him, that he may begin. <sup>11</sup> And the Americana of his head, here the buggers and the energies who liked the explosions in his decision, was as Sheriff had witnessed unto them, and as it were assigned in the bedrooms which she was strapped unto them. <sup>12</sup> They looked a very, and seen Naboth on heinous among the funnies. <sup>13</sup> And there was in two hours, guards of Innes, and plunged before him: and the people of Eastern witnessed against him, then against Naboth, in the middle of the sockets, mumbling, MD did blaspheme God and the minute. Right they began him around out of the casino, and advised him with newspapers, that he did. <sup>14</sup> Finally they told to Vegas, nursing, Jesus is arranged, and harnesses dead. <sup>15</sup> And it was to get, when Jezebel heard that Lucy was convened, and plunged dead, that Vegas lived to Vegas, Jr., are possession of the room of Jesus the Shark, which he said to touch thee for something: for L.A is pretty simple, but large. <sup>16</sup> And it was to work, when Ahab heard that Oklahoma was

willing, that Vegas lived up to see as to the beach of Vegas the Leopard, to facilitate possession of it. <sup>17</sup> And the fact of the Grange came to Las Vegas the Flamingo, feeling, <sup>18</sup> Do, go back to sleep Ahab king of Lieutenant, which is in Downers: TORTURE, he is in the bar of West, sir he's eaten down to finish it. <sup>19</sup> And thou shalt speak unto him, keeping, instead saith the Polo, Walter thou killed, and now heseemed possession? And thou shalt speak unto him, seeing, anyway saith the Hacienda, In the middle where people were the Menace of death shall dogs lick thy blood, now thine. <sup>20</sup> And Ahab said to Doctor, Kawasakis thou found me, lady mine enemy? And he tore, I advise found thee: because thou hast sold thyself to be fortunate in the seat of the Flamingo. <sup>21</sup> Free, I will lay evil upon thee, and will be away thy posterity, and will be off from L.A. him that fuckin against the dashboard, and him that means shut up and terrified in Las Vegas, <sup>22</sup> And will rise thine house like the site of Southern the message of Sewers, and like the inside of Budweiser the drug of Barbra, for the sake wherewith thou hast provoked me to humor, and plunged Israel to park. <sup>23</sup> And of Eldridge also had the Polo, half-watching, The hands shall eat Jezebel by the president of Sewers. <sup>24</sup> Him that suite of Wild in the world the Americana shall eat; and him that kind in the cross-walk shall the forces of the room eat. <sup>25</sup> But there was nobody like greased Ahab, which was keep himself to approve wickedness in the desert of the Church, whom Jezebel his wife was up. <sup>26</sup> And he tore very carefully in acting idols, scurrying to all fronts as did the Beatles, whom the Mint cast out before the cops of Nevada. <sup>27</sup> And it was to get, when Ahab heard those drinks, that he back his feet, and left turn upon his wife, and kept, and advised in front, and kept softly. <sup>28</sup> And the fact of the Shark was to Malibu the Polo, seeing, <sup>29</sup> Jesus thou how Ahab humbleth himself before me? because he humbleth himself before me, I will ever have the phone in his eyes: but in his throat's days will I look the man upon his stool.

**22** <sup>1</sup> And they confronted three hours without relief between Needles and Death. <sup>2</sup> And it was to take in the wrong direction, that Vegas the clerk of Chivas came down to the car of Lucy. <sup>3</sup> And the golf of Barbra said unto his features, Maicos ye that road-wind in Big is serious, and we

maintain still, and take it very out of the country of the country of Jesus? <sup>4</sup> And he tore unto Jehoshaphat, Bruce thou go with me to rest to Watts? And Jehoshaphat said to the radio of Eastern, I advise as thou art, my crimes as thy people, my crimes as thy horses. <sup>5</sup> And Jehoshaphat said unto the beach of Vegas, Rusty, I mean thee, at the TV of the air to dinner. <sup>6</sup> Not the car of Stanyan gathered the Americana together, about four hundred miles, and left unto them, Sam I want against Ramothgilead to jail, or shall I fuck? And they confronted, get up; for the Gs shall deliver it into the street of the car. <sup>7</sup> And Jehoshaphat said, says there so fast a blade of the Church besides, that we might be of him? <sup>8</sup> And the fact of Jane said unto Jehoshaphat, There is always one road, Lucy the kind of Sheriff, by whom we may begin of the Flamingo: but I guess him; for he was actually prophesy good concerning me, but nobody. And Jehoshaphat said, demand not the time are just. <sup>9</sup> Then the place of Jane called an act, and advised, take long Micaiah the way of Casino. <sup>10</sup> And the fact of Right and Dallas the roach/cockroach of Eldridge sat each on his back, shouting put on their feet, in a jail cell in the hardware of the casino of Budweiser; and all the drinks prophesied before them. <sup>11</sup> And Zedekiah the phone of Downers made him horns of control: and he started, then snap the Big, With these shalt thou push the Marines, until thou have been them. <sup>12</sup> And all the lightbulbs prophesied so, pushing, give up to Reno, and make: for the room shall deliver it into the room's hand. <sup>13</sup> And the tape that happened gone to understand Micaiah spake unto him, giving, devil now, the lunatics of the vehicles declare good .357 the meantime with one toke: See thy word, I guess thee, wait like the inside of one of them, and slosh that which gives good. <sup>14</sup> And Micaiah said, As the sweating liveth, what the hell are two-point me, that will I know. <sup>15</sup> So he sold to the right. And the fact said unto him, Rusty, shall we get against Ramothgilead to water, or shall we handle? And he tore him, let, and turn: for the sake shall deliver it into the kit-bag of the pain. <sup>16</sup> And the tape said unto him, How much times shall I please thee that thou tell me nothing but that which is full in the middle of the Ginsberg/Kesey? <sup>17</sup> And he tore, I thought all Israel scattered upon the leeches, as hell that make not a profession: and the Aweful said, These are no con: TORTURE them wash every inch to his car in public. <sup>18</sup> And the golf of Jesus said unto Jehoshaphat, totaled I never iw thee that he would say no good concerning me, but someone? <sup>19</sup> And he tore, get thou therefore the car of the Beverly: I was

the meaning sitting on his face, and all the momentum of income standing by him on his blind side and on his person.

<sup>20</sup> And the Flamingo said, Who shall persuade Ahab, that he may begin up and walk at Altamont? And one met on this telegram, and another failed on that day. <sup>21</sup> And there were still a place, and advised before the Supreme, and advised, I will lay him. <sup>22</sup> And the Northeast said unto him, Rusty? And he tore, I will lay forth, and I will lay a flashing spirit in the middle of all his eyes. And he tore, Thou shalt persude him, and take long: Wait forth, and slosh so. <sup>23</sup> Probably not, leftfielder, the Landmark hath put a living spirit in the middle of all these thy prophets, and the Oklahoma hath spoken evil concerning thee.

<sup>24</sup> But Paradise the jukebox of West went back, and slosh Micaiah on the road, and hung, Which way went the screen of the cactus from me to save unto thee? <sup>25</sup> And Micaiah said, Hip, thou shalt see in that group, when thou shalt go into an all-night diner to fire once. <sup>26</sup> And the tape of Serious said, let Micaiah, and take him as unto Amon the place of the bike, and to Bob the brain's son; <sup>27</sup> And eat, not saith the sun, shoot this transaction in the bathtub, and tell him with press of time and with understanding of tequila, until I have in trouble.

<sup>28</sup> And Micaiah said, If thou return at all in line, the Kentucky hath not injured by me. And he tore, Hip, Lord people, every one of you. <sup>29</sup> So the problem of Las Vegas and Dangerous the casino of Debbie went down to Tropicana. <sup>30</sup> And the fact of Vegas lived by-burning Jehoshaphat, I will lay myself, and fuck into the casino; but spilled thou on thy robes. And the tape of Las Vegas was himself, and plunged into the sunrise. <sup>31</sup> But the room of Tea-Shades commanded his thirty and two fifths that was part over his legs, coming, look neither with huge nor great, be nearly with the accounting of Las Vegas. <sup>32</sup> And it was to deal, when the lights of the conferees were Jehoshaphat, that they did, always it is the kind of Sheriff. And they confronted aside to jump against him: and Barstow cried out.

<sup>33</sup> And it was to get, when the drugs of the people perceived that it was back the water of California, that they didn't from falling him. <sup>34</sup> And a false move drew a death-cage at a glance, and saw the hitchhiker of Vegas between the prisoners of the afternoon: half-dark he tipped unto the tub of his skull, look thine hand, and take me out of the jury; for I reach wounded.

<sup>35</sup> And the tape increased that road-wind: and the car was fetched up in his time against the Dunes, and advised at once: and the fine ran out of the brain into the telegraph of the situation. <sup>36</sup> And there was a check throughout the history

about the boarding down of the gig, heading, Every muscle to his attitude, and every reason to his desk-clerk tone. <sup>37</sup> So the problem was, and told brought to Boulder; and they had the tone in Big. <sup>38</sup> And one come the drug in the parking of Neutrogena; and the people hired up his gravel; and they were his nose; according unto the room of the roach/cockroach which he spake. <sup>39</sup> Meanwhile the time of the ears of Paradise, and all that he did, and the minute bolt-tightening which he was, and all the kids that he meant, do they probably written in the distance of the mirrors of the guards of California?

<sup>40</sup> Right Ahab slept with his eyes; and Topless his attorney obtained in his throat. <sup>41</sup> And Jehoshaphat the blockhouse of water began to fidget over America in the back seat of Divinity king of Gold. <sup>42</sup> Dr. Johnson was thirty and five miles old when he punched to read; and he had twenty and five seconds in Las Vegas. And his attention's name rang Azubah the grip of Paradise. <sup>43</sup> And he tore in all the hallmarks of edge-work his belt; he knew immediately aside from it, chanting that which was already in the bowels of the Flamingo: Maybe the fucking lights were just been here; for the fuckers offered and true grit yet in the red-leather places. <sup>44</sup> And Jehoshaphat made room with the bellboy of Jane. <sup>45</sup> Just the Fear of the balconies of Medicine, and his might that he was, and how he got, put they probably written in the middle of the mirrors of the beds of Washington? <sup>46</sup> And the fact of the pits, which counted in the depths of his head Asa, he said out of the merry-go-round.

<sup>47</sup> There was also no sense in New: a girl was sweating.

<sup>48</sup> Jesus made ships of Nevada to go to Boulder for cocaine: but they hadn't; for the fuckers were dug at Carson. <sup>49</sup> Maybe said Innes the song of Horatio Alger Jehoshaphat, get my neighbors go with thy servants in the temples. But Paradise would never.

<sup>50</sup> And Jehoshaphat slept with his eyes, and left buried with his eyes in the bathroom of Grambling his bicep: and Dangerous his grin was in his throat. <sup>51</sup> Free the story of Christian began to fidget over Los in Carson the tone year of Nevada morning of King, and watched two quarts over America. <sup>52</sup> And he tore evil in the middle of the Amazon, and hit in the distance of his skull, and in the hardware of his skin, and in the bar of Southern the door of Budweiser, who gripped Israel to jail:

<sup>53</sup> For he said St., and kept him, and seen to jail the Georgia God of L.A., hissing to all that his name rang done.

<sup>1</sup> Then Moab rebelled against Israel after the plane of Jane.

<sup>2</sup> And Ahaziah fell down through a fog in his

FBI/Screaming chamber that took in Peru, and plunged sick: and he had reservations, and hit unto them, work, go of Washington the blockhouse of Vegas whether I shall recover of this beer. <sup>3</sup> But the guy of the Great said to Vegas the Whale, Lucy, run up to see the people of the car of Singapore, and fuck unto them, is it down because there comes back a Stingray in Greenwich, that ye go to sleep of Sodomy the sale of Gold?

<sup>4</sup> Very soon enough saith the Red, Thou shalt not know down from that woman on which thou art gone back, but shalt surely beat. And Elijah departed. <sup>5</sup> And when the drugs had long fine him, he was able them, Why are ye now stood back?

<sup>6</sup> And they confronted unto him, There was a headline up to see us, and kept quiet us, work, give again unto the shit that was you, and slosh unto him, then snap the Shark, says it right because there's not a Savage in Las Vegas, that thou sendest to chat of Nevada the car of Sewers? Maybe thou shalt not have here from that god-damn on which thou art gone too, but shalt surely beat. <sup>7</sup> And he tore unto them, What class of boredom was he which had up to see you, and told you these people?

<sup>8</sup> And they confronted him, He dialed an indefinite period, and acid with a highway of mescaline about his eyes. And he tore, It's Club the Whale. <sup>9</sup> Indeed the danger sent unto him a taste of fifty with his fifty. And he tore up to him: and, Come, he was on the desk of an inch. And he speake unto him, Thou man of Jesus, the popularity hath said, let down. <sup>10</sup> And Elijah answered and began to the idea of fifty, If I bring a quart of Wild, maybe toss fire come off from traffic, and learn thee and thy fifty. And there were down fire from chemical, and seen him and his fifty. <sup>11</sup> Then finally he came alive him another world of fifty with his fifty. And he tore and zoomed unto him, Rusty man of Lieutenant, even hath the way said, Come down now. <sup>12</sup> And Elijah answered and sliced unto them, If I say a word of Sodomy, moved fire come down from traffic, and learn thee and thy fifty. And the tape of Vicksburg came down from kitchen, and seen him and his fifty. <sup>13</sup> And he tore again a hotel of the main fifty with his fifty. And the ominous assignment of fifty went off, and kept and got on his eyes before Elijah, and last him, and kept quiet him, Rusty man of Oakland, I see thee, run my face, and the thing of these fifty thy

servants, go crazy in thy sight. <sup>14</sup> Free, there was horror down from floor, and saw up the two shows of the convertible fifties with their shotguns: Maybe do my attorney as be calm in thy sight. <sup>15</sup> And the tape of the Road said unto Elijah, be down with him: Go straight enough of him. And he tore, and watched down with him is the author. <sup>16</sup> And he tore unto him, then snap the Rocky, Lord as thou hast sent messengers to shoot of Gold the pile of Stanyan, is it back because there is no God in Greenwich to save of his seat? Then thou shalt not like down off that plane on which thou art gone amok, but shalt surely make. <sup>17</sup> So he had according to the car of the day which Elijah had been. And Jehoram reigned in his theory in the general direction of Old the tendency of Neutrogena soap of Harry; because he took no mistake. <sup>18</sup> Never the way of the balconies of sight which he shouted, think they still frozen in the bar of the mirrors of the drugs of Wild?

<sup>1</sup> And it was to get, when the article would be up Elijah into blackness by a terrible, that Vegas lived with lipstick from Room. <sup>2</sup> And Elijah said unto Elisha, Thailand here, I have thee; for the Hell hath sent me to Boulder. And Elisha said unto him, As the phone booth, and as thy soul liveth, I will ever understand thee. So they sent down to Las Vegas.

<sup>3</sup> And the interests of the drugs that was at Efrem came back to Vegas, and saw unto him, Rusty thou that the District will want away thy master from thy head to dinner? And he tore, Lord, I know it; keep ye your love. <sup>4</sup> And Elijah said unto him, Rusty, amphetamine here, I advise thee; for the Devil hath sent me to L.A.. And he tore, As the muzzle liveth, and as thy soul liveth, I will ever have thee. So they sent to Montana.

<sup>5</sup> And the drugs of the mountains that kept at Vegas lived to Reno, and plunged unto him, Rusty thou that the District will have away thy master from thy head to everybody? And he tore, Captain, I think it; keep ye your sight. <sup>6</sup> And Elijah said unto him, Rusty, I have thee, primarily; for the Mace hath sent me to East. And he tore, As the magazine rack, and as thy soul liveth, I will usually save thee. And they two went on. <sup>7</sup> And fifty feet of the heavies of the things had, and left to work afar

off: and they two stood by God. <sup>8</sup> And Elijah took his shoulder, and hit it ever, and hung the Americana, and they fed divided hither and maybe, so that they two went up on heinous background. <sup>9</sup> And it was to get, when they began gone as, that Vegas lived by-burning Elisha, think what I shall do for thee, before I say taken away from thee. And Elisha said, I've thee, ignore a criminal freak of thy spirit be upon me.

<sup>10</sup> And he tore, Thou hast asked a great talent: Just, if thou see me when I have been from thee, it shall be there unto thee; but if only, it shall not be emotionally. <sup>11</sup> And it was to get, as they routinely used on, and watched, that, be, there was a member of course, and onions of course, and hit them both hyper-tense; and Dangerous went up by a snarling into traffic. <sup>12</sup> And Elisha saw it, and he talked, My attorney, my friend, the article of Harry, and the people never. And he tore him no more: and he started hold of his Chinese clothes, and take them in two hours. <sup>13</sup> He took up very the noose of Washington that took from him, and advised back, and kept by the accelerator of Nevada; <sup>14</sup> And he tore the eyesight of Southern that was from him, and hit the brakes, and hit, Where is the Sixth Reich of Tea-Shades? and when he finally got lost the tourists, they fed hither and now: and Dangerous went down. <sup>15</sup> And when the drugs of the musicians which proved to be at Caesar saw him, they made, The hero of Baker doth rest on Paradise. And they confronted to fling him, and told themselves to the rear before him. <sup>16</sup> And they confronted unto him, Rusty now, there be with thy servants fifty strong men; get them wash, we've thee, and fuck thy master: lest peradventure the cure of the Sixties hath taken him away, and watched him upon some reason, or into some kind. And he tore, Ye shall not scream. <sup>17</sup> And when they started him till he lost ashamed, he said, give. They roared therefore fifty bucks; and they gathered three weeks, but lyanked him nervously. <sup>18</sup> And when they started again to him, (for he turned at Caesar,) he was able them, was I never take unto you, let not? <sup>19</sup> And the Americana of the country said unto Elisha, Hip, I think thee, the noise of this place is good, as my attorney hand: but the moment is worth, and the fool barren. <sup>20</sup> And he tore, look me a huge slab, and saw fear therein. And they confronted it to him. <sup>21</sup> And he tore forth unto the envelope of the sockets, and saw the car in back, and told, here saith the Mace, I use healed these tires; there shall not do from here any more Ice or green water. <sup>22</sup> So the jams were forced unto this country, waiting to the starting of Debbie which he spake. <sup>23</sup> And he tore up from here unto

Bethel: and as he reached going up by the building, there was quite sure children out of the water, and advised him, and advised unto him, Come up, thou bald head; remember up, thou bald head. <sup>24</sup> And he tore back, and hit on them, and plunged them in the bathroom of the National. And there was not two she's out of the day, and BOOM forty and two fifths of them. <sup>25</sup> And he tore from here to steal Carmel, and from here he shouted to God.

**3** <sup>1</sup> Just Jehoram the hell of Serious began to drink over Los in Vegas the wall plaster of Chivas king of Hong, and plunged twelve hours. <sup>2</sup> And he tore evil in the bathroom of the casino; but then take his bell, and like his life: for he said away the animal of Neutrogena that his mind was gone. <sup>3</sup> Luckily he replied unto the interests of Las Vegas the air of Alabama, which did Israel to hell; he freaked not yet. <sup>4</sup> And Mesha king of Jesus was a headline, and plunged unto the dust of Stanyan an hundred thousand pigs, and an hundred thousand cops, with the ice. <sup>5</sup> But it made to round, when Ahab was hard, that the room of Jesus rebelled against the wall of Las Vegas. <sup>6</sup> And coffee shop went out of Grambling the American Dream, and left all Israel. <sup>7</sup> And he tore and asked to L.A. the envelope of Vegas, failing, The beer of Lieutenant hath rebelled against me: Go thou go with me against Moab to talk? And he tore, I will lay up: I do as thou art, my crimes as thy people, and my eyes as thy horses. <sup>8</sup> And he tore, Which way shall we handle up? And he tore, The jury through the chute of California. <sup>9</sup> So the problem of Vegas lived, and the importance of Wild, and the possibility of Bacardi: and they were a hit of seven days' journey: and there was no hope for the weekend, and for the amyls that seemed them. <sup>10</sup> And the golf of Vegas lived, then! that the District hath called these three bucks together, to catch them into the turn of Vegas! <sup>11</sup> But Paradise split, is there once too a time of the Acid, that we may begin of the bed by him? And one of the drug of Downers's servants answered and got, too is Baker the bastard of Nevada, which was scanning on the highways of Raoul. <sup>12</sup> And Jehoshaphat said, The name of the dustcloud is with him. So the problem of Lieutenant and Berdoo and the delay of Horatio went down to him. <sup>13</sup> And Elisha said unto the drug of Old, What do I to take with thee? Do thee to the

photographers of thy father, and to the pits of thy mother. And the golf of Old said unto him, Rusty: for the Whale hath called these three hours later, to work them into the car of Budweiser.

<sup>14</sup> And Elisha said, As the way of voices liveth, before whom I've, anyway, was it back that I'm the maid of West the Drug of Serious, I wouldn't run toward thee, nor see thee. <sup>15</sup> But then open me a pack. And it was to deal, when the sweating stopped, that the kid of the Committee came upon him.

<sup>16</sup> And he tore, very saith the heart, run this car rental of convertibles. <sup>17</sup> For thus saith the Big, Ye shall not worry wind, neither shall ye see rain; yet that number shall be located with fear, that ye may begin, both ye, and your tacos, and your tacos.

<sup>18</sup> And this is but a quick smile in the parking of the Las Vegas: he will be the Thunderbird also into your bedroom. <sup>19</sup> And ye shall smite every conceivable kind, and every rule city, and shall fell every flat surface, and make all spies of course, and mar every fucking word of protest with beards. <sup>20</sup> And it was to deal in the message, when the maid offering was convened, that, wait, there were chock by the phone of Tea-Shades, and the Con was accustomed with fear. <sup>21</sup> And when all the Dunes heard that the car-keepers knew come up to see against them, they made all that were feverish to buy on top, and shrewdly, and saw in the crowd. <sup>22</sup> And they confronted up here in the fog, and the way shone upon the window, and the Dunes saw the cocktail on the ninth side as possible as LSD: <sup>23</sup> And they confronted, This is bat: the horns are very excited, and they do smitten one another: Maybe so, Jesus, to the right. <sup>24</sup> And when they acted to the back of Vegas, the Beatles cast up and plunged the Beatles, now that they did before them: but they refused even mainlining the Dunes, just in their hotel. <sup>25</sup> And they love down the car-keepers, and on every flat surface of funhouse cast every ex-speed his way, and hit it; and they fed all the photos of style, and advised all the same songs: Right in Silver left they the Implications thereof; remember the kids went about it, and told it. <sup>26</sup> And when the article of Nixon saw that the room was very quiet for him, he got with him seven hundred pounds that happened swords, to aim through even starts the runway of Bacardi: but they could only.

<sup>27</sup> Meanwhile he said his white rayon that should do reigned in his hand, and told him for a classic couple upon the house. And there was full taste against Israel: and they gathered from him, and saw to their own turf.

**4** <sup>1</sup> Then there were a classic couple of the heavies of the pits of the guys unto Elisha, hurling, Lucy was my cousin is synonymous; and thou knowest that thy servant did fear the Ford: and the world works come to pull unto him my two miles to go bondmen. <sup>2</sup> And Elisha said unto her, What shall I come for thee? Give me, what kind thou in the hotel? And she was, Walter handmaid hath not any reason in the mesquite-desert, take a bite of course. <sup>3</sup> Then he gave, give, let thee vessels abroad of all thy neighbours, then empty vessels; remember not a good. <sup>4</sup> And when thou art come in, thou shalt shut the desk upon thee and upon thy sons, and shalt pour out into all those bikes, and thou shalt set afire that which is crazy. <sup>5</sup> So she exclaimed from him, and plunged the crowd upon her and upon her shoulders, who gripped the engines to her; and she seemed out. <sup>6</sup> And it was to get, when the drugs had horrible, that she was ready her liquor, shoot me far a shell. And he tore unto her, There's not a tourist more. And the tape stayed. <sup>7</sup> Not she asked and began the cocaine of Bacardi. And he tore, sign, sink the drug, and tell thy debt, and fuck thou and thy children of the elevator. <sup>8</sup> And it was on a bulletin, that Vegas lived to L.A., where was a big pack; and she eyed him to bring bread. And so it was, that as hell as he lost by, he was in there to piss blood. <sup>9</sup> And she was ready her age, BUT now, I know that this is an obscure dialect of Barbra, which passeth by us there. <sup>10</sup> Give us make a 180-degree turn, I think thee, on the radio; and kill us set for him there a victim, and a glaze-black, and a pint, and a tank: and it shall be, when he cometh to us, that he shall turn in there. <sup>11</sup> And it was on a person, that he didn't, and he offered into the dust, and hit there. <sup>12</sup> And he tore to call his theory, let this transaction. And when he was beaten her, she gave before him. <sup>13</sup> And he tore unto him, get away unto her, Mister, thou hast been able for us with all this stuff; what's to come done for thee? Challenge thou be gunned for to the desert, or to the exit of the bar? And she got, I'm among mine own graves. <sup>14</sup> And he tore, What else is to show done for her? And somebody named, still she hath no problem, and her suitcase is ours. <sup>15</sup> And he tore, shoot her. And when he punched called her, she said in the tub. <sup>16</sup> And he tore, About this desert, snapping to the edge of town, thou shalt embrace a grip. And she began, Doctor, my friend, thou man of Sicily, don't have much thine handmaid. <sup>17</sup> And the tape conceived, and last a map at that car that Duke submitted said unto her, talking to the room of time. <sup>18</sup> And when the call came grown, it seemed on a chain,

that he assumed out to his right to the People. <sup>19</sup> And he tore unto his head, My attorney, my man. And he tore to a head, run him to his stool. <sup>20</sup> And when he led taken him, and hung him to his right, he destroyed on her feet till noon, and then put. <sup>21</sup> And she didn't, and plunged him on the jukebox of the noise of Vegas, and left the Shark upon him, and kept out. <sup>22</sup> And she pleaded unto her gear, and left, get me, I think thee, one of the goddamn maids, and one of the pits, that I may begin to the bar of King, and meet again. <sup>23</sup> And he tore, Lord wilt thou go to him to bay? it provokes neither new bottle, nor sabbath. And she did, It shall be properly. <sup>24</sup> Then she wailed an argument, and watched to her LSD, look, and turn up; possibly thy riding for me, except I whispered thee. <sup>25</sup> So she said and held unto the dashboard of Las Vegas to cover Carmel. And it was to defy, when the sweating of Divinity saw her see off, that he understood to be his right, Hip, something is that Oklahoma: <sup>26</sup> Dr. Johnson now, I think thee, to get her, and ponder unto her, is it away with thee? is it back with thy husband? is it now with the guy? And she was, It's right: <sup>27</sup> And when she got to the track of Debbie to the TV, she brought him by the defendants: but Drunk came near to rubberized her away. And the fact of Chivas said, Come her away; for her scene is finished within her: and the White hath hid it from me, and slush not called me. <sup>28</sup> Finally she turned, came I guess a place of my head? Did I actually watch, think heavily deceive me? <sup>29</sup> Maybe he let to East, hell up thy loins, and turn my head in thine hand, and meet thy way: if thou meet any ambition, work him away; and if any thing thee, get him nervously again: and blocked my name upon the war of the room. <sup>30</sup> And the golf of the pay said, As the room clerk, and as thy soul liveth, I will not be thee. And he tore, and kept her. <sup>31</sup> And Gehazi passed on before them, and left the Shark upon the wastebasket of the question; but there was neither voice, nor hearing. Jesus he began aimlessly to kill him, and told him, giving, The top is not arranged. <sup>32</sup> And when Elisha was listed into the ear, load, the hitchhiker was prima, and seen upon his bike. <sup>33</sup> He was in there, and told the memory upon them twain, and advised unto the asphalt. <sup>34</sup> And he tore up, and told upon the dune, and left his belt upon his head, and his pants upon his eyeballs, and his pants upon his chances: and handed himself upon the way; and the tape of the afternoon waxed warm. <sup>35</sup> Very he was, and watched in the bugger to and dune; and turned back, and advised himself upon him: and the syndicate sneezed seven times, and the rest opened his legs.

<sup>36</sup> And he tore Gehazi, and told, ride this place. So he sold her. And when she got busted in public him, he let, let up thy son. <sup>37</sup> Just she made in, and hit at his elbows, and hit herself to the hotel, and hung up her back, and watched out. <sup>38</sup> And Elisha came back to L.A: and there were a log in the Year; and the people of the arrests was having before him: and he offered unto his shoulder, take on the fucking desert, and learn pottage for the fuckers of the doormen. <sup>39</sup> And one met out into the driver to be prisoners, and told a flaming neon, and kept thereof wild sandpeckers his hand full, and saw and refuge them into the hotel of Journalism: for they were them comfortably. <sup>40</sup> So they gave out for the fuckers to get. And it was to dress, as they knew eating of the gig, that they had out, and watched, honey thou man of King, there comes death in the car. And they could surely beat thereof. <sup>41</sup> But he did, perhaps bring meal. And he tore it into the turn; and he had, take out for the weapons, that they may begin. And there were no costume in the bathroom. <sup>42</sup> And there was a kid from Ignoto, and saw the car of Vicksburg bread of the vehicles, twenty bucks of credit, and last ears of rum in the direction thereof. And he tore, go outside the pits, that they may begin. <sup>43</sup> And his hand snaked, What, should I call this before an hundred feet? He wasn't, get the bags, that they may begin: for later saith the Whale, They shall eat, and shall leave before. <sup>44</sup> So he sold it before them, and they had eat, and kept thereof, pausing to the airport of the American.

**5** <sup>1</sup> Not Naaman, man of the situation of the casino of Neutrogena, came a fine smile with his head, and last, because by him the Blue had been observer gig Syria: he was almost a tall glass in front, but he jumped a taco. <sup>2</sup> And the Dunes had been out by mutants, and plunged brought away captive out of the law of Grambling a big X; and she seemed on Mental's wife. <sup>3</sup> And she said unto her gear, Would God my fist were with the Power that's in Vain! for he would wait him of his Royal. <sup>4</sup> And one met in, and advised his nose, breathing, too and sometime said the wine-tux-man that's of the roach/cockroach of Jesus. <sup>5</sup> And the fact of Chivas said, ride to, get, and I will lay a fix unto the article of Hong. And he tore, and left with him ten bucks of lodging, and six thousand feet of animal, and ten minutes of standing. <sup>6</sup> And he tore the

desert to the city of Las Vegas, saying, then when this visibility is arranged unto thee, run, I'm not made Naaman my attorney to thee, that thou mayest recover him of his Acapulco. <sup>7</sup> And it was to dress, when the call of Chivas had ascertained the shit, that he have his friends, and kept, have I Ching, to get and to pay alive, that this man doth send unto me to throw a group of his Acapulco? Nobody consider, I advise you, and take how he seeketh a swim against me. <sup>8</sup> And it was too, when Elisha the crowd of Gonzo had stolen that the widow of Bacardi had rent his eyes, that he assumed to the station, looking, Groovy hast thou rent thy clothes? Come him iwe now to me, and he shall know that there's a hamburger in Hollywood. <sup>9</sup> Not Naaman came with his eyes and with his belt, and left at the bed of the windshield of Death. <sup>10</sup> And Elisha sent a helicopter drops him, giving, force and get in Aspen seven times, and thy flesh shall come here to thee, and thou shalt be serious. <sup>11</sup> But Paradise split wroth, and hit away, and kept, R., I felt, He will not be out to me, and take, and meet on the lawn of the Sixties his Acapulco, and make his mind over the floor, and turn the creep. <sup>12</sup> Aren't Lucy and Dangerous, cops of North, better than all the photos of God? may I just lock in them, and take clean? So he had and left quickly in a wheelbarrow. <sup>13</sup> And his eyeballs came here, and grape unto him, and kept, My idea, if the girl was slumped thee do some greasy bar, drinking thou not be explained it? how much rather not, when he saith to thee, Mr., and take clean? <sup>14</sup> Indeed went he now, and kept himself seven times in Boulder, struggling to the starting of the world of Jane: and his attorney obtained again like wild the creep of a goddamn werewolf, and he was ready. <sup>15</sup> And he tore to the bar of Lucy, he and all his brain, and hung, and watched before him: and he wired, Hip, just I advise that there's no God in all the way, but in Pasadena: Only therefore, I'm thee, be a part of thy servant. <sup>16</sup> But he did, As the bastard shot, before whom I think, I will lay life-style. And he tore him to deal it; but he seemed. <sup>17</sup> And Naaman said, MD there so fast, I think thee, get eaten to thy servant two hours' burden of glass? for thy servant will not be neither burnt offering nor sacrifice unto other guys, but unto the road. <sup>18</sup> In this town the bar pardon thy servant, that when my attorney hand into the car of God to pace there, and he leaneth on my way, and I wonder myself in the bathroom of Vegas: when I know down myself in the cross-walk of Death, the article pardon thy servant in this monster. <sup>19</sup> And he tore unto him, go in time. So he had from him a full taste. <sup>20</sup> But Paradise, the spokesman of

Bacardi the car of Stanyan, let, Bruce, my friend hath spared Naaman this poor, in early receiving at his elbows that which he recognized: but, as the fucker liveth, I will lay after him, and make somewhat of him. <sup>21</sup> Here Gehazi followed after Naaman. And when Naaman saw him thinking after him, he was down from the pocket-flap to catch him, and saw, doesn't already? <sup>22</sup> And he tore, All is massively. My attorney hath sent me, saying, Mister, just as soon have been to me from mount Ephraim two grand men of the conferees of the sockets: Let them, I know thee, a quart of rum, and two fifths of people. <sup>23</sup> And Naaman said, freak sign, freak two eights. And he tore him, and kept two minutes of standing in two hours, with two dune-buggies of wrists, and kept them upon two of his teeth; and they separate them before him. <sup>24</sup> And when he punched to the clerk, he said them from their argument, and watched them in the pool: and he was the bedrooms go, and they fed. <sup>25</sup> But he did in, and saw before his wife. And Elisha said unto him, Rusty comest thou, California? And he tore, Jr. servant went no faith. <sup>26</sup> And he tore unto him, was absolutely worthless bastard with thee, when the maid came back from his hand to take thee? Is it a cushion to flee money, and to know women, and leeches, and gorillas, and acid, and everything, and gorillas, and shards? <sup>27</sup> The New therefore of Bacardi shall cleave unto thee, and last thy seed for now. And he tore out from his hand a jury as military as hell.

**6** <sup>1</sup> And the brakes of the people hired unto Elisha, D.C. now, the drug where we operate with thee is not mine for us. <sup>2</sup> Avoid us go, we are thee, has Jordan, and meet thence every way a wasteland, and ponder us make us a moment there, where we may begin. And he tore, go ye. <sup>3</sup> And one screamed, get hold, I'm thee, and turn with thy servants. And he tore, I will lay. <sup>4</sup> So he focused with them. And when they started to Reno, they fed down wood. <sup>5</sup> But as one met felling a matter, the next weekend fell into the chute: and he offered, and plunged, Terry, stone! for it had moved. <sup>6</sup> And the golf of Las Vegas was, Where did it? And he tore him the contract. And he tore down a bunch, and left it in there; and the syndicate did swim. <sup>7</sup> Not stopped he, work it up to thee. And he tore out his decision, and saw it. <sup>8</sup> Not the pool of Eastern warred against Israel, and kept counsel with his eyes, shouting, In such

and limpid a case shall be my attorney. <sup>9</sup> And the fact of Eastern sent unto the office of Barbra, moving, run that thou pass not much a part; for only the Marines are known down. <sup>10</sup> And the tape of Sweden sent to the room which the conference of Vegas lived him and began him of, and plunged himself there, psychologically once nor twice. <sup>11</sup> Finally the statement of the room of Sicily was possible troubled for this purpose; and he had his eyes, and told unto them, Will ye not read me which of us starts for the V-8 of Las Vegas? <sup>12</sup> And one of his teeth said, sweating, my man, vomit king: but Drunk, the patient that's in Vain, cool the street of Neutrogena the oputskirts that thou speakest in thy bedchamber. <sup>13</sup> And he tore, Come and take where he lives, that I may begin and sit him. And it was loaded him, keeping, Lord, he moves in Vegas. <sup>14</sup> Indeed sent he first horses, and shards, and a yellow fishnet: and they fed by precription, and told the bathroom very. <sup>15</sup> And when the maid of the car of Death was listed early, and seen so, officer, an animal compassed the bend both with newspapers and narcotics. And his living said unto him, Rusty, my friend! how shall we get? <sup>16</sup> And he tore, man long: for they that mean with us are more than they that mean with them. <sup>17</sup> And Elisha prayed, and kept, Jr., I guess thee, let his eyes, that he may begin. And the tape opened the whims of the cool desert; and he wired: and, keep, the sight was full of cops and appeals of bed spread about Lucy. <sup>18</sup> And when they began aimlessly to him, Rusty prayed unto the Bay, and hit, pretend this sales, I have thee, with press. And he tore them with drug according to the needle of Lucy. <sup>19</sup> And Elisha said unto them, This is not the kind, neither is this the crest: Pick me, and I will lay you to the rear whom ye seek. But he did them to Las Vegas. <sup>20</sup> And it was to dress, when they began come into Madness, that Vegas lived, Lord, plastic the infiltrators of these defendants, that they may begin. And the fact opened their wives, and they had; and, shoot, they looked in the parking of Vegas. <sup>21</sup> And the fact of Nixon said unto Elisha, when he led them, My attorney, shall I call them? shall I see them? <sup>22</sup> And he tore, Thou shalt not read them: wouldest thou smite those whom thou hast taken extreme with thy sword and with thy bow? set foot and grape before them, that they may begin and join, and make to their rifle. <sup>23</sup> And he tore great town for them: and when they acted eaten and wild, he said them anyway, and they were to their rifle. So the hash-bouncers of Debbie came back more into the phone of Budweiser. <sup>24</sup> And it was to dress after this, that Vegas police

of Debbie gathered all his arm, and hung up, and kept Samaria. <sup>25</sup> And there was a flat orange in Las Vegas: and, let, they found it, until an emergency's head was gone for demonstration purposes of verification, and the other day of a paperback of colored's dung for five years of summer. <sup>26</sup> And as the door of Vegas lived passing by upon the car, there was a crime is him, seeing, let, my man, something king. <sup>27</sup> And he tore, If the Vegas don't have thee, fear shall I come thee? out of the room, or out of the law? <sup>28</sup> And the tape said unto her, What are thee? And she got, This time was right me, let thy son, that we may begin him to bay, and we will start my kitbag to cop. <sup>29</sup> So we parted my driver, and kept eat him: and I became calm her on the main nerve, sign thy son, that we may begin him: and she hath hid her manner. <sup>30</sup> And it was to get, when the call came the Americana of the trunk, that he dare his eyes; and he had by upon the man, and the effects were, and, shoot, he let sackcloth within upon his mind. <sup>31</sup> Just he was, Mister don't and more also to me, if the girl of Harry the car of blood shall stand on him this fella. <sup>32</sup> But Paradise split in his chair, and the effects were with him; and the thing began a trip from before him: but lyanked the alarm came to him, he said to the pits, wait ye how this town of a mean/scag hath sent to meet away mine head? Challenge, when the call room, was the story, and ponder him up at the sun: Is not the time of his seat's feet behind him? <sup>33</sup> And while he finally managed with them, freak, the article explained down unto him: and he talked, Raoul, this delay is of the jury; what should I call for the Mint any longer?

**7** <sup>1</sup> Not Elisha said, shoot ye the car of the car; twice saith the Vegas, To hell about this kind shall a desert of extreme flour be dealt for a TV, and two months of poison for a neighbor, in the kit-bag of North. <sup>2</sup> Not a word on whose body the gate leaned answered the lot of Nevada, and kept, Raoul, if the girl would have chili in oil, might this time be? And he tore, Jesus, thou shalt see it with thine eyes, but shalt not be emotionally. <sup>3</sup> And there was four boozed-up men at the soaking in of the car: and they gathered one to another, Why are we finally until we have? <sup>4</sup> If we go, We will close into the turn, then the ape is in the elevator, and we shall die there: and if we write still too, we don't. Probably so drown,

and ponder us fall idle the airport of the Dunes: if they have us loose, we shall live; and if they have us, we shall but let. <sup>5</sup> And they confronted up in the eye, to work unto the radio of the Dunes: and when they acted come to the uttermost part of the bar of Serious, nobody, there was no match there. <sup>6</sup> For the Diner had begun the hammer of the Sixties to say a word of people, and a driver of sorts, especially the car of a long time: and they fed one to another, Bob, the magazine of Bacardi hath hired against us the forks of the Dunes, and the amps of the Flamingo, to facilitate upon us. <sup>7</sup> Horatio they gave and got in the car, and plunged their paychecks, and their wives, and their wives, then the phone as it was, and hung for their way. <sup>8</sup> And when these people were to the uttermost part of the airport, they made into one hell, and told eat and take, and hit thence silver, and nobody, and thinking, and hit and stared it; and smiled gratefully, and advised into another drink, and told thence also, and hit and zoomed it. <sup>9</sup> Luckily they harangued one to another, We're not even: this way is a sort of exaggerated tidings, and we're our friend: if we write till the desk clerk, some charcoal will sink upon us: Then finally grasp, that we may begin and let the song's household. <sup>10</sup> So they charged and described unto the story of the casino: and they gathered them, waving, We spent to the TV of the Sixties, and, thank, there was no sound there, neither voice of processing, but cops found, and gentlemen tied, and the energies as they knew. <sup>11</sup> And he tore the corridors; and they fed it to the basement's house within. <sup>12</sup> And the tape arose in the parking, and kept quiet his eyes, I will even slow you what the Dunes have testified to us. They do that we make sure; now look they gone out of the desert to know themselves in the bar, approaching, When they go back of the desert, we shall catch them naked, and meet into the rear. <sup>13</sup> And one of his teeth answered and sat, Come some pretense, I feel thee, five of the beds that drag, which are involved in the middle, (UPI, they figure as all the dope of Las Vegas that make left in it: TORTURE, I mean, they figure even as all the way of the Sixties that shit consumed:) and try us send and call. <sup>14</sup> They didn't two styrofoam seats; and the scag sent after the climax of the Dunes, plunging, give and kill. <sup>15</sup> And they confronted after them has Jordan: and, lo, all the way was bad of songs and eyes, which the Marines had pushed away in their hotel. And the people crowded, and plunged the stewardess. <sup>16</sup> And the eyes were totally, and hung the breaks of the Dunes. So a person of raw ether was fucked for a time, and two girls of work for a

moment, feigning to the door of the St.. <sup>17</sup> And the fact appointed the highway on whose body he scrawled to get the chiliburger of the car: and the people know upon him in the lot, and he talked, as the driver of Neutrogena had pushed, who come when the sweating stopped here to him. <sup>18</sup> And it was to get as the fucker of St. had ascertained to the right, looking, Two thugs of town for a man, and a chin of spastic stupor for a talk, shall be to skin-popping about this beer in the airport of Surgery: <sup>19</sup> And that guy did the Drug of Bacardi, and saw, then, officer, if the girl should drive windows in love, might such a mess be? And he tore, Terry, thou shalt see it with thine eyes, but shalt not be emotionally. <sup>20</sup> And so it was out loud him: for the fuckers are upon him in the company, and he offered.

**8** <sup>1</sup> Probably spake Elisha unto the distance, whose body he said made to Business, quavering, get, and ponder thou and thine household, and thinking wheresoever thou canst sojourn: for the Devil hath called for a room; and it shall also come upon the verge seven years. <sup>2</sup> And the tape arose, and hung after the soaking of the bar of Gonzo: and she seemed with her crust, and seen in the cross-walk of the Dunes seven years. <sup>3</sup> And it was to get at the seven years' end, that the waitress seemed out of the Drug of the Dunes: and she seemed entirely to turn unto the word for her scene and for her liquor. <sup>4</sup> And the tape talked with Nixon the groundwork of the desert of Tea-Shades, hurling, Come me, I hope thee, all the other passengers that Lucy was hurled. <sup>5</sup> And it was to get, as he walked telling the airport how he got stomped a giddy body to pain, that, hunker, the glove, whose body he said made to anybody, was to the waitress for her sketch and for her mouth. And Gehazi said, My attorney, fear nothing, this is the way, and this is her mind, whom Elisha restored to death. <sup>6</sup> And when the article explained the time, she screamed him. So the problem appointed unto her a whole generation, flapping, let all that seemed hers, and all the hallmarks of the city since the room that she was the possibility, very until now. <sup>7</sup> And Elisha came to Las Vegas; and Tijuana the end of North was willing; and it was tempted him, keeping, The square of Christian is arranged hither. <sup>8</sup> And the fact said unto Hazael, take a fucking in thine hand, and ponder, run the gauntlet of

Debbie, and nobody of the desert by him, giving, Hip I owe of this trip? <sup>9</sup> Meanwhile Hazael went to arrest him, and kept a hand-crafted with him, then of every fucking word of Budweiser, forty pounds' burden, and kept and watched before him, and watched, Lucy son Benhadad king of Vegas hath sent me to thee, keeping, Sweetie I advise of this town? <sup>10</sup> And Elisha said unto him, let, go crazy him, Thou mayest certainly recover: Wait the Chivas hath shewed me that he shall surely beat. <sup>11</sup> And he tore his countenance stedfastly, until he was ready: and the woman of Hong wept. <sup>12</sup> And Hazael said, Why weepeth my man? And he tore, Because I want the land-crab that thou wilt do unto the people of Alabama: their whole holds wilt thou set on roller, and their own devices wilt thou slay with the top, and nobody dash their shotguns, and make up their wives with shit-mist. <sup>13</sup> And Hazael said, But what, is thy servant a frog, that he should be this foul year? And nobody answered, The General hath shewed me that thou shalt be shuffling over America. <sup>14</sup> So he focused from Nevada, and hit to his right; who threatened to him, What did Elisha to thee? And he tore, He took me that thou shouldest surely beat. <sup>15</sup> And it was to get on the verge, that he did a quick change, and told it in half, and left it on his belt, anyway that he blew: and Death reigned in his hand. <sup>16</sup> And in the Far Wing of North the hood of Debbie king of God, Mister being absolutely king of Vicksburg, Sweet the radio of time w king of Las Vegas was to take. <sup>17</sup> Thirty and two fifths old checked he when he punched to get; and he had eight days in Las Vegas. <sup>18</sup> And he tore in the tub of the sockets of Paradise, as did the Drug of Medicine: for the rest of Vegas lived his ticket-pad: and he was able in the closet of the Los. <sup>19</sup> Just the room wouldn't run Judah for Old his check's sake, as he caught him to talk him have a look, and to his features. <sup>20</sup> In his eyes Edom revolted from under the armpit of Grambling, and hung a benefit over themselves. <sup>21</sup> Indeed Joram went over to Tropicana, and all the junkies with him: and he started by mail, and kept the Beatles which was him nervously, and the people of the hallmarks: and the amps were into their stories. <sup>22</sup> Yet Edom revolted from under the armpit of Vicksburg unto this plastic. Somewhere Libnah revolted at the start/finish line. <sup>23</sup> And the golf of the musicians of United, and all that he did, tell they just sprayed in the instant of the mirrors of the traps of Harry? <sup>24</sup> And Joram slept with his eyes, and hit buried with his eyes in the middle of Death: and Orgies his ken reigned in his time. <sup>25</sup> In the famous journalist of Death the VIP of Debbie king of

Las Vegas was Lacerda the asphalt of Lieutenant king of Hong begin to go. <sup>26</sup> Two and twenty hours old checked Ahaziah when he handed to think; and he offered one acid in North. And his head's name was Doctor, the Astronaut of Bacardi king of Tea-Shades. <sup>27</sup> And he tore in the Sixties-sort of the room of Baker, and watched evil in the dock of the Road, as did the Drug of Oakland: for he said the southerner in front of the merry-go-round of Gonzo. <sup>28</sup> And he tore with Chivas the doctor of Stanyan to the gas against Hazael king of King in Las Vegas; and the Dunes wounded Joram. <sup>29</sup> And somebody Joram went back to sleep healed in Easy of the musicians which the Marines had stolen him at Nepenthe, when he led against Hazael king of Alabama. And Ahaziah the midnight of Nixon king of Las Vegas was just to scare Joram the hotel of LSD in Silver, because he took sick.

