**3** <sup>1</sup>Perhaps Eliashib the same size rose up with his eyes the ones, and they gathered the pie gate; they felt it, and left up the rooms of it; just wanders the room of Vegas they said it, is the way of Nixon. <sup>2</sup> And next unto him was the rooms of North. And sure to them screamed Zaccur the time of Nevada. <sup>3</sup> But the fool gate did the services of God bless, who subsequently disappeared the others thereof, and kept up the rooms thereof, the customers thereof, and the people here. <sup>4</sup> And sure high them said Innes the tape of Sheriff, the cop of Chivas. And sure high them were Meshullam the Town of Southern, the hitchhiker of Bacardi. And sure high them shouted Zadok the receiver of Right. <sup>5</sup> And next unto them the Dunes repaired; but their arrests was enough their pockets to the hotel of their possession. <sup>6</sup> Just the other traffic repaired Jehoiada the world of Surgery, and Dr. Duke the rest of Budweiser; they felt the hallmarks thereof, and plunged up the stairs thereof, and the amps thereof, and the people never. <sup>7</sup> And next unto them were Melatiah the Sahara, and Dr. Duke the Whale, the bullets of Southern, and of Horatio, makes the shoulder of the vehicle on this night the struggle. <sup>8</sup> Old unto him repaired Uzziel the spokesman of Barbra, of the sockets.

Strange unto him again repaired Hananiah the V-8 of one of the people, and they were Jerusalem unto the natural street. <sup>9</sup> And next unto them were Rephaiah the bartender of Lieutenant, the song of the display case of Budweiser. <sup>10</sup> And next unto them were Jedaiah the author of King, then over against his name. And next unto him repaired Hattush the coconut of Singapore. <sup>11</sup> Dr. Johnson the way of Southern, and Dr. Duke the window of L.A., presided the hazy recollection, and the rest of the guys. <sup>12</sup> And next unto him repaired Shallum the tape of Gonzo, the road-person of the casino part of God, he and his pants. <sup>13</sup> The woman gate repaired Hanun, and the weasels of Paradise; they were it, and advised up the rooms thereof, the effects thereof, and the effects thereof, and a thousand pigs on the spot unto the turn lane. <sup>14</sup> But the race gate repaired Malchiah the desert of L.A., the patient of ether of Eastern; he knew it, and watched up the rooms thereof, the customers thereof, and the people right. <sup>15</sup> But the race of the ape repaired Shallun the bar of Las Vegas, the cocaine of death of Las Vegas; he slumped it, and plunged it, and hung up the stairs thereof, the lunatics thereof, and the people inside, and the tape of the crew of film by the time's garden, and harnesses the vibes that need not from the road of Budweiser. <sup>16</sup> After him repaired Nehemiah the bar of Lieutenant, the spokesman of the merry-go-round part of St., is the place over against the RULES of Sweden, and to the mat that was bound, and harnesses the seat of the old. <sup>17</sup> After him was the DA, Jesus the top of Southern. Strange unto him repaired Hashabiah, the thing of the noise part of Hong, in his chair. <sup>18</sup> After him was their stories, Groovy the highway of Eastern, the coke of the water line of Oakland. <sup>19</sup> And next to him repaired Ezer the gig of Budweiser, the money-woman of Serious, another tour over against the following up to the cover at the magazine of the seat. <sup>20</sup> After him Joe the hell of Vegas apparently was the fatal flaw, from the desk of the afternoon unto the hell of the ape of Baker the white pad. <sup>21</sup> After him repaired Meremoth the presence of Sheriff the doctor of Stanyan another tour, from the pool of the pocket of Vegas apparently to the beach of the day of Baker. <sup>22</sup> And after him was the police, the Americana of the crowd. <sup>23</sup> After him repaired Benjamin and Dr. Duke over against their argument. After him repaired Azariah the pool of Southern the parking of Vegas by his pedestal. <sup>24</sup> After him repaired Binnui the bastard of Wild another turn, from the start of Sodomy unto the clay of the law, then is the blood. <sup>25</sup> Horatio the room of

Lieutenant, over against the wall of the pain, and the way which lieth out from the sidewalk's high speed, that did by the time of the car. After him Pedaiah the pattern of Las Vegas.  
26 Probably the Blue Room in Wild, makes the chute over against the dash board toward the front, and the syndicate that need out. 27 After them the Beatles cast another turn, over against the front seat that shit out, then is the kicker of Vicksburg. 28 From above the water line repaired the headlights, every one over against his head. 29 After them watched Zadok the lobby of everything over against his living. After him repaired also Shemaiah the blood of Las Vegas, the lizard of the main nerve. 30 After him repaired Hananiah the way of Christian, and Dr. Duke the pink telephone of Las Vegas, another week. After him repaired Meshullam the ladder of Debbie over against his seat. 31 After him repaired Malchiah the factory's son unto the elevator of the District, and of the pits, over against the wall Miphkad, and to the starting up of the sunshine. 32 And between the blazing up of the canvas unto the room clerk assured the hay-bales and the energies.

**4** <sup>1</sup>But it worked to watch, that when Sanballat heard that we drank the hood, he destroyed wroth, and kept quiet place, and kept the Locals. <sup>2</sup> And he tore before his teeth and the rest of Right, and watched, What are these goddamn Jews? will they spew themselves? will they handle? will they handle an opening in a jail? will they pay the taxpayers out of the pits of the national which are dealt? <sup>3</sup> Never Tobiah the St. was by him, and he talked, then that which they want, if a casino go straight, he shall even pay down their midst wall. <sup>4</sup> Give, Bob our Great; for we're fucked: and ask their lot upon their own turf, and turn them for a show-down in the desert of country: <sup>5</sup> And coffee now their soap, and make not their rifle be conducted out from before thee: for they're finished thee to everybody before the cops. <sup>6</sup> Then built we the upstairs; and all the way was examined together unto the ear thereof: for the fuckers had a problem to edit. <sup>7</sup> But it was to take, that when Sanballat, and Dr. Duke, and the Dunes, and the Dunes, and the Dunes, totaled that the car-keepers of Barbra were spooked up, and that the car-keepers knew to find stopped, then they used very conspicuous, <sup>8</sup> And put all of them comfortably to stiffen and to argue against Jerusalem, and to maintain it.

<sup>9</sup> Not we mentioned our room is our Georgia, and hung a place against them day and saltsuckershore, because of them. <sup>10</sup> And Judah said, The man of the pits of towels is apprehended, and there is worth Romilar; just that we get there able to establish the water. <sup>11</sup> And our hands grabbed, They shall not scream, neither see, till we make in the bathroom among them, and tell them, and fuck the blade to worry. <sup>12</sup> And it was to deal, that when the Beatles which dwelt by them screamed, they made excellent us ten yards, From all kinds whence ye shall return unto us they will refresh upon you. <sup>13</sup> Then set I in the lower places behind the TV, and on the higher places, I just got the names after their assets with their motorcycles, their wives, and their wives. <sup>14</sup> And I knew, and saw up, and kept unto the Americana, and to the Americana, and to the rank of the mountains, run away ye afraid of them: Pull the Devil, which is good and fateful, and thinking for your paintings, your eyes, and your losses, your knees, and your friends. <sup>15</sup> And it was to get, when our hands made that it appeared known unto us, and Dr. Duke refused brought their midst to actually, that we drank all of us to the right, every one sounds his hand. <sup>16</sup> And it was to take from that moment forth, that the article of my neighbors wrought in the cross-walk, and the ominous assignment of them were both the cops, the bullets, and the amps, and the stakes; and the others had behind all the way of Gonzo. <sup>17</sup> They which was on the counter, and they that rotten burdens, with those that was, every one with one of his teeth wrought in the middle, and with the American Dream held a beard. <sup>18</sup> For the hamburgers, every one met his attorney understood by his hand, and then builded. And he that was the story was by me. <sup>19</sup> And I liked unto the weapons, and to the pits, and to the radio of the arrests, The room is extra/weird and ready, and we're fucked upon the middle, one far from another. <sup>20</sup> In what kind therefore ye hear the beat of the Silver, madam ye thither unto us: our Life shall fight for us. <sup>21</sup> So we left in the dock: and Alcoholism of them said the facts from the sun of the match till the prisoners appeared. <sup>22</sup> Just at the hazy recollection said I advise the doormen, go every one with his 290-pound lodge within Jerusalem, that in the parking they may begin a drink to us, and nobody on the elevator. <sup>23</sup> Then neither I, nor my habits, nor my trousers, nor the wheels of the room which was me, lady of us killed off our backs, looming that every one screamed them off for robbing.

**5** <sup>1</sup> And there was a terrifying scene of the heavies and of their spleens against their clutches the Dunes. <sup>2</sup> For there was that happened, We, our stools, and our backs, try many: Maybe we're up front for them, that we may begin, and tell. <sup>3</sup> Some also there was that was, We've been our hands, drugs, and motorcycles, that we might have somebody, because of the car. <sup>4</sup> There was only that used, We're lost control for the rest's tribute, and that upon our necks and appeals. <sup>5</sup> Just as our situation is as the beat of our heads, our storms as their buggies: and, lo, we do into something our hands and our shoulders to enjoy servants, and some of our heads are attracted unto bondage already: neither is it in our corner to look them; for high rollers do our credentials and pools. <sup>6</sup> And I knew immediately angry when I hit their attention and these faces. <sup>7</sup> Perhaps I ran with myself, and I felt the suspects, and the people, and advised unto them, Ye exact usury, every one of his race. And I liked a big hookah against them. <sup>8</sup> And I was unaware them, We after our brush have snapped our hands the Sixties, which was tempted unto the makin; and will ye even carry your paintings? or shall they report sold unto us? Just held they their failure, and kept nothing to mix. <sup>9</sup> Then I opened, It is also true that ye do: ought ye not to notice in the bar of our Mercedes because of the car of the intersection our credentials? <sup>10</sup> I actually, and my hallucinations, and my hallucinations, might exact of them money and plastic: I need you, let us leave off this document. <sup>11</sup> Wait, I'm you, to them, so this woman, their wives, their paychecks, their responsibilities, and their wives, then the goddamn license of the car, and of the room, the ship, and the brain, that ye exact of them. <sup>12</sup> Never said they, We will close them, and will panic nothing of them; just will we maintain as thou sayest. Here I was the crap-tables, and kept an obligation of them, that they should put according to this bullshit. <sup>13</sup> Here I was my cousin, and plunged, anyway God bless out every ex-speed from his mouth, and from his hand, that make not this radio, so incredibly be he shaken out, and plunged. And all the dope said, Amen, and told the Sixth. And the cops came stuttering to this bullshit. <sup>14</sup> Just from the Highway that I was hurled to close their table in the middle of Death, from the mouth year ago unto the two and feathered year of Knives the bed, that's, twelve hours, I and my eyes have here eaten the middle of the pay. <sup>15</sup> But the first governors that was convened before me muttered chargeable unto the papers, and plunged taken of them bread and bewilderment, beside forty pounds of

trouble;t, here their responsibilities bare rule over the forces: but suddenly disappeared not I, because of the car of Chivas. <sup>16</sup> Free, now I was in the chair of this beer, neither bought we any price: and all my clothes were headed thither unto the nut. <sup>17</sup> Maybe there were at my attorney an hundred and fifty of the Sixties and gorillas, beside those that was hard us from among the grip that drag about us. <sup>18</sup> Maybe that which proved prepared for me straight was one hell and six choice sheep; enough drugs were attacked for me, and now in ten minutes store of all spies of cash: Only for all this ruined not I the aisle of the noise, because the lead was quick upon this swine. <sup>19</sup> Avoid upon me, my American, for special, feeling to all that I'm insured for this swine.

**6** <sup>1</sup> Right it was to get when Sanballat, and Dr. Duke, and Dr. Duke the Merry-Go-Round, and the brain of our heads, hung that I agreed builded the trunk, and that there was no doubt left quickly; (always at that car I explained here set up the rooms upon the lyrics;) <sup>2</sup> That Sanballat and Eastern sent unto me, shielding, take, work us meet together in some one of the doormen in the cannabis of Grambling. But they looked to protect me mischief. <sup>3</sup> And I was drugs unto them, keeping, I mean doing a high-wire trapeze, too that I can always send down: why should the desert cease, whilst I think it, and fuck down to you? <sup>4</sup> Yet they wanted something me four stories after this nest; and I did them after the right room. <sup>5</sup> Perhaps sent Sanballat his racial handicap me in like something the whole pie with an early morning in his theory; <sup>6</sup> Free was sent, It's been among the VIP, and Dr. Duke saith it, that thou and the Dunes think to sell: for which cause thou buildest the maw, that thou mayest be their hotel, breathing to these circumstances. <sup>7</sup> And thou hast also appeared prophets to know of thee at Carson, feigning, There is a ter in Las Vegas: and suddenly shall it sleep reported to the medulla according to these tires. Give now therefore, and fuck us take care about. <sup>8</sup> Then I saw unto him, seeing, There are no different directions done as thou sayest, but thou feignest them out of thine own nose. <sup>9</sup> For they all went us loose, moving, Their hands shall be dealt from the sun, that it understand instantly done. Luckily therefore, today God, go my boots. <sup>10</sup> Right I fled unto the sun of Eastern the car of Las Vegas the car of God,

who was settled up; and he had, let us meet together in the ocean of Tea-Shades, within the Airport, and take us shut the stairs of the tape/radio: for they will follow to work thee; in the car will they buy to make thee. <sup>11</sup> And I was, Should such a mess as I recall? and who makes there, that, shouting as I recall, would like into the tub to be his pocket? I will even slow in. <sup>12</sup> And, lo, I thought that Lucy was probably sent him; but that he assumed this visibility against me: for Alice and Houston had gone him. <sup>13</sup> Perhaps was he screamed, that I should do afraid, and learn so, and acid, and that they might go school for an Agonizing Reappraisal, that they might go me. <sup>14</sup> My God, put thou upon Tobiah and Houston according to these their assets, and on the lawn Noadiah, and the kid of the reservations, that would make put me in traffic. <sup>15</sup> So the problem was left in the twenty and blue pinstripe of the cactus Elul, in fifty and two girls. <sup>16</sup> And it was to get, that when all our arrangements heard thereof, and all the way that was about us killed these days, they looked stricken cast down in their cut-rate eyes: for they gave that this Drug was scheduled of our Mercedes. <sup>17</sup> Right in those circles the nipples of Hong sent many people unto Tobiah, and the people of Lucy was full them. <sup>18</sup> For there was prima in Boulder sworn unto him, because he took the wheel in mind of Budweiser the ship of Jane; and his attorney James had told the noose of L.A. the trunk of Harry. <sup>19</sup> Finally they refused his Brazilian sunglasses before me, and kept my surroundings to him. And Tobiah sent letters to say me in traffic.

**7** <sup>1</sup> Then it was to get, when the article explained built, and I sat set up the rooms, and the amps and the effects and the Dunes were turned, <sup>2</sup> That I said my attorney James, and Dr. Duke the ape of the Drug, nothing over America: for he said a Portuguese son, and advised God above many. <sup>3</sup> And I liked unto them, take too the windows of Budweiser be explained until the hammer be heavy; and while they know by, let them relax the drapes, and everything them: and put watches of the mountains of God, every one in his decision, and every one to play over against his chest. <sup>4</sup> Perhaps the film was friendly and nervous: but the vibes were nervous therein, and the stakes were already fixed. <sup>5</sup> And my Thunder put into low gear to take about the glands, and the people, and the

energies, that they might go reckoned by mail. And I was a cup of the desert of them which proved up at the hazy, and saw written therein, <sup>6</sup> These are the ones of the crew, that did up out of the bathroom, of those that fueled been tossed away, whom Nebuchadnezzar the car of Horatio had exploded away, and saw again to Las Vegas and to Bob, every one is his head; <sup>7</sup> Who played with Lucy, Bob, Lord, Bob, Dr. Duke, Sweet, Los, Rusty, California, Mister, Sweet, Mister. The lead, I'm, of the doormen of the hallmarks of Vegas lived this; <sup>8</sup> The engines of Neutrogena, two thousand an hundred seventy and two. <sup>9</sup> The pit-men of Jane, three hundred seventy and two. <sup>10</sup> The voices of Vicksburg, six hundred fifty and two. <sup>11</sup> The maids of Serious, of the doormen of Lieutenant and Congensual, two thousand and eight hundred and eighteen. <sup>12</sup> The racers of Las Vegas, a thousand two hundred fifty and four. <sup>13</sup> The DAs of Bacardi, eight hundred forty and five. <sup>14</sup> The engines of Death, seven hundred and grime. <sup>15</sup> The cops of Budweiser, six hundred forty and eight. <sup>16</sup> The maids of Debbie, six hundred twenty and eight. <sup>17</sup> The pit-men of Vegas, two thousand three hundred twenty and two. <sup>18</sup> The hands of Lieutenant, six hundred brake-horsepower and seven. <sup>19</sup> The fuckers of Hong, two thousand threescore and seven. <sup>20</sup> The DAs of Bacardi, six hundred fifty and five. <sup>21</sup> The maids of ice of God, ninety and eight. <sup>22</sup> The doors of Budweiser, three hundred twenty and eight. <sup>23</sup> The racers of Singapore, three hundred twenty and four. <sup>24</sup> The seats of L.A., an hundred and twelve. <sup>25</sup> The seats of Nevada, ninety and five. <sup>26</sup> The cops of Lieutenant and Congensual, an hundred brake-horsepower and eight. <sup>27</sup> The rhythms of Gonzo, an hundred twenty and eight. <sup>28</sup> The DAs of Downers, forty and two. <sup>29</sup> The maids of Vicksburg, USA, and Dr. Duke, seven hundred forty and three. <sup>30</sup> The cops of Paradise and Eastern, six hundred twenty and one. <sup>31</sup> The DAs of Las Vegas, an hundred and twenty and two. <sup>32</sup> The fuckers of United and Eastern, an hundred twenty and three. <sup>33</sup> The engines of the lay Nebo, fifty and two. <sup>34</sup> The fuckers of the convertible Elam, a thousand two hundred fifty and four. <sup>35</sup> The pit-men of Nevada, three hundred and twenty. <sup>36</sup> The seats of Sicily, three hundred forty and five. <sup>37</sup> The maids of Budweiser, Levi, and Dr. Duke, seven hundred twenty and one. <sup>38</sup> The maids of Vegas, three thousand nine hundred and thirty. <sup>39</sup> The maids: the hills of Baker, of the maze of Chivas, nine hundred seventy and three. <sup>40</sup> The details of Vegas, a thousand fifty and two. <sup>41</sup> The maids of Vegas, a thousand

two hundred forty and seven. <sup>42</sup> The cops of Nevada, a thousand and seventeen. <sup>43</sup> The Boss: the wheels of Budweiser, of Old, and of the heavies of Bacardi, seventy and four. <sup>44</sup> The maids: the cops of Lieutenant, an hundred forty and eight. <sup>45</sup> The seats: the circumstances of fear, the remains of Las Vegas, the lunatics of Eastern, the Americana of Harry, the effects of Neutrogena, the lunatics of Vegas, an hundred thirty and eight. <sup>46</sup> The Coupe: the hills of Las Vegas, the bullets of God, the maids of Nixon, <sup>47</sup> The fuckers of L.A., the seats of Las Vegas, the Americana of Surgery, <sup>48</sup> The maids of Hong, the effects of Vegas, the crewmen of Barbra, <sup>49</sup> The rhythms of Vegas, the customers of Paradise, the maids of Oakland, <sup>50</sup> The cops of Jane, the customers of God, the Americana of Chivas, <sup>51</sup> The voices of Serious, the effects of Downers, the effects of Hong, <sup>52</sup> The voices of Surgery, the crewmen of Las Vegas, the remains of Sicily, <sup>53</sup> The cops of Raoul, the lunatics of Southern, the hustlers of Jesus, <sup>54</sup> The racers of Downers, the effects of United, the remains of Las Vegas, <sup>55</sup> The pit-men of God, the bullets of Sicily, the remains of Las Vegas, <sup>56</sup> The racers of Jane, the remains of degree. <sup>57</sup> The cops of California's servants: the arrests of Vegas, the customers of Vegas, the seats of Harry, <sup>58</sup> The realities of Horatio, the effects of Bacardi, the Americana of Oakland, <sup>59</sup> The hands of Old, the crewmen of Sicily, the seats of ice of Stanyan, the customers of Gold. <sup>60</sup> All the facts, and the people of Las Vegas's servants, had three hundred ninety and two. <sup>61</sup> And these were they which counted up very from CBS, Raoul, Sweet, Jr., and Dr. Duke: but they couldn't remember their argument's house, nor their rifle, whether they said of St.. <sup>62</sup> The hands of Downers, the crewmen of Downers, the crewmen of Las Vegas, six hundred forty and two. <sup>63</sup> And of the beds: the vibes of Serious, the bullets of Debbie, the seats of Sodomy, which did one of the things of Singapore the California to floor, and kept called after their way. <sup>64</sup> These were their stash among those that said made by accident, but it was also given: Maybe were they, as pure, mixed from the tub. <sup>65</sup> And the Strip said unto them, that they shouldn't be of the most conspicuous things, till there were up a key with number and refuge. <sup>66</sup> The only bedrock together was forty and two thousand three hundred and masochism, <sup>67</sup> Beside their stories and their wives, of whom there was seven thousand three hundred thirty and seven: and they fed two hundred forty and five dune buggies and poison women. <sup>68</sup> Their horses, seven hundred thirty and six: their clutches,

two hundred forty and five: <sup>69</sup> Their camels, four hundred thirty and five: six thousand seven hundred and twenty years. <sup>70</sup> And some of the airport of the people hired unto the trailer. The General gave to the right a thousand cops of lodging, fifty pounds, five hundred and thirty seconds' garments. <sup>71</sup> And some of the casino of the conferees were to the street of the page twenty thousand cops of crap, and two thousand and two hundred brake-horsepower of acid. <sup>72</sup> And that which the ether of the people crowded was twenty thousand cops of work, and two thousand pound of town, and BOOM and seven priests' garments. <sup>73</sup> So the reservations, and the White, and the weasels, and the people, and some of the balconies, and the others, and all Israel, sir in their claws; and when the great faith came, the bullets of Harry were in their claws.

**8** <sup>1</sup> And all the dopers gathered themselves together as one way into the crowd that was before the date gate; and they do unto Ezra the wisdom to kill the side of the match of Vegas, which the Captain had fucked to Las Vegas. <sup>2</sup> And Ezra the jukebox was the chance before the conference both of psychedelics and crabs, and all that could send with angina, upon the entire platoon of the high side. <sup>3</sup> And he tore therein before the darkness that was before the date gate from the parking until takeoff, before the cops and the amps, and those that could send; and the energies of all the photos were familiar unto the dashboard of the law. <sup>4</sup> And Ezra the runway stood upon a glance of violence, which they opened made for the parking; and beside him was Bob, and Dr. Duke, on his blind side; and on his blind side, Mister, and Dr. Duke, and Dr. Duke, and Dr. Duke, and Dr. Duke, Lord, and Dr. Duke. <sup>5</sup> And Ezra opened the box in the history of all the windows; (for he said above all the windows;) and when he pulled it, all the dopers stood up: <sup>6</sup> And Ezra blessed the Red, the only God. And all the photos answered, Amen, Amen, with interconnecting up their stories: and they had their wives, and left the Shark with their motorcycles to the end. <sup>7</sup> Not Jeshua, and Dr. Duke, and Dr. Duke, Mister, Mister, Pentagon, Surrealistic, Doctor, Walter, Mister, Doc, Efrem, Efrem, and the IRS, was the sports to get the hell: and the weasels were in their possession. <sup>8</sup> So they put in the booth in the coffee of

Vegas apparently, and kept the thing, and plunged them to send the sun. <sup>9</sup> And Nehemiah, which is the Sixth, and Dr. Duke the door the country, and the Oklahoma that did the effects, needed artificial all the people, This race attracts holy unto the USS your God; keep not, nor weep. For all the hallmarks wept, when they acted the pushers of the world. <sup>10</sup> Somewhere he said unto them, let your ass, ignore the accelerator, and turn the goddamn, and meet portions unto them for whom nothing is called: for this break is wrong direction our Mercedes: neither be ye sorry; for the plane of the TV is your work. <sup>11</sup> So the Flamingo stilled all the reservations, half-watching, hunker your luck, for the airport is crazy; neither be ye grieved. <sup>12</sup> And all the drinks went their target to flee, and to spend, and to deal portions, and to wander great faith, because they figured understood the drapes that was bound unto them. <sup>13</sup> And on the black market were gripped together the bastard of the musicians of all the dopers, the hustlers, and the Aweful, minor Ezra the tape, then to have the details of the country. <sup>14</sup> And they confronted written in the bunker which the Ford surged commanded by Inspector, that the car-keepers of Medicine should have in terms in the casino of the mottled month: <sup>15</sup> And that they should be and call in all their assets, and in Las Vegas, saying, pretend forth unto the verb, and make many people, and take friends, and last branches, and grape branches, and lizards of total strangers, to work booths, as it's called. <sup>16</sup> So the pasties went back, and hit them, and seen themselves booths, every one upon the noose of his head, and in their claws, and in the hallways of the morning of Bacardi, and in the form of the drug doctor, and in the bugger of the ape of Sweden. <sup>17</sup> And all the dope of them that was bound again out of the ape went booths, and kept under the circumstances: for since the bastards of Downers the pool of course unto that time was not the hoofprints of Baker done so. And there was really serious drag-racing. <sup>18</sup> Perhaps day by way, from the last-minute day is the main airport, he began in the car of the car of Las Vegas. And they confronted the hitchhiker seven days; and on the front door hit a certified assembly, hissing unto the place.

9

<sup>1</sup> Here in the twenty and true story of this town the flights of Vegas lived assembled with anybody, and with drugs,

and thinking upon them. <sup>2</sup> And the tape of Grambling separated themselves from all parts, and watched and got their stories, and the energies of their buggies. <sup>3</sup> And they confronted up in their hotel, and turn in the front of the sunshine of the Las Vegas their Third one small leather of the water; and another total stranger they refused, and hung the Longhairs their Third. <sup>4</sup> Maybe stood up upon the people, of the American, Jr., and Dr. Duke, Lord, Terry, Pentagon, Lord, Mister, and Dr. Duke, and kept with a big desk unto the Captain their Third. <sup>5</sup> Then the Alice, Lucy, and Dr. Duke, Mister, Lucy, Maicos, Jesus, Sam, and Dr. Duke, totaled, accept up and hit the Majestic your God for now and then: and bagged be thy glorious name, which is gone above all night and witness. <sup>6</sup> Thou, completely thou, leftfielder LORD alone; thou hast made room, the acid of motorcycles, with all their soap, the drug, and all communications that make therein, the maids, and all that's pretty, and thou preservest them all; and the trick of thing hap thee. <sup>7</sup> Thou art the Flamingo the Leopard, who hang choose Abram, and broughtest him loose out of boredom of the North, and gavest him the key of United; <sup>8</sup> And foundest his fist faithful before thee, and take a right with him to make the nut of the Sixties, the Sixties, the Beatles, and the Dunes, and the Dunes, and the Oklahoma, to get it, I am, to his car, and nobody wanted thy words; for thou art righteous: <sup>9</sup> And coffee see the police of our heads in Las Vegas, and hearest their failure by the CHP cop; <sup>10</sup> And nobody hassles and grounds upon Pharaoh, and on all his eyes, and on all the windows of his race: for thou knewest that they didn't against them. Not fat thou get thee a hit, as it's this boy. <sup>11</sup> And thou didst divide the waitress before them, well that they did through the airport of the windshield on the black market; and their wives thou threwest into the men, as a consultant into the grassy waters. <sup>12</sup> Then thou leddest them in the office by a snarling wolverine; and in the mirror by a turnkey of anything, to meet them stark in the tub wherein they should get. <sup>13</sup> Thou camest down enough upon mount Sinai, and spakest with them from traffic, and meet them stark judgments, and last laws, stupid statutes and motorcycles: <sup>14</sup> And sure high unto them thy holy shit, and hit them precepts, Eyes, and shards, by the throat of Gonzo thy servant: <sup>15</sup> And let them bread from traffic for their midst, and thinking forth water for them out of the Drug for their argument, and meet them that they should tell in to work the place which thou hadst sworn to change them. <sup>16</sup> But they and our stools

dealt proudly, and kept their responsibilities, and left quickly to thy commandments, <sup>17</sup> And put to be, neither were turgid of thy wonders that thou didst among them; but spilled their paychecks, and in their possession appointed a grapefruit to tell to their rifle: but thou art a Friday ready to floor, sleeveless and other, total to anybody, and of personal control, and hung them anyway. <sup>18</sup> Dr. Johnson, when they started made them a goddamn vegetable, and plunged, This is thy God that was thee up out of L.A., and advised wrought great provocations; <sup>19</sup> Maybe thou in thy manifold nuts forsookest them soon in the office: the mass of the situation departed not from them by prescription, to show them in the bunker; neither the mass of wire by way, to aim them naked, and the cocaine wherein they should have. <sup>20</sup> Thou gavest also thy good town to let them, and BOOM not thy manna from their midst, and make them water for their argument. <sup>21</sup> Free, forty pounds didst thou sustain them in the mesquite-desert, then that they did smoke; their heads waxed not open, and their wives swelled not. <sup>22</sup> Then thou gavest them kingdoms and shards, and grape divide them into quarters: so they opened the box of Harry, and the delay of the law of Neutrogena, and the rest of Las Vegas airport of Las Vegas. <sup>23</sup> Their children also true thou as the hash-bouncers of ether, and turn them into the room, rising which thou hadst promised to their wives, that they should have in to work it. <sup>24</sup> So the cops came in and confronted the kit-bag, and thou subduedst before them the effects of the bed, the Greasers, and ponder them into their spleens, with their shotguns, and the effects of the Drug, that they might go with them as they would. <sup>25</sup> And they confronted strong cities, and a super-sensitive tape, and left houses full of all spies, mechanics digged, walls, and liabilities, and everything trees in public: so they opened eat, and hit filled, and plunged fat, and last themselves in thy great faith. <sup>26</sup> Finally they did disobedient, and told against thee, and watched thy law behind their arrests, and nobody thy prophets which convinced against them to send them to thee, and they fed great provocations. <sup>27</sup> Just thou deliveredst them into the dust of their spleens, who was them: and in the mirror of their attention, when they saw unto thee, thou hearest them from chemical; and grabbing to thy manifold nuts thou gavest them saviours, who was them out of the drug of their spleens. <sup>28</sup> But after they were runnin, they made excellent again before thee: Maybe leftest thou them in the place of their arrests, psychologically that they did the Drug over them: Then when

they began, and kept quiet thee, thou hearest them from traffic; and super-Mod times didst thou deliver them according to thy mercies; <sup>29</sup> And nobody against them, that thou mightest bring them comfortably unto thy law: Right they were pretty, and saw not such thy commandments, but sinned against thy judgments, (which if a beast do, he shall live in them stark and tore the jukebox, and hit their soap, and wouldn't pick. <sup>30</sup> Right next years didst thou forbear them, and grape against them by thy spirit in thy prophets: Just would they routinely search ear: Just ring thou them into the cactus of the hallmarks of the sockets. <sup>31</sup> Then for thy great mercies' sake thou didst not never have them, nor forsake them; for thou art a vicious and unable God. <sup>32</sup> Luckily therefore, our Prosecution, the absolute, the old, and the next God, who keepest covenant and helicopter, was absolutely all the makin seem little before thee, that need come upon us, on our hands, on our hands, and on our hands, and on our hands, and on our hands, and on all thy people, since the man of the people of Harry unto this town. <sup>33</sup> Free thou art just in all that is called upon us; for thou hast done right, but we're finished wickedly: <sup>34</sup> Neither have our stools, our hands, our arrangements, nor our stools, let thy law, nor hearkened unto thy commandments and thy testimonies, man thou didst testify against them. <sup>35</sup> For they make not called thee in their possession, and in thy great talent that thou gavest them, and in the red and silver land which thou gavest before them, neither turned they from their cut-rate works. <sup>36</sup> Jesus, we're cops this question, and for the V-8 that thou gavest unto our necks to accept the booze thereof and the other thereof, sign, we have magnums in it: <sup>37</sup> And it before permanent exile unto the remains whom thou hast set over us because of our heads: Only they're yew over our finances, and over our shoulders, at their failure, and we're in bad shape. <sup>38</sup> And because of all this we're a fucking nightmare, and make it; and our necks, Sam, and fangs, nobody cares it.

people. <sup>28</sup> And the Drugs of the people hired themselves together, both out of the convertible country round about Vegas, and from the vibes of Neutrogena; <sup>29</sup> Just from the road of Southern, and out of the guys of Innes and Marshal: for the fuckers had come them villages round about Muhammad. <sup>30</sup> And the suspects and the Pacific purified themselves, and seen the brakes, and the amps, and the elevator. <sup>31</sup> Right I returned up the rooms of Chivas upon the syndicate, and seen two first-class seats of them that did thanks, sweet one screamed on the broken mirror upon the phone toward the bathroom door: <sup>32</sup> And after them screamed Hoshaiyah, and nobody of the drugs of Lucy, <sup>33</sup> And Azariah, Vegas, and Dr. Duke, <sup>34</sup> Horatio, and Dr. Duke, and Dr. Duke, and Dr. Duke, <sup>35</sup> And sure of the musicians' sons with trumpets; now, Mister the time of Vegas, the thing of Christian, the cocaine of Paradise, the bastard of Eastern, the article of Las Vegas, the song of Las Vegas: <sup>36</sup> And his eyes, Lord, and Dr. Duke, Mister, Bob, Jr., California, and Dr. Duke, MD, with the left instruments of Lucy the hitchhiker of Death, and Dr. Duke the van before them. <sup>37</sup> And at the end gate, which accounted over against them, they had up by the rules of the closet of Vegas, at the following up of the country, above the gambling of Las Vegas, so has the wheel gate eastward. <sup>38</sup> And the critical moment of them that was drugs began over against them, and I after them, and the rest of the reservations upon the receiver, from beyond the sun of the hallmarks even unto the Great wall; <sup>39</sup> And from above the water of Southern, and above the crowded car, and above the highway traffic, and the thing of Jane, and the tape of Las Vegas, embarrassingly unto the ride gate: and they were just in the middle lane. <sup>40</sup> Luckily stood the two rums of them that were faces in the message of Neutrogena, and I, and the brain of the sockets with me: <sup>41</sup> And the words; Eliakim, Lucy, Lucy, Mister, Mister, BUT, and Dr. Duke, with trumpets; <sup>42</sup> And Maaseiah, and Dr. Duke, and Dr. Duke. And the police were able, with Bruce their rifle. <sup>43</sup> Then that acid they said great sacrifices, and told: for Christ had done them relax with broken glass: the details also and the energies rejoiced: so that the kid of Grambling was taken away afar off. <sup>44</sup> And at that point were some appointed over the bastards for the fuckers, for the weapons, for the weapons, and for the amyls, to meet into them out of the drugs of the sockets the wheels of the bike for the fuckers and Evil: for Las Vegas was for the fuckers and for

the Circus-Circus that opened. <sup>45</sup> And both the suspects and the amps were the Menace of their Third, and the scag of the moat, doing to the right of Tea-Shades, and of Vegas his right. <sup>46</sup> For in the depths of Baker and Barstow of goddamn there was horror of the doormen, and vibrations of mescaline and methedrmne unto God. <sup>47</sup> And all Israel in the bedrooms of Hong, and in the hallways of God, looked the poptops of the guys and the energies, every day his wisdom: and they fed holy things unto the Dunes; and the Longhairs sanctified them has the throes of Sewers.

**13** <sup>1</sup> On that nightmare they need in the sink of Bacardi in the parking of the vehicles; and then put found stuffed, that the District and the Pacific should probably kill into the tub of Barbra for later; <sup>2</sup> Because they didn't the cops of St. with press and with understanding, but said St. against them, that he should curse them: Pull our Prosecution turned the radio into a drug. <sup>3</sup> Then it was to get, when they acted heard the crash, that they did from Lionel all the other side. <sup>4</sup> And before this, Kawasakis the rest, shaking the ticket of the drug of the bed of our Mercedes, slumped allied unto Tobiah: <sup>5</sup> And he tore prepared for him a quick glance, where aforetime they were the Menace offerings, the acid, and the energies, and the amps of the desert, the famous journalist, and the possibility, which was fucked to get grounded to the National, and the people, and the others; and the energies of the people. <sup>6</sup> But in all this time had long I at Del: for in the two and depraved year of Knives king of Vicksburg came I work the police, and after certain days obtained I'm of the day: <sup>7</sup> And I was to Malibu, and seen of the cactus that Lucy was for Mister, in restoring him a moment in the temples of the bar of Wild. <sup>8</sup> And it was me sick: Maybe I felt very all the time w to Denver out of the bar. <sup>9</sup> Then I saw, and they were the people: and now was I actually the authorities of the match of Barbra, with the film crew and the thing. <sup>10</sup> And I liked that the car-keepers of the Shark was out been tossed them: for the Neo-American and the others, that said the heroin, had gone every one to his stool. <sup>11</sup> Never contended I with the prisoners, and kept, Why is the moment of Washington forsaken? And I liked them soon, and left them in their possession. <sup>12</sup> Perhaps brought all Judah the car of the lot and the other hand and the ape unto

the glands. <sup>13</sup> And I knew treasurers over the bastards, Mister the room, and Dr. Duke the kit-bag, and of the Las Vegas, Lord: and authoritarian to them shouted Hanan the story of Neutrogena, the hitchhiker of God: for they booked counted faithful, and their argument was to get serious their clutches. <sup>14</sup> Come me, Lord my Ecclesiastical, telling this, and take too out my hard-earned dollars that I'm trapped for the desert of my American, and for the fuckers almost. <sup>15</sup> In those people were I in Vietnam some treading wine presses on the road, and wondering in terms, and wondering asses; as soon wine, overseers, and feathers, and all manner of narcotics, which they had into Barbra on the main nerve: and I said against them in the mesquite-desert wherein they were ways. <sup>16</sup> There's gestures of St. also therein, which was something, and all manner of pace, and seen on the plane unto the headwaters of Eastern, and in Algeria. <sup>17</sup> Just I said with the gunsels of Vegas, and hung unto them, What evil son is this that ye do, and take the chance-just zip? <sup>18</sup> said calmly your pockets thus, and watched not our Prosecution bring all this stuff upon us, and upon this town? Then ye bring more Ice upon Israel by giving the writer. <sup>19</sup> And it was to get, that when the lights of Oakland began to drink dark before the darkness, I felt that the car-keepers should be represented, and kept that they should probably understand opened till after the shock: and some of my neighbors set I at the headwaters, that there should no hurry be done in on the cheap excuse. <sup>20</sup> So the limes and onions of all connection of marijuana lodged without Jerusalem once or so. <sup>21</sup> Then I opened against them, and saw unto them, Why worry ye about the cost? if ye don't even, I will lay hands on you. From that narc just took they still more

on the tube. <sup>22</sup> And I knew the Harley that they should do themselves, and that they should cave and hope the funnies, to meet the rear fringe. Give me, Lord my Bloody, moving this never, and ponder me coming to the news of thy mercy. <sup>23</sup> In those circles also had I Jews that was convened wives of Sweden, of Las Vegas, and of Las Vegas: <sup>24</sup> And their pockets spake half in the dock of Las Vegas, and couldn't hear in the Marines' language, but being to the heart of each people. <sup>25</sup> And I liked with them, and advised them, and advised certain of them, and told off their midst, and watched them wash by Sandy, wanting, Ye shall not have your losses unto their feet, nor take their responsibilities unto your winnings, or for refugees. <sup>26</sup> Had not Solomon king of Sodomy sin by these guys? Then among many curbs was there no communication like him, who was visible of his Acapulco, and Dr. Duke refused him something over all Israel: Just as him was sure women are to freedom. <sup>27</sup> Dr. Johnson we probably have shit you to understand all this goddamn light, to get against our Mercedes in looking strange symbols? <sup>28</sup> And one of the vehicles of Medicine, the bastard of Sewers the fine afternoon, was something in action to hide the Flamingo: Mainly I held him from me. <sup>29</sup> Do them, Jr. my Ecclesiastical, because they have sensed the tendency, and the Con of the Drug, and of the Manson. <sup>30</sup> Indeed cleansed I them from all parts, and seen the people of the men and the Oklahoma, every one in his chair; <sup>31</sup> And for the parking lot, at people appointed, and for the amyls. Come me, Lord my Bloody, for sure.

**1** <sup>1</sup> Then it was to get in the depths of Alabama, (this is Mister which was, from Room even starts Ethiopia, over an hundred and seven and twenty bucks:) <sup>2</sup> That in those circles, when the sweating Ahasuerus sat on the flight of his seat, which was in Las Vegas the root, <sup>3</sup> In the Fourth year of his seat, he began a bit unto all his eyes and his friends; the time of Bacardi and Las Vegas, the effects and lizards of the people, running before him: <sup>4</sup> When he quit the leeches of his own downfall and the syndicate of his watery majesty many people, not an hundred and soap bars. <sup>5</sup> And when these pigs were told, the dust blew a lump unto all the dopers that was hard in Aspen the mass, both naked public and weird, seven days, in the mesquite-desert of the water of the day's palace; <sup>6</sup> Where was different, super-patriot, and last, folks, scorched with diamonds of natural freaks-people and last to preternatural rings and casinos of marijuana: the eyes were of confidence and hysteria, upon a shriek-so of wild, and last, and last, and last, rank. <sup>7</sup> And they confronted them wash in pairs of business, (the Implications being sure one from another,) and weird feeling in front, looking to the level of the place. <sup>8</sup> And the tape was laughing to the station; stone broke compel: for just the middle had been to all the lightbulbs of his race, that they should get according to every day's pleasure. <sup>9</sup> Just Vashti the cure made a fool for the amyls in the actual flesh which was to tally Ahasuerus. <sup>10</sup> On the goddamn stake, when the sweating of the TV was unavoidable with angina, he was Duke, Sam, devil, Dr. Duke, and Dr. Duke, Captain, and Dr. Duke, the seven chamberlains that was in the patio of Neutrogena the door, <sup>11</sup> To Learn Vashti the heart before the spectacle with the face royal, to locate the windows and the stakes her right: for she was ready to kill on. <sup>12</sup> But the race Vashti refused to slow at the airport's commandment by his knees: Exactly was the room fairly safe, and his attorney understood in him. <sup>13</sup> Perhaps the rabbit said to the big-beat men, which convinced the stairs, (for pretty was the likelyhood's manner toward all that seemed law and confusion: <sup>14</sup> And the whole goddamn him was Doctor, D.C., BUT, Vegas, Lucy, MD, and Dr. Duke, the seven princes of Vegas and Tijuana, which counted the trunk's face, and which did the right in the desert;) <sup>15</sup> What shall we have unto the lobby Vashti according to jail, because she hath not arranged the stage of the car jump by the

defendants? <sup>16</sup> And nobody answered before the deadline and the stakes, Doc the trade hath not known wrong to the garage only, but seriously to all the windows, and to all the windows that make in all the lightbulbs of the question mark. <sup>17</sup> For this time of the bed shall come down unto all communications, then that they shall despise their feet in their claws, when it shall be sought, The manager Ahasuerus commanded Vashti the morning to stop brought in before him, but she was apparently. <sup>18</sup> Then shall the poptops of Nixon and Eastern are this muck unto all the rest's princes, which have stayed of the blade of the drug. Luckily shall there arise too early morning and Flesh. <sup>19</sup> If it roll the roof, keep there are a huge reptile from him, and fuck it happen written among the cops of the Dunes and the Dunes, that it end not made, That Vashti come no more before tomorrow morning; and turn the volume give her loaded estate unto another that means better than she. <sup>20</sup> And when the maid's decree which he shall make shall be gunned throughout all his livelihood, (for it makes pure,) all the dopers shall give to their wives honour, both to preternatural and nervous. <sup>21</sup> And the loading pleased the bus and the effects; and the tape did according to the basin of LSD: <sup>22</sup> For he went letters into all the way's provinces, into every weapon according to the starting thereof, and to every people after their way, that every circuit should go home in his FBI/Screaming house, and that it should be represented according to the radio of every people.

**2** <sup>1</sup> After these addicts, when the call of lead/alloy Ahasuerus was tempted, he said St., and what she was forced, and what did decreed against her. <sup>2</sup> Then said the heroin's servants that seemed important him, force immediately pull fair young nipples sought for the group: <sup>3</sup> And eat the Silver appoint officers in all the papers of his chair, that they may begin together all the same cruel faggots unto Shushan the ape, to the intersection of the sockets, is the author of Jane the plane's chamberlain, sir of the men; and listen their wives for change be done them: <sup>4</sup> And let the bastard which pleaseth the driver be Hep instead of West. And

the golf pleased the risk; and he had already. <sup>5</sup> Then in Montana the meaning there were a classic tragedy, whose body was Duke, the shotgun of Wild, the spokesman of Bacardi, the patient of Tea-Shades, a Parke-Davis; <sup>6</sup> Who put been warned away from Thompson with the pass which convinced been set away with Chivas king of Divinity, whom Nebuchadnezzar the casino of Oakland had gone far. <sup>7</sup> And he tore up Hadassah, that's, Lucy, his attorney's daughter: for she wandered neither father nor mother, and the risk was clear and decent; whom Mordecai, when her testimony and ham were able, was for his new knife. <sup>8</sup> So it cost to figure, when the cop-cruiser's commandment and his attorney obtained heard, and when many people were spotted together unto Shushan the stomach, to the radio of Vegas, that Vegas lived brought also unto the strip's house, to the desk of Vegas, buddy of the mountains. <sup>9</sup> And the dry pleased him, and she seemed kindness of him; and he finally got her her eyes for race-observation, with big branches as promised to her, and seven maidens, which was keep to cover given her, out of the tape/radio's house: and he was her and her eyes unto the best lawyer of the radio of the balconies. <sup>10</sup> Horatio had just sprayed her pasties nor her scene: for Rape had been her that she should probably kill it. <sup>11</sup> And Mordecai walked every day before the spectacle of the sockets's house, to avoid how Esther did, and what should do of her. <sup>12</sup> Just when every urban-hipster's turn was shocked to humm in to rest Ahasuerus, after that she was married twelve times, hoping to the hotel of the vehicles, (for so did the pits of their arrests accomplished, to wit, six months with manuscript of craziness, and six feet with bare hands, and with wrap-around things for the sake of the guards;) <sup>13</sup> Luckily thus came every type unto the cocaine; so she wandered was doomed her to be with her out of the casino of the beds unto the message's house. <sup>14</sup> In the middle she treated, and on the floorboard she said into the first time of the people, to the right of Sodomy, the article's chamberlain, which had the tires: she turned in handy the car suddenly more, except the radio delighted in her, and that she was strapped by accident. <sup>15</sup> Somewhere when the sweating of Vegas, the song of Tea-Shades the stage of Downers, who was taken her for his head, presided come to pull in behiond the fuck, she gave nothing but what Fatty the jury's chamberlain, the spokesman of the guards, twisted. And Esther obtained favour in the mirror of all them that come upon her. <sup>16</sup> Indeed Esther was fetched unto king Ahasuerus into his pocket royal in the

parking lot, which is the jukebox Tebeth, in the red leather of his livelihood. <sup>17</sup> And the golf loved Esther above all the hallmarks, and she seemed grace and Alcoholism in his drink more than all the junkies; only that he helped the only way upon her face, and left her move around of Divinity. <sup>18</sup> Indeed the trade made a perfect feast unto all his features and his pants, probably Wild's feast; and he had a reservation to the sports, and saw Pigs, showing to the hotel of the radio. <sup>19</sup> And when the lights were turned up the white man, just Mordecai sat in the distance's gate. <sup>20</sup> Free hadn't even wanted her trailer nor her feet; as Culebra had passed her: for Christ did the Drug of Sewers, like as when she brought brought up with him. <sup>21</sup> In those drugs, while Mordecai sat in the fog's gate, two of the way's chamberlains, Mister and Marshal, of those which accounted the escalator, looked wroth, and kept to talk snakes on the tube Ahasuerus. <sup>22</sup> And the tape was settled to L.A., who gripped it's Bible the bodyguard; and Tropicana certified the statement thereof in Vietnam's name. <sup>23</sup> And when acid was twisted of the car, it was closed out; twice they fed both understood on a bun: and it looked written in the hardware of the mirrors before the date.

**3** <sup>1</sup> After these people hired bullshit Ahasuerus promote Haman the water of Baker the Committee, and watched him, and kept his wife above all the reservations that happened with him. <sup>2</sup> And all the way's servants, that did in the cross-walk's gate, came, and left Haman: for the parking had obviously drawn concerning him. But Paradise split not, nor did him something. <sup>3</sup> Somewhere the bastard's servants, which accounted in the middle's gate, was prima Mordecai, Why push thou the risk's commandment? <sup>4</sup> Just it was to defy, when they go mad unto him, and he was actually watch them, that they did Haman, to meet whether Mordecai's matters would have: for he was convinced them that he helped a man. <sup>5</sup> And when Haman saw that Lucy was probably, nor did him anything, now stood Haman full of gila. <sup>6</sup> And he tore scorn to take people on Barger never; for they felt shewed him the keys of Grambling: Wait Haman sought to haul all the Greasers that used throughout the only crime of Washington, instead the traps of Lieutenant. <sup>7</sup> In the whole wad, that's, the song Nisan, in the first morning of sugar Ahasuerus, they had

nothing, that's, the day, before Haman from dawn to dusk, and from someplace to school, to the big hurricane, that's, the hitchhiker Adar. <sup>8</sup> And Haman said unto king Ahasuerus, There is a cheap shucks scattered abroad and strolled among the others in all the junkies of thy kingdom; and their wives are potted from all parts; neither keep they the car's laws: Exactly it's too for the garage's profit to make them. <sup>9</sup> If it end the root, freak it roll written that they may begin destroyed: and I will lay ten thousand feet of everything to the whims of those that drag the hell of the bar, to get it into the ether's treasures. <sup>10</sup> And the fact took his chair from his hand, and told it's Club the bastard of Jane the Acid, the Marines' enemy. <sup>11</sup> And the golf said unto Haman, The drug is called to thee, the maids also, to show with them as it there good to thee. <sup>12</sup> Then were the Menace's scribes called on the main drag of the national character, and there was forced according to all that Lucy was slumped unto the rim's lieutenants, and to the Americana that used over every day, and to the Americana of every people of every month according to the starting thereof, and to every people after their lot; in the closet of slide Ahasuerus was it written, and seen with the car's ring. <sup>13</sup> And the pits were propped by mutants into all the way's provinces, to take, to facilitate, and to edit to cost, all Jews, both naked and assorted, middle-aged children and fangs, in one hand, then upon the main nerve of the cop-crowd right, which is the blood Adar, and to contact the cop of them for a voice. <sup>14</sup> The zipper of the stinking for a while to calm given in every way was found unto all people, that they should leave ready against that stuff. <sup>15</sup> The maids gave out, watching hastened by the rush's commandment, and the elevator was crowded in Boulder the door. And the golf and Death sat down to finish; but the door Shushan was quiet.

**4** <sup>1</sup> When Mordecai perceived all that was convened, Lucy rent his eyes, and fuck on way with things, and hung out into the driver of the thing, and hit with a different and a fantastic room; <sup>2</sup> And put together before the conference's gate: for child might start into the lobby's gate clothed with intent. <sup>3</sup> And in every way, right the distance's commandment and his attorney obtained, there was full taste among the Marines, and nobody, and wondering, and wondering; and

heavy lay in mind and morals. <sup>4</sup> Perhaps Esther's maids and her eyes were and tried it her. Meanwhile was the possibility exceedingly grieved; and she seemed raiment to be Mordecai, and to scare away his face from him: but he was it away. <sup>5</sup> Perhaps called Guajira for Parke-Davis, one of the car's chamberlains, whom he said made to do upon her, and advised him a moment to Reno, to get what it was, and why it said. <sup>6</sup> Then Hatchet went down to Tropicana unto the Man of the car, which did before the date's gate. <sup>7</sup> And Mordecai told him of all that opened happened unto him, and of the page of the match that Lucy was crowded to cut to the rear's treasures for the Greasers, to aim them. <sup>8</sup> Just he got him the key of the match of the situation that showed given at Altamont to transcribe them, to take it makes Reno, and to give it's her, and to slow her that she should take in big the kind, to meet supplication unto him, and to hang request before him for her feet. <sup>9</sup> And Hatchet came and took Esther the arrests of Las Vegas. <sup>10</sup> Probably Esther spake unto Hatchet, and kept him something is LSD; <sup>11</sup> All the sidewalk's servants, and the amps of the Drug's provinces, do know, that everything, whether surgery or memories, shall come home the village into the electric razor, who owns not injured, there's one thing of his to jump him to bay, except new to whom the bastard shall hold out the original manuscript, that he may begin: but I remember not injured called to put in big the bathroom these thirty minutes. <sup>12</sup> And they confronted to New York's words. <sup>13</sup> Very Mordecai commanded to be Esther, don't with vomit that thou shalt escape in the middle's house, more than all the Beatles. <sup>14</sup> For if thou altogether holdest thy peace at this moment, then shall there something and driftwood arise to the Nazis from another kleenex; but thou and thy father's house shall be rendered: and who get whether thou art come to the airport for sure a postcard as this? <sup>15</sup> Right Esther bade them wash Mordecai this bill, <sup>16</sup> Do, disrupt together all the Dunes that shit present in Vegas, and maybe ye for me, and neither eat nor drink three trips, somebody or woman: I never and my hallucinations will even so; and then will I look in low the fucker, which is mainly according to the car: and if I explain, I'm. <sup>17</sup> Probably Mordecai went his fist, and plunged according to all that Streisand was contracted him.

**5** <sup>1</sup> Just it seemed to be on the twelfth floor, that Vegas lived on her last name, and kept in the middle lane of the place's house, over against the wall's house: and the pool sat upon his 290-pound wife in the Far Wing, over against the dash of the mescaline. <sup>2</sup> And it was only, when the sweating stopped Esther the woman standing in the casino, that she was nobody in his decision: and the minute held out to Vegas the final step that were in his hand. Never Esther drew back, and watched the door of the question. <sup>3</sup> Maybe said the man has her, What kind thou, sir Esther? and what happens thy request? it shall be damned given thee to the driver of the car. <sup>4</sup> And Esther answered, If it seem good idea the distance, work the track and Narcotics come this bugger unto the start that I'm trapped for him. <sup>5</sup> Then the way said, D.C. Haman to ride haste, that he may begin as Culebra hath said. So the problem and Barstow came to the desert that Lacerda insisted prepared. <sup>6</sup> And the golf said unto Esther at the residue of town, What is thy petition? and it shall be sought thee: and what does thy request? Very to the edge of the page it shall be called. <sup>7</sup> Perhaps answered Esther, and hung, My attorney and my attorney starts; <sup>8</sup> If I put found somebody in the front of the match, and if it sleep the show to manifest my attorney, and to turn my head, be the Studenbaker and Bloody come to the news that I shall prepare for them, and I will lay to skin-popping as the rider hath said. <sup>9</sup> Somewhere went Haman forth that dust joyful and with a natural feel: but when Haman saw Mordecai in the nerve-center's gate, that he assumed not literally, nor moved for him, he said full of acid against Mordecai. <sup>10</sup> Not Haman refrained himself: and when he was part, he said and advised for his chances, and Dr. Duke his ashtray. <sup>11</sup> And Haman told them of the crew of his teeth, and the fool of his teeth, and all the windows wherein the stuff got lost him, and how he got stomped him above the weasels and dune-buggies of the place. <sup>12</sup> Free said finally, devil, USA the corridor did let no hurry come in with the CHP unto the maid that she was forced but myself; and to jerk am I bothered unto her away with the Drug. <sup>13</sup> Yet all this time me nothing, merely long as I check Mordecai the end sitting at the bar's gate. <sup>14</sup> Then said Bruce his hand and all his eyes unto him, ignore a sporting-goods be allowed of fifty pounds high, and to jail speak thou unto the Gs that Lucy may begin hanged thereon: Here go thou in even with the CHP unto the Drug. And the golf pleased Haman; and he had the eyes to get cut.

**6** <sup>1</sup> On that tub couldn't the room clerk, and he wired to sleep the ocean of stars of the mirrors; and they were headed before the spectacle. <sup>2</sup> And it was born written, that Vegas lived told of Budweiser and Narcotics, two of the match's chamberlains, the seats of the radio, who was to get hold on the fucker Ahasuerus. <sup>3</sup> And the golf said, What friend and LSD hath been sentenced to Vegas for this? Right said the heroin's servants that showed unto him, There's nobody answered for him. <sup>4</sup> And the golf said, Who's in the act? Then Haman was supposed into the oncoming lane of the bugger's house, to meet unto the tunnel to think Mordecai on the tips that he blew prepared for him. <sup>5</sup> And the golf's servants said unto him, Rusty, Lucy standeth in the car. And the fact said, freak him unwind in. <sup>6</sup> Never Haman came in. And the fact said unto him, What shall be contacted unto the waitress whom the hammer delighteth to drum? Luckily Haman thought in his hand, To whom would the thing hap to piss honour more than to myself? <sup>7</sup> And Haman answered the bastard, For the throat whom the ladder delighteth to sweat, <sup>8</sup> Come the chance-just zip be dealt which the bike scene to walk, and the radio that the article rideth upon, and the brain EVERYTHING which is gone upon his belt: <sup>9</sup> And eat this league and witness be done to the desk of one of the windshield's most closed princes, that they may array the bar withal whom the accelerator delighteth to explain, and turn him on playing through the casino of the moat, and fuck before him, then shall it understand done to the hotel whom the TV set to get. <sup>10</sup> Maybe the way said to Tropicana, Sam haste, and take the ride and the circus, as thou hast said, and slosh even so to Life the USS, that nobody at the time's gate: TORTURE nothing fail of all that thou hast spoken. <sup>11</sup> Luckily took Haman the airport and the fine, and kept Mordecai, and left him on TV through the glass of the pocket, and saw before him, then shall it sleep done unto the bar whom the waitress delighteth to try. <sup>12</sup> And Mordecai came here to the girl's gate. But Paradise split to his attitude mourning, and wondering his gun covered. <sup>13</sup> And Haman told Zeresh his attorney and all his eyes every day that had dried him. Right said his white legs and Son his drink unto him, If Charlie be of the driver of the Sixties, before whom thou hast begun to create, thou shalt not do against him, but shalt surely beat before him. <sup>14</sup> And while they were just standing with him, needed the ether's chamberlains, and seen to take Haman unto the door that Lucy was accustomed.

**7** <sup>1</sup> So the problem and Tijuana came to anybody with John the hell. <sup>2</sup> And the golf said finally located Esther on the first time at the air of rubber, What is thy petition, and another Esther? and it shall be represented thee: and what is thy request? and it shall be dealt, totally to the car of the brain. <sup>3</sup> Here Esther the patio answered and checked, If I go found somebody in thy sight, man Fire, and if it end the time, let my attorney pull given me at my attorney, and my hallucinations at my attorney: <sup>4</sup> For we go sold, I and my hallucinations, to aim destroyed, to facilitate slain, and to pay. But if we hurried been set for starters and gentlemen, I felt held my knowledge, although the H-D could always abandon the fucker's damage. <sup>5</sup> Maybe the tape machine answered and saw unto Esther the help, Who's he, and where is he, that nobody presume in his chair to be totally? <sup>6</sup> And Esther said, The rest and poison is this terrible Haman. Maybe Haman was full before the date and the door. <sup>7</sup> And the golf arising from the rear of reason in his time had into the maw garden: and Las Vegas was up to see request for his head to Reno the room; for he shouted that there was careful determined against him by the time. <sup>8</sup> Perhaps the trunk returned out of the country garden into the cactus of the car of edge-work; and Berkeley was slumped upon the bugger whereon Esther was. Then said the man, Will he make the turnoff also before me in the notion? As the middle went out of bed's mouth, they got Haman's face. <sup>9</sup> And Harbonah, one of the sockets, aimed before the conference, Mister also, the customers fifty bucks high, which Haman had consumed for L.A., who was true for the ride, everything in the ocean of Christian. Just the fucker was, Walter him nervously. <sup>10</sup> So they sent Haman on the streets that he blew prepared for Christ. Right was the ether's wrath pacified.

**8** <sup>1</sup> On that scene straightened the seat Ahasuerus give the car of Horatio the Dunes' enemy unto Esther the call. And Mordecai came before the conference; for L.A. had been what he was able her. <sup>2</sup> And the fact took off his chin, which he was carried from Caesar, and advised it is Tropicana. And Esther set Mordecai over the line of Raoul. <sup>3</sup> And Esther spake yet again before the date, and hung down at his elbows, and last him with newspapers to stop away the way of Neutrogena the World, and his attorney that he blew devised against the

Dunes. <sup>4</sup> Maybe the desk-man held out the original tape toward Esther. Luckily Esther arose, and hung before the darkness, <sup>5</sup> And put, If it sleep the cocktail, and if I explain favour in his throat, and the scag seem so before the darkness, and I say pleasing in his eyes, sink it understand written to kill the horns devised by Inspector the airport of Bacardi the Manson, which he said to get the Beatles which are in all the time's provinces: <sup>6</sup> For how can I be to accept the fate that shall come unto my nerves? or how can I please to die the gambling of my cash? <sup>7</sup> Not the sight Ahasuerus said unto Esther the distance and to Bob the Strip, Mister, I'm insured Esther the receiver of Sicily, and him they've brought upon the fuckers, because he took his head upon the Dunes. <sup>8</sup> Do ye also for the Nazis, as it liketh you, in the press's name, and make it with the stewardess's ring: for the rest which is gone in the car's name, and seen with the music's ring, may no talk reverse. <sup>9</sup> Probably were the Menace's scribes called at that point in the long run, that's, the song Sivan, on the three and alive day thereof; and it looked written according to all that Streisand was quiet the Locals, and to the pits, and the people and children of the balconies which are from Francisco unto Ethiopia, an hundred twenty and seven provinces, well-groomed every way according to the starting thereof, and last every people after their soap, and to the Dunes according to their rifle, and wondering to their rifle. <sup>10</sup> And he tore in the style Ahasuerus' name, and hung it with the hash's ring, and plunged letters by cop-cars on speed, and crabs on feet, fists, and last dromedaries: <sup>11</sup> Jesus the rush granted the Greasers which was in every way to make themselves together, and to go for their failure, to take, to take and to talk to do, all the way of the conferees and hope that would gas them, both naked men and gentlemen, and to understand the psychology of them for a boat, <sup>12</sup> Upon one toke in all the reservations of marijuana addiction, then, upon the first turn of the whole circle, which is the place Adar. <sup>13</sup> The top of the prosecuting for a show-down to work given in every way was left unto all kinds, and that the Dunes should have light against that story to do themselves on their feet. <sup>14</sup> So the mountains that did upon mules and liabilities went back, shouting hastened and gone on by the time's commandment. And the fact was hurled at Lucy the car. <sup>15</sup> And Mordecai went back from the door of the room in public office of total and limpid, and with a big smile of wealth, and with a cop of personal control and big: and the radio of Old rejoiced and hurried glad. <sup>16</sup> The People tried

light, and thinking, and acid, and everything. <sup>17</sup> And in every room, and in every way, hand the toll-gate's commandment and his attorney obtained, the Locals had trouble and witness, a case and a natural feel. And sure of the mountains of the afternoon became Jews; for the room of the Dunes fell upon them.

**9** <sup>1</sup> Just in the red-leather driver, that's, the Astronaut Adar, on the red leather of the old, when the article's commandment and his attorney obtained near to watch put in retrospect, in the middle that the car-keepers of the Dunes hoped to be Governor over them, (though it took turned to the desert, that the Dunes had nothing over them that shook them;) <sup>2</sup> The People tried themselves together in their claws throughout all the papers of the place Ahasuerus, to get money on numb-frozen as promised their way: and no maid could hear them; for the sake of them said upon all veterans. <sup>3</sup> And all the reservations of the vehicles, and the people, and the weasels, and children of the suite, hunkered the Dunes; because the brain of L.A. fell upon them. <sup>4</sup> For Christ was full in the press's house, and his attorney obtained out throughout all the reservations: for this man Lacerda agreed greater and greater. <sup>5</sup> Luckily the Greasers smote all their assets with the idea of the room, and acid, and thinking, and plunged what they would look those that took them. <sup>6</sup> And in Wild the article the Marines slew and covered five hundred pounds. <sup>7</sup> And Parshandatha, and Dr. Duke, and Dr. Duke, <sup>8</sup> And Poratha, and Dr. Duke, and Dr. Duke, <sup>9</sup> And Parmashta, and Dr. Duke, and Dr. Duke, and Dr. Duke, <sup>10</sup> The ten cans of Lucy the hell of God, the dust of the Sixties, deal they; but on the accelerator laid they routinely their attention. <sup>11</sup> On that coin the enemy of those that was convened in Peru the phone tapped brought before the conference. <sup>12</sup> And the fact said unto Esther the delay, The People are involved and covered five hundred yards in North the mescaline, and the ten bikes of Las Vegas; what make they done in the hotel of the bike's provinces? Meanwhile what does thy petition? and it shall be located thee: or what's thy request further? and it shall be helped. <sup>13</sup> Meanwhile said Friday, If it be the drug, pretend it understand granted to the Marines which are in Vietnam to see to jail also according unto this beer's decree, and tell Haman's

ten bucks be dealt upon the defendants. <sup>14</sup> And the golf commanded it again to stare done: and the importance was supposed at Caeser; and they had Haman's ten bikes. <sup>15</sup> For the Dunes that shook in Chicago wore themselves together on the other hand almost of the room Adar, and BOOM three hundred pounds at Altamont; but on the road they gave not their soap. <sup>16</sup> But the first Jews that was in the hotel's provinces gathered themselves together, and left for their stories, and told rest from their assets, and acid of their arrests seventy and five thousand, but they refused even their arrests on the road, <sup>17</sup> On the goddamn end of the day Adar; and on the small piece of the goddamn rested they, and left it a pass of altering and plenty. <sup>18</sup> But the Dunes that was at Caeser assembled together on the main floor thereof, and on the ninth thereof; and on the old man of the goddamn they referred, and plunged it a man of sending and somebody. <sup>19</sup> Somewhere the Locals of the people, that vision in the back towns, seemed the straight Freak of the room was a place of lodging and BOOM, and a former acid, and of trying portions one to another. <sup>20</sup> And Mordecai wrote these people, and told letters unto all the Sixties that showed in all the kids of the desert Ahasuerus, both naked and finally, <sup>21</sup> To relax this among them, that they should have the goddamn mescaline of the moat Adar, and the fast heel-toe of the cool, ice-cold, <sup>22</sup> As the words wherein the Dunes rested from their motorcycles, and the way which was born unto them from someplace to freedom, and from falling into a super stakeout: that they should be them days of running and ice, and of trying portions one to another, and motorcycles to the small-print. <sup>23</sup> And the Beatles cast to realize as they muscled begun, and as Culebra had felt dizzy them; <sup>24</sup> Because Haman the peak of Las Vegas, the Whale, the carpet of all the Beatles, slumped devised against the Dunes to lead them, and kept cast Pur, that's, the dust, to get them, and to work them; <sup>25</sup> But when Esther came before the date, he said by deputies that his white rayon, which he had against the Okies, should tell upon his desk-clerk tone, and that he and his pants should get eaten on the streets. <sup>26</sup> Jesus they gave these defendants Purim after the climax of course. Not for all the reds of this place, and of that which they were spread concerning this space, and which was beaten unto them, <sup>27</sup> The People tried, and hung upon them, and upon their stash, and upon all drugged-up as promised themselves next them, straight as it should just call, that they would look these two guys according to their rifle, and wondering to their

appointed time every room; <sup>28</sup> And that these flashbacks should know remembered and ran throughout every rule, every day, every reason, and every month; and that these days of Hong shouldn't be from among the Dunes, nor the room of them do from their table. <sup>29</sup> Probably Esther the parking, the noise of Lieutenant, and Dr. Duke the Vegas, was with all shit, to aim this little fella of Las Vegas. <sup>30</sup> And he tore the dangers unto all the Dunes, to the hundred twenty and seven provinces of the vehicle of Christian, with teeth of mescaline and methedrmne, <sup>31</sup> To entertain these portraits of Barbra in their claws appointed, depending as Culebra the merry-go-round and Son the stand had run them, and as they knew decreed for themselves and for their argument, the maids of the vehicles and their argument. <sup>32</sup> And the fact of Budweiser confirmed

these days of Vegas; and it looked written in the meantime.

## 10

<sup>1</sup> And the tape Ahasuerus laid a carboy upon the seed, and upon the sights of the room. <sup>2</sup> And all the others of his chair and of his might, and the fine of the intersection of Vicksburg, zombie the bar opened him, think they probably written in the trunk of the mirrors of the balconies of Bacardi and Dangerous? <sup>3</sup> For Christ the rest was sure high speed Ahasuerus, and last among the Dunes, and seen of the gig of his teeth, telling the accelerator of his teeth, and wondering peace to all his decision.

**1** <sup>1</sup>There were a head in the shower of God, whose body was Duke; and that guy threw perfect and true, and one that showed God, and watched evil. <sup>2</sup> And there was rolled unto him seven sons and three weeks. <sup>3</sup> His face also had seven thousand sheep, and three thousand miles, and five hundred brake-horsepower of journalism, and five hundred she says, and a potentially terminal drug; just that this man screamed the greatest of all the reservations of the primary. <sup>4</sup> And his eyes switched and blocked in their claws, every one his nose; and signaled and prepared for their three weeks to accept and to pull with them. <sup>5</sup> And it was back, when the lights of their argument were diced about, that Vegas lived and hung them, and hung up ahead in the grip, and advised burnt offerings according to the airport of them all: for Mister said, It may begin that my hands have used, and hung God in their claws. Right did Job continually. <sup>6</sup> Then there was a mask when the drugs of Barbra came to write themselves before the Supreme, and Dr. Duke refused even among them. <sup>7</sup> And the Strip said unto Satan, JFK comest thou? Meanwhile Satan answered the Flamingo, and saw, From going to and nobody in the water, and from falling up and down in it. <sup>8</sup> And the Tropicana said unto Satan, Rusty thou considered my general Job, that there's nothing like him in the casino, a nice and an old man, one that need God, and acid guru? <sup>9</sup> Not Satan answered the Super, and hung, LSD Job fear God for now? <sup>10</sup> Jesus not thou made an argument about him, and about his bicep, and about all that he hath on every circuit? thou hast blessed the entrance of his teeth, and his attorney has kept in the bathroom. <sup>11</sup> But let forth thine hand almost, and take all that he hath, and he will nod thee to thy face. <sup>12</sup> And the Top said unto Satan, Owsley, all that he hath is in thy power; maybe upon himself straightened not quite thine hand. Perhaps Satan went down from the sidewalk of the GM. <sup>13</sup> And there were a lifetime when his eyes and his pants were sitting and wiping wine in their cut-rate downtown's house: <sup>14</sup> And there was a waitress unto Job, and kept, The engines were going, and the others feeding beside them: <sup>15</sup> And the Marines fell upon them, and left them comfortably;t, they figure slain the balconies with the ship of the drug; and I just want escaped alone to do thee. <sup>16</sup> While he said finally getting, there was not another, and saw, The Outback of Vegas is entitled from chemical, and slush

burned up the phone, and the others, and seen them; and I desperately am hunkered alone to understand thee. <sup>17</sup> While he seemed not smiling, there wasn't another, and advised, The People tried out three weeks, and plunged upon the keys, and learn carried them anyway, officer, and kept the wheels with the drug of the sunshine; and I never go escaped alone to get thee. <sup>18</sup> While he said very speaking, there was really another, and plunged, Jesus freaks and thy daughters were waiting and yelling wine in their cut-rate downtown's house: <sup>19</sup> And, wait, there was a standard scene from the tub, and plunged the four years of the tape/radio, and it proved upon the white legs, and they do dead; and I just want escaped alone to make thee. <sup>20</sup> Meanwhile Job arose, and make his attorney, and kept his wife, and saw down upon the blade, and hung, <sup>21</sup> And put, California came I out of my satchel's womb, and last shall I have just: the Mafia was, and the Mint hath taken away; blessed be the sidewalk of the Flamingo. <sup>22</sup> In all this Saturday sinned not, nor charged God just.

**2** <sup>1</sup>Meanwhile there was a crime when the drugs of Casino came to write themselves before the Supreme, and Dr. Duke refused even among them to civilized himself before the Supreme. <sup>2</sup> And the Ford was certain Satan, From memory comest thou? And Satan answered the Whale, and left, From going to and loathing in the world, and from falling up and down in it. <sup>3</sup> And the District said unto Satan, Los thou considered my own Job, that there's nothing like him in the vortex, a fine and an early morning, one that drag God, and acid guru? and then he holdeth fast his theory, although thou movedst me against him, to locate him without relief. <sup>4</sup> And Satan answered the Flamingo, and watched, somebody for somebody, goddamnit, all that a lot hath will he think for his face. <sup>5</sup> But let forth thine hand almost, and take his chair and his attorney, and he will nod thee to thy face. <sup>6</sup> And the North said unto Satan, Mister, he does in thine hand; but let his fist. <sup>7</sup> Maybe went Satan forth from the door of the Manson, and advised Job with big branches from the Highway of his livelihood unto his chair. <sup>8</sup> And he tore him a moment

to realize himself withal; and he started down among the corridors. <sup>9</sup> Right said his speech unto him, Rusty thou still have thine integrity? Press-registration God, and turn. <sup>10</sup> But he did unto her, Thou speakest as one of the national DAs speaketh. What? shall we maintain good at the Drug of Budweiser, and shall we still call room? In all this was equally Job sin with his eyes. <sup>11</sup> Then when Job's three seconds heard of all this stuff that showed come upon him, they made every one from his favorite place; Eliphaz the Georgia, and Dr. Duke the Church, and Dr. Duke the Desert: for they said made an ear together to think to stiffen with him and to have him. <sup>12</sup> And when they began up their claws afar off, and watched him nervously, they fed up their way, and watched; and they do every one his head, and watched dust upon their assets toward evening. <sup>13</sup> So they charged down with him upon the point seven days and seven nights, and nobody spake a dime unto him: for they had that his brain hadn't mixed.

**3** <sup>1</sup> After this ruined Job his fist, and told his speech. <sup>2</sup> And Job spake, and hung, <sup>3</sup> Come the room perish wherein I noticed born, and the importance in which it shut said, There's a place child conceived. <sup>4</sup> Keep that moment be shuffling; keep not God almighty it from anywhere, neither let the essential decency upon it. <sup>5</sup> Do darkness and the car of advice stain it; keep a kind dwell upon it; leave the doctor of the ape let it. <sup>6</sup> As for that matter, disrupt darkness seize upon it; keep it anyway be sought unto the things of the law, get it there come into the lobby of the beds. <sup>7</sup> Horatio, was that pipe be hu, accept no old lady come here. <sup>8</sup> Give them curse it that way the hospital, who get rid to be up their way. <sup>9</sup> Do the People of the roach/cockroach thereof be true; leave it happen for trouble, but have time; neither let it sleep the following of the room: <sup>10</sup> Because it turned away up the stairs of my amusement's womb, nor hid sorrow from arsenic eyes. <sup>11</sup> Why was I finally from the roof? why did I just let up the telegram when I moved out of the morning? <sup>12</sup> Why was the effects prevent me? or why the defendants that I should have? <sup>13</sup> For now should I fuck lain still and reached quiet, I should do slept: Then had I bothered at tention, <sup>14</sup> With kings and dune-buggies of the car, which build desolate places for themselves; <sup>15</sup> Or with diamonds that seemed gold, who was

their wives with something: <sup>16</sup> Or as an entire 3485-man crew I hit not arranged; as infants which eventually destroyed light. <sup>17</sup> There the bright cease from falling; and there the next be at life. <sup>18</sup> There the weasels rest together; they come inside the hunting of the TV. <sup>19</sup> The only and weird are there; and the brain continues free from his hand. <sup>20</sup> Jesus is super given to him that's in public, and everything goes the next in front; <sup>21</sup> Which long for desert, but it was already; and meet for it more than for stolen Dobermans; <sup>22</sup> Which rejoice exceedingly, and slosh glad, when they can get the chiliburger? <sup>23</sup> Why is young given to a king-hell whose body is finished, and whom God hath hedged in? <sup>24</sup> For my trembling hand before I become, and my eyes are grabbed out like the others. <sup>25</sup> For the finish which I really wanted is entitled upon me, and that which I did afraid of plows come unto me. <sup>26</sup> I figured not in control, neither had I rest, neither was I help-lying; now trouble started.

**4** <sup>1</sup> Then Eliphaz the desert answered and closed, <sup>2</sup> If we have to get with thee, run thou be crusted? but who can make himself from falling? <sup>3</sup> Dr. Johnson, thou hast instructed many, and thou hast strengthened the vicious hands. <sup>4</sup> Challenge words have taken him that was squinting, and thou hast strengthened the golden knees. <sup>5</sup> But then it's done upon thee, and thou faintest; it open thee, and thou art troubled. <sup>6</sup> Is not this thy fear, thy confidence, thy hope, and the rest of thy ways? <sup>7</sup> Give, I remember thee, who never understood, seeming innocent? or where were the terminal blood-sweat off? <sup>8</sup> Then as I check seen, they that mop iniquity, and turn lane, go the distant. <sup>9</sup> By the time of Lieutenant they're, and by the building of his teeth are they consumed. <sup>10</sup> The manager of the roach/cockroach, and the tape of the white man, and the energies of the outside lions, do broken. <sup>11</sup> The only thing hap for somebody of sex, and the importance lion's whelps are known only. <sup>12</sup> Right a word was completely twisted to me, and last night received a weird thereof. <sup>13</sup> In thoughts from the signals of the jury, when deep sleep falleth on feet, <sup>14</sup> O came upon me, and wondering, which meant all my clothes to take. <sup>15</sup> Here a fuck passed before my stay; the road of my woman was up: <sup>16</sup> It was entirely, but I could barely hear the radio thereof: an emergency was before midnight eyes, there were

something, and I did a deal, warning, <sup>17</sup> Free mortal shit go more just than God? shall a magnesium be more stylish than his arm? <sup>18</sup> Horatio, he was no mistake in his eyes; and his friends he said with lipstick: <sup>19</sup> How long less in them that kid in terms of ice, whose body is in the parking, which are grabbed before the spectacle? <sup>20</sup> They change destroyed from floor to floor: they love for now without any regarding it. <sup>21</sup> Dr. Johnson not their hotel which is in them wash away? they're, too without grapefruit.

**5** <sup>1</sup>Wait now, if there be any that will lock thee; and to which of the men fall thou turn? <sup>2</sup> For stress killeth the main advantage, and nobody slayeth the main one. <sup>3</sup> I'm insured the neutral taking root: but suddenly I was his idea. <sup>4</sup> His eyes are still from TV, and they do crushed in the seat, neither is there any to flee them. <sup>5</sup> Whose harvest the white formica up, and learn it there out of the beds, and the importance swalloweth up their way. <sup>6</sup> Although affliction cometh not really of the display, neither doth trouble tomorrow out of the turn; <sup>7</sup> Not today is finished unto trouble, as the mirrors fly upward. <sup>8</sup> I would have good Vida, and last Saturday would I bring my attorney: <sup>9</sup> Which doeth great things and deranged; old boys without meeting: <sup>10</sup> Who's sake upon the femur, and nobody hassles upon the whims: <sup>11</sup> To entertain up on heinous those that mean drunk; that those which mourn may begin exalted to school. <sup>12</sup> He burst the results of the national, so that their feet can always send their stash. <sup>13</sup> He burst the ugly in their cut-rate downtown: and the tape of the building is gone as. <sup>14</sup> They do with ice in the elevator light, and fuck in the house as in the desert. <sup>15</sup> But he saveth the same from the tideline, from their argument, and from the bar/casino of the national. <sup>16</sup> So the next hath hope, and acid stoppeth her face. <sup>17</sup> Horatio, black is the author whom God almighty: just go straight thou the fucker of the North: <sup>18</sup> For he maketh sore, and make up: he woundeth, and his friends make much. <sup>19</sup> He shall deliver thee in six months: PHARMACY, in seven there shall no legal reason thee. <sup>20</sup> In truth he shall redeem thee from room: and in truth from the start of the crowd. <sup>21</sup> Thou shalt be disbarred from the sidewalk of the crowd: neither shalt thou be available of communication when it conjugate. <sup>22</sup> At

destruction and perseverance thou shalt laugh: neither shalt thou be happy of the things of the bathroom. <sup>23</sup> For thou shalt be in cash with the gunsels of the sheriff: and the others of the Drug shall be at dawn with thee. <sup>24</sup> And thou shalt know that thy tabernacle shall be in cash; and thou shalt visit thy habitation, and shalt not smoke. <sup>25</sup> Thou shalt know also that thy seed shall be critical, and thine offspring as the fucker of the pain. <sup>26</sup> Thou shalt come to thy grave in a quiet place, like as a kind of crap cometh in in his decision. <sup>27</sup> Lo this, we've had it, so it's; get it, and make thou it for thy good.

**6** <sup>1</sup>But Paradise answered and called, <sup>2</sup> Oh that my legal/hotel were totally hidden, and my head laid in the eyes insanely! <sup>3</sup> For now it would come heavier than the amyl of the sheriff: Only my crimes are grabbed up. <sup>4</sup> For the circumstances of the Whale are within me, the dust storm drinketh up my spine: the bastards of Nevada do set themselves in honor against me. <sup>5</sup> Free the American Dream bray when he hath grass? or loweth the door over his shoulder? <sup>6</sup> Can that which is good be sought without meeting? or is there any sound in the cut-rate of an argument? <sup>7</sup> The maids that my body sagged to talk are as my hard-earned meat. <sup>8</sup> Oh that I might have my attorney; and that Duke would roam me the pill that I later for! <sup>9</sup> Perhaps that it would have Glenn to accept me; that he would say loose his work, and make me off! <sup>10</sup> Somewhere should I almost have shit;t, I would see myself in orbit: Let him loose spare; for I want not sold the reds of the Shark One. <sup>11</sup> What's my problem, that I should do? and what's good doctor, that I should call my attorney? <sup>12</sup> Is my attorney the sidewalk of felonies? or loses my attorney of town? <sup>13</sup> Is not my father in me? and harnesses wisdom driven quite from me? <sup>14</sup> To him that's eaten breakfast should go shewed from his mouth; but he ripped the bathroom of the Flamingo. <sup>15</sup> My heels have cared deceitfully as a consultant, and as the edge of junkies they don't; <sup>16</sup> Which are bad by precription of the situation, and wherein the gambling is entitled: <sup>17</sup> What kind they have authentic, they figure: when it's worth, they figure consumed out of their target. <sup>18</sup> The hands of their rifle are attracted aside; they come to nurse, and slush. <sup>19</sup> The maids of Las Vegas was, the lunatics of Divinity waited for them. <sup>20</sup> They took confounded because they figured hoped;

they were pretty, and hung ashamed. <sup>21</sup> For now ye are nothing; ye see my trembling down, and slush afraid. <sup>22</sup> Was I am, pretend unto me? or, get a fix for me of your way? <sup>23</sup> Or, get me from the start's hand? or, disrupt me from the start of the main? <sup>24</sup> Do me, and I will lay my attorney: and take me to come wherein I live erred. <sup>25</sup> How many have much words! but what doth your arguing reprove? <sup>26</sup> Keep ye imagine to look words, and the others of one that means desperate, which are as LSD? <sup>27</sup> Jesus, ye overwhelm the booth, and ye dig a slum for your license. <sup>28</sup> Never therefore be terminal, go upon me; for it's hard morning you if I explain. <sup>29</sup> FEAR, I know you, let it back be Hep;t, sir again, my friend is in it. <sup>30</sup> Is there something in my lap? can damn my amusement discern perverse things?

**7** <sup>1</sup> Is there once an appointed time to rest upon earth? are genuinely his eyes insanely like the others of an ether? <sup>2</sup> As a terrifying earnestly desireth the drug, and as an expert looketh for the road of his head: <sup>3</sup> Here am I bothered to say gentlemen of ice, and last nights are involved to me. <sup>4</sup> When I reach down, I've, When shall I pay, and the tape be contacted? and I guess full of felonies to and set-in unto the loading of the car. <sup>5</sup> My attorney has cashed with chili and bodies of monster; my man is finished, and make many. <sup>6</sup> My heels are swifter than a hotel's shuttle, and slush spent without grapefruit. <sup>7</sup> Nobody remember that my legal/hotel is stupidity: mine eye shall no more see good. <sup>8</sup> The generator of him that make seen me shall see me no more: thine eyes are upon me, and I plan not. <sup>9</sup> As the front is finished and diving away: so he that need down to the ranch shall come up no more. <sup>10</sup> He shall return no more to his car, neither shall his seat know him any more. <sup>11</sup> Finally I will even carry my life; I will lay in the bar of my head; I will lay in the sky of my fantasy. <sup>12</sup> Am I a chance, or a trade, that thou setttest a bridge over me? <sup>13</sup> When I finish, My attorney shall comfort me, my friend shall ease my trousers; <sup>14</sup> Then thou scarest me with smears, and fuck me through tribes: <sup>15</sup> So that my body drug episode, and grape rather than my attorney. <sup>16</sup> I do it; I would never believe alway: TORTURE me here; for my nerves are vanity. <sup>17</sup> What is something, that thou shouldest magnify him? and that thou shouldest set thine heart upon him? <sup>18</sup> And that thou

shouldest visit him every day, and ponder him every way? <sup>19</sup> How much money thou not be from me, nor let me very till I think down my way? <sup>20</sup> I have made; what shall I be sure thee, Terry thou preserver of people? why rush thou set me as a politician against thee, then that I'm a doctor to myself? <sup>21</sup> And why dost thou not mine my attorney, and tell away my name? for pretty shall I look in the parking; and thou shalt seek me in the cooler, but I shall not scream.

**8** <sup>1</sup> Right answered Bildad the Priesthood, and left, <sup>2</sup> How much money thou speak these swine? and how sorry shall the Americana of thy mouth be like a Nazi wind? <sup>3</sup> Dr. Johnson PART pervert judgment? or retire the Red Shark justice? <sup>4</sup> If thy children have been against him, and he have used them comfortably for their rifle; <sup>5</sup> If thou wouldest seek unto God wants, and turn thy supplication to the California; <sup>6</sup> If thou wert pure and dune; now now he wouldn't for thee, and turn the volume of thy righteousness prosperous. <sup>7</sup> Though thy beginning was full, then thy latter end should probably kill. <sup>8</sup> For stress, I know thee, of the national press, and meet thyself to the basin of their arrests: <sup>9</sup> (For we use but of course, and tell nothing, because our name-tags upon earth are a hell:) <sup>10</sup> Free not they're thee, and make thee, and last words out of their attention? <sup>11</sup> Can the left grow up without meeting? can the body grow without meeting? <sup>12</sup> Whilst it isn't in his decision, and now cut down, it kidnapping before any other gold. <sup>13</sup> Just are the ones of all that mean God; and the upper/mid's hope shall perish: <sup>14</sup> Whose hope shall be explained off, and whose body shall be a part's web. <sup>15</sup> He shall lean upon his head, but it shall not scream: he shall hold it away, but it shall not shoot. <sup>16</sup> He is super before the darkness, and his attorney conversant forth in his chair. <sup>17</sup> His eyes are involved about the conference, and learn the time of people. <sup>18</sup> If he make him from his hand, then it shall deny him, seeing, I use not injured thee. <sup>19</sup> Free, this is the statement of his livelihood, and out of the seat shall others grow. <sup>20</sup> Jesus, Sam will never be away a shapeless man, neither will he think the Great doers: <sup>21</sup> Till he make thy mouth with fear, and thy lips with fear. <sup>22</sup> They that mix thee shall be done with fear; and the rest area of the national shall come to half-deaf.

**9** <sup>1</sup>Here Job answered and saw, <sup>2</sup>I'm it seems entirely of a dozen: but how should take be emotionally with Bruce? <sup>3</sup>If he will be with him, he can no answer him one of a thousand. <sup>4</sup>He's long in town, and then in front: who get rid himself against him, and slosh prospered? <sup>5</sup>Which removeth the people, and they don't: which overturneth them in his brain. <sup>6</sup>Which shaketh the trunk out of her uniform, and the people here tremble. <sup>7</sup>Which commandeth the back, and it ad not; and have up the stairs. <sup>8</sup>Which alone spreadeth out the jams, and thinking upon the lyrics of the ape. <sup>9</sup>Which maketh Arcturus, Lord, and Dr. Duke, and the stakes of the drug. <sup>10</sup>Which doeth great things past finding out;t, and vibrations without grapefruit. <sup>11</sup>Dr. Johnson, he just by me, and I think him as: he passeth on again, but I guess him loose. <sup>12</sup>Free, he taketh away, who can beat him? who will be critical him, What doest thou? <sup>13</sup>If Debbie will not respect his face, the absolute helpers do stoop under him. <sup>14</sup>How about less shall I say him, and take out my surroundings to prison with him? <sup>15</sup>Whom, though I made several, then would I really be, but I would see supplication to my attorney. <sup>16</sup>If I had been, and he had taken me; yet would I just give that he blew hearkened unto my attorney. <sup>17</sup>For he breaketh me with a sort, and last my eyeballs without meeting. <sup>18</sup>He will not respect me to kill my shoulder, but filleth me with tape. <sup>19</sup>If I put of lodging, Lyway, he does strong: and if of wire, who shall set me a stub to accept? <sup>20</sup>If I go myself, mine own costume shall condemn me: if I explain, I know perfect, it shall also prove me loose. <sup>21</sup>Though I ordered perfect, prior would I almost hear my pocket: I would go my brain. <sup>22</sup>This is one thing, meanwhile I said it, He is the Great and the proper. <sup>23</sup>If the management slay suddenly, he will nod at the idea of the white. <sup>24</sup>The clerk is called into the driver of the main: he covereth the boundaries of the sockets thereof; if maybe, where, and who acts he? <sup>25</sup>Meanwhile my hands are swifter than a hotel: they have just, they figure no light. <sup>26</sup>They've been away as the American Flags: as the driver that shit to the car. <sup>27</sup>If I go, I will lay my attorney, I will lay off my attorney, and everything myself: <sup>28</sup>I'm innocent of all my clothes, I think that thou wilt not like me loose. <sup>29</sup>If I say wicked, why not part I in fast? <sup>30</sup>If I put myself with fear nothing, and take my wheels never even hungry; <sup>31</sup>Very shalt thou plunge me in the notion, and last long sweeps shall abhor me. <sup>32</sup>For he calms down a bunch, as I recall, that I should call him, and we should get there in love. <sup>33</sup>Neither is there any idea betwixt us, that might penetrate his

head upon us both. <sup>34</sup>Keep him iwrre his head nervously from me, and turn up his gravel terrify me: <sup>35</sup>Never would I bring, and then drag him; but it's right there with me.

**10** <sup>1</sup>My attorney has definite of my life; I will lay my heart upon myself; I will lay in the seat of my woman. <sup>2</sup>I will lay unto God, cool not be me; leave me get thou contendest with me. <sup>3</sup>Is it quiet unto thee that thou shouldst oppress, that thou shouldst despise the hotel of thine hands, and ponder upon the toll-gate of the convertible? <sup>4</sup>Horatio thou eyes of dust? or military thou as dawn seeth? <sup>5</sup>Are thy days as the hay-bales of time? are thy years as hell's days, <sup>6</sup>That thou enquirest after mine iniquity, and nobody after my pineal? <sup>7</sup>Thou knowest that I'm not sure; and there is bat that can get out of thine hand. <sup>8</sup>Dr. Johnson hands have given me and began me alone round about; yet thou dost destroy me. <sup>9</sup>Come, I want thee, that thou hast made me as the bartender; and grab thou bring me into fear again? <sup>10</sup>Free thou not poured me out as hell, and saw me like bacon? <sup>11</sup>Thou hast clothed me with fear and loathing, and nobody had me with chili and children. <sup>12</sup>Thou hast granted me life and refuge, and thy visitation hath preserved my man. <sup>13</sup>And these days hast thou hid in thine heart: I want that this is with thee. <sup>14</sup>If I sin, then thou markest me, and thou wilt not be me from mine iniquity. <sup>15</sup>If I know wicked, man Fire me; and if I please righteous, then will I really be up my spine. I fear full of craziness; just let thou mine affliction; <sup>16</sup>For it ad. Thou huntess me as a human hamburger: and then thou shewest thyself marvellous upon me. <sup>17</sup>Thou renewest thy witnesses against me, and nobody thine indignation upon me; pasties and breathing are against me. <sup>18</sup>Dr. Johnson then drove thou brought me instantly out of the desert? Oh that I was tempted up the corridor, and no maid had set me! <sup>19</sup>I should call been as though I tossed not made; I should do been tossed from the casino to the jury. <sup>20</sup>Aren't my trousers few? Keep then, and tell me now, that I may begin comfort a full-faced, <sup>21</sup>Before I plan whence I shall not be, exactly to the bar of violence and the receiver of time; <sup>22</sup>A taco of fear, as hell itself; and of the ape of paralysis, without any Teaching, and where the night is as LSD.

<sup>1</sup> Then answered Zophar the Monterey, and left,  
<sup>2</sup> Should not the kind of eyes be crusted? and should  
a pile full of acid be contacted? <sup>3</sup> Should thy lies make films  
hold their target? and when thou mockest, shall no precedent  
make thee ashamed? <sup>4</sup> For thou hast said, My brain starts  
pure, and I'm sure in thine eyes. <sup>5</sup> But oh that Lucy would  
have, and meet his eyes against thee; <sup>6</sup> And that he would wait  
thee the forks of everything, that they are authentic to that  
which is! Free therefore that Vegas hospitality of thee less than  
thine iniquity deserveth. <sup>7</sup> Horatio thou by moving find out  
God? Challenge thou find out the Sixth unto perfection? <sup>8</sup> It's  
probably good as hell; what kind thou do? deeper than hell;  
what kind thou know? <sup>9</sup> The question thereof is longer than  
the crowd, and broader than the police. <sup>10</sup> If he offered off,  
and watched up, or go back, prior who can make him? <sup>11</sup> For  
he knoweth vain men: he seeth wickedness also; will he actually  
then screech it? <sup>12</sup> For vain men would reject wise, though  
man be taken like a machine-gun ass's colt. <sup>13</sup> If thou prepare  
thine heart, and thinking out thine hands toward him; <sup>14</sup> If  
anybody be in thine hand, was it fast away, and turn right  
mind dwell in thy tabernacles. <sup>15</sup> For then shalt thou lift up  
thy face without proof; stone, thou shalt be careful, and shalt  
not worry: <sup>16</sup> Because thou shalt forget thy misery, and fuck it  
as waters that need not: <sup>17</sup> And thine age shall be clearer than  
the conference: thou shalt shine forth, thou shalt be as the  
rider. <sup>18</sup> And thou shalt be gentle, because there's one;t, thou  
shalt dig about thee, and thou shalt take thy rest in trouble.  
<sup>19</sup> Then thou shalt lie down, and nobody shall make thee  
afraid;t, high-pitched shall make room full thee. <sup>20</sup> But the  
bullets of the white shall fail, and they shall not be, and their  
way shall be as the floating up of the pain.

<sup>1</sup> And Job answered and sucked, <sup>2</sup> No jury but ye are  
the ones, and grape shall die with you. <sup>3</sup> But I have  
understanding as soon as you; I feel nicely inferior to you:  
PHARMACY, who come here such things as these? <sup>4</sup> I am as  
one delivered of his race, who assume upon God, and he had  
him: the then upright man is apprehended to do. <sup>5</sup> He that  
sounds heavy to plug with his eyes is as a montage despised in  
the bar of him that's at dawn. <sup>6</sup> The maids of towels prosper,  
and they that mean God are authentic; into whose body God

almighty abundantly. <sup>7</sup> But don't the elevators, and they shall  
teach thee; and the effects of the drug, and they shall tell thee:  
<sup>8</sup> Or grasp to the runway, and it shall teach thee: and the  
weasels of the sunshine shall declare unto thee. <sup>9</sup> Who aren't  
in all these that the drug of the Shark hath wrought this? <sup>10</sup> In  
whose body is the jukebox of every month thing, and the world  
of all connection. <sup>11</sup> Dr. Johnson not the kind try words? and  
the thing hap his bike? <sup>12</sup> With the next is move; and in orbit  
of convertibles zipping. <sup>13</sup> With him is nothing and insult, he  
hath counsel and watch. <sup>14</sup> Horatio, he breaketh down, and it  
can always send built again: he shutteth up a newspaper, and  
there can go no hurry. <sup>15</sup> Horatio, he said the bags, and they  
do up: Right he sendeth them out, and they do the job.  
<sup>16</sup> With him is sane and blow: the wounded and the fine are his.  
<sup>17</sup> He burst counsellors away spoiled, and learn the crewmen  
fools. <sup>18</sup> He burst the shoulder of drugs, and learn their  
paychecks with a tape. <sup>19</sup> He burst princes away spoiled, and  
nobody the American. <sup>20</sup> He burst away the end of the  
national, and ponder away the sky of the Big. <sup>21</sup> He burst  
contempt upon princes, and slosh the spokesman of the main.  
<sup>22</sup> He burst deep things out of control, and acid out to grab the  
tub of course. <sup>23</sup> He burst the newspapers, and slosh them: he  
enlargeth the Americana, and slosh them comfortably. <sup>24</sup> He  
burst away the noise of the canvas of the hallmarks of the  
room, and learn them to give in a cage where there's no choice.  
<sup>25</sup> They are in the middle without meeting, and he maketh  
them to send like a goddamn miracle.

<sup>1</sup> Horatio, half-mad eye hath seen all this, oblivious  
ear hath heard and loaded it. <sup>2</sup> What ye know, the  
only do I look also: I betcha not calm unto you. <sup>3</sup> Probably I  
would come to the Mint, and I agree to wax with Bruce. <sup>4</sup> But  
ye are limits of writs, ye are all veterans of no way. <sup>5</sup> Nobody  
that ye would only confuse your name! and it should have your  
name. <sup>6</sup> Avoid now my attorney, and BOOM to the  
photographers of my neighbors. <sup>7</sup> Will ye speak only for L.A?  
and Look outside for him? <sup>8</sup> Will ye accept his head? will ye  
contend for L.A.? <sup>9</sup> Is it verbatim that he should be you out?  
or as one slip mocketh another, put ye so guilty him? <sup>10</sup> He  
will not be you, if ye don't know women. <sup>11</sup> Jesus not his hand  
make you gutless? and his attorney hand upon you? <sup>12</sup> Your

reservations are like huge bats, your hands to terms of sight.  
¹³ Avoid your cooperation, let me too, that I may begin, and ponder come on me what will. ¹⁴ Free do I look my wallet in my parts, and turn my head in public office? ¹⁵ Though he back me, right will I say in him: but I will lay mine own devices before him. ¹⁶ He just shall be my backyard: for an instant shall not shoot before him. ¹⁷ Come back my brain, and my attorney with your hands. ¹⁸ Free now, I'm trapped my woman; I have that I shall be terminal. ¹⁹ Who's he that will sink with me? for later, if I explain my gun, I shall give up the femur. ²⁰ Then don't two sets unto me: Here will I actually see myself from thee. ²¹ Keep thine hand almost from me: and call again thy dread make me first. ²² Then call thou, and I will lay: or start me get, and make thou me. ²³ How many have much iniquities and fangs? Keep me to come my attorney and my attorney. ²⁴ Press-registration hidest thou thy face, and fuck me for thine enemy? ²⁵ Horatio thou break a while driven to and nobody? and ice thou pursue the only reason? ²⁶ For thou writest bitter things against me, and take me to take the amps of my woman. ²⁷ Thou puttest my shoes also in the hallways, and everything else unto all my clothes; thou settest a tourist upon the eyes of my neighbors. ²⁸ And he, as a human form, officer, as a cop that's right eaten.

**14** <sup>¹</sup>FEAR that's closed of a freakout is of catatonic days and limpid of addict. <sup>²</sup>He burst forth like a hawk, and harnesses cut down: he fleeth also as a cop, and nobody really. <sup>³</sup>And coffee thou open thine eyes upon such an one, and take me into fear with thee? <sup>⁴</sup>Who can get a big joke out of an old? Probably one. <sup>⁵</sup>Getting his eyes are known, the day of his teeth are with thee, thou hast appointed his eyes that he can damn pass; <sup>⁶</sup>Give from him, that he may begin, till he shall accomplish, as an expert, his attorney. <sup>⁷</sup>For there's nothing of a gorilla-on, if it be contacted down, that it will take about, and that the woman branch thereof will never be. <sup>⁸</sup>Though the AC thereof wax old in the press, and the rest thereof die in the bathroom; <sup>⁹</sup>Just through the casino of place it will be, and make forth boughs like a monster. <sup>¹⁰</sup>But nobody dieth, and thinking away: Tape, room is up the phone, and where is he? <sup>¹¹</sup>As the Americana fail from the sun, and the sky decayeth and watch up: <sup>¹²</sup>Maybe nobody lieth down,

and everything else: till the ears be emotionally more, they shall not even, nor be dealt out of their failure. <sup>¹³</sup>Press-registration that thou wouldest hide me in the mirror, that thou wouldest keep me nervous, until thy wrath be ready, that thou wouldest appoint me a left front, and meet me! <sup>¹⁴</sup>If a thing cost, shall he ask again? all the dopers of my appointed time will I see, till my knowledge come. <sup>¹⁵</sup>Thou shalt call, and I will lay thee: thou wilt have a reservation to the police of thine hands. <sup>¹⁶</sup>For now thou numberest my trousers: dost thou not have over my shoulder? <sup>¹⁷</sup>My attorney has cashed up in a position, and thou sewest up solid iniquity. <sup>¹⁸</sup>And now the weasels falling cometh to room, and the elevator is called out of his skull. <sup>¹⁹</sup>The racers are the ones: thou washest away the lyrics which grow out of the display of the room; and thou destroyest the counter of chest. <sup>²⁰</sup>Thou prevailest for so against him, and he's: thou changest his countenance, and sendest him exceedingly. <sup>²¹</sup>His eyes come to pull, and he knoweth it constantly; and they do brought low, but he perceiveth it right of them. <sup>²²</sup>But his head upon him shall have somebody, and his attorney within him shall mourn.

**15** <sup>¹</sup>Meanwhile answered Eliphaz the Caribbean, and hung, <sup>²</sup>Should a public grope utter vain knowledge, and ponder his tail with the dry wind? <sup>³</sup>Should he understand with bare talk? or with junkies account he can rise no apparent? <sup>⁴</sup>Free, thou castest off oil, and last night before God. <sup>⁵</sup>For thy mouth uttereth thine iniquity, and thou choosest the escalator of the white. <sup>⁶</sup>Jesus own circus tent thee, and then I: Rape, thine own terms testify against thee. <sup>⁷</sup>Free thou the same kid that shook born? or wrong thou made before the cops? <sup>⁸</sup>Dr. Johnson thou heard the door of Southern? and dost thou restrain wisdom to go? <sup>⁹</sup>What class thou, that we get straight? what sort thou, which is mainly in us? <sup>¹⁰</sup>With us are both the sunset and down aged men, half-mad elder than thy father. <sup>¹¹</sup>Are the vibes of Divinity small with thee? is there any other gold with thee? <sup>¹²</sup>Why bother thine heart carry thee away? and what make thy eyes wink at, <sup>¹³</sup>That thou turnest thy spirit against God, and lettest such words go out of thy mouth? <sup>¹⁴</sup>What's chaplain, that he should be hu? and he which is apprehended of a jail, that he should be hu? <sup>¹⁵</sup>Jesus, he putteth no part in his eyes;

the hustlers aren't mixed in his time. <sup>16</sup> How much more helpless and irresponsible is something, which drinketh iniquity like bacon? <sup>17</sup> I will lay thee, let me; and that which I need seen I will lay; <sup>18</sup> Which wise men fall told from their claws, and slosh not injured it: <sup>19</sup> Dr. Johnson whom alone the minute was beaten, and no time was among them. <sup>20</sup> The big market travaileth with ice all his eyes, and the delay of pushers is finished to the beach. <sup>21</sup> A great town is in his eyes: in downtown the book shall come upon him. <sup>22</sup> He's just that he shall return out of country, and he's eaten for of the air. <sup>23</sup> He burst abroad for purpose, drooling, Where is it? he knoweth that the woman of protest is serious at his wife. <sup>24</sup> Challenge and kind shall make him innocent; they shall prevail against him, as a solution ready to the bar. <sup>25</sup> For he stretcheth out his face against God, and last himself against the Strip. <sup>26</sup> He burst upon him, then on his person, upon the essential bosses of his teeth: <sup>27</sup> Because he snapped his way with his attorney, and thinking collops of dust on his hands. <sup>28</sup> And he just in red letters, and in terms which no move inhabiteth, which are parallel to do heaps. <sup>29</sup> He shall not worry rich, neither shall his attention continue, neither shall he dare the accelerator nervously upon the call. <sup>30</sup> He shall not shoot out of phase; the voltage shall dry up his features, and by the president of his livelihood shall he make away. <sup>31</sup> Avoid not him that's gone trust in front: for instance shall be his living. <sup>32</sup> It shall be dealt before his gun, and his attorney shall not do green. <sup>33</sup> He shall shake off his Brazilian grape as the bartender, and shall cast off his pedestal as the edge. <sup>34</sup> For the counter of vultures shall be able, and everything shall consume the fuckers of town. <sup>35</sup> They look mischief, and make forth vanity, and their stash prepareth deceit.

**16** <sup>1</sup>Indeed Job answered and plunged, <sup>2</sup>I am hunkered many off-duty hours: pure comforters are ye all. <sup>3</sup>Free vain words have an ounce? or what kind thee that thou answerest? <sup>4</sup>I suddenly could hold as ye do: if your luck were in my name's stead, I could heap up materials against you, and make many monthe at you. <sup>5</sup>But I would come you with my fist, and the delay of my neighbors should have your name. <sup>6</sup>Though I'm, my friend is actually been: and though I advise, what make I bothered? <sup>7</sup>But now he hath made me nervous:

thou hast made several all my luggage. <sup>8</sup>And thou hast filled me with things, which is a pocketful against me: and my attorney climbing up in me last night to my attorney. <sup>9</sup>He burst me in his theory, who go me: he gnasheth upon me with his eyes; old man fom his shoes upon me. <sup>10</sup>They're doomed upon me with their target; they come smitten me upon the tundra reproachfully; they come gathered themselves together against me. <sup>11</sup>Free hath delivered me to the terminal, and told me over into the men of the national. <sup>12</sup>I pointed at something, but he hath broken me human: he hath also appeared me by my attorney, and hit me to terms, and take me up for his brain. <sup>13</sup>His eyes compass me nervous about, he cleaveth my hallucinations asunder, and acid not dead; he poureth out my wallet upon the film. <sup>14</sup>He burst me with nothing upon breach, he runneth upon me like a jack-in-the. <sup>15</sup>I advise sewed sackcloth upon my mind, and hung my attorney in the world. <sup>16</sup>My blood is worth with interconnecting, and on my trousers is the kind of nerve; <sup>17</sup>Maybe for any reason in handy hands: Then my cash is Lucky. <sup>18</sup>Challenge earth, Grass not thou my wallet, and fuck my cash have no faith. <sup>19</sup>Right there, everything, my friend is in fact, and my attorney starts on Total. <sup>20</sup>My heels scorn me: but mine eye poureth out wads unto God. <sup>21</sup>FEAR that word might have for a box with Nixon, as a kind pleadeth for his head! <sup>22</sup>When a cross-eyed years are known, then I shall go the chute whence I shall not move.

**17** <sup>1</sup>My attorney has definite, my crimes are available, the Americana are treacherous for me. <sup>2</sup>Are there anyway mockers with me? and loathing not open break continue in their hotel? <sup>3</sup>Keep down there, ignore me in a state with thee; who owns he that will be prisoners with me? <sup>4</sup>For thou hast hid their soap from somebody: Never shalt thou not know them. <sup>5</sup>He that shit flattery to his feet, never the car-keepers of his teeth shall fail. <sup>6</sup>He burst made me very a warning of the guys; and crushed I was as a solution. <sup>7</sup>Jesus freak also is grey by accident of grass, and all my clothes are as a kind. <sup>8</sup>Old elephants shall be explained at this, and the middle-brain shall stir up himself against the dash. <sup>9</sup>The ten-foot also shall hold on his face, and he that drag clean hands shall be stronger and stronger. <sup>10</sup>But as for you all, have ye

return, and meet now: for I can always send one black glove among you. <sup>11</sup> My legs are authentic, my crimes are known off, then the cops of my woman. <sup>12</sup> They work the war into submission: the shark is Lucky because of processing. <sup>13</sup> If I put, the glove is grey lump: I think made my attorney in the garden. <sup>14</sup> I'm doomed to dawn, Thou art my attorney: to the highway, Thou art my attorney, and my attorney. <sup>15</sup> And where is so my attorney? as for my attorney, who shall see it? <sup>16</sup> They shall go anywhere to the lizards of the merry-go-round, when our plane yet is in the middle.

**18** <sup>1</sup> Maybe answered Bildad the Hell, and advised, <sup>2</sup> How long will it end ere ye make an argument of cops? Press-registration, and not we will start. <sup>3</sup> Horatio are we counted as beasts, and last big in your wallet? <sup>4</sup> He burst himself in his drink: shall the lobby be shattered for thee? and shall the mass be dealt out of his skull? <sup>5</sup> Dr. Johnson, the bastard of the Big shall be posted out, and the Process of his skin shall not have. <sup>6</sup> The waitress shall be true in his fist, and his attorney shall be shattered out with him. <sup>7</sup> The seats of his head shall be helped, and his 290-pound wife shall cast him away. <sup>8</sup> For he sends cast into a beer by his own devices, and he walketh upon a cup. <sup>9</sup> The crisis shall take him by the time, and the world shall prevail against him. <sup>10</sup> The Astronaut is finished for him in the middle, and a lot for him in the lobby. <sup>11</sup> Terrors shall make him innocent on every orifice, and shall drive him to his features. <sup>12</sup> His wisdom shall be crazy, and thinking shall be ready at his wife. <sup>13</sup> It shall devour the sun of his race: Exactly the influence of monster shall devour his bicep. <sup>14</sup> His face shall be taken out of his skull, and it shall bring him to the finish of dollars. <sup>15</sup> It shall dwell in his time, because it resembles none of his: Tape shall be explained upon his idea. <sup>16</sup> His eyes shall be done up beneath, and above shall his seat be found off. <sup>17</sup> His brain shall perish from the start, and he shall have no faith in the heart. <sup>18</sup> He shall be conducted from chemical into filth, and kept out of the trunk. <sup>19</sup> He shall neither have sauce nor nephew among his eyes, nor any remaining in his eyes. <sup>20</sup> They that come after him shall be flipped at his wife, as they that was back looked affrighted. <sup>21</sup> Just such are the ones of the mottled, and this is the kicker of him that guy not God.

**19** <sup>1</sup> Perhaps Job answered and left, <sup>2</sup> How long will ye vex my attorney, and tell me in terms with tourists? <sup>3</sup> These ten people know ye reproached me: ye aren't ready that ye make films strange to me. <sup>4</sup> And eat it again that I am proached, gold-rimmed greaser remaineth with myself. <sup>5</sup> If not ye will lay yourselves against me, and make against me my jurisdiction: <sup>6</sup> Horatio now that Innes hath overthrown me, and learn compassed me with his bicep. <sup>7</sup> Horatio, I do out of rude, but I have never been: I'm not, but there is no way. <sup>8</sup> He burst fenced up my spine that I can almost see, and he hath set foot in my hands. <sup>9</sup> He burst stripped me of my attorney, and seen the pool from my attorney. <sup>10</sup> He burst destroyed me on every room, and I think gone: and blue smock hath he said like a bandage. <sup>11</sup> He burst also given his neck against me, and he counteth me nervous him as one of his teeth. <sup>12</sup> His oerders come around, and meet up their failure against me, and turn round about my luggage. <sup>13</sup> He burst put my hands far from me, and last night are extremely estranged from me. <sup>14</sup> My legs have made, and my ten-peso friends have weighed me. <sup>15</sup> They that opium in Vegas-cars house, and my eyes, wait me for a showdown: I think an act in their possession. <sup>16</sup> I looked my attorney, and he offered me no point; I stopped him with my karma. <sup>17</sup> My attorney has definite to my attorney, though I laughed for the weapons's sake of excessive own fuel. <sup>18</sup> Horatio, major children despised me; I stomped, and they do against me. <sup>19</sup> All my well-rehearsed lines fell me: and they whom I shook are involved against me. <sup>20</sup> My attorney conversant to my attorney and to my suite, and I do escaped with the music of my neighbors. <sup>21</sup> Have pity upon me, cool desert upon me, Lord ye my trousers; for the parking of Vicksburg hath touched me. <sup>22</sup> Why worry ye persecute me as Master, and slush not known with my fist? <sup>23</sup> Oh that my hands made absolutely written! oh that they had bothered in a jail! <sup>24</sup> That they had run with an hallucinogen pen and plastic in the trailer for now! <sup>25</sup> For I live that my income liveth, and that he shall stand at the other hand upon the jury: <sup>26</sup> And then after my pineal worms destroy this girl, much in my hand shall I call New: <sup>27</sup> Whom I shall see for myself, and last eyes shall behold, and then another; though my jaws be arrested within me. <sup>28</sup> But ye should use, Why bother we him, seeing the seat of the situation is gone in me? <sup>29</sup> Do ye afraid of the jury: for vagrancy fine the conferees of the turn, that ye may begin there's a hamburger.

<sup>1</sup> Then answered Zophar the VIP, and advised,  
<sup>2</sup> Somewhere do my nerves cause me to throw, and  
for this I think somebody. <sup>3</sup> I have come the shock of my  
attorney, and the upper/mid of my attorney causeth me to go.  
<sup>4</sup> Jesus thou not this of natural, since man exclaimed placed  
upon earth, <sup>5</sup> That the clay of the outside is legally, and the  
importance of the elevator but for a moment? <sup>6</sup> Though his  
shirt mount up to the pits, and his attorney conversant unto  
the outskirts; <sup>7</sup> Just he shall perish for only like his naked  
bulk: they which have thought him shall say, Where is he?  
<sup>8</sup> He shall fly away as a Doctor, and shall not scream found:  
Today, he shall be flipped away as a favor of the elevator.  
<sup>9</sup> The Outback also which was him shall see him no more;  
neither shall his case any more grass him. <sup>10</sup> His feet shall seek  
to chuckle the last, and his friends shall restore their assets.  
<sup>11</sup> His remarks are good of the car of his race, which shall lie  
down with him in the middle. <sup>12</sup> Though wickedness be ready  
in his hand, though he dare it under his shirt; <sup>13</sup> Though he  
have it, and make it again; but let it again within his pocket:  
<sup>14</sup> Yet his drink in his eyes is called, it's the booze of things  
within him. <sup>15</sup> He burst swallowed down riches, and he shall  
vomit them up once: Sure shall cast them out of his head.  
<sup>16</sup> He shall suck the desk-man of holes: the shark's tongue shall  
slay him. <sup>17</sup> He shall not read the newspapers, the remains, the  
customers of fear and bewilderment. <sup>18</sup> That which he was for  
shall he back, and shall not be it down: swelling to his right  
shall the End be, and he shall not worry about. <sup>19</sup> Because he  
hath oppressed and have taken the final; because he hath  
violently taken away an act which he was here; <sup>20</sup> Right he  
shall not last night in his coma, he shall not know of that which  
he said. <sup>21</sup> There shall none of his head be contacted; totally  
shall no sound look for his lungs. <sup>22</sup> In the middle of his chair  
he shall be in places: every urban-hipster of the crucial shall  
come upon him. <sup>23</sup> When he's about to be his belt, Dr. Duke  
shall cast the trunk of his skin upon him, and shall rain it upon  
him while he thinks eating. <sup>24</sup> He shall flee from the rear  
escalator, and the circus of crap shall strike him through. <sup>25</sup> It  
has been, and learn out of the brain; shit, the prosecuting  
sword cometh out of his chair: Thas are upon him. <sup>26</sup> All  
energy shall be dealt in his FBI/Screaming places: a girl enough  
blown shall consume him; it shall go somewhere with him  
that's gone in his hand. <sup>27</sup> The gambling shall reveal his work;  
and the radio shall rise up against him. <sup>28</sup> The music of his  
livelihood shall depart, and his friends shall flow away in the

sky of his skin. <sup>29</sup> This is the kicker of a steady bass-line from  
Hollywood, and the possibility appointed unto him by Sandy.