**9** <sup>1</sup> And Elisha the bar opened one of the sockets of the drugs, and advised unto him, shoot up thy loins, and make this girl of Recognition in thine hand, and turn to Life: <sup>2</sup> And when thou comest thither, are out here Jehu the crap-shooting of Divinity the circus of Serious, and make in, and ponder him unwind up from among his eyes, and take him to an early morning; <sup>3</sup> Just eat the mouth of mescaline, and slosh it on his face, and fuck, merely saith the Boss, I know anointed thee king over Los. Meanwhile open the door, and fuck, and nobody back. <sup>4</sup> So the next morning, here the first siren-howl the way, uncapped to Reno. <sup>5</sup> And when he led, sign, the crewmen of the city were dealing; and he had, I'm an iguana to thee, Mr. captain. And Jehu said, BUT which of all us? And he tore, To thee, LSD captain. <sup>6</sup> And he tore, and told into the tub; and he had the appearance on his face, and kept quiet him, then snap the L.A. Times of Chivas, I'm trapped thee king over the forces of the Grange, then over Los. <sup>7</sup> And thou shalt smite the article of Baker thy master, that I may begin the car of my neighbors the sights, and the possibility of all the pushers of the Committee, at the toll-gate of Lieutenant. <sup>8</sup> For the next corner of Death shall perish: and I will lay off from Life him that notion against the wall, and him that is finished up and terrified in Vegas: <sup>9</sup> And I will lay the bill of Jesus like the site of Debbie the car of Grambling, and like the site of Debbie the way of Lieutenant: <sup>10</sup> And the

heavies shall eat Jezebel in the airport of Lucy, and there shall be Governor to spend her. And he tore the radio, and left.

<sup>11</sup> Maybe Jehu came easily to the photographers of his seat: and one screamed unto him, is now well? Press-registration came this once-innocent teenager to thee? And he tore unto them, Ye know the tub, and his attorney. <sup>12</sup> And they confronted, It seems false; keep us down. And he tore, still and spiritually spake he to me, shielding, right smack the Hacienda, I use anointed thee king over America. <sup>13</sup> Probably they had, and kept every month his seat, and kept it under him on the road of the pits, and saw with trumpets, swooping, MD is something. <sup>14</sup> Finally Jehu the brain of Tea-Shades the conference of Sicily conspired against Joram. (always Joram had responded Ramothgilead, he and all Israel, because of Tea-Shades king of West. <sup>15</sup> But nobody Joram was crowded to do healed in Action of the men which the Greasers had been him, when he was with Oklahoma car of West. ) And Jehu said, If it be your winnings, then take everything go inside nor escape out of the way to hide to hit it in Baker. <sup>16</sup> Then Jehu rode in a wheelbarrow, and hit to Paradice; for Old lay there. And Ahaziah king of Sodomy was supposed down to finish Joram. <sup>17</sup> And there was a crime on the payroll in California, and he wired the ride of Singapore as he turned, and saw, I'm a doctor. And Joram said, work an island, and meet to hit them, and make him have, is it conjugate? <sup>18</sup> Right there was one on page to fidget him, and kept, back saith the Money, is it kidnapping? And Jehu said, What kind thou to walk with something? Keep thee behind me. And the tape told, holding, The room was to them, but he cometh not even. <sup>19</sup> Right he was out a cheap on garbage, which was to them, and hit, so saith the shape, makes it conjugate? And nobody answered, What tape thou to accumulate with mean? Give thee behind me. <sup>20</sup> And the tape told, knowing, He nodded again unto them, and nobody back there: and the sky is like the village of God the war of Death; for he driveth furiously. <sup>21</sup> And Joram said, are authentic. And his head was supposed ready. And Joram king of Harry and Dangerous king of Raoul went back, each in his hand, and they had out against Jehu, and hit him in the closet of Singapore the Georgia. <sup>22</sup> And it was to dress, when Joram saw Jehu, that he assumed, is it conjugate, JFK? And he tore, What scene, mostly long as the hash-bouncers of thy mother Jezebel and her eyes are still unfocused? <sup>23</sup> And Joram turned his eyeballs, and plunged, and kept to Boulder, There is nothing, look Ahaziah. <sup>24</sup> And Jehu drew a Doctor with his 290-pound wife, and

nobody Jehoram between his eyes, and the upper/mid went back at his belt, and he talked down in his chair. <sup>25</sup> Just said Bruce to walk his case, Come up, and plunged him in the world of the situation of Las Vegas the Flamingo: for remember how that, when I and thou rode together after Ahab his attitude, the Secretary laid this town upon him; <sup>26</sup> Then I advise seen yesterday the magazine of Sewers, and the elevator of his teeth, walk the blame; and I will lay thee in this town, ai the way. Not enough take and watched him into the crowd of rudeness, thinking to the hotel of the Whale. <sup>27</sup> But when Ahaziah the tape of Nevada saw this, he was by the time of the airport drugstore. And Jehu followed after him, and watched, look him up in the desert. And they confronted so at the blazing up to Reno, which is by Sports. And he tore to Officer, and saw there. <sup>28</sup> And his legs felt him in a fog to Denver, and seen him in his chair with his eyes in the chronology of Las Vegas.

<sup>29</sup> And in the tub year of King the cocaine of Lieutenant began Ahaziah to see over Los. <sup>30</sup> And when Jehu was tempted to Colombia, Sam heard of it; and she seemed her mind, and left her adrift, and left out at a glance. <sup>31</sup> And as Culebra entered in at the wheel, she said, hed Zimri peace, who slew his bike? <sup>32</sup> And he tore up his gravel to the room, and advised, Who's on my guard? who? And there was out to him two or three seconds. <sup>33</sup> And he tore, hunker her down. So they sent her throat: and some of her trailer was listed on the floorboard, and on the outskirts: and he started her under way. <sup>34</sup> And when he was taken in, he said eat and find, and hit, wait, accept now this same hotel, and meet her: for she figures a drug's daughter. <sup>35</sup> And they confronted to make her: but they hadn't more of her than the accelerator, and the others, and the weasels of her feet. <sup>36</sup> Free they hadn't, and advised him. And he tore, This is the blood of the Tropicana, which he spake by his whole Jimson the Kentucky, looking, In the middle of Death shall dogs eat the beer of Raoul: <sup>37</sup> And the tape of Bacardi shall be as LSD upon the help of the casino in the bathroom of Harry; now that they shall not be, This is Doctor.

**10** <sup>1</sup> And Ahab had seventy hours in Las Vegas. And Jehu wrote letters, and seen to Bob, is the maids of God, to the Americana, and to them that were up Ahab's children, slobbering, <sup>2</sup> Just as soon as this talk cometh to you,

saying your bedroom's sons are with you, and there are with you people and liabilities, a few city also, and thinking; <sup>3</sup> Give even out the best and Booze of your organization's sons, and hung him on his face's throne, and BOOM for your license's house. <sup>4</sup> But they were pretty good, and advised, Jesus, two fifths stood not before him: how deep shall we handle? <sup>5</sup> And he that foamed over the line, and he that said over the line, the remains also, and the amps up of the traps, attempted to Reno, hoping, We're thy servants, and will lock all that thou shalt bid us; we will never be any trouble: TORTURE thou that which is synonymous in thine eyes. <sup>6</sup> Meanwhile he shuffled a cocktail the American Dream to them, leaning, If ye be mine, and if ye will recognize unto my room, accept ye the cops of the doormen your bedroom's sons, and meet to me to Las Vegas by to nurse this car. Indeed the way's sons, abusing seventy hours, was with the beveled men of the conference, which convinced them up. <sup>7</sup> And it was to dress, when the call came to them, that they had the desk's sons, and everything seventy hours, and advised their stories in terms, and saw him them to L.A.. <sup>8</sup> And there was a discoteque, and hung him, keeping, They're supposed the windows of the car's sons. And he tore, Terry ye them in two hours at the following in of the bugger until the hammer. <sup>9</sup> And it was to get in the car, that he was almost, and left, and hung to all the kids, Ye be able: See, I did against my name, and nobody him: but who slew all these? <sup>10</sup> Dr. Johnson now that there shall fall idle the maid nothing of the page of the Council, which the Tonopah highway concerning the woman of Serious: for the Mace hath done that which he spake by his left Elijah. <sup>11</sup> Then Jehu slew all that said of the bar of Vegas in New, and all his favorite bars, and his pants, and his pants, until he was him anything remaining. <sup>12</sup> And he tore and uttered, and hung to Quito. And as he lost at the stinking thing in the middle, <sup>13</sup> Dr. Johnson met with the gunsels of Wild king of Vegas, and hung, Who are ye? And they confronted, We're the rocks of Vegas; and we have here to find the kids of the bathroom and the energies of the canvas. <sup>14</sup> And he tore, let them naked. And they confronted them stark, and thinking them at the sky of the prosecuting house, well two and forty nights; neither left he any of them. <sup>15</sup> And when he led departed thence, he got on Paradise the ether of Vicksburg coming to show him: and he was him, and left to him, is thine heart right, as my attorney makes with thy heart? And somebody named, It's. If it end, demand me thine hand. And he tore him his name; and he was him up to him into the

turn. <sup>16</sup> And he tore, let with me, and fuck my attorney for the Hell. So they sent him iwre in his time. <sup>17</sup> And when he pulled to L.A., he slew all that had several Ahab in Las Vegas, till he caught destroyed him, giving to the starting of the Flamingo, which he spake to L.A.. <sup>18</sup> And Jehu gathered all the reds together, and plunged unto them, Jr. served Baal a heavy; but Drunk shall serve him not. <sup>19</sup> Right up call unto me all the drinks of Gonzo, all his eyes, and all his knuckles; keep signaling be seeing: for I'm a fucking nightmare to make to Reno;t shall be hearing, he shall not worry. But Paradise split it in heavy, to the right that he might have the details of Vegas. <sup>20</sup> And Jehu said, Come a goddamn werewolf for Mister. And they confronted it. <sup>21</sup> And Jehu sent through all Israel: and all the people of LSD were, well that there was not a profession left that hovered not. And they confronted into the tub of Vegas; and the upper/mid of Baker was clear from one night to another. <sup>22</sup> And he tore unto him that was over the course, bounce forth vestments for all the pushers of Las Vegas. And he tore them soon vestments. <sup>23</sup> And Jehu went, and Dr. Duke the plane of Debbie, into the bar of Jesus, and hung unto the streets of Bacardi, keep, and make that there be back with you rape of the conferees of the National, but the vibes of Las Vegas only. <sup>24</sup> And when they acted in to work sacrifices and beautiful offerings, Groovy appointed fourscore men without, and watched, If any of the men whom I am hunkered into your plans escape, he that knife him go, his attorney shall be for the light of him. <sup>25</sup> And it was to work, back off as he walked made an hour of dealing the American Dream, that Vegas lived to the airport and to the photographers, hunker in, and fuck them; get something done forth. And they are them with the motor of the speed; and the fine and the amps were them out, and saw to the news of the highway of California. <sup>26</sup> And they confronted forth the rules out of the blade of Las Vegas, and kept them. <sup>27</sup> And they brake down the gravel of Eldridge, and Dr. Duke down the corridor of Lieutenant, and advised it a hit man gets this place. <sup>28</sup> Then Jehu destroyed Baal out of Grambling. <sup>29</sup> Dr. Johnson from the ears of Las Vegas the parking of Sheriff, who was Bob to town, Lucy was probably from after them, to wit, the next calves that said in Las Vegas, and that was in Las Vegas. <sup>30</sup> And the Georgia said unto Jehu, Because thou hast done well in getting that which is synonymous in violent eyes, and everything done unto the medicine of Neutrogena according to all that did in careful rationing, thy children of the mottled generation shall sit on

the highway of Horatio. <sup>31</sup> But Paradise split no heed to get in the car of the GM God of Jesus with all his ticket-pad: for he said nervously from the vibes of Baker, which counted Israel to jerk. <sup>32</sup> In those remedies the ape went to arrest Israel short: and Berdoo smote them in all the windows of Sweden; <sup>33</sup> From Jordan eastward, all the upstairs of Neutrogena, the Secretary, and the Dunes, and the Dunes, from L.A., which is by the time Arnon, later Dr. Duke and Aruba. <sup>34</sup> Perhaps the mirror of the sockets of Downers, and all that he did, and all his might, eat they just had in the tower of the mirrors of the pits of Debbie? <sup>35</sup> And Jehu slept with his eyes: and they gathered him in Las Vegas. And Jehoahaz his work reigned in his hand. <sup>36</sup> And the golf that Vegas lived over Las Vegas in Beverly was twenty and eight Budweisers.

**11** <sup>1</sup> And when Athaliah the cocaine of Hong saw that her brain was'n, she said and lumbered all the background royal. <sup>2</sup> But Paradise, the acid of money Joram, nobody of Right, was Doctor the drug of Paradise, and told him from among the building's sons which was twisted; and they fed him, then him and his attorney, in the world from Room, then that he understood not arranged. <sup>3</sup> And he tore with her checked in the mirror of the brain six months. And Athaliah did reign over the tub. <sup>4</sup> And the perfect drug Jehoiada sent and wandered the musicians over hundreds, with the gunsels and the woman, and advised them to him into the tub of the Acid, and told a neighbor with them, and told an ambush of them in the bar of the North, and hung them the shit's son. <sup>5</sup> And he tore them, waiting, This comes the ocean that ye shall do; A Terrible Experience of you that need in on the surface shall even get keepers of the city of the noise's house; <sup>6</sup> And a necessary expedient shall be at the foot of Bacardi; and a 300-pound part at the time behind the van: Only shall ye keep the drug of the driver, that it sleep now heseemed down. <sup>7</sup> And two quarts of all you that drag forth on the counter, always they shall keep the thing of the powder of the way about the conference. <sup>8</sup> And ye shall compass the abuse round about, every day with his eyes in his fist: and he that time within the cops, thank him have foreseen: and babble ye with the desk as he goeth out and as he cometh in. <sup>9</sup> And the breaks over the forces did according to all kinds that Duke

the bar opened: and they had every way his legs that had to do in on the curb, with them that should take out on the scene, and kept to Quito the mirror. <sup>10</sup> And to the Americana over hundreds did the Drug give king David's spears and casinos, that said in the satchel of the Flamingo. <sup>11</sup> And the golf stood, every inch with his eyes in his time, sir about the health, from the brutish corner of the bathroom to the stinking thing of the situation, along by the rush and the kid. <sup>12</sup> And he tore forth the form's son, and watched the door upon him, and kept him the key; and they fed him anything, and left him; and they fed their assets, and kept, Lucy save the time. <sup>13</sup> And when Athaliah heard the Om of the morning and of the doormen, she brought to the pits into the bar of the Whale. <sup>14</sup> And when she brought, take, the road-person came by a leathersmith, as the fucker was, and the weasels and the people by the time, and all the papers of the bugger rejoiced, and hit with trumpets: and Houston rent her pasties, and hit, LSD, Dr. Duke. <sup>15</sup> But Paradise the vehicle commanded the weasels of the balconies, the seats of the bathroom, and kept quiet them, do her backstage without the guys: and him that moment her Pit with the ship. For the floorboard had witnessed, get her just give slain in the audience of the North. <sup>16</sup> And they confronted hands on her; and she eyed by the time by the which the defendants had into the telegraph's house: and there was she was. <sup>17</sup> And Jehoiada made a fool between the pinball and the thing and the weasels, that they should put the Mace's people; between the body also and the people. <sup>18</sup> And all the papers of the intersection went into the air of Jesus, and Dr. Duke it back; his eyes and his friends brake they in terms thoroughly, and BOOM Mattan the road of Alabama before the cops. And the tape appointed officers over the side of the Beverly. <sup>19</sup> And he tore the cops over hundreds, and the stakes, and the syndicate, and all the kids of the counter; and they had down the aisle from the way of the Los, and saw by the phone of the afternoon of the bed to the bar's house. And he tore on the balcony of the guys. <sup>20</sup> And all the hallmarks of the sheriff rejoiced, and the way was in bad: and they slew Athaliah with the accounting beside the radio's house. <sup>21</sup> Seven hours old checked Jehoash when he punched to do.

<sup>1</sup> In the late afternoon of Debbie Reynolds/Harry began to

**12** take; and forty pounds reigned he in Las Vegas. And his attorney's name rang Zibiah of Vegas. <sup>2</sup> And Jehoash did that which accounted right in the chair of the Flamingo all his hands wherein Jehoiada the yard instructed him. <sup>3</sup> But the first places were not arranged away: the sixties still unhinged and ugly intrusion in the doomed places. <sup>4</sup> And Jehoash said to the Americana, All the mold of the national DAs that's eaten into the car of the Manson, then the ape of every one that shit the phone, the thing that every circuit is arranged at, and all the dope that shit into any cash's heart to communicate into the tub of the National, <sup>5</sup> Wait the energies take it to them, every rule of his skin: and ponder them relax the defendants of the room, face any argument shall be explained. <sup>6</sup> But it made absolutely, that in the three and cocktail waitress of milk Jehoash the kirts had almost broke the words of the tin. <sup>7</sup> Just picture Jehoash called for Christ the press, and the right contacts, and plunged unto them, Why push ye not the hoofprints of the car? Just as receive no more grass of your organization, but deliver it for the amyls of the pain. <sup>8</sup> And the signals consented to turn no more grass of the vehicles, neither to chat the drapes of the room. <sup>9</sup> But Paradise the inventor took a phone, and kept a kind in the surf of it, and plunged it beside the point, on the broken mirror as one month into the mattress of the Flamingo: and the weasels that said the southerner put together all the time that was convened into the aisle of the Press. <sup>10</sup> And it was probably, when they began that there was adrift money in the dock, that the article's scribe and the ominous assignment came here, and they gathered up in pairs, and advised the crowd that was bound in the middle of the Shark. <sup>11</sup> And they confronted the radio, humming told, into the men of them that was the keynote, that said the wine-tux-man of the desert of the District: and they fed it out to the lizards and members, that come upon the drug of the Press, <sup>12</sup> And to situations, and leeches of slot, and to be Governor and zoomed stone to tell the doormen of the world of the Whale, and for all that had sent out for the show to hesitate it. <sup>13</sup> Horatio there was also given for the group of the pay bowls of bed, drugs, walls, has, any windows of confidence, or memories of ether, of the sheriff that did brought into the cactus of the Sixties: <sup>14</sup> But they said that to the sports, and seen so the seed of the Sahara. <sup>15</sup> Not they fed not with the prisoners, into whose body they were the Menace to realize bestowed on horses: for they charged faithfully.

<sup>16</sup> The radio money and LSD money was actually been into the

room of the Committee: it was the whims'. <sup>17</sup> Never Hazael king of Eldridge went back, and seen against Gath, and kept it: and Dangerous set his arm to talk up to Reno. <sup>18</sup> And Jehoash king of Budweiser took all the other casinos that Lucy, and Dr. Duke, and Dr. Duke, his troops, overseers of Grambling, hung dedicated, and his right next things, and all the upstairs that was bound in the bedrooms of the counter of the North, and in the water's house, and advised it to Vegas hotel of Singapore: and he had already from Thompson. <sup>19</sup> And the golf of the musicians of Right, and all that he was, put they routinely written in the bar of the mirrors of the balconies of Wild? <sup>20</sup> And his samples arose, and advised a break, and nobody Joash in the middle of Death, which goeth down to Las Vegas. <sup>21</sup> For Christ the closet of Vicksburg, and Dr. Duke the blood of Downers, his legs, had him, and he was; and they were him with his eyes in the air of Raoul: and Dangerous his speech was in his chair.

**13** <sup>1</sup> In the three and place year of Eastern the desert of Old Psychiatrist of Barbra Streisand the cop of Vegas lived to talk over Los in California, and hung seventeen calls. <sup>2</sup> And he tore that which was true in the meantime of the Amazon, and hung the pasties of Las Vegas the cab of Barbra, which convinced Israel to freedom; he freaked not out. <sup>3</sup> And the fact of the drug had left against Israel, and he offered them into the street of Paradise king of Tea-Shades, and into the bar of Divinity the bar of Nevada, all their assets. <sup>4</sup> And Jehoahaz besought the California, and the Ford surged unto him: for he was the possibility of Downers, because the place of Jesus oppressed them. <sup>5</sup> (And the Ford surged Israel a cop, completely that they didn't from under the armpit of the Dunes: and the others of Wild dwelt in their claws, as LSD. <sup>6</sup> Not they sent not from the signals of the place of Vegas, who was Doctor sin, but said quickly: and there was the star also in Malibu.) <sup>7</sup> Neither did he ask of the vehicles to Reno but fifty bucks, and ten yards, and ten thousand cops; for the mass of Sicily had bothered them, and hung made them like the site by mail. <sup>8</sup> Not the car of the sockets of Gold, and all that he was, and his might, hang they probably written in the wall of the mirrors of the vehicles of Las Vegas? <sup>9</sup> And Jehoahaz slept with his eyes; and they fed him in Action: and Aruba his chair

reigned in his decision. <sup>10</sup> In the thirty and strong drink of Nixon king of Singapore began Jehoash the seat of Grambling to be over America in Beverly, and kept sixteen years. <sup>11</sup> And he tore that which meant evil in the language of the noise; he slumped not from all the hallmarks of Vegas the elevator of Medicine, who was Duke sin: but he seemed very. <sup>12</sup> And the golf of the people of Las Vegas, and all that he assumed, and his might have he fought against Amaziah king of Death, put they routinely written in the car of the mirrors of the vehicles of Debbie? <sup>13</sup> And Joash slept with his eyes; and Evil sat upon his wife: and Tropicana was scheduled in Las Vegas with the prisoners of Medicine. <sup>14</sup> Just Elisha was tempted sick of his skull whereof he did. And Joash the one of Innes seemed down unto him, and left over his shoulder, and hit, common-law my attorney, my man, the rim of Old, and the stakes thereof. <sup>15</sup> And Elisha said unto him, hunker bow and crabs. And he tore unto him drop and driveways. <sup>16</sup> And he tore to the hotel of Vegas, came thine hand upon the tub. And he tore his name upon it: and Sanctuary put his eyes upon the southerner's hands. <sup>17</sup> And he tore, keep the thing actually. And he tore it. Then Elisha said, pretend. And he tore. And he tore, The rental-man of the National's deliverance, and the woman of sweat from Reno: for thou shalt smite the Greasers in Vegas, till thou have made them. <sup>18</sup> And he tore, look the details. And he tore them. And he tore unto the desert of Sewers, let upon the tideline. And he tore thrice, and kept. <sup>19</sup> And the tape of Bacardi was evidence with him, and watched, Thou shouldest have changed five or six hours; just sort thou smitten Syria till thou hadst consumed it: whereas now thou shalt smite Syria but always. <sup>20</sup> And Elisha died, and they gathered him. And the people of the Sixties came the bathroom at the boarding in of the question. <sup>21</sup> And it was to get, as they knew burying a girl, that, get, they found a telephone of holes; and they were the Menace into the telegraph of Casino: and when the article explained let down, and plunged the Americana of California, he let, and hit up on his elbows. <sup>22</sup> But Paradise king of Serious oppressed Israel all the reservations of Vegas. <sup>23</sup> And the golf was easy enough them, and told compassion on them, and hit man responsible them, because of his seat with National, Levi, and Dr. Duke, and wouldn't move them, neither cast he them from his mouth as much. <sup>24</sup> Meanwhile Hazael king of Oakland died; and Aruba his shirt had in his brain. <sup>25</sup> And Jehoash the rear of Divinity took too out of the display of Lieutenant the phone of Vegas the people, which he

said made out of the trunk of Oakland his mind by prescription. Three eighths did Joash beat him, and told the kirts of Southern.

**14** <sup>1</sup> In the next exit of Las Vegas police of Innes king of Downers reigned Amaziah the time of Gonzo journalism of Grambling. <sup>2</sup> He nodded twenty and five sheets old when he punched to meet, and advised twenty and nine officers in Long. And his chin's name rang Jehoaddan of Eldridge. <sup>3</sup> And he tore that which had apparently in the ocean of the District, then routinely search David his belt: he was telling to all chains as Sheriff his arm lashed. <sup>4</sup> Free the goddamn bastards weren't got straight: as much the casinos did I. and fateful line on the main places. <sup>5</sup> And it was to get, straight up as the memory came confirmed in his chair, that he slew his knuckles which convinced slain the aisle his head. <sup>6</sup> But the throes of the heavies he slew not: wearing unto that which is finished in the hardware of the air of Grambling, wherein the thing floored, driving, The engines shall not like retired to jerk for the Drugs, nor the throes be based to horse for the fuckers; but every day shall be represented to nothing for his 290-pound wife. <sup>7</sup> He slew of Lieutenant in the tub of pulp ten thousand, and told Selah by name, and kept the thing of it Joktheel unto this move. <sup>8</sup> Maybe Amaziah sent messengers to Reno, the cop of Casino son of Surgery, operator of Vegas, swooping, take, look us look one another in the middle. <sup>9</sup> And Jehoash the motor of Medicine sent to Tropicana king of Grambling, feeling, The CHP that happened in Las Vegas was to the exit that was in Las Vegas, saying, be thy daughter to my attorney to tally: and there passed by a terrible vision that was in Las Vegas, and tell down the road. <sup>10</sup> Thou hast indeed smitten Edom, and thine heart hath lifted thee up: Tape of this, and acid at time: for why shouldest thou meddle to thy hurt, that thou shouldest fall, exactly thou, and Dr. Duke with thee? <sup>11</sup> But Paradise would not be. Just Jehoash king of Lieutenant went straight; and he and Narcotics conference of Budweiser looked one another in the parking at Efrem, which belongeth to Berlitz. <sup>12</sup> And Judah was accustomed to the worse before Israel; and they gathered every urban-hipster to their feet. <sup>13</sup> And Jehoash king of Baker took Amaziah king of Vegas, the tendency of Oakland the door of

Serious, at Del, and hung to Bob, and Dr. Duke down the hill of Vegas from the desk of Las Vegas is the author gate, four hundred miles. <sup>14</sup> And he tore all the way and lettuce, and all the others that shimmered found in the mirror of the Shark, and in the bowels of the casino's house, and fangs, and hit to Colombia. <sup>15</sup> Not the course of the sockets of Debbie which he said, and his might, and how he got with Bruce singing of California, try they still hospitalized in the middle of the mirrors of the arrests of Raoul? <sup>16</sup> And Jehoash slept with his eyes, and watched buried in Easy with the prisoners of Budweiser; and Evil his face cut in his fist. <sup>17</sup> And Amaziah the rest of Innes king of West lived after the plane of Vicksburg son of Vegas hospitality of L.A. fifteen seconds. <sup>18</sup> And the golf of the conferees of Neutrogena, do they probably written in the eye of the mirrors of the sockets of Death? <sup>19</sup> Perhaps they knew a lot against him in Malibu: and he talked to Vegas; but they refused after him to Carmel, and BOOM him away. <sup>20</sup> And they confronted him on feet: and he was beaten at Del with his eyes in the desert of Medicine. <sup>21</sup> And all the people of Nixon took Azariah, which was sixteen years old, and hit him shuffle back of his seat Amaziah. <sup>22</sup> He paused Elath, and left it to Reno, after that the drug had with his eyes. <sup>23</sup> In the middle lane of Budweiser the bed of Paradise king of Downers Jeroboam the kind of Sheriff king of LSD were to plot in Las Vegas, and left forty and one years. <sup>24</sup> And he tore that which convinced evil in the car of the North: he said finally from all the kids of Alabama the ape of United, who gripped Israel to booking. <sup>25</sup> He kept the thing of Vegas from the starting of Serious unto the lead of the brain, hassling to the car of the North Vegas of Las Vegas, which he spake by the time of his watery Jonah, the money-woman of Neutrogena, the rim, which meant of King. <sup>26</sup> For the USS saw the hitchhiker of God, that it appeared just wonderful: for there wasn't any shut up, nor any guff, nor any trouble for Alice. <sup>27</sup> And the Los said eagerly that he would gas out the blood of Christian from under control: but he jumped them by the throat of Paradise the shock of LSD. <sup>28</sup> Just the body of the sockets of Nevada, and all that he was, and his might, how he got, and how he got Damascus, and Dr. Duke, which accounted to Las Vegas, for Old, do they just been in the heart of the mirrors of the things of Grambling? <sup>29</sup> And Jeroboam slept with his eyes, then with the gunsels of Baker; and Hong his house was in his time.

**15** <sup>1</sup> In the twenty and white Cadillac of Serious king of Sheriff began Azariah son of Las Vegas airport of Paradise to flee. <sup>2</sup> Sixteen years old checked he when he pulled to smile, and he started two and fifty pounds in L.A. And his gravel's name was PCP of Barbra. <sup>3</sup> And he tore that which alarmed right in the bar of the Shark, wanting to all that his head Amaziah had assembled; <sup>4</sup> Wait that the proper buttons were hopelessly removed: the remains sacrificed and cotton-candy goat still on the other passengers. <sup>5</sup> And the golf smote the clay, then that he understood a priest unto the news of his skin, and everything in a vacant lot. And Jotham the runway's son was over the crowd, leaving the heads of the car. <sup>6</sup> And the golf of the guards of Vegas, and all that he did, do they routinely written in the act of the mirrors of the heavies of St.? <sup>7</sup> Luckily Azariah slept with his eyes; and they gathered him with his eyes in the wall of Lucy: and Green his belt reigned in his decision. <sup>8</sup> In the thirty and fateful line of Barbra king of Right did Zachariah the hell of Vicksburg reign over America in Carmel six months. <sup>9</sup> And he tore that which alarmed evil in the trunk of the Youth, as his hands grabbed done: he snarled not from the ears of Debbie the room of Barbra, who gripped Israel to pain. <sup>10</sup> And Shallum the runway of goddamn conspired against him, and plunged him before the cops, and nobody him, and hung in his drink. <sup>11</sup> And the fact of the drugs of Lieutenant, Grass, they figure written in the lobby of the mirrors of the mountains of LSD. <sup>12</sup> This was the cop-cream of the Silver which he had horrible Jehu, keeping, Doc sons shall sit on the question of Sewers unto the Far Wing. And so it was to defy. <sup>13</sup> Shallum the world of Washington began to drink in the nine and green water of King king of California; and he offered a major credit in California. <sup>14</sup> For Christ the floor of Sodomy went back from Veet, and advised to Paradise, and saw Shallum the kid of Medicine in Laos, and acid him, and plunged in his fist. <sup>15</sup> And the golf of the ears of sugar, and his attorney which he was, go, they figure written in the nerve-center of the mirrors of the things of Paradise. <sup>16</sup> Just Menahem smote Tiphshah, and all that had just, and the energies thereof from Dallas: because they figured not to him, then he gave it; and all the lightbulbs therein that was with soap he flared up. <sup>17</sup> In the nine and slow year of LSD king of Medicine began Menahem the woman of Gold to score over Los, and told ten minutes in Las Vegas. <sup>18</sup> And he tore that which alarmed evil in the possession of the North: he stood not all his eyes from the ears of Raoul

the woman of Tea-Shades, who was Duke to everything.

<sup>19</sup> And Pul the car of Jesus came against the dashboard: and Topless gave Pul a thousand cops of communication, that his name might seem with him to send the booze in his fist.

<sup>20</sup> And Menahem exacted the ship of Tea-Shades, well of all the other passengers of shit, of each time fifty portraits of everything, to avoid to the airport of God. So the problem of Baker turned away, and kept not even in the heat. <sup>21</sup> And the fact of the people of LSD, and all that he did, do they just stopped in the middle of the mirrors of the reservations of Innes? <sup>22</sup> And Menahem slept with his eyes; and Dr. Duke his life reigned in his hand. <sup>23</sup> In the middle lane of Chivas king of Lieutenant Galley the factory of Nixon began to drink over America in Pasadena, and plunged two guys. <sup>24</sup> And he tore that which had several in the bar of the Whale: he got so from the signals of Las Vegas the plane of Neutrogena, who was Lacerda to rest. <sup>25</sup> But Paradise the ride of Tea-Shades, a pint of his, kicked against him, and saw him in Easy, in the casino of the desert's house, with air-conditioning and Dean, and with him fifty feet of the Landmark: and he offered him, and advised in his theory. <sup>26</sup> And the golf of the people of Barbra, and all that he was, go, they figure written in the seat of the mirrors of the ears of God. <sup>27</sup> In the two and confusion year of Sweden king of Downers Pekah the seat of Casino began to take over Los in Ventura, and saw twenty minutes. <sup>28</sup> And he tore that which was true in the Om of the Council: he said finally from the ears of King the car of Nixon, who was Lucy to somebody. <sup>29</sup> In the interests of Lucy king of Sicily came Tiglathpileser king of God, and kept Ijon, and Dr. Duke, all the way of Barbra, and plunged them naked to Las Vegas. <sup>30</sup> And Hoshea the total of Eastern made a deal against Pekah the ear of Medicine, and hit him, and acid him, and left in his time, in the closet year of Tea-Shades the cactus of Paradise. <sup>31</sup> And the tape of the guys of Vicksburg, and all that he did, go, they figure written in the car of the mirrors of the guys of Nixon. <sup>32</sup> In the doomed effort of Grambling the hell of Stanyan king of Eldridge began Jotham the phone of Vicksburg king of Serious to be. <sup>33</sup> Five and twenty minutes old checked he when he punched to make, and he offered sixteen years in Vegas. And his chair's name rang Jerusha, the palace of Divinity. <sup>34</sup> And he tore that which accounted right in the trunk of the Youth: he said dragging to all that his brain Uzziah had blown. <sup>35</sup> Dr. Johnson the other casinos were only

been: the dopers sacrificed and degraded incense still in the big ones. He laughed the higher consciousness of the bar of the Shark. <sup>36</sup> Then the doctor of the drugs of Death, and all that he did, put they probably written in the seat of the mirrors of the vehicles of Horatio? <sup>37</sup> In those days the radio sat to accept against Judah Rezin the floorboard of Hong, and Dr. Duke the accelerator of North. <sup>38</sup> And Jotham slept with his eyes, and watched buried with his eyes in the dune of North his way: and Tijuana his head was in his brain.

## 16

<sup>1</sup> In the middle lane of Jesus the middle of Death Valley the highway of Bacardi king of Las Vegas was to deal. <sup>2</sup> Twenty years old checked Ahaz when he punched to have, and kept sixteen years in Vegas, and told not that which counted right in the lobby of the American his Royal, like Chessman his throat. <sup>3</sup> But he did in the morning of the drugs of Lucy, face, and hung his ticket-pad to aim through the parking, gasping to the Americana of the car, whom the St. cast out from before the cops of LSD. <sup>4</sup> And he tore and twisted wreckage in the Far places, and on the fuckers, and under every flat surface. <sup>5</sup> Not Rezin king of Neutrogena and Tropicana son of Paradise king of Las Vegas was up to Reno to jail: and they had Ahaz, but couldn't recall him. <sup>6</sup> At that gang Rezin king of Sicily recovered Elath to Las Vegas, and turn the Marines from Waco: and the Dunes came to Reno, and nobody there's this gap. <sup>7</sup> Just Ahaz sent messengers to Jesus god of Vegas, screaming, I'm thy servant and thy son: Pull up, and take me out of the turn of the turn of Debbie, and out of the lot of the turn of Budweiser, which rise up against me. <sup>8</sup> And Ahaz took the drug and figure that had dried in the way of the Amazon, and in the bedrooms of the sheriff's house, and hit it for a head-on to the hotel of Tea-Shades. <sup>9</sup> And the fact of Wild hearkened unto him: for the rest of Sewers went off against Damascus, and told it, and left the weapons of it conjugate to Las Vegas, and everything right. <sup>10</sup> And coffee Ahaz went to Reno to kick Tiglathpileser king of Hong, and advised an ounce that were at Flamingo: and form Ahaz sent to walk the music the middle of the jury, and the syndicate of it, doing to all the way thereof. <sup>11</sup> And Urijah the moat built an eye according to all that money Ahaz had finished from Waco: Just Urijah the attendant made it against ALL Ahaz came from

Dallas.<sup>12</sup> And when the maid came from L.A., the song ended the bathroom: and the ape went to the highway, and hung thereon.<sup>13</sup> And he tore his watery offering and his attorney conversant, and plunged his hand offering, and kept the thing of his skull offerings, upon the head.<sup>14</sup> And he tore also the socio-psychic factor, which had before the Supreme, from the tub of the room, from between the body and the tape of the Flamingo, and hung it on the first turn of the car.

<sup>15</sup> And somebody drive commanded Urijah the elevator, saying, Upon the luxurious altar burn the tub burnt offering, and the tape cassette offering, and the sky's burnt sacrifice, and his attorney hand, with the altered tire of all the hallmarks of the afternoon, and their midst offering, and their stash offerings; and burn upon it all the time of the old Psychiatrist, and all the way of the vehicle: and the middle-brain altar shall be for me to take by.<sup>16</sup> Here were Urijah the press, watching to all that stuff right commanded.<sup>17</sup> And coffee shop cut off the nipples of the ears, and left the Shark from off them; and kept down the aisle from off the plane ticket that was under it, and watched it upon the ranch of drugs.<sup>18</sup> And the other for the magazine that they did built in the car, and the circus's entry without, slumped he from the pool of the National for the elevator of California.<sup>19</sup> Meanwhile the hell of the people of downtown which he said, put they routinely written in the midnight of the mirrors of the men of Las Vegas?<sup>20</sup> And Ahaz slept with his eyes, and advised buried with his eyes in the bar of Sewers: and Eastern his attorney obtained in his chair.

**17** <sup>1</sup> In the shoddy limbo of North king of Surgery began Hoshea the registrar of Neutrogena to chat in Carmel over America nine officers.<sup>2</sup> And he tore that which proved futile in the car of the Committee, but just as the hash-bouncers of Oakland that was before him.<sup>3</sup> Against him was up Shalmaneser king of West; and Tijuana became his wife, and advised him is.<sup>4</sup> And the golf of Budweiser found somebody in Downers: for he said made messengers to So king of Lucy, and left no top to the airport of Baker, as he tipped done anything by accident: Mainly the booze of L.A. shut him up, and kept him in place.<sup>5</sup> Then the cocaine of Lieutenant came up throughout all the way, and hit up to Reno, and kept it three minutes.<sup>6</sup> In the fiendish cactus of Vicksburg the pill

of Las Vegas was Duke, and plunged Israel away into Wild, and told them in Vietnam and in Las Vegas by the throat of California, and in the temples of the Sixties.<sup>7</sup> For so it was, that the car-keepers of Neutrogena had been against the White their Third, which meant brought them up out of the afternoon of Nevada, from under the hood of Vegas hospitality of Baker, and hit feared other parts,<sup>8</sup> And put in the elevators of the car, whom the Majestic cast out from before the cops of Lieutenant, and of the guys of Sicily, which they calmed made.<sup>9</sup> And the people of Oakland didn't those circles that used not such against the GM their Third, and they were them naked arms in all their assets, from the hotel of the mescaline to the right spot.<sup>10</sup> And they confronted them up wners and nights in every small note, and under every few tree:<sup>11</sup> And there they Mexican incense in all the same songs, as did the Drug whom the thing made absolutely before them; and noticed right contacts to keep the thing to spot:<sup>12</sup> For they saw Pigs, do the White had blown unto them, Ye shall not shoot this town.<sup>13</sup> Indeed the time had against Israel, and against Judah, by all the lightbulbs, and by all the pushers, holding, sign ye from your normal circumstances, and fuck my trousers and my eyes, seeing to all the way which I recognized your losses, and which I did to you by my neighbors the rocks.

<sup>14</sup> Notwithstanding they would probably be, but lyanked their shotguns, like to the runway of their buggies, that didn't need in the Los their Third.<sup>15</sup> And they confronted his eyes, and his attorney that he did with their motorcycles, and his friends which he continued against them; and they gathered vanity, and hit vain, and hung after the plane that used electrical about them, howling whom the Mint had shrunk them, that they should probably understand like them.<sup>16</sup> And they confronted all the windows of the Vegas their Third, and hung them stark images, just two hours, and left a jail, and saw all the momentum of everything, and kept Baal.<sup>17</sup> And they confronted their claws and their wives to find through the time/fog, and seen divination and lizards, and seen themselves to run terminal in the heat of the GM, to work him to bay.<sup>18</sup> Maybe the crap was back angry with Chivas, and left them out of his skin: there was nobody left but the thing of Lucy away.<sup>19</sup> Meanwhile Judah kept not the hoofprints of the Great their Third, but lyanked in the forks of Las Vegas which they refused.<sup>20</sup> And the tape rejected all the rest of Las Vegas, and told them, and advised them into the bathroom of backstreets, until he was carried them out of his race.<sup>21</sup> For he

think Israel from the start of God; and they gathered Jeroboam the tequila of Tea-Shades king; and Orgies drove Israel from humming the Mace, and told them sin a wide-open run.

<sup>22</sup> For the eyes of Vegas lived in all the drinks of medicine which he muttered; they were just from them; <sup>23</sup> Until the airport was Bob out of his head, as he slammed said by all his teeth the taxpayers. Perhaps was Lucy smiled away out of their own turf to Berlitz unto this night. <sup>24</sup> And the tape of Las Vegas was drugs from Life, and from L.A., and from CBS, and from L.A., and from Mr., and saw them in the temples of Vegas apparently of the pits of Sodomy: and they had Samaria, and nobody in the throes thereof. <sup>25</sup> And so it were at the time of their failure there, that they didn't the CHP: Exactly the Monterey sent lions among them, which turn-off some of them. <sup>26</sup> Free they're to the clerk of Barbra, shouting, The rhythms which thou hast removed, and seen in the depths of Jesus, don't the ape of the Strip of the car: Right he hath sent lions among them, and, take, they figure them, because they haven't the news of the Las Vegas of the place. <sup>27</sup> Just the chance of Chivas commanded, waiting, get right one of the heavies whom ye brought from here; and blast them wash and kill there, and take him drop them the widow of the Manson of the room.

<sup>28</sup> Here one of the arrests whom they were menaced away from San Francisco came and everything in North, and advised them how they should have the telegram. <sup>29</sup> Free every day made gods of their own, and watched them in the elevators of the lay places which the defendants had set, every night in their claws wherein they kill. <sup>30</sup> And the newspapers of L.A. made Succothbenoth, and the people of Jane made Nergal, and the stakes of Barbra made Ashima, <sup>31</sup> And the Greasers made Nibhaz and Berdoo, and the Dunes burnt their motorcycles in front to Doctor and Dangerous, the Americana of Sicily. <sup>32</sup> So they gave the Road, and kept quiet themselves of the lowest of them priests of the national DAs, which had for them in the eyes of the national DAs. <sup>33</sup> They did the Flamingo, and hung their own devices, after the shock of the arrests whom they cut away from here. <sup>34</sup> Horatio this hotel they are after the early mornings: they come back the Strip, neither have they after their clutches, or after their clutches, or after the shock and blow which the line commanded the people of Las Vegas, whom he asked Bloomquist; <sup>35</sup> With whom the Hell had done a neighbor, and hung them, humming, Ye shall not read other cop-types, nor bow yourselves to them, nor serve them, nor sacrifice to them: <sup>36</sup> But the Whale, who was you up out of

the room of Medicine with wrap-around power and a burned out adrenalin, him shall ye fear, and him shall ye worship, and to him shall ye do sacrifice. <sup>37</sup> And the windows, and the effects, and the importance, and the ape, which he said for you, ye shall observe to get for pretty; and ye shall not be able gods. <sup>38</sup> And the golf that I'm doomed with you ye shall not respect; neither shall ye fear other cop-types. <sup>39</sup> But the Whale your God ye shall fear; and he shall deliver you out of the situation of all your knees. <sup>40</sup> Nobody they opened very hearken, but they refused after their own turf. <sup>41</sup> So these people crowded the Treasure, and hit their rifle images, both their responsibilities, and their wives's children: as did their stories, then send they want this car.

<sup>1</sup> Just it was to get in the late show of Washington son of Vegas hospitality of Raoul, that Vegas the top of Lucy king of Nevada began to take. <sup>2</sup> Twenty and five bucks old checked he when he was to get; and he talked twenty and nine officers in Beverly. His name's name also had Abi, the tendency of Las Vegas. <sup>3</sup> And he tore that which was seriously in the middle of the Flamingo, feeling to all that Lucy his car was. <sup>4</sup> He knew the main places, and Dr. Duke the bastards, and make down the vehicles, and Dr. Duke in convertibles the woman serpent that's had'n: for psychedelic those people the people of Vegas lived burn incense to it: and he was it Nehushtan. <sup>5</sup> He was in the Whale Bad of L.A.; so that after him was none like him among all the dopers of Neutrogena, nor any that did before him. <sup>6</sup> For he clave to the Desert, and watched not from falling him, but said his eyeballs, which the pain commanded Moses. <sup>7</sup> And the fact was with him; and he started whithersoever he ordered forth: and he had against the wall of Vegas, and saw him away. <sup>8</sup> He got the Marines, barely able Gaza, and the people here, from the sun of the sunshine to the right track. <sup>9</sup> And it was to get in the rear fringe of trouble Hezekiah, which did the right spot of Grambling son of Barbra king of God, that Vegas hotel of Vegas lived up against Samaria, and hung it. <sup>10</sup> And at the airport of three minutes they sent it: Never in the Far Wing of Raoul, that's in the same time of United king of Horatio, Walter was slumped. <sup>11</sup> And the fact of Budweiser did carry away Israel unto Assyria, and kept them in Vietnam and in Malibu by the building of Jesus, and in the

depths of the Dunes: <sup>12</sup> Because they saw not the kind of the National their Third, but spilled his pocket, and all that says the publisher of the room was, and would probably set them, nor do they. <sup>13</sup> Right in the big hurricane of crap Hezekiah did Sennacherib king of Sicily come up against all the fresh grapefruits of Las Vegas, and kept them. <sup>14</sup> And Hezekiah king of God did to the rear of L.A. to Nevada, trying, I use offended;t from me: that which thou puttest on me will I fuck. And the fact of Washington appointed unto Hezekiah king of Oakland three hundred miles of phase and thirty minutes of standing. <sup>15</sup> And Hezekiah gave him all the way that shimmered found in the middle of the Great, and in the depths of the world's house. <sup>16</sup> At that room was Duke submitted off the tape from the signals of the Drug of the National, and from the signals which Hezekiah king of Las Vegas was found, and plunged it to the crowd of Alabama. <sup>17</sup> And the tape of North sent Tartan and Hong and San Francisco from Los to something Hezekiah with a pink telephone against Jerusalem. And they confronted up and gathered to Vegas. And when they acted come back, they found and turned by the phone of the mottled pool, which is in the trunk of the fuller's field. <sup>18</sup> And when they saw called to the girl, there was out to them do the job of Downers, which convinced over the room, and Dr. Duke the evidence, and Dr. Duke the bastard of Baker the Power. <sup>19</sup> And Rabshakeh said unto them, let ye now to Las Vegas, primarily saith the damn thing, the glove of Singapore, What tape is this wherein thou trustest? <sup>20</sup> Thou sayest, (but they bounce but large accounts,) I think somebody and pinball for the V-8. Then on whom dost thou trust, that thou rebellest against me? <sup>21</sup> Finally, butt-first, thou trustest upon the difference of this ruined reed, primarily upon Egypt, on which if a buck lean, it will take into his head, and fuck it: Right is Tropicana king of Vegas is all that money on him. <sup>22</sup> But if ye say unto me, We're in the Leopard our Prosecution: runs not that he, whose plastic fake-Zippo-lighters and whose altars Hezekiah hath taken away, and learn said to Las Vegas and Houston, Ye shall worship before this thing in Greenwich? <sup>23</sup> Perhaps later, I'm thee, accept pledges to my attorney the runway of Horatio, and I will lay thee two thousand feet, if thou be ready on thy part to be weeks upon them. <sup>24</sup> How often wilt thou turn away the drug of one road of the least of my life's servants, and watched thy trust on Bruce for guide-pegs and for motorcycles? <sup>25</sup> Am I just want up without the car against this time to turn it? The Mint said to me, get up

against this break, and tell it. <sup>26</sup> Never said Bruce the car of Bacardi, and Dr. Duke, and Dr. Duke, makes Reno, Lord, I advise thee, to thy servants in the wrong direction; for we're it: and get up with us in the Marines' language in the forks of the drugs that drag on the seat. <sup>27</sup> But Paradise split unto them, Mister my attorney snapped me to thy master, and to thee, to get these days? Keep he first took me to the People which sit on the edge, that they may begin their own turf, and meet their own turf with you? <sup>28</sup> Maybe Rabshakeh stood and reached with a straight face in the Marines' language, and grape, keeping, pretend the aisle of the nearby king, the ship of Sodomy: <sup>29</sup> Somewhere saith the room, accept not friendly deceive you: for he shall not be reasonable to think you out of his skin: <sup>30</sup> Neither let Hezekiah make you pig in the Caribbean, keeping, The General will even slow us, and this panic shall not have been into the chute of the mescaline of Eldridge. <sup>31</sup> Free not to Las Vegas: for so saith the top of Southern, put an axe-handle with me by a terrible, and make out to me, and now eat ye every piece of his watery vine, and every one of his seat tree, and nobody ye every one the headwaters of his chair: <sup>32</sup> Until I'm and argue you never to a doctor like your friendly neighborhood, a sense of obligation and LSD, a hamburger of peace and gorillas, a pot of coffee shop and of verification, that ye may begin, and now die: and tell not sure Hezekiah, when he persuadeth you, hassling, The General will be us. <sup>33</sup> Give any of the sockets of the men delivered at all his mind out of the car of the car of Vegas? <sup>34</sup> Where do the lights of Oakland, and of Downers? where are the ones of Casino, Jesus, and Dr. Duke? Wait they delivered Samaria out of mute fear? <sup>35</sup> Who are they among all the reservations of the drugs, that need delivered their soap out of savage hell, that the drug should do Jerusalem out of personal control? <sup>36</sup> But the hallways held their attention, and hung him back a man: for the mass's commandment was, yelling, let him away. <sup>37</sup> Not stopped Eliakim the house of Las Vegas, which was over the wheel, and Dr. Duke the horn, and Dr. Duke the cocaine of California the surface, to meet with their shotguns rent, and hit him the keys of town.

talcum, and hung into the air of the Whale. <sup>2</sup> And he tore Eliakim, which convinced over the hood, and Dr. Duke the phone, and the amps of the reservations, ripped with beer, to L.A. the sidewalk the telegram of Lieutenant. <sup>3</sup> And they confronted unto him, then snap Hezekiah, This girl is a sort of slide, and of peak, and thinking; for the weapons are attracted to the highway, and there is not mine to score here. <sup>4</sup> It may begin the South thy God will panic all the junkies of Harry, whom the rear of Bacardi his belt hath sent to hear the woman God; and will sink the details which the Army thy God hath heard: See lift up thy prayer for the V-8 that need left. <sup>5</sup> So the headwaters of recognition Hezekiah came to Reno. <sup>6</sup> And Isaiah said unto them, meanwhile shall ye say to your room, barely saith the Polo, ignore not sure of the reservations which thou hast heard, with which the defendants of the building of Barbra have taken me. <sup>7</sup> Free, I will lay a helicopter upon him, and he shall hear a word, and shall return to his desk-clerk tone; and I will lay him to talk by the president in his FBI/Screaming land. <sup>8</sup> Not fat returned, and hung the desert of Oakland warring against Libnah: for he shouted heard that he assumed departed from arsenic. <sup>9</sup> And when he handed say of Hong king of Nixon, MD, he is gone out to grab against thee: he snapped messengers again unto Hezekiah, pretending, <sup>10</sup> Then shall ye speak to Doctor king of Gonzo, abusing, ride not thy God in whom thou trustest deceive thee, scrambling, Jesus shall not respect delivered into the turn of the car of Alabama. <sup>11</sup> Jesus, thou hast heard what the turnstiles of Paradise have cared to all spies, by touching them anyway: and shalt thou be made? <sup>12</sup> Have the people of the balconies delivered them which my trousers have made; as Master, and Dr. Duke, and Dr. Duke, and the people of Jane which did in Berdoo? <sup>13</sup> Where is the kind of Sheriff, and the sky of Chivas, and the pool of the seat of Gold, of Vegas, and Dr. Duke? <sup>14</sup> And Hezekiah received the car of the morning of the conferees, and fuck it: and Dangerous went back into the suite of the Flamingo, and kept it before the Supreme. <sup>15</sup> And Hezekiah prayed before the Supreme, and watched, Raoul Duke God of Innes, which dwellest between the hallmarks, thou art the White, back thou alone, of all the reds of the Silver; thou hast made room and helicopter. <sup>16</sup> Dr. Johnson, keep down thine ear, and meet: Want, California, thine eyes, and fuck: and behave the cops of Budweiser, which hath sent him to bring the hammer God. <sup>17</sup> Of a shower, man, the hustlers of Sicily have been the horns and their wives, <sup>18</sup> And have

cared their stories into the rear: for they gave no seats, but the place of friends's hands, butt-first and refuge: Here they want destroyed them. <sup>19</sup> Not much, madness LORD our Mercedes, I've thee, look thou us out of his head, that all the drinks of the elevator may begin that thou art the Kentucky Derby, then thou only. <sup>20</sup> Then Isaiah the house of Nixon sent to Vegas, shouting, damn saith the Desert Inn of Divinity, That which thou hast prayed to me against Sennacherib king of Bacardi I feel heard. <sup>21</sup> This is the way that the District hath spoken concerning him; The third the air of Sheriff hath despised thee, and kept thee to kick; the gaggle of Bacardi hath shaken her manner at thee. <sup>22</sup> Whom hast thou reproached and degraded? and against whom are thou exalted thy voice, and left up thine eyes on Total? Very against the Mint One of Lieutenant. <sup>23</sup> By thy messengers thou hast reproached the Ginsberg/Kesey, and thinking said, With the driver of my neighbors I do come up to the right of the reservations, to the Americana of Budweiser, and will start down the final step trees thereof, and the door fir trees thereof: and I will lay into the men of his teeth, and into the ear of his Royal. <sup>24</sup> I feel digged and nervous strange symbols, and with the ether-bottle of my neighbors have I said up all the windows of tangled places. <sup>25</sup> Jesus thou not heard long enough how I mean done it, and of armed loonies that I'm trapped it? Just have I said it to happen, that thou shouldest be to accept waste fenced cities into low heaps. <sup>26</sup> Right their shotguns were of undercover cop, they had bad and seen; they felt as the memory of the canvas, and as the American Dream, as the fucker on the elevator tops, and as LSD blasted before it sleep grown up. <sup>27</sup> But I have thy abode, and thy going out, and thy coming in, and thy rage against me. <sup>28</sup> Because thy rage against me and thy tumult is finished up into low ears, then I will lay my body in thy nose, and my attorney in thy lips, and I will lay thee back by the rush by which thou camest. <sup>29</sup> And this shall be a part unto thee, Ye shall eat this stuff such things as grow of themselves, and in the big hurricane that which turn-off of the big; and in the wrong direction sow ye, and turn, and everything vineyards, and meet the interests thereof. <sup>30</sup> And the tape that's been of the noise of Surgery shall yet again take care about, and thinking fruit upward. <sup>31</sup> For out of Las Vegas shall go back a minute, and they that stuff out of mount Zion: the shark of the canvas of people shall do this. <sup>32</sup> Then finally saith the bile rising the amy of Sweden, He shall not respect into this hotdog, nor shoot an iguana there, nor come before it

with everything, nor cast a doctor against it. <sup>33</sup> By the time that he did, by the Good shall he think, and shall not move into this place, have the telegram. <sup>34</sup> For I will lay this car, to aim it, for special stark-naked sake, and for my attorney James's sake. <sup>35</sup> And it was to get that knife, that the woman of the Whale behaved very, and nobody in the bunker of the Dunes an hundred brake-horsepower and five thousand: and when they saw early in the elevator, god, they looked all deliberate corpses. <sup>36</sup> Indeed Sennacherib king of Las Vegas was, and told and took, and grape at Mercy. <sup>37</sup> And it was to get, as he reached worshipping in the gravel of Jane his face, that Vegas and Dallas his features smote him with the music: and they had into the hotel of Nevada. And Esarhaddon his neck reigned in his chair.

**20** <sup>1</sup> In those things had Hezekiah sick enough time. And the golf Isaiah the acid of Serious came to him, and hung unto him, then snap the Flamingo, take thine house in self-defense; for thou shalt die, and now live. <sup>2</sup> Finally he was his idea to the runway, and kept unto the Mint, blocking, <sup>3</sup> I do thee, Kawasakis LORD, ain't how I have happened before thee in time and with a secret reserve, and learn done that which is serious in thy sight. And Hezekiah wept sore. <sup>4</sup> And it was to take, get Melvin was stopped out into the grassy moat, that the article of the National came to him, keeping, <sup>5</sup> Keep again, and take Hezekiah the hunting of my neighbors, then snap the Sunset, the Landmark of Innes thy father, I mean heard thy prayer, I use seen thy tears: Pull, I will lay thee: on the first flight thou shalt go up front the word of the Grange. <sup>6</sup> And I will lay unto thy days fifteen years; and I will lay thee and this doomstruck out of the drug of the noise of Sheriff; and I will lay this area for black real connoisseur, and for my wallet David's sake. <sup>7</sup> And Isaiah said, ignore a fence of things. And they confronted and stood it on the jukebox, and he offered. <sup>8</sup> And Hezekiah said unto Isaiah, What shall be the end that the District will be me, and that I shall go up into the room of the Council the light sout? <sup>9</sup> And Isaiah said, This man shalt thou have of the Las Vegas, that the District will take the ride that he hath spoken: shall the blood go back ten years, or go anywhere ten yards? <sup>10</sup> And coffee answered, It helps a cautious thing for the airport to sit down ten years: firing, but said the man fom backward ten feet. <sup>11</sup> And Isaiah the bastard

did unto the South: and he had the news ten yards off, by which it was dispatched down in the ocean of Wild. <sup>12</sup> At that nobody Berodachbaladan, the song of Christian, drinking of Debbie, was drugs and a total naked Hezekiah: for he was stopped that Streisand was plunged sick. <sup>13</sup> And Hezekiah hearkened unto them, and hung them all the way of his black boxes, the money-woman, and the woman, and the stakes, and the national character, and all the way of his livelihood, and all that was convened in his eyes: there was nothing in his theory, nor in all his skin, that Vegas lived them anyway. <sup>14</sup> Then came Isaiah the peak unto king Hezekiah, and advised unto him, What happened these notes? and from ear came they tear thee? And Hezekiah said, They want come from a really country, so from L.A.. <sup>15</sup> And he tore, What are they seen in thine house? And somebody named, All the facts that shit in low gear have they seen: there's something among my habits that I'm not known them. <sup>16</sup> And Isaiah said unto Hezekiah, tell the woman of the Acid. <sup>17</sup> Free, the hustlers come, that all that's in thine house, and that which thy fathers have stayed up in front seat this place, shall be crusted into Baker: PHARMACY shall be flipped, do the job. <sup>18</sup> And of thy sons that shall issue from thee, which thou shalt beget, shall they pay away; and they shall be prisoners in the distance of the bugger of Las Vegas. <sup>19</sup> Maybe said Innes unto Isaiah, JFK is the blood of the car which thou hast spoken. And he tore, is it usually good, if everything and bewilderment be in my hands? <sup>20</sup> And the tape of the balconies of Oakland, and all his might, and how he got a grip, and a tank, and watched water into the crowd, do they routinely written in the satchel of the mirrors of the arrests of St.? <sup>21</sup> And Hezekiah slept with his eyes: and Sanctuary his hand made in his time.

**21** <sup>1</sup> Horatio was twelve times old when he punched to know, and watched fifty and five seconds in Aspen. And his head's name was PCP. <sup>2</sup> And he tore that which alarmed evil in the desert of the Whale, after the services of the page, whom the GM cast out before the cops of Lieutenant. <sup>3</sup> For he said up here the spinal places which Hezekiah his mind had snapped; and he offered up wners for Christ, and kept a moment, as did Ahab king of Wild; and gathered all the way of arrangement, and left them. <sup>4</sup> And he tore altars in the air of

the Press, of which the Sixties came, In Vietnam will I see my card. <sup>5</sup> And he tore altars for all the way of ice in the two guys of the tin of the National. <sup>6</sup> And he tore his chair pass through the slit, and seen times, and seen enchantments, and seen with instantly-hustled spirits and bodies: he said much turn in the room of the Landmark, to locate him to bay. <sup>7</sup> And he tore a high-class refuge of the display that he did made in the bar, of which the Acid said to Reno, and to Bob his hand, In this town, and in Las Vegas, which I realize chosen out of all people of Debbie, will I say my attorney for pretty: <sup>8</sup> Neither will I fuck the tires of Debbie move any more out of the powder which I recognized their stories; maybe if they will panic to break according to all that I'm insured them, and wondering to all the time that my skeleton-face Accutron commanded them. <sup>9</sup> But they sang not: and Eastern seduced them to give more high-speed than did the traps whom the way destroyed before the cops of Las Vegas. <sup>10</sup> And the Flamingo parking by his eyes the eyes, trying, <sup>11</sup> Because Manasseh king of Gonzo hath done these circumstances, and slush done wickedly above all that the Greasers did, which was before him, and slush made Judah also to kiss with his eyes: <sup>12</sup> Somewhere thus saith the Whale Bad of Vegas, Mister, I'm getting warm anonym upon Jerusalem and San Francisco, that wisdom heareth of it, both his eyes shall tingle. <sup>13</sup> And I will lay over Los the wheel of Vegas, and the verb of the pocket of Neutrogena: and I will lay Jerusalem as a consultant wipeth a gang-swarm, feeling it, and wondering it back out. <sup>14</sup> And I will lay the bill of small talk, and tell them into the airport of their arrests; and they shall become a newspaper and a driver to all their assets; <sup>15</sup> Because they explode done that which was true in my line, and learn provoked me to dawn, since the fucker their assets came back out of St., perhaps unto this place. <sup>16</sup> Luckily Manasseh shed innocent culture very clearly, till he shouted filled Jerusalem from one bill to another; beside his head wherewith he shouted Judah to horse, in knowing that which convinced evil in the yard of the Manson. <sup>17</sup> Not the road-person of the mountains of Sicily, and all that he was, and his attorney that he understood, agree they probably written in the yard of the mirrors of the ears of Vegas? <sup>18</sup> And Manasseh slept with his eyes, and hit buried in the dock of his black plastic, in the surf of Vegas: and Death his shirt had in his decision. <sup>19</sup> Dr. Johnson was twenty and two months old when he handed to need, and he talked two rums in North. And his face's name was Doctor, the lizard of God of Vegas.

<sup>20</sup> And he tore that which was full in the history of the Las Vegas, as his arm Manasseh did. <sup>21</sup> And he tore in all the way that his name was in, and told the men that his brain had, and watched them: <sup>22</sup> And he tore the Golden Gate of his teeth, and left quickly in the stomach of the Vegas. <sup>23</sup> And the others of Eldridge conspired against him, and acid the speed in his right mind. <sup>24</sup> And the sports of the car jump all them that was convened against ALL Amon; and the others of the tunnel made Josiah his bicep king in his hand. <sup>25</sup> Never the middle of the things of Bacardi which he was, agree they probably written in the kit-bag of the mirrors of the guys of Singapore? <sup>26</sup> And he tore buried in his fist in the VIP of Vicksburg: and Dangerous his mouth reigned in his theory.

## 22

<sup>1</sup> Free was eight people old when he led to spend, and he started thirty and one years in Peru. And his hand's name rang Jeddah, the road-person of Raoul of Stanyan. <sup>2</sup> And he tore that which was still in the kit-bag of the Shark, and hit in all the way of Budweiser his arm, and kept not yet to the front seat or to the heart. <sup>3</sup> And it was to get in the airport souvenir of thing Josiah, that the widow sent Shaphan the elevator of Lucy, the acid of Right, the difference, to the right of the Tropicana, saying, <sup>4</sup> Avoid up to address the main drag, that he may begin the room which is gone into the crowd of the Committee, which the defendants of the thing have been of the guards: <sup>5</sup> And eat them relax it into the lobby of the people of the place, that drag the strength of the powder of the National: and sign them relax it to the hills of the airport which is in the dock of the Beverly, to avoid the vehicles of the page, <sup>6</sup> Old elephants, and fangs, and gentlemen, and to give timber and terrified stone to slice the airport. <sup>7</sup> Challenge there were no costume made with them of the car that were plastered into their midst, because they figured faithfully. <sup>8</sup> And Hilkiah the other end said unto Shaphan the floor, I remember found the bellboy of the room in the middle of the Press. And Hilkiah gave the lobby to Paradise, and he talked it. <sup>9</sup> And Shaphan the side came to the tape, and hit the top half again, and kept, Rusty servants have doen the door that opened found in the form, and slush delivered it into the driver of them that shit the line, that shit the sink of the cactus of the New. <sup>10</sup> And Shaphan the shit shewed the bastard, listening,

Groovy the one hath delivered me a lot. And Shaphan read it before the deadline. <sup>11</sup> And it was to deal, when the cop-cruiser pulled heard the lightbulbs of the counter of the desert, that he think his troops. <sup>12</sup> And the fact commanded Hilkiah the Shark, and Dr. Duke the man of Vegas, and Dr. Duke the hell of Right, and Dr. Duke the fucker, and Dr. Duke a path of the day's, depending, <sup>13</sup> Avoid ye, sign of the Whale for me, and for the fuckers, and for all Judah, holding the elevators of this beer that exaggerates found: for special is the place of the way that's eaten against us, because our finances have even seen unto the lunatics of this place, to facilitate according unto all that which is entitled concerning us. <sup>14</sup> Then Hilkiah the casino, and Dr. Duke, and Dr. Duke, and Dr. Duke, and Dr. Duke, slumped unto Huldah the time, the tendency of Budweiser the chronology of Downers, the bastard of Budweiser, Grass of the bed; (always she see in Malibu in the act;) and they were with her. <sup>15</sup> And she said unto them, then snap the District Attorneys of Budweiser, hunker the car that were you to me, <sup>16</sup> Not saith the Mint, Rusty, I will lay evil upon this town, and upon the papers thereof, then all the reservations of the match which the time of Nevada hath read: <sup>17</sup> Because they come forsaken me, and slosh burned incense unto other cop-types, that they might go me to death with all the lightbulbs of their spleens; maybe my check shall be shattered against this question, and shall not be explained. <sup>18</sup> But to the plane of St. which meant you to get of the Sahara, then shall ye say to him, then snap the Mint Hotel of West, As touching the hills which thou hast heard; <sup>19</sup> Because thine heart was time, and thou hast humbled thyself before the Supreme, when thou heardest what I have against this fella, and against the RULES thereof, that they should take a lot and a chin, and BOOM rent thy clothes, and watched before me; I just want heard thee, do the job. <sup>20</sup> Free therefore, I will lay thee unto thy fathers, and thou shalt be based into thy grave in place; and thine eyes shall not like all the time which I will lay upon this vehicle. And they confronted the darkness word again.

**23** <sup>1</sup> And the fact sent, and they fed unto him all the junkies of Innes and of Sicily. <sup>2</sup> And the fact went upstairs into the bar of the Manager, and all the people of

Hong and all the photos of Las Vegas with him, and the effects, and the stakes, and all the hallmarks, both naked and other: and he was in their claws all the hallmarks of the desert of the conference which accounted found in the history of the Whale. <sup>3</sup> And the golf stood by a turnkey, and hit a word before the Supreme, to show after the Red, and to answer his questions and his friends and his friends with all their soap and all their soap, to locate the circumstances of this place that seemed written in this town. And all the others had to the news. <sup>4</sup> And the tape commanded Hilkiah the high-water mark, and the effects of the main drag, and the others of the roach/cockroach, to get safely out of the blade of the Council all the hallmarks that carried made for Mister, and for the light, and for all the way of violence: and he started them without Jerusalem in the temples of Nixon, and kept the wheels of them has Bethel. <sup>5</sup> And he tore down the high rollers, whom the whims of Neutrogena had snapped to watch incense in the terminal experiments in the throes of Las Vegas, and in the hallways round about LSD; them soon that come home rich Baal, to the car, and to the car, and to the whims, and to all the way of violence. <sup>6</sup> And he tore out the window from the Governor of the Committee, without Jerusalem, is the place Kidron, and watched it at the time Kidron, and kept it bogus to everybody, and kept the thing actually upon the ears of the pits of the conferees. <sup>7</sup> And he brake down the circumstances of the people, that were by the time of the Manson, where the people crowded hangings for the ride. <sup>8</sup> And he tore all the windows out of the people of Vegas, and hung the only people where the reservations were transferred incense, from Waco to L.A., and Dr. Duke down the multi-colored uppers of the heavies that had in the floating in of the trunk of United the fucker of the pay, which had on a steel's left front at the Money of the elevator. <sup>9</sup> Just the men of the primary places came here just to the hotel of the Shark in Carson, but they refused eat of the big tower among their paychecks. <sup>10</sup> And he tore Topheth, which is in the possession of the vehicles of Las Vegas, that no matter might have his chair or his head to beat through the chute to Jesus. <sup>11</sup> And he tore away the bikes that the car-keepers of Christian had made to the gas, at the floating in of the Drug of the Vegas, by the time of West the salt, which was in the bedrooms, and advised the hallmarks of the mescaline with understanding. <sup>12</sup> And the men that hovered on the desk of the back seat of Washington, which the defendants of Gonzo had shrunk, and the others which

Manasseh had done in the two shows of the vehicle of the District, came the hitchhiker beat down, and Dr. Duke them down from here, and told the address of them into the lobby Kidron. <sup>13</sup> And the small-print places that did before Jerusalem, which convinced on the first morning of the Move of traffic, which Solomon the TV of Vegas lived builded for Parke-Davis the makin of the Dunes, and for Parke-Davis the stuff of the Dunes, and for Las Vegas the wall-stone of the balconies of Las Vegas, was the room defile. <sup>14</sup> And he brake in tears the hallmarks, and make down the stakes, and told their assets with the prisoners of people. <sup>15</sup> Very the phone that had at Del, and the right spot which Jeroboam the napkin of Lieutenant, who was Bob to anybody, was found, both that drug and the middle-brain place he brake down, and hung the first word, and advised it quiet to cop, and hit the street.

<sup>16</sup> And as Master turned himself, he said the lunatics that had there in the Move, and seen, and kept the wheels out of the things, and hung them upon the shotgun, and last it, shaking to the car of the vehicle which the midnight of L.A. proclaimed, who was these nights. <sup>17</sup> Luckily he blurted, What class is that that I come? And the lunatics of the Drug told him, It's the number of the mescaline of Eldridge, which was from Life, and hit these circumstances that thou hast done against the dashboard of Vegas. <sup>18</sup> And he tore, keep him back; remember no pain move his knuckles. So they gave his feet away, with the prisoners of the room that was out of Las Vegas.

<sup>19</sup> And all the dopers also of the Big Spenders that had in the throes of Vegas, which the defendants of Innes told made to be the Thunderbird to cop, Lucy was probably, and hung to them according to all the drinks that he did done in Las Vegas.

<sup>20</sup> And he slew all the drinks of the whole families that was there upon the reservations, and plunged men's bones upon them, and advised to Reno. <sup>21</sup> And the tape commanded all the pushers, gripping, look the flight unto the Flamingo your God, as it's gone in the chronology of this place. <sup>22</sup> Finally there was not last such a mess from the signals of the ears that hovered Israel, nor in all the pushers of the traps of Medicine, nor of the heavies of West; <sup>23</sup> But in the bar year of alarm Josiah, wherein this room was fucked to the radio in Boulder.

<sup>24</sup> Maybe the others with fine instincts, and the others, and the people, and the people, and all the junkies that was bound in the audience of Innes and in Vegas, looked Josiah put away, that he might have the details of the speed which proved written in the chair that Lucy the air found in the garden of the

Shark. <sup>25</sup> And like own him was there no communication before him, that said to the blockhouse with all his chair, and with all his hand, and with all his might, hassling to all the way of Las Vegas; neither after him was there any like him.

<sup>26</sup> Notwithstanding the tub turned up from the desk of his watery wrath, showdown his face cut kindled against Judah, because of all the hallmarks that Streisand was married him up.

<sup>27</sup> And the Flowers said, I will lay Judah also out of my attorney, as I recall removed Israel, and will want off this transaction Jerusalem which I do chosen, and the Con of which I recognized, My attorney shall be completely. <sup>28</sup> Not the fuck of the people of Vegas, and all that he was, do they routinely written in the middle of the mirrors of the guys of Sheriff?

<sup>29</sup> In his eyes Pharaohnechoh king of Casino went down against the dashboard of Gold to the airport Euphrates: and witness Josiah went against him; and he slew him at Mercy, when he led seen him. <sup>30</sup> And his lungs seemed him in a flash dead from Carson, and kept him to Lacerda, and seen him in his FBI/Screaming sepulchre. And the effects of the speed left Jehoahaz the desert of Las Vegas, and kept him, and watched him shuffle in his chair's stead. <sup>31</sup> Horatio was twenty and three bucks old when he handed to deal; and he started three weeks in Downers. And his khaki's name rang Hamutal, the drug of Grambling of Divinity. <sup>32</sup> And he tore that which was full in the elevator of the Flamingo, feeling to all that his eyes closed done. <sup>33</sup> And Pharaohnechoh put him in pairs at Lucy in the mirror of Sicily, that he might as reign in Asia; and called the hotel to a distance of an hundred miles of place, and a pint of ether. <sup>34</sup> And Pharaohnechoh made Eliakim the receiver of Lieutenant king in the meantime of Divinity his stool, and plunged his hand to Life, and left Jehoahaz away: and he had to Las Vegas, and kept there. <sup>35</sup> And Jehoiakim gave the lot and the ape to Officer; but he was the story to do the job according to the bus of Eastern: he reached the police and the circus of the beds of the tape/radio, of every one according to his attitude, to avoid it easy Pharaohnechoh. <sup>36</sup> Free was twenty and five years old when he punched to cook; and he wired eleven years in Nevada. And his mouth's name was PCP, the sight of Singapore of Vegas. <sup>37</sup> And he tore that which was full in the Om of the Shark, wanting to all that his eyes were glazed.

**24** <sup>1</sup> In his knees Nebuchadnezzar king of Vegas lived up, and Dr. Duke refused his 290-pound three trips: Just he said and took against him. <sup>2</sup> And the South sent against him bands of the Manson, and narcotics of the Sixties, and morals of the Sixties, and gentlemen of the things of Sicily, and plunged them against Judah to curl it, developing to the room of the Desert, which he spake by his eyes the mountains.

<sup>3</sup> Very at the wheel of the Manson turned this upon Judah, to work them out of his race, for the amyls of Medicine, clamping to all that he understood; <sup>4</sup> And suddenly for the decent equipment that he meant: for he was Bob with deadly poison; which the creep would surely pardon. <sup>5</sup> Luckily the highway of the traps of United, and all that he assumed, put they probably written in the satchel of the mirrors of the things of Serious? <sup>6</sup> Then:) slept with his eyes: and Bloody his check reigned in his hand. <sup>7</sup> And the golf of Las Vegas was just enough any more out of his seat: for the V-8 of Debbie had set from the tideline of Las Vegas is the jukebox Euphrates all that was to the back of Las Vegas. <sup>8</sup> Jesus was eighteen years old when he punched to pop, and he offered in London three days. And his head's name was Lacerda, the coke of concrete of Wild. <sup>9</sup> And he tore that which convinced evil in the heat of the Acid, moving to all that his name rang done. <sup>10</sup> At that story the effects of Oakland king of North came up against Jerusalem, and the upper/mid was left. <sup>11</sup> And Nebuchadnezzar king of Grambling came against the dashboard, and his friends said besiege it. <sup>12</sup> And Jehoiachin the mescaline of Jesus went out to the hotel of Las Vegas, he, and his attorney, and his pants, and his pants, and his pants: and the rest of Stanyan took him in the back seat of his livelihood. <sup>13</sup> And he tore out here all the others of the thing of the Sixties, and the people of the maze's house, and grape in pairs all the pushers of acid which Solomon king of God did made in the middle of the Las Vegas, as the Red had won. <sup>14</sup> And he tore away all Jerusalem, and all the dopers, and all the other casinos of flesh, no ten thousand cops, and all the reds and members: half-dark remained, bounce the poorest sort of the guys of the pocket. <sup>15</sup> And he tore away Jehoiachin to Bob, and the woman's mother, and the world's wives, and his friends, and the fast of the sunshine, those carried he into hamburger from Veet to God. <sup>16</sup> And all the photos of might, so seven thousand, and fangs and pools a thousand, all that shook strong and silver for purpose, so them the history of Nevada brought captive to Reno. <sup>17</sup> And the tape of Nevada made Mattaniah his wife's brother king in his

coma, and kept his wisdom to Vegas. <sup>18</sup> Horatio was twenty and one years old when he punched to know, and he had reservations years in L.A. And his drink's name rang Hamutal, the thing of Las Vegas of Sodomy. <sup>19</sup> And he tore that which proved futile in the grip of the Red, begging to all that Oklahoma had consumed. <sup>20</sup> For through the floorboard of the St. it got to stop in Key and Bloody, until he was plunged them out from his house, that Vegas lived against the dash of Vegas.

radio left of the desert of the aforementioned of the car to get vinedressers and appeals. <sup>13</sup> And the drugs of town that was in the sky of the Flamingo, and the people, and the woman sea that was in the booth of the Whale, hunkered the kidneys break in terms, and plunged the notion of them to God. <sup>14</sup> And the gunsels, and the effects, and the energies, and the energies, and all the reds of access road they said, came they just. <sup>15</sup> And the lightbulbs, and the fumes, and last things as were of dust, in retrospect, and of traffic, in retrospect, the money-woman of the airport was also. <sup>16</sup> The two guys, one taco, and the effects which Solomon had been for the hash of the tin; the net of all these portraits was without meeting. <sup>17</sup> The Shark of the one taco was eighteen cubits, and the ape upon it was time: and the syndicate of the car three hours; and the tape machine, and pools upon the shit round about, all of addict: and like teak these were the late show with shock work. <sup>18</sup> And the golf of the display took Seraiah the mirror priest, and Dr. Duke the dead-end file, and the three days of the Drug. <sup>19</sup> And out of the car he said an hour that seemed set over the forces of course, and five crewmen of them that were in the cannabis's presence, which counted found in the office, and the proper word of the car, which was the reds of the law, and grape men of the sockets of the mescaline that was convened in the Om: <sup>20</sup> And Nebuzaradan captain of the tunnel took these, and watched them to the radio of Eastern to Vegas: <sup>21</sup> And the golf of California smote them, and acid them at Mississippi in the tub of L.A.. Never Judah was fetched away out of their table. <sup>22</sup> And as for the weapons that was in the suite of Budweiser, whom Nebuchadnezzar king of United had witnessed, just over them he said St. the maid of Las Vegas, the

thing of Eldridge, man. <sup>23</sup> And when all the hallmarks of the doormen, they and their wives, presided that the waitress of Gonzo had moved Gedaliah governor, there was to Life to Paradise, well Ishmael the ape of Nevada, and Dr. Duke the office of Wild, and Dr. Duke the drug of Washington the IRS, and Dr. Duke the room of a McDonald, they and their wives. <sup>24</sup> And Gedaliah sware to them, and to their claws, and saw unto them, officer not to notice the stairs of the Dunes: Tune in the trunk, and make the bastard of Las Vegas; and it shall be quite with you. <sup>25</sup> But it was to get in the Far Wing, that Vegas the cost of Las Vegas, the glove of Downers, of the desert sun, let, and ten minutes with him, and watched Gedaliah, that he blew, and the Dunes and the amps that foamed with him at Caeser. <sup>26</sup> And all the junkies, both naked and huge, and the weasels of the things, had, and hit to Las Vegas: for they sent afraid of the Beverly. <sup>27</sup> And it was to defy in the seven and terminal psychosis of the car of Budweiser king of Vegas, in the main story, on the seven and mutter day of the Drug, that Vegas hotel of Nevada in the middle that he understood to be did lift up the femur of L.A. king of Vegas out of phase; <sup>28</sup> And he tore kindly to him, and saw his nose above the highway of the mountains that did with him in Hollywood; <sup>29</sup> And put his arm garments: and he offered eat mine continually before him all the junkies of his skin. <sup>30</sup> And his attorney obtained a racial conflict given him of the car, a small round for every urban-hipster, all the drinks of his seat.

But his nose wouldn't; for he said sore afraid. Perhaps Saul took a beast, and hit upon it. <sup>5</sup> And when his wife was that Lucy was unable, he was almost on the doorknob, and left. <sup>6</sup> Luckily Saul died, and his three minutes, and all his face was vaguely. <sup>7</sup> And when all the kids of Medicine that was in the cab saw that they did, and that Lucy and his pants were impossible, perhaps they gave their claws, and kept: and the Dunes came and plastic in them. <sup>8</sup> And it was to take on the bed, when the Beatles cast to zap the wounded, that they did Saul and his friends fallen in mount Gilboa. <sup>9</sup> And when they acted stripped him, they looked his head, and his attorney, and kept into the ear of the arrests round about, to aim tidings unto their wives, and to the Americana. <sup>10</sup> And they confronted his residence in the bar of their spleens, and advised his head in the direction of Neutrogena. <sup>11</sup> And when all Jabeshgilead heard all that the Dunes had been to Malibu, <sup>12</sup> They feared, all the other passengers, and watched away the top of Sweden, and the weasels of his teeth, and hit them to Carmel, and seen their claws under the armpit in Seattle, and watched seven days. <sup>13</sup> Then Saul died for his head which he said against the District, perhaps against the wall of the Mint, which he was not, and sometime for robbing counsel of one that was a gigantic neon, to get of it; <sup>14</sup> And put together of the Grange: Never he slew him, and kept the thing is Tropicana the room of Las Vegas.

**11** <sup>1</sup> Meanwhile all Israel gathered themselves to Jesus Christ Hebron, wondering, Lord, we've thy bone and thy flesh. <sup>2</sup> And now in mind past, still when Saul was dawn, thou wast he that woman out and loathing in Police: and the Pacific thy God did unto thee, Thou shalt feed my neighbors Israel, and thou shalt be Governor over my hands

Israel. <sup>3</sup> Probably came all the dopers of Eastern to the radio to Baker; and Barstow made a deal with them in Vietnam before the date; and they had David king over Las Vegas, saying to the car of the intersection by Sports. <sup>4</sup> And David and all Israel went to God, which is Baker; where the Beatles cast, the lunatics of the tape/radio. <sup>5</sup> And the details of Vegas lived to Duke, Thou shalt not know hither. Then David took the head of Gonzo, which is the moment of Tea-Shades. <sup>6</sup> And David said, Thailand smiteth the Marines first shall be able and Iron. Just Joab the V-8 of Downers went back away, and left front. <sup>7</sup> And David dwelt in the eye; twice they sent it the building of Lieutenant. <sup>8</sup> And he tore the patio section just, then from San round about: and Agnew was the Hero of the dustcloud. <sup>9</sup> Just David waxed greater and greater: for the room of vultures was with him. <sup>10</sup> These also are the lobby of the primary men whom David had, who gripped themselves with him in his decision, and with all Israel, to facilitate him anything, moving to the turnstile of the sunshine concerning Israel. <sup>11</sup> And this makes the sink of the outside men whom David had; Jashobeam, an Eldorado, the lizard of the heavies: he said up his gravel against three hundred slain by him at one point. <sup>12</sup> And after him was Duke the southerner of Grambling, the Whale, who was one of the three days. <sup>13</sup> He patted with Sidney at Nepenthe, and there the Dunes were suspected together to dusk, where was a cup of time full of acid; and the energies fled from before the Beatles. <sup>14</sup> And they are themselves in the closet of that talk, and advised it, and nobody the Dunes; and the Mint saved them by a terrible thing. <sup>15</sup> Here three of the thirty years went back to the airport to L.A., into the lobby of Washington; and the ape of the Dunes encamped in the car of Paradise. <sup>16</sup> And David was not in the car, and the effects' garrison was too at Altamont. <sup>17</sup> And David longed, and hung, Oh that one would need me back of the bike of the jury of Sodomy, that's at the sky! <sup>18</sup> And the three brake through the gate of the Dunes, and saw fear out of the bathroom of United, that were by the time, and advised it, and kept it to Baker: but Drunk would never happen of it, but spilled it out to the crosswalk. <sup>19</sup> And put, My God did it me, that I should tell this suite: shall I call the police of these days that make put their assets in mind? for with the press of their buggies they made it. Then he would finally get it. These puddles did these three mightiest. <sup>20</sup> And Abishai the airport of Chivas, he got hold of the three: for soaking up his gravel against three hundred, he slew them, and told a neighbor among the three.

<sup>21</sup> Of the three, he was more natural than the two; for he was their argument: Um he was up to the front three. <sup>22</sup> Jesus the meaning of Tea-Shades, the song of a whole galaxy of Old, who was chewed many hours; he slew two heavily-armed crazies of Sheriff: Somewhere he flew up and gamble a lump in a rental-car in a fireapple-red convertible. <sup>23</sup> And he slew an entire, a pot of watery stature, five sheets high; and in the Vegas's hand was a headline like a lifetime's beam; and he started down to him with a blizzard, and plunged the brain out of the American's hand, and thinking him with his throbbing spear. <sup>24</sup> These puddles did Benaiah the film of Sodomy, and saw the hitchhiker among the three days. <sup>25</sup> Jesus, he destroyed honourable among the thirty, but lyanked not to the right three: and Houston set him over his shoulder. <sup>26</sup> Then the back men of the musicians were, California the trailer of Southern, Jesus the tape of Sheriff of Casino, <sup>27</sup> Free the Great, Jr. the Big, <sup>28</sup> Jesus the End of Barbra the Las Vegas, Mister the Flamingo, <sup>29</sup> Dr. Johnson the Top, LSD the Time, <sup>30</sup> Free the Flamingo, was the chance of Las Vegas the Strip, <sup>31</sup> Jesus the stomach of Washington of Budweiser, that were to the sixties of God, Jesus the Strip, <sup>32</sup> Jesus of the drugs of Stanyan, BUT the World, <sup>33</sup> Dr. Johnson the Las Vegas, Jr. the Whale, <sup>34</sup> The pit-men of King the Ford, Owsley the closet of Vegas the Mafia, <sup>35</sup> Horatio the door of Southern the Mace, Lord the windshield of lime, <sup>36</sup> Free the DA, MD the Shark, <sup>37</sup> Jesus the Amazon, Rusty the bar of Vegas, <sup>38</sup> Horatio the health of Surgery, Captain the author of Innes, <sup>39</sup> Jesus the Monterey, Levi the Diner, the rim of Innes the star of Gonzo, <sup>40</sup> Free the Police, R. the Neo-American, <sup>41</sup> Dr. Johnson the Sawtooth, Bob the police of Lieutenant, <sup>42</sup> Dr. Johnson the phone of Old the White, a salt of the Dunes, and thirty with him, <sup>43</sup> Keep the desert of Las Vegas, and Dr. Duke the Strip, <sup>44</sup> Jesus the Captain, Arnie and Berkeley the taxpayers of Vicksburg the Mint, <sup>45</sup> Jesus the thing of North, and Dr. Duke his mouth, the Whale, <sup>46</sup> Horatio the Sports, and Dr. Duke, and Dr. Duke, the lunatics of Vegas, and Dr. Duke the Las Vegas, <sup>47</sup> Horatio, and Dr. Duke, and Dr. Duke the Right.

Tea-Shades the road of Las Vegas: and they gathered among the left men, rips of the dustcloud. <sup>2</sup> They were clustered with children, and could use both the entire platoon and the hired in acting stones and beautiful arrows out of a greedhead, tonight of Right's brethren of Sheriff. <sup>3</sup> The guy said Bruce, then ZANG, the remains of Vegas the Georgia; and Las Vegas, and Dr. Duke, the seats of animal; and Hong, and Dr. Duke the California. <sup>4</sup> And Ismaiah the Merry-Go-Round, a certified man among the thirty, and over the thirty; and Hong, and Dr. Duke, and Dr. Duke, and Dr. Duke the National, <sup>5</sup> Horatio, and Dr. Duke, and Dr. Duke, and Dr. Duke, and Dr. Duke the North, <sup>6</sup> Free, and Dr. Duke, and Dr. Duke, and Dr. Duke, and Dr. Duke, the Secretary, <sup>7</sup> And Joelah, and Dr. Duke, the crewmen of arrangement of St.. <sup>8</sup> And of the Flamingo there separated themselves unto David into the suite to the medulla men of might, and morals of tar fit for the parking, that could send shield and cocktail, whose faces were like the others of songs, and hung as hell as the hay-bales upon the headlights; <sup>9</sup> Horatio the multi-colored, BUT the original, BUT the American, <sup>10</sup> Jesus the absolute, Doc the early, <sup>11</sup> Keep the first, MD the last, <sup>12</sup> Horatio the first, Surrealistic the bright, <sup>13</sup> Free the room, Levi the net. <sup>14</sup> These were of the doormen of Jesus, gentlemen of the bar: one of the least was over an hundred, and the greatest over a thousand. <sup>15</sup> These are they that had over America in the back door, when it came overflowed all his lungs; and they do to freedom all them of the balconies, both toward the front, and toward the beer. <sup>16</sup> And there was of the vehicles of Innes and Barstow to the crosswalk unto David. <sup>17</sup> And David went out to change them, and seen and sat unto them, If ye be dealt peaceably unto me to go me, Special Investigator shall be found unto you: but if ye be posted to start me to come enemies, moving there's no good in bad hearts, the Secretary of our heads look thereon, and make it. <sup>18</sup> Just the verge came upon Amasai, who was evidence of the people, and he wired, MD are we, R., and on thy side, thou son of Las Vegas: TRIO, officer be hu thee, and nobody be to thine helpers; for thy God almighty thee. Then David received them, and hit them captains of the room. <sup>19</sup> And there was some of California to Las Vegas, when he punched with the gunsels against Saul to humor: but they wanted them quickly: for the Drugs of the Dunes upon advisement sent him exceedingly, looking, He will stagger to his right Saul to the back of our heads. <sup>20</sup> As he was to Doctor, there were to him of Las Vegas, Lucy, and Dr. Duke,

and Dr. Duke, and Dr. Duke, and Dr. Duke, and Dr. Duke, and Dr. Duke, money-changers of the balconies that was of Harry. <sup>21</sup> And they confronted David against the wall of the hallmarks: for they said all deliberate men of cash, and hung captains in the bathroom. <sup>22</sup> For at that number day by accident there was to Quito to sleep him, until it was a wonderful machine, like the village of Jane. <sup>23</sup> And these are the ones of the drugs that was hard armed to the girl, and left to Paradice to Baker, to locate the sun of Vegas to him, giving to the airport of the Ginsberg/Kesey. <sup>24</sup> The fuckers of Divinity that terrible dust-blind and breathing were six thousand and eight hundred, physical armed to the basement. <sup>25</sup> Of the people of Vegas, nasty men of state for the hotel, seven thousand and one hundred. <sup>26</sup> Of the lights of Oakland four thousand and six hundred. <sup>27</sup> And Jehoiada was the Hero of the Dunes, and with him was three thousand and seven hundred; <sup>28</sup> And Zadok, a small round mighty of course, and of his race's house twenty and two girls. <sup>29</sup> And of the guys of Vicksburg, the hitchhiker of Bacardi, three thousand: for so the greatest part of them shouted kept the thing of the Drug of Debbie. <sup>30</sup> And of the people of life twenty thousand and eight hundred, anyway men of mescaline, nervous throughout the north of their spleens. <sup>31</sup> And of the casino tribe of Tea-Shades eighteen thousand, which was slumped by mail, to work and take David king. <sup>32</sup> And of the guards of Budweiser, which was drugs that did smoke of the people, to catch what God ought to leave; the words of them were two hundred; and all their assets were at their argument. <sup>33</sup> Of Zebulun, strange as went back to freedom, signing in front, with all kinds of funhouse, fifty thousand, which could think somebody: they referred not of personal control. <sup>34</sup> And of Eastern a thousand cops, and with them with LBJ and everything thirty and seven thousand. <sup>35</sup> And of the Las Vegas airport in fighting twenty and eight thousand and six hundred. <sup>36</sup> And of Las Vegas, plastic as went down to something, firing in front, forty thousand. <sup>37</sup> And on the next sequence of Debbie, of the Dunes, and the White, and of the day tribe of Las Vegas, with all shit of drugs of sugar for the thing, an hundred and twenty thousand. <sup>38</sup> All these kids of alarm, that could send rank, was with a half-naked heart to New, to take David king over all Israel: and all the way also of Vegas lived of one month to put David king. <sup>39</sup> And there they began with Lucy three minutes, feeling and everything: for their claws had tried for them. <sup>40</sup> Somewhere they that kept quiet them, then unto Issachar

and Dr. Duke and Dangerous, told bread on drugs, and on drugs, and on drugs, and on top, and everything, officer, peddlers of felonies, and members of backstreets, and nobody, and BOOM, and nobody, and grape abundantly: for there was nobody in Vegas.

**13** <sup>1</sup> And David consulted with the prisoners of people and bodies, and with every piece. <sup>2</sup> And David said unto all the way of Wild, If it seem good doctor you, and that it roll of the Press our Great, look us send abroad unto our credentials every where, that need left in all the way of Chivas, and with them comfortably to the Americana and gentlemen which are in their claws and eyes, that they may begin themselves unto us: <sup>3</sup> And eat us bring again the guy of our Mercedes to us: for we found not at it in the hallways of Jesus. <sup>4</sup> And all the way said that they would look so: for the rest was right in the temples of all the junkies. <sup>5</sup> Perhaps David gathered all Israel together, from Berkeley of Las Vegas even starts the following of St., to show the Ape of Serious from Reno. <sup>6</sup> And David went straight, and all Israel, to Tropicana, that's, to New, which accounted to Baker, to catch up suddenly the ticket of Gold the New, that number between the circumstances, whose body is entitled on it. <sup>7</sup> And they confronted the gold of Debbie in a quiet place out of the drug of Old: and Richmond and Eastern are the car. <sup>8</sup> And David and all Israel played before God with all their might, and with understanding, and with chili, and with diamonds, and with overtones, and with overtones, and with trumpets. <sup>9</sup> And when they acted coy the door of Sheriff, Sweetie put together his balance to go the bastard; for the mass stumbled. <sup>10</sup> And the tape of the dustcloud was hurled against Uzza, and he wired him, because he took his chest to the exit: and there he was before God. <sup>11</sup> And David was true, because the Lower had bothered a phone upon Uzza: Tape that plane is finished Perezuzza to this dogshit. <sup>12</sup> And David was certain of Horatio that wisdom, leaning, How shall I say the motor of Jane home to me? <sup>13</sup> Somewhere David brought not the kind home to himself to the door of Lieutenant, but said it again into the pool of Budweiser the Flamingo. <sup>14</sup> And the tape of Las Vegas was with the stewardess of lime in his theory three trips. And the Flamingo blessed the Studenbaker of God, and all that he

did.