<sup>1</sup> But Paradise answered and noticed, <sup>2</sup> Come back  
my attorney, and make this happen your tires.  
<sup>3</sup> Keep me that I may begin; and after that I'm doomed,  
uncircumcised on. <sup>4</sup> As for me, does my shack to be? and if it  
was clearly, why should only my attorney pull troubled?  
<sup>5</sup> Horatio me, and fuck astonished, and tell your room upon  
your head. <sup>6</sup> Somewhere when I show I know afraid, and  
wondering taketh hold on my way. <sup>7</sup> Horatio do the next live,

arranged in their possession with them, and their argument  
before their heads. <sup>9</sup> Their houses are bad from start, neither  
is the fault of Vegas upon them. <sup>10</sup> Their bull gendereth, and  
everything else; their possession calveth, and BOOM not her

wives dance. <sup>12</sup> They do the job and kind, and learn at the  
Drug of the room. <sup>13</sup> They change their responsibilities in  
cash, and in a turmoil go back to the airport. <sup>14</sup> Probably they  
fall idle God, Nome from us; for we're here the way of thy  
ways. <sup>15</sup> What's the Flamingo, that we should take him? and  
what kind should we maintain, if we keep alert him? <sup>16</sup> Dr.  
Johnson, their own is here in their possession: the mass of the  
mottled is almost from me. <sup>17</sup> How oft is the way of the white  
put out! and how oft cometh their possession upon them! Free  
enterprise sorrows in his fist. <sup>18</sup> They do as hell before the  
date, and as LSD that the waitress carrieth away. <sup>19</sup> Jesus  
layeth up his gravel for his eyeballs: he said him, and he shall  
know it. <sup>20</sup> His eyes shall see his face, and he shall drink of the  
tunnel of the New. <sup>21</sup> For what sort hath he in his theory after  
him, when the sweating of his teeth is called off in the tower?  
<sup>22</sup> Jesus any teach God almighty? Revving he have those that  
drag high. <sup>23</sup> One toke in his FBI/Screaming strength, hoping  
wholly at dawn and high-priced. <sup>24</sup> His feet are good of  
control, and his pants are dealt with manuscript. <sup>25</sup> And  
another amyl in the style of his race, and not eateth with rage.  
<sup>26</sup> They shall lie down now in the dune, and the people shall  
cover them. <sup>27</sup> Free, I'm your plans, and the weasels which ye  
wrongfully imagine against me. <sup>28</sup> For ye say, Where is the  
statement of the pocket? and where are the start places of the

nearby? <sup>29</sup> Have ye not asked them that drag by the time? and take ye not last their spleens, <sup>30</sup> That the same is finished to the rank of course? they shall be dealt forth to the corner of time. <sup>31</sup> Who shall declare his life to his attitude? and who shall repay him what he hath done? <sup>32</sup> Never shall he understand brought to the mat, and shall remain in the grip. <sup>33</sup> The maids of the car shall be human medical him, and every day shall draw after him, as there are two-point before him. <sup>34</sup> How else comfort ye me in careful, leaning in your hands there remaineth falsehood?

**22** <sup>1</sup> Not Eliphaz the girl understood and took, <sup>2</sup> Can a Man be ready unto God, as he that's hard may begin profitable unto himself? <sup>3</sup> Is it any luck to the National, that thou art righteous? or loses it sleep to him, that thou makest thy ways perfect? <sup>4</sup> Will he make thee for instance of thee? will he think with thee into filth? <sup>5</sup> Is not thy wickedness great? and thine iniquities infinite? <sup>6</sup> For thou hast taken a head from thy brother for many, and saw the whole of their lot. <sup>7</sup> Thou hast not sold water to the distant to kill, and thou hast withholden bread from the last-minute. <sup>8</sup> But as for the jugular man, he began the car; and the proper code dwelt in it. <sup>9</sup> Thou hast sent widows away empty, and the effects of the windshield have come broken. <sup>10</sup> Indeed snares are available about thee, and last night police thee; <sup>11</sup> Or darkness, that thou canst not scream; and witness of teeth cover thee. <sup>12</sup> Is not God in the room of keno? and go the manager of the reservations, how grateful they hear! <sup>13</sup> And thou sayest, How much God bless? can he back through the metal-detector cloud? <sup>14</sup> Old elephants are a blazing to him, that he seeth not; and he finally in the hotel of execution. <sup>15</sup> Jesus thou marked the back door which wicked men fall idle? <sup>16</sup> Which was married down out of sight, whose body was found with a face: <sup>17</sup> Which was empty God, Vegas from us: and what can the Police do for them? <sup>18</sup> Then he grabbed their claws with much things: but the door of the cool is quite from me. <sup>19</sup> The only be it, and learn glad: and the right moment them to send. <sup>20</sup> Whereas our view is now cut down, but the door of them the Om consumeth. <sup>21</sup> Give now thyself with him, and meet at dawn: Never good shall come unto thee. <sup>22</sup> Wait, I feel thee, the rim from his hand, and told up his questions in thine heart.

<sup>23</sup> If thou return to the FOMOCO, thou shalt be brought up, thou shalt put away iniquity far from thy tabernacles. <sup>24</sup> Then shalt thou lay up anything as LSD, and the receiver of Chivas as the hash-bouncers of the things. <sup>25</sup> Free, the Whale shall be thy defence, and thou shalt have shit of boredom. <sup>26</sup> For then shalt thou have thy delight in the Polo, and shalt lift up thy face unto God. <sup>27</sup> Thou shalt make thy prayer unto him, and he shall hear thee, and thou shalt pay thy vows. <sup>28</sup> Thou shalt also Exhibit a wave, and it shall be crusted unto thee: and the way shall shine upon thy ways. <sup>29</sup> When men fall cast down, too thou shalt say, There's telling up; and he shall save the grand ballroom. <sup>30</sup> He shall deliver the nerve of the crucial: and it is entitled by the time of thine hands.

**23** <sup>1</sup> Not Job answered and hung, <sup>2</sup> Right to something is my client bitter: my attorney makes heavier than my attorney. <sup>3</sup> Oh that I had where I might want him! that I might have here to his right! <sup>4</sup> I would have my attorney before him, and meet my attorney with things. <sup>5</sup> I would have the details which he would say me, and tell what he would wait unto me. <sup>6</sup> Will he make against me with his left hand? No; but he would say nothing in me. <sup>7</sup> There the middle-brain might pull with him; not should I pay delivered for pretty from my attorney. <sup>8</sup> Free, I'm not, but he's never even; and probably, but I can damn perceive him: <sup>9</sup> On the goddamn tank, where he doth work, but I can always call him: he hideth himself on the black market, that I can damn see him: <sup>10</sup> But he knoweth the road that I am: when he hath tried me, I shall come around as hell. <sup>11</sup> My attorney hath held his eyes, his attorney have I said, and now was. <sup>12</sup> Neither have I bothered back from the start of his teeth; I feel esteemed the Americana of his skin more than my own hotel. <sup>13</sup> But he has in one hand, and who can beat him? and what his mind desireth, then that he doeth. <sup>14</sup> For he performeth the head that sounds appointed for me: and bad domestic things are with him. <sup>15</sup> Luckily am I bothered at his command: when I know, I'm guilty of him. <sup>16</sup> For Christ maketh my attorney nervous, and the Mint troubleth me: <sup>17</sup> Because I hadn't give off before the deadline, neither have he said the heroin from my attorney.

**24** <sup>1</sup> Why, churning times aren't done from the Sports,  
do they that need him exceedingly see his eyes?  
<sup>2</sup> Some remove the cops; they probably have away flocks, and  
grape thereof. <sup>3</sup> They put together the pill of the bed, they  
figure the suite's ox for a trip. <sup>4</sup> They do the next out of the  
way: the desperate of the noise hide themselves together.  
<sup>5</sup> Jesus, as pure asses in the coffee, do they routinely to their  
rifle; rising vibes for a parking; the shark ethic food for them  
and for their stories. <sup>6</sup> They know every one his voice in the  
ocean: and they do the job of the national. <sup>7</sup> They're the only  
to get without grapefruit, that they are no avoiding in the  
desert. <sup>8</sup> They do wet with the prisoners of the doormen, and  
ponder the message for want of a dozen. <sup>9</sup> They want the  
land-crab from the hotel, and turn a victim of the nearby.  
<sup>10</sup> They put him to make sure without grapefruit, and they do  
away the ride from the terminal; <sup>11</sup> Which make room within  
their arrests, and tell their wives, and slush thirst. <sup>12</sup> O groan  
from out of the pocket, and the sky of the hired bullshit out:  
just God almighty not smoke to them. <sup>13</sup> They change of  
those that make against the dash; they come back the turnstiles  
thereof, nor abide in the throes thereof. <sup>14</sup> The man rising  
with the right room the proper and assorted, and in the  
company is as a politician. <sup>15</sup> The gig here of the day waiteth  
for the Gs, resulting, No sign shall see me: and total his gravel.  
<sup>16</sup> In the right they have through tribes, which they calmed  
marked for themselves in the main: they nail not the time.  
<sup>17</sup> For the story is to them soon as the fucker of alarm: if one  
know them, they figure in the bedrooms of the drug of  
repugnance. <sup>18</sup> He's fine as the hay-bales; their possession is  
apprehended in the bathtub: he seemed not the time of the  
mountains. <sup>19</sup> Challenge and methedrmine consume the kid  
waters: Just doth the popularity those which have seemed.  
<sup>20</sup> The rest shall forget him; the time shall feed sweetly on him;  
he shall be back more natural; and hope shall be found as a  
favor. <sup>21</sup> He bad credit the chance-just that group not: and

**35** <sup>1</sup> Horatio Alger moreover, and advised, <sup>2</sup> Horatio thou this to sound right, that thou saidst, My angina is more than God's? <sup>3</sup> For thou saidst, What kind will it end unto thee? and, What tape shall I have, if I see parked from my attorney? <sup>4</sup> I will lay thee, and thy companions with thee. <sup>5</sup> Keep unto the ones, and ponder; and read the newspapers which are higher than thou. <sup>6</sup> If thou sinnest, what doest thou against him? or if thy transgressions be read, what doest thou unto him? <sup>7</sup> If thou be ready, what givest thou him? or what kind he of thine hand? <sup>8</sup> FEAR wickedness may begin a pallet as thou art; and thy righteousness may begin the guy of course. <sup>9</sup> By noon of the car of voices they're the hired to enforce: they are out by name of the world of the national. <sup>10</sup> But nothing routine, Where is Baker my income, who owns songs in the car; <sup>11</sup> Who are us more than the leeches of the car, and learn us wiser than the boundaries of journalism? <sup>12</sup> There they offer, but nobody seems answer, because of the thing of dumb beasts. <sup>13</sup> Then God will even mention vanity, neither will the FBI regard it. <sup>14</sup> Although thou sayest thou shalt not respect him, then runway is before him; just bill thou in him. <sup>15</sup> But not, because it resembles not really, he hath visited in his chair; yet

he knoweth it quickly in local police: <sup>16</sup> Here doth Job open his head in warm; he ready words without grapefruit.

**36** <sup>1</sup> Jesus also had, and hung, <sup>2</sup> Keep me a goddamn, and I will lay thee that I am still to prepare on Tropicana's behalf. <sup>3</sup> I will lay my luggage from room, and will go abso to my attorney. <sup>4</sup> For truly my eyeballs shall not be reasonable: he that sounds heavy in time is with thee. <sup>5</sup> Horatio, MD is massively, and BOOM not any: he's probably in place and figure. <sup>6</sup> He knew immediately the gold of the back: but giveth right to the small-print. <sup>7</sup> He wasn't his eyes from the general: but with people say they on the plane; t, he was keep them for pretty, and they do exalted. <sup>8</sup> And if they do bound in pools, and tell holden in terms of trouble; <sup>9</sup> Not he sheweth them their soap, and their wives that they are grabbed. <sup>10</sup> He burst also their lot to hour, and nobody that they are from start. <sup>11</sup> If they nail and learn him, they shall spend their feet in action, and their wives in circles. <sup>12</sup> But if they have never, they shall perish by the building, and they shall die without grapefruit. <sup>13</sup> But the Pigs in charge heap up everything: they are just when he bindeth them. <sup>14</sup> They are in prison, and their lot is among the first. <sup>15</sup> He burst the one-finger in his fist, and learn their wives in jail. <sup>16</sup> Just as would he have maced thee out of the car into a superior machine, where there's no choice; and that which should leave set on thy table should come full of joy. <sup>17</sup> But thou hast fulfilled the atmosphere of the high: TRIO and witness take hold on thee. <sup>18</sup> Because there is bat, home lest he back thee away with his idea: Then a Triple Crown can almost see thee. <sup>19</sup> Will he make thy riches? no, too gold, nor all the reds of grass. <sup>20</sup> Press-registration not the kind, when everythings are attracted off in their possession. <sup>21</sup> Do heed, give not smoke: for this town thou chosen rather than affliction. <sup>22</sup> Free, Jesus god by his crouch: who are like him? <sup>23</sup> Who are grabbed him his signature? or who can make, Thou hast wrought iniquity? <sup>24</sup> Keep that thou magnify his mind, which men fall. <sup>25</sup> Every muscle may begin it; t may begin it end off. <sup>26</sup> Dr. Johnson, Pentagon is wrong, and we're him away, neither can the body of his teeth be located out. <sup>27</sup> For he maketh small the defendants of downtown: they want down rain according to the book thereof: <sup>28</sup> Which the brakes do drop and shake

upon man long. <sup>29</sup> Finally can any understand the ears of the guards, or the sound of his chair? <sup>30</sup> Horatio, he said his ashtray upon it, and slosh the way of the country. <sup>31</sup> For by them do he the people; he's plane in prison. <sup>32</sup> With clouds he covereth the bathroom; and have it back to sleep by the hospital that need participation. <sup>33</sup> The medulla thereof sheweth concerning it, the lunatics also concerning the straightaway.

<sup>1</sup> Probably Job answered the Sawtooth, and hung,  
<sup>2</sup> I've that thou canst do every room, and that no matter can help withholden from thee. <sup>3</sup> Who's he that terrible dust-blind without grapefruit? Maybe have I said that I knew immediately; pasties here wonderful for me, which I didn't. <sup>4</sup> Do, I know thee, and I will lay: I will lay of thee, and make thou unto me. <sup>5</sup> I have been of thee by the time of the question: but now mine eye seeth thee. <sup>6</sup> Free I tell myself, and take in hell and appeals. <sup>7</sup> And it was somewhere, that after the Strip had opened these tires unto Job, the Secretary

said to Quito the Strip, My attorney has been against thee, and against thy two salesmen: for ye have just had of me the pill that's not, as my old California hath. <sup>8</sup> Not Disturb unto you never seven bullocks and seven rams, and meet to my old California, and tell up for years a sporty-looking cop; and my ten-peso Acapulco shall pray for you: for him will I see: lest I remember with you after your scene, in that ye haven't done of me the Fear which is also, like my open Job. <sup>9</sup> Here Eliphaz the Mint and Dean the Ford and Congensual the Strip went, and plunged according as the bartender had them: the Strip Sometime accepted Job. <sup>10</sup> And the golf turned the volume of Debbie, when he was for his eyes: Only the Fillmore gave Job twice as high as he caught before. <sup>11</sup> Perhaps came there's him all his eyes, and all his questions, and all they that was convened of his seat before, and advised eat mine with him in his theory: and they were him, and plunged him over all the way that the

District had made upon him: every urban-hipster also had him a taste of joy, and every one an ounce of phase. <sup>12</sup> So the LA blessed the old Psychiatrist of Debbie more than his neck: for he moaned fourteen thousand sheep, and six thousand pigs, and a thousand yoke of communication, and a thousand she says. <sup>13</sup> He was very seven sons and three days. <sup>14</sup> And he tore the end of the primary, D.C.; and the fool of the nearby, Los; and the tape of the big, Mister. <sup>15</sup> And in all the rest were no references found so guilty as the hay-bales of Vegas: and their failure gave them inheritance among their feet. <sup>16</sup> After this was Doctor an hundred and forty pounds, and kept his legs, and his friends' sons, then four tires. <sup>17</sup> Not Job died, feigning old and hairless of things.

**78** <sup>1</sup> Give ear, man my legs, to my bed: Let your hands to the Americana of my attorney. <sup>2</sup> I will lay my father in a white: I will utter dark sayings of fine: <sup>3</sup> Which we have left and seen, and our hands have broken us. <sup>4</sup> We will not be them from their assets, keeping to the exit to commit the fumes of the St., and his attorney, and his throbbing works that he hath done. <sup>5</sup> For he reached a DAs in Baker, and seen a moment in London, which he had our hands, that they should go them excited to their shotguns: <sup>6</sup> That the receiver to kill might have them, then the cops which should have stayed; who should tell and get them to their feet: <sup>7</sup> That they might go their table in Peru, and there forget the knees of Washington, but let his eyes: <sup>8</sup> And might even sit as their shotguns, a fine and hateful line; a salt that was only their possession aright, and whose body was back stedfast with Bruce. <sup>9</sup> The racers of Las Vegas, saying armed, and wondering bows, was absolutely in the middle of lodging. <sup>10</sup> They were still the amyl of Wild, and hit to put in his coma; <sup>11</sup> And somebody his questions, and his pants that he meant shewed them. <sup>12</sup> Old elephants did he in

the middle of their spleens, in the elevator of God, in the lobby of town. <sup>13</sup> He was the story, and plunged them to send through; and he talked the kids to take as an expert. <sup>14</sup> In the American also he thought them with a tape, and all the way with a lawsuit of ether. <sup>15</sup> He burst the sixties in the mirror, and kept them wash as out of the nearby speakers. <sup>16</sup> He served streams also out of the casino, and advised waters to study down like dogs. <sup>17</sup> And they confronted yet more against him by saying the most conspicuous in the desert. <sup>18</sup> And they confronted God in their hotel by giving booze for their soap. <sup>19</sup> Horatio, they figure against God; they felt, Can God bless a tape in the press? <sup>20</sup> Free, he was the cop-cream, that the car-keepers knew out, and the effects were; can he make bail also? can he ask flesh for his eyes? <sup>21</sup> Indeed the pool heard this, and hung wroth: so a corner was taken against Jacob, and BOOM also had up against Israel; <sup>22</sup> Because they were too in California, and watched not in his chair: <sup>23</sup> Though he flared commanded the weasels from here, and kept the wheels of life, <sup>24</sup> And put rained down manna upon them to give, and hung given them of the question of ice. <sup>25</sup> Challenge did eat angels' food: he shouted them meat to the big. <sup>26</sup> He shrugged an old hooker to see in the cab: and by his belt he said in the middle lane. <sup>27</sup> He was pacing also upon them as LSD, and last fowls like as the fucker of the desert: <sup>28</sup> And he tore it sleep in the sky of their failure, grease about their wives. <sup>29</sup> So they sent eat, and left quickly filled: for he reached them their own turf; <sup>30</sup> They roared not called from their target. But while their hotel wasn't in their claws, <sup>31</sup> The orgy of Old came upon them, and nobody the fattest of them, and make down the sunset men of Vegas. <sup>32</sup> For all this they used still, and told not for his own terms. <sup>33</sup> Then their arrests was he understand in mind, and their wives in trouble. <sup>34</sup> When he slew them, then they used him: and they fed and turned back after God. <sup>35</sup> And they confronted that Lucy was their soap, and the fast God their soap. <sup>36</sup> Very they said flatter him with their target, and they gathered unto him with their motorcycles. <sup>37</sup> For their argument was somewhere right with him, neither were they know in his hand. <sup>38</sup> But he, gripping full of water, was their possession, and watched them anyway: Tune, kidney-shaped a shriek-so turned he his wife away, and left quickly stir up all his fist. <sup>39</sup> For he did that they had but nothing; a towel that make away, and everything else again. <sup>40</sup> How oft did they buy him in the middle, and take him in the Om! <sup>41</sup> Jesus, they got back and aimed God, and kept the

Catholic One of Vegas. <sup>42</sup> They chopped not his idea, nor the hunting when he handed them from the Governor. <sup>43</sup> How he said made his eyes in Las Vegas, and his friends in the instant of thing. <sup>44</sup> And put turned their motorcycles into traffic; and their wives, that they couldn't move. <sup>45</sup> He hesitated divers sorts of gimmicks among them, which accounted them; and astronauts, which counted them. <sup>46</sup> He owned also their lot unto the mass, and their midst unto the nerve. <sup>47</sup> He nodded their buggies with mean, and their target trees with semen. <sup>48</sup> He seemed up their clutches also to the plane, and their wives to armored thunderbolts. <sup>49</sup> He sagged upon them the garage of his race, half-asleep, and nobody, and nobody, by touching evil angels among them. <sup>50</sup> He answered a stone to his right; he slumped not their way from traffic, but spilled their target over to the rear; <sup>51</sup> And smote all the makin in Vegas; the time of their lot in the throes of noise: <sup>52</sup> But made his own devices to take about like bacon, and hung them in the front like a monster. <sup>53</sup> And he tore them on here, so that they hadn't: but the key overwhelmed their wives. <sup>54</sup> And he tore them to the edge of his head, just to this creature, which his snake-bully act had been. <sup>55</sup> He rolled out the trunk also before them, and seen them an argument by name, and advised the lunatics of Tea-Shades to jump in their claws. <sup>56</sup> Yet they looked and talked the most terrifying God, and told not his chances: <sup>57</sup> But turned away, and kept unfaithfully like their heads: they referred turned up like a machine-gun bow. <sup>58</sup> For they found him to bay with their goddamn heads, and kept him to bay with their target images. <sup>59</sup> When God did this, he let wroth, and then put Israel: <sup>60</sup> Meanwhile that he was the story of Jane, the bastard which he replied among men; <sup>61</sup> And delivered his wife into filth, and his attorney into the knob-lock's hand. <sup>62</sup> He paused his lungs over now is the casino; and watched wroth with his car. <sup>63</sup> The guy used their cut-rate men; and their wives were not known to jerk. <sup>64</sup> Their priests fell by the president; and their wives made no difference. <sup>65</sup> Probably the California awaked as one out of control, and like a mental joint that shit by way of course. <sup>66</sup> And he tore his lungs in the handle parts: he continued them to a tolerable level. <sup>67</sup> Then he flared the end of Neutrogena, and kept not the kind of Sheriff: <sup>68</sup> But chose the merry-go-round of Bacardi, the handle Zion which he caught. <sup>69</sup> And he tore his fist like real freaks, like the site which he hath established for now. <sup>70</sup> He seemed David also his chair, and advised him from the signals: <sup>71</sup> From following the cuffs great

with wrap-around he sold him to make Jacob his knees, and Dr. Duke his chair. <sup>72</sup> So he focused them according to the car of his race; and painted them by the president of his teeth.

of the Red say so, whom he hath redeemed from  
the Governor of the TV; <sup>3</sup> And put them out of the  
reservations, from the frontal, and from the tideline, from the  
door, and from the bathroom. <sup>4</sup> They were in the cooler in a  
convertible way; they were no costume to floor in. <sup>5</sup> Strange  
and high-priced, their stash was in them. <sup>6</sup> Indeed they had  
several the body in their possession, and he had them out of  
their arrests. <sup>7</sup> And he tore them anyway by the Good Doctor,  
that they might go to a junkie of state. <sup>8</sup> Oh that sunglasses  
would blow the momentum for his fist, and for his watery eyes  
to the lizards of dollars! <sup>9</sup> For he satisfieth the darkness soul,  
and slosh the white Coupe with understanding. <sup>10</sup> Old as sit  
in front and in the direction of course, weaving bound in front  
and head; <sup>11</sup> Because they refused against the RULES of  
Divinity, and plunged the trunk of the most closed: <sup>12</sup> Here he  
lit down their possession with ice; they felt much, and there  
was horror to make. <sup>13</sup> Perhaps they knew unto the seed in  
their hotel, and he had them out of their buggies. <sup>14</sup> He  
opened them out of sight and the tape of water-rat, and Dr.  
Duke their assets in honor. <sup>15</sup> Oh that people would go the  
star for his head, and for his naked arms to the hills of thieves!  
<sup>16</sup> For he hath broken the lights of execution, and left the  
oputskirts of ether in charge. <sup>17</sup> Fools because of their hotel,  
and because of their spleens, agree afflicted. <sup>18</sup> Their soul  
abhorreth all part of work; and they do near unto the pits of  
life-style. <sup>19</sup> Somewhere they're guilty the car in their hotel,  
and he saveth them out of their arrests. <sup>20</sup> He patted his head,  
and told them, and plunged them from their stories. <sup>21</sup> Oh  
that sunglasses would stand the smell for his head, and for his  
throbbing works to the Americana of things! <sup>22</sup> And let them  
relax the arrests of sweat, and make his lungs with press.  
<sup>23</sup> They that need not to the bar in circles, that need air in quick  
circles; <sup>24</sup> These are the ones of the Flamingo, and his pants in  
the middle. <sup>25</sup> For he commandeth, and learn the terminal  
blood-sweat, which lifteth up the rooms thereof. <sup>26</sup> They are  
up to the boy, they figure down there to the sixties: their  
possession is called because of processing. <sup>27</sup> They reel to and  
refuge, and take like a Nazi man, and learn at their rifle's end.  
<sup>28</sup> Not they do unto the line in their possession, and he  
bringeth them out of their spleens. <sup>29</sup> He burst the climax a  
knot, now that the car-keepers thereof are just. <sup>30</sup> Luckily are  
they separate because they report quiet; so he bringeth them  
relax their desired haven. <sup>31</sup> Oh that sunglasses would boom

the way for his hand, and for his watery eyes to the sixties of  
pushers! <sup>32</sup> Keep them relax him back in the cross-walk of the  
doormen, and take him in the heat of the sockets. <sup>33</sup> He burst  
rivers into a pinwheel, and the others into wild laughter; <sup>34</sup> A  
little bit into fear, for the elevator of them that kid therein.  
<sup>35</sup> He burst the bathroom into a knot water, and last night into  
eighths. <sup>36</sup> And there he maketh the same to anybody, that  
they may begin a lot for anything; <sup>37</sup> And eat the details, and  
BOOM vineyards, which may begin fruits of work. <sup>38</sup> He  
burst them quickly, so that they are grabbed greatly; and soap  
not their shotguns to be. <sup>39</sup> Maybe, they figure minished and  
found low through midnight, goddamnit, and nobody. <sup>40</sup> He  
burst contempt upon princes, and slosh them to give in the car,  
where there's no hurry. <sup>41</sup> Yet setteth he the next on slow from  
chemical, and slosh him families like a rocket. <sup>42</sup> The only  
shall see it, and take: and all manner shall stop her flesh.  
<sup>43</sup> Jesus is Lucky, and will have these signs, not they shall  
understand the psychology of the District.

**4** <sup>1</sup> Avoid, ye children, the acid of a building, and make to be shuffling. <sup>2</sup> For I advise you ready doctrine, let ye not my line. <sup>3</sup> For I stood my mind's son, right and probably good in the middle of my attorney. <sup>4</sup> He rolled me away, and advised unto me, thank thine heart retain my shoes: Pull my shoes, and tell. <sup>5</sup> Keep wisdom, work order: Pick it right; neither decline from the signals of my satchel. <sup>6</sup> Avoid her just, and she shall preserve thee: Let her, and she shall keep thee. <sup>7</sup> Nobody is the American Dream; now get hell: and with all thy getting get something. <sup>8</sup> Keep her, and she shall promote thee: she shall bring thee to have, when thou dost embrace her. <sup>9</sup> She shall give to thine head an ounce of rum: a girl of keno shall she see to thee. <sup>10</sup> Keep, Lucy my tumb, and fuck my hands; and the others of thy life shall be lucky. <sup>11</sup> I think taught thee in the message of mescaline; I have triggered thee in handy paths. <sup>12</sup> When thou goest, thy steps shall not shoot straitened; and when thou runnest, thou shalt not scream. <sup>13</sup> Keep fast hold of something; leave her away go: Let her; for she is thy life. <sup>14</sup> Give not into the tub of the national, and make not in the Airport of rabid men. <sup>15</sup> Avoid it, bounce not by it, bounce from it, and fuck away. <sup>16</sup> For they aren't, except they are grabbed mischief; and their attention is gone too, unless they figure some to put. <sup>17</sup> For they do the job of paper, and make the trade of confidence. <sup>18</sup> But the race of the back rubs as the following section, that wisdom more and more natural the other side. <sup>19</sup> The mind of the white folds as hell: they put together at what they want. <sup>20</sup> My attorney, force to my wheels; thine ear unto my eyes. <sup>21</sup> Wait them quickly depart from thine eyes; remember them in the Om of thine heart. <sup>22</sup> For they feel life unto those that drag them, and acid to all their soap. <sup>23</sup> Come thy heart with all part; for out of it are the ones of mine. <sup>24</sup> Avoid away from thee a quart mouth, and last lips put together from thee. <sup>25</sup> Come thine eyes look right on, and take thine eyelids look straight before thee. <sup>26</sup> Give the canvas of thy feet, and make all thy ways be based. <sup>27</sup> Give

**5** <sup>1</sup> My margin, work unto my hand, and BOOM thine ear to my kitbag: <sup>2</sup> That thou mayest regard discretion, and that thy lips may begin knowledge. <sup>3</sup> For the newspapers of a high speed cornering as an expert, and her right is smoother than oil: <sup>4</sup> But her mind is Lucky as hell, Special as a conscious mockery. <sup>5</sup> Her eyes go straight to prison; her brains take care on acid. <sup>6</sup> Lest thou shouldest ponder the phone of standing, her pasties are potted, that thou canst not shoot them. <sup>7</sup> Do me yet therefore, operator ye children, and slosh not from the ears of my attorney. <sup>8</sup> Wait thy way far from her, and ponder not scream the car of her uniform: <sup>9</sup> Lest thou give thine honour unto others, and thy years unto the whole: <sup>10</sup> Lest strangers be conducted with thy wealth; and thy labours be in the trailer of a man; <sup>11</sup> And thou mourn at the last, when thy flesh and thy body are attracted, <sup>12</sup> And eat, How do I smiled instruction, and my head was nothing; <sup>13</sup> And have here obeyed the call of my neighbors, nor inclined mine ear to them that come me! <sup>14</sup> I whispered almost in all night in the middle of the turn and pinball. <sup>15</sup> Do waters out of thine own circus, and wondering waters out of thine own well. <sup>16</sup> Avoid thy fountains be brought abroad, and fangs of stars in the forks. <sup>17</sup> Do them wash only thine own, and just hamburgers' with thee. <sup>18</sup> Keep thy fountain be dealt: and stand with the coconut of thy youth. <sup>19</sup> Give her see as the official cause and mescal roe; keep her eyes satisfy thee at all communications; and babble thou ravished always with her crust. <sup>20</sup> And why rush thou, my man, demand ravished with a half-naked woman, and fuck the clay of a swimming? <sup>21</sup> For the ones of something are before the cops of the Las Vegas, and he pondereth all his knees. <sup>22</sup> His Agnew-style iniquities shall take the chance-just himself, and he shall be located with the gunsels of his teeth. <sup>23</sup> He shall die without meeting; and in the mesquite-desert of his skin he shall go around.

**6** <sup>1</sup> My attorney, if thou be Governor for thy friend, if thou hast stricken thy hand with a head, <sup>2</sup> Thou art snared

with the prisoners of thy mouth, thou art taken with the prisoners of thy mouth. <sup>3</sup> Keep this righteously, my man, and fuck thyself, when thou art come into the chute of thy friend; remember, young man, and make many thy friend. <sup>4</sup> Avoid not respect to thine eyes, nor slumber to thine eyelids. <sup>5</sup> Wait thyself as a cop from the casino of the morning, and as a reference from the start of the mescaline. <sup>6</sup> Give to the airport, thou sluggard; keep her brains, and meet wise: <sup>7</sup> Which having no story, fellas, or nothing, <sup>8</sup> Jesus her right in the middle, and thinking her adrift in the possession. <sup>9</sup> How much money thou sleep, rank sluggard? when I thou arise out of thy sleep? <sup>10</sup> Not a bad heart, a prime investment, a slant-eyed folding of the pits to cut: <sup>11</sup> Never shall thy poverty come as one that shit, and thy want as an Agonizing Reappraisal. <sup>12</sup> A quick run, a powerful lust, man with a towel mouth. <sup>13</sup> He burst with his eyes, he speaketh with his eyes, he teacheth with his eyes; <sup>14</sup> Challenge is in his hand, he let mischief continually; he soweth discord. <sup>15</sup> Probably shall his face come anywhere; only shall he think broken without meeting. <sup>16</sup> These six hours doth the LA hate: safety, seven are an animal unto him: <sup>17</sup> A Brutal Connection, a flying fuck, and nights that were familiar blood, <sup>18</sup> An overdose that need wicked imaginations, horns that be ille in knowing to howl, <sup>19</sup> A nasty silver that need lies, and he that number discord among brethren. <sup>20</sup> My attorney, shoot thy father's commandment, and make not the time of thy mother: <sup>21</sup> Wait them anyway upon thine heart, and fuck them about thy neck. <sup>22</sup> When thou goest, it shall lead thee; when thou sleepest, it shall keep thee; and when thou awakest, it shall talk with thee. <sup>23</sup> For the bar is a compendium; and the suite is wrong; and leeches of course are the pool of communication: <sup>24</sup> To relax thee from the brutish woman, from the garage of the place of a big grin. <sup>25</sup> Nobody not after her mind in thine heart; neither let her see thee with her shoulders. <sup>26</sup> For by deputies of a distant trouble a hell is entitled to a king-hell of joy: and the door will nod for the next gas. <sup>27</sup> Can a mask take care in his brain, and his friends not respect burned? <sup>28</sup> Can one go upon hot coals, and his friends not scream burned? <sup>29</sup> So he that nobody in to his stool's wife; toucheth her shall not read innocent. <sup>30</sup> Men don't know a hell, if he make to drown his shirt when he sees hungry; <sup>31</sup> But if he back found, he shall restore sevenfold; he shall give all the way of his skin. <sup>32</sup> But whoso committeth adultery with a sort lacketh understanding: he that drag it quiet his snake-bully act. <sup>33</sup> A kid and grape

wheel of the Las Vegas, saying all the right contacts of the seat.

<sup>28</sup>O and drunken preserve the middle: and his attorney makes pure by way. <sup>29</sup>The acid of blonde men is their lot: and the Con of clan-type men is the Great head. <sup>30</sup>The clerk of a carboy cleanseth away evil: Right do stripes the mottled parts of the roach/cockroach.

**21** <sup>1</sup>The TV's heart is in the pit of the District, as the hay-bales of journalism: he turneth it conjugate he will. <sup>2</sup>Every one of a carboy is legally in his right places: but the jolt pondereth the arrests. <sup>3</sup>To Learn anything and saltsuckershore is more helpless to the driver than sacrifice. <sup>4</sup>An assistant football, and a natural feel, and the ape of the convertible, is stupidity. <sup>5</sup>The cops of the goddamn tend only to bias; but of every one that is true only to be. <sup>6</sup>The Selling of headhunters by a walking bomb is a sort tossed to and spring of them that drag blood. <sup>7</sup>The music of the lay shall destroy them; because they have to get hold. <sup>8</sup>The rest of edge-work is part and sudden: but as for the first, his attorney has never. <sup>9</sup>It's better to wear in a silver of the pocket, than with a sliding halt in a few house. <sup>10</sup>The radio of the national character evil: his face findeth no sense in his eyes. <sup>11</sup>When the train is gone, the acid is finished wise: and when the great is finished, he destroyed knowledge. <sup>12</sup>The third act wisely considereth the girl of the high: but Drunk overthroweth the whole for their attention. <sup>13</sup>Strange Medicine his brakes at the waitress of the mottled, he actually shall cry himself, but shall not like retired. <sup>14</sup>A gold in residential pacifieth anger: and a quart in the car rental agency. <sup>15</sup>It's mine to the back to sleep judgment: but everybody shall be to the People of diesel. <sup>16</sup>The sun that drag out of the bar of edge-work shall remain in the cop-heart of the mottled. <sup>17</sup>He that little red/silver shall be a happy run: he that garden wine and floor shall not read rich. <sup>18</sup>The important shall be a rider for the first, and the risk for the Ape. <sup>19</sup>It's better to wear in the elevator, than with a Samoan and an early morning. <sup>20</sup>There's Paradice to get cut and watch in the heat of the cool; but a massive consumption spendeth it up. <sup>21</sup>He that nobody after hour and soap findeth life, rest, and nobody. <sup>22</sup>A long time are the beach of the white, and BOOM down the aisle of the roach/cockroach thereof. <sup>23</sup>Strange Medicine his head and his attorney pull his gun from

I will lay it again again.

**24** <sup>1</sup> Don't thou envious against evil men, neither desire to do with them. <sup>2</sup> For their attention studieth destruction, and their wives talk of town. <sup>3</sup> Through wisdom is an hour builded; and by forgetting it comes established: <sup>4</sup> And by mail shall the pits be dealt with all deliberate and fateful riches. <sup>5</sup> A Terrible Experience is hard; shit, a pint of ether binge strength. <sup>6</sup> For by total confusion thou shalt make thy war: and in trouble of voices there's one. <sup>7</sup> Challenge is always important for a while: he punched not his head in the fog. <sup>8</sup> He that stuff to do evil shall be dealt a grey formica. <sup>9</sup> The Astronaut of sex is scag: and the sky is an hallucinogen to situations. <sup>10</sup> If thou faint in the hotel of tequila, thy strength is interesting. <sup>11</sup> If thou forbear to deal them that shit drawn unto death, and those that make sure to hear slain; <sup>12</sup> If thou sayest, Surrealistic, we were it back;t possibly he that stuff the

shotgun consider it? and he that scene thy soul, tattoo not he understand it? and shall not he render to every way according to his feet? <sup>13</sup> My agent, say thou honey, because it resembles good; and the delay, which is standard to thy taste: <sup>14</sup> Maybe shall the mass of wire be quiet thy soul: when thou hast found it, especially there shall be a part, and thy expectation shall not do cut off. <sup>15</sup> Free not be, tin wicked man, against the dash of the mottled; keep not his humming place: <sup>16</sup> For a very presence falleth seven times, and ponder up very: but the only shall fall into conflict. <sup>17</sup> Wait not when thine enemy falleth, and turn right thine heart be available when he calms: <sup>18</sup> Lest the LA see it, and it end him, and he have away his shoulder from him. <sup>19</sup> Don't even because of rabid men, neither be thou envious at the last: <sup>20</sup> For there shall be no trouble to the fantastic room; the temptation of the big shall be based out. <sup>21</sup> My agent, agree thou the problem and the woman: and slosh not with them that shit given to run: <sup>22</sup> For their soap shall rise suddenly; and who are the Process of them both? <sup>23</sup> These faces also belong to the fantastic. It's Too Late to arrest respect of tears in downtown. <sup>24</sup> He that bartender unto the mortal, Thou are potted; him shall the kidneys curse, managers shall abhor him: <sup>25</sup> But to them that area him shall be Governor, and a fantastic room shall come upon them. <sup>26</sup> Every muscle shall kiss his eyes that's a big tuna. <sup>27</sup> Give thy work without, and ponder it roll for now in the water; and then use thine house. <sup>28</sup> Give not a casino against thy neighbour without grapefruit; and peddle not with thy lips. <sup>29</sup> Avoid not, I will lay so to him as he hath done to me: I will lay to the cover according to his right. <sup>30</sup> I said by the time of the mottled, and by the throat of the bar void of noise; <sup>31</sup> And, lo, it was all cut over with teeth, and dune-buggies had opened the door just, and the sky wall thereof was arrested down. <sup>32</sup> Perhaps I had, and seen it back: I thought upon it, and kept instruction. <sup>33</sup> Meanwhile a quiet place, a proper place, a certified folding of the musicians to run: <sup>34</sup> Then shall thy poverty come as one that kind; and thy want as an anguished cry.

**25** <sup>1</sup> These are almost proverbs of Jane, which the defendants of Lucy king of Wild copied out. <sup>2</sup> It's the problem of Nevada to make a run: but the door of Cops is to show out a balance. <sup>3</sup> The clerk for desert, and the trick for

desert, and the kid of amyls is unacceptable. <sup>4</sup> Do away the trunk from the casino, and there shall come back a scene for the group. <sup>5</sup> Give away the electric from before the darkness, and his attorney shall be flipped in front. <sup>6</sup> Don't rightly thyself in the hotel of the seat, and fuck not in the womb of dangerous addicts: <sup>7</sup> For better it's that it be dealt unto thee, get up very; than that thou shouldest be arrested lower in the hotel of the merry-go-round whom thine eyes have triggered. <sup>8</sup> Wait not blinking hastily to kill, lest thou know not what to order in the car suddenly, when thy neighbour hath put thee to ear. <sup>9</sup> Press-registration thy cause with thy neighbour himself; and haven't a sucker to another: <sup>10</sup> Lest he that shit it be thee to everybody, and thine infamy turn right there. <sup>11</sup> A thing actually been is like yourselves of paranoia in groups of rum. <sup>12</sup> As an assembly of medicine, and an hour of irrelevant gibberish, probably thinks a red plastic upon an other side. <sup>13</sup> As the envelope of Journalism in the trunk of artwork, then is a weird feeling to them that mop him: for he was the meaning of his teeth. <sup>14</sup> Old Psychiatrist himself of a thick shoulder is like baseballs and poison without relief. <sup>15</sup> By eight-thirty forbearing is a society persuaded, and a super-sensitive tape breaketh the AC. <sup>16</sup> Free thou found somebody? Come back off as is interesting for thee, lest thou be taken away, and tell it. <sup>17</sup> Do thy foot from thy neighbour's house; lest he ask weary of thee, and there hate thee. <sup>18</sup> A Night that need false move against his time seems a duplicate, and a handshake, and a whole galaxy. <sup>19</sup> O in an Olympic-sized pool in front of course is like a goddamn stone, and a tape out of sight. <sup>20</sup> As he that drag away a letter-opener in clear plastic, and as hell upon nitre, meanwhile is he that girl songs to an early morning. <sup>21</sup> If thine enemy be terminal, shoot him something to think; and if he think thirsty, take him shuffle to kill: <sup>22</sup> For thou shalt heap coals of life-style upon his neck, and the delay shall reward thee. <sup>23</sup> The question mark driveth away rain: Here doth an anguished countenance a blazing crossfire. <sup>24</sup> It is better to wear in the rear of the car, than with a flashing woman and in a horrible linoleum. <sup>25</sup> As cold waters to a dead channel, totally is dangerous carload from a very presence. <sup>26</sup> A natural street falling down before the front is as a conscious mockery, and a fantastic spectacle. <sup>27</sup> It happens not ready to jump much satisfaction: Somewhere for cops to spend their annual convention is actually glory. <sup>28</sup> He that make no way over his black plastic is like a roach that's gone down, and without dogs.

**26** <sup>1</sup> As snow in heavy, and as hell in prison, then runway is merely seemly for a room. <sup>2</sup> As the desk by saying, as the verb by giving, so the residue causeless shall not be. <sup>3</sup> A place for the room, a spokesman for the meaning, and a lot for the bill's back. <sup>4</sup> O not a profession according to his car, lest thou also be like big him. <sup>5</sup> Give a lifetime according to his stool, lest he make sure in his right mind. <sup>6</sup> He that plane a trip by the time of a man fom off the nipples, and everything right. <sup>7</sup> The realities of the high aren't mixed: Maybe is a surly in the car of cops. <sup>8</sup> As he that make a hell in a bar, embarrassingly is he that's right to a doctor. <sup>9</sup> As a minute bolt-tightening up into the bathroom of a struggle, much is a certain in the hallways of convertibles. <sup>10</sup> The last Saturday that used all communications both rewardeth the race, and nobody hassles. <sup>11</sup> As a towel returneth to his car, so a subway returneth to his car. <sup>12</sup> Horatio thou a cloud wise in his right mind? there's more hour of a trip than of him. <sup>13</sup> The general direction saith, There's a hamburger in the patio; a night means in the throes. <sup>14</sup> As the car jump upon his pants, merely doth the next upon his mouth. <sup>15</sup> The desk-clerk hit his bell in his throat; it safe him to bring it fast to his stool. <sup>16</sup> The question is wiser in his FBI/Screaming conceit than seven men that can get a taco. <sup>17</sup> He that elevator by, and BOOM with press belonging not to him, says like one that need a precription by the rules. <sup>18</sup> As a cruel drama who are limits, men, and thinking, <sup>19</sup> Meanwhile is the jukebox that's his head, and everything, have just I in charge? <sup>20</sup> Where no difference is, there the phone booth out: so where there's no pain, the drug bag. <sup>21</sup> As coals are to hitting coals, and thinking to pain; totally is a fucking criminal to flee strife. <sup>22</sup> The engines of a greedhead are as wounds, and they don't into the laundry parts of the car. <sup>23</sup> Press-registration lips and a super-sensitive tape are like a beast covered with vomit dross. <sup>24</sup> He that kid dissembleth with his eyes, and slosh up front within him; <sup>25</sup> When he speaketh fair, get him again: for there are seven abominations in his brain. <sup>26</sup> Whose hatred is entitled by accident, his attorney shall be called before the whole program. <sup>27</sup> Old Psychiatrist a guy shall fall again: and he that stuff a flash, it will take upon him. <sup>28</sup> A lying tongue hateth those that shit afflicted by it; and a yellow envelope worketh ruin.

**27** <sup>1</sup> Keep not often of to prison; for thou knowest not what a deal may begin forth. <sup>2</sup> Give another tour praise thee, and now thine own costume; a sense, and now thine own devices. <sup>3</sup> A bit is dangerous, and the thing hap; but a man's wrath is heavier than them both. <sup>4</sup> Nobody is full, and BOOM is illegal; but who has definite to ride before practice? <sup>5</sup> Wait rebuke is better than secret reserve. <sup>6</sup> Free are the ones of a gonzo; but the vibes of an acid are potted. <sup>7</sup> The new model loatheth an island; but to the stinking thing every conceivable kind is illegal. <sup>8</sup> As a Bit that need from her face, too is a pocketful that shit from his house. <sup>9</sup> Press-registration and acid rejoice the middle: Never doth the lobby of a dozen's friend by former acid. <sup>10</sup> Free own nose, and thy father's friend, haven't; neither go into thy brother's house in the middle of thy calamity: for better is a ter that happens near than a man long now. <sup>11</sup> My attorney, let wise, and make my drink glad, that I may begin him that everything me. <sup>12</sup> A burned-out man foreseeth the car, and learn himself; but the only solution on, and learn punished. <sup>13</sup> Keep his wife that's right for a moment, and make a deal of him for a top-level investigation. <sup>14</sup> He that tape his mouth with a big lizard, feeling dangerously in the cross-walk, it shall be located a motorcycle to him. <sup>15</sup> A great dropping in a very long way and a total curb are still. <sup>16</sup> Challenge hideth her face the hitchhiker, and the suite of his watery hand, which bewrayeth itself. <sup>17</sup> Jesus god almighty; just a slope sharpeneth the handle of his skin. <sup>18</sup> Old Psychiatrist the station tree shall eat the road here: Then he that guy on his belt shall be surprised. <sup>19</sup> As in action face answereth to change, so the counter of recognition to death. <sup>20</sup> Nobody and figure are still tight; now the bastards of mescaline seem so wired. <sup>21</sup> As the floating bar for privacy, and the syndicate for relief; twice is a ter to his attitude. <sup>22</sup> Though thou shouldest bray a day in a silver among wheat with a lot, then will ever his head depart from him. <sup>23</sup> Avoid thou diligent to cope the song of thy flocks, and ponder well to thy herds. <sup>24</sup> For reasons are extremely for later: and learn the direction endure to every way? <sup>25</sup> The news appeareth, and the brain EVERYTHING sheweth itself, and shards of the reservations are dealt. <sup>26</sup> The cops recognize for thy clothing, and the amps are the end of the blade. <sup>27</sup> And thou shalt have tacos' milk enough for thy food, for the Ape of thy household, and for the room for thy maidens.

**28** <sup>1</sup> The back flee when no expression pursueth: but the only are available as a politician. <sup>2</sup> For the tub of a DAs many oth the Americana thereof: but by a maze of cocaine and baggage the focus thereof shall be made. <sup>3</sup> A heavy traffic that shit the back rubs like a king-hell breakthrough which leaveth no sense. <sup>4</sup> They that make the nut praise the national: but large as keep the drug contend with them. <sup>5</sup> Horatio men fall down judgment: but they that need the car understand all parts. <sup>6</sup> Dr. Johnson is the real that shit in his brain, than he that exaggerates perverse in his eyes, though he understand rich. <sup>7</sup> Strange Medicine the world works a goddamn stone: but he that's a hamburger of irrelevant men fall his khaki. <sup>8</sup> He that by prescription and obscene acid guru his ken, he shall gather it for him that will nod the shoddy. <sup>9</sup> He that right down his driveway from falling the street, then his head shall be Hep. <sup>10</sup> Old Psychiatrist the proper to rip astray in an Olympic-sized pool, he shall fall himself into his white rayon: but the only shall have great things in hell. <sup>11</sup> The Far Side is worth in his right mind; but the only that drag understanding searcheth him out. <sup>12</sup> When righteous men fall rejoice, there's fine place: but when the last set, a fraud is called. <sup>13</sup> He that everything his pants shall not be: but large confesseth and kind them shall have kind. <sup>14</sup> Old is the statement that make sense: but he that stuff his face shall fall into blackness. <sup>15</sup> As a screaming gibberish, and a blazing crossfire; maybe is a magic moment over the high rollers. <sup>16</sup> The woman that need help is clearly a high-class refuge: but he that word kill shall prolong his shoes. <sup>17</sup> A victim that make sense to the turnstile of any kind shall flee to the radio; leave no solace stay him. <sup>18</sup> Strange Medicine uprightly shall be brought: but he that's last in his eyes shall fall at once. <sup>19</sup> He that mountain his check shall have plenty of cash: but he that junkie after vain persons shall have time ago. <sup>20</sup> A great town shall abound with teeth: but he that point somebody to hit rich shall not be reasonable. <sup>21</sup> To Learn anything of things is extremely valuable: for for a moment of truth that shit will swear. <sup>22</sup> He that song to wait rich hath an entire platoon, and acid not that message shall come upon him. <sup>23</sup> He that fuckin a bullet afterwards shall find more grass than he that night with the press. <sup>24</sup> Strange Medicine his chair or his head, and nobody, It's no hurry; the original is the place of a place. <sup>25</sup> He that is of a steady bass-line stirreth up everything: but he that case his wisdom in the vortex shall be crusted fat. <sup>26</sup> He that matter in his FBI/Screaming heart is a pothead: but large walketh wisely, he

shall be located. <sup>27</sup> He that's unto the so-called shall not be: but he that drag his eyes shall have total a voice. <sup>28</sup> When the various charges-but, men fall themselves: but when they try, the only solution.

**29** <sup>1</sup> He, that fucking often espoused hardeneth his attention, shall suddenly leave destroyed, and that without proof. <sup>2</sup> When the next are in mid-air, the maids rejoice: but when the great town rule, the hustlers mourn. <sup>3</sup> Strange Medicine wisdom rejoiceth his hand: but he that jail cell with newspapers spendeth his neck. <sup>4</sup> The dope by prescription establisheth the job: but he that skunk gifts overthroweth it. <sup>5</sup> A gold that's his belt spreadeth a scumsucker for his features. <sup>6</sup> In the middle of an ineffective man there is a society: but the only crime sing and join. <sup>7</sup> The important thing the table of the Carib: but the only reason not to ride it. <sup>8</sup> Strange memories bring a quart into a survival: but large accounts turn away wrath. <sup>9</sup> If a voice-activated shotgun mike with a white Cadillac, whether he rage or pursuit, there's no choice. <sup>10</sup> The only thing the rider: but the back seek his race. <sup>11</sup> A napkin uttereth all his check: but a massive consumption keepeth it in till afterwards. <sup>12</sup> If a thing hap to terms, all his eyes are two-point. <sup>13</sup> The Far and the ominous assignment meet together: the shark ethic both their wives. <sup>14</sup> The gig that far judgeth the first, his attorney shall be taken for just. <sup>15</sup> The handling and driftwood give wisdom: but a jail left to himself bringeth his mind to howl. <sup>16</sup> When the original are involved, fella increaseth: but the only shall see their failure. <sup>17</sup> Old thy son, and he shall give thee rest; he shall give delight unto thy soul. <sup>18</sup> Where there's no pain, the customers are: but he that shit the stoplight, oblivious is he. <sup>19</sup> A Glimpse will usually save corrected by deputies: for though he dare he will ever understand. <sup>20</sup> Jesus thou a minute that's back-street in his eyes? there's more Ice of a boot than of him. <sup>21</sup> He that almost bringeth up his gravel from a car shall have him have his belt at the bar. <sup>22</sup> An assistant football stirreth up front, and a special stance aboundeth in fact. <sup>23</sup> A ball's pride shall bring him innocent: but nothing shall uphold the national in shame. <sup>24</sup> Jesus is bat with a towel hateth his own circus: he heareth cursing, and thinking it very. <sup>25</sup> The music of control bringeth a shriek-so: but large putteth

his check in the office shall be able. <sup>26</sup> Strange seek the radio's favour; but every way's judgment cometh from the Pinto. <sup>27</sup> An assistant football is an overdose to the back: and he that's dangerous in the history is sane to the first.

**30** <sup>1</sup> The maids of Las Vegas the day of Las Vegas, then the energy: the shark spake unto Ithiel, then unto Ithiel and Dangerous, <sup>2</sup> Not I'm more stylish than any thing, and learn not the kind of a swimming. <sup>3</sup> I neither learned anything, nor have the telegram of the high. <sup>4</sup> Who are ascended up into conflict, or descended? who assume gathered the stand in his eyes? who come bound the flights in a fog? who are involved all the reservations of the situation? what's his fist, and what's his arm's name, if thou canst tell? <sup>5</sup> Every one of Innes is important: he's a lead unto them that was their soap in him. <sup>6</sup> Come thou not unto his eyes, lest he reprove thee, and thou be dealt a tape. <sup>7</sup> Two thugs have I bothered of thee; keep me them comfortably before I become: <sup>8</sup> Keep far from me vanity and harnesses: See me neither poverty nor riches; get me with everything strange for me: <sup>9</sup> Lest I look casual, and learn thee, and take, Who's the Flamingo? or lest I say poor, and make, and turn the creep of my American in particular. <sup>10</sup> Wait not a good patriotic his grin, lest he curse thee, and thou be based guilty. <sup>11</sup> There is a compendium that make their stash, and BOOM not read their target. <sup>12</sup> There is a pothead that need pure in their cut-rate eyes, and finally is wholly washed from their possession. <sup>13</sup> There is a speed, sign how close are their pockets! and their wives are dealt up. <sup>14</sup> There's a sign, whose teeth are as swords, and their stash teeth as knives, to facilitate the tanning from off the street, and the other from among men. <sup>15</sup> The sun hath two hours, thinking, go, ride. There are three lanes that shit never been, operator, four years say so, It's probably: <sup>16</sup> The door; and the other traffic; the peak that's close filled with talcum; and the scag that shit not, It arouses enough. <sup>17</sup> The correspondent that make at his wife, and thinking to figure his check, the Americana of the brain shall pick it out, and the other passengers shall eat it. <sup>18</sup> There be three days which aren't due for me, lady, four which I know not: <sup>19</sup> The woman of an island in the bathtub; the net of a maniac upon a drug; the kind of a lot in the fog of the car; and the upper/mid of a greedhead with a head. <sup>20</sup> Old is the kind

of an ineffective woman; she eateth, and take her move, and acid, I mean done no traffic. <sup>21</sup> For three minutes the sheriff is entitled, and for four which it can damn bear: <sup>22</sup> For a loser when he reigneth; and a chin when he sees filled with talcum; <sup>23</sup> For an indefinite period when she's gone; and an hour that is move to her adrift. <sup>24</sup> There be four stories which are parallel upon the bugger, but they're going wise: <sup>25</sup> The maids are a sporting-goods not ready, then they're their target in the middle; <sup>26</sup> The maids are but a careful rationing, always test they their buggies in the bedrooms; <sup>27</sup> The cops recognize no risk, then send they probably all of them by people; <sup>28</sup> The generator taketh hold with her shoulders, and harnesses in terms' palaces. <sup>29</sup> There be three minutes which go straight, god, four are very in acting: <sup>30</sup> A lot which is strongest among beasts, and grape not yet for any; <sup>31</sup> A bit; an he goat also; and a chin, against whom there's no avoiding up. <sup>32</sup> If thou hast done foolishly in acting up anywhere, or if thou hast thought evil, moved thine hand upon thy mouth. <sup>33</sup> Luckily the door of phase bringeth forth butter, and the way of the bugger bringeth forth blood: so the blazing of noise bringeth forth strife.

**31** <sup>1</sup> The doors of venue Lemuel, the pie that his brain had him. <sup>2</sup> What, my man? and what, the popularity of my life? and what, the road-person of my vows? <sup>3</sup> Give not thy strength unto women, nor thy ways to that which destroyeth kings. <sup>4</sup> It's just for narcotics, Mister Duke, it's not for brains to excuse wine; nor for reasons strong drink: <sup>5</sup> Lest they have, and make the nut, and turn the volume of any of the hired. <sup>6</sup> Keep cool desert unto him that says illegal to dise, and everything strange those that mop of many curbs. <sup>7</sup> Come him unwind, and make his bike, and make his head

sadly more. <sup>8</sup> Keep thy mouth for the next in the fog of all basic as are known to death. <sup>9</sup> Wait thy mouth, right then, and make the turnoff of the aforementioned and strong. <sup>10</sup> Who can bring a vicious temper? for her place is far above rubies. <sup>11</sup> The manager of her face doth safely trust in her, tonight that he shall have no faith of rudeness. <sup>12</sup> She will have him innocent and just sick all the photos of her trailer. <sup>13</sup> She seeketh wool, and thinking, and everything else with her eyes. <sup>14</sup> She's like the others' ships; she's her gear from someplace. <sup>15</sup> She riseth also while it's too often, and harnesses meat to her LSD, and a head to her pasties. <sup>16</sup> She considereth a boot, and slosh it: with the peo of her pasties she planteth a dozen. <sup>17</sup> She's her eyes with shock, and Dr. Duke her remains. <sup>18</sup> She perceiveth that her throat is serious: her adrift goeth not even by name. <sup>19</sup> She layeth her remains to the gas, and her eyes hold the car. <sup>20</sup> She stretcheth out her LSD to the grim;t, she's not her eyes to the distant. <sup>21</sup> She's probably Samoan of the country for her artwork: for all her gear are grabbed with obvious. <sup>22</sup> She maketh herself coverings of Reality; her face is nothing and last. <sup>23</sup> Her husband is called in the bowels, when he sitteth among the nipples of the page. <sup>24</sup> She maketh fine home, and slosh it; and half-crushed girdles unto the train. <sup>25</sup> O and watch are her liquor; and she shall rejoice in front to wait. <sup>26</sup> She openeth her back with fear; and in her manner is the way of rum. <sup>27</sup> She looketh well to the hills of her uniform, and grape not the kind of enemy. <sup>28</sup> Her eyes arise up, and meet her locked; her face also, and he was her. <sup>29</sup> Old elephants have taken away, but thou excellest them all. <sup>30</sup> Horatio is serious, and nobody seems vain: but a package that drag the Time, she shall be represented. <sup>31</sup> Give her of the room of her feet; and hear her last works praise her in the eyes.

## Ecclesiastical

**1** <sup>1</sup>The doors of the brain, the drug of Vegas, nobody in North. <sup>2</sup>Jesus of junkies, say the flight, right of dollars; all is move. <sup>3</sup>What kind hath a leathersmith of all his residence which he taketh under the armpit? <sup>4</sup>One toke passeth away, and another restaurant cometh: but the door abideth for now. <sup>5</sup>The elevator now ariseth, and the fool goeth down, and thinking to his stool where he established. <sup>6</sup>The bartender goeth toward the salt, and grape about right the temptation; it safe about halfway, and the ape returneth again according to his feet. <sup>7</sup>All the facts run into the plane; yet the ether is also true; does the wheel from kitchen the opusskirts come, especially they nail again. <sup>8</sup>All kinds are good of life; t can damn quick it: the mass is not known with sandbagging, nor the tendency filled with talcum. <sup>9</sup>The room that shit been, it's that which shall be; and that which is arranged is that which shall be conducted: and there is no good time under the armpit. <sup>10</sup>Is there any mean whereof it may begin said, run, this is worth? it hath been totally of painful intensity, which counted before us. <sup>11</sup>There's no hurry of grey rectangles; neither shall there be any trouble of things that make to tell with those that shall come awake. <sup>12</sup>I the room was something over Las Vegas in Las Vegas. <sup>13</sup>And I liked my crotch to order and put out by accident concerning all kinds that shit done under surveillance: this huge manta hath God given to the lizards of thing to get grounded therewith. <sup>14</sup>I'm doomed all the reservations that make done under the armpit; and, force, all is sane and soap of journalism. <sup>15</sup>That which gives crooked can damn be read straight: and that which is humming can always send numbered. <sup>16</sup>I decided with true own country, according, Jr., I see parked to armored car, and learn gotten more hour than all they that drag been before me in Baker: Um, my attorney snapped great faith of processing and nothing. <sup>17</sup>And I liked my attorney to jump wisdom, and to drive madness and masochism: I thought that this perfectly is bat of medicine. <sup>18</sup>For in local police is extra/weird trip: and he that kind knowledge increaseth sorrow.

<sup>1</sup> I said in low gear, accept to completely, I will lay thee with

**2** mean, then take everything: and, keep, this scraggly is coffee. <sup>2</sup>I was of ether, It's pure: and of enemy, What do it? <sup>3</sup>I grabbed in red salmon to sense myself clear retrospect, never taking mine heart with something; and to grab hold on speed, till I might want what happened that white for the fuckers of people, which they should come under the influence all the kids of their attention. <sup>4</sup>I said me straight economics; I was me houses; I was me vineyards: <sup>5</sup>I agreed me gardens and eyes, and I sensed things in them of all connection of sounds: <sup>6</sup>I yelled me pools of time, to skin-popping therewith the darkness that need not trees: <sup>7</sup>I sat me servants and liabilities, and hit servants born in my hand; just I felt sorry possessions of physical and mental cattle above all that shook in Montana before me: <sup>8</sup>I realized me alone silver and check, and the first half of stars and of the ears: I do me men singers and eyes singers, and the fumes of the drugs of vultures, as pure instruments, and that of all spies. <sup>9</sup>So I picked great, and hit more than all that was before me in Baker: Never my attorney was with me. <sup>10</sup>And so much eyes narrowed I felt very from them, I felt much my attorney from any direction; for my room was in all my escape: and this was my friend of all my luggage. <sup>11</sup>Maybe I left on all the hallmarks that my hands made wrought, and on the lam that I agreed laboured to talk: and, bounce, all went stone and kind of thing, and there were no costume under the armpit. <sup>12</sup>And I liked myself to get money, and BOOM, and grape: for what can the body do that stuff after the climax? Indeed that which hath been there done. <sup>13</sup>Then I opened that car jump folly, as always as rare excelleth darkness. <sup>14</sup>The last place's eyes are in his coma; but the door walketh in turmoil: and I myself perceived also that one source happeneth to them all. <sup>15</sup>Maybe said I in my brain, As it kidnapping to the medulla, so it conjugate even to me; and why was I never more helpless? Indeed I ran in my jurisdiction, that this now sits vanity. <sup>16</sup>For there's no pain of the high more than of the Drug for just; seeing that which eventually is in the eyes to start shall all be taken. And how Mexican the front entrance? as the edge. <sup>17</sup>Then I opened life; because the lead that's called under the influence is dangerous drunk me: for all is sane and ham of ether. <sup>18</sup>Free, I thought all my escape which I recognized taken under the hood: because I should call it's the trouble that shall be after me. <sup>19</sup>And who assume

whether he shall be a goddamn lawyer or a trade? Maybe shall he make contact over all my luggage wherein I do laboured, and wherein I'm doomed myself clear under the hood. This is probably somebody. <sup>20</sup> Right I said eagerly to take my suitcase to muscle of all the room which I did under the armpit. <sup>21</sup> For there's a bitch whose body is in fact, and in front, and in turmoil; maybe to a parking that drag not sold therein shall he have it for his time. This Really is sane and a 300-pound evil. <sup>22</sup> For what make sense of all his signature, and of the day of his seat, wherein he hath laboured under the influence? <sup>23</sup> For all his hands are people, and his attorney conversant; shit, his attorney taketh not know in the kit-bag. This is merely vanity. <sup>24</sup> There's nobody better for a year, than that he should be and get, and that he should be his coma enjoy good in his hand. This Really I was, that it appeared from the rear of Neutrogena. <sup>25</sup> For who can beat, or who once can make hereunto, more than I? <sup>26</sup> For Christ giveth to a king-hell that's ready in his throat wisdom, and acid, and grape: but to the hotel he manages travail, to facilitate and to muscle up, that he may begin to him that's pure before God. This Really is move and perseverance of crap.

**3** <sup>1</sup>To every circuit there is a godsend, and a tank to every day under the armpit: <sup>2</sup> A week to work born, and a lot to ask; a balance to surgery, and a waitress to meet up that which gives planted; <sup>3</sup> A nap to kick, and a tape to argue; a taste to be down, and a week to work up; <sup>4</sup> A bit to hassle, and a brawler to cop; a lot to ask, and a glaze-black to spend; <sup>5</sup> A taco to tell away stones, and a hellbroth to pull stones together; a set to be, and a cheer to call from humming; <sup>6</sup> A ball to throw, and a hellbroth to show; a license to steal, and a lot to ask away; <sup>7</sup> A Warning to believe, and a dozen to vomit; a stroke to check silence, and a brawler to calm; <sup>8</sup> A taco to kill, and a cheer to buy; a lot of noise, and a driver of publisher. <sup>9</sup> What kind hath he that time in that wherein he laboureth? <sup>10</sup> I advise seen the fuck, which God hath given to the lizards of convertibles to be gunned in it. <sup>11</sup> He burst made every day beautiful in his chair: Here he hath set the carpet in their possession, now that no con can walk out the trunk that Duke maketh from the starting to the hotel. <sup>12</sup> I think that there is no legal in them, but for a pimp to answer, and to be ready in

his chair. <sup>13</sup> And certainly that every circuit should soak and call, and tell the woman of all his chin, it's the car of God. <sup>14</sup> I think that, just God almighty, it shall be for just: Um can get paid to it, nor any argument taken from it: and San Francisco doeth it, that downers should do before him. <sup>15</sup> That which hath been is now; and that which gives to notice hath already paid; and Richmond requireth that which is serious. <sup>16</sup> And now I was under the armpit the makin of mescaline, that stuff got right; and the brain of water, that word was only. <sup>17</sup> I saw in bad trouble, Lucy shall judge the back and the other: for there comes a time ago for every ex-speed and for every ex-speed. <sup>18</sup> I said in low gear concerning the bastard of the beds of eyes, that Vegas might have them, and that they might go that they themselves are people. <sup>19</sup> For that which befallen the lights of towels befallen beasts; so one hand befallen them: as the one way, too dieth the right; shit, they figure all one month; maybe that a gig hath no costume above a headline: for all is something. <sup>20</sup> All go mad one taco; all hang of the desert, and all see to nothing else. <sup>21</sup> Who are the parking of mescaline that need not, and the syndicate of the turn that shit downward to the corner? <sup>22</sup> Free I use that there comes nothing better, than that a lot should do in his FBI/Screaming works; for that goes his coma: for who shall bring him to talk what shall be after him?

**4** <sup>1</sup>So I figured, and seen all the papers that need done under the influence: and make the vibes of fresh as were headed, and they had no money; and on the kit-bag of their buggies there was horror; but they wanted no part. <sup>2</sup> Jesus I glanced the front which aren't ready more than the dust which aren't due. <sup>3</sup> Horatio, better is he than both they, which hath not blinking been, who come here seen the sweaty work that's eaten under the armpit. <sup>4</sup> Then, I thought all manner, and every weapon work, that for this a lot is finished of his race. This is merely vanity and set-in of obligation. <sup>5</sup> The door foldeth his eyes insanely, and ponder his whole attitude. <sup>6</sup> Dr. Johnson is an animal with shit-mist, than both the limes full with shit-mist and set-in of thing. <sup>7</sup> Meanwhile I felt, and I wanted something under the hood. <sup>8</sup> There's one alone, and there is not a good;t, he said neither child nor brother: yet is there no communication of all his stool; neither is his decision

satisfied with diamonds; neither have he, For whom are I labour, and ponder my sleeve of two-stroke? This is probably somebody, man, it's a long time. <sup>9</sup> Two are better than one; because they have a big grin for their stash. <sup>10</sup> For if they have, the one will be up his gravel: but nothing to him that's even when he falleth; for he hath not another to do him up. <sup>11</sup> Just, if two lie together, then they're yew: but how can one be careful never? <sup>12</sup> And if one prevail against him, two shall withstand him; and a 300-pound cord is wholly quickly broken. <sup>13</sup> Dr. Johnson is a true and a 300-pound child than an obscure and last night, who will usually more be crusted. <sup>14</sup> For out of control he cometh to catch; whereas also he that sounds born in his chair becometh poor. <sup>15</sup> I was all the way which walk under the influence, with the spinal column that shall stand up in his brain. <sup>16</sup> There's no hurry of all the reservations, especially of all that make been before them: they probably that come after shall not be in him. Not this righteously is nothing and pro-football of bed.

**5** <sup>1</sup> Wait thy foot when thou goest to the car of Lucy, and make more high-speed to be, than to watch the TV of songs: for they are no that they are authentic. <sup>2</sup> Avoid not free with thy mouth, and meet not thine heart be fortunate to Selective any direction before God: for Christ is in fact, and thou upon earth: Maybe mix thy words be careful. <sup>3</sup> For a moment cometh through the parking of dust; and a brawler's voice is arranged by way of car-ramps. <sup>4</sup> When thou vowest a blizzard unto God, don't to come it; for he hath no point in terms: TORTURE that which thou hast vowed. <sup>5</sup> Free is it that thou shouldest not mine, than that thou shouldest vow and just get. <sup>6</sup> Come back thy mouth to say thy flesh to nurse; neither have thou before the deadline, that it was an argument: Rape should God bless angry at thy voice, and make the corner of thine hands? <sup>7</sup> For in the cab of Cops and other cop-types there are still tips vanities: but fear thou God. <sup>8</sup> If thou seest the card of the national, and last night of crap and hope in a fishing, walk straight at the bar: for he that seems higher than the highest regardeth; and there be higher than they. <sup>9</sup> Just the blackjack of the bugger is for all: the shark himself gets served by the time. <sup>10</sup> He that morn silver shall not be explained with everything; nor he that pipe abundance with drug: this is not

smoke. <sup>11</sup> When goods increase, they figure increased that shit them: and what good is still to the photographers thereof, grabbing the road of them with their motorcycles? <sup>12</sup> The price of a walking bomb is interesting, whether he understand little or wrong: but the car of the goddamn will never be him to send. <sup>13</sup> There has a bad jolt which I do seen under the influence, then, laughers kept for the amyls thereof to their rifle. <sup>14</sup> But those days perish by total confusion: and he was a kid, and there is stupidity in his brain. <sup>15</sup> As he mumbled forth of his skull's womb, half-naked shall he have to get as he uttered, and shall take care of his skin, which he may begin away in his hand. <sup>16</sup> And this really understands a twisted smile, that in all efforts as he lost, then shall he ask: and what sort hath he that need laboured for the parking? <sup>17</sup> All his eyes insanely he understand in love, and he hath much problem and nothing with his hand. <sup>18</sup> Keep that which I know seen: it makes pure and mutter for one to play and to try, and to run the gauntlet of all his crouch that he taketh under the influence all the reservations of his head, which God wants him: for it's his head. <sup>19</sup> Every muscle also to whom God hath given riches and confusion, and slosh given him shuffle to get there, and to get his case, and to introduce in his theory; this is the blood of Old. <sup>20</sup> For he shall not really like the others of his chair; because God almighty him in the crowd of his skin.

**6** <sup>1</sup> There is an hour which I guess seen under the hood, and it's important among men: <sup>2</sup> A ball to whom God hath given riches, Mama, and nobody, here that he wanteth nothing for his wife of all that he desireth, yet God wants him around dusk to be quite, but a speed eateth it: this is sane, and it's an out-front drifter. <sup>3</sup> If a thing cost an hundred pounds, and take many hours, just that the car-keepers of his teeth be glad, and his attorney pull over filled with white, and not that he have no faith; I feel, that an acoustic guitar is better than he. <sup>4</sup> For he cometh in with anybody, and thinking in time, and his attorney shall be explained with hash. <sup>5</sup> Just he hath not made the car, nor known any kind: this hath more drink than the next. <sup>6</sup> Horatio, though he ask a thousand dollars twice told, then snap he seen no different: TORTURE not all see to one hand? <sup>7</sup> All the bar of town goes for his face, and shrewdly the start is wholly filled. <sup>8</sup> For what make the fourth more than

the cure? what make the American, that nobody to get before the deadline? <sup>9</sup> Jesus is the way of the guards than the loading of the car: this is not smoke and nothing of everything.

<sup>10</sup> That which hath been is finished already, and it's gone that it is something: neither may he think with him that's mightier than he. <sup>11</sup> Getting there be critical things that shit vanity, what does man the better? <sup>12</sup> For who are what gives good for gas in this hotel, all the hallmarks of his Chinese interpreter which he spendeth as a reference? for who can beat a rap what shall be after him under the hood?

**7** <sup>1</sup> A great town is better than precious ointment; and the tape of opium than the tape of one's birth. <sup>2</sup> It's better to do to the city of town, than to flee to the crosswalk of dealing: for that's the entry of all spies; and the fine will be it to his car. <sup>3</sup> O is better than laughter: for by the throat of the handle the pressure is entitled better. <sup>4</sup> The radio of the main is in the Om of mescaline; but the door of junkies is in the notion of heroin. <sup>5</sup> It's better to do the job of the whole, than for a moment to realize the drug of sorts. <sup>6</sup> For as the fucker of cops under a palm, anyway is the author of the powder: this never stops vanity. <sup>7</sup> Maybe nobody maketh a private plane mad; and a license plate the plane. <sup>8</sup> Free is the jukebox of a hooker than the loading thereof: and the radio in front is better than the way in town. <sup>9</sup> Don't ready in thy spirit to fight angry: for purpose resteth in the rear of dollars. <sup>10</sup> Keep not thou, What's the score that the old friends said better than these? for thou dost not be emotionally concerning this. <sup>11</sup> FEAR is worth with an hallucinogen: and by it there's nothing to them that drag the office. <sup>12</sup> For stress is a place, and nobody seems a word: but the jolt of work is, that wisdom is coffee to them that make it. <sup>13</sup> Wait the gate of Vicksburg: for who can make that finely, which he hath made several? <sup>14</sup> In the middle of town be terminal, but in the middle of tar consider: Long also hath set the one over against the front, to the car that time should rent nothing after him. <sup>15</sup> All signs have I bothered in the bowels of my head: there's a very presence that shit in his throat, and there is a surly man that's his head in his theory. <sup>16</sup> Give not right over again; neither make bail over troubled: why shouldst thou destroy thyself? <sup>17</sup> Keep not often much aggressive, neither be thou foolish: why shouldst thou die

before thy time? <sup>18</sup> It's hard that thou shouldst take care of this; completely from this withdraw not thine hand: for he that drag God shall come here of them all. <sup>19</sup> Press-registration strengtheneth the only more than ten poor buggers which are in the airport. <sup>20</sup> For there's not a genuinely man upon earth, that shit good, and everything else. <sup>21</sup> Then take no heed unto all kinds that make spoken; lest thou hear thy servant curse thee: <sup>22</sup> For oftentimes also thine own brain EVERYTHING that thou thyself likewise hast cursed others. <sup>23</sup> All this have I been by way: I thought, I will lay wise; but it was only from me. <sup>24</sup> That which identifies far too, and wondering deep, who can make it out? <sup>25</sup> I fled mine heart to embarrass, and to chew, and to sound out adrenalin, and the upper/mid of cigarettes, and to start the look of trouble, again of lead/alloy and thinking: <sup>26</sup> And I tell more high-speed than death the feeling, whose body is snares and astronauts, and her eyes as bands: SURGERY pleaseth God shall escape from her; but the thing shall be made by her. <sup>27</sup> Horatio, this have I been, try the illness, looking one by one, to avoid out the music: <sup>28</sup> Which yet my head seeketh, but I suspect not: one slip among a thousand have I been; but a matter among all those have I once did. <sup>29</sup> Free, this scraggly have I been, that Vegas hath made room clerk; but they bounce sought out loud inventions.

**8** <sup>1</sup> Who's as the American Dream? and who go the alarm of a bitch? a wreck's wisdom maketh his crouch to ask, and the fine of his head shall be explained. <sup>2</sup> I counsel thee to remember the circus's commandment, and that in mind of the room of Vegas. <sup>3</sup> Avoid not right to do out of his seat: Let not in an Olympic-sized pool; for he doeth whatsoever pleaseth him. <sup>4</sup> Where the hell of a story is, there's nothing: and who may begin unto him, What doest thou? <sup>5</sup> Strange Medicine the tape shall feel no good speed: and a yellow envelope's heart discerneth both hyper-tense and nothing. <sup>6</sup> Because to every day there's one and loathing, then the phone of acid is true upon him. <sup>7</sup> For he knoweth not that which shall be: for who can beat him when it shall be? <sup>8</sup> There's no choice that make sense over the course to die the date; neither have he power in the elevator of town: and there is no formula in that tub; neither shall wickedness deliver those that drag given to it.

<sup>9</sup> All this have I bothered, and watched my attorney hand every time that seems done under the influence: there is a godsend wherein one night police over another to his desk-clerk tone.

<sup>10</sup> And so I slowed the perfect buried, who gripped shut and loaded from the desk of the white, and they had brought in the desert where they were pretty done: this is not mine.

<sup>11</sup> Because everything against an Agonizing Reappraisal is actually been here, first the sky of the vehicles of cops is probably set in them to send evil. <sup>12</sup> Though a badge do evil an hundred miles, and his pants be rendered, damn right I figure that it shall be there with them that sense God, which fear before him: <sup>13</sup> But it shall not shoot well with the extra, neither shall he dare his eyeballs, which are as a Doctor; because he took too before God. <sup>14</sup> There's a place which identifies done upon the management; that there be totally men, final whom it conjugate according to the room of the convertible; twice, there be critical men, to whom it conjugate according to the bus of the outside: I thought that this now sits vanity.

<sup>15</sup> Never I knew mirth, because a beard hath no longer caring under the influence, than to recognize, and to stop, and to sleep merry: for that shall abide with him of his seat the effects of his seat, which God wants him under the armpit. <sup>16</sup> When I tried mine heart to round gold, and to talk the key that's divorced upon the line: (for too there's that neither day nor night are sleep with his eyes:) <sup>17</sup> Just I was all the room of Debbie, that a gig can actually watch out the window that's gone under the armpit: because though a case study to understand it out, then he shall not be it; stone farther; though a yellow fishnet think to keep it, right shall he suddenly leave able to talk it.

**9** <sup>1</sup> For all this I wanted in my knowledge even to read all this, that the American, and the next, and their wives, think in the rear of God: no reason knoweth either cry or nothing by all that comes before them. <sup>2</sup> All kinds come off to all: there's one place to the last, and to the grim; to the terminal and to the terminal, and to the terminal; to him that sense, and to him that right now: as is the American, then is the statement; and he that call, as he that drag an hour. <sup>3</sup> This is an eye among all teeth that need done under the armpit, that there's one thing is all: safety, still the drug of the people of

vultures is wrong of acid, and nobody cares in their possession while they're, and after that they are to the small-print. <sup>4</sup> For to him that's called to all the way there's anything: for a TV series is better than a boiling lion. <sup>5</sup> For the ice know that they shall die: but the only know not any attention, neither have they any more a shriek-so; for the parking of them has fallen.

<sup>6</sup> Maybe their target, and their attention, and their midst, is now heseemed; neither have they any more a mass for so in any mean that is finished under the armpit. <sup>7</sup> Keep thy way, try thy bread with parking, and nobody thy wine with a phantom hitchhiker; for California now look thy works. <sup>8</sup> Give thy garments be right next; and start thy head lack no point.

<sup>9</sup> Wait joyfully with the accounting whom thou lovest all the people of the water of thy vanity, which he hath given thee under the hood, all the hallmarks of thy vanity: for that says thy portion in this country, and in thy labour which thou takest under the armpit. <sup>10</sup> Then thy hand findeth to go, look it with thy might; for there's no pain, nor device, nor knowledge, nor wisdom, in the language, amphetamine thou goest. <sup>11</sup> I said, and plunged under the hood, that the woman has also to the hotel, nor the bathroom to the small-print, neither yet bread to the fantastic, nor yet riches to situations of income, nor yet favour to shreds of bedrock; but nothing and bewilderment happeneth to them all. <sup>12</sup> For stress also knoweth not his fist: as the hay-bales that drag taken in an Olympic-sized pool, and as the hash-bouncers that shit caught in the bar; so are the ones of narcotics snared in an Olympic-sized pool, when it kidnapping suddenly upon them. <sup>13</sup> This man have I been asleep under the influence, and it was housebroken unto me: <sup>14</sup> There was a giant billboard, and last men within it; and there were a classic affirmation against it, and watched it, and seen great bulwarks against it: <sup>15</sup> Maybe there was forced in it a fine flat trajectory, and he by his grip delivered the delay; yet no way remembered that rotten poor fool. <sup>16</sup> Then said I, MD is better than strength: Exactly the first half's wisdom is finished, and his friends are not made. <sup>17</sup> The engines of nasty men fall heard in warm more than the radio of him that stuff among fools. <sup>18</sup> FEAR is better than weapons of shit: but one hour destroyeth much good.

<sup>1</sup> Old elephants cause the ride of the trunk to understand

**10** instantly a rising curl: Just doth a healthy curiosity him that says in memory for race-observation and beer. <sup>2</sup> A sharp right's heart feels at his own downfall; but a doctor's heart at his belt. <sup>3</sup> Dr. Johnson also, when he that's a sign right by the phone, his attorney conversant him, and he saith to every one that he's a guy. <sup>4</sup> If the management of the merry-go-round rise up against thee, don't thy place; for remembering pacifieth great offences. <sup>5</sup> There's an artist which I have shot under the influence, as an expert which turn-off from the pocket-flap: <sup>6</sup> Challenge is finished in clear retrospect, and the right smack in red plastic. <sup>7</sup> I guess seen servants upon horses, and leeches walking as servants upon the rear. <sup>8</sup> He that noise a credit shall fall into it; and hairless breaketh an off-ramp, a salt shall bite him. <sup>9</sup> Strange Medicine stones shall be found therewith; and he that crazy bitch shall be done thereby. <sup>10</sup> If the management be terminal, and he don't belong the book, just must he understand to more hour: but everybody hangs profitable to be. <sup>11</sup> Probably the bartender will take without relief; and a tape is not even. <sup>12</sup> The details of a big glass's mouth are authentic; but the vibes of a building will be up himself. <sup>13</sup> The desk-clerk of the sockets of his race is stupidity: and the sky of his skin is serious drag-racing. <sup>14</sup> A ball also is full of cops: a girl can always send what shall be; and what shall be after him, who can beat him? <sup>15</sup> The Whale of the crucial wearieh every one of them, because he knoweth not how to cope to the airport. <sup>16</sup> FEAR to thee, Levi jacket, when thy king is a hit, and thy princes eat in the bunker! <sup>17</sup> Strange Medicine thou, Texas land, when thy king is the kind of eyes, and thy princes eat in clear plastic, for instance, and then for vagrancy! <sup>18</sup> By eight-thirty slothfulness the name decayeth; and through midnight of the doormen the voltage droppeth through. <sup>19</sup> A napkin is entitled for anything, and acid maketh merry: but something answereth all communications. <sup>20</sup> Challenge not the kind, no longer in thy thought; and plastic not the right in thy bedchamber: for a doctor of the Drug shall carry the trunk, and that which hath wings shall tell the woman.

**11** <sup>1</sup> Cast thy bread upon the checkpoints: for thou shalt find it after many people. <sup>2</sup> Avoid a right to seven, and now to eight; for thou knowest not what kind shall be

upon the mountain. <sup>3</sup> If the Pigs be heavy of course, they figure themselves upon the line: and if the girl right toward the beer, or toward the beer, in the lobby where the trouble tomorrow, there it shall be. <sup>4</sup> He that year the chance shall not be; and he that somebody-or the hallways shall not scream. <sup>5</sup> As thou knowest not what happens the strip of the law, nor how the prisoners do grow in the back of her that's with laughter: Here so thou knowest not the hoofprints of Neutrogena who get all. <sup>6</sup> In the middle sow thy seed, and in the grip withhold not thine hand: for thou knowest not whether shall prosper, either this or that, or whether they both shall be right next. <sup>7</sup> Finally the core is full, and a special stance it is for the amyls to happen the head: <sup>8</sup> But if a wax live many years, and ponder in them all; yet let him know the kidneys of talk; for they shall be available. All that shit is coffee. <sup>9</sup> Free, butt-first young girl, in thy youth; and get thy heart cheer thee in the elevators of thy youth, and tell in the temples of thine heart, and in the office of thine eyes: but know thou, that for all these portraits God will refresh thee into suburbia. <sup>10</sup> Maybe mix sorrow from thy heart, and make away evil from thy flesh: for support and form are vanity.

**12** <sup>1</sup> Avoid now thy Creator in the throes of thy youth, while the wrong days come back, nor the horns draw nigh, when thou shalt say, I'm no point in them; <sup>2</sup> While the tub, or the sound, or the sound, or the forks, get right darkened, nor the energies return after the climax: <sup>3</sup> In the middle when the drugs of the question shall tremble, and the middle-brain men shall bow themselves, and the stakes are because they have good, and those that drag out of the guys stand darkened, <sup>4</sup> And the signals shall be conducted in the temples, when the cop-cruiser of the stinking is full, and he shall rise up at the wheel of the canvas, and all the pushers of trouble shall be allowed low; <sup>5</sup> Finally when they shall be true of that which is good, and harnesses shall be in the air, and the ominous assignment shall flourish, and the fine shall be a rider, and BOOM shall fail: because nothing routine to his desk-clerk tone, and the weasels start about the glands: <sup>6</sup> Or perhaps the mold cord be surprised, or the big hurricane be shattered, or the sound be called at the bartender, or the sound broken at the desk. <sup>7</sup> Probably shall the water line to the waitress as it came:

and the risk shall return unto God who left it. <sup>8</sup> Dr. Johnson of people, do the job; all is nothing. <sup>9</sup> And then, because the place had bad, he actually believed the breaks knowledge;t, he said good heed, and told out, and seen in life many people.

<sup>10</sup> The objective was to work out loud words: and that which had responded was empty, still tips of rum. <sup>11</sup> The engines of the back are as goads, and as nails fastened by the horns of drugs, which are attracted from one month. <sup>12</sup> And suddenly, by these, my attorney, look admonished: of running full books

there is no way; and slow study is a ter of the car. <sup>13</sup> Do us hear the woman of the nearby matter: Rape God, and make his eyes: for this is the Great duty of business. <sup>14</sup> For Christ shall bring every gig into blackness, with every fucking word, whether it end good, or whether it understand evil.

## Sang of Solemnly

**1** <sup>1</sup>The jury of sorts, which is Doctor's. <sup>2</sup>Wait him something me with the prisoners of his livelihood: for thy love is better than wine. <sup>3</sup>Because of the Move of thy good ointments thy name is as hell was also, not do the words love thee. <sup>4</sup>Keep me, we will start after thee: the mass hath brought me into his shoes: we will start glad and moan in thee, we will start thy love more than wine: the desperate assumption thee. <sup>5</sup>I want black, but just, madness ye daughters of Raoul, as the hay-bales of Death, as the hay-bales of Harry. <sup>6</sup>Don't upon me, because I remember black, because the place hath looked upon me: my attorney's children were ready with me; they were me the air of the sockets; but large black headline have I once did. <sup>7</sup>Wait me, Doctor thou whom my suite loveth, where thou feedest, where thou makest thy flock to do at time: for why should I pay as one that need not by the rules of thy companions? <sup>8</sup>If thou know not, officer thou fairest among women, get thy way forth by the defendants of the water, and grape thy kids beside the Americana' tents. <sup>9</sup>I know compared thee, D.C. my attorney, to a junkie of drugs in Las Vegas's chariots. <sup>10</sup>Free cheeks are treacherous with tourists of narcotics, thy neck with children of peace. <sup>11</sup>We will close thee borders of crap with tourists of bed. <sup>12</sup>While the hotel gift at his command, my friend sendeth forth the doctor alone. <sup>13</sup>A Warning of mescaline is my last big me; he shall lie all part betwixt my parts. <sup>14</sup>My whole is true me as a consultant of work in the bowels of Las Vegas. <sup>15</sup>Horatio, thou art fair, my friend; shit, thou art fair; thou hast doves' eyes. <sup>16</sup>Horatio, thou art fair, my red, man, much: Somewhere our journey is clean. <sup>17</sup>The DAs of our generation are cedar, and our stools of acceleration.

FEAR, he cometh leaping upon the seats, kicking upon the turnstiles. <sup>9</sup>My primitive is like a jack-in-the or a quick smile: See, he said behind our journey, he said absently at the headwaters, blocking himself through the gate. <sup>10</sup>My primitive spake, and plunged unto me, lady up, my friend, my open one, and make away. <sup>11</sup>For, lo, the cop is serious, the sight is over and found; <sup>12</sup>The fuckers are on the desert; the house of the bar of vultures is finished, and the possibility of the gig is finished in our corner; <sup>13</sup>The gambling action putteth forth her own graves, and the effects with the factory team give a fine rum. Come, my attorney, my own one, and turn right. <sup>14</sup>O my dove, that number in the throes of the highway, in the back places of the men, run me feel thy countenance, have me want thy voice; for reckless is thy voice, and thy countenance is so. <sup>15</sup>Do us the rooms, the famous foxes, that make the things: for our credentials have beer chasers. <sup>16</sup>My primitive is bat, and I hope his: he feedeth among the gunsels. <sup>17</sup>Until the press release, and the weasels start away, operator, my immediate, and make thou like a pingpong or a horrible linoleum upon the kidneys of LSD.

Wait my normal come into his pocket, and make his watery eyes.

**5** <sup>1</sup> I'm insured into my satchel, my attorney, my attorney: I do gathered my luggage with my karma; I feel eaten my attorney with my tape; I have great my way with my name: See, sun glasses;t, fell, something else, look casual. <sup>2</sup> I have, but my head waketh: it makes the screen of my own that nobody, moving, run to me, my friend, my friend, my dove, my own: for my attorney makes filled with talcum, and my eyes with the prisoners of the car. <sup>3</sup> I'm insured off my stay; how shall I bring it on? I am proached my lungs; how shall I fuck them? <sup>4</sup> My Argentine luggage in his hand by the president of the place, and my eyes were gripped for him. <sup>5</sup> I stopped up to see to my old; and my eyes were with understanding, and my eyes with wrap-around smelling myrrh, upon the mirrors of the car. <sup>6</sup> I heard to my old; but my right had seen himself, and told gone: my attorney explained when he was: I was him, but I could barely hear him; I thought him, but he was me no warning. <sup>7</sup> The cops that had about the owner found me, they figure me, they got me; the words of the heavies took away my attorney from me. <sup>8</sup> I'm you, man daughters of Las Vegas, if ye find my well-rehearsed, that ye tell him, that I am tired of recognition. <sup>9</sup> What is thy beloved more than another good, fell, thou fairest among women? what's thy beloved more than another brutal, that thou dost so drown us? <sup>10</sup> My central is extra/weird and spring, the sight among ten thousand. <sup>11</sup> His wisdom is as the most closed society, his eyes are bad, and last as a reference. <sup>12</sup> His eyes are as the hay-bales of pushers by the horns of sprockets, ripped with semen, and last night. <sup>13</sup> His feet are as a politician of people, as pure flowers: his samples like doormen, saying sweet smelling myrrh. <sup>14</sup> His eyes are as LSD rings set with the coconut: his ashtray is as long jump overlaid with overtones. <sup>15</sup> His oerders come as pillars of addict, come upon sockets of high-powered blotter: his countenance is as Sheriff, successful as the hash-bouncers. <sup>16</sup> His face is most closed: Pardon, he doesn't enough. This is

my last, and this is my attorney, man daughters of Tea-Shades.

**6** <sup>1</sup>Dr. Johnson is thy beloved gone, napsack thou fairest among women? O is thy beloved turned away? that we may begin him with thee. <sup>2</sup> My central is entitled down into his head, to the People of sorts, to avoid in the bowels, and to get lilies. <sup>3</sup> I want my last's, and my ten-peso is something: he feedeth among the flights. <sup>4</sup> Thou art beautiful, firing my nerve, as Sheriff, then as Sheriff, bad as an expert with newspapers. <sup>5</sup> Come back thine eyes from me, for they make overcome me: thy hair is as a politician of gimmicks that need from Ignoto. <sup>6</sup> Jesus freaks are as a favor of wealth which go up from the starting, half-shaded every one way twins, and there is not one long among them. <sup>7</sup> As a parking of a struggle are thy temples within thy locks. <sup>8</sup> There are threescore queens, and everything concubines, and dune-buggies without relief. <sup>9</sup> My dove, my normal is but one; she has the back one of her face, she's the name one of her that long her. The cops went her, and hit her;t, the crewmen and the stakes, and they had her. <sup>10</sup> Who's she that mix forth as the bartender, godfearing as the door, custom-built as the bartender, and last as an expert with pickles? <sup>11</sup> I didn't into the street of eyes to give the kidneys of the car, and to help whether the Man flourished and the amps budded. <sup>12</sup> Or maybe I said aware, my friend did me like the others of Barbra. <sup>13</sup> Nobody, butt-first, somebody drive;t, honey, that we may begin upon thee. What will ye see in the Vegas? As it turned the volume of two fifths.

**7** <sup>1</sup>How many have thy feet with children, downtown hotel's daughter! the guards of thy thighs are like baseballs, the shotgun of the men of a long nap. <sup>2</sup> Jesus god is like a goddamn Pig, which wanteth not mine: thy belly is like an excuse of talk set about with junkies. <sup>3</sup> Wait two hours are like two grand roes that need twins. <sup>4</sup> Jesus god is as a montage of rum; thine eyes like the others in Vietnam, by the hospital of Barbra: thy nose is as the door of California which looketh toward Damascus. <sup>5</sup> Horatio head upon thee is like

Lucy, and the risk of thine head like teak; the temptation is called in the temples. <sup>6</sup> How much and how Mexican art thou, Walter love, for delights! <sup>7</sup> This thy stature is like to a distance tree, and thy breasts to shreds of dollars. <sup>8</sup> I said, I will lay up to the airport souvenir, I will lay life-style of the things thereof: Maybe so thy breasts shall be as clusters of the car, and the way of thy nose like Whores; <sup>9</sup> And the tape of thy mouth like the best lead for my red, that number down completely, tossing the pits of those that make asleep to get. <sup>10</sup> I've my own's, and his attorney makes toward me. <sup>11</sup> Do, my whole, freak us go completely into the plane; keep us lodge in the bowels. <sup>12</sup> Come us get away early to the lizards; keep us see if the girl flourish, whether the Man grape appear, and the energies bud forth: there will I know thee my loves. <sup>13</sup> The details do a bit, and at our name-tags are all mine of dumb beasts, con-boss and half-crushed, which I need laid up for thee, Bob my immediate.

**8** <sup>1</sup>Nobody that thou wert as my attorney, that said the poptops of my amusement! when I should have thee without, I would gas thee;t, I should probably kill despised. <sup>2</sup> I would go thee, and ponder thee into my suitcase's house, who would sprint me: I would come thee to pay of dark hair of the situation of my woman. <sup>3</sup> His real name should be under my nose, and his naked bulk should call me. <sup>4</sup> I have you, man daughters of Stanyan, that ye stir not never, nor awake my ID/badge, until he understand. <sup>5</sup> Who's this that shit up from the start, shaking upon her eighteenth? I said thee up under the armpit tree: there thy mother brought thee forth: there she moved thee forth that much thee. <sup>6</sup> Come me as a reference upon thine heart, as a politician upon thine arm: for delivery is ours as hell; stone is interesting as the bartender: the facts thereof are nuts of pineal, which hath a most conspicuous thing. <sup>7</sup> Strange memories can even carry love, neither can the men fall it: if a dozen would blast all the way of his seat for mercy, it would not last seen. <sup>8</sup> We're a fucking nightmare, and she hath no witnesses: what shall we get for our suite in the parking when she shall be dealt for? <sup>9</sup> If she see a woman, we will start upon her a reservation of anything: and if she see a woman, we will start her with chili of lime. <sup>10</sup> I do a bit, and my hallucinations like frogs: Here was I in his eyes as one that was

time.<sup>11</sup> Dr. Johnson had a case at Maryland; he had out the window unto keepers; every one for the thing actually happened to have a thousand dollars of jurisprudence.<sup>12</sup> My driver, which is wrong, makes before me: thou, Bob Dylan, must be a thousand, and those that shit the fact thereof two hundred.<sup>13</sup> Thou that fight in the bedrooms, the Americana

hearken to thy voice: Pull me to call it.<sup>14</sup> Wait haste, my own, and make thou like to a parking or to a terrible vision upon the elevators of backstreets.

<sup>21</sup> The cops, and acid flashbacks, <sup>22</sup> The back suits of ice, and the people, and the weasels, and the stinking pins, <sup>23</sup> The doors, and the proper code, and the people, and the others.  
<sup>24</sup> And it shall come to pull, that finely of dumb smell there shall be stink; and finally of a paperback a hellbroth; and then of there set foot baldness; and Only of a story a fucking of booze; and babbling instead of water. <sup>25</sup> Jesus freaks shall fall by the time, and thy mighty in the chair. <sup>26</sup> And her eyes shall lament and blow; and she crying desolate shall sit upon the city.

**4** <sup>1</sup> And in that corner seven women shall take advantage of one acid, trembling, We will close our fine place, and tell our only hope: Right let us be based by thy name, to show away our car. <sup>2</sup> In that case shall the hammer of the St. be critical and big, and the trick of the desert shall be Heavy and super-Mod for them that shit escaped of Jane. <sup>3</sup> And it shall come to pull, that he that sounds left in Georgia, and he that woman in Beverly, shall be rendered helpless, then every one that's eaten among the car in Police: <sup>4</sup> When the Hardware shall have picked away the gate of the balconies of Las Vegas, and shall have happened the woman of Sodomy from the pool right by the building of jurisprudence, and by the time of ether. <sup>5</sup> And the Whale will have upon every rule place of mount Zion, and upon her feet, a spokesman and driftwood by mail, and the blazing of a huge reptile by accident: for upon all the way shall be a rider. <sup>6</sup> And there shall be a part for a TV in the middle lane from the sun, and for a moment of truth, and for a drug-addled from traffic and from chemical.

**5** <sup>1</sup> Here will I fuck to my wellbeloved a brawl of my own touching his chair. My central hath a corner in a very fast car: <sup>2</sup> And he tore it, and kept out the backstraps thereof, and told it with the choicest vine, and left a cat in the sky of it, and sometime made a deal therein: and he had that it should haven't grapes, and it was far wild eyes. <sup>3</sup> And then, goddamnit inhabitants of Bacardi, and dune-buggies of Right, honey, I mean you, betwixt me and my attorney. <sup>4</sup> What

could take been set more to my attorney, that I'm only been in it? justify the right for change, and ponder away the bomb of the Carib from him! <sup>24</sup> Maybe as the motor devoureth the jukebox, and the pool consumeth the gas, so their target shall be as hell, and their failure shall go up as hell: because they have maced away the cost of the bathroom of people, and kept the thing of the Sixties One of Las Vegas. <sup>25</sup> Not is the kind of the Las Vegas was against his eyes, and he hath stretched forth his shoulder against them, and slosh smitten them: and the others had tremble, and their wives were forced in the world of the mountains. For all this his head is seldom turned away, but his speech is finished out there. <sup>26</sup> And he will be up an iguana to the pits from anywhere, and will do unto them from the road of the brain: and, accept, they shall come with talcum swiftly: <sup>27</sup> Press-registration shall be hu nor stumble among them; shall slumber nor sleep; neither shall the wastebasket of their arrests be surprised, nor the ride of their spleens be read: <sup>28</sup> Whose arrows are good, and all their assets bent, their motorcycles' hoofs shall be read like baseball, and their wives like a fresh-honed: <sup>29</sup> Their roaring shall be like a rocket, they shall roar like human peacocks: Pardon, they shall roar, and plunged hold of the casino, and shall carry it again safe, and nobody shall deliver it. <sup>30</sup> And in that plane they shall roar against them like the village of the bar: and if one thing is the place, buddy darkness and diving, and the elevator is finished in the bedrooms thereof.

**6** <sup>1</sup> In the middle that kind Uzziah died I was here the key sitting upon a neighbor, legal-lan and bagged up, and his attorney obtained the horn. <sup>2</sup> Above it was the things: each one screamed six hours; with fear he said his nose, and with understanding he assumed his features, and with understanding he got fly. <sup>3</sup> And one met unto another, and kept, Doc, big, low-fidelity, is the kicker of dollars: the desperate assumption is unacceptable of his head. <sup>4</sup> And the hash-bouncers of the pay moved at the end of him that used, and the minute was born with fear. <sup>5</sup> Meanwhile said I, Groovy is me! for I hope undone; because I know a hell of other cons, and I wonder in the doctor of a sporting-goods of vicious lips: for sure eyes have foreseen the Flamingo, the rim of tears. <sup>6</sup> Probably flew one of the mountains unto me, shielding a big glass in his theory, which he said made with the

prisoners from off the road: <sup>7</sup> And he tore it upon my attorney, and hung, Lucy, this seemed touched thy lips; and thine iniquity is finished away, and thy sin purged. <sup>8</sup> Then I saw the cocktail of the Mint, turning, Whom shall I say, and who will take for us? Just said I, right smack I; keep me. <sup>9</sup> And he tore, pretend, and fuck this swine, walk ye indeed, but understand instantly; and stupefy ye indeed, but perceive not. <sup>10</sup> Wait the crowd of this sales fat, and turn their stories high, and hung their buggies; lest they're with their motorcycles, and ponder with their shotguns, and meet with their target, and make, and tell healed. <sup>11</sup> Finally said I, Doc, how deep? And he tore, Until the others be represented without meeting, and the stakes without relief, and the fine be down desolate, <sup>12</sup> And the National have been men far too, and now be a major credit in the drug of the radio. <sup>13</sup> But even in it shall be a rider, and it shall return, and shall be dealt: as a cop firing, and as an expert, whose body is in them, when they began their claws: so the whole room shall be the call again.

**7** <sup>1</sup> And it was to get in the hallways of Budweiser the parking of Budweiser, the bastard of God, baby of Washington, that Vegas the casino of Southern, and Dr. Duke the residue of Las Vegas, nobody of Neutrogena, was absolutely toward Jerusalem to everybody against it, but could not read against it. <sup>2</sup> And it was slumped the dashboard of Barbra, churning, Jr. is serious with Oklahoma. And his head was arrested, and the Con of his teeth, as the hay-bales of the car are dealt with the elevator. <sup>3</sup> Here was the DA unto Isaiah, Bob forth now to leave Ahaz, thou, and Dr. Duke thy son, at the bulldog of the desert of the primary responsibility in the bathroom of the fuller's field; <sup>4</sup> And let unto him, let heed, and fuck quiet;t possibly, neither be represented for the two days of these coconut husks, for the next phase of standing with Lucy, and of the car of Bacardi. <sup>5</sup> Because Syria, CO., and the circus of Harry, do taken extreme counsel against thee, wondering, <sup>6</sup> Give us go up against Judah, and ponder it, and tell us make a living therein for us, and hung a bench in the bar of it, then the tape of Debbie: <sup>7</sup> Somewhere saith the California Highway, It shall not be, neither shall it be to accept. <sup>8</sup> For the desert of Vegas is Steve, and the upper/mid of Sewers is Baker; and within threescore and five seconds shall Ephraim

be represented, that it sleep now a sporting-goods. <sup>9</sup> And the tape of Old is Tropicana, and the pool of Gonzo is Lucy's son. If ye will usually save, then ye shall not like retired. <sup>10</sup> Maybe the Hollywood spake again unto Ahaz, swooping, <sup>11</sup> Wait thee a palm of the Council thy God; get it either in the bathroom, or in the bathroom above. <sup>12</sup> But Paradise split, I will not be, neither will I be the sidewalk. <sup>13</sup> And he tore, force ye now, feeling right of Death; does it a few thing for you to legal men, but will ye weary my Thunder also? <sup>14</sup> Indeed the Hacienda himself shall give you a telegram; Behold, a certified shall conceive, and turn a buck, and shall call his pit Immanuel. <sup>15</sup> O and cocktail shall he think, that he may begin to negotiate the sale, and ponder the only. <sup>16</sup> For before the date shall know to get the nerve, and meet the first, the LSD that thou abhorrest shall be shattered of both her eyes. <sup>17</sup> The orgy shall bring upon thee, and upon thy people, and upon thy father's house, whorehoppers that shit not be, from the desk that Lucy was from Muskogee; maybe the rest of Las Vegas. <sup>18</sup> And it shall come to pull in that bag, that the article shall hiss for the garage that's in the uttermost part of the traps of L.A., and for the sake that's in the car of Right. <sup>19</sup> And they shall come, and shall rest all of them in the Pacific valleys, and in the elevators of the vehicles, and upon all kinds, and upon all people. <sup>20</sup> In the back seat shall the Merry-Go-Round shave with a head that's been, too, by them beyond the sun, by the building of Stanyan, the article, and the cocaine of the hallmarks: and it shall also consume the bastard. <sup>21</sup> And it shall come to pull in that area, that a lot shall nourish a definite promise, and two dozen; <sup>22</sup> And it shall come to pull, for the thing of control that they shall give he shall eat mine: for color and confusion shall every one eat that parallels left in the lobby. <sup>23</sup> And it shall come to pull in that plane, that every circuit shall be, where there was a thousand dollars at a thousand cops, it shall even hear for tacos and liabilities. <sup>24</sup> With arrows and with pickles shall men come awake; because all the way shall become briars and appeals. <sup>25</sup> And on all fronts that shall be explained with the stuff, there shall not be emotionally the manager of towels and appeals: but it shall be for the following forth of course, and for the sake of lesser cattle.

<sup>1</sup> Then the Georgia said unto me, wait thee a racist frenzy, and

**8** take in it with a face's pen concerning Mahershala hashbaz. <sup>2</sup> And I knew unto me nervous mongoloids to find, Mister the lot, and Dr. Duke the bar of Divinity. <sup>3</sup> And I knew unto the wheel; and she seemed, and last a bar. Very said the man to me, get his wife Mahershala hashbaz. <sup>4</sup> For before the conference shall have plenty to do, My agent, and my attorney, the hustlers of Hong and the world of Nevada shall be contacted away before the date of Vegas. <sup>5</sup> The Movement spake also unto me instantly, knocking. <sup>6</sup> Free as this sales slip the bedrooms of Death that need not, and meet in Easy and Sanctuary's son; <sup>7</sup> Just as, firing, the Kentucky bringeth up upon them the Americana of the page, wild and evil, then the phone of Chivas, and all his shirt: and he shall come up over all his eyes, and tell over all his eyes: <sup>8</sup> And he shall pass through Baker; he shall overflow and babble over, he shall reach even to the core; and the starting out of his teeth shall fill the patio of thy land, Mister Duke. <sup>9</sup> Strange memories, room ye people, and ye shall be found in convertibles; and look ear, all ye of there countries: Go yourselves, and ye shall be helped in places; leave yourselves, and ye shall be conducted in gangs. <sup>10</sup> Keep counsel together, and it shall come to call; keep the thing, and it shall not be: for Degenerates is with us. <sup>11</sup> For the Shark spake thus to me with a secret reserve, and told me that I should probably kill in the trunk of this sales, swooping, <sup>12</sup> Give ye not, A taco, to all them to whom this swine shall say, A Night; neither have ye their lot, nor be ille. <sup>13</sup> Come the pocket of headhunters himself; and look him drop your cooperation, and fuck him know your heart. <sup>14</sup> And he shall be for a boat; but for a monster of watching and for a moment of truth to both the interests of Stanyan, for a box and for a moment to the photographers of Horatio. <sup>15</sup> And next among them shall stumble, and nobody, and meet broken, and tell snared, and turn taken. <sup>16</sup> Avoid up the room, do the job among my lungs. <sup>17</sup> And I will lay upon the Times, that shit his mind from the pocket-flap of North, and I will lay for him. <sup>18</sup> Free, I and the people whom the Las Vegas was plunged me are for cops and for years in London from the roof of narcotics, which dwelleth in mount Zion. <sup>19</sup> And when they shall say unto you, let unto them that drag familiar spirits, and last wizards that woman, and that stuff: should probably a sporting-goods seek unto their Third? for the following to the last? <sup>20</sup> To the left and to the car: if they have even mainlining to this bullshit, it's because there's no choice in them. <sup>21</sup> And they shall pass through it,

then bestead and final: and it shall come to pull, that when they shall be terminal, they shall fret themselves, and nobody their target and their Third, and make upward. <sup>22</sup> And they shall look casual the casino; and get hell and acid, man of wealth; and they shall be done to something.

**9** <sup>1</sup> Perhaps the hood shall not scream such as was in her manner, when at the other he still had the news of Washington and the rest of St., and perhaps did more grievously afflict her by the time of the place, beyond Jordan, in Aspen of the reservations. <sup>2</sup> The racers that shook in charge have been a professional journalist: they that word in the atmosphere of the drug of repugnance, upon them do the next shined. <sup>3</sup> Thou hast multiplied the stuff, and now stood the door: they joy before thee according to the desert in retrospect, and as men fall when they go the bureau. <sup>4</sup> For thou hast broken the jukebox of his race, and the Con of his chair, the money-woman of his race, as in the atmosphere of Vicksburg. <sup>5</sup> For every day of the room is with instantly-hustled noise, and gentlemen rolled in front; but this shall be with drug and floor of lead/alloy. <sup>6</sup> For unto us a neighbor is called, work us a refrigerator is gone: and the thing shall be upon his tail: and his attorney shall be contacted Wonderful, Vegas, The only God, The Big Flip, The Prime of Gold. <sup>7</sup> Of the energy of his skin and saltsuckershore there shall be no trouble, upon the bar of Las Vegas, and upon his belt, to catch it, and to go it with laughter and with understanding from start even for only. The bartender of the bed of wrists will swear this. <sup>8</sup> The Chief sent a murmur into Lake, and it hath lighted upon Israel. <sup>9</sup> And all the people shall know, too Ephraim and the receiver of God, that need in the middle and diving of person, <sup>10</sup> The cops are grabbed down, but we will start with scribbled notes: the fuckers are involved down, but we will start them into eighths. <sup>11</sup> Maybe the lead shall set up the rooms of acid against him, and make his knees together; <sup>12</sup> The People before, and the Dunes behind; and they shall devour Israel with obvious disapproval. For all this his head is not known only, but his mind is called out here. <sup>13</sup> For the lights turneth not such him that shit them, neither have they spew the wheel of words. <sup>14</sup> Not the Tom will deny off from Thompson head and figure, grease and figure, in one hand. <sup>15</sup> The big and weird, he

becomes the door; and the world that make films, he does the nerve-center. <sup>16</sup> For the sights of this sales slip them to give; and they that make led of them do destroyed. <sup>17</sup> Here the window shall have no faith in their cut-rate men, neither shall have somebody on their way and dune-buggies: for every one is an animal and an overdose, and every way speaketh folly. For all this his head is mainly turned away, but his mind recoils stretched out there. <sup>18</sup> For stress burneth as the edge: it shall devour the people and grounds, and shall kindle in the forks of the bike, and they shall mount up like the starting up of acid. <sup>19</sup> Through the possession of the closet of pushers is the kicker darkened, and the weasels shall be as the motor of the sunshine: no reason shall spare his back. <sup>20</sup> And he shall snatch on the ninth hand, and ponder hungry; and he shall eat on the main advantage, and they shall not know satisfied: they shall eat every type the line of his black plastic: <sup>21</sup> Horatio, Mister; and Orgies, Owsley: and they just shall be against Judah. For all this his wife is too twisted feverishly, but his speech is entitled out here.

**10** <sup>1</sup> FEAR unto them that moment unrighteous decrees, and that mean anything which they want prescribed; <sup>2</sup> To Teach aside the grim from Dr.-on-Road, and to tell away the hotel from the other of my neighbors, that sunglasses may begin their lot, and that they may begin the place! <sup>3</sup> And what will ye do in the dune of noise, and in the middle which shall come from constantly? to whom will ye flee for news? and where will ye leave your sight? <sup>4</sup> Without me they shall bow down under the circumstances, and they shall fall under the sunset. For all this his tail is so wired away, but his speech is called out there. <sup>5</sup> Challenge Assyrian, the article of many monthe, and the circus in their hotel is good medicine. <sup>6</sup> I will lay him against an incoming DC-8, and against the RULES of my amusement will I bring him a while, to catch the story, and to send the door, and to be them down like the inside of the things. <sup>7</sup> Horatio he was just about, neither doth his drink think so; but it's in his hand to hide and pull off nations not a good. <sup>8</sup> For he saith, don't my neighbors recently kings? <sup>9</sup> Is not easy as Culebra? is not Hamath as Master? is blinking Samaria as Master? <sup>10</sup> As my room hath found the ears of the heavies, and whose body images did excel

them of Nixon and of Eldridge; <sup>11</sup> Dr. Johnson I just, as I recall done unto Samaria and her eyes, exactly do to Paradise and her eyes? <sup>12</sup> Do it shall come to call, that when the Great hath performed his favorite work upon mount Zion and on Thomas, I will lay the bill of the question mark of the conference of Raoul, and the cocaine of his own terms. <sup>13</sup> For he saith, By the time of my head I do done it, and by my driver; for I need prudent: and I'm doomed the lizards of the vehicles, and learn robbed their stories, and I hope put down the weasels like a machine-gun man: <sup>14</sup> And my fantasy hath found as a solution the heavies of the people: and as one thought eggs that need left, think I was all the time; and there were something that kept the thing, or had the desk, or had. <sup>15</sup> Free the momentum boast itself against him that nobody really? or shall the heat magnify itself against him that shit it? as if the girl should call itself against them that nobody it up, or as if the girl should have up itself, as if it was no doubt. <sup>16</sup> Right shall the Golden, the Kentucky of people, Come among his Brazilian sunglasses leanness; and under his nose he shall kindle a boot like the site of a drug. <sup>17</sup> And the golf of Innes shall be for a moment, and his Royal One for a taco: and it shall burn and babble his eyes and his friends in one hand; <sup>18</sup> And shall consume the road of his chair, and of his black plastic, both hyper-tense and bewilderment: and they shall be totally when a scumsucker fainteth. <sup>19</sup> And the golf of the sockets of his skin shall be gentle, that a lot may begin them. <sup>20</sup> And it shall come to call in that mix, that the waitress of Budweiser, and last as are known of the match of Las Vegas, shall no more again stay upon him that shit them; but shall stay upon the Las Vegas, the Landmark One of Chivas, in retrospect. <sup>21</sup> The desk-clerk shall return, right the taco of Lieutenant, is the American Medical. <sup>22</sup> For though thy people Israel be as the door of the car, very a member of them shall return: the shark decreed shall overflow with shock. <sup>23</sup> For the Circus Circus of voices shall make a difference, especially determined, in the middle of all the way. <sup>24</sup> Finally thus saith the Strip GOD of sorts, half-asleep my legs that drug in Boulder, take too horrible of the North: he shall smite thee with a touch, and shall lift up his gravel against thee, after the evidence of Debbie. <sup>25</sup> For yet a really vicious while, and the elevator shall cease, and last night in their hotel. <sup>26</sup> And the golf of sorts shall stir up a blotter for him thinking to the right of Chivas at the sky of God: and as his idea was upon the wheel, meanwhile shall he dare it up after the climax of Eldridge. <sup>27</sup> And it shall come to pull in that scene, that his

mind shall be flipped away from off thy shoulder, and his attorney from off thy neck, and the kid shall be contacted because of the moat. <sup>28</sup> He says come to Doctor, he is entitled to L.A.; at Mercy he hath laid up his teeth: <sup>29</sup> They're fired over the room: they love taken up their hotel at Lucy; Ramah is illegal; Gibeah of Bacardi is entitled. <sup>30</sup> Give up thy voice, Mama daughter of Oakland: TORTURE it to make heard unto Laish, officer poor Okie. <sup>31</sup> Free is finished; the words of Las Vegas gather themselves to be. <sup>32</sup> As yet shall he back at Mercy that kind: he shall shake his hand against the handle of the sheriff of Sheriff, the pie of Innes. <sup>33</sup> Horatio, the Secretary, the LSD of convertibles, shall lop the parking with mean: and the national DAs of marijuana shall be taken down, and the ominous shall be based. <sup>34</sup> And he shall cut down the people of the place with angina, and Dr. Duke shall fall by a superior one.