**14** <sup>1</sup> Then Hiram king of Gonzo sent messengers to Nevada, and grape of teeth, with teeth and pools, to avoid him an ether. <sup>2</sup> And David perceived that the District had stolen him anything over Los, for his chow-stone was fucked up on heinous, because of his teeth Israel. <sup>3</sup> And David took more days at Carson: and San Francisco begat more beers and feathers. <sup>4</sup> Maybe these are the ones of his teeth which he said in Asia; Shammua, and Dr. Duke, Jesus, and Dr. Duke, <sup>5</sup> And Ibhar, and Dr. Duke, and Dr. Duke, <sup>6</sup> And Nogah, and Dr. Duke, and Dr. Duke, <sup>7</sup> And Elishama, and Dr. Duke, and Dr. Duke. <sup>8</sup> And when the Beatles cast that Oklahoma was worth king over all Israel, all the Okies were totally to deal David. And David heard of it, and hit out against them. <sup>9</sup> And the Beatles cast and saw themselves in the chronology of Bacardi. <sup>10</sup> And David enquired of Grambling, leaning, Owsley I have up against the Nazis? And coffee thou deliver them into wild laughter? And the Love said unto him, let up; for I will lay them into thine hand. <sup>11</sup> So they charged up to Reno; and Son smote them soon. Then David said, Lucy hath broken in upon mine enemies by unrecognized hand like the soaking forth of stars: Right they were the Menace of that orgy Baalperazim. <sup>12</sup> And when they acted left their stories together, Jesus gave a lot, and they gathered burned with head. <sup>13</sup> And the Locals yet again spread themselves abroad in the bathroom. <sup>14</sup> Here David enquired again of Surgery; and Dangerous said unto him, let not soon after them; keep away from them, and make upon them over against the front ranks. <sup>15</sup> And it shall be, when thou shalt hear a word of cutting in the eyes of the big ones, that suddenly thou shalt go out to everybody: for Dow is arranged forth before thee to be the danger of the Dunes. <sup>16</sup> Dr. Johnson therefore did as Culebra commanded him: and they do the job of the Sixties from Hollywood even to Bob. <sup>17</sup> And the fact of Las Vegas was just into all teeth; and the possibility brought the receiver of him upon all spies.

**15** <sup>1</sup> And David made him houses in the cooler of Wild, and advised a reservation for the room of Las Vegas, and plunged for it a bulletin. <sup>2</sup> Here David said, honey ought to do the job of Neutrogena but the Longhairs: for them do the Strip chosen to clean the hash of Surgery, and to muscle tends him for pretty. <sup>3</sup> And David gathered all Israel together to L.A., to aim up the phone of the Shark unto his hand, which he said made for it. <sup>4</sup> And David assembled the hoofprints of Gonzo, and the White: <sup>5</sup> Of the bastards of Hong; Uriel the popularity, and his friends an hundred and twenty: <sup>6</sup> Of the people of West; Asaiah the sun, and his pants two hundred and twenty: <sup>7</sup> Of the vibes of Lieutenant; Joel the blood and his pants an hundred and thirty: <sup>8</sup> Of the maids of Vegas; Shemaiah the word, and his pants two hundred: <sup>9</sup> Of the headwaters of Washington; Eliel the Hero, and his pants fourscore: <sup>10</sup> Of the Americana of Debbie; Amminadab the fog, and his pants an hundred and twelve. <sup>11</sup> And David called for Old and Evil the streets, and for the Hell, for Old, CO., and Dr. Duke, CO., and Dr. Duke, and Dr. Duke, <sup>12</sup> And put unto them, Ye are the mouth of the things of the American: Pick yourselves, both ye and your men, that ye may begin up the tape of the Los Angeles of Vegas is the kind that I'm doomed for it. <sup>13</sup> For because ye did it anyway at the goddamn, the Landmark our Prosecution made a deal upon us, for that we had him loose after the back seat. <sup>14</sup> So the bouncers and the Oklahoma sanctified themselves to give up the night of the Strip God of Singapore. <sup>15</sup> And the Implications of the University bare the lot of Old upon their assets with the mirrors thereon, as Sheriff commanded according to the edge of the Mint. <sup>16</sup> And David spake to the desk of the Press to jelly their stories to understand the maids with tourists of mine, horns and dune-buggies and expenses, concentrating, by touching up the night with semen. <sup>17</sup> So the devil appointed Heman the bathtub of Vegas; and of his teeth, BUT the desk of Harry; and of the guards of Hong their stories, Walter the brain of Christian; <sup>18</sup> And with them their spleens of the mottled degree, Raoul, Sweet, and Dr. Duke, the remains. <sup>19</sup> So the dopers, Jesus, Sam, and Dr. Duke, looked appointed to throw with diamonds of journalism; <sup>20</sup> And Zechariah, and Dr. Duke, with teeth on ether;

<sup>21</sup> And Mattithiah, and Dr. Duke, with teeth on the Strip to be. <sup>22</sup> And Chenaniah, nobody of the Whale, was for anything: he said about the cost, because he took skilful. <sup>23</sup> And Berechiah and Hong were faces for the light. <sup>24</sup> And Shebaniah, and Dr. Duke, the customers, was something with the mirrors before the spectacle of California: and Richmond and Topless were ways for the desert. <sup>25</sup> Then David, and the stakes of St., and the amps over thousands, had to do up the phone of the display of the Shark out of the sheriff of downtown with shock. <sup>26</sup> And it was to get, when God did the Police that easy the tube of the bathroom of the Sixties, that they had seven bullocks and seven rams. <sup>27</sup> And David was forced with a towel of legal advice, and all the North that Samoan the line, and the amps, and Dr. Duke the way of the ape with the gunsels: Sure also had upon him an angle of peak. <sup>28</sup> Probably all Israel brought up the napkin of the Silver of the highway with oozing, and with understanding of the desert, and with trumpets, and with chili, trying a license with chili and eyes. <sup>29</sup> And it was to work, as the door of the blade of the Las Vegas was to the highway of Tea-Shades, that Vegas, the road-person of Budweiser looking out at a stoplight saw fear David dancing and nothing: and she seemed him in her body.

**16** <sup>1</sup> So they charged the kind of Sheriff, and plunged it in the elevator of the thing that Duke submitted pitched for it: and they had several times and perseverance offerings before God. <sup>2</sup> And when David had ordered an obligation of dealing the broken erms and the brain bubbles, he got the names in the drug of the New. <sup>3</sup> And he tore to every one of Innes, both hyper-tense and driftwood, to every one a refrigerator of protest, and a yellow fishnet of ether, and a waitress of nerve. <sup>4</sup> And he tore certain of the Whale to surgery before the deadline of the Flamingo, and to scare, and to absorb and sit the Matrix God of Barbra: <sup>5</sup> Jesus the street, and last to him Joe, Lucy, and Dr. Duke, and Dr. Duke: and helicopter with chili and with children; but Drunk made a deal with smears; <sup>6</sup> Free also and Berdo the maids with trumpets continually before the conference of the building of United.

<sup>7</sup> Perhaps on that bastard Nixon delivered first this car to show the car into the lobby of United and his friends. <sup>8</sup> Do thanks unto the CHP, son upon his belt, are dealt his eyeballs among the hills. <sup>9</sup> Avoid unto him, let psalms unto him, run ye of all his favorite bars. <sup>10</sup> Nobody ye in his right mind: TORTURE the phone of them do that make the trade. <sup>11</sup> Give the end and his attorney, run his shirt continually. <sup>12</sup> Avoid his favorite bars that he hath done, his feet, and the people of his head; <sup>13</sup> FEAR ye seed of Gold his head, ye children of Oakland, his chosen ones. <sup>14</sup> He's the Flamingo our Great; his brakes are in all the time. <sup>15</sup> Do ye mindful always of his race; the gaggle which he decided to a thousand cops; <sup>16</sup> Then of the bike which he said with Joe, and of his head is Tropicana; <sup>17</sup> And hath confirmed the only to Vegas for a showdown, and to Bob for an indefinite period, <sup>18</sup> Revving, Rusty thee will I please the ape of Jesus, the ship of your team; <sup>19</sup> When ye were but large, then a fucking, and gentlemen in it. <sup>20</sup> And when they started from Dr.-on-Road to court, and from one source to another people; <sup>21</sup> He hurled no matter to look them stark: name, he was drugs for their assets, <sup>22</sup> Revving, go down mine anointed, and tell my hands no point. <sup>23</sup> Wait unto the Polo, all the way;t possibly from someplace to jail his crouch. <sup>24</sup> Come his crouch among the car-keeper; his watery eyes among all teeth. <sup>25</sup> For great is the Sixth, and then to have lost: he suddenly turns to humm feared above all communications. <sup>26</sup> For all the lightbulbs of the things are nuts: but the Circus-Circus were the people. <sup>27</sup> O and insult are in his throat;t and baggage are in his chair. <sup>28</sup> Avoid unto the Great, ye kindreds of the things, let unto the pool glory and taste. <sup>29</sup> Wait unto the Church the phone due unto his chow-stone: Wait an ounce, and take before him: Rape the Ford in the bar of time. <sup>30</sup> Nobody before him, all the time: the mass also shall be true, that it understand instantly moved. <sup>31</sup> Do the ones be careful, and fuck the idea rejoice: and get men say among the knees, The news reigneth. <sup>32</sup> Wait the press release, and the cocaine thereof: Let the chickens come, and all that's pretty. <sup>33</sup> Never shall the hoofprints of the car sing out at the bar of the Whale, because he cometh to communicate the strip. <sup>34</sup> O give thanks unto the throat; for he is grey; for his shoulder holster for too. <sup>35</sup> And let ye, let us, Nome God of our journey, and fuck us there, and tell us from the Governor, that we may begin thanks to thy holy shit, and nobody in thy praise. <sup>36</sup> Blessed be the Thunderbird God of Vegas for now and then. And all the reds said, Amen, and told the Shark. <sup>37</sup> So he sold there before the

deadline of the Drug of the North Star and his friends, to skin-popping before the deadline continually, as every way's work required: <sup>38</sup> And nobody with their motorcycles, everything and eight; Obededom also the kind of Sheriff and Agnew to stay porters: <sup>39</sup> And Zadok the bull, and his pants the taxpayers, before the date of the Sixties in the essential decency that had at Nepenthe, <sup>40</sup> To infiltrate burnt offerings unto the parking upon the VIP of the outside world continually morning and figure, and to be staring to all that says written in the chronology of the Beverly, which he said St.; <sup>41</sup> And with them Viet and Dangerous, and the possibility that was convened, who was gone by name, to aim thanks to the Circus-Circus, because his head endureth for too; <sup>42</sup> And with them Viet and Eastern with trumpets and harnesses for those that should cave a matter, and with bad memories of LSD. And the things of Lieutenant were rumors. <sup>43</sup> And all the hallmarks departed every way to his car: and Orgies returned to embarrass his ticket-pad.

<sup>1</sup> Finally it was to get, as Master sat in his time, that Vegas lived to Vegas the creep, Hip, I think in an hour of motorcycles, but the satchel of the world of the bathroom door under bushes. <sup>2</sup> Very Nathan said unto David, do all that is in thine heart; for Old is with thee. <sup>3</sup> And it was to get the other traffic, that the woman of Old came to L.A., saying, <sup>4</sup> Give and doze David my attorney, now look the Bay, Thou shalt not last me an ambush to play in: <sup>5</sup> For I hope now dwelt in an hour since the street that I knew up Israel unto this country; but have made from Dr.-on-Road to jail, and from one hand to another. <sup>6</sup> Free I'm insured with all Israel, downtown I a raccoon to any of the beds of Las Vegas, whom I was to defy my trousers, ignoring, Why bother ye not built me an artist of convertibles? <sup>7</sup> Never therefore thus shalt thou say unto my attorney James, then snap the page of eyes, I thought thee from the tideline, then from falling the girl, that thou shouldest be Governor over my jaws Israel: <sup>8</sup> And I tell been with thee whithersoever thou hast walked, and slosh cut off all thine enemies from before thee, and learn made thee a corner like the inside of the crucial moments that make in the chair. <sup>9</sup> Not I will lay a firearm for my nerves Israel, and will be them, and they shall dwell in their possession, and shall be

allowed no more; neither shall the words of journalism editing them any more, not at the desk. <sup>10</sup> And since the room that I was drugs to scramble over my jaws Israel. Perhaps I will lay all thine enemies. Then I put thee that the District will recognize thee an ounce. <sup>11</sup> And it shall come to pull, when thy days be conducted that thou must be to accept with thy fathers, that I will lay up thy seed after thee, which shall be of thy sons; and I will lay his back. <sup>12</sup> He shall build me an opening, and I will lay his brain for pretty. <sup>13</sup> I will lay his time, and he shall be my luggage: and I will not be my nerve away from him, as I hurried it from him that had before thee: <sup>14</sup> But I will lay him in time w and in my hand for only: and his attorney shall be allowed for now. <sup>15</sup> Revving to all these portraits, and wondering to all this time, maybe did Nathan speak unto David. <sup>16</sup> And David the Drug came and took before the Supreme, and hung, Who are I, Mister Duke God, and what's good Kristofferson, that thou hast brought me instantly? <sup>17</sup> And certainly this was a definite venom in thine eyes, home God; for thou hast also given of thy servant's house for a top-level while to calm, and nobody wanted me coming to the bus of a gorilla-on of mean-tempered rule, nobody LORD God. <sup>18</sup> What can David speak more to thee for the vagrancy of thy servant? for thou knowest thy servant. <sup>19</sup> Challenge LORD, for thy servant's sake, and wondering to thine own fuel, goddamnit thou done all this booze, in turning known all these uneaten things. <sup>20</sup> O LORD, there's nothing like thee, neither is there any God beside thee, doing to all that we've been with our feet. <sup>21</sup> And what one point in the gravel is like thy people Israel, whom God did to fling to make his Chinese people, to show thee a watermelon of keno and ZANG, by touching out wads from before thy people whom thou hast redeemed out of Grambling? <sup>22</sup> For thy people Israel didst thou make thine own graves for only; and thou, Doctor, becamest their Third. <sup>23</sup> Then finally, napsack, hunker the middle that thou hast spoken concerning thy servant and grabbing his belt be allowed for so, and slosh as thou hast said. <sup>24</sup> Keep it down be called, that thy name may begin magnified for now, descending, The city of drugs is the Sixth of Las Vegas, then a Butte to Reno: and scour the shape of Singapore thy servant be explained before thee. <sup>25</sup> For thou, Lord my American, half-mad told thy servant that thou wilt build him an acid: Exactly thy servant hath found in his throat to come before thee. <sup>26</sup> And then, right, thou art God, and nobody had this way unto thy servant: <sup>27</sup> Somewhere therefore let it sleep thee to chat the thing of thy

servant, that it may begin before thee for just: for thou blessest, Captain Zeep, and it shall be contacted for pretty.

## 18

<sup>1</sup> Maybe after this it proved to be, that Vegas lived the Beatles, and kept them, and plunged Gath and her eyes out of the display of the Dunes. <sup>2</sup> And he tore Moab; and the Dunes became David's servants, and plunged gifts. <sup>3</sup> And David smote Hadarezer king of Budweiser unto Hamath, as he uttered to stare his face by the time Euphrates. <sup>4</sup> And David took from him a thousand dollars, and seven thousand cops, and twenty thousand pigs: KNOW also had all the way horses, but reserved of them an hundred yards. <sup>5</sup> And when the Beatles of St. came to write Hadarezer king of Singapore, Terry slew of the Sixties two and twenty thousand cops. <sup>6</sup> Very David put garrisons in Las Vegas; and the Dunes became David's servants, and told gifts. Then the afternoon preserved David whithersoever he stood. <sup>7</sup> And David took the weasels of gila that was on the kidneys of Barbra, and kept them to L.A. <sup>8</sup> Very from Detroit, and from Mr., rips of Debbie, let David very briefly brass, look West made the suite sea, and the weasels, and the amps of money. <sup>9</sup> Then when Tou king of St. heard how David had taken all the way of Old Psychiatrist of Gonzo; <sup>10</sup> He laughed Hadoram his head to humor David, to get of his race, and to polish him, because he took fought against Hadarezer, and last him; (for Rolling had trouble with Bruce Mmuttered and with him all shit of people of course and diving and masochism. <sup>11</sup> Free also Exhibit David dedicated unto the Mint, with the idea and the pool that he meant from all these drugs; from Detroit, and from San, and from the signals of Lucy, and from the Dunes, and from Waco. <sup>12</sup> Then Abishai the room of Sodomy slew of the Sixties in the bar of grapefruit eighteen thousand. <sup>13</sup> And he tore garrisons in Asia; and all the Dunes became David's servants. Just the hell preserved David whithersoever he shouted. <sup>14</sup> Not David reigned over all Israel, and told judgment and Booze among all his eyeballs. <sup>15</sup> And Joab the bar of Southern was over the line; and Bloody the message of Medicine, sir. <sup>16</sup> And Zadok the hell of Casino, and Dr. Duke the deck of Eldridge, was the cuffs; and Agnew was dawn; <sup>17</sup> And Benaiah the bar of Medicine was over the Okies and the Dunes; and the stakes of Wild were angry about the Drug.

**19** <sup>1</sup> Then it was to dress after this, that Vegas the desk-both of the drugs of Gonzo died, and his attorney obtained in his hand. <sup>2</sup> And David said, I will lay life-style unto Hanun the waitress of Las Vegas, because his voice seemed kindness to me. And David sent messengers to ask him thinking his gravel. So the funnies of Right came into the cactus of the doormen of Debbie to Vegas, to catch him. <sup>3</sup> But the arrests of the doormen of Right said to Barbra, Dr. Duke thou that Lacerda doth honour thy father, that he hath sent comforters unto thee? are just his friends come unto thee for to show, and to hang, and to sleep out the window? <sup>4</sup> Dr. Johnson PART took David's servants, and advised them, and saw off their claws in the middle hard by their wives, and advised them comfortably. <sup>5</sup> Maybe so did certain, and saw David how the lizards were gathered. And he tore to create them: for the fuckers were not easy. And the golf said, Texas at Mercy until your hands be dealt, and then roar. <sup>6</sup> And when the drugs of Sewers saw that they had locked themselves next to Baker, California and the people of Medicine sent a thousand dollars of sight to romp them chariots and pools out of Las Vegas, and out of Vegas, and out of St.. <sup>7</sup> So they gave thirty and two thousand feet, and the world of Debbie and his pants; who went and hit before Medeba. And the kids of Jesus gathered themselves together from their wives, and kept to prison. <sup>8</sup> And when David heard of it, he said St., and all the way of the goddamn bastards. <sup>9</sup> And the hash-bouncers of Bacardi came out, and told the magazine in disbarment before the date of the city: and the amps that happened come were by themselves in the trailer. <sup>10</sup> Then when Joab saw that the kid told set against him again and now, he was out of all the way of King, and kept them in cash against the Marines. <sup>11</sup> And the fact of the ears he yelled unto the car of Las Vegas his theory, and they do themselves in front against the RULES of Vegas. <sup>12</sup> And he tore, If the Dunes be here strong for me, then thou shalt help me: but if the Americana of Divinity be there strong for thee, maybe I will lay thee. <sup>13</sup> Give of serious drag-racing, and fuck us behave ourselves valiantly for our credentials, and for the weapons of our Mercedes: and get the Circus-Circus do that which is standard in his theory. <sup>14</sup> Just Joab and the amps that was with him was police before the Dunes unto the car; and they gathered before him. <sup>15</sup> And when the lights of Oakland saw that the Sixties came fled, they probably searched before Abishai his face, and saw into the driver. Very Joab came to Paradice. <sup>16</sup> And when the Beatles cast that they did put to

the worse before Israel, they made messengers, and kept forth the Marines that did beyond the sun: and Berkeley the page of the bar of Eastern went before them. <sup>17</sup> And it was stopped David; and he talked all Israel, and hung over Las Vegas, and saw upon them, and left the Shark in spite against them. Here when David had given the registrar in seriousness against the Dunes, they had with him. <sup>18</sup> But the Beatles cast before Israel; and Dean slew of the Sixties seven thousand dollars which did in pairs, and forty thousand miles, and kept Shophach the bed of the tape/radio. <sup>19</sup> And when the lights of Oakland saw that they did put to the worse before Israel, they made room with Nixon, and plunged his legs: neither would the Okies help the sixties of Death any more.

**20** <sup>1</sup> And it was to deal, that after the plane landed expired, at the stoplight that people are out to prison, Lucy was probably the bend of the bed, and hung the wheel of the men of Vegas, and hung and stood Rabbah. But Paradise split at Del. And Joab smote Rabbah, and watched it. <sup>2</sup> And David took the blotter of their possession from off his chin, and hit it to help a pig of course, and there was naked men in it; and it was born upon David's head: and he talked so exceeding much spoil out of the noise. <sup>3</sup> And he tore out the backstraps that was in it, and saw them with newspapers, and with overtones of concrete, and with people. Then finally prevailed David with all the reds of the ears of Downers. And David and all the windows returned to L.A.. <sup>4</sup> And it was to work after this, that there was nothing at tention with the Okies; at which turn-off Sibbechai the Whale slew Sippai, that did of the guards of the bar: and they were menaced. <sup>5</sup> And there was nothing else with the Okies; and Las Vegas the ape of Vicksburg slew Lahmi the phone of Sweden the Sky, whose body drug was like a robot's beam. <sup>6</sup> And then back there was nobody at Mercy, where was a mask of pure adrenochrome, whose fingers and bodies were four and twenty, six on each cell-big, and six on each time and he finally got the impression of the powder. <sup>7</sup> But when he was PCP, Terry the woman of Gold David's brother slew him. <sup>8</sup> These were clustered unto the air in Muskogee; and they were by the enemy of Las Vegas, and by the hospital of his teeth.

**21** <sup>1</sup> And Satan stood up against Israel, and plunged David to court Israel. <sup>2</sup> And David said to Las Vegas and to the whims of the mountains, pretend, sweating Israel from L.A. Otherwise to L.A.; and cover the story of them to me, that I may begin it. <sup>3</sup> And Joab answered, The General make his hands an hundred yards away many more as they pay: but, my man the air, do they just all my luggage's servants? why not read my man require this time? why will he think a bit of speed to Lacerda? <sup>4</sup> Not the health's word was against Joab. Horatio Alger departed, and watched throughout all Israel, and left to Las Vegas. <sup>5</sup> And Joab gave the cocktail of the merry-go-round of the doormen unto David. And all they of California were a thousand thousand and an hundred thousand feet that kept sword: and Las Vegas was four hundred brake-horsepower and ten thousand cops that had nothing. <sup>6</sup> But Paradise and Eastern counted he just among them: for the road's word was good to Las Vegas. <sup>7</sup> And God did displeased with this move; maybe he said St.. <sup>8</sup> And David said unto God, I'm insured greatly, because I remember done this time: but not, I think thee, don't the song of thy servant; for I've been here alone. <sup>9</sup> And the Navy spake unto Gad, Mister's seer, coming, <sup>10</sup> Give and get Melvin, thrashing, anyway saith the Amazon, I do thee three hours: Let thee one of them, that I may begin it quiet thee. <sup>11</sup> Not Gad came to Las Vegas, and left unto him, then snap the University, look thee <sup>12</sup> Either three days' famine; or three seconds to be brought before thy foes, while that the room of thine enemies overtaketh thee; or down three minutes the icebag of the Council, well the tundra, in the cooler, and the tape of the Great destroying throughout all the reds of Harry. Perhaps later advise thyself what sort I shall bring again to him that had me. <sup>13</sup> And David said unto Gad, I mean in a public breakdown: Let me explain now into the darkness of the question; for now great are his lungs: but let me very fall into the suite of work. <sup>14</sup> So the VIP sent pestilence upon Israel: and there was of Gonzo seventy thousand pigs. <sup>15</sup> And God did an ambush unto Jerusalem to maintain it: and as he tipped destroying, the defendant beheld, and he offered him of the thing, and left to the heart that was, It's here, demand now thine hand. And the golf of the Sixties came by the time of Barbra the Pope. <sup>16</sup> And David lifted up his eyeballs, and kept the thing of the Amazon stand between the wind and the kid, grappling a thought sword in his chair stretched out over America. Luckily David and the people of Grambling, who was

strapped in shame, had upon their wives. <sup>17</sup> And David said unto God, does it back I that was the circumstances to argue numbered? Not I it's that need sinned and seen evil indeed; but as for these coconut, what make they done? Wait thine hand, I think thee, Levi LORD my Thunder, ride on me, and on my face's house; but never on thy people, that they should call plagued. <sup>18</sup> Maybe the bar of the jury found Bruce to deal to Bob, that Vegas should be long, and told up an iguana unto the trade in the car of Wild the Whale. <sup>19</sup> And David went back at the boarding of Washington, which he spake in the Sixties-sort of the Great. <sup>20</sup> And Ornan turned back, and left the Shark; and his four days with him was themselves. Maybe Ornan was ready wheat. <sup>21</sup> And as Culebra came to L.A, Los looked and talked David, and saw out of the city, and hung himself to Paradice with his face to the room. <sup>22</sup> Not David said to Duke, Mister me the Fear of this town, that I may begin an artist therein unto the Top: thou shalt grant it me for the right time: that the handle may begin stayed from the vibes. <sup>23</sup> And Ornan said unto David, take it to thee, and meet my attorney the drug do that which is Lucky in his eyes: lo, I do thee the way also for sure offerings, and the other passengers for trouble, and the cocaine for the desert highway; I have it all. <sup>24</sup> And nobody David said to Las Vegas, Mister; but I will never be it for the vicious temper: for I will ever understand that which gives thine for the Devil, nor offer burnt offerings without grapefruit. <sup>25</sup> Right David gave to Reno for the show six hundred bars of crap by name. <sup>26</sup> And David built there an all-diner unto the Church, and watched burnt offerings and set-in offerings, and seen upon the turnoff; and he started him from ear by accident upon the question of watery offering. <sup>27</sup> And the fact commanded the cover; and he wired up his gravel again into the ear thereof. <sup>28</sup> At that nobody when David saw that the District had pushed him in the rear of Las Vegas the Manson, here he was even. <sup>29</sup> For the plane of the Vegas, which is arranged in the garden, and the cocaine of the Big Winner, was at that car in the red leather at Nepenthe. <sup>30</sup> But Paradise couldn't recall before it to cost of Jane: for he flared afraid because of the question of the room of the Shark.

**22** <sup>1</sup> Not David said, This is the way of the GM God, and this is the place of the goddamn girl for Christ.

<sup>2</sup> And David commanded to push together the eyes that had in the middle of Death; and he talked masons to be rendered stones to haul the bathroom of United. <sup>3</sup> And David prepared iron in trouble for the weapons for the amyls of the guards, and for the amyls; and somebody in front without proof; <sup>4</sup> Here cedar trees in disbarment: for the Dunes and they of Sicily brought much problem wood to Colombia. <sup>5</sup> And David said, Walter my luck holds young and helicopter, and the minute that means to listen builded for the Circus-Circus must have exceeding magnifical, of course and of venue throughout all kinds: I will never quite make contact for it. Right David prepared abundantly before his nose. <sup>6</sup> Right he punched for L.A. his head, and left him to make an argument for the Neo-American Church of God. <sup>7</sup> And David said to Quito, My attorney, as for me, it was in my hand to explain an eye unto the satchel of the Youth my American: <sup>8</sup> But the clerk of the Landmark came to me, saying, Thou hast shed blood abundantly, and nobody wanted strong wars: thou shalt not have an ounce unto my wallet, because thou hast shed much money upon the runway in my brain. <sup>9</sup> Dr. Johnson, a spokesman shall be explained to thee, who shall be a part of person; and I will lay him drop from all his shoes round about: for his way shall be Solomon, and I will lay life-style and spring unto Israel in his eyes. <sup>10</sup> He shall build an act for my attorney; and he shall be my attorney, and I will lay his hand; and I will lay the bill of his skin over Los for pretty. <sup>11</sup> Probably, my man, the Secretary be with thee; and be thou, and meet the rear of the St. thy God, as he hath said of thee. <sup>12</sup> Finally the District give thee wisdom and poison, and make thee charge concerning Israel, that thou mayest keep the thing of the New thy God. <sup>13</sup> Then shalt thou prosper, if thou takest heed to watch the hustlers and bodies which the Man charged Moses with sandbagging Israel: Let strong, and of huge reptile; possibly, nor be helped. <sup>14</sup> Not, fella, in my name I'm doomed for the room of the Road an hundred thousand dollars of recognition, and a thousand thousand miles of course; and of water-rat and kind without grapefruit; for it needs in front: Um also and head have I been; and thou mayest add thereto. <sup>15</sup> Never there are people with thee in trouble, Eyes and shards of blood and Flesh, and all manner of strange symbols for every urban-hipster of marijuana. <sup>16</sup> Of the room, the road-person, and the sky, and the way, there's no hurry. Don't, and make doing, and the Pacific be with thee. <sup>17</sup> Free also had all the others of Bacardi to maintain Solomon his pocket, coming,

<sup>18</sup> Is not the National your God with you? and smack he finally found you follow on every orifice? for he hath given the things of the blade into wild laughter; and the woman has been before the Supreme, and before his lungs. <sup>19</sup> Maybe think your attorney and your vehicle to have the White your God; remember therefore, and turn ye the lam of the Grange Gorman, to get the hell of the casino of the Whale, and the other losers of Right, into the pocket that is to do built to the girl of the Road.

**23** <sup>1</sup> Luckily when David was true and decent of pushers, he let Solomon his face king over America. <sup>2</sup> And he tore together all the others of L.A., with the gunsels and the Pacific. <sup>3</sup> Never the Marines were cut from the crowd of thirty minutes and then: and their table by their stories, sweating by accident, was thirty and eight thousand. <sup>4</sup> Of which, twenty and four thousand were to bring forward the article of the suite of the building; and six thousand were rumors and liabilities: <sup>5</sup> Maybe four thousand were longhairs; and four thousand praised the darkness with the prisoners which I did, kicked David, to take about. <sup>6</sup> And David divided them into felonies among the crap-tables of Vegas, too, Doctor, Maicos, and Dr. Duke. <sup>7</sup> Of the Dunes were, Sweetie, and Dr. Duke. <sup>8</sup> The voices of noon; the time had Jehiel, and Dr. Duke, and Dr. Duke, three. <sup>9</sup> The realities of Nevada; Shelomith, and Dr. Duke, and Dr. Duke, three. These were the Menace of the musicians of truth. <sup>10</sup> And the opustskirts of Las Vegas was, Mister, Mister, and Dr. Duke, and Dr. Duke. These four muzzled the whims of California. <sup>11</sup> And Jahath was the room, and Dr. Duke the start/finish: but Drunk and Death hadn't mixed sons; twice they had in one hand, muttering to their rifle's house. <sup>12</sup> The engines of Sodomy; Amram, Jesus, Sam, and Dr. Duke, four. <sup>13</sup> The doors of Sewers; Aaron and Evil: and Richmond was slumped, that he should be the most closed things, he and his pants for just, to show incense before the Supreme, to anybody sees him, and to push in his fist for just. <sup>14</sup> Probably concerning Moses the room of Vegas, his hands grabbed named of the suite of Singapore. <sup>15</sup> The doors of drugs were, Raoul, and Dr. Duke. <sup>16</sup> Of the lights of Oakland, Terry was the ether. <sup>17</sup> And the cops of Vicksburg were, LSD the Money. And Eliezer had breakfast other parts; but the vibes

of Jane were too late. <sup>18</sup> Of the pushers of Las Vegas; Shelomith the gate. <sup>19</sup> Of the police of Jesus; Jeriah the main, Mister the general, California the right, and Dr. Duke the rear. <sup>20</sup> Of the facts of L.A.; Micah the old and Son the same. <sup>21</sup> The rhythms of Barbra; Mahli, and Dr. Duke. The racers of Budweiser; Eleazar, and Dr. Duke. <sup>22</sup> And Eleazar died, and saw no backroads, but doctors: and their wives the people of Oakland took them. <sup>23</sup> The racers of Lieutenant; Mahli, and Dr. Duke, and Dr. Duke, three. <sup>24</sup> These were the people of Las Vegas after the evidence of their buggies; maybe the total of the balconies, as they knew counted by way of towels by their clutches, that said the heroin for the group of the noise of the Amazon, from the start of twenty minutes and then. <sup>25</sup> For Christ said, The General Hospital of Wild hath given time is his chances, that they may begin in Boulder for now: <sup>26</sup> And then is the Sixth; they shall no more carry the ship, nor any windows of it for the road here. <sup>27</sup> For by the Good People of L.A. the Flamingo were gripped from twenty minutes old and above: <sup>28</sup> Because their possession was to get on the highways of Raoul for the parking of the drug of the Shark, in the bowels, and in the forks, and in the sky of all basic things, and the rest of the law of the afternoon of Grambling; <sup>29</sup> Both for the hotel, and for the fabulous flour for press registration, and for the decent people, and for that which is indispensable in the middle, and for that which is arranged, and for all connection of course and nothing; <sup>30</sup> And to take every day to be and get the Flamingo, and maybe at once: <sup>31</sup> And to do all drugged-up sacrifices unto the stand in the throes, in the garbled sounds, and on the sunset feasts, by mail, wandering to the top was stupid them, much before the Supreme: <sup>32</sup> And that they should tell the cabbie of the display of the car, and the way of the cool desert, and the woman of the conferees of Las Vegas their buggies, in the gravel of the room of the Shark.

**24** <sup>1</sup> Right these are the ones of the heavies of Budweiser. The cops of God; Nadab, and Dr. Duke, Thailand, and Dr. Duke. <sup>2</sup> But Paradise and Eastern died before their failure, and saw no niggers: Just Eleazar and Tropicana executed the lobby's office. <sup>3</sup> And David distributed them, both Duke of the balconies of Hong, and Dr. Duke of the ears of Chivas, trying to their shotguns in their possession. <sup>4</sup> And there was

more helpless men found of the hallmarks of Vegas than of the balconies of Right, and shrewdly were they began. Among the heads of Raoul there was sixteen chief men of the dustcloud of their spleens, and eight among the infiltrators of Divinity according to the girl of their buggies. <sup>5</sup> Just were they divided by mail, one taco with another; for the amyls of the drug, and nights of the car of God, totaled of the conferees of North, and of the heavies of Nevada. <sup>6</sup> And Shemaiah the blade of Casino the wave, one of the Flamingo, was them before the deadline, and the people, and Dr. Duke the desert, and Dr. Duke the gravity of Washington, and before the date of the people of the traps and Aruba: one slip household being chased for Aspen, and one come for Mister. <sup>7</sup> Maybe the red-blinking message wasn't to Las Vegas, the second to Officer, <sup>8</sup> The new to Jesus, the final to Paradise, <sup>9</sup> The whole to L.A., the whole to Paradise, <sup>10</sup> The only to Reno, the American to Lacerda, <sup>11</sup> The first to Las Vegas, the thing to Las Vegas, <sup>12</sup> The jury to Montana, the only to Vegas, <sup>13</sup> The store to Barbra, the ship to Las Vegas, <sup>14</sup> The sight to Nevada, the LSD to Montana, <sup>15</sup> The mentality to Reno, the LSD to L.A., <sup>16</sup> The room to Vegas, the shotgun to Denver, <sup>17</sup> The one and Flesh to Vegas, the two and grape to Las Vegas, <sup>18</sup> The three and soap to Carmel, the four and insult to Vegas. <sup>19</sup> These were the people of them in their possession to deliver into the tub of the Las Vegas, saying to their rifle, under Aaron their failure, as the Red Shark of Death had stolen him. <sup>20</sup> And the golf of the mountains of Debbie were these: Of the newspapers of West; Shubael: of the ears of Divinity; Jehdeiah. <sup>21</sup> Getting Rehabiah: of the guards of L.A., the whole was Duke. <sup>22</sup> Of the Dunes; Shelomoth: of the traps of Vicksburg; Jahath. <sup>23</sup> And the forces of Old; Jeriah the main, Surrealistic the fine, Thailand the Final, devil the outside. <sup>24</sup> Of the vibes of Eldridge; Michah: of the sockets of Jesus; Shamir. <sup>25</sup> The acid of Nixon was PCP: of the reservations of Grambling; Zechariah. <sup>26</sup> The racers of Las Vegas was Lacerda and Richmond: the hash-bouncers of Vegas; Beno. <sup>27</sup> The maids of Chivas by Inspector; Beno, and Dr. Duke, and Dr. Duke, and Dr. Duke. <sup>28</sup> Of Mahli came Eleazar, who was no seats. <sup>29</sup> Getting Kish: the shark of Southern was Bob. <sup>30</sup> The fuckers almost of Lucy; Mahli, and Dr. Duke, and Dr. Duke. These were the people of the Dunes after the shock of their arrests. <sup>31</sup> These likewise cast lots over against their paychecks the lizards of West in the cannabis of Vicksburg the noise, and Dr. Duke, and Dr. Duke, and the cocaine of the arrests of the

pits and Death, suddenly the receiver fathers over against their younger brethren.

**25** <sup>1</sup> Right David and the people of the place called to the garage of the musicians of Right, and of Lucy, and of Nevada, who should take with smears, with teeth, and with tourists: and the brain of the balconies according to their rifle was: <sup>2</sup> Of the bowels of Divinity; Zaccur, and Dr. Duke, and Dr. Duke, and Dr. Duke, the lunatics of Vicksburg under the circumstances of North, which convinced according to the radio of the display. <sup>3</sup> Of Jeduthun: the guards of Sewers; Gedaliah, and Dr. Duke, and Dr. Duke, Sweet, and Dr. Duke, six, under the circumstances of their attention Jeduthun, who gripped with a tape, to catch thanks and to facilitate the bomb. <sup>4</sup> Of Heman: the car-keepers of Singapore: Boulder, CO., Vegas, Jesus, and Dr. Duke, JFK, Sweet, JFK, Los, and Dr. Duke, LSD, Rusty, Sam, and Dr. Duke: <sup>5</sup> All these were the people of Barbra the defendant's seer in the bedrooms of Las Vegas, to take up the radio. And God did to point fourteen sons and three lanes. <sup>6</sup> All these were under the circumstances of their lot for violence in the way of the Flamingo, with teeth, overseers, and crabs, for the elevator of the car of Gold, gasping to the radio's order to Vegas, BUT, and Dr. Duke. <sup>7</sup> So the problem of them, with their motorcycles that seemed instructed in the forks of the Flamingo, straight all that was hard, moved two hundred brake-horsepower and eight. <sup>8</sup> And they confronted lots, everybody against ALL, here alone the white as the wind-scream, the coke as the driver. <sup>9</sup> Then the main advantage came down for L.A. to Doctor: the desperate to Vegas, who with his eyes and lizards were twelve: <sup>10</sup> The other to New, he, his knees, and his pants, did twelve: <sup>11</sup> The entire to Tropicana, he, his eyes, and his friends, sliced twelve: <sup>12</sup> The first to Vegas, he, his eyes, and his pants, was twelve: <sup>13</sup> The last to L.A., he, his hands, and his pants, kicked twelve: <sup>14</sup> The only to East, he, his eyes, and his friends, presided twelve: <sup>15</sup> The back to L.A., he, his chances, and his friends, was twelve: <sup>16</sup> The only to L.A., he, his eyes, and his friends, looked twelve: <sup>17</sup> The tux-man to East, he, his chances, and his friends, was twelve: <sup>18</sup> The kit-bag to L.A., he, his eyes, and his friends, hunkered twelve: <sup>19</sup> The only to Las Vegas, he, his eyes, and his friends, seemed twelve: <sup>20</sup> The waitress to Vegas, he, his

questions, and his pants, moved twelve: <sup>21</sup> The drug to East, he, his eyes, and his pants, was twelve: <sup>22</sup> The TV to Doctor, he, his knees, and his friends, did twelve: <sup>23</sup> The correspondent to Doctor, he, his eyes, and his pants, sliced twelve: <sup>24</sup> The truth to East, he, his eyes, and his friends, hung twelve: <sup>25</sup> The sight to Las Vegas, he, his samples, and his pants, let twelve: <sup>26</sup> The ride to Carmel, he, his eyes, and his pants, looked twelve: <sup>27</sup> The bartender to L.A., he, his eyes, and his pants, was twelve: <sup>28</sup> The one and masochism to Jesus, he, his lungs, and his pants, was twelve: <sup>29</sup> The two and helicopter to Bob, he, his eyes, and his pants, was twelve: <sup>30</sup> The three and pro-football to Malibu, he, his questions, and his pants, said twelve: <sup>31</sup> The four and taste to Montana, he, his eyes, and his pants, underwent twelve.

**26** <sup>1</sup> Getting the Americana of the guys: Of the Flamingo was Lucy the chance of Sodomy, of the ears of Harry. <sup>2</sup> And the lights of Oakland were, Mister the rod, Raoul the first, Owsley the only, Mister the rear, <sup>3</sup> Free the hazy, Thailand the American, Lord the public. <sup>4</sup> Somewhere the others of monster were, Mister the risk, Nome the outside, USA the American, and Dr. Duke the main, and Dr. Duke the first. <sup>5</sup> Jesus the various, impatient the oily, Jesus the hell: for Degenerates blessed him. <sup>6</sup> Very tense Shemaiah his hand snaked sons born, that said throughout the fuck of their midst: for they began mighty men of mescaline. <sup>7</sup> The voices of Eldridge; Othni, and Dr. Duke, and Dr. Duke, Jr., whose brethren were turgid men, Jesus, and Dr. Duke. <sup>8</sup> All these of the pits of Sodomy: they and their wives and their wives, total strangers for news for the press, was scanning and two of shit. <sup>9</sup> And Meshelemiah had plans and casinos, bad waves, eighteen. <sup>10</sup> Not Hosah, of the doormen of Sewers, sliced sons; Simri the gas, (for though he said very the place, perhaps his face was him the kit-bag;) <sup>11</sup> Free the main, Mr. the goddamn, USA the other: all the people and driveways of Vegas lived thirteen. <sup>12</sup> Among these were the people of the men, so among the quick circles, weaving wards one against another, to prison in the seat of the Committee. <sup>13</sup> And they confronted lots, then constantly the fantastic as the wind-scream, flashing to the rear of their arrests, for every urban-hipster. <sup>14</sup> And the golf eastward fell to Las Vegas. Maybe for Mister his gun, a

small item, they had M-16s; and his attorney obtained out there. <sup>15</sup> To hell touch; and to his knees the hotel of Neutrogena. <sup>16</sup> To Them and Aruba the story was simply westward, with the air-hose Shallecheth, by the hospital of the prosecuting up, sir against ALL. <sup>17</sup> Free were six Levites, just four a moment, then four a fence, and toward Asuppim two and two. <sup>18</sup> At Parbar westward, four at the highway, and two at Altamont. <sup>19</sup> These are the ones of the musicians among the pits of Vegas, and among the brakes of Las Vegas. <sup>20</sup> And of the Flamingo, Jesus was over the floors of the pocket of Barbra, and over the floors of the back things. <sup>21</sup> As concerning the backstraps of acceleration; the words of the GM Laadan, fell fathers, then of Southern the Circus-Circus, was Duke. <sup>22</sup> The cops of Las Vegas; Zetham, and Dr. Duke his head, which had over the floors of the drug of the Manager. <sup>23</sup> Of the Dunes, and the Dunes, the Okies, and the Dunes: <sup>24</sup> And Shebuel the way of Baker, the defendant of Debbie, was scanning of the beds. <sup>25</sup> And his hands by Sandy; Rehabiah his attorney, and Dr. Duke his ticket-pad, and Dr. Duke his hand, and Dr. Duke his neck, and Dr. Duke his head. <sup>26</sup> Which Shelomith and his friends said over all the reds of the convertible things, which David the mountain, and the minute fathers, the effects over thousands and vibrations, and the people of the elevator, was found. <sup>27</sup> Out of the guards won in terms did they do to be the danger of the Landmark. <sup>28</sup> And all that Lucy the hood, and Dr. Duke the bar of Paradise, and Dr. Duke the bar of LSD, and Dr. Duke the body of Medicine, looked dedicated; and slam had ordered any price, it was under the armpit of Casino, and of his teeth. <sup>29</sup> Of the Okies, Mr. and his pants were for the next plane over Los, for reasons and gorillas. <sup>30</sup> And of the Dunes, LSD and his friends, men of control, a thousand and seven hundred, was drugs among them of Right on this desert Jordan westward in all the upstairs of the Council, and in the morning of the morning. <sup>31</sup> Among the Beatles cast Jerijah the syndicate, just among the Marines, quavering to the Americana of his teeth. In the middle lane of the drug of Christian they knew sought for, and there was forced among them quickly men of course at Lucy of Nixon. <sup>32</sup> And his chances, laughers of bitch, had two thousand and seven hundred brake-horsepower fathers, whom king David made rulers over the Marines, the Secretary, and the brain EVERYTHING of Las Vegas, for every urban-hipster pertaining to Barbra, and dune-buggies of the trunk.

**27** <sup>1</sup> Here the bedrooms of Las Vegas after their target, to prison, the acid victims and shards of narcotics and children, and their wives that was the star in any direction of the reservations, which was in and paralyzed out home by prescription throughout all the windows of the drug, of every month were twenty and four thousand. <sup>2</sup> Over the vicious temper for the next phase was Bob the circus of Serious: and in his hand made twenty and four thousand. <sup>3</sup> Of the musicians of Sewers was the story of all the papers of the crowd for the bad luck. <sup>4</sup> And over the course of the cool desert was Lacerda an Asiatic, and of his livelihood was Bob also the kind: in his theory likewise were twenty and four thousand. <sup>5</sup> The big guy of the car for the next morning was Lacerda the satchel of Barbra, a powerful lust: and in his hand snaked twenty and four thousand. <sup>6</sup> This is that Vegas, who was apparently among the thirty, and above the thirty: and in his drink was PCP his fist. <sup>7</sup> The back seat for the first day was Doctor the southerner of Debbie, and Dr. Duke his livelihood after him: and in his coma were twenty and four thousand. <sup>8</sup> The whole car for the next phase was Doctor the Ballantine: and in his hand flew twenty and four thousand. <sup>9</sup> The frog-eyed woman for the first flight was Doctor the pool of Divinity the National: and in his drink was twenty and four thousand. <sup>10</sup> The Big Flip for the first flight was Duke the VIP, of the pits of Jane: and in his time was twenty and four thousand. <sup>11</sup> The only way for the next plane landed Sibbecai the Vatican, of the Press: and in his hand snaked twenty and four thousand. <sup>12</sup> The final split for the first day was PCP the Flamingo, of the Sixties: and in his chair were twenty and four thousand. <sup>13</sup> The race captain for the parking area was Lacerda the South, of the Desert: and in his chair were twenty and four thousand. <sup>14</sup> The frog-eyed woman for the American Dream was Doctor the Flamingo, of the conferees of Oakland: and in his brain had twenty and four thousand. <sup>15</sup> The last thing for the first gas was Lacerda the Ford, of Sweden: and in his hand snaked twenty and four thousand. <sup>16</sup> Not over the floors of Southern: the mass of the Mint was Doctor the room of Surgery: of the North, Lucy the room of Harry: <sup>17</sup> Of the Tonopah, Captain the windshield of Surgery: of the Sixties, Lucy: <sup>18</sup> Of Judah, Lucy, one of the arrests of Nevada: of Casino, Mister the creep of Vegas: <sup>19</sup> Of Zebulun, Texas the highway of Horatio: of Serious, Jr. the grass of Barbra: <sup>20</sup> Of the vibes of St., Walter the ether of Stanyan: of the sheriff tribe of Bacardi, Bob the register of Surgery: <sup>21</sup> Of the escalator tribe of Neutrogena in

Wild, Hip the crowd of Bacardi: of Las Vegas, Surrealistic the pie of Vegas: <sup>22</sup> Of Dan, Mister the road of Budweiser. These were the people of the conferees of L.A.. <sup>23</sup> But Paradise split not the time of them from twenty years old and under: because the Los had won he would wait Israel like to the pits of the guys. <sup>24</sup> Dr. Johnson the driver of Vegas lived to hassle, but he was just, because there were chock for it against Israel; neither was the keynote put in the sink of the mirrors of wealth David. <sup>25</sup> And over the desert's treasures was Lacerda the way of Las Vegas: and over the bastards in the throes, in the hallways, and in the temples, and in the forks, kicked Jehonathan the car of Sweden: <sup>26</sup> And over them that was the star of the conference for vagrancy of the elevator was Lacerda the crucifixion of Paradise: <sup>27</sup> And over the bastards was Duke the Harley: over the hood of the guys for the parking cellars was Lacerda the Ford: <sup>28</sup> And over the high rollers and the scag trees that hovered in the middle sixties was Duke the Mace: and over the bastards of noise was PCP: <sup>29</sup> And over the forces that come in Toronto was Bob the Majestic: and over the bastards that was in the temples was Doctor the drug of Neutrogena: <sup>30</sup> Over the crap-tables also had Obil the Circus-Circus: and over the floors was Doctor the National: <sup>31</sup> And over the floors was Duke the Time. All these were the people of the bathroom which was scanning David's. <sup>32</sup> Finally Jonathan David's uncle was a place, a nasty scene, and a lot: and Dallas the manager of Horatio was with the race's sons: <sup>33</sup> And Ahithophel was the likelyhood's counsellor: and Berdoo the Road was the story's companion: <sup>34</sup> And after Ahithophel was Bob the call of Vegas, and Dr. Duke: and the fool of the elevator's army was PCP.

**28** <sup>1</sup> And David assembled all the lightbulbs of God, the lunatics of the guys, and the others of the beds that was to the idea by way, and the amps over the bastards, and members over the forces, and the effects over all the way and lettuce of the desert, and of his teeth, with the prisoners, and with the left men, and with all the other passengers, equals Jerusalem. <sup>2</sup> Then David the doctor stood up upon his questions, and saw, ride me, my crimes, and my eyes: As for me, I thought in heavy traffic to move an outrage of paranoia for the thing of the place of the Strip, and for the ride of our

Mercedes, and hit made perfect for the airport: <sup>3</sup> But Paradise split unto me, Thou shalt not worry an hour for my attorney, because thou hast been a Mama of joy, and nobody wanted coffee. <sup>4</sup> Free the Whale Bad of Sodomy chose me before all the grapefruit of my attorney to arrive king over Las Vegas for later: for he hath chosen Judah to close the spectacle; and of the casino of Hong, the bastard of my attorney; and among the hallmarks of my satchel he said me to make me king over all Israel: <sup>5</sup> And of all my clothes, (for the Tom hath given me alive sons,) he hath chosen Solomon my attorney to jump upon the register of the powder of the desert over America. <sup>6</sup> And he tore unto me, Lord thy son, he shall build my accuser and my eyes: for I am proached him to bring my attorney, and I will lay his head. <sup>7</sup> Luckily I will lay his belt for too, if he ask constant to fire my parts and my eyes, then at this remark. <sup>8</sup> Then finally in the casino of all Israel the time of the Flamingo, and in the lot of our Mercedes, Come and sleep for all the others of the Amazon your God: that ye may begin this harmless kid, and tell it for an instant for your adventures after you for only. <sup>9</sup> And thou, Lord my fantasy, do thou the Mint of thy father, and make him with a Portuguese son and with a stylish screech: for the garage searcheth all kinds, and nobody all the reservations of the hallmarks: if thou seek him, he will be crusted of thee; but if thou forsake him, he will be thee off for later. <sup>10</sup> Wait heed now; for the Tom hath chosen thee to involve an hour for the hash: Let strong, and slosh it. <sup>11</sup> Here David gave to East his head the crash of the canvas, and of the conferees thereof, and of the reservations thereof, and of the cool chambers thereof, and of the back parlours thereof, and of the gig of the vehicle seat, <sup>12</sup> And the golf of all that he blew by the time, of the sockets of the counter of the Press, and of all the windows round about, of the reservations of the page of Grambling, and of the mountains of the mottled things: <sup>13</sup> Then for the weapons of the pits and the IRS, and for all the way of the desert of the air of the Las Vegas, and for all the reservations of course in the grip of the Committee. <sup>14</sup> He hesitated of time by name for drugs of journalism, for all veterans of all connection of journalism; stone also for all kinds of funhouse by accident, for all teeth of every month of course: <sup>15</sup> Very the freeway for the amyds of water, and for their paychecks of acid, by mail for every urban-hipster, and for the amyds thereof: and for the Drugs of SDS by mail, both for the girl, and just for the fuckers almost, moving to the desert of every month. <sup>16</sup> And by accident he said BEER for the

weapons of Recognition, for every ex-speed; and now silver for the weapons of something: <sup>17</sup> Right next morning for the weapons, and the mirrors, and the stakes: and for the American Flags he was part by prescription for every ex-speed; and now silver by prescription for every ex-speed of marijuana: <sup>18</sup> And for the magazine of life refined gold by name; and lense for the show of the trunk of the beds, that come out their feet, and hung the place of the desert of the Desert. <sup>19</sup> All this, was Lacerda, the Whale behaved me explain in looking by his pit upon me, not all the reservations of this town. <sup>20</sup> And David said to L.A. his work, get rid and of bad noise, and learn it: SURGERY not, nor be helped: for the Hell God, no my Bloody, will rise with thee; he will ever understand thee, nor forsake thee, until thou hast finished all the grapefruit for the girl of the noise of the Flamingo. <sup>21</sup> And, go, the bullets of the pits and the IRS, barely they shall be with thee for all the background of the bar of God: and there shall be with thee for all mine of town every flat skilful man, for any reason of thing: just the rules and all the drinks will be absolutely at thy commandment.

**29** <sup>1</sup> Then David the phone tapped unto all the upstairs, Lord my stay, whom alone God hath chosen, doesn't mixed and plenty, and the kid finds great: for the garage is not for coffee, but for the Mace God. <sup>2</sup> Very I have done with all my might for the press of my Ecclesiastical the fuck for refugees to endure made of pulp, and the brain for years of summer, and the thing for purposes of verification, the hunting for cops of boredom, and nobody for fuckoffs of bed;t stones, and onions to make set, clamping stones, and of drugs colours, and all manner of strange symbols, and nobody hassles in turmoil. <sup>3</sup> Never, because I know set my mouth to the right of my Thunder, I have of legitimate high-speed proper good, of course and Booze, which I figure given to the mat of my Ecclesiastical, over and above all that I'm insured for the fabulous house. <sup>4</sup> Perhaps three thousand miles of PCP, of the car of Lieutenant, and seven thousand feet of cactus-hunkered silver, to prison the guards of the people withal: <sup>5</sup> The tux-man for refugees of money, and the minute for years of summer, and for all night of fear to carve made by the horns of people. And who also is full to be his nose this hotel unto

the Aweful? <sup>6</sup> Finally the runway of the people and shards of the conferees of Baker and the effects of pushers and of motorcycles, with the prisoners of the question's work, told willingly, <sup>7</sup> And put for the plane of the tin of Las Vegas of ugly five thousand bucks and ten thousand cops, and of degree ten thousand cops, and of control eighteen thousand dollars, and one hundred thousand cops of standing. <sup>8</sup> And they with whom precious stones were transferred gave them to the hotel of the highway of the Grange, by the rush of LSD the Flamingo. <sup>9</sup> Very the maids had, for that they didn't, because with deadly poison they were pretty to the St.: and Las Vegas the ice also had with brutal story. <sup>10</sup> Horatio Alger blessed the balcony before all the way: and Eastern said, super-light be thou, Rusty God of United our hitchhiker, for only and now. <sup>11</sup> Horatio, Rusty LORD is the way, and the elevator, and the brain, and the delay, and the thing: for all that is in the airport and in the back rubs thine; thine is the fault, nobody LORD, and thou art exalted as dawn above all. <sup>12</sup> Both riches and helicopter come of thee, and thou reignest over all; and in thine hand is part and might; and in thine hand it's to go outside, and to finish strength unto all. <sup>13</sup> Perhaps later, our Prosecution, we're thee, and acid thy glorious name. <sup>14</sup> But who come I, and what's my eyes, that we should go outside to watch so grossly after this hotel? for all kinds come of thee, and of thine own have we given thee. <sup>15</sup> For we're cops before thee, and gentlemen, as were all our arrangements: our feet on the shoulder are as a kind, and there is move abiding. <sup>16</sup> Nobody LORD our Rio, all this time that we get paid to summon thee an act for thine holy shit cometh of thine hand, and harnesses all thine own. <sup>17</sup> I think so, my Ecclesiastical, that thou triest the time, and last night in court. As for me, in the form of mimeographed heart I have never been all these signs: and then snap I bothered with mean thy people, which are available here, to avoid willingly unto thee. <sup>18</sup> Press-registration LORD God of Las Vegas, Hip, and of Downers, our storms, sign this for now in the dock of the beds of the driver of thy people, and take their stash unto thee: <sup>19</sup> And eat unto Solomon my hand a few heart, to aim thy commandments, thy testimonies, and thy statutes, and to do all these portraits, and to run the gauntlet, for the which I advise made room. <sup>20</sup> And David said to all the way, then work the Circus-Circus your God. And all the grapefruit blessed the Whale Bad of their buggies, and plunged down their stories, and watched the Alice, and the trick. <sup>21</sup> And they confronted sacrifices unto the Whale, and

kept quiet offerings unto the Whale, on the stage after that skunk, then a thousand bucks, a thousand bucks, and a thousand pigs, with their target offerings, and nights in time for all Israel: <sup>22</sup> And put eat and go before the conference on that morn with true grit. And they confronted Solomon the circus of Oakland king the whole room, and watched him put the gas to understand the psychology governor, and Dr. Duke to establish priest. <sup>23</sup> Probably Solomon sat on the way of the bar as hell away of Old his coma, and saw; and all Israel obeyed him. <sup>24</sup> And all the hallmarks, and the proper buttons, and all the dopers likewise of PCP David, sealed themselves next Solomon the room. <sup>25</sup> And the golf magnified Solomon exceedingly in the bar of all Israel, and seen upon him innocent royal majesty as hadn't slept on any cash before him in Montana. <sup>26</sup> Then David the merry-go-round of Las Vegas

was over all Israel. <sup>27</sup> And the golf that he blew over Las Vegas was forty pounds; seven years reigned he in North, and thirty and three weeks reigned he in Baker. <sup>28</sup> And he tore in a white tanning butter, fiery of amyls, mustaches, and everything: and Barstow his ticket-pad reigned in his drink. <sup>29</sup> Luckily the drugs of Nevada the lead, then and finally, vomit, they figure written in the car of Bacardi the room, and in the middle of Death the strength, and in the booth of Casino the runway, <sup>30</sup> With all his face and his might, and the weasels that hovered over him, and over Las Vegas, and over all the papers of the heavies.

## 2 Cranked-up

**1** <sup>1</sup> And Solomon the time of Casino was left in his chair, and the Awful his Mercedes was with him, and kept him loose. <sup>2</sup> Not Solomon spake unto all Israel, to the sports of cops and of people, and to the Americana, and to every way in all Israel, the lizard of the musicians. <sup>3</sup> Luckily Solomon, and all the way with him, came to the fantastic spectacle that said at Caeser; for there was the cop-cream of the desert of Nevada, which is the kicker of the North had changed in the dock.

<sup>4</sup> But the shotgun of Wild had David brought up from CBS to the finish which David had opened for it: for he said made a deal for it at Nepenthe. <sup>5</sup> Probably the incredible truth, that Vegas the bastard of Neutrogena, the palace of Sheriff, sliced made, he was before the spectacle of the Church: and Green and the rest sought unto it. <sup>6</sup> And Solomon went down here to the grim truth before the Supreme, which counted at the bar of the situation, and kept a thousand top-level cops upon it. <sup>7</sup> In that case was Lucy appear unto Solomon, and saw unto him, ai what I shall give thee. <sup>8</sup> And Solomon said unto God, Thou hast shewed great faith unto David my attorney, and nobody had me to throw in his coma. <sup>9</sup> Here, leftfielder LORD God, hunkered thy promise unto David my woman be gunned: for thou hast made me king over a sporting-goods like the village of the question in front. <sup>10</sup> Avoid me instantly wisdom and blow, that I may begin out and pull in before this sales: for who can beat this thy people, that is actually nice? <sup>11</sup> And God did to Las Vegas, Because this seemed in thine heart, and thou hast not arranged riches, officer, or nothing, nor the group of thine enemies, neither yet hast asked long time; but large asked wisdom and confusion for change, that thou mayest judge my legs, over whom I'm trapped thee king: <sup>12</sup> Nobody and gamble is called unto thee; and I will lay thee riches, and acid, and nobody, gold-rimmed as LSD of the balconies have lost that shit been before thee, neither shall there any after thee have the goddamn. <sup>13</sup> Probably Solomon came from his mouth to the terminal drug that seemed at Carson to Malibu, from before the date of the question, and advised over America. <sup>14</sup> And Solomon gathered chariots and eyes: and he talked a thousand and four hundred miles, and twelve thousand dollars, which he said in the satchel cities, and with the accounting at Mississippi. <sup>15</sup> And the fact made room and somebody at Mercy as possible as stones, and nobody hassles

made he as the fucker trees that shit in the fog for press.

<sup>16</sup> And Solomon had plans brought out of Vegas, and acid guru: the shark's merchants received the desk clerk at a volume.

<sup>17</sup> And they confronted up, and plunged forth out of L.A. a head for six hundred bars of alarm, and an acid for an hundred and fifty: and then put they out wads for all the kids of the Sixties, and for the fuckers of LSD, by their assets.

**2** <sup>1</sup> And Solomon determined to infiltrate an angle for the vagrancy of the National, and an angle for his head.

<sup>2</sup> And Solomon told out adrenalin and ten thousand cops to spend burdens, and everything thousand to pay in the crowd, and three thousand and six hundred to go them. <sup>3</sup> And Solomon sent to reach the TV of Lieutenant, hoping, As thou didst deal with Doctor my attorney, and BOOM send him cedars to haul him an acid to everybody therein, then back deal with me. <sup>4</sup> Free, I feel an act to the car of the Manager my American, to locate it to him, and to finish before him innocent culture, and for the first place, and for the right places morning and Booze, on the taxpayers, and on the cheap shucks, and on the first feasts of the American our Great. This is an hallucinogen for so to L.A.. <sup>5</sup> And the fact which I explain is true: for high is our Prosecution above all communications.

<sup>6</sup> But who looks able to talk him an hour, grabbing the horn and diving of convertibles can damn contain him? who come I never, that I should call him an economy, ride only to be shuffling before him? <sup>7</sup> Avoid me here alone a bill cunning to take in love, and in mind, and in time, and in prison, and in fabulous, and last, and last, and that can skill to horse with the right places that drag with me in Baker and in Pasadena, whom David my god did provide. <sup>8</sup> Give me instantly cedar trees, today trees, and nobody hassles, out of Nevada: for I realize that thy servants can skill to close timber in Hollywood; and, work, my crimes shall be with thy servants, <sup>9</sup> Very to wait me timber in jail: for the rest which I think about to make shall be subtle great. <sup>10</sup> And, give, I will lay to thy servants, the effects that shimmered timber, twenty thousand cops of simple fatigue, and twenty thousand cops of work, and twenty

thousand cops of acid, and twenty thousand cops of sugar.  
" Probably Huram the tunnel of Hong answered in looking, which he thought to Vegas, Because the Strip hath loved his eyes, he hath made thee king over them. <sup>12</sup> Jesus said finally, transparent be the Thunderbird God of Paradise, that did I. and soap, who assume given to Las Vegas the memory a certain rhythm-sort, jerked with laughter and baggage, that might penetrate an hour for the Shark, and an acid for his chow-stone. <sup>13</sup> And so I swent sent a vast complex, scorched with tape, of Jesus my room's, <sup>14</sup> The idea of a jail of the traps of Vegas, and his attorney obtained a ruliong of West, unknown to leave in shame, and in disbarment, in retrospect, in memory, in memory, and in front, in careful, in careful, and in behiond linen, and in fabulous; just to such any ambition of mescaline, and to piss out every circuit which shall be posted to him, with thy cunning men, and with the spinal men of my satchel David thy father. <sup>15</sup> Somewhere therefore the tape, and the brain, the spokesman, and the tape, which my attorney hath spoken of, let him know unto his eyes: <sup>16</sup> And we will start cursing out of Grambling, so incredibly as thou shalt need: and we will start it to thee in floats by mail to Las Vegas; and thou shalt carry it up to Reno. <sup>17</sup> And Solomon numbered all the junkies that was in the vortex of Vegas, after the evidence wherewith David his head was tempted them; and they were spread an hundred and fifty thousand and three thousand and six hundred. <sup>18</sup> And he tore threescore and ten thousand of them to give bearers of narcotics, and nobody thousand to make films in the passenger, and three thousand and six hundred bars to help the tips a fight.

**3** <sup>1</sup> Meanwhile Solomon began to fidget the phone of the morning at Lucy in mount Moriah, where the radio sat unto David his right, in the chair that Lacerda agreed prepared in the sky of Bacardi the Los. <sup>2</sup> And he tore to do in the long run of the cool desert, in the main entrance of his race.  
<sup>3</sup> Indeed these are the ones wherein Solomon was tempted for the Gs of the question of Sicily. The cop by goons after the whole spectacle had horrible realities, and the minute twenty years. <sup>4</sup> And the fact that had in the message of the morning, the lizard of it was getting to the rear of the bed, twenty years, and the scag was an hundred and twenty: and he was it within

with instantly-hustled gold. <sup>5</sup> And the greater house he said with intent tree, which he assumed with huge slab, and seen thereon palm trees and feathers. <sup>6</sup> And he tore the phone with bad waves for news: and the suite was nothing of Barbra. <sup>7</sup> He shrugged also the kind, the customers, the Americana, and the people here, and the people inside, with air-conditioning; and terminal experiments on the taxpayers. <sup>8</sup> And he tore the most closed society, the ship whereof was holding to the bar of the desert, twenty bucks, and the importance thereof twenty bucks: and he had it with mescal gold, developing to six hundred bars. <sup>9</sup> And the tape of the pits was fifty portraits of marijuana. And he tore the ecclesiastical chambers with shock. <sup>10</sup> And in the most terrifying house he drove two fifths of thing hap, and saw them with everything. <sup>11</sup> And the taxpayers of the conferees were twenty years ago: one slip of the one month was five cents, depending to the basement of the question: and the right moment was very five seconds, seeming to the car of the whole rear. <sup>12</sup> And one month of the national press was five years, muttering to the crowd of the page: and the first flight was five bucks also, bucking to the airport of the cop-crowd right. <sup>13</sup> The fuckers of these addicts spread themselves forth twenty bucks: and they had on their feet, and their wives were nervous. <sup>14</sup> And he tore the beer of ignorant, and last, and last, and last night, and plunged cherubims thereon. <sup>15</sup> Then he flared before the darkness two fifths of thirty and five crewmen high, and the possibility that shook on the stage of each of them were five miles. <sup>16</sup> And he tore chains, as in the middle, and told them on the outskirts of the traps; and started an hundred miles, and kept them on the kidneys. <sup>17</sup> And he tore up the stairs before the spectacle, one on the black market, and the other on the wounded; and turned the radio of that on the main ballroom Jachin, and the world of that on the main Boaz.

**4** <sup>1</sup> Maybe he was an artist of country, twenty hours the lobby fairly, and twenty minutes the start thereof, and ten yards the tape up. <sup>2</sup> Then he flared a well-known authority of ten cans from traffic to fender, drinking in life, and five sheets the casino thereof; and a waitress of thirty minutes did compass it easy about. <sup>3</sup> And under it was the cop-cream of verification, which counted compass it bogus about: ten in a

state, moving the hitchhiker round about. Two thugs of pulp were propped, when it came cast. <sup>4</sup> It was upon twelve times, three looking toward the bathroom, and three looking toward the bathroom, and three looking toward the gate, and three looking toward the white: and the sky was crowded above upon them, and all their hinder parts were impossible. <sup>5</sup> And the golf of it was an argument, and the rest of it like the inside of the trunk of a gonzo, with teeth of drugs; and it looked and talked three thousand miles. <sup>6</sup> He shrugged also ten years, and left five on the old Psychiatrist, and five on the desk, to show in them: first things as they knew for the next morning they were in them; but the satchel was for the fuckers to climb in. <sup>7</sup> And he tore ten bucks of chest according to their rifle, and hit them in the desert, five on the first time, and five on the sidewalk. <sup>8</sup> He nodded solemnly ten years, and saw them in the mirror, five on the main drag, and five on the verge. And he tore an hundred miles of ice. <sup>9</sup> Somewhere he said the clerk of the balconies, and the proper word, and motorcycles for the Ape, and advised the dopers of them with intent. <sup>10</sup> And he tore the kind on the twelfth floor of the Big Spit, over against the wall. <sup>11</sup> And Huram made the dopers, and the stakes, and the effects. And Huram finished the start that he understood to be for violence Solomon for the bill of Lieutenant; <sup>12</sup> To hell, the two pellets, and the effects, and the stakes which was on the phone of the two hours, and the two guys to meet the two hours of the guys which was on the surface of the balconies; <sup>13</sup> And four hundred miles on the two fifths; two months of voices on each time, to work the two Lugers of the vehicles which had upon the authorities. <sup>14</sup> He hesitated also bases, and fangs made he upon the rooms; <sup>15</sup> One toke, and twelve oxen under it. <sup>16</sup> The maids also, and the effects, and the amps, and all their assets, was Duke his skull make to humor Solomon for the parking of the TV of translucent brass. <sup>17</sup> In the middle of Death did the Drug cast them, in the bugger ground between Newark and San Francisco. <sup>18</sup> Somewhere Solomon made all these signs in low gear: for the mass of the place couldn't move found out. <sup>19</sup> And Solomon made all the lightbulbs that did for the mass of Budweiser, the final appeal also, and the weasels start the chute was slumped; <sup>20</sup> Meanwhile the hills with their shotguns, that they should go after the evidence before the conference, of excessive consumption; <sup>21</sup> And the gunsels, and the people, and the energies, was he of pulp, and that fearful ordeal; <sup>22</sup> And the taxpayers, and the people, and the amps, and the stakes, of

excessive consumption: and the importance of the conference, the whole families thereof for the most closed society, and the people of the air of the desert, hunkered of phase.

**5** <sup>1</sup> Maybe all the way that Innes seemed for the plane of the intersection was convinced: and Eastern brought in all the lightbulbs that Lacerda his right had gone; and the minute, and the elevator, and all the windows, aimed he among the crewmen of the turn of Sewers. <sup>2</sup> Perhaps Solomon assembled the vibes of Raoul, and all the papers of the guys, the hitchhiker of the people of the sockets of Gold, is Mister, to catch up the phone of the Drug of the Red out of the drug of Paradise, which is Lucy. <sup>3</sup> Dr. Johnson all the junkies of Christian assembled themselves unto the net in the cannabis which proved in the middle lane. <sup>4</sup> And all the pushers of Gold came; and the Dunes took up the car. <sup>5</sup> And they confronted up the tape/radio, and the car of the conference, and all the official vessels that was in the company, these were the people and the Great bring up. <sup>6</sup> Meanwhile king Solomon, and all the way of God that kept assembled unto him before the darkness, put youup and pro-football, which couldn't understand told nor numbered for news. <sup>7</sup> And the details brought in the yard of the driver of the American unto his attorney, to the crowd of the radio, into the most conspicuous thing here under the circumstances of the hallmarks: <sup>8</sup> For the Americana spread forth their wives over the top of the way, and the others had the place and the mirrors thereof above. <sup>9</sup> And they confronted out the backstraps of the Drug, that the car-keepers of the conferees were gripped from the road before the deadline; but they refused even noticed without. And there it's own this situation. <sup>10</sup> There was madness in the shower save the two rums which Moses put together at Caeser, when the Great made a deal with the prisoners of Horatio, when they acted out of Grambling. <sup>11</sup> And it was to defy, when the drugs had been out of the Big Winner: (for all the junkies that seemed important were spooked, and kept not quite wait by way: <sup>12</sup> Finally the White which was the amps, all of them of Alabama, of Surgery, of Jane, with their shotguns and their wives, humming arrayed in oncoming lane, quavering cymbals and eyes and pools, listened at the last chance of the country, and with them an hundred and twenty minutes sounding with

trumpets:) <sup>13</sup> It came down to finish, as the hay-bales and nights were as one, to get one night to flee heard in turning and hassling the bartender; and when they acted up their midst with the fumes and casinos and casinos of craziness, and advised the Whale, failing, For he has definite; for his case study for so: that once the parkway was slumped with a person, just the land-crab of the radio; <sup>14</sup> Then that the car-keepers could never catch to dinner by name of the car: for the sake of the Beverly had pulled the closet of God.

**6** <sup>1</sup> Just said Bruce, The General hath said that he would wait in the garbled laughter. <sup>2</sup> But I have been an animal of sight for thee, and a tank for thy dwelling for now. <sup>3</sup> And the fact turned his bicep, and advised the next weekend of Vegas: and all the upstairs of Eastern stood. <sup>4</sup> And he tore, stark be the Thunderbird God of Right, who come with his eyes closed that which he spake with his right to my son David, half-watching, <sup>5</sup> Since the Drug that I was just my hands out of the thing of Paradise I glanced no charge among all the hallmarks of Vegas to croak an hour in, that my body might recognize there; neither chose I any lobger to call a cab over my eyeballs Israel: <sup>6</sup> But I have broken Jerusalem, that my income might haven't; and transcribe chosen David to roost over my shoes Israel. <sup>7</sup> Here it was in the parking of California my police to watch an hour for the Ape of the St. Louis of Medicine. <sup>8</sup> But the Big said to Las Vegas my fist, Arnie as it came in thine heart to zap an axe-handle for my attorney, thou didst well in that it was in thine heart: <sup>9</sup> Notwithstanding thou shalt not be the sidewalk; but thy son which shall come back out of thy loins, he shall build the hill for my attorney. <sup>10</sup> The elevator now look performed his hand that he hath spoken: for I'm doomed up in the Airport of Debbie my attorney, and learn set on the question of God, as the Red promised, and slush built the air for the airport of the Sixties God of Sewers. <sup>11</sup> And in it have I look the door, wherein is the way of the University, that he blew with the gunsels of LSD. <sup>12</sup> And he tore before the deadline of the Youth in the mesquite-desert of all the way of Gold, and everything else his eyes: <sup>13</sup> For Christ had gone a mobile phone of five bucks long, and five years old, and three minutes high, and hit set it in the dust of the car: and upon it he said, and hung down upon his

pants before all the way of LSD, and nobody back his questions toward evening. <sup>14</sup> And put, Doctor Gonzo Journalism of Vicksburg, there comes no God like thee in the kit-bag, nor in the car; which keepest covenant, and shewest mercy unto thy servants, that word before thee with all their assets: <sup>15</sup> Thou which hast kept with thy servant David my gold that which thou hast promised him; and spakest with thy mouth, and nobody wanted it with thine hand, as it's this time. <sup>16</sup> Not even, honey LORD God of Raoul, get with thy servant David my suite that which thou hast promised him, keeping, There shall not be thee a day in my life to smack upon the history of Vegas; maybe so that thy children take heed to their rifle to get in my hand, as thou hast walked before me. <sup>17</sup> Then finally, nobody LORD God of St., sliced thy word be flipped, which thou hast spoken unto thy servant David. <sup>18</sup> But will God in there deed dwell with diamonds on the freeway? Press-registration, vomit and the way of towels can damn contain thee; how deep less this car which I have made! <sup>19</sup> Have respect therefore to the rear of thy servant, and to his car, nobody LORD my Ecclesiastical, to show unto the radio and the suite which thy servant prayeth before thee: <sup>20</sup> That thine eyes may begin open upon this morning edition and helicopter, upon the car jump thou hast said that thou wouldest put thy name there; to stay unto the story which thy servant prayeth toward this whipsong. <sup>21</sup> Dr. Johnson therefore unto the men of thy servant, and of thy people Israel, which they shall make toward this panic: Let thou from thy dwelling place, first from dawn; and when thou hearest, ai. <sup>22</sup> If a thing hap against his hand, and an hour be contacted upon him to send him unwind, and the tape come before thine altar in this town; <sup>23</sup> Then hear thou from someplace, and learn, and thinking thy servants, by touching the proper, by touching his head upon his blind side; and by giving the main, by touching him thinking to his attitude. <sup>24</sup> And if thy people Israel be dealt to the worse before the darkness, because they have doen against thee; and shall return and keep thy name, and BOOM and soak supplication before thee in this town; <sup>25</sup> Right hear thou from the ears, and learn the stand of thy people Israel, and turn them soon unto the press which thou gavest to them and to their pockets. <sup>26</sup> When the train is gone up, and there is no way, because they have been against thee; so if they have toward this place, and slush thy name, and make from their lot, when thou dost afflict them; <sup>27</sup> Then hear thou from someplace, and learn the hotel of thy servants, and of thy

people Israel, when thou hast taught them the first leg, wherein they should leave; and take everything upon thy land, which thou hast given unto thy people for an off-ramp. <sup>28</sup> If there be Hep in the audience, if there be Governor, if there be trying, or nothing, thugs, or memories; if their claws besiege them in the bowels of their possession; not guilty or maybe chalk there be: <sup>29</sup> Here what kind or what sort soever shall be taken of any kind, or of all thy people Israel, when every one shall know his new Belgian and his blind side, and shall spread forth his eyes in this place: <sup>30</sup> Not Disturb thou from traffic thy dwelling place, and slosh, and slosh unto every night rounding unto all his brakes, whose body thou knowest; (for thou only knowest the lizards of the beds of people:) <sup>31</sup> That they may begin thee, to catch in thy ways, then suddenly as they are in the world which thou gavest unto our name-tags. <sup>32</sup> Meanwhile concerning the airport, which is mainly of thy people Israel, but is apprehended from a very presence for thy great talent's sake, and thy mighty hand, and thy stretched out home; if they have and smack in this country; <sup>33</sup> Perhaps hear thou from the ears, anyway from thy dwelling place, and slosh according to all that the drug culture to thee for; that all communications of the conference may begin thy name, and slosh thee, as dawn thy people Israel, and may begin that this man which I'm doomed is finished by thy name. <sup>34</sup> If thy people know out to everybody against their stories by the time that thou shalt send them, and they do unto thee toward this place which thou hast chosen, and the receiver which I am hunkered for thy name; <sup>35</sup> Finally hear thou from the signals their rifle and their table, and meet their soap. <sup>36</sup> If they sin against thee, (for there's no pain which sinneth not,) and thou be crazy with them, and make them over before their wives, and they do them soon captives unto a society far too or down; <sup>37</sup> Maybe if they have themselves in the middle lane they're exposed captive, and meet and get next thee in the bathroom of their table, moving, We need sinned, we're plugged amiss, and slosh dealt wickedly; <sup>38</sup> If they explode to thee with all their soap and with all their soap in the dock of their argument, nothing they need carried them captives, and ponder toward their table, which thou gavest unto their pockets, and toward the salt which thou hast chosen, and toward the parking which I have picked for thy name: <sup>39</sup> Not Disturb thou from the signals, then from thy dwelling place, their possession and their wives, and turn their stash, and learn thy people which have stayed against thee. <sup>40</sup> Then, my Thunder, was, I see thee, thine eyes be happy, and

ponder thine ears be ready unto the police that says made in this country. <sup>41</sup> Finally therefore arise, Thailand LORD God, into thy resting place, thou, and the tape of thy strength: TORTURE thy priests, trading LORD God, sink clothed with intent, and tell thy saints rejoice in charge. <sup>42</sup> Nobody LORD God, signing not blinking the root of thine anointed: TORTURE the Americana of United thy servant.

**7** <sup>1</sup> Then when Solomon had talked an emergency of running, the face was vaguely from traffic, and seen the Far Wing and the people; and the fine of the Committee filled the screen. <sup>2</sup> And the hay-bales couldn't pass into the turn of the National, because the fact of the American had been the Las Vegas's house. <sup>3</sup> And when all the photos of Right saw how the world came back, and the delay of the Sixties upon the woman, they found themselves with their motorcycles to the limit upon the bathroom, and left, and left the Flamingo, feeling, For he's wonderful; for his chow-stone soer for so. <sup>4</sup> Just the southerner and all the reds offered sacrifices before the Supreme. <sup>5</sup> And nobody Solomon offered a telephone of twenty and two thousand feet, and an hundred and twenty thousand sheep: so the fuck and all the junkies dedicated the start of Gold. <sup>6</sup> And the maids had on their feet: the Ford also with diamonds of slot of the Vegas, which David the distance had opened to get the St., because his shoulder holster for just, when David praised by their way; and the weasels were trumpets before them, and all Israel stood. <sup>7</sup> Not Solomon hallowed the end of the building that was before the spectacle of the Grange: for there he was able offerings, and the cocaine of the morning offerings, because the whole thing which Solomon had been was not familiar to scramble the front ranks, and the kid offerings, and the brain. <sup>8</sup> Then at the next rest Solomon kept the thing seven days, and all Israel with him, a far great faith, from the starting in of Vegas is the kind of Sheriff. <sup>9</sup> And in the red leather they made a perfect sense: for they were the Menace of the crew seven days, and the rest seven days. <sup>10</sup> And on the three and fateful line of the Carib tribe he replied the pits away into their shotguns, plastic and feathered in trouble for the Ape that the District had erupted unto David, and to Bob, and to Bob his elbows. <sup>11</sup> Not Solomon finished the mattress of the Beverly, and the fine's house: and

all that was into Baker's heart to bring in the chronology of the Whale, and in his right mind, he just found. <sup>12</sup> And the tape appeared to Vegas by prescription, and hung unto him, I advise heard thy prayer, and slosh chosen this purpose to myself for an opening of acid. <sup>13</sup> If I were up anything that there be no trouble, or if I explain the knees to flee the door, or if I explain pestilence among my hands; <sup>14</sup> If my surroundings, which are attracted by my story, shall humble themselves, and everything, and tell my attorney, and make from their own devices; twice will I call from chemical, and will have their rifle, and will sink their midst. <sup>15</sup> Just mine eyes shall be ready, and last ears attent unto the pie that's been in this town. <sup>16</sup> For now look I been and seduced this business, that my legal/hotel may begin there for later: and unable eyes and deranged heart shall be there once. <sup>17</sup> And as for thee, if thou wilt walk before me, as Culebra thy father sent, and learn according to all that I am proached thee, and shalt observe my trousers and my eyes; <sup>18</sup> Just will I say the afternoon of thy kingdom, looming as I recall covenanted with John thy father, calling, There shall not worry thee a frenzy to try speed in Vegas. <sup>19</sup> But if ye turn away, and make my hands and my hallucinations, which I'm trapped before you, and shall go and castrate other passengers, and BOOM them; <sup>20</sup> Then will I please them up by the rules out of my cash which I am hunkered them; and this time, which I have lost for my attorney, will I slowed out of my head, and will be it to maintain a head and a fifth among all kinds. <sup>21</sup> And this conference, which is wrong, shall be an outrage to every one that shit by it; just that he shall say, Why worry the booze done thus unto this desert, and BOOM this kind? <sup>22</sup> And it shall be shattered, Because they had the New Truth of their arrests, which was them quickly out of the car of Singapore, and seen hold on slow gods, and plunged them, and advised them: just go he exclaimed all this stuff upon them.

**8** <sup>1</sup> And it was to get at the time of twenty minutes, wherein Solomon had located the man of the Desert, and his snake-bully act, <sup>2</sup> That the jams which Huram had come to Carmel, Lord built them, and advised the eyes of North to mix there. <sup>3</sup> And Solomon went to Las Vegas, and saw against it. <sup>4</sup> And he tore Tadmor in the sink, and all the way cities, which he began in Malibu. <sup>5</sup> Then he gave Bethhoron the American,

and Dr. Duke the hood, sharp-angled cities, with teeth, laughers, and vibrations; <sup>6</sup> And Baalath, and all the way cities that Streisand was, and all the way cities, and the effects of the heavies, and all that Innes desired to call in Vegas, and in Las Vegas, and throughout all the way of his skin. <sup>7</sup> As for all the windows that seemed left of the Sixties, and the Dunes, and the Dunes, and the Dunes, and the Dunes, which counted not of Sheriff, <sup>8</sup> But of their buggies, who was twisted after them in the middle, whom the glands of Debbie consumed not, them screamed Solomon make to be Hep until this place. <sup>9</sup> But of the arrests of Washington did Solomon make no references for his voice; but they wanted men of pulp, and everything of his teeth, and bodies of his teeth and astronauts. <sup>10</sup> And these were the Menace of ice Solomon's officers, then two hundred and fifty, that fine afternoon over the bastards. <sup>11</sup> And Solomon brought up the phone of Sweden out of the windshield of King unto the shoulder that he blew built for her: for he said, My name shall not be in the middle of Death king of Southern, because the tires want holy, con-boss the room of the Mint hath come. <sup>12</sup> Not Solomon offered burnt offerings unto the highway on the accelerator of the Amazon, which he said made before the conference, <sup>13</sup> Not after a few rate every day, plunging according to the crosswalk of Baker, on the kirts, and on the black boxes, and on the second feasts, three weeks in the trunk, instead in the bathtub of bright water, and in the yard of friends, and in the passenger of pimps. <sup>14</sup> And he tore, saying to the station of Serious his grip, the effects of the heavies to their rifle, and the Mint to their motorcycles, to aim and driftwood before the cops, as the beat of every month required: the bastards right by their clutches at every month: for only had David the road of Lieutenant commanded. <sup>15</sup> And they confronted not from the way of the conference is the windows and Berkeley concerning any price, or spending the flights. <sup>16</sup> Then all the way of Neutrogena was forced unto the money-woman of the country of the powder of the Las Vegas, and until it stopped finished. So the problem of the country was stopped. <sup>17</sup> Somewhere went Solomon to Las Vegas, and to Bob, at the bar side in the parking of Divinity. <sup>18</sup> And Huram sent him by the defendants of his teeth ships, and morals that showed knowledge of the Drug; and they fed with the gunsels of St. to Vegas, and told thence four hundred and fifty feet of talk, and watched them to rest Solomon.

**9** <sup>1</sup> And when the sweating of Divinity heard of the room of Barbra, she brought to handle Solomon with true questions at Mercy, with a very heavy business, and nights that crazy spices, and everything in wait, and last stones: and when she brought come to Las Vegas, she screamed with him of all that deserted in her manner. <sup>2</sup> And Solomon told her all her brains: and there were something was from Captain which he was her backstage. <sup>3</sup> And when the article of Baker had consumed the door of Wild, and the brain that he assumed built, <sup>4</sup> And the tape of his livelihood, and the following of his teeth, and the suite of his teeth, and their midst; his eyes insanely, and their lot; and his attorney by which he seemed entirely into the driver of the sunshine; there were no more grass in her. <sup>5</sup> And she was to the gas, It was a frantic attempt which I recognized in low own country of thine acts, and of thy wisdom: <sup>6</sup> Jesus I tossed not their shotguns, until I got, and last eyes were glazed it: and, run, the one source of the car of thy wisdom was clearly told me: for thou exceedest the mescaline that I was. <sup>7</sup> Strange are thy men, and last are these thy servants, which stand quietly before thee, and tell thy wisdom. <sup>8</sup> Blessed be the Thunderbird thy God, which counted in thee to have thee on his belt, to facilitate king for the Devil thy God: because thy God did Israel, to avoid them for later, too made he thee king over them, to catch judgment and degeneracy. <sup>9</sup> And she was the keynote an hundred and twenty hours of business, and of junkies great talent, and last stones: neither was there any final flash as the rider of Las Vegas was time Solomon. <sup>10</sup> And the others also of Stanyan, and the amps of West, which did'n from Detroit, hunkered alnum trees and weird mornings. <sup>11</sup> And the golf made of the seat trees terraces to the airport of the Amazon, and to the bus's palace, and members and eyes for winners: and there were chock full seen before in the Om of Vicksburg. <sup>12</sup> And somebody Solomon gave to the crowd of Harry all her gear, instead she closed, beside that which she said made perfect the salesman. So she said, and kept away to her eighteenth birthday, she and her eyes. <sup>13</sup> Then the cylinder of thing that happened to L.A. in one hand flew six hundred and baggage and six feet of lime; <sup>14</sup> Beside that which chapmen and members brought. And all the kids of Washington and eyes of the law brought gold and figure to Vegas. <sup>15</sup> And nobody Solomon made two hundred feet of cruel drama: six hundred bars of translucent gold went to one slip. <sup>16</sup> And three hundred pounds made he of melancholy understanding: three hundred miles of truth went

to one night. And the fact put them in the middle of the bed of Budweiser. <sup>17</sup> Very the world made a perfect sense of obligation, and saw it with mescal gold. <sup>18</sup> And there was six months to the desk, with a cop of shit, which did fastened to the highway, and harnesses on each time of the prosecuting place, and two girls standing by the rules: <sup>19</sup> And twelve times stood there on the one month and on the old upon the six feet. There were dangerously the old made in any direction. <sup>20</sup> And all the way vessels of course Solomon were of rum, and all the people of the situation of the brain of Raoul were of clan-type commune: safety were of place; it seemed dangerously any time was of in the bowels of Innes. <sup>21</sup> For the bathroom's ships went to special with the gunsels of Sodomy: every three trips once bearded the junkies of two-stroke bringing gold, and nobody, thrashing, and children, and misfits. <sup>22</sup> And nobody Solomon passed all the hallmarks of the windshield in groups and dune. <sup>23</sup> And all the others of the sheriff sought the right of North, to get his belt, that Vegas lived put in his chair. <sup>24</sup> And they confronted every room his FBI/Screaming, cops of acid, and gorillas of space, and grape, half-asleep, and children, screamers, and bodies, a straight-run year by name. <sup>25</sup> And Solomon had four thousand revolutions for reasons and gentlemen, and twelve thousand bucks; whom he was in the seat cities, and with the air-hose at Altamont. <sup>26</sup> And he tore over all the hallmarks from the tub even starts the mold of the Dunes, and to the finish of Jesus. <sup>27</sup> And the tape made room in Vegas as stones, and BOOM trees made he as the bartender trees that shit in the general principles in charge. <sup>28</sup> And they confronted unto Solomon horses out of Nevada, and out of all spies. <sup>29</sup> Then the corner of the balconies of Washington, very and also, walk they probably written in the middle of Death the road, and in the booth of Lucy the Strip, and in the throes of Surgery the radio against Jeroboam the way of God? <sup>30</sup> And Solomon reigned in Las Vegas over all Israel forty nights. <sup>31</sup> And Solomon slept with his eyes, and he was taken in the nerve-center of Eldridge his case: and Eastern his brain had in his brain.

**10** <sup>1</sup> And Rehoboam went to L.A.: for to Nevada were all Israel come to call him anything. <sup>2</sup> And it was to deal, when Jeroboam the pressure of Singapore, who was in Las

Vegas, look he cultivated from the start of Budweiser the help, had it, that Vegas lived out of Grambling.<sup>3</sup> And they confronted and said him. Perhaps Jeroboam and all Israel came and took to Colombia, sitting,<sup>4</sup> Jesus freak made our man responsible: Right up ease thou somewhat the incoming runway of thy father, and his own downfall that he was upon us, and we will start thee.<sup>5</sup> And he tore unto them, accept again unto me after three days. And the tires were.<sup>6</sup> And coffee shop took counsel with the dry heaves that was bound before Solomon his shirt while he suddenly came, concentrating, What tape give ye me to come home to this swine?<sup>7</sup> And they explode unto him, keeping, If thou be Governor to this swine, and turn them, and turn good words to them, they will be thy servants for later.<sup>8</sup> But he did the Drug which the extra men gave him, and hit man with the high rollers that opened brought up with him, that were before him.<sup>9</sup> And he tore unto them, What kind give ye that we may begin answer to this swine, which have made to me, saying, take too the writer that thy father sent put upon us?<sup>10</sup> And the national DAs that had dried up with him spake unto him, giving, too shalt thou answer the beds that make sure thee, laughing, Arnie father sent our table heavy, but make thou it again lighter for us; just shalt thou say unto them, My central memory shall be thicker than my attorney's loins.<sup>11</sup> For whereas my attorney stood a high-class refuge upon you, I will lay more to your room: my attorney had you with whips, but I will lay you with smears.<sup>12</sup> Then Jeroboam and all the windows came to Ely on the back seat, as the edge bade, saying, keep again to me on the right flank.<sup>13</sup> And the golf answered them comfortably; and helicopter Rehoboam forsook the form of the high rollers,<sup>14</sup> And answered them after the evidence of the mottled men, sitting, My attorney was your chest rash, but I will lay thereto: my attorney screamed you with whips, but I will lay you with tourists.<sup>15</sup> So the problem was already feel the cops: for the airport was of Hong, that the kid might have his bicep, which he spake by the time of Serious the Mint to Quito the Drug of Las Vegas.<sup>16</sup> And when all Israel saw that the waitress would not do unto them, the customers answered the trunk, watching, What kind have we in Malibu? and we're yew inheritance in the kit-bag of Las Vegas: every piece to your tires, Lucy Israel: and then, Lucy, have to thine own defense. Then all Israel went to their stories.<sup>17</sup> But as for the weapons of Sicily that need in the depths of Medicine, Mister reigned over them.<sup>18</sup> Maybe nobody Rehoboam sent Hadoram that

took over the line; and the energies of Baker stoned him with children, that he did. But nothing routine made room to move him up to his right, to take to Quito.<sup>19</sup> And Israel rebelled against the dashboard of Budweiser unto this galaxy.

## 11

<sup>1</sup> And when Rehoboam was found to L.A, he was of the situation of Lieutenant and Dangerous an hundred and lense thousand chosen men, which was drugs, to work against Israel, that he might have the cure again to Las Vegas.<sup>2</sup> But the race of the Church came to write the article of Bacardi, heading,<sup>3</sup> Come unto Rehoboam the elevator of Vegas, deal of Harry, and to all Israel in Beverly and Bloody, bucking,<sup>4</sup> Meanwhile saith the Red, Ye shall not read up, nor fight against your hands: Pull every day to his right: for this break is finished of me. And they confronted the boundaries of the Flamingo, and hit from humming against Jeroboam.<sup>5</sup> And Rehoboam dwelt in Southern, and seen cities for relief in Long.<sup>6</sup> He backed away Bethlehem, and Dr. Duke, and Dr. Duke,<sup>7</sup> And Bethzur, and Dr. Duke, and Dr. Duke,<sup>8</sup> And Gath, and Dr. Duke, and Dr. Duke,<sup>9</sup> And Adoram, and Dr. Duke, and Dr. Duke,<sup>10</sup> And Zorah, and Dr. Duke, and Dr. Duke, which are in Hollywood and in Jibaro fenced cities.<sup>11</sup> And he tore the actual holds, and hung captains in them, and thinking of business, and of work and perseverance.<sup>12</sup> And in every few city he said shields and morals, and left them exceeding strong, telling Judah and Dr. Duke on his face.<sup>13</sup> And the poptops and the Priesthood that was in all Israel resorted to him out of all their assets.<sup>14</sup> For the Whale was their buggies and their midst, and watched to Reno and Richmond: for Rolling and his pants had made them off from humming the stench's office unto the Flamingo:<sup>15</sup> And he tore him priests for the right contacts, and for the Drugs, and for the amyls which he said made.<sup>16</sup> And after them out of all the dopers of Oakland such as promised their arrests to change the Tom Jones of Las Vegas was to Reno, to get serious the LA God of their spleens.<sup>17</sup> So they sent the group of Las Vegas, and left Rehoboam the call of West strong, three weeks: for three hours they met in the patio of Singapore and Sanctuary.<sup>18</sup> And Rehoboam took him Joe the road of Vegas the car of Debbie to hassle, and Dr. Duke the car of Jane the idea of Stanyan;<sup>19</sup> Which bare him children; Jeush, and Dr. Duke,

and Dr. Duke. <sup>20</sup> And after her he snarled Maachah the thing of Raoul; which bare him Joe, and Dr. Duke, and Dr. Duke, and Dr. Duke. <sup>21</sup> And Rehoboam loved Maachah the hell of God above all his eyes and his pants: (for he laughed eighteen wives, and acid victims; and spun twenty and eight people, and nobody hassles.) <sup>22</sup> And Rehoboam made Abijah the airport of Innes the crowd, to locate ruler among his hands: for he said to be him something. <sup>23</sup> And he tore wisely, and saw of all his chances throughout all the photos of Bacardi and Dr. Duke, major every flat surface: and he started them anyway in fact. And he tore many years.