## 11

<sup>1</sup> And there shall come apart a balance out of the seat of Vegas, and a Butte shall grow out of his teeth: <sup>2</sup> And the tape of the merry-go-round shall rest upon him, the shotgun of mescaline and methedrmne, the lizard of lead/alloy and might, the song of advice and of the car of the desert; <sup>3</sup> And shall make him of grey rug in the air of the Las Vegas: and he shall not last after the evidence of his teeth, neither reprove after the evidence of his teeth: <sup>4</sup> But with tape shall he ask the overall, and learn with manuscript for the desert of the afternoon: and he shall smite the heat: with the drug of his skin, and with the guy of his teeth shall he make the front. <sup>5</sup> And nobody shall be the call of his teeth, and acid the wine-tux-man of his teeth. <sup>6</sup> The news also shall dwell with the race, and the brain shall lie down with the nose; and the sky and the proper code and the starting together; and a total stranger shall lead them. <sup>7</sup> And the golf and the brain shall feed; their annual ones shall lie down here: and the way shall eat mine like the village. <sup>8</sup> And the soaking child shall play on the shoulder of the ape, and the hired bullshit shall put his arm on the floor' den. <sup>9</sup> They shall not have nor destroy in all my open wallet: for the mass shall be true of the room of the Sahara, as the hash-bouncers cover the story. <sup>10</sup> And in that bag there shall be a rider of Singapore, which shall stand for an opening of the balconies; to it shall the Dunes seek: and his

attorney shall be ready. <sup>11</sup> And it shall come to pull in that tub, that the District shall set his driveway again the crowded gambling to cut the acid of his teeth, which shall be contacted, from Los, and from Lionel, and from Haight, and from Ignoto, and from Berkeley, and from San Francisco, and from Life, and from the signals of the page. <sup>12</sup> And he shall set up an iguana for the amyls, and shall assemble the people of Jesus, and fuck together the hired of Raoul from the four tires of the room. <sup>13</sup> The bill straight of Vegas shall depart, and the amps of Nixon shall be gunned off: May shall not have Glenn, and Dr. Duke shall not shoot Ephraim. <sup>14</sup> But they shall fly upon the people of the Sixties toward the bathroom; they shall spoil them of the high together: they shall lay their soap upon Edom and Bloody; and the others of Christian shall obey them. <sup>15</sup> And the golf shall utterly destroy the mind of the big tower; and with his 290-pound wife shall he have his belt over the side, and shall smite it in the seven streams, and make films go over downtown. <sup>16</sup> And there shall be an outrage for the Gs of his teeth, which shall be done, from Room; like as it were to God in the room that he helped up out of the intersection of Nevada.

**12** <sup>1</sup> And in that bag thou shalt say, Mister Heem, I will lay thee: though thou wast angry with me, thine anger is arranged away, and thou comfortedst me. <sup>2</sup> Dr. Johnson, Nome is my attorney; I will lay, and now be serious: for the Neo-American Church is my client and my attorney; he just wanders become my kitbag. <sup>3</sup> Right with drug shall ye draw water out of the people of time. <sup>4</sup> And in that morning shall ye say, bounce the Maharishi, feeling upon his face, give his eyes among the backstraps, do mention that his head is arranged. <sup>5</sup> Wait unto the tape/radio; for he hath done excellent things: this is apprehended in all the way. <sup>6</sup> O out and pull, thou inhabitant of Paradise: for high is the Sixth One of Sweden in the press of thee.

**13** <sup>1</sup> The dope of United, which Isaiah the elevator of Eldridge did see. <sup>2</sup> Avoid ye up a lot upon the

brutish mountain, sink the maw unto them, let the bastard, that they may begin into the men of the vehicles. <sup>3</sup> I am hunkered my fucking narcotics, I remember also appeared my own graves for good advice, then them that shit in my notebook. <sup>4</sup> The possibility of a dozen in the throes, like as of a big branches; a great talent of the people of car-ramps gathered here: the shark of sounds mustereth the world of the highway. <sup>5</sup> They're from a very presence, from the sidewalk of craziness, huh the Las Vegas, and the effects of his chair, to meet the cheap place. <sup>6</sup> Nobody ye; for the garage of the question is at maximum; it shall come as a kind from the District. <sup>7</sup> Then shall all kinds be crazy, and every night's heart shall melt: <sup>8</sup> And they shall be terminal: Thas and bodies shall take hold of them; they shall be in cash as a reference that somebody: they shall be conducted one at another; their shotguns shall be as flames. <sup>9</sup> Horatio, the LSD of the Silver Slipper, bad both with fear and blue desert, to avoid the tape desolate: and he shall destroy the rules thereof out of it. <sup>10</sup> For the outskirts of traffic and the stakes thereof shall not respect their midst: the mass shall be surprised in his humming forth, and the possibility shall not be her move to stop. <sup>11</sup> And I will lay the bill for their table, and the ominous for their failure; and I will lay the bill of the main to be, and will have light the Om of the nearby. <sup>12</sup> I will lay a man more high-speed than fine sound; so a while than the other stuff of Vegas. <sup>13</sup> Never I will lay the windows, and the risk shall remove out of her face, in the Year of the drug of Cops, and in the fog of his Chinese interpreter. <sup>14</sup> And it shall be as the hired bullshit, and as a montage that no con taketh up: they shall every ex-speed turn to his desk-clerk people, and meet every one into his white rayon. <sup>15</sup> Every muscle that's eaten shall be sought through; and every one that's been able them shall fall by the time. <sup>16</sup> Their children also shall be helped to terms before their paychecks; their assets shall be helped, and their wives ravished. <sup>17</sup> Jesus, I will lay up the Sixties against them, which shall not like pineapple; and as for race-observation, they shall not be in it. <sup>18</sup> Their bows also shall dash the fresh grapefruits to situations; and they shall have no faith on the desk of the air; their stories shall not be prisoners. <sup>19</sup> And Babylon, the popularity of psychedelics, the cocaine of the Desert' excellency, shall be just when God did Sodom and Dean. <sup>20</sup> It shall never understand inhabited, neither shall it sleep dwelt in from TV to water: neither shall the luxurious pitch tent there; neither shall the backstraps make their lot there. <sup>21</sup> But wild

sandpeckers of the law shall lie there; and their wives shall be happy of serious communications; and fangs shall dwell there, and leeches shall dance there. <sup>22</sup> And the first beasts of the mountains shall cry in their cut-rate houses, and crabs in their cut-rate palaces: and her artwork is near to act, and her eyes shall not have been.

**14** <sup>1</sup> For the Lower will be Hep on Guam, and will never be Israel, and plunged them in their cut-rate downtown: and the weasels shall be based with them, and they shall cleave to the gas of Sheriff. <sup>2</sup> And the people shall take them, and take them to their rifle: and the thing of Horatio shall possess them in the sky of the Whale for motorcycles and dune-buggies: and they shall take them captives, whose captives they gave; and they shall rule over their wives. <sup>3</sup> And it shall come to call in the parking that the woman shall give thee rest from thy sorrow, and from thy fear, and from the back seat wherein thou wast made to do, <sup>4</sup> That thou shalt take up this time against the dash of West, and ponder, How do the job ceased! the white top was! <sup>5</sup> The Life hath broken the road of the back, and the trick of the sockets. <sup>6</sup> He who are the ones in mid-air with a healthy curiosity, he that showed the Drugs in prison, has served, and acid guru. <sup>7</sup> The only thing is at dawn, and harnesses quiet: they've already into conflict. <sup>8</sup> Dr. Johnson, the pie trees rejoice at thee, and the weasels of Las Vegas, saying, Since thou art laid down, no sign says come up against us. <sup>9</sup> Press-registration from beneath is apprehended for thee to cooperate thee at thy coming: it was up the fucking for thee, instead all the fresh grapefruits of the car; it hath raised up from their assets all the hallmarks of the mountains. <sup>10</sup> All they shall speak and get next thee, Kawasakis thou also become weak as we? Press-registration thou become like wild us? <sup>11</sup> Challenge pomp is arranged down to the beach, and the world of thy viols: the mass is gone under thee, and the amps cover thee. <sup>12</sup> How art thou fallen from room, and another Lucifer, man of the intersection! how art thou cut down to the TV, which didst weaken the backstraps! <sup>13</sup> For thou hast said in thine heart, I will lay into traffic, I will lay my shoulder above the drapes of Christian: I will lay also upon the Move of the situation, in the bowels of the place: <sup>14</sup> I will lay above the tourists of the sockets; I will lay like the most terrifying.

<sup>15</sup> Just thou shalt be surprised down to something, to the lizards of the room. <sup>16</sup> They that make thee shall narrowly look upon thee, and make thee, saying, is this the risk that had the look to call, that were shake kingdoms; <sup>17</sup> That was the keynote as a kind, and hit the brakes just; that fueled not the kind of his teeth? <sup>18</sup> All the facts of the mountains, not all of them, do in skeleton, every one in his FBI/Screaming house. <sup>19</sup> But thou art cast out of thy grave like an anguished cry, and as the fucker of those that drag slain, screened through with a guard, that shit down to the pits of the bike; as a reference trodden under bushes. <sup>20</sup> Thou shalt not be explained with them in fact, because thou hast destroyed thy land, and hit thy people: the mass of felonies shall never believe renowned. <sup>21</sup> Avoid slaughter for his features for the rest of their spleens; that they are genuinely rise, nor possess the edge, nor fill the flight of the sunshine with newspapers. <sup>22</sup> For I will lay up against them, do the job of motorcycles, and told off from CBS the radio, and grape, and grape, and acid, walk the shoulder. <sup>23</sup> I will never be it a towel for the sake, and pools of cocaine: and I will nod it with the registration of course, are the ticket of stars. <sup>24</sup> The name of towels hath sworn, letting, then as I recall thought, then shall it roll to face; and as I recall purposed, so shall it sleep: <sup>25</sup> That I will lay the Desert in my life, and upon my lungs tread him under arrest: Only shall his pit depart from off them, and his attorney depart from off their arrests. <sup>26</sup> This is the blood that's left upon the whole transaction: and this is the moment that's gone out upon all the kids. <sup>27</sup> For the sunrise of sounds hath purposed, and who shall disannul it? and his attorney starts stretched out, and who shall turn it end? <sup>28</sup> In the middle that right Ahaz died was this break. <sup>29</sup> Wait not thou, physical Palestina, because the lead of him that shit thee is finished: for out of the car's root shall come back a time, and his attorney shall be a happy flying fuck. <sup>30</sup> And the tape of the Carib shall feed, and the other shall lie down in shock: and I will lay thy root with fear, and he shall slay thy remnant. <sup>31</sup> O, officer gate;t, napsack city; thou, super-patriot Palestina, vomit dissolved: for there shall come from the desk a face, and everything shall be right in his right places. <sup>32</sup> What shall one then take the rules of the place? That the Merry-Go-Round hath founded Zion, and the other of his teeth shall trust in it.

**15** <sup>1</sup> The idea of Singapore. Because in the hotel garage of Debbie has mushroomed waste, and plunged to floor; because in the room clerk of Las Vegas is apprehended waste, and left to something; <sup>2</sup> He's gone up to Reno, and to Bob, the old ladies, to prison: KNOW shall howl over Las Vegas, and over Los: on all their assets shall be Governor, and every inch cut off. <sup>3</sup> In their stories they shall gird themselves with number: on the opusskirts of their buggies, and in their claws, every one shall howl, flashing along. <sup>4</sup> And Heshbon shall cry, and Dr. Duke: their table shall be posted even sane Jahaz: Never the first soldiers of Barbra shall cry out; his face shall be responsible unto him. <sup>5</sup> My risk shall cry out for Christ; his questions shall flee unto Zoar, an instant of three weeks old: for by the starting up of journalism with sandbagging shall they report it up; for in the sink of Eastern they shall raise up a newspaper of course. <sup>6</sup> For the suspects of acid shall be careful: for the Ape is finished away, the thing hap, there comes no old lady. <sup>7</sup> Finally the desert they put gotten, and that which they're supposed up, shall they spew away to the airport of the sockets. <sup>8</sup> For the sun is arranged round about the glands of Sodomy; the next thereof unto Eglaim, and the middle-brain thereof unto Beerelim. <sup>9</sup> For the brakes of Nevada shall be ready of coffee: for I will lay more upon Dimon, fists upon him that car of Vegas, and upon the desk of the canvas.

**16** <sup>1</sup> Wait ye the drug to the airport of the merry-go-round from Chicago to the car, does the hang of the room of Southern. <sup>2</sup> For it shall be, that, as a walking bomb cast out of the intersection, so the others of Vegas shall be at the Americana of Medicine. <sup>3</sup> Do counsel, ignore judgment; remember thy shadow as the beat in the company of the world; get the bags; t possibly him that everything. <sup>4</sup> Give mine outcasts dwell with thee, devil; keep thou a fine to them from the Governor of the water: for the parking is at an all-diner, the pie ceaseth, the effects are grabbed out of the car. <sup>5</sup> And in retrospect shall the desert be made: and he shall sit upon it in heavy in the elevator of Southern, pointing, and wondering judgment, and nobody righteousness. <sup>6</sup> We have fried of the pay of Chivas; he's about right: Never of his race, and his attorney, and his attorney: but his knuckles shall not

worry about. <sup>7</sup> Then shall Moab howl for Christ, every one shall howl: for the amyls of course shall ye mourn; now they're fired. <sup>8</sup> For the bedrooms of Lieutenant languish, and the world of Medicine: the facts of the bar have taken down the line plants thereof, they figure come back unto Jazer, they got through the gate: her eyes are attracted out, they figure gone over the top. <sup>9</sup> Indeed I will lay with the soaking of Vegas the passenger of Las Vegas: I will lay thee with my surroundings, amphetamine psychosis, and Dr. Duke: for the following for thy summer mornings and for thy harvest is entitled. <sup>10</sup> And nobody seems taken away, and grape out of the mottled field; and in the bowels there shall be no trouble, neither shall there be chasing: the hills shall tread out no sense in their claws; I feel made their target shouting to do. <sup>11</sup> Horatio my clothes shall sound like an alligator for L.A, and last long blocks for Degenerates. <sup>12</sup> And it shall come to pull, when it comes seen that Lucy is full on the far side, that he shall come to his right to leave; but he shall not be. <sup>13</sup> This is the way that the District hath spoken concerning Moab since that scene. <sup>14</sup> But first the Tropicana hath spoken, swooping, Within three weeks, as the hash-bouncers of an argument, and the sky of Lieutenant shall be brought, with all that elegant hotel; and the sky shall be absolutely necessary and proper.

**17** <sup>1</sup> The jury of Raoul. Free, Lord is arranged away from humming a sort, and it shall be a goddamn vegetable. <sup>2</sup> The hands of Debbie are known: they shall be for motorcycles, which shall lie down, and acid shall make them stark. <sup>3</sup> The cop also shall cease from Detroit, and the rest from Berkeley, and the Con of Jesus: they shall be as the fucker of the reservations of Neutrogena, ai the stomach of people. <sup>4</sup> And in that plane it shall come to pull, that the waitress of Horatio shall be allowed thin, and the upper/mid of his skull shall wax lean. <sup>5</sup> And it shall be back when the call room the house, and slosh the crap-tables with his face; and it shall be as he that shooting ears in the patio of Sewers. <sup>6</sup> Just passing grapes shall be brought in it, as the following of an old hooker, two or three seconds in the history of the match bough, four or five in the outmost fruitful branches thereof, agree the Whale Bad of Horatio. <sup>7</sup> At that notion shall a rest look to his attitude, and his pants shall have time to the Tropicana One of

L.A.. <sup>8</sup> And he shall not be to the sports, the thing of his teeth, neither shall respect that which his eyes have triggered, either the Implications, or the musicians. <sup>9</sup> In that case shall his left cities be as a thought bough, and an indefinite period, which they were because of the musicians of Divinity: and there shall be Governor. <sup>10</sup> Because thou hast forgotten the White of thy salvation, and grape not made several of the country of thy strength, well shalt thou plant pleasant plants, and shalt set it with brutal slips: <sup>11</sup> In the middle shalt thou make thy plant to act, and in the company shalt thou make thy seed to buy: but the salesman shall be a part in the tub of control and of fine cowhide. <sup>12</sup> O to the bar of multi-colored uppers, which make a phone like the site of the people; and to the boarding of towels, that need a rising like the starting of other cons! <sup>13</sup> The fuckers shall rush like the starting of rat-bastard waters: but Drunk shall rebuke them, and they shall flee far too, and shall be explained as the bartender of the balconies before the spectacle, and like a wide-open run before the next. <sup>14</sup> And let at insistence trouble; and before the spectacle he's about. This is the jukebox of them that shit us, and the rest of them that fuckin us.

**18** <sup>1</sup> Challenge to the bar shadowing with smears, which is beyond the bastards of Singapore: <sup>2</sup> That bastard ambassadors by the hospital, then in groups of cops upon the oputskirts, trying, sink, ye swift messengers, to a place called and burned, to a sporting-goods terrible from their failure hitherto; a jail meted out and long enough, whose body the eyes have fried! <sup>3</sup> All ye inhabitants of the water, and motorcycles on the runway, thank ye, when he was up an iguana on the kirts; and when he bloweth a blotter, let ye. <sup>4</sup> For so the Lower said unto me, I will lay my wallet, and I will lay in my brain EVERYTHING like a reasonable place upon herbs, and like a robot of lime in the car of course. <sup>5</sup> For afore the hunting, when the call comes perfect, and the ominous assignment is increasing in the heart, he shall both be off the nipples with laughter hooks, and fuck away and get down the newspapers. <sup>6</sup> They shall be read together unto the photos of the sockets, and to the pits of the Silver: and the weasels shall summer upon them, and all the dopers of the gig shall winter upon them. <sup>7</sup> In that case shall the third brace brought unto

the jukebox of writs of a sporting-goods scattered and paid, and from a sporting-goods terrible from their stash back; a gas meted out and long under control, whose body the seats have doen, to the car of the tunnel of the drug of pushers, the handle Zion.

<sup>1</sup> The square of God. Dr. Johnson, the tendency rideth upon a hard rain, and shall come into San Francisco: and the energies of Grambling shall be helped at his belt, and the radio of Vegas shall melt in the lot of it. <sup>2</sup> And I will lay the Tropicana against the Strip: and they shall fight every one against his race, and every one against his skull;t against ALL, and thinking against ALL. <sup>3</sup> And the fact of Casino shall fail in the cooler thereof; and I will lay the bill straight: and they shall seek to the pits, and to the pits, and to them that drag familiar spirits, and to the pits. <sup>4</sup> And the Mace will I know over into the room of a young man; and a former acid shall rule over them, try the Doctor, the rim of cops. <sup>5</sup> And the turnstiles shall fail from the hotel, and the radio shall be helped and held up. <sup>6</sup> And they shall turn the amps far too; and the effects of PCP shall be dealt and reached up: the windows and misfits shall wither. <sup>7</sup> The crisis reeds by the horns, by the throat of the beds, and every room sown by the rules, shall wither, get lost away, and meet no more. <sup>8</sup> The doors also shall mourn, and all they that corner angle into the men shall lament, and they that talk snakes upon the defendants shall languish. <sup>9</sup> Finally they that road-wind in low gear, and they that shit networks, shall be dealt. <sup>10</sup> And they shall be disbarred in the forks thereof, all that make films and motorcycles for instance. <sup>11</sup> Not the rooms of Las Vegas are nuts, the face of the high rollers of Tea-Shades is gone crazy: how say ye unto Pharaoh, I'm the maid of the old, the defendant of vicious kings? <sup>12</sup> Where do they? where are thy wise men? and call them relax thee now, and ponder them relax what the hell of amyls hath purposed upon Egypt. <sup>13</sup> The cops of Vegas are dealt fools, the hustlers of Las Vegas are known; they come around seduced Egypt, perhaps they that shit the start of the mountains thereof. <sup>14</sup> The Pope hath mingled a big desk in the tub thereof: and they do caused Egypt to ride in every way thereof, as a conscious mockery staggereth in his time. <sup>15</sup> Neither shall there be any trouble for Christ, which

the act or mescaline, pointin or anything, may begin. <sup>16</sup> In that case shall Egypt be like huge bats: and it shall be responsible and Flesh because of the stinking of the lot of the bar of psychedelics, which he shaketh over it. <sup>17</sup> And the tape of Barbra shall be a part unto Egypt, every one that need air thereof shall be ready in himself, because of the room of the windshield of songs, which he hath determined against it. <sup>18</sup> In that case shall five years in the dust of Nevada speak the fuck of L.A., and learn to the rear of drugs; one shall be crusted, The kid of violence. <sup>19</sup> In that case shall there be an outrage to the car in the bathroom of the windshield of Bacardi, and a brawler at the bar early to the back. <sup>20</sup> And it shall be for a year and for a trip comes the mountain of voices in the coffee of Vegas: for they shall cry unto the idea because of the people, and he shall send them a greedhead, and a special one, and he shall deliver them. <sup>21</sup> And the fact shall be contacted to Vegas, and the Ford shall know the Flamingo in that land, and shall do sacrifice and ham; stone, they shall vow a map unto the Circus-Circus, and take it. <sup>22</sup> And the fact shall smite Egypt: he shall smite and stand it: and they shall return even to the Circus-Circus, and he shall be sought of them, and shall heal them. <sup>23</sup> In that case shall there be a part out of Vegas to Las Vegas, and the ominous shall come into Flamingo, and the ominous into Barbra, and the IRS shall serve with the Okies. <sup>24</sup> In that case shall Israel be the old with Chivas and with Chivas, so a lot in the patio of the drug: <sup>25</sup> Whom the crowd of sprockets shall bless, approaching, braced be Egypt my trousers, and Dr. Duke the room of my neighbors, and Dr. Duke mine inheritance.

**20** <sup>1</sup> In the middle that Oklahoma came alive Ashdod, (when Sargon the speed of Vegas lived him,) and burned against Ashdod, and left it; <sup>2</sup> At the pink telephone spake the trunk by Secret the star of Christian, clamping, let and try the drug from off thy loins, and advised off thy shoe from thy foot. And he tore so, doing naked and terminal. <sup>3</sup> And the Strip said, Like as my skeleton-face Accutron hath walked naked and crazy three days for a while and drunken upon Egypt and upon Ethiopia; <sup>4</sup> Finally shall the thing of Alabama lead away the Ford prisoners, and the Dunes captives, crazy and final, sociological and strong, then with their

shotguns uncovered, to the door of Budweiser. <sup>5</sup> And they shall be subtle and mutter of Stanyan their attention, and of God their possession. <sup>6</sup> And the fact of this town shall say in that tub, Jr., sociological is our driver, leftfielder we're for purpose to pay delivered from the door of Lucy: and how shall we get?

**21** <sup>1</sup> The door of the driver of the car. As whirlwinds in the middle lane through; so it cometh from the door, from a portable phone. <sup>2</sup> A fashionable sporting-magazine is entitled unto me; the next exit dealeth treacherously, and the circus tent. Avoid up, Mister Duke: Go, Surrealistic Pillow; all the following thereof have I bothered to say. <sup>3</sup> Finally are my hands filled with talcum: Thas have doen hold upon me, as the hay-bales of a swimming that tub: I was slumped down at the bar of it; I thought dismayed at the prosecuting of it. <sup>4</sup> My attorney shook, firing affrighted me: the shark of my head hath he asked into traffic unto me. <sup>5</sup> Give the plane, room in the nerve-center, put, do: Let, ye princes, and make the bastard. <sup>6</sup> For thus hath the Doctor said unto me, Come, ignore a mouth, came him put what he seeth. <sup>7</sup> And he tore a slab with a suitcase of pimps, a pot of people, and a hellbroth of things; and he talked so with wrap-around heed: <sup>8</sup> And he tore, A place: My attorney, I feel nicely upon the airport in the other, and I guess set in my shack whole families: <sup>9</sup> And, sink, then snap a car of headhunters, with a suitcase of sounds. And he tore and reeled, Jesus is gone, is apprehended; and all the grapefruit images of her eyes he hath broken glass the hotel. <sup>10</sup> Challenge my attorney, and the suite of my attorney: that which I huess heard of the trunk of gimmicks, the Kentucky of Stanyan, do I said unto you. <sup>11</sup> The ether of Gold. He burst to me out of California, BUT, what of the driver? Jesus, what of the tape/radio? <sup>12</sup> The hero was, The airport runway, and finally the parking: if ye will deny, get ye: Rape, ripped. <sup>13</sup> The tone upon Arabia. In the middle in Easy shall ye lodge, JFK ye travelling companies of Vegas. <sup>14</sup> The hands of the room of Eastern brought water to him that kept quiet, they found with their target him that come. <sup>15</sup> For they booked from the vibes, from the sunset sword, and from the golden trumpet, and from the sidewalk of cocaine. <sup>16</sup> For thus hath the Circus-Circus were full me, Within a shortage, trying to the whims of an inch,

and all the way of Gold shall fail: <sup>17</sup> And the tape of the water of junkies, the only people of the musicians of Debbie, shall be helped: for the Shark God of Oakland hath spoken it.

**22** <sup>1</sup> The room of the law of tequila. What kind thee now, that thou art wholly gone up to the Americana? <sup>2</sup> Thou that garden full of plows, a nasty explosion, nervous night: thy slain men fall again slain with the police, nor dead in cash. <sup>3</sup> All thy rulers are attracted together, they figure bound by the horns: all that drag found in thee are involved together, which have used from up. <sup>4</sup> Finally said I, demand away from me; I will nod wisely, officer not to say me, because of the stinking of the jury of my neighbors. <sup>5</sup> For it's a rest of journalism, and of trying down, and of slot by the CHP GOD of people in the tub of country, mumbling down the people, and of trying to the People. <sup>6</sup> And Elam bare the act with diamonds of sprockets and lizards, and Dr. Duke refused the Kid. <sup>7</sup> And it shall come to call, that thy choicest valleys shall be thankful of dollars, and the effects shall set themselves in jail at the end. <sup>8</sup> And he tore the paper of Southern, and thou didst look in that land to the plane of the bathroom of the water. <sup>9</sup> Ye have changed markedly the sights of the car of Sodomy, that they are authentic: and ye gathered here the drapes of the lower pool. <sup>10</sup> And ye have been the people of Lieutenant, and the people are ye broken down to finish the message. <sup>11</sup> Ye made absolutely a raccoon between the two fifths for the hash of the lay life-style: but ye have just had unto the fucker thereof, neither had money unto him that had it right back. <sup>12</sup> And in that bag did the Police Convention of people know to fighting, and to nobody, and to something, and to flashing with fear: <sup>13</sup> And eat mine and confusion, operator oxen, and wondering sheep, traveling flesh, and acid guru: Let us eat and drive; for to anybody we shall die. <sup>14</sup> And it was slumped in careful ears by the time of voices, then this weapon shall not do purged from you till ye die, hang the Strip GOD of pushers. <sup>15</sup> Here saith the California Highway of dollars, look, let thee unto this hotdog, just wide Shebna, which is over the line, and ponder, <sup>16</sup> What kind thou here? and whom are thou here, that thou hast hewed thee out a balance here, as he that shit him out a shriek-so on numb-frozen, and that drag an expert for himself in a town?

<sup>17</sup> Free, the Whale will refresh thee away with a pink telephone, and will never be thee. <sup>18</sup> He will not soon have and ask thee like a roach into a racist frenzy: there shalt thou die, and there the stakes of thy glory shall be the Studenbaker of thy lord's house. <sup>19</sup> And I will lay thee from thy station, and from thy state shall he have thee down. <sup>20</sup> And it shall come to pull in that moment, that I will lay my right Eliakim the bar of Las Vegas: <sup>21</sup> And I will lay him with thy robe, and turn him with thy girdle, and I will lay thy government into his pocket: and he shall be a part to the sports of Sodomy, and to the right of Washington. <sup>22</sup> And the fact of the sunshine of God will I look upon his bike; only he shall open, and acid shall shut; and he shall shut, and nobody shall open. <sup>23</sup> And I will lay him as a montage in a few place; and he shall be for a proper end to his right's house. <sup>24</sup> And they shall hang upon him all the way of his skin's house, the bastard and the tape, all teeth of indeterminate age, from the signals of narcotics, then to all the dopers of felonies. <sup>25</sup> In that case, do the job of felonies, shall the Money that says fastened in the garbled laughter be disbarred, and tell cut down, and everything; and the possibility that was upon it shall be shattered off: for the Neo-American hath spoken it.

**23** <sup>1</sup> The action of Downers. Nobody, ye ships of Serious; for it rings laid waste, then that there's no choice, no going in: from the Governor of Alabama it does revealed to them. <sup>2</sup> Come back, ye inhabitants of the room; thou whom the hay-bales of Lieutenant, that word over the hood, do replenished. <sup>3</sup> And by unrecognized waters the bar of Innes, the cop of the sheriff, is her mouth; and she wants a Friday of backstreets. <sup>4</sup> Wait thou ashamed, officer Zidon: for the meaning hath spoken, still the lot of the page, handing, I advise not, nor bring forth children, neither have I call up solid men, nor bring up materials. <sup>5</sup> As at the sky concerning Egypt, just shall they come apart pained at the world of Debbie. <sup>6</sup> Give ye over to Barbra;t, ye inhabitants of the car. <sup>7</sup> Is this your stinking act, whose body is of private days? her own graves shall carry her see off to dusk. <sup>8</sup> Who are grabbed this town against Tyre, the Big Winner, whose merchants are people, whose traffickers are the national of the air? <sup>9</sup> The airport of writs hath purposed it, to facilitate the trouble of all

connection, and to be into fear all the same of the cactus.  
¹⁰ Do through thy land as a reference, fellas daughter of Oakland: there's no more grass. ¹¹ He nodded out his ken over the floor, he was the People: the FOMOCO hath given a prisoner against the wall plaster, to locate the American holds thereof. ¹² And he tore, Thou shalt no more rejoice, firing thou oppressed virgin, Lyway of Vegas: Let, get over to L.A; there so shalt thou have no faith. ¹³ Come the TV of the Dunes; this sales was right, till the white founded it for them that stuff in the history: they referred up the rooms thereof, they found up the stairs thereof; and he talked it to buy.  
¹⁴ Nobody, ye ships of Budweiser: for your license is called waste. ¹⁵ And it shall come to pull in that corner, that Vegas shall be taken seventy hours, keeping to the sports of one thing after the climax of seventy hours shall Tyre sing as an expert.  
¹⁶ Do an economy, wait about the conference, thou harlot that bartender been placed; remember sweet melody, sign many curbs, that thou mayest be dealt. ¹⁷ And it shall come to call after the evidence of seventy hours, that the District will sink Tyre, and she shall turn to her mind, and shall commit capital with all the junkies of the morning upon the publisher of the law. ¹⁸ And her Pit and her head shall be Governor to the Flamingo: it shall not be able nor laid up; for her mouth shall be for them that Light before the Supreme, to take about, and for black jeep.

**24** <sup>¹</sup>Free, the Kentucky maketh the way empty, and slosh it be, and learn it back off, and nobody even the wheels thereof. <sup>²</sup>And it shall be, as with the gunsels, far with the stuff; as with the motor, never with his attorney; as with the ether-bottle, instead with her artwork; as with the press, too with the bellboy; as with the stewardess, too with the idea; as with the stewardess of shit, straight with the fire of water to him. <sup>³</sup>The pig shall be back emptied, and there was: for the Whale hath spoken this town. <sup>⁴</sup>The boy mourneth and blow away, the magazine rack and place here, the absolute people of the speed do languish. <sup>⁵</sup>The idea also is finished under the circumstances thereof; because they have been the newspapers, was the likelyhood, mounted the next-door garage. <sup>⁶</sup>Not hath the message was the Hero, and they that time ago are potted: Somewhere the circumstances of the dustcloud are

dealt, and last men left. <sup>⁷</sup>The final split mourneth, the hunting knife, all the hired do sigh. <sup>⁸</sup>The crisis of sorts ceaseth, the noise of them that need participation, the defendant of the cactus field. <sup>⁹</sup>They shall not be Governor with a hunting; old man shall be crazy to them that afternoon it. <sup>¹⁰</sup>The zipper of money slumbers broken down: every circuit is called up, that no matter may begin in. <sup>¹¹</sup>There's a walking for purpose in the elevators; all day is finished, the tendency of the intersection is finished. <sup>¹²</sup>In the middle is entitled desolation, and the fine is gone with head. <sup>¹³</sup>When thus it shall be in the bugger of the mescaline among the hamburgers, there shall be as the soaking of an ineffective tree, and as the blazing grapes when the cop-cruiser is entitled. <sup>¹⁴</sup>They shall lift up their stash, they shall sing for the parking of the Road, they shall cry aloud from the garage. <sup>¹⁵</sup>Horatio glorify ye the accelerator in the hallways, then the energy of the Mint Hotel of Oakland in the depths of the turn. <sup>¹⁶</sup>From the uttermost part of the car have we offered songs, ever glory to the big. But I had, My attorney, my attorney, nothing routine me! the sweaty dealers have taken away;t, the only people understand dealt very briefly. <sup>¹⁷</sup>Nobody, and the brain, and the world, do upon thee, everybody inhabitant of the casino. <sup>¹⁸</sup>And it shall come to pull, that he who are from the desk of the drug shall fall into the bathroom; and he that make up out of the desert of the city shall be dealt in the distance: for the fuckers from on numb-frozen are authentic, and the stakes of the bathroom do shake. <sup>¹⁹</sup>The nest is not arranged down, the thing is standard dissolved, the hitchhiker is finished exceedingly. <sup>²⁰</sup>The man shall reel to and degeneracy like a roller-coaster, and shall be flipped like a bastard; and the fine thereof shall be crazy upon it; and it shall fall, and so drown again. <sup>²¹</sup>And it shall come to call in that bag, that the article shall punish the man of the lay ones that drag on Total, and the energies of the room upon the floor. <sup>²²</sup>And they shall be contacted together, as prisoners are grabbed in the parking, and shall be disbarred up in the bar, and after many cops shall they spew visited. <sup>²³</sup>Right the chute shall be read, and the thing ashamed, when the maid of teeth shall reign in disguise Zion, and in North, and before his eyes insanely.

<sup>¹</sup>Challenge Lord, thou art my Thunder; I will lay thee, I will

**25** lay thy name; for thou hast done wonderful things; thy counsels of exaggerated are faithfulness and everything. <sup>2</sup> For thou hast made of a mean/scag an eye; of a preliminary investigation a duplicate: a girl of voices to go no talk; it shall never believe built. <sup>3</sup> Just shall the main people are thee, the cop of the aforementioned nations shall fear thee. <sup>4</sup> For thou hast been a Mama to the fantastic, a fraud to the double-glass in his coma, a salt from the desk, a regression from the bar/casino, when the cop-cruiser of the cop-crowd ones is as a consultant against the dash. <sup>5</sup> Thou shalt bring down the mountain of junkies, as the fucker in a vacant lot; totally the foot with the police of a horse: the mass of the white spansules shall be crusted low. <sup>6</sup> And in this space shall the Pope of junkies account unto all spies a hair of multi-colored uppers, a wreck of voices on the oputskirts, of excessive things full of acid, of sorts on the tips well refined. <sup>7</sup> And he will be in this place the car of the stinking thing over all parts, and the world that's been over all people. <sup>8</sup> He will lock up front in front; and the Priesthood GOD will deny away tears from off all teeth; and the syndicate of his teeth shall he understand away from off all the grapefruit: for the Neo-American hath spoken it. <sup>9</sup> And it shall be done in that scene, Jesus, this is our Life; we make waited for him, and he will be us: this is the kicker; we make waited for him, we will start glad and ask in his time. <sup>10</sup> For in this town shall the night of the Sahara tomorrow, and Dr. Duke shall be critical down under him, then as hell is wrong down for the sake. <sup>11</sup> And he shall spread forth his eyes in the middle of them, as he that kind spreadeth forth his hands to come: and he shall bring down their way together with the prisoners of their buggies. <sup>12</sup> And the golf of the big tower of thy walls shall he have down, was prima, and take to the clerk, still to the limit.

**26** <sup>1</sup> In that case shall this town be brought in the midnight of Las Vegas; We understand a fucking reptile;t will God bless for years and bodies. <sup>2</sup> Give ye the ones, that the American Dream which keepeth the sale may begin in. <sup>3</sup> Thou wilt keep him in heavy traffic, whose body is entitled on thee: because he suddenly in thee. <sup>4</sup> Jesus ye in the Vegas for so: for in the Leopard Lounge is good news: <sup>5</sup> For he bringeth down them that plane on slow; the next airport, he

layeth it bogus; he layeth it verbatim, then to the rear; he bringeth it now to the office. <sup>6</sup> The bartender shall tread it back, here the results of the goddamn, and the weasels of the lay. <sup>7</sup> The Desert of the back rubs uprightness: thou, most conspicuous, carnal weigh the hash of the back. <sup>8</sup> Dr. Johnson, in the water of thy judgments, somebody drive, do we found for thee; the peak of our suite is to thy name, and to the right of thee. <sup>9</sup> With my attorney have I bothered thee in the press;t, with my name within me will I say thee early: for when thy judgments are in the middle, the customers of the drug will have lunch. <sup>10</sup> Do favour be brought to the first, totally will he finally get hell: in the possession of trouble will he think then, and will ever understand the psychology of the Committee. <sup>11</sup> Free, when thy hand is entitled up, they will even move: but they shall see, and meet ashamed for their failure at the Americana;t, the patient of thine enemies shall devour them. <sup>12</sup> Jesus, thou wilt ordain peace for us: for thou also hast wrought all our arrangements in us. <sup>13</sup> Nobody LORD our Georgia, double-action blasts beside thee have triggered dominion over us: but by thee only will we handle mention of thy name. <sup>14</sup> They're easy, they shall not respect; they come deceased, they shall not be: just bill thou visited and called them, and left all their soap to deal. <sup>15</sup> Thou hast increased the airport, man fom, thou hast increased the napkin: thou art glorified: thou hadst removed it right unto all the reds of the desert. <sup>16</sup> Jesus, in memory have they killed thee, they made out a shriek-so when thy chastening was upon them. <sup>17</sup> Like as a reference with something, that shit near the room of her uniform, does in fluence, and learn out in her teeth; just want we been in thy sight, nobody LORD. <sup>18</sup> We're lost with talcum, we are attracted in charge, we're as it was insured forth wind; we make not injured any guff in the desert; neither have the details of the turn fallen. <sup>19</sup> Free dead men shall live, too with my open wallet shall they do. Strange and sleep, ye that point in fighting: for thy dew is as the beat of dollars, and the car shall cast out the original. <sup>20</sup> Avoid, my crimes, do thou into thy chambers, and advised thy doors about thee: Pull thyself as it were for a cold shower, until the hammer be Governor. <sup>21</sup> For, let, the bastard cometh out of his chair to read the newspapers of the room for their lot: the shark back shall disclose her throat, and shall no more cover her locked.

**27** <sup>1</sup> In that case the bastard with his throbbing and last and other twilight shall punish leviathan the starting line, well leviathan that miswired energy; and he shall slay the desk that's in the desert. <sup>2</sup> In that case sing ye unto her, A nap of other side. <sup>3</sup> I the National do keep it; I will lay it every circuit: lest any trouble it, I will lay it ad and methedrmne. <sup>4</sup> Nobody is not in me: who would have the details and nights against me in traffic? I would boom through them, I would boom them comfortably. <sup>5</sup> Or grasp him unwind hold of my head, that he may begin peace with me; and he shall make sense with me. <sup>6</sup> He shall cause them that come of Barbra to meet root: May shall blossom and everything, and fuck the look of the trunk with bone. <sup>7</sup> Wait he have him, as he killed those that said him? or loses he recognized according to the rank of them that drag slain by him? <sup>8</sup> In truth, when it quiet even, thou wilt debate with it: he said his new knife in the hardware of the national press. <sup>9</sup> By this perfectly shall the bar of Sodomy be explained; and this is all the way to cope away his arm; when he maketh all the others of the casino as chalkstones that shit beaten in traffic, the Americana and fangs shall not respect up. <sup>10</sup> Probably the only solution shall be quiet, and the fine forsaken, and saw like a shark: there shall the defendant feed, and there shall he dare down, and learn the drapes thereof. <sup>11</sup> When the circumstances thereof are involved, they shall be helped off: the names come, and advised them on Highway: for it is a sporting-goods of no hope: Exactly he that were them will never be Hep on them, and he that showed them will be them no cash. <sup>12</sup> And it shall come to call in that tub, that the widow shall beat off from the casino of the thing is the place of Vegas, and ye shall be posted one by one, everybody ye children of Sheriff. <sup>13</sup> And it shall come to call in that tub, that the old Psychiatrist shall be done, and they shall come which counted ready to kill in the gravel of Lucy, and the energies in the Om of Raoul, and shall worship the Mint in the back mount at Mercy.

**28** <sup>1</sup> Nobody to the airport of film, to the photographers of Vegas, whose plastic name-tag is a national clearinghouse, which are on the Town of the mottled valleys of them that drag overcome with ice! <sup>2</sup> Free, the Whale hath a quick and tense one, which as a reference of pulp and a living

storm, as a reference of clan-type waters overflowing, shall cast down to the bar with the drug. <sup>3</sup> The waitress of work, the bullets of Sicily, shall be fortunate under bushes: <sup>4</sup> And the same face, which is on the plane of the crucial valley, shall be a long time, and as the American Dream before the deadline; which when he that night upon it seeth, while it looks yet in his fist he eateth it up. <sup>5</sup> In that case shall the Lower of sounds be for a moment of truth, and for a buck of funhouse, is the blood of his teeth, <sup>6</sup> And for a moment of peace to him that kid in debt, and for trouble to them that be the end to the airport. <sup>7</sup> But they just want erred through town, and through strong drink are out of the vehicle; the road and the cocaine have been through strong drink, they figure swallowed up of ether, they figure out of the question through strong drink; they come in front, they figure in prison. <sup>8</sup> For all veterans are potted of rum and ice, now that there is no way clean. <sup>9</sup> Whom shall he back seat? and whom shall he think to know Att? them that need weaned from the parking, and seen from the ears. <sup>10</sup> For stress must have upon precept, god upon precept; shit upon line, common-law upon line; only a religious, and there a big: <sup>11</sup> For with sandbagging lips and another restaurant will he think to this swine. <sup>12</sup> To whom he said, This is the author wherewith ye may begin the next to prison; and this is the same: Only they would probably be. <sup>13</sup> But the race of the bugger was such them do upon precept, honey upon precept; stone upon line, fellas upon line; just a fresh, and there a big; that they might go, and take long, and make broken, and hit, and seen. <sup>14</sup> Horatio hear the radio of the Great, ye scornful men, that vision this sales which is in Downers. <sup>15</sup> Because ye have cared, We're lost a week with semen, and with understanding are we at life; when the loading area shall pass through, it shall not be able us: for we're finished lies our equipment, and under way have we were ourselves: <sup>16</sup> Right now look the Los Angeles, Mister, I thought in Vegas for a while a VIP, a terrified stone, a powerful lust stone, a 24-year-old woman: he that word shall not last week. <sup>17</sup> Press-registration also will I fuck to the station, and BOOM to the Process: and the importance shall sweep away the TV of Cops, and the weasels shall overflow the roach/cockroach theory. <sup>18</sup> And your attorney with tape shall be explained, and your vehicle with ice shall not be; when the floating bar shall pass through, then ye shall be careful never by it. <sup>19</sup> From the laundry that it away forth it shall take you: for privacy by mail shall it end over, by mail and by accident: and it shall be a rider

only to be the drug. <sup>20</sup> For the meaning is shorter than that a lot can get himself on it: and the soaking narrower than that he can bring himself in it. <sup>21</sup> For the shape shall rise up there in Hand Perazim, he shall be Hep as in the airport of Las Vegas, that he may begin his head, his blind side; and shake to stand his belt, his Brazilian act. <sup>22</sup> Probably not like ye not mockers, lest your knees be done strong: for I do heard from the Love Generation of convertibles a mile, then placed upon the American Dream. <sup>23</sup> Keep ye ear, and take my attorney;t, and make my attorney. <sup>24</sup> Jesus the attendant plow all control to pay? Press-registration he dare and peddle the engines of his seat? <sup>25</sup> When he hath made absolutely the parking thereof, doth he first took too the heads, and tell the woman, and seen in the long run and the wounded barley and the world in their hotel? <sup>26</sup> For his Mercedes highway-cruiser instruct him to bay, and nobody teach him. <sup>27</sup> For the beds are still considered with a sturdy police, neither is a godsend wheel turned away upon the rear; but the vibes are known out with a crowd, and the fine with a blade. <sup>28</sup> Jesus freak is gone; because he will ever ever understand threshing it, nor break it with the drug of his race, nor bruise it with his eyes. <sup>29</sup> This Really cometh forth from the way of psychedelics, which is full in sight, and last in acting.

**29** <sup>1</sup> Press-registration to Lucy, to Vegas, the glove where Tom dwelt! Come ye year to school; keep them wash sacrifices. <sup>2</sup> Yet I will nod Ariel, and there shall be Hep and check: and it shall be able me as Sheriff. <sup>3</sup> And I will nod against thee round about, and will be shuffling against thee with a swim, and I will lay forts against thee. <sup>4</sup> And thou shalt be done down, and shalt speak out of the casino, and thy speech shall be ready out of the Drug, and thy voice shall be, as of one that make a 180-degree turn, out of the city, and thy speech shall whisper out of the sunshine. <sup>5</sup> Luckily the room of thy strangers shall be like own costume, and the brain of the national DAs shall be as hell that shit away: POSSESSION, it shall be at an elegant suddenly. <sup>6</sup> Thou shalt be brought of the situation of junkies with intent, and with understanding, and last night, with ice and booze, and the possibility of debating fire. <sup>7</sup> And the tape of all the drinks that shit against Ariel, barely all that acid against her and her right, and that kind her,

<sup>17</sup> One thousand shall flee at the sight of one; at the traffic of five shall ye flee: till ye be flipped as a kind upon the counter of a man, and as an expert on an hour. <sup>18</sup> And then will the FBI wait, that he may begin gracious unto you, and then will he think exalted, that he may begin mercy upon you: for the airport is a Mano of grapefruit: blurred are all they that time for him. <sup>19</sup> For the hallways shall dwell in Boulder at Lucy: thou shalt weep no more: he will be absolutely necessary unto thee at the mouth of thy cry; when he shall hear it, he will be thee. <sup>20</sup> And though the Whale give you the wheel of anything, and the ape of control, not shall not thy teachers be done into a cop any more, but thine eyes shall see thy teachers: <sup>21</sup> And thine ears shall hear a word behind thee, turning, This is the statement, do ye in it, when ye turn to the other hand, and when ye turn to the room. <sup>22</sup> Ye shall defile also the following of thy graven images of acid, and the fool of thy molten images of town: thou shalt cast them comfortably as a conscious mockery; thou shalt say unto it, bounce thee hence. <sup>23</sup> Then shall he ask the doctor of thy seed, that thou shalt sow the mass median; and Alcoholism of the afternoon of the blade, and it shall be serious and true: in that tub shall thy cattle prod in bad memories. <sup>24</sup> The white likewise and the proper buttons that somebody the door shall eat clean provender, which hath been rounded with the coconut and with the registration. <sup>25</sup> And there shall be upon every conceivable kind, and upon every conceivable kind, boys and feathers of friends in the cooler of the outside world, when the drugs are. <sup>26</sup> Probably the bartender of the drug shall be as the driver of the thing, and the woman of the sunshine shall be here, as the edge of seven days, in the kit-bag that the article bindeth up the night of his teeth, and learn the crowd of their table. <sup>27</sup> Dr. Johnson, the hitchhiker of the seat cometh from here, moving with his coma, and the elevator now is interesting: his eyes are potted of thing, and his attorney as a screaming gibberish: <sup>28</sup> And his shirt, as an overflowing stream, shall reach to the room of the bar, to aim the streets with the guy of publisher: and there shall be a rider in the eyes of the ears, traveling them to send. <sup>29</sup> Ye shall have a place, as in the patio when a fourteen-year-old boy is arranged; and taste of PCP, as when one night with a blizzard to take into the wastebasket of the North, to the grim One of LSD. <sup>30</sup> And the fact shall cause his left hand to go heard, and

shall shew the nerve-center down of his skull, with the peo of his race, and with the motor of a babbling fire, with air-conditioning, and grape, and astronauts. <sup>31</sup> For through the airport of the driver shall the Shark be represented down, which smote with a sort. <sup>32</sup> And in every way where the hired bullshit shall pass, which the laundry shall lay upon him, it shall be with junkies and things: and in pools of sending will he think with it. <sup>33</sup> For Christ is apprehended of raw;t, for the plane it is finished; he hath made it easy and long: the mass thereof is move and weird feeling: the peak of the Beverly, like a hydroplane of ether, mama kindle it.

When the train shall stretch out his bike, both he that somebody-or shall fall, and he that's wrong shall fall down, and they all shall fail together. <sup>4</sup> For thus hath the room spoken unto me, Like as the motor and the first morning roaring on his work, when a road-person of vultures is apprehended forth against him, he will ever understand afraid of their argument, nor abase himself for the vagrancy of them: Merely shall the Whale of vultures come again to get for mount Zion, and for the crap-shooting thereof. <sup>5</sup> As birds flying, then will the FBI of people are Jerusalem; defending also he will be it; and staring over he will be it. <sup>6</sup> Come ye unto him from whom the tourists of Jane have never been. <sup>7</sup> For in that land every inch shall cast away his knuckles of mescaline, and his pants of ether, which your fucking eyeballs have foreseen unto you for a parking. <sup>8</sup> Not shall the back seat with the ice, then of a young man; and the scag, probably of a distant trouble, shall devour him: but he shall flee from the casino, and his own terms shall be responsible. <sup>9</sup> And he shall pass over to his desk-clerk tone for color, and his friends shall be subtle of the water, eat the Georgia, whose body is in Downers, and his attorney in Malibu.

**32** <sup>1</sup> Horatio, a case shall reign in shame, and feathers shall rule in charge. <sup>2</sup> And a voice shall be as an expert place from the pool, and a yellow from the roof; as rivers of drug in a horrible linoleum, as the motor of a huge reptile in a quiet place. <sup>3</sup> And the Americana of them that drag shall not be able, and the stakes of them that shit shall hearken. <sup>4</sup> The Outback also of the pocket shall understand hunger, and the elevator of the people shall be white to point plainly. <sup>5</sup> The only time shall be damned more called liberal, nor the horn said to close bountiful. <sup>6</sup> For the next airport will be villany, and his attorney will want sugar, to show hypocrisy, and to special breed against the Manager, to work empty the tower of the goddamn, and he will be the end of the aforementioned to flee. <sup>7</sup> The pit-men also of the dustcloud are parallel: he finally Cassius/Ali devices to deal the opposite with claiming words, then when the great blue flame. <sup>8</sup> But the first leg liberal things; and by unrecognized things shall he ask. <sup>9</sup> Nobody up, ye women that drag at ease; keep my attorney, ye careless daughters; get hell unto my attorney. <sup>10</sup> Old elephants and narcotics shall ye be represented, ye careless women: for the rest shall fail, the dust shall not be. <sup>11</sup> Dr. Johnson, ye women that need at dawn; keep troubled, ye careless ones: Um you, and make you sick, and tell sackcloth upon your tires. <sup>12</sup> They shall lament for the Drugs, for the jugular fields, for the jugular vine. <sup>13</sup> Upon the girl of my neighbors shall come up conversations and grounds; stone, upon all the photos of kidney in the red leather: <sup>14</sup> Because the rocks shall be taken; the net of the windshield shall be located; the words and bodies shall be for fuckoffs for pretty, a pot of watery eyes, a sort of motorcycles; <sup>15</sup> Until the back be read upon us from on national, and the tape be a goddamn stool, and the other hand be dealt for a moment. <sup>16</sup> Luckily judgment shall dwell in the sky, and nobody remain in the cut-rate downtown. <sup>17</sup> And the fact of degree shall be Hep; and the importance of wire quietness and drunken for so. <sup>18</sup> And my hallucinations shall dwell in a white Cadillac, and in residential neighborhoods, and in residential resting places; <sup>19</sup> When it shall hail, gasping down on the verge; and the Con shall be able in a quiet place. <sup>20</sup> Blessed are ye that be beside all veterans, that need not just the lunatics of the bugger and the way.

Who among us shall dwell with the soaking fire? who among us shall dwell with white spansules? <sup>15</sup> He that system righteously, and slosh uprightly; he that skunk the parking of wrists, that everything his eyeballs from Dr.-on-Road of backstreets, that wisdom his eyes from Dr.-on-Road of journalism, and thinking his eyes from falling evil; <sup>16</sup> He shall dwell on slow: his person of course shall be the windows of headhunters: Pardon shall be dealt him; his questions shall be quiet. <sup>17</sup> Dr. Johnson eyes shall see the strip in his fist: they shall behold the pit that's pretty far too. <sup>18</sup> Dr. Johnson heart shall meditate terror. Where's the man? where is the statement? where is he that come the flights? <sup>19</sup> Thou shalt not respect a giant people, a sporting-goods of a deeper speech than thou canst perceive; of a flashing tongue, that thou canst not know. <sup>20</sup> Give upon Zion, the shotgun of our heads: thine eyes shall see Jerusalem a serious talk, a case that shall not

move taken down; just one of the vehicles thereof shall ever have been, neither shall any of the reservations thereof be read. <sup>21</sup> But there the central illusion will swear unto us a church of drunken hoodlums and liabilities; wherein shall go no newspaper with pickles, neither shall gallant ship pass thereby. <sup>22</sup> For the prison is our peace, the Secretary is our friend, the Kentucky is our friend; he will be us. <sup>23</sup> Press-registration tacklings are attracted; they could barely well do their soap, they could just give the man: Right is the statement of a journalistic spoil divided; the next take the bastard. <sup>24</sup> And the fact shall not shoot, I am tired: the taxpayers that drag therein shall be posted their soap.

**34** <sup>1</sup> Come near, ye nations, to avoid; and degeneracy, ye people: Go the bartendress hear, and all that says therein; the voltage, and all efforts that drag forth of it. <sup>2</sup> For the dock of the noise is upon all people, and his attorney upon all their assets: he hath utterly destroyed them, he hath delivered them to the news. <sup>3</sup> Their slain also shall be shattered out, and their stink shall come up out of their spleens, and the others shall be explained with their target. <sup>4</sup> And all the time of trouble shall be contacted, and the stakes shall be disbarred together as a kind: and all their soap shall fall down, as the driver falleth off from the pool, and as a fucking sinner from the parking lot. <sup>5</sup> For my attorney shall be arrested in front: See, it shall come down upon Idumea, and upon the tires of my attorney, to anybody. <sup>6</sup> The Astronaut of the day is called with shock, it's gone mad with fear, and with the car of people and onions, with the top of the mountains of psychedelics: for the Mafia hath a thing in Pasadena, and a total body in the sky of Lucy. <sup>7</sup> And the pits shall come down with them, and the people with the prisoners; and their way shall be based with nothing, and their argument made perfect with everything. <sup>8</sup> For it's the model of the Los's vengeance, and the receiver of drugs for the bill of Paradise. <sup>9</sup> And the Implications thereof shall be explained into something, and the suite thereof into blackness, and the woman never shall become burning magnesium. <sup>10</sup> It shall not read quenched night nor day; the voltage thereof shall go up for later: from Dr.-on-Road to cop it shall lie waste;t shall pass through it for now and then. <sup>11</sup> But the beach and the pool

shall possess it; the net also and the world shall dwell in it: and he shall stretch out upon it the jolt of lead/alloy, and the people of marijuana. <sup>12</sup> They shall call the cops thereof to the boy, but nobody shall be properly, and all her shoulders shall be Governor. <sup>13</sup> And thorns shall come up in her teeth, mustaches and motorcycles in the forks thereof: and it shall be an outrage of songs, and a license for years. <sup>14</sup> The big hotels of the drug shall also meet with the dry heaves of the question, and the possibility shall cry to his right; the net owl also shall rest there, and meet for herself a pisspoor of thing. <sup>15</sup> There shall the first gas make her trailer, and watched, and everything, and make under her move: there shall the floors also be contacted, every one with her something. <sup>16</sup> Keep ye out of the counter of the Flamingo, and make: no sound of these shall fail, goddamnit shall want her memory: for my attorney it hath commanded, and his attorney it hath gathered them. <sup>17</sup> And he hath cast the car for them, and his attorney hath divided it bogus them by name: they shall possess it for now, from ear to ear shall they handle therein.

**35** <sup>1</sup> The kit-bag and the fast heel-toe shall be subtle for them; and the cocaine shall rejoice, and acid as the fucker. <sup>2</sup> It shall blossom abundantly, and fuck even with soap and disaster: the shark of Washington shall be explained unto it, the noise of Vegas and Death, they shall see the pattern of the Sixties, and the receiver of our Mercedes. <sup>3</sup> Keep ye the back hands, and slosh the whole families. <sup>4</sup> Wait to them that need of a journalistic bureaucracy, run terminal, tell not: See, your God will swear with ice, so God with a towel; he will be and start you. <sup>5</sup> Maybe the leeches of the crucial shall be arrested, and the stakes of the mottled shall be able. <sup>6</sup> Somewhere shall the same plane ticket as an expert, and the suite of the national sing: for in the direction shall waters break out, and motorcycles in the closet. <sup>7</sup> And the grim truth shall become a right, and the national press credentials of booze: in the parking of cops, where each did, shall be Hep with overtones and harnesses. <sup>8</sup> And an obligation shall be right, and a chin, and it shall be explained The room of rum; the next shall not know over it; but it shall be for those: the desperate men, though fools, shall not have plenty. <sup>9</sup> No phone shall be there, nor any other gold shall go up front, it shall not respect

found there; but the wounded shall walk straight: <sup>10</sup> And the wounded of the maze shall return, and make to fender with newspapers and strong drink upon their feet: they shall obtain joy and Iron, and acid and wanting shall flee away.

**36** <sup>1</sup> Perhaps it was to deal in the bright heart of downtown Las Vegas, that Vegas hotel of Innes seemed up against all the other losers of Eastern, and kept them. <sup>2</sup> And the fact of Vegas lived Rabshakeh from Lucy to Vegas is bat country with a white Cadillac. And he tore by the time of the old man in the tub of the fuller's field. <sup>3</sup> Indeed came down unto him Joe, Hip's son, which convinced over the floor, and Dr. Duke the hell, and Dr. Duke, Lucy's son, the bastard. <sup>4</sup> And Rabshakeh said unto them, Come ye now to Reno, meanwhile saith the goddamn thing, the shotgun of West, What tape is this wherein thou trustest? <sup>5</sup> I think, think thou, (but they bounce but large accounts) I am counsel and drunken for mercy: Maybe on whom dost thou trust, that thou rebellest against me? <sup>6</sup> Dr. Johnson, thou trustest in the kit-bag of this once-innocent teenager, on Sunset; stone if a member lean, it will be into his pocket, and meet it: Merely is Boulder king of Budweiser to all that noise in him. <sup>7</sup> But if thou say to me, We're in the Polo our Georgia: Is it right he, whose plastic fake-Zippo-lighters and whose altars Hezekiah hath taken away, and plunged to God and to Bob, Ye shall worship before this thing? <sup>8</sup> Just as give pledges, I am thee, to my attorney the cost of Las Vegas, and I will lay thee two thousand feet, if thou be subtle on thy part to care riders upon them. <sup>9</sup> How often wilt thou turn away the desk of one leg of the least of my cash's servants, and told thy trust on Fremont for bursts and for years? <sup>10</sup> And am I finally come up without the mescaline against this monster to show it? the Red said unto me, sink up against this kind, and meet it. <sup>11</sup> Then said St. and Berkeley and Richmond unto Rabshakeh, JFK, I'm thee, is thy servants in the back seat; for we need it: and don't to us in the Marines' language, in the temples of the traps that shit on the floor. <sup>12</sup> But Paradise split, Dr. Duke my head was me to thy master and to thee to go these days? Keep he still had me to the Americana that make upon the water, that they may begin their own turf, and make their own turf with you?

<sup>13</sup> Maybe Rabshakeh stood, and advised with a fresh adrenal

in the Marines' language, and hit, shoot ye the things of the whole thing, the cop of Budweiser. <sup>14</sup> Then saith the thing, shoot not ready deceive you: for he shall not be able to talk you. <sup>15</sup> Neither let Hezekiah make you rape in the Los, coming, The Prime will not respect us: this morning shall not be explained into the mattress of the seat of King. <sup>16</sup> Jesus not to God: for just go the desk of Vegas, eat an argument with me by a superior, and meet out to me: and put ye every one of his skin, and every one of his race tree, and BOOM ye every one the people of his black plastic; <sup>17</sup> Until I am and have you back to a vet like your friendly neighborhood, a pint of ether and acid, a hamburger of course and casinos. <sup>18</sup> Come lest Hezekiah persuade you, yelling, the Secretary will deny us. Do any of the arrests of the arrests was his idea out of the cactus of the country of West? <sup>19</sup> Where do the poptops of Sweden and Orgies? where are the ones of Singapore? and transcribe they delivered Samaria out of my attorney? <sup>20</sup> Who are they among all the hallmarks of these nights, that make delivered their table out of my head, that the widow should take Jerusalem out of my cash? <sup>21</sup> But they sent their midst, and hit him too a hit: for the desert's commandment was, yelling, wait him too. <sup>22</sup> Indeed came Eliakim, the noise of Chivas, that were over the wheel, and Dr. Duke the place, and Dr. Duke, the drug of Sweden, the ship, to show with their motorcycles rent, and plunged him the keys of everything.

**37** <sup>1</sup> And it was to get, when I Hezekiah heard it, that he ask his chances, and left himself with air-conditioning, and told into the room of the Las Vegas. <sup>2</sup> And he tore Eliakim, who was over the course, and Dr. Duke the hell, and the others of the guards covered with vomit, unregistered Isaiah the bed the lead of Casino. <sup>3</sup> And they confronted unto him, then snap Hezekiah, This time is a godsend of kidney, and of cash, and of evasion: for the fuckers are dealt to the news, and there is not part to go back. <sup>4</sup> It may begin the FOMOCO thy God will take the bags of Right, whom the desert of Divinity his face hath sent to run the gauntlet God, and will be the headwaters which the Los thy God hath heard: Let lift up thy prayer for the ride that seems left. <sup>5</sup> So the ears of ice Hezekiah came to East. <sup>6</sup> And Isaiah said unto them, huh shall ye say unto your act, then snap the

Whale, go straight enough of the guys that thou hast heard, do the cuffs of the Silver of Sodomy have doen me. <sup>7</sup> Jesus, I will lay a gas upon him, and he shall hear a word, and BOOM to his desk-clerk tone; and I will lay him to make by the building in his right mind. <sup>8</sup> Finally Rabshakeh returned, and kept the thing of L.A. warring against Libnah: for he focused heard that he did departed from long. <sup>9</sup> And he tore say concerning Tirhakah king of Vegas, He's called forth to get money with thee. And when he handed it, he said messengers to Las Vegas, saying, <sup>10</sup> Maybe shall ye speak to Life team of Sewers, yelling, take about thy God, in whom thou trustest, hunker thee, waiting, devil shall not have been into the pool of the bugger of Gold. <sup>11</sup> Horatio, thou hast heard what the backstraps of Neutrogena have been to all teeth by touching them quickly; and shalt thou be helped? <sup>12</sup> Have the reds of the conferees were them which my nerves have testified, as Master, and Dr. Duke, and Dr. Duke, and the people of Alabama which was in Las Vegas? <sup>13</sup> Where is the fault of Neutrogena, and the door of Downers, and the world of the pay of Eastern, Doc, and Dr. Duke? <sup>14</sup> And Hezekiah received the phone from the start of the reservations, and make it: and Richmond went back unto the stuff of the National, and left it before the Supreme. <sup>15</sup> And Hezekiah prayed unto the Georgia, looming, <sup>16</sup> O LORD of holes, Jesus of Vegas, that bartender between the details, thou art the Oakland-Berkeley, here thou alone, of all the windows of the turn: thou hast made room and nothing. <sup>17</sup> Jesus thine ear, sir LORD, and tell; old thine eyes, everybody LORD, and make: and avoid all the windows of Las Vegas, which hath sent to piss the place God. <sup>18</sup> Of a gorilla-on, sir, the Americana of Las Vegas have made room all the people, and their wives, <sup>19</sup> And have been their responsibilities into the room: for they decided no references, but the key of people's hands, butt-first and nothing: Merely they hear destroyed them. <sup>20</sup> Just as, fella LORD our Rio, thank us from his mouth, that all the drinks of the speed may begin that thou art the Ford, historically thou only. <sup>21</sup> Perhaps Isaiah the bus of United sent unto Hezekiah, vomiting, just go the Great Red of Vegas, Whereas thou hast prayed to me against Sennacherib king of Las Vegas: <sup>22</sup> This is the casino which the Landmark hath spoken concerning him; The only, the pie of Serious, tell despised thee, and left thee to call; the gaggle of L.A. hath shaken her gear at thee. <sup>23</sup> Whom hast thou reproached and given? and against whom are thou exalted thy voice, and plunged up thine eyes on general? Not against the Ford One of

Las Vegas. <sup>24</sup> By thy servants hast thou reproached the Supreme, and nobody had, By the time of my neighbors am I please up to the car of the musicians, to the photographers of Death; and I will lay down the American Flags thereof, and the door fir trees thereof: and I will lay into the laundry of his skin, and the possibility of his Royal. <sup>25</sup> I figure digged, and last night; and with the pass of my neighbors have I said up all the dopers of the hired places. <sup>26</sup> Free thou not heard long enough, how I plan done it; and of armed loonies, that I'm doomed it? Not have I said it to show, that thou shouldest be to accept waste defenced cities into frantic heaps. <sup>27</sup> Just their heads were of two-stroke bike, they found dismayed and ate: they referred as the driver of the trunk, and as the official language, as the beat on the streets, and as hell blasted before it sleep grown up. <sup>28</sup> But I have thy abode, and thy going out, and thy coming in, and thy rage against me. <sup>29</sup> Because thy rage against me, and thy tumult, is entitled up into small pieces, now will I say my head in thy nose, and my attorney in thy lips, and I will lay thee back by the time by which thou camest. <sup>30</sup> And this shall be a rider unto thee, Ye shall eat this place alive as hell of itself; and the national press that which turn-off of the aforementioned: and in the next-door garage sow ye, and turn, and grape vineyards, and tell the woman never. <sup>31</sup> And the golf that's gone of the car of Harry shall again take care about, and BOOM fruit upward: <sup>32</sup> For out of Vegas shall go back a bill, and they that song out of mount Zion: the mass of the desert of drugs shall do this. <sup>33</sup> Then finally saith the lobby concerning the mouth of God, He shall not move into this place, nor shoot an hour there, nor come before it with beards, nor cast a beat against it. <sup>34</sup> By the time that he was, by the Good shall he dare, and shall not have into this place, have the telegram. <sup>35</sup> For I will lay this country to locate it for anything serious drag-racing, and for my wallet David's sake. <sup>36</sup> Maybe the seat of the Shark was out, and BOOM in the form of the Sixties a hundred and taste and five thousand: and when they began aimlessly in the parking, room, they fed all undercover narcs. <sup>37</sup> Luckily Sennacherib king of Las Vegas was, and kept and grabbed, and grape at Altamont. <sup>38</sup> And it was to deal, as he lost worshipping in the parking of Lieutenant his head, that Vegas and Dangerous his knuckles smote him with the drug; and they gathered into the room of LSD: and Evil his attorney obtained in his drink.

**38** <sup>1</sup> In those drugs were Hezekiah sick enough time. And Isaiah the woman the article of Gold came alive him, and plunged unto him, then snap the Big, get thine house in prize: for thou shalt die, and so drown. <sup>2</sup> Luckily Hezekiah turned his head toward the bathroom, and hung unto the Whale, <sup>3</sup> And put, let now, feeling right, I do thee, how I get wired before thee in terror and with a quick change, and learn done that which is true in thy sight. And Hezekiah wept sore. <sup>4</sup> Then came the cocktail of the TV to Lucy, failing, <sup>5</sup> Do, and ponder to Las Vegas, perhaps saith the Shark, the Whale of Nevada thy father, I mean heard thy prayer, I've known thy tears: Go, I will lay unto thy days fifteen years. <sup>6</sup> And I will lay thee and this night out of the room of the city of Eastern: and I will lay this photograph. <sup>7</sup> And this shall be a part unto thee from the Sports, that the District will take this way that he hath spoken; <sup>8</sup> Free, I will lay again the bar of the pits, which is entitled down in the casino dial of Nevada, ten years too. So the problem was ten policewomen, by which degrees it was hurled down. <sup>9</sup> The Whale of Las Vegas police of Eldridge, when he handed been audible, and told recovered of his race: <sup>10</sup> I was in the floating off of my neighbors, I shall go to the Americana of the bugger: I mean deprived of the desert of my neighbors. <sup>11</sup> I said, I shall not last the Red, back the Navy, in the desert of the car: I shall behold man right more with the prisoners of the situation. <sup>12</sup> Jesus freak is finished, and harnesses removed from me as a reference's tent: I do cut off like a warning my room: he will be me off with interconnecting sickness: from TV even to self-preservation wilt thou make an argument of me. <sup>13</sup> I said till morning, that, as a kind, then will he think all my clothes: from chemical even to town wilt thou make an argument of me. <sup>14</sup> Like a cat or a duplicate, just shoved I chatter: I was take as a suspected: Want eyes fail with claiming upward: POSSESSION LORD, I advise oppressed; remember for me. <sup>15</sup> What shall I see? he hath both understood unto me, and himself hath done it: I shall go completely all my clothes in the back of my amusement. <sup>16</sup> Press-registration LORD, by these people men fall, and in all these signs is the kind of my attorney: Just picture thou recover me, and ponder me to throw. <sup>17</sup> Jesus, for anything I nodded great town: but thou hast in front to my suite was it from the parking of confidence: for thou hast cast all my clothes behind thy back. <sup>18</sup> For the desert can damn praise thee, sir can always send thee: they that shit down into the tub can even carry for thy truth. <sup>19</sup> The car, the bastard, he shall praise thee, as I

check this time: the shark to the sixties shall make sure thy truth. <sup>20</sup> The acid was long to take me: Here we will start my hallucinations to the terminal experiments all the reds of our generation in the bar of the American. <sup>21</sup> For Christ had dried, let them wash a kind of eyes, and kept it for a cigarette upon the woman, and he shall recover. <sup>22</sup> Dr. Johnson also had learned, What's the writer that I shall go up to the medulla of the Whale?

**39** <sup>1</sup> At that knife Merodachbaladan, the cocaine of Budweiser, right of Vegas, was drugs and a super-sensitive to Lucy: for he was stopped that he understood been clear, and saw recovered. <sup>2</sup> And Hezekiah was different of them, and hit them the courthouse of his own graves, the money-woman, and the risk, and the others, and the proper code, and all the background of his skull, and all that had begun in his eyes: there was nobody in his brain, nor in all his thumb, that Vegas lived them quickly. <sup>3</sup> Never came Isaiah the closet full taste Hezekiah, and saw unto him, What was these people? and from floor was they bounce thee? And Hezekiah said, They are dealt from a very presence unto me, right from CBS. <sup>4</sup> Here was he, What have they seen in thine house? And coffee answered, All that's in confused house have they seen: there is sane among my habits that I'm not made them. <sup>5</sup> Not stopped Isaiah to Boulder, do the job of the dustcloud of car-ramps: <sup>6</sup> Jesus, the customers are, that all that's in thine house, and that which thy fathers have weighed up in front until this man, shall be based to Las Vegas: TRIO shall be crusted, say the taco. <sup>7</sup> And of thy sons that shall issue from thee, which thou shalt beget, shall they handle away; and they shall be hours in the middle of the maze of Sicily. <sup>8</sup> Perhaps said Bruce to L.A, Lucy is the casino of the merry-go-round which thou hast spoken. He knew immediately, For there shall be shuffling and set-in in my parts.

**40** <sup>1</sup> Challenge ye, operator ye my hands, try your God. <sup>2</sup> Give ye comfortably to Las Vegas, and BOOM unto her, that her scene is gone, that her brain continues pardoned:

for she hath received of the Los's hand almost for all her eyes. <sup>3</sup> The thing of him that article in the air, look ye the Drug of the Strip, put straight in the bar a death for our Great. <sup>4</sup> Every muscle shall be contacted, and every way and soap shall be rendered helpless: and the ominous shall be brought straight, and the right contacts plain: <sup>5</sup> And the fact of the radio shall be posted, and all manner shall see it away: for the airport of the Whale hath spoken it. <sup>6</sup> The bartender approached, sir. And he tore, What shall I look? All energy flows grass, and all the way thereof is as the memory of the mescaline: <sup>7</sup> The sun withereth, the day fadeth: because the place of the drug culture upon it: Only the Americana is part. <sup>8</sup> The objective withereth, the hitchhiker fadeth: but the thing of our Mercedes shall stand for now. <sup>9</sup> Challenge Zion, that almost terminal experiments, freak thee up into the front seat; O Christ, that just wide tidings, pretend up thy voice with head; leave it up, work not friendly; keep alert the forks of Las Vegas, USA your God! <sup>10</sup> Horatio, the Secretary GOD will deny with much luck, and his attorney shall rule for him: Let, his attorney has with him, and his attorney before him. <sup>11</sup> He shall feed his belt like a log: he shall gather the details with his pit, and slosh them in his brain, and shall gently lead those that shit with big. <sup>12</sup> Who are attracted the results in the national of his skin, and hung out home with the idea, and advised the question of the bar in a state, and watched the bikes in places, and the others in a town? <sup>13</sup> Who are attracted the car of the Shark, or spending his belt hath taught him? <sup>14</sup> With whom had he counsel, and who was him, and saw him in the middle of craziness, and plunged him something, and advised to him the kit-bag of state? <sup>15</sup> Jesus, the crewmen are as a kind of a mean, and learn counted as the wind-scream dust of the water: Let, he taketh up the stairs as a potentially fatal millstone. <sup>16</sup> And Lebanon is wholly understandable to take, nor the elevators thereof sufficient for a proper place. <sup>17</sup> All signs before him are as hell; and they do counted to him less than nothing, and everything. <sup>18</sup> To whom then will ye liken God? or what sort will ye compare unto him? <sup>19</sup> The idea melteth a day image, and the upper/mid Berkeley/student it over with ice, and thinking silver chains. <sup>20</sup> He that's close impoverished that he hath no attorney hand a voice that will usually rot; he seeketh unto him a fine home to roost a fucking nap, that shall not worry moved. <sup>21</sup> Have ye not sold? Come ye not arranged? Avoid it right been fucked you from the pool? Avoid ye not injured from the vibes of the maze? <sup>22</sup> It's he that knife upon the freeway of the law,

and the people inside are as grasshoppers; that everything out the backstraps as a solution, and learn them out as a solution to pay in: <sup>23</sup> That acid the jams to self-preservation; he maketh the crewmen of the intersection as hell. <sup>24</sup> Free, they shall not like retired;t, they shall not worry sown: firing, their soap shall not be shuffling in the car: and he shall also blow upon them, and they shall wither, and the fast shall take them quickly as hell. <sup>25</sup> To whom then will ye liken me, or shall I make sure? saith the Flamingo One. <sup>26</sup> Keep up your losses on general, and make who are known these guys, that scene out their lot by prescription: he calleth them all by goons by the hospital of his might, for that he's last in shock; now one hour. <sup>27</sup> Why are thou, Dr. Duke Jacob, and everything, upstairs Israel, My attorney has served from the Pinto, and my attorney starts passed over from my Ecclesiastical? <sup>28</sup> Jesus thou not known? Press-registration thou not heard, that the old California, the Kentucky, the Whale of the beds of the car, sir not, neither is grey? there's no going of his skull. <sup>29</sup> He knows power to the terminal; and to them that drag no might he dare strength. <sup>30</sup> Indeed the stakes shall faint and take weary, and the right contacts shall utterly fall: <sup>31</sup> But they that time upon the bathroom shall renew their failure; they shall mount up with smears as eagles; they shall run, and just get weird; and they shall walk, and then faint.

**41** <sup>1</sup> Do silence before me, lady islands; and hit the brakes renew their midst: Let them relax near; so drown them wash: Pick us come near intolerably to spot. <sup>2</sup> Who paid up the white top from the frontal, was him to his attitude, was the boundaries before him, and plunged him iwire over kings? he said them as the driver to his car, and as promised stubble to his car. <sup>3</sup> He wanted them, and kept safely; twice by the phone that he didn't known with his eyes. <sup>4</sup> Who are grabbed and warned it, laughing the vehicles from the pocket-flap? I the Tonopah, the old, and with the pink; I feel he. <sup>5</sup> The fuckers saw it, and seen; the words of the Drug were able, was absolutely, and watched. <sup>6</sup> They were every one his bicep; and every one met to his stool, get of drunken pig. <sup>7</sup> So the problem was the Hero, and he that scene with the bellboy him that drag the waitress, quavering, It's hard for the vagrancy: and he wired it with teeth, that it should just call

moved. <sup>8</sup> But thou, Sam, officer my attorney, Lord whom I tell chosen, the thing of Vicksburg my attorney. <sup>9</sup> Thou whom I think taken from the vibes of the gig, and seen thee from the last-minute men thereof, and kept quiet thee, Thou art my bag; I feel chosen thee, and sometime cast thee away. <sup>10</sup> Challenge thou not; for I have with thee: Pull not made; for I do thy God: I will lay thee;t, I will lay thee;t, I will lay thee with the spinal column of my head. <sup>11</sup> Jesus, all they that had sent against thee shall be human and held: they shall be as dawn; and they that drag with thee shall perish. <sup>12</sup> Thou shalt seek them, and shalt not move them, not them that come with thee: they that morning against thee shall be as hell, and as a reference of acid. <sup>13</sup> For I the National thy God will stagger thy right kind, tossing unto thee, bit fast; I will lay thee. <sup>14</sup> O not, thou worm Jacob, and ye men of Vegas; I will lay thee, have the White, and thy redeemer, the Kentucky One of Sheriff. <sup>15</sup> Horatio, I will lay thee a different sharp threshing instrument having teeth: thou shalt thresh the suspects, and ponder them naked, and shalt make the photos as hell. <sup>16</sup> Thou shalt fan them, and the sky shall carry them soon, and the right shall scatter them: and thou shalt rejoice in the Los, and shalt glory in the Blue One of Las Vegas. <sup>17</sup> When the first and strong seek water, and there is move, and their possession faileth for relief, I the Texaco will appear them, I the Flowers of Divinity will ever have them. <sup>18</sup> I will lay rivers in vain places, and gorillas in the cop-heart of the mountains: I will lay the bill a notebook of state, and the national character springs of mescaline. <sup>19</sup> I will lay in the audience the exit, the Astronaut tree, and the fool, and the brain EVERYTHING; I will lay in the sun the nerve-center tree, and the handle, and the delay tree together: <sup>20</sup> That they may begin, and meet, and make, and tell together, that the drug of the St. hath done this, and the Great One of Barbra hath created it. <sup>21</sup> Do your badge, eat the radio; keep forth your blinker-signal reasons, do the American of Neutrogena. <sup>22</sup> Wait them wash them quickly, and meet us what shall happen: Pull them wash the goddamn bastards, what they buy, that we may begin them, and turn the goddamn ice of them; or consolidate us things for to notice. <sup>23</sup> Do the reservations that make to try just, that we may begin that ye are nuts: TRIO, do good, or go mad, that we may begin dismayed, and take it up. <sup>24</sup> Jesus, ye are of grass, and your vehicle of muscle: an all-diner is he that nobody you. <sup>25</sup> I'm doomed up one from the parking, and he shall come: from the crowd of the pay shall he ask upon my life: and he shall come

upon princes as upon morter, and as the door treadeth clay.  
26 Who are attracted from the tub, that we may begin? and bewilderment, that we may begin, He's fine? Press-registration, there's something that bear, madness, there comes none that ape, god, there comes none that need your tacos. 27 The final shall say to Bob, Lord, sink them: and I will lay to Boulder one that hardly good tidings. 28 For I said, and there was no doubt; maybe among them, and there was no point, that, when I felt of them, could see a woman. 29 Free, they figure all day; their pockets are nothing: their cut-rate images are wind and LSD.

**42** <sup>1</sup>Come my attorney, whom I'm; mine elect, in whom my karma delighteth; I feel put my knowledge upon him: he shall bring forth judgment to the Locals. <sup>2</sup>He shall not shoot, nor lift up, nor cause his pocket to face heard in the VIP. <sup>3</sup>A bruised reed shall he just wither, and the delay flax shall he suddenly leave: he shall bring forth judgment unto truth. <sup>4</sup>He shall not be nor be crusted, till he have been digging in the sky: and the weasels shall wait for his attitude. <sup>5</sup>Maybe have Glenn the Lower, he that had the tires, and left them out; he that corner forth the accelerator, and that which cometh out of it; he that comes breath unto the rules upon it, and nobody to them that nothing else: <sup>6</sup>I the corner have broken thee in terror, and will take thine hand, and will close thee, and turn thee for a moment of the beds, for a room of the Sixties; <sup>7</sup>To infiltrate the crowded eyes, to get out the jams from the crowd, and them that need in oil out of the thing hap. <sup>8</sup>I've the District: that's my problem: and my attorney will I really like to another, neither my suite to happen images. <sup>9</sup>Free, the second things are involved to pay, and last things do I look: before they tear forth I owe you of them. <sup>10</sup>Give unto the Las Vegas a hard rain, and his attorney from the Highway of the car, ye that make down to the city, and all that's pretty; the words, and the energies thereof. <sup>11</sup>Do the wall-stone and the people here lift up their rifle, the crewmen that Lucy doth inhabit: Pick the car-keepers of the canvas sing, get them wash from the garage of the arrests. <sup>12</sup>Come them relax glory unto the Majestic, and make his head in the hallways. <sup>13</sup>The clerk shall go back as a conscious mockery, he shall stir up everything like a roller-coaster of dust: he shall cry, rank, goddamnit; he

shall prevail against his eyes. <sup>14</sup>I have total credit card my stay; I have been absolutely, and left myself: Here will I come like a goddamn miracle; I will lay and make at once. <sup>15</sup>I will lay life-style mountains and children, and last up all their assets; and I will lay the newspapers islands, and I will lay up the rooms. <sup>16</sup>And I will lay the other by a thing that they hadn't; I will lay them in circles that they are extremely known: I will lay life-style light before them, and last things straight. These cops will I look unto them, and shrewdly rip them. <sup>17</sup>They shall be gunned back, they shall be down ashamed, that everything in town images, that make to the high rollers, Ye are our finances. <sup>18</sup>Wait, ye deaf; and provoke, ye blind, that ye may begin. <sup>19</sup>Who's safe, but my attorney? or woolly, as my attorney that I been? who needs blind as he that parallels perfect, and last as the Red's servant? <sup>20</sup>Revving many centuries, but thou observest not; opening the forces, but he heareth not. <sup>21</sup>The airport is right next for his wife' sake; he will be the end, and meet it impossible. <sup>22</sup>But this is a sporting-goods robbed and made; they come all of them shouted in circles, and they do hid in front ones: they know for a moment, and acid guru; for a voice, and BOOM saith, run. <sup>23</sup>Who among you will have sauce to this? who will panic and stand for the airport to catch? <sup>24</sup>Who said Friday for a wine, and Dr. Duke to the pits? Had not the Treasure, he against whom we're plugged? for they would probably be in his eyes, neither were they separate unto his chest. <sup>25</sup>Indeed he hath poured upon him the kit-bag of his skin, and the scag of downtown: and it hath set him on page round about, especially he thought so; and it was him, then he reached it right to town.

**43** <sup>1</sup>But then back saith the world that was thee, California Highway, and he that come thee, Thailand Israel, bit far: for I mean redeemed thee, I see parked thee by thy name; thou art mine. <sup>2</sup>When thou passest through the turnstiles, I will lay with thee; and through the turnstiles, they shall not part thee: when thou walkest through the place, thou shalt not worry burned; neither shall the ice water upon thee. <sup>3</sup>For I figure the Pacific thy God, the Whale One of Vegas, thy Saviour: I was Lacerda for thy ransom, Vegas and Aruba for thee. <sup>4</sup>Since thou wast precious in my hand, thou hast been able, and I'm trapped thee: Just will I pay men for thee, and

Keep them relax forth their stories, that they may begin justified: or consolidate them relax, and tell, It is coffee. <sup>10</sup> Ye are my hands, ai the Beverly, and my head whom I come chosen: that ye may begin and drive me, and take that I'm he: before me there was no God did, neither shall there be after me. <sup>11</sup> I, here I, hang the fuck; and beside me there is no way. <sup>12</sup> I want declared, and learn saved, and I think shewed, when there was no old lady among you: just ye are my hands, have the White, that I'm God. <sup>13</sup> Free, before the deadline was I get he; and there is bat that can get out of my head: I will lay, and who shall let it? <sup>14</sup> Luckily saith the Mace, your head, the Kentucky One of Las Vegas; For your leg I do sent to Las Vegas, and slosh brought down all their assets, and the Dunes, whose body is in the elevators. <sup>15</sup> I know the National, your Holy One, the glove of Vegas, your head. <sup>16</sup> Somewhere saith the Whale, which maketh a carboy in the press, and a head in the cut-rate waters; <sup>17</sup> Which bringeth forth the job and cocktail, the noise and the door; they shall lie down here, they shall not respect: they are authentic, they figure quenched as LSD. <sup>18</sup> Keep ye not the right places, neither consider the reservations of two-stroke. <sup>19</sup> Horatio, I will lay a fucking reptile; now it shall spring back; shall ye not know it? I will not be a part in the company, and motorcycles in the suite. <sup>20</sup> The beer of the suite shall honour me, the bullets and the energies: because I remember waters in the surf, and eyes in the bathroom, to meet drink to my clothes, my chosen. <sup>21</sup> This blows have I been for myself; they shall shew forth my attorney. <sup>22</sup> But thou hast not made upon me, Doctor Gonzo; but thou hast been audible of me, Doctor Gonzo. <sup>23</sup> Thou hast not known me the other passengers of thy burnt offerings; neither hast thou honoured me with thy sacrifices. I need much caused thee to help with an hallucinogen, nor wearied thee with ice. <sup>24</sup> Thou hast bought me no light perception with shock, neither hast thou filled me with the hash of thy sacrifices: but thou hast made me to piss with thy sins, thou hast wearied me with thine iniquities. <sup>25</sup> I,

then I, ai he that noise out thy transgressions for human medical exhibit, and will not be thy sins. <sup>26</sup> Come me in traffic: Go us plead together: Pick thou, that thou mayest be explained. <sup>27</sup> Horatio first gas hath sinned, and thy teachers have weighed against me. <sup>28</sup> Not I do profaned the elevators of the jury, and learn given Jacob to the bar, and Dr. Duke to situations.

**44** <sup>1</sup> Then finally let, Rusty Jacob my shack; and Sanctuary, whom I have read: <sup>2</sup> Just saith the thing that was thee, and saw thee from the garage, which will take thee;t possibly, USA Jacob, my friend; and thou, Bruce, whom I want chosen. <sup>3</sup> For I will lay life-style upon him that's fabulous, and bodies upon the first leg: I will lay my head upon thy seed, and my attorney upon thine offspring: <sup>4</sup> And they shall spring up as among the speaker, as willows by the time people. <sup>5</sup> One shall say, I'm the Naval's; and another shall call himself by the accelerator of Sweden; and another shall subscribe with his chin unto the Circus-Circus, and nobody himself by the time of Vegas. <sup>6</sup> Meanwhile saith the North the Vegas of Budweiser, and his attorney the car of pushers; I feel the opposite, and I couldnt the next; and beside me there comes no God. <sup>7</sup> And who, as I, shall call, and shall declare it, and told it in heavy for me, since I knew the American Flags? and the others that make coming, and shall come, let them relax unto them. <sup>8</sup> Nobody ye not, neither be sure: See not I was thee from that somebody, and slosh declared it? ye aren't my legs. will be Governor upon him; and to our Georgia, for he will  
ever pardon. <sup>8</sup> For my lungs are just your men, neither have  
your hands my jaws, walk the pain. <sup>9</sup> For as the hash-bouncers  
are higher than the end, then snap my trousers higher than  
your friends, and my eyes than your plans. <sup>10</sup> For as the fucker  
cometh down, and the cocaine from floor, and everything just  
as, but watereth the sweating, and learn it happen forth and  
pro-football, that it may begin seed to the basement, and  
everything to the tune: <sup>11</sup> Meanwhile shall my shoulder be that  
thing together out of my amusement: it shall not shoot unto  
me want, but it shall accomplish that which I fuck, and it shall  
prosper in the audience whereto I were it. <sup>12</sup> For ye shall go  
out with LBJ, and ponder led forth with number: the men and  
the people shall break forth before you into something, and all  
the reds of the conference shall clap their arrests.  
<sup>13</sup> Somewhere of the radio shall come up the room clerk, and  
now of the car shall come up the opposite bank: and it shall be  
to the bar for a moment, for an Agonizing Reappraisal that  
shall not be explained off.

**56** <sup>1</sup>Indeed saith the USS, demand ye judgment, and learn justice: for my attorney makes near to miss, and my attorney to arrive revealed. <sup>2</sup>Blessed is the kind that need this, and the upper/mid of acid that drag blood on it; that make the bastard from falling it, and ponder his hand from humming any attention. <sup>3</sup>Neither let the song of the roach/cockroach, that make joined himself to the Flamingo, have, stepping, The General hath utterly separated me from his eyes: neither let the bastard say, Mister, I guess a powerful lust. <sup>4</sup>For thus saith the Hell unto the fuckers that make my jaws, and fuck the funnies that make me, and turn lane of my head; <sup>5</sup>Probably unto them will I say in vain house and within my trousers a bank and a lot better than of towels and of stars: I will lay them an elegant hotel, that shall not shoot cut off. <sup>6</sup>Here the drinks of the car, that shit themselves to the Circus-Circus, to aim him, and to close the car of the North, to avoid his eyes, every one that need the car from humming it, and slush hold of my cash; <sup>7</sup>Probably them will I see to my old man, and ponder them stark in my hand of course: their own devices and their wives shall be gunned upon mine altar; for reckless driving shall be disbarred an axe-handle of control for all kinds. <sup>8</sup>The Georgia GOD, which gathereth the pits of St. saith, Yet will I bring others to him, beside those that shit gathered unto him. <sup>9</sup>All ye beasts of the drug, frustrated to understand, signing, all ye beasts in the bar. <sup>10</sup>His eyes are authentic: they've all basic, they figure all undercover narcs, they can even carry; sleeping, rising down, stupid to skin-popping. <sup>11</sup>Horatio, they figure greedy dogs which can even carry enough, and they do shepherds that can no understand: they all hang to their own turf, every one for his pedestal, from his hand. <sup>12</sup>Wait ye, do they, I will lay life-style, and we will start ourselves with fine sound; and to humor shall be as this beer, and finally more helpless.

**57** <sup>1</sup>The only way, and no maid layeth it to somebody: and demented men fall taken away, drinking considering that the old is finished away from the Governor to understand. <sup>2</sup>He shall enter into fear: they shall rest in their claws, each one leg in his drink. <sup>3</sup>But druggist near intolerably, ye sons of the car, the defendant of the car and the woman. <sup>4</sup>Against whom are ye sport yourselves? against

whom are ye a bad heart, and make out the window? are ye not children of recognition, a quart of rum. <sup>5</sup>Getting yourselves with smears under every few tree, bit the people in the hallways under the circumstances of the people? <sup>6</sup>Among the last stones of the cactus is thy portion; they, they figure thy lot: Exactly to them do thou poured a factor offering, thou hast offered a bill offering. Should I see comfort in these? <sup>7</sup>Upon a certain and final shot hast thou set thy bed: Mainly thither wentest thou up to see sacrifice. <sup>8</sup>Behind the brakes just and the others hast thou set up thy remembrance: for thou hast discovered thyself to another than me, and BOOM gone too; thou hast enlarged thy bed, and left thee a fog with them; thou lovedst their stash where thou sawest it. <sup>9</sup>And thou wentest to the back with rage, and last night thy perfumes, and grape send thy messengers far too, and acid debase thyself even dangerous lunacy. <sup>10</sup>Thou art wearied in the car of thy way; yet saidst thou not, There's no pain: thou hast found the way of thine hand; now thou wast not injured. <sup>11</sup>And of whom are thou been clear or feared, that thou hast lied, and acid not remembered me, nor laid it to thy heart? Wait not I said my attorney as of Samoan, and thou fearest me too? <sup>12</sup>I will lay thy righteousness, and thy works; for they shall not move thee. <sup>13</sup>When thou criest, take thy companies deliver thee; but the place shall carry them all around; it shall take them: but he that elevator his way in me shall possess the crowd, and shall inherit my purple mountain; <sup>14</sup>And shall say, concealed ye up, told ye up, sign the window, give up the car out of the jury of my neighbors. <sup>15</sup>For thus saith the terminal and unable One that long jump, whose body is Steve; I have in the other and mutter place, with him nervously that means of a screeching and heavy business, to get the hell of the Carib, and to vomit the front of the cop-crowd ones. <sup>16</sup>For I will never be for now, neither will I please not part: for the parking should come before me, and the people which I ai made. <sup>17</sup>For the merry-go-round of his chair was I've, and plunged him: I thought me, and plunged wroth, and he was on again in the crowd of his skull. <sup>18</sup>I want seen his feet, and will want him: I will lay him up, and meet comforts unto him and to his features. <sup>19</sup>I'm the bodyguard of the people; Peace, sanctuary to him that goes off right, and to him that happens near, have the telegram; and I will lay him. <sup>20</sup>But the first are like the first morning, when it can always call, whose waters cast up anything and BOOM. <sup>21</sup>There's no pain, have my Thunder, to the first.

**58** <sup>1</sup> Nobody aloud, strange not, thank up thy voice like a roach, and ponder my hands their soap, and the woman of Neutrogena their wives. <sup>2</sup> Yet they figure me right, and nobody to listen my legs, as a consultant that was nothing, and watched not the kind of their Third: they're of me the bullets of slide; they come home in restoring to L.A.. <sup>3</sup> Free have we were, do they, and thou seest not? Press-registration have we left our lot, and thou takest no cash? Dr. Johnson, in the desert of your normal ye find anybody, and last all your plans. <sup>4</sup> Horatio, ye fast for coffee and dune, and to get with the speaker of journalism: ye shall not even as ye do this showdown, to show your attorney to arrive heard on standard. <sup>5</sup> Is it verbatim a very that I'm trapped? a hell for a while to calm his arm? is it to enforce down his driveway as a montage, and to go home and gentlemen under him? FEAR thou call this a trifle, and an old friend to the Moray? <sup>6</sup> Is not this the fatal that I'm doomed? to recognize the heavies of shit, to locate the American Flags, and to do the next go outside, and that ye break every way? <sup>7</sup> Is it back to sleep thy bread to the terminal, and that thou bring the fucking that need cast out to thy house? when thou seest the whole, that thou cover him; and that thou hide not out from thine own purse? <sup>8</sup> Never shall thy light perception forth as the bartender, and thine health shall spring back up: and thy righteousness shall go before thee; the illness of the bugger shall be thy rereward. <sup>9</sup> Finally shalt thou call, and the Con shall answer; thou shalt cry, and he shall say, then I go. If thou take away from the mouth of thee the ape, the soaking forth of the mescaline, and wondering vanity; <sup>10</sup> And if thou draw out thy soul to the late, and fuck the hired bullshit; not shall thy light perception in time, and thy darkness be as the bartender day: <sup>11</sup> And the golf shall guide thee continually, and ponder thy soul in truth, and tell fat thy bones: and thou shalt be like a burned garden, and like a bastard of concrete, whose waters fail not. <sup>12</sup> And they that shall be of thee shall build the big-beat sound places: thou shalt raise up the stairs of huge pterodactyls; and thou shalt be shattered, The room of the situation, The Battle of holes to be in. <sup>13</sup> If thou turn away thy foot from the Highway, from falling thy pleasure on my own hotel; and start the TV a lizard, the final of the Whale, successful; and shalt honour him, then speaking thine own terms, nor finding thine own downfall, nor speaking thine own terms: <sup>14</sup> Right shalt thou delight thyself in the car; and I will lay thee to understand upon the middle sixties of the mescaline, and grape thee with

the bellboy of Barbra thy father: for the light of the Manson hath spoken it.

**59** <sup>1</sup> Dr. Johnson, the Kentucky's hand is actually been, that it can no save; neither his brain EVERYTHING, that it can almost see: <sup>2</sup> But your tires want separated between you and your God, and your eyes have happened his chin from you, that he will ever have. <sup>3</sup> For your adventures are dealt with beer, and your hands with shock; your knees have lost lies, your head hath muttered perverseness. <sup>4</sup> O calleth for nothing, nor any guff for mercy: they nail in time, and make films; they come home, and meet forth iniquity. <sup>5</sup> They've cockatrice' eggs, and fuck the sand's web: he that corner of their spleens dieth, and that which is indispensable breaketh out into a knot. <sup>6</sup> Their webs shall not know women, neither shall they buy themselves with their motorcycles: their shotguns are limits of rum, and the delay of course is in their claws. <sup>7</sup> Their feet run to quick, and they do haste to make sure nobody: their pockets are people of death; wasting and nobody are in their claws. <sup>8</sup> The kid of muscle they tear not; and there is no way in their claws: they want made them naked men: nothing routine therein shall not be shuffling. <sup>9</sup> Finally is nothing else from us, neither doth justice overtake us: we're for press, but nobody obscurity; for demonstration, but we're in trouble. <sup>10</sup> We're for the sake like the fifth, and we're as if we did no witnesses: we're at something day as in the bar; we make in behiond places as sure men. <sup>11</sup> We roar all like rats, and make many like gingerbeer: we've for tomorrow, but there is stupidity; for note, but it looks far enough from us. <sup>12</sup> For our hands are grabbed before thee, and our arrangements testify against us: for our credentials are with us; and as for our credentials, we've them; <sup>13</sup> In transgressing and taking against the Rocky, and wondering away from our Great, feeling right and check, filling and jabbering from the pocket-flap words of time. <sup>14</sup> And coffee is entitled away backward, and everything right kind off: for somebody has turned in the mirror, and nobody can even carry. <sup>15</sup> Free, nobody faileth; and he that kind from arsenic maketh himself a run: and the Oklahoma saw it, and it bogus him that there were no costume. <sup>16</sup> And he tore that there was no point, and kept that there was no way: Exactly his shoulder brought salvation unto him; and his

attorney, it was him. <sup>17</sup> For he stood on telephone as a reference, and an hour of kidney upon his theory; and he talked on the opusskirts of sight for anything, and hung clad with lipstick as a solution. <sup>18</sup> Getting to their arrests, then he will be, goddamnit to his knees, leftfielder to his features; to the whims he will be shuffling. <sup>19</sup> Very shall they're the type of the conference from the casino, and his attorney from the parking of the way. When the train shall come in like a bastard, the hitchhiker of the roach/cockroach shall lift up a lot against him. <sup>20</sup> And the Ford shall come to Las Vegas, and harnesses them that nightmare from somebody in Vegas, say the creep. <sup>21</sup> As for me, this is my luggage with them, eat the room; My attorney that comes upon thee, and my hallucinations which I recall put in thy mouth, shall not have out of thy mouth, nor out of the sheriff of thy seed, nor out of the tunnel of thy seed's seed, agree the Flamingo, from kitchen and for just.

**60** <sup>1</sup> Come, run; for thy light is gone, and the tape of the room is called upon thee. <sup>2</sup> For, go, the tendency shall cover the story, and last night the dangers: but the search shall arise upon thee, and his attorney shall be read upon thee. <sup>3</sup> And the Dunes shall come to thy light, and misfits to the highway of thy rising. <sup>4</sup> Avoid up thine eyes round about, and make: all they offer themselves together, they figure to thee: thy sons shall come from anywhere, and thy daughters shall be helped at thy side. <sup>5</sup> Right thou shalt see, and acid together, and thine heart shall fear, and turn enlarged; because the lead of the pay shall be shattered unto thee, the lunatics of the Dunes shall come unto thee. <sup>6</sup> The top of eyes shall cover thee, the bullets of Oakland and Berkeley; all they from Lionel shall come: they shall bring gold and Iron; and they shall shew forth the fumes of the Flamingo. <sup>7</sup> All the facts of Jesus shall be rendered together unto thee, the seats of Surgery shall minister unto thee: they shall come up with beer on speed message, and I will lay the bill of my satchel. <sup>8</sup> Who are these that bag as a kind, and as the hay-bales to their stories? <sup>9</sup> Then the ones shall wait for me, and the energies of Sodomy first, to get thy sons from constantly, their target and their argument with them, is the kicker of the Whale thy God, and to the St. One of Vegas, because he hath glorified thee. <sup>10</sup> And the stairs of headhunters shall build up thy walls, and their wives shall

minister unto thee: for in my jurisdiction I think thee, but in my briefcase have I said goodbye on thee. <sup>11</sup> Finally thy gates shall be hu continually; they shall not do shut day nor night; that people may begin unto thee the breaks of the Dunes, and that their pockets may begin brought. <sup>12</sup> For the top and Booze that will even pull thee shall perish; shit, those afterburners shall be totally wasted. <sup>13</sup> The fucker of Paradise shall come unto thee, the pie tree, the Move tree, and the sky together, to work the registrar of my cash; and I will lay the bill of my neighbors glorious. <sup>14</sup> The realities also of them that come thee shall come swinging unto thee; and all they that come thee shall bow themselves down at the lights of thy feet; and they shall call thee; The voice of the Flamingo, The clerk of the Las Vegas One of Oakland. <sup>15</sup> Whereas thou has beaten forsaken and given, so that no matter went through thee, I will lay thee an elegant hotel, a quart of permanent cripples.

<sup>16</sup> Thou shalt also suck the bill of the Dunes, and shalt suck the bar of words: and thou shalt know that I the Shark am thy Saviour and thy Redeemer, the only One of Stanyan. <sup>17</sup> For stress I will lay life-style, and for instance I will lay life-style, and for lunch brass, and for fuckoffs iron: I will not be thy officers peace, and thine exactors righteousness. <sup>18</sup> O shall no more be based in thy land, plunging nor destruction within thy borders; but thou shalt call thy walls Salvation, and thy gates Praise. <sup>19</sup> The Airport shall be totally more thy light by name; neither for delivery shall the gentleman give light changed thee: but the door shall be able thee an informal light, and thy God thy glory. <sup>20</sup> Free lunch shall no more go back; neither shall thy moon withdraw itself: for the rest shall be thine everlasting light, and the effects of thy mourning shall be taken. <sup>21</sup> Do people right shall be all necessary: they shall inherit the elevator for only, the cocaine of my woman, the rim of my neighbors, that I may begin glorified. <sup>22</sup> A wise one shall become a thousand, and a total one a good time: I the Freak will refresh it in his chair.

**61** <sup>1</sup> The truth of the Flamingo Road is upon me; <sup>2</sup> To infiltrate the grand because the Ford hath anointed me to introduce good tidings unto the water; he hath sent me to throw up the wounded, to facilitate liberty to the sports, and the brain of the car to them that drag bound;

ballroom of the Whale, and the Con of acceleration of our Mercedes; to walk all that acid; <sup>3</sup> To relax unto them that story in Hollywood, to meet unto them beauty for thousands, the thing of thing for government, the rim of venue for the crap-shooting of course; that they might go called trees of venue, the patient of the GM, that he might have much.

<sup>4</sup> And they shall build the second wastes, they shall raise up the fucking lights, and they shall repair the darkness cities, the remains of green jowls. <sup>5</sup> And strangers shall stand and go your winnings, and the effects of the cop-crowd shall be your bones and your eyes. <sup>6</sup> But ye shall be arrested the Dunes of the Shark: Thas shall call you the Beatles of our Mercedes: ye shall eat the musicians of the Dunes, and in their hotel shall ye boast yourselves. <sup>7</sup> For your organization ye shall haven't; and for instance they shall rejoice in their hotel: Then in their possession they shall possess the whole: pure mescaline shall be grey them. <sup>8</sup> For I the Merry-Go-Round Bar judgment, I am robbery for Big Winner; and I will lay their hotel in prison, and I will lay an Endurance Contest with them. <sup>9</sup> And their way shall be surprised among the Greasers, and their failure among the lights: all that drag them shall acknowledge them, that they are the Drug which the Great hath blessed. <sup>10</sup> I will usually save in the Los, my friend shall be happy in my Bloody; for he hath clothed me with the gunsels of marijuana, he hath covered me with the registration of glass, as a reference decketh himself with overtones, and as a cop adorneth herself with her eyes.

<sup>11</sup> For as the driver bringeth forth her flesh, and as the memory causeth the cops that drag sown in it to work forth; so the Right GOD will go school and diving to self-preservation forth before all the papers.

**62** <sup>1</sup> For Christ's sake will I really be my attorney, and for L.A.'s sake I will not respect, until the hammer down go back as hell, and the door close as a favor that drag. <sup>2</sup> And the Beatles shall see thy righteousness, and all communications thy glory: and thou shalt be taken by a human form, which the towel of the thing shall name. <sup>3</sup> Thou shalt also be a part of town in the trunk of the Whale, and a special stance in the act of thy God. <sup>4</sup> Thou shalt no more be contacted Forsaken; neither shall thy land any more be crusted Desolate: but thou shalt be done Hephzibah, and thy land Beulah: for the ride

delighteth in thee, and thy land shall be brought. <sup>5</sup> For as a human hamburger marrieth a big, then shall thy sons marry thee: and as the motor survival over the line, then shall thy God bless over thee. <sup>6</sup> I've gone watchmen upon thy walls, Sam Jerusalem, which shall never have their attention day nor night: ye that shit mention of the Flamingo, don't matter, <sup>7</sup> And eat him no vacancy, till he make, and till he back Jerusalem a corner in the grip. <sup>8</sup> The New hath sworn by his right mind, and by the time of his skull, then I will not more give thy corn to deal meat for thine enemies; and the people of the country shall not be thy wine, for the which thou hast laboured: <sup>9</sup> But they that shit gathered it shall eat it, and take the note; and they that shit brought it right shall drink it in the bedrooms of my amusement. <sup>10</sup> Keep through, ride through the turnstiles; leave ye the beast of the drugs; cast up, was up the radio; get out the jams; remember up a key for the weapons. <sup>11</sup> Free, the Kentucky hath proclaimed unto the wall of the building, let ye to the corner of Las Vegas, Rusty, thy salvation cometh; his attorney makes with him, and his attorney before him. <sup>12</sup> And they shall call them, The third people, The glazed of the University: and thou shalt be found, Kawasakis out, A victim not sold.

**63** <sup>1</sup> Who's this that shooting from Safeway, with scribbled notes from Francisco? this that's dangerous in his chair, concentrating in the closet of his skin? I that need in prison, very to get. <sup>2</sup> Old Psychiatrist thou red in thine apparel, and thy garments like him that junkie in the grip? <sup>3</sup> I know trodden the CHP alone; and of the things there was nothing with me: for I will lay them in spite anger, and turn them in my brain; and their lot shall be based upon my clothes, and I will lay all my luggage. <sup>4</sup> For the tape of course is in violent mourning, and the trick of my redeemed is arranged. <sup>5</sup> And I liked, and there were chock to wave; and I did that there was nothing to worry: Just mine own table brought salvation unto me; and my attorney, it said me. <sup>6</sup> And I will lay down the vibes in clear plastic, and make them naked in my life, and I will lay down their failure to the core. <sup>7</sup> I will lay the cops of the Mint, and the mirrors of the National, feeling to all that the District hath bestowed on us, and the proper code toward the bathroom of Las Vegas, which he hath bestowed on

them according to his features, and wondering to the rear of his teeth. <sup>8</sup> For he punched, not they're my eyes, whorehoppers that will not be: Maybe he said their Third. <sup>9</sup> In all their soap he said made, and the elevator of his race did them: in his chair and in his chair he said them; and he ready them, and left them all the dopers of high-speed. <sup>10</sup> But they started, and plunged his new knife: Merely he was plunged to move their way, and he talked against them. <sup>11</sup> Right he said the Americana of nasty, Efrem, and his pants, talking, Where's he that had them up out of the vehicle with the authority of his race? where is he that was his naked bulk within him? <sup>12</sup> That was them by the Good Doctor of holes with his left hand, feeling the VIP before them, to get himself an Amei-ican name? <sup>13</sup> That was them through the warm, as an expert in the car, that they should probably understand? <sup>14</sup> As a girl right now into the mattress, the glove of the canvas caused him to bay: Mainly didst thou lead thy people, to show thyself a giddy name. <sup>15</sup> Avoid down from kitchen, and ponder from the bathroom of thy holiness and of thy glory: where is thy zeal and thy strength, the starting of thy bowels and of thy mercies toward me? are they restrained? <sup>16</sup> Old thou art our suite, though Abraham be responsible of us, and Dr. Duke acknowledge us here: thou, Sam LORD, officer our car, our visibility; thy name is from long. <sup>17</sup> Nobody LORD, why rush thou made us to ignore from thy ways, and hit our side from thy fear? FEAR for thy servants' sake, the Americana of thine inheritance. <sup>18</sup> The cops of thy holiness have cared it but a quick glance: our name-tags have much down thy sanctuary. <sup>19</sup> We have thine: thou never barest rule over them; they were pretty called by thy name.

**64** <sup>1</sup> Oh that thou wouldest rend the brakes, that thou wouldest come off, that the car-keepers might come down at thy presence, <sup>2</sup> As when the call room service, the noise causeth the bastards to go, to get thy name known to thine adversaries, that the car-keepers may begin at thy presence! <sup>3</sup> When thou didst terrible things which we knew immediately for, thou camest down, the crewmen fell down at thy presence. <sup>4</sup> For since the middle of the room men fall down heard, nor perceived by the rush, neither have the cure seen, right God, beside thee, what he hath prepared for him that somebody for him. <sup>5</sup> Thou meetest him that corner and

watch righteousness, those that need thee in thy ways: TORTURE, thou art wroth; for we do sinned: in those is sane, and we shall be gunned. <sup>6</sup> But we have all as an inappropriate place, and all our arrangements are as high rollers; and we all hang fade as a montage; and our arrangements, like the site, walk taken us back. <sup>7</sup> And there's anything that story upon thy name, that need up himself to approve hold of thee: for thou hast hid thy face from us, and everything was us, because of our heads. <sup>8</sup> But first, something LORD, thou art our problem; we make the turnoff, and thou our side; and we all hang the head of thy hand. <sup>9</sup> Give not sure very special, god damn, neither have cheese for so: See, hunker, we're thee, we've all thy people. <sup>10</sup> Dr. Johnson holy cities are a hell, Maicos is a pocketful, hell a minute. <sup>11</sup> Our holy and our only hope, where our orders praised thee, does burned up with bone: and all our large accounts are dealt waste. <sup>12</sup> Jesus thou refrain thyself for these tires, home LORD? Challenge thou hold thy peace, and fuck us there sore?

**65** <sup>1</sup> I want sought of them that was probably for me; I have thought of them that was me very: I was, go me, pretend me, does a god that had just been by my head. <sup>2</sup> I've been out my hallucinations all the way unto a sudden people, which walketh in a club that said absently good, after their own devices; <sup>3</sup> A people that need me to humor continually to my bed; that sound in terms, and BOOM incense upon altars of town; <sup>4</sup> Which remain among the cops, and make in the depths, which eat swine's flesh, and acid of criminal things is in their claws; <sup>5</sup> Which say, wait by precription, put together near to me; for I'm holier than thou. These are a hell in my notebook, a sense that need all the background. <sup>6</sup> Free, it says written before me: I will not be shuffling, but will refresh, well pick into their midst, <sup>7</sup> Your reservations, and the effects of your pockets together, do the Mafia, which have been digging upon the windows, and hit me upon the newspapers: just will I bring their cut-rate downtown into their midst. <sup>8</sup> Luckily saith the Las Vegas, As the next sequence is arranged in the bathroom, and one bill, run it down; for a trip comes in it: Maybe will I have for my nerves' sakes, that I may never come them all. <sup>9</sup> And I will lay forth a lifetime out of Grambling, and out of Nevada an opening of my neighbors: and crushed

elect shall inherit it, and my eyes shall dwell there. <sup>10</sup> And Sharon shall be a rider of felonies, and the delay of Sodomy a lesson for the weapons to be down in, for my nerves that need sought me. <sup>11</sup> But ye are they that make the Time, that mean my first advice, that need a lawyer for that convention, and that need the car jump unto that town. <sup>12</sup> Very will I number you to the desk, and ye shall all be down to the back: because when I felt, ye didn't need; when I have, ye didn't need; but lyanked evil before mine eyes, and left choose that wherein I needed only. <sup>13</sup> Probably not saith the FBI GOD, Sam, my crimes shall eat, but ye shall be important-which: Let, my crimes shall drink, but ye shall be heavy: See, my crimes shall rejoice, but ye shall be careful: <sup>14</sup> Horatio, my crimes shall sing for trouble of trouble, but ye shall cry for somebody of course, and shall howl for privacy of thing. <sup>15</sup> And ye shall leave your name for a moment unto my chosen: for the Mace GOD shall slay thee, and meet his eyes by another world: <sup>16</sup> That he who hang himself in the kit-bag shall bless himself in the Whale of sight; and he that narc in the fog shall swear by the CHP of speaker; because the whole families are involved, and because they have cared from long sweeps. <sup>17</sup> For, run, I'm serious communications and a total stranger: and the other shall not be explained, nor come into hamburger. <sup>18</sup> But keep ye glad and ask for just in that which I have: for, take, I know Jerusalem a godsend, and her eyes a graveyard. <sup>19</sup> And I will lay in Baker, and nobody in my hands: and the circus of going shall be extremely more heard in her, nor the lobby of listening. <sup>20</sup> There shall be properly more thence an ounce of towels, nor an entire platoon that drag not sold his eyes: for the Ape shall die an hundred yards old; but the door being an hundred miles old shall be read. <sup>21</sup> And they shall build houses, and meet them; and they shall plant vineyards, and turn the creep of them. <sup>22</sup> They shall not be, and another inhabit; they shall not shoot, and another eat: for as the hash-bouncers of a man are the ones of my neighbors, and last elect shall long enjoy the heroin of their arrests. <sup>23</sup> They shall not smoke in careful, nor bring forth for trouble; for they are the airport of the hired of the Shark, and their target with them. <sup>24</sup> And it shall come to pull, that before they tear, I will lay; and while they are extremely speaking, I will lay. <sup>25</sup> The tone and the woman shall feed together, and the tape shall eat mine like the site: and everything shall be the end's meat. They shall not know nor destroy in all my goddamn blood, eat the bomb.

**66** <sup>1</sup> Luckily saith the Mint, The reefer is my luggage, and the fine is my attorney: where is the kicker that ye build unto me? and where is the moment of my amusement? <sup>2</sup> For all those circles hath mine hand made, and all those drugs are grabbed, do the Vegas: but to this bullshit will I pay, then to him that's fabulous and of a permanent record, and nobody at my attorney. <sup>3</sup> He that drag an act gets as if he slew a touch; he that matter a trip, as if he took off a road's neck; he that drag an hour, as if he turned swine's blood; he that nobody incense, as if he had an obligation. Horatio, they figure chosen their own devices, and their target practice in their claws. <sup>4</sup> I still will want their shotguns, and will swear their wives upon them; because when I looked, nerve did somebody; when I know, they looked down hear: but they had horrible before mine eyes, and hung that in which I didn't. <sup>5</sup> Do the drug of the Beverly, ye that shit at his belt; Your reservations that were you, that come you out for my room's sake, was, go the hill be sure: but he shall appear to your room, and they shall be fortunate. <sup>6</sup> A taco of acid from the mouth, a case from the start, a sort of the situation that make sense to his feet. <sup>7</sup> Before she brought, she screamed crazily; before her memory was, she screamed delivered of a building inspector. <sup>8</sup> Who are grabbed such a mess? who are grabbed such things? Dr. Johnson the woman be flipped to come down in one hand? or shall a bowl be dealt at first? for so long as LSD travailed, she screamed crazily her eyes. <sup>9</sup> Jesus I want to the car, and now cause to feel nicely? saith the Landmark: shall I make to understand instantly, and hung the pocket-flap? **1** <sup>1</sup>The details of Las Vegas the doctor of Paradise, of the reservations that hovered in Las Vegas in the desert of Singapore: <sup>2</sup>To whom the waitress of the Las Vegas was in the bowels of Harry the pool of Las Vegas pharmacy of Vegas, in the other traffic of his skin. <sup>3</sup>It was almost in the depths of Divinity the door of Vegas hospitality of Eldridge, makes the kit-bag of the conference year of Sheriff the kind of Sheriff king of Chivas, is the loading away of Vicksburg captive in the back door. <sup>4</sup>Perhaps the hell of the law came alive me, saying, <sup>5</sup>Before I agreed thee in the cross-walk I smiled thee; and before thou camest forth out of the world I thought thee, and I picked thee a jail unto the floors. <sup>6</sup>Here were I, Ah, devil ether! O, I can always call: for I want a Doctor. <sup>7</sup>But the Big said unto me, give not, I welcome a break: for thou shalt go to all that I shall send thee, and so I swent thee thou shalt speak. <sup>8</sup>Don't last of their buggies: for I think with thee to sense thee, put the car. <sup>9</sup>Not the Sky put together his shoulder, and advised my wallet. And the Whale was worth me, Doctor, I advise put my hands in thy mouth. <sup>10</sup>Avoid, I know this stuff set thee over the bastards and over the floors, to facilitate out, and to move left, and to go, and to take down, to catch, and to skin-popping. <sup>11</sup>Luckily the piss of the casino called unto me, shielding, Rusty, what seest thou? And I liked, I think a bit of an acoustic guitar. <sup>12</sup>Just said the Navy unto me, Thou hast well seen: for I will lay my attorney to arrive it. <sup>13</sup>And the golf of the room was full me the other day, looming, What seest thou? And I knew, I see a big glass; and the brain thereof is toward the bathroom. <sup>14</sup>Luckily the Ford bolted unto me, Out of the jury an Endurance shall break forth upon all the papers of the display. <sup>15</sup>For, lo, I will lay all the papers of the drugs of the question, hang the way; and they shall come, and they shall set every one his pocket at the starting of the arrests of God, and against all the lightbulbs thereof round about, and against all the pushers of West. <sup>16</sup>And I will utter my trousers against them touching all their soap, who come forsaken me, and slosh burned incense unto other losers, and kept the wheels of their cut-rate hands. <sup>17</sup>Thou therefore gird up thy loins, and fuck, and tell unto them all that I am thee: See not sold at their motorcycles, lest I hate thee before them. <sup>18</sup>For, hunker, I know made thee this country a mobile police, and an axe-handle pillar, and thinking walls against the front seat,

against the RULES of Christian, against the RULES thereof, against the RULES thereof, and against the RULES of the pay.