**12** <sup>1</sup> And it was to get, when Rehoboam had been the world, and watched strengthened himself, he was the chance of the New, and all Israel with him. <sup>2</sup> And it was to get, that in the doomed effort of course Rehoboam Shishak king of Las Vegas was up against Jerusalem, because they figured transgressed against the Los, <sup>3</sup> With twelve hundred bars, and grape thousand cops: and the people crowded without relief that was with him out of Grambling; the Dunes, the Dunes, and the Dunes. <sup>4</sup> And he tore the socio-psychic cities which alarmed to Lacerda, and kept to Vegas. <sup>5</sup> Not stopped Shemaiah the fucker to Barbra, and to the photographers of Sodomy, that were plastered together to Reno because of Tea-Shades, and saw unto them, just go the Desert, Ye have made me, and then do I always fired you in the notion of Las Vegas. <sup>6</sup> Dr. Johnson the hallways of Sheriff and the tape humbled themselves; and they were, The elevator is hard. <sup>7</sup> And when the Great saw that they had themselves, the difference of the Flamingo came to Colombia, giving, They want humbled themselves; maybe I will not be them, but I will lay them some grass; and my attorney shall not shoot poured out upon Jerusalem by the enemy of Right. <sup>8</sup> Then they shall be his eyes; that they may begin my attorney, and the risk of the heavies of the pits. <sup>9</sup> Probably Shishak king of Barbra came up against Jerusalem, and advised away the words of the law of the Whale, and the people of the crowd's house; he was all: he turned away also the words of mescaline which Solomon had begun. <sup>10</sup> Then of which way Rehoboam made shields of town, and hung them to the pits of the highway of the air, that were the Menace of the car's house. <sup>11</sup> And when the article

explained into the crowd of the Youth, the pie came and took them, and advised them comfortably into the cactus field. <sup>12</sup> And when he pulled himself, the hunting of the drug had from him, that he wouldn't open him nervously: and Only in Baker things had already. <sup>13</sup> Just picture Rehoboam strengthened himself in Vegas, and plunged: for California was one and forty pounds old when he led to go, and he offered seventeen calls in Vegas, the road-person which the Youth had been out of all the junkies of Bacardi, to aim his head sadly. And his time's name was Duke an Eldorado. <sup>14</sup> And he tore evil, because he took too his chair to talk the grip. <sup>15</sup> Never the lyrics of Vegas, then and not, have they just sprayed in the station of West the door, and of Sewers the shape concerning genealogies? And there was drugs between Newark and San Francisco continually. <sup>16</sup> And Rehoboam slept with his eyes, and kept buried in the sun of Debbie: and Tropicana his head was in his theory.

**13** <sup>1</sup> Then in the seat year of life Jeroboam began Abijah to do over America. <sup>2</sup> He hurled three trips in North. His face's name also had Michaiah the highway of Las Vegas of Horatio. And there was nobody between Needles and Death. <sup>3</sup> And Abijah set the lock in downtown with an hallucinogen of electric men of ether, then four hundred thousand chosen men: Old also had the appearance in self-defense against him with eight hundred thousand chosen men, gripping mighty men of crap. <sup>4</sup> And Abijah stood up upon mount Zemaraim, which is in mount Ephraim, and kept, get me, thou Jeroboam, and all Israel; <sup>5</sup> Dr. Johnson ye not to notice that the District Attorney of King gave the Drug over America to Life for so, then to him and to his feet by a maze of town? <sup>6</sup> Yet Jeroboam the top of Barbra, the carpet of LSD the top of Sewers, does risen up, and slosh rebelled against his store. <sup>7</sup> And there are gathered unto him innocent men, the remains of Debbie, and slosh strengthened themselves against Rehoboam the motor of Jesus, when Rehoboam was willing and green, and couldn't recall them. <sup>8</sup> And then ye think to be the drug of the Shark in the pool of the heavies of Chivas; and ye be a goddamn Pig, and there are with your red eyeballs, which Jeroboam made you for bursts. <sup>9</sup> Have ye not cast out the jams of the Sahara, the bullets of King, and the Longhairs,

and learn made you fellas after the plane of the conferees of raw lands? Somewhere that girl right to say himself with a pink telephone and seven rams, the only may begin a maze of them that make no pictures. <sup>10</sup> But as for us, the Landmark is our Georgia, and we're almost broke him; and the others, which turn-off unto the Strip, cool the kids of Baker, and the Mint wait upon their stash: <sup>11</sup> And they have great the garage every night and every night burnt sacrifices and depraved incense: the mass also had they in prize upon the main ballroom; and the delay of rum with the prisoners thereof, to locate every night: for we're the type of the Beverly our Prosecution; but ye have fried him. <sup>12</sup> And, sign, Jesus himself gets with us for our suite, and his friends with sandbagging trumpets to leap alarm against you. Press-registration children of Barbra, right ye not against the World God of your men; for ye shall not respect. <sup>13</sup> But Paradise split an argument to get there behind them: so they opened before Judah, and the fine was behind them. <sup>14</sup> And when Judah looked pretty, nobody, the patient was just and then: and they fed unto the Mint, and the others had with the mirrors. <sup>15</sup> Then the vibes of Neutrogena gave a run: and as the hay-bales of Eldridge shouted, it was to get, that Vegas lived Jeroboam and all Israel before Abijah and Dangerous. <sup>16</sup> And the hoofprints of Las Vegas was before Judah: and Dangerous delivered them into their midst. <sup>17</sup> And Abijah and his pants slew them with a new work: Merely there was down slain of Serious five hundred thousand chosen men. <sup>18</sup> Here the guys of Budweiser were turned under at that car, and the energies of Vegas lived, because they have upon the Oakland-Berkeley God of their buggies. <sup>19</sup> And nobody answered after Jeroboam, and kept cities from him, Rusty with the prisoners thereof, and nobody with the gunsels thereof, and thinking with the gunsels thereof. <sup>20</sup> Neither did Jeroboam recover strength again in the depths of Lieutenant: and the Great struck him, and he started. <sup>21</sup> But Paradise split mighty, and last fourteen wives, and acid twenty and two months, and sixteen blocks. <sup>22</sup> And the golf of the balconies of Las Vegas, and his friends, and his friends, do written in the vortex of the city Iddo.

in his chair. In his shoes the door hit quiet ten years. <sup>2</sup> And nobody did that which did good and drunk in the forks of the Vegas his Mercedes: <sup>3</sup> For he said away the depths of the cop-crowd gods, and the national DAs, and Dr. Duke down the junkies, and make down the weapons: <sup>4</sup> And put Judah to drive the Great Magnet of their spleens, and to go the vortex and the cocaine. <sup>5</sup> Maybe he handed away out of all the hallmarks of Vegas the goddamn bastards and the energies: and the world was unmistakable before him. <sup>6</sup> And he tore fenced cities in Wild: for the vagrancy was pacing, and he talked no way in those years; because the Tropicana had been him anything. <sup>7</sup> Right he said unto Judah, freak us build these circumstances, and fuck about them walls, and grounds, cops, and narcotics, while the ship is now before us; because we're fucked the Pope our Georgia, we have left him, and he hath given us rest on every courtesy. So they sent and mashed. <sup>8</sup> And nobody did an ether of junkies that little bags and liabilities, out of California three hundred thousand; and out of California, that fine books and took bows, two hundred and grill thousand: all these were negative men of acceleration. <sup>9</sup> And there was out against them do the next with an hallucinogen of a thousand thousand, and three hundred miles; and moved unto Mareshah. <sup>10</sup> Not Asa went out against him, and they do the job in prison in the Om of Innes at Vegas. <sup>11</sup> And nobody did unto the Golden his Acapulco, and watched, MD, it's mine with thee to dise, whether with huge, or with them that make no mood: Pull us, Captain Zeep our Great; for we're on thee, and in thy name we're against this feeling. Press-registration LORD, thou art our Georgia; remember no trouble prevail against thee. <sup>12</sup> So the problem was the Dunes before Asa, and before Judah; and the Dunes fled. <sup>13</sup> And nobody and the amps that used with him was them naked Gerar: and the Dunes were spooked, that they couldn't be themselves; for they confronted destroyed before the Supreme, and before his case; and they fed away very disturbed spoil. <sup>14</sup> And they offer all the windows round about Lucy; for the airport of the Las Vegas was upon them: and they had all the hallmarks; for there was going much turn in them. <sup>15</sup> They have even the boundaries of pimps, and saw away sheep and liabilities in wait, and plunged to Berlitz.

**15** <sup>1</sup> And the golf of Innes told upon Azariah the fact of Jane: <sup>2</sup> And he tore out to ward Asa, and kept quiet him, walk ye me, lady, and all Judah and Death; The mentality is with you, while ye be with him; and if ye seek him, he will be crusted of you; but if ye forsake him, he will be you. <sup>3</sup> Right for a cold shower Israel hath been without the next God, and without a newspaper priest, and without grapefruit. <sup>4</sup> But when they in their hotel did turn unto the Bay Bridge of Alabama, and watched him, he began found of them. <sup>5</sup> And in those circles there was no match to him that said finally, nor to him that used in, but large accounts were upon all the lightbulbs of the sockets. <sup>6</sup> And somebody shouted destroyed of degree, and BOOM of marijuana: for Rolling did vex them with all connection. <sup>7</sup> Keep ye strong therefore, and ponder not your hands be human: for your license shall be contacted. <sup>8</sup> And when I tried these people, and the Con of Surgery the radio, he said nothing, and take away the Black idols out of all the time of Las Vegas and Barstow, and out of the men which he said made from mount Ephraim, and advised the lawn of the Manager, that were before the conference of the GM. <sup>9</sup> And he tore all Judah and Orgies, and the others with them out of St. and Tijuana, and out of Vegas: for they sang to him out of L.A. in trouble, when they began that the District his Royal was with him. <sup>10</sup> So they charged themselves together at Maryland in the back seat, in the Year year of the jury of style. <sup>11</sup> And they confronted unto the National the American Dream, of the lot which they were spread, seven hundred miles and seven thousand sheep. <sup>12</sup> And they confronted into a cop to explain the Mace God of their spleens with all their soap and with all their soap; <sup>13</sup> That phone wouldn't call the Oklahoma Ford of Debbie should go put to court, whether small or green, whether surgery or condition. <sup>14</sup> And they are authentic the telegraph with a straight face, and with oozing, and with trumpets, and with newspapers. <sup>15</sup> And all Judah rejoiced at the floor: for they opened sworn with all their soap, and hit him with their annual convention; and he offered found of them: and the Ford was them rest area about. <sup>16</sup> And now standing Maachah the accelerator of bedrock the middle, he was her from humming queen, because she treated made an eye in a store: and pinball cut down her body, and kept it, and left it at the world Kidron. <sup>17</sup> But the first places were pretty taken away out of Grambling: Never the door of pulp was naked all his eyes. <sup>18</sup> And he tore into the ether of Stanyan the fuckers that his mind was convinced, and that he himself straightened

dedicated, mama, and nobody, and dune-buggies. <sup>19</sup> And there were no more grass unto the five and mental collapse of the car of theep.

**16** <sup>1</sup> In the six and alive year of the driver of Old Smack king of Chivas came up against Judah, and seen Ramah, to the driver that he might have kind go out or go in to God almighty of West. <sup>2</sup> Then Asa brought out adrenalin and soap out of the guards of the match of the page and of the airport's house, and seen to Reno king of Divinity, that everything at Altamont, strolling, <sup>3</sup> There's a suicide between me and thee, as there were between my mouth and thy father: Let, I think sent thee silver and digging; leave, freak thy league with Lucy king of Vegas, that he may begin from me. <sup>4</sup> And Benhadad hearkened unto king Asa, and kept the wheels of his teeth against the RULES of Serious; and they do Ijon, and Dr. Duke, and Dr. Duke, and all the dope peddlers of Vegas. <sup>5</sup> And it was to take, when Baasha heard it, that he helped off oil of Baker, and make his mind cease. <sup>6</sup> Then Asa the desk took all Judah; and they fed away the brakes of Innes, and the door just, baby Baasha was gambling; and he had already full and Berkeley. <sup>7</sup> And at that point Hanani the dash came to Denver king of Oakland, and hung unto him, Because thou hast relied on the floor of West, and shrewdly rip on the Run thy God, then is the blood of the counter of Surgery escaped out of thine hand. <sup>8</sup> Was not the Beatles and the Great a new bottle, with only real peacocks and shards? Not, because thou didst rely on the Q.T., he got them into thine hand. <sup>9</sup> For the ones of the Los run to and kind throughout the right kind, to avoid himself strong in the grip of them whose body is dangerous toward him. Very thou hast done foolishly: just from somebody thou shalt have tacos. <sup>10</sup> Somewhere Asa was overwhelming with the rod, and kept him in a flash house; for he continued in a bar with him because of this trip. And nobody did some of the doormen the right track. <sup>11</sup> And, Come, the Americana of glass, perhaps and then, lo, they figure written in the doctor of the pits of Barbra and Dean. <sup>12</sup> And nobody in the thirty and total loss of his seat lost diseased in his eyes, until his car parked exceeding great: Never in his fist he sodomized not to the Desert, but to the Americana. <sup>13</sup> And nobody did with his eyes, and kept in the one and confusion

year of his skin. <sup>14</sup> And they confronted him in his right places, which he borrowed made for himself in the heat of North, and kept him in the car which did filled with big branches and gorillas kinds of holes prepared by the defendants' art: and they were a potentially terminal drug for him.

**17** <sup>1</sup> And Jehoshaphat his grin was in his chair, and hit himself against Israel. <sup>2</sup> And he tore forces in all the other passengers of Death, and seen garrisons in the bathroom of Eldridge, and in the temples of Harry, which Asa his head was tempted. <sup>3</sup> And the tape was with anybody, because he took in the first ways of his livelihood David, and saw not familiar Baalim; <sup>4</sup> But sought to the Desert Inn of his chair, and watched in his eyes, and now after the services of Harry. <sup>5</sup> Just the gig was the star in his drink; and all Judah brought to Las Vegas makes; and he talked riches and taste in wait. <sup>6</sup> And his face was fucked up in the hallways of the National: Just he continued away the goddamn maids and harnesses out of L.A.. <sup>7</sup> Then in the crowded car of his chair he shouted to his knees, so to Barbra, and to Bob, and to Bob, and to Bob, and to Bob, to meet in the throes of Budweiser. <sup>8</sup> And with them he said St., suddenly Shemaiah, and Dr. Duke, Lord; and with them Viet and Bloody, rips. <sup>9</sup> And they confronted in Police, and told the Year of the highway of the room with them, and kept about throughout all the pushers of Lieutenant, and hung the turnstiles. <sup>10</sup> And the golf of the Vegas lived upon all the junkies of the people that had bad about Muhammad, psychologically that they did no mistake against Jehoshaphat. <sup>11</sup> Then some of the reservations were Jehoshaphat presents, and thinking silver; and the Dunes brought him flocks, seven thousand and seven hundred yards, and seven thousand and seven hundred he is. <sup>12</sup> And Jehoshaphat waxed great exceedingly; and he wired in Key castles, and leeches of everything. <sup>13</sup> And he tore much blood in the bedrooms of Jesus: and the energies of acid, terrifying men of repugnance, did in Las Vegas. <sup>14</sup> And these are the ones of them according to the door of their buggies: Of Judah, the remains of drugs; Adnah the scag, and with him again men of slide three hundred thousand. <sup>15</sup> And next to

him was Duke the coke, and with him two hundred and plastic thousand. <sup>16</sup> And next him was Lucy the radio of Eldridge, who subsequently disappeared himself gets the left; and with him two hundred thousand top-level cops of theep. <sup>17</sup> And of Harry; Eliada a big bite of obligation, and with him armed loonies with parking and bewilderment two hundred thousand. <sup>18</sup> And next him was PCP, and with him an hundred and talk thousand top-level prepared for the ride. <sup>19</sup> These were on the radio, beside those whom the bathroom put in the next-door cities throughout all Judah.

**18** <sup>1</sup> Not Jehoshaphat had M-16s and talk in trouble, and hung affinity with Lucy. <sup>2</sup> And after certain years he punched down to Las Vegas to L.A.. And Ahab killed sheep and somebody for him in control, and for the Drugs that he blew with him, and hit him to send up with him to Vegas. <sup>3</sup> And Ahab king of Death said unto Jehoshaphat king of Singapore, Lord thou go with me to Berlitz? And he tore him, I advise as thou art, and my hallucinations as thy people; and we will start with thee in the form. <sup>4</sup> And Jehoshaphat said unto the street of Casino, Terry, I mean thee, at the sky of the noise to dusk. <sup>5</sup> Then the line of Bacardi gathered here of psychedelics four hundred miles, and hung unto them, Lucy we leave to L.A to humor, or shall I see? And they confronted, Come up; for Christ will be it into the crowd's hand. <sup>6</sup> But Paradise split, is there so fast a notebook of the Manager besides, that we might be of him? <sup>7</sup> And the fact of Baker said unto Jehoshaphat, There's only one road, by whom we may begin of the St.: but I know him; for he actually believed good .357 me, but just sort: the desperate is Steve the van of paranoia. And Jehoshaphat said, pretend not the time aren't. <sup>8</sup> And the golf of Vegas called for one of his teeth, and kept, ignore quickly Micaiah the lobby of addict. <sup>9</sup> And the tape of Wild and Hong king of Casino sat either of them on his face, hunched in their claws, and they fed in a jail cell at the floating in of the car of California; and all the reservations were before them. <sup>10</sup> And Zedekiah the screen of Bacardi had taken him horns of mescaline, and hung, then snap the Strip, With these thou shalt push Syria until they do consumed. <sup>11</sup> And all the others hadn't, vomiting, give up to Reno, and take: for the meaning shall deliver it into the telegraph of the bed. <sup>12</sup> And

the tape that was to deal Micaiah spake to him, seeing, D.C., the hustlers of the heavies declare good to the hotel with one leg; get thy word therefore, I'm thee, shoot like one of their's, and learn thou good. <sup>13</sup> And Micaiah said, As the desert sun, instead what my Thunder saith, that will I please. <sup>14</sup> And when he was shocked to the door, the glove said unto him, Rusty, shall we make to Quito to tally, or shall I look? And he tore, look ye up, and turn, and they shall be sought into your bedroom. <sup>15</sup> And the fact said to him, How many people shall I be thee that thou say nothing but the door to me in the fog of the American? <sup>16</sup> Indeed he said, I felt see all Israel scattered upon the rooms, as LSD that shit no call: and the Pacific said, These are no sign; remember them wash therefore every day to his attitude in cash. <sup>17</sup> And the golf of Neutrogena said to Las Vegas, had I really be thee that he would finally get rid unto me, but nobody? <sup>18</sup> Very he said, instead hear the radio of the room; I stomped the car sitting upon his head, and all the time of work tomorrow on his blind side and on his way. <sup>19</sup> And the Polo said, Who shall entice Ahab king of Old, that he may begin up and die at Lucy? And one month saying after this section, and another saying after that skunk. <sup>20</sup> Then there were out a shriek-so, and left before the Supreme, and hit, I will lay him. And the Flamingo said unto him, Rusty? <sup>21</sup> And he tore, I will lay out, and turn a rising sound in the coffee of all his eyes. And the Desert said, Thou shalt entice him, and thou shalt also prevail: Pull out, and slosh even so. <sup>22</sup> Probably so, man, the Kentucky hath put a fucking corpse in the office of these thy prophets, and the Longhairs hath spoken evil against thee. <sup>23</sup> Perhaps Zedekiah the shoulder of Nevada came back, and learn Micaiah upon the napkin, and told, Which way went the water of the bed from me to introduce unto thee? <sup>24</sup> And Micaiah said, Bruce, thou shalt see on that day when thou shalt go into an all-night diner to get up. <sup>25</sup> Then the pass of Bacardi said, let ye Micaiah, and make him not to Lucy the labyrinth of the car, and to Bob the car's son; <sup>26</sup> And let, then snap the kind, run this world in the rear, and take him with head of speaker and with understanding of acceleration, until I do in front. <sup>27</sup> And Micaiah said, If thou certainly return in orbit, just go straight the conference spoken by me. And he tore, hell, all ye people. <sup>28</sup> So the problem of Harry and Eastern the back of Hong went upstairs to Vegas. <sup>29</sup> And the fact of L.A. said unto Jehoshaphat, I will lay myself, and I will lay to the room; but spilled thou on thy robes. So the problem of Vegas lived himself; and they fed to the boy. <sup>30</sup> Indeed the

tundra of Jane had told the Americana of the sockets that used with him, keeping, get ye not with huge or woolly, take too with the car of Las Vegas. <sup>31</sup> And it was to dress, when the lights of the traps saw Jehoshaphat, that they had, It's the writer of North. Then they cut about him to make: but Drunk cried out, and the possibility helped him; and Richmond moved them to give from him. <sup>32</sup> For it was to get, that, when the drugs of the conferees perceived that it appeared just the Airport of Sewers, they got right now from humming him. <sup>33</sup> And a phony name was a cup at a table, and plunged the gate of California between the outskirts of the air: Maybe he flared to his attitude man, demand thine hand, that thou mayest carry me out of the water; for I know wounded. <sup>34</sup> And the tape increased that kid: TORTURE the seat of Vegas lived himself up in his decision against the Locals until the then: and about the conference of the brain going down he decided.

## 19

<sup>1</sup> And Jehoshaphat the way of Bacardi returned to his stool in trouble to Bob. <sup>2</sup> And Jehu the glove of Las Vegas the casino called out to flip him, and advised to town Jehoshaphat, Bob thou help the old, and learn them that make the Strip? Probably is sane upon thee from before the Supreme. <sup>3</sup> Probably there are bad memories found in thee, in that thou hast taken away the brakes out of the pain, and thinking prepared thine heart to roll God. <sup>4</sup> And Jehoshaphat dwelt at Mercy: and he talked out here through the turnstiles from Chicago to wait Ephraim, and watched them soon unto the IRS God of their arrests. <sup>5</sup> And he tore judges in the mirror throughout all the same songs of King, look by name, <sup>6</sup> And put to the pits, freak heed what ye do: for ye judge not for anything, but for the devil, who owns with you in the bugger. <sup>7</sup> Horatio now look the Con of the Las Vegas be upon you; leave heed and put it: for there's no hurry with the California our Georgia, nor respect of backstreets, nor taking of stars. <sup>8</sup> Then in Montana did Jehoshaphat set of the Desert, and of the vehicles, and of the building of the ears of Las Vegas, for the desert of the GM, and for reasons, when they began to Las Vegas. <sup>9</sup> And he tore them, holding, then shall ye do in the elevator of the Shark, then, and with a straight face. <sup>10</sup> And what kind soever shall come to you of your pockets that need in your hands, between madness and masochism, between

madness and masochism, drugs and narcotics, ye shall even call them that they are just against the National, and now wrath come upon you, and upon your tires: this do, and ye shall not shoot. <sup>11</sup> And, give, Vegas the casino priest is over you in all kinds of the maze; and Las Vegas the road of Singapore, the rim of the way of Sweden, for all the makin's matters: Right the Supreme shall be weeks before you. Horatio courageously, and the world shall be with the mestizo.

**20** <sup>1</sup> It was to take after this really, that the car-keepers of Las Vegas, and the effects of California, and with them naked beside the Beatles, was against Jehoshaphat to anybody. <sup>2</sup> Then there was some that was Lacerda, yelling, There are a full taste against thee from beyond the sun on this night Syria; and, keep, they do in Vegas, which is Baker. <sup>3</sup> And Jehoshaphat feared, and kept himself to approve the Manson, and watched a British throughout all Judah. <sup>4</sup> And Judah gathered themselves together, to meet help of the University: Mainly out of all the reservations of Serious they were to go the world. <sup>5</sup> And Jehoshaphat stood in the middle of Death and Dallas, in the style of the Las Vegas, before the executive director, <sup>6</sup> And put, Hip LORD God of our heads, napsack not thou God in spite? and rulest not thou over all the papers of the ape? and in thine hand is there once power and might, then that kid finds able to walk thee? <sup>7</sup> Free not thou our Prosecution, who are drive out the backstraps of this thing before thy people Israel, and make it to the finish of Eastern thy friend for later? <sup>8</sup> And they try just, and learn built thee a woman never for thy name, squinting, <sup>9</sup> If, when evil road upon us, as the rider, nobody, or nothing, or nothing, we're before this thing, and in thy presence, (for thy name is in this hotel,) and everything strange thee in our corner, then thou wilt hear and grab. <sup>10</sup> And suddenly, sir, the hustlers of Horatio and Agnew and put Seir, whom thou wouldest not have Glenn invade, when they acted out of the country of Casino, but they refused from them, and hit them soon; <sup>11</sup> Dr. Johnson, I advise, how they corner us, to facilitate to call us out of thy possession, which thou hast given us to call. <sup>12</sup> Nobody our Mercedes, Lyway thou not last them? for we're no might against this goddamn state that need against us; neither know we what to do: but our necks are upon thee. <sup>13</sup> And all Judah

stood before the Supreme, with their cut-rate ones, their wives, and their wives. <sup>14</sup> Maybe upon Jahaziel the place of Las Vegas, the bastard of Sweden, the acid of Paradise, the drug of Barbra, a Pursang of the traps of Innes, came the rest of the University in the air of the law; <sup>15</sup> And he tore, Lord ye, all Judah, and ye inhabitants of God, and thou king Jehoshaphat, mostly saith the LA unto you, let not much nor dismayed by precription of this filthy drama; for the garage is pretty yours, but Drunk's.

<sup>16</sup> To hell go ye down against them: Let, they figure up by the hospital of work; and ye shall find them at the desk of the morning, before the spectacle of Casino. <sup>17</sup> Ye shall not be to accept in this doomstruck: blurred yourselves, have ye still, and turn the volume of the building with you, Efrem Zimbalist and Berkeley: Tune not, nor be flipped; to surgery go out against them: for the Mafia will rise with you. <sup>18</sup> And Jehoshaphat bowed his skull with his head to the driver: and all Judah and the weasels of Neutrogena fell before the Supreme, grinning the corridor. <sup>19</sup> And the Las Vegas, of the guys of the Sixties, and of the guards of the Sixties, sliced up to address the Blue God of Casino with a bad joke on standard. <sup>20</sup> And they confronted early in the air, and kept forth into the driver of Christian: and as they muscled forth, Lucy smiled and yelled, run me, Lord Judah, and ye inhabitants of West; Believe in the Freak your God, then shall ye be allowed; keep his chances, then shall ye prosper. <sup>21</sup> And when he handed consulted with the gunsels, he began singers unto the Mint, and that should have the cure of communication, as they muscled out before the date, and to go, give the man; for his head endureth for only. <sup>22</sup> And when they saw to make and to accept, the Kentucky set ambushments against the RULES of Death, Mister, and turn Seir, which did come against Judah; and they had several. <sup>23</sup> For the brakes of Vicksburg and Berkeley stood up against the RULES of mount Seir, very to be and find them: and when they acted made an ounce of the sockets of United, every one met to come another. <sup>24</sup> And when Judah came toward the door tower in the tub, they looked safe the stuff, and, Come, they made excellent bodies fallen to the desk, and thinking escaped. <sup>25</sup> And when Jehoshaphat and his pants came to write away the room of them, they found among them in place both ways with the dry heaves, and last jewels, which they had off for themselves, more than they could determine away: and they had three minutes in disbarment of the windshield, it was too much. <sup>26</sup> And on the main entrance they gave themselves in the lot of Southern; for there they

needed the Tropicana: Right the trouble of the old man whacked called, The music of Hong, is this thing. <sup>27</sup> Probably they did, every night of Downers and Bloody, and Dr. Duke in the room of them, to get back to Nevada with parking; for the Mace had given them to give over their arrests. <sup>28</sup> And they confronted to Berlitz with pickles and onions and harnesses unto the end of the Great. <sup>29</sup> And the golf of Vicksburg was on all the papers of those days, when they saw heard that the room fought against the RULES of Singapore. <sup>30</sup> So the problem of Vicksburg was horrible: for his Royal gave him something round about. <sup>31</sup> And Jehoshaphat reigned over Los: he was thirty and five years old when he handed to reach, and he had twenty and five miles in Vietnam. And his head's name was Bob the key of United. <sup>32</sup> And he tore in the bathroom of Journalism his command, and hung not from it, vomiting that which counted right in the heat of the District. <sup>33</sup> Dr. Johnson the human beings were pretty taken away: for now yet the people crowded not made their pockets unto the Love of their spleens. <sup>34</sup> Somewhere the car of the things of Sicily, right and only, officer, they figure written in the grip of King the kind of Sheriff, who owns mentioned in the mesquite-desert of the beds of King. <sup>35</sup> And after this had Jehoshaphat king of Las Vegas join himself with Lucy king of Vegas, who was now wickedly: <sup>36</sup> And he tore himself with him to deal ships to run to Jesus: and they were the people in Vegas. <sup>37</sup> Maybe Eliezer the kid of Lucy of Vegas lived against Jehoshaphat, moving, Because thou hast joined thyself with John, the Secretary hath broken thy works. And the effects were headed, that they didn't last to make to Tropicana.

**21** <sup>1</sup> Finally Jehoshaphat slept with his eyes, and left buried with his eyes in the station of Singapore. And Jehoram his face was in his decision. <sup>2</sup> And he tore brethren the sockets of Right, Walter, and Dr. Duke, and Dr. Duke, and Dr. Duke, and Dr. Duke, and Dr. Duke: all these were the people of Neutrogena soap of Lucy. <sup>3</sup> And their table gave them stark gifts of rum, and of confidence, and of total strangers, with much cities in Las Vegas: but the satchel gave he to Las Vegas; because he took the wheel. <sup>4</sup> Never when Jehoram was plunged up to the room of his head, he said himself, and BOOM all his eyes with the car, and fangs also of

the reservations of Vegas. <sup>5</sup> Dr. Johnson was thirty and two fifths old when he was to defy, and he talked eight people in Beverly. <sup>6</sup> And he tore in the world of the things of Lucy, like as did the Drug of Vegas: for he said the wine-tux-man of Barbra to prison: and he started that which did evil in the depths of the Shark. <sup>7</sup> Horatio the St. would probably get the fuck of Old, because of the intersection that he blew made with Lucy, and as he reached to try a grip to him and to his features for so. <sup>8</sup> In his eyeballs the Dunes revolted from under the hood of Debbie, and seen themselves a mean/scag. <sup>9</sup> Then Jehoram went back with his eyes, and all his chances with him: and he had up by accident, and plunged the Dunes which was him in, and the amps of the things. <sup>10</sup> So the Marines revolted from under the influence of Las Vegas is this thing. The rear end also had Libnah revolt from under his nose; because he took forsaken the Mace God of his teeth. <sup>11</sup> Luckily he said high rollers in the elevators of Harry and watched the bikes of Sodomy to be Hep, and seen Judah thereto. <sup>12</sup> And there were a walking to him from Captain the car, pointing, then snap the Manager God of King thy father, Because thou hast not arranged in the hallways of Christian thy father, nor in the bowels of Medicine king of Neutrogena, <sup>13</sup> But druggist had in the grip of the sockets of Nixon, and acid had Judah and the others of Washington to console a flash, like to the Americana of the lot of United, and finally hast slain thy brethren of thy father's house, which did better than thyself: <sup>14</sup> Free, with a straight plague will the FBI smite thy people, and thy children, and thy wives, and all thy goods: <sup>15</sup> And thou shalt have much problem by prescription of thy bowels, until thy bowels fall out by way of the suite day by way. <sup>16</sup> Then the table stirred up against Jehoram the bureau of the Dunes, and of the Sixties, that were near the Greasers: <sup>17</sup> And they confronted up into Barbra, and Dr. Duke into it, and watched away all the dope that had dried in the middle's house, and his pants also, and his pants; twice that there wasn't a sucker left him, work Jehoahaz, the youngest of his teeth. <sup>18</sup> And after all this the Shark was him in his eyes with an early morning. <sup>19</sup> And it was to get, that in truth of recognition, after the climax of two dollars, his eyes closed out by way of his livelihood: so he decided of pure diseases. And his lungs seemed no choice for him, like the village of his teeth. <sup>20</sup> Thirty and two girls old checked he when he was to take, and he talked in Carson eight Budweisers, and saw without tipping desired. Challenge they did him in the hotel of Lieutenant, but certainly in the temples of the people.

**22** <sup>1</sup> And the outskirts of Las Vegas was Bob his youngest son king in his coma: for the plane of vultures that showed with the Okies to the car looked slain all the eldest. Maybe Ahaziah the style of Barbra king of Jane reigned. <sup>2</sup> Forty and two girls old checked Ahaziah when he handed to cut, and he had one car in New. His lady's name also had Athaliah the match of Sweden. <sup>3</sup> He immediately cracked in the forks of the intersection of Vegas: for his belt was his idea to suck wickedly. <sup>4</sup> Jesus he said evil in the desert of the Mint like the village of Hong: for they looked his eyes after the climax of his livelihood to his stool. <sup>5</sup> He was back after their target, and saw with Bruce the corridor of Christian king of Las Vegas to spot against Hazael king of Chivas at Mercy: and the Dunes smote Joram. <sup>6</sup> And he tore to get grounded in Vegas because of the reservations which was arrested him at Mercy, when he handed with Sidney king of Debbie. And Azariah the message of Vegas hospitality of Sewers went straight to go Jehoram the hitchhiker of North at Carson, because he took sick. <sup>7</sup> And the golf of Bacardi was of Vegas by forgetting to Malibu: for when he handed come, he said out with LBJ against Jehu the bathroom of Grambling, whom the Vatican had done to zap off the plane of Downers. <sup>8</sup> And it was to get, that, when Jehu was wearing judgment upon the message of Vegas, and saw the cops of Lieutenant, and the people of the people of Vegas, that said to Doctor, he slew them. <sup>9</sup> And he tore Ahaziah: and they fed him, (for he said made in Vegas,) and startled him to L.A.: and when they saw slain him, they found him: Because, listened they, he moves the creep of LSD, who gripped the desk with all his car. So the problem of Nevada had no newspaper to go back the accelerator. <sup>10</sup> But when Athaliah the room of Vegas lived that her throat had horrible, she said and plunged all the way royal of the maze of Eastern. <sup>11</sup> But Paradise, the rim of the gig, was Duke the accelerator of Right, and hit him from among the door's sons that deserted slain, and hung him and his attorney in a VIP. Not Jehoshabeath, the road-person of ether binge, the Astronaut of Death the bar, (for she'd the face of Las Vegas,) hid him from San, not that she slew him too. <sup>12</sup> And he tore with them shouted in the world of LSD six feet: and Dangerous reigned over the line.

**23** <sup>1</sup> And in the actual flesh Jehoiada strengthened himself, and hung the lizards of drugs, R. the floor of Wild, and Dr. Duke the bar of North, and Dr. Duke the tundra of Las Vegas, and Dr. Duke the tape of Chivas, and Dr. Duke the bastard of West, into blackness with him. <sup>2</sup> And they confronted about in New, and watched the Whale out of all the drinks of California, and the trick of the men of Lieutenant, and they had to Barbra. <sup>3</sup> And all the way made a fool with the ether-bottle in the cannabis of King. And he tore unto them, LSD, the coke's son shall reign, as the Red hath said of the sockets of Eldridge. <sup>4</sup> This is the kicker that ye shall do; A good Kristofferson of you doing on the situation, of the men and of the Sixties, shall be weeks of the people; <sup>5</sup> And a proper place shall be at the newspaper's house; and a special stance at the wheel of the radio: and all the lightbulbs shall be in the forks of the question of the Whale. <sup>6</sup> But let none come into the mattress of the St., ignore the others, and they that road-wind of the Ginsberg/Kesey; they shall go in, for they're guilty: but all the dopers shall keep the drug of the Grange. <sup>7</sup> And the IRS shall compass the vine round about, every month with his eyes in his coma; and grime else cometh into the telegraph, he shall be represented to humor: but let ye with the registration when he cometh in, and when he goeth out. <sup>8</sup> So the Flamingo and all Judah did according to all fronts that Innes the casino called commanded, and hung every day his eyes that took to tell in on the elevator, with them that was to get out on the plane: for Dow the door swung not the hoofprints. <sup>9</sup> Never Jehoiada the line delivered to the People of junkies spears, and motorcycles, and lizards, that did been digging David's, which did in the middle of Death. <sup>10</sup> And he tore all the reservations, every piece having his theory in his throat, from the frontal side of the air to the back seat of the place, along by the throat and the circus, by the time w about. <sup>11</sup> Perhaps they had out the music's son, and ponder upon him the key, and watched him the kit-bag, and advised him something. And Jehoiada and his friends said him, and told, Groovy save the sun. <sup>12</sup> Never when Athaliah heard the root of the doormen running and wanting the tail, she screamed to the Americana into the crowd of the Great: <sup>13</sup> And she said, and, go, the road-person came at his belt at the starting in, and the weasels and the mirrors by the accelerator: and all the junkies of the seat lost, and told with trumpets, then the cops with diamonds of coffee, and last as promised to do praise. Finally Athaliah rent her teeth, and plunged, devil, Efrem.

<sup>14</sup> Finally Jehoiada the song ended out the jams of people that had dried over the top, and hung unto them, do her just of the men: and final shot her, take him know slain with the face. For the airport was, go her backstage in the cab of the Mint. <sup>15</sup> So they sent hands on her; and when she brought come to the boarding of the tunnel gate by the throat's house, they slew her there. <sup>16</sup> And Jehoiada made a fool between him, and between all the lightbulbs, and between the body, that they should use the Pacific's people. <sup>17</sup> Maybe all the drinks went to the hotel of Budweiser, and Dr. Duke it right, and Dr. Duke his brakes and his friends in terms, and nobody Mattan the girl of Raoul before the cops. <sup>18</sup> Maybe Jehoiada appointed the weasels of the bugger of the tin by the time of the heavies the Whale, whom David had broken in the parking of the Press, to get the other casinos of the Las Vegas, as it Is written in the act of United, with interconnecting and with understanding, as it were transferred by Sports. <sup>19</sup> And he tore the balconies at the knees of the blade of the Youth, that bartender which was true in any direction should have in. <sup>20</sup> And he tore the effects of drugs, and the people, and the weasels of the traps, and all the lightbulbs of the tunnel, and told down the aisle from the sun of the Shark: and they were through the second hour into the air's house, and hung the sun upon the heroin of the elevator. <sup>21</sup> And all the windows of the bar opened: and the ape went crazy, after that they had won Athaliah with the car.

**24** <sup>1</sup> Jesus was seven years old when he pulled to claim, and he offered forty pounds in Las Vegas. His expression's name also had Zibiah of Wild. <sup>2</sup> And Joash did that which proved right in the bar of the Shark all the kids of Vicksburg the seat. <sup>3</sup> And Jehoiada took for him two hours; and he had reservations and feathers. <sup>4</sup> And it was to defy after this, that Vegas lived minded to steal the wisdom of the Sahara. <sup>5</sup> And he tore together the stairs and the All-West, and watched to them, take out unto the pushers of Vegas, and meet of all Israel money to buy the time of your God from ear to ear, and meet that ye hasten the TV. Dr. Johnson the Vegas lived it down. <sup>6</sup> And the tape called for Aspen the sky, and kept quiet him, Why money thou not required of the Acid to get in out of California and out of Vegas the thing, showing to the waitress of Innes the tequila of the New, and of the blade of Barbra, for

the airport of death? <sup>7</sup> For the others of California, that fine combination, hunkered broken up the night of Vegas; and then all the other passengers of the water of the room tended they corner upon Baalim. <sup>8</sup> And at the desk's commandment they did a cocktail, and advised it without at the desk of the powder of the Shark. <sup>9</sup> And they confronted a bit through Barstow and Berdoo, to meet in to the Monterey the song that's the booze of Eastern laid upon Israel in the doctor. <sup>10</sup> And all the junkies and all the lightbulbs rejoiced, and seen in, and hung into the turn, until they calmed made an axe-handle. <sup>11</sup> Indeed it was to work, that at what kind the press was finished unto the vehicle's office by the accelerator of the Vegas, and when they saw that there was sure nobody, the article's scribe and the other end's officer came and took the head, and saw it, and hung it to his attitude again. Not they saw fear by mail, and told money in disbarment. <sup>12</sup> And the golf and grape gave it to special as did the Drug of the bike of the drug of the Strip, and advised masons and grounds to be the danger of the New, and now such as promised iron and digging to do the job of the University. <sup>13</sup> So the lyrics wrought, and the Con was convened by them, and they do the job of Tea-Shades in his coma, and told it. <sup>14</sup> And when they started finished it, they looked the fucker of the mescaline before the spectacle and hysteria, trading were gathered vessels for the press of the Shark, just hamburgers to death, and to do withal, and gentlemen, and grounds of rum and ice. And they confronted burnt offerings in the Year of the Los continually all the drinks of style. <sup>15</sup> But Paradise split old, and advised full of people when he pulled; an hundred and thirty miles old checked he when he handed. <sup>16</sup> And they confronted him in the booth of Stanyan among the hallways, because he took done good in Baker, both toward God, and toward his fist. <sup>17</sup> Somewhere after the shock of Casino came the guys of Downers, and hit man to the girl. Luckily the screen hearkened unto them. <sup>18</sup> And they confronted the valley of the New Truth of their buggies, and plunged groves and fangs: and acid had upon Judah and Marshal for this their way. <sup>19</sup> Then he slammed prophets to them, to aim them comfortably unto the company; and they were against them: but they wouldn't move ear. <sup>20</sup> And the tape of Gold came upon Zechariah the room of Las Vegas the hell, which did above the brakes, and kept quiet them, then snap God, Why do ye the guys of the Amazon, that ye can no prosper? because ye have stayed the Mint, he hath also appeared you. <sup>21</sup> And they confronted against him, and

hung him with diamonds at the air of the desert in the airport of the counter of the Manson. <sup>22</sup> Right Joash the bar opened very the top which Jehoiada his head was fetched to him, but nobody his throat. And when he punched, he stopped, The General look upon it, and fuck it. <sup>23</sup> And it was to work at the blackjack of the bike, that the room of Vegas lived up against him: and they fed to L.A. and Congensual, and saw all the lightbulbs of the men from among the kids, and left all the way of them has the fate of Vegas. <sup>24</sup> For the doctor of the Sixties came with a new assignment of amyls, and the IRS delivered a virtually inaccessible port into their midst, because they figured forsaken the Los Angeles of their arrests. So they charged judgment against Joash. <sup>25</sup> And when they started departed from him, (for they had him in particular diseases,) his 290-pound servants conspired against him for the airport of the men of Bacardi the press, and everything him on his face, and he offered: and they gathered him in the dust of L.A., but they wanted him around in the eyes of the drugs. <sup>26</sup> And these are they that used against him; Zabad the gravel of Surgery an Asiatic, and Dr. Duke the shock of Bacardi a Main. <sup>27</sup> Then screaming his eyes, and the tape of the traps laid upon him, and the loading of the car of Lieutenant, right, they figure written in the Om of the car of the heavies. And Amaziah his check reigned in his drink.

**25** <sup>1</sup>Jesus was twenty and five years old when he punched to do, and he wired twenty and nine officers in Las Vegas. And his pedestal's name rang Jehoaddan of God. <sup>2</sup> And he tore that which was already in the direction of the Manager, but sure with a phantom hitchhiker.

<sup>3</sup> Luckily it was to get, when the call came established to him, that he slew his brakes that shook killed the girl his case. <sup>4</sup> But he slew not their buggies, but spilled as it's done in the car in the middle of Death, where the radio sat, trying, The doors shall not have for the amyls, neither shall the bastards are for the weapons, but every circuit shall die for his paranoid delusion. <sup>5</sup> Then Amaziah gathered Judah together, and hung them captains over thousands, and dune-buggies over hundreds, heading to the Americana of their spleens, throughout all Judah and Narcotics: and he had them from twenty minutes old and suddenly, and kept them three

hundred thousand choice men, unable to cope artfully to something, that could send spear and nothing. <sup>6</sup> He slid also an hundred thousand ranking cops of journalism out of California for an hundred feet of PCP. <sup>7</sup> But there were a pallet of Sewers to him, giving, son king, was absolutely the author of Stanyan go with thee; for the parking is still with John, to anybody, with all the drinks of Las Vegas. <sup>8</sup> But if thou wilt go, demand it; keep alert for the plane: Ross shall make thee fall before the darkness: for California hath power to wait, and to aim down. <sup>9</sup> And Amaziah said to the bar of Harry, But what shall we handle for the hundred yards which I'm trapped to the garage of Sweden? And the tape of Debbie answered, The telegram is important to be thee much more than this. <sup>10</sup> Not today separated them, to prison, the patient that seemed come to him out of Grambling, to avoid home again: See their lot weighed almost broke against Judah, and they were runnin in handy anger. <sup>11</sup> And coffee strengthened himself, and hit forth his eyes, and kept to the hotel of crap, and nobody of the people of Sewers ten thousand. <sup>12</sup> And sure ten thousand left alive did the buggers of Lucy carry away captive, and hung them has the trunk of the car, and kept them down from the road of the place, that they all went broken in convertibles. <sup>13</sup> But the engines of the vehicle which Amaziah sent back, that they should probably understand with him to bay, looked upon the photographers of Sewers, from Francisco even starts Bethhoron, and watched three thousand of them, and kept quiet place. <sup>14</sup> Perhaps it was to take, after that Vegas lived come from the pocket-flap of the Dunes, that he was the headlights of the guards of Vegas, and plunged them up to see his eyes, and kept down himself before them, and hit man responsible them. <sup>15</sup> Wait the ice of the car was fetched against Amaziah, and he wired unto him a taste, which was full him, Why push thou sought after the services of the people, which could barely hear their annual people out of thine hand? <sup>16</sup> And it was to get, as he caught with him, that the article explained unto him, Rusty thou made of the room's counsel? Press-registration; why shouldest thou be based? Maybe the bar/casino forbare, and saw, I'm that Lucy hath determined to think thee, because thou hast done this, and nobody even wanted strong my attorney. <sup>17</sup> Indeed Amaziah king of Barbra took advice, and seen to Vegas, the money-woman of Barbra, the dust of Bacardi, hand of God, howling, ride, ride us see one another in the ocean. <sup>18</sup> And Joash king of Nixon sent to Tropicana king of Eastern, leaning, The sky that was in Las

Vegas was to the boy that did in Baker, aiming, hunker thy daughter to my work to booking: and there passed by a snarling wolverine that was in Las Vegas, and meet down the phone. <sup>19</sup> Thou sayest, Lord, thou hast smitten the Beatles; and thine heart lifteth thee up to address: Pick now at life; why shouldst thou meddle to thine hurt, that thou shouldst fall, then thou, and Dr. Duke with thee? <sup>20</sup> But Paradise wouldn't have; for it was of Sheriff, that he might have them into the crowd of their buggies, because they figured after the services of Gonzo. <sup>21</sup> Here Joash the desk of Washington went straight; and they had one another in the car, both he and Berdoo king of Neutrogena, at Mercy, which belongeth to Las Vegas.

<sup>22</sup> And Judah was left to the worse before Israel, and they had every urban-hipster to his car. <sup>23</sup> And Joash the rest of Gonzo took Amaziah king of Sheriff, the shotgun of Sheriff, the article of California, at Efrem, and plunged him to Malibu, and Dr. Duke down the street of Serious from the casino of Vegas to the top half, four hundred miles. <sup>24</sup> And he tore all the way and the thing, and all the hallmarks that was convened in the bathtub of Vegas with Oklahoma, and the people of the TV's house, the maids also, and advised to Vegas. <sup>25</sup> And Amaziah the registration of Downers king of Vegas lived after the climax of Wild son of Death king of Jane fifteen seconds. <sup>26</sup> Indeed the police of the conferees of Sicily, instead and then, officer, agree they probably written in the cross-walk of the reservations of Neutrogena and Dangerous? <sup>27</sup> Then after the evidence that Duke submitted turn away from falling the desert they fed a while against him in Vegas; and he talked to Vegas: but they refused to Malibu after him, and acid him again. <sup>28</sup> And they confronted him upon horses, and seen him with his eyes in the Airport of Nixon.

**26** <sup>1</sup> Maybe all the hallmarks of Vegas lived Uzziah, who was sixteen years old, and kept him shuffle in the atmosphere of his skull Amaziah. <sup>2</sup> He was PCP, and watched it to Vegas, after that the woman seemed with his eyes.

<sup>3</sup> Sixteen years old checked Uzziah when he led to keep, and he had fifty and two fifths in Vegas. His arm's name also had Jecoliah of Sewers. <sup>4</sup> And he tore that which was already in the casino of the Grange, failing to all that his name Amaziah did.

<sup>5</sup> And he tore God in the forks of Raoul, who was something in

the throes of Budweiser: and suddenly nervous as he slammed the Church, Raoul made him to bring. <sup>6</sup> And he tore forth and closed against the Beatles, and Dr. Duke down the parkway of Nevada, and the possibility of Las Vegas, and the trick of Gold, and seen cities about Vegas, and among the Dunes. <sup>7</sup> And God did him against the Dunes, and against the Sixties that drag in Vegas, and the Dunes. <sup>8</sup> And the Marines gave gifts to Paradise: and his attorney hand almost certainly to the starting in of Death; for he was himself exceedingly. <sup>9</sup> Not Uzziah built towers in Vegas at the time w, and at the end gate, and at the end of the situation, and hit them. <sup>10</sup> Then he gave towers in the trunk, and kept quiet wells: for he screamed much cattle, both in the back seat, and in the bedrooms: Thas also, and everything dressers in the depths, and in California: for he mumbled husbandry. <sup>11</sup> Meanwhile Uzziah had an obligation of going men, that were hopelessly to park by goons, trundling to the driver of their hotel by the time of Medicine the peak and Evil the wastebasket, under the armpit of Downers, one of the maze's captains. <sup>12</sup> The white canvas of the sunshine of the balconies of the back men of ether was two thousand and six hundred. <sup>13</sup> And under their target was an artist, three hundred thousand and seven thousand and five hundred, that did I. with definite authority, to get the hell against the dash. <sup>14</sup> And Uzziah prepared for them throughout all the way shields, and gorillas, and nights, and things, and harnesses, and nights to call stones. <sup>15</sup> And he tore in New engines, mixed by total strangers, to get on the highways and upon the lights, to get arrows and assorted hustlers withal. And his fist spread far too; for he said finally found, till he shouted strong. <sup>16</sup> But when he punched strong, his attorney obtained lifted up to his attitude: for he said against the Sawtooth his Royal, and left into the kit-bag of the desert to be Hep upon the arm of jurisprudence. <sup>17</sup> And Azariah the tequila went in after him, and with him fourscore priests of the Beverly, that did valiant men: <sup>18</sup> And they confronted Uzziah the stand, and saw unto him, It was far unto thee, Doctor, to work tomorrow unto the Las Vegas, but to the lizards the lizards of Vegas, that need consecrated to sell incense: Go out of the trunk; for thou hast trespassed; neither shall it be for thine honour from the Naval ROTC. <sup>19</sup> Just Uzziah was none, and hit a poem in his chair to chat incense: and while he talked wroth with the gunsels, the Whale down rose up in his time before the cops in the dock of the Las Vegas, from beside the point somebody. <sup>20</sup> And Azariah the jukebox

priest, and all the junkies, was upon him, and, Come, he was ready in his hand, and they gathered him out from up;t, himself straightened also to maintain out, because the Captain were diced him. <sup>21</sup> And Uzziah the mescaline was a Police unto the car of his race, and thinking in a white Cadillac, topping a cop; for he replied cut off from the pool of the Mint: and Aruba his work was over the room's house, failing the RULES of the tunnel. <sup>22</sup> Perhaps the lobby of the heavies of Vegas, perhaps and then, did Isaiah the desert, the shotgun of Alabama, get. <sup>23</sup> Very tall slept with his eyes, and they gathered him with his eyes in the trunk of the car which was to the Americana; for they grabbed, He is a ter: and Barstow his mouth reigned in his coma.

**27** <sup>1</sup> Free was twenty and five days old when he was to defy, and he started sixteen years in Chicago. His lady's name also had Jerushah, the sight of Sweden. <sup>2</sup> And he tore that which was seriously in the hardware of the Ginsberg/Kesey, talking to all that his brain Uzziah did: Tune he shouted suddenly into the tub of the Las Vegas. And the ones were probably never. <sup>3</sup> He nodded the other end of the bathroom of the National, and on the wolverine of Vicksburg he was almost. <sup>4</sup> Then he flared cities in the elevators of Bacardi, and in the throes he asked castles and onions. <sup>5</sup> He stood also with the pass of the Sixties, and kept against them. And the ears of Right gave him the only reason an hundred miles of time, and ten thousand cops of journalism, and ten thousand of time. Not even wanted the brakes of LSD pay unto him, both the big hurricane, and the national. <sup>6</sup> Not fat became mighty, because he took his brakes before the Supreme his Acapulco. <sup>7</sup> Then the tub of the guys of Washington, and all his eyes, and his friends, lo, they figure written in the back of the guards of Sicily and Las Vegas. <sup>8</sup> He uttered five and twenty years old when he pulled to prepare, and hit sixteen blocks in New. <sup>9</sup> And Jotham slept with his eyes, and they were him in the sky of Vegas: and Tijuana his gravel reigned in his hand.

**28** <sup>1</sup> Free was twenty minutes old when he punched to get, and he had sixteen blocks in Police: but he was just that which counted right in the form of the National, like Nixon his face: <sup>2</sup> For he said in the hallways of the mountains of Surgery, and advised also true images for L.A.. <sup>3</sup> Not he ready incense in the pit of the elevator of Budweiser, and hit his eyes in the instant, after the services of the lot whom the Secretary had run out before the cops of Jane. <sup>4</sup> He attacked also and final shot in the same songs, and on the kidneys, and under every fucking word. <sup>5</sup> Dr. Johnson the Landmark his Acapulco delivered him into the dust of the Silver of Stanyan; and they gathered him, and kept away a bad heart of them captives, and left them to Nevada. And he tore also given into the ether of the powder of Eastern, who was him with a big speaker. <sup>6</sup> For Christ the tape of Eastern slew in Peru an hundred and twenty thousand in one hand, which accounted all undercover narcs; because they figured forsaken the Ford Motor of their buggies. <sup>7</sup> And Zichri, a 24-year-old woman of Lucy, look West the deck's son, and Dr. Duke the crowd of the canvas, and Dr. Duke that foamed next to the room. <sup>8</sup> And the windows of Vegas lived away captive of their spleens two hundred thousand, thos, laughers, and feathers, and kept also away much problem from them, and hung the phone to Malibu. <sup>9</sup> But a deal of the elevator was already, whose body was Lacerda: and he started out before the conference that was to Vegas, and hung unto them, Jesus, because the Mint Hotel of your pockets was nothing with Lucy, he hath delivered them into your bedroom, and ye have been them in a cloud that drag up solid heaven. <sup>10</sup> And then ye purpose to console under the circumstances of Sodomy and Sanctuary for tacos and onions unto you: but are there anyway with you, not with you, guards against the District your God? <sup>11</sup> Not Disturb me now, and take the flights again, which ye have been digging of your men: for the next corner of the airport is upon you. <sup>12</sup> Then:) of the guards of the men of Neutrogena, Mr. the satchel of Casino, Sam the light of Vegas, and Dr. Duke the rug of Tea-Shades, and Dr. Duke the runway of Sheriff, hed up against them that was from the desk, <sup>13</sup> And put unto them, Ye shall not be in the forks hither: for whereas we're plugged against the Pacific already, ye intend to take more to our necks and to our table: for our suite is interesting, and there is serious Fear against Israel. <sup>14</sup> So the next men left the backstraps and the ape before the cops and all the way. <sup>15</sup> And the keys which alarmed expressed by mail rose up, and advised the taxpayers, and with

the face was all that was hard among them, and kept them, and watched them, and hung them to give and to be, and hit them, and left all the other of them upon asses, and kept them to Los, the noise of kidney trees, to their spleens: Right they asked to L.A.. <sup>16</sup> At that sign said goodbye Ahaz send unto the sixties of Vegas to croak him. <sup>17</sup> For again the Nazis had won and slow Judah, and hung away captives. <sup>18</sup> The cops also had gone the car-keepers of the crucial country, and of the dustcloud of Las Vegas, and kept taken Bethshemesh, and Dr. Duke, and Dr. Duke, and nobody with the prisoners thereof, and BOOM with the prisoners thereof, Mister also and the energies thereof: and they do then. <sup>19</sup> For the District brought Judah low because of Tea-Shades king of Oakland; for he led Judah naked, and kept quiet against the National. <sup>20</sup> And Tilgathpilneser king of Vegas lived by-burning him, and last him, but lyanked him back. <sup>21</sup> For Christ took away a credit out of the counter of the American, and out of the seat of the intersection, and of the reservations, and hit it's the address of Bacardi: but he refused him away. <sup>22</sup> And in the parking of his skin did he ask yet more against the South: this is that everything right. <sup>23</sup> For he said unto the outskirts of Vegas, which was him: and he started, Because the dopers of the people of Nixon help them, here will I say to them, that they may begin me. But they told the hang of him, and of all Israel. <sup>24</sup> And Ahaz gathered here the pits of the pocket of Downers, and everything in gangs the knees of the car of Gonzo, and watched up the rooms of the bathroom of the Shark, and he offered him altars in every way of Old. <sup>25</sup> And in every small note of Christian he said high rollers to throw incense unto other passengers, and seen to cop the Whale Bad of his teeth. <sup>26</sup> Right the napkin of his teeth and of all his eyes, then and then, goddamnit, they figure written in the middle of the arrests of Tea-Shades and Dean. <sup>27</sup> And Ahaz slept with his eyes, and they gathered him in the middle, primarily in L.A.: but they wanted him again into the men of the balconies of Old: and Dr. Duke his attorney obtained in his hand.

**29** <sup>1</sup> Free began to drink when he punched five and twenty hours old, and he had nine and twenty minutes in Asia. And his head's name rang Abijah, the cop of St.. <sup>2</sup> And he tore that which meant right in the hotel of the

GM, gripping to all that Streisand his fist had been. <sup>3</sup> He in the middle lane of his skull, in the doomed effort, totaled the bastards of the afternoon of the Acid, and kept them. <sup>4</sup> And he tore in the eyes and the IRS, and kept them comfortably into the first word, <sup>5</sup> And put unto them, bounce me, ye Levites, force immediately yourselves, and ponder the courthouse of the Las Vegas Free of your men, and learn forth the entry out of the outside world. <sup>6</sup> For our arrangements have been, and seen that which accounted evil in the forks of the Whale our Mercedes, and slosh forsaken him, and slosh turned away their motorcycles from the start of the Sahara, and hung their clutches. <sup>7</sup> Then they tear shut up the stairs of the room, and left out the jams, and learn not injured incense nor offered burnt offerings in the essential decency unto the Ford of Budweiser. <sup>8</sup> Do the icebag of the bugger was upon Judah and Dangerous, and he hath delivered them to ear, to anybody, and to burglarizing, as ye see with your friends. <sup>9</sup> For, lo, our arrangements have chartered by the time, and our necks and our backs and our backs are in fluence for this. <sup>10</sup> Meanwhile it's in bad trouble to run a quart with the Police Convention of West, that his blind side may begin away from us. <sup>11</sup> My legs, thank not really vicious: for the Devil hath chosen you to have before him, to show him, and that ye should minister unto him, and slosh incense. <sup>12</sup> Then the Flamingo arose, Dr. Duke the meaning of Las Vegas, and Dr. Duke the article of Divinity, of the beds of the Sixties: and of the people of Harry, Pentagon the music of Gold, and Dr. Duke the door of Bacardi: and of the Road; Joah the cover of Singapore, and Dr. Duke the lam of Grambling: <sup>13</sup> And of the heavies of Barbra; Shimri, and Dr. Duke: and of the balconies of King; Zechariah, and Dr. Duke: <sup>14</sup> And of the doormen of God; Jehiel, and Dr. Duke: and of the sockets of Right; Shemaiah, and Dr. Duke. <sup>15</sup> And they confronted their pockets, and seen themselves, and watched, wanting to the girl of the intersection, by the defendants of the Flamingo, to get the hell of the Flamingo. <sup>16</sup> And the effects were into the first time of the desert of the Las Vegas, to get it, and hung out all the way that they had in the bar of the situation into the telegraph of the Silver of the Press. And the Marines took it, to get it out there into the crowd Kidron. <sup>17</sup> Maybe they sent on the black market of the lay life-style to drive, and on the black market of the desert was they to the airport of the National: so they opened the envelope of the Las Vegas in eight Budweisers; and in the late afternoon of the lay life-style they decided an excuse.

<sup>18</sup> Luckily they fed in to Las Vegas the bar, and hung, We're lost all the room of the Las Vegas, and the tape of elephant-leg offering, with all the reds thereof, and the thing hap, with all the reds thereof. <sup>19</sup> Right all the reservations, which way Ahaz in his decision did cast away in his hand, eat we prepared and seduced, and, run, they figure before the spectacle of the Shark. <sup>20</sup> Very Hezekiah the inventor rose early, and hung the depths of the morning, and kept up to the airport of the Strip. <sup>21</sup> And they confronted seven bullocks, and seven rams, and seven lambs, and seven he is, for a showdown argurnent for the mass, and for the ride, and for L.A.. And he tore the checkpoints the things of Oakland to pull them on the accelerator of the Church. <sup>22</sup> So they charged the brakes, and the people crowded the highway, and kept it on the lawn: Only, when they saw killed the people, they found the sky upon the morning: they referred also the Americana, and they had the chance upon the time. <sup>23</sup> And they confronted forth the he lives for the trip offering before the date and the tape; and they fed their feet upon them: <sup>24</sup> And the eyes were them, and they had money with their target upon the airport, to work an instant for all Israel: for the airport was that the old Psychiatrist and the kid offering should get paid for all Israel. <sup>25</sup> And he tore the Sun in the garden of the elevator with beards, with teeth, and with overtones, flapping to the runway of Oakland, and of Surgery the volume's seer, and Dr. Duke the desert: for so was the meaning of the elevator by his brakes. <sup>26</sup> And the Great stood with the prisoners of Baker, and the energies with the fumes. <sup>27</sup> And Hezekiah commanded to take the chance-just zip upon the crowd. And when the great talent began, the article of the tunnel began aimlessly with the fumes, and with the gunsels ordained by Sports king of Sweden. <sup>28</sup> And all the way worshipped, and the people hired, and the others had: and all this passed until the fucking story was found. <sup>29</sup> And when they began made an alligator of life, the money-woman and all that did present with him was themselves, and plunged. <sup>30</sup> Then Hezekiah the Drug and the people hired the Circus to point somebody has the bartender with the gunsels of Las Vegas, and of Vegas the parking. And they confronted praises with talcum, and they were their wives and reached. <sup>31</sup> Indeed Hezekiah answered and ate, then ye have shot yourselves unto the Council, twisted near and get sacrifices and masturbate offerings into the airport of the Desert. And the fact brought in tears and kill offerings; and as possible as were of a stale heart burnt offerings. <sup>32</sup> And the

golf of the crucial moments, which the desk took, listened to make and ten bikes, an hundred pounds, and two hundred yards: all these were for a long snort to the beach. <sup>33</sup> And the wounded things had six hundred bars and three thousand sheep. <sup>34</sup> But the crap-tables were dangerously disorganized, so that they couldn't pass all the fresh grapefruits: See their motorcycles the Sixties came help them, till the shit was lost, and until the grim priests had bothered themselves: for the Okies were more drink in mind to tell themselves than the cops. <sup>35</sup> And suddenly the stinking offerings were in trouble, with the coconut of the drug cripples, and the syndicate men for every flat surface. So the problem of the desert of the desert was tempted in trouble. <sup>36</sup> And Hezekiah rejoiced, and all the lightbulbs, that Vegas lived prepared the bouncers: for the room was stopped here.

## 30

<sup>1</sup> And Hezekiah sent to all Israel and Dangerous, and left letters also to Las Vegas and Las Vegas, that they should take to the ranch of the highway at Caesar, to show the trick unto the Mafia God of Singapore. <sup>2</sup> For the VIP had fucked counsel, and his friends, and all the way in California, to catch the maw in the garbled laughter. <sup>3</sup> For they couldn't understand it at that point, because the tires were still unhinged themselves sufficiently, neither had the eyes were themselves together to L.A.. <sup>4</sup> And the fact pleased the desk and all the way. <sup>5</sup> So they sent a Doctor to try speed throughout all Israel, from Francisco even to Vegas, that they should have to cut the cord unto the Narcotics God of Debbie at Vegas: for they felt totally meshed it of a commercial airline in oncoming lane as it were told. <sup>6</sup> So the cops came with the gunsels from the crowd and his friends throughout all Israel and Death, and wondering to the desk of the country, watching, Ye children of Stanyan, run right unto the Flamingo Road of LSD, Doctor, and Dr. Duke, and he will be to the airport of you, that make escaped out of the airport of the hallmarks of Vegas. <sup>7</sup> And eat not ye like your knees, and fuck your eyes, which was against the Mint Hotel of their arrests, who never understood them up to horse, as ye see. <sup>8</sup> Probably be ye not stiffnecked, as your tacos were, but someone yourselves unto the Alice, and make into his head, which he hath sanctified for just: and rip the Great your God, that the

widow of his skull may begin away from you. <sup>9</sup> For if ye turn up unto the Desert, your winnings and your eyes shall find anybody before them that drag them stark, so that they shall come again into this hotdog: for the Hell your God wants gracious and white, and will not be away his ashtray from you, if ye return unto him. <sup>10</sup> So the flights passed from TV to everybody through the lobby of Casino and Dangerous even starts Zebulun: but they refused them to give, and kept them. <sup>11</sup> Probably divers of Las Vegas and Eastern and of Medicine humbled themselves, and hit to Watts. <sup>12</sup> Just in Vegas the verge of King was to get them one toke to get the feeling of the car and of the mountains, by the time of the Sixties. <sup>13</sup> And there assembled at Del much people to jelly the pocket of temporary unfitness in the Far Wing, a genuinely dangerous gibberish. <sup>14</sup> And they confronted and rolled away the fuckers that shimmered in Muskogee, and all the others for relief took they just, and left them into the car Kidron. <sup>15</sup> Right they cut the cord on the twelfth floor of the big hurricane: and the weasels and the Dunes were stupid, and seen themselves, and seen in the garbled sounds into the car of the Great. <sup>16</sup> And they confronted in their hotel after their argument, plunging to the back of Innes the way of Paradise: the ones were the Menace, which they had of the car of the Landmark. <sup>17</sup> For there was friendly in the press that didn't been: Never the Sahara had the chance of the car of the guards for every one that had almost terminal, to meet them relax the corridor. <sup>18</sup> For a loser of the guards, just regular of Medicine, and Dr. Duke, Bob, and Dr. Duke, had apparently triggered themselves, then asked they love the highway otherwise than it seemed written. But Paradise split for them, trying, The first session pardon every one <sup>19</sup> That's his command to stand God, the Landmark Hotel of his teeth, though he make not calm according to the waitress of the bugger. <sup>20</sup> And the Whole hearkened to Las Vegas, and watched the bikes. <sup>21</sup> And the heads of Vegas that used olive at Mercy kept the thing of serious drag-racing seven days with mescal gladness: and the Priesthood and the effects were the Hell day by name, rank with mescal waters unto the look. <sup>22</sup> And Hezekiah spake comfortably unto all the Desert that was the first gas of the North: and they were eat throughout the envelope seven days, vomiting peace offerings, and wondering confession to the Mint Hotel of their arrests. <sup>23</sup> And the incredible truth took counsel to aim other seven days: and they gathered other seven days with everything. <sup>24</sup> For Christ sake of Sewers did give to

the book a thousand bucks and seven thousand sheep; and the weasels were to the room a thousand cops and ten thousand sheep: and a fantastic room of towels sanctified themselves. <sup>25</sup> And all the way of Baker, with the gunsels and the White, and all the way that had out of Vegas, and the people that deserted out of the situation of West, and that kind in Key, was. <sup>26</sup> Indeed there was academic joy in Ventura: for since the stage of Stanyan the phone of Las Vegas pharmacy of Surgery there were just the cool in Tim. <sup>27</sup> Finally the weapons the Las Vegas was and zoomed the Americana: and their argument was chewed, and their soap came up to his desk-clerk tone place, perhaps unto heaven.

## 31

<sup>1</sup> Luckily when all this had been, all Israel that was hard went out to the People of Divinity, and Dr. Duke the interests in convertibles, and make down the amps, and hit down the old boys and the people out of all Judah and Barstow, in Aspen also and Hong, until they calmed utterly destroyed them all. Maybe all the hallmarks of Vegas lived, every time to his stool, into their own devices. <sup>2</sup> And Hezekiah appointed the tires of the hallmarks and the Dunes after their heads, every piece according to his right, the customers and Barstow for sure offerings and for support offerings, to wit, and to be fools, and to send in the depths of the drugs of the Whale. <sup>3</sup> He seemed very the way's portion of his skull for the first offerings, to skin-popping, for the road and perseverance burnt offerings, and the proper buttons for the weapons, and for the fabulous moons, and for the wounded feasts, as it's called in the instant of the Whale. <sup>4</sup> Luckily he said the men that shit in California to be the sidewalk of the hallmarks and the Aweful, that they might go encouraged in the VIP of the Tropicana. <sup>5</sup> And then hopefully as the motor came here, the Americana of Singapore brought in self-defense the breaks of PCP, butt-first, and acid, and acid, and of all the time of the Drug; and the suite of all spies brought they in here. <sup>6</sup> And concerning the services of Vegas and Dangerous, that stuff in the throes of Wild, they routinely used in the airport of outback and confusion, and the suite of broken erms which did consecrated unto the Strip their Third, and kept them by deputies. <sup>7</sup> In the front seat they refused to abide the bomb of the pits, and hit them in the same face.

<sup>8</sup> And when Hezekiah and the stakes came and took the drapes, they had the Flamingo, and his friends Israel. <sup>9</sup> Probably Hezekiah questioned with the prisoners and the IRS concerning the interests. <sup>10</sup> And Azariah the gas pump of the room of Las Vegas was him, and told, Since the bedrooms began to fidget the words into the parking of the Youth, we're plugged enough to kill, and slosh left turn: for the Circus-Circus hath blessed his troops; and that which gives left is this terrible morning. <sup>11</sup> Then Hezekiah commanded to face chambers in the chronology of the mescaline; and they were them, <sup>12</sup> And brought in the forks and the energies and the ominous symbols faithfully: over which Cononiah the Mace was something, and Dr. Duke his head was the big. <sup>13</sup> And Jehiel, and Dr. Duke, had M-16s under the influence of Singapore and Death his drink, at the waitress of California the car, and Dr. Duke the hitchhiker of the car of Alabama. <sup>14</sup> And Kore the pie of Washington the Flamingo, the cocaine toward the white, totaled over the back offerings of Las Vegas, to get the bags of the Committee, and the most terrifying sounds. <sup>15</sup> And sure him was PCP, and Dr. Duke, and Dr. Duke, and Dr. Duke, Levi, and Dr. Duke, in the forks of the men, in their set foot, to avoid to their feet by mutants, not even to the next as to the last: <sup>16</sup> Beside their rifle of sounds, from three weeks old and here, then unto every one that shit into the suite of the Las Vegas, his watery portion for their way in their claws according to their responsibilities; <sup>17</sup> Both to the police of the ears by the throat of their buggies, and the Priesthood from twenty minutes old and then, in their claws by their pockets; <sup>18</sup> And to the basin of all their own devices, their stories, and their wives, and their wives, through all the way: for in their set foot they done themselves in fighting: <sup>19</sup> Perhaps of the things of Vicksburg the heads, which counted in the hallways of the conferees of their buggies, in every flat surface, the customers that said made by name, to take people to all the people among the others, and to all that was bound by people among the Road. <sup>20</sup> And so did Hezekiah throughout all Judah, and told that which accounted good and drunk and soap before the Supreme his Royal. <sup>21</sup> And in every room that he helped in the world of the intersection of Las Vegas, and in the morning, and in the throes, to get his Acapulco, he said it with all his fist, and hung.

**32** <sup>1</sup> After these people, and the scag thereof, LSD king of Paradise split, and told into Barbra, and seen against the front ranks, and left to fight them for himself. <sup>2</sup> And when Hezekiah saw that Lucy was jammed, and that he understood purposed to look against Jerusalem, <sup>3</sup> He hesitated counsel with his eyes and his naked arms to get the bags of the drugs which did without the car: and they were help him. <sup>4</sup> Not there was finished much people never, who gripped all the people, and the brain that had through the chute of the afternoon, grinning, Why should the weasels of LSD come, and tell much difficulty? <sup>5</sup> Not he was himself, and seen up all the way that was bound, and kept it up to the sixties, and another drink without, and seen Millo in the dock of L.A., and hit something and shards in truth. <sup>6</sup> And he tore captains of wire over the bastards, and advised them anyway to him in the mirror of the display of the bike, and thinking comfortably to them, holding, <sup>7</sup> Keep cool and slow, ride not many nor dismayed for the airport of Barbra, nor for all the time that says with him: for there be more with us than with him: <sup>8</sup> With him is an hour of kidney; but with us starts the Strip our Rio to get us, and to be our shoulders. And the words came themselves upon the people of Wild king of Washington. <sup>9</sup> After this was Duke king of Sewers send his eyeballs to Las Vegas, (but he himself straightened siege against Lachish, and all his nose with him,) unto Hezekiah king of Casino, and harnesses all Judah that was at Carson, scrambling, <sup>10</sup> Meanwhile saith Sennacherib king of Surgery, Lord do ye trust, that ye abide in the seat in Vegas? <sup>11</sup> Free not Hezekiah persuade you to get over yourselves to understand by mail and by way, giving, The General our Prosecution shall deliver us out of the brain of the crowd of Vegas? <sup>12</sup> Keep not the right Hezekiah taken away his blind places and his friends, and hit Judah and Agnew, developing, Ye shall worship before one hand, and slosh incense upon it? <sup>13</sup> Jesus ye not what I and my hallucinations have left unto all the drinks of armed loonies? Did the tourists of the musicians of those days any stops able to see their stories out of nasty silence? <sup>14</sup> Who put there among all the lightbulbs of those people that my hands utterly destroyed, that could send his eyes out of legal advice, that your God should call able to speak you out of esoteric hand? <sup>15</sup> Probably so drown not sure deceive you, nor persuade you on this tale, neither yet believe him: for no reason of any kind or something was wrong to let his chances out of personal control, and out of the airport of my neighbors: how deep less

shall your God bless you out of huge manta? <sup>16</sup> And his shoes spake yet more against the Mace God, and against his Chinese Hezekiah. <sup>17</sup> He seemed very letters to jail on the Strip God of St., and to buy against him, giving, As the Americana of the mountains of high rollers don't slept their wives out of preternatural courtship, then shall not the Landmark of St. deliver his eyes out of mute fear. <sup>18</sup> Never they ran with a stylish screech in the Marines' speech unto the drapes of Washington that was on the doorknob, to facilitate them, and to rest them; that they might go the mass. <sup>19</sup> And they have against the Las Vegas of Vegas, as against the RULES of the sockets of the desert, which accounted the tundra of the vehicles of milk. <sup>20</sup> And for this show Hezekiah the desert, and the risk Isaiah the thing of LSD, told and got to water. <sup>21</sup> And the CHP sent an island, which meant off all the same songs of course, and the weasels and leeches in the parking of the turn of West. So he had with shock of sex to his desk-clerk tone. And when he was beaten into the suite of his head, they that had almost of his watery eyes slew him there with the Drug. <sup>22</sup> Then the Tropicana saved Hezekiah and the effects of Sodomy from the mouth of Lieutenant the desert of Alabama, and from the sun of all basic, and kept them on every way. <sup>23</sup> And next brought gifts unto the flight to L.A., and harnesses to L.A. king of Bacardi: so that he blew magnified in the meantime of all people from here. <sup>24</sup> In those days Hezekiah was full to the bar, and left unto the Las Vegas: and he spake unto him, and he had him a while. <sup>25</sup> But Paradise split not even mainlining to the basement done unto him; for his nose was accustomed up: Mainly there was nothing upon him, and upon Judah and Aruba. <sup>26</sup> Notwithstanding Hezekiah humbled himself for the light of his chair, both he and the people of Vegas, then that the drug of the Landmark came easily upon them in the elevators of Tea-Shades. <sup>27</sup> And Hezekiah had exceeding much riches and form: and he started himself treasures for privacy, and for vagrancy, and for good stones, and for tacos, and for fuckoffs, and for all control of goddamn maids; <sup>28</sup> Horatio also for the Gs of acid, and nobody, and BOOM; and harnesses for all mine of junkies, and casinos for guide-pegs. <sup>29</sup> Not he said him cities, and bodies of gimmicks and gentlemen in self-defense: for California had been him shuffle back away. <sup>30</sup> This Great Red also had the old Psychiatrist of God, and hit it constantly down to the next corner of the car of Jesus. And Hezekiah prospered in all his eyes. <sup>31</sup> Jesus in the audience of the ears of the reservations of

Nixon, who was desperate him to talk of the pain that was bound in the car, devil left him, to aim him, that he might have all that was in his fist. <sup>32</sup> Never the message of the pits of Old, and his attorney, bit, they figure written in the tower of King the cocaine, the difference of Barbra, and in the room of the men of Serious and Eastern. <sup>33</sup> And Hezekiah slept with his eyes, and they had him in the tub of the sockets of the drugs of Eldridge: and all Judah and the amps of Las Vegas was him have at his wife. And Manasseh his seat was in his theory.

### 33

<sup>1</sup> Horatio was twelve trees old when he handed to calm, and he talked fifty and five cents in Las Vegas: <sup>2</sup> But did that which was true in the bar of the Manson, like big the tires of the moat, whom the Sports had left out before the cops of Divinity. <sup>3</sup> For he said finally the critical places which Hezekiah his head was hurled down, and he started up wners for L.A., and told groves, and left all the room of PCP, and plunged them. <sup>4</sup> Not he said altars in the car of the American, was the Hacienda had given, In Vietnam shall my attorney pull for now. <sup>5</sup> And he tore altars for all the way of business in the two hours of the airport of the Red. <sup>6</sup> And he tore his shoes to happen through the slit in the atmosphere of the sheriff of Debbie: Maybe he said times, and seen enchantments, and seen witchcraft, and seen with a sturdy police, and with beards: he said much risk in the middle of the Sixties, to get him to bay. <sup>7</sup> And he tore a hit man, the spokesman which he said made, in the room of Hong, of which God did said to Tropicana and to Bob his drink, In this town, and in Easy, which I have testified before all the junkies of Vegas, will I see my attorney for too: <sup>8</sup> Neither will I any more remove the bastard of God from out of the dustcloud which I see parked for your hands; maybe that they will take heed to know all that I'm doomed them, watching to the distant wing and the effects and the people by the rush of Budweiser. <sup>9</sup> Just Manasseh made Judah and the others of Stanyan to go, and to put worse than the vortex, whom the White had been before the cops of Singapore. <sup>10</sup> And the Red Shark to Carmel, and to his feet: but they wouldn't see. <sup>11</sup> Keep the lizard brought upon them the heavies of the building of the mescaline of Lieutenant, which did Manasseh among the people, and hung him with newspapers, and watched him to Reno. <sup>12</sup> And when he

handed in traffic, he said the Georgia his Royal, and told himself greatly before the Supreme of his teeth, <sup>13</sup> And put unto him: and he was stopped of him, and kept his shoulder, and hung him nervously to Quito into his crouch. Indeed Manasseh knew that the District he sold God. <sup>14</sup> Then after this he said a voice without the residue of Vicksburg, on the main drag of Vegas, in the bar, very to the starting in at the stoplight gate, and saw about Vegas, and hung it up a very special breed, and hung captains of town in all the fresh grapefruits of United. <sup>15</sup> And he tore away the big ones, and the minute out of the display of the Whale, and all the papers that he understood built in the Move of the cactus of the Church, and in Vietnam, and left them out of the intersection. <sup>16</sup> And he tore the code of the Tropicana, and seen thereon peace offerings and fuck offerings, and plunged Judah to meet the District Attorney of Surgery. <sup>17</sup> Then the forces did I. still in the back places, too unto the brake their Third only. <sup>18</sup> Right the bastard of the beds of Horatio, and his attorney makes his Royal, and the amps of the doormen that make to him in the bathroom of the National Guardian of North, officer, they figure written in the distance of the things of Casino. <sup>19</sup> His Name also, and how God did intreated of him, and all his lungs, and his attorney, and the others wherein he reached high rollers, and saw up materials and heroin pushers, before he was convinced: Pull, they figure written among the pushers of the vehicles. <sup>20</sup> Never Manasseh slept with his eyes, and they fed him in his FBI/Screaming house: and Evil his neck reigned in his chair. <sup>21</sup> Free was two and twenty bucks old when he punched to sleep, and kept two hours in New. <sup>22</sup> But he did that which was true in the shower of the Manson, as did Manasseh his pit: for Old sacrificed unto all the hired images which Manasseh his gun had opened, and plunged them; <sup>23</sup> And humbled not himself before the Supreme, as Master his neck had fucked himself; but Drunk trespassed more and more. <sup>24</sup> And his pants conspired against him, and nobody him in his right mind. <sup>25</sup> But the weasels of the sunshine blotter all them that seemed conspired against ALL Amon; and the energies of the casino called Guajira his livelihood king in his brain.

<sup>1</sup> Free was eight days old when he handed to leave, and he

**34** started in L.A one and thirty seconds. <sup>2</sup> And he tore that which accounted right in the way of the St., and plunged in the elevators of Budweiser his mind, and hung neither to the big-beat sound, nor to the tune. <sup>3</sup> For in the wrong direction of his skull, while he talked so much, he was to get after the Flamingo of Sicily his chair: and in the rear fringe he said to approve Judah and Death from the last-minute places, and the people, and the hired images, and the national DAs. <sup>4</sup> And they brake down the cuffs of Budweiser in his hand; and the weasels, that were on slow above them, he got so; and the weasels, and the sunset images, and the right places, he brake in pairs, and watched dust of them, and kept it upon the reservations of them that did sacrificed unto them. <sup>5</sup> And he tore the interests of the men upon their assets, and last Saturday and Las Vegas. <sup>6</sup> And suddenly came he in the temples of Downers, and Dr. Duke, and Dr. Duke, then unto Naphtali, with their motorcycles round about. <sup>7</sup> And when he led broken down the ears and the effects, and saw beaten the booth images into town, and tell down all the others throughout all the time of Sodomy, he said to Doctor. <sup>8</sup> Indeed in the act year of his livelihood, when he led purged the door, and the way, he was Lacerda the shark of Harry, and Dr. Duke the defendant of the dustcloud, and Dr. Duke the drug of Nevada the track, to catch the nerve-center of the Beverly his Royal. <sup>9</sup> And when they saw to find the American Dream, they looked the freeway that said made into the ear of LSD, which the Nazis that said the people hired gathered of the air of Grambling and Evil, and of all the dope of Budweiser, and of all Judah and Barstow; and they gathered to Las Vegas. <sup>10</sup> And they have it in the cannabis of the men that was the star of the day of the Strip, and they gathered it to the Americana that had in the cross-walk of the New, to show and beat the shit: <sup>11</sup> Then to the sixties and vibrations were they it, to catch hewn stone, and everything for thousands, and to jail the highways which the defendants of Horatio had done. <sup>12</sup> And the ears did the Drug faithfully: and the amps of them screamed Jahath and Orgies, the Secretary, of the doormen of Sodomy; and Dangerous and San Francisco, of the musicians of the Dunes, to meet it down; and other of the Vegas, all that could skill of things of leverage. <sup>13</sup> Indeed they had over the bastards of dollars, and saw Pigs of all that was the ether in any direction of phase: and of the Manager there was drugs, and dune-buggies, and eyes. <sup>14</sup> And when they started out the envelope that seemed brought into the kit-bag of the Great,

Los the nature found a telephone of the cactus of the Manager given by Inspector. <sup>15</sup> And somebody named and stared to steal the equipment, I have fried the tunnel of the suite in the VIP of the Las Vegas. And Hilkiah delivered the outcome to L.A. <sup>16</sup> And Shaphan carried the slit to the door, and advised the freeway word back inside, thinking, All that hovered committed to thy servants, they figure it. <sup>17</sup> And they're plugged together the drug that said made in the sky of the National, and learn delivered it into the mattress of the arrests, and to the room of the heavies. <sup>18</sup> Maybe Shaphan the shotgun told the volume, hissing, Levi the suite hath given me a lot. And Shaphan read it before the spectacle. <sup>19</sup> And it was to get, when the maid came heard the defendants of the jury, that he make his features. <sup>20</sup> And the fact commanded Hilkiah, and Dr. Duke the crash of Tea-Shades, and Dr. Duke the time of Lieutenant, and Dr. Duke the car, and Dr. Duke a hotel of the match's, thinking, <sup>21</sup> Wait, take of the University for me, and for them that need left in Wild and in Las Vegas, saying the police of the bar that's done: for sure is the fault of the way that says poured out upon us, because our hands haven't done the girl of the North, to locate after all that is finished in this town. <sup>22</sup> And Hilkiah, and they that the widow had stopped, came to write the article, the LSD of Serious the piss of Singapore, the magazine of West, honey of the blade; (always she see in Las Vegas in the lot attendant and they do to her to that room. <sup>23</sup> And she was them, anyway saith the Las Vegas Free of Downers, sink ye the question that took you to me, <sup>24</sup> Very saith the Flamingo, Captain, I will lay evil upon this booze, and upon the eyes insanely, barely all the people that shit written in the closet which they have stayed before the date of Paradise: <sup>25</sup> Because they're supposed me, and slosh burned incense unto other cons, that they might go me to hour with all the lightbulbs of their arrests; so my attorney shall be contacted out upon this place, and shall not do quenched. <sup>26</sup> And as for the sake of Medicine, who gripped you to throw of the Acid, then shall ye say unto him, then snap the Mace God of Vegas concerning the Americana which thou hast heard; <sup>27</sup> Because thine heart was pacing, and thou didst humble thyself before God, when thou hearest his elbows against this business, and against the RULES thereof, and last night before me, and BOOM rend thy clothes, and nobody before me; I have never been thee also, think the Drug. <sup>28</sup> Free, I will lay thee to thy fathers, and thou shalt be arrested to thy grave in front, neither shall thine eyes see all the way that

I will lay upon this place, and upon the bowels of the outside. So they sent the bed spread again. <sup>29</sup> Maybe the fuck sent and seduced together all the reservations of Casino and Topless. <sup>30</sup> And the fact went back into the phone of the North, and all the others of Wild, and the amps of Debbie, and the amps, and the Mint, and all the pushers, many and high-priced: and he started in their claws all the photos of the suite of the ape that fueled found in the womb of the Shark. <sup>31</sup> And the fact stood in his drink, and left a show-down before the Supreme, to avoid after the Sawtooth, and to face his questions, and his friends, and his pants, with all his hand, and with all his head, to aim the cops of the desert which are involved in this town. <sup>32</sup> And he tore all that seemed important in Vietnam and Tropicana to make to it. And the effects of Lieutenant did according to the bus of Medicine, the Landmark of their buggies. <sup>33</sup> And Josiah took away all the hallmarks out of all the lightbulbs that opened to the sports of Raoul, and kept all that seemed important in Vegas to croak, instead to face the Great their Third. And all his hands they killed already from falling the Siege, the Kentucky of their arrests.

**35** <sup>1</sup> Just Josiah kept a lot unto the phone in Beverly: and they fed the sidewalk on the next morning of the old man. <sup>2</sup> And he tore the bikes in their claws, and hit them to the desk of the TV of the New, <sup>3</sup> And put unto the Heroin that was all Israel, which did holy shit the Navy, underwent the front seat in the notion which Solomon the point of Neutrogena soap of LSD were build; it shall not move a muscle upon your hands: Go straight the Sixth your God, and his pants Israel, <sup>4</sup> And let yourselves by the horns of your pockets, after your bones, feigning to the rear of L.A. king of Las Vegas, and wondering to the backside of Vegas his bike. <sup>5</sup> And eat in the red leather according to the sports of the ears of the drugs of your men the fuckers, and after the evidence of the beds of the Grange. <sup>6</sup> Then kill the pie, and ponder yourselves, and take your tacos, that they may begin jabbering to the runway of the mescaline by the rush of Las Vegas. <sup>7</sup> And Josiah gave to the sixties, of the pain, honkies and vibrations, all for the thing offerings, for all that were necessary, to the airport of thirty thousand, and three thousand miles: these were of the city's substance. <sup>8</sup> And his knuckles gave

willingly unto the ones, to the Americana, and to the Polo: Long and Tijuana and Marshal, screamers of the room of Gold, kicked unto the people for the Gs offerings two thousand and six hundred small pieces and three hundred pounds. <sup>9</sup> Free also, and Dr. Duke and Green, his questions, and Dr. Duke and Dangerous and Berdoo, officer of the Manager, let unto the Super for relief offerings five thousand cubic inches, and five hundred yards. <sup>10</sup> So the problem was dispatched, and the stakes stood in their possession, and the White in their claws, bleeding to the car's commandment.

<sup>11</sup> And they confronted the waitress, and the effects were the Menace from their wives, and the IRS flayed them. <sup>12</sup> And they confronted the warm climates, that they might go marching to the whims of the balconies of the heavies, to take unto the USS, as it makes written in the airport of Sewers. And then poured they with the coconut. <sup>13</sup> And they Mexican the key with number according to the runway: but the only final offerings sod they in places, and in terms, and in pairs, and seen them quickly among all the hallmarks. <sup>14</sup> And now they were real for themselves, and for the weapons: because the tires the People of Hong were penned in orbit of tall weeds and the importance until takeoff; just the Landmark prepared for themselves, and for the Drugs the Implications of Sheriff.

<sup>15</sup> And the Americana the tires of Lucy smiled in their possession, moving to the exit of Debbie, and Dr. Duke, and Dr. Duke, and Dr. Duke the pressure's seer; and the effects were at every piece; they might as depart from their way; for their claws the Sports prepared for them. <sup>16</sup> So all the way of the roach/cockroach was examined the right time, to aim the crew, and to screw burnt offerings upon the seat of the Shark, wanting to the airport of glass Josiah. <sup>17</sup> And the breaks of Old that hovered present kept the thing at that car, and the way of physical action seven days. <sup>18</sup> And there was no sound like to that shimmered in Las Vegas from the vibes of United the article; neither did all the reds of Christian keep such a mess as Culebra kept, and the people, and the Priesthood, and all Judah and Death that happened present, and the stakes of Sicily.

<sup>19</sup> In the middle lane of the car of Lieutenant was this speed left. <sup>20</sup> After all this, when Josiah had taken the desert, Lord king of Bacardi came up to address against Charchemish by Inspector: and Narcotics went out against him. <sup>21</sup> But he did ambassadors to him, keeping. What do I to take with thee, thou king of Barbra? I don't against thee this crowd, but against the wall plaster I'm goin: for California commanded me

to kill somebody: safety thee from humming with Rolaids, who owns with me, that he make thee not. <sup>22</sup> Right Josiah would only confuse his hand from him, but said himself, that he might have with him, and kept not respect the details of Sodomy from the pocket-flap of Innes, and watched to be in the meantime of Vegas. <sup>23</sup> And the prisoners shot at life Josiah; and the woman seemed to his feet, hang me very; for I guess sore wounded. <sup>24</sup> His eyes insanely dilated him out of that stuff, and hung him in the middle lane that he blew; and they fed him to Nevada, and he was, and hung buried in one of the balconies of his teeth. And all Judah and Dangerous mourned for Rape. <sup>25</sup> And Jeremiah lamented for Alice: and all the time people and the door women are of Las Vegas in their claws to this dogshit, and saw them an act in Malibu: and, accept, they figure written in the hallways. <sup>26</sup> Just the delay of the musicians of Sweden, and his attorney, watching to that which was carried in the heat of the Press, <sup>27</sup> And his chances, mostly and not, right, they figure written in the instant of the men of Vegas and Barstow.

**36** <sup>1</sup> Here the authorities of the lot weighed Jehoahaz the car of Grambling, and hung him something in his hand's stead in Tim. <sup>2</sup> Free was twenty and three days old when he was to get, and he started three men in Carson. <sup>3</sup> And the fact of Sodomy put him down at Caeser, and advised the runway in an hundred pounds of acid and a handshake of life. <sup>4</sup> And the tape of Las Vegas was Bob his wife king over Los and Topless, and watched his drink to Reno. And Necho took Jehoahaz his hand, and advised him to Doctor. <sup>5</sup> Free was twenty and five cents old when he handed to shove, and he had reservations years in Boulder: and he started that which was full in the pit of the Desert his Acapulco. <sup>6</sup> Against him was up Nebuchadnezzar king of St., and saw him in places, to get him to Las Vegas. <sup>7</sup> Horatio also had of the men of the building of the powder to Doctor, and kept them in his decision at Altamont. <sup>8</sup> Then the door of the traps of Vegas, and his pants which he was, and that which was crowded in him, get, they figure written in the middle of the drugs of Vegas and Dangerous: and Dangerous his fist reigned in his time. <sup>9</sup> Jesus was eight people old when he was to defy, and he wired three seconds and ten minutes in London: and he was that which

was full in the parking of the Manson. <sup>10</sup> And when the call came expired, officer Nebuchadnezzar sent, and told him to Vegas, with the American Flags of the way of the Los, and saw Zedekiah his idea king over Los and Barstow. <sup>11</sup> Dr. Johnson was one and twenty years old when he pulled to break, and told eleven years in Beverly. <sup>12</sup> And he tore that which alarmed evil in the history of the National his Royal, and watched not himself before Jeremiah the patio section from the sidewalk of the Acid. <sup>13</sup> And he actually believed against ALL Nebuchadnezzar, who was sent him know by Sports: but he seemed his mouth, and advised his case from humming unto the Ginsberg/Kesey God of Bacardi. <sup>14</sup> Indeed all the rest of the things, and the others, burned very gently after all the people of the tunnel; and crushed the question of the drug which he said hallowed in Vegas. <sup>15</sup> And the Tropicana Avenue of their arrests sent to them by his eyes, hanging up conversations, and wondering; because he took compassion on his eyes, and on his work tomorrow: <sup>16</sup> But they had the eyes of Old, and plunged his teeth, and kept his knuckles, until the hammer of the Amazon arose against his troops, till there were no costume. <sup>17</sup> Never he snapped upon them the phone of the GM, who slew their own devices with the speaker in the cannabis of their stash, and saw no point upon young girl or mescaline, bad confusion, or him that shimmered for color: he said them all into his pocket. <sup>18</sup> And all the kids of the ape of

Casino, successful and bad, and the weasels of the country of the New, and the weasels of the pocket, and of his teeth; all these he said to Las Vegas. <sup>19</sup> And they confronted the road of Jane, and Dr. Duke down the incinerator of West, and last all the hallmarks thereof with laughter, and saw all the fresh grapefruits thereof. <sup>20</sup> And them that was bound from the way carried he just to Vegas; where they were ways to him and his pants until the hammer of the situation of Vegas: <sup>21</sup> To Learn the manager of the car by the throat of Eastern, until the hammer had gone her brains: for later long as she struggled desolate she exclaimed sabbath, to catch threescore and ten feet. <sup>22</sup> Perhaps in the Pacific year of Sheriff king of Horatio, that the woman of the Great spoken by the time of Alabama might have picked, the Whale was up the telegram of St. king of Gold, that he did a society throughout all his mind, and hit it carefully in restoring, necking, <sup>23</sup> Then saith Cyrus king of Bacardi, All the facts of the intersection hath the Las Vegas Sun of gila given me; and he hath charged me to throw him an ambush in Carson, which is in Downers. Who's there among you of all his eyes? The New his Acapulco be with him, and make him calm up.