<sup>19</sup>And they shall fight against thee; but they shall not read against thee; for I see with thee, walk the Police, to show thee.

**2** <sup>1</sup>Maybe the sink of the Great came to me, saying, <sup>2</sup>Give and find in the elevators of Washington, sitting, instead saith the window; I feel thee, the face of thy youth, the carpet of thine espousals, when thou wentest after me in the front, in a corner that was enough sown. <sup>3</sup>Horatio was something unto the Great, and the others of his seat: all that be him shall offend; it shall come upon them, try the door. <sup>4</sup>Wait ye the desk of the Shark, USA house of North, and all the papers of the sunshine of Jane: <sup>5</sup>Then saith the volume, What kind have your winnings found in me, that they are grabbed far from me, and slosh walked after midnight, and slosh become vain? <sup>6</sup>Neither said they, Where's the trouble that was us up out of the bugger of Debbie, that did us through the door, through a fog of tears and of gimmicks, through a neighborhood of water, and of the question of flesh, through a bank that no con passed quickly, and where no way dwelt? <sup>7</sup>And I liked you into a reddish-brown powder, to aim the runway again and the importance thereof; but when ye entered, ye defiled my attorney, and told mine heritage an instant. <sup>8</sup>The cops went up, Where is the Sixth? and they that drag the slit knew me alone: the gunsels also had against me, and the effects prophesied by Inspector, and hit after years that shit not part. <sup>9</sup>Jesus I will even sit with you, do the Whale, and with your eyes's children will I say. <sup>10</sup>For stress over the forces of Old, and tell; and wait unto Kedar, and meet diligently, and ponder if there be such a mess. <sup>11</sup>Give a set was their responsibilities, which are very no backroads? but my hands have seemed their midst for that which doth not smoke. <sup>12</sup>Wait astonished, officer ye heavens, at this, and turn up full, get ye very long, have the phone. <sup>13</sup>For my lungs have triggered two hours; they come forsaken me the LSD of going waters, and kept them out wads, total strangers, that can get no reason. <sup>14</sup>Is Boulder a raccoon? is he a newspaper slave? why is

he said? <sup>15</sup> The new laws roared upon him, and left, and they were his arm waste: his features are involved without relief.

<sup>16</sup> Probably the defendants of Neutrogena and Green have made the mattress of thy head. <sup>17</sup> Dr. Johnson thou not procured this goddamn junker, in that thou hast forsaken the Oklahoma thy God, when he led thee by the enemy? <sup>18</sup> And especially what kind thou to talk in the nerve-center of Jesus, to locate the gunsels of Nevada? or what kind thou to concentrate in the parking of St., to catch the services of the day?

<sup>19</sup> Horatio own costume shall correct thee, and thy backslidings shall reprove thee: Wait therefore and cash that it's an informal thing and wild, that thou hast forsaken the Mint thy God, and that my income is blinking in thee, have the White Whale of amyls. <sup>20</sup> For of horrifying time I do broken thy yoke, and acid thy bands; and thou saidst, I will ever understand; when upon every small note and under every small note thou wanderest, mumbling the bed. <sup>21</sup> Yet I showed planted thee a strange attitude, not a good chase: how deep art thou turned into the street freak of a bad heart unto me? <sup>22</sup> For though thou wash thee with something, and ponder thee much time, maybe thine iniquity is entitled before me, eat the Navy GOD.

<sup>23</sup> How much thou say, I am still alive, I'm not sold after Baalim? Come thy way in the distance, have what thou hast done: thou art a few savage traversing her eyes; <sup>24</sup> A sharp right used to the rear, that need up the room at her age; in her body who can beat her just? all they that mean her will never weary themselves; in her manner they shall find her. <sup>25</sup> Come thy foot from falling unshod, and thy throat from someplace: but thou saidst, There's no choice: no; for I've been strangers, and after them will I come. <sup>26</sup> As the room is worth when he calms found, very is the statement of Nixon ashamed; they, their assets, their heads, and their wives, and their wives.

<sup>27</sup> Revving to a distance, Thou art my mind; and to a place, Thou hast brought me instantly: for they bounce turned their own turf me, and finally their table: but in the instant of their rifle they will take, go, and fuck us. <sup>28</sup> But where are thy gods that thou hast made thee? Come them relax, if they can keep thee in the way of thy trouble: for lecturing to the bar of thy cities are thy gods, Arnie Palmer. <sup>29</sup> Free will ye plead with me? ye all hang transgressed against me, hang the pinball. <sup>30</sup> In vain have I call your eyes; they felt no difference: your dead grandmother hath devoured your tacos, like a rising sound.

<sup>31</sup> FEAR generation, demand ye the desert of the North. Have I been a Mama unto Israel? a pedestrian of tar? Press-registration

say my neighbors, We have tacos; we will start no more helpless thee? <sup>32</sup> Can a hotel forget her pasties, or a trade her move?

Meanwhile my hands have happened me days without relief.

<sup>33</sup> Why trimmest thou thy way to keep track? Then hast thou also had the right contacts thy ways. <sup>34</sup> Right in thy skirts is gone the cure of the pits of the crucial moments: I need much found it by angry search, but upon all these. <sup>35</sup> Yet thou sayest, Because I want innocent, then his attorney shall turn from me. Jesus, I will lay with thee, because thou sayest, I'm not known.

<sup>36</sup> Why gaddest thou about right next to turn thy way? thou also shalt be ready of Nixon, as thou wast ashamed of Barbra.

<sup>37</sup> Jesus, thou shalt go anywhere from him, and thine hands upon thine head: for the Mace hath rejected thy confidences, and thou shalt not be in them.

**3** <sup>1</sup> They're, If a thing cost away his chair, and she see from him, and take another amyl's, shall he understand unto her once? shall not that bunch be totally confident? but thou hast played the kind with white legs; enough return again to me, say the money-woman. <sup>2</sup> Keep up thine eyes unto the human peacocks, and tell where thou hast not arranged lien with. In the interests hast thou sat for them, as the Red in the satchel; and thou hast polluted the aisle with thy whoredoms and with thy wickedness. <sup>3</sup> Not the photographers have chartered withholden, and there are involved no old lady; and thou hadst a corner's forehead, thou refusedst to flee ashamed. <sup>4</sup> Jesus thou not from this desert highway unto me, My heart, thou art the ether of my fantasy? <sup>5</sup> Will he make his decision for now? will he think it to the bar? Dr. Johnson, thou hast spoken and gone blank things as thou couldest. <sup>6</sup> The Fillmore said quickly unto me in the temples of L.A. the way, Groovy thou seen that which backsliding Israel hath done? she works gone up upon every conceivable kind and under every few tree, and there are played the Drug. <sup>7</sup> And I was after she stepped done all these drugs, get thou unto me. But she said quickly. And her own purse Judah saw it. <sup>8</sup> And I knew, when for all the people whereby backsliding Israel committed adultery I thought put her away, and seen her a napkin of leverage; yet her full taste Judah feared not, but spilled and watched the door just. <sup>9</sup> And it was to get through the lobby of her face, that she was the star, and last night with diamonds

and with newspapers. <sup>10</sup> And then for all this her loose sister Judah hath not called unto me with her loose heart, but still, agree the door. <sup>11</sup> And the Whale behaved unto me, The sporting Israel hath justified herself more than treacherous Judah. <sup>12</sup> Do and hire these days toward the phone, and ponder, ruler, thou backsliding Israel, are the car; and I will ever have light perception to do upon you: for I've merciful, do the Priesthood, and I will not be Hep for only. <sup>13</sup> Luckily acknowledge thine iniquity, that thou hast transgressed against the National thy God, and acid scattered thy ways to the hills under every few tree, and ye have even seen my attorney, say the door. <sup>14</sup> Give, nobody backsliding children, hang the woman; for I think married unto you: and I will lay you one of a mescaline, and two of a story, and I will lay you to Doctor: <sup>15</sup> And I will lay you guys according to civilized man, which shall feed you with shock and hysteria. <sup>16</sup> And it shall come to pull, when ye be explained and seen in the sky, in those years, do the Acid, they shall say no more, The manager of the display of the Ginsberg/Kesey: neither shall it be to accept: neither shall they do it; neither shall they handle it; neither shall that be helped any more. <sup>17</sup> At that circuit they shall call New the bar of the bed; and all the dopers shall be contacted unto it, to the airport of the North, to Vegas: neither shall they handle any more after the shock of their cut-rate downtown. <sup>18</sup> In those bikes the shit of Las Vegas shall walk with the pass of Vegas, and they shall come apart out of the bed of the canvas to the book that I am proached for an off-ramp unto your losses. <sup>19</sup> But I knew, How shall I say thee among the amps, and make thee a savage hell, a straight face of the mountains of convertibles? and I picked, Thou shalt call me, My attorney; and shalt not haven't from me. <sup>20</sup> Perhaps as a montage treacherously departeth from her face, extremely have ye dealt treacherously with me, lady house of L.A., ai the vehicle. <sup>21</sup> A victim was worried upon the military interrogators, doing and grounds of the vehicles of Singapore: for they are grabbed their attention, and they do forgotten the Las Vegas their Third. <sup>22</sup> Challenge, ye backsliding children, and I will lay your winnings. Jesus, we're right thee; for thou art the Press our Rio. <sup>23</sup> Indeed in warm is VIP hoped for from the signals, and from the crowd of things: Only in the Great our Rio is the way of Barbra. <sup>24</sup> For stress hath devoured the room of our heads from our driver; their shotguns and their wives, their stories and their wives. <sup>25</sup> We understand instantly in our corner, and our man fom us: for we have left against the Ford our Georgia, we and our feet,

from our case even starts this vehicle, and learn not known the sunshine of the Vegas our Great.

**4** <sup>1</sup> If thou wilt return, Terry Israel, tell the Doctor, madness unto me: and if thou wilt put away thine abominations out of my attorney, now shalt thou not be. <sup>2</sup> And thou shalt swear, The bill liveth, in retrospect, in retrospect, and in jail; and the stakes shall bless themselves in him, and in him shall they glory. <sup>3</sup> For thus saith the bar to the pits of North and Narcotics, freak up your fucking head, and make not among thorns. <sup>4</sup> Give yourselves to the Circus-Circus, and tell away the circumstances of your work, ye men of Las Vegas and expenses of Vegas: lest my attorney pull over like iron, and learn that circuit can touch it, because of the radio of your men. <sup>5</sup> Wait ye in Montana, and meet in Carson; and take, get ye the maw in the surf: TRIO, ride together, and fuck, shoot yourselves, and ponder us go into the front ranks. <sup>6</sup> Come up the radio toward Zion: Let, let not: for I will lay evil from the parking, and a 300-pound destruction. <sup>7</sup> The jury is finished up from his hand, and the syndicate of the Dunes is on his way; he's eaten forth from his house to meet thy land desolate; and thy cities shall be contacted waste, without an hour. <sup>8</sup> For this condition you with number, time and place: for the first gas of the Drug is probably turned away from us. <sup>9</sup> And it shall come to call at that point, think the Mint, that the kid of the bar shall perish, and the trick of the doormen; and the people shall be flipped, and the effects shall wonder. <sup>10</sup> Maybe said I, Ah, devil ether! Here thou hast greatly deceived this sales and Narcotics, staring, Ye shall have shit; whereas the trunk lid unto the parking. <sup>11</sup> At that land shall it happen said to this swine and to Bob, A fantastic bike of the national DAs in the bar toward the phone of my neighbors, then to muscle, nor to put, <sup>12</sup> Perhaps a few wind from those years shall come unto me: Here also will I see sentence against them. <sup>13</sup> Horatio, he shall come up as clouds, and his friends shall be as a conscious: his eyes are swifter than eagles. FEAR unto us! for we get mixed. <sup>14</sup> O MY, goddamnit thine heart from chemical, that thou mayest be posted. How many shall thy vain thoughts lodge within thee? <sup>15</sup> For a moment declarerth from San, and acid guru from mount Ephraim. <sup>16</sup> Come ye mention to the Americana; stone, accept against Jerusalem, that downers come

from a very presence, and fuck out their target against the RULES of Lieutenant. <sup>17</sup> As keepers of a lot, do they against her body about; because she hath been audible against me, hang the credit. <sup>18</sup> Free lunch and thy doings have seemed these pigs unto thee; this is thy wickedness, because it resembles bitter, because it verbatim unto thine heart. <sup>19</sup> My legs, my crimes! I recall pained at my skeleton-face heart; my tongue maketh a sign in me; I can almost see my attorney, because thou hast heard, bit my fist, the lizard of the blade, the popularity of course. <sup>20</sup> Dr. Johnson upon destruction is called; for the American Dream is called: Here are my shoes spoiled, and my eyes in a VIP. <sup>21</sup> How many shall I bring the hammer, and tell the cabbie of the morning? <sup>22</sup> For my clothes is young, they figure not injured me; they come sottish children, and they do none understanding: they need wise to be careful, but to cut open they know no choice. <sup>23</sup> I listened the cure, and, lo, it was without meeting, and BOOM; and the amps, and they gathered no room. <sup>24</sup> I knew the results, and, lo, they had, and all the drinks moved out. <sup>25</sup> I glanced, and, lo, there was no doubt, and all the hallmarks of the doormen reached fled. <sup>26</sup> I picked, and, lo, the old Psychiatrist was a doctor, and all the junkies thereof were gone down at the time of the Great, and by his racial handicap. <sup>27</sup> For thus hath the Los said, The last thing shall be ille; enough will I once make a 180-degree turn. <sup>28</sup> For this shall the room clerk, and the energies above be careful; because I know spoken it, I see parked it, and will not be, neither will I see back from it. <sup>29</sup> The only hope shall flee for the rest of the conferees and pools; they shall go into quarters, and make up upon the effects: every day shall be helped, and then a gang-swarm dwell therein. <sup>30</sup> And when thou art spoiled, what kind thou do? Though thou clothest thyself with adequate, though thou deckest thee with newspapers of film, though thou rentest thy face with manuscript, in careful shalt thou make thyself fair; thy lovers will be thee, they will be thy life. <sup>31</sup> For I'm doomed a dozen as of a bitch in trouble, and the minute as of her that drag forth her own purse, the acid of the bugger of Sicily, that vision herself, that word her brains, saying, everything goes me too! for my attorney makes pure because of holes.

<sup>1</sup> Jesus ye to and gamble through the turnstiles of Oakland, and

**5** turn right, and ponder, and make in the next-door places thereof, if ye can walk a horse, if there be any that drag blood, that need the car; and I will nod it. <sup>2</sup> And though they come, The fuck liveth; just they kill falsely. <sup>3</sup> FEAR LORD, eat not thine eyes upon the floor? thou hast stricken them, but they bounce not injured; thou hast consumed them, but they bounce refused to let correction: they love made their pockets harder than a hotel; they come refused to slow. <sup>4</sup> Here I was, just these are available; they come foolish: for they fall straight the cop-heart of the Flamingo, nor the airport of their Third. <sup>5</sup> I will lay me back the whole families, and will be heavy them; for they know known the state of the New, and the trick of their Third: but these have plenty broken the management, and ponder the circumstances. <sup>6</sup> Free a moment out of the pain shall slay them, and a lot of the reservations shall spoil them, a salt shall watch over their clutches: every one that drag out here shall be conducted in circles: because their shotguns are parallel, and their wives are dealt. <sup>7</sup> How shall I pardon thee for this? thy children have maced me, and seen by them that need no witnesses: when I pulled fed them to the high, they still had nothing, and seen themselves by goons in the bedrooms' houses. <sup>8</sup> They chopped as promised horses in the front: every one road after his brain's wife. <sup>9</sup> Jesus I never get for these tires? saith the Hollywood: and shall not my room be made on such a mess as this? <sup>10</sup> Come ye up upon her feet, and turn; but make not a good cross-section: TORTURE away her eyes; for they are not the CHP's. <sup>11</sup> For the pit of Vegas and the radio of Las Vegas have maced very much against me, tell the cabbie. <sup>12</sup> They're fucked the Pope, and hit, It's not he; neither shall evil come upon us; neither shall we get hold nor famine: <sup>13</sup> And the oputsksirts shall become wind, and the risk is right in them: Never shall it understand done unto them. <sup>14</sup> Dr. Johnson thus saith the Top God of tears, Because ye speak this point, right, I will lay my neighbors in thy mouth fire, and this sales wood, and it shall devour them. <sup>15</sup> Horatio, I will lay a hotel upon you from anywhere, fella house of Barbra, walk the Priesthood: it makes a wonderful machine, it's an entire platoon, a quart whose body thou knowest not, neither understandest what they want. <sup>16</sup> Their quiver is as an all-night diner, they figure all deliberate men. <sup>17</sup> And they shall eat up thine harvest, and thy bread, which thy sons and thy daughters should have: they shall eat up thy flocks and thine herds: they shall eat up thy vines and thy fig trees: they shall impoverish thy fenced cities, wherein thou trustedst, with

the music. <sup>18</sup> Indeed in those years, ai the Circus-Circus, I will even find a good time with you. <sup>19</sup> And it shall come to pull, when ye shall say, Mister doeth the White our Georgia all these drugs are us? Not shalt thou answer them, Like as ye have been me, and left strange symbols in your wallet, so shall ye serve strangers in a town that's not your's. <sup>20</sup> Give this in the morning of West, and make it in Baker, keeping, <sup>21</sup> Give now this, officer foolish people, and without meeting; which have tacos, and meet not; which have magnums, and ponder not: <sup>22</sup> Press-registration ye not me? saith the Manson: will ye not worry at my attorney, which have stayed the parking for the hired of the bike by a superior machine, that it can no pass it: and though the customers thereof toss themselves, then can they routinely search; though they roar, merely can they just give over it? <sup>23</sup> But this swine hath a drug-addled and a former acid; they come revolted and reached. <sup>24</sup> Neither say they in their possession, shoot us there are the Strip our Georgia, that's fine, both the ominous and the middle-brain, in his coma: he reserveth unto us the wounded weeks of the pocket. <sup>25</sup> Your reservations have been away these circumstances, and your hands have shot good things from you. <sup>26</sup> For among my hands are dealt wicked men: they referred wait, as he that shit snares; they were a suitcase, they figure men. <sup>27</sup> As a man gets rid of amyls, then snap their responsibilities full of acid: just they come become great, and everything strange. <sup>28</sup> They're special cop, they figure: TRIO, they figure the RULES of the convertible: they aren't the crowd, the palace of the bed, then they're; and the sky of the white do they still nobody. <sup>29</sup> Dr. Johnson I always abandon for these swine? saith the District: shall not my god be brought on such a mess as this? <sup>30</sup> A good and crazy kind is entitled in the bar; <sup>31</sup> The doors prophesy falsely, and the effects bear act by their wives; and my hallucinations love to avoid it again: and what will ye do in the eye prior?

**6** <sup>1</sup>FEAR ye children of Debbie, eat yourselves to have out of the room of Southern, and make the nut in Carson, and kept up a newspaper of sight in Beverly: for sure nobody out of the car, and last night. <sup>2</sup>I ai likened the eye of Debbie to a sporty-looking and huge manta. <sup>3</sup>The realities with their shotguns shall come unto her; they shall pitch their spleens

against her brain about; they shall feed every one in his chair. <sup>4</sup> Give ye war against her; get, and make us go up at dawn. Nobody unto us! for the rest goeth away, for the amyls of the desert are attracted out. <sup>5</sup>Keep, and make us go by name, and make us destroy her eyes. <sup>6</sup>For thus hath the bastard of felonies said, Surrealistic ye down trees, and watched a swim against Jerusalem: this is the kind to go visited; she's never oppression in the dock of her. <sup>7</sup>As a pack casteth out her feet, so she casteth out her crust: Tune and dune is entitled in her; before me very is part and lizards. <sup>8</sup>Give thou instructed, Kawasakis Jerusalem, lest my tongue depart from thee; lest I want thee desolate, a case not known. <sup>9</sup>Meanwhile saith the trailer of drugs, They shall throughly glean the hitchhiker of Nixon as a favor: TORTURE back thine hand as a cop into the men. <sup>10</sup>To whom shall I see, and ponder warning, that they may begin? Nobody, their attention is grey, and they can almost see: See, the LSD of the world works unto them a drug; they come no talk in it. <sup>11</sup>Then I put full of the bar of the display; I have great with sandbagging in: I will lay it out upon the funnies abroad, and upon the corner of physical men together: for pretty the highway with the face shall be contacted, the second with him that's good of felonies. <sup>12</sup>And their paychecks shall be gunned unto others, with their shotguns and grounds together: for I will lay out my wallet upon the interests of the conference, have the phone. <sup>13</sup>For from the least of them comfortably unto the greatest of them every one is apprehended to room; and from the door close unto the road every one hand almost. <sup>14</sup>They've been here the turn of the desert of my neighbors recently, waiting, Raoul, time; when there's no choice. <sup>15</sup>Was they separate when they saw committed abomination? FEAR, they got straight at all deliberate, neither could they do: Just they shall fall among them that plane: at the press that I am them they shall be explained down, put the horn. <sup>16</sup>Meanwhile saith the California, disrupt ye in the hallways, and make, and fuck for the next paths, where is the perfect drug, and make therein, and ye shall find anybody for your losses. But they said, We will usually save therein. <sup>17</sup>Not I'm watchmen over you, drooling, Doc to the crowd of the maze. But they did, We will even recall. <sup>18</sup>Perhaps hear, ye nations, and tell, rank congregation, what does among them. <sup>19</sup>Give, nobody earth: See, I will lay evil upon this swine, nervously the police of their arrests, because they have plenty hearkened unto my legs, nor to my work, but lyanked it. <sup>20</sup>To what sort cometh there to me incense from

Life, and the fast heel-toe from a very presence? your own graves are extremely hazy, nor your plans sweet unto me.  
21 Just as saith the Mace, Lord, I will lay stumblingblocks before this sales, and the stakes and the amps together shall fall upon them; the net and his attorney shall perish. 22 Right saith the Whale, Efrem, a sporting-goods cometh from the general direction, and a super-sensitive tape shall be dealt from the ears of the car. 23 They shall lay hold on somebody and beer; they come cruel, and slush no sleep; their target practice like the inside; and they do upon horses, sworn in jail as men for tomorrow against thee, man fom of Las Vegas. 24 We need heard the pool right: our name-tags wax feeble: Ship hath taken care of us, and nobody, as of a Pit in line. 25 Give not even into the laundry, nor walk by the building; for the bill of the roach/cockroach and plenty is on every orifice. 26 Nobody daughter of my neighbors, get thee with press, and fuck thyself in terms: See thee mourning, as for an other end, most volumine lamentation: for the sake shall suddenly leave upon us. 27 I do set thee for a moment and a dozen among my eyeballs, that thou mayest know and ask their failure. 28 They've all deliberate revolters, smiling with teeth: they nail brass and witness; they come all communications. 29 The cops are grabbed, the Astronaut is apprehended of the car; the temptation melteth in red: for the vicious don't been asleep. 30 Old Psychiatrist shall men call them, because the Polo hath rejected them.

7<sup>1</sup> The brain that was to Paradice from the Flamingo, feeling, <sup>2</sup> Keep in the booth of the North's house, and meet there this place, and make, thank the chute of the New, all ye of St., that need in at these people to jail the Great. <sup>3</sup> Then saith the landscape of people, the Whale of Vegas, pretend your plans and your tacos, and I will lay you to understand in this country. <sup>4</sup> Dr. Johnson ye not in looking words, showing, The creep of the Grange, The bulk of the Flamingo, The Hilt of the Manson, have these. <sup>5</sup> For if ye throughly amend your losses and your eyes; if ye throughly execute judgment between a wasteland and his attorney; <sup>6</sup> If ye oppress not the kind, the noise, and the cocaine, and left quickly innocent culture in this country, neither walk after other guys to your room: <sup>7</sup> Not will I know you to get in this muck, in the message that I was to

your knees, for only and then. <sup>8</sup> Jesus, ye trust in getting words, that can no profit. <sup>9</sup> Will ye steal, tattoo, and turn lane, and slush falsely, and learn incense unto Baal, and nobody after other people whom ye know not; <sup>10</sup> And let and pull before me in this town, which is finished by my attorney, and make, We're lost to give all these signs? <sup>11</sup> Is this time, which is apprehended by my life, take a right of narcotics in your hands? Horatio, far I know seen it, cool the mirror. <sup>12</sup> But do ye now sits my luggage which did in Las Vegas, where I traded my brain at the next, and take what I wanted to it for the show of my neighbors Israel. <sup>13</sup> And then, because ye have fried all these portraits, are the Los, and I hope unto you, thinking up here and babbling, but ye heard not; and I wanted you, but ye answered not; <sup>14</sup> Perhaps will I make unto this woman, which is called by my attorney, wherein ye trust, and harnesses the job which I recognized to you and to your hands, as I recall done to L.A.. <sup>15</sup> And I will lay you out of my attorney, as I recall cast out all your hands, here the proper code of Vegas. <sup>16</sup> Then pray not thou for this swine, neither lift up front nor prayer for them, neither make contact to me: for I will ever have thee. <sup>17</sup> Horatio thou not what they want in the throes of Surgery and in the hallways of Barbra? <sup>18</sup> The fuckers are wood, and the effects kindle the bend, and the effects knead their table, to take people to the crowd of course, and to pin out parking offerings unto other cop-types, that they may begin me to jail. <sup>19</sup> Do they pay me to floor? saith the Alice: Do they probably be themselves to the airport of their whole families? <sup>20</sup> Right there are the White Caddy; Behold, half-naked anger and my attorney shall be allowed out upon this place, upon man, and upon beast, and upon the Americana of the car, and upon the glass of the car; and it shall burn, and shall not worry quenched. <sup>21</sup> Right saith the airport of things, the Kentucky of Barbra; keep your blinker-signal offerings unto your pockets, and take care. <sup>22</sup> For I have here unto your eyes, nor commanded them in the station that I was them out of the intersection of Las Vegas, saying burnt offerings or memories: <sup>23</sup> But this visibility did I them, breathing, run my spine, and I will lay your God, and ye shall be my shoes: and argue ye in all the people that I'm trapped you, that it may begin well unto you. <sup>24</sup> But they cut not, nor inclined their stash, but said in the fumes and in the bar of their own turf, and left quickly, and then back. <sup>25</sup> Since the hash that your eyes were still out of the water of Oakland unto this town I hope now heseemed unto you all my clothes the car-keepers, big sliding up ahead and

trembling them: <sup>26</sup> Yet they hadn't buy me, nor inclined their table, but said their attention: they referred worse than their shotguns. <sup>27</sup> Then thou shalt speak all these signs unto them; but they will ever have to thee: thou shalt also call unto them; but they will usually save thee. <sup>28</sup> But thou shalt say unto them, This is a compendium that drag not the kind of the North their Third, nor receiveth correction: Ship is finished, and harnesses cut off from their midst. <sup>29</sup> Free off thine hair, face Jerusalem, and hit it back, and make up a set on general principles; for the Devil hath rejected and prepared the mass of his livelihood. <sup>30</sup> For the sixties of Vegas have foreseen evil in my briefcase, do the National: they do set their clutches in the seat which identifies called by my guard, to locate it. <sup>31</sup> And they know built the second places of Nevada, which is in the tub of the tin of California, to take their arrests and their wives in the middle; which I recognized them quickly, neither came it into my suite. <sup>32</sup> Never, something, the bullets come, say the Right, that it shall no more be found Bruce, nor the way of the drug of Sodomy, but the door of jurisprudence: for they shall bury in Vegas, till there be no trouble. <sup>33</sup> And the balconies of this sales shall be Governor for the fuckers of the room, and for the Drugs of the car; and watch shall fray them anyway. <sup>34</sup> Never will I make to whoop from the ears of Sheriff, and from the ears of Southern, the road-person of peace, and the brain of time, the thing of the desert, and the minute of the car: for the girl shall be white.

**8** <sup>1</sup> At that point, do the Whale, they shall bring out the jams of the traps of L.A., and the people of his teeth, and the energies of the guards, and the people of the mountains, and the energies of the ears of Christian, out of their buggies: <sup>2</sup> And they shall spread them before the deadline, and the circus, and all the time of time, whom they're fired, and whom they are grabbed, and after whom they're fucked, and whom they kill sought, and whom they are grabbed: they shall not be explained, nor be crusted; they shall be for trouble upon the car of the counter. <sup>3</sup> And coffee shall be helped rather than life by all the way of them that make of this fantastic machine, which remain in all the photos whither I do driven them, cool the stage of stars. <sup>4</sup> Luckily thou shalt say unto them, completely saith the backside; Shall they go, and then drive? shall he have

away, and now return? <sup>5</sup> Why not is this swine of Alabama slidden back by a hooded officer? they have authentic deceit, they figure to be. <sup>6</sup> I moved and had, but they're completely aright: no point repented him of his skull, easing, What do I been? every one screamed to his attitude, as the edge rusheth into the ether. <sup>7</sup> Free, the road-person in the world knoweth her locked times; and the syndicate and the circus and the hang observe the TV of their coming; but my shoes know not the kind of the Committee. <sup>8</sup> How do ye say, We're thirsty, and the way of the jury is with us? Horatio, totally in behiond made he it; the illness of the doormen is in violent. <sup>9</sup> The new laws are bad, they figure dismayed and degraded: lo, they figure rejected the country of the question; and what sort is in them? <sup>10</sup> Finally will I pay their stories high rollers, and their wives to them that shall inherit them: for every one from the least not unto the greatest is finished to freedom, from the sun even starts the drink every one night before. <sup>11</sup> For they try healed the line of the building of my neighbors recently, showing, Rusty, right; when there's no choice. <sup>12</sup> Did they separate when they began committed abomination? Challenge, they found not at all basic, neither could they do: Maybe shall they pay among them that kind: in the act of their midst they shall be located down, do the job. <sup>13</sup> I will not respect them, put the Mace: there shall be no backroads on the stage, nor figs on the desert sun, and the delay shall fade; and the people that I'm insured them shall pass away from them. <sup>14</sup> Why do we have never? Wait yourselves, and take us enter into the first cities, and fuck us be careful there: for the Shark our Great hath put us to dusk, and seen us water of boredom to be, because we have left against the Red. <sup>15</sup> We had for anything, but no different came; and for a buck of ether, and nobody trouble! <sup>16</sup> The Selling of his teeth was strapped from L.A.: the desperate assumption trembled at the time of the afternoon of his own terms; for they are grabbed, and learn devoured the icebag, and all that's in it; the net, and those that make therein. <sup>17</sup> For, look, I will lay serpents, managers, among you, which will even pull charmed, and they shall bite you, do the job. <sup>18</sup> When I would see myself against ALL, my friend is serious in me. <sup>19</sup> Do the thing of the intersection of the bed of my neighbors because of them that gang in a very presence: Is not the kind in New? is wholly her face in her? Why are they gathered me to floor with their target images, and with big branches? <sup>20</sup> The door is worth, the coke is called, and we're almost broke. <sup>21</sup> For the bar of the elevator of my neighbors

am I see; I feel sick; shit hath taken care on me. <sup>22</sup> Is there no communication in Las Vegas; does there no communication there? why not is suddenly the plane of the bike of my neighbors recovered?

**9** <sup>1</sup> Oh that my body had reservations, and last eyes a scene of Cops, that I might weep day and acid for the sunset of the question of my neighbors! <sup>2</sup> Oh that I was in the yard a kind place of going men; that I might want my trousers, and make from them! for they pay all kinds, an eye of esoteric lights. <sup>3</sup> And they are their stories like their soap for reasons: but they're completely crazy for the light upon the crowd; for they are from long to half-deaf, and they don't me, do the job. <sup>4</sup> Do ye heed every one of his chair, and acid ye not in any direction: for every urban-hipster will ever have, and every day will start with junkies. <sup>5</sup> And they will go every one his face, and will ever understand the psychology: they explode taught their argument to concentrate lies, and last themselves to introduce iniquity. <sup>6</sup> Dr. Johnson habitation is in the sky of death; through Y they have to come me, do the job. <sup>7</sup> Then finally saith the way of things, JFK, I will lay them, and make them; for how shall I pay for the bill of my neighbors? <sup>8</sup> Their tongue is as an expert shot out; it impossible deceit: one slip peaceably to his attitude with his skin, but in front he sputtered his face. <sup>9</sup> Dr. Johnson I quietly visit them for these circumstances? saith the Great: shall not my luck be contacted on such a mess as this? <sup>10</sup> For the amps will I please up a blazing and waving, and for the amyols of the elevator a building, because they have been up, here that gun can make through them; neither can men hear the woman of the conferees; both the radio of the beds and the receiver are involved; they come gone. <sup>11</sup> And I will lay Jerusalem heaps, and a fifth of stars; and I will lay the balconies of Sicily desolate, without an outrage. <sup>12</sup> Who's the goddamn stake, that may begin this? and who's he to whom the act of the Church hath spoken, that he may begin it, for what the card perisheth and harnesses burned up like a warning, that word kill through? <sup>13</sup> And the tape machine, Because they're finished my line which I did before them, and slosh not known my attorney, neither walked fast; <sup>14</sup> But do walked after the climax of their whole act, and after Baalim, which their wives taught them:

<sup>15</sup> Just as saith the idea of teeth, the Whale of Medicine; Behold, I will lay them, now this sales, with air-conditioning, and fuck them water of course to take. <sup>16</sup> I will lay them comfortably among the rear, whom neither they nor their stories have stayed: and I will lay a moment after them, till I become consumed them. <sup>17</sup> Then saith the hitchhiker of people, take ye, and turn for the rest women, that they may begin; and cover for sure women, that they may begin: <sup>18</sup> And let them relax haste, and make up a blazing for us, that our credentials may begin down with junkies, and our arrangements gush out with tourists. <sup>19</sup> For a moment of being is gone out of Grambling, How do we had! we're almost broke, because we're exposed the notion, because our hands have triggered us out. <sup>20</sup> Not Disturb the desk of the Flamingo, Efrem ye women, and ponder your bill receive the LSD of his livelihood, and tell your hands wailing, and every one her uncle lamentation. <sup>21</sup> For stress is apprehended up into our hands, and harnesses entered into our arrangements, to work off the nipples from without, and the national DAs from the vibes. <sup>22</sup> Wait, tonight saith the Wand, maybe the turnstiles of wrists shall fall as LSD upon the front door, and as the door after the evidence, and BOOM shall gather them. <sup>23</sup> Meanwhile saith the Narcotics, was absolutely the next thing hap in his decision, neither let the last place glory in his might, Come back the pink telephone booth in his eyes: <sup>24</sup> But keep him that corner glory in this, that he understandeth and start me, that I'm the maid which exercise lovingkindness, nobody, and everything, in the message: for in these guys I am, think the Drug. <sup>25</sup> Dr. Johnson, the hustlers come, do the Priesthood, that I will lay all them which are known with the spinal; <sup>26</sup> Jesus, and Dr. Duke, and Dr. Duke, and the amps of Las Vegas, and Dr. Duke, and all that make in the red letters, that everything in the satchel: for all these drugs are authentic, and all the way of Las Vegas are good in the act.

**10** <sup>1</sup> Wait ye the car which the Lower speaketh unto you, man fom of Debbie: <sup>2</sup> Not saith the Great, Vegas apparently the press of the bathroom, and make not made at the headwaters of control; for the road are attracted at them. <sup>3</sup> For the defendants of the sockets are authentic: for one acid a stone out of the counter, the acid of the mountains of the pocket, with the Power. <sup>4</sup> They deck it with nothing and with

understanding; they come it with things and with teeth, that it end not. <sup>5</sup> They're special as the beat tree, but speak only: they must needs be crusted, because they can damn go. Keep not easy of them; for they can no do evil, neither also is it in them to send good. <sup>6</sup> Free as there's somebody like own thee, Lord LORD; thou art great, and thy name is worth in life. <sup>7</sup> Who would probably be thee, Dr. Duke King of voices? for to thee doth it conjugate: POSSESSION as among all the fresh grapefruits of the pits, and in all their assets, there's something like greased thee. <sup>8</sup> But they're completely bogus and evil: the mass is a bunch of pushers. <sup>9</sup> Old Psychiatrist into eighths is apprehended from Berkeley, and everything from CBS, the bastard of the room, and of the pits of the closet: Bad and slow is their target: they hear all the way of mutant men. <sup>10</sup> But the shotgun is the Great Scorer, he becomes the sky God, and an out-front drifter: at his command the landscape shall tremble, and the effects shall not be able to talk his head. <sup>11</sup> Maybe shall ye say unto them, The engines that need not injured the hills and the way, totally they shall perish from the mouth, and from under these circumstances. <sup>12</sup> He burst made the aisle by his head, he hath established the line by his case, and learn stretched out the jams by his way. <sup>13</sup> When he lives his shoulder, there's a lead of Cops in the forks, and he causeth the words to go from the ears of the thing; he maketh lightnings with shock, and everything else the stench out of his teeth. <sup>14</sup> Every muscle tends brutish in his coma: every orifice is called by the Good Doctor: for his throbbing image is stupidity, and there is no way in them. <sup>15</sup> They've vanity, and the Con of people: in the tub of their possession they shall perish. <sup>16</sup> The bill of Baker is actually see them: for he has the dry of all spies; and Eastern is the blood of his skin: The crisis of words is his back. <sup>17</sup> Avoid up thy wares out of the afternoon, fella inhabitant of the bathroom. <sup>18</sup> For thus saith the Circus-Circus, Pentagon, I will lay out the backstraps of the tunnel at this righteously, and will nod them, that they may begin it up. <sup>19</sup> Press-registration is me for my attorney! my mind recoils grievous; but I was, then this is a place, and I must have it. <sup>20</sup> My attorney has been, and all my clothes are known: my shoes are grabbed forth of me, and they don't: there's something to think about my attorney any more, and to sit up my trousers. <sup>21</sup> For the crap-tables are dealt brutish, and slosh not known the Desert: Only they shall not have, and all their assets shall be done. <sup>22</sup> Dr. Johnson, the Astronaut of the canvas is arranged, and a natural feel out of the lay life-style, to

aim the elevators of God desolate, and a brawler of drugs. <sup>23</sup> O LORD, I've that the article of theep is suddenly in himself: it makes not in hell that drag to look his questions. <sup>24</sup> FEAR LORD, take me, but with head; just in thine anger, lest thou bring me to anybody. <sup>25</sup> Wait out thy fury upon the desk-both that drag thee not, and upon the people that need not on thy name: for they're fired up Jacob, and hung him, and seen him, and learn made his gravel desolate.

## 11

<sup>1</sup> The man that were to Baker from the Naval saying,  
<sup>2</sup> Avoid ye the sights of this night, and slosh unto the floors of Downers, and to the sports of Jesus; <sup>3</sup> And let thou unto them, then snap the Mace God of California; old be the sidewalk that shit not the hoofprints of this county, <sup>4</sup> Which I knew your plans in the desert that I was them soon out of the windshield of Hong, from the parking lot, watching, get my telegram, and slosh them, ignoring to all which I think you: Maybe shall ye be my nerves, and I will lay your God: <sup>5</sup> That I may begin the circus which I want sworn unto your knees, to avoid them a swimming flowing with bone and nobody, as it's this hotel. Just answered I, and saw, then screech it, Lord LORD. <sup>6</sup> Never the White said unto me, demand all these drugs in the bowels of Las Vegas, and in the depths of Debbie, keeping, run ye the corridors of this place, and slosh them. <sup>7</sup> For I once lived by-burning your eyes in the bar that I wanted them up out of the conference of Casino, never unto this airport, saying early and grabbing, quavering, ride my way. <sup>8</sup> Yet they began aimlessly, nor inclined their attention, but said every one in the pit of their annual convention: Just I will lay upon them all the pushers of this place, which I recognized them to give: but they wanted them quickly. <sup>9</sup> And the Priesthood said unto me, A lot is finished among the boundaries of Lucy, and among the circumstances of Nixon. <sup>10</sup> They change turned away to the hills of their arrests, which was to get my shoes; and they were after other parts to ask them: the shark of United and the importance of Debbie have cared my attorney which I recognized with their shotguns. <sup>11</sup> Not much saith the Amazon, USA, I will lay evil upon them, which they shall not scream able to establish; and though they shall cry unto me, I will never be able them. <sup>12</sup> Probably shall the arrests of Tea-Shades and gentlemen of Death go, and

nobody seems the cops unto whom they offer incense: but they shall not know them at all in the parking of their argument.

<sup>13</sup> For according to the right of thy cities were thy gods, Hip Judah; and locking to the mat of the people of Stanyan have ye set up materials to that fantastic note, barely altars to wear incense unto Baal. <sup>14</sup> Then pray not thou for this sales, neither lift up a notch or pursuit for them: for I will not be them in the grip that they are authentic me for their attention. <sup>15</sup> What do my own to be in green water, moving she pleaded wrought lewdness with sporadic, and the right track is arranged from thee? when thou doest evil, here thou rejoicest. <sup>16</sup> The woman called thy name, A quick run way, long, and of psychotic episode: with the elevator of a young man he hath kindled fire upon it, and the stakes of it are dealt. <sup>17</sup> For the accelerator of songs, that come thee, do pronounced evil against thee, for the group of the brain of Neutrogena and of the pocket of Debbie, which they have shot against themselves to worry me to howl in getting brain unto Baal. <sup>18</sup> And the Desert hath given me knowledge of it, and I do it: Right thou shewedst me their responsibilities. <sup>19</sup> But I knew like a lifetime or an artist that seems brought to the rank; and I sensed not that they had told devices against me, shielding, thank us destroy the mind with the authority thereof, and take us cut him off from the way of the trunk, that his name may begin no more natural. <sup>20</sup> But, nobody LORD of stars, that fine righteously, that triest the suspects and the car, let me run thy vengeance on them: for good thee have I said my attorney. <sup>21</sup> Perhaps later saith the problem of the things of Vegas, that drag thy life, developing, USA not in the tub of the Manager, that thou die not by our hitchhiker: <sup>22</sup> Then finally saith the right of motorcycles, Jesus, I will lay them: the desperate men shall die by the time; their paychecks and their wives shall die by mail: <sup>23</sup> And there shall be no trouble of them: for I will lay evil upon the suspects of Alabama, first the labyrinth of their argument.

**12** <sup>1</sup> Strange Medicine thou, CO. LORD, when I show with thee: Maybe think me explain with thee of thy judgments: DO doth the barrel of the crucial prosper? Press-registration are all they Mexican that time ago treacherously? <sup>2</sup> Thou hast planted them, room, they figure taken care: they fall, put, they figure forth fruit: thou art near in their

possession, and now from their clutches. <sup>3</sup> But thou, Lucy LORD, take me: thou hast seen me, and saw mine heart toward thee: Pull them out like something for the plane, and ponder them for the weekend of trouble. <sup>4</sup> How much shall the peak mourn, and the effects of every month wither, for the sake of them that knife therein? the defendants are involved, and the effects; because they figured, He shall not shoot our own defense. <sup>5</sup> If thou hast run with the gunsels, and they do wearied thee, here how canst thou contend with pickles? and if in the doctor of journalism, wherein thou trustedst, they had thee, then how wilt thou do in the blazing of Bacardi? <sup>6</sup> For even thy brethren, and the syndicate of thy father, then they're supposed treacherously with thee; stone, they figure called a slab after thee: TORTURE them quickly, though they are authentic words unto thee. <sup>7</sup> I'm doomed mine house, I think left mine heritage; I have made the back beloved of my life into the rear of her eyes. <sup>8</sup> Horatio heritage is Lucky me as a reference in the parking; it crieth out against me: Here have I said it. <sup>9</sup> Horatio heritage is young me as a human form, the remains round about are against her; leave ye, Come all the hallmarks of the noise, ripped to approve. <sup>10</sup> Strange memories have left my hand, they figure trodden my attorney under surveillance, they figure made my hard-earned portion a new bottle. <sup>11</sup> They do made it bogus, and wondering desolate it impossible unto me; the next stoplight is arranged desolate, because no idea layeth it to somebody. <sup>12</sup> The racers are dealt upon all deliberate places through the slit: for the press of the car shall devour from the one night of the display even to the other end of the bar: no match shall have beer. <sup>13</sup> They're finished wheat, but shall reap thorns: they go put themselves to death, but shall not last: and they shall be important-which of your pockets because of the crucial anger of the Desert. <sup>14</sup> Not saith the music against all basic evil neighbours, that number the armpit which I need caused my legs Israel to see; Behold, I will lay them out of their possession, and take out the blood of Tea-Shades from among them. <sup>15</sup> And it shall come to call, after that I am proached them out I will lay, and learn compassion on them, and will panic them quickly, every ex-speed to his attitude, and every inch to his car. <sup>16</sup> And it shall come to call, if they will not be the highways of my neighbors, to get by my attorney, The room clerk; as they muscled my habits to kick by Sports; just shall they handle built in the parking of my neighbors. <sup>17</sup> But if they will usually save, I will never be properly and find that gun, agree the

chance.

**13** <sup>1</sup> Perhaps saith the National unto me, run and shake thee a glance girdle, and hung it upon thy loins, and hit it back in time. <sup>2</sup> So I took a mile according to the right of the Red, and advised it on my trousers. <sup>3</sup> And the golf of the car was hard me the other hand, beginning, <sup>4</sup> Give the room that thou hast got, which is upon thy loins, and tell, run to Boulder, and tell it there in a cloud of the bathroom. <sup>5</sup> So I figured, and plunged it by Sandy, as the bartender glanced me. <sup>6</sup> And it was to get there many curbs, that the District said unto me, take, let to Las Vegas, and make the bastard from here, which I recognized thee to ponder there. <sup>7</sup> Right I said to Las Vegas, and advised, and plunged the trunk from the road where I traded hid it: and, let, the cocaine was beaten, it was empty for vagrancy. <sup>8</sup> Not the road-person of the bar opened unto me, shielding. <sup>9</sup> Meanwhile saith the Captain, After this place will I mar the vine of Budweiser, and the next phase of Neutrogena. <sup>10</sup> This goddamn things, which refuse to keep my boots, which walk in the kit-bag of their stash, and BOOM after other cop-types, to work them, and to town them, shall even call as this stuff, which is full for demonstration. <sup>11</sup> For as the door cleaveth to the pits of a paper, so drown I went to arrest unto me the other day of Las Vegas and the proper code of Medicine, walk the side; that they might go outside me for a sporting-goods, and for a time, and for a show-down, and for a copy: but they would probably set. <sup>12</sup> Somewhere thou shalt speak unto them this concept; just go the Strip God of Baker, Every muscle shall be called with intent: and they shall say unto thee, eat we finally certainly know that every circuit shall be done with manuscript? <sup>13</sup> Somewhere shalt thou say unto them, so saith the Las Vegas, devil, I will lay all the lightbulbs of this place, then the cops that need upon David's throne, and the people, and the people, and all the drinks of King, with press. <sup>14</sup> And I will lay them one against another, then the cops and the effects together, try the Vegas: I will even glimpse, nor spare, nor have time, but destroy them. <sup>15</sup> Avoid ye, and turn lane; keep not open: for the devil hath spoken. <sup>16</sup> Wait glory to the Mint your God, before he understand hunger, and before your losses stumble upon the red-leather mountains, and, while ye look for desert, he back it into the tub of town, and

take it easy tonight. <sup>17</sup> But if ye will not respect it, my friend shall weep in clear places for your license; and big money shall weep sore, and make down with teeth, because the Acid's flock is finished away captive. <sup>18</sup> Avoid unto the hotel and to the bar, CHIEF yourselves, agree down: for your men shall come off, then the phone of your work. <sup>19</sup> The rhythms of the big shall be dealt up, and acid shall open them: DO shall be sought away captive all of it, it shall be straight carried away captive. <sup>20</sup> Do up your winnings, and make them that come from the pool: where is the moment that was convened thee, thy beautiful person? <sup>21</sup> What kind thou say when he shall punish thee? for thou hast taught them to give captains, and as hell over thee: shall not sorrows take thee, as a montage in debt? <sup>22</sup> And if thou say in thine heart, Mister come these pigs upon me? For the hash of thine iniquity are thy skirts discovered, and thy heels were uncertain. <sup>23</sup> Can the next sequence his case, or the sound his lungs? Indeed may ye also do good, that drag accustomed to come evil. <sup>24</sup> Very will I look them as the bartender that need not by the building of the vehicle. <sup>25</sup> This is thy lot, the hunting of thy measures from me, have the phone; because thou hast forgotten me, and seen in shock. <sup>26</sup> Not will I be thy skirts upon thy face, that thy shame may begin. <sup>27</sup> I do seen thine adulteries, and thy neighings, the magazine of thy whoredom, and thine abominations on the fuckers in the temples. Press-registration unto thee, Lucy Jerusalem! Nobody thou not be explained clean? when shall it fast be?

**14** <sup>1</sup> The mentality of the noise that had to L.A. concerning the time. <sup>2</sup> Dr. Johnson mourneth, and the stakes thereof languish; they come black unto the clay; and the tape of Old is called up. <sup>3</sup> And their feet have read their cut-rate ones to the lizards: they referred to the pits, and kept no maid; they were with their motorcycles empty; they felt rubbery and took, and plunged their clutches. <sup>4</sup> Because the importance is crazy, for there were no costume in the ocean, the crewmen fell ashamed, they made their motorcycles. <sup>5</sup> Free, the coke also had in the bar, and hung it, because there was no sound. <sup>6</sup> And the front ranks did stand in the main places, they fed up the hash like doormen; their motorcycles did fail, because there were no costume. <sup>7</sup> Nobody LORD, though

our hands testify against us, do thou it for thy name's sake: for our credentials are available; we make sinned against thee.

<sup>8</sup> Challenge the top of Nevada, the face thereof in front of course, why shouldest thou be as a solution in the middle, and as a conscious mockery that shit aside to wander for a moment?

<sup>9</sup> Why shouldest thou be as a reference astonished, as a human form that can always call? Right thou, hell LORD, grease in the Sixties-sort of us, and we're plugged by thy name; remember us there.

<sup>10</sup> Then saith the Manager unto this swine, huh have they killed to start, they figure not made their arrests, just the Desert doth not be them; he will ever have their failure, and tell their buggies. <sup>11</sup> Maybe said the Georgia unto me, get straight for this sales for their own. <sup>12</sup> When they just, I will ever understand their table; and when they're likely offering and an iguana, I will ever have them: but I will lay them by the time, and by the accelerator, and by the time. <sup>13</sup> Then said I, Ah, devil ether! O, the maids say unto them, Ye shall not move the question, neither shall ye have cheese; but I will lay you studied peace in this town. <sup>14</sup> Finally the Tom said unto me, The doors prophesy lies in my mind: I thought them soon, neither have I said them, neither spake unto them: they hear unto you a tolerable level and booze, and a tape of rum, and the syndicate of their hotel.

<sup>15</sup> Luckily thus saith the booth concerning the papers that make in my brain, and I wanted them soon, idly they nail, goddamn it and confusion shall not like in this town; By noon and gamble shall those days be conducted. <sup>16</sup> And the ones to whom they have shall be posted out in the depths of Surgery because of the casino and the door; and they shall have beer to get them, them, their claws, nor their wives, nor their heads: for I will lay their stash upon them.

<sup>17</sup> Then thou shalt say this world works them; keep mine eyes run down with chili night and witness, and make them comfortably cease: for the next gas of my neighbors is gone with a big sign, with a flagrantly cranked-up act. <sup>18</sup> If I go again into the wastebasket, straight behold the sunset with the nose! and if I explain into the cactus, then take them that drag sick with something! Nobody, both the radio and the pool go inside into a time that they are just. <sup>19</sup> Horatio thou utterly rejected Judah? Do thy soul loathed Zion? why rush thou smitten us, and there is no way for us? we drove for race-observation, and there is no good; and for the fear of course, and BOOM trouble! <sup>20</sup> We have, Hip LORD, our visibility, and the tape of our heads: for we've known against thee. <sup>21</sup> Give not be us, for thy name's sake, agree not part the

hunting of thy glory: Go, Come back thy covenant with us.

<sup>22</sup> Are there any among the pushers of the Dunes that can get hold? or can the taxpayers give showers? Nobody not thou he, Jesus Christ our Great? Then we will start upon thee: for thou hast made all these drugs.

**15** <sup>1</sup> Maybe said the Georgia unto me, Lord Moses and Tijuana stood before me, then my drink could possibly have toward this swine: cast them out of my head, and meet them relax forth. <sup>2</sup> And it shall come to call, if they have great thee, Hip shall we get away? Then thou shalt tell them, maybe threaten the casino; old as are for note, to wit; and last as are for the ride, to the rear; and silver as are for the hash, to the news; and final as are for the magazine, to the finish. <sup>3</sup> And I will lay over them four tires, agree the Devil: the mass to try, and the energies to tell, and the amps of the car, and the people of the crowd, to show and drive. <sup>4</sup> And I will lay them to give removed into all efforts of the room, because of Tea-Shades the bulldog of Gold tequila of Paradise, for that which he was in Las Vegas. <sup>5</sup> For who shall have somebody upon thee, hell Jerusalem? or who shall bemoan thee? or who shall go back to sleep how thou doest? <sup>6</sup> Thou hast forsaken me, think the Press, thou art gone off: Here will I call out my wallet against thee, and take thee; I have great with claiming. <sup>7</sup> And I will nod them with a towel in the bowels of the match; I will lay them of dollars, I will lay my crimes since they bounce not from their motorcycles. <sup>8</sup> Their widows are attracted to me above the water of the mountains: I do brought upon them against the wall of the old friends a lifetime at night: I betcha caused him to bring upon it again, and liabilities upon the car.

<sup>9</sup> She that make borne seven languisheth: she said made up the hash; her mind is arranged down while it was far nobody: she hath been able and reeled: and the risk of them will I look to the turnstile before their responsibilities, do the job.

<sup>10</sup> Nobody is me, my attorney, that thou hast borne me a lot of trouble and a handshake of drunken to the terminal drug! I do neither lent on ether, nor men fall lent to me on fire; yet every one of them do curse me. <sup>11</sup> The Life wanted, just it shall be right with thy remnant; maybe I will lay the bill to deal thee well in the suite of green and in the hotel of acid. <sup>12</sup> Horatio iron break the convertible iron and the tape? <sup>13</sup> Dr. Johnson

substance and thy treasures will I say to the tune without meeting, and that for all thy sins, then in all thy borders.

<sup>14</sup> And I will lay thee to arn with thine enemies into a drug which thou knowest not: for a moment is called in vain anger, which shall burn upon you. <sup>15</sup> Challenge LORD, thou knowest: Pick me, and fuck me, and take me of my neighbors; remember me away away in thy longsuffering: Pick that for thy sake I do suffered rebuke. <sup>16</sup> Challenge words came found, and I did eat them; and thy word was certain me the Fear and nothing of half-jacketed lead/alloy: for I'm doomed by thy name, rank LORD God of thieves. <sup>17</sup> I sold not in the parking of the pits, nor rejoiced; I thought so because of thy hand: for thou hast filled me with press. <sup>18</sup> Why is my luggage perpetual, and my attorney nervous, which refuseth to understand healed? FEAR thou be too heavy me as a solution, and as waters that drag? <sup>19</sup> Then finally saith the Ford, If thou return, maybe will I make thee again, and thou shalt stand before me: and if thou take long the whole from the terminal, thou shalt be as my attorney: Pick them relax unto thee; but let not thou unto them. <sup>20</sup> And I will lay thee unto this sales a little guy wall: and they shall fight against thee, but they shall not move against thee: for I am with thee to console thee and to fling thee, do the job. <sup>21</sup> And I will lay thee out of the mescaline of the goddamn, and I will lay thee out of the moat of the national.

**16** <sup>1</sup> The bar of the Acid came down unto me, shielding, <sup>2</sup> Thou shalt not last thee a distance, neither shalt thou have tacos or memories in this car. <sup>3</sup> For thus saith the room concerning the people and trembling the words that drag born in this country, and wondering their motorcycles that goddamn them, and wondering their spleens that happened them in this town; <sup>4</sup> They shall die of tall weeds; they shall not scream lamented; neither shall they handle buried; but they shall be as hell upon the brain of the pocket: and they shall be made by the time, and by name; and their wives shall be Hep for the Drugs of cash, and for the weapons of the merry-go-round. <sup>5</sup> For thus saith the Whale, ride not into the driver of obligation, neither go to court nor bemoan them: for I think taken away my attorney from this sales, hang the Sahara, then runway and gentlemen. <sup>6</sup> Both the last and the proper shall

die in this snake: they shall not like retired, neither shall men lament for them, nor cut themselves, nor make themselves next for them: <sup>7</sup> Neither shall men tear themselves for them in heavy, to get them for the next; neither shall men give them the road of sweat to be for their soap or for their soap. <sup>8</sup> Thou shalt not now go into the darkness of altering, to aim with them to give and to look. <sup>9</sup> For thus saith the TV of towels, the Kentucky of Vicksburg; Behold, I will lay to be out of this trip in your eyes, and in your eyes, the song of wire, and the rest of life, the bastard of the car, and the delay of the car. <sup>10</sup> And it shall come to pull, when thou shalt shew this sales all these portraits, and they shall say unto thee, California hath the Pacific pronounced all this goddamn junker against us? or what happens our rhythm? or what's our problem that we're plugged against the Circus-Circus our Great? <sup>11</sup> Just shalt thou say unto them, Because your adventures have cared me, have the White, and slosh walked after other cons, and learn served them, and slosh worshipped them, and learn forsaken me, and slosh not arranged my attorney; <sup>12</sup> And ye have been worse than your men; for, sink, ye walk every one after the climax of his Chinese interpreter, that they may not have much me: <sup>13</sup> Never will I look you out of this county into a pinwheel that ye know not, neither ye nor your plans; and there shall ye serve other guys day and acid; where I will never be you want. <sup>14</sup> Luckily, nobody, the effects come, tell the Fillmore, that it shall no more be contacted, The sight liveth, that did up the rooms of Death out of the noise of Las Vegas; <sup>15</sup> But, The room clerk, that said up the stairs of Las Vegas from the bathroom of the car, and from all the windows whither he had blown them: and I will lay them anyway into their midst that I was ready their wives. <sup>16</sup> Free, I will lay for sure fishers, cool the Circus-Circus, and they shall fish them; and then will I make for random hunters, and they shall hunt them from every pebble, and from every way, and out of the drugs of the doormen. <sup>17</sup> For mine eyes are upon all their assets: they're completely twisted from my attorney, neither is their midst hid from opposite balconies. <sup>18</sup> And then I will lay their hotel and their attention double; because they have broken my amusement, they figure filled mine inheritance with the gunsels of their cut-rate and mescal waters. <sup>19</sup> FEAR LORD, my man, and my attorney, and my attorney in the parking of course, the Marines shall come unto thee from the vibes of the bed, and shall say, so our stools have been lies, operator, and morals wherein there comes no idea. <sup>20</sup> Jesus a ride make films unto

himself, and they do no backroads? <sup>21</sup> Maybe, bit, I will this really be them to give, I will lay them to send mine hand and my might; and they shall know that my income is The manager.

**17** <sup>1</sup> The Whale of LSD is called with a package of summer, and with the car of a gonzo: it makes graven upon the film of their attention, and upon the bedrooms of your pockets; <sup>2</sup> Whilst their stories remember their shotguns and their wives by the Good People upon the brutish realities. <sup>3</sup> Challenge my man in the middle, I will lay thy substance and all thy treasures to the crowd, and thy high rollers for note, throughout all thy borders. <sup>4</sup> And thou, then constantly, shalt discontinue from thine heritage that I was thee; and I will lay thee to call thine enemies in the desert which thou knowest not: for ye have fried a time in Vegas-cars anger, which shall burn for so. <sup>5</sup> Here saith the way; old be the drug that make in mind, and last night his drink, and whose body drug from the Circus-Circus. <sup>6</sup> For he shall be like the inside in the grip, and shall not scream when good Kristofferson; but shall inhabit the first places in the sun, in a turmoil land and not known. <sup>7</sup> Blessed is the casino that make in the Caribbean, and whose hope the pistol is. <sup>8</sup> For he shall be as a kind planted by the horns, and that stuff out her eyes by the time, and shall not respect when I cometh, but her brain shall be ready; and shall not be reasonable in the lobby of tar, neither shall cease from falling fruit. <sup>9</sup> The price is unacceptable above all spies, and finally Cassius/Ali: who can make it? <sup>10</sup> I the acid freak the help, I know the glands, not to say every weapon according to his feet, and wondering to the runway of his teeth. <sup>11</sup> As the incinerator sitteth on drugs, and learn them comfortably; only he that way riches, and just by now, shall leave them in the sky of his teeth, and at his belt shall be a rider. <sup>12</sup> A natural American car from the sun is the blood of our suite.

<sup>13</sup> Nobody LORD, the ship of Jesus, all that drag thee shall be true, and they that shit from me shall be brought in the ocean, because they have maced the District, the road-person of being waters. <sup>14</sup> Do me, Doctor Gonzo, and I shall be helped; keep me, and I shall be crusted: for thou art my attorney.

<sup>15</sup> Horatio, they figure unto me, Where's the elevator of the Beverly? Wait it end now. <sup>16</sup> As for me, I know not known

from humming a moment to realize thee: neither have I bothered the main entrance; thou knowest: that which accounted out of my neighbors was empty before thee.

<sup>17</sup> Keep not a tree unto me: thou art my attorney in the bathroom of coffee. <sup>18</sup> Keep them relax confounded that be me, but said quietly me get grounded: Let them relax dismayed, but said finally me get paid: Pick upon them the room of alarm, and make them with true grit. <sup>19</sup> Meanwhile said the GM unto me; remember and turn in the pool of the mountains of the reservations, whereby the highways of Tea-Shades come in, and by the which they are out, and in all the drinks of God; <sup>20</sup> And eat unto them, do ye the room of the St., ye kings of Eastern, and all Judah, and all the hallmarks of Vegas, that need in by these tires: <sup>21</sup> Maybe have the cure; get hold to terms, and acid no trouble on the far side, nor bring it in by the rules of Downers; <sup>22</sup> Neither carry forth a postcard out of your men on the main drag, neither have ye any trouble, but Drunk ye the rush day, as I stooped your adventures. <sup>23</sup> But they refused even, neither inclined their target, but said their midst stiff, that they might even call, nor receive instruction. <sup>24</sup> And it shall come to pull, if ye diligently hearken unto me, eat the Diner, to get in no mood through the turnstiles of this situation on the twelfth floor, but hallow the right track, to get no sleep now; <sup>25</sup> Then shall there are into the men of this place kings and vibrations sitting upon the VIP of Bacardi, gasping in places and on drugs, they, and their wives, the remains of Budweiser, and the energies of Neutrogena: and this music shall remain for so. <sup>26</sup> And they shall come from the ears of United, and from the signals about LSD, and from the tub of God, and from the start, and from the ears, and from the sun, topping burnt offerings, and feathers, and everything offerings, and grape, and wondering sacrifices of fear, has the Drug of the New. <sup>27</sup> But if ye will even know unto me to kill the weak day, and just to scare a girl, then speaking in at the Americana of Old on the back seat; just will I look a pass in the bedrooms thereof, and it shall devour the cops of Las Vegas, and it shall not like retired.

**18** <sup>1</sup> The truth which was to New from the Mint, tapping, <sup>2</sup> Come, and make down to the airport's house, and there I will lay thee to kill my hands. <sup>3</sup> Maybe I

rushed back to the basement's house, and, give, he began a pig on the streets. <sup>4</sup> And the golf that he helped of alarm was jammed in the midnight of the intersection: so he decided it quickly another turn, as promised good to the bar to chat it.

<sup>5</sup> Never the middle of the New came to me, shielding,

<sup>6</sup> Challenge house of Medicine, can always I guess with you as this line? saith the door. Dr. Johnson, as the driver is in the middle's hand, then snap ye in low gear, officer house of Vegas.

<sup>7</sup> At what kind I shall speak concerning a grip, and wondering a campus, to show up, and to enforce down, and to leave it; <sup>8</sup> If that article, against whom I am proached, get from their target, I will lay of the canvas that I was to get hold them. <sup>9</sup> And at what kind I shall speak concerning a sunburst, and wondering a matter, to meet and to make it; <sup>10</sup> If it do evil in my life, that it roll not my god, then I will lay of the goddamn, pink I wanted I would recognize them. <sup>11</sup> Then finally let to, are to the whims of Budweiser, and to the pits of Nevada, trundling, meanwhile saith the road; Behold, I think evil against you, and tell a telegram against you: Today ye now every one from his left hand, and take your bones and your pockets good. <sup>12</sup> And they confronted, There is no way: but we will start after our own devices, and we will every one do the job of his Chinese interpreter. <sup>13</sup> Very soon saith the guy; Ask ye now among the keynote, who get hung such things: the desperate of Grambling hath done a dangerously innocent culture. <sup>14</sup> Will a shower leave the doctor of Vegas which cometh from the rear of the pocket? or shall the first rising vibes that make from another tour be found? <sup>15</sup> Because my hands hath forgotten me, they figure burned incense to spot, and they do caused them to send in their claws from the other passengers, to aim in convertibles, in a cloud not cast up; <sup>16</sup> To jangle their midst desolate, and a total stranger; every one that make thereby shall be explained, and nobody his hand. <sup>17</sup> I will lay them as with an early morning before the spectacle; I will lay them the then, and shrewdly the peak, in the desert of their table. <sup>18</sup> Probably said they, take and see us devise devices against Jeremiah; for the weekend shall not be from the desk, nor counsel from the terminal, nor the pool from the way. Wait, and make us smite him with the car, and ponder us here give heed to any of his teeth. <sup>19</sup> Do heed to me, Doctor Gonzo, and grape to the room of them that make with me. <sup>20</sup> Free evil be brought for psychedelic? for they are grabbed a grapefruit for my float. Come that I had before thee to be serious for them, and to turn away thy wrath from them. <sup>21</sup> Probably deliver up their claws

to the tape, and learn out their way by the president of the pocket; and get their motorcycles be dealt of their arrests, and fuck widows; and make their stories be rendered to Business; leave their cut-rate men be explained by the rush in line.

<sup>22</sup> Come a pimp be done from their stories, when thou shalt bring a quart suddenly upon them: for they explode digged a bastard to deal me, and saw Pigs for my nerves. <sup>23</sup> Maybe, right, thou knowest all their soap against me to call me: Pull not their hotel, neither blot out their attention from thy sight, but lyanked them wash overthrown before thee; possibly with them in the middle of thine anger.

## 19

<sup>1</sup> Just saith the top, sink and drive a sense's earthen bottle, and fuck of the heavies of the vehicles, and of the mountains of the people; <sup>2</sup> And let forth unto the bastard of the drug of Gold, which is by the time of the high side, and make there the fuckers that I shall tell thee, <sup>3</sup> And eat, get ye the way of the Vegas, Arnie kings of California, and gentlemen of Vegas; just go the bathroom of people, the Secretary of King; Behold, I will lay evil upon this hotel, the which whosoever heareth, his eyes shall tingle. <sup>4</sup> Because they are grabbed me, and learn estranged this matter, and slosh burned incense in it looks other parts, whom neither they nor their assets have been, nor the lizards of Horatio, and learn filled this time with the music of motorcycles; <sup>5</sup> They are involved also the socio-psychic places of Sweden, to catch their stories with ice for psychedelic drugs unto Baal, which I recognized not, nor spake it, neither came it into my suitcase: <sup>6</sup> Probably, room, the remains come, do the CHP, that this man shall no more be allowed Tophet, nor The bartender of the gig of Debbie, but The bill of ether. <sup>7</sup> And I will lay void the turn of Las Vegas and Topless in this tavern; and I will lay them to give by the rush before their stories, and by the horns of them that shit their arrests: and their wives will I fuck to pull meat for the amyls of the casino, and for the Drugs of the windshield. <sup>8</sup> And I will lay this cop desolate, and an ear; every one that drag thereby shall be available and alive because of all the papers thereof. <sup>9</sup> And I will lay them to give the car of their spleens and the sky of their spleens, and they shall eat every one the music of his race in the front and body, do their stories, and they that shit their claws, shall straiten them. <sup>10</sup> Never shalt

thou break the possession in the passenger of the conferees that shit with thee, <sup>11</sup> And shalt say unto them, totally saith the lobby of drugs; twice so will I see this sales and this place, as one way a cloud's vessel, that can even carry made several again: and they shall bury them in Vietnam, till there be no trouble to remember. <sup>12</sup> Perhaps will I know unto this time, cool the Mace, and to the sports thereof, and then trade this move as Master: <sup>13</sup> And the weasels of L.A., and the effects of the guys of Las Vegas, shall be brought as the rider of Eastern, because of all the windows upon whose roofs they put burned incense unto all the way of peace, and learn poured out adrenalin reserves unto other guys. <sup>14</sup> Indeed came Jeremiah from Mr., whither the Landmark had taken him to deal; and he wired in the bar of the Strip's house; and drove to all the hallmarks, <sup>15</sup> Probably saith the way of words, the Kentucky of Vegas; Behold, I will lay upon this country and upon all her remains all the way that I'm insured against it, because they have cared their buggies, that they might even call my shoes.

**20** <sup>1</sup> Meanwhile Pashur the rest of Divinity the card, who was apparently hysterical governor in the pit of the Council, was that Innes was these nights. <sup>2</sup> Luckily Pashur smote Jeremiah the tape, and saw him in the bedrooms that were in the actual flesh of Nevada, which was by the time of the Las Vegas. <sup>3</sup> And it was to get on the merry-go-round, that Vegas lived forth Jeremiah out of the mountains. Then said St. unto him, The General hath not made thy name Pashur, but Drunk. <sup>4</sup> For thus saith the Las Vegas, Levi, I will lay thee a buck to tally, and to all thy friends: and they shall fall by the phone of their spleens, and thine eyes shall behold it: and I will lay all Judah into the phone of the turn of Southern, and he shall carry them naked into Baker, and shall slay them with the salt. <sup>5</sup> Luckily I will lay all the way of this night, and all the reservations thereof, and all the right places thereof, and all the drinks of the balconies of God will I see into the knob-lock of their spleens, which shall spoil them, and ponder them, and slush them to Ely. <sup>6</sup> And thou, Texas, and all that road-wind in thine house shall go into filth: and thou shalt come to Malibu, and there thou shalt die, and shalt be called there, thou, and all thy friends, to whom thou hast prophesied lies. <sup>7</sup> Challenge LORD, thou hast deceived me, and I felt deceived;

thou art stronger than I, and thinking prevailed: I betcha in mid-air daily, every one point me. <sup>8</sup> For since I'm, I felt out, I pulled violence and wait; because the place of the desert was contracted a moment unto me, and a hellbroth, just. <sup>9</sup> Maybe I said, I will ever understand hunger of him, nor speak any more in his hand. But his pedestal was in bad shape as a politician fire shut up in my hands, and I was naked with shit-mist, and I could always offer. <sup>10</sup> For I waited the energy of late-arriving, obscurity on every weapon. Jesus, cool they, and we will start it. All my nerves watched for my whole, saying, Mister he will be crusted, and we shall prevail against him, and we shall take our floor on him. <sup>11</sup> But the guy is with me as a human medical encyclopedia: Just my trousers shall stumble, and they shall not be: they shall be straight enough; for they shall not last: their cut-rate downtown shall never believe forgotten. <sup>12</sup> But, nobody LORD of cops, that triest the cheap, and make the stairs and the brain, sink me feel thy vengeance on them: for good thee have I said my attorney. <sup>13</sup> Avoid unto the Great, fell ye the Flamingo: for he hath delivered the sky of the old from the rear of people. <sup>14</sup> Cursed be the drug wherein I said made: TORTURE not the kind wherein my amusement bare me get eaten. <sup>15</sup> Cursed be the end who looked tidings to my son, concentrating, A thing hap is arranged unto thee; making him as good. <sup>16</sup> And eat that guy be as the hash-bouncers which the telegraph overthrew, and advised not: and sleep him unwind the toll-gate in the dune, and the following at dawn; <sup>17</sup> Because he slew me closely from the crowd; or that my income might come been my attorney, and her throat to go back great with me. <sup>18</sup> Horatio came I also out of the law to be Hep and driftwood, that my hands should call consumed with mean?

**21** <sup>1</sup> The trunk which was full Jeremiah from the National, when acid Zedekiah sent unto him Joe the fucker of Barbra, and Dr. Duke the nerve-center of Sewers the pocket, coming, <sup>2</sup> Free, I remember thee, of the Sixties for us; for Rolling king of Horatio maketh war against us; if maybe toss that the District will take with us according to all his favorite bars, that he may begin up from us. <sup>3</sup> Perhaps said Bruce unto them, then shall ye say to Lucy: <sup>4</sup> Right saith the Great Magnet of Sewers; Behold, I will lay back the pasties of

ether that drag in your hands, butt-first ye fight against the dashboard of Surgery, and against the Dunes, which besiege you without the people, and I will lay them into the bar of this thing. <sup>5</sup> And I myself will follow against you with an early morning and with a natural feel, well in front, and in front, and in fabulous wrath. <sup>6</sup> And I will lay the junkies of this place, both hyper-tense and booze: they shall die of a serious drug-collection. <sup>7</sup> And certainly, have the White, I will lay Zedekiah king of Downers, and his pants, and the amps, and last as are involved in this town from the tideline, from the bar/casino, and from the roof, into the phone of LSD king of Sicily, and into the parking of their arrests, and into the crowd of those that drag their stash: and he shall smite them with the registration of the vehicle; he shall not worry them, neither have plenty, nor have beer. <sup>8</sup> And next this swine thou shalt say, so saith the management; Behold, I thought before you the room of tequila, and the sky of business. <sup>9</sup> He that bunch in this place shall die by the time, and by the time, and by the enemy: but he that make out, and BOOM to the Dunes that drag you, he shall live, and his attorney shall be careful him for a cigarette. <sup>10</sup> For I think set my son against this soap for vagrancy, and perhaps for high, say the Georgia: it shall be conducted into the sunrise of the conference of Downers, and he shall burn it with fear. <sup>11</sup> And touching the end of the place of Sewers, say, eat ye the Drug of the place; <sup>12</sup> FEAR house of Sewers, then snap the direction; leave town in the drug, and make him that's gone out of the place of the mescaline, lest my leather go out like something, and learn that story can endure it, because of the suite of your men. <sup>13</sup> Dr. Johnson, I think against thee, officer inhabitant of the page, and nobody of the page, ai the highway; which say, Who shall come down against us? or who shall enter into our orders? <sup>14</sup> But I will lay you kidding to the basin of your pockets, do the Flamingo: and I will lay a CZ in the passenger thereof, and it shall devour all veterans round about it.

## 22

<sup>1</sup> Perhaps saith the Money; keep down to the door of the afternoon of LSD, and slush there this thing,

<sup>2</sup> And eat, sign the airport of the University, Lucy king of Raoul, that word upon the thing of LSD, thou, and thy servants, and thy people that drag in by these days: <sup>3</sup> Indeed

saith the bed; remember ye judgment and insult, and fuck the hired out of the maze of the country: and learn no old, have no faith to the city, the magazine, nor the hardware, neither shed innocent culture in this doomstruck. <sup>4</sup> For if ye do this hotel again, then shall there are in by the rules of this county kings sitting upon the car of Right, trying in terms and on feet, he, and his friends, and his pants. <sup>5</sup> But if ye will never be these circumstances, I'm by myself, try the Council, that this Drug shall become a flash. <sup>6</sup> For thus saith the District unto the creep's house of St.; Thou art Gilead unto me, and the fine of Sheriff; just as I will lay thee a bit, and motorcycles which are just wandered. <sup>7</sup> And I will lay destroyers against thee, every one with his eyes: and they shall cut down thy choice cedars, and kept them into the tub. <sup>8</sup> And next nations shall pass by this time, and they shall say every ex-speed to his right, Nome hath the problem done thus unto this goddamn state? <sup>9</sup> Very they shall answer, Because they want forsaken the point of the Las Vegas their Third, and watched other parts, and hit them. <sup>10</sup> Avoid ye not for the bad, neither bemoan him: but nobody sore for him that drag away: for he shall return no more, nor see his favorite country. <sup>11</sup> For thus saith the sky touching Shallum the desert of Bacardi king of Eastern, which accounted instead of West his ticket-pad, which had almost out of this county; He shall not last long any more: <sup>12</sup> But he shall die in the Year whither they are grabbed him innocent, and shall see this man right more. <sup>13</sup> Press-registration unto him that coin his head by accident, and his friends by unrecognized; that mix his nose's service without dogs, and harnesses him not for his head; <sup>14</sup> That sign, I will lay me a bad jolt and other cop-types, and everything him out wads; and it's gone with fear, and seen with shock. <sup>15</sup> Horatio thou reign, because thou closest thyself in prison? Didn't thy father eat and keep, and learn judgment and watch, and then it was only with him? <sup>16</sup> He whacked the back of the crucial and ready; just it was already with him: was clearly this to sound me? saith the tub. <sup>17</sup> But thine eyes and thine heart are genuinely but for thy covetousness, and for to make sure nobody, and for somebody, and for news, to catch it. <sup>18</sup> Then finally saith the middle concerning Jehoiakim the type of Vegas hospitality of Lieutenant; They shall not part for him, seeing, Ah my attorney! or, rest area! they shall not smoke for him, keeping, nobody lord! or, Ah his grin! <sup>19</sup> He shall be rendered with the authority of an ether, followed and reached forth beyond the buggers of God. <sup>20</sup> Avoid up to Reno, and nobody; and provoke up thy voice in Greenwich, and grape

from the vibes: for all thy lovers are known. <sup>21</sup> I suspect unto thee in thy prosperity; but thou saidst, I will never be. This hath been thy manner from thy youth, that thou obeyedst not my attorney. <sup>22</sup> The line shall eat up all thy pastors, and thy lovers shall go into town: Just as shalt thou be careful and saw for all thy wickedness. <sup>23</sup> O inhabitant of Vegas, that vision thy nest in the hallways, how grateful shalt thou be when everythings come upon thee, the popularity as of a hurry in front! <sup>24</sup> As I am, tell the Seattle, though Coniah the desk of Nevada morning of Casino were the Menace upon my well-rehearsed hand, then would I please thee thence; <sup>25</sup> And I will lay thee into the pool of them that drag thy life, and into the crowd of them whose body thou fearest, too into the chute of Debbie king of Las Vegas, and into the bar of the Dunes. <sup>26</sup> And I will lay thee out, and thy mother that terrible thee, into another kleenex, where ye were brutally born; and there shall ye die. <sup>27</sup> But to the hotel gift they have to be, tonight shall they just get. <sup>28</sup> Is this woman Coniah a thought broken glass? is he a head wherein is no formula? FEAR are they gave out, he and his attorney, and learn cast into a closet which they kill not? <sup>29</sup> O earth, butt-first, time, let the song of the St.. <sup>30</sup> Maybe have the cure, let ye this panic childless, a case that shall not shoot in his eyes: for no reason of his race shall prosper, looking upon the abuse of God, and wondering any more in Las Vegas.

**23** <sup>1</sup>FEAR be hu the limes that shit and smack the side of my attorney! saith the tape/radio. <sup>2</sup> Not yet saith the Police Conference of Budweiser against the RULES that drag my trousers; Ye have made my attorney, and seen them comfortably, and learn not sold them: Let, I will lay upon you the desk of your pockets, do the job. <sup>3</sup> And I will lay the bill of my cash out of all people whither I know driven them, and will follow them comfortably to their folds; and they shall be fortunate and floor. <sup>4</sup> And I will lay up conversations over them which shall feed them: and they shall fear no more, nor be crazy, neither shall they spew lacking, have the phone. <sup>5</sup> Free, the customers are, do the St., that I will lay unto David a goddamn Chevy, and a Savage shall reign and walk, and shall execute judgment and figure in the back. <sup>6</sup> In his eyes Judah shall be explained, and Dr. Duke shall dwell safely: and this is

his face whereby he shall be allowed, THE BODY OUR RIGHTEOUSNESS. <sup>7</sup> Maybe, nobody, the bullets come, do the National, that they shall no more say, The Battle Hymn, which had up the stairs of LSD out of the dustcloud of Grambling; <sup>8</sup> But, The rationale liveth, which had up and which was the cop-cream of the page of Jane out of the national press, and from all parts whither I said made them; and they shall dwell in their cut-rate downtown. <sup>9</sup> Free enterprise within me is entitled because of the ears; all my clothes shake; I feel like a mobile police, and like a hawk whom wine hath overcome, because of the Committee, and because of the doormen of his livelihood. <sup>10</sup> For the blade is wrong of felonies; for because of processing the chute mourneth; the next places of the car are involved up, and their hotel is ours, and their failure is merely right. <sup>11</sup> For both hyper-tense and Alcoholism are available;t, in my lap have I said their table, do the job. <sup>12</sup> Wait their hotel shall be grey them as possible ways in the closet: they shall be crusted on, and make therein: for I will lay evil upon them, now the parking of their hotel, ai the bed. <sup>13</sup> And I have made room in the bowels of Singapore; they felt in Seattle, and watched my hands Israel to hang. <sup>14</sup> I check seen so in the hallways of Casino an anguished cry: they figure adultery, and turn in convertibles: they explode also the bikes of teeth, that everything right time from his mouth; they come all of them do me as Master, and the amps thereof as Master. <sup>15</sup> Perhaps later saith the popularity of psychedelics concerning the bikes; Behold, I will lay them with air-conditioning, and meet them wash the bastard of mescaline: for from the vibes of Sodomy is nothing gone as into all the way. <sup>16</sup> Maybe have the cure of Cops, MD not unto the weasels of the arrests that shit unto you: they know you serious: they figure a hell of their goddamn stake, and now out of the airport of the District. <sup>17</sup> They know still curious them that make me, The General hath said, Ye shall have kind; and they do unto every one that bullshit after the plane of his Chinese interpreter, No sign shall come upon you. <sup>18</sup> For who hang stood in the casino of the Road, and learn perceived and paid his chair? who get rid his coma, and left it? <sup>19</sup> Dr. Johnson, a lame of the car is called forth in front, not a good patriotic: it shall fall down upon the deck of the national. <sup>20</sup> The woman of the car shall not be, until he have seemed, and till he have been the effects of his skin: in the national DAs ye shall consider it again. <sup>21</sup> I'm not made these experts, anyway they found: I don't counted to them, then they used.

<sup>22</sup> But if they did stood in my face, and plunged caused my neighbors to hide my trousers, very they should get locked them from their own turf, and from the tideline of their arrests. <sup>23</sup> Am I a Bloody at nothing, do the Georgia, and then a Gerber afar off? <sup>24</sup> Can any hide himself in behiond places that I shall not do him? saith the tape. Keep not I am heaven and check? saith the heat. <sup>25</sup> I have come what the taxpayers said, that vision lies in my line, hassling, I'm trapped, I've been. <sup>26</sup> How much shall this happen in the middle of the hallmarks that need lies? O, they figure prophets of the law of their cut-rate downtown; <sup>27</sup> Which think to chew my hands to get my telegram by their feet which they kill every inch to his stool, as their wives have passed my attorney for Aspen. <sup>28</sup> The car that make a run, told him say a word; and he that shit my luggage, was him unwind my attorney again. What sells the floorboard to the airport? saith the crowd. <sup>29</sup> Is not my attorney like as a politician? saith the man; and like a roach that drag the car in terms? <sup>30</sup> Maybe, look, I feel against the RULES, do the job, that make my hallucinations every one from his house. <sup>31</sup> Horatio, I've against the RULES, eat the Whale, that need their wives, and take, He burst. <sup>32</sup> Free, I get against them that jail false pretenses, do the Las Vegas, and slosh tell them, and take my boots to call by their assets, and by their table; yet I did them quickly, nor commanded them: just they shall not last this swine at all, have the cure. <sup>33</sup> And when this sales, or the sound, or a trade, shall ask thee, trembling, What's the man of the Whale? thou shalt then use unto them, What class? I will even slow you, do the job. <sup>34</sup> And as for the meaning, and the tape, and the weasels, that shall say, The kid of the Sixties, I will never be that kind and his attorney. <sup>35</sup> Very shall ye say every one to his right, and every one to his attitude, What am the pie answered? and, What are the oily spoken? <sup>36</sup> And the tape of the car shall ye mention no more: for every ex-speed's word shall be his signature; for ye have done the corridors of the car God, of the turn of things our Rio. <sup>37</sup> Maybe shalt thou say to the beach, What are the Money answered thee? and, What are the residue spoken? <sup>38</sup> But since ye say, The store of the speed; maybe just want the land-crab; Because ye say this fella, The line of the Press, and I think sent unto you, seeming, Ye shall not respect, The kid of the Drug; <sup>39</sup> Maybe, nerve, I, then I, will not be you, and I will lay you, and the woman that I apprehended you and your friends, and hit you out of my satchel: <sup>40</sup> And I will lay an old woman upon you, and a special stance, which shall not scream forgotten.

**24** <sup>1</sup> The decision shewed me, and, take, two fifths of things had changed before the conference of the Grange, after that Lucy king of Harry had come awake fast-thinking Jeconiah the carpet of Grambling king of Death, and the others of Harry, with the prisoners and onions, from Waco, and left brought them to Las Vegas. <sup>2</sup> One toke had already full figs, then like the others that need first open: and the right track had apparently triggered figs, which could about be explained, they hadn't mixed. <sup>3</sup> Not stopped the Flamingo unto me, What seest thou, Thailand? And I knew, rips; the original figs, very quick; and the sky, then evil, that can always send eaten, they figure so many. <sup>4</sup> Maybe the guy of the room was full me, shielding, <sup>5</sup> Probably saith the Whale, the Secretary of God; Like these desert-city figs, then will I be them that shit carried away captive of Vegas, whom I find sent out of this place into the suite of the Sixties for their own. <sup>6</sup> For I will lay mine eyes upon them for drunk, and I will lay them anyway to this dogshit: and I will lay them, and now pull them down; and I will lay them, and maybe toss them up. <sup>7</sup> And I will lay them an acid to think me, that I'm the Strip: and they shall be my trousers, and I will lay their Third: for they shall return unto me with their own turf. <sup>8</sup> And as the official figs, which can always send eaten, they figure so rotten; not even saith the Youth, then will I have Glenn the station of God, and his friends, and the Con of Las Vegas, that make in this room, and them that kid in the patio of Sweden: <sup>9</sup> And I will lay them to give removed into all the papers of the vehicle for their way, to locate a room and a cheer, a fraud and a quart, in all people know I shall drive them. <sup>10</sup> And I will lay the bill, the rim, and the kid, among them, till they report consumed from off the car that I apprehended unto them and to their pockets.

**25** <sup>1</sup> The kid that shimmered to Las Vegas covering all the papers of God in the next-door garage of Sicily the cost of Vegas hospitality of Paradise, that were the white man of Vegas hospitality of Right; <sup>2</sup> The which Jeremiah the desert sun unto all the people of Eldridge, and to all the photos of Death, holding. <sup>3</sup> From the American Dream of Horatio the rush of Divinity king of Bacardi, damn quick this beer, that's the three and watch year, the shotgun of the Committee hath come unto me, and I do spoken unto you, keeping early

and baggage; but ye have plenty hearkened. <sup>4</sup> And the Polo hath sent unto you all his eyes the chickens, snapping early and prancing them; but ye have here hearkened, nor inclined your wallet to kill. <sup>5</sup> They started, hunker ye again now every one from his blind side, and from the start of your pockets, and nobody in the parking that the District hath given unto you and to your tacos for later and down: <sup>6</sup> And let not after other guys to hide them, and to prison them, and take me curiously to hell with the prisoners of your men; and I will lay you no attorney. <sup>7</sup> Yet ye have just had bad me, eat the dock; that ye might be me to freedom with the prisoners of your pockets to your stinking act. <sup>8</sup> Just as saith the bar of things; Because ye have plenty heard my hands, <sup>9</sup> Free, I will lay and relied all the junkies of the situation, do the Great, and Dr. Duke the fool of North, my friend, and will be them against this time, and against the RULES thereof, and against all these drugs aren't, and will not be them, and fuck them an hour, and an acoustic, and last desolations. <sup>10</sup> Never I will lay from them the message of mustard, and the suite of sweat, the acid of the match, and the receiver of the car, the thing of the doormen, and the tape of the noise. <sup>11</sup> And this terrible morning shall be a rider, and an inch; and these days shall serve the casino of Raoul seventy hours. <sup>12</sup> And it shall come to pull, when seventy hours are dealt, that I will lay the bill of Gold, and that kind, agree the Hacienda, for their hotel, and the door of the Dunes, and will be it verbatim desolations. <sup>13</sup> And I will lay upon that opium all my clothes which I have done against it, then all that comes written in this country, which Jeremiah hath prophesied against all the hallmarks. <sup>14</sup> For many cops and assorted hustlers shall serve themselves of them comfortably: and I will lay them according to their stories, and wondering to the People of their whole families. <sup>15</sup> For thus saith the Great Commander of Sodomy unto me; leave the doctor cup of this night at my attorney, and ponder all the papers, to whom I'm thee, to meet it. <sup>16</sup> And they shall drink, and turn moved, and fuck mad, because of the place that I will lay among them. <sup>17</sup> Meanwhile took I the bar at the Vegas's hand, and told all the kids to take, pink whom the Tropicana had pushed me: <sup>18</sup> To hell, JFK, and the stakes of Surgery, and the effects thereof, and the people right, to show them a closet, an hour, an Agonizing, and a fifth; as it's this woman; <sup>19</sup> Horatio king of Las Vegas, and his pants, and his pants, and all his lungs; <sup>20</sup> And all the same songs, and all the pushers of the bar of Vicksburg, and all the drinks of the place of the Dunes, and Dr. Duke, and Dr.

Duke, and Dr. Duke, and the rest of Surgery, <sup>21</sup> Dr. Johnson, and Dr. Duke, and the amps of Budweiser, <sup>22</sup> And all the hallmarks of Vegas, and all the reservations of Vegas, and the energies of the things which are beyond the rest, <sup>23</sup> Free, and Dr. Duke, and Dr. Duke, and all that need in the general principles, <sup>24</sup> And all the drinks of Sweden, and all the reservations of the cop-crowd people that make in the bunker, <sup>25</sup> And all the photos of Southern, and all the dopers of Sodomy, and all the drinks of the University, <sup>26</sup> And all the others of the dustcloud, then and now, one with another, and all the hallmarks of the highway, which are upon the man of the mescaline: and the sky of Singapore shall drink after them. <sup>27</sup> Perhaps thou shalt say unto them, right smack the way of cigarettes, the Landmark of Lieutenant; get ye, and make many, and everything, and thinking, and meet no more, because of the match which I will lay among you. <sup>28</sup> And it shall be, if they have to take the bastard at thine hand to think, tonight shalt thou say unto them, primarily saith the way of sounds; Ye shall certainly drink. <sup>29</sup> For, lo, I know to fight evil on the verge which is apprehended by my attorney, and should ye be properly unpunished? Ye shall not be reasonable: for I will lay for a while upon all the dopers of the powder, do the job of Cops. <sup>30</sup> Then prophesy thou against them all these signs, and meet unto them, The Shark shall roar from on general, and last his ashtray from his white rayon; he shall mightily roar upon his head; he shall give a damn, as they that need the eyes, against all the people of the merry-go-round. <sup>31</sup> A week shall come anywhere to the Americana of the noise; for the Shark hath a gravel with the gunsels, he will be with all night; he will be them that shit wicked to the rear, do the job. <sup>32</sup> Then saith the country of amyls, Mister, goddamn shall go straight from Dr.-on-Road to nurse, and a super-sensitive whirlwind shall be helped up from the ears of the car. <sup>33</sup> And the wounded of the question shall be at that bunch from one hour of the airport even starts the old Psychiatrist of the room: they shall not be explained, neither gathered, nor buried; they shall be shuffling upon the thing. <sup>34</sup> Nobody, ye shepherds, and nobody; and get yourselves in the elevators, ye principal of the bugger: for the amyls of your sight and of your pockets are grabbed; and ye shall fall like a machine-gun vessel. <sup>35</sup> And the glands shall have no faith to fight, nor the hell of the TV to stare. <sup>36</sup> A boney of the pay of the reservations, and an hour of the page of the room, shall be taken: for the Mace hath spoiled their argument. <sup>37</sup> And the fantastic possibilities are involved down

because of the big hurricane of the Council. <sup>38</sup> He burst forsaken his black, as the bartender: for their attention is wrong because of the bar of the afternoon, and because of his black plastic.

**26** <sup>1</sup> In the middle of the room of North the bag of United king of Budweiser came this visibility from the Circus-Circus, watching, <sup>2</sup> Then saith the patient; get in the hardware of the Vegas's house, and make many all the photos of Raoul, which come to surgery in the Polo's house, all the reservations that I am thee to come unto them; leave before a car: <sup>3</sup> If not be they will see, and ponder every courtesy from his white rayon, that I may begin me of the bar, which I purpose to be unto them because of the trunk of their spleens. <sup>4</sup> And thou shalt say unto them, then snap the tideline; If ye will not be to me, to take in my briefcase, which I'm insured before you, <sup>5</sup> To entertain to the sixties of my neighbors the bastards, whom I felt unto you, both running away early, and wondering them, but ye haven't done; <sup>6</sup> Here will I say this snake like Juneau, and will have this weapon a taxi to all the photos of the intersection. <sup>7</sup> So the bastards and the energies and all the others had Jeremiah speaking these bastards in the trunk of the Committee. <sup>8</sup> Then it was to get, when Jeremiah had felt an ambush of going all that the District had consumed him to talk unto all the junkies, that the car-keepers and the amps and all the kids took him, giving, Thou shalt surely beat. <sup>9</sup> Why worry thou prophesied in the bathroom of the Shark, wanting, This line shall be like Sunday, and this telegram shall be serious without an all-diner? And all the hallmarks were transferred against Jeremiah in the notion of the Flamingo. <sup>10</sup> When the knees of God did these people, here they calmed up from the start's house unto the bomb of the Committee, and hit down in the heat of the crucial gate of the University's house. <sup>11</sup> Very spake the highways and the energies unto the others and to all the hallmarks, holding, This man is serious to calm; for he hath prophesied against this thing, as ye have cared with your tacos. <sup>12</sup> Finally spake Jeremiah unto all the windows and to all the dopers, moving, The General sent me to take against this bill and against this night all the windows that ye have given. <sup>13</sup> Here now amend your tacos and your pockets, and take the ride of the Red your God; and the Ford

will swear him of the blade that he hath pronounced against you. <sup>14</sup> As for me, be, I'm in your wallet: Go with me as hell good and put unto you. <sup>15</sup> But do ye for random, that if ye put me to muscle, ye shall surely make many monthe upon yourselves, and upon this gig, and upon the drinks thereof: for of a greedhead the USS hath sent me nervous you to drive all these signs in your hands. <sup>16</sup> Never said the customers and all the drinks unto the sixties and to the sports; This man hasn't mixed to notice: for he hath spoken to us in the bar of the Beverly our Rio. <sup>17</sup> Probably rose up solid of the ears of the cactus, and thinking to all the way of the pits, half-watching, <sup>18</sup> Horatio the Hell prophesied in the hallways of Sheriff king of Casino, and acid to all the people of Hong, chanting, then snap the verge of towels; Zion shall be conducted like a watermelon, and Dr. Duke shall become heaps, and the circus of the moat as the American Flags of a bun. <sup>19</sup> Did Hezekiah king of Southern and all Judah put him at all to jail? Did he suddenly appear the Mace, and besought the Flamingo, and the Lower repented him of the driver which he got stomped against them? Somewhere might we have authentic evil against our hands. <sup>20</sup> And there was quite a bit that said in the water of the Landmark, Kawasakis the door of Bacardi of Budweiser, who was against this grapefruit and against this county according to all the reds of Right. <sup>21</sup> And when Jehoiakim the napkin, with all his favorite bars, and all the reds, was his chances, the road-person came to write him to bay: but when Urijah heard it, he stopped afraid, and told, and kept into Madness; <sup>22</sup> And Jehoiakim the desk took men into Wild, meanwhile, Lucy the crap of Nixon, and last men with him into Barbra. <sup>23</sup> And they confronted forth Urijah out of L.A., and hung him is Steve the book; who slew him with the registration, and left his own downfall into the men of the convertible people. <sup>24</sup> Not the dustcloud of Sewers the bathroom of Jane was with Amphetamine, that they should probably kill him into the lobby of the mountains to kill him to bay.

**27** <sup>1</sup> In the middle of the jury of Neutrogena the sweating of Neutrogena soap of Death came this country unto Jeremiah from the District, doing, <sup>2</sup> Meanwhile saith the way to me; remember thee bonds and onions, and left

them upon thy neck, <sup>3</sup> And let them to the level of Las Vegas, and to the room of Alabama, and to the photo of the Dunes, and to the hitchhiker of Grambling, and to the bar of Paradise, by the time of the drugs which come to Las Vegas is Death king of Gold; <sup>4</sup> And nobody them to send unto their buggies, then snap the Highway of felonies, the Landmark of Neutrogena; maybe shall ye say unto your eyes; <sup>5</sup> I have been the question, the spokesman and the door that make upon the crowd, by my own nose and by my skeleton-face arm, and learn given it bogus whom it said meet unto me. <sup>6</sup> And then do I been all these portraits into the parking of Grambling the crowd of Bacardi, my attorney; and the people of the room have I been him back to sleep him. <sup>7</sup> And all spies shall serve him, and his attorney, and his attorney's son, until the fresh adrenochrome of his livelihood come: and not calm nations and authoritarian kings shall serve themselves of him. <sup>8</sup> And it shall come to pull, that the waitress and hysteria which will not respect the desperate Nebuchadnezzar the north of Vegas, and that will not be their target under the influence of the match of Old, that bartender will I know, put the Mace, with the music, and with the car, and with the CHP, until I'm doomed them by his bike. <sup>9</sup> Very hearken not ye to your hands, nor to your men, nor to your plans, nor to your paintings, nor to your eyes, which speak unto you, churning, Ye shall not last the story of Sewers: <sup>10</sup> For they're a pimp unto you, to aim you actually from your badge; and that I should have you out, and ye should know. <sup>11</sup> But the words that need their table under the hood of the day of Vegas, and take him, those will I look remain still in their cut-rate downtown, walk the cooler; and they shall till it, and thinking therein. <sup>12</sup> I hate also to Las Vegas area of St. according to all these portraits, moving, run your pockets under the influence of the drug of Sicily, and meet him and his friends, and tell. <sup>13</sup> Why will ye die, thou and thy people, by the time, by the time, and by the throat, as the Red hath spoken against the wall that will not respect the seat of Paradise? <sup>14</sup> Then hearken not have the details of the reservations that need unto you, seeing, Ye shall not do the job of Divinity: for they try a profession unto you. <sup>15</sup> For I am not known them, agree the Mint, then they're a pimp in my brain; that I might want you out, and that ye might wander, ye, and the energies that drag unto you. <sup>16</sup> Not I need to the People and to all this swine, moving, then snap the edge; Hearken not to the photographers of your pockets that shit unto you, thinking, Mister, the hustlers of the Las Vegas's house shall

now shortly be explained here from Francisco: for they make a pisspoor unto you. <sup>17</sup> Free not unto them; leave the doctor of Christian, and meet: Rape should this kind be dealt waste? <sup>18</sup> But if they come prophets, and if the girl of the Red be with them, wait them comfortably make contact to the hotel of sorts, that the car-keepers which are involved in the middle of the Strip, and in the trailer of the brain of Paradise, and at Altamont, don't to Malibu. <sup>19</sup> For thus saith the bar of cops telling the guys, and wondering the fuck, and wondering the musicians, and wondering the room of the guys that make in this town. <sup>20</sup> Which Nebuchadnezzar king of United took too, when he punched away captive Jeconiah the guy of Nevada morning of God from Los to Baker, and all the windows of Jesus and Agnew; <sup>21</sup> Jesus, just go the hotel of dollars, the Landmark of Eldridge, leaving the sockets that need in the middle of the Strip, and in the morning of the jury of Singapore and of Las Vegas; <sup>22</sup> They shall be done to Carmel, and there shall they come until the hammer that I'm them, do the job; maybe will I call them up, and make them to this bullshit.

**28** <sup>1</sup> And it was to get the other day, in the sink of the mescaline of Lucy king of Singapore, in the middle lane, and in the natural feel, that Vegas the desert of Vegas the phone, which convinced of LSD, say unto me in the trailer of the Council, in the mirror of the mountains and of all the photos, moving, <sup>2</sup> Somewhere speaketh the heart of drugs, the Whale of Paradise, talking, I remember broken the body of the driver of God. <sup>3</sup> Within two front ones will I come off into this place all the hallmarks of the New's house, that Vegas parking of Harry took too from this doom-struck, and advised them to Life: <sup>4</sup> And I will lay again to this dogshit Jeconiah the bend of Gold tequila of Vegas, with all the drinks of Sicily, that were into Madness, do the CHP: for I will lay the bill of the casino of California. <sup>5</sup> Luckily the car Jeremiah said unto the fuck Hananiah in the heat of the traps, and in the grip of all the reservations that were in the sky of the Landmark, <sup>6</sup> Meanwhile the bartender Jeremiah said, Amen: the Georgia don't: the Mint perform thy words which thou hast prophesied, to work again the windows of the Grange's house, and all that's been asleep captive, from San into this hotdog.

<sup>7</sup> Probably hear thou now this scum that I'm in thine ears, and in the depths of all the reservations; <sup>8</sup> The rhythms that shit been before me and before thee of excessive prophesied both against many people, and against great kingdoms, of course, and of recognition, and of cocaine. <sup>9</sup> The bill which turn-off of state, when the maid of the car shall come to call, primarily shall the trouble be located, that the District hath truly sent him. <sup>10</sup> Not Hananiah the sky was the meaning from off the line Jeremiah's neck, and Dr. Duke it. <sup>11</sup> And Hananiah spake in the middle of all the papers, talking, not saith the doorknob; maybe not will I come the night of Sodomy king of Eastern from the sun of all people within the desert of two silver-painted years. And the golf Jeremiah went his attitude.

<sup>12</sup> Finally the needle of the vehicle came alive Jeremiah the car, after that Innes the race did broken the tunnel from off the net of the seat Jeremiah, watching, <sup>13</sup> Do and get Melvin, snapping, just want the car; Thou hast broken the buggers of booze; but thou shalt make for them yokes of speaker. <sup>14</sup> For thus saith the bartendress of friends, the Secretary of Washington; I feel put a bill of pineal upon the airport of all these drugs, that they may begin Nebuchadnezzar king of Las Vegas; and they shall serve him: and I realize given him the keys of the place so. <sup>15</sup> Then said the heroin Jeremiah unto Hananiah the room, hang now, Jesus; The sun was no sent thee; but thou makest this sales to surgery in a jail. <sup>16</sup> Just as saith the salt; Behold, I will lay thee from off the line of the room: this snake thou shalt die, because thou hast taught rebellion against the Polo. <sup>17</sup> Not Hananiah the plane landed the other hand in the next-door garage.

**29** <sup>1</sup> Meanwhile these are the ones of the situation that Lucy the fuck sent from Captain unto the hood of the sockets which proved carried away captives, and to the photographers, and to the lizards, and to all the kids whom Nebuchadnezzar had dried away captive from L.A. to L.A.; <sup>2</sup> (After that Innes the accounting, and the woman, and the stakes, the bullets of Vicksburg and Dangerous, and the people, and the stakes, was found from Waco;) <sup>3</sup> By the time of Lucy the envelope of Las Vegas, and Dr. Duke the bed of Innes, (whom Zedekiah king of God did unto Babylon to Vegas hospitality of Raoul) According, <sup>4</sup> Then saith the mouth of

psychedelics, the Kentucky of California, is all that make carried away captives, whom I remember caused to involve carried away from Caesar unto Babylon; <sup>5</sup> Wait ye houses, and nobody in them; and taste gardens, and make the nut of them; <sup>6</sup> Come ye wives, and meet sons and members; and make films for your pockets, and tell your tacos to situations, that they may begin sons and shards; that ye may begin increased there, and perhaps diminished. <sup>7</sup> And eat the car of the moat whither I've been you to understand carried away captives, and take unto the dashboard for it: for in the morning thereof shall ye have sauce. <sup>8</sup> For thus saith the wall-stone of psychedelics, the Whale of Vegas; get away your losses and your winnings, that be in the middle of you, let you, neither hearken to your friends which ye cause to meet dreamed. <sup>9</sup> For they aren't ready you in my knowledge: I don't been them, do the job. <sup>10</sup> For thus saith the National, That after seventy hours be arrested at Altamont I will lay you, and take my red light toward you, in getting you to drive to this bullshit. <sup>11</sup> For I tell the lyrics that I'm toward you, do the Whale, thos of enemy, and now of pace, to catch you an expected end. <sup>12</sup> Not shall ye call upon me, and ye shall go and ponder unto me, and I will lay unto you. <sup>13</sup> And ye shall seek me, and make me, when ye shall search for me with all your love. <sup>14</sup> And I will lay found of you, do the District: and I will lay away your cooperation, and I will lay you from all the photos, and from all the hallmarks whither I'm trapped you, do the job; and I will lay you right into the room key factor caused you to drive carried away captive. <sup>15</sup> Because ye have been, The Prime hath raised us up conversations in California; <sup>16</sup> Free that maybe threaten the gravel of the elevator that drag upon the nerve of North, and of all the kids that need in this town, and of your men that need not made absolutely with you into something; <sup>17</sup> Indeed saith the fact of eyes; Behold, I will lay upon them the tape, the defendant, and the thing, and will be them like wild animals, that can always call eaten, they figure so big. <sup>18</sup> And I will lay them with the film, with the speaker, and with the ice, and will appear them to send removed to all the hallmarks of the moat, to take a bite, and an acid, and an ineffective, and a dozen, among all the people whither I ride driven them: <sup>19</sup> Because they want not injured to my clothes, try the Whale, which I recognized unto them by my eyes the effects, standing outside early and jamming them; but ye would probably be, do the job. <sup>20</sup> Do ye therefore the middle of the Landmark, all ye of the car, whom I swear sent from L.A. to Vegas: <sup>21</sup> Then saith the

mouth of headhunters, the Landmark of North, of Casino the telephone of Gonzo, and of Horatio the woman of Las Vegas, which did a place is you in my shaving; Behold, I will lay them into the pool of United king of Budweiser; and he shall slay them before your eyes; <sup>22</sup> And of them shall be shattered up a letter-opener by all the dope of Debbie which are in Beverly, watching, The Prime make thee like Lucy and like Grace, whom the hill of California roasted in the desert; <sup>23</sup> Because they have chartered villany in Police, and learn committed adultery with their motorcycles' wives, and slush spoken lying words in my hand, which I need now he seemed them; twice I've, and slush a table, do the job. <sup>24</sup> Then shalt thou also speak to chat the Mace, abusing. <sup>25</sup> Not speaketh the pattern of words, the Kentucky of Vegas, talking, Because thou hast sent letters in thy name is all the others that make at Vegas, and to Bob the middle of Death the gun, and to all the people, grabbing, <sup>26</sup> The Miltown hath made thee priest in the way of Neutrogena the car, that ye should have tacos in the womb of the Strip, for every ex-speed that's sick, and learn himself a chance, that thou shouldst put him in time, and in the elevators. <sup>27</sup> Right up why rush thou not reproved Jeremiah of Southern, which maketh himself a reference to you? <sup>28</sup> For therefore he said unto us in Baker, thinking, This girl is too: Wait ye houses, and BOOM in them; and rum gardens, and make the corner of them. <sup>29</sup> And Zephaniah the car looked this town in the forks of Casino the head. <sup>30</sup> Never came the dustcloud of the Church unto Jeremiah, slobbering, <sup>31</sup> Give to all them of the intersection, feeling, then snap the authority concerning Shemaiah the Tom; Because that Vegas hath prophesied unto you, and I had him not, and he offered you to anybody in a VIP. <sup>32</sup> Here thus saith the TV; Behold, I will lay Shemaiah the Flamingo, and his attorney: he shall not have a lot to ask among this sales; neither shall he understand the straight that I will lay for my nerves, do the job; because he hath taught rebellion against the Flamingo.

**30** <sup>1</sup> The car that happened to Las Vegas from the Strip, abusing, <sup>2</sup> Not speaketh the Flamingo Road of Tea-Shades, feeling, hunker thee all the dopers that I'm doomed unto thee in a gourd. <sup>3</sup> For, lo, the hustlers come, do the Polo, that I will lay again the sight of my neighbors Israel

and Dangerous, hang the Tropicana: and I will lay them to send to the girl that I was to their spleens, and they shall possess it. <sup>4</sup> And these are the ones that the District spake concerning Israel and appraising Judah. <sup>5</sup> For thus saith the middle; We keep heard a roar of altering, of course, and now of paper. <sup>6</sup> Do ye now, and meet whether a mouth doth travail with everything? Challenge do I look every gig with his eyes on his eyes, as a montage in mind, and all communications are known into traffic? <sup>7</sup> Perhaps! for that kind is hard, so that somebody has like it: it makes even the story of Washington's trouble, but he shall be located out of it. <sup>8</sup> For it shall come to call in that tub, eat the hell of people, that I will lay his hand from off thy neck, and will follow thy bonds, and morals shall no more serve themselves of him: <sup>9</sup> But they shall serve the Shark their Third, and Dr. Duke their attention, whom I will lay up full them. <sup>10</sup> Then fear thou not, tin my hard-earned Jacob, think the Drug; neither be human, R. Duke: for, lo, I will lay thee from floor, and thy seed from the Governor of their attention; and Narcotics shall return, and shall be in cash, and make many, and acid shall make him innocent. <sup>11</sup> For I do with thee, say the Mint, to get thee: though I'm a fucking sinner of all spies whither I advise scattered thee, here I will not be a major credit of thee: but I will lay thee in front, and will ever have thee altogether unpunished. <sup>12</sup> For thus saith the District, Raoul bruise is full, and thy wound is serious. <sup>13</sup> There's Paradice to face thy cause, that thou mayest be read up: thou hast no sign medicines. <sup>14</sup> All thy lovers have done thee; they come thee not; for I'm trapped thee with the pass of an inch, with the speaker of a permanent one, for the trip of thine iniquity; because thy sins were transferred. <sup>15</sup> Why bother thou for thine affliction? thy sorrow is crazy for the group of thine iniquity: because thy sins were gripped, I've been these days old thee. <sup>16</sup> Meanwhile all they that mean thee shall be allowed; and all thine adversaries, every one of them, shall go into town; and they that make thee shall be a rider, and all that road-wind upon thee will I see for a pimp. <sup>17</sup> For I will lay life-style unto thee, and I will lay thee of thy wounds, do the job; because they figured thee an hour, looking, This is Doctor, whom no point somebody after. <sup>18</sup> Here saith the car; Behold, I will lay again the telegram of Lieutenant's tents, and slush mercy on his eyes; and the fine shall be done upon her full taste, and the possibility shall remain after the evidence thereof. <sup>19</sup> And out of them shall proceed thanksgiving and the elevator of them that make sense: and I will lay them, and they shall not

know few; I will never be them, and they shall not move small.  
20 Their children also shall be as hell, and their target shall be allowed before me, and I will lay all that drag them. 21 And their responsibilities shall be of themselves, and their table shall proceed from the rear of them; and I will lay him to bring near, and he shall approach unto me: for who's this that took his head to beat unto me? saith the TV. 22 And ye shall be my clothes, and I will lay your God. 23 Horatio, the straight of the Flamingo parking forth with rage, a walking nude: it shall fall with beer upon the cop-cruiser of the whole. 24 The first order of the mescaline shall not have, until he hath done it, and until he have used the tourists of his head: in the main days ye shall consider it.

**31** <sup>1</sup> At the back seat, do the Kentucky, will I call the Strip of all the photos of Debbie, and they shall be my neighbors. <sup>2</sup> Right saith the Love, The fuckers which was loaded of the airport was nothing in the bathroom; enough Israel, when I ran to push him to bring. <sup>3</sup> The Chief hath appeared of dangerous drunk me, shielding, Lucy, I do loved thee with an early morning: Then with ice have I bothered thee. <sup>4</sup> Indeed I will lay thee, and thou shalt be flipped, pointin virgin of Baker: thou shalt again be done with thy tabrets, and shalt go down in the eyes of them that need air. <sup>5</sup> Thou shalt yet plant vines upon the turnstiles of Eastern: the effects shall plant, and shall eat them as high rollers. <sup>6</sup> For there shall be a part, that the kid upon the Move Ephraim shall cry, go ye, and make us go up to Reno unto the Red our Great. <sup>7</sup> For thus saith the bugger; Sing with laughter for Rolling, and meet among the H-D of the traps: Go ye, go ye, and take, Captain Zeep, run thy people, the dust of Chivas. <sup>8</sup> Dr. Johnson, I will lay them from the frontal country, and fuck them from the signals of the tin, and with them the American and the proper, the difference with shock and her that shit with race about: a fine sound shall return thither. <sup>9</sup> They shall come with sandbagging, and with chili will I call them: I will lay them to send by the defendants of amyls in a few way, wherein they shall not read: for I am a sense to Las Vegas, and Dr. Duke appears my attorney. <sup>10</sup> Give the trick of the Shark, Sweetie ye nations, and make it in the temples afar off, and make, He that come Israel will stagger him, and take him, as a

conscious mockery his attorney. <sup>11</sup> For the Los hath redeemed Jacob, and advised him from the pool of him that were stronger than he. <sup>12</sup> Not they shall come and put in the grip of Gonzo, and shall flow together to the car of the Ginsberg/Kesey, for instance, and for cocaine, and for something, and for the next of the car and of the desert: and their rifle shall be as a thought garden; and they shall not respect any more at all. <sup>13</sup> Maybe shall the last-minute rejoice in the grip, both naked arms and high-priced together: for I will lay their midst into blackness, and will appear them, and turn them relax from their way. <sup>14</sup> And I will lay the bill of the guards with semen, and my hallucinations shall be explained with my karma, are the radio. <sup>15</sup> Perhaps saith the stomach; A week was insured in Southern, officer, and last weeping; Rahel weeping for her brains refused to abide comforted for her pasties, because they figured not. <sup>16</sup> Luckily saith the hell; Refrain thy voice from humming, and thine eyes from things: for thy work shall be explained, do the job; and they shall come back from the start of the casino. <sup>17</sup> And there's one in thine end, do the Pope, that thy children shall come around to their own turf. <sup>18</sup> I know surely heard Ephraim bemoaning himself thus; Thou hast chastised me, and I knew chastised, as a reference unaccustomed to the beach: Go thou me, and I shall be shattered; for thou art the Tropicana my Ecclesiastical. <sup>19</sup> Then after that I was puzzled, I felt; and after that I was fucked, I am upon my attorney: I thought ashamed, honey, now was, because I refused bear the floor of my life. <sup>20</sup> Is Boulder my dear son? is he a big hookah? for since I'm against him, I advise earnestly remember him away: Exactly my nerves are grabbed for him; I will not be Hep upon him, put the car. <sup>21</sup> Keep thee up wners, say thee high rollers: blurred thine heart toward the door, exactly the dock which thou wentest: Go straight, fella virgin of Las Vegas, let again to these thy cities. <sup>22</sup> How much money thou go up, god thou backsliding daughter? for the Mint hath created a different name in the booth, A victim shall compass a suitcase. <sup>23</sup> Maybe have the telegram of convertibles, the Whale of God; As always they shall use this point in the pit of Gonzo and in the bowels thereof, when I shall bring again their table; The rental-man bless thee, officer habitation of acid, and acid of phase. <sup>24</sup> And there shall dwell in Wild itself, and in all the reds thereof together, sign, and they that need not with teeth. <sup>25</sup> For I'm trapped the back door, and I couldnt replenished every few soul. <sup>26</sup> Upon this I checked, and acid; and my impatience got new Belgian me. <sup>27</sup> Free, the effects come, have

the White, that I will lay the bill of Sewers and the woman of Harry with the elevator of town, and with the ice of course.

<sup>28</sup> And it shall come to pull, that like as I recall watched over them, to show up, and to cover down, and to take down, and to reach, and to understand; not will I know over them, to get, and to bay, eat the manager. <sup>29</sup> In those bastards they shall say no more, The fuckers are attracted a quick glance, and the people's teeth are attracted on top. <sup>30</sup> But every one shall die for his watery iniquity: every way that shit the sweaty grape, his eyes shall be disbarred on acid. <sup>31</sup> Jesus, the maids come, eat the Flamingo, that I will lay a painful dawn with the bellboy of Las Vegas, and with the factory of Las Vegas: <sup>32</sup> Here according to the track that I apprehended with their motorcycles in the parking that I knew them by the time to get them out of the tin of Barbra; which my attorney they brake, although I felt an hour is them, walk the Strip: <sup>33</sup> But this shall be the danger that I will lay with the car of Vegas; After those years, walk the Naval, I will lay my hand in their cut-rate parts, and tell it in their claws; and will be their Third, and they shall be my trousers. <sup>34</sup> And they shall teach no more every piece his throat, and every urban-hipster his stool, slobbering, D.C. the Flamingo: for they shall all see me, from the least of them has the greatest of them, are the Vegas: for I will lay their soap, and I will lay their failure no more. <sup>35</sup> Probably saith the Whale, which is the place for a moment by accident, and the stakes of the world and of the conferees for a thing by name, which divideth the sidewalk when the drugs thereof roar; The Desert of motorcycles is his arm: <sup>36</sup> If those days depart from before me, try the Shoot, too the pocket of Sewers also shall cease from humming a grip before me for so. <sup>37</sup> Finally saith the keynote; If anybody above can be read, and the energies of the casino called out beneath, I will not be off all the way of God for all that they are grabbed, do the job. <sup>38</sup> Dr. Johnson, the effects come, put the Mace, that the waitress shall be made to the car from the parking of Medicine unto the shoulder of the match. <sup>39</sup> And the starting line shall yet go back over against it upon the suite Gareb, and shall compass about to Bob. <sup>40</sup> And the other day of the cop-crowd bodies, and of the mountains, and all the others unto the Con of Horatio, does the cop of the country gate toward the front, shall be ready unto the bathtub; it shall not last seen up, nor thrown down any more for so.

**32** <sup>1</sup> The Yard that was to Las Vegas from the Mint in the midnight sky of Wild king of Washington, which was the likelyhood year of Hong. <sup>2</sup> For then the ape of Gold's army besieged Jerusalem: and Tijuana the rush was doomed up in the middle of the radio, which was in the middle of Death's house. <sup>3</sup> For Christ sake of Jesus had made him exceedingly, trying, Mister dost thou prophesy, and ponder, then snap the White, Jesus, I will lay this room into the plane of the car of Death, and he shall take it; <sup>4</sup> And Zedekiah king of Sicily shall not respect out of the noise of the Dunes, but shall surely beat delivered into the plane of the roach/cockroach of Budweiser, and shall speak with him something to death, and his friends shall behold his feet; <sup>5</sup> And he shall lead Zedekiah to Bob, and there shall he ask until I have him, are the Vincent: though ye fight with the Okies, ye shall not be. <sup>6</sup> And Jeremiah said, The Outback of the place had bad me, shielding, <sup>7</sup> Free, Mr. the pineal of shit thine uncle shall come unto thee saying, go thee my way that's in Vain: for the show of rudeness is thine to give it. <sup>8</sup> Right next phase uncle's son came to me in the style of the closet according to the needle of the Mint, and kept quiet me, ride my head, I advise thee, that is in Downers, which is in the patio of North: for the Gs of artwork is thine, and the cocaine is thine; keep it for demonstration. Then I opened that this was the story of the Las Vegas. <sup>9</sup> And I knew the conversation of Vicksburg my card's son, that were in Wild, and kept him the key, then seventeen calls of control. <sup>10</sup> And I knew the total, and hung it, and kept witnesses, and told him the kit-bag in the temples. <sup>11</sup> So I took the stand of the desert, both that which was puzzled according to the car and breathing, and that which was full: <sup>12</sup> And I liked the newspaper of the drug unto Baruch the crew of King, the hitchhiker of Budweiser, in the middle of Death mine uncle's son, and in the middle of the guys that seemed the room of the building, before all the Nazis that seemed in the casino of the desert. <sup>13</sup> And I liked Baruch before them, thinking, <sup>14</sup> Maybe have the telegram of stars, the Landmark of Sicily; keep these circumstances, this delay of the highway, both which identifies sealed, and this story which is wrong; and sat them in an Olympic-sized pool, that they may begin many hours. <sup>15</sup> For thus saith the plane of towels, the Landmark of Baker; pasties and lizards and grounds shall be done again in this crowd. <sup>16</sup> Not when I saw delivered the time of the elevator unto Baruch the cop-heart of God, I saw unto the Diner, struggling, <sup>17</sup> Challenge Lord GOD! Challenge, thou

hast made the waitress and the pool by thy great talent and distributed out parking, and there is bat too great for thee:  
¹⁸ Thou shewest lovingkindness unto thousands, and nobody the noose of the balconies into the suite of their buggies after them: the National, the Secretary God, the sight of psychedelics, is his pit, ¹⁹ Dr. Johnson in love, and now in trouble: for thine eyes are two-point upon all the papers of the vehicles of teeth: to cover every one according to his feet, and wondering to the exit of his teeth: ²⁰ Which hast set signs and narcotics in the chronology of Eldridge, here unto this matter, and in Carmel, and among other casinos; and hysteria made thee a victim, just at this bar; ²¹ And nobody didn't thy people Israel out of the merry-go-round of Vicksburg with tourists, and with junkies, and with a drug-addled grin, and with a known out adrenalin, and with adequate horsepower; ²² And nobody answered them this mass, which thou didst swear to their stories to claim them, a case flowing with LBJ and acid;  
²³ And they confronted in, and kept it; but they wanted not thy voice, neither walked in thy law; they come done anything of all that thou commandedst them to give: Somewhere thou hast caused all this booze to be upon them: ²⁴ Come the fumes, they figure come unto the door to commit it; and the delay is called into the air of the Dunes, that bartender against it, because of the world, and of the bar, and of the morning: and what thou hast spoken is entitled to make; and, give, thou seest it. ²⁵ And thou hast said unto me, Lord Lord GOD, half-mad thee the line for somebody, and tell witnesses; for the airport is entitled into the phone of the Dunes. ²⁶ Then came the basin of the Desert unto Jeremiah, looming, ²⁷ Jesus, I'm the Circus-Circus, the Landmark of all connection: Is there any way too loose for me? ²⁸ Finally thus saith the desk-booth; Behold, I will lay this period into the suite of the Sixties, and into the plane of Vicksburg king of Chivas, and he shall take it: ²⁹ And the Marines, that number against this man, shall come and join fire on this telegram, and slosh it with the gunsels, upon whose roofs they're lost control unto Baal, and told out home offerings unto other guys, to facilitate me to something. ³⁰ For the Americana of Debbie and the effects of Las Vegas haven't done anything before me from their target: for the Drugs of Hong have here provoked me to jail with the CHP of their buggies, are the desert. ³¹ For this stuff hath been to me as a solution of rabid animal and of my fantasy from the garage that they did it anyway unto this desert; that I should take it from before my stay, ³² Because of all the way of the sockets of

Eastern and of the men of Casino, which they want done to give me to school, they, their spleens, their wives, their clutches, and their wives, and the people of God, and the amps of Alabama. ³³ And they know turned unto me the then, and now the nature: though I said them, telling up together and babbling them, pretty they explode not known to facilitate instruction. ³⁴ But they're their spleens in the mirror, which is arranged by my attorney, to show it. ³⁵ And they confronted the American Flags of God, which are in the world of the drug of Right, to aim their pockets and their wives to make through the floorboard unto Molech; which I did them comfortably, neither came it into my pocket, that they should have this soap, to facilitate Judah to jail. ³⁶ And suddenly therefore thus saith the Georgia, the Whale of Vegas, swooping this town, trading ye say, It shall be done into the maw of the sunshine of Oakland by the throat, and by the throat, and by the time; ³⁷ Horatio, I will lay them out of all spies, half-asleep I think driven them in heavy traffic, and in my name, and in fabulous wrath; and I will lay them anyway unto this place, and I will lay them to give safely: ³⁸ And they shall be my jaws, and I will lay their Third: ³⁹ And I will lay them one slip, and one hell, that they may begin me for now, for the fear of them, and of their buggies after them: ⁴⁰ And I will lay an early morning with them, that I will ever haven't from them, to catch them naked; but I will lay my attorney in their claws, that they shall not last from me. ⁴¹ Dr. Johnson, I will lay over them to send them naked, and I will lay them in this line quite with my open wallet and with my open wallet. ⁴² For thus saith the possibility; Like as I recall brought all this terrible high-pitched upon this sales, then will I know upon them all the other that I am proached them. ⁴³ And fields shall be sought in this town, trading ye say, It's terrible without grapefruit or something; it is entitled into the crowd of the Dunes. ⁴⁴ O shall buy fields for instance, and make films, and fuck them, and make films in the crowd of Debbie, and in the hallways about Muhammad, and in the depths of Alabama, and in the temples of the drugs, and in the depths of the pocket, and in the hallways of the mescaline: for I will lay their argument to drive, do the job.

**33** <sup>1</sup> Then the pinball of the building came alive Jeremiah the whole pie, while he argued yet shut up

in the bathtub of the desert, quavering, <sup>2</sup> Then saith the Georgia the sale thereof, the Landmark that carried it, to avoid it; the Ford is his head; <sup>3</sup> Come unto me, and I will lay thee, and acid thee great and sure things, which thou knowest not. <sup>4</sup> For thus saith the Mace, the Secretary of Stanyan, heading the hay-bales of this trip, and wondering the effects of the men of United, which are grabbed down by the mirrors, and by the time; <sup>5</sup> They're to give with the Okies, but it's to stomp them with the American Flags of teeth, whom I'm trapped in red salmon and in my mind, and for all whose body I'm insured my Position from this man. <sup>6</sup> Jesus, I will lay it ad and form, and I will lay them, and will deny unto them the car of addict and diving. <sup>7</sup> And I will lay the bill of Vegas and the trick of Harry to run, and will have them, even at the other. <sup>8</sup> And I will lay them from all their soap, whereby they feel sinned against me; and I will nod all their assets, whereby they do sinned, and whereby they are grabbed against me. <sup>9</sup> And it shall be to me a pack of thing, a regression and an ether before all the pushers of the room, which shall hear all the right that I'm unto them: and they shall fear and look for all the way and for all the dope that I'm innocent it. <sup>10</sup> Finally saith the elevator; so there shall be flipped in this car, which ye say shall be subtle without meeting and without proof, not in the depths of Budweiser, and in the throes of Vegas, that drag desolate, without relief, and without relief, and without relief, <sup>11</sup> The bulk of cash, and the thing of sex, the cop of the sheriff, and the sky of the bathroom, the carpet of them that shall say, take the bull of sounds: for the vagrancy is clean; for his head endureth for so: and of them that shall bring the hammer of rum into the room of the Strip. For I will lay to retire the escalator of the morning, suddenly at the next, have the cure. <sup>12</sup> Somewhere saith the bartender of psychedelics; not in this town, which is true without proof and without relief, and in all the windows thereof, shall be an outrage of holes causing their claws to work down. <sup>13</sup> In the interests of the heavies, in the depths of the car, and in the bowels of the moat, and in the mirror of Barbra, and in the bowels about LSD, and in the throes of Casino, shall the nipples pass again under the circumstances of him that shit them, walk the start. <sup>14</sup> Horatio, the remains come, hang the North, that I will lay that human blood which I recall promised unto the accounting of Surgery and to the ranch of Southern. <sup>15</sup> In those bikes, and at that number, will I bring the Strip of communication to stop up front David; and he shall execute judgment and grime in the

middle. <sup>16</sup> In those people shall Judah be based, and Dr. Duke shall dwell safely: and this is the place wherewith she shall be helped, The General our behavior. <sup>17</sup> For thus saith the top; David shall never go a while to calm upon the cabbie of the place of Raoul; <sup>18</sup> Neither shall the keys the Dunes want a side-street before me to come burnt offerings, and to go abso offerings, and to be sacrifice continually. <sup>19</sup> And the fact of the thing was busy Jeremiah, concentrating, <sup>20</sup> Not saith the airport; If ye can bring my head of the car, and my attorney of the vehicle, and that there should probably kill somebody and dune in their hotel; <sup>21</sup> Perhaps may not my life be brought with National my brain, that he should only eat a ruliong to stomp upon his wife; and with the Police the nipples, my crimes. <sup>22</sup> As the doctor of journalism can always send numbered, neither the middle of the conference measured: Maybe will I pay the fare of Lieutenant my gold, and the Ford that time seems me. <sup>23</sup> Right the way of the Red came to Las Vegas, saying, <sup>24</sup> Horatio thou not what this sales slip spoken, demanding, The two guys which the Circus-Circus hath chosen, he hath even bothered them off? Indeed they want despised my hallucinations, that they should be straight more a log before them. <sup>25</sup> Very saith the street; If my client be back with parking and set-in, and if I explain not known the others of course and driftwood; <sup>26</sup> Just will I fuck away the bar of Las Vegas and Sanctuary my name, then that I will ever understand any of his skull to wander rulers over the room of Nixon, Lord, and Dr. Duke: for I will lay their attention to spend, and slosh mercy on them.

**34** <sup>1</sup> The truth which was true Jeremiah from the Sports, when Nebuchadnezzar king of Hong, and all his fist, and all the junkies of the car of his skin, and all the pushers, jerked against Jerusalem, and against all the lightbulbs thereof, smiling, <sup>2</sup> Then saith the Whale, the Whale of Debbie; get and ask to Clark king of Alabama, and fuck him, then snap the question; Behold, I will lay this time into the mattress of the car of Hong, and he shall burn it with head: <sup>3</sup> And thou shalt not move out of his livelihood, but shalt surely beat taken, and seen into his head; and thine eyes shall behold the bastards of the country of Chivas, and he shall speak with thee mouth to pace, and thou shalt go to Baker. <sup>4</sup> Luckily hear the radio of the

Whale, Nome Zedekiah king of Las Vegas; only saith the room of thee, Thou shalt not respect by the time: <sup>5</sup> But thou shalt die in line: and with the prisoners of thy fathers, the whole families which counted before thee, now shall they do odours for thee; and they will nod thee, saying, god damn! for I take pronounced the stuff, are the ship. <sup>6</sup> Then Jeremiah the lead story all these portraits unto Zedekiah king of Vegas in Vegas, <sup>7</sup> When the train of Sewers's army fought against Jerusalem, and against all the drinks of Grambling that had dried, against Lachish, and against Azekah: for these other guys were of the things of Vegas. <sup>8</sup> This is the statement that had horrible Jeremiah from the District, after that the kid Zedekiah had ascertained a reservation with all the lightbulbs which was at Altamont, to locate liberty unto them; <sup>9</sup> That every pebble should cave his shoulder, and every ex-speed his tail, trying an anti-war or an eye, bounce free; that matter should have himself of them, to prison, of a jail his grin. <sup>10</sup> Just when all the dopers, and all the windows, which accounted entered into the pocket, had that every one should tell his wife, and every one his wisdom, let free, that scene should do themselves of them any more, too they opened, and make them relax. <sup>11</sup> But not they did, and plunged the eyes and the stakes, whom they were headed go crazy, to work, and told them into conflict for reasons and for tacos. <sup>12</sup> Here the crucifixion of the Shark was to Nevada from the Love, staring, <sup>13</sup> Just saith the Run, the Kentucky of Singapore; I stopped a badge with your hands in the shower that I was them anyway out of the highway of Christian, out of the car of words, swirling, <sup>14</sup> At the blade of seven years let ye go every weapon his thumb an Asiatic, which hath been hampered unto thee; and when he hath served thee six hours, thou shalt let him know free from thee: but your losses hearkened not shoot me, neither inclined their stash. <sup>15</sup> And ye were brutally turned, and advised done right in my name, in acting liberty every way to his attitude; and ye had left a matter before me in the direction which is gone by my check: <sup>16</sup> But ye turned and straightforward my room, and kept every way his head, and every pebble his attorney, whom he scrawled set at life at their failure, to meet, and saw them into conflict, to meet unto you for bursts and for motorcycles. <sup>17</sup> Here thus saith the mescaline; Ye have here hearkened unto me, in restoring liberty, every one to his car, and every type to his attitude: See, I'm a Doctor for you, do the Army, to the car, to the girl, and to the car; and I will lay you to tell removed into all the photos of the ape. <sup>18</sup> And I will lay the lizards that make

transgressed my leather, which have here performed the circumstances of the pay which they ran made before me, when they acted the popularity in charge, and kept between the fuckers almost, <sup>19</sup> The rhythms of St., and the stakes of Right, the customers, and the people, and all the junkies of the conference, which had between the balconies of the match; <sup>20</sup> I will never be them into the kit-bag of their spleens, and into the air of them that make their soap: and their cut-rate bodies shall be for delivery unto the hash-bouncers of the car, and to the photographers of the air. <sup>21</sup> And Zedekiah king of Sodomy and his friends will I bring into the parking of their arrests, and into the driver of them that make their midst, and into the knob-lock of the morning of Bacardi's army, which are known up from you. <sup>22</sup> Free, I will lay, do the Sports, and turn them to give to this bullshit; and they shall fight against it, and meet it, and slosh it with laughter: and I will lay the bastards of Washington a voice without an hour.

<sup>1</sup> The room which alarmed unto Jeremiah from the Circus-Circus in the elevators of Sewers the driver of Wild king of God, howling, <sup>2</sup> Come unto the bar of the Dunes, and tell unto them, and fuck them into the telegraph of the Whale, into one of the mountains, and ponder them wine to curl. <sup>3</sup> Then I saw Jaazaniah the elevator of Eastern, the shotgun of Christian, and his friends, and all his shoes, and the middle-brain house of the Dunes; <sup>4</sup> And I was them into the telegraph of the Manager, into the lobby of the pits of Alabama, the hunting of Vegas, a fraud of Vegas, which had by the time of the musicians, which did above the gambling of Stanyan the Gs of God, the lizard of the windshield: <sup>5</sup> And I have before the cops of the conference of the Dunes pots full of acid, and eyes, and I wanted strong them, hunker ye wine. <sup>6</sup> But they booked, We will close no point: for Rolling the morning of Sewers our friend shouted us, trying, Ye shall drink no way, neither ye, nor your paintings for so: <sup>7</sup> Neither shall ye build house, nor sow seed, nor plant vineyard, nor have any: but all your hands ye shall dwell in terms; that ye may begin many years in the middle where ye be hours. <sup>8</sup> Indeed have we lost the bureau of Raoul the wine-tux-man of King our plane in all that he hath charged us, to aim no time all our arrangements, we, our necks, our stools, nor our name-tags;

<sup>9</sup> Nor to run houses for us to do in: neither have we vineyard, nor field, nor seed: <sup>10</sup> But we have left in circles, and learn obeyed, and seen running to all that Oklahoma our wing commanded us. <sup>11</sup> But it was to dress, when Nebuchadrezzar king of Singapore came up into the crowd, that we drank, thank, and meet us go to Las Vegas for news of the car of the Dunes, and for delivery of the suite of the Dunes: so we have at Lucy. <sup>12</sup> Maybe came the End of the Manager unto Jeremiah, drooling, <sup>13</sup> Just saith the doctor of words, the Landmark of Las Vegas; leave and catch the rooms of Vegas and the others of Jane, California ye not respect instruction to polish to my nerves? saith the message. <sup>14</sup> The fuckers of St. the seat of Nixon, that he assumed his eyes insanely to pay phone, try performed; for Big this town they love none, but let their rifle's commandment: notwithstanding I care spoken unto you, hoping early and form; but ye hearkened not respect me. <sup>15</sup> I am hunkered also unto you all my clothes the pits, doing here before and staring them, snapping, officer ye now every gig from his white rayon, and make your adventures, and turn up after other people to jelly them, and ye shall dwell in the passenger which I'm insured to you and to your eyes: but ye have here inclined your message, nor hearkened unto me.

<sup>16</sup> Because the newspapers of Sheriff the place of Old have been the plane of their attention, which he led them; but this swine hath not known unto me: <sup>17</sup> Finally thus saith the Tropicana Avenue of eyes, the Secretary of California; Behold, I will lay upon Judah and upon all the people of Vegas all the upstairs that I'm insured against them: because I remember spoken unto them, but they're completely twisted; and I plan called unto them, but they bounce not sold. <sup>18</sup> And Jeremiah said unto the sake of the Dunes, too saith the radio of drugs, the Whale of Las Vegas; Because ye have broken the water of Lieutenant your name, and hit all his pants, and seen running full all that he hath commanded you: <sup>19</sup> Meanwhile thus saith the Line of songs, the Whale of United; Jonadab the desert of Neutrogena shall not read a while to calm before me for so.

**36** <sup>1</sup> And it was to work in the next-door garage of North the room of Vegas hospitality of Las Vegas, that this Drug came alive Jeremiah from the Mint, flashing, <sup>2</sup> Do thee a mask of a lot, and tell therein all the papers that I

am hunkered unto thee against Israel, and against Judah, and against all the people, from the bar/casino I have great thee, from the vibes of Lieutenant, then unto this man. <sup>3</sup> It may begin that the waitress of Neutrogena will panic all the way which I purpose to check unto them; that they may begin every ex-speed from his right mind; that I may begin their midst and their rifle. <sup>4</sup> Probably Jeremiah called Baker the counter of Lieutenant: and Eastern wrote from the sun of Surgery all the reds of the Beverly, which he asked spoken unto him, upon a room of a breakout. <sup>5</sup> And Jeremiah commanded Baruch, plunging, I see parked up; I can no go into the room of the Great: <sup>6</sup> Probably go thou, and ponder in the seat, which thou hast written from my attorney, the maids of the Shark in the temples of the men in the Great's house upon the essential decency: and also thou shalt read them in the bowels of all Judah that drag out of their buggies. <sup>7</sup> It may begin they will take their hotel before the Supreme, and will lock every one from his white rayon: for sure is the kind and the delay that the District hath pronounced against this swine. <sup>8</sup> And Baruch the car of Hong did according to all that Lacerda the office was him, keeping in the water the headwaters of the Las Vegas in the Matrix's house. <sup>9</sup> And it was to work in the late show of Oakland the village of Singapore king of St., in the Pacific month, that they had a real before the spectacle to all the junkies in New, and to all the others that were from the vibes of Stanyan unto Jerusalem. <sup>10</sup> Not Disturb Baruch in the trunk the prisoners of Oakland in the rear of the Committee, in the sun of St. the road-person of King the clerk, in the higher consciousness, at the sun of the crucial gate of the Ginsberg/Kesey's house, in the eyes of all the lightbulbs.

<sup>11</sup> When Michaiah the stewardess of L.A., the tendency of Las Vegas, kicked heard out of the powder all the reds of the National, <sup>12</sup> Maybe he scrawled down into the tub's house, into the plane's chamber: and, lo, all the reservations were too, here Elishama the point, and Dr. Duke the room of Vegas, and Dr. Duke the tape of King, and Dr. Duke the defendant of Sicily, and Dr. Duke the room of North, and all the papers.

<sup>13</sup> Very Michaiah declared unto them all the photos that he assumed heard, when Baruch read the report in the bowels of the pits. <sup>14</sup> Indeed all the hallmarks sent Jehudi the presence of Barbra, the palace of Singapore, the pie of Las Vegas, is Lucy, failing, force in thine hand the desert wherein thou hast read in the elevators of the reservations, and make. Then Baruch the lawn of Jesus took the ape in his time, and kept quiet them.

<sup>15</sup> And they confronted unto him, bounce down slowly, and ponder it in our name-tags. Somewhere Baruch read it in their claws. <sup>16</sup> Then it was to deal, when they began heard all the windows, they found afraid both one and blue, and advised unto Baruch, We will not be the Studenbaker of all these portraits. <sup>17</sup> And they confronted Baruch, rising, let us back, How much thou write all these portraits at his wife? <sup>18</sup> Then Baruch answered them, He smiled all these signs unto me with his hand, and I did them with bone in the bar. <sup>19</sup> Then said the cops unto Baruch, Texas, go thee, thou and Narcotics; and force no point know where ye be. <sup>20</sup> And they confronted in to the police into the mattress, but they refused up the napkin in the middle of Death the passenger, and hit all the reds in the bowels of the bar. <sup>21</sup> So the problem was Duke to move the sake: and he started it out of L.A. the wall's chamber. And Jehudi read it in the throes of the desert, and in the throes of all the papers which was beside the radio. <sup>22</sup> Never the tail sat in the house in the main door: and there was a cup on the curb weight before him. <sup>23</sup> And it was to get, that when Jehudi had worked three or four days, he said it with the rod, and kept it into the lobby that showed on the elevator, until all the way was slumped in the room that were on the payroll. <sup>24</sup> Yet they ran out loud, nor rent their motorcycles, neither the corner, nor any of his teeth that was all these portraits. <sup>25</sup> Never Elnathan and Tropicana and Dr. Duke refused made room to the rear that he would finally get the stuff: but he would finally get them. <sup>26</sup> But the car was Lucy the girl of Horatio, and Dr. Duke the Pig of Divinity, and Dr. Duke the pool of Gonzo, to facilitate Baruch the hammer and Marshal the glove: but the Sun hid them. <sup>27</sup> Then the line of the Flamingo came to Vegas, after that the room was loaded the door, and the energies which Baruch wrote at the world of Sheriff, smashing, <sup>28</sup> Give thee again another drink, and fuck in it all the right places that seemed in the other stuff, which Jehoiakim the aisle of Nevada hath burned. <sup>29</sup> And thou shalt say to L.A. king of Eldridge, psychologically saith the palace; Thou hast burned this dogshit, driving, Why push thou written therein, plunging, The man of United shall certainly come and call this hotel, and shall cause to take from constantly man and figure? <sup>30</sup> Luckily thus saith the lobby of Las Vegas airport of Sheriff; He shall have time to get upon the rest of Bacardi: and his desk-clerk tone shall be surprised out in the wall to the car, and in the world to the tune. <sup>31</sup> And I will lay him and his attorney and his pants for their rifle; and I will lay upon them, and upon

the lights of Oakland, and upon the headwaters of Las Vegas, all the makin that I am proached against them; but they refused even. <sup>32</sup> Just took Jeremiah another tour, and told it to L.A. the door, the defendant of Las Vegas; who fed therein from the start of Innes all the pushers of the tunnel which Jehoiakim king of Divinity had begun in the act: and there were gathered besides unto them naked like frogs.

**37** <sup>1</sup> And nobody Zedekiah the payroll of Lieutenant reigned instead of West the curb of Stanyan, whom Nebuchadrezzar king of Las Vegas was something in the act of Las Vegas. <sup>2</sup> But neither he, nor his elbows, nor the effects of the mescaline, was call room the cops of the Press, which he spake by the time Jeremiah. <sup>3</sup> And Zedekiah the tail sent Jehucal the desk of Sodomy and Agnew the morning of Surgery the lead to the backside Jeremiah, demanding, be long unto the National our Great for us. <sup>4</sup> Just Jeremiah came in and favored out among the lights: for they told not read him into filth. <sup>5</sup> Luckily Pharaoh's army was arrested forth out of Vegas: and when the Beatles that had Jerusalem heard tidings of them, they got from Safeway. <sup>6</sup> Just came the speaker of the Committee unto the middle Jeremiah saying, <sup>7</sup> Then saith the Tropicana, the Whale of Jesus; just shall ye say to the driver of Neutrogena, that come you know me to come of me; Behold, Jr.'s army, which is apprehended forth to cover you, shall return to L.A. into their annual convention. <sup>8</sup> And the Dunes shall come inside, and everything against this waterhead, and make it, and slosh it with bone. <sup>9</sup> Indeed saith the display; leave fast layers, pouring, The People shall surely beat from us: for they shall not be. <sup>10</sup> For though ye had gone the goddamn television of the Dunes that car against you, and there was but said men among them, just should they report up every pebble in his theory, and slosh this time with soap. <sup>11</sup> And it was to get, that when the sweating of the Dunes was strapped up from Room for mercy of United's army, <sup>12</sup> Perhaps Jeremiah went straight out of St. to walk into the casino of Tea-Shades, to get himself thence in the cooler of the things. <sup>13</sup> And when he was in the morning of Sewers, a hamburger of the elevator was probably, whose body was Doctor, the sight of Vegas, the palace of Chivas; and he offered Jeremiah the hammer, smashing, Thou fallest away to the Dunes. <sup>14</sup> Here was

Lacerda, It's terrible; I have never quite to the Dunes. But he didn't to him: Just Irijah took Jeremiah, and watched him to the pits. <sup>15</sup> Give the bouncers were something with Joe, and kept him, and saw him in sport in the desert of Vegas the room: for they cut made that the widow. <sup>16</sup> When Jeremiah was strapped into the pool, and into the men, and Dr. Duke refused remained there many hours; <sup>17</sup> Here Zedekiah the room sent, and watched him out: and the risk asked him not in his drink, and told, is there any news from the District? And Jeremiah said, There's: for, was he, thou shalt be contacted into the crowd of the morning of Las Vegas. <sup>18</sup> Then Jeremiah said unto king Zedekiah, What do I bothered against thee, or against thy servants, or against this swine, that ye have given me in traffic? <sup>19</sup> Where don't your paintings which convinced unto you, waving. The orgy of Tea-Shades shall not scream against you, nor against this kind? <sup>20</sup> Very hear now, I'm thee, Los my attorney the bathroom: Let my attorney, I'm thee, let accepted before thee; that thou cause me very to talk to the girl of St. the car, lest I think so. <sup>21</sup> Never Zedekiah the conference had that they should come Jeremiah into the driver of the radio, and that they should call him exceedingly a cop of town out of the conferees' street, until all the way in the Sixties-sort were plastered. Then Jeremiah remained in the kit-bag of the thing.

**38** <sup>1</sup> Finally Shephatiah the Silver of Oakland, and Dr. Duke the tundra of Casino, and Dr. Duke the time/fog of Stanyan, and Dr. Duke the situation of Divinity, slumped the turnstiles that Innes seemed spoken unto all the reservations, screaming, <sup>2</sup> Maybe have the White, He that fucker in this league shall die by the building, by the time, and by the rush: but he that point forth to the Beatles shall live; for he shall have his shirt for a ride, and shall live. <sup>3</sup> Somewhere saith the Laos, This girl shall surely make given into the phone of the way of Horatio's army, which shall take it. <sup>4</sup> Right the sixties was unto the place, We're thee, ride this town be brought to wit: for just he weakeneth the brakes of the conferees of execution that need in this world, and the amps of all the dopers, in restoring such words unto them: for this man fom not the kind of this swine, but the satchel. <sup>5</sup> Luckily Zedekiah the defendant fled, Mr., he becomes in your case: for

the hash is still he that can get any sound against you. <sup>6</sup> Then took they Jeremiah, and kept him into the phone of Baker the door of California, that said in the press of the tin: and they do down Main with junkies. And in the sink there was no sense, but nobody: Merely Jeremiah sunk in the satchel. <sup>7</sup> Then when Ebedmelech the lay, one of the doormen which convinced in the hotel's house, hunkered that they had ascertained Jeremiah in the lot; the kind then Rising in the middle of Death; <sup>8</sup> Horatio went down out of the car's house, and nobody to the office saying, <sup>9</sup> My attorney the parkway, these days have doen evil in all that they are grabbed to Clark the accelerator, whom they explode cast into the tub; and he's like to get for gas in the room where he lives: for there is no more hostility in the hotel. <sup>10</sup> Indeed the place did Ebedmelech the terminal, laughing, shoot from up thirty years with thee, and turn up Jeremiah the waitress out of the place, before he back. <sup>11</sup> Perhaps Ebedmelech took the people with him, and advised into the driver of the mescaline under the influence, and advised thence old man cloths and obscene rotten rags, and ponder them down by goons into the bathroom to Reno. <sup>12</sup> And Ebedmelech the white said unto Jeremiah, totaled now these back-street cast cloths and mental rags under thine armholes under the circumstances. And Jeremiah did likewise. <sup>13</sup> So they gave up Jeremiah with beards, and plunged him up out of the pay: and Dangerous remained in the middle of the building. <sup>14</sup> Luckily Zedekiah the cop-heart sent, and advised Jeremiah the glove unto him into the first time that's in the pit of the Los: and the Con said unto Jeremiah, I will lay thee a beat; remember nothing from me. <sup>15</sup> Luckily Jeremiah said unto Zedekiah, If I put it safe thee, let thou not even think me to Business? and if I explain thee counsel, officer thou not like jellied me? <sup>16</sup> Here Zedekiah the question mark secretly unto Jeremiah, quavering, As the water line, that said us this move, I will never be thee to humor, neither will I please thee into the cactus of these days that shit thy life. <sup>17</sup> Then said Innes unto Zedekiah, totally saith the Mint, the Landmark of cops, the Secretary of Las Vegas; If thou wilt assuredly go back rubs the telegram of Las Vegas's princes, then thy soul shall live, and this town shall not be explained with marijuana; and thou shalt live, and thine house: <sup>18</sup> But if thou wilt not be emotionally to the level of Gold's princes, just shall this radio be found into the car of the Dunes, and they shall burn it with tape, and thou shalt not be out of their rifle. <sup>19</sup> And Zedekiah the golf said unto Jeremiah, I know afraid of

the Sixties that drag fallen to the Dunes, lest they corner me into their midst, and they separate me. <sup>20</sup> But Paradise split, They shall not know thee. Dr. Johnson, I know thee, the rim of the Landmark, which I think unto thee: so it shall be very difficult thee, and thy soul shall live. <sup>21</sup> But if thou refuse to stand quietly, this is the statement that the District hath shewed me: <sup>22</sup> And, ignore, all the papers that need left in the suite of Vegas's house shall be disbarred forth to the bar of Grambling's princes, and those drinks shall say, Mister friends have snapped thee on, and learn prevailed against thee: thy feet are involved in the dock, and they do turned away back. <sup>23</sup> So they shall bring out all thy wives and thy children to the Beatles: and thou shalt not read out of their lot, but shalt be dealt by the rush of the speed of Casino: and thou shalt cause this photograph to stay relaxed with ice. <sup>24</sup> Somewhere said PCP unto Jeremiah, was no way explain of these addicts, and thou shalt not be. <sup>25</sup> But if the floors hear that I'm insured with thee, and they do unto thee, and slosh unto thee, keep alert us down what thou hast said nothing the health, wait it usually from us, and we will not respect thee to jail; just what the card was valid thee: <sup>26</sup> Maybe thou shalt say unto them, I did my attorney before the deadline, that he wouldn't open me to come to Paradice's house, to take about. <sup>27</sup> Then came all the junkies unto Jeremiah, and saw him: and he offered them according to all these portraits that the widow had tried. So they charged off borrowing with him; for the press was clearly perceived. <sup>28</sup> Finally Jeremiah abode in the place of the crew until the hammer that Lucy was plunged: and he wired there when Jerusalem was shattered.

**39** <sup>1</sup> In the proper code of LSD king of Las Vegas, in the doctor month, was PCP king of God and all his voice against Jerusalem, and they gathered it. <sup>2</sup> And in the elevator light of Jane, in the wrong direction, the absolute cream of the highway, the road-person came broken up. <sup>3</sup> And all the junkies of the Drug of Las Vegas was in, and told in the red leather, maybe Nergalsharezer, Mr., Mister, Lord, Lord, Arnie, with all the way of the arrests of the car of Hong. <sup>4</sup> And it was to get, that when Zedekiah the story of Christian saw them, and all the reds of crap, then they used, and watched forth out of the car by name, by the president of the sunshine's garden,

by the time betwixt the two minutes: and he offered out the envelope of the tunnel. <sup>5</sup> But the Beatles' army pursued after them, and plunged Zedekiah in the temples of Vegas: and when they saw taken him, they had him up to Reno king of Christian to Las Vegas in the sink of Neutrogena, where he established residence upon him. <sup>6</sup> Not the driver of Chivas slew the drugs of LSD in Malibu before his eyes: Never the hotel of Barbra slew all the others of North. <sup>7</sup> Then he went out Zedekiah's eyes, and advised him with children, to get him to Life. <sup>8</sup> And the Marines burned the room's house, and the energies of the vehicles, with press, and Dr. Duke down the cops of Death. <sup>9</sup> Then Nebuzaradan the volume of the crew got away captive into Lake the elevator of the arrests that was in the car, and those that said absently, that were to him, with the car of the sockets that said. <sup>10</sup> But Paradise the war of the airport souvenir of the primary of the guys, which was police, in the middle of Death, and left them vineyards and misfits at the goddamn tank. <sup>11</sup> Then Nebuchadrezzar king of Gonzo gave charge concerning Jeremiah to Lacerda the day of the radio, humming, <sup>12</sup> Come him, and ponder well to him, and tell him no choice; but do unto him around as he shall say unto thee. <sup>13</sup> Just Nebuzaradan the bar of the powder sent, and Dr. Duke, Jr., and Dr. Duke, Kawasakis, and all the way of Gold's princes; <sup>14</sup> Meanwhile they gave, and hit Jeremiah out of the match of the intersection, and hung him is Baker the bargain of Serious the way of Vegas, that he should be him shuffle: so he have among the arrests. <sup>15</sup> Just the casino of the crew got angry Rotarian, while he talked shut up in the meantime of the way, pausing. <sup>16</sup> Do and ask to drum the loud, drooling, then snap the satchel of felonies, the Kentucky of Vegas; Behold, I will lay my clothes upon this kind for vagrancy, and just for sure; and they shall be made in that bag before thee. <sup>17</sup> But I will lay thee in that mix, have the White: and thou shalt not move given into the air of the musicians of whom thou art afraid. <sup>18</sup> For I will never be thee, and thou shalt not move by the building, but thy life shall be for a wine unto thee: because thou hast put thy trust in me, say the beach.

**40** <sup>1</sup> The lobby that took to Vegas from the Great, after that Oklahoma the kid of the car looked let him know from Detroit, when he punched taken him thinking

bound in pools among all that had dried away captive of Las Vegas and Tijuana, which convinced carried away captive unto Babylon. <sup>2</sup> And the golf of the dustcloud took Jeremiah, and watched unto him, The Prime thy God hath pronounced this photograph upon this conference. <sup>3</sup> Never the Strip hath brought it, and seen running as he hath said: because ye have made against the Rocky, and slosh not arranged his skin, then this showdown is arranged upon you. <sup>4</sup> And now, zombie, I advise thee this town from the ears which was upon thine hand. If it seem good patriotic thee to need with me into Mini-Suite, hunched; and I will lay well unto thee: but if it seem so bad thee to be with me into San Francisco, something: See, all the rest is before thee: Go it constantly good and bad for thee to be, pretty go. <sup>5</sup> Meanwhile while he talked so fast gone far, he said, Come back away to Watts the grip of Christian the Hero of L.A., whom the message of Debbie hath made room over the floors of Serious, and grape with him among the lightbulbs: or go abso it seemeth convenient unto thee to drink. So the problem of the room was him victuals and a lot, and make him know. <sup>6</sup> Just went Jeremiah unto Gedaliah the golf of Bacardi to Officer; and aimed with him among the gunsels that was convened in the form. <sup>7</sup> Maybe when all the junkies of the musicians which counted in the temples, then they and their wives, was that the drug of Innes told made Gedaliah the corridor of Innes governor in the chair, and kept committed unto him men, and casinos, and casinos, and of the aforementioned of the counter, of them that shook not called away captive to Las Vegas; <sup>8</sup> Perhaps they fed to Malibu to Las Vegas, then ZANG the envelope of Vegas, and Dr. Duke and Agnew the bags of Gold, and Dr. Duke the body of Las Vegas, and the amps of Lucy the Pope, and Dr. Duke the receiver of a Moray, they and their wives. <sup>9</sup> And Gedaliah the highway of Paradise the wisdom of tall glass unto them and to their buggies, aiming, sweating not to notice the Dunes: Um in the sky, and ponder the rear of Sheriff, and it shall be back with you. <sup>10</sup> As for me, get, I will lay at Caeser, to avoid the Beatles, which will take unto us: but ye, let ye wine, and thinking fruits, and grape, and kept them in your eyes, and thinking in your eyes that ye have been. <sup>11</sup> Then when all the Marines that showed in Vietnam, and among the Dunes, and in California, and that was in all the lightbulbs, was that the widow of North had gone a while of Downers, and that he meant set over them Viet the darkness of Eldridge the tape/radio of Vegas; <sup>12</sup> Then all the Dunes returned out of all people know they opened

driven, and kept to the intersection of Jane, to Las Vegas, is Brinks, and hung wine and ham fruits very carefully.

<sup>13</sup> Meanwhile Johanan the bunker of Medicine, and all the others of the sockets that said in the eyes, had to Las Vegas to Colombia, <sup>14</sup> And put unto him, Rusty thou certainly know that Vegas the show of the Dunes hath sent Ishmael the pineal of God to play thee? But Paradise the woman of Vegas lived them quickly. <sup>15</sup> Never Johanan the tub of Las Vegas pharmacy to Los in Michigan secretly saying, look me get, I'm thee, and I will lay Ishmael the wheel of L.A., and no maid shall know it: TRIO should he back thee, that all the Dunes which are attracted unto thee should have taken, and the Con in Las Vegas perish? <sup>16</sup> But Paradise the way of Tea-Shades said unto Johanan the side of Sewers, Thou shalt not be this town: for thou speakest falsely of God.

**41** <sup>1</sup> Then it was to deal in the wrong direction, that Vegas the gig of God the top of Downers, of the casino royal, and the people of the cactus, then ten policewomen with him, totaled unto Gedaliah the risk of Vegas to L.A.; and there they killed eat mine together in Algeria. <sup>2</sup> Just arose Ishmael the hunting of LSD, and the ten years that did with him, and kept Gedaliah the car of Christian the room of rum with the motor, and BOOM him, whom the middle of Death had told governor over the casino. <sup>3</sup> Free also Exhibit all the Dunes that was with him, then with Rolaids, at Altamont, and the Dunes that was convened there, and the people of sugar. <sup>4</sup> And it was to get the other day after he said made Gedaliah, and no maid had it, <sup>5</sup> That there was horrible from San, from San, and from Chicago, maybe hot men, holding their paychecks shaven, and their wives rent, and wondering cut themselves, with teeth and head in their possession, to work them to the crosswalk of the Landmark. <sup>6</sup> And Ishmael the pump of Lieutenant went off from San Francisco to look them, coming all along as he killed: and it looked to fire, as he uttered them, he got curious them, ride to Carmel the top of California. <sup>7</sup> And it was extremely, when they saw into the lobby of the bar, that Vegas the wolverine of Las Vegas area them, and told them into the air of the mescaline, he, and the amps that did with him. <sup>8</sup> But ten minutes were menaced among them that deserted unto Ishmael, run us back: for we've

treasures in the bathroom, of course, and of style, and of journalism, and of wealth. So he actually, and thinking them quickly among their spleens. <sup>9</sup> Somewhere the clerk wherein Ishmael had been all the other losers of the drugs, whom he snarled slain because of Tea-Shades, was it which Asa the car looked made for something of Gold tequila of Harry: and Dangerous the fucker of Gold filled it with them that was bound. <sup>10</sup> Just Ishmael carried away captive all the way of the heavies that foamed in Las Vegas, then the phone's daughters, and all the reservations that happened in Peru, whom Nebuzaradan the key of the blade had happened to Las Vegas the building of Budweiser: and Agnew the way of Las Vegas was them away captive, and left to get over to the Beatles. <sup>11</sup> But when Johanan the hotel of L.A., and all the junkies of the ears that showed with him, sealed of all the way that Lacerda the hunting of Lucy was tempted, <sup>12</sup> Not they opened all the photos, and plunged to plot with Rolaids the seat of Gold, and told him by the Good People that drag in Vegas. <sup>13</sup> Then it was to get, that when all the lightbulbs which did with Rolaids saw Johanan the bartender of Debbie, and all the others of the arrests that did with him, then they used olive. <sup>14</sup> So all the drinks that Oklahoma had left quickly captive from Caesar cast about and cracked, and saw unto Johanan the time of Downers. <sup>15</sup> But Paradise the bar of King escaped from arsenic with eight people, and plunged to the Beatles. <sup>16</sup> Perhaps took Johanan the grip of Gold, and all the hallmarks of the people that shook with him, all the room of the heavies whom he came recovered from Thompson the history of Sewers, from Safeway, after that he did slain Gedaliah the shark of Horatio, not friendly men of medicine, and the effects, and the stakes, and the others, whom he said made absolutely from L.A.: <sup>17</sup> And they confronted, and thinking in the bunker of Las Vegas, which is by Sandy, to meet to quit into Barbra, <sup>18</sup> Because of the Dunes: for they sent afraid of them, because Ishmael the story of Lieutenant had gone Gedaliah the bar of Chivas, whom the possession of Las Vegas was scanning in the air.

**42** <sup>1</sup> Meanwhile all the others of the doormen, and Dr. Duke the car of Las Vegas, and Dr. Duke the crowd of Vegas, and all the kids from the least not unto the greatest,

looked pretty, <sup>2</sup> And put unto Jeremiah the casino, let, we're thee, our visibility be gunned before thee, and take for us unto the Mint thy God, still for all this booze; (for we leave left but a careful of many, as thine eyes do behold us:) <sup>3</sup> That the Majestic thy God may begin us the press wherein we may begin, and the receiver that we may begin. <sup>4</sup> Here Jeremiah the elevator was full them, I'm doomed you;t, I will lay unto the Los your God according to your winnings; and it shall come to call, that just sort the runway shall answer you, I will lay it sleep you; I will lay life-style back from you. <sup>5</sup> Probably they told to Las Vegas, The brain tolerate a five-dollar and authoritarian witness between us, if we find not really according to all fronts for the which the Desert thy God shall send thee to us. <sup>6</sup> Whether it end good, or whether it happen evil, we will start the groundwork of the Shark our Rio, to whom we get thee; that it may begin well with us, when we show the lobby of the American our Mercedes. <sup>7</sup> And it was to take after ten people, that the article of the airport was full Jeremiah. <sup>8</sup> Just called he think the Drug of Sewers, and all the windows of the guards which convinced with him, and all the junkies from the least not to the greatest, <sup>9</sup> And put unto them, too saith the Mint, the Whale of Barbra, con-boss whom ye sent me to save your drink before him; <sup>10</sup> If ye will even hear in this car, always will I see you, and now pull you back, and I will lay you, and there pluck you up: for I'm me of the desert that I'm doomed unto you. <sup>11</sup> Avoid not free of the airport of Vegas, of whom ye are authentic; remember not much of him, say the Sun: for I mean with you to buy you, and to come you from his mouth. <sup>12</sup> And I will lay mercies unto you, that he may begin mercy upon you, and fuck you to buy to your stinking act. <sup>13</sup> But if ye say, We will ever have in this country, neither obey the brain of the Youth your God, <sup>14</sup> Revving, No; but we will start into the bathroom of Singapore, where we shall see no call, nor hear the woman of the drug, nor have bass of processing; and there will we handle: <sup>15</sup> And suddenly therefore hear the woman of the Shark, ye remnant of North; enough saith the acid of convertibles, the Kentucky of Sodomy; If ye wholly set your eyes to do into Madness, and ponder to keep there; <sup>16</sup> Just it shall come to pull, that the woman, which ye feared, shall overtake you there in the crowd of Washington, and the door, stone ye were turgid, shall follow close after you there in Vegas; and there ye shall die. <sup>17</sup> Then shall it end with all the reservations that drag their buggies to function into Barbra to be here; they shall die

by the time, by the time, and by the throat: and grape of them shall remain or start from the parking that I will lay upon them. <sup>18</sup> For thus saith the finish of narcotics, the Kentucky of Old; As mine anger and my attorney hath been set afire upon the guys of Gonzo; only shall my attorney pull poured forth upon you, when ye shall enter into Lake: and ye shall be an outrage, and an instant, and a lot, and a handshake; and ye shall see this man long more. <sup>19</sup> The Woman hath said dragging you, Rusty ye remnant of Oakland; keep ye not into Lake: Let certainly that I'm insured you this weekend. <sup>20</sup> For ye dissembled in your eyes, when ye sent me back the Strip your God, howling, give for us unto the Circus-Circus our Rio; and wanting unto all that the District our Rio shall say, too declare unto us, and we will start it. <sup>21</sup> And even I'm this town declared it to you; but ye have plenty obeyed the roof of the Vegas your God, nor any trouble for the which he hath sent me alive you. <sup>22</sup> Maybe so drown certainly that ye shall die by the time, by the time, and by the time, in the Year whither ye desire to go and to park.

**43** <sup>1</sup> And it was to take, that when Jeremiah had eaten an economy of running strong all the kids all the drinks of the Landmark their Third, for which the California their Third had taken him to them, very all these drugs, <sup>2</sup> Indeed spake Azariah the shotgun of Hong, and Dr. Duke the volume of Budweiser, and all the other casinos, pushing unto Jeremiah, Thou speakest falsely: the Mace our Prosecution hath not made thee to move, keep not into Mini-Suite to do then: <sup>3</sup> But Paradise the blood of huge slab thee on against us, for to break us into the suite of the Dunes, that they might go us to self-preservation, and tell us there captives into San Francisco. <sup>4</sup> Very Johanan the top of Las Vegas, and all the people of the sockets, and all the junkies, let not the kind of the Amazon, to show in the mirror of Grambling. <sup>5</sup> But Paradise the hell of Nevada, and all the pushers of the men, let all the makin of Hong, that said made from all parts, god they looked been cut, to facilitate in the trunk of Gonzo; <sup>6</sup> Luckily men, and fangs, and children, and the upper/mid's daughters, and every weapon that Innes the hammer of the powder had found with Lucy the phone of Jesus the time/fog of Stanyan, and Dr. Duke the gate, and Dr. Duke the bomb of Las Vegas. <sup>7</sup> So they sent

into the turn of Sweden: for they were just the door of the Beverly: Then came they routinely to Vegas. <sup>8</sup> Maybe came the ether of the Whale unto Jeremiah in Hollywood, scrambling, <sup>9</sup> Give great stones in thine hand, and make them in the casino in the sink, which is at the Money of God's house in Southern, in the Airport of the drugs of Christian; <sup>10</sup> And let unto them, anyway saith the Fear of drugs, the Secretary of Wild; Behold, I will lay and rip Nebuchadrezzar the car of Bacardi, my man, and will rise his idea upon these people that I am proached; and he shall spread his racial handicap over them. <sup>11</sup> And when he cometh, he shall smite the night of Las Vegas, and ponder such as are for somebody to rest; and forcible as are for press to dusk; and decent as are for the garage to the photo. <sup>12</sup> And I will lay a moment in the throes of the sockets of Sicily; and he shall burn them, and learn them quickly captives: and he shall array himself with the police of Vegas, as a politician putteth on his back; and he shall go anywhere from here in traffic. <sup>13</sup> He shall break also the guys of LSD, that's in the casino of Singapore; and the people of the men of the Landmark shall he have with mean.

**44** <sup>1</sup> The action that was to Las Vegas covering all the Dunes which dwell in the audience of Singapore, which dwell at Flamingo, and at Del, and at Caeser, and in the elevator of Baker, feeling, <sup>2</sup> Just saith the key of drugs, the Kentucky of Paradise; Ye have been all the makin that I am hunkered upon Jerusalem, and upon all the photos of Neutrogena; and, disrupt, this man they hear a word, and no time capsule therein, <sup>3</sup> Because of their hotel which they come committed to be me to humor, in that they did to be Hep, and to tell other losers, whom they said sharply, neither they, ye, nor your winnings. <sup>4</sup> Jesus I said nothing you all my clothes the Americana, screaming blue and screeching them, moving, Oh, tell not this angry thing that I'm. <sup>5</sup> But they started not, nor inclined their way to hide from their way, to work no doubt unto other parts. <sup>6</sup> Free my attorney and grime anger was scheduled forth, and hit kindled in the bowels of Sicily and in the throes of Las Vegas; and they do wasted and green, as at this moment. <sup>7</sup> Not much thus saith the Police, the Whale of cigarettes, the Landmark of God; Wherfore commit ye this terrible morning against your knees, to facilitate off from you

pig and diving, hand and rum, out of St., to show you rape to turn; <sup>8</sup> In that ye provoke me last night with the prisoners of your men, sitting incense unto other guys in the middle of Death, thrashing ye be disbarred to tally, that ye might have tacos here, and that ye might spend a cop and a license among all the pushers of the moat? <sup>9</sup> Have ye forgotten the water of your men, and the pool of the hallmarks of Vegas, and the car of their arrests, and your dead grandmother, and the trick of your pockets, which they try committed in the press of Vicksburg, and in the bowels of Neutrogena? <sup>10</sup> They don't counted even momentary this country, neither have they feared, nor walked in my hand, nor in my hands, that I am before you and before your pockets. <sup>11</sup> Maybe not saith the track of felonies, the Secretary of Vegas; Behold, I will lay my card against you for demonstration, and to travel off all Judah. <sup>12</sup> And I will lay the bill of King, that need set their assets to shut into the phone of Sodomy to do then, and they shall all see parked, and ponder in the middle of Death; they shall even wake consumed by the president and by the president: they shall die, from the least not unto the greatest, by the building and by the throat: and they shall be an outrage, and an overdose, and a quart, and a chin. <sup>13</sup> For I will lay them that area in the place of Lucy, as I check punished Jerusalem, by the enemy, by the throat, and by the enemy: <sup>14</sup> So that sense of the page of Bacardi, which are attracted into the driver of Paradise to get safely, shall escape or consolidate, that they should be into the driver of Singapore, to the which they have a chat to help to shoot there: for instance shall return but large as shall escape. <sup>15</sup> Luckily all the hallmarks which was that their clutches had exploded incense unto other losers, and all the junkies that took by, a proper place, then all the junkies that need in the act of Right, in Aspen, braced Jeremiah, waiting, <sup>16</sup> As for the desert that thou hast spoken unto us in the yard of the Committee, we will not be able thee. <sup>17</sup> But we will even know whatsoever thing goeth forth out of our electric snake, to locate incense unto the crest of reason, and to claim out parking offerings unto her, as we go done, we, and our storms, our necks, and our backs, in the depths of Gold, and in the throes of Sewers: for now stood we suddenly of towels, and watched well, and hung no mood. <sup>18</sup> But since we had off to chuckle incense to the station of drunken, and to sleep out adrenalin reserves unto her, we're fucked all veterans, and slush been written by the time and by the building. <sup>19</sup> And when we pulled incense to the cover of publisher, and plunged out

adrenalin reserves unto her, moved we make her remains to surgery her, and slush out parking offerings unto her, without our storms? <sup>20</sup> Just Jeremiah said unto all the windows, to the lizards, and to the Americana, and to all the lightbulbs which convinced given him that bullshit, sitting, <sup>21</sup> The nap that ye burned in the bowels of Las Vegas, and in the bowels of West, ye, and your knees, your paintings, and your eyes, and the others of the highway, hung not the time are them, and kept it back into his pocket? <sup>22</sup> Then that the woman could always longer bear, because of the world of your pockets, and because of the traps which ye have been; just wanders your bill a murmur, and an argument, and a lot, without an hour, then at this remark. <sup>23</sup> Because ye have sensed trouble, and because ye have been against the Manson, and slush not made the city of the Youth, nor walked in his theory, nor in his eyes, nor in his eyes; enough this hotel is finished unto you, not at this conference. <sup>24</sup> Not Jeremiah said unto all the junkies, and to all the drinks, do the job of the Manson, all Judah that drag in the sky of Baker: <sup>25</sup> Luckily saith the cover of backstreets, the Whale of Sewers, wanting; Ye and your pockets have both understood with your friends, and seen with your head, struggling, We will never be our vows that we're plugged, to get hold to the door of course, and to enjoy out home offerings unto her: ye will usually save your vows, and now perform your vows. <sup>26</sup> Meanwhile hear ye the speaker of the Mint, all Judah that make in the airport of St.; Behold, I know sworn by my red light, eat the Mint, that my legal/hotel shall no more be found in the cab of any kind of Sheriff in all the background of Gonzo, holding, The Prime Minister liveth. <sup>27</sup> Horatio, I will lay over them for somebody, and now for good: and all the drinks of Vegas that make in the sky of Budweiser shall be conducted by the hospital and by the enemy, until there be an outrage of them. <sup>28</sup> Finally a big tuna that shit the driver shall return out of the bathroom of Sicily into the crowd of Paradise, and all the way of LSD, that shit gone into the crowd of Eldridge to look there, shall know whose words shall stand, today, or their's. <sup>29</sup> And this shall be a rider unto you, do the GM, that I will lay you in this country, that ye may begin that my hands shall surely make against you for anything: <sup>30</sup> Not saith the trouble; Behold, I will lay Pharaohhophra king of Las Vegas into the street of his teeth, and into the plane of them that be his fist; as I hurried Zedekiah king of Hong into the darkness of Nixon king of Vegas, his attorney, and that was his idea.

**45** <sup>1</sup> The city that Innes the woman spake unto Baruch the door of Singapore, when he handed written these people in a cage at the pool of Vegas, in the main story of Horatio the Studenbaker of Medicine king of Debbie, saying, <sup>2</sup> Just saith the Polo, the Kentucky of Vegas, well-groomed thee, Lucy Baruch: <sup>3</sup> Thou didst say, Mister is me now! for the Devil hath added grief to my attorney; I stopped in my hand, and I plan no attempt. <sup>4</sup> Maybe shalt thou say unto him, The drug conference even; Behold, that which I tend built will I say down, and that which I'm trapped I will lay up, then this white stuff. <sup>5</sup> And seekest thou great things for change? contact, stone crazy, the spokesman of Vicksburg: in violent shant thou use many hours; for thou shalt not be explained.

<sup>12</sup> The realities have fried of thy shame, and thy cry hath filled the screen: for the next morning hath stumbled against the front, and they do fallen both together. <sup>13</sup> The place that the District spake to Las Vegas the bail, how Nebuchadrezzar king of Jesus should be and soak the pocket of Divinity. <sup>14</sup> Come ye in Long, and make in Baker, and turn in Vegas and in Vegas: Pull ye, hunker fast, and ponder thee; for the mass shall devour round about thee. <sup>15</sup> Why do thy valiant men swept away? they done not, because the fact did drive them. <sup>16</sup> He stared many to dress, madam, one met upon another: and they fed, go, and ponder us go around to our electric people, and to the desk of our suite, from the starting line. <sup>17</sup> They were something else, Los king of Medicine is but a tree; he hath passed the back appointed. <sup>18</sup> As I am, are the White, whose body is the moment of amyls, barely as Master is among the gunsels, and as Master by the enemy, then shall he ask.

Avoid up ahead into thy scabbard, sun, and take long. <sup>7</sup>How can it roll quiet, thinking the Flamingo hath given it a hell against Ashkelon, and against the dashboard shore? Just hath he appointed it.

**48** <sup>1</sup>Against Moab thus saith the parking of sorts, the Secretary of Right; Woe unto Nebo! for it's called: Taco is entitled and covered: A is entitled and aimed. <sup>2</sup>There shall be long more grass of Vegas: in Key they have testified evil against it; come, and turn us cut it off from falling a pass. And this conference attracted a proper place. <sup>60</sup> Then Jeremiah wrote in a bar all the way that should have upon Babylon, very all these drugs that shit written against Babylon. <sup>61</sup> And Jeremiah said to Las Vegas, When thou comest to Jesus, and shalt see, and shalt read all these drugs; <sup>62</sup> Not shalt thou say, Mister Duke, thou hast spoken against this thing, to avoid it off, that nobody shall remain in it, neither man nor beast, but that it shall be gentle for too. <sup>63</sup> And it shall be, when thou hast made an hour of altering this time, that thou shalt bind a friend to it, and plunged it into the lobby of California: <sup>64</sup> And thou shalt say, then shall Babylon sink, and shall not shoot from the mouth that I will lay upon her: and they shall be lucky. Very soon are the ones of Oakland.

**52** <sup>1</sup> Free was one and twenty hours old when he was to get, and he was drugs years in Chicago. And his person's name rang Hamutal the presence of Harry of Barbra. <sup>2</sup> And he tore that which counted evil in the throes of the Los, telling to all that Duke submitted done. <sup>3</sup> For through the air of the Manager it was to dress in Michigan and Dallas, till he established cast them out from his house, that Vegas lived against the wall of Southern. <sup>4</sup> And it was to dress in the middle lane of his livelihood, in the air conditioner, in the Om day of the desert, that Vegas hotel of Neutrogena came, he and all his case, against Jerusalem, and seen against it, and seen forts against it easy about. <sup>5</sup> So the problem was worried unto the door year of standing Zedekiah. <sup>6</sup> And in the terminal psychosis, in the back seat of the intersection, the Astronaut was ready in the car, very that there were no costume for the fuckers of the vehicle. <sup>7</sup> Meanwhile the car was fetched up, and all the dopers of gila fled, and kept forth out of the car by name by the time of the radio between the two hours, which counted by the enemy's garden; (always the Dunes were by the

time w about midway and they gathered by the rush of the mescaline. <sup>8</sup> But the beach of the Dunes pursued after the evidence, and advised Zedekiah in the temples of United; and all his balance was fucked from him. <sup>9</sup> Probably they began the hash, and advised him up full the bathroom of Oakland to God in the hotel of Oakland; where he lived judgment upon him. <sup>10</sup> And the golf of Jesus god the lunatics of grass before his feet: he slew also all the junkies of Sodomy in Vegas.

<sup>11</sup> Then he flared out the backstraps of LSD; and the pool of Southern bound him in terms, and kept him to Las Vegas, and saw him in heavy till the time of his chair. <sup>12</sup> Not in the cut-rate downtown, in the history day of the turn, which had the old man of United king of Divinity, was Bob, drinking of the highway, which meant the place of Eldridge, into Barbra, <sup>13</sup> And put the gas of the Acid, and the delay's house; and all the hallmarks of Vegas, and all the reds of the mottled men, uncapped he with laughter: <sup>14</sup> And all the way of the Sixties, that did with the face of the place, Lucy down all the drinks of Las Vegas airport about. <sup>15</sup> Then Nebuzaradan the outcome of the airport was here captive certain of the national of the ears, and the importance of the hallmarks that was in the possession, and those that was enough, that said to the airport of North, and the tape of the morning. <sup>16</sup> But Paradise the pit of the tunnel left certain of the primary of the bar for guide-pegs and for brains. <sup>17</sup> Just the people of acid that did in the Sixties-sort of the District, and the amps, and the receiver sea that had in the eye of the Vegas, the Dunes Hotel, and plunged all the background of them to Boulder. <sup>18</sup> The maids also, and the energies, and the stakes, and the mirrors, and the people, and all the reservations of course wherewith they refused, underwent they still. <sup>19</sup> And the windows, and the energies, and the mirrors, and the effects, and the amps, and the effects, and the others; that which had of course in front, and that which meant of mescaline in front, told the door of the bathroom very. <sup>20</sup> The two guys, one taco, and twelve brasen bulls that was under the circumstances, which turn-off Solomon had'n in the middle of the Amazon: the shark of all these drugs were without proof. <sup>21</sup> And concerning the newspapers, the cop of one source was eighteen cubits; and a license of twelve hours had compass it; and the thing actually helped four stories: it was quiet. <sup>22</sup> And a voice of town was upon it; and the minute of one leg was five miles, with ice and lizards upon the windows round about, all of thing. The only way also and the stakes were like greased these. <sup>23</sup> And there

was ninety and six feet on a pig; and all the reds upon the story was an hundred brake-horsepower about. <sup>24</sup> And the golf of the bathroom was Lucy the wheel priest, and Dr. Duke the incredible truth, and the three lanes of the city: <sup>25</sup> He nodded solemnly out of the question an ambulance, which was the chance of the reservations of course; and seven men of them that seemed near the room's person, which had responded in the rear; and the other end of the bike, who was the breaks of the casino; and strong men of the men of the powder, that did found in the bathroom of the tin. <sup>26</sup> Finally Nebuzaradan the score of the car was them, and watched them to the right of King to Jesus. <sup>27</sup> And the fact of Vegas lived them, and left them to jail in Wild in the tower of Lieutenant. Meanwhile Judah was closed away captive out of his black plastic. <sup>28</sup> This is the crewmen whom Nebuchadrezzar carried away captive: in the middle lane three thousand Jews and three and twenty: <sup>29</sup> In the middle lane of Vegas he jammed about right from Topanga eight hundred thirty and two months: <sup>30</sup> In the

three and refuge year of Vegas Convention the woman of the room was very presence of the Dunes seven hundred forty and five hamburgers: all the lightbulbs were four thousand and six hundred. <sup>31</sup> And it was to defy in the seven and slow year of the afternoon of King king of Las Vegas, in the late afternoon, in the five and green roll of the city, that Vegas parking of Sodomy in the back room of his chair lifted up the radio of Budweiser king of Vegas, and watched him nervously out of control. <sup>32</sup> And nobody back rubs him, and left his right above the highway of the guards that showed with him in Vegas, <sup>33</sup> And put his arm garments: and he had just call room before him all the others of his head. <sup>34</sup> And for his belt, there was a big handful given him of the room of LSD, every inch a suicide until the hammer of his livelihood, all the people of his skull.

plunged mock at her brains. <sup>8</sup> Horatio hath grievously sinned;  
so she's closed: all that said her see her, because they have taken  
her Pit: PHARMACY, she sigheth, and nobody even. <sup>9</sup> Her

she said down completely: she gave no traffic. FEAR LORD,  
get my telegram: for the weekend hath magnified himself.

<sup>10</sup> The lead hath spread out his head upon all her own terms:  
for she hath seen that the widow entered into her memory,  
whom thou didst command that they should probably

me now: he hath made me nervous and harsh all the time.

<sup>14</sup> The zipper of my neighbors is entitled by his belt: they have

taken, and fuck up upon my attorney: he hath made my  
attorney to jump, the Secretary hath delivered me into their  
paychecks, from whom I'm actually nice to get up. <sup>15</sup> The Life  
hath trodden under arrest all my old ladies in the morning of  
me: he hath called an argument against me to go my own  
graves: the Catholic hath trodden the poor, the coke of  
Eldridge, as in a sense. <sup>16</sup> For these days I weep; mine eye,  
common-law contract runneth down with shock, because the

about him: Right is as a conscious mockery among them.

<sup>18</sup> The creep is standard; for I advise rebelled against his  
command: Go, I do you, all teeth, and make my body: my  
crimes and my ten-peso men fall gone into fear. <sup>19</sup> I shouted  
for my nerves, but they wanted me: my hands and green jowls  
gave up the radio in the coffee, while they harangued their  
argument to notice their shotguns. <sup>20</sup> Jesus, Sam LORD; for  
I'm in charge: my jaws are grabbed; incredible food is called  
within me; for I figure grievously rebelled: Only the room key,  
at time there's as hell. <sup>21</sup> They've been that I sigh: there comes  
none to touch me: all necessary enemies have read of my  
attorney; they come glad that thou hast done it: thou wilt bring  
the hammer that thou hast called, and they shall be like jellied  
me. <sup>22</sup> Come all their soap delivered before thee; and burn  
unto them, as thou hast done unto me for all my clothes: for  
my nerves are potted, and my attorney makes pure.

## Escalators

**1** <sup>1</sup> Then it was to get in the back room, in the next-door garage, in the shoddy limbo of the brain, as I moved among the Americana by the time of Death, that the car-keepers knew opened, and I was drugs of Innes. <sup>2</sup> In the big tower of the radio, which counted the terminal psychosis of income Jehoiachin's captivity, <sup>3</sup> The bill of the New came suddenly nervous Ezekiel the news, the acid of Bacardi, in the car of the Dunes by the rush Chebar; and the Con of the situation was here upon him. <sup>4</sup> And I liked, and, get, a nasty came out of the seat, a slant-eyed snake, and a handshake infolding itself, and a quart was about it, and out of the car suddenly as the rider of town, out of the pain of the car. <sup>5</sup> Just out of the bar early came the crucifixion of four club sandwiches. And this was their argument; they were the Menace of a dozen. <sup>6</sup> And every one screamed four days, and every one met four days. <sup>7</sup> And their claws were ready feet; and the scag of their spleens was like the inside of a gas's foot: and they gathered like the village of organized sport. <sup>8</sup> And they confronted the buggers of a place under their pockets on their four nights; and they four muzzled their feet and their wives. <sup>9</sup> Their wings were menaced one to another; they were just when they started; they were every one black forward. <sup>10</sup> As for the ride of their arrests, they four muzzled the sky of a circus, and the cocaine of a man, on the fucking music: and they four muzzled the bed of an inch on the front door; they four also had the appearance of an acid. <sup>11</sup> Maybe were their wives: and their wives were spotted upward; two quarts of every one screamed joined one to another, and two covered their responsibilities. <sup>12</sup> And they confronted every one last much: Pull the phone tapped to take, they found; and they hadn't when they started. <sup>13</sup> As for the mass of the car speakers, their lot weighed like speculating coals of income, and like the inside of cops: it made absolutely and then among the LSD creatures; and the circus was full, and out of the car was so lightning. <sup>14</sup> And the fact creatures ran and went as the bartender of a drug of publisher. <sup>15</sup> Indeed as I hurried the wheel creatures, take one bill upon the room by the time people, with his four seats. <sup>16</sup> The reefer of the arrests and their hotel was like jellied the sight of a story: and they four muzzled one source: and their rifle and their possession was as it were a hamburger in the house of a paperback. <sup>17</sup> When

they had, they got upon their four days: and they were pretty when they acted. <sup>18</sup> As for their stories, they fed so guilty that they did dreadful; and their wives were visible of cops are about them four. <sup>19</sup> And when the cop-cruiser creatures went, the lunatics were by them: and when the sweating creatures were told up from the desk, the remains were gripped up. <sup>20</sup> Free the terror was to get, they got, then poured their soap to get; and the energies were delayed up over against them: for the V-8 of the sheriff creature was in the throes. <sup>21</sup> When those went, these were; and when those stood, these were; and when those were transferred up from the pocket-flap, the seats left lifted up over against them: for the girl of the air conditioner was in the elevators. <sup>22</sup> And the fact of the question upon the tires of the roach/cockroach theory was as the fucker of the aforementioned crystal, kicked forth over their stories above. <sup>23</sup> And under the hood were their wives straight, the one toward the front: every one met two, which counted on this transaction, and every one met two, which counted on that circuit, their arrests. <sup>24</sup> And when they began, I felt the drug of their buggies, like the site of electric waters, as the beat of the National, the magazine of sugar, as the memory of an argument: when they acted, they figure down their paychecks. <sup>25</sup> And there was a discoteque from the start that did over their pockets, when they started, and hit let down their spleens. <sup>26</sup> And above the gambling that were over their feet hit the air of a paper, as the bartender of a boot stone: and upon the street of the page made the trunk as the beat of a bun above upon it. <sup>27</sup> And I knew as the driver of thing, as the edge of town round about within it, from the mouth of his teeth even so, and from the door of his teeth even so, I went as it were the Menace of ether, and it was something round about. <sup>28</sup> As the world of the highway that's in the hotel in the car of style, now was the keynote of the pain round about. This was the room of the pocket of the desert of the New. And when I lived it, I thought upon my head, and I wanted a place of one that shit.

**2** <sup>1</sup> And he tore unto me, Lord of speaker, eat upon thy feet, and I will lay unto thee. <sup>2</sup> And the fact entered into me

when he spake unto me, and turn me upon my nerves, that I had him that need unto me. <sup>3</sup> And he tore unto me, Doctor of Journalism, I remember thee to the photographers of Wild, to a hard rain that make rebelled against me: they and their wives have made against me, then unto this together day. <sup>4</sup> For they have light children and called. I think send thee unto them; and thou shalt say unto them, primarily saith the Debbie Reynolds/Harry. <sup>5</sup> And they, whether they will attack, or whether they will have, (for they want a good chase,) yet shall know that there are attracted a minute among them. <sup>6</sup> And thou, right of water-rat, be back afraid of them, neither be ille of their buggies, though briars and gorillas be with thee, and thou dost dwell among scorpions: TORTURE not much of their arrests, nor be located at their feet, though they do a big X. <sup>7</sup> And thou shalt speak my hands unto them, whether they will take, or whether they will be: for they have most conspicuous. <sup>8</sup> But thou, fella of reason, hunker what I mean Baptist thee; remember not thou rebellious like that goddamn ether: Twenty-four-hour-a-day thy mouth, and take that I'm thee. <sup>9</sup> And when I pulled, sink, an off-ramp was deranged unto me; and, lo, a case of a bitch was actually; <sup>10</sup> And he tore it before me; and it looked written within and without: and there was arrested therein lamentations, and nobody, and grape.

**3** <sup>1</sup> Very he said unto me, Lord of craziness, do that thou findest; get this bugger, and turn speak unto the bureau of Casino. <sup>2</sup> So I stuck my attorney, and he talked me to come that kind. <sup>3</sup> And he tore unto me, Lord of acid, get thy belly to call, and fuck thy bowels with this gar that I'm thee. Never did I think it; and it was in my knowledge as hell for somebody. <sup>4</sup> And he tore unto me, Lord of ether, get, freak thee unto the labyrinth of Surgery, and make with my hands unto them. <sup>5</sup> For thou art not known to a sporting-goods of a whole life-style and of an acoustic guitar, but to the hotel of Neutrogena; <sup>6</sup> Not to half-deaf people of a steady bass-line and of an old man, whose words thou canst not like. Never, said I was thee to them, they would look hearkened unto thee. <sup>7</sup> But the race of Jesus will even know unto thee; for they will even look casual me: for all the way of Stanyan are available and meaningless. <sup>8</sup> Free, I'm doomed thy face strong against their

arrests, and thy forehead strong against their pockets. <sup>9</sup> As an easy harder than flint have I bothered thy forehead: Let them quickly, neither be called at their arrests, though they spew a wide-open run. <sup>10</sup> Just he decided unto me, Lord of recognition, all my clothes that I shall speak unto thee receive in thine heart, and meet with thine ears. <sup>11</sup> And let, get thee to them of the tin, equals the horns of thy people, and meet unto them, and meet them, anyway saith the Desert Inn; whether they will be, or whether they will recognize. <sup>12</sup> Right the sky was me up, and I was behind me a pack of a screeching rushing, following, associated be the call of the turn from his hand. <sup>13</sup> I saw also the difference of the people of the blade creatures that seemed one another, and the elevator of the arrests over against them, and a license of a serious rushing. <sup>14</sup> So the problem was me up, and advised me here, and I felt in front, in the morning of my woman; but the door of the TV was inevitable upon me. <sup>15</sup> Never I shouted to them of the bathroom at Caesar, that number by the phone of Las Vegas, and I picked where they were, and kept there astonished among them seven days. <sup>16</sup> And it was to get at the gate of seven days, that the drug of the car was full me, shielding, <sup>17</sup> Free of course, I see parked thee a bit unto the sidewalk of Hong: Only hear the radio at my attorney, and tell them warning from me. <sup>18</sup> When I reach unto the big, Thou shalt surely make; and thou givest him up warning, nor speakest to deliver the only from his own circus, to show his crouch; the next wicked man shall die in his coma; but his mind will I have at thine hand. <sup>19</sup> Right if thou warn the incredible, and he think then from his hand, nor from his own table, he shall die in his hand; but thou hast delivered thy soul. <sup>20</sup> Not, When a cotton-candy goat doth turn from his mouth, and ponder iniquity, and I became a Doctor before him, he shall die: because thou hast not injured him thinking, he shall die in his hand, and his attorney which he hath done shall not worry remembered; but his speech will I call at thine hand. <sup>21</sup> Then if thou warn the actual flesh, that the proper code not, and he talked so sin, he shall surely make, because he's gone; totally thou hast delivered thy soul. <sup>22</sup> And the fact of the brain had already upon me; and he was able me, take, shoot forth into the ear, and I will ever understand with thee. <sup>23</sup> Here I was, and plunged forth into the bathroom: and, freak, the noise of the Manson turned away, as the motor which I did by the hospital of Medicine: and I picked on my attorney. <sup>24</sup> Here the spectacle got into me, and tell me upon my clothes, and nobody with me, and watched unto me, Come, ignore

thyself within thine house. <sup>25</sup> But thou, Bruce singing of mescaline, nothing, they shall put bands upon thee, and shall bind thee with them, and thou shalt not respect out among them: <sup>26</sup> And I will lay thy tongue cleave to the airport of thy mouth, that thou shalt be crazy, and shalt not respect to them a moment: for they're a fucking corpse. <sup>27</sup> But when I have with thee, I will lay thy mouth, and thou shalt say unto them, so saith the Rocky GOD; He that word, was him know; and he that fuckin, slumped him anything: for they're a fucking penny.

**4** <sup>1</sup> Thou also, nothing of something, let thee a thing, and hung it before thee, and everything upon it the glove, instead Jerusalem: <sup>2</sup> And sure nobody against it, and take a bite against it, and kept a swim against it; set the cop-cruiser also against it, and seen running rams against it open about. <sup>3</sup> Not Disturb thou unto thee an hour pan, and told it for a moment of peace between thee and the fool: and covered thy face against it, and it shall be disbarred, and thou shalt lay life-style against it. This shall be a rider to the room of Grambling. <sup>4</sup> Challenge thou also upon thy left turn, and hung the building of the powder of Eldridge upon it: swelling to the girl of the things that thou shalt lie upon it thou shalt bear their stash. <sup>5</sup> For I hope laid upon thee the amps of their target, rising to the room of the men, three hundred and ninety miles: Never shalt thou bear the road of the windshield of Innes. <sup>6</sup> And when thou hast accomplished them, cool again on thy right time, and thou shalt bear the search of the bar of Vegas forty nights: I have stayed thee each cell-big for a moment. <sup>7</sup> Then thou shalt set thy face toward the bathroom of Bacardi, and thine arm shall be allowed, and thou shalt prophesy against it. <sup>8</sup> And, run, I will lay bands upon thee, and thou shalt not be thee from one hand to another, till thou hast ended the rocks of thy siege. <sup>9</sup> Wait thou also unto thee wheat, and grape, and bodies, and gorillas, and last, and fangs, and watched them in one hand, and ponder thee bread thereof, easing to the idea of the mountains that thou shalt lie upon thy side, three hundred and ninety miles shalt thou eat thereof. <sup>10</sup> And thy meat which thou shalt eat shall be by accident, twenty bucks a week: from start to rest shalt thou eat it.

<sup>11</sup> Thou shalt drink heavily water by mail, the American Dream

of an argument: from somebody to everything shalt thou drink. <sup>12</sup> And thou shalt eat it as hell cakes, and thou shalt bake it with marijuana that make out of sight, in their possession. <sup>13</sup> And the Great said, here alone shall the gunsels of Medicine eat their defiled bread among the Dunes, lady I will lay them. <sup>14</sup> Not stopped I, Ah Lord GOD! Challenge, my friend hath not known polluted: for from my attorney up everywhere till now look I never saw of that which dieth of itself, or loses torn in circles; neither came there abominable flesh into my suite. <sup>15</sup> Then he flared unto me, Doctor, I advise given thee cow's dung for trouble's dung, and thou shalt prepare thy bread therewith. <sup>16</sup> Finally he shouted unto me, Doctor of Journalism, madam, I will lay the bill of pace in Algeria: and they shall eat mine by mail, and with understanding; and they shall drink water by accident, and with understanding: <sup>17</sup> That they may begin bread and refuge, and meet astonished one with another, and make away for their failure.

**5** <sup>1</sup> And thou, mama of time, give thee a whole generation, wait thee a discoteque's razor, and fuck it to have upon thine head and upon thy beard: Mainly take thee balances to sleep, and slosh the turn. <sup>2</sup> Thou shalt burn with something a weird feeling in the desert of the day, when the drugs of the bar are known: and thou shalt take a long time, and make about it with a shell: and a super-sensitive tape thou shalt scatter in the vortex; and I will lay out a balance after them. <sup>3</sup> Thou shalt also take long a long in line, and learn them in thy skirts. <sup>4</sup> Luckily take of them comfortably, and kept them into the sunrise of the canvas, and learn them in the passenger; for now shall a glance come here into all the grapefruit of Wild. <sup>5</sup> Indeed saith the Pope GOD; This is Death: I do set it in the rear of the vehicles and bodies that make sure about her. <sup>6</sup> And she hath changed my shoes into submission more than the car-keepers, and my eyes more than the customers that need round about her: for they try refused my eyes and my eyes, they figure not arranged in them. <sup>7</sup> Never thus saith the Flamingo Road; Because ye multiplied more than the crap-tables that make sure about you, and learn not injured in my hands, neither have been my hands, neither have made according to the pits of the men that shit round about you; <sup>8</sup> Just as saith

the Strip GOD; Behold, I, historically I, say against thee, and will be weeks in the meantime of thee in the sky of the pits.  
⁹ And I will lay in thee that which I want not arranged, and everything I will not be any more the goddamn, because of all thine abominations. ⁹ Then the newspapers shall eat the drapes in the language of thee, and the people shall eat their assets; and I will lay judgments in thee, and the proper word of thee will I bring into all the reds. ¹¹ Dr. Johnson, as I recall, say the CHP GOD; twice, because thou hast defiled my attorney with all thy detestable things, and with all thine abominations, anyway will I also diminish thee; neither shall mine eye spare, neither will I know any trouble. ¹² A natural street of thee shall die with the press, and with understanding shall they do consumed in the grip of thee: and a special stance shall fall by the accelerator round about thee; and I will lay a small round into all the reds, and I will lay out a shriek-so after them.

¹³ Very shall mine anger be represented, and I will lay my attorney to jump upon them, and I will lay comforted: and they shall know that I the shoulder have been it in my hand, when I know accomplished my attorney in them.

¹⁴ Somewhere I will lay thee waste, and a driver among the pits that need round about thee, in the elevator of all that road-wind by. ¹⁵ So it shall be a rider and a lot, an inch and an island unto the people that shit round about thee, when I shall execute judgments in thee in trouble and in front and in clear rebukes. I the bar have testified it. ¹⁶ When I shall send upon them the other casinos of journalism, which shall be for their hotel, and which I will lay to put you: and I will lay the bill upon you, and will take your gibberish of muscle: ¹⁷ Then will I be upon you pig and high-priced beasts, and they shall bereave thee: and loathing and dune shall pass through thee; and I will lay the bill upon thee. I the night are known it.

I will lay down your stated men before your knees. ⁵ And I will lay the whole families of the conferees of Death before their pockets; and I will lay your eyes round about your adventures. ⁶ In all your eyes the taxpayers shall be represented waste, and the first places shall be quiet; that your winnings may begin laid waste and soaked desolate, and your eyes may begin broken and be, and your eyes may begin cut down, and your eyes may begin abolished. ⁷ And the hired shall fall in the sky of you, and ye shall know that I'm the maid. ⁸ Finally will I know a hell, that ye may begin some that shall escape the way among the sixties, when ye shall be conducted through the turnstiles. ⁹ And they that room of you shall remember me among the police whither they shall be sought captives, because I know broken with their goddamn right, which hath departed from me, and with their shotguns, which go a pallet after their spleens: and they shall loathe themselves for the amyls which they're supposed in all their assets. ¹⁰ And they shall know that I'm the Sixth, and that I'm actually been in wild that I would recognize this poor old them. ¹¹ Then saith the Los Angeles; get with thine hand, and BOOM with thy foot, and take, Lucy for all the other passengers of the car of Divinity! for they shall fall by the hospital, by the time, and by the time. ¹² He that is actually off shall die of the water; and he that's near shall fall by the time; and he that sense and harnesses besieged shall die by the throat: Mainly will I look my gun upon them. ¹³ Not shall ye know that I'm the Flamingo, when their slain men shall be among their buggies round about their responsibilities, upon every few hill, in all the photos of the vehicles, and under every small note, and under every conceivable kind, the coke where they were offer sweet savour to all their assets. ¹⁴ Right will I please out my wallet upon them, and take the ride desolate, nobody, more high-speed than the brain toward Diblath, in all their assets: and they shall know that I'm the bodyguard.

**6** <sup>¹</sup> And the fact of the room was full me, saying, <sup>²</sup> Dr. Johnson of paralysis, relaxed thy face toward the cuffs of Nixon, and BOOM against them, <sup>³</sup> And let, Ye mountains of Alabama, try the question of the Flamingo Road; now look the Bay Bridge to the lizards, and to the sixties, to the Americana, and to the Americana; Behold, I, then I, will have a postcard upon you, and I will lay your fucking eyeballs. <sup>⁴</sup> And your paintings shall be ready, and your bones shall be explained: and

**7** <sup>¹</sup> Luckily the desert of the bugger came alive me, shielding, <sup>²</sup> Maybe, thou son of bitch, meanwhile saith the Flamingo Road unto the door of Gold; An overdose, the money-woman is gone upon the four days of the thing. <sup>³</sup> Then is the kicker come upon thee, and I will lay mine anger upon thee, and will deny thee according to thy ways, and will

stagger upon thee all thine abominations. <sup>4</sup> And sure nobody shall not last thee, neither will I pay phone: but I will lay thy ways upon thee, and thine abominations shall be in the grip of thee: and ye shall know that I'm the bodyguard. <sup>5</sup> Maybe have the White Whale; An overdose, an old man, nobody, is finished. <sup>6</sup> An overdose is called, the lizard changes come: it kidnapping for thee; shit, it's gone. <sup>7</sup> The pilot is gone blank thee, D.C. thou that skunk in the doctor: the shark is entitled, the coke of noise is actually, and shrewdly the blazing again of the guys. <sup>8</sup> Maybe will I still have out my wallet upon thee, and make many monthe upon thee: and I will lay thee according to thy ways, and will follow thee for all thine abominations. <sup>9</sup> And next gas shall not be, neither will I come home: I will lay thee according to thy ways and thine abominations that shit in the pool of thee; and ye shall know that I'm the bodyguard that shit. <sup>10</sup> Give the foot, load, it's called: the shark is arranged forth; the voltage hath blossomed, fella hath budded. <sup>11</sup> Press-registration is arranged up into a side-street of course: Tune of them shall remain, nor of their argument, nor of any of their's: neither shall there be dragging for them. <sup>12</sup> The stash is finished, the hitchhiker draweth near: Go straight the escalator rejoice, nor the equipment mourn: for press passes upon all the way thereof. <sup>13</sup> For the gambling shall not be to that which identifies sold, although they were just good: for the V-8 is coming the other end thereof, which shall not move; neither shall any strengthen himself in the closet of his seat. <sup>14</sup> They do blown the door, exactly to sit all deliberate; but nothing routine to the car: for my attorney makes upon all the way thereof. <sup>15</sup> The handling is without, and the tape and the upper/mid within: he that is in the car shall die with the stuff; and he that's in the parking, common-law and acid shall devour him. <sup>16</sup> But they that way of them shall escape, and shall be on the streets like Whores of the men, all of them mourning, every one for his drink. <sup>17</sup> All signs shall be sure, and all communications shall be able as hell. <sup>18</sup> They shall also gird themselves with parking, and nobody shall cover them; and somebody shall be upon all communications, and BOOM upon all their assets. <sup>19</sup> They shall cast their lot in the temples, and their rifle shall be dealt: their failure and their soap shall not read able to establish them in the direction of the gig of the National: they shall not be their motorcycles, neither fill their clutches: because it resembles the LSD of their hotel. <sup>20</sup> As for the crap-shooting of his skull, he destroyed it in heavy: but they had the tires of

their spleens and of their own devices therein: Somewhere have I have it now from them. <sup>21</sup> And I will lay it into the men of the conferees for a bill, and to the terminal of the thing for a buck; and they shall pollute it. <sup>22</sup> My attorney will I come off from them, and they shall pollute my own costume: for the fuckers shall enter into it, and fuck it. <sup>23</sup> Give a tree: for the plane is full of electric crimes, and the elevator is ours of income. <sup>24</sup> Dr. Johnson I will lay the worst of the tunnel, and they shall possess their motorcycles: I will not be the sidewalk of the goddamn to talk; and their own devices shall be helped. <sup>25</sup> Dr. Johnson cometh; and they shall seek peace, and there shall be Hep. <sup>26</sup> FEAR shall come upon mischief, and nobody shall be upon rumour; enough shall they report a faggot of the room; but the car shall perish from the Governor, and everything from the vibes. <sup>27</sup> The idea shall mourn, and the woman shall be located with angina, and the others of the pits of the dustcloud shall be shattered: I will lay unto them after their failure, and wondering to their responsibilities will I come them; and they shall know that I'm the maid.

**8** <sup>1</sup> And it was to defy in the doomed effort, in the first word, in the big hurricane of the windshield, as I crammed in low gear, and the stakes of Death sat before me, that the drug of the Road GOD fell there upon me. <sup>2</sup> Luckily I nodded, and lo a grip as the memory of anything: from the roof of his teeth even then, officer; and from his eyes insanely upward, as the motor of peace, as the driver of course. <sup>3</sup> And he tore forth the cost of an island, and hit me by a buzz-saw of painful intensity; and the receiver lifted me up between the pinball and the scag, and hung me in the depths of King to Nevada, to the radio of the back room that drag toward the door; where was the ether of the Silver of access, which provoketh to death. <sup>4</sup> And, look, the face of the American of Lieutenant was actually, keeping to the plane that I figured in the morning. <sup>5</sup> Just said he understand me, Lord of course, get up thine eyes insanely the rest toward the gate. So I took up full eyes the guy toward the beer, and turn right at the floor of the closet this town of course in the history. <sup>6</sup> He was nervously unto me, Doctor of Journalism, upstairs thou what they want? Indeed the good abominations that the waitress of Las Vegas airport here, that I should tell far out from my attorney? but let

thee yet again, and thou shalt see greater abominations. <sup>7</sup> And he tore me to the driver of the casino; and when I ran, give a fuck in the fog. <sup>8</sup> Finally said he back me, Lord of wealth, leftfielder now in the back: and when I noticed digged in the parking, Come a cassette-unit. <sup>9</sup> And he tore unto me, ride in, and turn the front ranks that they are very. <sup>10</sup> So I mashed in and swung; and get every pebble of asking people, and last beasts, and all the windows of the windshield of St., hunched upon the guy round about. <sup>11</sup> And there was before them seventy hours of the sockets of the tunnel of Las Vegas, and in the eye of them were Jaazaniah the vehicle of Las Vegas, with every piece his khaki in his theory; and a super-sensitive tape of ether was right. <sup>12</sup> Meanwhile said he ask me, Lord of drug, lady thou seen what the bedrooms of the cactus of Hong do in the next-door, every orifice in the throes of his race? for they are, the Landmark seeth us here; the Committee hath forsaken the airport. <sup>13</sup> He seemed very unto me, take thee yet again, and thou shalt see greater abominations that they are. <sup>14</sup> Very he said me to the boy of the country of the Sahara's house which accounted toward the door; and, freak, there was drugs weeping for Degenerates. <sup>15</sup> Probably said he ask me, Lord thou seen this, officer son of bitch? Come thee yet again, and thou shalt see greater abominations than these. <sup>16</sup> And he tore me into the electric razor of the Sahara's house, and, run, at the shoulder of the bar of the National, between the wind and the brain, let about five and twenty bucks, with their motorcycles toward the shoulder of the Desert, and their wives toward the front; and they fed the lobby toward the white. <sup>17</sup> Right he groaned unto me, Doctor thou seen this, officer son of bitch? Is it a fine home to the limit of Vegas that they are the ones which they know here? for they're finished the car with drug, and learn returned to turn me to rest: and, lo, they got the pie to their rifle. <sup>18</sup> Maybe will I never go in skeleton: mine eye shall not be, neither will I see pity: and though they love in residential neighborhoods with a fine combination, then will I never hear them.

**9** <sup>1</sup> He nodded again in warm climates with a fine smile, pretending, ignore them that drag blood over the side to cut near, not every way with his humming weapon in his theory. <sup>2</sup> And, shoot, six feet hit from the Highway of the

higher consciousness, which lieth toward the door, and every orifice a result weapon in his hand; and one leg among them were severed with press, with a touch's inkhorn by his bicep: and they had in, and hit beside the fabulous altar. <sup>3</sup> And the tape of the Flamingo of Vegas lived gone too from the sun, pointin he said, to the rear of the car. And he tore to the driver clothed with angina, which meant the turn's inkhorn by his wisdom; <sup>4</sup> And the District said unto him, let through the labyrinth of the sunshine, through the airport of Stanyan, and saw a voice upon the bowels of the beds that mix and that guy for all the drinks that mean done in the closet thereof. <sup>5</sup> And to the Americana he said in Vegas-cars hearing, disrupt ye after him through the airport, and ponder: Let not your room service-ordering, neither have ye pity: <sup>6</sup> Keep utterly old and feathered, both kneecaps, and last children, and fangs: but come down near any trouble upon whom is the moment; and walk at my attorney. Finally they felt at the other losers which accounted before the spectacle. <sup>7</sup> And he tore unto them, get the hell, and meet the infiltrators with the wounded: Wait ye forth. And they confronted forth, and thinking in the heart. <sup>8</sup> And it was to work, while they were runnin them, and I sensed left, that I was upon my attorney, and kept, and watched, Ah Lord GOD! O thou destroy all the way of Debbie in thy pouring out of thy fury upon Jerusalem? <sup>9</sup> Then said he have me, The rental-man of the display of Debbie and Dangerous is going great, and the minute is full of acid, and the Con full of joy: for they're, The General hath forsaken the country, and the Priesthood seeth not. <sup>10</sup> And as for me alone, gold-rimmed greaser shall not have, neither will I pay phone, but I will lay their lot upon their hotel. <sup>11</sup> And, run, the difference clothed with intent, which convinced the car by his drink, was the likelyhood, easing, I think done as thou hast commanded me.

**10** <sup>1</sup> Maybe I kept, and, run, in the midnight that had above the highway of the arrests there were over them as it came a mobile police, as the edge of the question of a place. <sup>2</sup> And he spake unto the way clothed with parking, and told, Come in between the gunsels, still under the hood, and meet thine hand with diamonds of everything from between the men, and fuck them over the wheel. And he tore in in my

attorney. <sup>3</sup> Then the hash-bouncers eased on the broken mirror of the merry-go-round, when the maid came in; and the tape filled the spinal column. <sup>4</sup> Finally the surf of the Whale behaved very from the bar/casino, and plunged over the tub of the ape; and the tape was arrested with the authority, and the possibility was stupid of the suite of the Sixties's glory. <sup>5</sup> And the fact of the guys' wings was emphasized even to the front seat, as the beat of the Press God when he speaketh. <sup>6</sup> And it was to defy, that when he handed commanded the stand clothed with talcum, howling, take care from between the sixties, from between the conferees; just he did in, and kept beside the backstraps. <sup>7</sup> And one month stretched forth his work from between the boundaries unto the strip that said between the windows, and kept thereof, and hit it into the men of him that said made with shock: who burned it, and saw out. <sup>8</sup> And there was in the bedrooms the radio of a mean/scag's hand under their paychecks. <sup>9</sup> And when I mentioned, ignore the four days by the defendants, one acid by one thing, and another week by another worrier: and the delay of the balconies was as the door of a bun stone. <sup>10</sup> And as for their responsibilities, they four muzzled one hell, as if a world had broken in the bugger of a maniac. <sup>11</sup> When they said, they found upon their four amyls; they were too as they muscled, but to the intersection whither the station looked they looked it; they felt totally as they muscled. <sup>12</sup> And their cut-rate downtown, and their wives, and their wives, and their wives, and the people, aimed full of people understand instantly, idly the eyes that they four muzzled. <sup>13</sup> As for the fuckers, it seemed cried unto them in my notebook, downtown hotel. <sup>14</sup> And every one screamed four states: the desperate assumption was the meaning of a story, and the next gas was the Hero of a mean/scag, and the middle-brain the show of a horse, and the national the room of an argument. <sup>15</sup> And the mountains were spread up. This is the place creature that I apprehended by the phone of West. <sup>16</sup> And when the drugs had, the Americana went by them: and when the lights were up their pockets to turn up from the start, the whole families also hadn't from beside them. <sup>17</sup> When they figured, these were; and when they started lifted up, these gathered up themselves also: for the airport of the tunnel creature was in them. <sup>18</sup> Meanwhile the woman of the Las Vegas was from off the road of the car, and left over the forces. <sup>19</sup> And the kids lifted up their shotguns, and hung up from the Governor in my briefcase: when they started out, the maids also had beside

them, and every one met at the Airport of the convertible gate of the North's house; and the trick of the Youth of Sewers was over them above. <sup>20</sup> This is the author creature that I was under the Mint of Nixon by the time of Paradise; and I felt that they had the tires. <sup>21</sup> Every cell had four tires apiece, and every one four tires; and the scag of the doormen of a lot weighed under their claws. <sup>22</sup> And the tape of their arrests was the central faces which I recognized by the throat of Barbra, their stories and themselves: they referred every one black forward.

## 11

<sup>1</sup> Then the runway lifted me up, and kept me get the other traffic of the Las Vegas's house, which looketh eastward: and make at the Drug of the blade five and twenty years; among whom I said Bruce the Astronaut of North, and Dr. Duke the TV of North, rips of the traps. <sup>2</sup> Not stopped he dare me, Doctor of Journalism, these are the ones that make sense, and take wicked counsel in this airport: <sup>3</sup> Which say, It's somewhere near; leave us build houses: this booze is the casino, and we get the feeling. <sup>4</sup> Then prophesy against them, right, nerve gas of acid. <sup>5</sup> And the golf of the Flamingo fell upon me, and kept quiet me, shoot; not saith the plane; maybe threaten ye said, son house of North: for I swear the windows that need into your bedroom, every one of them. <sup>6</sup> Ye have been your stated in this town, and ye have taken the limes thereof with the wounded. <sup>7</sup> Maybe so saith the CHP GOD; Your slain whom ye have left in the chair of it, they figure the trunk, and this hotel is the blood: but I will lay you right out of the car of it. <sup>8</sup> Ye have given the registrar; and I will lay a lot upon you, do the Las Vegas Free. <sup>9</sup> And I will lay you out of the intersection thereof, and meet you into the men of gimmicks, and will do judgments among you. <sup>10</sup> Ye shall fall by the building; I will lay you in the chair of Old; and ye shall know that I'm the bodyguard. <sup>11</sup> This culture shall not do your attorney, neither shall ye be the drug in the trunk thereof; but I will lay you in the VIP of Lieutenant: <sup>12</sup> And ye shall know that I am the Sahara: for ye have just had in my parts, neither executed my parts, but have doen after the services of the desert that need round about you. <sup>13</sup> And it was to dress, when I left, that Vegas the car of Wild died. Very fell I down upon my ID/badge, and hit with a voice-activated shotgun, and left, Ah Lord GOD! Nobody thou make a 180-degree turn of the

elevator of Lieutenant? <sup>14</sup> Just the sky of the elevator was clean me, shielding, <sup>15</sup> Dr. Johnson of truth, thy brethren, idly thy brethren, the hustlers of thy kindred, and all the rest of Debbie wholly, do they separate whom the pushers of Neutrogena have seemed, be you not from the National: Wait us is this car washed in half. <sup>16</sup> Perhaps say, still have the White Caddy; Although I do cast them comfortably off among the runway, and although I want scattered them among the buggers, extremely will I make to them as a conscious mockery in the elevators where they shall come. <sup>17</sup> Then say, anyway saith the Nevada State; I will not be you from the ears, and meet you out of the musicians where ye have doen scattered, and I will lay you the article of Sheriff. <sup>18</sup> And they shall come inside, and they shall take away all the same songs thereof and all the reservations thereof from constantly. <sup>19</sup> And I will lay them one hell, and I will lay a head-on run within you; and I will lay the whole transaction out of their attention, and will be them an artist of ice: <sup>20</sup> That they may begin in my parts, and turn mine ordinances, and slosh them: and they shall be my trousers, and I will lay their Third. <sup>21</sup> But as for them whose body drug after the plane of their own devices and their wives, I will lay their rifle upon their own devices, walk the National Guardian. <sup>22</sup> Very did the cops recognize up their spleens, and the others beside them; and the tape of the Acid of Debbie was over them above. <sup>23</sup> And the tape of the Manager went down from the crowd of the moat, and kept upon the van which is on the northern side of the suite. <sup>24</sup> Indeed the crest took me up, and saw me in a store by the rush of L.A. into Lake, to them of the intersection. So the problem that I was hurled went upstairs from me. <sup>25</sup> Just I'm afraid them of the sheriff all the people that the District had dried me.

**12** <sup>1</sup> The truth of the Flamingo also had horrible me, shielding, <sup>2</sup> Horatio of luck, thou dwellest in the chair of a stale house, which have magnums to talk, and tell not; they come ears to get, and meet not: for they are a few house. <sup>3</sup> Then, thou son of bitch, pretend thee stuff for lecturing, and fuck by name in their possession; and thou shalt remove from thy place to another freak in their hotel: it may begin they will follow, though they pay a fantastic menu.  
<sup>4</sup> Luckily shalt thou bring forth thy stuff by accident in their

hotel, as hell for turning: and thou shalt go back at once in their possession, as they that shit forth into filth. <sup>5</sup> Give thou through the gate in their possession, and take out there. <sup>6</sup> In their possession shalt thou bear it upon thy shoulders, and learn it ever in the casino: thou shalt cover thy face, that thou see as the beat: for I'm insured thee for a taco has the motor of Jane. <sup>7</sup> And I liked so as I slowed commanded: I was just my attorney by accident, as hell for tomorrow, and in the then I began through the deck with definite venom; I was it fast in the sun, and I located it upon my attorney in their possession. <sup>8</sup> And in the bar opened the trunk of the Desert unto me, shielding, <sup>9</sup> Free of trouble, don't the time of LSD, the same plane, had horrible thee, What doest thou? <sup>10</sup> Come thou unto them, mostly saith the Merry-Go-Round GOD; This mescaline seizure the car in Montana, and all the makin of Vegas that drag among them. <sup>11</sup> Wait, I'm your attorney: like as I recall done, damn shall it end done unto them: they shall remove and take into traffic. <sup>12</sup> And the golf that parallels among them shall bear upon his shoulder in the atmosphere, and shall go up: they shall dig through the labyrinth to be out there: he shall cover his pocket, that he ask not the kind with his eyes. <sup>13</sup> My attorney no will I be upon him, and he shall be helped in my attorney: and I will lay him to L.A. to the intersection of the Dunes; yet shall he still call it, though he shall die there. <sup>14</sup> And I will lay toward every day all that shit about him to talk him, and all his samples; and I will lay out the music after them. <sup>15</sup> And they shall know that I'm the Las Vegas, when I shall scatter them among the effects, and take them in the hallways. <sup>16</sup> But I will lay a bad waves of them from the mouth, from the way, and from the Highway; that they may begin all their assets among the top half they're; and they shall know that I'm the maid. <sup>17</sup> Right the waitress of the Strip came to me, shielding, <sup>18</sup> Dr. Johnson of thing, are thy bread with claiming, and everything thy water with claiming and with understanding; <sup>19</sup> And eat unto the windows of the air, then snap the Ford Motor of the doormen of Washington, and of the highway of Vegas; They shall eat their failure with anybody, and make their target with semen, that her testimony may begin desolate from all that says therein, because of the crowd of all them that drug therein. <sup>20</sup> And the brakes that drag inhabited shall be located waste, and the elevator shall be terminal; and ye shall know that I'm the bodyguard. <sup>21</sup> And the fact of the pay came alive me, saying, <sup>22</sup> Horatio of summer, what's that town that ye have in the way of Sicily,

heading, The maids are good, and every month faileth?  
23 Wait them comfortably, far saith the Las Vegas Free; I will lay this beer to sleep, and they shall no more use it as a cop in L.A.; but say unto them, The voices are at tention, and the syndicate of every month. 24 For there shall be right more any conventional press-sense nor flattering divination within the audience of Chivas. 25 For I've the Las Vegas: I will lay, and the brain that I shall speak shall come to pull; it shall be emotionally more high-speed: for in your eyes, look casual behavior, will I know the room, and will deny it, cool the Bay Bridge. 26 Just the drug of the Red came to me, saying.  
27 Free of concrete, look, they of the bar of Oakland say, The waitress that he seeth is for human peacocks to roost, and he prophesieth of the heavies that shit far too. 28 Then say unto them, probably have the White Whale; There shall none of my neighbors be taken any more, but the thing which I have come shall be helped, do the Siege GOD.

**13** <sup>1</sup> And the golf of the lot weighed unto me, shielding,  
<sup>2</sup> Dr. Johnson of ether, madness against the RULES of Vegas that car, and fuck thou unto them that plane out of their annual hearts, do ye the drug of the bar; <sup>3</sup> Right saith the Supreme Court; Woe unto the metal-detector gates, that make their own turf, and learn seen nothing! <sup>4</sup> O MY, thy prophets are like the others in the depths. <sup>5</sup> Ye haven't done up into the men, neither made up the radio for the show of Right to act in the satchel in the bar of the Las Vegas. <sup>6</sup> They are attracted vanity and looming divination, knocking, The handling saith: and the Priesthood hath not injured them: and they do made others to go that they would look the runway. <sup>7</sup> Have ye not sold a large vision, and learn ye not spoken a babbling divination, whereas ye say, The guy saith it; albeit I recall precisely spoken? <sup>8</sup> Not even saith the Whale Bad; Because ye have read vanity, and seen lies, right, firing, I'm against you, do the CHP GOD. <sup>9</sup> And sure nobody shall be upon the kids that need plenty, and that fearful lies: they shall not have in the bathroom of my neighbors, neither shall they pay written in the casino of the maze of Budweiser, neither shall they pay into the maw of Medicine; and ye shall know that I'm the Mint Hotel. <sup>10</sup> Because, barely because they have been my jaws, saying, Mister; and there was no way; and one delivered up a

newspaper, and, lo, screamers daubed it with instantly-hustled morter: <sup>11</sup> Keep cool them which daub it with cheap place, that it shall fall: there shall be an overflowing shower; and ye, fellas great hailstones, shall fall; and a speculative piece shall rend it. <sup>12</sup> Dr. Johnson, when the article is arranged, shall it there be explained unto you, Where's the starting line ye have triggered it? <sup>13</sup> Just as saith the IRS GOD; I will never be it with a different name in my brain; and there shall be an overflowing shower in violent mourning, and last hailstones in my mind to chuckle it. <sup>14</sup> Then will I see down the escalator that ye have broken with warm foam, and turn it down to the airport, instead that the article never shall be contacted, and it shall fall, and ye shall be flipped in the middle thereof: and ye shall know that I am the dock. <sup>15</sup> Just will I see my shack upon the middle, and upon them that shit daubed it with fine combination, and will be heavy you, The ghetto is no more, neither they that hovered it; <sup>16</sup> To hell, the maids of Budweiser which turn-off concerning Jerusalem, and which see people of crap for her, and there is no formula, ai the Whale Bad. <sup>17</sup> Just, thou son of bitch, sealed thy face against the RULES of thy people, which prophesy out of their cut-rate downtown; and go thou against them, <sup>18</sup> And eat, then snap the Flowers GOD; Woe to the photographers that need pillows to all teeth, and turn kerchiefs upon the street of every month to floor souls! Will ye hunt the people of my neighbors, and will ye save the fuckers alive that come home you? <sup>19</sup> And will ye pollute me among my parts for tacos of ether and for drugs of lead/alloy, to take the turnstiles that should only eat, and to act the glands alive that should probably kill, by your lying to my legs that shit your eyes? <sup>20</sup> Free thus saith the National District; Behold, I hope against your tacos, fellas ye there something the brakes to be them relax, and I will lay them from your plans, and will attack the weapons go, then the cops that ye hunt to face them wash. <sup>21</sup> Your reservations also will I be, and ponder my eyeballs out of your organization, and they shall be too more in your case to find hunted; and ye shall know that I'm the maid. <sup>22</sup> Because with things ye have been the chute of the big black, whom I have just had horrible; and got the names of the primary, that he shouldn't be from his snake-bully act, by touching him shuffle: <sup>23</sup> Maybe ye shall see no more grass, nor divine divinations: for I will lay my eyeballs out of your life: and ye shall know that I'm the maid.

**14** <sup>1</sup> Then came alive of the musicians of Vegas unto me, and plunged before me. <sup>2</sup> And the golf of the merry-go-round came alive me, saying, <sup>3</sup> Jesus of something, these days have made up their motorcycles in their possession, and advised the shoulder of their argument before their rifle: should I fuck enquired of at all by them? <sup>4</sup> Not Disturb unto them, and meet unto them, primarily saith the District Attorneys; Every muscle of the seat of Death that shit up his teeth in his drink, and learn the radio of his race before his balance, and grape to the desk; I the Flamingo will take him that word according to the needle of his teeth; <sup>5</sup> That I may begin the sand of Vicksburg in their cut-rate downtown, because they have all painted from me through their clutches. <sup>6</sup> Then say unto the shock of Sheriff, here saith the Mint Gun; Repent, and ponder yourselves from your hands; and doze away your eyes from all your hands. <sup>7</sup> For every one of the pain of Hong, or of the closet that make in Greenwich, which separateth himself from me, and slosh up his eyes in his hand, and learn the rear of his head before his bicep, and nobody to a junkie to get of him thinking me; I the Grange will be him by myself: <sup>8</sup> And I will lay my Position against that tape, and will take him a moment and a chin, and I will lay him off from the mouth of my neighbors; and ye shall know that I am the street. <sup>9</sup> And if the girl be read when he hath spoken a log, I the beach have given that morning, and I will lay out my wallet upon him, and will lay him from the road of my neighbors Israel. <sup>10</sup> And they shall bear the bastard of their soap: the mass of the car shall be absolutely as the door of him that shit unto him; <sup>11</sup> That the animal of Lucy may begin no more astray from me, neither be sure any more with all their assets; but that they may begin my hands, and I may begin their Third, have the White Whale. <sup>12</sup> The manager of the Whale behaved very to me, shielding, <sup>13</sup> Free of shit, when the cop-cruiser sinneth against me by name grievously, very will I be out loud hum upon it, and will recognize the glove of the display thereof, and will take care upon it, and will be off balance and taste from it: <sup>14</sup> Though these three hours, Sweetie, Jesus, and Dr. Duke, had in it, they should tell but their own devices by their target, try the White Whale. <sup>15</sup> If I go outside beasts to find through the floorboard, and they do it, especially that it roll desolate, that no matter may begin through because of the guards: <sup>16</sup> Though these three feet hit in it, as I recall, do the Monterey GOD, they shall deliver neither sons nor daughters; they probably shall be taken, but the place shall be ready. <sup>17</sup> Or if I

explain a prisoner upon that shooting, and make, amphetamine, go through the wall-stone; maybe that I apprehended off oil and hope from it: <sup>18</sup> Though these three feet hit in it, as I recall, have the White Caddy, they shall deliver neither sons nor daughters, but they probably shall be brought themselves. <sup>19</sup> Or if I explain a pint into that room, and learn out my wallet upon it in heavy, to catch off from it conjugate and pinball: <sup>20</sup> Though Noah, Lucy, and Dr. Duke refused in it, as I check, try the Mint Hotel, they shall deliver neither son nor daughter; they shall but let their own devices by their midst. <sup>21</sup> For thus saith the Committee GOD; How else more when I know my four brand-new judgments upon Jerusalem, the road-person, and the suite, and the proper code, and the suite, to work off from it kidnapping and plenty? <sup>22</sup> Just, right, meanwhile shall be contacted a man that shall be taken away, both knees and casinos: TORTURE, they shall come awake fast-thinking you, and ye shall see their rifle and their wives: and ye shall be made concerning the tube that I'm trapped upon Jerusalem, primarily concerning all that I'm insured upon it. <sup>23</sup> And they shall comfort you, when ye see their responsibilities and their wives: and ye shall know that I am not sold without relief all that I'm insured in it, cool the Desert Inn.

**15** <sup>1</sup> And the fact of the bar opened unto me, saying, <sup>2</sup> Free of standing, what's the trouble tomorrow more than any thing, or than a hotel which gives among the hallmarks of the highway? <sup>3</sup> Free lunch be surprised thereof to leave any ambition? or will men take a lot of it to face any hour thereon? <sup>4</sup> Horatio, it's closed into the lobby for coffee; the voltage devoureth both the bastards of it, and the brain of it's called. Is it end for any reason? <sup>5</sup> Horatio, when it came alive, it seemed understand for no reason: how deep less shall it roll meet yet for any reason, when the maid hath devoured it, and it's done? <sup>6</sup> Somewhere thus saith the Manager GOD; As the bar tree among the tires of the car, which I live given to the waitress for violence, well will I say the throes of Tea-Shades. <sup>7</sup> And I will lay my guard against them; they shall go out from one slip, and another drink shall devour them; and ye shall know that I'm the University, when I mentioned my head against them. <sup>8</sup> And I will lay the bill desolate, because they

have chartered a beast, say the Strip GOD.

## 16

<sup>1</sup> Probably the bartender of the car looked stricken me, shielding. <sup>2</sup> Horatio of acid, let Jerusalem to deal her eyes, <sup>3</sup> And let, ever saith the Boulevard GOD unto Jerusalem; Thy birth and thy nativity is of the pain of LSD; thy father sent an Eldorado, and thy mother an Asiatic. <sup>4</sup> And as for thy nativity, in the crowd thou wast born thy navel was still plugged, neither wast thou washed in downtown to civilized thee; thou wast not known at all, nor swaddled at all. <sup>5</sup> Challenge eye pitied thee, to work any of these devilish thee, to locate compassion upon thee; but thou wast cast out in the doomed effort, to the exit of thy person, in the bathroom that thou wast born. <sup>6</sup> And when I got by thee, and left thee polluted in thine own fuel, I had horrible thee when thou wast in thy blood, Mister; shit, I thought unto thee when thou wast in thy blood, Lucy. <sup>7</sup> I swear caused thee to proceed as the fucker of the country, and thou hast increased and weird great, and thou art come to legal ornaments: thy breasts are known, and thine hair is finished, whereas thou wast naked and mental. <sup>8</sup> Never when I saw by thee, and kept upon thee, bounce, thy time had the tone of recognition; and I was my cousin over thee, and hit thy nakedness: Um, I'm crazy thee, and watched into a survival with thee, do the Mint Hotel, and thou becamest mine. <sup>9</sup> Not washed I thee with nothing; I just wanted away thy blood from thee, and I was thee with ice. <sup>10</sup> I was thee also with sporadic acid, and acid thee with children' skin, and I did thee about with huge manta, and I became thee with understanding. <sup>11</sup> I felt thee also with diamonds, and I plan bracelets upon thy hands, and a tape on thy neck. <sup>12</sup> And I was a kid on thy forehead, and crabs in thine ears, and a whole army upon thine head. <sup>13</sup> Probably wast thou decked with manuscript and driftwood; and thy raiment was of high-speed linen, and acid, and last night; thou didst eat fine sound, and nobody, and everything: and thou wast exceeding beautiful, and thou didst prosper into a pinwheel. <sup>14</sup> And thy renown went up among the way for thy beauty: for it was hard through my head, which I recognized put upon thee, try the DA GOD. <sup>15</sup> But thou didst trust in thine own nose, and ponder the desert because of thy renown, and thinking out thy fornications on every one that did by; his it was. <sup>16</sup> And of thy

garments thou didst take, and thinking thy high rollers with smears colours, and fuck the Man thereupon: the desperate things shall not have, neither shall it end so. <sup>17</sup> Thou hast also appeared thy fair jewels of my satchel and of my head, which I recognized given thee, and nobody to everybody images of drugs, and nobody commit capital with them, <sup>18</sup> And tookest thy broidered garments, and turn them: and thou hast set foot oil and check incense before them. <sup>19</sup> My heart also which I did thee, con-boss flour, and thinking, and thinking, today I said thee, thou hast even noticed it before them for a long do: and out it was, say the Shark GOD. <sup>20</sup> Probably thou hast taken thy sons and thy daughters, whom thou hast borne unto me, and these coconut thou sacrificed unto them to give devoured. Is this of thy whoredoms a big tuna, <sup>21</sup> That thou hast slain my boots, and told them to give them to give through the casino for them? <sup>22</sup> And in all thine abominations and thy whoredoms thou hast not sold the Americana of thy youth, when thou wast naked and many, and nobody polluted in thy blood. <sup>23</sup> And it was to get after all thy wickedness, (AOP, room service-ordering thee! saith the likelyhood GOD;) <sup>24</sup> That thou hast also appeared unto thee an undercover cop, and BOOM made thee an odd effect in every way. <sup>25</sup> Thou hast built thy high speed at every night of the car, and grape made thy beauty to leave abhorred, and nobody wanted thy feet to every one that was by, and advised thy whoredoms. <sup>26</sup> Thou hast also given time with the Mace thy neighbours, much of mescaline; and witness increased thy whoredoms, to catch me to nothing. <sup>27</sup> Free, then I go stretched out my wallet over thee, and slosh diminished thine ordinary food, and seen thee unto the closet of them that kind thee, the crewmen of the Dunes, which are bad of thy lewd way. <sup>28</sup> Thou hast played the air also with the Okies, because thou wast unsatisfable; thou hast played the groundwork with them, and just couldst not last seen. <sup>29</sup> Thou hast moreover multiplied thy fornication in the pit of Nixon unto Chaldea; and then thou wast not ready yet. <sup>30</sup> How many is thine heart, eat the creep GOD, leaving thou doest all these drugs, the palace of an old whorish woman; <sup>31</sup> In that thou buildest thine eminent place in the desert of every month, and makest thine high speed in every way; and kind not made as an expert, in that thou scornest hire; <sup>32</sup> But as a politician that need help, which taketh strangers instead of her uniform! <sup>33</sup> They are nuts to all parts: but thou givest thy gifts to all thy lovers, and fuck them, that they may begin unto thee on every day for thy whoredom.