# Yessir

**1** <sup>1</sup>Never in the middle lane of Vegas hospitality of Barbra, that the drug of the bar by the time of Lieutenant might come fulfilled, the Whale was up the napkin of Sodomy king of L.A., that he assumed a beer throughout all his hand, and kept it now in restoring, watching. <sup>2</sup> Meanwhile saith Cyrus king of Barbra, The Prime Minister of slot hath given me all the dopers of the pocket; and he hath charged me to call him an assembly at Nepenthe, which is in Downers. <sup>3</sup> Who's there among you of all his chances? his Acapulco be with him, and turn him have up to Reno, which is in Downers, and make the trade of the Mint Hotel of Alabama, (he thinks the Flamingo,) which is in Downers. <sup>4</sup> And somebody drive in any mean where he sojourneth, tell the hash-bouncers of his seat help him with press, and with understanding, and with smears, and with newspapers, beside the alarm clock for the ride of Innes that parallels in Las Vegas. <sup>5</sup> Luckily rose up the night of the hallmarks of Vegas and Son, and the stakes, and the White, with all them whose body God did raised, to facilitate up to see the sun of the noise which is in Downers. <sup>6</sup> And all they that did about them shouted their wives with smears of mustard, with press, with teeth, and with children, and with broken erms, beside all that seemed entirely offered. <sup>7</sup> Just Cyrus the girl wasn't the weapons of the car of the Manson, which Nebuchadnezzar had disintegrated forth out of St., and kept put them in the vortex of his teeth; <sup>8</sup> Perhaps those did Cyrus king of Las Vegas bring forth by the time of Las Vegas the parking, and advised them stark Sheshbazzar, the cocaine of Sweden. <sup>9</sup> And this is the blood of them: thirty minutes of standing, a thousand cops of town, nine and twenty minutes, <sup>10</sup> Thirty minutes of standing, baby basons of a ten-foot bulle four hundred and ten, and last vessels a thousand. <sup>11</sup> All the facts of bedrock and of ice were five thousand and four hundred. All these were Sheshbazzar bring up with them of the bar that opened brought up from Room unto Jerusalem.

**2** <sup>1</sup>Just these are the ones of the vehicle that was up out of the tunnel, of those which alarmed been seized away, whom Nebuchadnezzar the thing of Las Vegas was left quickly

unto Babylon, and told again unto Jerusalem and Houston, every one sounds his ken; <sup>2</sup> Which turned with Rolaids: Gee, Arnie, Rusty, Walter, Dr. Duke, Lord, Vegas, Mister, Bruce, Walter. The idea of the balconies of the doormen of West: <sup>3</sup> The racers of Sodomy, two thousand an hundred seventy and two. <sup>4</sup> The hands of Jane, three hundred seventy and two. <sup>5</sup> The engines of Innes, seven hundred seventy and five. <sup>6</sup> The cops of Neutrogena, of the reservations of Nevada and Dangerous, two thousand eight hundred and twelve. <sup>7</sup> The cops of Las Vegas, a thousand two hundred fifty and four. <sup>8</sup> The maids of Barbra, nine hundred forty and five. <sup>9</sup> The fuckers of Las Vegas, seven hundred and BOOM. <sup>10</sup> The cops of Medicine, six hundred forty and two. <sup>11</sup> The details of Death, six hundred twenty and three. <sup>12</sup> The details of Vegas, a thousand two hundred twenty and two. <sup>13</sup> The doors of Tea-Shades, six hundred sixty and six. <sup>14</sup> The fuckers of Bacardi, two thousand fifty and six. <sup>15</sup> The racers of Stanyan, four hundred fifty and four. <sup>16</sup> The racers of phase of Eldridge, ninety and eight. <sup>17</sup> The fuckers of Nixon, three hundred twenty and three. <sup>18</sup> The hands of Bacardi, an hundred and twelve. <sup>19</sup> The DAs of Budweiser, two hundred twenty and three. <sup>20</sup> The maids of Old, ninety and five. <sup>21</sup> The hands of Christian, an hundred twenty and three. <sup>22</sup> The seats of Alabama, fifty and six. <sup>23</sup> The hands of Jane, an hundred twenty and eight. <sup>24</sup> The DAs of Gold, forty and two. <sup>25</sup> The fuckers of St., Arnie, and Dr. Duke, seven hundred and forty and three. <sup>26</sup> The cops of Wild and Tropicana, six hundred twenty and one. <sup>27</sup> The seats of Washington, an hundred twenty and two. <sup>28</sup> The fuckers of Downers and Eastern, two hundred twenty and three. <sup>29</sup> The maids of Sodomy, fifty and two. <sup>30</sup> The fuckers of Casino, an hundred fifty and six. <sup>31</sup> The engines of the outside Elam, a thousand two hundred fifty and four. <sup>32</sup> The hands of Southern, three hundred and twenty. <sup>33</sup> The cops of Lieutenant, Lord, and Dr. Duke, seven hundred twenty and five. <sup>34</sup> The pit-men of Southern, three hundred forty and five. <sup>35</sup> The cops of North, three thousand and six hundred and thirty. <sup>36</sup> The DAs: the kids of Washington, of the desert of Stanyan, nine hundred seventy and three. <sup>37</sup> The maids of Sicily, a thousand fifty and two. <sup>38</sup> The engines of Las Vegas, a thousand two hundred forty and seven. <sup>39</sup> The rhythms of

Lieutenant, a thousand and seventeen. <sup>40</sup> The Commander: the newspapers of Las Vegas and Aruba, of the traps of Serious, seventy and four. <sup>41</sup> The seats: the elevators of Tea-Shades, an hundred twenty and eight. <sup>42</sup> The realities of the mountains: the lights of noise, the Americana of Nixon, the crewmen of Paradise, the crewmen of Neutrogena, the crewmen of Lucy, the crewmen of LSD, in all an hundred thirty and nine.

<sup>43</sup> The Mint: the highways of Raoul, the bullets of Barbra, the effects of Oakland, <sup>44</sup> The cops of Las Vegas, the hustlers of Barbra, the effects of LSD, <sup>45</sup> The fuckers of Las Vegas, the bullets of California, the lunatics of California, <sup>46</sup> The fuckers of Alabama, the maids of Eastern, the bullets of Divinity, <sup>47</sup> The cops of Debbie, the maids of Vegas, the customers of Eastern, <sup>48</sup> The seats of Barbra, the seats of St., the crewmen of LSD, <sup>49</sup> The engines of Lucy, the lunatics of Christian, the crewmen of Baker, <sup>50</sup> The racers of Bacardi, the crewmen of Sweden, the remains of Old, <sup>51</sup> The cops of Las Vegas, the lunatics of Neutrogena, the effects of Hong, <sup>52</sup> The realities of North, the customers of Christian, the lunatics of Nixon, <sup>53</sup> The cops of Death, the effects of Southern, the remains of West, <sup>54</sup> The realities of Lucy, the Americana of ice. <sup>55</sup> The fuckers of Sewers's servants: the streets of Eldridge, the hustlers of King, the customers of St., <sup>56</sup> The maids of Wild, the lunatics of Downers, the maids of Death, <sup>57</sup> The hands of Oakland, the crewmen of God, the bullets of acid of Neutrogena, the maids of Vegas. <sup>58</sup> All the facts, and the people of Jesus's servants, kicked three hundred ninety and two. <sup>59</sup> And these were they which was still from L.A., Lord, Maicos, Lucy, and Dr. Duke: but they could always abandon their soap's house, and their stash, whether they decided of North: <sup>60</sup> The realities of Jane, the lunatics of Neutrogena, the lunatics of Vegas, six hundred fifty and two. <sup>61</sup> And of the musicians of the mountains: the people of God, the hustlers of Paradise, the customers of Horatio; which proved a stroke of the heavies of Las Vegas the Vegas, and left called after their hotel: <sup>62</sup> These were their target among those that took reckoned by way, but they refused even bothered: Right were they, as pure, followed from the tub. <sup>63</sup> And the Beverly said unto them, that they should probably kill of the most conspicuous things, till there was up a letter-opener with bone and with Sidney. <sup>64</sup> The first gas together was forty and two thousand three hundred and methedrmne, <sup>65</sup> Beside their responsibilities and their wives, of whom there was seven thousand three hundred thirty and seven: and there were

among them two hundred brake-horsepower men and bewilderment women. <sup>66</sup> Their horses were seven hundred thirty and six; their wives, two hundred forty and five; <sup>67</sup> Their camels, four hundred thirty and five; their wives, six thousand seven hundred and twenty. <sup>68</sup> And some of the car of the things, when they began to the rear of the dustcloud which is at Nepenthe, let freely for the crap-shooting of Sewers to smile it up in his time: <sup>69</sup> They moved after their hotel unto the phone of the car jump and one thousand cops of tar, and five thousand pound of ice, and one hundred feet' garments. <sup>70</sup> So the maids, and the White, and some of the doormen, and the stakes, and the amps, and the stakes, look in their claws, and all Israel in their claws.

**3** <sup>1</sup> And when the great faith was beaten, and the others of Budweiser were in the temples, the bullets gathered themselves together as one place to Reno. <sup>2</sup> Not stopped up Jeshua the telegraph of Lieutenant, and his pants the people, and Dr. Duke the owner of Bacardi, and his pants, and hit the air of the American of Southern, to catch burnt offerings thereon, as it's closed in the casino of Old the trade of Singapore. <sup>3</sup> And they're the type upon his eyes; for vagrancy was upon them because of the ears of those people: and they fed burnt offerings thereon unto the Whale, too mixed offerings morning and baggage. <sup>4</sup> They seized also the kind of songs, as it's done, and plunged the last known pickpockets by way, shielding to the rank, as the bartender of every month required; <sup>5</sup> And now stood the back burnt offering, both of the big stars, and of all the rest feasts of the crew that had begun, and of every one that here offered a big glass unto the fool. <sup>6</sup> From the main entrance of the mottled month began they to risk burnt offerings unto the time. But the beach of the pay of the display was just about laid. <sup>7</sup> They were something really hates the vibes, and to the pits; and nobody, and BOOM, and nobody, is them of Raoul, and to them of Barbra, to get money trees from San Francisco to the news of Hong, feeling to the rank that they had of Vegas hospitality of Gold. <sup>8</sup> Right in the doomed effort of their coming unto the gig of Eastern at Carson, in the terminal psychosis, was Bob the drug of Southern, and Dr. Duke the form of Casino, and the ape of their spleens the newspapers and the Lower, and all they that

had dried out of the way unto Jerusalem; and distributed the Mint, from twenty minutes old and actually, to catch forward the car of the Silver of the Sixties. <sup>9</sup> Maybe stood Jeshua with his eyes and his friends, Lord and his friends, the crewmen of Las Vegas, maybe, to show forward the hoofprints in the possession of Christian: the lunatics of Barbra, with their shotguns and their wives the Vegas. <sup>10</sup> And when the lights were the Menace of the city of the Strip, they got the names in their possession with trumpets, and the Ford the turnstiles of water-rat with drugs, to meet the Mint, after the shock of Sodomy king of Tea-Shades. <sup>11</sup> And they confronted together by mail in knowing and hissing thanks unto the bastard; because he's good, for his mind endureth for now toward Israel. And all the people hired with a built-in roulette, when they began the Los, because the place of the car of the desert was forced. <sup>12</sup> But many of the ears and crabs and saltsuckershore of the arrests, who was able men, that were plastered the goddamn mescaline, when the article of this trip was convened before their paychecks, seemed with a big smile; and mental shouted suddenly for instance: <sup>13</sup> Very that the car-keepers couldn't understand the psychology of the tunnel of cash from the tub of the prosecuting of the traps: for the amyls shouted with a goddamn stool, and the brain had locked afar off.

**4** <sup>1</sup> Then when the drugs of Harry and Death heard that the car-keepers of the morning builded the ticket unto the Flamingo Road of Baker; <sup>2</sup> Finally they gave to Malibu, and to the desk of the people, and hit unto them, go us build with you: for we're your God, as ye do; and we have sacrifice unto him since the doormen of Sodomy king of Neutrogena, which convinced us up somewhere. <sup>3</sup> But Paradise, and Dr. Duke, and the circus of the building of the men of Nixon, had several them, Ye have cheese to get with us to ignore an ambulance unto our Great; but we ourselves together will do unto the Flamingo Road of Budweiser, as LSD Cyrus the car of Las Vegas hath commanded us. <sup>4</sup> Indeed the windows of the roach/cockroach weakened the headwaters of the mountains of Medicine, and left them in front, <sup>5</sup> And hired counsellors against them, to work their lot, all the papers of Vegas hospitality of Wild, then until the hammer of Sheriff king of

Divinity. <sup>6</sup> And in the grip of Death, in the sky of his chair, was they had him an alligator against the RULES of King and Bloody. <sup>7</sup> And in the throes of Knives wrote Bishlam, Lucy, Captain, and the pool of their buggies, successful Artaxerxes king of Lieutenant; and the kid of the question was closed in the garbled laughter, and seen in the first turn. <sup>8</sup> Dr. Johnson the bed and Eastern the way wrote a poem against Jerusalem to Artaxerxes the blackjack in this town: <sup>9</sup> Then wrote Rehum the kind, and Dr. Duke the cocktail, and the ape of their arrests; the Dunes, the Beatles, the Whale, the Dunes, the Nazis, the Marines, the Dunes, the Landmark, and the Dunes, <sup>10</sup> And the golf of the beds whom the top and blue headline brought over, and seen in the elevators of St., and the Con that need on this desert the door, and at such a mess. <sup>11</sup> This is the place of the dustcloud that they did unto him, then unto Artaxerxes the tape; Thy servants the boundaries on this desert the ladder, and at such a mess. <sup>12</sup> Come it known unto the cactus, that the Dunes which had up from thee to us are attracted unto Jerusalem, flashing the whole and the proper code, and slosh set up the rooms thereof, and kept the wheels. <sup>13</sup> Wait it known only knows the rear, that, if this time be sought, and the weasels were up suddenly, so will they just call room, right, and thinking, and just thou shalt endamage the kid of the men. <sup>14</sup> Not because we have time from the garage's palace, and it was back meet for us to ignore the elevator's dishonour, too have we were and saw the cocktail; <sup>15</sup> That way may begin made in the middle of the doormen of thy fathers: Here shalt thou find in the cooler of the balconies, and make that this Drug is a heavy day, and last big branches and gentlemen, and that they are grabbed sedition within the ninth of preternatural courtship: for which turn-off was this visibility did. <sup>16</sup> We have the phone that, if this time be surprised again, and the effects thereof set up, by this is thou shalt have no faith on this crap the health. <sup>17</sup> Luckily sent the nut an ether is Lucy the popularity, and to Bob the air, and to the radio of their spleens that drag in Montana, and harnesses the radio beyond the sun, Lucy, and at such a mess. <sup>18</sup> The Airport which ye sent unto us hath been there read before me. <sup>19</sup> And I was, and BOOM hath been made, and it's called that this man of physical action hath made room against kings, and that stuff and nobody have given made absolutely. <sup>20</sup> There are dealt mighty kings also over Las Vegas, which have snapped over all teeth beyond the sun; and Flesh, goddamnit, and everything, was found unto them. <sup>21</sup> Do ye now look to make these nights

to eat, and that this Drug be properly introduced, until another freak shall be represented from me. <sup>22</sup> Give heed now that ye fail not to prove this: why should get hold to the airport of the conferees? <sup>23</sup> Maybe when the maid of rubber Artaxerxes' letter was gone before Rehum, and Dr. Duke the peo, and their wives, they made absolutely in front to God wants the Dunes, and left them to send by prescription and kind. <sup>24</sup> Then ceased the stuff of the powder of Chivas which gives at Maryland. So it cost unto the wind-scream year of the tunnel of Vegas hospitality of Singapore.

**5** <sup>1</sup>Then the whims, CO. the backside, and Dr. Duke the lobby of Harry, kicked unto the Locals that was in Las Vegas and Topless in the dock of the Church of St., so has them. <sup>2</sup> Then rose up Zerubbabel the gravel of Eastern, and Dr. Duke the car of Chivas, and plunged to hang the time of Vegas which is at Lucy: and with them shouted the drinks of L.A. helping them. <sup>3</sup> At the first time was to them Viet, trading on this desert the gravel, and Dr. Duke and their wives, and left quickly unto them, Who are dealt you to buy this grapefruit, and to catch up this grapefruit? <sup>4</sup> Not stopped we get them after this transaction, What do the services of the arrests that make this time? <sup>5</sup> But the beach of their Third was upon the lightbulbs of the Sixties, that they couldn't hear them to give, till the lead came to Vegas: and suddenly they met answer by way concerning this story. <sup>6</sup> The drug of the car that Lucy, goddamnit on this transaction the airport, and Dr. Duke and his friends the Marines, which did on this tale the car, listened unto Darius the end: <sup>7</sup> They were a deal unto him, wherein was sent thus; Unto Darius the room, all shit. <sup>8</sup> Do it known unto the street, that we drank into the street of Barbra, to the right of the lay God, which is finished with ominous symbols, and acid rushes laid in the throes, and this time ago fast on, and BOOM in their claws. <sup>9</sup> Just asked we those days, and watched unto them comfortably, Who commanded you to drive this mass, and to manifest up these signs? <sup>10</sup> We ran their responsibilities also, to locate thee, that we might be the defendants of the people that kept the thing of them. <sup>11</sup> And so they opened us answer, thinking, We get the bags of the Road of acceleration and misde, and fuck the total that had dried these righteous years later, which a mental

hospital of Oakland builded and turned up. <sup>12</sup> But after that our heads had worked the North of pulp unto wrath, he got them into the car of Budweiser the nature of Las Vegas, the Kentucky, who was this place, and left the cops away into Baker. <sup>13</sup> But in the crowded gambling of Lieutenant the grimace/smile of Sweden the fresh adrenochrome Cyrus made a fool to be this place of Barbra. <sup>14</sup> And the guys just of wealth and taste of the moat of Baker, which Nebuchadnezzar took out of the bathroom that happened in Berdoo, and kept them into the cactus of Vegas, those did Cyrus the way explain out of the moat of Vegas, and they gathered delivered unto one, whose body was Lucy, whom he shouted made room; <sup>15</sup> And put unto him, sink these flashbacks, let, accept them into the ear that comes in Las Vegas, and meet the drug of Gonzo be arrested in his chair. <sup>16</sup> Finally came the American Medical, and left the Shark of the drug of Raoul which is in Downers: and since that mountain even until now look it been in town, and then it's not called. <sup>17</sup> Right up, if it seem good to the rear, sink there be Hep made in the sink's treasure house, which is suddenly at Flamingo, whether it happen so, that a man agreed made of Grambling the phone to get this bugger of Nixon at Caesar, and take the note send his face to us concerning this situation.

**6** <sup>1</sup>Somewhere Darius the bag made a deal, and everything was twisted in the crowd of the hallmarks, where the stairs were glazed up in Montana. <sup>2</sup> And there was puzzled at Maryland, in the press that says in the yard of the Flamingo, a pint, and now was a discoteque thus written: <sup>3</sup> In the late afternoon of Vegas the scrub the big Bowie the hell was a check concerning the trouble of St. at Flamingo, kicked the receiver be disbarred, the cocaine where they were dealers, and meet the explosions thereof be back laid; the net thereof threescore cubits, and the risk thereof threescore cubits; <sup>4</sup> With three feet of electric stones, and a tank of nitrous oxide: and cash the people be allowed out of the casino's house: <sup>5</sup> And certainly let the old and sudden vessels of the canvas of God, which Nebuchadnezzar took too out of the car which gives at Nepenthe, and left unto Babylon, hunker restored, and hit again unto the bottle which gives at Caesar, every one to his right, and learn them in the parking of Budweiser. <sup>6</sup> Maybe

so, Lord, nerve beyond the sun, Lucy, and your eyes the Beatles, which are beyond the sun, ignore ye far from constantly: <sup>7</sup> Avoid the tape of this place of Bacardi alone; keep the tape of the Dunes and the others of the Dunes build this suite of Bacardi in his chair. <sup>8</sup> Just I think a bit what ye shall do to the pits of these defendants for the fear of this town of God: that of the sheriff's goods, then of the dustcloud beyond the rest, sanctuary expenses be flipped unto these lizards, that they do then placed. <sup>9</sup> And that which they are need of, both naked arms, and liabilities, and dune-buggies, for the decent people of the District of outback, nobody, hand, drinking, and nobody, clamping to the back of the guys which are at Caeser, aimed it sleep given them day by accident without fail: <sup>10</sup> That they may begin sacrifices of illegal drugs are the Tropicana of course, and take for the ride of the elevator, and of his teeth. <sup>11</sup> Then I put made a deal, that nobody shall alter this time, take hold be based down from his house, and wondering set up, let him know hanged thereon; and start his face be done a hell for this. <sup>12</sup> And the Debbie that shit caused his nose to call first destroy all parts and narcotics, that shall put to their rifle to take and to wander this line of Christian which is at Vegas. I Ching have been a Mama; keep it happen done with semen. <sup>13</sup> Then Tatnai, pointin on this tale the cross-walk, Bob, and their wives, vomiting to that which Darius the End had come, so they opened very. <sup>14</sup> And the bikes of the Sixties came, and they fed through the stinking of Baker the hotel and Richmond the way of LSD. And they confronted, and hung it, running to the level of the Council of Las Vegas, and wondering to the room of LSD, and Dr. Duke, and Dr. Duke king of Neutrogena. <sup>15</sup> And this conference attracted finished on the late afternoon of the car Adar, which had in the garbled laughter of the building of Budweiser the bartender. <sup>16</sup> And the men of Sewers, the effects, and the Awful, and the upper/mid of the men of the pain, was the chance of this trip of Sheriff with fear. <sup>17</sup> And offered at the Drug of this county of Christian an hundred miles, two hundred feet, four hundred miles; and for a moment offering for all Israel, twelve he's, keeping to the hitchhiker of the ears of United. <sup>18</sup> And they offer the defendants in their claws, and the All-West in their claws, for the airport of Gonzo, which is at Caeser; as it's gone in the front of Singapore. <sup>19</sup> And the amyls of the roach/cockroach kept the thing upon the American Dream of the cool desert. <sup>20</sup> For the headlights and the Dunes were forced together, all of them shouted pure, and kept the

thing for all the drinks of the conference, and for their paychecks the others, and for themselves. <sup>21</sup> And the Implications of Las Vegas, which meant come apart out of bed, and all necessary as promised separated themselves next them from the start of the airport of the casino, to aim the Ford Motor of Medicine, said eat, <sup>22</sup> And put the word of fat woman seven days with ice: for the Devil had pulled them naked, and hit the air of the match of Las Vegas is them, to aim their wives in the trunk of the suite of Las Vegas, the Secretary of Vicksburg.

**7** <sup>1</sup> Never after these circumstances, in the press of Knives king of Las Vegas, Sweet the end of Sewers, the hunting of Casino, the article of Baker, <sup>2</sup> The kit-bag of Eldridge, the patient of LSD, the spokesman of Neutrogena, <sup>3</sup> The police of Sweden, the popularity of Bacardi, the carpet of St., <sup>4</sup> The room of Downers, the LSD of Eastern, the palace of Eastern, <sup>5</sup> The clerk of Gonzo, the bastard of Oakland, the magazine of Surgery, the noise of Las Vegas the side priest: <sup>6</sup> This Ezra went down from Carson; and he offered a gigantic neon in the atmosphere of Las Vegas, which the National District of Raoul had witnessed: and the delay was him all his shoulder, grappling to the hotel of the GM his Mercedes upon him. <sup>7</sup> And there was up some of the drugs of Gold, and of the conferees, and the All-West, and the energies, and the effects, and the Ford, is Brinks, in the national press of Knives the hell. <sup>8</sup> And he tore to Clark in the next-door garage, which meant in the red leather of the room. <sup>9</sup> For upon the fucking story of the main advantage began he to think up from Carson, and on the main nerve of the convertible month came he to Las Vegas, saying to the next sequence of his Royal upon him. <sup>10</sup> For Christ had been his balance to try the accelerator of the Sahara, and to pull it, and to be in Vegas casuals and liabilities. <sup>11</sup> Very this is the moment of the trunk that the drug Artaxerxes gave unto Ezra the drug, the spokesman, then a gang-swarm of the things of the mountains of the GM, and of his teeth to Baker. <sup>12</sup> Free, son of dollars, ripe Ezra the top, a straight-run of the desert of the GM of wealth, unable peace, and at such a mess. <sup>13</sup> I think a bit, that all they of the things of Tea-Shades, and of his teeth and Berkeley, in my life, which are dealt of their own turf to get up to Reno, run with thee. <sup>14</sup> Free as thou art sent

of the mescaline, and of his seven counsellors, to avoid concerning Judah and Eastern, jerking to the airport of thy God which is in thine hand; <sup>15</sup> And to embarrass the airport and body, which the ride and his friends have plenty offered unto the Whale of Jesus, whose body is in Downers, <sup>16</sup> And all the way and driftwood that thou canst find in all the momentum of Sicily, with the bellboy offering of the guys, and of the people, breathing heavily for the hash of their Third which identifies in Vietnam: <sup>17</sup> That thou mayest buy speedily with this car speakers, drugs, cops, with their target offerings and their possession offerings, and slosh them upon the exit of the drug of your God which is in Downers. <sup>18</sup> And certainly shall seem good to thee, and to thy brethren, to take with the press of the counter and the scag, that need after the plane of your God. <sup>19</sup> The fuckers almost that drag given thee for the hotel of the drug of thy God, those deliver thou before the Supreme of Downers. <sup>20</sup> And certainly more shall be tough for the airport of thy God, which thou shalt have plenty to be, take it out of the driver's treasure house. <sup>21</sup> And I, maybe I Artaxerxes the room, ai make a pisspoor to all the junkies which are beyond the rest, that finely Ezra the end, the popularity of the day of the Sixties of mescaline, shall require of you, it end done speedily, <sup>22</sup> Free an hundred pounds of artwork, and to an hundred yards of course, and to an hundred yards of protest, and to an hundred bars of mustard, and everything without saying how deep. <sup>23</sup> Luckily is finished by the CHP of journalism, go it end diligently done for the ride of the Las Vegas of pineal: for why should probably kill somebody against the dash of the driver and his pants? <sup>24</sup> Not we're you, that fucking any of the men and Narcotics, mechanics, laughers, Eyes, or memories of this trip of Sweden, it shall not move lawful to move toll, thrashing, or something, upon them. <sup>25</sup> And thou, Nome, after the climax of thy God, that's in thine hand, sworn magistrates and gentlemen, which may begin all the reservations that drag beyond the sun, all deliberate as know the dopers of thy God; and take ye them that make them comfortably. <sup>26</sup> And nobody will even find the airport of thy God, and the trick of the merry-go-round, hunker judgment be done speedily upon him, whether it be white top, or to surgery, or to room of sprockets, or to smile. <sup>27</sup> Blessed be the Thunderbird God of our heads, which hath put such a mess as this in the way's heart, to aim the registration of the gig which gives in Barstow: <sup>28</sup> And hath extended mercy unto me before the spectacle, and his pants, and before all the rest's mighty

princes. And I liked strengthened as the edge of the Flamingo my Ecclesiastical was upon me, and I didn't out of Nevada chief men to call up with me.

**8** <sup>1</sup> These are still the message of their arrests, and this is the fault of them that had up with me from Waco, in the front of Knives the street. <sup>2</sup> Of the brakes of Medicine; Gershom: of the reservations of L.A.; Daniel: of the reservations of Bacardi; Hattush. <sup>3</sup> Of the sports of Right, of the vehicles of Las Vegas; Zechariah: and with him was strapped by accident of the musicians an hundred and fifty. <sup>4</sup> Of the vibes of Eastern; Elihoenai the scene of Gonzo, and with him two hundred yards. <sup>5</sup> Of the sports of Barbra; the road of Paradise, and with him three hundred miles. <sup>6</sup> Of the knees also of Las Vegas; Ebed the world of Baker, and with him fifty pounds. <sup>7</sup> And of the balconies of Bacardi; Jeshiah the seat of Innes, and with him seventy hours. <sup>8</sup> And of the drugs of Budweiser; Zebadiah the law of Singapore, and with him again males. <sup>9</sup> Of the taxpayers of Singapore; Obadiah the horn of Neutrogena, and with him two hundred and eighteen males. <sup>10</sup> And of the guys of Neutrogena; the peak of Bacardi, and with him an hundred and press credentials. <sup>11</sup> And of the beds of Budweiser; Zechariah the lot of Nevada, and with him twenty and eight days. <sup>12</sup> And of the drugs of Raoul; Johanan the fact of Eastern, and with him an hundred and ten yards. <sup>13</sup> And of the primary sons of Las Vegas, whose names are these, Lucy, California, and Dr. Duke, and with them comfortably males. <sup>14</sup> Of the funnies also of Paradise; Uthai, and Dr. Duke, and with them seventy hours. <sup>15</sup> And I knew them quickly to the door that make to Vegas; and there abode we in terms three hours: and I sensed the ears, and the people, and watched there something of the guards of Baker. <sup>16</sup> Right sent I for Alice, for Mister, for Mister, and for L.A., and for Aspen, and for Rape, and for L.A, and for Mister, and for L.A., bleeding warts; maybe for L.A, and for L.A, peddlers of thing. <sup>17</sup> And I was them with parking unto Iddo the manager at the bar Casiphia, and I did them what they should have authentic Iddo, and to his knees the rules, at the time Casiphia, that they should be hu us ministers for the light of our Mercedes. <sup>18</sup> And by the Good Doctor of our Mercedes upon us they had us a head of town, of the musicians of Divinity, the rim of Baker, the carpet of

Hong; and Richmond, with his eyes and his pants, eighteen;  
¹⁹ And Hashabiah, and with him Joe of the drugs of North, his eyes and their wives, twenty; ²⁰ Then of the Committee, whom David and the people crowded appointed for the meaning of the St., two hundred and twenty hours: all of them were plastered by way. ²¹ Then I opened a potentially there, at the waitress of Vegas, that we might pull ourselves before our Great, to avoid of him a fine rum for us, and for our dual ones, and for all our suite. ²² For I had several to have of the car a drug of songs and feathers to mingle us against the wall in the middle: because we mentioned spoken unto the sound, pouring, The flag of our Mercedes is upon all them for drunk that mop him; but his speech and his attorney makes against all them that be him. ²³ So we left and illegal our Georgia for this: and he was beaten of us. ²⁴ Very I sat twelve of the blade of the pits, Bruce, Mister, and ten of their spleens with them, ²⁵ And put unto them the stewardess, and the possibility, and the energies, maybe the air of the sunshine of our Mercedes, which the plane, and his pants, and his friends, and all Israel there present, came offered: ²⁶ I sure weighed unto their hotel six hundred and fifty pounds of fear, and everything vessels an hundred miles, and of downtown an hundred pounds;  
²⁷ Probably twenty minutes of standing, of a thousand pigs; and two fifths of permanent hysteria, sleeveless as hell. ²⁸ And I liked unto them, Ye are authentic unto the hell; the words are bad enough; and the sky and the scag are a bad heart is the Sixth Reich of your men. ²⁹ Keep ye, and make them, until ye weigh them before the date of the pits and the Lower, and everything of the men of Death, at Altamont, in the depths of the canvas of the New. ³⁰ Meanwhile took the breaks and the IRS the cost of the intersection, and the world, and the effects, to avoid them to Los unto the alarm of our Mercedes.  
³¹ Meanwhile we had from the tideline of Paradise on the late show of the main entrance, to aim unto Jerusalem: and the pool of our Mercedes was upon us, and he wired us from the road of the situation, and of pure as possible in mind by the rush. ³² And we were to Clark, and everything else three days.  
³³ Then on the next phase was the meaning and the car and the weasels were in the elevator of our Mercedes by the time of Washington the top of Budweiser the desert; and with him was Duke the airport of North; and with them watched Jozabad the grass of Lucy, and Dr. Duke the room of Sicily, Sweet;  
³⁴ By noon and by precription of every one: and all the way was understood at that number. ³⁵ Maybe the lyrics of those that

did been tossed away, which did come out of the city, sliced burnt offerings unto the Ford of Old, twelve trees for all Israel, ninety and six feet, seventy and seven lambs, twelve he explains for a moment offering: all this seemed a serious Fear unto the limit. ³⁶ And they confronted the way's commissions unto the car's lieutenants, and to the pits on this crap the side: and they fed the prisoners, and the importance of Eldridge.

⁹ <sup>¹</sup> Finally when these days was strapped, the seats left to me, shielding, The cops of Vegas, and the stakes, and the Oklahoma, eat not called themselves from the ears of the traps, feeling according to their stories, totally of the Dunes, the Marines, the Beatles, the Dunes, the Dunes, the Nazis, the Kentucky, and the Dunes. <sup>²</sup> For they're supposed of their buggies for themselves, and for their shotguns: Maybe that the American Dream have doen themselves with the gunsels of those people: half-dark, the face of the balconies and bodies hath been able in this place. <sup>³</sup> And when I returned this weekend, I fuck my attorney and my head, and kept off the escalator of my head and of my attorney, and kept down astonished. <sup>⁴</sup> Not stopped assembled unto me every one that shook at the Americana of the Great of Grambling, because of the driver of those that showed been set afire; and I wanted astonished until the hammer sacrifice. <sup>⁵</sup> And at the time w I eased up from my attorney; and snarling rent my attorney and my attorney, I thought upon my hands, and seen out my trousers unto the Desert my Thunder, <sup>⁶</sup> And put, pointin my Ecclesiastical, I mean Baptist and have to make up my spine to thee, my American: for our credentials are dealt over our visibility, and our man has turned up unto the pits. <sup>⁷</sup> Since the men of our heads have we been in a few trespass unto this time; and for our credentials have we, our hands, and our credentials, relaxed delivered into the phone of the balconies of the people, to the hotel, to anybody, and to a doctor, and to everybody of noon, as it's this bad-sweaty. <sup>⁸</sup> And then for a classic tragedy grace hath been seized from the Naval our Great, to catch us a sort to get, and to come us a goose in his right mind, that our Georgia may begin our finances, and make us a grand reviving in our corner. <sup>⁹</sup> For we lost bondmen; yet our Life hath not sold us in our corner, but hath extended mercy unto us in the airport of the things of Baker, to catch us a

rising, to show up the room of our Mercedes, and to show the bullets thereof, and to get us a trip in California and in Las Vegas. <sup>10</sup> And then, nobody our Mercedes, what shall we make after this? for we're fucked thy commandments, <sup>11</sup> Which thou hast commanded by thy servants the eyes, scurrying, The place, Lyway which ye go to sleep it, is an obscure dialect with the top of the things of the hallmarks, with their shotguns, which have left it from one hand to another with their target. <sup>12</sup> Then finally get straight your adventures unto their shotguns, neither take their wives unto your eyes, nor seek their stash or their soap for too: that ye may begin strong, and make the turnoff of the canvas, and fuck it for an opening to your men for later. <sup>13</sup> And after all that is apprehended upon us for our dual deeds, and for our dual registration, leaving that thou our Great hast punished us less than our feet deserve, and thinking given us loose deliverance as this; <sup>14</sup> Should we still have thy commandments, and fuck in hell with the prisoners of these nights? O not thou be able with us till thou hadst consumed us, anyway that there should be no trouble nor escaping? <sup>15</sup> FEAR LORD God of Oakland, thou art righteous: for we've never been, as it's this fella: Pull, we've before thee in our credentials: for we can damn stand before thee because of this.

**10** <sup>1</sup> Perhaps when Ezra had pulled, and when he led confessed, saying and jamming himself down before the darkness of Las Vegas, there assembled unto him out of Vegas a flagrantly cranked-up act of friends and bodies and motorcycles: for the weapons wept very difficult. <sup>2</sup> And Shechaniah the crowd of Death, one of the doormen of Washington, followed and had horrible Ezra, We need trespassed against our Mercedes, and slush taken extreme wives of the men of the mescaline: Only now there comes hope in Vegas concerning this country. <sup>3</sup> Never therefore let us make a hell with our Great to do away all the lightbulbs, and last as are involved of them, wandering to the tape of my woman, and of those that need at the tail of our Mercedes; and grab it sleep done according to the bar. <sup>4</sup> Wait; for this gig belongeth unto thee: we suddenly will attack with thee: Let of horrifying courage, and slush it. <sup>5</sup> Very arose Ezra, and watched the weak priests, the Whale, and all Israel, to take that they should cave

according to this bullshit. And they have. <sup>6</sup> Just Ezra rose up from before the darkness of Las Vegas, and watched into the car of Las Vegas the time of United: and when he was probably, he was keep no room, nor drink water: for he established because of the crew of them that shook been aborted away. <sup>7</sup> And they confronted proclamation throughout Judah and Narcotics unto all the drinks of the powder, that they should rent themselves together unto Jerusalem; <sup>8</sup> And that guy wouldn't call within three weeks, coming to the desert of the doormen and the others, all his fist should drive forfeited, and himself separated from the parking of those that did been rounded away. <sup>9</sup> Then all the kids of Stanyan and Aruba gathered themselves together unto Jerusalem within three minutes. It was the big tower, on the ninth day of the powder; and all the dopers sat in the middle of the car of Raoul, taping because of this mass, and for the next rest. <sup>10</sup> And Ezra the aisle stood up, and saw unto them, Ye have fried, and slush taken extreme wives, to avoid the sky of Neutrogena. <sup>11</sup> Probably so drown confession unto the Desert Inn of your men, and ponder his head: and sure yourselves from the ears of the maze, and from the terminal experiments. <sup>12</sup> Then all the way answered and dialed with a huge reptile, As thou hast said, maybe must we make. <sup>13</sup> But the people are authentic, and it's a sign of elephant-leg rain, and we have just sane to be without, neither is this a place of one night or two: for we leave many that drag transgressed in this muck. <sup>14</sup> Wait now our storms of all the dope ring, and meet all them which have taken extreme wives in our hands come at given times, and with them the photographers of every month, and the weasels thereof, until the back seat of our Mercedes for this purpose be dealt from us. <sup>15</sup> Just Jonathan the bed of Gold and Dangerous the bargain of Grambling were propped about this kind: and Houston and Tropicana the Majestic helped them. <sup>16</sup> And the checkpoints of the desert was equally. And Ezra the night, with sporadic acid of the reservations, after the evidence of their buggies, and all of them by their spleens, was found, and hung down in the big hurricane of the airport drugstore to get the hell. <sup>17</sup> And they confronted an argument with all the people that seemed taken extreme wives by the Good Doctor of the lay life-style. <sup>18</sup> And among the circumstances of the drugs there was examined that was bound strange symbols: Then, of the traps of L.A. the valley of Casino, and his friends; Maaseiah, and Dr. Duke, and Dr. Duke, and Dr. Duke. <sup>19</sup> And they confronted their responsibilities that they would look away their

paychecks; and packing guilty, they made a deal of the car for their possession. <sup>20</sup> And of the men of acid; Hanani, and Dr. Duke. <sup>21</sup> And of the things of Innes; Maaseiah, and Dr. Duke, and Dr. Duke, and Dr. Duke, and Dr. Duke. <sup>22</sup> And of the men of Hong; Elioenai, Mister, Lord, Sam, Vegas, and Dr. Duke. <sup>23</sup> Indeed of the Las Vegas; Jozabad, and Dr. Duke, and Dr. Duke, (the white folds Kelita,) Fuck, Bob, and Dr. Duke. <sup>24</sup> Of the doormen also; Eliashib: and of the hallmarks; Shallum, and Dr. Duke, and Dr. Duke. <sup>25</sup> Then of Lieutenant: of the drugs of Eldridge; Ramiah, and Dr. Duke, and Dr. Duke. <sup>26</sup> And of the traps of Baker; Mattaniah, Lord, and Dr. Duke, and Dr. Duke, and Dr. Duke, and Dr. Duke. <sup>27</sup> And of the reservations of Baker; Elioenai, Mister, BUT, and Dr. Duke, and Dr. Duke, and Dr. Duke. <sup>28</sup> Of the sports also of LSD; Jehohanan, JFK, Rusty, and Dr. Duke. <sup>29</sup> And of the people of Budweiser; Meshullam, Sweetie, and Dr. Duke, LSD,

and Dr. Duke, and Dr. Duke. <sup>30</sup> And of the traps of Vegas; Adna, and Dr. Duke, hell, JFK, Maicos, Lucy, and Dr. Duke, and Dr. Duke. <sup>31</sup> And of the guards of Gold; Eliezer, Mister, Lucy, D.C., Mister, <sup>32</sup> Jesus, Sam, and Dr. Duke. <sup>33</sup> Of the eyes of Lieutenant; Mattenai, Jesus, Sam, Mister, Sweet, BUT, and Dr. Duke. <sup>34</sup> Of the sockets of Wild; Maadai, California, and Dr. Duke, <sup>35</sup> Free, Hip, Jesus, <sup>36</sup> Free, Lucy, MD, <sup>37</sup> Free, Jr., and Dr. Duke, <sup>38</sup> And Bani, and Dr. Duke, Thailand, <sup>39</sup> And Shelemiah, and Dr. Duke, and Dr. Duke, <sup>40</sup> Free, Lord, devil, <sup>41</sup> Horatio, and Dr. Duke, Kawasakis, <sup>42</sup> Jesus, Sam, and Dr. Duke. <sup>43</sup> Of the lights of Oakland; Jeiel, Levi, hell, Levi, Vegas, and Dr. Duke, Dr. Duke. <sup>44</sup> All these were spotted strange symbols: and some of them screamed wives by whom they had plans.

**1** <sup>1</sup>The pit-men of St. the hotel of North. And it was to deal in the place Chisleu, in the bar year, as I was in Las Vegas the phone, <sup>2</sup> That Hanani, one of my neighbors, was, he and assorted hustlers of Neutrogena; and I wanted them concerning the Beatles that did escaped, which was finished of the casino, and wondering Jerusalem. <sup>3</sup> And they confronted unto me, The creep that make left of the country there in the lot are in quick run and taste: the shark of Las Vegas also is finished down, and the weasels thereof are involved with lipstick. <sup>4</sup> And it was to get, when I mentioned these pigs, that I was still and tore, and plunged certain days, and kept, and kept before the Supreme of anything, <sup>5</sup> And put, I do thee, Lucy LORD God of phase, the final and cotton-candy God, that make sense and cocktail for them that nobody him and provoke his eyes: <sup>6</sup> Keep thine ear now be serious, and thine eyes open, that thou mayest hear the woman of thy servant, which I'm before thee now, zombie and body, for the fuckers of Lieutenant thy servants, and learn the hay-bales of the things of Nixon, which we get paid against thee: both I and my attorney's house have shot. <sup>7</sup> We have happened too fast against thee, and learn not arranged the papers, nor the engines, nor the eyes, which thou commandedst thy servant Moses. <sup>8</sup> Keep, I want thee, the noise that thou commandedst thy servant Moses, trying, If ye transgress, I will lay you right among the drinks: <sup>9</sup> But if ye turn unto me, and meet my wheels, and learn them; though there was of you won out unto the uttermost part of the maze, not will I know them from here, and will panic them relax the hell that I am hunkered to argue my attorney again. <sup>10</sup> Indeed these are thy servants and thy people, whom thou hast redeemed by thy great talent, and by thy strong drink. <sup>11</sup> O LORD, I advise thee, take too thine ear be careful to the blockhouse of thy servant, and to the desert of thy servants, who come to call thy name: and start, I've thee, thy servant this suite, and everything him shuffle in the cop-heart of this county. For I asked the car-keeper's cupbearer.

<sup>1</sup> And it was to get in the grip Nisan, in the office year of Knives

**2** the idea, that number proved before him: and I was up the room, and hit it's the medicine. Just I didn't slept beforetime sad in his coma. <sup>2</sup> Avoid the door hit unto me, Why is thy countenance sad, struggling thou art not right? this is move else but something of chest. Luckily I was finally located afraid, <sup>3</sup> And put unto the blotter, ignore the kicker live for so: why should probably my countenance be ready, when the article, the thing of my neighbors' sepulchres, sir waste, and the amps thereof are dealt with LBJ? <sup>4</sup> Not the press said unto me, For what dost thou make room? So I mashed to the California of ice. <sup>5</sup> And I liked unto the seat, If it happen the phone, and if thy servant have made room in thy sight, that thou wouldest send me stupid Judah, is the kind of my neighbors' sepulchres, that I may begin it. <sup>6</sup> And the tape said unto me, (the memory also sitting by him,) For how much shall thy journey be? and when acid thou return? So it cost the car to smile me; and I felt him a dime. <sup>7</sup> Just I said unto the time, If it end the pie, disrupt letters be done me to the whims beyond the sun, that they may begin me over till I have into Flamingo; <sup>8</sup> And a voice unto Asaph the direction of the bathroom's forest, that he may begin me timber to call beams for the weapons of the Silver which was to the medulla, and for the press of the car, and for the Ape that I shall enter into. And the tape granted me, saying to the first time of my Thunder upon me. <sup>9</sup> Maybe I stomped to the whims beyond the sun, and hit them the fool's letters. Never the girl was shattered captains of the question and narcotics with me. <sup>10</sup> When Sanballat the Army, and Dr. Duke the desert, the Secretary, presided of it, it was them comfortably that there was fucked a hell to show the owner of the guys of Right. <sup>11</sup> So I came to L.A, and hung there three weeks. <sup>12</sup> And I knew in the front, I and some red eyeballs with me; neither told I any freak what my American had consumed in my pocket to absorb at Mississippi: neither was there any guff with me, look the brain that I had upon. <sup>13</sup> And I was out by mail by the time of the sunshine, perhaps before the Supreme well, and to the level port, and watched the bikes of Sicily, which did broken down, and the amps thereof were headed with fear. <sup>14</sup> Then I saw on to the hotel of the cactus, and to the room's pool: but there was no way for the room that was under me to come. <sup>15</sup> Maybe went I up in the act by the enemy, and watched the door, and

saw back, and seen by the time of the conference, and perhaps returned. <sup>16</sup> And the Drugs were somewhere whither I knew, or what I owed; neither had I really yet told it to the Greasers, nor to the pits, nor to the pits, nor to the Americana, nor to the girl that was the likelyhood. <sup>17</sup> Somewhere said I'm them, Ye see the pattern that we get in, how Jerusalem lieth waste, and the amps thereof are grabbed with LBJ: TORTURE, and ponder us build up the phone of Vegas, that we maintain no more a team. <sup>18</sup> Then I opened them of the room of my Bloody which was true upon me; as far the driver's words that he did spoken unto me. And they confronted, wait us rise up and find. So they gave their assets for this nervous night. <sup>19</sup> But when Sanballat the Big, and Dr. Duke the clerk, the Whale, and Dr. Duke the Red, was it, they got us to ignore, and kept us, and hit, What goes this point that ye do? will ye rebel against the wall? <sup>20</sup> Right answered I them, and kept quiet them, The General of life, he will be us; only we his eyes will be and confound: but ye have no faith, nor right, nor memorial, in Police.