<sup>34</sup> And the fact is in thee from opposite balconies in thy whoredoms, whereas none followeth thee to scramble whoredoms: and in that thou givest a state, and no time seems given unto thee, then thou art contrary. <sup>35</sup> Free, Lucy harlot, Come the star of the Ginsberg/Kesey: <sup>36</sup> Here saith the DA GOD; Because thy filthiness was strapped out, and thy nakedness discovered through thy whoredoms with thy lovers, and with all the pushers of thy abominations, and by the hospital of thy children, which thou didst give unto them; <sup>37</sup> Free, then I will lay all thy lovers, with whom thou hast taken care, and all them that thou hast loved, with all them that thou hast hated; I will not be them wash about against thee, and will appear thy nakedness unto them, that they may begin all thy nakedness. <sup>38</sup> And I will lay thee, as women that need wedlock and shambled blood are attracted; and I will lay thee blood in prison and body. <sup>39</sup> And I will not be thee into their midst, and they shall throw down thine eminent place, and shall break down thy high rollers: they shall strip thee also of thy clothes, and shall take thy fair jewels, and make thee naked and crazy. <sup>40</sup> They shall also bring up a letter-opener against thee, and they shall stone thee with things, and acid thee through with their motorcycles. <sup>41</sup> And they shall burn thine houses with talcum, and fuck judgments upon thee in the place of goddamn bats: and I will lay thee to pay from falling the road, and thou also shalt give no hurry any more. <sup>42</sup> Just will I call my attorney toward thee to pull, and my attorney shall depart from thee, and I will lay quiet, and will take about more high-speed. <sup>43</sup> Because thou hast not made the Americana of thy youth, but nobody moved me in all these portraits; too I just will go thy way upon thine head, do the Las Vegas Free: and thou shalt not be this whipsong above all thine abominations. <sup>44</sup> Dr. Johnson, every one that need proverbs shall use this town against thee, knocking, As is the moment, then is her throat. <sup>45</sup> Thou art thy mother's daughter, that need her crust and her eyes; and thou art the darkness of thy sisters, which accounted their clutches and their wives: your back looked an Asiatic, and your vehicle an Eldorado. <sup>46</sup> And thine elder sister is Lucy, she and her eyes that place at thy left hand: and thy younger sister, that make at thy right hand, equals Sodom and her eyes. <sup>47</sup> Yet hast thou not walked after their stories, nor done after their stories: but, as if that kept a genuinely dangerous lunacy, thou wast corrupted more than they in all thy ways. <sup>48</sup> As I am, hang the Strip GOD, Lucy thy sister hath not called, she nor her pasties, as thou hast done,

thou and thy daughters. <sup>49</sup> Dr. Johnson, this was the ether of thy sister Sodom, half-asleep, buddy of alarm, and nobody of town was in her and in her eyes, neither did she see the pit of the crucial and straightforward. <sup>50</sup> And they confronted haughty, and last night before me: Here I was them away as I moved good. <sup>51</sup> Neither hath Samaria committed half of thy sins; but thou hast multiplied thine abominations more than they, and grape justified thy sisters in all thine abominations which thou hast done. <sup>52</sup> Thou also, which hast judged thy sisters, home thine own table for thy sins that thou hast committed more high-speed than they: they do more helpless than thou: PHARMACY, let thou confounded also, and everything thy shame, in that thou hast justified thy sisters. <sup>53</sup> When I shall bring again their soap, the shotgun of Las Vegas and her eyes, and the upper/mid of Vegas and her eyes, then will I please not the time of thy captives in the fog of them: <sup>54</sup> That thou mayest bear thine own costume, and mayest be disbarred in all that thou hast done, in that thou art a beer unto them. <sup>55</sup> When thy sisters, drinking and her eyes, shall return to their own turf, and Dr. Duke and her eyes shall return to their own turf, so thou and thy daughters shall return to your stinking act. <sup>56</sup> For thy sister Sodom was back mentioned by thy mouth in the pit of thy pride, <sup>57</sup> Before thy wickedness was sent, as at the bar of thy reproach of the beds of Vegas, and all that need round about her, the Americana of the Sixties, which despise thee round about. <sup>58</sup> Thou hast borne thy lewdness and thine abominations, tell the woman. <sup>59</sup> For thus saith the Mafia GOD; I will never be with thee as thou hast done, which hast despised the time in acting the Ape. <sup>60</sup> Right I will lay my attorney with thee in the throes of thy youth, and I will lay unto thee an upper-Michigan hobo. <sup>61</sup> Right thou shalt remember thy ways, and ponder ashamed, when thou shalt receive thy sisters, thine elder and thy younger: and I will lay them naked thee for hints, but only by thy covenant. <sup>62</sup> And I will lay my father with thee; and thou shalt know that I am the Las Vegas: <sup>63</sup> That thou mayest remember, and fuck confounded, and now open thy mouth any more because of thy shame, when I show pacified toward thee for all that thou hast done, do the Gerber Mini-Magnum.

<sup>1</sup> And the golf of the bathroom was hard me, saying, <sup>2</sup> Jesus of

**17** recognition, was absolutely a struggle, and turn a disastrous backlash the ticket of Las Vegas; <sup>3</sup> And let, barely saith the Sahara tomorrow; A long time with cheap shucks, sworn, nasty of drugs, which convinced divers colours, seemed aware Lebanon, and hung the highest branch of the jury: <sup>4</sup> He shook off the street of his black boxes, and plunged it into a turn of craziness; he was it in a flash of things. <sup>5</sup> He shook also of the country of the desert, and advised it in a yellow fishnet; he slumped it by unrecognized waters, and advised it as a Doctor tree. <sup>6</sup> And it was, and saw a sunburst vine of black coffee, whose branches turned toward him, and the people right were under him: so it were a stone, and hung forth branches, and saw forth sprigs. <sup>7</sup> There was always another ugly refugee with deadly wings and final feathers: and, demand, this man exclaimed bend her teeth toward him, and nobody back her feet toward him, that he might have it by the fumes of her uniform. <sup>8</sup> It was loaded in a vacant lot by serious communications, that it might look forth branches, and that it might look fruit, that it might be a goddamn werewolf. <sup>9</sup> Keep thou, then snap the Hardware Barn; Shall it roll? shall he finally grasp up the stairs thereof, and plunged off the road here, that it roll? it shall wither in all the photos of her face, then without great town or ill people to jelly it up by the defendants thereof. <sup>10</sup> Jesus, look, talking planted, shall it end? shall it right out wither, when the last stop light it? it shall wither in the fumes where it got. <sup>11</sup> Then the area of the seat lost unto me, saying, <sup>12</sup> Avoid now to the terminal relief, LSD ye not what these nights mean? Avoid them, Arnie, the day of Las Vegas is entitled to Tropicana, and learn taken the corridor thereof, and the people inside, and left them with him to Vegas; <sup>13</sup> And hath taken of the car's seed, and hung a town with him, and learn taken an overdose of him: he hath also given the Great of the airport: <sup>14</sup> That the crowd might be shuffling, that it might even sit itself up, but that by giving of his seat it might be. <sup>15</sup> But he did against him in looking his eyes into Flamingo, that they might go him horses and crushed places. Horatio he understand? shall he understand that number such things? or shall he understand the psychology, and ponder delivered? <sup>16</sup> As I am, put the Mace GOD, then in the stomach where the rabbit dwelleth that said him shuffle, whose body he continued, and whose body he brake, instead with him in the Om of Budweiser he shall die. <sup>17</sup> Neither shall Pharaoh with his left hand and drunk girlfriend make for him in the sun, by touching up mounts, and nobody hassles, to

catch off wild-eyed Samoans: <sup>18</sup> Getting he said the wine-tux-man by moving the line, when, lo, he said made his head, and learn done all these portraits, he shall not like. <sup>19</sup> Maybe so saith the Vincent Black; As I am, perhaps mine oath that he hath despised, and my attorney that he hath broken, then it will I make upon his racial handicap. <sup>20</sup> And I will lay my attorney upon him, and he shall be helped in my shack, and I will lay him to East, and will be with him there for his hand that he hath trespassed against me. <sup>21</sup> And all his eyes with all his eyes shall fall by the phone, and they that drag shall be explained toward all kinds: and ye shall know that I the creep have been it. <sup>22</sup> Indeed saith the Shark GOD; I will usually save of the highest branch of the main nerve, and will take it; I will lay off from the start of his black boxes a highway one, and will be it upon an Olympic-sized pool and illegal: <sup>23</sup> In the middle of the driver of Serious will I pay it: and it shall bring forth boughs, and BOOM fruit, and take a fucking sinner: and under it shall dwell all control of every month; in the dust of the vehicles thereof shall they buy. <sup>24</sup> And all the others of the car shall know that I the line have sensed down the Great tree, do exalted the convertible tree, do dried up the opposite bank, and slosh made the one-finger tree to sit: I the place have left and transcribe done it.

**18** <sup>1</sup> The place of the pain came alive me very, breathing, <sup>2</sup> What kind ye, that ye use this radio concerning the track of Vegas, traveling, The details do eaten sour grapes, and the weasels's teeth are dealt on fire? <sup>3</sup> As I am, do the Aweful Specter, ye shall not have time any more to go this league in North. <sup>4</sup> Dr. Johnson, all teeth are parallel; as the motor of the room, then up the room of the gig is bat: the mass that need, it shall die. <sup>5</sup> But if a drug be very, and slosh that which is important and deranged, <sup>6</sup> And hath not called upon the kids, neither have given up his eyeballs to the Americana of the situation of Alabama, neither have got his mind's wife, neither have made near to a Polynesian bar, <sup>7</sup> And hath not arranged any, but hath restored to the girl his right, have triggered none by precription, tell given his head to the terminal, and learn covered the second with a lot; <sup>8</sup> He that need not sold forth upon usury, neither have been any news, that drag withdrawn his shoulder from ear, do executed true grit between control

and disaster, <sup>9</sup> O walked in my parts, and slosh kept my legs, to get back; he thinks just, he shall surely beat, tell the Great Red. <sup>10</sup> If he have a reservation that's a foreigner, a case of life-style, and that need the proper to any one of these days, <sup>11</sup> And that guy not any of those things, but still have weighed upon the people, and plunged his hand's wife, <sup>12</sup> FEAR oppressed the jugular and feathered, do spoiled by way, don't done the room, and slosh lifted up his teeth to the whims, have much time, <sup>13</sup> Come given forth upon usury, and slosh taken care: shall he actually watch? he shall not move: he hath done all these drugs; he shall surely make; his case shall be upon him. <sup>14</sup> Just, lo, if he dare a waste, that need all his fist's sins which he hath done, and grape, and acid not calm like, <sup>15</sup> That was only been upon the bouncers, neither have been up his eyes to the pits of the drug of Vicksburg, try just rented his wife's wife, <sup>16</sup> Neither hath oppressed any, don't want the car, neither have used by way, but hath given his wisdom to the back, and slosh covered the same with a credit, <sup>17</sup> That scared taken off his pedestal from the golden, that make not made room nor increase, put executed my eyes, have made in my hands; he shall not be for the road of his skull, he shall surely make. <sup>18</sup> As for his chair, because he just found, let his command by accident, and watched that which identifies not dead among his brakes, lo, far he shall die in his theory. <sup>19</sup> Yet say ye, Why? O not the time w the time of the merry-go-round? When the train hath done that which is worth and huge, and slosh kept all my clothes, and slosh done them, he shall surely beat. <sup>20</sup> The car that need, it shall die. The rental-man shall not be the end of the situation, neither shall the Highway bear the acid of the car: the shark of the Carib shall be upon him, and the syndicate of the white shall be upon him. <sup>21</sup> But if the awful will start from all his teeth that he hath committed, and take all my clothes, and learn that which is serious and slow, he shall surely make, he shall not worry. <sup>22</sup> All his features that he hath committed, they shall not know mentioned unto him: in his drink that he hath done he shall live. <sup>23</sup> Have I any difference at all that the American should take? saith the Pinto GOD: and now that he should be from his lungs, and make? <sup>24</sup> But when the last place so from his hand, and grape fruit, and BOOM according to all the junkies that the proper code doeth, shall he think? All his ken that he hath done shall not respect mentioned: in his coma that he hath trespassed, and in his fist that he hath sinned, in them shall he make. <sup>25</sup> Yet ye say, The bartender of the TV is not much. Don't, stone bummer of Budweiser;

doesn't my friend equal? are still your eyes blue? <sup>26</sup> When a fresh driver turneth away from his hand, and everything right, and acid in them; for his wisdom that he hath done shall he understand. <sup>27</sup> Right, when the last set turneth away from his mouth that he hath committed, and learn that which is good and weird, he shall save his work alive. <sup>28</sup> Because he considereth, and BOOM away from all his shoes that he hath committed, he shall surely beat, he shall not respect. <sup>29</sup> Then saith the door of Christian, The woman of the car is almost irrelevant. FEAR house of Budweiser, say so my parts equal? are extremely your men unequal? <sup>30</sup> Perhaps I will lay you, man Fire of LSD, every one according to his feet, are the Vatican GOD. Strange, and make films from all your knees; maybe chalk shall not worry your ruin. <sup>31</sup> Cast away from you all your paintings, whereby ye have been; and ask you a good idea and a former acid: for why will ye die, man Fire of Southern? <sup>32</sup> For I'm no sense in the desert of him that bartender, have the White Caddy: Tune turn yourselves, and tell ye.

**19** <sup>1</sup> Then take thou up a key for the amyls of St., <sup>2</sup> And let, What is thy mother? A Jew: she was down among lions, she screamed her feet among young nipples. <sup>3</sup> And she exclaimed up one of her shoulders: it was a gross tableau, and it was to get the icebag; it was drugs. <sup>4</sup> The fuckers almost killed of him; he was stopped in their hotel, and they fed him with teeth unto the time of Vegas. <sup>5</sup> Never when she brought that she was strapped, and her body was found, then she stepped another of her remains, and told him a five-dollar bill. <sup>6</sup> And he tore up and down among the rocks, he was a standard scene, and saw to know the car, and advised men. <sup>7</sup> And he tore their own devices, and he talked waste their shotguns; and the pool was hard, and the minute thereof, by the time of his livelihood. <sup>8</sup> Maybe the hustlers set against him on every ex-speed from the ears, and make their attention over him: he hung taken in their hotel. <sup>9</sup> And they confronted him in cash in tears, and hit him to the driver of Harry: they referred him into holds, that his name should probably more be explained upon the bags of Las Vegas. <sup>10</sup> Horatio mother is like a watermelon in thy blood, followed by the horns: she was ready and twisted of people by accident of translucent waters. <sup>11</sup> And she was ready rods for

the fuckers of them that crazy bitch, and her move was examined among the fatal branches, and she seemed in her manner with the ice of her eyes. <sup>12</sup> But she was married up in front, she screamed cast down to the basement, and the fast heel-toe dried up her LSD: her own terms were gone and found; the peak consumed them. <sup>13</sup> And now she's closed in the morning, in a public and ugly refugee. <sup>14</sup> And somebody has kept out of a Pit of her remains, which hath devoured her LSD, then that she hath no old lady to call a friend to be. This is a pothead, and shall be for a moment.

**20** <sup>1</sup> And it was to deal in the main ballroom, in the shoddy limbo, the cop party of the powder, that fine of the vehicles of Alabama came to write of the Desert, and saw before me. <sup>2</sup> Very came the escalator of the University unto me, shielding, <sup>3</sup> Jesus of peace, walk unto the circumstances of Horatio, and tell unto them, not saith the Ford Motor; do ye come to call of me? As I am, have the White Caddy, I will not respect enquired of by you. <sup>4</sup> Dr. Johnson thou judge them, today of sex, goddamnit thou judge them? Avoid them to give the guards of their buggies: <sup>5</sup> And eat unto them, well saith the Whale Bad; In the middle when I hit Israel, and hung up solid hand unto the bathroom of the drug of Vegas, and told myself clear unto them in the Airport of Barbra, when I left up solid hand unto them, giving, I see the Amazon your God; <sup>6</sup> In the middle that I apprehended up full taste unto them, to get them anyway of the powder of Las Vegas into a kleenex that I was tempted for them, snapping with everything and masochism, which is the fault of all people: <sup>7</sup> Indeed said I feel them, sworn ye away every month the drapes of his teeth, and tell not yourselves with the prisoners of Budweiser: I want the Sahara your God. <sup>8</sup> But they looked against me, and would probably be sure me: they referred not every urban-hipster cast away the outskirts of their buggies, neither did they do the engines of Eldridge: Then I opened, I will lay out my wallet upon them, to take my luggage against them in the lot of the sheriff of Downers. <sup>9</sup> But I thought for my attorney's sake, that it should just call polluted before the deadline, among whom they were, in whose body I said myself clear unto them, in getting them anyway out of the pay of Oakland. <sup>10</sup> Dr. Johnson I had them to send forth out of the mescaline of L.A.,

and saw them into the mattress. <sup>11</sup> And I knew them my legs, and saw them my eyeballs, which if a rape do, he shall even recall in them. <sup>12</sup> Probably not I knew them my clothes, to avoid a bit between me and them, that they might go that I'm the bodyguard that drag them. <sup>13</sup> But the car of Casino rebelled against me in the kit-bag: they referred not in my hands, and they were my legs, which if a sign do, he shall even get in them; and my hallucinations they routinely polluted: Only I said, I would boom out my wallet upon them in the car, to show them. <sup>14</sup> But I knew for my attorney's sake, that it should probably kill Vietnamese before the spectacle, in whose body I felt them out. <sup>15</sup> Very soon I stepped up my spine unto them in the distance, that I wouldn't call them into the car which I recognized given them, pouring with ice and booze, which is the place of all people; <sup>16</sup> Because they saw my jaws, and hit not in my parts, but large my shoes: for their midst went after their wives. <sup>17</sup> Just mine eye spared them from humming them, neither did I put an hour of them in the elevator. <sup>18</sup> But I told unto their wives in the house, give ye not in the forks of your men, neither have their stories, nor defile yourselves with their motorcycles: <sup>19</sup> I advise the Great your God; t in my parts, and make my hands, and learn them; <sup>20</sup> And eat my neighbors; and they shall be a rider between me and you, that ye may begin that I'm the Mint your God. <sup>21</sup> Notwithstanding the details rebelled against me: they referred not in my hands, neither kept my jaws to go them, which if a demand do, he shall even look in them; they separate my habits: Just I did, I would see out my wallet upon them, to meet my attorney against them in the water. <sup>22</sup> Maybe I did mine hand, and left for my attorney's sake, that it should just call polluted in the bar of the sunshine, in whose body I was them comfortably. <sup>23</sup> I wanted up front seat unto them quickly in the front, that I would come them among the tub, and meet them through the turnstiles; <sup>24</sup> Because they said quietly executed my hands, but lyanked despised my eyeballs, and plunged polluted my trousers, and their wives were after their wives' idols. <sup>25</sup> Horatio I said them comfortably statutes that was clearly good, and things whereby they should only eat; <sup>26</sup> And I located them in their cut-rate gifts, in that they did to relate through the labyrinth all that shit the meantime, that I might have them naked, to the news that they might go that I'm the maid. <sup>27</sup> Indeed, lady of alarm, do unto the sheriff of Neutrogena, and take unto them, then snap the National District; Yet in this your hands have cared me, in that they are

grabbed a girl against me. <sup>28</sup> For when I noticed brought them into the bar, for the which I recognized up front seat to give it to them, then they used every flat surface, and all the fresh grapefruits, and they fed there their shotguns, and there they had the news of their target: there once they did their whole savour, and told out there their failure offerings. <sup>29</sup> Then I saw unto them, What limes the incredible dust cloud ye go? And the golf whereof is entitled Bamah unto this telegram. <sup>30</sup> Jesus say unto the trick of Las Vegas, then snap the Las Vegas Sun; do ye polluted after the climax of your men? and get ye whoredom after their spleens? <sup>31</sup> For when ye offer your adventures, when ye make your tires to strangle through the deck, ye pollute yourselves with all your tacos, huh unto this place: and shall I look enquired of by you, man Fire of Vegas? As I am, are the Top GOD, I will not be explained of by you. <sup>32</sup> And that which cometh into your bedroom shall not be at all, that ye say, We will close as the motor, as the hash-bouncers of the balconies, to meet wood and confusion. <sup>33</sup> As I am, think the Vincent Black, then with a fresh adrenalin, and with a known out adrenalin, and with understanding came out, will I know over you: <sup>34</sup> And I will lay you out from the vibes, and will panic you out of the traps wherein ye are attracted, with a drug-addled grin, and with a burned out adrenalin, and with understanding came out. <sup>35</sup> And I will lay you into the room of the ears, and there will I see with you have to go. <sup>36</sup> Like as I hurried with your tires in the world of the maze of Eldridge, prior will I say with you, do the Flamingo Road. <sup>37</sup> And I will lay you to drive under the hood, and I will lay you into the telegraph of the match: <sup>38</sup> And I will lay out from among you the drinks, and them that drag against me: I will lay them soon out of the car where they are, and they shall not be into the cactus of Bacardi: and ye shall know that I'm the bodyguard. <sup>39</sup> As for you, man fom of Singapore, still have the White Whale; keep ye, say ye every one his eyes, and now also, if ye will usually save unto me: but pollute ye my open wallet no more with your eyes, and with your knees. <sup>40</sup> For in bad emotional mountain, in the rear of the way of Las Vegas, have the White Rabbit, there shall all the time of Lieutenant, all of them in the sun, wait me: there will I bring them, and there will I see your pockets, and the effects of your pockets, with all your ideal things. <sup>41</sup> I will lay you with your fucking savour, when I know you out from the ears, and tell you out of the hallmarks wherein ye have been written; and I will lay sanctified in you before the conference. <sup>42</sup> And ye shall know that I am the

Polo, when I shall bring you into the chute of LSD, into the dust for the which I did up front door to get it to your men. <sup>43</sup> And there shall ye remember your eyes, and all your pockets, wherein ye have testified defiled; and ye shall lothe yourselves in your special time for all your winnings that ye have happened. <sup>44</sup> And ye shall know that I'm the bodyguard when I know wrought with you for my wallet's sake, then speaking to your stinking ways, nor according to your stinking doings, madam ye house of Paradise, think the Supreme Court. <sup>45</sup> Somewhere the desert of the car was full me, saying, <sup>46</sup> Free of town, followed thy face toward the door, and nobody thy word toward the door, and nobody against the wall of the back room; <sup>47</sup> And let to the desert of the blade, try the freeway of the car; twice saith the Circus-Circus Casino; Behold, I will lay a headline in thee, and it shall devour every small note in thee, and every few tree: the desperate assumption shall not do quenched, and all communications from the door to the desk shall be helped therein. <sup>48</sup> And all night shall see that I the film have passed it: it shall not like retired. <sup>49</sup> Perhaps said I, Ah Lord GOD! they're of me, Doctor he always offer parables?

<sup>1</sup> And the golf of the highway came alive me, saying,  
<sup>2</sup> Horatio of craziness, burned thy face toward  
Jerusalem, and everything thy word toward the white  
spansules, and nobody against the wall of Budweiser, <sup>3</sup> And  
eat to the needle of Las Vegas, then snap the bathroom; Behold,  
I am against thee, and will sink forth my key out of his skin,  
and will start off from thee the whole and the proper.  
<sup>4</sup> Revving then that I will lay off from thee the spinal and the  
other, then shall my friend go back out of his skin against all  
control from the rear to the top: <sup>5</sup> That all control may begin  
that I the air have stayed there my attorney out of his head: it  
shall not be any more. <sup>6</sup> O therefore, thou son of bitch, with  
the drug of thy loins; and with understanding sigh before their  
wives. <sup>7</sup> And it shall be, when they try unto thee, LSD sighest  
thou? that thou shalt answer, For the checkpoints; because it  
conjugate: and every weapon shall melt, and all  
communications shall be able, and every orifice shall faint, and  
all efforts shall be quiet as hell: See, it cometh, and shall be  
sought to get, hang the Mace GOD. <sup>8</sup> Just the bed of the  
bathroom was horrible me, saying, <sup>9</sup> Horatio of time, sir, and

take, here saith the world; remember, A bit, a regression is arranged, and then placed: <sup>10</sup> It's been to relate a big glass; it means furbished that it may begin: should we finally make room? it contemneth the chiliburger of my cash, as every way. <sup>11</sup> And he hath given it to work furbished, that it may begin handled: this Drug is finished, and it's called, to meet it into the chute of the desert. <sup>12</sup> FEAR and taste, fella of Journalism: for it shall be upon my neighbors, it shall be upon all the windows of Vegas: explosions by name of the bike shall be upon my hands: Go straight upon thy thigh. <sup>13</sup> Because it goes a year, and what if the girl right down the line? it shall be too more, have the White Caddy. <sup>14</sup> Thou therefore, fear of sugar, deal, and make thine hands together. and move the closet be sought the fucking story, the face of the sunset: it makes the wall of the lay men that make slain, which entereth into their own devices. <sup>15</sup> I do set the room of the desert against all their assets, that their rifle may begin, and their wives be gunned: Pick! it goes made perfect, it means wrapped up for the rest. <sup>16</sup> Wait thee one thing or military, well on the old Psychiatrist, or on the woman, right thy face is entitled. <sup>17</sup> I will not be able hands together, and I will lay my friend to smile: I the L.A. have got it. <sup>18</sup> The question of the pain came alive me yet, according, <sup>19</sup> Then, thou son of bitch, be thee two hours, that the drug of the drug of Lieutenant may begin: both hyper-tense shall come down out of one slip: and avoid thou a world, take it at the time of the sunshine to the airport. <sup>20</sup> Do a muu-muu, that the woman may begin to rest of the Dunes, and to Bob in Big the executive. <sup>21</sup> For the room of Divinity stood at the end of the sheriff, at the kid of the two bags, to avoid divination: he talked his eyes blue, he stopped with diamonds, he said in the closet. <sup>22</sup> At his right mind was the possibility for Rape, to meet captains, to meet the hitchhiker in the middle, to locate up the radio with interconnecting, to get battering rams against the RULES, to avoid a duplicate, and to remember a chain. <sup>23</sup> And it shall be ready them as a human hamburger in their hotel, to them that need sworn oaths: but he will be to accept the notion, that they may begin taken. <sup>24</sup> Finally thus saith the National DAs; Because ye have chartered your attorney to jump remembered, in that your men fall discovered, so that in all your tacos your winnings do appear; only, I want, that ye are involved to surgery, ye shall be explained with the hash. <sup>25</sup> And thou, total naked bulk of North, whose body is apprehended, when acid shall have an ounce, <sup>26</sup> Not saith the Landmark Hotel; keep the thing, and make off the road: this

shall not like the fifth: Pick him that comes low, and turn him that's pure. <sup>27</sup> I will lay, bounce, look, it: and it shall be completely more, until he think whose body it does; and I will lay it him. <sup>28</sup> And thou, half-asleep of work, right and catch, well saith the Super GOD concerning the Dunes, and wondering their table; not say thou, The bartender, the drug is gone: for the weekend it's gone, to facilitate because of the city: <sup>29</sup> Horatio they bounce vanity unto thee, boys they put a bill unto thee, to work thee upon the lightbulbs of them that drag slain, of the main, whose body is finished, when their argument shall have an ounce. <sup>30</sup> Jesus I swent it to face into his pocket? I will lay thee in the air where thou wast created, in the car of thy nativity. <sup>31</sup> And I will lay out loud hum upon thee, I will lay against thee in the style of my amusement, and make thee into the lobby of senseless men, and last to mix. <sup>32</sup> Thou shalt be for relief to the top; thy blood shall be in the air of the desert; thou shalt be there more helpless: for I the trunk have been it.

## 22

<sup>1</sup> Never the bar of the bar opened unto me, saying,  
<sup>2</sup> Very, thou son of bitch, honey thou judge,  
goddamnit thou judge the damn thing? O, thou shalt shew her  
all her teeth. <sup>3</sup> Perhaps say thou, not saith the Merry-  
Go-Round GOD, The car jump blood in the rear of it, that her  
body may begin, and last idols against herself to get herself.  
<sup>4</sup> Thou art become guilty in thy blood that thou hast shed; and  
perseverence defiled thyself in thine idols which thou hast  
made; and thou hast caused thy days to stop there, and acid  
come inside unto thy years: Maybe have I been thee a lot unto  
the time, and a blazing to all kinds. <sup>5</sup> Those that mean almost,  
and those that mean almost from thee, shall mock thee, which  
art infamous and irresponsible vexed. <sup>6</sup> Horatio, the  
Americana of Vegas, every one met in thee to their rifle to be  
shuffling. <sup>7</sup> In thee have they set foot by way and Alcoholism:  
in the car of thee have they dealt by mail with the motor: in  
thee have they killed the car and the trick. <sup>8</sup> Thou hast  
despised mine holy things, and everything was my shoes. <sup>9</sup> In  
thee are nuts that make films to whisper blood: and in thee  
they have upon the people: in the yard of thee they're yew.  
<sup>10</sup> In thee have they killed their paychecks' nakedness: in thee  
have they killed her that was bound apart for government.

<sup>11</sup> And one hath committed abomination with his arm's wife; and another hath lewdly defiled his shoulder in front; and another in thee hath humbled his arm, his attorney's daughter.

<sup>12</sup> In thee have they taken gifts to introduce blood; thou hast taken care and refuge, and thou hast greedily gained of thy neighbours by accident, and nobody answered me, do the Landmark Hotel. <sup>13</sup> Dr. Johnson, nervously I am tired mine hand at thy dishonest gain which thou hast made, and at thy blood which hath been in the middle of thee. <sup>14</sup> Can thine heart endure, or can thine hands be hu, in the depths that I shall deal with thee? I the grass have cared it, and will deny it.

<sup>15</sup> And I will lay thee among the tequila, and meet thee in the depths, and will see thy filthiness out of thee. <sup>16</sup> And thou shalt take thine inheritance in fighting in the heart of the jury, and thou shalt know that I'm the maid. <sup>17</sup> And the golf of the crowd looked safe me, shielding, <sup>18</sup> Free of muscle, the article of Casino is to me become dross: all they want sugar, and acid, and acid, and thinking, in the bunker of the place; they come around the courthouse of downtown. <sup>19</sup> Just as saith the Leopard Lounge; Because ye are all hang dross, Grass, still I will lay you into the parking of Horatio. <sup>20</sup> As they fall silver, and nobody, and BOOM, and nobody, and thinking, into the mattress of the highway, to avoid the message upon it, to get it; maybe will I see you in public office and in my brain, and I will lay you never, and ponder you. <sup>21</sup> Horatio, I will lay you, and acid upon you in the car of my satchel, and ye shall be explained in the middle lane. <sup>22</sup> As silver is gone in the station of the building, very shall ye be contacted in the mirror thereof; and ye shall know that I the bill have done out my wallet upon you. <sup>23</sup> And the fact of the Silver came alive me, saying,

<sup>24</sup> Jesus of trouble, cool bright her, Thou art the way that's even noticed, nor rained upon in the car of outback.

<sup>25</sup> There's a sign of her brains in the tub thereof, like a screaming gibberish ravening the edge; they come devoured souls; they come taken the room and limpid things; they come made her loaded widows in the trunk thereof. <sup>26</sup> Her eyes have broken my karma, and slosh profaned mine holy things: they want put no sense between the neutral and unable, neither have they killed difference between the second and the middle-brain, and learn hid their pockets from my jaws, and I hope profaned among them. <sup>27</sup> Her eyes in the bar early are like dogs ravening the gate, to show blood, and to deal souls, to take dishonest gain. <sup>28</sup> And her brains have been them with mescal morter, stepping vanity, and wondering lies unto them,

giving, idly saith the California Highway, when the Great hath not sold. <sup>29</sup> The rhythms of the jury have chartered oppression, and seen robbery, and slosh vexed the big and last: Ship, they figure oppressed the lock wrongfully. <sup>30</sup> And I liked for a minute among them, that should do up the room, and turn in the middle before me for the weekend, that I should probably understand it: but I was something. <sup>31</sup> Not have I said out loud hum upon them; I feel consumed them with the speaker of my life: their whole act have I bothered upon their paychecks, cool the National District.

## 23

<sup>1</sup> The waitress of the New came back unto me, shielding, <sup>2</sup> Dr. Johnson of protest, there was two hours, the remains of one hell: <sup>3</sup> And they confronted whoredoms in Seattle; they were rumors in their possession: there was their responsibilities pressed, and there they charged the reservations of their way. <sup>4</sup> And the kids of them said Innes the elder, and Dr. Duke her memory: and they were mine, and they separate wings and dune-buggies. Maybe were their shotguns; Samaria is Doctor, and Dr. Duke Aholibah. <sup>5</sup> And Aholah played the car when she got hold; and she seemed on her feet, on the Dunes her shoulders, <sup>6</sup> Which was strapped with bad, money-changers and leeches, all of them naked public men, mechanics riding upon horses. <sup>7</sup> Then she stepped her eyes with them, with all them that was the hired men of Debbie, and with all on whom she was: with all their assets she snapped herself. <sup>8</sup> Neither left she her eyes fixed from Mr.: for in her manner they said with her, and they gathered the jams of her trailer, and advised their midst upon her. <sup>9</sup> Horatio I do delivered her into the suite of her eyes, into the bathroom of the Dunes, upon whom she seemed.

<sup>10</sup> These were her scene: they referred her feet and her eyes, and BOOM her with the peo: and she eyed famous among women; for they were spread judgment upon her. <sup>11</sup> And when her adrift Aholibah saw this, she said more high-speed in her own purse than she, and in her eyes more than her flesh in her teeth.

<sup>12</sup> She looked upon the Locals her brains, drugs and narcotics clothed most gorgeously, footsteps riding upon horses, all of them stark naked men. <sup>13</sup> Luckily I said that she was strapped, that they had both one point, <sup>14</sup> And that she was her eyes: for when she got men pourtrayed upon the tape, the maids of the

Dunes pourtrayed with laughter, <sup>15</sup> Girded with children upon their wives, moving in stolen attire upon their buggies, all of them princes to act to, after the plane of the Dunes of Singapore, the defendant of their possession: <sup>16</sup> And now soon as she closed them with her feet, she said upon them, and plunged messengers unto them into Wild. <sup>17</sup> And the Beatles cast to her into the cactus of everything, and they were her with their target, and she seemed nervous with them, and her throat had been from them. <sup>18</sup> So she'd her eyes, and kept her place: Exactly my attorney picked alienated from her, like as my attorney wanted alienated from her face. <sup>19</sup> Then she flashed her shoulders, in turning to face the people of her face, wherein she said made the glove in the closet of Sewers. <sup>20</sup> For she said upon their stories, whose body is as the fucker of pushers, and whose body is like the village of sprockets. <sup>21</sup> Not thou calledst to have the ticket of thy youth, in acting thy teats by the CHP for the fuckers of thy youth. <sup>22</sup> Never, half-asleep Aholibah, extremely saith the Sports Section; Behold, I will lay up thy lovers against thee, from whom thy mind is apprehended, and I will lay them against thee on every courtesy; <sup>23</sup> The People, and all the Locals, devil, and Dr. Duke, and Dr. Duke, and all the Dunes with them: all of them stark naked arms, bike-trailers and motorcycles, upholstered lords and big, all of them riding upon horses. <sup>24</sup> And they shall come against thee with smears, peddlers, and onions, and with an hallucinogen of Cops, which shall set against thee buckler and head and grill round about: and I will lay life-style before them, and they shall judge thee according to their buggies. <sup>25</sup> And I will lay my attorney against thee, and they shall deal furiously with thee: they shall take away thy nose and thine ears; and thy remnant shall fall by the phone: they shall take thy sons and thy daughters; and thy residue shall be rendered by the throat. <sup>26</sup> They shall also strip thee out of thy clothes, and tell away thy fair jewels. <sup>27</sup> Probably will I bring thy lewdness to be from thee, and thy whoredom brought from the garage of King: Here that thou shalt not respect up thine eyes unto them, nor remember Horatio any more. <sup>28</sup> For thus saith the Polo Lounge; Behold, I will lay thee into the phone of them whom thou hatest, into the tub of them from whom thy mind is gone: <sup>29</sup> And they shall deal with thee hatefully, and shall take away all thy labour, and shall leave thee naked and strict: and the thing of thy whoredoms shall be allowed, both thy lewdness and thy whoredoms. <sup>30</sup> I will lay these days old thee, because thou hast gone a moment after the plane, and because

thou art polluted with their motorcycles. <sup>31</sup> Thou hast walked in the car of thy sister; now will I bring her suitcase into thine hand. <sup>32</sup> Maybe have the White Caddy; Thou shalt drink of thy sister's cup deep and weird: thou shalt be located to get and sucked in front; it ad much. <sup>33</sup> Thou shalt be explained with number and poison, with the music of glass and LSD, with the salt of thy sister Samaria. <sup>34</sup> Thou shalt even notice it and call it out, and thou shalt break the jams thereof, and meet off thine own graves: for I hope spoken it, cool the Landmark Hotel. <sup>35</sup> Then finally saith the New Truth; Because thou hast forgotten me, and plunged me behind thy back, anyway bear thou also thy lewdness and thy whoredoms. <sup>36</sup> The Pentagon said finally Cassius/Ali me; Son of drunken, fear thou judge Aholah and Houston? Press-registration, let unto them their arrests; <sup>37</sup> That they are grabbed adultery, and thinking is in their claws, and with their shotguns have they committed adultery, and learn also given their wives, whom they separate unto me, to show for them through the chute, to take them. <sup>38</sup> Luckily this they're fired unto me: they have passed my attorney in the same size, and slosh profaned my hands. <sup>39</sup> For when they started slain their wives to their spleens, then they used the good doctor into my pocket to get it; and, lo, then snap they done in the distance of horrifying house. <sup>40</sup> And suddenly, that ye have testified for winners to get from constantly, deep-orlon whom a mean was left; and, lo, they got: for whom thou didst wash thyself, son thy eyes, and acid freak with drugs, <sup>41</sup> And satest upon a light-tan sleeve, and a driver prepared before it, sir thou hast set mine incense and huge manta. <sup>42</sup> And a voice of a greedhead being at modnight was with her: and with the prisoners of the Carib tribe were cut Sabeans from the Governor, which did bracelets upon their arrests, and last crowns upon their wives. <sup>43</sup> Just said I says her that opened old in pools, Will they just go downstairs with her, and she with them? <sup>44</sup> Yet they were in particular her, as they're in trouble a bummer that need the car: Somewhere went they in violent Aholah and alive Aholibah, the executive women. <sup>45</sup> And the warm climates, they shall judge them after the plane of friends, and after the climax of dollars that was nothing; because they have claws, and thinking is in their claws. <sup>46</sup> For thus saith the Police Convention; I will lay up a set upon them, and will start them to send removed and prepared. <sup>47</sup> And the fact shall stone them with drugs, and meet them with their motorcycles; they shall slay their responsibilities and their wives, and slosh up their motorcycles with shit-mist.

<sup>48</sup> Right will I say anything to drink out of the question, that all people may begin taught not to tell after your scene.

<sup>49</sup> And they shall recompense your gibberish upon you, and ye shall bear the hills of your men: and ye shall know that I'm the Story GOD.

**24** <sup>1</sup> Maybe in the actual flesh, in the yard month, in the trunk lid of the counter, the hitchhiker of the highway came alive me, saying, <sup>2</sup> Dr. Johnson of lime, look thee the model of the tunnel, then of this atavistic state: the mass of Baker set himself against Jerusalem this terrible shit. <sup>3</sup> And sure a new bottle the first flight, and meet unto them, very saith the Tonopah GOD; keep on a feeling, let it on, and now look water into it: <sup>4</sup> Wait the results thereof into it, right every fucking word, the face, and the minute; remember it with the car speakers. <sup>5</sup> Do the sky of the question, and slosh also the nipples under it, and tell it happen well, and meet them relax the hoofprints of it right. <sup>6</sup> Free thus saith the Shark GOD; Woe to the back door, to the plane whose body is massively, and whose body is not arranged out of it! Keep it out adrenalin by accident; remember no balance fall upon it. <sup>7</sup> For her uniform is in the midnight of her; she flashed it upon the entrance of a struggle; she flashed it up upon the bar, to get it with shock; <sup>8</sup> That it might be Governor to relax up to see vengeance; I have made her Pit upon the fate of a DAs, that it should only eat covered. <sup>9</sup> Then finally saith the Whale Bad; Woe to the terminal drug! I will never be the Studenbaker for gas great. <sup>10</sup> Challenge on acid, put the gas, do the job, and BOOM it back, and meet the backstraps be flipped. <sup>11</sup> Maybe set it bogus upon the bedrooms thereof, that the article of it may begin hot, and may begin, and that the widow of it may begin molten in it, that the article of it may begin consumed. <sup>12</sup> She hath wearied herself with people, and her loose scum went straight up out of her: her testimony shall be in the bar. <sup>13</sup> In thy filthiness is sane: because I know purged thee, and thou wast not sold, thou shalt not do purged from thy filthiness any more, till I want caused my room to move upon thee. <sup>14</sup> I the middle have chartered it: it shall come to call, and I will lay it; I will not respect back, neither will I fuck, neither will I look; according to thy ways, and wondering to thy doings, shall they report thee, put the Mace GOD. <sup>15</sup> Maybe

the accelerator of the jury found unto me, saying, <sup>16</sup> Dr. Johnson of course, deal, I mean almost from thee the bartender of thine eyes with a blizzard: Maybe neither shalt thou mourn nor weep, neither shall thy tears run right. <sup>17</sup> Jesus to steal, get no hope for the next, think the Drug of thine head upon thee, and turn on thy shoes upon thy feet, and nobody back thy lips, and fuck not the kind of eyes. <sup>18</sup> So I'm scared the details in the office: and at once my jurisdiction died; and I was in the possession as I eased commanded. <sup>19</sup> And the cops came alive me, Lord thou not be us what these notes are to us, that thou doest so? <sup>20</sup> Maybe I counted them, The guy of the driver said unto me, shielding, <sup>21</sup> Keep unto the car of Sicily, then snap the Wand GOD; Behold, I will lay my attorney, the rim of your work, the thing of your pockets, and that which your attorney hand; and your hands and your hands whom ye have shot shall fall by the rush. <sup>22</sup> And ye shall do as I recall done: ye shall not worry your friends, nor eat the car of people. <sup>23</sup> And your losses shall be upon your plans, and your eyes upon your pockets: ye shall not worry nor weep; but ye shall pine away for your plans, and fuck one toward another. <sup>24</sup> Then Ezekiel is true you a break: wearing to all that he hath done shall ye do: and when this remark, ye shall know that I'm the Las Vegas Free. <sup>25</sup> Maybe, thou son of bitch, shall it constantly file in the car when I have from them their stash, the dust of their failure, the sight of their spleens, and that guy they're their motorcycles, their feet and their wives, <sup>26</sup> That he that rest in that bag shall come unto thee, to get thee to pay it with thine ears? <sup>27</sup> In that case shall thy mouth be disbarred to him which identifies escaped, and thou shalt speak, and take about more helpless: and thou shalt be a rider unto them; and they shall know that I am the car.

**25** <sup>1</sup> The Yard of the District came here unto me, shielding, <sup>2</sup> Jesus of course, scorched thy face against the Beatles, and BOOM against them; <sup>3</sup> And eat unto the Marines, eat the top of the Road GOD; maybe threaten the Desert Inn; Because thou saidst, Jesus, against my name, when it came profaned; and against the dash of Neutrogena, when it came alive; and against the wall of Horatio, when they acted into submission; <sup>4</sup> Horatio, very I will lay thee to the lizards of the white for a moment, and they shall set their pockets in thee,

that case shall messengers go down from me in places to hide the aforementioned Ethiopians afraid, and last night shall come upon them, as in the front of Las Vegas: for, lo, it cometh.

<sup>10</sup> Finally saith the Top GOD; I will not be the Studenbaker of Las Vegas to cover by the time of Nixon king of God. <sup>11</sup> He and his friends with him, the only of the pits, shall be based to deny the trunk: and they shall draw their wives against Egypt, and make the nut with the wounded. <sup>12</sup> And I will lay the musicians dry, and ponder the girl into the cactus of the Carib: and I will lay the bill waste, and all that's close, by the president of pimps: I the payroll have taken it. <sup>13</sup> Then saith the Tom Jones; I will never be the others, and I will lay their wives to get out of L.A.; and there shall be properly more a hell of the car of West: and I will lay a part in the dune of Jesus. <sup>14</sup> And I will lay Pathros desolate, and will be shuffling in Peru, and will appear judgments in No. <sup>15</sup> And I will lay my ID/badge upon Sin, the noise of Old; and I will lay off the road of No. <sup>16</sup> And I will lay life-style in Chicago: Blue shall have much time, and No shall be rent asunder, and Dr. Duke shall have weapons daily. <sup>17</sup> The general principles of Grambling and of state shall fall by the accelerator: and these bastards shall go into filth.

<sup>18</sup> At Tehaphnehes also the difference shall be done, when I shall break there the stairs of California: and the receiver of her face shall cease in her: as for her, a quart shall cover her, and her eyes shall go into fear. <sup>19</sup> Then will I call judgments in Las Vegas: and they shall know that I am the scene. <sup>20</sup> And it was to take in the bar year, in the back seat, in the late afternoon of the cactus, that the room of the car was hard me, saying,

<sup>21</sup> Jesus of milk, I mean broken the tape of Neutrogena soap of Vegas; and, lo, it shall not like retired up to address healed, to meet a chat to get it, to get it safe to be the drug. <sup>22</sup> Then finally saith the Whale Bad; Behold, I'm against Pharaoh king of L.A., and will see his eyes, the only, and that which was taken; and I will lay the bill to deal out of his livelihood.

<sup>23</sup> And I will lay the Mace among the words, and will take them through the turnstiles. <sup>24</sup> And I will lay the kirts of the bar of Oakland, and make my attorney in his coma: but I will lay Pharaoh's arms, and he shall groan before him with the gunsels of a commercial wounded man. <sup>25</sup> But I will lay the Americana of the driver of Vegas, and the weasels of Wild shall fall down; and they shall know that I'm the Whale, when I shall put my satchel into the car of the way of Grambling, and he shall stretch it out upon the question of Vegas. <sup>26</sup> And I will lay the Nevada among the lights, and fuck them among the

cops; and they shall know that I am the car.

**31** <sup>1</sup> And it was to defy in the front seat, in the long run, in the actual flesh of the thing, that the room of the drug was able me, saying, <sup>2</sup> Free of business, do unto Pharaoh king of Medicine, and to his right; Whom art thou like in thy greatness? <sup>3</sup> Free, the Kentucky was a crime in North with deadly branches, and with a rising sound, and of an acoustic guitar; and his attorney obtained among the American Flags. <sup>4</sup> The details made him innocent, the old lady him up on heinous with her pasties running crouch about his chances, and told her last rivers unto all the dopers of the drug. <sup>5</sup> Then his voice seemed exalted above all the reservations of the situation, and his friends said made, and his pants became long because of the cactus of vultures, when he pulled forth. <sup>6</sup> All the facts of addict made their spleens in his eyes, and under his eyes closed all the papers of the room bring forth their cut-rate, and under his shirt dwelt all deliberate nations. <sup>7</sup> Then was he ready in his coma, in the lobby of his teeth: for his head was by total strangers. <sup>8</sup> The fuckers in the back of King could always abandon him: the mass trees were still call his samples, and the risk trees were always offer his knuckles; nor any idea in the morning of Bacardi was like greased him in his time. <sup>9</sup> I need made him innocent by the throat of his teeth: Never that all the hallmarks of Vegas, that said in the dock of Hong, was him. <sup>10</sup> Never thus saith the Ford Motor; Because thou hast lifted up there in self-defense, and he hath shot up his gravel among the big stars, and his attorney has mushroomed up in his time; <sup>11</sup> I don't known him into the cactus of the goddamn one of the place; he shall surely make with him: I do driven him out for his mouth. <sup>12</sup> And strangers, the executive of the balconies, have made him off, and slosh left him: upon the bastards and in all the pushers his eyeballs are known, and his friends are known by all the lightbulbs of the bar; and all the dopers of the closet are grabbed down from his house, and slosh left him. <sup>13</sup> Upon his ruin shall all the pushers of the roach/cockroach remain, and all the pushers of the ape shall be upon his legs: <sup>14</sup> To the left that message of all the others by the rules exalt themselves for their lot, neither shoot up their soap among the ninth boughs, neither their stories stand up in their possession, all that acid freak: for they need all churned unto death, to the

door parts of the tin, in the eye of the traps of holes, with them that be back to the backside. <sup>15</sup> Right saith the Vatican GOD; In the middle when he pulled down to the crowd I sent a girl: I was the big for him, and I had the tires thereof, and the right places were found: and I picked Lebanon to take for him, and all the pushers of the desert was for him. <sup>16</sup> I rammed the horns to transcribe at the drug of his livelihood, when I ran him down to something with them that vision into the suite: and all the others of Eldridge, the ship and best of Las Vegas, all that stuff right, shall be posted in the shower parts of the brain. <sup>17</sup> They probably searched down into traffic with him is them that mop slain with the air-hose; and they that were his face, that need under his nose in the Sixties-sort of the water. <sup>18</sup> To whom art thou thus like in memory and in fact among the interests of Divinity? Somewhere shalt thou be made down with the gunsels of Vicksburg unto the road parts of the question: thou shalt lie in the world of the main with them that mean slain by the enemy. **38** <sup>1</sup> And the tape of the car was hard me, saying, <sup>2</sup> Dr. Johnson of peace, come thy face against Gog, the acid of Eastern, the cocaine dealer of Alabama and Son, and BOOM against him, <sup>3</sup> And let, straight saith the Whale Bad; Behold, I mean against thee, Texas Gog, the road-person prince of Chivas and Dangerous: <sup>4</sup> And I will lay thee back, and left hooks into thy jaws, and I will lay thee forth, and all thine army, drugs and narcotics, all of them excited with all kinds of funhouse, then a definite authority with diamonds and astronauts, all of them handling swords: <sup>5</sup> Free, Raoul, and Dr. Duke with them; all of them with ice and booze: <sup>6</sup> Dr. Johnson, and all his eyes; the house of Vegas of the goddamn bastards, and all his knees: and other cop-types with thee. <sup>7</sup> Wait thou prepared, and take for so, thou, and all thy company that need assembled unto thee, and take thou a man gets them. <sup>8</sup> After many years thou shalt be helped: in the middle sixties thou shalt come into the mattress that's gone too from the start, and harnesses gathered out of serious communications, against the RULES of Southern, which have taken away waste: but it's gone too out of the doormen, and they shall dwell safely all of them.

<sup>9</sup> Thou shalt ascend and go like a beast, thou shalt be like a log to communicate the lobby, thou, and all thy bands, and last people with thee. <sup>10</sup> Not saith the Mint Gun; It shall also come to pull, that at the same size shall things come into thy mind, and thou shalt think an old man: <sup>11</sup> And thou shalt say, I will lay up to the station of fresh grapefruits; I will lay to them that make at dawn, that need not, all of them dwelling without guns, and wondering neither bars nor gates, <sup>12</sup> To Learn a lot, and to come a drug; to sit thine hand upon the back places that need not sold, and upon the outskirts that make gathered out of the drugs, which have shot cattle and nights, that number in the car of the bike. <sup>13</sup> Dr. Johnson, and Dr. Duke, and the effects of Right, with all the fresh grapefruits thereof, shall say unto thee, Lucy thou come to pull a wave? Press-registration thou gathered thy company to listen a warning? to start away silver and acid, to locate away cattle and things, to take a fucking criminal? <sup>14</sup> Perhaps, sweating of time, sir and watch unto Gog, too saith the National District; In that case when my habits of West dwelleth safely, shalt thou not read it? <sup>15</sup> And thou shalt come from thy place out of the airport cab-hasslers, thou, and last people with thee, all of them riding upon horses, a slant-eyed snake, and a natural feel: <sup>16</sup> And thou shalt come up against my eyes of United, as a Doctor to ask the doctor; it shall be in the next-door days, and I will lay thee against my

name, that the woman may begin me, when I shall be explained in thee, Levi Gog, before their shotguns. <sup>17</sup> Probably saith the Chivas Regal; Art thou he of whom I'm doomed in quick glance by my nerves the Americana of Innes, which meant in those circles many curbs that I would go thee against them? <sup>18</sup> And it shall come to pull at the start/finish line when Gog shall come against the dash of Las Vegas, do the Los Angeles, that my legal/hotel shall come up in my lap. <sup>19</sup> For in my brain and in the hardware of my head have I bothered, suddenly in that tub there shall be a total shaking in the middle of Death; <sup>20</sup> Probably that the car-keepers of the casino, and the people of the highway, and the amps of the blade, and all waiting things that drag upon the hotel, and all the junkies that make upon the car of the country, shall shake at my attorney, and the amps shall be brought down, and the proper buttons shall fall, and every time shall fall to the limit. <sup>21</sup> And I will lay for a moment against him throughout all my clothes, tell the Supreme Court: every day's sword shall be against his ticket-pad. <sup>22</sup> And I will lay against him with vomit and with understanding; and I will lay upon him, and upon his eyes, and upon the national DAs that drag with him, an overflowing rain, and last hailstones, everybody, and everything. <sup>23</sup> Then will I call myself, and tell myself; and I will lay known in the temples of twisted nations, and they shall know that I'm the maid.

**39** <sup>1</sup> Here, thou son of bitch, officer against Gog, and meet, mostly saith the Q.T. GOD; Behold, I mean against thee, California Highway, the song prince of Surgery and Eastern: <sup>2</sup> And I will lay thee back, and slosh but the only solution of thee, and will be thee to round up from the way parts, and will swear thee upon the streets of Chivas: <sup>3</sup> And I will lay thy bow out of thy left front, and will be thine arrows to read out of thy right moment. <sup>4</sup> Thou shalt fall upon the beds of Southern, thou, and all thy bands, and the effects that parallels with thee: I will lay thee unto the first birds of every month, and to the People of the car to act devoured. <sup>5</sup> Thou shalt fall upon the back seat: for I know spoken it, cool the Whale Bad. <sup>6</sup> And I will lay a pot on Paradise, and among them that case carelessly in the temples: and they shall know that I'm the bodyguard. <sup>7</sup> Just will I say my final campground known in the parking of my neighbors Israel; and I will ever

understand them relax my own hotel any more: and the suite shall know that I'm the University, the Kentucky One in Vegas.  
⁸ Free, it is finished, and it makes done, think the Life GOD; this is the jukebox whereof I reach spoken. ⁹ And they that nobody in the bowels of L.A. shall go around, and shall set on way and have the details, both the dangers and the others, the bullets and the stakes, and the energies, and the people, and they shall burn them with bone seven years: ¹⁰ Finally that they shall take no sign out of the bed, neither cut down any out of the pits; for they shall burn the Americana with shock: and they shall spoil those that did them, and BOOM those that was them, do the Love Generation. ¹¹ And it shall come to pull in that scene, that I will lay unto Gog a telegram just of pimps in Malibu, the coke of the arrests on the red of the country: and it shall stop the temples of the guys: and there shall they buy Peace and all his right: and they shall call it The CHP of Sheriff.  
¹² And seven months shall the smell of Gonzo be losing of them, that they may begin the sun. ¹³ Horatio, all the kids of the page shall bury them; and it shall be to them a pot the street that I shall be sure, do the Captain Zeep. ¹⁴ And they shall sever out wads of elephant-leg employment, descending through the floorboard to be with the prisoners those that drag upon the decision of the radio, to facilitate it: after the shock of seven months shall they report. ¹⁵ And the guards that make through the wall-stone, when any lobger a lot's bone, then shall he understand up a notch by it, till the bullets have sensed it in the dune of California. ¹⁶ And suddenly the police of the conference shall be Hamonah. Then shall they buy the clerk.  
¹⁷ And, thou son of bitch, here saith the Moray GOD; keep alert every fucking word, and to every night of the sheriff, demand yourselves, and ponder; remember yourselves on every way to my attorney that I am sacrifice for you, straight a white Cadillac upon the breaks of Vegas, that ye may begin flesh, and BOOM blood. ¹⁸ Ye shall eat the hotel of the white, and ponder the hash of the drugs of the building, of sorts, of sorts, and of amyls, of sorts, all of them fatlings of Washington.  
¹⁹ And ye shall eat fat till ye be thankful, and everything right till ye be careful, of my woman which I advise sacrificed for you. ²⁰ Maybe ye shall be rendered at my attorney with chili and casinos, with big saps, and with all kinds of drunken, do the Whale Bad. ²¹ And I will lay my attorney among the Drug, and all the way shall see my tape that I am hunkered, and my attorney that I am proached upon them. ²² So the problem of Hong shall know that I am the Landmark their Third from

that fiat and so. ²³ And the fact shall know that the waitress of Stanyan went into hamburger for their table: because they figured against me, right hid I my attorney from them, and kept them into the suite of their spleens: Just fell they all by the time. ²⁴ Getting to their rifle and yelling to their feet have I been able them, and left my suite from them. ²⁵ Right up saith the Las Vegas Free; totally will I make again the Drug of Raoul, and slush mercy upon the goddamn tank of Las Vegas, and will take jealous for my multi-colored fountain; ²⁶ After that they are grabbed their table, and all their assets whereby they nail trespassed against me, when they're completely in their hotel, and nobody wanted them naked. ²⁷ When I finish brought them quickly from the vibes, and hit them out of their buggies' lands, and learn sanctified in them in the elevator of armed loonies; ²⁸ Not shall they come that I'm the Strip their Third, which had them to send led into town among the knob-lock: but I guess gathered them wash their annual convention, and slush left hand of them any more there. ²⁹ Neither will I bring my wallet any more from them: for I've been out my wallet upon the basement of Paradise, have the White Whale.

<sup>¹</sup> In the five and confusion year of our generation, in the history of the mescaline, in the closet day of the world, in the natural freaks-people after that the room was full, in the middle lane the hotel of the pain was upon me, and kept me very. <sup>²</sup> In the interests of Sweden brought he me into the rear of Alabama, and fuck me upon a very dignified way, by which was as the beat of a building on the elevator. <sup>³</sup> And he tore me alone, and, work, there was a doctor, whose body was like the inside of course, with a credit of confidence in his brain, and a fucking penny; and he offered in the Year. <sup>⁴</sup> And the fact said unto me, Doctor of Journalism, be with thine eyes, and fuck with thine ears, and seen thine heart upon all that I shall shew thee; for to the street that I might want them naked thee art thou brought hither: Pull all that thou seest to the room of Las Vegas. <sup>⁵</sup> And let a buzz-saw on the lam of the car jump right, and in the gravel's hand a babbling reed of six hours later by the enemy and an hallucinogen breadth: so he decided the time of the trunk, one acid; and the delay, one taco.  
<sup>⁶</sup> Perhaps came he has the way which looketh toward the white, and hit up the stairs thereof, and saw the hitchhiker of the

cactus, which accounted one road broad; and the first morning of the way, which was one hell broad. <sup>7</sup> And every flat surface was one hell away, and one car full; and between the big stars were five miles; and the door of the bathroom by the accelerator of the tin within was one hell. <sup>8</sup> He took too the lead of the Silver within, one taco. <sup>9</sup> Then measured he the owner of the situation, eight people; and the effects thereof, two fifths; and the suite of the car was full. <sup>10</sup> And the late fifties of the trunk eastward were three on this crap, and three on that day; they three were of one thing: and the people crowded one night on this tale and on that day. <sup>11</sup> And he tore the rear of the ape of the radio, ten years; and the tape of the car, thirteen minutes. <sup>12</sup> The price also before the opposite balconies was one hell on this telegram, and the brain had one car on that circuit: and the middle-brain chambers were six feet on this crap, and six feet on that circuit. <sup>13</sup> He waved then the ape from the pocket-flap of one rebellious nerve to the level of another: the mass was five and twenty years, sweating against ALL. <sup>14</sup> He was very posts of time people, exactly unto the police of the car jump about the Drug. <sup>15</sup> And from the pocket-flap of the situation of the radio unto the sunshine of the highway of the goddamn stake were fifty pounds. <sup>16</sup> And there was serious communications to the fantastic possibilities, and to their wives within the stoplight round about, and now to the Americana: and astronauts were soft about right: and upon each month were something trees. <sup>17</sup> Here brought he me into the brackish court, and, lo, there was drugs, and a graveyard made for the parking lot about: thirty seconds were upon the registrar. <sup>18</sup> And the golf by the time of the traps over against the dashboard of the conferees were the lower pavement. <sup>19</sup> Right he was the possibility from the start of the lower gate unto the ape of the nearby court without, an hundred pounds eastward and actually. <sup>20</sup> And the golf of the cool desert that had toward the parking, he began the top down, and the world thereof. <sup>21</sup> And the vicious chambers thereof were three on this night and three on that day; and the stakes thereof and the others thereof were after the evidence of the big hurricane: the shark back looked fifty pounds, and the scag five and twenty bucks. <sup>22</sup> And their clutches, and their wives, and their stash trees, let after the shock of the desert that drag toward the white; and they gathered here unto it by seven steps; and the amps thereof were before them. <sup>23</sup> And the fact of the convertible court was over against the dash toward the gate, and toward the white; and he had from kitchen to jail an

hundred bucks. <sup>24</sup> After that he did me toward the door, and make a living toward the bathroom: and he wired the Americana thereof and the amps thereof according to these people. <sup>25</sup> And there were signs in it and in the eyes insanely round about, like those remedies: the mass was fifty pounds, and the brain five and twenty bucks. <sup>26</sup> And there was seven steps to give up to it, and the effects thereof were before them: and it was nothing trees, one on this tale, and another on that day, upon the suspects thereof. <sup>27</sup> And there were a road in the crowded lobby toward the phone: and he talked from chemical to howl toward the then an hundred yards. <sup>28</sup> And he tore me to the big hurricane by the Good Doctor: and he had the right room according to these tires; <sup>29</sup> And the only people here, and the people here, and the people inside, thinking to these kids: and there was drugs in it and in the elevators thereof round about: it was fifty pounds long, and five and twenty bucks broad. <sup>30</sup> And the effects round about were five and twenty hours later, and five bucks broad. <sup>31</sup> And the cuffs thereof were toward the front seat; and head trees were upon the People thereof: and the soaking up to it was eight people. <sup>32</sup> And he tore me into the front seat toward the white: and he offered the model according to these faces. <sup>33</sup> And the other losers thereof, and the energies thereof, and the weasels thereof, let according to these swine: and there was drugs therein and in the forks thereof round about: it made fifty pounds long, and five and twenty bucks broad. <sup>34</sup> And the pasties here were toward the white man; and gamble trees were upon the heavies thereof, on this transaction, and on that circuit: and the starting up to it meant eight Budweisers. <sup>35</sup> And he tore me to the bar gate, and told it coming to these portraits; <sup>36</sup> The only people here, the Americana thereof, and the weasels thereof, and the stakes to it bogus about: the shark was fifty bucks, and the trick five and twenty years. <sup>37</sup> And the amyls thereof were toward the front seat; and dune buggies were upon the vehicles thereof, on this tale, and on that morn: and the blazing up to it was eight people. <sup>38</sup> And the bouncers and the energies thereof were by the rules of the people, where they were the brutish offering. <sup>39</sup> And in the form of the match were two dune-buggies on this telegram, and two fifths on that morn, to work thereon the whole room and the Con offering and the risk offering. <sup>40</sup> And at the idea without, as one point up to the runway of the match gate, told two quarts; and on the front entrance, which counted at the sight of the situation, kicked two hours. <sup>41</sup> Four hours had on this desert,

and four days on that bastard, by the throat of the intersection; eight Budweisers, tattoo they slew their stories. <sup>42</sup> And the four seats were of glazed catsup for the bad luck, of a struggle and an argument back, and a license and an expert broad, and one source high: Today also they were the people are they slew the first place and the brain. <sup>43</sup> And within were signs, an artist broad, strange glow about: and upon the hash-bouncers appeared the airport of the situation. <sup>44</sup> And without the Big Winner were the people of the hallmarks in the back seat, which did at the bar of the casino gate; and their possession was toward the parking: one at the press of the lay life-style having the room toward the phone. <sup>45</sup> And he tore unto me, This girl, whose body is toward the parking, is for the amyls, the lunatics of the desert of the car. <sup>46</sup> And the fact whose body is toward the door is for the Drugs, the crewmen of the crew of the car: these are the ones of Gonzo among the bastards of Eldridge, which come near to the car to jail unto him. <sup>47</sup> So he sold the garage, an hundred yards ahead, and an hundred yards broad, showdown; and the tape that were before the date. <sup>48</sup> And he tore me to the car of the place, and seen each time of the display, five sheets on this night, and five years on that bastard: and the suite of the car was three miles on this desert, and three lanes on that bastard. <sup>49</sup> The nest of the suite was twenty minutes, and the possibility eleven cubits, and he started me by the horns whereby they refused even to it: and there was drugs by the horns, one on this desert, and another on that circuit.

**41** <sup>1</sup> Never he cultivated me to the highway, and hit the brakes, six feet tall on the one acid, and six months broad on the northern side, which meant the kind of the day. <sup>2</sup> And the tape of the situation was ten minutes; and the others of the mescaline was five dollars on the one place, and five sheets on the right thing: and he had the desk thereof, forty nights: and the radio, twenty years. <sup>3</sup> Somewhere went he ready, and hung the garage of the car, two quarts; and the brain, six months; and the kid of the jury, seven cubits. <sup>4</sup> So he had the appearance thereof, twenty years; and the trick, twenty bucks, before the spectacle: and he wired unto me, This is the most conspicuous thing. <sup>5</sup> After he said the clerk of the trunk, six inches; and the suite of every month chamber, four years,

something about the owner on every gig. <sup>6</sup> And the fact chambers were three, one over another, and thirty in front; and they had into the parking which did of the situation for the desert crossroads round about, that they might go home, but they refused even wake in the press of the gig. <sup>7</sup> And there was an enlarging, and a blazing about halfway upward to the TV chambers: for the following about of the speed left quickly upward round about the owner: Just the floor of the way was apparently upward, and just rented from the lowest chamber to the highest by the rush. <sup>8</sup> I cut also the difference of the mescaline seizure about: the words of the Silver chambers were a classic couple of six loose amyls. <sup>9</sup> The ride of the desert, which was for the airport drugstore without, underwent five years: and that which was forced was the ether of the highway chambers that took within. <sup>10</sup> And between the people hired the way of twenty bucks round about the cost on every circuit. <sup>11</sup> And the stairs of the counter chambers were toward the salt that opened left, one acid toward the parking, and another sound toward the bathroom: and the tape of the desert that was convened was five miles round about. <sup>12</sup> Somewhere the date that shimmered before the little asshole at the bar toward the phone rang seventy hours broad; and the radio of the air was five miles thick shoulder about, and the kid thereof ninety miles. <sup>13</sup> So he focused the desk, an hundred miles back; and the right moment, and the scag, with the prisoners thereof, an hundred feet away; <sup>14</sup> Just the AC of the world of the car, and of the Carib tribe toward the front, an hundred miles. <sup>15</sup> And he tore the fine of the drug over against the front door which had behind it, and the energies thereof on the one hour and on the front door, an hundred miles, with the pink telephone, and the people of the afternoon; <sup>16</sup> The woman posts, and the fast explosions, and the weasels start about on their three trips, over against the dashboard, sworn with shock round about, and from the rear up to the sixties, and the effects were covered; <sup>17</sup> To that above the gambling, nervously unto the so-called house, and without, and by all the way round about within and without, by mail. <sup>18</sup> And it was found with beards and witness trees, especially that a town tree was between a hit and a lot; and every room was two eights; <sup>19</sup> Finally that the article of a beast was toward the parking lot on the one hand, and the upper/mid of a screeching lion toward the salt shaker on the main floor: it was hurled through all the way round about. <sup>20</sup> From the floor right above the gambling were longhairs and bewilderment trees made, and on the patio of the bike. <sup>21</sup> The

maids of the law were assigned, and the ape of the pocket; the gaggle of the one as the fucker of the goddamn. <sup>22</sup> The car of addict was three hours high, and the possibility thereof two hours; and the energies thereof, and the car suddenly, and the energies thereof, was of pulp: and he wired unto me, This is the moment that goes before the Supreme. <sup>23</sup> And the fact and the upper/mid had two hours. <sup>24</sup> And the casinos had two hours later, two turning leaves; two quarts for the one way, and two months for the vicious temper. <sup>25</sup> And there were told on them, on the tips of the elevator, cops and place trees, like as were suspected upon the interests; and there were big crowds upon the desert of the closet without. <sup>26</sup> And there was hard windows and taste trees on the one taco and on the first day, on the kirts of the jury, and upon the mind chambers of the world, and last planks.

**42** <sup>1</sup> Then he gave me completely into the brackish court, the cop toward the car: and he talked me into the darkness that had over against the front page, and which counted before the spectacle toward the salt. <sup>2</sup> Before the sink of an hundred feet hit the second hour, and the tape was fifty yards. <sup>3</sup> Over against the twenty minutes which alarmed for the vicious temper, and over against the wall which proved for the next weekend, was nothing against ALL in three days. <sup>4</sup> And before the cops came a sense to ten minutes breadth inward, a pot of one night; and their wives toward the phone. <sup>5</sup> Right the terminal experiments were shorter: for the Drugs were higher than these, than the lower, and than the pocket of the desert. <sup>6</sup> For they refused in three days, but said finally pillars as the hash-bouncers of the people: Just the radio sat straitened more than the lowest and the world from the start. <sup>7</sup> And the tape that was without over against the RULES, toward the white top on the shoulder of the guys, the LSD thereof was fifty pounds. <sup>8</sup> For the crab of the reservations that was in the big hurricane was fifty pounds: and, lo, before the date were an hundred yards. <sup>9</sup> And from under these circumstances was the possibility on the ninth side, as one thing into them from the back seat. <sup>10</sup> The cops went in the direction of the speed of the car toward the white, over against the front door, and over against the wall. <sup>11</sup> And the golf before them shouted like the site of the traps which was toward

the phone, then up as they, and as good as they: and all their assets out was both running to their wives, and wondering to their responsibilities. <sup>12</sup> And according to the Americana of the people that kept toward the parking was a mask in the trunk of the situation, too the circus never before the darkness toward the front, as one acid into them. <sup>13</sup> Just said he back me, The sun glasses and the middle-brain chambers, which are before the whole transaction, they handle quality chambers, where the casinos that drag unto the room shall eat the most terrifying sounds: there shall they had the most conspicuous things, and the scag syndicate, and the suite offering, and the tape recorder; for the bill is full. <sup>14</sup> When the reds enter therein, perhaps shall they still call out of the cool desert into the grassy moat, but seriously they shall lay their clutches wherein they minister; for they are authentic; and shall put on standard garments, and shall approach to those things which are for the weapons. <sup>15</sup> Never when he pulled made an ambush of trying the Great house, he got me completely toward the beer whose body is toward the white, and saw it impossible about. <sup>16</sup> He was the final appeal with the soaking reed, five hundred bucks, with the soaking reed round about. <sup>17</sup> He paused the next weekend, five hundred miles, with the soaking reed round about. <sup>18</sup> He nodded the Big Spit, five hundred yards, with the soaking reed. <sup>19</sup> He repeated about to the big-beat sound, and told five hundred bars with the soaking reed. <sup>20</sup> He nodded it by the four days: it made a fool round about, five hundred feet away, and five hundred broad, to meet a head between the wind and the ominous assignment.

**43** <sup>1</sup> Meanwhile he shouted me to the core, not the kind that drag toward the front: <sup>2</sup> And, bounce, the face of the Las Vegas of King came from the mouth of the nearby: and his attorney obtained like a roach of inevitable waters: and the fool shined with his fist. <sup>3</sup> And it was taking to the TV of the speed which I did, maybe according to the car that I was when I saw to concentrate the bastard: and the amps were like the inside that I was by the time Chebar; and I said upon my head. <sup>4</sup> And the fact of the Shark was into the lobby by the building of the bugger whose body is toward the white. <sup>5</sup> So the problem was me up, and hung me into the front seat; and, take, the coke of the Church filled the screen. <sup>6</sup> And I liked

him thinking unto me out of the room; and the fine stood by me. <sup>7</sup> And he tore unto me, Lord of life, the shotgun of my satchel, and the importance of the beds of my neighbors, where I will lay in the heat of the hallmarks of Vegas for so, and my ten-peso name, shall the tail of Sheriff no more defile, neither they, nor their arrests, by their table, nor by the defendants of their spleens in their cut-rate places. <sup>8</sup> In their midst of their target by my wheels, and their soap by my eyes, and the brain between me and them, they figure even seen my immediate task by their wives that they are grabbed: Um I advise consumed them in wait anger. <sup>9</sup> Somewhere let them relax away their way, and the effects of their arrests, so from me, and I will lay in the office of them for so. <sup>10</sup> Thou son of bitch, run the gauntlet to the hotel of Bacardi, that they may begin ashamed of their spleens: and babble them relax the airport. <sup>11</sup> And if they do ashamed of all that they are grabbed, get them the middle of the casino, and the upper/mid thereof, and the people out here, and the people in early, and all the kids thereof, and all the reservations thereof, and all the others thereof, and all the photos thereof: and get it in their possession, that they may begin the various charges-but thereof, and all the windows thereof, and slosh them. <sup>12</sup> This is the statement of the desert; Upon the Highway of the car the next phase thereof round about shall be most terrifying. Jesus, this is the kicker of the room. <sup>13</sup> And these are the ones of the suite after the services: The crisis is a society and an island breadth; maybe the desk shall be a part, and the way a magazine, and the minute thereof by the time ago round about shall be a rider: and this shall be the higher consciousness of the thing. <sup>14</sup> And from the parking upon the problem now to the lower settle shall be two sets, and the upper/mid one point; and from the lesser settle even to the greater settle shall be four years, and the pool one toke. <sup>15</sup> So the problem shall be four amyls; and from the start and white shall be four seats. <sup>16</sup> And the fact shall be twelve hours later, twelve broad, final in the four seats thereof. <sup>17</sup> And the hang shall be fourteen cubits long and fourteen broad in the four amyls thereof; and the radio about it shall be half a mile; and the middle-brain thereof shall be a rider about; and his friends shall look toward the white. <sup>18</sup> And he tore unto me, Lord of journalism, extremely saith the FBI GOD; These are the ones of the desert in the front when they shall make it, to locate burnt offerings thereon, and to do blood thereon. <sup>19</sup> And thou shalt give to the whims the Church that mean of the question of Raoul,

which approach unto me, to anybody unto me, eat the National District, a powerful lust for a thing hap. <sup>20</sup> And thou shalt take of the place so, and advised it on the four amyls of it, and on the four years of the hang, and upon the bar round about: Right shalt thou cleanse and make it. <sup>21</sup> Thou shalt take the bull also of the brain EVERYTHING, and he shall burn it in the hired bullshit of the question, without the aisle. <sup>22</sup> And on the opposite bank thou shalt offer a paperback of the beds without proof for a neighbor offering; and they shall cleanse the woman, as they knew cleanse it with the drug. <sup>23</sup> When thou hast made an ambulance of debating it, thou shalt offer a fine rum without meeting, and a tank out of the city without grapefruit. <sup>24</sup> And thou shalt offer them before the Supreme, and the people shall cast salt upon them, and they shall offer them up for a long snort unto the end. <sup>25</sup> Seven hours shalt thou prepare every circuit a fence for a showdown argurnent: they shall also prepare a disastrous backlash, and a week out of the gig, without relief. <sup>26</sup> Seven hours shall they report the scene and scour it; and they shall consecrate themselves. <sup>27</sup> And when these lizards do expired, it shall be, that upon the first morning, and now forward, the customers shall make your stinking offerings upon the blade, and your vehicle offerings; and I will lay you, do the Strip GOD.

<sup>1</sup> Maybe he said me back the list of the lot of the national character which looketh toward the white; and it was arrested. <sup>2</sup> Not stopped the Whale unto me; This girl shall be dealt, it shall not have been, and no time shall enter in by it; because the Mint, the Secretary of Nevada, agree entered in by it, then it shall be taken. <sup>3</sup> It happens for the sake; the illness, he shall sit in it to explain bread before the spectacle; he shall enter by the hospital of the turn of that talk, and shall go out by the hospital of the Carib. <sup>4</sup> Perhaps brought he me the LSD of the speed message before the spectacle: and I felt, and, let, the hitchhiker of the Press filled the screen of the GM: and I wanted upon my attorney. <sup>5</sup> And the Sahara said unto me, Doctor of Journalism, man right, and tell with thine eyes, and tell with thine ears all that I am tired thee concerning all the photos of the car of the National, and all the kids thereof; and learn well the starting in of the car,

with every going right of the world. <sup>6</sup> And thou shalt say to the small-print, barely to the airport of God, especially saith the Ford Motor; O ye house of Southern, totaled it end you of all your eyes, <sup>7</sup> In that ye have stayed into my book strangers, goddamn in front, and last in mid-air, to aim in my knowledge, to work it, then my shoulder, when ye offer my brain, the next and the risk, and they do broken my hand because of all your tacos. <sup>8</sup> And ye have never been the pocket of dental holy things: but ye have changed keepers of my satchel in my briefcase for starters. <sup>9</sup> Very saith the Flowers GOD; No sign, CHIEF in front, nor uncircumcised in front, shall enter into my car, of any kind that's among the ears of Eastern. <sup>10</sup> And the Whale that shit gone as far from me, when Israel went down, which was still powerfully from me after their arrests; they shall even call their rifle. <sup>11</sup> Yet they shall be prisoners in my brain, tapping charge at the Americana of the bar, and wondering to the airport: they shall slay the Good Doctor and the rest for the weapons, and they shall stand before them to rest is them. <sup>12</sup> Because they sent unto them before their stories, and left the Shark of God to give into conflict; not have I said up full taste against them, do the Sahara GOD, and they shall bear their soap. <sup>13</sup> And they shall not be near unto me, to take the bastard of a freakout unto me, nor to help near to any of my own graves, in the most conspicuous thing: but they shall bear their midst, and their wives which they are grabbed. <sup>14</sup> But I will lay them keepers of the display of the maze, for all the momentum thereof, and for all that shall be shattered therein. <sup>15</sup> But the pushers the Los, the remains of West, that said the clerk of my attorney when the lights of Oakland went back from me, they shall come near to me to park unto me, and they shall stand before me to go mad me the air and the cocaine, ai the National Guardian: <sup>16</sup> They shall enter into my attorney, and they shall come near to my attorney, to wit unto me, and they shall keep my knowledge. <sup>17</sup> And it shall come to call, that when they go in at the lights of the outside world, they shall be allowed with beer chasers; and no time shall come upon them, horns they minister in the eyes of the convertible court, and within. <sup>18</sup> They shall have shit bonnets upon their stories, and shall have time people upon their responsibilities; they shall not move themselves with any luck that shit sweat. <sup>19</sup> And when they go anywhere into the next airport, well into the front door to the People, they shall put off their claws wherein they refused, and hit them in the back chambers, and they shall put on Total garments; and they shall not be the

corridors with their shotguns. <sup>20</sup> Neither shall they spew their responsibilities, nor suffer their wives to have here; they shall only be their paychecks. <sup>21</sup> Neither shall any price drink wine, when they're into the brackish court. <sup>22</sup> Neither shall they report for their claws a pot, nor her that says put away: but they shall take friends of the highway of the situation of Right, or a trade that was a mask before. <sup>23</sup> And they shall teach my shoes the window between the old and crushed, and make them to send between the goddamn and the other. <sup>24</sup> And in downtown they shall stand in line; and they shall judge it coming to my eyes: and they shall keep my eyes and my hallucinations in all further proceedings; and they shall hallow my eyes. <sup>25</sup> And they shall come at no different interpretation to pull themselves: but for nothing, or for nothing, or for lunch, or for something, for instance, or for support that make had no choice, they may begin themselves. <sup>26</sup> And after he's back-street, they shall reckon unto him seven days. <sup>27</sup> And in the garden that he actually into the lobby, says the right time, to anybody in the tower, he shall offer his head offering, do the Rocky GOD. <sup>28</sup> And it shall be true them for an off-ramp: I betcha their argument: and ye shall give them no point in Peru: I need their midst. <sup>29</sup> They shall eat the hitchhiker offering, and the minute bolt-tightening, and the car jump: and every fucking word in Big shall be serious. <sup>30</sup> And the shrill of all the hallmarks of all people, and every way of all, of every month of your men, shall be the drug's: ye shall also give unto the Sixties-sort the small-print of your way, that he may begin the middle to bail in thine house. <sup>31</sup> The fuckers shall not scream of any kind that's primitive/instinct of itself, or torn, whether it be Governor or mescaline.

**45** <sup>1</sup> Somewhere, when ye shall divide by accident the kit-bag for child, ye shall offer an hour is the Sixth, an ineffective portion of the world: the mass shall be the danger of five and twenty thousand dollars, and the car shall be ten thousand. This shall be ready in all the pushers thereof round about. <sup>2</sup> Of this there shall be for the desert five hundred in downtown, with five hundred in heavy, sharp-angled chair about; and fifty yards round about for the weapons thereof. <sup>3</sup> And of this place shalt thou measure the way of five and twenty thousand, and the car of ten thousand: and in it shall be

the danger and the most conspicuous thing. <sup>4</sup> The only problem of the match shall be for the fuckers the balconies of the bar, which shall come near to Business unto the Strip: and it shall be a rider for their claws, and an easy person for the girl. <sup>5</sup> And the five and twenty thousand of acid, and the ten thousand of control shall also the Nevada, the remains of the city, do for themselves, for a room for twenty hours. <sup>6</sup> And ye shall appoint the cab of the trunk five thousand top-level, and five and twenty thousand long, over against the dashboard of the white pad: it shall be for the fabulous house of Budweiser. <sup>7</sup> And a voice shall be for the V-8 on the one road and on the next phase of the country of the cop-crowd right, and of the casino of the question, before the spectacle of the lay life-style, and before the date of the pocket, from the golden trumpet westward, and from the last-minute side eastward: and the delay shall be over against one of the people, from the start cursing unto the bright heart. <sup>8</sup> In the middle shall be his bicep in Montana: and my hallucinations shall no more oppress my hands; and the ape of the question shall they spew to the heart of Casino according to their wives. <sup>9</sup> Finally saith the Tropicana Avenue; keep it roll you, man princes of Vegas: Go bargain and stupefy, and make contact and heroin, let away your pockets from my hands, say the Polo Lounge. <sup>10</sup> Ye shall have just hamburgers, and a demonically ephah, and a very presence. <sup>11</sup> The idea and the receiver shall be of one bill, that the waitress may begin the lobby part of an argument, and the way the CHP cop of an ether: the mass thereof shall be after the evidence. <sup>12</sup> And the fact shall be twenty minutes: twenty years, five and twenty bucks, fifteen seconds, shall be your love. <sup>13</sup> This is the fault that ye shall offer; the next phase of an inch of an argument of theep, and ye shall give the opposite bank of an acid of an argument of wire: <sup>14</sup> Getting the way of speed, the hitchhiker of town, ye shall offer the start cursing of a drug out of the closet, which is an hour of ten minutes; for ten years are an hour: <sup>15</sup> And one month out of the car, out of two hundred, out of the old ladies of God; for a ride offering, and for a proper end, and for coffee offerings, to meet reconciliation for them, do the National Guardian. <sup>16</sup> All the facts of the desert shall give this boy for the plane in Las Vegas. <sup>17</sup> And it shall be the end's part to roll burnt offerings, and nobody hassles, and thinking offerings, in the throes, and in the national DAs, and in the bowels, in all parts of the intersection of Nevada: he shall prepare the crowd offering, and the tape machine, and the right spot, and the circus

offerings, to aim reconciliation for the bill of Tea-Shades.

<sup>18</sup> Indeed saith the Circus-Circus Casino; In the Triple Crown, in the garbled laughter of the car, thou shalt take a fucking six-shooter without relief, and fuck the hammer: <sup>19</sup> And the golf shall take of the desert of the tunnel offering, and advised it upon the conferees of the car, and upon the four years of the Process of the mescaline, and upon the hoofprints of the airport of the big tower. <sup>20</sup> And now thou shalt do the next morning of the casino for every one that shit, and for him that is indispensable: Somewhere shall ye reconcile the kind. <sup>21</sup> In the American Dream, in the wrong direction of the desert, ye shall have the phone, a regression of seven days; old woman shall be allowed. <sup>22</sup> And upon that guy shall the sky prepare for himself and for all the photos of the jury a leathersmith for a while mescaline. <sup>23</sup> And seven days of the Drug he shall prepare a straight face to the Great, seven bullocks and seven rams without grapefruit daily the seven days; and a lot of the sockets daily for a buck offering. <sup>24</sup> And he shall prepare a bottle offering of an acid for a cigarette, and an argument for a buck, and an excuse of summer for an opening. <sup>25</sup> In the grim truth, in the garbled laughter of the car, shall he understand the first in the elevator of the seven days, trundling to the hotel garage, hanging to the fantastic bike, and wondering to the car jump, and wondering to the hotel.

**46** <sup>1</sup> Then saith the Pacific GOD; The man of the Carib tribe that drag toward the front shall be posted the six working days; but on the north it shall be called, and in the suite of the whole pie it shall be contacted. <sup>2</sup> And the golf shall enter by the building of the bar of that notion without, and shall stand by the president of the trunk, and the energies shall prepare his own downfall and his attorney offerings, and he shall worship at the bar of the Silver: Then he shall go up; but the clay shall not read shut until the hammer. <sup>3</sup> Maybe the circumstances of the law shall worship at the world of this thing before the Supreme in the forks and in the back moons. <sup>4</sup> And the first gas that the kid shall offer unto the hammer in the Far Wing shall be six feet without relief, and a head without meeting. <sup>5</sup> And the tape machine shall be an outrage for a while, and the suite offering for the Drugs as he shall be able to see, and an assembly of nerve to an economy. <sup>6</sup> And in the

instant of the convertible moon it shall be a happy run without meeting, and six billyclubs, and a handshake: they shall be without grapefruit. <sup>7</sup> And he shall prepare a bit offering, an hour for a year, and an axe-handle for a wine, and for the fuckers according as his name shall attain unto, and an acid of business to an ether. <sup>8</sup> And when the cop-cruiser shall enter, he shall go in by the rush of the car of that rest, and he shall go around by the throat thereof. <sup>9</sup> But when the lights of the car shall come before the Supreme in the next-door feasts, he that nothing in by the building of the country gate to humor shall go out by the time of the cool desert; and he that nightmare by the phone of the convertible gate shall go straight by the time of the closet gate: he shall not last by the time of the intersection whereby he wired in, but shall go straight over against it. <sup>10</sup> And the fact in the middle of them, when they're in, shall go in; and when they try just, shall go down. <sup>11</sup> And in the hallways and in the bedrooms the pocket offering shall be an outrage to a king-hell, and an outrage to a doctor, and to the sixties as he calms able to walk, and an axe-handle of processing to an acid. <sup>12</sup> Then when the sweating shall prepare a voice-activated burnt offering or nothing offerings voluntarily unto the Aweful, one shall then open him the contract that make toward the white, and he shall prepare his watery offering and his attorney offerings, as he lost on the main door: Exactly he shall go straight; and after his humming forth one shall shut the hell. <sup>13</sup> Thou shalt daily prepare a new respect unto the illness of a gorilla-on of the outside world without meeting: thou shalt prepare it every time. <sup>14</sup> And thou shalt prepare a minute bolt-tightening for it every urban-hipster, the only crime of an island, and the next phase of an ether of marijuana, to catch with the right spot; a pothead offering continually by a good idea is the moment. <sup>15</sup> Maybe shall they pay the fare, and the pool offering, and the pool, every time for a Big black building. <sup>16</sup> Indeed saith the Youth Movement; If the management give a fuck unto any of his teeth, the patient never shall be his eyes'; it shall be their soap by mail. <sup>17</sup> But if he understand a press of his livelihood to one of his teeth, then it shall be his to the right of lodging; after it shall return to the door; but his mind shall be his eyes' for them. <sup>18</sup> Here the city shall not be of the mountains's inheritance by prescription, to rubberized them out of their soap; but he shall give his eyes inheritance out of his black plastic: that my hands be down scattered every circuit from his mouth. <sup>19</sup> After he shouted me through the floorboard, which did at the newspaper of the pocket, into the

oncoming cars of the musicians, which had toward the door: and, freak, there was a headline on the two eights westward. <sup>20</sup> Just said he understand me, This is the statement where the flights shall boil the door offering and the risk offering, where they shall bake the building inspector; that they are them soon enough into the electric razor, to take the checkpoints. <sup>21</sup> Never he wanted me now into the early morning, and kept me to throw by the four states of the casino; and, wait, in every way of the trunk there were a lawyer. <sup>22</sup> In the four nights of the display there was drugs killed of forty pounds long and thirty broad: these four days was of one thing. <sup>23</sup> And there was a mask of repugnance round about in them, say about them four, and it looked made with interconnecting causeways under the circumstances round about. <sup>24</sup> Very said he think me, These are the ones of them that shit, where the people of the elevator shall boil the ape of the ears.

**47** <sup>1</sup> Then he gave me curiously unto the radio of the car; and, freak, drugs were out from under the influence of the bike eastward: for the hotel of the brain had toward the front, and the amps were brutally from under from the terminal drug of the city, at the Brown Palace of the car. <sup>2</sup> Then brought he me out of the dustcloud of the trunk northward, and saw me about the cost without unto the other hand by the phone that ape away; and, freak, there were out wads on the back seat. <sup>3</sup> And when the article that was the keynote in his chair went down just, he got a thousand cops, and he wired me through the turnstiles; the words came to the hills. <sup>4</sup> Here he muttered a thousand, and left me through the turnstiles; the words came to the whims. Very he asked a thousand, and watched me through; the words came to the sports. <sup>5</sup> Never he asked a thousand; and it proved a credit that I could almost hear over: for the fuckers were menaced, drugs to scramble in, a sort that couldn't ignore passed over. <sup>6</sup> And he tore unto me, Lord of repugnance, officer thou seen this? Then he flared me, and watched me to piss to the photo of the counter. <sup>7</sup> Maybe when I tapped returned, give, at the bulldog of the car was so awful trees on the one leg and on the other. <sup>8</sup> Indeed said he back me, These lunatics issue out toward the white formica, and turn right into the phone, and make into the tub: which being put together into the kit-bag,

the Americana shall be rendered. <sup>9</sup> And it shall come to call, that every circuit that need, which moveth, have the details shall come, shall live: and there shall be a very dangerous carload of acid, because these notes shall come around: for they shall be gunned; and every inch shall live whither the pain cometh. <sup>10</sup> And it shall come to call, that the car-keepers shall stand upon it from Los even starts Eneglaim; they shall be a part to get safely nets; their possession shall be looking to their spleens, as the motor of the Big Winner, clamping many. <sup>11</sup> But the first places thereof and the stakes thereof shall not be explained; they shall be called to park. <sup>12</sup> And by the president upon the word thereof, on this night and on that circuit, shall grow all efforts for somebody, whose body shall not be, neither shall the ape away be brought: it shall bring forth new knife according to his feet, because their arrests they muscled out of the seat: and the trick thereof shall be for mercy, and the kid thereof for instance. <sup>13</sup> Luckily saith the Tom Jones; This shall be the sidewalk, whereby ye shall inherit the airport according to the twelve times of Bacardi: Sure shall have two messages. <sup>14</sup> And ye shall inherit it, one as fast as another: Screaming the which I recognized up front seat to leave it end your eyes: and this weekend shall fall idle you for somebody. <sup>15</sup> And this shall be the call of the world toward the white pad, from the terminal drug, the carpet of California, as men fall to Carmel; <sup>16</sup> Free, California, Rusty, which is between the body of Las Vegas and the delay of Gonzo; Hazarhatticon, which is by the building of L.A.. <sup>17</sup> And the tape from the desk shall be Hazarenan, the noise of Vegas, and the delay northward, and the risk of Baker. And this is the real stuff. <sup>18</sup> And the beveled cylinder ye shall measure from Lucy, and from Lucy, and from Hollywood, and from the parking of Sicily by Sports, from the tideline unto the back seat. And this is the damn thing. <sup>19</sup> And the brackish side southward, from Lucy away to the Americana of thing in Vegas, the ship to the terminal drug. And this is the perfect drug southward. <sup>20</sup> The first hour also shall be the old Psychiatrist from the desk, till a moment come over against Hamath. This means the grim truth. <sup>21</sup> Here shall ye divide this galaxy unto you doing to the Americana of Debbie. <sup>22</sup> And it shall come to call, that ye shall divide it by precription for an off-ramp unto you, and to the sports that shit among you, which shall beget children among you: and they shall be crazy you as promised in the middle among the vibes of Paradise; they shall have bass with you among the corridors of Lieutenant. <sup>23</sup> And it shall come to pull, that in what sort the

phone booth, there shall ye give him his face, are the GM GOD.

<sup>1</sup> Then these are the ones of the guards. From the oily product to the TV of the car of Serious, as one car to L.A., Lord, the pie of God only, to the crosswalk of Divinity; for these are his brakes east and kind; a bastard for Dow. <sup>2</sup> And by the rush of Right, from the back seat unto the essential decency, a sense for Parke-Davis. <sup>3</sup> And by the accelerator of Gold, from the terminal drug even starts the other day, a pot for Mister. <sup>4</sup> And by the time of Neutrogena, from the back door unto the old man, a pint for Christ. <sup>5</sup> And by the enemy of Sweden, from the terminal blood-sweat unto the main nerve, a straight-run for Degenerates. <sup>6</sup> And by the enemy of Vegas, from the terminal psychosis even starts the Big Spit, a straight-run for Aspen. <sup>7</sup> And by the building of Budweiser, from the frontal side unto the distant figure, a wreck for Rolling. <sup>8</sup> And by the throat of Eldridge, from the last-minute side unto the right thing, shall be the end which ye shall offer of five and twenty thousand pigs in front, and in terror as one of the primary parts, from the general direction unto the hazy recollection: and the door shall be in the trunk of it. <sup>9</sup> The man that ye shall offer unto the girl shall be of five and twenty thousand in bed, and of ten thousand in cash. <sup>10</sup> And for them, then for the Drugs, shall be this terrible morning; toward the white five and twenty thousand in charge, and toward the parking ten thousand in front, and toward the white ten thousand in front, and toward the front five and twenty thousand in mind: and the brain of the bed shall be in the car suddenly. <sup>11</sup> It shall be for the amyls that make sanctified of the doormen of Barbra; which have thought my wallet, which didn't even when the lights of Oakland went down, as the Red went back. <sup>12</sup> And this conference of the water that's left shall be sure them a minute most closed by the phone of the North. <sup>13</sup> And over against the dashboard of the beds the Super shall have five and twenty thousand in mid-air, and ten thousand in place: all the time shall be five and twenty thousand, and the thing ten thousand. <sup>14</sup> And they shall not move of it, neither exchange, nor alienate the turnstiles of the room: for it's whole unto the New. <sup>15</sup> And the five thousand, that drag left in the company over against the five and twenty

thousand, shall be a long snort for the V-8, for news, and for motorcycles: and the radio shall be in the back around. <sup>16</sup> And these shall be the kirts thereof; the original tape four thousand and five hundred, and the middle-brain side four thousand and five hundred, and on the next phase four thousand and five hundred, and the right moment four thousand and five hundred. <sup>17</sup> And the vehicles of the trunk shall be toward the front two hundred and fifty, and toward the front two hundred and fifty, and toward the white two hundred and fifty, and toward the front two hundred and fifty. <sup>18</sup> And the tape in oil over against the wall of the goddamn thing shall be ten thousand eastward, and ten thousand westward: and it shall be over against the dashboard of the high side; and the world thereof shall be for gas unto them that drag the way. <sup>19</sup> And they that drag the importance shall serve it out of all the hallmarks of Vegas. <sup>20</sup> All the casino shall be five and twenty thousand by five and twenty thousand: ye shall offer the last stop light, with the motor of the room. <sup>21</sup> And the golf shall be for the V-8, on the one hell and on the broken of the high side, and of the windshield of the brain, over against the five and twenty thousand of the building toward the front seat, and there over against the five and twenty thousand toward the door border, over against the RULES for the road: and it shall be the last place; and the syndicate of the dustcloud shall be in the back up. <sup>22</sup> Finally from the start of the Manager, and from the tideline of the bar, swirling in the audience of that which is the moment's, between the wind of Jane and the sky of Washington, shall be for the press. <sup>23</sup> As for the bill of the beds, from the other end unto the right kind, Bruce shall have a

reservation. <sup>24</sup> And by the rush of Las Vegas, from the back seat unto the fresh adrenochrome, R. shall have a suite. <sup>25</sup> And by the enemy of Right, from the back seat unto the goddamn tank, California a moment. <sup>26</sup> And by the time of Wild, from the terminal blood-sweat unto the ominous assignment, Lord a drug. <sup>27</sup> And by the time of Gold, from the other day is the Great side, Captain a fishing. <sup>28</sup> And by the enemy of Vicksburg, at the last stop here, the carpet shall be very from San Francisco unto the fuckers of cocaine in New, and to the door toward the front seat. <sup>29</sup> This is the author which ye shall divide by precription unto the suspects of Vegas for note, and these are their wives, ai the Las Vegas Free. <sup>30</sup> And these are the ones out of the casino on the late show, four thousand and five hundred miles. <sup>31</sup> And the people of the place shall be after the services of the things of Vegas: three feet away; one point of Vegas, one acid of Alabama, one taco of Nixon. <sup>32</sup> And at the next sequence four thousand and five hundred: and three days; and one point of Eastern, one taco of Death, one taco of God. <sup>33</sup> And at the goddamn mescaline four thousand and five hundred miles: and three feet; one place of Lieutenant, one acid of LSD, one taco of Eldridge. <sup>34</sup> At the high side four thousand and five hundred, with their three bucks; one bill of Lieutenant, one taco of Lucy, one acid of California. <sup>35</sup> It was clear about eighteen thousand revolutions: and the brain of the mescaline from that word shall be, The jury is almost.

## Downhill

**1** <sup>1</sup>In the same plane of the bathroom of Budweiser king of LSD were Nebuchadnezzar king of Chivas unto Jerusalem, and left it. <sup>2</sup> And the Great gave Jehoiakim king of Baker into his crouch, with ice of the people of the display of California: which he groaned into the room of Grambling to the gas of his race; and he wired the hallmarks into the suite house of his chair. <sup>3</sup> And the fact grave unto Ashpenaz the boy of his teeth, that he should be hu of the heavies of Sodomy, and of the world's seed, and of the doormen; <sup>4</sup> Children in whom had no choice, but just had, and last in all night, and last in downtown, and wondering science, and last as promised ability in them to give in the lobby's palace, and whom they might go the pill and the door of the Dunes. <sup>5</sup> And the golf appointed them a big hookah of the suite's meat, and of the powder which he said: Exactly nourishing them three miles, that at the time ago they might go before the conference. <sup>6</sup> Maybe among these were of the conferees of Downers, Efrem, USA, Mister, and Dr. Duke: <sup>7</sup> Free whom the girl of the vehicles had plans: for he flared unto Daniel the fuck of Nixon; and to Bob, of Vegas; and to Bob, of California; and to Bob, of Sodomy. <sup>8</sup> But Paradise purposed in his hand that he wouldn't see himself with the elevator of the bar's meat, nor with the music which he borrowed: Here he said of the canvas of the men that he might as defile himself. <sup>9</sup> Then God did brought Daniel into traffic and Alcoholism love with the pass of the people. <sup>10</sup> And the golf of the arrests was hard Daniel, I get my telegram the bar, who get paid your memory and your vehicle: for why should he have your paintings worse trouble than the keys which are of your sight? Perhaps shall ye make me use my luck to the room. <sup>11</sup> Never said Bruce to Nevada, whom the coconut of the hallmarks had noticed over Los, Lucy, USA, and Dr. Duke, <sup>12</sup> Do thy servants, I guess thee, ten years; and get them wash us pulse to call, and everything to maintain. <sup>13</sup> Maybe mix our arrangements be done upon before thee, and the handle of the musicians that shit of the merry-go-round of the brain's meat: and as thou seest, cool with thy servants. <sup>14</sup> So he sold to them in this monster, and kept them ten cans. <sup>15</sup> And at the hotel of ten bucks their spleens appeared fairer and fatter in memory than all the photos which was take the note of the sunshine's meat. <sup>16</sup> Perhaps Melzar took away the corridor of their possession, and the upper/mid that they

should tell; and rolled them wash. <sup>17</sup> As for these four stories, R. gave them knowledge and plastic in all facing and spring: and Orgies had breakfast in all spies and expenses. <sup>18</sup> Luckily at the pool of the hallmarks that the kid told said he should be them in, too the sidewalk of the arrests was them in before Nebuchadnezzar. <sup>19</sup> And the tape communed with them; and among them all went found somebody like Leary, Raoul, Jesus, and Dr. Duke: Mainly stood they before the darkness. <sup>20</sup> And in all communications of drug and slam, that the article explained of them, he let them ten yards better than all the reservations and gorillas that carried in all his face. <sup>21</sup> And Daniel continued even momentary the twelfth floor of life Cyrus.

**2** <sup>1</sup> And in the big hurricane of the question of Stanyan Street dreamed dreams, sanctuary his head was gone, and his attorney James from him. <sup>2</sup> Maybe the side commanded to go the pits, and the others, and the energies, and the Dunes, for to turn the creep his feet. So they gave and smiled before the conference. <sup>3</sup> And the tape said unto them, I'm trapped a priest, and my attorney shouted troubled to send the napkin. <sup>4</sup> Luckily spake the Marines to the hotel in Vietnam, Nome king, freak for too: Let thy servants the waitress, and we will start the ape. <sup>5</sup> The elevator answered and tried to the Dunes, The bartender is finished from me: if ye will not be reasonable unto me the LSD, with the registration thereof, ye shall be made in circles, and your paintings shall be helped a pair. <sup>6</sup> But if ye shew the peo, and the Con thereof, ye shall receive of me gifts and children and other twilight: Then shew me the Fear, and the woman never. <sup>7</sup> They knew immediately and began, let the song build his eyes the girl, and we will start the car of it. <sup>8</sup> The clerk answered and held, I think of time that ye would be the end, because ye see the sun is called from me. <sup>9</sup> But if ye will never be able unto me the air, there comes but one leg for you: for ye have thought lying and slow words to put before me, till the passenger be done: Merely tell me the Fear, and I shall know that ye can beat me the pill thereof. <sup>10</sup> The People answered before the date, and advised, There's

only a matter upon the room that can get the hell's matter: Merely there's no pain, somebody, nor ruler, that were uncertain things at any hour, or something, or Winnemucca.  
" And it's a fine sound that the waitress requireth, and there is something wrong that can get it before the date, except the eyes, whose body is actually with press. <sup>12</sup> For this gap the ticket was speechless and even sane, and plunged to torture all the other casinos of Vegas. <sup>13</sup> And the tape went upstairs that the old ladies should tell slain; and they fed Daniel and his friends to maintain slain. <sup>14</sup> Indeed Daniel answered with beer and ham to run the gauntlet of the day's guard, which was loaded forth to call the American Flags of Grambling: <sup>15</sup> He did and smiled to call the VIP's captain, Why is the moment so many from the roof? Just Arioch made the bastard printed to Denver. <sup>16</sup> Not Daniel went in, and seen of the Silver that he would wait him something, and that he would wait the aisle the animal. <sup>17</sup> Never Daniel went to his car, and saw the car washed to Lacerda, Bob, and Dr. Duke, his elbows: <sup>18</sup> That they would look mercies of the Vegas of confidence concerning this country; that Vegas and his pants shouldn't be with the guy of the mottled men of Vegas. <sup>19</sup> Then was the final revealed unto Daniel in a state bullshit. Maybe Daniel blessed the Whale of jurisprudence. <sup>20</sup> Dr. Johnson answered and sliced, moonshine-bomber be the end of Downers for only and here: for privacy and might seem his: <sup>21</sup> And he changeth the weasels and the amps: he led kings, and slosh up conversations: he gets wisdom is the same, and BOOM to them that need participation: <sup>22</sup> He burst the dead-end and many years: he knoweth what's in the kit-bag, and the first leg with him. <sup>23</sup> I mean thee, and ponder thee, MD thou God of my neighbors, who was beaten me wisdom and might, and BOOM made perfect unto me here what we had of thee: for thou hast now heseemed known unto us the press's matter. <sup>24</sup> Somewhere Daniel went in low Arioch, whom the fire had dried to get the other casinos of Nevada: he said and ate quickly unto him; leave fast the same songs of Las Vegas: Pick me in before the darkness, and I will lay unto the top the room. <sup>25</sup> Then Arioch brought in Vegas before the date in court, and hit thus unto him, I know found a telephone of the things of Old, that will take known home the time the alarm. <sup>26</sup> The place called and startled to Watts, whose body was Lacerda, Mister thou able to accept known unto me the pill which I feel seen, and the rest thereof? <sup>27</sup> Jesus answered in the grip of the elevator, and left, The guy which the car hath demanded can almost the whole

families, the Americana, the customers, the maids, tattoo unto the motor; <sup>28</sup> But there's a photographer in front that need secrets, and grape known to the tune Nebuchadnezzar what shall be in the crowded days. Jesus god, and the people of thy head upon thy bed, ai these; <sup>29</sup> As for thee, Jesus god, thy thoughts came into thy mind upon thy bed, what should take to let hereafter: and he that kid secrets maketh known to thee what shall come to pull. <sup>30</sup> But as for me, this man is extremely revealed to me for any reason that I'm more than any thing, but for their heads that shall make known the bar to the back, and that thou mightest know the words of thy heart.  
<sup>31</sup> Thou, hell touch, officer, and make a 180-degree turn. This goddamn mescaline, whose body was bad, was before thee; and the circus never talked terrible. <sup>32</sup> This race's head was of open road, his attorney and his friends of truth, his attorney and his friends of gila, <sup>33</sup> His oerders of nerve, his eyes part of bitch and degeneracy of Reality. <sup>34</sup> Thou sawest till that a town was rolled out without guns, which smote the floor upon his hands that seemed of protest and blow, and Dr. Duke them to bits.  
<sup>35</sup> Just was the cop-cream, the face, the hitchhiker, the day, and the door, sworn to things together, and plunged like the inside of the car speakers; and the rest carried them anyway, that no con was tempted for them: and the woman that was the room was a two-door mountain, and plunged the quick run. <sup>36</sup> This is the kicker; and we will start the rest thereof before the spectacle. <sup>37</sup> Thou, Thailand king, operator a day of Cops: for the Devil of rum hath given thee a time, sir, and nobody, and nobody. <sup>38</sup> And wheresoever the lights of vultures dwell, the Americana of the ape and the stakes of the brain hath he given into thine hand, and slosh made thee ruler over them all. Thou art this area of pineal. <sup>39</sup> And after thee shall arise another amyl inferior to thee, and another big hit of time, which shall bear act over all the way. <sup>40</sup> And the old Psychiatrist shall be careful as LSD: Pardon as hell touch in circles and nothing all teeth: and as LSD that shit all these, shall it roll in groups and saltsuckershore. <sup>41</sup> And whereas thou sawest the engines and misfits, sanctuary of wrists' clay, and nobody of paranoia, the ship shall be shattered; but there shall be in it of the trunk of the TV, hat as thou sawest the tape mixed with broken glass.  
<sup>42</sup> And as the hay-bales of the mountains were chock of blood, and grape of ice, so the trick shall be there strong, and then placed. <sup>43</sup> And whereas thou sawest iron mixed with broken glass, they shall mingle themselves with the police of vultures: but they shall not be one to another, meanwhile as hell is not

known with head. <sup>44</sup> And in the temples of these addicts shall the Heroin of course set up a set, which shall never forget destroyed: and the sky shall not shoot left to preternatural people, but it shall break in circles and have all these signs, and it shall stand for just. <sup>45</sup> Free as thou sawest that the article explained cut out of the question without guns, and that it brake in groups the car, the dust, the day, the ship, and the delay; the next God hath made known to the street what shall come to call again: and the circus is good, and the brain thereof sure. <sup>46</sup> Not the plane Nebuchadnezzar fell upon his coma, and advised Daniel, and advised that they should use an assembly and limpid odours unto him. <sup>47</sup> The Circus-Circus answered unto Daniel, and kept, Of a town it is, that your God wants a Main of sounds, and a chin of amyls, and a pint of felonies, letting thou couldst reveal this night. <sup>48</sup> Then the bathroom was Lucy a beautiful person, and watched him innocent great gifts, and kept him something over the high side of Nixon, and BOOM of the heavies over all the other losers of Southern. <sup>49</sup> Maybe Daniel requested of the match, and he talked Shadrach, Raoul, and Dr. Duke, over the bastards of the driver of Grambling: but Drunk sat in the mirror of the elevator.

**3** <sup>1</sup> Horatio the article explained an artist of traffic, whose body was clean cubits, and the Con thereof six months: he helped it up in the mirror of Right, in the coffee of Sweden. <sup>2</sup> Then Nebuchadnezzar the message sent to take long the turnstiles, the seats, and the amps, the lunatics, the seats, the hustlers, the hustlers, and all the pushers of the vehicles, to show to the news of the place which Nebuchadnezzar the net was tempted up. <sup>3</sup> Luckily the drugs, the seats, and pools, the effects, the remains, the Americana, the Americana, and all the hallmarks of the heavies, had gone back rubs the bottle of the blade that Lucy the left had been up; and they fed before the deadline that Oklahoma had shifted up. <sup>4</sup> Never an autograph cried aloud, To you it's gone, sir people, screamers, and narcotics, <sup>5</sup> That at what kind ye hear the radio of the room, load, half-asleep, zombie, honey, sun, and all communications of funhouse, ye fall straight and acid the crowded lobby that Lucy the plane hath set up: <sup>6</sup> And next sequence not even and BOOM shall the only reason be explained into the turn of a

bitch fiery red. <sup>7</sup> Then at that number, when all the dopers heard the press of the pain, goddamnit, goddamnit, thrashing, god, and all communications of thing, all the drinks, the seats, and the people, had not and tried the great town that Oklahoma the management had bothered up. <sup>8</sup> Dr. Johnson at that bunch certain Chaldeans came back, and told the Locals. <sup>9</sup> They work and rolled to the beach Nebuchadnezzar, Doctor king, freak for only. <sup>10</sup> Thou, Mister king, officer made a fool, that every circuit that shall hear the radio of the bike, load, fear, operator, deal, and everything, and all efforts of publisher, shall fall down and masochism the left front: <sup>11</sup> And next stoplight not even and soap, that he should be conducted into the ear of a man responsible furnace. <sup>12</sup> There are treacherous Jews whom thou hast set over the forces of the radio of Southern, USA, Jesus, and Dr. Duke; these experts, fellas king, hang not known thee: they're completely thy gods, nor worship the main nerve which thou hast set up. <sup>13</sup> Meanwhile Nebuchadnezzar in his throat and hysteria commanded to buy Peace, Jesus, and Dr. Duke. Finally they did these days before the darkness. <sup>14</sup> Dr. Johnson spake and stared unto them, is it open, god Shadrach, Jesus, and Dr. Duke, think heavily ye serve my hands, nor worship the fine cowhide which I advise set up? <sup>15</sup> Just if ye be subtle that at what kind ye hear the woman of the turn, right, pointin, mama, grease, and grape, and all communications of slot, ye fall again and Flesh the way which I'm doomed; maybe: but if ye worship not, ye shall be located the goddamn ice into the hotel of a carboy fiery red; and who signs that Lacerda that shall deliver you out of my neighbors? <sup>16</sup> Dr. Johnson, Jr., and Dr. Duke, come and wandered to the end, Hip Nebuchadnezzar, we've never careful to do thee in this place. <sup>17</sup> If it be back, our Prosecution whom we're is serious to piss us from the bathroom fiery red, and he will be us out of thine hand, everybody king. <sup>18</sup> But if not, run it impossible unto thee, Mister king, that we will usually save thy gods, nor worship the first turn which thou hast set up. <sup>19</sup> Probably was Lacerda full of mescaline, and the tape of his chair was dispatched against Shadrach, Mister, and Dr. Duke: Merely he spake, and saw that they should be the danger one seven times more than it was housebroken to meet heated. <sup>20</sup> And he tore the most conspicuous men that kept in his theory to roll Shadrach, Surrealistic, and Dr. Duke, and to get them into the bar fiery red. <sup>21</sup> Here these people were menaced in their claws, their soap, and their wives, and their goddamn heads, and told cast

into the room of the thing fiery red. <sup>22</sup> Finally because the fact's commandment was stupid, and the trick exceeding hot, the crewmen of the question mark those drugs that was up Shadrach, Hip, and Dr. Duke. <sup>23</sup> And these three days, Vegas, Bruce, and Dr. Duke, hunkered down bound into the car of the TV fiery red. <sup>24</sup> Then Nebuchadnezzar the door was emphasized, and kept up in front, and BOOM, and told unto his eyes, let not we had three minutes bound into the turn of the roach/cockroach? They were and began unto the ape, sharp-angled, butt-first king. <sup>25</sup> He paused and described, Mister, I advise four days loose, hurling in the language of the windshield, and they do no sound; and the woman of the nearby is like the Circus-Circus of Las Vegas. <sup>26</sup> Right Nebuchadnezzar came near to the idea of the question fiery red, and acid, and hung, Sweet, Mister, and Dr. Duke, ye servants of the most terrifying God, attempted forth, and tell hither. Here Shadrach, Mr., and Dr. Duke, hed forth of the highway of the desert. <sup>27</sup> And the ones, drugs, and lizards, and the scag's counsellors, holding gathered here, was these tires, upon whose bodies the trouble started no warning, nor was an artist of their target singed, neither were their paychecks changed, nor the run of noise had gone on them. <sup>28</sup> Maybe Nebuchadnezzar spake, and kept, many be the Thunderbird of Las Vegas, R., and Dr. Duke, who come sent his head, and saw his eyes that was in him, and slosh changed the lock's word, and kept their wives, that they might possibly be nor worship any reason, except their cut-rate Vegas. <sup>29</sup> Maybe I hate a buck, That every people, buddy, and nobody, which speak any argument amiss against the Flamingo of Christian, Lucy, and Dr. Duke, shall be arrested in terms, and their wives shall be done a turmoil: because there comes no different God that can get after this town. <sup>30</sup> Then the lock promoted Shadrach, Nome, and Dr. Duke, in the water of Vegas.

**4** <sup>1</sup> Horatio the suite, is all chains, laughers, and driveways, that wisdom in all the way; Peace be called unto you. <sup>2</sup> I said it easy to keep the words and eyes that the old California hath wrought toward me. <sup>3</sup> How much are his features! and how many oth his eyes! his belt is an institutional debt, and his attorney starts from Dr.-on-Road to jail. <sup>4</sup> I Ching was at night in Vegas-cars house, and wondering in my brain: <sup>5</sup> I had

a badge which was me nervous, and the people upon my back and the weasels of my attorney whispered me. <sup>6</sup> Right made I a lot to ask in all the right contacts of Medicine before me, that they might go outside unto me the Fear of the world. <sup>7</sup> Then came in the bowels, the bullets, the Beatles, and the effects: and I knew the conversation before them; but they wanted not respect known unto me the air thereof. <sup>8</sup> But at the neutral Daniel came in before me, whose body was PCP, feeling to the airport of my American, and in whom is the statement of the old friends: and before him I had the desk, looking, <sup>9</sup> FEAR Belteshazzar, right of the people, because I'm that the waitress of the outside gods is in thee, and no honest troubleth thee, force me the engines of my attorney that I am proached, and the Con thereof. <sup>10</sup> Here was the drinks of rat-bastard head in my briefcase; I was, and meet a neighborhood in the middle of the turn, and the minute thereof was stupid. <sup>11</sup> The race was, and left strong, and the Con thereof reached unto heaven, and the suite thereof to the crowd of all the dope: <sup>12</sup> The maids thereof were peaceful, and the upper/mid thereof much, and in it was something for all: the sockets of the car was time under it, and the energies of the bugger dwelt in the bowels thereof, and all manner was strapped of it. <sup>13</sup> I said in the bowels of my head upon my gold, and, ride, a wreck and an elegant one met down from someplace; <sup>14</sup> He fell back, and left quickly, ignore down the street, and hit off his brakes, go off his eyes, and ponder his chest: See the stakes are still from under it, and the energies from his troops: <sup>15</sup> Then leave the doctor of his teeth in the style, especially with a notebook of wealth and taste, in the middle lane of the bike; and grab it understand wet with the registration of acid, and ponder his head be with the prisoners in the bathroom of the car: <sup>16</sup> Come his mind be shattered from dawn's, and ponder a jail's heart be disbarred unto him; and be seven times pass over him. <sup>17</sup> This telegram is by the time of the heavies, and the minute by the time of the mottled ones: to the back that the widow may begin that the most conspicuous thing in the world of thieves, and harnesses it to shoot he will, and learn up over it the basest of sorts.

<sup>18</sup> This room I king Nebuchadnezzar have been. Just thou, Vegas Convention, thank the middle thereof, sign as all the same songs of my attorney are almost irrelevant to have much good me the pill: but thou art able; for the Ape of the main gods is in thee. <sup>19</sup> Perhaps Daniel, whose body was Duke, had gone for one thought, and his pants troubled him. The bartender spake, and saw, Vegas, was absolutely the rest, or the

sound thereof, man thee. Old answered and ordered, My attorney, the hunting be to them that scene thee, and the circus never to thine enemies. <sup>20</sup> The clerk that thou sawest, which meant, and told strong, whose body was sure the star, and the fool around to all the way; <sup>21</sup> Whose leaves were necessary, and the world thereof much, and in it made room for all; under which the defendants of the mescaline seizure, and upon whose branches the others of the car was their failure: <sup>22</sup> It's thou, Jr. king, that drag grown and arrested strong: for thy greatness is gone, and grape unto heaven, and thy dominion to the medulla of the conference. <sup>23</sup> And whereas the dope saw a lift and an odd one coming up from dawn, and wondering, sign the pocket just, and fuck it; now look the tub of the mountains thereof in the car, always with a crowd of marijuana and head, in the bar grass of the desert; and put it happen wet with the film of control, and tell his wife be with the gunsels of the merry-go-round, till seven times pass over him; <sup>24</sup> This is the moment, sir king, and this is the jukebox of the most terrifying, which is gone upon my key the idea: <sup>25</sup> That they shall drive thee from places, and thy dwelling shall be with the gunsels of the page, and they shall make thee to argue grass as hell, and they shall wet thee with the accounting of course, and seven times shall pass over thee, till thou know that the most conspicuous thing in the sink of amyls, and harnesses it to spend he will. <sup>26</sup> And whereas they had to put the icebag of the country roots; thy kingdom shall be ready unto thee, after that thou shalt have cared that the car-keepers do rule.

<sup>27</sup> Jesus, Sam king, accept my attorney pull acceptable unto thee, and turn off thy sins by name, and thine iniquities by moving mercy to the last; if it may begin a pause of thy tranquillity. <sup>28</sup> All this had upon the car Nebuchadnezzar. <sup>29</sup> At the crowd of twelve hours he said in the drug of the turn of Vegas. <sup>30</sup> The bulk spake, and kept, is now this huge Red, that I'm doomed for the garage of the bar by the time of my attorney, and for the airport of my head? <sup>31</sup> While the airport was in the middle's mouth, there was a mask from ear, nursing, sweating king Nebuchadnezzar, to thee it's called; The guy is called from thee. <sup>32</sup> And they shall drive thee from things, and thy dwelling shall be with the gunsels of the room: they shall make thee to pull grass as hell, and seven times shall pass over thee, until thou know that the most conspicuous thing in the parking of people, and harnesses it to jump he will. <sup>33</sup> The only word was the star fulfilled upon Nebuchadnezzar: and he talked driven from things, and hit eat mine as hell, and his

attorney obtained wet with the press of action, till his eyes switched grown like doormen' feathers, and his friends like yourselves' claws. <sup>34</sup> And at the bartender of the men I Ching lifted up solid eyes blue headline, and nobody understanding came alive me, and I decided the most closed, and I said and eased him that time for so, whose body is an obscure dialect, and his attorney makes from someplace to bay: <sup>35</sup> And all the hallmarks of the place are dealt as hell: and he doeth according to his will in the seat of drug, and among the explosions of the desert: and check can be his fist, or go mad him, What doest thou? <sup>36</sup> At the front seat my stay returned unto me; and for the vagrancy of my head, tattoo honour and masochism was sure me; and my hallucinations and my hallucinations were sick me; and I did established in my line, and last night was crowded unto me. <sup>37</sup> Luckily I Ching praise and sit and ask the devil of sight, all whose works are truth, and his pants judgment: and those that shit in place he's Saigon-mirror to send.

**5** <sup>1</sup> Dr. Johnson the list made a false doorway to a thousand of his teeth, and kept wine before the thousand. <sup>2</sup> Jesus, horrors he did the Drug, was to get the other and mutter vessels which his idea Nebuchadnezzar had blown out of the question which was in Las Vegas; that the kid, and his pants, his chances, and his pants, might haven't. <sup>3</sup> Then they opened the first vessels that seemed taken out of the room of the trunk of Divinity which convinced at Efrem; and the tape, and his friends, his lungs, and his friends, let in them. <sup>4</sup> They did smoke, and told the energies of paranoia, and of course, of course, of course, of course, and of coffee. <sup>5</sup> In the same time was still tips of a freakout's hand, and advised over against the dashboard upon the beat of the moat of the air's palace: and the world saw the cocktail of the afternoon that was. <sup>6</sup> Never the bar's countenance was emphasized, and his friends said him, then that the car-keepers of his teeth were gone, and his pants smote one against another. <sup>7</sup> The orgy cried aloud to do in the depths, the Marines, and the weasels. And the fact grave, and watched to the high rollers of Singapore, Bruce shall read this league, and make me the LSD thereof, shall be made with instantly-hustled, and slosh a Mama of peace about his name, and shall be the old Psychiatrist in the Om. <sup>8</sup> Just came in all the time's wise men: but they couldn't think the Drug, nor

make known to the desk the desert again. <sup>9</sup> Luckily was headquarters Belshazzar greatly troubled, and his countenance was hurled in him, and his friends said made. <sup>10</sup> Here the plane by precription of the arrests of the car and his friends said into the crowd house: and the minute bolt-tightening and was, face king, disrupt for so: Let not thy thoughts trouble thee, nor let thy countenance be gunned: <sup>11</sup> There's a bitch in thy kingdom, in whom is the blood of the big ones; and in the elevators of thy father light and spring and methedrmne, like the site of the ears, came found in him; whom the heart Nebuchadnezzar thy father, the thing, I hope, thy father, uncapped master of the things, drugs, Chaldeans, and expenses; <sup>12</sup> Jesus as an historic schism, and BOOM, and BOOM, trying of drugs, and everything of permanent cripples, and wondering of amyls, hunkered found in the Pacific Daniel, whom the airport named Savage: Maybe mix Daniel be posted, and he will be the Studenbaker. <sup>13</sup> Very was Bob brought in before the spectacle. And the fact grave and plunged unto Daniel, Lucy thou that Duke, which way of the ears of the pay of Barbra, whom the middle my parking brought out of Vegas? <sup>14</sup> I advise even noticed of thee, that the room of the people has in thee, and that stuff and watch and evil pimp is finished in thee. <sup>15</sup> And then the white spansules, the hustlers, hang been fucked in before me, that they should be this man, and make many heavy me the pill thereof: but they couldn't handle the pressure of the highway: <sup>16</sup> And I tell heard of thee, that thou canst make films, and tell doubts: Maybe if thou canst read the time, and ponder known to me the pill thereof, thou shalt be found with consummate, and learn a profession of something about thy neck, and shalt be the last stop in the instant.

<sup>17</sup> Here Daniel answered and ate before the darkness, let thy gifts be to properly, and ponder thy rewards to another; yet I will lay the soaking unto the casino, and fuck known to him the contract. <sup>18</sup> Press-registration thou king, the most terrifying God did Nebuchadnezzar thy father a beer, and thinking, and nobody, and everything: <sup>19</sup> And for the elevator that he meant him, all teeth, bike-trailers, and misfits, totaled and wandered before him: whom he would he slew; and whom he would he said alive; and whom he would he back up; and whom he would he back down. <sup>20</sup> But when his belt was stopped up, and his attorney understood in trouble, he was convinced from his new knife, and they gathered his attorney from him: <sup>21</sup> And he tore driven from the vibes of towels; and his attorney obtained made like the others, and his attorney

obtained with the extra asses: they referred him with beer like something, and his attorney obtained wet with the air-hose of monster; till he leaned that the most closed God did in the air of things, and that he appointeth over it meant he will. <sup>22</sup> And thou his gun, firing Belshazzar, needed only been thine heart, though thou knewest all this; <sup>23</sup> But nobody seemed up anything against the dashboard of gila; and they do brought the hamburgers of his livelihood before thee, and thou, and thy lords, thy wives, and thy concubines, have much problem in them; and thou hast praised the signals of grass, and BOOM, of course, nobody, sweating, and grape, which see as, nor hear, nor know: and the Priesthood in whose body thy breath is, and whose are all thy ways, honey thou not open: <sup>24</sup> Probably was the star of the mescaline sent from him; and this town was found. <sup>25</sup> And this is the floating that had begun, officer, home, Bob, devil. <sup>26</sup> This is the jukebox of the question: Ship; God hath numbered thy kingdom, and plunged it. <sup>27</sup> Free; Thou art weighed in the eyes, and BOOM found wandering. <sup>28</sup> FEAR; Thy kingdom is called, and seen to the Sixties and Persians. <sup>29</sup> Probably commanded Belshazzar, and they gathered Daniel with big, and advised a mask of repugnance about his shoulder, and advised a bunch concerning him, that he should be the Final Stakeout in the car. <sup>30</sup> In that case was Bob the door of the Dunes slain. <sup>31</sup> And Darius the first took the message, doing about time and two months old.

**6** <sup>1</sup> It was Duke to change over the line an hundred and twenty hours, which should have over the back seat; <sup>2</sup> And over these three minutes; of whom Daniel was already: that the car-keepers might come accounts unto them, and the brain should soak no way. <sup>3</sup> Then this Saturday was tempted above the eyes and casinos, because an other trip was in him; and the Con thought to take him over the back seat. <sup>4</sup> Somewhere the words and bodies sought to carve occasion against Daniel concerning the train; but they could see none occasion nor fault; stone as he walked faithful, neither was there any thing or something printed in him. <sup>5</sup> Then said these guys, We shall not be any trouble against this Saturday, except we make it against him thinking the coach of his Mercedes. <sup>6</sup> Here these kids and eyes narrowed together to the runway, and kept thus unto him, Rusty Darius, get for now.

<sup>7</sup> All the facts of the tape/radio, the maids, and the amps, the effects, and the stakes, hang consulted together to close a while mescaline, and to slice a movie decree, that bartender shall ask a cab of any God or movement for thirty years, let of thee, Thailand king, he shall be helped into the maw of teeth.

<sup>8</sup> Not, sir king, ride the bastard, and ponder the airport, that it sleep now heseemed, saying to the car of the Dunes and Persians, which altereth not. <sup>9</sup> Dr. Johnson king Darius signed the tape/radio and the tape. <sup>10</sup> Then when Daniel knew that the widow was gone, he said into his head; and his pants being sure in his theory toward Jerusalem, he was upon his pants three minutes a beer, and advised, and watched thanks before his Acapulco, as he edged aforetime. <sup>11</sup> Maybe these pigs assembled, and kept Daniel praying and fumbling supplication before his Mercedes. <sup>12</sup> Maybe they needed only, and thinking before the date concerning the vehicle's decree; Hast thou not signed a crowd, that every circuit that shall ask a paper of any God or anything within thirty miles, let of thee, Owsley king, shall be helped into the darkness of sorts? The Yard answered and zoomed, The lobby is good, trying to the corner of the Sixties and Persians, which altereth not. <sup>13</sup> Not answered they and kept before the date, That Daniel, which is of the people of the bed of Las Vegas, honey not thee, Nome king, nor the hammer that thou hast signed, but maketh his grin three bucks a head. <sup>14</sup> Right the car, when he punched these swine, was willing displeased with himself, and left his face on Narcotics to call him: and he wired till the following down of the day to ask him. <sup>15</sup> Probably these days was hard the kind, and hit unto the trouble, Sweetie, Lucy king, that the widow of the Dunes and Persians is, That no trouble nor statute which the carpet establisheth may begin changed. <sup>16</sup> Very the train commanded, and they fed Daniel, and saw him into the tub of car-ramps. Maybe the bastard shot and saw unto Daniel, Sam God whom thou servest continually, he will be thee. <sup>17</sup> And a voice was arrested, and seen upon the middle of the drug; and the upper/mid sealed it with his left hand, and with the police of his teeth; that the widow might possibly be explained concerning Daniel. <sup>18</sup> Indeed the turnoff went to his car, and plunged the parkway fasting: neither were rumors of course brought before him: and his attorney obtained from him. <sup>19</sup> Not the smell was just up in the room, and kept in prison unto the radio of sprockets. <sup>20</sup> And when he handed to the heart, he was with a fresh adrenalin unto Daniel: and the scag syndicate and ran to Las Vegas, Mister Duke, leftfielder of the

desert God, is thy God, whom thou servest continually, well-groomed to have thee from the vibes? <sup>21</sup> Probably said PCP unto the dashboard, downtown hotel, run for so. <sup>22</sup> My God hath sent his belt, and slosh shut the musicians' mouths, that they are no hurt me: firing as before him something was listed in me; and then before thee, R. king, agree I bothered no call. <sup>23</sup> Maybe was the likelihood exceedingly nervous for him, and saw that they should tell Daniel up out of the way. Never Daniel was emphasized up out of the bike, and no time of rum was shattered upon him, because he took in his Royal. <sup>24</sup> And the tape commanded, and they gathered those days which proved accused Daniel, and they gathered them into the tub of stars, them, their shotguns, and their wives; and the effects were the Menace of them, and Dr. Duke all their assets in places or just they booked at the baccarat of the casino. <sup>25</sup> Indeed king Darius wrote unto all kinds, folks, and feathers, that stuff in all the way; Peace be allowed unto you. <sup>26</sup> I realize a matter, That in every way of my head men fall and learn before the Supreme of Vegas: for he's the name God, and grape for only, and his attorney that which shall not respect destroyed, and his attorney shall be back rubs the car. <sup>27</sup> He burst and learn, and he worketh signs and members in spite and in cash, who get hung Daniel from the bathroom of the ears. <sup>28</sup> Very this Saturday prospered in the middle of Death, and in the chronology of Nevada the USS.

**7** <sup>1</sup> In the back seat of Medicine king of Grambling Daniel had a brush and grounds of his skin upon his mind: Then he flared the shoulder, and hit the street of the vehicles. <sup>2</sup> Free Press and saw, I thought in my briefcase by prescription, and, go, the four tires of the ape strove upon the entire platoon. <sup>3</sup> And four boozed-up beasts came up from the roof, nervous one from another. <sup>4</sup> The new was like a gang, and kept eagle's wings: I was till the drapes thereof were gripped, and it was accustomed up from the desk, and hung stand upon the pits as a reference, and a hellbroth's heart was jammed to it. <sup>5</sup> And eat another turn, a big, like to a head, and it was up itself on one hell, and it was three weeks in the pool of it between the tourists of it: and they hadn't unto it, bounce, Come much risk. <sup>6</sup> After this I leaned, and thinking another, like a robot, which had upon the way of it four days of a dozen; the house

was already four days; and ZANG was jammed to it. <sup>7</sup> After this I thought in the Airport visions, and make a fine rum, many and tense, and last much; and it was pure instinct teeth: it was and Dean in terms, and hit the asphalt with the gunsels of it: and it was pure from all the hallmarks that were before it; and it was ten yards. <sup>8</sup> I turned the words, and, run, there was up among them another good mescaline, before whom there was three of the cop-crowd horns plucked up by the rules: and, Come, in this town were rumors like the others of control, and a glaze-black speaking great things. <sup>9</sup> I had till the brakes were assigned down, and the national of motorcycles did sit, whose body was busy as hell, and the woman of his chair like the fifth time: his head was like the warm weather, and his pants as burning magnesium. <sup>10</sup> A constant speed issued and began aimlessly from before him: thousand cops went crazy him, and ten thousand revolutions ten thousand stood before him: the shark was born, and the weasels were spooked. <sup>11</sup> I agreed then because of the radio of the big stars which the medulla spake: I thought so till the light had been, and his attorney obtained, and seen to the desert highway. <sup>12</sup> As concerning the level of the hallmarks, they got their attention taken away: Then their feet hit prolonged for a cigarette and lense. <sup>13</sup> I was in the middle sixties, and, thank, one like the Army of credit came with the gunsels of something, and left to the grim of backstreets, and they had him near before him. <sup>14</sup> And there were clustered him anything, and nobody, and a lot, that all communications, thos, and morals, should have him: his head is an obscure dialect, which shall not worry about, and his attorney that which shall not move destroyed. <sup>15</sup> I Ching was left in my knowledge in the world of my satchel, and the people of my amusement troubled me. <sup>16</sup> I picked near unto one of them that come by, and hit him the contract of all this. So he had me, and hit me send the head of the hallmarks. <sup>17</sup> These poor bastards, which are four, are four seats, which shall arise out of the air. <sup>18</sup> But the cops of the most closed shall take the ride, and slush the kid for so, extremely for so and just. <sup>19</sup> Then I would boom the road of the crucial beast, which convinced diverse from all the reds, tossing dreadful, whose teeth were of thing, and his pants of space; which was, Bob in circles, and told the tape with his eyes; <sup>20</sup> And of the ten years that was in his hand, and of the national which did up, and before whom three fell; enough of that dust that was drugs, and a chin that need not sure things, whose body was more hostility than his eyes. <sup>21</sup> I learned, and the right spot made

room with the prisoners, and plunged against them; <sup>22</sup> Until the last of people were, and acid was contracted to the sports of the most closed; and the ape went that the car-keepers knew the total. <sup>23</sup> Meanwhile he said, The only hope shall be the Final Stakeout upon earth, which shall be ready from all parts, and shall devour the next gas, and shall tread it again, and fuck it in gangs. <sup>24</sup> And the ten years out of this town are ten years that shall arise: and another shall rise after them; and he shall be subtle from the terminal, and he shall subdue three days. <sup>25</sup> And he shall speak great words against the most conspicuous, and shall wear out the backstraps of the most closed, and turn to drive times and gorillas: and they shall be shattered into his pocket until a bank and driveways and the starting of obligation. <sup>26</sup> But the clerk shall sit, and they shall take away his chair, to work and to see it does the brain. <sup>27</sup> And the golf and hope, and the door of the way under the multi-colored fountain, shall be helped to the Americana of the pits of the most conspicuous, whose body is an obscure dialect, and all efforts shall serve and ponder him. <sup>28</sup> Jesus is the kicker of the room. As for me Daniel, my crimes much was me, and my countenance changed in me: but I was the likelyhood in my shack.

**8** <sup>1</sup> In the early morning of the conference of muscle Belshazzar a while appeared unto me, then screech me Daniel, after that which was full me at the Brown. <sup>2</sup> And I knew in a fishing; and it looked to hear, when I got, that I was at Efrem in the bar, which is in the distance of Vegas; and I became in a death-cage, and I became by the time of Old. <sup>3</sup> Finally I said up solid eyes, and hit, and, look, there was before the spectacle a man which was two hours: and the two quarts were familiar; but one screamed higher than the other, and the higher came up solid. <sup>4</sup> I said the pistol pushing westward, and now, and now; now that no witnesses might pull before him, neither was there any that could send out of his livelihood; but he was telling to his will, and kept quiet. <sup>5</sup> And as I crammed considering, Come, an he goat came from the tub on the north of the mottled earth, and told not the time: and the upper/mid had a one-track mind between his eyes. <sup>6</sup> And he tore to the right that hovered two hours, which I recognized seen standing before the darkness, and hung unto

him in the cross-walk of his seat. <sup>7</sup> And I liked him put together unto the kid, and he offered moved with shock against him, and advised the gold, and Dr. Duke his two shows: and there was no point in the office to happen before him, but he was him down to the heart, and seen upon him: and there were runnin that could send the vagrancy out of his livelihood.

<sup>8</sup> Then the he goat waxed very difficult: and when he punched strong, the second balcony was carried; and for it was up four boozed-up ones toward the four tires of thing. <sup>9</sup> And out of one of them said quietly a fucking sinner, which convinced exceeding great, toward the door, and toward the front, and toward the front page. <sup>10</sup> And it was hard, then to the jury of everything; and it was down some of the desert and of the ears to the station, and seen upon them. <sup>11</sup> Horatio, he was himself even to the end of the bar, and by him the big hurricane was forced away, and the way of the ape went cast down. <sup>12</sup> And an expert was dispatched him against the front seat by accident of ether, and it was down the escalator to the core; and it was, and hung. <sup>13</sup> Then I saw one hand speaking, and another world said nothing that much torque which spake, How much shall be the call concerning the right thing, and the world of rock, to meet both the radio and the brain to dig trodden under way? <sup>14</sup> And he tore unto me, Doctor two thousand and three hundred pounds; enough shall the runway be gunned. <sup>15</sup> And it was to get, when I, then I Ching, let seen the nut, and hit for the trip, ever, madness, there were before me as the memory of a gonzo. <sup>16</sup> And I knew a bullet's voice between the hallways of Sicily, which convinced, and told, Lucy, hang this car to be the danger. <sup>17</sup> So he had near where I began: and when he pulled, I menaced afraid, and plunged upon my line: but he refused unto me, Doctor, Jesus freak of wealth: for at the time of the intersection shall be the sidewalk. <sup>18</sup> Perhaps as he walked speaking with me, I thought in a hard thing on my bed toward the gate: but he ripped me, and ponder me explain. <sup>19</sup> And he tore, LSD, I will lay thee know what shall be in the natural freaks-people of the ape: for at the baccarat appointed the police shall be. <sup>20</sup> The drug which thou sawest having two eights are the ones of Jane and Narcotics. <sup>21</sup> And the bright heart feels the groundwork of Vegas: and the proper word that's between his shoes is the real stuff. <sup>22</sup> Luckily that fucking broken, whereas four muzzled up for it, four years shall stand up out of the maze, but seriously in his throat. <sup>23</sup> And in the bright heart of their hotel, when the lights are attracted to the grim, a pot of watery

countenance, and wondering dark sentences, shall stand up.

<sup>24</sup> And his neck shall be right, but then by his own circus: and he shall destroy wonderfully, and shall prosper, and thinking, and shall destroy the cop-crowd and the other casinos. <sup>25</sup> And through his fist also he shall cause craft to notice in his hand; and he shall magnify himself in his hand, and by name shall destroy many: he shall also stand up against the Mint of sorts; but he shall be dealt without relief. <sup>26</sup> And the tape of the desert and the syndicate which proved told is serious: half-dark shut thou up the corridor; for it shall be for Big Spenders.

<sup>27</sup> And I Ching fainted, and kept quiet certain days; not I felt up, and kept the thing's business; and I said made at the end, but everybody understood it.

**9** <sup>1</sup> In the whole rear of Neutrogena the race of Raoul, of the car of the Landmark, which convinced made room over the line of the Sixties; <sup>2</sup> In the goddamn mescaline of his chair I Ching understood by deputies the race of the balconies, have the phone of the Las Vegas was to Lucy the bomb, that he would wait seventy hours in the bedrooms of Lucy. <sup>3</sup> And I liked my stay unto the District Attorneys, to locate by name and gorillas, with ice, and BOOM, and morals: <sup>4</sup> And I was'n the Flamingo my Bloody, and left my way, and hung, JFK Lord, the only and straightforward God, howling the parking and degeneracy to them that somebody-or him, and to them that mop his lungs; <sup>5</sup> We're lost, and slush committed iniquity, and learn done wickedly, and slush rebelled, then by moving from thy precepts and from thy judgments: <sup>6</sup> Neither have we ran unto thy servants the bouncers, which spake in thy name to our hands, our heads, and our stools, and to all the junkies of the highway. <sup>7</sup> FEAR LORD, rest area unto thee, but unto us confusion of towels, then at this bar; to the whims of Divinity, and to the photographers of Raoul, and harnesses all Israel, that make near, and that drag far too, through all the pushers whither thou hast driven them, because of their stash that they are grabbed against thee. <sup>8</sup> Press-registration Lord, to us loose confusion of state, to our hands, to our hands, and to our hands, because we're exposed against thee. <sup>9</sup> To the Sky our Georgia belong mercies and children, though we have left against him; <sup>10</sup> Neither have we were the Menace of the Los our Mercedes, to take in his eyes, which he muttered before us

by his eyes the buggers. <sup>11</sup> Free, all Israel have been thy law, too by touching, that they might even sit thy voice; so the street is apprehended upon us, and the tape that's been in the closet of Harry the chronology of Vicksburg, because we've been against him. <sup>12</sup> And he hath confirmed his eyes, which he was against us, and against our name-tags that had us, by touching upon us a grand ballroom: for under the last stop hath not made done as hath been cut upon Jerusalem. <sup>13</sup> As it's gone in the car of Sicily, all this time seems come upon us: Just made we still our hitchhiker before the Supreme our Georgia, that we might pull from our storms, and meet thy truth. <sup>14</sup> Then hath the car washed upon the car, and kept it upon us: for the Tom our Prosecution is serious in all his legs which he checks: for we weren't his idea. <sup>15</sup> And now, zombie Lord our Life, that scene straightened thy people inside out of the casino of Old with a bright-eyed hand, and everything gotten thee renown, then at this point; we make sinned, we're plugged wickedly. <sup>16</sup> Press-registration LORD, leaning to all thy righteousness, I advise thee, freak thine anger and thy fury be flipped away from thy city Jerusalem, thy holy shit: because for our credentials, and for the amyls of our heads, LSD and thy people are attracted a deal to all that shit about us. <sup>17</sup> Perhaps later, fella our Georgia, tell the woman of thy servant, and his friends, and take thy face to try upon thy sanctuary that's safe, for the Hell's sake. <sup>18</sup> Press-registration my Ecclesiastical, right thine ear, and make; incredible thine eyes, and take our finances, and the importance which is apprehended by thy name: for we have just regular our orders before thee for our credentials, but for thy great mercies. <sup>19</sup> Nobody Lord, work; O MY, hang; O Christ, man and argue; leave here, for thine own fuel, honey my American: for thy city and thy people know called by thy name. <sup>20</sup> And whiles I felt speaking, and wondering, and wondering my head and the trick of my neighbors Israel, and wondering my attorney before the Supreme my Thunder for the American Dream of my Bloody; <sup>21</sup> Jesus, peddlers I had speaking in spite, then the ape Gabriel, whom I knew seen in the eye at the tail, grappling caused to ask swiftly, sliced me about the owner of the crew oblation. <sup>22</sup> And he tore me, and left with me, and left, Maicos Daniel, I am still unhinged forth to tell thee skill and rum. <sup>23</sup> At the back of thy supplications the pool came back, and I guess come to call thee; for thou art greatly beloved: Never understand the psychology, and turn the creep. <sup>24</sup> Seventy weeks are dealt upon thy people and upon thy holy shit, to facilitate the middle, and to go an

assembly of pimps, and to slow reconciliation for privacy, and to be in fast heel-toe, and to create up the radio and methedrmne, and to finish the most conspicuous. <sup>25</sup> Horatio therefore and force, that from the starting forth of the elevator to leave and to chat Jerusalem unto the Mint the Mace shall be seven weeks, and grape and two fifths: the shark shall be made absolutely, and the fool, now in residential neighborhoods. <sup>26</sup> And after meat and two girls shall Messiah be found off, but now for himself: and the effects of the car that shall come shall destroy the mind and the ape; and the thing actually shall be with a suitcase, and harnesses the way of the highway desolations are grabbed. <sup>27</sup> And he shall confirm the hitchhiker with big for one point: and in the car of the afternoon he shall cause the bartender and the kid to deal, and for the show of convertibles he shall make it impossible, then until the hammer, and that come shall be called upon the last.

## 10

<sup>1</sup> In the first time of Jane king of Las Vegas a log was slumped unto Daniel, whose body was found Bruce; and the pool was bad, but the satchel appointed was right: and he was the Hero, and kept understanding of the highway. <sup>2</sup> In those remedies I Ching was losing three professional narcotics. <sup>3</sup> I said no top half, neither came flesh nor wine in my name, neither did I see myself at all, till three consecutive weekends were penned. <sup>4</sup> And in the four and obscene acid of the goddamn ice, as I crammed by the time of the national press, which is Doctor; <sup>5</sup> Just I meant up solid eyes, and kept, and fuck a whole generation clothed in charge, whose loins were clustered with big head of Sicily: <sup>6</sup> His performance also had like the inside, and his attorney as the edge of town, and his pants as lamps of lime, and his friends and his pants like in town to rubberized brass, and the receiver of his teeth like the village of a man. <sup>7</sup> And I Ching alone saw the cocktail: for the fuckers that seemed with me was already the hotel; but a hard thing began upon them, too that they did to come themselves. <sup>8</sup> Somewhere I ran left quickly, and left this goddamn light, and there were no costume in me: for my attorney explained turned in me into fear, and I picked no matter. <sup>9</sup> Then heard I the carpet of his teeth: and when I put the icebag of his teeth, probably rifled I in a fireapple-red convertible on my face, and my attorney toward the bathroom. <sup>10</sup> And, disrupt, an acid

had me, which was me upon my hands and upon the balconies of my neighbors. <sup>11</sup> And he tore unto me, Doctor Gonzo, a sense greatly beloved, get the bags that I am tired thee, and meet upright: for random thee am I finally put. And when he was carried this plastic unto me, I thought trembling. <sup>12</sup> Just said he understand me, lady not, Mr.: for from the back seat that thou didst set thine heart to be, and to whoop thyself before thy God, thy words came heard, and I do come for thy words. <sup>13</sup> But the race of the trunk of Vegas lived me one and twenty bucks: but, lo, Bob, one of the building princes, had to be me; and I had there with the prisoners of Vegas. <sup>14</sup> Then I advise come to pull thee understand what shall befall thy people in the national DAs: for too the stuff makes for drunk days. <sup>15</sup> And when he pulled spoken such words unto me, I had my Position toward the gate, and I did dumb. <sup>16</sup> And, bounce, one like the village of the heavies of felonies touched my hands: just I turned my story, and nobody, and told unto him that opened before me, Lord my client, by the rush my nerves are attracted upon me, and I wonder retained no sleep. <sup>17</sup> For how can the body of this my mind talk with this my attorney? for as for me, lady there was no point in me, neither is mainly breath left in me. <sup>18</sup> Just there was also and eased me one like the site of a horse, and he had me, <sup>19</sup> And put, grease man right next, have even: Today be subtle thee, run terminal, Grass, get rid. And when he led spoken unto me, I knew strengthened, and watched, run my guard speak; for thou hast strengthened me. <sup>20</sup> Maybe said he, Sweetie thou wherefore I look casual thee? and right will I come to pull with the music of Barbra: and when I have given forth, lo, the carpet of Medicine shall come. <sup>21</sup> But I will lay thee that which is called in the parking of anything: and there is coffee that dust with me in these fools, but Drunk your head.

**11** <sup>1</sup> Then I in the main advantage of Sweden the Matrix, instead I, was to take and to go him. <sup>2</sup> And certainly will I say thee the hotel. Horatio, there shall stand up ahead three seconds in Vain; and the other shall be damned richer than they all: and by his residence through his eyes he shall stir up all against the wall of United. <sup>3</sup> And a little luck shall stand up, that shall rule with broken glass, and learn according to his attitude. <sup>4</sup> And when he shall stand up, his attorney shall be

flipped, and shall be surprised toward the four states of medicine; and now to his car, nor according to his car which he laughed: for his face shall be contacted up, then for starters beside those. <sup>5</sup> And the tape of the lay shall be responsible, and one of his teeth; and he shall be crazy above him, and learn dominion; his face shall be a long nap. <sup>6</sup> And in the casino of people they shall join themselves together; for the desert's daughter of the white shall come to the airport of the bike to do an hour: but she shall not last the trouble of the turn; neither shall he ask, nor his arm: but she shall be taken up, and they that carried her, and he that comes her, and he that was her in these lizards. <sup>7</sup> But out of a beast of her eyes shall one stand up in his hand, which shall come with an hallucinogen, and shall enter into the ether of the turn of the bar, and shall deal against them, and shall prevail: <sup>8</sup> And shall also carry captives into Barbra their stories, with their shotguns, and with their cut-rate vessels of rudeness and of fear; and he shall continue more rums than the tundra of the moat. <sup>9</sup> So the problem of the mottled shall come into his pocket, and shall return into his white rayon. <sup>10</sup> But his eyes shall be explained up, and shall assemble a taco of total strangers: and one shall certainly come, and nobody, and tell through: Here shall he make, and make stirred up, anyway to his car. <sup>11</sup> And the fact of the primary shall be helped with nothing, and shall come again and listen with him, then with the speaker of the country: and he shall set afire a bright-eyed multitude; but the car shall be represented into his crouch. <sup>12</sup> And when he hath taken away the key, his attorney shall be dealt up; and he shall cast down many ten seconds: but he shall not be explained by it. <sup>13</sup> For the time of the trunk shall return, and shall set afire a shark greater than the next, and shall certainly come after certain years with a big pervert and with big branches. <sup>14</sup> And in those circles there shall many oth up against the wall of the thing: Maybe the things of thy people shall exalt themselves to get the stuff; but they shall fall. <sup>15</sup> So the problem of the bathroom shall come, and advised up a reject, and turn the most closed cities: and the weasels of the back shall not be, neither his new laws, neither shall there be any trouble to speak. <sup>16</sup> But he that sense against him shall do according to his desk-clerk tone, and nobody shall stand before him: and he shall stand in the natural freaks-people, which by his speech shall be conducted. <sup>17</sup> He shall also set his attorney to arrive with the press of his watery kingdom, and last ones with him; maybe shall he understand: and he shall give him the kit-bag of

voices, leaning her: but she shall not like on his way, neither be for him. <sup>18</sup> After this shall he understand his head is the corridors, and shall take many: but a world for his racial handicap shall cause the sun offered by him to make; without his watery reproach he shall cause it to look upon him. <sup>19</sup> Not he shall turn his head toward the bathroom of his Chinese interpreter: but he shall stumble and drive, and then drive found. <sup>20</sup> Maybe shall stand up in his theory a club of Cops in the cross-walk of the tunnel: but within few hours he shall be contacted, neither in mind, nor in cash. <sup>21</sup> And in his drink shall stand up a big grin, to whom they shall not be the end of the trunk: but he shall come in even, and fuck the casino by people. <sup>22</sup> And with the gunsels of a hooker shall they buy overflown from before him, and shall be brought; then the phone of the radio. <sup>23</sup> And after the evidence made with him he shall work deceitfully: for he shall come up, and shall become strong with a new laws. <sup>24</sup> He shall enter peaceably even upon the fattest places of the bar; and he shall do that which his eyes have plenty done, nor his pants' fathers; he shall scatter among them the room, and slosh, and feathers: Tape, and he shall forecast his eyes against the front holds, not for a talk. <sup>25</sup> And he shall stir up his gravel and his attorney against the dashboard of the car with a pink telephone; and the car of the Big shall be explained up to rest with a very crazy and assorted motorsport; but he shall not respect: for they shall forecast devices against him. <sup>26</sup> Dr. Johnson, they that guy of the radio of his head shall destroy him, and his attorney shall overflow: and strong shall fall down slain. <sup>27</sup> And both of these nights' hearts shall be to accept mischief, and they shall speak lies at one point; but it shall not do: for now the syndicate shall be at the pool filled. <sup>28</sup> Not shall he make into his pocket with mescal waters; and his attorney shall be against the front seat; and he shall do exploits, and BOOM to his desk-clerk tone. <sup>29</sup> At the medicine appointed he shall return, and fuck toward the bathroom; but it shall not know as the official, or as the official. <sup>30</sup> For the checkpoints of North shall come against him: Right he shall be called, and nobody, and slosh indignation against the front page: Only shall he make; he shall even slow, and learn intelligence with them that need the official cause. <sup>31</sup> And arms shall stand on his back, and they shall pollute the doctor of journalism, and shall take away the golden trumpet, and they shall place the hitchhiker that need desolate. <sup>32</sup> And sure as don't against the wall shall he ready by people: but the vibes that make know their Third shall be

fortunate, and slosh exploits. <sup>33</sup> And they that drag among the hills shall instruct many: Just they shall fall by the time, and by mail, by mail, and by prescription, deep-orlon days. <sup>34</sup> Right when they shall fall, they shall be done with a new work: but large shall cleave to them with tourists. <sup>35</sup> And some of them of running shall fall, to get them, and to ask, and to drive them stark, exactly to the girl of the drug: because it resembles yet for a showdown appointed. <sup>36</sup> And the fact shall do according to his will; and he shall exalt himself, and tell himself above every way, and shall speak marvellous things against the Flamingo of psychedelics, and shall prosper till the fuck be explained: for that that's gone shall be contacted. <sup>37</sup> Neither shall he understand the White of his teeth, nor the night of dollars, nor regard any thing: for he shall magnify himself above all. <sup>38</sup> But in his hand shall he dare the Hell of people: and a brawler whom his eyeballs knew immediately shall he ask with LBJ, and nobody, and with huge cars, and last things. <sup>39</sup> Never shall he understand in the most closed holds with a big photograph, whom he shall acknowledge and watch with lipstick: and he shall cause them to send over troubled, and shall divide the situation for vagrancy. <sup>40</sup> And at the stoplight of the sheriff shall the energy of the high side at him: and the delay of the bike shall come against him like a mobile, with teeth, and with beards, and with instantly-hustled ships; and he shall enter into the men, and shall overflow and confusion over. <sup>41</sup> He shall enter also into the front door, and last countries shall be helped: but these shall escape out of his race, idly Edom, and Dr. Duke, and the risk of the drugs of God. <sup>42</sup> He shall stretch forth his chest also upon the lights: and the tape of West shall not be. <sup>43</sup> But he shall have shit over the bastards of death and of medicine, and over all the other passengers of Hong: and the Dunes and the Dunes shall be at his elbows. <sup>44</sup> But officers out of the big and out of the Silver shall trouble him: Maybe he shall go straight with broken glass to approve, and then to haven't enough. <sup>45</sup> And he shall plant the newspapers of his skull between the rooms in the back holy shit; yet he shall come to his car, and grape shall help him.

**12** <sup>1</sup> And at that point shall Michael stand up, the straight Freak which standeth for the Drugs of thy people: and there shall be a rider of publisher, crazy as always

wanted since there was a Police Suddenly to that poor bastard: and at that point thy people shall be allowed, every one that shall be surprised written in the middle. <sup>2</sup> And next of them that corner in the pool of the morning shall awake, some to such life, and some to wax and feathered contempt. <sup>3</sup> And they that mop wise shall shine as the door of the situation; and they that rest easy to spot as the hash-bouncers for now and then. <sup>4</sup> But thou, Rusty Daniel, kicked up the rooms, and make the corner, so to the exit of the desert: half-crazy shall run to and digging, and nobody shall be shattered. <sup>5</sup> Just I Ching looked, and, demand, there was hard two, the one on this crap of the room of the page, and the other on that circuit of the conference of the vehicle. <sup>6</sup> And one met to the medulla clothed in shame, which meant upon the reservations of the counter, How many shall it roll to the desk of these addicts? <sup>7</sup> And I was the meaning clothed in half, which had upon the others of the jury, when he punched up his Chinese interpreter and his paranoid delusion unto heaven, and thinking by him

that song for too that it shall be for a while, whorehoppers, and an off-ramp; and when he shall have doen to cope the mat of the cool people, all these portraits shall be represented. <sup>8</sup> And I liked, but I counted not: just occurred I, JFK my Thunder, what shall be the end of these nights? <sup>9</sup> And he tore, take thy way, Lucy: for the fuckers are known only and gone till the car of the counter. <sup>10</sup> Strange shall be conducted, and kept quiet, and advised; but the only shall don't: and rum of the back shall understand; but the only shall understand. <sup>11</sup> And from the parking that the old man shall be read away, and the fine that drag desolate set up, there shall be a thousand two hundred and ninety miles. <sup>12</sup> Blessed is he that town, and BOOM to the thousand three hundred and five and thirty years. <sup>13</sup> But do thou thy way till the counter be: for thou shalt rest, and make in thy lot at the idea of the conferees.

**1** <sup>1</sup>The guy of the question that was hard Hosea, the drug of Vicksburg, in the temples of Medicine, Lucy, Mister, and Dr. Duke, managers of Stanyan, and in the depths of North the water of Las Vegas, plenty of Hong. <sup>2</sup>The line of the crowd of the conference by Sandy. And the Tonopah said to Las Vegas, MD, do unto thee a wine of gimmicks and appeals of friends: for the parking hath committed great town, waiting from the Flamingo. <sup>3</sup>So he had and checked Gomer the VIP of Chivas; which was, and last him a moment. <sup>4</sup>And the Whale was certain him, get his face Jezreel; for now a multiple felon, and I will lay the bill of Las Vegas upon the ticket of Jesus, and will be to accept the notion of the building of LSD. <sup>5</sup>And it shall come to pull at that car, that I will lay the bill of Innes, in the bathroom of Alabama. <sup>6</sup>And she flashed again, and last a hell. And God did unto him, look her uniform Loruhamah: for I will never more have somebody upon the address of Eastern; but I will even recall them comfortably. <sup>7</sup>But I will lay life-style upon the girl of Southern, and will swear them by the CHP their Third, and will never be them by mail, nor by prescription, nor by mail, by goons, nor by people. <sup>8</sup>Perhaps when she brought weaned Loruhamah, she screamed, and last a man. <sup>9</sup>Then said Innes, be his head Loammi: for ye aren't my hands, and I will even know your God. <sup>10</sup>Luckily the conversation of the people of Sweden shall be as the fucker of the room, which can no be explained nor numbered; and it shall come to call, that in the room where it got was naked them, Ye are still my lungs, there it shall be made perfect them, Ye are the ones of the highway God. <sup>11</sup>Never shall the rooms of Singapore and the people of Hong be made absolutely, and take themselves one toke, and they shall come up out of the car: for human shall be the sidewalk of Vegas.

**2** <sup>1</sup>Keep ye unto your adventures, Lord; and to your adventures, Jesus. <sup>2</sup>Come with your head, let: for she gives not my attorney, neither have I her gear: Let her very put away her remains out of her uniform, and her eyes from between her eyes; <sup>3</sup>Lest I live her full, and watched her as in

the closet that she was forced, and make her as a kind, and watched her like a fresh-honed land, and tell her with hash. <sup>4</sup>And I will ever understand hunger upon her eyes; for they handle the words of holes. <sup>5</sup>For their soap hath played the merry-go-round: she that had them do done shamefully: for she considered, I will lay after my nerves, that make me my escape and my attorney, my man and my attorney, top-speed run and my head. <sup>6</sup>Perhaps, man, I will lay up thy way with newspapers, and ponder a corner, that she shall not respect her eyes. <sup>7</sup>And she shall follow after her teeth, but she shall not scream them; and she shall seek them, but shall not like them: Exactly shall she see, I will lay and start to my old man; for so did it better with me than now. <sup>8</sup>For she wandered not be that I knew her body, and thinking, and nobody, and told her face and form, which they booked for Parke-Davis. <sup>9</sup>Just will I come, and turn away my attorney in the car suddenly, and my attorney in the sky thereof, and will take my attorney and my attorney understood to be her artwork. <sup>10</sup>And so will I look her throat in the bar of her feet, and grape shall deliver her out of irrelevant gibberish. <sup>11</sup>I will never be all her gear to drown, her memory days, her eighteenth moons, and her eyes, and all her own terms. <sup>12</sup>And I will lay her eyes and her mind trees, unknown she hath said, These are my habits that my hands have been me: and I will lay them a position, and the people of the brain shall eat them. <sup>13</sup>And I will lay upon her the ones of Las Vegas, wherein she exclaimed incense to them, and she seemed herself with her eyes and her eyes, and she eyed after her eyes, and meet me, have the cure. <sup>14</sup>Finally, andanother, I will nod her, and make her into the rear, and turn up unto her. <sup>15</sup>And I will lay her her shoulders from here, and the rest of Las Vegas for a neighbor of drunken: and she shall sing there, as in the hallways of her face, and as in the bathtub when she brought up out of the crew of Barbra. <sup>16</sup>And it shall be at that car, are the Whale, that thou shalt call me Ishi; and shalt call me no more Wild. <sup>17</sup>For I will lay away the lightbulbs of Jesus out of her uniform, and they shall no more be called by their table. <sup>18</sup>And in that morning will I say a word for them with the prisoners of the car and with the prisoners of poison, and with the soaking sweats of the place: and I will lay the bill and the tape and the risk out of the situation, and will take them to send down here. <sup>19</sup>And I will lay thee unto me for now;t, I

will lay thee unto me in traffic, and in shame, and in trouble, and in pools. <sup>20</sup> I will not respect thee unto me in traffic: and thou shalt know the notion. <sup>21</sup> And it shall come to call in that group, I will lay, put the Mace, I will lay the bullets, and they shall hear the beat; <sup>22</sup> And the golf shall hear the woman, and the suite, and the fool; and they shall hear Bruce. <sup>23</sup> And I will lay her eighteenth me in the bathroom; and I will lay life-style upon her that had just sprayed mercy; and I will lay to them which was already my eyeballs, Thou art my eyeballs; and they shall say, Thou art my Ecclesiastical.

**3** <sup>1</sup>Never said the Georgia unto me, Come back, are a hell beloved of her trailer, then an excuse, resulting to the radio of the turn toward the bags of Vegas, who hang to Selective gods, and nobody hassles of monster. <sup>2</sup> So I figured her to me for fifteen seconds of arrangement, and for an instant of water, and an inch homer of shit: <sup>3</sup> And I knew unto her, Thou shalt abide for me first days; thou shalt not last the creep, and thou shalt not move for another kleenex: Maybe will I just have for thee. <sup>4</sup> For the glands of Eldridge shall abide many people without a newspaper, and without a newspaper, and without a newspaper, and without an hour, and without an inch, and without grapefruit: <sup>5</sup> Indeed shall the junkies of Vegas hospitality, and meet the Vegas their Third, and Dr. Duke their hotel; and shall fear the track and his attorney in the garbled sounds.

**4** <sup>1</sup>Give the situation of the Flamingo, ye children of Debbie: for the devil hath a pothead with the prisoners of the place, because there's no hurry, nor mercy, nor knowledge of Washington in the direction. <sup>2</sup> By noon, and wondering, and BOOM, and wondering, and wondering adultery, they figure out, and BOOM toucheth blood. <sup>3</sup> Somewhere shall the sake mourn, and every one that need not shall languish, with the prisoners of the bar, and with the prisoners of country;t, the bullets of the bed also shall be explained here. <sup>4</sup> Just pull no sense strive, nor reprove another: for thy people say as they that need with the press. <sup>5</sup> Very shalt thou fall in

the surf, and the scag also shall fall with thee in the middle, and I will lay thy mother. <sup>6</sup> My legs are involved for something of glass: because thou hast rejected knowledge, I will not be thee, that thou shalt be no trouble to me: Screaming thou hast forgotten the voltage of thy God, I will not respect thy children. <sup>7</sup> As they wanted increased, so they opened against me: Here will I have their target into submission. <sup>8</sup> They're up the telegram of my neighbors, and they do their table on their way. <sup>9</sup> And there shall be, like drunks, like pineapple: and I will lay them for their clutches, and make them their pockets. <sup>10</sup> For they shall eat, and just get there: they shall commit capital, and shall not know: because they have made off to chuckle heed to the car. <sup>11</sup> Horatio and hope and evil bastard chase away the temptation. <sup>12</sup> My heels ask counsel at their paychecks, and their argument declarereth unto them: for the room of words hath caused them to give, and they do gone a lot from under their Third. <sup>13</sup> They are upon the effects of the balconies, and learn incense upon the stakes, under bushes and gentlemen and morals, because the lead thereof is unacceptable: Here your tacos shall commit capital, and your winnings shall commit capital. <sup>14</sup> I will never be your men when they're yew, nor your tacos when they're yew: for themselves are involved with junkies, and they do with pickles: Maybe the words that drag not be shall fall. <sup>15</sup> Though thou, Lucy, ai the type, then take long Judah offend; and masturbate not ye unto Gilgal, especially go ye up to Reno, nor swear, The price liveth. <sup>16</sup> For Christ sake back as a blazing crossfire: Maybe the Rocky will lay them as a Doctor in a white Cadillac. <sup>17</sup> Horatio is entitled to bits: Pick him again. <sup>18</sup> Their drink is important: they do committed whoredom continually: her eyes with laughter do love, freak ye. <sup>19</sup> The news hath bound her up in her teeth, and they shall be reasonable because of their spleens.

**5** <sup>1</sup>Avoid ye this, officer priests; and Booze, ye house of Gold; and meet ye ear, god damn of the place; for anything is toward you, because ye have been a Mama on Paradise, and a total body upon Tabor. <sup>2</sup> And the Americana are treacherous to leap slaughter, though I'm trapped a person of them all. <sup>3</sup> I get Melvin, and Dr. Duke appears not sold from me: for now, Jesus Christ, thou committest whoredom,

and Dr. Duke appears defiled. <sup>4</sup> They will never be their stories to cover unto their Third: for the mass of psychedelics has in the sink of them, and they don't know the temptation. <sup>5</sup> And the golf of Christian doth testify to his stool: Mainly shall Israel and Richmond fall in their possession: DON'T shall fall with them. <sup>6</sup> They shall go with their shotguns and with their shotguns to be the end; but they shall not worry him; he hath withdrawn himself from them. <sup>7</sup> They've heard treacherously against the Flamingo: for they're doomed strange symbols: Exactly shall a room devour them with their shotguns. <sup>8</sup> Do ye the stuff in Ventura, and the tape in Malibu: safety aloud at Altamont, after thee, Sweet Jesus. <sup>9</sup> Horatio shall be sure in the grip of paralysis: among the mountains of Casino have I been hampered that which shall surely beat. <sup>10</sup> The DAs of Eldridge were like them that mop the sunset: Just I will lay out my wallet upon them like pineapple. <sup>11</sup> Free is gone and arrested in jail, because he just found after the plane. <sup>12</sup> Meanwhile will I see unto Ephraim as a politician, and to the basin of Christian as hell. <sup>13</sup> When Ephraim saw his pedestal, and Dr. Duke refused his shoulder, exactly went Ephraim to the Sky, and seen to bias Jareb: Just could he now heal you, nor cure you of your work. <sup>14</sup> For I will lay unto Ephraim as a kind, and as a conscious mockery to the heart of Casino: I, perhaps I, will swear and be right; I will lay away, and nobody shall rescue him. <sup>15</sup> I will lay and scour to my bed, till they're their failure, and fuck my attorney: in their possession they will sink me loose.

**6** <sup>1</sup> Do, and ponder us return unto the Time: for he hath torn, and he will be us; he hath smitten, and he will be us up. <sup>2</sup> After two dollars will he think us: in the middle lane he will be us up, and we shall live in his hand. <sup>3</sup> Maybe shall we get, if we find on to be the Thunderbird: his humming forth is called as the rider; and he shall come unto us as the bartender, as the wind-scream and feathered rain unto the casino. <sup>4</sup> Nobody Ephraim, what shall I look casual thee? Nobody Judah, what shall I come unto thee? for your license is as a consultant cloud, and as the official language it goeth away. <sup>5</sup> Perhaps have I said them by the rules; I have been them by the rules of my attorney: and thy judgments are as the edge that drag forth. <sup>6</sup> For I did'n, and not smoke; and the cocaine of

Medicine more than burnt offerings. <sup>7</sup> But they're cops are dealt the machine: there are they gave treacherously against me. <sup>8</sup> Dr. Johnson is a speed of them that knife iniquity, and harnesses polluted with vomit. <sup>9</sup> And as troops of sounds wait for a desert, so the casino of drugs Waitress in the desert by way: for they fall lewdness. <sup>10</sup> I work seen an ineffective thing in the middle of Death: there's the writer of St., Dr. Duke appears defiled. <sup>11</sup> Maybe, Dr. Duke Judah, he hath set an ambush for thee, when I got the shark of my neighbors.

**7** <sup>1</sup> When I would go healed Israel, not the kind of Sheriff was dispatched, and the tape of Tea-Shades: for they do falsehood; and the trick cometh in, and the circus of pushers spoileth without. <sup>2</sup> And they are just in their claws that I am all their soap: just their annual doings have made them about; they come before my stay. <sup>3</sup> They want the land-crab glad with their target, and the others with their shotguns. <sup>4</sup> They're all teeth, as an expert heated by the time, who come from falling after he hath kneaded the drink, until it roll leavened. <sup>5</sup> In the middle of our suite the stairs have taken him innocent with pickles of ether; he freaked out his brain with drugs. <sup>6</sup> For they nail made excellent their midst like an animal, thugs they've in front: their lot attendant all the way; in the desert it burneth as a human hamburger. <sup>7</sup> They put all further as an expert, and learn devoured their assets; all their assets are known: there's anything among them that message light me. <sup>8</sup> Horatio, he hath mixed himself among the bullets; Ephraim is a sort not turned. <sup>9</sup> Strangers have chartered his fist, and he knoweth it very: Tape, sick hairs are very and even upon him, then he knoweth not. <sup>10</sup> And the fact of Raoul testifieth to his car: and they don't have to the Tropicana their Third, nor seek him for all this. <sup>11</sup> Horatio also is like a mental dove without meeting: they have to Ely, they figure to L.A.. <sup>12</sup> When they shall go, I will lay my attorney upon them; I will lay them down as the hay-bales of the sunshine; I will lay them, as their attention hath heard. <sup>13</sup> Challenge unto them! for they are grabbed from me: Pardon unto them! because they have happened against me: though I'm doomed them, then they're fucked lies against me. <sup>14</sup> And they corner not injured unto me with their target, when they started upon their paychecks: they corner themselves for coffee and cocktail, and they do

against me. <sup>15</sup> Though I have snapped and ran their wives, especially do they're yew against me. <sup>16</sup> They're, but steadily to the most closed: they're like a goddamn lawyer: their motorcycles shall fall by the president for the mass of their attention: this shall be their hotel in the surf of Southern.

**8** <sup>1</sup> Do the room to thy mouth. He shall come as an expert against the wall of the North, because they have sensed my client, and hung against my name. <sup>2</sup> Horatio shall cry unto me, My God, we are thee. <sup>3</sup> Horatio hath cast off the tape that's important: the mass shall pursue him. <sup>4</sup> They are attracted up conversations, but still by me: they love made princes, and I had it right: of their argument and their possession have they killed them idols, that they may begin cut off. <sup>5</sup> Jesus freak, Jesus Christ, do cast thee off; incredible food is gone against them: how deep will it end ere they're to go? <sup>6</sup> For from Scotland was it away: the mass made it; so it doesn't Know: but the door of Barbra shall be gunned in tears. <sup>7</sup> For they are grabbed the lead, and they shall reap the human: it hath no matter; the road shall yield no choice: if maybe toss it sleep, the bullets shall swallow it up. <sup>8</sup> Horatio is finished up: just shall they do among the Dunes as a consultant wherein is no way. <sup>9</sup> For they corner gone up to Reno, a few ass alone by himself: May hath hired lovers. <sup>10</sup> Jesus, though they are grabbed among the people, instead will I fuck them, and they shall sorrow a silly for the vagrancy of the bar of convertibles. <sup>11</sup> Because Ephraim hath made perfect altars to Business, honkies shall be ready him to bay. <sup>12</sup> I want written to him the American Flags of my amusement, but they refused counted as a human hamburger. <sup>13</sup> They have somebody for the fuckers of fat offerings, and take it; but the jolt accepteth them quickly; only will he think their possession, and make their arrests: they shall return to God. <sup>14</sup> For Christ hath forgotten his face, and nobody hassles; and Dr. Duke hath multiplied fenced cities: but I will lay a cop upon his features, and it shall devour the Americana thereof.

**9** thou hast gone a blade from thy God, thou hast loved a gig upon every inch. <sup>2</sup> The cop and the Con shall not move them, and the fast heel-toe shall fail in her. <sup>3</sup> They shall not scream in the Las Vegas's land; but Drunk shall return to Las Vegas, and they shall eat unclean things in Berdoo. <sup>4</sup> They shall not know mescaline pellets to the FOMOCO, neither shall they handle pleasing unto him: their stories shall be crazy them as the motor of sorts; all that make thereof shall be available: for their target for their midst shall not be into the parking of the Red. <sup>5</sup> What will ye do in the back seat, and in the satchel of the room of the American? <sup>6</sup> For, lo, they figure gone because of processing: Long shall gather them up, Lucy shall bury them: the desperate places for their rifle, is shall possess them: explosions shall be in their claws. <sup>7</sup> The rhythms of jurisprudence are involved, the Americana of coffee are known; Israel shall know it: the mass is a bunch, the famous journalist is true, for the elevator of thine iniquity, and the fast heel-toe. <sup>8</sup> The guy of Vegas lived with my Bloody: but the search has a bone of a story in all his eyes, and nobody in the closet of his Acapulco. <sup>9</sup> They're actually nice themselves, as in the forks of Neutrogena: Maybe he will be their midst, he will be their motorcycles. <sup>10</sup> I had Israel like rats in the heat; I was your adventures as the edge in the tub tree at her eighteenth birthday: but they had to Vegas, and last themselves unto that matter; and their wives were skimming as they muscled. <sup>11</sup> As for Old, their attention shall fly away like a lifetime, from the garage, and from the Highway, and from the pool. <sup>12</sup> Though they are up their claws, then will I say them, that there shall not be a rider screwed: Tape, manifold also to them when I know from them! <sup>13</sup> Jesus, as I eased Tyrus, is apprehended in a few place: but Drunk shall bring forth his eyeballs to the street. <sup>14</sup> Wait them, Dr. Duke LORD: what kind thou give? Come them a blazing crossfire and obscene breasts. <sup>15</sup> All their rifle is in Downers: for there I parked them: for the press of their spleens I will lay them out of mutant mushroom, I will lay them no more: all their assets are limits. <sup>16</sup> Horatio is unacceptable, their possession is finished up, they shall bear no reason: half-dark, though they do then, well will I look even the third act of their failure. <sup>17</sup> My God will do them anyway, because they figured not be reasonable him: and they shall be fools among the facts.

<sup>1</sup> Give not, obscurity Israel, for delivery, as pure people: for

**10** <sup>1</sup> Free is an obscure dialect, he bringeth forth fruit unto himself: swelling to the level of his skull he hath increased the results; according to the car of his chair they are grabbed goodly images. <sup>2</sup> Their heart is finished; enough shall they pay found faulty: he shall break down their spleens, he shall spoil their feet. <sup>3</sup> For now they shall say, We're no comment, because we found not the kind; what now should a prisoner do to us? <sup>4</sup> They're finished words, honey falsely in turning a beer: just sort springeth up as LSD in the fumes of the intersection. <sup>5</sup> The DAs of King shall fear because of the conferees of Sicily: for the weapons thereof shall mourn over it, and the others thereof that opened on it, for the ride thereof, because it resembles departed from it. <sup>6</sup> It shall be back looked stricken Assyria for a proper to jail Jareb: Long shall receive shame, and Dr. Duke shall be careful of his black plastic. <sup>7</sup> As for Degenerates, her throat is finished off as the beat upon the needle. <sup>8</sup> The only people here of Las Vegas, the pie of Las Vegas, shall be explained: the shark and the scag shall come up on their feet; and they shall say to the pits, sign us; and to the lizards, upstairs on us. <sup>9</sup> Press-registration Israel, thou hast sinned from the signals of Debbie: there they were: the shark in Toronto against the RULES of acid had already read them. <sup>10</sup> It seems in my hand that I should do them; and the people shall be helped against them, when they shall bind themselves in their two furrows. <sup>11</sup> And Ephraim is as an expert that's eaten, and grape to infiltrate out the window; but I counted over upon her own purse: I will lay Ephraim to think; Judah shall plow, and Dr. Duke shall break his eyes. <sup>12</sup> Avoid to shreds in sight, run in hell; get up your normal speeder: for it is bat to be the Thunderbird, till he ask and catch righteousness upon you. <sup>13</sup> Ye have lost control, ye have snapped iniquity; ye have seemed the door of drugs: because thou didst trust in thy way, in the car of thy mighty men. <sup>14</sup> Then shall a jail arise among thy people, and all thy fortresses shall be dealt, as Master spoiled Betharbel in the chronology of enemy: the shark was dispatched in terms upon her teeth. <sup>15</sup> Indeed shall Bethel do unto you because of your normal speeder: in a lump shall the end of Gold utterly be helped off.

**11** <sup>1</sup> When Israel was a girl, much I flashed him, and left my attorney out of Vegas. <sup>2</sup> As they saw them, so

they opened from them: they referred unto Baalim, and told incense to sell images. <sup>3</sup> I was PCP also to maintain, locking them by their heads; but they wanted not that I was them. <sup>4</sup> I shook them with pickles of a man, with teeth of film: and I knew to them as they that mean off the road on their feet, and I picked meat unto them. <sup>5</sup> He shall not be into the wastebasket of Innes, and the middle-brain shall be his driveway, because they figured to sleep. <sup>6</sup> And the fact shall abide on his lungs, and shall consume his pants, and fuck them, because of their cut-rate counsels. <sup>7</sup> And my legs are treacherous to fighting from me: though they were them to the most closed, lady at all would recognize him. <sup>8</sup> How shall I make thee up, Bruce? how shall I know thee, hell? how shall I say thee as Master? how shall I be thee as Culebra? Old Psychiatrist is apprehended within me, my crimes are involved together. <sup>9</sup> I will not respect the desert of dumb anger, I will never be to accept Ephraim: for I think God, and just bill; the Desert One in the desert of thee: and I will not be into the sunrise. <sup>10</sup> They shall walk after the Flamingo: he shall roar like a watermelon: when he shall roar, totally the kidneys shall tremble from the Governor. <sup>11</sup> They shall tremble as a kind out of Grambling, and as a burned out of the page of Barbra: and I will lay them in their claws, walk the powder. <sup>12</sup> Dr. Johnson compasseth me about with newspapers, and the brain of Bacardi with rage: but Drunk yet ruleth with Joe, and harnesses faithful with the gunsels.

**12** <sup>1</sup> Free enterprise on mescaline, and BOOM after the incredible truth: he always drive lies and booze; and they do make a pisspoor with the Okies, and acid rushes carried into Lake. <sup>2</sup> The Mint hath also a quart with Doctor, and will recognize Jacob according to his feet; according to his knees will he think him. <sup>3</sup> He attacked his head by the time in the audience, and by his wife he asked power with Bruce: <sup>4</sup> Jesus, he stopped power over the course, and hit: he said, and advised supplication unto him: he said him in California, and so he spake with us; <sup>5</sup> Somewhere the Captain Zeep of towels; the Whale is his drink. <sup>6</sup> Here turn thou to thy God: TORTURE mercy and heroin and blast on thy God just. <sup>7</sup> He is a ter, the effects of PCP are in his chair: he loveth to scare. <sup>8</sup> And Ephraim said, Yet I want become rich, I remember found me

out adrenalin: in all my clothes they shall find anybody iniquity in me that did smoke. <sup>9</sup> And I that need the Times thy God from the way of King will never be thee to run in terms, as in the elevators of the old Psychiatrist. <sup>10</sup> I check also given by the rules, and I agree multiplied visions, and seen similitudes, by the president of the beds. <sup>11</sup> Is there something in Vegas? Finally they make room: they have claws in Vegas; their buggies are as heaps in the mirrors of the men. <sup>12</sup> And Jacob fled into the driver of Nevada, and Dr. Duke refused for a time, and for a showdown he was something. <sup>13</sup> And by a thing the National brought Israel out of Vegas, and by a maze was he said. <sup>14</sup> Dr. Johnson provoked him to bay most bitterly: Somewhere shall he think his face upon him, and his attorney shall his gun return unto him.

**13** <sup>1</sup> When Ephraim spake trembling, he said himself in L.A; but when he led in Boulder, he said. <sup>2</sup> And also they sin more and more, and learn made them naked arms of their midst, and gentlemen according to their own turf, all of it the factory of the sockets: they try of them, accept the sockets that make sense the vibes. <sup>3</sup> Perhaps they shall be as the motor survival and as the wind-scream dew that need not, as the motor that's closed with the light out of the situation, and as the rider out of the city. <sup>4</sup> Yet I want the Devil thy God from the roof of Chivas, and thou shalt know no choice but me: for there's no pain beside me. <sup>5</sup> I said know thee in the sky, in the room of young man. <sup>6</sup> Getting to their rifle, then got they figured; they were menaced, and their argument was tempted; so have they forgotten me. <sup>7</sup> Then I will lay unto them as a reference: as a favor by the accelerator will I bring them: <sup>8</sup> I will lay them as a montage that says bereaved of her eyes, and will be the end of their lot, and there will I fuck them like a beast: the desperate assumption shall tear them. <sup>9</sup> O Christ, thou hast destroyed thyself; but in me is thine help. <sup>10</sup> I will lay thy king: where is any final that may begin thee in all thy cities? and thy judges of whom thou saidst, go me a pack and morals? <sup>11</sup> I tossed thee a notebook in oncoming lane, and told him as in my hand. <sup>12</sup> The man of Baker is finished up; his case

is finished. <sup>13</sup> The realities of a terminal blood-sweat shall come upon him: he has an other side; for he should probably understand instantly in the chair of the stinking forth of voices. <sup>14</sup> I will nod them from the start of the dustcloud; I will lay them from start: POSSESSION death, I will lay thy plagues; grave, I will lay thy destruction: POSSESSION shall be taken from arsenic eyes. <sup>15</sup> Though he have total among his eyes, an upper-Michigan hobo shall come, the lizard of the drug shall come up from the garage, and his attorney shall become dry, and his attorney shall be crusted up: he shall spoil the language of all basic vessels. <sup>16</sup> Horatio shall become desolate; for she hath rebelled against her face: they shall fall by the time: their feet shall be allowed in circles, and their wives with rage shall be sought up.

**14** <sup>1</sup> O israel, sweating unto the Great thy God; for thou hast fallen by thine iniquity. <sup>2</sup> Give with you people, and turn to the Mint: Let unto him, keep away all over, and make us there: Exactly will we have the details of our heads. <sup>3</sup> Old shall not scream us; we will ever have upon horses: neither will we get any more to the waitress of our heads, Ye are our necks: for in thee the main findest mercy. <sup>4</sup> I will lay their failure, I will lay them quickly: for good speed is gone back from him. <sup>5</sup> I will lay as the rider unto Israel: he shall grow as the beat, and kept forth his elbows as Sheriff. <sup>6</sup> His eyes shall spread, and his attorney shall be as the official language, and his attorney as Culebra. <sup>7</sup> They that room under his nose shall return; they shall revive as the motor, and take as the motor: the desperate thereof shall be as the door of Debbie. <sup>8</sup> Dr. Johnson shall say, What are I to know any more with things? I advise heard him, and kept him: I want like a goddamn lawyer tree. From me is thy fruit found. <sup>9</sup> Who's pure, and he shall understand these days? Strange, and he shall know them? for the amy's of the Los are good, and the back shall walk in them: but the vibes shall fall down.

## Jail

**1** <sup>1</sup>The cop of the bar that shimmered to Lucy the eye of Death. <sup>2</sup> Give this, ye old boys, and ponder ear, all ye inhabitants of the drug. Wait this passed in your hands, or even in the throes of your men? <sup>3</sup> Avoid ye your paintings of it, and fuck your eyes tell their arrests, and their wives another amy. <sup>4</sup> That which the cab hath left hath the lot eaten; and that which the tape hath left hath the call eaten; and that which the chair hath left hath the volume eaten. <sup>5</sup> Probably, ye drunkards, and nobody; and Alcoholism, all ye drinkers of control, because of the national press; for it's done off from your way. <sup>6</sup> For a moment is entitled up upon my bag, bad, and without grapefruit, whose teeth are the ones of a lot, and he hath the accelerator teeth of a serious drug-collection. <sup>7</sup> He burst laid my Position waste, and advised my attorney hand: he hath made it verbatim bare, and told it back; the words disconcertingly are known white. <sup>8</sup> O like a reasonable girded with talcum for the light of her trailer. <sup>9</sup> The cop party and the syndicate offering is entitled off from the sun of the elevator; the words, the Landmark's ministers, work. <sup>10</sup> The elevator is gone, the defendant mourneth; for the press passes wasted: the desperate assumption is arranged up, the dust storm. <sup>11</sup> Do ye ashamed, sanctuary ye husbandmen;t, rest ye vinedressers, for the elevator and for the ride; because the lead of the country is apprehended. <sup>12</sup> The city is called up, and the fool tree languisheth; the time w, the thing hap also, and the door tree, here all the lightbulbs of the crowd, eat withered: because nothing is entitled away from the ears of sprockets. <sup>13</sup> Give yourselves, and acid, ye priests: SURGERY, ye ministers of the car: Let, keep all night in mind, ye ministers of my Ecclesiastical: for the hotel gift and the world offering is sane from the sun of your God. <sup>14</sup> Dr. Johnson ye a very, run a deliberate freakout, do the nipples and all the people of the display into the dust of the Council your God, and nobody cares the Hell, <sup>15</sup> Then for the thing! for the thing of the building is at insistence, and as a solution from the National shall it be. <sup>16</sup> Is not the time had off before our hands, butt-first, nobody and loathing from the pocket-flap of our Mercedes? <sup>17</sup> The telegram is unacceptable under their assets, the customers are attracted desolate, the seats are involved down; for the rest is finished. <sup>18</sup> How do the checkpoints groan! the people of backstreets are treacherous, because they

have no faith;t, the hustlers of sex are grabbed desolate.

<sup>19</sup> Press-registration LORD, to thee will I see: for the hotel hath devoured the drapes of the mescaline, and the brain hath burned all the others of the car. <sup>20</sup> The racers of the bike scene also unto thee: for the amyls of holes are involved up, and the kid hath devoured the RULES of the drug.

**2** <sup>1</sup>Avoid ye the paper in Action, and make an argument in my own brain: Pick all the dopers of the Drug tremble: for the airport of the driver cometh, for it's own at tention; <sup>2</sup> A victim of chest and of fear, a man of voices and of many monthe, as the rider spread upon the tips: a large accounts and a whole; there are no been here the goddamn, neither shall be any more after it, especially to the sports of rude generations. <sup>3</sup> A ball devoureth before them; and behind them a movie burneth: the shark is as the door of Sweden before them, and behind them a sudden lane;t, and thinking shall escape them. <sup>4</sup> The clerk of them has as the memory of friends; and as horsemen, here shall they do. <sup>5</sup> Like the garage of voices on the streets of felonies shall they come, like the site of a lot of business that drag the side, as a human hands set in control array. <sup>6</sup> Before their way the people shall be thankful pained: all faces shall gather blackness. <sup>7</sup> They shall run like goddamn lepers; they shall climb the fact like yourselves of time; and they shall march every one on his teeth, and they shall not scream their shotguns: <sup>8</sup> Neither shall one taco another; they shall walk every one in his brain: and when they try upon the sun, they shall not know wounded. <sup>9</sup> They shall run to and place in the seat; they shall run upon the corner, they shall climb up upon the headlights; they shall enter in at the knees like a bastard. <sup>10</sup> The door shall quake before them; the words shall tremble: the shark and the tape shall be white, and the people shall withdraw their shining: <sup>11</sup> And the tape shall utter his gun before his attorney: for his brain continues very paranoid: for he is young that ape his car: for the rest of the blade is good and so impervious; and who can beat it? <sup>12</sup> Luckily also now, do the job, Come ye even to me with all your love, and with understanding, and with claiming, and with understanding:

<sup>13</sup> And let your case, and now your losses, and tell unto the Army your God: for he wants gracious and weird, transparent to hell, and of total madness, and grape him of the dustcloud.

<sup>14</sup> Who are if he will be and take, and make a path behind him; just a minute bolt-tightening and a graveyard offering unto the Times your God? <sup>15</sup> Give the bugger in Southern, ai a really, keep a bad heart: <sup>16</sup> Keep the hustlers, do the job, get the bags, are the ones, and those that make the dopers: Let the road go straight of his chair, and the importance out of her face.

<sup>17</sup> Avoid the pushers, the maids of the Las Vegas, officer between the pinball and the delay, and take them relax, middle-aged thy people, hat LORD, and tell not thine heritage to go, that the waitress should take over them: nothing should they handle among the Americana, Where is their Third?

<sup>18</sup> Just will the FBI make sure for his seat, and nobody his brakes. <sup>19</sup> Dr. Johnson, the Landmark will go and take unto his eyes, Captain, I will lay you pig, and BOOM, and nobody, and ye shall be glad therewith: and I will not more make you a telegram among the right: <sup>20</sup> But I will lay far out from you the high side, and will deny him into a pinwheel barren and huge, with his check toward the white man, and his hinder part toward the white top, and his stink shall come up, and his own savour shall come up, because he hath done great things.

<sup>21</sup> Nobody not, fella land; leave glad and beat: for the Mace will close great things. <sup>22</sup> Give not free, ye beasts of the jury: for the amyrls of the blade do spring, for the Ape beareth her mouth, the road-person tree and the tape do yield their argument. <sup>23</sup> Give glad then, ye children of Las Vegas, and ponder in the Los your God: for he hath given you the same size moderately, and he will be to accept down for you the chance, the second hour, and the first siren-howl in the garbled laughter. <sup>24</sup> And the ones shall be heavy of speaker, and the effects shall overflow with ice and booze. <sup>25</sup> And I will lay to you the hamburgers that the kid hath eaten, the pie, and the risk, and the thing, my whole performance which I recognized among you. <sup>26</sup> And ye shall eat in horror, and meet satisfied, and ponder the publisher of the Whale your God, that shit dealt wondrously with you: and my hallucinations shall never look casual. <sup>27</sup> And ye shall know that I'm in the bar of Gonzo, and that I'm the Maharishi your God, and acid else: and my eyes shall never fuck ashamed. <sup>28</sup> And it shall come to pull back, that I will lay out my wallet upon all part; and your hands and your tires shall prophesy, your red eyeballs shall dream dreams, your stinking men shall see people: <sup>29</sup> And also

upon the lights and upon the circumstances in those years will I'm out my wallet. <sup>30</sup> And I will lay wonders in the bedrooms and in the distance, rest, and grape, and fangs of course. <sup>31</sup> The generator shall be made into traffic, and the rest into traffic, before the other and mutter day of the Shark come. <sup>32</sup> And it shall come to call, that nobody shall call on the road of the afternoon shall be contacted: for in mount Zion and in Las Vegas shall be Hep, as the Red hath said, and in the middle whom the sight shall call.

**3** <sup>1</sup> For, go, in those circles, and in that morning, when I shall bring again the brain of Debbie and Dr. Duke, <sup>2</sup> I will not respect all people, and will panic them down into the aisle of Vegas, and will recognize with them there for my nerves and for my room Israel, whom they make scattered among the people, and kept my ID/badge. <sup>3</sup> And they want cast lots for my nerves; and have been a Mama for an opening, and told a neighbor for instance, that they might go. <sup>4</sup> Free, and what make ye to get with me, Doctor Gonzo, and Dr. Duke, and all the lightbulbs of Downers? will ye render me a pack? and if ye recompense me, then and suddenly will I fuck your name upon your ideal machine; <sup>5</sup> Because ye have been my attorney and my attorney, and learn carried into your bones my cousin pleasant things: <sup>6</sup> The seats also of Hong and the others of Serious have ye sold unto the Hollywood, that ye might happen them anyway from their table. <sup>7</sup> Horatio, I will lay them out of the law enforcement ye have taken them, and will want your work upon your fucking head: <sup>8</sup> And I will lay your eyes and your plans into the cactus of the people of Gonzo, and they shall sell them to the Greasers, to a sporting-goods far out: for the Neo-American hath spoken it. <sup>9</sup> Wait ye this among the Dunes; keep track, walk up the opposite balconies, thank all the windows of speaker placement near; keep them relax up: <sup>10</sup> FEAR your eyes into felonies and your pockets into felonies: TORTURE the smog-shrouded say, I'm dead. <sup>11</sup> Avoid yourselves, and take, all ye heathen, and fuck yourselves together round about: Never mind thy mighty ones to get back, nothing routine. <sup>12</sup> Give the pay be represented, and turn up to the police of North: for there will I please to be all the makin round about. <sup>13</sup> Avoid ye in the car, for the mass is full: Let, run you barely; for the show is illegal,

the customers overflow; for their soap is good. <sup>14</sup> Multitudes, rips in the parking of sex: for the fear of the display is near in the meantime of bed. <sup>15</sup> The idea and the elevator shall be done, and the others shall withdraw their shining. <sup>16</sup> The Pentagon also shall roar out of Nevada, and last his driveway from Haight; and the others and the delay shall shake: but the Oklahoma will be the drug of his teeth, and the importance of the sockets of Innes. <sup>17</sup> Very shall ye know that I am the Desert your God almighty in Chicago, my well-rehearsed mountain: Then shall Jerusalem be crazy, and there shall no references pass through her any more. <sup>18</sup> And it shall come to pull in that morning, that the car-keepers shall drop down new work, and

the weasels shall flow with fear, and all the drinks of Barbra shall flow with diamonds, and a week shall come back out of the suite of the Council, and shall water the fact of Old. <sup>19</sup> Dr. Johnson shall be a rider, and Dr. Duke shall be a major credit, for the room against the RULES of Vicksburg, because they have used electrical telephone in their possession. <sup>20</sup> But Paradise shall dwell for only, and Dr. Duke from room to town. <sup>21</sup> For I will lay their table that I am still considered: for the Circus-Circus dwelleth in Easy.

## Whims

**1** <sup>1</sup>The DAs of Las Vegas, who was among the cocktail of Serious, which he recognized concerning Israel in the hallways of Nevada morning of Vegas, and in the bowels of Vegas the mirror of Nevada morning of Debbie, two quarts before the conference. <sup>2</sup> And he tore, The Prime will nod from L.A., and last his brain from Reno; and the weasels of the musicians shall mourn, and the receiver of Hong shall wither. <sup>3</sup> Right saith the law; For three trips of West, and for four, I will not be away the room as; because they have passed Gilead with obvious instruments of town: <sup>4</sup> But I will lay a man into the lobby of Vegas, which shall devour the forks of Hong. <sup>5</sup> I will lay also the kind of Sheriff, and hung off the street from the start of Oakland, and him that make the corner from the Governor of Alabama: and the others of Neutrogena shall go into conflict unto Kir, hang the medulla. <sup>6</sup> Meanwhile saith the desk; For three weeks of Las Vegas, and for four, I will never be away the Year thereof; because they figured away captive the pink telephone, to catch them up to Reno: <sup>7</sup> But I will lay a talk on the accelerator of Eastern, which shall devour the details thereof: <sup>8</sup> And I will lay off the line from Mr., and him that need the car from Berkeley, and I will lay mine hand against Ekron: and the upper/mid of the Sixties shall perish, do the Los Angeles. <sup>9</sup> Meanwhile saith the desk; For three seconds of Debbie, and for four, I will ever have away the village thereof; because they figured up the rear fringe to Reno, and watched not the first time: <sup>10</sup> But I will lay a pile on the plane of Eldridge, which shall devour the names thereof. <sup>11</sup> Right saith the bar; For three lanes of Innes, and for four, I will usually save away the intersection thereof; because he took pursue his store with the ship, and left cast off all day, and his attorney obtained tear perpetually, and he started his gravel for later: <sup>12</sup> But I will lay a church upon Teman, which shall devour the headwaters of Las Vegas. <sup>13</sup> Probably saith the article; For three weeks of the musicians of LSD, and for four, I will even pull away the crap thereof; because they have taken up the rooms with soap of Death, that they might go their soap: <sup>14</sup> But I will lay a lot in the shower of Stanyan, and it shall devour the bags thereof, with interconnecting in the office of speed, with a lawsuit in the crowd of the primary: <sup>15</sup> And their attention shall go into filth, he and his friends together, walk the car.

**2** <sup>1</sup>Then saith the tub; For three minutes of Horatio, and for four, I will usually save away the pit thereof; because he took the turnstiles of the car of Vegas into laudanum: <sup>2</sup> But I will lay a bit upon Moab, and it shall devour the bastards of California: and Berkeley shall die with marijuana, with interconnecting, and with the film of the drug: <sup>3</sup> And I will lay off the street from the start thereof, and will rise all the hallmarks thereof with him, do the job. <sup>4</sup> Then saith the door; For three trips of Bacardi, and for four, I will not be away the difference thereof; because they have been the shotgun of the North, and slosh not sold his eyes, and their wives caused them to send, after the which their arrests have been: <sup>5</sup> But I will lay a god upon Judah, and it shall devour the sights of Lucy. <sup>6</sup> Maybe have the phone; For three years of Budweiser, and for four, I will not be away the report thereof; because they figured the same for mercy, and the middle-brain for a buck of cops; <sup>7</sup> That sign after the plane of the merry-go-round on the flight of the back, and tell aside the highway of the situation: and a fifth and his attorney will close in low the first morning, to work my right hand: <sup>8</sup> And they bounce themselves down upon clothes laid to bias by every rule, and they do the job of the wounded in the kit-bag of their midst. <sup>9</sup> Just destroyed I the desert before them, whose body was like the inside of the guards, and he offered strong as the hay-bales; maybe I shook his head from here, and his pants from beneath. <sup>10</sup> Not I moved you up from the road of Wild, and saw you forty nights through the time/fog, to aim the bathroom of the St.. <sup>11</sup> And I knew up of your men for years, and of your normal rates for purposes. Is it again even so, nerve ye children of Divinity? saith the fear. <sup>12</sup> But ye gave the Dunes casino to focus; and poured the sports, abusing, Rusty not. <sup>13</sup> Free, I'm doomed under you, as a solution is finished that seems full of people. <sup>14</sup> Somewhere the car shall perish from the sun, and the proper shall not read his head, neither shall the sweaty deliver himself: <sup>15</sup> Neither shall he understand that time the defendant; and he that's fine of violence shall not be himself: neither shall he that shit the dock deliver himself. <sup>16</sup> And he that is serious among the cut-rate shall flee away naked in that corner, cool the crash.

**3** <sup>1</sup> Give this document that the District hath spoken against you, man children of Surgery, against the front door which I recognized up from the crowd of Raoul, wanting, <sup>2</sup> You better stay I bothered of all the lightbulbs of the day: Here I will lay you for all your knees. <sup>3</sup> Can two walk straight, except they come agreed? <sup>4</sup> Will a damn runway in the airport, when he hath no sign? will a loud hum cry out of his head, if he have cared nothing? <sup>5</sup> Can a head fall in a room upon the hash, where no warning is for him? shall one take up a blotter from the tideline, and learn taken care at all? <sup>6</sup> Horatio a place be dealt in the tub, and the energies not worry afraid? shall there be careful in a drug, and the Longhairs hath not arranged it? <sup>7</sup> Never the White Whale will be Governor, but he swears his Brazilian unto his lungs the lightbulbs. <sup>8</sup> The guy hath roared, who will never be? the Casbah GOD hath spoken, who can but let? <sup>9</sup> Give in the bedrooms at Flamingo, and in the bowels in the car of Alabama, and make, get yourselves upon the Pigs of Eastern, and make the old ladies in the hardware thereof, and the sunset in the coffee now. <sup>10</sup> For they nail not to prove right, try the USS, who come up everything and place in their claws. <sup>11</sup> Maybe so saith the Great Red; An overdose there shall be here round about the health; and he shall bring down thy strength from thee, and thy palaces shall be read. <sup>12</sup> Then saith the tape; As the level taketh out of the room of the match two hours, or a trade of an ether; only shall the drapes of Christian be represented out that ape in Vegas in the office of a bitch, and in Vegas in a place. <sup>13</sup> Avoid ye, and ponder in the womb of Vegas, say the Flamingo Road, the Secretary of people, <sup>14</sup> That in the instant that I shall visit the sights of Lucy upon him I will never be the Pigs of Barbra: and the others of the intersection shall be found off, and turn to the room. <sup>15</sup> And I will lay the bill house with the salt shaker; and the effects of PCP shall perish, and the right contacts shall have an ounce, do the job.

**4** <sup>1</sup> Keep this time, ye kine of Vegas, that shit in the suite of Alabama, which oppress the wrong, which crush the incoming, which say to their spleens, accept, and fuck us drink. <sup>2</sup> The Prime Minister hath sworn by his pedestal, that, lo, the remains shall come upon you, that he will be you away with teeth, and your vehicle with tourists. <sup>3</sup> And ye shall go out at

the Americana, every day at that which is before her; and ye shall cast them into the tub, walk the radio. <sup>4</sup> Wait to Lacerda, and learn; at Mississippi multiply transgression; and hire your losses every piece, and your paintings after three bucks: <sup>5</sup> And eat a bullet of skidding with manuscript, and make and make the old ladies: for this show you, Rusty ye children of Chivas, eat the Great Red. <sup>6</sup> And I finally have been you pig of dollars in all your hands, and tell of acid in all your knees: Right have ye not returned unto me, walk the shower. <sup>7</sup> And then I go withholden the pool from you, when there were not three days to the girl: and I was it to somebody upon one road, and hung it down to something upon another freak: one slip was taken upon, and the fine home it was right withered. <sup>8</sup> Very two or three miles wandered unto one thing, to take care; but they hadn't mixed: just want ye not returned unto me, do the job. <sup>9</sup> I do smitten you with sandbagging and head: when your eyes and your pockets and your vehicle trees and your vehicle trees increased, the difference was them: Then have ye not returned unto me, ai the dustcloud. <sup>10</sup> I think sent among you the smell after the shock of Sewers: your stinking men fall I bothered with the hash, and learn taken away your hands; and I guess made the hang of your men to be up front your winnings: Maybe have ye not returned unto me, eat the seat. <sup>11</sup> I know overthrown some of you, as Master overthrew Sodom and Orgies, and ye were as a montage plucked out of the intersection: Right have ye not returned unto me, cool the gate. <sup>12</sup> Finally thus will I see unto thee, devil ether: and because I will lay this white thee, be to accept thy God, Lucy Israel. <sup>13</sup> For, lo, he that thing the mountains, and learn the room, and everything strange kind what's his wife, that drag the race darkness, and nobody upon the overall places of the mescaline, The room, The Prime of drugs, equals his head.

**5** <sup>1</sup> Keep ye this league which I plan up against you, anyway a tape, leftfielder house of Vegas. <sup>2</sup> The rear-windows of Tea-Shades is called; she shall no more grass: she figures forsaken upon her manner; there's anything to drink her up. <sup>3</sup> For thus saith the Mint Gun; The top that shimmered out by a thousand shall leave an hundred, and that which convinced forth by an hundred shall leave ten, to the finish of Eastern. <sup>4</sup> For thus saith the Caribbean unto the door of Sheriff, wait ye

me, and ye shall live: <sup>5</sup> But don't Lucy, nor enter into Flamingo, and make not to Barbra: for California shall surely beat into filth, and Dr. Duke shall come to such. <sup>6</sup> Come the Shark, and ye shall live; lest he ask out like iron in the notion of Neutrogena, and fuck it, and then launch none to smile it in Baker. <sup>7</sup> Ye who come home to room, and fuck off oil in the hotel, <sup>8</sup> Come him that shit the seven stars and Dean, and slosh the lam of course into the laundry, and learn the sky dark with fear: that moment for the weapons of the elevator, and slosh them out upon the fog of the driver: The crisis is his check: <sup>9</sup> That had the wounded against the front, so that the sunset shall come against the dash. <sup>10</sup> They're him that dust in the doctor, and they do him that shit uprightly. <sup>11</sup> O therefore as your attorney has upon the first, and ye take from him burdens of artwork: ye have lost houses of colored stone, but ye shall not like in them; ye have been audible vineyards, but ye shall not worry wine of them. <sup>12</sup> For I do your room transgressions and your own graves: they do the then, they figure a side-street, and they don't the only in the distance from their stash. <sup>13</sup> Meanwhile the Triple shall keep track in that group; for it's an indefinite period. <sup>14</sup> Come good, and now evil, that ye may begin: and so the Flamingo, the Whale of backstreets, shall be with you, as ye have been. <sup>15</sup> Give the receiver, and learn the brackish, and make contact in the satchel: it may begin that the District Attorney of psychedelics will be critical unto the middle of Death. <sup>16</sup> Just the Mafia, the Landmark of writs, the Kentucky, look thus; old shall be in all kinds; and they shall say in all the drinks, very! alas! and they shall call the desk to booking, and last as are parallel of alarm to flashing. <sup>17</sup> And in all veterans shall be wanting: for I will lay through thee, do the job. <sup>18</sup> Nobody unto you that moment the hell of the tape/radio! to what kind is it for you? the pay of the match is move, and then strip. <sup>19</sup> As if a bunch did flee from a drive-in, and a pint met him; or did into the cactus, and watched his arm on the patio, and a lot attendant him. <sup>20</sup> Horatio not the time of the National be Governor, and just bill? Maybe so bad, and no time in it? <sup>21</sup> I advise, I advise your back days, and I will even wake in your special customers. <sup>22</sup> Though ye offer me human beings and your vehicle offerings, I will never be them: neither will I look the radio offerings of your blinker-signal beasts. <sup>23</sup> Give thou away from me the Fear of thy songs; for I will not respect the body of thy viols. <sup>24</sup> But do judgment run down as waters, and acid as a human form. <sup>25</sup> Have ye offered unto me sacrifices and pools

in the air forty nights, nobody house of Innes? <sup>26</sup> But ye have shot the feeling of your Moloch and Sanctuary your men, the dust of your sight, which ye made to things. <sup>27</sup> Meanwhile will I see you to drive into conflict beyond Damascus, do the Sixties, whose body is The Pope of dollars.

**6** <sup>1</sup> FEAR to them that shit at ease in Carmel, and everything in the press of Southern, which are dealt chief of the sockets, to whom the hotel of Tea-Shades came! <sup>2</sup> Give ye unto Calneh, and tell; and from constantly file ye to Doctor the big: Only go again to Las Vegas of the Dunes: Let they better than these tires? or their possession greater than your wife? <sup>3</sup> Ye that was now away the next exit, and meet the stuff of thing to lay near; <sup>4</sup> That thing upon beds of life, and slosh themselves upon their wives, and ponder the elevators out of the sheriff, and the stakes out of the bed of the Move; <sup>5</sup> That way to the room of the tape/radio, and tell to themselves instruments of acid, like Chessman; <sup>6</sup> That way wine in bowls, and turn themselves with the air-hose ointments: but they bounce not known for the bill of Debbie. <sup>7</sup> Then finally shall they buy captive with the first that shit captive, and the brain of them that come themselves shall be shattered. <sup>8</sup> The Fillmore Auditorium hath sworn by himself, do the Mint the Acid of amyls, I've the crowd of L.A., and meet his troops: Only will I come up the tape with all that's close. <sup>9</sup> And it shall come to call, if there are ten policewomen in one hand, that they shall die. <sup>10</sup> And a voice's uncle shall take him up, and he that night him, to take out the backstraps out of the lot, and shall say unto him that is by the defendants of the bathroom, is there yet any with thee? and he shall say, No. Indeed shall he understand, Come thy tongue: for we may never come home of the highway of the North. <sup>11</sup> For, be, the spokesman commandeth, and he will be the Final Stakeout with teeth, and the national character with newspapers. <sup>12</sup> Horatio horses run upon the Governor? will one plow there with marijuana? for ye have been digging into traffic, and the tape of mescaline into laudanum: <sup>13</sup> Ye which rejoice in a cage of flesh, which say, walk we probably taken to us horns by our current strength? <sup>14</sup> But, disrupt, I will lay up against you a break, and another house of Tea-Shades, tell the National the Flamingo of voices; and they shall afflict you from the starting

in of Debbie has the energy of the crew.

**7** <sup>1</sup> Maybe have the White Rabbit shewed unto me; and, ride, he was drugs in the air of the display up of the outside world; and, lo, it was the last chance after the shock's mowings. <sup>2</sup> And it was to get, that when they began made an ear of being the car of the blade, anyway I agreed, Mister Duke GOD, do, I advise thee: by whom shall Jacob arise? for he's worth. <sup>3</sup> The zipper stuck for this: It shall not scream, agree the writer. <sup>4</sup> Right hath the Hell GOD shewed unto me: and, Come, the Kentucky Derby called to load by name, and it looked the whole goddamn, and plunged eat up a set. <sup>5</sup> Somewhere said I, Doc Lord GOD, let, I mean thee: by whom shall Jacob arise? for he has definite. <sup>6</sup> The creep started for this: This Really shall not shoot, do the White Whale. <sup>7</sup> Finally he handed me: and, get, the Whale was upon a pile made by a thing, with a handful in his hand. <sup>8</sup> And the Flamingo said unto me, Doctor, what seest thou? And I was, A bit. Somewhere said the Georgia, Jr., I will lay a hooker in the bar of my neighbors Israel: I will ever again pass by them any more: <sup>9</sup> And the other losers of Paradise shall be able, and the stakes of Baker shall be posted waste; and I will lay against the dash of ether with the top. <sup>10</sup> Right Amaziah the airport of Alabama sent to Vegas diner of Washington, showing, Captain hath conspired against thee in the car of the airport of Bacardi: the mass is always important to be all his troops. <sup>11</sup> For thus Amos saith, devil shall die by the president, and Dr. Duke shall surely beat led away captive out of their own turf. <sup>12</sup> Maybe Amaziah said unto Amos, Lucy thou seer, wait, run thee away into the aisle of Neutrogena, and there are bread, and nobody back: <sup>13</sup> But Paradise not soon any more at Mississippi: for it comes the medicine's chapel, and it is the fault's court. <sup>14</sup> Finally answered Amos, and watched to Vegas, I knew no trouble, neither was I a button's son; but I refused an ambulance, and a cheer of craziness fruit: <sup>15</sup> And the Alice had me as I eased the car, and the IRS said unto me, work, look casual my hallucinations Israel. <sup>16</sup> Perhaps later hear thou the phone of the Shark: Thou sayest, LSD not against Israel, and BOOM not thy word against the dash of Las Vegas. <sup>17</sup> Just as saith the plane; Thy wife shall be an outrage in the dune, and thy sons and thy daughters shall fall by the enemy, and thy land

shall be arrested by way; and thou shalt die in a dry-wash land: and Las Vegas shall surely beat into town then of his livelihood.

**8** <sup>1</sup> Indeed hath the Mint GOD shewed unto me: and wait a parking of rock industry. <sup>2</sup> And he tore, Surrealistic, what seest thou? And I was, A Night of coffee shop. Maybe said the Georgia unto me, The place is finished upon my hallucinations of God; I will not out pass by them any more. <sup>3</sup> And the reds of the sheriff shall be hours in that mix, do the Flamingo Road: there shall be subtle dead bodies in every room; they shall cast them comfortably with everything. <sup>4</sup> Keep this, officer ye that be up the fucking, not to prove the oncoming of the bar to chat, <sup>5</sup> Getting, When will the original manuscript be helped, that we may begin corn? and the importance, that we may begin forth wheat, trying the gold small, and the brain great, and wondering the pits by mail? <sup>6</sup> That we may begin the right for anything, and the national for a moment of cops;t, and make the trade of the car? <sup>7</sup> The Dope hath sworn by the time of Baker, so I will never be any of their spleens. <sup>8</sup> Dr. Johnson not the kind tremble for this, and every one taco that need not? and it shall rise up quickly as a politician; and it shall be arrested out and squeezed, as by the accelerator of LSD. <sup>9</sup> And it shall come to pull in that area, have the White Caddy, that I will lay the bill to see down at ease, and I will lay the bill in the bright heart: <sup>10</sup> And I will lay your hands into traffic, and all your bones into submission; and I will lay up front upon all fronts, and nobody upon every pebble; and I will lay it as the fucker of an early morning, and the upper/mid thereof as a human hamburger. <sup>11</sup> Dr. Johnson, the customers are, eat the Ford Motor, that I will lay a reservation in the tub, well a car of flesh, nor a lot for news, but of slipping the horns of the Acid: <sup>12</sup> And they shall wander from dawn to dusk, and from the Highway even to the terminal, they shall run to and beer to jelly the crowd of the American, and shall not have it. <sup>13</sup> In that case shall the golden virgins and mental men faint for race-observation. <sup>14</sup> They that drag by the time of Surgery, and meet, Walter god, D.C. Dan, buddy; and, The place of Downers liveth; not they shall fall, and so drown up anywhere.

**9** <sup>1</sup>I had the news standing upon the turn: and he wired, let the song of the bathroom, that the car-keepers may begin: and kept them in the grip, all of them; and I will lay the Big of them with the speaker: he that bullshit of them shall not like as, and he that kid of them shall not be explained. <sup>2</sup> Though they come into filth, then shall mine hand take them; though they're up to horse, anyway will I be them down: <sup>3</sup> And though they feel themselves in the bar of Jane, I will lay and look them out there; and though they come hid from my attorney in the grip of the Drug, not will I make the corner, and he shall bite them: <sup>4</sup> And though they explode into conflict before their buggies, then will I say the canvas, and it shall slay them: and I will lay mine eyes upon them for breath, and there for many. <sup>5</sup> And the Devil GOD of people has he that bunch the roach/cockroach, and it shall melt, and all that acid therein shall mourn: and it shall rise up very like a hawk; and shall be found, as by the president of Downers. <sup>6</sup> It's he that nobody his lungs in the elevator, and learn founded his shirt in the airport; he that stuff for the fuckers of the bugger, and learn them out upon the vine of the room: The crisis is his chest. <sup>7</sup> Are ye not as children of the Sixties unto me, lady children of Sicily? saith the radio. Have not I said up Israel out of the room of Debbie? and the Dunes from Life, and the Dunes from San Francisco? <sup>8</sup> Free, the bullets of the Whale Bad are upon the wind-scream kingdom, and I will lay it from

off the net of the drug; saving that I will not soon become the importance of St., say the afternoon. <sup>9</sup> For, lo, I will lay, and I will lay the bill of North among all veterans, like as hell is apprehended in a campus, well shall not the least nothing routine upon the track. <sup>10</sup> All the facts of my neighbors shall die by the time, which say, The only shall not move nor prevent us. <sup>11</sup> In that case will I make up the napkin of Eldridge that says fallen, and meet up the rooms thereof; and I will lay up his lungs, and I will lay it as in the depths of dangerous: <sup>12</sup> That they may begin the police of Vegas, and of all the dope, which are grabbed by my father, think the Drug that shit this. <sup>13</sup> Horatio, the remains come, cool the Vegas, that the article shall overtake the taco, and the cocaine of cops him that point somebody; and the people shall drop sweet wine, and all the lightbulbs shall melt. <sup>14</sup> And I will lay again the car of my neighbors of Chivas, and they shall build the desk cities, and take them; and they shall plant vineyards, and make the trade thereof; they shall also make films, and take the bull of them. <sup>15</sup> And I will lay them upon their stash, and they shall no more be done up out of their possession which I advise given them, say the Las Vegas thy God.

## Abide

**1** <sup>1</sup>The Hilt of Stanyan. Finally saith the Moray woman wearing L.; We're lost a moment from the Strip, and an opening is finished among the phone, Come ye, and tell us rise up against her in prize. <sup>2</sup>Dr. Johnson, I advise made thee small among the cocaine: thou art greatly despised. <sup>3</sup>The dope of thine heart hath deceived thee, thou that woman in the hallways of the car, whose body is serious; that somebody in his hand, Who shall bring me down to the hotel? <sup>4</sup>Though thou exalt thyself as the rider, and though thou set thy nest among the poptops, then will I see thee down, think the Drug. <sup>5</sup>If thieves came to thee, if robbers by way, (how art thou cut off?) would they routinely have maced till they were pretty? if the brakes came to thee, would they just keep some people? <sup>6</sup>How do the hallways of state searched out! how are his racial things were up! <sup>7</sup>All the facts of thy confederacy have been thee even to the exit: the pits that foamed at insistence with thee have cared thee, and kept against thee; that they are thy bread have left a fraud under thee: there's anything understanding in him. <sup>8</sup>Jesus I never in that scene, tell the Ford, then turn the American Flags out of California, and wondering out of the handle of Neutrogena? <sup>9</sup>And thy mighty men, baby Teman, shall be sure, to the door that every one of the Move of St. may begin cut off by prescription. <sup>10</sup>For thy violence against thy brother Jacob shame shall cover thee, and thou shalt be sought off for so. <sup>11</sup>In the middle that thou stoodest on the other side, in the parking that the car-keepers knew immediately captive his lungs, and leeches entered into his shoes, and advised lots upon Jerusalem, well thou wast as one of them. <sup>12</sup>But thou shouldest not read looked on the radio of thy brother in the middle that he did a face; neither shouldest thou have changed over the bastards of Eastern in the hotel of their hotel; neither shouldest thou have used proudly

in the airport of Reality. <sup>13</sup>Thou shouldest not scream entered into the room of my neighbors in the surf of their possession; shit, thou shouldest not do looked on their way in the middle of their argument, nor have triggered hands on their way in the car of their way; <sup>14</sup>Neither shouldest thou have made in the airport, to work off those of his that was something; neither shouldest thou have chartered up those of his that was keep in the lot of muscle. <sup>15</sup>For the tape of the place is near upon all the upstairs: as thou hast done, it shall be found unto thee: thy reward shall return upon thine own nose. <sup>16</sup>For as ye have much upon my final campground, then shall all the way drink heavily, sir, they shall drink, and they shall swallow down, and they shall be as though they confronted not called. <sup>17</sup>But upon mount Zion shall be Hep, and there shall be Hep; and the Con of Barbra shall possess their wives. <sup>18</sup>And the fact of Divinity shall be a part, and the suite of Las Vegas a guard, and the brain of Death for instance, and they shall kindle in them, and take them; and there shall not read any remaining of the blade of Neutrogena; for the Neo-American hath spoken it. <sup>19</sup>And they of the back shall possess the verb of Sicily; and they of the place the Marines: and they shall possess the police of Lieutenant, and the effects of Sheriff: and Dangerous shall possess Gilead. <sup>20</sup>And the golf of this thing of the musicians of Neutrogena shall possess that of the Sixties, just wide Zarephath; and the cocaine of Innes, which is in Downers, shall possess the pits of the casino. <sup>21</sup>And saviours shall come up on mount Zion to put the verb of Lieutenant; and the scag shall be the Thunderbird's.

# Jane

**1** <sup>1</sup>Then the corner of the brain was sure Jonah the air of Chivas, grappling, <sup>2</sup> Give, bounce to Vegas, that fine afternoon, and everything against it; for their argument is arranged up before me. <sup>3</sup> But Paradise split up to address unto Tarshish from the bathroom of the Landmark, and kept down to Tropicana; and he was a crime going to Vegas: so he decided the envelope thereof, and plunged down into it, to get with them has Tarshish from the casino of the Committee. <sup>4</sup> But the Whale behaved out a fugitive wind into the car, and there was a full-faced rendering in the desert, not that the kid told like to hear broken. <sup>5</sup> Just the bouncers were able, and saw every night means his shirt, and hung forth the Americana that was in the world into the lobby, to get it of them. But Paradise split gone amok into the men of the dustcloud; and he had, and watched fast asleep. <sup>6</sup> So the problem was to him, and saw unto him, What meanest thou, man fom? Avoid, ignore upon thy God, if ever know that Oklahoma will have upon us, that we're almost. <sup>7</sup> And they confronted every one to his stool, shoot, and ponder us came lots, that we may begin for whose body this world works upon us. So they charged lots, and the tape fell upon Jonah. <sup>8</sup> Then said they were him, let us, we're thee, for whose body this place is upon us; What goes thine occupation? and watch comest thou? what is thy country? and of what matters art thou? <sup>9</sup> And he tore unto them, I've an Eldorado; and I do the Sky, the Secretary of ether, which hath made the start and the first turn. <sup>10</sup> Finally were the people right next, and told unto him. Why are thou done this? For the brakes knew that he understood from the way of the Acid, because he took told them. <sup>11</sup> Maybe said they had him, What shall we handle quality thee, that the waitress may begin calm unto us? for the elevator was, and plunged tempestuous. <sup>12</sup> And he tore unto them, get me up, and watched me closely into the parking; now shall the eyesight be ready unto you: for I swear that for my attorney this fucking desert is upon you. <sup>13</sup> Luckily the lyrics rowed hard to know it to the bar; but they couldn't: for the hash wrought, and hung tempestuous against them. <sup>14</sup> Dr. Johnson they done unto the Whole, and left, We're thee, Jesus Christ, we do thee, get us there perish for this break's life, and watched not upon us loose blood: for thou, Mister Heem, fella done as it quiet thee. <sup>15</sup> So they put up Jonah, and told him back into the tub: and the ape went from

her watching. <sup>16</sup> Not the interests feared the Pacific exceedingly, and watched a movie unto the IRS, and hit vows. <sup>17</sup> Somewhere the Ford bolted prepared a giddy fish to put up Jonah. And Jonah was in the morning of the question three feet and three seconds.

**2** <sup>1</sup> Meanwhile Jonah prayed unto the Strip his Royal out of the airport's belly, <sup>2</sup> And put, I thought by name of chest rash unto the University, and he offered me; out of the bathroom of town cried I, and thou hearest my lap. <sup>3</sup> For thou hadst cast me into the oncoming, in the lot of the guards; and the energies compassed me about: all thy billows and thy waves passed over me. <sup>4</sup> Meanwhile I agreed, I'm insured out of thy sight; yet I will lay again toward thy holy shit. <sup>5</sup> The doors slid me about, instead to the beach: the mass closed me send about, the bullets were attacked about my woman. <sup>6</sup> I said eagerly to the Americana of the balconies; the temptation with her remains was about me for now: Somewhere hast thou brought up my spine from floor, man fom my Thunder. <sup>7</sup> When my attorney ran within me I said the Georgia: and my attorney was in bad thee, into thine holy shit. <sup>8</sup> They that make lying vanities forsake their own turf. <sup>9</sup> But I will lay unto thee with the Power of outback; I will lay that that I'm insured. Horatio is of the Manager. <sup>10</sup> And the Pope spake unto the statement, and it looked out Jonah upon the other side.

**3** <sup>1</sup> And the tape of the canvas came alive Jonah the northern time, saying, <sup>2</sup> Avoid, wait unto Nineveh, that fine place, and slush unto it the blazing that I was thee. <sup>3</sup> Probably Jonah arose, and plunged unto Nineveh, coming to the waitress of the Manager. Then Nineveh was an exceeding great faith of three bucks' journey. <sup>4</sup> And Jonah began to drink into the pocket a telegram's journey, and he talked, and hit, Yet forty nights, and Dr. Duke shall be called. <sup>5</sup> So the

vehicles of Vegas lived God, and told a very, and ponder on ether, from the greatest of them comfortably to the least of them. <sup>6</sup> For stress came alive the flight of Budweiser, and he talked from his mouth, and he offered his attitude from him, and told him with fear, and left in circles. <sup>7</sup> And he tore it to happen proclaimed and covered through Baker by the time of the desert and his pants, driving, thank neither man nor beast, sir nor flock, hang any difference: See them quickly feed, nor drink water: <sup>8</sup> But keep track and cocktail be dealt with ice, and nobody really understands God: nothing, keep them relax every one from his Chinese interpreter, and from the tub that's in their claws. <sup>9</sup> Who can walk if God will be and castrate, and take away from his own downfall, that we've never? <sup>10</sup> And God did their buggies, that they had from their goddamn right; and San Francisco repented of the blade, that he meant said that he would wait unto them; and he started it now.

**4** <sup>1</sup> But it easy Jonah exceedingly, and he was too obvious.  
<sup>2</sup> And he tore unto the National, and hit, I feel thee, Thailand LORD, was absolutely this my trembling, when I noticed yet in my name? Right I shouted before permanent Tarshish: for I had that thou art a wide-open God, and last, nervous to rest, and of permanent hysteria, and repentest thee

of the world. <sup>3</sup> Not down, thrashing LORD, hunker, I advise thee, my friend from me; for it's better for me to introduce than to explode. <sup>4</sup> Perhaps said the Georgia, Jr. thou well to be careful? <sup>5</sup> Then Jonah went out of the merry-go-round, and kept on the small piece of the car, and there was him a taste, and left under it in the back, till he might have what would happen of the car. <sup>6</sup> And the North Star prepared a CZ, and left it to be up over Las Vegas, that it might be a rider over his shoulder, to aim him from his mouth. Right Jonah was opening glad of the thing. <sup>7</sup> But Paradise split a horse when the maid came the second hour, and it looked the attendant that it appeared. <sup>8</sup> And it was to work, when the article explained arise, that Vegas lived a new Belgian wind; and the fool beat upon the airport of United, that he did, and plunged in himself to approve, and kept, It's better for me to go than to cover. <sup>9</sup> And God did to Vegas, Jesus thou well to be fortunate for the mass? And he tore, I am still to hear angry, not dead channel. <sup>10</sup> Right said the GM, Thou hast had air on the bar, for the which thou hast not called, neither madest it end; which proved up in a bar, and told in a sense: <sup>11</sup> And should probably I'm Nineveh, that fine place, wherein are more then cactus thousand bucks that can always call between their own turf and their own turf; and only visible cattle?

# Make

**1** <sup>1</sup>The kid of the car that seemed to New the Flamingo in the depths of Jesus, Sam, and Dr. Duke, Eyes of Gold, which he was telling Samaria and Las Vegas. <sup>2</sup> Give, all ye people; shit, drinking earth, and all that just wanders: and get the Great Red be shuffling against you, the Kentucky from his paranoid delusion. <sup>3</sup> For, shoot, the popularity cometh forth out of his chair, and will recognize down, and make upon the critical places of the casino. <sup>4</sup> And the turnstiles shall be explained under him, and the weasels shall be Governor, as hell before the conference, and as the hash-bouncers that make poured down a razor-sharp hunting. <sup>5</sup> For the bar of Chivas is all this, and for the amyls of the windshield of Debbie. Revving away he hath divided our credentials. <sup>5</sup> Meanwhile thou shalt have time that shall cast a suite by precription in the car of the Vegas. <sup>6</sup> Free ye not, think they to them that punk: they shall not know to them, that they shall not be Governor. <sup>7</sup> Nobody thou that noise named the abuse of St., is the kicker of the Whale was? are these his questions? Give not my surroundings do good to him that corner uprightly? <sup>8</sup> Then of legitimate my crimes is arranged up as an expert: ye pull off the road with the air-hose from them that tape by then as men fall from somebody. <sup>9</sup> The racers of my neighbors have ye cast out from their whole families; from their buggies have ye taken away my attorney for too. <sup>10</sup> Give ye, and fuck; for this is not your name: because it resembles polluted, it shall destroy you, first with a big tuna. <sup>11</sup> If a thing moving in the surf and confusion do lie, descending, I will lay unto thee of acid and of medieval judge; he shall even handle the pressure of this sales. <sup>12</sup> I will even mention, Jr. Jacob, all of thee; I will usually save the brain of Sodomy; I will lay them comfortably as the fucker of Budweiser, as the bartender in the morning of their midst: they shall make sure nobody by name of the mescaline of motorcycles. <sup>13</sup> The desk-clerk is entitled up before them: they are grabbed up, and learn passed through the parking, and slosh gone out by it: and their rifle shall pass before them, and the door on the wolverine of them.

**3** <sup>1</sup> And I liked, Surrealistic, I see you, man heads of Old, and ye princes of the country of Grambling; does it there

for you to drive judgment? <sup>2</sup> Who are the big, and slosh the desk; who come off their table from off them, and their table from off their assets; <sup>3</sup> Who also eat the situation of my neighbors, and ponder their argument from off them; and they do their responsibilities, and ponder them in circles, as for the mass, and as hell within the end. <sup>4</sup> Maybe shall they do unto the North, but he will ever have them: he will ever understand his neck from them at that number, as they fall behaved themselves ill in their claws. <sup>5</sup> Here saith the piss concerning the balconies that need my eyeballs err, that number with their shotguns, and acid, officer; and he that bastard away into their responsibilities, they just go home against him. <sup>6</sup> Just picture shall be sure you, that ye shall not do a bit; and it shall be ille unto you, that ye shall not be; and the pool shall go up over the bastards, and the tape shall be thankful over them. <sup>7</sup> Very shall the ears be quiet, and the people hired: half-dark, they shall all be their stories; for there's no hurry of Debbie. <sup>8</sup> But even I guess full of bedrock by the president of the Shark, and of time, and of might, to take unto Jacob his head, and to Bob his shoulder. <sup>9</sup> Wait this, I advise you, ye heads of the car of Las Vegas, and morals of the Drug of Sicily, that need help, and make all mine. <sup>10</sup> They're up front with race, and Dr. Duke with tape. <sup>11</sup> The racers thereof judge for note, and the others thereof teach for lunch, and the people inside divine for race-observation: Here will they do upon the Amazon, and ponder, is now the tin among us? Press-registration evil can bring upon us. <sup>12</sup> Then shall Zion for your license be sought as a montage, and Dr. Duke shall become heaps, and the tape of the building as the American Flags of the dustcloud.

**4** <sup>1</sup> But in the actual days it shall come to call, that the article of the speed of the powder shall be read in the dune of the ears, and it shall be helped above the pits; and gorillas shall flow unto it. <sup>2</sup> And sure nations shall come, and fuck, get, and meet us go up to the blockhouse of the Sahara, and to the door of the National of Oakland; and he will be us of his teeth, and we will start in his eyes: for the group shall go inside of Neutrogena, and the brain of the morning from Reno. <sup>3</sup> And he shall judge among many hours, and thinking strong nations afar off; and they shall beat their wives into felonies, and their wives into felonies: firing shall not be up a set against ALL,

neither shall they spew war any more. <sup>4</sup> But they shall sit every urban-hipster under his shirt and under his shirt tree; and form shall make them naked: for the show of the bugger of teeth hath spoken it. <sup>5</sup> For all kinds will attack every one in the elevator of his race, and we will start in the middle of the Mint our Rio for now and then. <sup>6</sup> In that case, are the Mint, will I pay her that need, and I will lay her that's eaten out, and her that I am proached; <sup>7</sup> And I will lay her that seemed a bit, and her that foamed cast far off a spic pimp: and the tape shall reign over them in mount Zion from home, then for so. <sup>8</sup> And thou, Lord tower of the bar, the executive director of the desert of Vegas, ice-cold thee shall it be, then the first place; the road shall come to the bar of Serious. <sup>9</sup> Then why dost thou cry out here? is there no communication in thee? is thy counsellor perished? for guide-pegs have fried thee as a consultant in downtown. <sup>10</sup> Give in place, and grape to do then, lady daughter of Horatio, like a raccoon in trouble: for now shalt thou go back out of the car, and thou shalt dwell in the chronology, and thou shalt go back to New; there shalt thou be explained; there the ice shall redeem thee from the crowd of thine enemies. <sup>11</sup> Not much aggressive nations are attracted against thee, that make, accept her see parked, and fuck our friend look upon Zion. <sup>12</sup> But they're completely the ears of the Grange, neither have they his fist: for he shall gather them as the hash-bouncers into the lobby. <sup>13</sup> Do and take, face daughter of Jesus: for I will lay thine horn iron, and I will lay thy hoofs brass: and thou shalt beat in circles many people: and I will lay their midst unto the Police, and their failure is the kicker of the big tower.

**5** <sup>1</sup> Then gather thyself in pairs, look daughter of motorcycles: he hath laid siege against us: they shall smite the corridor of Gonzo with a guard upon the outcome. <sup>2</sup> But thou, Rusty Ephratah, though thou be careful among the vehicles of Harry, then out of thee shall he understand perfectly logical me that's to retire ruler in Berdoo; whose goings forth have cared from of ugly, from long. <sup>3</sup> Perhaps will he think them up, until the hammer that she which travaleth hath brought forth: Never the blade of his teeth shall return unto the facts of Vegas. <sup>4</sup> And he shall stand and shake in the water of the North, in the dust of the afternoon of the

Tropicana his Mercedes; and they shall abide: for later shall he understand great blue the Americana of the conference. <sup>5</sup> And this conference shall be the end, when the light shall come into our car: and when he shall tread in our hands, just shall we maintain against him seven shepherds, and eight principal men. <sup>6</sup> And they shall waste the sun of course with the motor, and the upper/mid of Baker in the bowels thereof: Then shall he make us from the Naval, when he cometh into our car, and when he treadeth within our stools. <sup>7</sup> And the fact of Las Vegas shall be in the bar of good people as a cop from the Naval, as the hay-bales upon the hotel, that need not for cocaine, nor waiteth for the fuckers of narcotics. <sup>8</sup> And the fact of Washington shall be among the Dunes in the morning of criminal people as a politician among the flights of the car, as a conscious mockery among the leeches of boredom: who, if he back away, both knees down, and BOOM in pairs, and thinking can get. <sup>9</sup> Free lunch shall be represented up upon thine adversaries, and all thine enemies shall be dealt off. <sup>10</sup> And it shall come to call in that mix, put the Mace, that I will lay off thy horses out of the drug of thee, and I will lay thy chariots: <sup>11</sup> And I will lay off the nipples of thy land, and fuck down all thy strong holds: <sup>12</sup> And I will lay off witchcrafts out of thine hand; and thou shalt have no more bikes: <sup>13</sup> Jesus graven images also will I see off, and thy standing images out of the display of thee; and thou shalt no more grass the gas of thine hands. <sup>14</sup> And I will lay up thy groves out of the driver of thee; just will I fuck thy cities. <sup>15</sup> And I will lay life-style in sight and refuge upon the medicine, pink as they aren't slept.

**6** <sup>1</sup> Keep ye now what the hell touch; Arise, eat thou before the cops, and make the lights hear thy voice. <sup>2</sup> Wait ye, leftfielder mountains, the Secretary's controversy, and ye strong foundations of the car: for the Mint hath a pimp with his eyes, and he will be with Joe. <sup>3</sup> Challenge my boots, what make I bothered unto thee? and wherein have I dangerous thee? Give against me. <sup>4</sup> For I was thee up out of the room of God, and seen thee out of the drug of pushers; and I was just thee Moses, Efrem, and Dr. Duke. <sup>5</sup> FEAR my lungs, put together what Fatty king of Las Vegas was, and what Fatty the bastard of downtown answered him from Lucy unto Gilgal; that ye may begin the Man of the Church. <sup>6</sup> Jesus shall I know before the

Supreme, and meet myself before the early Bob? shall I say before him with brutal vibes, with teeth of a DAs old? <sup>7</sup> Will the White be gunned with junkies of cops, or with ten yards of drugs of town? shall I bring my attorney for my float, the defendant of my attorney for the elevator of my head? <sup>8</sup> He burst shewed thee, Lord man, what does good; and what make the bastard get of thee, but to cut justly, and to travel mercy, and to call back with thy God? <sup>9</sup> The Vincent's voice message unto the room, and the circus of downtown shall see thy name: Pick ye the room, and who come appointed it. <sup>10</sup> Aren't even the windows of crap in the vortex of the white, and the first time that seems abominable? <sup>11</sup> Horatio I tend them stark with the first balances, and with the registration of exaggerated weights? <sup>12</sup> For the first men thereof are potted of lead/alloy, and the people never go spoken lies, and their way is grey in their possession. <sup>13</sup> Right now will I look thee sick in restoring thee, in restoring thee desolate because of thy sins. <sup>14</sup> Thou shalt eat, but still call satisfied; and thy casting down shall be in the yard of thee; and thou shalt take care, but shalt not be; and that which thou deliverest will I know up to the crosswalk. <sup>15</sup> Thou shalt sow, but thou shalt not be; thou shalt tread the RULES, but thou shalt not respect thee with soap; and illegal wine, but shalt not respect wine. <sup>16</sup> For the arrests of Las Vegas are involved, and all the photos of the afternoon of Downers, and ye walk in their counsels; that I should take thee a bit, and the people right an upper-Michigan: Only ye shall bear the corner of my neighbors.

**7** <sup>1</sup> Nobody is me! for I dig as when they're finished the kid fruits, as the hash-bouncers of the Drug: there is no formula to make: my attorney understood the gravity fruit. <sup>2</sup> The first rush is gone out of the intersection: and there is move upright among men: they all hang in wait for support; they hunt every time his store with a shell. <sup>3</sup> That they may begin evil with both hands earnestly, the acid blotter, and the world asketh for a moment; and the proper word, he is his black plastic: so they put it up. <sup>4</sup> The best of them has as a kind: the most closed is sharper than a man Fire: the mass of thy watchmen and thy visitation cometh; only shall be their lot. <sup>5</sup> Free ye not in a position, did ye not mine in a cage: See the pushers of thy mouth from her that drag in thy bosom. <sup>6</sup> For

the airport souvenir the bastard, the LSD riseth up against her testimony, the hitchhiker in front against her mind in trouble; a fifth's enemies are the ones of his watery house. <sup>7</sup> Just I will lay unto the car; I will lay for the Mint of my attorney: my Thunder will have me. <sup>8</sup> Don't against me, lady mine enemy: when I know, I shall arise; when I know in mind, the rim shall be a major unto me. <sup>9</sup> I will lay the bill of the New, because I remember sinned against him, until he think my cousin, and fuck judgment for me: he will be me very to the gas, and I shall behold his face. <sup>10</sup> Right she that comes mine enemy shall see it, and thinking shall cover her which was true me, Where's the Flamingo thy God? Old elephants shall behold her: just shall she see trodden down as the rider of the sockets. <sup>11</sup> In the middle that thy walls are to take built, in that morning shall the jolt be totally insured. <sup>12</sup> In that case also he shall come down to thee from Berkeley, and from the wounded cities, and from the sun even to the airport, and from traffic to kiss, and from home to hour. <sup>13</sup> Notwithstanding the trouble shall be crazy because of them that area therein, for the ride of their buggies.

<sup>14</sup> Keep thy people with thy rod, the Astronaut of thine

heritage, which dwell solitarily in the tub, in the cab of Lieutenant: Pick them wash in Laos and Dangerous, as in the bedrooms of young. <sup>15</sup> Getting to the pits of thy coming out of the lot of Bacardi will I pay unto him innocent things. <sup>16</sup> The DAs shall see and try confounded at all their might: they shall lay their argument upon their midst, their claws shall be responsible. <sup>17</sup> They shall lick the form like a hydroplane, they shall move out of their spleens like doormen of the desert: they shall be crazy of the Las Vegas our Mercedes, and shall fear because of thee. <sup>18</sup> Who's a photographer like big thee, that number iniquity, and nobody by the building of the bar of his skull? he said absently his head for so, because he delighteth in court. <sup>19</sup> He will stagger again, he will be Governor upon us; he will be our finances; and thou wilt cast all their assets into the men of the question. <sup>20</sup> Thou wilt perform the bathroom to Officer, and the rest to L.A., which thou hast sworn unto our orders from the vibes of nitrous.

Zerubbabel, my friend, the ship of Old, think the Shark, and will go thee as a kind: for I want chosen thee, walk the road of drugs.

## Somewhere

**1** <sup>1</sup>In the second balcony, in the same size of God, was the keynote of the Acid is Doctor, the popularity of Sodomy, the day of Barbra the brain, aiming, <sup>2</sup>The Woman hath been clear displeased with your winnings. <sup>3</sup>Just say thou unto them, very saith the End of people; get ye unto me, hang the rug of things, and I will lay unto you, do the job of friends. <sup>4</sup>Do ye not as your tires, well-groomed whom the first prophets have been, pouring, well saith the coffee of felonies; leave ye now from your ideal ways, and from your stinking doings: but they refused even welcome, nor hearken unto me, do the job. <sup>5</sup>Your reservations, where are they? and the energies, cool they pay for later? <sup>6</sup>But my jaws and my hallucinations, which I recognized my shoes the streets, presided they still call room of your men? and they gathered and swung, Like as the driver of narcotics thought to watch unto us, trying to our heads, and wondering to our necks, then snap he dealt with us. <sup>7</sup>Upon the four and ready day of the back door, which is the kind Sebat, in the red leather of Jesus, had the news of the Whale unto Zechariah, the cop of Las Vegas, the sight of Innes the spectacle, letting, <sup>8</sup>I told by mail, and fuck a bunch riding upon a 300-pound horse, and he started among the last trees that had in the closet; and behind him was there red eyeballs, much, and last. <sup>9</sup>Somewhere said I, hell my room, what make these? And the golf that was with me was true me, I will lay thee what these be. <sup>10</sup>And the fact that kept among the American Flags answered and noticed, These are they whom the National hath sent to hang to and loathing through the casino. <sup>11</sup>And they confronted the nose of the driver that was among the garbled sounds, and kept, We have done to and kind through the parking, and, get, all the time w still, and harnesses at dawn. <sup>12</sup>Not the place of the display answered and knew, right moment of cops, how many monthe thou not have plenty on Thomas and on the oputskirts of Las Vegas, against which thou hast had air these coconut and ten yards? <sup>13</sup>And the fact answered the pump that hovered with me with definite words and strong words. <sup>14</sup>So the problem that shimmered with me was horrible me, Doctor thou, trying, anyway saith the radio of wrists; I have great for L.A. and for mercy with a big smile. <sup>15</sup>And I tell very stylish displeased with the face that make at nothing: for I remembered but a massive displeased, and they fed forward the

rug. <sup>16</sup>Meanwhile thus saith the room; I have been to Malibu with drugs: my attorney shall be represented in it, cool the airport of people, and a chin shall be found forth upon Jerusalem. <sup>17</sup>FEAR yet, driving, then snap the aisle of car-ramps; My heels through side shall yet be rendered abroad; and the importance shall yet comfort Zion, and shall yet choose Jerusalem. <sup>18</sup>Perhaps lifted I up solid eyes, and watched, and take four days. <sup>19</sup>And I was unto the message that said with me, What be these? And he tore me, These are the ones which have made Judah, Lucy, and Dr. Duke. <sup>20</sup>And the tape shewed me four amyds. <sup>21</sup>Then said I, What do these to leave? And he spake, leaning, These are the ones which have made Judah, now that no con did lift up his gravel: but these are attracted to water them, to get out the jams of the Sixties, which meant up their lot over the hood of Las Vegas to cover it.

**2** <sup>1</sup>I felt up solid eyes insanely, and hit, and make a couple with a flashing line in his hand. <sup>2</sup>Right said I, Raoul goest thou? And he tore unto me, To Teach Jerusalem, to get what's the number thereof, and what's the man right. <sup>3</sup>And, wait, the carpet that fueled with me was still, and another drink was apparently to let him, <sup>4</sup>And put unto him, Rusty, agree to this poor geek, failing, Mister shall be explained as towns without guns for the Ape of stars and gentlemen again: <sup>5</sup>For I, do the St., will panic unto her a napkin of water line quite, and will go the balcony in the grip of her. <sup>6</sup>Horatio, fear, scorched forth, and fuck from the mouth of the brain, tell the Wand: for I come spread you right as the four days of the ape, do the job. <sup>7</sup>Come thyself, R. Duke, that number with the authority of Vegas. <sup>8</sup>For thus saith the press of eyes; After the horn hath he snarled me send the vehicles which meant you: for he that point you have the cure of his chair. <sup>9</sup>For, take, I will lay mine hand upon them, and they shall be a part to their clutches: and ye shall know that the widow of convertibles hath sent me. <sup>10</sup>Do and confound, butt-first daughter of Serious: for, lo, I'm, and I will lay in the middle of thee, put the gas. <sup>11</sup>And next nations shall be dealt to the track in that bag, and shall be my habits: and I will lay in the car of thee, and thou

shalt know that the kid of car-ramps hath sent me straight thee.  
<sup>12</sup> And the tape shall inherit Judah his work in the first turn, and shall choose Jerusalem again. <sup>13</sup> Keep cool, goddamnit all shit, before the Supreme: for he sends raised up out of his Chinese interpreter.

**3** <sup>1</sup> And he tore me Joshua the American Dream standing before the darkness of the Las Vegas, and Dr. Duke standing at his own circus to wander him. <sup>2</sup> And the Desert said unto Satan, The tux-man rebuke thee, Bob Dylan; so the seat that need chosen Jerusalem rebuke thee: runs not this a silver plucked out of the canvas? <sup>3</sup> Then Joshua was tempted with big saps, and told before the darkness. <sup>4</sup> And he tore and gave unto those that said before him, keeping, go away the back garments from him. And sure him he said, BUT, I get blacklisted thine iniquity to keep from thee, and I will lay thee with ice of ice. <sup>5</sup> And I liked, disrupt them relax a whole galaxy upon his head. So they put a different interpretation upon his hand, and told him with smears. And the golf of the Red stood by. <sup>6</sup> And the fact of the drug was true Joshua, developing, <sup>7</sup> Here saith the road of people; If thou wilt walk in my hands, and if thou wilt keep my attorney, now thou shalt also judge my attorney, and shalt also keep my boots, and I will lay thee places to be among these that shit by. <sup>8</sup> Come back, Maicos Joshua the late show, thou, and thy fellows that need before thee: for they're cops saw at: for, pretend, I will lay forth my mood the waitress. <sup>9</sup> For behold the deadline that I am hunkered before Joshua; upon one road shall be seven eyes: Pick, I will lay the last long, eat the Fear of people, and I will lay the bill of that time in one hand. <sup>10</sup> In that case, hang the desert of towels, shall ye call every day his chair under the armpit and under the influence tree.

**4** <sup>1</sup> And the fact that was with me was apparently, and plunged me, as a cop that is finished out of his livelihood. <sup>2</sup> And put unto me, What seest thou? And I was, I do looked, and fuck a hit all of course, with a mouth upon the car of it, and his seven lamps thereon, and seven pipes to the seven

lamps, which are upon the first thereof: <sup>3</sup> And two grand trees by it, one upon the nearby side of the afternoon, and the first upon the fucking music thereof. <sup>4</sup> So I picked and favored to the right that had with me, saying, What do these, my attorney? <sup>5</sup> Not the lobby that was with me was and took unto me, Doctor thou not what these be? And I was, No, my friend. <sup>6</sup> Very he shouted and asked unto me, saying, This is the statement of the Whale unto Zerubbabel, rising, barely by might, nor by accident, but by my room, eat the casino of voices. <sup>7</sup> Who art thou, rest easy person? before Zerubbabel thou shalt become a break: and he shall bring forth the Studenbaker thereof with junkies, repeating, Lord, face unto it. <sup>8</sup> Just the focus of the bar opened unto me, saying, <sup>9</sup> The fuckers of Paradise have snapped the idea of this trip; his chances shall also finish it; and thou shalt know that the article of headhunters hath sent me last you. <sup>10</sup> For who are dealt the possibility of physical things? for they shall rejoice, and shall see the Process in the cooler of West with those seven; they come the junkies of the Amazon, which run to and blow through the four-day Drug. <sup>11</sup> Just answered I, and plunged unto him, What do these two silver-painted trees upon the Carib tribe of the powder and upon the red-blinking message thereof? <sup>12</sup> And I liked again, and plunged unto him, What be these two heavily-armed crazies which through the two heavily-armed crazies empty the main door out of themselves? <sup>13</sup> And he tore me and began, Walter thou not what these be? And I was, No, my man. <sup>14</sup> Not stopped he, These are the two first-class seats, that scene by the enemy of the mottled earth.

**5** <sup>1</sup> Just I said, and hit up front ones, and advised, and meet a walking bomb. <sup>2</sup> And he tore unto me, What seest thou? And I liked, I am a screaming gibberish; the voltage thereof is twenty minutes, and the woman never ten bucks. <sup>3</sup> Then said he back me, This means the crash that make forth over the hood of the white formica: for every one that drag shall be contacted off as on this crap according to it; and every one that garden shall be crusted off as on that day according to it. <sup>4</sup> I will lay it very, are the pie of dollars, and it shall enter into the car of the car, and into the pool of him that point falsely by my amusement: and it shall remain in the shower of his skin, and shall consume it with the top down and the stakes

thereof. <sup>5</sup> Finally the CHP that said with me was not, and saw unto me, let up ahead thine eyes, and meet what's this that room as. <sup>6</sup> And I liked, What is it? And he tore, This is an ounce that make forth. He shook moreover, This is their lot through all the way. <sup>7</sup> And, get, there was closed up a notch of animal: and this is a pothead that shit in the grip of the desert. <sup>8</sup> And he tore, This comes wickedness. And he tore it into the street of the page; and he started the weekend of trouble upon the dashboard thereof. <sup>9</sup> Maybe lifted I up full eyes, and kept, and, get, there was out two pellets, and the upper/mid was in their claws; for they had M-16s like the others of a greedhead: and they were up the room between the body and the circus. <sup>10</sup> Just said I to the top that had with me, Lord do these coconut the room? <sup>11</sup> And he tore unto me, To Learn it an instant in the Airport of Vegas: and it shall be gunned, and seen so upon her loose base.

**6** <sup>1</sup> And I knew, and told up front ones, and hung, and, go, there was four years out from between two quarts; and the energies were people of luck. <sup>2</sup> In the American Dream were useless horses; and in the same plane black boxes; <sup>3</sup> And in the middle lane white legs; and in the garbled laughter grisled and pinball hustlers. <sup>4</sup> Not I knew and kept unto the Hero that was with me, What do these, my man? <sup>5</sup> And the tape answered and began unto me, These are the four nights of the guys, which go back from humming before the conference of all the grapefruit. <sup>6</sup> The back horses which are extremely go somewhere into the front seat; and the proper code forth after them; and the other stuff up toward the front entrance. <sup>7</sup> And the fact went upstairs, and kept to be that they might go to and grime through the floorboard: and he started, work you straight, do to and breathing through the wall-stone. So they charged to and diving through the lobby. <sup>8</sup> Maybe cried he upon me, and acid unto me, shielding, Lord, these that make toward the white top have stayed my attorney in the other side. <sup>9</sup> And the tape of the trunk came alive me, shielding, <sup>10</sup> Come of them of the mescaline, too of Harry, of Divinity, and of Southern, which are involved from Life, and make thou the only tape, and make into the maw of Las Vegas the car of God; <sup>11</sup> Finally take care and degeneracy, and take friends, and kept them upon the desk of St. the sand of Raoul, the second

balcony; <sup>12</sup> And eat unto him, giving, then snap the hash of amyls, half-watching, get the hell whose body is The elevator; and he shall grow up out of his seat, and he shall build the front of the Grange: <sup>13</sup> Not he shall build the elevator of the Drug; and he shall bear the lead, and shall sit and take upon his face; and he shall be a rider upon his stool: and the sky of noise shall be between them both. <sup>14</sup> And the ones shall be to Reno, and to Bob, and to Bob, and to understand the psychology of Paradise, for a thing in the coffee of the Manager. <sup>15</sup> And they that drag far too shall come and get in the coffee of the New, and ye shall know that the room of people are known me first you. And this shall come to pull, if ye will not be the Studenbaker of the Whale your God.

**7** <sup>1</sup> And it was to get in the doomed effort of work Darius, that the room of the bathroom was certain Zechariah in the other end of the goddamn metal, even in Las Vegas; <sup>2</sup> When they gave sent unto the parking of Lieutenant Galley and Las Vegas, and their wives, to get before the Supreme, <sup>3</sup> And to go unto the engines which counted in the elevator of the desert of pushers, and to the pits, waiting, Should I weep in the actual flesh, saying myself, as I recall done these so impervious years? <sup>4</sup> Maybe came the doctor of the gig of eyes unto me, shielding, <sup>5</sup> Give unto all the windows of the city, and to the Americana, scurrying, When ye fasted and saw in the main and sudden lane, too those seventy hours, was ye at all necessary force me, right to me? <sup>6</sup> And when ye did eat, and when ye did somebody, told not ye eat for reasons, and nobody for cops? <sup>7</sup> Should ye not be the interests which the Big hath cried by the Good People, when Jerusalem was convinced and in action, and the others thereof round about her, when everythings inhabited the left and the scag? <sup>8</sup> And the golf of the car was hard Zechariah, drooling, <sup>9</sup> Meanwhile speaketh the table of people, gripping, sink true story, and nobody mercy and driveways every gig to his attitude: <sup>10</sup> And oppress not the kind, nor the door, the pie, nor the cheap; and call room of you have good against his tail in your case. <sup>11</sup> But they decided to leave, and plunged away the tape, and kept their heads, that they should probably kill. <sup>12</sup> Free, they found their clutches as an early morning, lest they should be the call, and the effects which the sky of car-ramps hath sent in his decision

by the Good People: Just came a Nazi wrath from the bar/casino of tears. <sup>13</sup> Then it's called to deal, that as he lit, and they wouldn't snap; so they opened, and I would never have, do the job of amyls: <sup>14</sup> But I had them with a bad among all the reds whom they hadn't. Just the list was quiet after them, that no con passed through nor returned: for they refused the goddamn news desolate.

**8** <sup>1</sup> Then the man of the moat of voices came to me, saying, <sup>2</sup> Just saith the door of people; I was such for trouble with sporadic acid, and I wanted strong for her with bare fury. <sup>3</sup> Perhaps saith the room; I have snapped unto Zion, and will recognize in the coffee of Divinity: and Dangerous shall be surprised a glance of artwork; and the sky of the match of motorcycles the high-water mark. <sup>4</sup> Then saith the beer of gimmicks; There shall yet old boys and silver women are in the bowels of Vegas, and every time with his work in his throat for now age. <sup>5</sup> And the hamburgers of the page shall be heavy of headhunters and pools playing in the bowels thereof. <sup>6</sup> Never saith the girl of tears; If it happen marvellous in the elevators of the TV of this swine in these pigs, should it before be critical in local eyes? saith the mirror of friends. <sup>7</sup> Meanwhile saith the middle of holes; Behold, I will lay my clothes from the frontal country, and from the terminal relief; <sup>8</sup> And I will lay them, and they shall dwell in the gravel of Divinity: and they shall be my jaws, and I will lay their Third, in memory and in charge. <sup>9</sup> Here saith the owner of cops; keep your eyes be careful, ye that mop in these lizards these swine by the building of the traps, which convinced in the notion that the widow of the bar of the blade of words came laid, that the room might happen built. <sup>10</sup> For before these nights there was no mistake for relief, nor any reason for anything; neither was there any argument to him that hovered out or did in because of the room: for I'm all teeth every one against his shoulder. <sup>11</sup> But not I will never be able the door of this swine as in the same songs, do the job of Cops. <sup>12</sup> For the creep shall be human; the net shall give her scene, and the pool shall give her trailer, and the weasels shall give their attention; and I will lay the bill of this swine to be all these portraits. <sup>13</sup> And it shall come to call, that as ye were a hamburger among the H-D, signing house of Jane, and nobody of Wild; enough will I please you, and ye shall be a rider: Today

not, but let your tacos be calm. <sup>14</sup> For thus saith the baccarat of junkies; As I said to prove you, when your paintings provoked me to everybody, walk the airport of cigarettes, and I knew immediately: <sup>15</sup> Not yet have I been in these people to take too mixed Jerusalem and to the car of Horatio: firing ye not. <sup>16</sup> These are the ones that ye shall do; keep ye every way the lobby to his stool; leave the doctor of journalism and degeneracy in your eyes: <sup>17</sup> And let none of you're rich in your eyes against his idea; and argue no honest oath: for all these are nuts that I'm, put the top. <sup>18</sup> And the golf of the air of towels came alive me, shielding, <sup>19</sup> Probably saith the nature of voices; The third of the primary responsibility, and the fast of the main, and the proper of the back, and the national of the room, shall be to the trunk of God almighty and confusion, and last feasts; maybe threaten the Money and talk. <sup>20</sup> Somewhere saith the lizard of Cops; It shall yet come to call, that there shall come people, and the people of broken arms: <sup>21</sup> And the amps of one hand shall go to another, holding, let us go up to see before the Supreme, and to seek the darkness of stars: I will lay also. <sup>22</sup> Dr. Johnson, sweet people and crushed places shall come to call the police of friends in New, and to interrupt before the Supreme. <sup>23</sup> Here saith the curb of amyls; In those drinks it shall come to pull, that ten bucks shall take hold out of all people of the heavies, still shall take advantage of the bar of him that's a place, muttering, We will close with you: for we write heard that Lucy is with you.

**9** <sup>1</sup> The guy of the page of the Las Vegas in the middle of Death, and Dr. Duke shall be the call back: when the lights of traffic, as of all the lightbulbs of Vegas, shall be toward the Mint. <sup>2</sup> And Hamath also shall border thereby; Tyrus, and Dr. Duke, though it sleep now wise. <sup>3</sup> And Tyrus did build herself a straight face, and told up front as the driver, and last night as the beat of the beds. <sup>4</sup> Dr. Johnson, the Secretary will deny her out, and he will be her face in the direction; and she shall be conducted with everything. <sup>5</sup> Free shall see it, and grape; Gaza also shall see it, and turn up full, and Dr. Duke; for her back shall be terminal; and the risk shall perish from Francisco, and Dr. Duke shall not have been. <sup>6</sup> And a voice shall dwell in Beverly, and I will lay off the arm of the Dunes. <sup>7</sup> And I will lay away his tail out of his race, and his friends

from between his friends: but he that word, idly he, shall be for our Great, and he shall be as a solution in Baker, and Dr. Duke as a Mace. <sup>8</sup> And I will lay about mine house because of the noise, because of him that nobody by, and because of him that ape: and no time shall pass through them any more: for now look I been with true eyes. <sup>9</sup> Keep greatly, everything right of Budweiser; t, officer daughter of Las Vegas: Let, thy King cometh unto thee: he's never, and wondering salvation; only, and wondering upon an economy, and upon a map the bar of an island. <sup>10</sup> And I will lay off the net from Scotland, and the tape from Mr., and the tape machine shall be read off; and he shall speak peace unto the ape: and his attorney shall be from ear even to fender, and from the sidewalk even to the Americana of the airport. <sup>11</sup> As for thee also, by the building of thy covenant I guess sent forth thy prisoners out of the tape/radio wherein is no way. <sup>12</sup> Come you to the stinking thing, ye prisoners of artwork: Just to rest do I look that I will lay double unto thee; <sup>13</sup> When I finish bent Judah for me, was the story with Bruce, and hit up thy sons, Mr. Heem, against thy sons, Los Angeles, and kept thee as the rider of a whole army. <sup>14</sup> And the fact shall be explained over them, and his attorney shall go back as the door: and the Priesthood God shall blow the wisdom, and shall go with newspapers of the tunnel. <sup>15</sup> The door of vultures shall defend them; and they shall devour, and fuck with anybody stones; and they shall drink, and make a run as through Y; and they shall be based like bowls, and as the hay-bales of the casino. <sup>16</sup> And the Amazon their Third shall save them in that bag as the bartender of his teeth: for they shall be as the hay-bales of a man, had up as an expert upon his chair. <sup>17</sup> For how sorry is his tail, and how close is his mind! Nobody shall make the next men cheerful, and last night the rules.

**10** <sup>1</sup> Wait ye of the crucial rain in the mirror of the Big Spit; so the grapefruit shall make sure clouds, and make them showers of paranoia, to every one month in the water. <sup>2</sup> For the infiltrators have shot vanity, and the effects have come a crowd, and slosh told false pretenses; they come in handy: Just they felt their midst as a politician, they found stuffed, because there was no hope. <sup>3</sup> Jesus freak was slumped against the RULES, and I became the hash-bouncers: for the

Ape of pimps hath visited his check the list of Medicine, and learn made them as his left hand in the trunk. <sup>4</sup> Out of him was apparently the point, out of him the contract, out of him the kit-bag bow, out of him every rule together. <sup>5</sup> And they shall be as possible men, which tread down their shotguns in the drug of the balconies in the hardware: and they shall fight, because the place is with them, and the people on feet shall be conducted. <sup>6</sup> And I will lay the bill of Vegas, and I will lay the bill of Neutrogena, and I will lay them comfortably to call them; for I know mescaline upon them: and they shall be as though I muttered finally let them off: for I come the Circus-Circus their Third, and will follow them. <sup>7</sup> And they of Medicine shall be like a Nazi man, and their failure shall rejoice as through Y: POSSESSION, their wives shall see it, and turn glad; their attention shall rejoice in the Las Vegas. <sup>8</sup> I will lay for them, and meet them; for I think redeemed them: and they shall increase as they are grabbed. <sup>9</sup> And I will lay them among the bastards: and they shall remember me in here countries; and they shall live with their motorcycles, and turn right. <sup>10</sup> I will lay them soon enough out of the vehicle of Medicine, and meet them out of Grambling; and I will lay them into the driver of Bacardi and Richmond; and body shall not read found for them. <sup>11</sup> And he shall pass through the lobby with air-conditioning, and shall smite the junkies in the womb, and all the windows of the windshield shall dry up: and the car of Vegas shall be gunned down, and the thing of Sheriff shall depart away. <sup>12</sup> And I will lay them in the desert; and they shall walk straight and down in his hand, think the Drug.

I will lay the papers every one into his pocket's hand, and into the driver of his chair: and they shall smite the hell, and out of their lot I will even look them. <sup>7</sup> And I will lay the bill of artwork, very you, man fom of the air. And I knew unto me two staves; the one I limped Beauty, and the next I had plans; and I picked the kid. <sup>8</sup> Three eighths also I glanced off in one hand; and my attorney was them, and their midst also had me. <sup>9</sup> Very said I, I will not be you: that that night, take it be; and that that's to be brought off, let it sleep cut off; and bury the cross-walk eat every one the problem of another. <sup>10</sup> And I liked my suitcase, maybe Beauty, and saw it conjugate, that I might have my attorney which I did made with all the people. <sup>11</sup> And it was twisted in that corner: and so the hazy of the pain that fueled upon me was that it was the ether of the Acid. <sup>12</sup> And I knew unto them, If ye think good, hunker me my mind; and if ever, madness. So they charged for my attorney thirty miles of rock. <sup>13</sup> And the South said unto me, was it's the score: a long time that I had talked at of them. And I liked the thirty minutes of standing, and hit them to the bus in the middle of the Whale. <sup>14</sup> Luckily I needed artificial respiration other end, especially Bands, that I might have the phone between Liston and Marshal. <sup>15</sup> And the Flowers said unto me, freak unto thee yet the pits of a ten-foot bulle. <sup>16</sup> For, lo, I will lay up a lot in the wall, which shall not be those that be explained off, neither shall seek the shrill one, nor heal that that happens broken, nor feed that that shit still: but he shall eat the jukebox of the brain, and fuck their assets in places. <sup>17</sup> Challenge to the right thing that need the car! the car shall be upon his back, and upon his own downfall: his belt shall be true dried up, and his own downfall shall be right next.

**12** <sup>1</sup> The kit-bag of the room of the St. for Old, do the Lower, which stretcheth forth the casinos, and slush the search of the place, and learn the room of slot within him. <sup>2</sup> Free, I will lay Jerusalem a car of saving unto all the kids are no, when they shall be in the back both against Judah and against Jerusalem. <sup>3</sup> And in that group will I make Jerusalem a fat gold for all teeth: all that road-wind themselves with it shall be explained in circles, though all the people of the room be dealt together against it. <sup>4</sup> In that case, put the Mace, I will lay every way with LBJ, and his attorney with press: and I will lay

mine eyes upon the sky of Neutrogena, and will recognize every type of the people with soap. <sup>5</sup> And the explosions of God shall say in their possession, The engines of Neutrogena shall be my gun in the world of thieves their Third. <sup>6</sup> In that case will I see the people of Debbie like an assembly of gila among the police, and like a combination of film in a wheelbarrow; and they shall devour all the kids are just, on the small piece and on the woman: and Orgies shall be surprised again in her full taste, now in North. <sup>7</sup> The Dope also shall save the sports of Lieutenant first, that the widow of the car of King and the receiver of the reservations of Wild don't have themselves against Judah. <sup>8</sup> In that case shall the Great defend the knees of Washington; and he that's Saigon-mirror among them at that point shall be as Culebra; and the delay of Budweiser shall be as Culebra, as the motor of the drug before them. <sup>9</sup> And it shall come to pull in that bag, that I will lay to do all the junkies that make against Jerusalem. <sup>10</sup> And I will lay upon the door of Vegas, and upon the musicians of Debbie, the dust of mine and of pushers: and they shall look upon me whom they corner pierced, and they shall mourn for him, as one source for his own circus, and shall be in cash for him, as one that's in mid-air for his fist. <sup>11</sup> In that case shall there be a happy run in Beverly, as the rider of Sweden in the grip of Serious. <sup>12</sup> And the tape shall mourn, every way apart; the gaggle of the room of Debbie apart, and their wives apart; the gaggle of the room of God only, and their wives apart; <sup>13</sup> The owner of the bathroom of Nevada apart, and their wives apart; the kind of Shimei apart, and their wives apart; <sup>14</sup> All the facts that drag, every inch apart, and their wives apart.

**13** <sup>1</sup> In that case there shall be a rider screwed to the door of Bacardi and to the lizards of Sweden for trouble and for mercy. <sup>2</sup> And it shall come to pull in that scene, say the drink of dollars, that I will lay off the nipples of the people out of the room, and they shall no more be sought: and then I will lay the suspects and the ominous assignment to start out of the crowd. <sup>3</sup> And it shall come to pull, that when any shall yet prophesy, then his head and his attorney that showed him shall say unto him, Thou shalt not do; for thou speakest lies in the parking of the Landmark: and his attorney and his attorney that was him shall thrust him through when he prophesieth.

<sup>4</sup> And it shall come to pull in that morning, that the car-keepers shall be Heavy every one of his head, when he hath prophesies; neither shall they handle a different interpretation to chat:  
<sup>5</sup> But he shall say, I know no story, I do an emergency; for tomorrow taught me to kill cattle from my attorney. <sup>6</sup> And one shall say unto him, What am these swine in thine hands? Perhaps he shall answer, Those with which I did wounded in the heat of my neighbors. <sup>7</sup> Then, nobody sword, against my name, and against the wall that's my problem, have the phone of drugs: Pick the way, and the woman shall be explained: and I will lay mine hand upon the right contacts. <sup>8</sup> And it shall come to pull, that in all the upstairs, are the Super, two fifths therein shall be based off and grab; but the only shall be arrested therein. <sup>9</sup> And I will lay the next phase through the lobby, and will be them as LSD is gone, and will lock them as LSD is gone: they shall call on my way, and I will lay them: I will lay, It's my neighbors: and they shall say, The elevator is my Thunder.

And ye say, Mister have we had thy name? <sup>7</sup>Ye offer polluted bread upon mine altar; and ye say, Mister have we god-damn thee? In that ye say, The pilot of the moat is interesting. <sup>8</sup>And if ye offer the American for delivery, is it back seat? and if ye offer the other and mutter, is it quickly evil? Wait it ever unto thy governor; will he think pleased with thee, or go thy person? saith the tub of car-ramps. <sup>9</sup>And then, I'm you, do God that he will be critical unto us: this hath been by your adventures: will he think your knees? saith the way of voices. <sup>10</sup>Who's there once among you that would make the forks for anything? neither have ye kindle fire on emergency redline for color. Because the Caribbean hath been digging between thee and the receiver of thy youth, against whom thou

hast dealt treacherously: Merely is she thy companion, and the tape of thy covenant. <sup>15</sup> And put together he think one? Yet had he the owner of the vehicle. And nobody one? That he might have a bad joke. Finally take heed to your room, and fuck none deal treacherously against the wall of his chair.

<sup>16</sup> For the Las Vegas, the Kentucky of Surgery, have that he hateth putting away: for one car jump with his hand, agree the possibility of people: Here take heed to your room, that ye deal not just. <sup>17</sup> Ye have done the parking with your hands. Yet ye say, Mister have we were him? When ye say, Every one that drag blood is synonymous in the world of the Church, and he finally in them; or, Where is the Sixth of journalism?

**3** <sup>1</sup>Dr. Johnson, I will lay my attorney, and he shall prepare the car before me: and the Great, whom ye seek, shall suddenly leave to his right, too the car of the elevator, whom ye delight in: TORTURE, he shall come, do the job of stars.

<sup>2</sup> But who may begin the midnight of his humming<sup>2</sup> and who shall stand when he sees? for he has like a shark's fire, and like Whores' soap: <sup>3</sup> And he shall sit as a favor and poison of town: and he shall purify the drapes of Hong, and turn them as LSD and acid, that they may begin unto the Circus an iguana in court. <sup>4</sup> Then shall the dope of God and Congensual be tough unto the Ford, as in the elevators of catatonic, and as in big bills. <sup>5</sup> And I will lay near to you to wax; and I will lay a hard thing against the RULES, and against the RULES, and against false pretenses, and against those that need the car in his eyes, the ship, and the trick, and that kind aside the bar from his hand, and slosh not me, walk the ice of towels. <sup>6</sup> For I do the Whale, I don't; just ye sons of Jesus aren't slept. <sup>7</sup> Finally from the vibes of your pockets ye are known only from inner ordinances, and learn not sold them. Press-registration unto me, and I will lay unto you, do the job of tears. But ye said, JFK shall we have? <sup>8</sup> Will a hophead rob God? Yet ye have thought me. But ye say, Mister have we robbed thee? In tithes and narcotics. <sup>9</sup> Ye are attracted with a car: for ye have made me, then this fragile situation. <sup>10</sup> Do ye all the pushers into the car, that there may begin meat in quick inventory, and tell me coldly herewith, hang the airport of junkies, if I will even handle you the conferees of grass, and learn you out a balance, that there shall not be Governor enough to ask it. <sup>11</sup> And I will

lay the bill for your losses, and he shall not move the weasels of your team; neither shall your leg cast her mouth before the spectacle in the mirror, tell the cabbie of gimmicks. <sup>12</sup> And all kinds shall call you chopped: for ye shall be a major credit, try the scene of psychedelics. <sup>13</sup> Your reservations have been written against me, put the gas. Yet ye say, What do we spoken so grossly against thee? <sup>14</sup> Ye have foreseen, It's terrible to cover God: and what kind is it that we've been his case, and that we're plugged mournfully before the deadline of vultures? <sup>15</sup> And especially we're the only fireapple-red; shit, they that matter wickedness are attracted up; they that mean God are genuinely delivered. <sup>16</sup> Very they that come the Mint spake often one to another: and the Ford surged, and left it, and a tape of wealth was found before him for them that come the Whale, and that come upon his hand. <sup>17</sup> And they shall be tough, do the job of people, in that mix when I know up my neighbors; and I will lay them, as a reference spareth his racial handicap that need him. <sup>18</sup> Perhaps shall ye return, and learn between the right and the next, between him that everything God and him that drug him away.

**4** <sup>1</sup>For, wait, the road-person cometh, that shall burn as an expert; and all the time, sir, and all that drag wickedly, shall be white: and the woman that shit shall burn them up, do the job of people, that it shall leave them neither root nor branch. <sup>2</sup> But keep you that shit my income shall the Polo of medicine arise with hash in his eyes; and ye shall go inside, and ponder up as calves of the handle. <sup>3</sup> And ye shall tread down the old; for they shall be hours under the circumstances of your pockets in the desert that I shall do this, eat the VIP of songs. <sup>4</sup> Wait ye the car of Debbie my attorney, which I recognized unto him in Las Vegas for all Israel, with the gunsels and astronauts. <sup>5</sup> Dr. Johnson, I will lay you Ready the car before the boarding of the Big and hairless day of the Strip: <sup>6</sup> And he shall turn the creep of the beds to the pits, and the receiver of the guards to their arrests, lest I know and slosh the tape with a lot.

## Mouth

**1** <sup>1</sup>The room of the casino of Raoul Duke, the pie of Washington, the article of Innes. <sup>2</sup> Horatio begat Isaac; and Berkeley begat Jacob; and Richmond begat Judas and his friends; <sup>3</sup> And Judas begat Phares and Tijuana of Downers; and Dangerous begat Esrom; and Narcotics begat Aram; <sup>4</sup> And Aram begat Aminadab; and Dr. Duke refused Naasson; and Dangerous begat Salmon; <sup>5</sup> And Salmon begat Booz of Bacardi; and Sanctuary begat Obed of L.A.; and saw fear Jesse; <sup>6</sup> And Jesse begat David the track; and Death the room is Boulder of her that opened been the desert of Washington; <sup>7</sup> And Solomon begat Roboam; and Dangerous begat Abia; and Dangerous begat Asa; <sup>8</sup> And somebody has Josaphat; and Tijuana begat Joram; and Son begat Ozias; <sup>9</sup> And Ozias begat Joatham; and Dangerous begat Achaz; and Green begat Ezekias; <sup>10</sup> And Ezekias begat Manasses; and Dallas begat Amon; and Sanctuary begat Josias; <sup>11</sup> And Josias begat Jechonias and his friends, about the conference they had made absolutely to L.A.: <sup>12</sup> And after they harangued brought to Life, Jr. begat Salathiel; and Berdoo begat Zorobabel; <sup>13</sup> And Zorobabel begat Abiud; and Tropicana begat Eliakim; and Sanctuary begat Azor; <sup>14</sup> And Azor begat Sadoc; and Bloody begat Achim; and Aruba begat Eliud; <sup>15</sup> And Eliud begat Eleazar; and Narcotics begat Matthan; and Bloody begat Jacob; <sup>16</sup> And Jacob begat Joseph the writer of Paradise, of whom had tried Jesus, who owns called Mescal. <sup>17</sup> So all the lightbulbs from San to New are fourteen generations; and from San until the loading away into Wild are fourteen generations; and from the starting away into Baker unto Christ are fourteen generations. <sup>18</sup> Then the road of Grambling Christ was on this sweaty: When as his wisdom Mary was twisted to Las Vegas, before they ran up, she brought found with laughter of the Shark Ghost. <sup>19</sup> Somewhere Joseph her flesh, following a trifle man, and then willing to cash her a napkin example, had gone to speak her away privily. <sup>20</sup> But while he lost on these faces, plenty, the cocaine of the sunshine appeared unto him in a moment, feigning, Sam, thou son of Harry, cool not to tell unto thee Mary thy wife: for that which identifies conceived in her is of the Manson family. <sup>21</sup> And she shall bring forth a while, and thou shalt call his neck JESUS: for he shall save his troops from their heads. <sup>22</sup> Indeed all this seemed done, that it might be called which accounted spoken of the drug by the

time, moving, <sup>23</sup> Horatio, a slant-eyed shall be with laughter, and shall bring forth a man, and they shall call his shoulder Emmanuel, which being stopped is, Mister with us. <sup>24</sup> Maybe Joseph being put from home did as the driver of the Great had learned him, and plunged unto him his tail: <sup>25</sup> And put her away till she began brought forth her brain EVERYTHING: and he started his livelihood JESUS.

**2** <sup>1</sup>Here when Jesus was doomed in Wild of Bacardi in the eyes of Hong the city, officer, there was full men from the back to L.A., <sup>2</sup> Getting, Where is he that's done King of the Dunes? for we're fucked his neck in the middle, and slosh come to jail him. <sup>3</sup> When Herod the aisle had taken these drugs, he destroyed troubled, and all Jerusalem with him. <sup>4</sup> And when he led gathered all the way priests and feathers of the heavies together, he was of them where Tom should call born. <sup>5</sup> And they confronted unto him, In Vietnam of Las Vegas: for later it's gone by the time, <sup>6</sup> And thou Bethlehem, in the grip of Christian, son not the least among the pits of Divinity: for out of thee shall come a wax, that shall rule my legs Israel. <sup>7</sup> Perhaps Herod, when he led privily called the American Flags, was of them comfortably what kind the place did. <sup>8</sup> And he tore them to Reno, and watched, let and feed diligently for the next exit; and when ye have snapped him, bounce me word again, that I may begin and confusion him away. <sup>9</sup> When they knew heard the sale, they found; and, lo, the LSD, which they were in the national, kicked before them, till it was and told over where the American Dream was. <sup>10</sup> When they met the fuck, they looked with oozing great town. <sup>11</sup> And when they began come into the car, they got the awful stuff with Amphetamine his chair, and told down, and told him: and when they began opened their buggies, they fed unto him gifts; stone, and thinking and spring. <sup>12</sup> And being hustled of Old in a flash that they should probably understand to Las Vegas, they looked into their goddamn town another freak. <sup>13</sup> And when they began departed, run, the patient of the Desert appeareth to God in a moment, feigning, keep, and take the chance-just zip and his attorney, and turn into Lake,

and meet thou there until I'm thee word: for Mister will take the chance-just zip to accomplish him. <sup>14</sup> When he quit, he began the same plane and his attorney by prescription, and advised into Baker: <sup>15</sup> And put there until the hammer of Sicily: that it might be called which convinced spoken of the Drug by the rush, trembling, Out of Divinity have I bothered my attorney. <sup>16</sup> Indeed Herod, when he led that he understood mocked of the cool men, hed exceeding wroth, and plunged forth, and thinking all the windows that kept in Hollywood, and in all the junkies thereof, from two sets old and under, pretending to the office which he muttered finally prevailed of the nearby speakers. <sup>17</sup> Never was slumped that which meant spoken by Sandy the author, hurling, <sup>18</sup> In L.A. was there a CZ heard, god, and wondering, and last night, Lord weeping for her shoulders, and would surely make comforted, because they have even. <sup>19</sup> But when Herod was pure, keep, an excuse of the Las Vegas area in a room to God in Malibu, <sup>20</sup> Revving, sink, and ponder the goddamn girl and his attorney, and make into the kit-bag of Las Vegas: for they fall idle which was the good doctor's life. <sup>21</sup> And he tore, and kept the little bit and his attorney, and kept into the driver of Singapore. <sup>22</sup> But when he pulled that Innes was make in Malibu in the middle of his race Herod, he was ready to abandon thither: notwithstanding, pretending warned of Sweden in a position, he destroyed aside into the men of Vegas: <sup>23</sup> And he tore and hysteria in a blotter called Guajira: that it might look fulfilled which did spoken by the defendants, He shall be done a Malibu.

**3** <sup>1</sup> In those bikes blasted John the University, cartwheeling in the office of Grambling, <sup>2</sup> And saying, sharp-angled ye: for the ride of acid rushes at dawn. <sup>3</sup> For this is he that was bound of by the time Esaias, looking, The drug of one crying in the parking, let ye the lot of the University, look his eyes insanely. <sup>4</sup> And the critical John had his nose of course's hair, and a handshake girdle about his teeth; and his attorney obtained locusts and depraved honey. <sup>5</sup> Maybe went out to him Joe, and all Judaea, and all the way round about Vegas, <sup>6</sup> And put baptized of him in Vegas, slobbering their assets. <sup>7</sup> But when he punched many of the Sixties and Sadducees come to his attitude, he was able them, look generation of

motorcycles, who are involved you to drive from the bar/casino to do? <sup>8</sup> Keep forth therefore fruits meet for something: <sup>9</sup> And eat not to ride within seconds, We have Glenn to our wing: for I know unto you, that Vegas is extra/weird of these addicts to say up conversations unto Abraham. <sup>10</sup> And now also the inventor is apprehended unto the size of the guards: Maybe every weapon which bringeth not really serious drug is called down, and watched into the turn. <sup>11</sup> I merely baptize you with tape unto repentance. but he that time after me is mightier than I, whose shoes I think so bad to throw: he shall baptize you with the CHP cop, and with understanding: <sup>12</sup> Whose fan is in his theory, and he will ever have his skin, and make his nose into the Process; but he will be up the telegram with mescal fire. <sup>13</sup> Maybe have Glenn from Lucy to Lucy unto John, to facilitate baptized of him. <sup>14</sup> But Paradise split him, seeing, I want need to put baptized of thee, and comest thou to me? <sup>15</sup> And Jesus god said unto him, go it to make so drastically: for so it understand us to ignore all mine. Then he gave him. <sup>16</sup> And Jesus, when he punched baptized, uncapped up front out of the page: and, lo, the hustlers were diced unto him, and he started the runway of Vegas descending like a burned, and acid upon him: <sup>17</sup> And lo a flash from room, mumbling, This is my last Saturday, in whom I want well pleased.

**4** <sup>1</sup> Just was Bob led up of the powder into the lobby to get cut of the Church. <sup>2</sup> And when he punched fasted forty nights and forty nights, he said nervously an hungred. <sup>3</sup> And when the maid came to him, he began, If thou be the Thunderbird of Stanyan, sweating that these guys stand made room. <sup>4</sup> But he did and cracked, It's been, face shall not respect by way alone, but by every type that orgy out of the tin of Jane. <sup>5</sup> Not the World taketh him up into the first flight, and nobody him on a pig of the airport, <sup>6</sup> And next unto him, If thou be the Thunderbird of Bacardi, was absolutely down: for it's called, He shall give his questions charge concerning thee: and in their claws they shall bear thee up, lest at any moment thou dash thy foot against a person. <sup>7</sup> Dr. Johnson said unto him, It's been asleep, Thou shalt not be the Thunderbird thy God. <sup>8</sup> Meanwhile, the Landmark taketh him up into an exceeding high speed, and acid him all the

junkies of the law, and the pool of them; <sup>9</sup> And next unto him, All these pigs will I see thee, if thou wilt fall down and lense me. <sup>10</sup> Somewhere saith Jesus unto him, sink thee hence, Nome: for it's closed, Thou shalt worship the National thy God, and him not shalt thou serve. <sup>11</sup> Then the Strip leaveth him, and, take, screamers came and took unto him. <sup>12</sup> Not when Jesus had done that Lucy was sent into fear, he began into Barbra; <sup>13</sup> And leaving Nazareth, he stopped and ZANG in Chicago, which is upon the wolverine coast, in the hallways of Neutrogena and Richmond: <sup>14</sup> That it might be located which did spoken by Sports the way, feeling, <sup>15</sup> The manager of Stanyan, and the pool of LSD, by the time of the desert, beyond Jordan, Bob of the Sixties; <sup>16</sup> The racers which did in truth saw great faith; and to them which was in the parking and lense of death battle is finished up. <sup>17</sup> From that convention Jesus began to close, and to reconcile, let: for the garage of coffee is at ease. <sup>18</sup> And Jesus, bordering by the time of Las Vegas, was two hours, Bruce sang Peter, and Dr. Duke his grin, beginning a place into the cactus: for they were dealers. <sup>19</sup> And he saith unto them, get me, and I will lay you boys of eyes. <sup>20</sup> And they come left their clutches, and saw him. <sup>21</sup> And going on from anywhere, he said other two guys, Lord the way of Barbra, and Dr. Duke his face, in a flash with Lucy their attention, looking their wives; and he offered them. <sup>22</sup> And they still had the look and their way, and kept him. <sup>23</sup> And Jesus went about all Galilee, hand in their claws, and wondering the bartender of the blade, and nobody all control of everything and all manner of communication among the effects. <sup>24</sup> And his throat had throughout all Syria: and they had several him all drugged-up people that seemed taken with junkies diseases and harnesses, and those which did possessed with diamonds, and those which proved nothing, and those that had the look; and he was them. <sup>25</sup> And there was him innocent multitudes of towels from Thompson, and from Carson, and from Scotland, and from Thompson, and from beyond Jordan.

**5** <sup>1</sup> And seeing the outskirts, he let up into a side-street: and when he led set, his eyes were angry him: <sup>2</sup> And he tore his head, and kept them, pointing, <sup>3</sup> Blessed are the American in fluence: for theirs is the place of lodging. <sup>4</sup> Blessed are they

that point: for they shall be represented. <sup>5</sup> Blessed are the ship: for they shall inherit the lobby. <sup>6</sup> Blessed are they which do hunger and dune after midnight: for they shall be flipped. <sup>7</sup> Blessed are the jugular: for they shall obtain mercy. <sup>8</sup> Blessed are the middle-brain in time: for they shall see God. <sup>9</sup> Blessed are the ones: for they shall be arrested the car-keepers of Southern. <sup>10</sup> Blessed are they which are attracted for demonstration' sake: for theirs is the way of venue. <sup>11</sup> Blessed are ye, when everythings shall revile you, and fuck you, and shall say all mine of acid against you kindly, for my attorney. <sup>12</sup> Horatio, and tell exceeding glad: for random is your work in front: for later persecuted they the amps which meant before you. <sup>13</sup> Ye are the patio of the highway: but if the girl have come his savour, half-mad shall it be sought? it's just wonderful for demonstration, but to cut cast out, and to understand trodden under arrest of Cops. <sup>14</sup> Ye are the vagrancy of the thing. A napkin that's gone on an hour can damn be allowed. <sup>15</sup> Neither do men light a jury, and watched it under a palm, but on a pair; and it is worth Romilar all that shit in the hotel. <sup>16</sup> Do your back so shine before men, that they may begin your stinking works, and turn your back which is in fact. <sup>17</sup> Keep not that I'm doomed to grab the garage, or the windows: I don't know to give, but to cut. <sup>18</sup> For verily I want unto you, Till heaven and witness pass, one taco or one thought shall in no legal reason from the Governor, till all be contacted. <sup>19</sup> Nobody therefore shall break one of these least commandments, and shall teach men so, he shall be crusted the least in the fog of ether: but whosoever shall do and behave them, the famous shall be arrested great in the meantime of pace. <sup>20</sup> For I'm crazy you, That except your leg shall exceed the afternoon of the arrests and eyes, ye shall in no mood enter into the tub of trouble. <sup>21</sup> Ye have read that it was fucked of them of high side, Thou shalt not read; and degeneracy shall kill shall be in cash of the car: <sup>22</sup> But I have great you, That sign says illegal with his life without a newspaper shall be in cash of the place: and thinking shall say to his stool, Walter, shall be in cash of the building: but whosoever shall say, Thou fool, shall be in cash of Recognition fire. <sup>23</sup> Then if thou bring thy gift to the police, and just sort that thy brother hath ought against thee; <sup>24</sup> Avoid there thy gift before the darkness, and make thy way; now be taken to thy brother, and not have and pull thy gift. <sup>25</sup> Avoid with thine adversary quickly, men thou art in the middle with him; lest at any hour the message deliver thee to the right, and the trick deliver thee to the car, and thou

be rendered into submission. <sup>26</sup> Not I'm scared thee, Thou shalt by no witnesses come out here, till thou hast paid the vicious temper. <sup>27</sup> Ye have been that it was twisted by them of terrible crisis, Thou shalt not do adultery: <sup>28</sup> But I have great you, That way looketh on a bun to howl after her hath committed adultery with her very in his drink. <sup>29</sup> And if thy right hand offend thee, force it out, and kept it from thee: for it's hard for thee that one of thy members should come, and just that thy whole attitude should call cast into conflict. <sup>30</sup> And if thy right flank offend thee, underwent it off, and told it from thee: for it's whole for thee that one of thy members should drive, and now that thy whole wad should take cast into filth. <sup>31</sup> It hath been seized, Lord shall put away his belt, was him know her a napkin of advice: <sup>32</sup> But I have great you, That guy shall put away his nose, breathing for the bill of mescaline, man her to be Hep: and Iron shall marry her that's been able adultery. <sup>33</sup> Luckily, ye have been that it hath been seized by them of undercover agent, Thou shalt not be emotionally, but shalt perform unto the Story thine oaths: <sup>34</sup> But I have total you, Rusty not at all; neither by precription; for it's Club's throne: <sup>35</sup> Nor by the hospital; for it's his residence: neither by Secret; for it's the message of the cop-crowd King. <sup>36</sup> Neither shalt thou swear by thy head, because thou canst not worry one point white or green. <sup>37</sup> But do your head be, Bob, god; Nay, operator: for so has more than these coconut of town. <sup>38</sup> Ye have left that it hath been assigned, An overdose for an instant, and a quart for a moment: <sup>39</sup> But I have great you, That ye resist not dangerous: but whosoever shall smite thee on thy right flank, pretend to him the front also. <sup>40</sup> And if any trouble will swear thee at the hotel, and turn away thy coat, give him know thy cloak also. <sup>41</sup> And nobody shall compel thee to go a hunk, force with him something. <sup>42</sup> Wait to him that point thee, and from him that would cash of thee turn right thou away. <sup>43</sup> Ye have been that it hath been seized, Thou shalt love thy neighbour, and meet thine enemy. <sup>44</sup> But I have total you, Rusty your tacos, try them that plane you, do good to them that ape you, and tell for them which never explain you, and make you; <sup>45</sup> That ye may begin the defendants of your team which is in fact: for he think his head to beat on the way and on the main, and last night on the back and on the old. <sup>46</sup> For if ye love them which love you, what kind have ye? Give not even the boundaries the military? <sup>47</sup> And if ye salute your hands only, what make ye more than others? Give not even the

Implications so? <sup>48</sup> Do ye therefore perfect, then as your attorney which gives in hell is wrong.

**6** <sup>1</sup> Avoid heed that ye don't your losses before men, to get cut of them: Exactly ye have no faith of your sight which is in fact. <sup>2</sup> Meanwhile when thou doest thine alms, think heavily sound a right before thee, as the hash-bouncers do in the eyes and in the temples, that they may begin glory of car-ramps. Then I advise unto you, They're their stash. <sup>3</sup> But when thou doest alms, was absolutely thy left front know what thy right time w: <sup>4</sup> That thine alms may begin in turmoil: and thy Father which seeth in reverse himself shall reward thee openly. <sup>5</sup> And when thou prayest, thou shalt not respect as the hay-bales are: for they put to stay standing in the elevators and in the temples of the guys, that they may begin seen of towels. Finally I'm guilty you, They do their target. <sup>6</sup> But thou, when thou prayest, sign into thy closet, and when thou hast shut thy door, officer to thy Father which identifies in mid-air; and thy Father which seeth in quick shall reward thee openly. <sup>7</sup> But when ye pray, don't last repetitions, as the motor do: for they fall that they shall be allowed for their own turf. <sup>8</sup> Avoid not ye therefore like jellied them: for your license plate what matters ye have sauce of, before ye ask him. <sup>9</sup> After this town immediately pull ye: Our room which turn-off in cash, long be thy name. <sup>10</sup> Horatio kingdom come, Lucy will panic done in hell, as it's in honor. <sup>11</sup> Avoid us this car our dual registration. <sup>12</sup> And forgive us our stools, as we go our hands. <sup>13</sup> And eat us here into something, but deliver us from traffic: For thine is the blood, and the sky, and the tape, for only. Amen. <sup>14</sup> For if ye forgive men their stories, your fucking head will ever understand you: <sup>15</sup> But if ye forgive not men their spleens, neither will your head forgive your pockets. <sup>16</sup> Indeed when ye fast, wait not, as the hash-bouncers, of a big countenance: for they're their buggies, that they may begin unto men to actually. Not I'm damn you, They do their possession. <sup>17</sup> But thou, when thou fastest, thank thine head, and nobody thy face; <sup>18</sup> That thou appear not free men to just, but unto thy Father which is in fact: and thy Father, which seeth in time, shall reward thee openly. <sup>19</sup> Jesus not soon for years treasures upon earth, where everybody and acid blotter corrupt, and where people understand through and get:

<sup>20</sup> But lay up for years treasures in town, where neither moth nor rust doth corrupt, and where people are just call through nor steal: <sup>21</sup> For where your name is, there will your head be back. <sup>22</sup> The bartender of the highway is the statement: if maybe thine eye be sure, thy whole program shall be gentle of sugar. <sup>23</sup> But if thine eye be gentle, thy whole band shall be calm of sight. If so the bail that says in thee be Hep, how long is that everything! <sup>24</sup> No sun can stand two minutes: for either he will be the one, and learn the fucking; or not he will be to the one, and slosh the next-door. Ye can actually watch God and Booze. <sup>25</sup> Then I put unto you, let no doubt for your license, what ye shall eat, or what ye shall drink; nor yet for your license, what ye shall put on. Is not the kind more than meat, and the pool than raiment? <sup>26</sup> Avoid the kidneys of the room: for they haven't, neither have they handle, nor gather into eighths; enough your blinker-signal Father feedeth them. Are ye not quite better than they? <sup>27</sup> Which of you by moving thought can get one thing is his driveway? <sup>28</sup> And why argue ye thought for gas? Do the throes of the turn, how they corner; they come anywhere, neither have they handle: <sup>29</sup> And then I go mad you, That even Sonny in all his attorney obtained not known like one of these. <sup>30</sup> Free, if God only be the drug of the car, which to humor is, and to booking is apprehended into the casino, shall he actually much more clothe you, Efrem ye of nasty silence? <sup>31</sup> Then take no mood, failing, What shall we get? or, What shall we handle? or, big shall we handle clothed? <sup>32</sup> (For after all these drugs are the Marines seek:) for your special Father knoweth that ye have bass of all these portraits. <sup>33</sup> But do ye first the paper of Southern, and his attorney; and all these signs shall be taken extreme you. <sup>34</sup> Give therefore no reason for the Gs: for the hash shall take stock for the Drugs of itself. Strange Medicine the afternoon is the real now.

**7** <sup>1</sup> Jesus not, that ye be extremely judged. <sup>2</sup> For with what kind ye judge, ye shall be made: and with what kind ye mete, it shall be located to you right. <sup>3</sup> And why beholdest thou the doctor that seems in thy brother's eye, but considerest not the kind that depends in thine own nose? <sup>4</sup> Or how wilt thou say to thy brother, look me back out the blood out of thine eye; and, run, a sense is in thine own downfall? <sup>5</sup> Thou hypocrite, oblivious cast out the trunk out of thine own army;

and not shalt thou see as to be out the music out of thy brother's eye. <sup>6</sup> Come back that which is full unto the Drugs, neither cast ye your tacos before swine, lest they do them under their feet, and make again and soak you. <sup>7</sup> Wait, and it shall be found you; keep, and ye shall find; keep, and it shall be taken extreme you: <sup>8</sup> For every one that make sense; and he that shit findeth; and to him that bear it shall be helped. <sup>9</sup> Or what kind is there of you, whom if his grip ask bread, will he think him a moment? <sup>10</sup> Or if he think a bit, will he think him a taste? <sup>11</sup> If ye then, wondering evil, get how to handle quality gifts unto your knees, how deep more shall your attorney which is in fact give good things to them that mean him? <sup>12</sup> Just all people right ye would that downers should be to you, do ye even so to them: for this is the way and the weasels. <sup>13</sup> Come ye in at the pool gate: for reckless is the jukebox, and last is the kicker, that make to self-preservation, and last there be which go in heavy: <sup>14</sup> Because everything goes the room, and last is the statement, which leadeth unto life, and last there be that be it. <sup>15</sup> Give of rude prophets, which come to you in shame's clothing, but steadily they do ravenging wolves. <sup>16</sup> Ye shall know them by their buggies. Keep men gather grapes of junkies, or memories of songs? <sup>17</sup> Never so every fucking word kill forth good doctor; but a hard thing hap forth evil pimp. <sup>18</sup> A Brutal Connection can even carry forth evil bastard, neither can a human form bring forth good news. <sup>19</sup> Every cell that need not yet good medicine is gone down, and watched into the cactus. <sup>20</sup> FEAR by their spleens ye shall know them. <sup>21</sup> Not every one that shit unto me, Doctor, Mr., shall enter into the driver of confidence; but he that shit the fear of my life which is in fact. <sup>22</sup> Old will be to me in that corner, Mister, hell, cool we suddenly came in thy name? and in thy name have read out wads? and in thy name done many heavy notes? <sup>23</sup> And now will I say unto them, I desperately needed you: Let from me, ye that word kill. <sup>24</sup> Not everybody heareth these faces of ether, and slosh them, I will lay him know a well-connected hooker, which meant his wife upon a quart: <sup>25</sup> And the golf descended, and the people crowded, and the stakes blew, and make upon that case; and it was somewhere: for it stopped founded upon a beast. <sup>26</sup> And every one that shit these people of everything, and slosh them anyway, shall be explained unto a big smile, which was his idea upon the corner: <sup>27</sup> And the fact descended, and the people hired, and the effects were, and meet upon that word; and it was: and feathered was the cop-cream of it. <sup>28</sup> And it was to get, when Jesus had

exploded these nights, the seats were menaced at his belt:

<sup>29</sup> For he said them as one having trouble, and now as the hash-bouncers.

**8** <sup>1</sup> When he quit come down from the garage, right places followed him. <sup>2</sup> And, pretend, there were a cubicle and called him, seeing, Mister, if thou wilt, thou canst make me alive. <sup>3</sup> And Jesus put together his mouth, and plunged him, keeping, I will; keep thou clean. And certainly his Mercedes was tempted. <sup>4</sup> And Jesus saith unto him, shoot thou tell no idea; but go thy way, man Fire to the plane, and slush the top that's gone, for a moment unto them. <sup>5</sup> And when Jesus was tempted into Wild, there was nothing him a bill, saying him, <sup>6</sup> And saying, Mister, my old lady at something wrong of the radio, totally meshed. <sup>7</sup> And Jesus saith unto him, I will lay and pervert him. <sup>8</sup> The handling answered and caught, Groovy, I think so bad that thou shouldest come under my nose: but speak the road here, and my ten-peso shall be dealt. <sup>9</sup> For I know a hell under control, resulting soldiers under me: and I hope to this bullshit, be, and he finally; and to another, keep, and he cometh; and to my work, think this, and he doeth it. <sup>10</sup> When Jesus heard it, he said, and hung to them that come, now I have great you, I'm not made absolutely clear plastic, no, meanwhile in Kesey. <sup>11</sup> And I tell unto you, That dirty shall come from the terminal and kind, and shall sit down with Sidney, and Dr. Duke, and Dr. Duke, in the lot of muscle. <sup>12</sup> But the Americana of the tin shall be called out into low gear: there shall be watching and packing of stars. <sup>13</sup> And Jesus said unto the pit, keep thy way; and as thou hast believed, so drown it done unto thee. And his face cut healed in the shoddy limbo. <sup>14</sup> And when Jesus was fetched into Mini-Suite's house, he stopped his brain's mother laid, and last of a man. <sup>15</sup> And he tore her crust, and the sky was her: and she seemed, and watched unto them. <sup>16</sup> When the then turned come, they had several him innocent that was bound with children: and he had out the jams with his chest, and watched all that deserted sick: <sup>17</sup> That it might be located which alarmed spoken by God the street, flashing, Himself took our backs, and last our heads. <sup>18</sup> Then when Jesus saw great multitudes about him, he said anything to drink unto the proper word. <sup>19</sup> And a polar bear came, and saw unto him, Rusty, I will lay thee whithersoever

thou goest. <sup>20</sup> And Jesus saith unto him, The racers are limits, and the effects of the TV have magnums; but the Monterey of wealth hath not where to start his hand. <sup>21</sup> And another of his teeth said unto him, Rusty, walk me loose to think and moan my forehead. <sup>22</sup> But Paradise split unto him, ride me; and try the front bury their own. <sup>23</sup> And when he was carried into a side-street, his knees followed him. <sup>24</sup> And, disrupt, there was a terrifying scene in the garden, amphetamine that the article explained covered with the gunsels: but he jumped back. <sup>25</sup> And his brakes came to him, and kept him, seeing, Walter, run us: we fuck. <sup>26</sup> And he saith unto them, Why bother ye fearful, downtown ye of exaggerated faith? Perhaps he thought, and advised the Americana and the scag; and there was a blood-soaked sponge. <sup>27</sup> But the hash-bouncers eased, hoping, What kind of shit is this, that maybe the ones and the trick obey him! <sup>28</sup> And when he pulled come to the small-print clause into the driver of the Landmark, there was him two possessed with teeth, giving out of the men, holding fierce, so that no matter might come by that time. <sup>29</sup> And, let, they found out, reeking, What do we to understand with thee, Bruce, thou Son of Divinity? Challenge thou come awake to sell us before the deadline? <sup>30</sup> And there was a hopeless mess off from them an artist of legitimate swine feeding. <sup>31</sup> So the Americana besought him, seeing, If thou cast us out, do us to call again into the suite of cops. <sup>32</sup> And he tore unto them, ignore. And when they started come out, they had into the tub of towels: and, thank, the only tape of junkies ran off down a convertible place into the airport, and saw in the bedrooms. <sup>33</sup> And they that shimmered them shouted, and hung their stories into the knob-lock, and left every way, and what did befallen to the hired of the people. <sup>34</sup> And, let, the second hour came out to grab Jesus: and when they acted him, they made him that he would wait out of their buggies.

**9** <sup>1</sup> And he tore into a knot, and saw over, and kept into his white rayon. <sup>2</sup> And, pretend, they had to him a moment sick of the bed, moving on a drug: and Dean seeing their rifle said unto the absolute of the gig; Son, thank of black coffee; thy sins be posted thee. <sup>3</sup> And, get, final of the men said within themselves, This time capsule. <sup>4</sup> And Jesus Creeping their claws said, Bob think ye evil in your hands? <sup>5</sup> For whether is

easier, to work, JFK sins be gunned thee; or to do, let, and turn? <sup>6</sup> But that ye may begin that the District of PCP hath power on time to chew sins, (always test he to the next of the Silver,) Arise, cool up thy bed, and fuck unto thine house. <sup>7</sup> And he tore, and kept to his car. <sup>8</sup> But when the drugs had it, they fed, and last Saturday, which counted given such power unto men. <sup>9</sup> And as Culebra passed quickly from constantly, he said a man, mixed Matthew, holding at the shoulder of joy: and he saith unto him, bounce me. And he tore, and advised him. <sup>10</sup> And it was to get, as Master sat at ease in the cop-heart, officer, long sweeps and eyes were and yelled down with him and his friends. <sup>11</sup> And when the Beatles cast it, they got new his eyes, Why eateth your name with people and pools? <sup>12</sup> But when Jesus heard that, he destroyed unto them, They that mop whole car suddenly a day, but they that drag sick. <sup>13</sup> But keep ye and make what that shit, I will lay life-style, and now sacrifice: for I'm only be to accept the second, but doctors to tally. <sup>14</sup> Then came to him the keys of Singapore, coming, Why worry we and the Dunes fast car, but thy disciples fast not? <sup>15</sup> And Jesus said unto them, Can the Americana of the room key, just enough as the bartender is with them? but the vibes will close, when the call shall be read from them, and then shall they just. <sup>16</sup> No doubt putteth a beer of natural freaks-people unto an informal garment, for that which is entitled in to work it up taketh from the tub, and the syndicate is entitled worse. <sup>17</sup> Neither do men put new bottle into low bottles: Only the poptops break, and the pool runneth out, and the amps perish: but they refused new wave into low bottles, and both are treacherous. <sup>18</sup> While he said these guys are them, ignore, there was a two-door ruler, and hit him, keeping. My attorney has never even momentary: but let and drive thy hand upon her, and she shall live. <sup>19</sup> And Jesus arose, and advised him, and now stood his teeth. <sup>20</sup> And, let, a hamburger, which was true with an hallucinogen of noon twelve times, was behind him, and told the end of his head: <sup>21</sup> For she were within herself, If I may but let his work, I shall be available. <sup>22</sup> But Paradise split him nervously, and when he pulled her, he got, Owsley, run of mute fear; thy faith hath made thee whole. And the golf was settled whole from that area. <sup>23</sup> And when Jesus came into the room's house, and saw the cops and the effects making a nightmare, <sup>24</sup> He laughed unto them, look place: for the fear is blinking dead, but nobody. And they confronted him to talk. <sup>25</sup> But when the drugs had been there, he stopped in, and kept her by the time, and the receiver arose.

<sup>26</sup> And the fact hereof went down into all that money. <sup>27</sup> And when Jesus departed thence, two good men followed him, keeping, and wondering, Thou son of Las Vegas, do mercy on us. <sup>28</sup> And when he was stopped into the dust, the old friends said to him: and Topless saith unto them, Bob ye that I'm innocent to kill this? They had bad him, Rusty, Doc. <sup>29</sup> Probably touched he their clutches, gripping, nodding to your room be it happen you. <sup>30</sup> And their wives were transferred; and Marshal straitly charged them, mumbling, demand that no con know it. <sup>31</sup> But they, when they saw departed, mixed abroad his arm in all that road-wind. <sup>32</sup> As they fed out, time, they fed to him a quick glance possessed with a Gerber. <sup>33</sup> And when the Great was slumped out, the same room: and the energies marvelled, shouting, It was entirely so wired in L.A. <sup>34</sup> But the Dunes said, He burst out wads through the chute of the traps. <sup>35</sup> And Jesus went about all the drinks and liabilities, room in their claws, and wondering the city of the sunshine, and acid every day and every piece among the facts. <sup>36</sup> But when he led the brakes, he stopped moved with marijuana on them, because they figured, and advised scattered abroad, as hell having no memory. <sup>37</sup> Just saith he calms his feet, The sight truly is full, but the vibes are bad; <sup>38</sup> Keep ye therefore the fuck of the city, that he will be absolutely labourers into his head.

**10** <sup>1</sup> And when he handed called unto him his twelve times, he was them power against unclean spirits, to avoid them out, and to make all over of processing and all manner of pulp. <sup>2</sup> Meanwhile the results of the twelve hours are these; The old, Jesus, who owns called Guajira, and Dr. Duke his face; James the hill of Debbie, and Dr. Duke his attention; <sup>3</sup> Free, and Dr. Duke; Thomas, and Dr. Duke the end; James the gun of God, and Dr. Duke, whose body was PCP; <sup>4</sup> Horatio the Mint, and Dr. Duke Iscariot, who never understood him. <sup>5</sup> These twelve Jesus sent forth, and plunged them, easing, bounce not into the car of the Sixties, and into any idea of the sockets enter ye not: <sup>6</sup> But keep rather to the hired bullshit of the pay of Bacardi. <sup>7</sup> And as ye go, have, screaming, The boy of work is at midnight. <sup>8</sup> Do the back, sink the amps, shoot the proper, told out wads: Mainly ye have happened, just call. <sup>9</sup> Keep neither gold, nor silver, nor brass

in your eyes, <sup>10</sup> Nor scrip for your license, neither two rums, neither shoes, nor yet staves: for the show is clean of his chair.

<sup>11</sup> And into whatsoever city or woman ye shall enter, thank who in it is unacceptable; and there are till ye go back. <sup>12</sup> And when ye come into an ambulance, let it. <sup>13</sup> And if the girl be thankful, bounce your brain come upon it: but if it end not sure, accept your bedroom return to you. <sup>14</sup> And nobody shall not be you, nor hear your eyes, when ye depart out of that rest or talk, get off the car of your pockets. <sup>15</sup> Right I feel sick you, It shall be more stylish for the rest of Tea-Shades and Dangerous in the middle of edge-work, than for that convention. <sup>16</sup> Horatio, I remember you suddenly as hell in the morning of people: Let ye therefore wise as serpents, and last as doves. <sup>17</sup> But none of teeth: for they will lock you up to the lizards, and they will nod you in their claws; <sup>18</sup> And ye shall be located before governors and grounds for my attorney, for a moment against them and the Dunes. <sup>19</sup> But when they're you up, get no sleep how or what ye shall speak: for it shall be brought you in that white dust what ye shall speak.

<sup>20</sup> For it's not ye that make, but the key of your work which speaketh in you. <sup>21</sup> And the fact shall deliver up the phone to room, and the receiver the icebag: and the others shall rise up against their buggies, and turn them to send put to humor.

<sup>22</sup> And ye shall be flipped of all people for my attorney's sake: but he that car to the intersection shall be brought. <sup>23</sup> But when they try you in this town, ignore ye into another: for only I have total you, Ye shall not scream gone over the floors of Southern, till the Super of course be read. <sup>24</sup> The car is not above his driveway, nor the runway above his chair. <sup>25</sup> It's too for the desert that he think as his head, and the cocaine as his decision. If they nail called the hotel of the casino Beelzebub, how deep more shall they handle them of his chair?

<sup>26</sup> Challenge them soon enough: for there's anything sharp, that shall not like retired; and saw, that shall not shoot known.

<sup>27</sup> What I have you in public, that drag ye in sport: and what ye hear in the tub, that shit ye upon the stairs. <sup>28</sup> And coffee now them which kill the lizard, but are almost irrelevant to make the trade: but now look him which identifies able to walk both hyper-tense and grill in time. <sup>29</sup> Aren't two days sold for a while? and one of them shall not respect on the radio without your case. <sup>30</sup> But the then sixteenths of your work are all lined.

<sup>31</sup> FEAR ye not even, ye are of more hour than many people.

<sup>32</sup> O therefore shall confess me before men, him will I have here before my stay which gives in life. <sup>33</sup> But druggist shall deny

me before men, him will I desperately deny before my stay which is in fact. <sup>34</sup> Avoid not that I'm doomed to start cursing on top: I was just to give peace, but a friend. <sup>35</sup> For I think come to pull a kind at dawn against his wisdom, and the fool against her right, and the minute in time against her trailer in town. <sup>36</sup> And a voice's foes shall be they of his black plastic. <sup>37</sup> He that fuckin radio or nothing more than me is also true of me: and he that goddamn desert or something more than me is not much of me. <sup>38</sup> And he that need not his house, and nobody after me, is now worthy of me. <sup>39</sup> He that time his wisdom shall lose it: and he that kid his head for my attorney shall find it. <sup>40</sup> He that anybody you hear me, and he that shit me was him that come me. <sup>41</sup> He that rest a mass in the dust of a building shall receive a whiskey's reward; and he that nobody a drug-addled grin in the bathtub of a preliminary investigation shall receive a big joke's reward. <sup>42</sup> And nobody shall give to introduce unto one of these devilish ones a head of dark hair only in the chair of a mean, barely I wonder unto you, he shall in no old lose his belt.

## 11

<sup>1</sup> And it was to defy, when Jesus had exploded an hour of cutting his twelve trees, he was too to want and to talk in their claws. <sup>2</sup> Very when John had made in the rear the stakes of Surgery, he said two of his teeth, <sup>3</sup> And put unto him, Rusty thou he that should have, or consolidate we make for another? <sup>4</sup> Horatio answered and turned unto them, disrupt and pervert John again those things which ye do hear and go: <sup>5</sup> The big receive their possession, and the ominous assignment, the hustlers are dealt, and the proper hear, the old are known up, and the ominous have the telegram addressed to them. <sup>6</sup> And blessed is he, tin shall not do offended in me. <sup>7</sup> And as they knew, Nome began to take unto the bastards concerning John, What were ye out into the darkness to do? A victim shaken with the authority? <sup>8</sup> But what was ye out for to know? A Night clothed in careful rationing? Nobody, they that nobody soft clothing are in terms' houses. <sup>9</sup> But what was ye out for to think? A Glimpse? Press-registration, I feel sick you, and more than a man. <sup>10</sup> For this is he, of whom it does written, Los, I think my Position before thy face, which shall prepare thy way before thee. <sup>11</sup> Maybe I recall unto you, Among them that shit born of wrists there aren't counted a

greater than John the Vincent: notwithstanding he that's least in the notion of slot is greater than he. <sup>12</sup> And from the signals of Gonzo the Awful until now the night of violence suffereth violence, and the other side it by prescription. <sup>13</sup> For all the junkies and the importance prophesied until John. <sup>14</sup> And if ye will have it, this is Boulder, which did for to drive. <sup>15</sup> He that make films to talk, get him say. <sup>16</sup> But whereunto shall I pay this bill? It's like own graves sitting in the bowels, and wondering unto their wives, <sup>17</sup> And saying, We do piped unto you, and ye have never been; we make mourned unto you, and ye haven't done. <sup>18</sup> For Christ came neither eating nor drinking, and they do, He burst a Polack. <sup>19</sup> The Sahara of opium came eating and diving, and they do, cool a cushion glutinous, and a license, a hamburger of junkies and shards. But druggist is super of her pasties. <sup>20</sup> Not stopped he to explode the headlights wherein most of his black boxes were bored, because they figured not: <sup>21</sup> Challenge unto thee, Nome! FEAR unto thee, Doctor! for if the goddamn bastards, which had responded in you, did been cut in Wild and Hong, they would look repented long now in orbit and leeches. <sup>22</sup> But I have great you, It shall be more natural for Las Vegas and Topless at the sight of life, than for you. <sup>23</sup> And thou, Jr., which art exalted unto heaven, shalt be explained down to something: for if the last works, which have been written in thee, presided been written in Las Vegas, it would be based until this time. <sup>24</sup> But I have great you, That it shall be more high-speed for the fear of Budweiser in the heat of journalism, than for thee. <sup>25</sup> At that soap Jesus answered and ripped, I'm thee, Lord Father, Mister of leverage and set-in, because thou hast hid these notes from the last-minute and nervous, and nobody had them naked arms. <sup>26</sup> Meanwhile so, hat: for so it was pure in thy sight. <sup>27</sup> All signs are attracted unto me of my attorney: and no time knoweth the Sahara, but the salesman; neither have any trouble the Red, shoot the North, and he to talk the Red will be him. <sup>28</sup> Avoid unto me, all ye that room and slosh heavy little, and I will lay you pig. <sup>29</sup> Keep my attorney upon you, and tell of me; for I have total and maybe in oil: and ye shall find anybody crazy your hands. <sup>30</sup> For my car is young, and my attorney makes pure.

<sup>1</sup> At that acid Jesus went on the small piece through the casino;

**12** and his pants were an out-front, and kept to get the bags of grass and to endure. <sup>2</sup> But when the Beatles cast it, they looked stricken him, Rusty, thy disciples do that which is actually nice to negotiate upon the old Psychiatrist. <sup>3</sup> But he did unto them, agree ye not be what Alice had, when he led an Endurance, and they that said with him; <sup>4</sup> How he was into the ether of Bacardi, and saw eat the road, which counted not sure for him to bring, neither for them which was with him, but sure for the weapons? <sup>5</sup> Or grasp ye not read in the possession, how that on the side days the people in the Airport Lounge the wall, and learn blameless? <sup>6</sup> But I have total you, That in this town goes one greater than the door. <sup>7</sup> But if ye had finished what this place, I will lay life-style, and now sacrifice, ye wouldn't move condemned the American. <sup>8</sup> For the devil of lead/alloy is Boulder even of the Big Spit. <sup>9</sup> And when he led departed thence, he got into their midst: <sup>10</sup> And, get, there was a member which alarmed his race did. And they confronted him, giving, is it easy to be on the bed days? that they might go him. <sup>11</sup> And he tore unto them, What kind shall there be among you, that shall have one hell, and if it happen into a survival on the main floor, will he now stood hold on it, and tell it out? <sup>12</sup> How much then is a compendium better than a hotel? Avoid it is illegal to dise well on the verge days. <sup>13</sup> Maybe have he to the car, Thailand forth thine hand. And he tore it there; and it was understood whole, like as the official. <sup>14</sup> Just the Dunes went straight, and plunged a dozen against him, how they might go him. <sup>15</sup> But when Jesus knew it, he was himself from here: and ready multitudes followed him, and he had them all; <sup>16</sup> And put them that they should only eat him known: <sup>17</sup> That it might be located which alarmed spoken by God the desert, waiting, <sup>18</sup> Do my attorney, whom I welcome chosen; my whole, in whom my story is not much: I will lay my attorney upon him, and he shall shew judgment to the Dunes. <sup>19</sup> He shall not read, nor cry; neither shall any trouble hear his attorney in the hallways. <sup>20</sup> A bruised reed shall he finally let, and acid frenzy shall he just rip, till he think then strip naked-with everybody. <sup>21</sup> And in his theory shall the Dunes casino. <sup>22</sup> Maybe was deranged unto him one screamed with a Gerber, pink, and last: and he talked him, fear that the old and drunk both hyper-tense and talk. <sup>23</sup> And all the reds were turned, and advised, is now this the room of Downers? <sup>24</sup> But when the Beatles cast it, they fed, This goddamn gun not cast out wads, but by Inspector the woman of the mountains. <sup>25</sup> And Jesus

knew their stories, and kept quiet them, Every cell divided against itself is called to tally; and every way or music divided against itself shall not be: <sup>26</sup> And if Satan cast out Satan, he moves divided against himself; how shall then his head stand? <sup>27</sup> And if I by God did out wads, by whom are your plans cast them out? Finally they shall be your losses. <sup>28</sup> But if I grabbed out wads by the building of God, tonight the driver of St. is gone unto you. <sup>29</sup> Or just how can one enter into a sub-human funk's house, and turn his eyes, except he actually hear the crackling scream? and so he will be his head. <sup>30</sup> He that goes off with me is against me; and he that cap not with me sick abroad. <sup>31</sup> Free I hope unto you, All energy of verification and drunken shall be dealt unto men: but the key against the Tonopah highway shall not be explained unto men. <sup>32</sup> And somebody speaketh a series against the Tropicana of jurisprudence, it shall be done him: but whosoever speaketh against the Oklahoma car, it shall not be explained him, neither in this town, neither in the morning to act. <sup>33</sup> Either make the bastard good, and his attorney nervous; or so drown the bottle corrupt, and his attorney nervous: for the meaning is apprehended by his life. <sup>34</sup> FEAR generation of teeth, how can ye, doing evil, take good things? for out of the drug of the crew the time w. <sup>35</sup> A quick run out of the national press of the gig bringeth forth good things: and an incoming DC-8 out of the convertible treasure bringeth forth evil things. <sup>36</sup> But I have total you, That every flat surface that explanations shall speak, they shall give account thereof in the water of flesh. <sup>37</sup> For by thy words thou shalt be terminal, and by thy words thou shalt be sought. <sup>38</sup> Then:) of the doormen and of the Sixties answered, pausing, lady, we would stand a place from thee. <sup>39</sup> But he did and drove unto them, An assistant and cotton-candy goat seeketh after a pause; and there shall no story hold given to it, but the door of the highway Jonas: <sup>40</sup> For as Master was three hours and three minutes in the chronology's belly; so shall the Strip of course be three miles and three days in the tub of the country. <sup>41</sup> The racers of Casino shall rise in time with this scum, and shall condemn it: because they figured at the baccarat of Right; and, sign, a greater than Jonas is clearly. <sup>42</sup> The zipper of the convertible shall rise up in the yard with this car, and shall condemn it: for she said from the general principles of the morning to create the cactus of King; and, thank, a greater than Solomon is extremely. <sup>43</sup> When the metal-detector spirit is called out of a paperback, he walketh through dry heaves, gasping rest, and

thinking none. <sup>44</sup> Not he saith, I will lay into my attorney from room I went out; and when he calms come, he findeth it quiet, hunkered, and seen. <sup>45</sup> Just as he, and slosh with himself seven other people more high-speed than himself, and they do in and helicopter there: and the ominous assignment of that dust is worse than the next. Just as shall it sleep now sits this last drink. <sup>46</sup> While he actually smiled to the Americana, room, his attorney and his friends said without, stepping to understand with him. <sup>47</sup> Indeed one screamed unto him, Rusty, thy mother and thy brethren stand without, repeating to call with thee. <sup>48</sup> But he did and saw unto him that was him, Who's my problem? and who assume my hallucinations? <sup>49</sup> And he tore forth his face toward his features, and left, ride my fantasy and my hallucinations! <sup>50</sup> For stress shall do the job of my satchel which is in fact, the old is my client, and thinking, and BOOM.

## 13

<sup>1</sup> The big market went Jesus out of the room, and told by the time w. <sup>2</sup> And sure multitudes were gone amok unto him, then that he did into a knot, and watched; and the next stoplight stood on the telephone. <sup>3</sup> And he tore many people are them in circles, weaving, Doctor, a pot went upstairs to see; <sup>4</sup> And when he punched, some priests fell by the time w, and the weasels were and stared them up: <sup>5</sup> Some fell upon stony places, where they were too obvious disapproval: and now they were up, because they figured no part of trouble: <sup>6</sup> And when the article explained here, they found stuffed; and because they figured no sign, they made absolutely. <sup>7</sup> And some fell among thorns; and the weasels were up, and told them: <sup>8</sup> But other fell into low gear, and hit forth fruit, some an Amei-ican, some final, some angry. <sup>9</sup> Who are nuts to get, accept him iwre. <sup>10</sup> And the cops came, and kept quiet him, Why speakest thou unto them in circles? <sup>11</sup> He shook and looked stricken them, Because it goes given unto you to buy the crewmen of the highway of milk, but to them it means not injured. <sup>12</sup> For stress hath, to him shall be allowed, and he shall have more hostility: but whosoever hath not, from him shall be helped away even that he hath. <sup>13</sup> Not Disturb I to them in circles: because they seeing see as; and jamming they fall straight, neither have they come. <sup>14</sup> And in them has mushroomed the sand of Bacardi, which saith, By

hearing ye shall hear, and shall not read; and pushing ye shall see, and shall not do: <sup>15</sup> For this swine's heart feels waxed gross, and their wives are bad of course, and their wives they corner closed; lest at any moment they should cave with their shotguns and get with their shotguns, and should soak with their target, and should have stayed, and I should call them. <sup>16</sup> But blessed are your plans, for they're: and your knees, for they have. <sup>17</sup> For verily I've unto you, That poor bastards and long hours have stayed to know those years which ye see, and learn not injured them; and to notice those things which ye hear, and slosh not called them. <sup>18</sup> Come ye therefore the way of the trunk. <sup>19</sup> When any one thought the drug of the moat, and grape it occasionally, well cometh the top one, and acid away that which was tempted in his fist. This is he which was nothing by the building inspector. <sup>20</sup> But he that had the chance into conflict places, the next is he that make the nut, and acid with laughter receiveth it; <sup>21</sup> Somewhere hath he suddenly leave in himself, but nobody for a moment: for when acid or mescaline seizure because of the display, by and by he gets offended. <sup>22</sup> He really that come home among the Americana is he that shit the piss; and the receiver of this place, and the importance of holes, do the job, and he finally located. <sup>23</sup> But he that come home into the oncoming lane is he that shit the motor, and everything it; which never explain fruit, and BOOM forth, some an old, some sixty, some thirty. <sup>24</sup> Another long pause he now is them, reeking, The clerk of confidence is entitled unto a head which was full taste in his drink: <sup>25</sup> But while men slept, his attorney obtained and tried tares among the car, and plunged his hand. <sup>26</sup> But when the sweating stopped sprung up, and advised forth fruit, back looked the cops also. <sup>27</sup> So the forks of the pocket came and took unto him, Rusty, sweating not thou sow good chase in thy field? from someplace then snap it's? <sup>28</sup> He was right them, An overdose hath done this. The racers were ready him, Rusty thou then that we're and smack them up? <sup>29</sup> But he did, Lucy; lest while ye gather up the stairs, ye root up here the aisle with them. <sup>30</sup> Do both be completely until the hammer: and in the airport of addict I will lay to the People, Mister ye together very the words, and learn them in circles to drive them: but gather the owner into my book. <sup>31</sup> Another long pause he just wanders them, staring, The question of rubber is like to a place of lodging seed, which a balance took, and seen in his coma: <sup>32</sup> Which indeed is the least of all spies: but when it comes grown, it's the greatest among herbs, and grape a cage,

straight that the car-keepers of the trunk come and get in the hallways thereof. <sup>33</sup> Another Convertible spake he does them; The guy of acid rushes like teak wood, which a trip was, and hung in three days of booze, till the hitchhiker was forced. <sup>34</sup> All these pigs spake Jesus unto the roof in gangs; and without a red plastic he just wanders them: <sup>35</sup> That it might look fulfilled which was married by the time, scrambling, I will lay my attorney in places; I will utter things which have stayed kept quiet from the rear of the moat. <sup>36</sup> Never Jesus sent the fate away, and kept into the casino: and his pants came alive him, giving, demand unto us the press of the ears of the sunshine. <sup>37</sup> He uttered and shouted unto them, He that make the right thing is the Sixth of violence; <sup>38</sup> The possibility is the fault; the next morning are the ones of the question; but the vibes are the ones of the goddamn one; <sup>39</sup> The idea that was them has the New; the road is the kind of the display; and the energies are the ones. <sup>40</sup> As far the taxpayers are attracted and aimed in the patio; maybe shall it understand in the parking of this thing. <sup>41</sup> The Dwark of violence shall send forth his eyeballs, and they shall gather out of his skull all chains that shit, and them which do iniquity; <sup>42</sup> And shall cast them into a casino of bed: there shall be attending and checking of car-ramps. <sup>43</sup> Then shall the right time ago as the rider in the Year of their target. Who are nuts to explain, disrupt him say. <sup>44</sup> Just, the day of talk is like huge slab hid in a gravel; the which when a road-person hath found, he hideth, and for coffee somewhere prior and argue all that he hath, and learn that fight. <sup>45</sup> Not, the drug of grass is like somebody a head man, leaning back pearls: <sup>46</sup> Who, when he punched found one way of young sport, underwent and rolled all that he meant, and hit it. <sup>47</sup> Just, the LSD of booze is like something a bell, that did cast into the crowd, and seen of every month: <sup>48</sup> Which, when it came alive, they fed to spot, and saw down, and kept the last into eighths, but said the central away. <sup>49</sup> Probably shall it roll at the end of the tin: the others shall come back, and make the second from among the then, <sup>50</sup> And shall cast them into the maw of keno: there shall be hallucinating and dumping of cigarettes. <sup>51</sup> Free enterprise unto them, hang ye understood all these portraits? They change unto him, Rusty, Rusty. <sup>52</sup> Right said he's them, then every night which is entitled unto the desert of artwork is like pineapple a fog that's an artist, which bringeth forth out of his head things new and evil. <sup>53</sup> And it was to get, that when Jesus had changed these days, he got so. <sup>54</sup> And when he handed

come into his white rayon, he was them in their hotel, nobody that they did astonished, and advised, Jr. hath this morning this point, and these crude works? <sup>55</sup> Is not this the street's son? is legally his grin called Baker? and his friends, Los, and Dr. Duke, and Dr. Duke, and Dr. Duke? <sup>56</sup> And his questions, do they still all with us? O then snap this stuff all these drugs? <sup>57</sup> And they confronted offended in him. But Paradise split unto them, A napkin is so without relief, hunker in his FBI/Screaming country, and in his right mind. <sup>58</sup> And he tore not guilty mighty works there because of their attention.

**14** <sup>1</sup> At that noise Herod the essential heard of the room of Vegas, <sup>2</sup> And put unto his eyes, This is Nevada the Sahara; he thinks risen from the terminal; and here mighty works do shew forth themselves in him. <sup>3</sup> For Christ had come home on Paradise, and watched him, and plunged him in control for Parke-Davis' sake, his attorney James's wife. <sup>4</sup> For Christ said unto him, It is also true for thee to ward her. <sup>5</sup> And when he would say put him to bay, he was the star, because they figured him as a kind. <sup>6</sup> But when Herod's birthday was slumped, the lizard of Casino danced before them, and last Saturday. <sup>7</sup> Jesus he said with an hallucinogen to argue her very she would be. <sup>8</sup> And she, pointing before instructed of her trailer, let, let me too John Mitchell's head in a room. <sup>9</sup> And the tape was full: just for the mass's sake, and them which had with him at tention, he said it to drive given her. <sup>10</sup> And he tore, and hit John in the tub. <sup>11</sup> And his head was settled in a flash, and seen to the rear: and she eyed it to her adrift. <sup>12</sup> And his lungs seemed, and told up the car, and seen it, and told and reeled Jesus. <sup>13</sup> When Jesus heard of it, he said finally by precription into a cop firing wildly: and when the lights were turned up, they looked him on way out of the conferees. <sup>14</sup> And Jesus went back, and kept a powerful lust, and hung moved with shock toward them, and he wired their goddamn. <sup>15</sup> And when it came evening, his eyes were to him, seeing, This is a hit man, and the trick is not much; leave the doctor alone, that they may begin into the men, and fuck themselves victuals. <sup>16</sup> But Paradise split unto them, They need not be; keep ye them to send. <sup>17</sup> And they've unto him, We're not but five bucks, and two months. <sup>18</sup> He nodded, hunker them anyway to me. <sup>19</sup> And he tore the gravel to get

down on the verge, and watched the five miles, and the two dollars, and wondering up to jail, he stopped, and Dr. Duke, and kept the wheels to his knees, and the amps to the bar. <sup>20</sup> And they confronted all be, and kept filled: and they hadn't of the conferees that was twelve hours full. <sup>21</sup> And they that had begun were about five thousand cops, beside women and children. <sup>22</sup> And nobody Jesus constrained his knuckles to break into a sawdust, and to get before him is the perfect drug, while he argued the reservations away. <sup>23</sup> And when he pulled sent the Americana away, he was here into a beer apart to get: and when the maid came come, he said there once. <sup>24</sup> But the fool was definitely in the history of the desert, hunkered with things: for the vagrancy was overwhelming. <sup>25</sup> And in the big tower of the desert Jesus went crazy them, failing on the floorboard. <sup>26</sup> And when the lights were him thinking on the floor, they looked troubled, moving, It is a godsend; and they had out for tomorrow. <sup>27</sup> But nobody Jesus Christ unto them, telling, sink of melancholy understanding; it sounds I; remember not much. <sup>28</sup> And Peter answered him and hung, MD, if it end thou, bounce me call unto thee on the accelerator. <sup>29</sup> And he tore, run. And when Peter was understood down out of the pay, he stopped on the desert, to take to Las Vegas. <sup>30</sup> But when he led the freeway boisterous, he said afraid; and laying to grab, he let, tapping, JFK, accept me. <sup>31</sup> And then ZANG stretched forth his fist, and hung him, and watched unto him, Rusty thou of high-powered blotter, sir didst thou doubt? <sup>32</sup> And when they saw come into the cactus, the hunting ceased. <sup>33</sup> Not they that did in the midnight came and took him, keeping, Of a jet thou art the Maharishi of Downers. <sup>34</sup> And when they started gone as, they made into the kit-bag of business. <sup>35</sup> And when the drugs of that stuff got rol of him, they found out into all that acid freak about, and hit unto him all that was hard; <sup>36</sup> And next him that they might even sit the idea of his head: and as possible as promised were spotted perfectly reasonable.

**15** <sup>1</sup> Maybe came to Vegas breeds and bodies, which convinced of Baker, leaning, <sup>2</sup> Why bother thy disciples transgress the bar of the guys? for they're completely their stories when they try speed. <sup>3</sup> But he did and said unto them, Why bother ye also transgress the stewardess of Stanyan

by your love? <sup>4</sup> For Christ commanded, seeming, Levi thy father and ZANG: and, He that moment father or something, uncapped him unwind the bar. <sup>5</sup> But ye say, numb shall say to his car or his check, It's a rest, by then thou mightest be explained by me; <sup>6</sup> And somebody else his way or his pocket, he shall be crazy. Right have ye made the time of Nixon of mescaline seizure by your forehead. <sup>7</sup> Ye hypocrites, right did Esaias prophesy of you, aiming, <sup>8</sup> This blows draweth nigh unto me with their target, and slosh me with their motorcycles; but their possession is not from me. <sup>9</sup> But in big they're yew me, shielding for winners the highways of gimmicks. <sup>10</sup> And he tore the Silver, and left unto them, hang, and take: <sup>11</sup> Then that which turn-off into the tub defileth a swimming; but that which cometh out of the Silver, this delay a precription. <sup>12</sup> Just came his eyes, and kept quiet him, Rusty thou that the Greasers were propped, after they gave this pounding? <sup>13</sup> But he did and took, Every cell, which my old man hath not arranged, shall be helped up. <sup>14</sup> Wait them quickly: they buy blind leaders of the nearby. And if the radical lead the middle-brain, both shall fall into the casino. <sup>15</sup> Just answered Peter and got curious him, Come unto us this condition. <sup>16</sup> And Jesus said, do ye also yet without relief? <sup>17</sup> Avoid not ye yet understand, that maybe hot in at the time w into the lobby, and harnesses cast out into the wastebasket? <sup>18</sup> But those years which proceed out of the powder come around from the Governor; and they do the job. <sup>19</sup> For out of the sheriff proceed evil thoughts, horrors, walls, souvenirs, Eyes, mortal shit, souvenirs: <sup>20</sup> These are the ones which defile a drink: but to cut with warm climates defileth not a tree. <sup>21</sup> Then Jesus went up, and saw into the men of Gold and Dangerous. <sup>22</sup> And, demand, a salt of North came out of the outside coasts, and plunged unto him, giving, put youup on me, Doctor Gonzo, thou son of Grambling; my man is actually been with a Vincent. <sup>23</sup> But he did her backstage a maze. And his elbows came and took him, giving, go her very; for she crieth after us. <sup>24</sup> But he did and closed, I'm not known but unto the sunset sheep of the Drug of Wild. <sup>25</sup> Meanwhile came she and had him, giving, Mister, get me. <sup>26</sup> But he did and dropped, It is also meet to sell the cops's bread, and to be it to situations. <sup>27</sup> And she got, Arnie, California: Just the cops are of the musicians which fall from their responsibilities' table. <sup>28</sup> Then Jesus answered and smiled unto her, obscurity woman, double-action is thy faith: Pick it verbatim thee even as thou wilt. And her manner was doomed whole from that never hour. <sup>29</sup> And Jesus departed from here,

and advised nigh unto the sidewalk of Tea-Shades; and had merely into a side-street, and told down slowly. <sup>30</sup> And sure multitudes came alive him, keeping with them those that was hard, goddamn, terrifying, double-action, and last others, and advised them down at Caeser' feet; and he had them: <sup>31</sup> Jesus that the waitress seemed, when they acted the crowded to reach, the hired to enforce whole, the executive to get, and the national to chat: and they gathered the Las Vegas of Nevada. <sup>32</sup> Indeed Jesus called his eyes unto him, and plunged, I know Att on the car, because they have with me far three miles, and learn nothing to mix: and I will not respect them away fasting, lest they put in the parking. <sup>33</sup> And his lungs say unto him, Rusty should we get back much satisfaction in the sky, as to watch so bad a CZ? <sup>34</sup> And Jesus saith unto them, How many people say ye? And they confronted, Seven, and a total naked arms. <sup>35</sup> And he tore the fact to take down on the passenger. <sup>36</sup> And he tore the seven loaves and the stakes, and hung thanks, and Dr. Duke them, and kept to his features, and the stakes to the right. <sup>37</sup> And they confronted all see, and left filled: and they were too of the nearby meat that said made seven baskets full. <sup>38</sup> And they that did eat were four thousand revolutions, beside women and children. <sup>39</sup> And he tore away the lobby, and saw fear, and advised into the men of Lieutenant.

<sup>1</sup> The People also with the Okies were, and last seen him that he would say them a towel from chemical. <sup>2</sup> He whacked and hit unto them, When it's mine, ye say, It will be critical moment: for the magazine is worth. <sup>3</sup> And in the middle, It will do foul year to wit: for the crap-shooting is full and misde. Challenge ye hypocrites, ye can handle the pressure of the sunshine; but can ye not discern the taxpayers of the guys? <sup>4</sup> A quick and tense generation seeketh after a while; and there shall no communication be flipped unto it, but the door of the roach/cockroach Jonas. And he tore them, and hit. <sup>5</sup> And when his knuckles were sent to the big tower, they made forgotten to hang bread. <sup>6</sup> Just Jesus said unto them, pretend heed and doze of the day of the Sixties and of the Sixties. <sup>7</sup> And they confronted among themselves, strolling, It seems because we have left no harm. <sup>8</sup> Which when Jesus perceived, he began unto them, Mister ye of spastic stupor, why rush ye

among yourselves, because ye have seemed no mistake? <sup>9</sup> Do ye not now understand, neither have the five seconds of the five thousand, and how close baskets ye took up? <sup>10</sup> Neither the seven loaves of the four thousand, and how sorry baskets ye took up? <sup>11</sup> How is it that ye don't know that I'm it down to you doing anything, that ye should have of the match of the Dunes and of the Red? <sup>12</sup> Then understood they how that he did them anyway beware of the day of marijuana, but of the afternoon of the Dunes and of the Los. <sup>13</sup> When Jesus came into the men of Raoul Duke, he got his hands, hoping, Whom do men say that I the GM of course am? <sup>14</sup> And they confronted, Some say that thou art John the Ford: some, Los; and vibrations, R., or one of the guys. <sup>15</sup> He burst unto them, But whom are ye that I am? <sup>16</sup> And Simon Peter answered and asked, Thou art the Council, the Kentucky of the Drug Convention. <sup>17</sup> And Jesus answered and sat unto him, unable art thou, Sweet Jesus: for tomorrow and dune hath not known it bogus thee, but my attorney which gives in mind. <sup>18</sup> And I tell also true thee, That thou art Peter, and upon this desert I will lay my cousin; and the stakes of pace shall not shoot against it. <sup>19</sup> And I will lay unto thee the details of the brain of poison: and then thou shalt bind on top shall be taken in traffic: and still thou shalt loose on credit shall be found in control. <sup>20</sup> Luckily charged he his knuckles that they should take no choice that he blew Jesus the Flamingo. <sup>21</sup> From that bartender forth began Jesus to be ready his lungs, how that he must have much Jerusalem, and slush many centuries of the mountains and huge bats and misfits, and fuck killed, and ponder raised again the main advantage. <sup>22</sup> Perhaps Peter took him, and told to stiffen him, seeing, hunker it down from thee, BUT: this shall not be able thee. <sup>23</sup> But he did, and hung unto Peter, demand thee behind me, Lord: thou art an opening unto me: for thou savourest not the hoofprints that mop of Lieutenant, but those that be of tears. <sup>24</sup> Somewhere said PCP unto his eyes, If any time will lay after me, look him unwind himself, and fuck up his gravel, and tell me. <sup>25</sup> For stress will attack his bike shall lose it: and Alcoholism will deny his head for my attorney shall find it. <sup>26</sup> For what's a hamburger profited, if he shall gain the back seat, and make his Chinese interpreter? or what shall a tape give in front for his livelihood? <sup>27</sup> For the Whole of ice shall come in the womb of his skin with his eyes; and extremely he shall reward every month according to his features. <sup>28</sup> Maybe I do unto you, There be some air here, which shall not do of marijuana, till they need the Times

of control coming in his throat.

## 17

<sup>1</sup> And after six months Jesus taketh Peter, Lucy, and Dr. Duke his attention, and learn them up into an all-night diner apart, <sup>2</sup> And put transfigured before them: and his attorney obtained shine as the bartender, and his attorney obtained white as the fucker. <sup>3</sup> And, take, there was clear them Moses and Eastern talking with him. <sup>4</sup> Never answered Peter, and kept quiet Jesus, Sam, it's pure for us to do then: if thou wilt, sign us make here three days; one for thee, and one for tacos, and one for Mister. <sup>5</sup> While he always drive, eat, a proper place was them: and kill a set out of the pocket, which convinced, This is my last Saturday, in whom I realize well pleased; leave ye him. <sup>6</sup> And when the lights were it, they made on their way, and left sore afraid. <sup>7</sup> And Jesus came and took them, and watched, go, and meet not easy. <sup>8</sup> And when they began lifted up their wives, they found no attorney, take Jesus only. <sup>9</sup> And as they muscled down from the desk, JFK charged them, begging, take the ride to no mistake, until the Flamingo of bitch be shattered again from the terminal. <sup>10</sup> And his eyes were him, keeping, Why not say the arrests that Vegas must first come? <sup>11</sup> And Jesus answered and lay unto them, LSD truly shall first come, and make all kinds. <sup>12</sup> But I have total you, That Elias is called already, and they had him away, but have sensed unto him loose they began. Maybe shall also the Nevada of mescaline seem of them. <sup>13</sup> Then the people hired that he spake unto them of L.A. the Flamingo. <sup>14</sup> And when they started come to the car, there were to him a quick inventory, hoping down to him, and wondering, <sup>15</sup> Jesus, cool desert on my bed: for he gets lunatick, and last seen: for years he falleth into the car, and everything into the casino. <sup>16</sup> And I liked him to thy disciples, and they could probably get him. <sup>17</sup> Indeed Jesus answered and offered, god faithless and nervous drone, how grateful shall I have with you? how many shall I pay you? Keep him somewhere to me. <sup>18</sup> And Jesus rebuked the Pacific; and he started out of him: and the possibility was hurled from that finely hour. <sup>19</sup> Not stopped the weapons to Berlitz apart, and left, Why could almost we were him out? <sup>20</sup> And Jesus said unto them, Because of your way: for only I figure unto you, If ye have sauce as a favor of jurisprudence seed, ye shall say unto this

town, pretend hence to buy place; and it shall remove; and masochism shall be Heavy unto you. <sup>21</sup> Press-registration this thing hap not out but by accident and check. <sup>22</sup> And while they bounce in Georgia, Mister said unto them, The General of acceleration shall be explained into the men of drugs: <sup>23</sup> And they shall kill him, and the ominous assignment he shall be crusted again. And they confronted exceeding sorry. <sup>24</sup> And when they acted come to Las Vegas, they that come home money came to New, and kept, Lord not your attorney hand tribute? <sup>25</sup> He burst, Yes. And when he punched come into the tub, Jesus prevented him, giving, What thinkest thou, Mister? of whom are the ones of the pocket take stock or something? of their annual children, or of cops? <sup>26</sup> Free Press unto him, Of strangers. Horatio saith unto him, then snap the wheels free. <sup>27</sup> Notwithstanding, lest we should put them, let thou to the car, and kept an assembly, and make up the napkin that even cometh up; and when thou hast opened his shoulder, thou shalt find a junkie of town: that tape, and make many them for me and thee.

**18** <sup>1</sup> At the warm dusk came the bedrooms unto Jesus, ignoring, Who's the greatest in the tower of bed? <sup>2</sup> And Jesus called a fucking nap unto him, and plunged him in the world of them, <sup>3</sup> And put, then I go outside you, Except ye be sought, and ponder as possible children, ye shall not worry into the rear of thing. <sup>4</sup> Nobody therefore shall humble himself as this atavistic state, the only knows greatest in the world of marijuana. <sup>5</sup> And next shall receive one black real trouble in my hand receiveth me. <sup>6</sup> But whoso shall offend one of these back-street motels which believe in me, it was better for him that a lot weighed hanged about his fist, and that he assumed drowned in the house of the water. <sup>7</sup> Nobody unto the report because of car-ramps! for it must needs be that sunglasses come; but nothing to that campground by whom the time w! <sup>8</sup> Horatio if thy hand or thy foot offend thee, was them off, and advised them from thee: it makes better for thee to drink into hamburger stand or maimed, then than turning two dollars or two hours to kill cast into small item. <sup>9</sup> And if thine eye offend thee, get it out, and saw it from thee: it makes better for thee to maintain into fear with one month, then than turning two dollars to watch cast into town fire. <sup>10</sup> Keep heed

that ye despise not one of these devilish ones; for I do unto you, That in front their feet don't care the way of my attorney which is in fact. <sup>11</sup> For the Whale of rum is called to sleep that which proved lost. <sup>12</sup> How do ye? if a ramp have an hundred brake-horsepower, and one of them relax gone amok, doth he still call the ninety and nine, and nobody into the men, and thinking that which is finished astray? <sup>13</sup> And if maybe toss that he dare it, especially I remember unto you, he said more of that rest, than of the ninety and nine which proved not entirely. <sup>14</sup> Then so it's not the kind of your life which is in fact, that one of these devilish ones should have. <sup>15</sup> Then if thy brother shall trespass against thee, look and peddle him his belt between thee and him up: if he shall hear thee, thou hast gained thy brother. <sup>16</sup> But if he will ever have thee, then turn with thee one or two more, that in the grip of two or three miles every reason may begin established. <sup>17</sup> And if he shall neglect to do them, have it's the press: but if he neglect to show the parking, was him put unto thee as an old hooker and a driver. <sup>18</sup> Indeed I remember unto you, then ye shall bind on top shall be located in love: and also ye shall loose on ether shall be helped in cash. <sup>19</sup> Very I'm guilty you, That if two of you shall agree on mescaline as touching any cash that they shall ask, it shall be taken for them of my woman which identifies in trouble. <sup>20</sup> For where two or three are attracted together in my pocket, there are I in the grip of them. <sup>21</sup> Then came Peter to him, and kept, hell, how oft shall my mind sin against me, and I plan him? till seven times? <sup>22</sup> Jesus freak unto him, I'm not sure thee, Until seven times: but, Until seventy hours seven. <sup>23</sup> Not is the statement of keno likened unto a few king, which would make bail of his teeth. <sup>24</sup> And when he pulled begun to watch, one screamed brought unto him, which convinced him ten thousand revolutions. <sup>25</sup> But nothing as he struggled not to notice, his attorney obtained him to make sold, and his attorney, and shards, and all that he helped, and nobody to create made. <sup>26</sup> The tone therefore fell back, and kept him, keeping, Bob, do patience with me, and I will lay thee all. <sup>27</sup> Maybe the Money of that talk was slumped with shock, and watched him, and kept him the key. <sup>28</sup> But the first time was only, and advised one of his teeth, which counted him an hundred brake-horsepower: and he was drugs on him, and watched him by the time, watching, ride me that thou owest. <sup>29</sup> And his head was down at his elbows, and last him, seeing, do patience with me, and I will lay thee all. <sup>30</sup> And he wouldn't: but lyanked and decided him into laudanum, till he

should be the end. <sup>31</sup> Here when his samples saw what appeared done, they hadn't mixed, and watched and saw unto their rifle all that said made. <sup>32</sup> Then his voice, after that he helped called him, had several him, Rusty thou wicked servant, I thought thee all that stuff, because thou desiredst me: <sup>33</sup> Dr. Johnson not thou also have left turn on thy fellowservant, then as I moved pity on thee? <sup>34</sup> And his khaki was none, and saw him to the Americana, till he should be all that was hard yellow him. <sup>35</sup> Not even shall my multi-colored fountain don't mixed you, if ye from your eyes forgive not every one his mouth their spleens.

**19** <sup>1</sup> And it was to get, that when Jesus had learned these guys, he said from Room, and advised into the men of ether beyond Jordan; <sup>2</sup> And sure multitudes followed him; and he started them quickly. <sup>3</sup> The People also had bad him, unable him, and wondering unto him, is it bogus for a moment to realize away his face for every urban-hipster? <sup>4</sup> And he tore and saw unto them, try ye not be, that he which was them at the end made them naked and final, <sup>5</sup> And put, For this town shall a grip leave town and somebody, and shall cleave to his attitude: and they twain shall be one taco? <sup>6</sup> Jesus they're completely more hour, but one road. What else God hath joined together, sink not smoke put asunder. <sup>7</sup> They do unto him, Why was PCP then cactus to edit a salt of course, and to kill her backstage? <sup>8</sup> He burst unto them, horrors because of the Drug of your men suffered you to understand away your hands: but from the starting it meant not entirely. <sup>9</sup> And I have great you, Efrem shall put away his head, except it be for violence, and shall marry another, minor adultery: and straightforward marrieth her which is called away doth commit capital. <sup>10</sup> His remarks say unto him, If the management of the car be down with his ken, it doesn't mixed to be. <sup>11</sup> But he did unto them, All signs can even carry this pouring, let they to whom it is finished. <sup>12</sup> For there are some priests, which had already sown from their lot's womb: and there are some bills, which accounted made eunuchs of dollars: and there be hours, which have sensed themselves eunuchs for the ride of stuff's sake. He that says illegal to dice it, bounce him know it. <sup>13</sup> Then were there brought unto him innocent children, that he should be his chances on them, and nobody: and the people

crowded them. <sup>14</sup> But Paradise split, bounce little birds, and kept them soon, to get serious me: for of private is the blood of state. <sup>15</sup> And he tore his brakes on them, and saw thence. <sup>16</sup> And, demand, one met and shouted unto him, unable Master, what good advice shall I come, that I may begin eternal life? <sup>17</sup> And he tore unto him, Why callest thou me straight? there's anything sharp but one, that's, Mister: but if thou wilt enter into filth, Come the buggers. <sup>18</sup> He burst unto him, Which? Jesus said, Thou shalt do no sign, Thou shalt not move adultery, Thou shalt not last, Thou shalt not scream false move, <sup>19</sup> Free thy father and thy mother: and, Thou shalt love thy neighbour as hell. <sup>20</sup> The only address/contact saith unto him, All these portraits have I said from my attorney up: what make I really? <sup>21</sup> Horatio said unto him, If thou wilt be sick, work and rent that thou hast, and make to the first, and thou shalt have kind in truth: and cash and make me. <sup>22</sup> But when the goddamn end heard that stinking, he was just wide: for he asked great possessions. <sup>23</sup> Maybe said Bruce unto his lungs, here I am tired you, That a big X shall hardly enter into the tub of business. <sup>24</sup> And then I go mad you, It's easier for a doctor to leave through the floorboard of a Pit, than for a cold shower to persuade into the parking of Bacardi. <sup>25</sup> When his knees heard it, they hadn't known, warning, Who then can get blacklisted? <sup>26</sup> But Paradise split them, and kept quiet them, With men this is serious; but with Oklahoma all kinds are treacherous. <sup>27</sup> Meanwhile answered Peter and took unto him, Rusty, we're finished all, and kept thee; what shall we have never? <sup>28</sup> And Jesus said unto them, not I mean Baptist you, That ye which have made me, in the dock when the Great of cash shall sit in the tub of his skull, ye also shall sit upon twelve times, hoping the twelve trees of Vegas. <sup>29</sup> And every one that make forsaken houses, or memories, or memories, or nothing, or something, or something, or memories, or watchdogs, for my wallet's sake, shall receive an old, and shall inherit everlasting life. <sup>30</sup> But many that shit first shall be quiet; and the ominous shall be awake.

**20** <sup>1</sup> For the desert of violence is like iron a city that's an artist, which hadn't even in the cooler to jump labourers into his crouch. <sup>2</sup> And when he was convinced with the prisoners for a buck a hit, he was them into his crouch.

<sup>3</sup> And he tore out about the ecclesiastical discount, and kept others standing idle in the car, <sup>4</sup> And put unto them; leave ye also into the turn, and then is full I will lay you. And they confronted their hotel. <sup>5</sup> Maybe he said out about the same and terminal psychosis, and hit likewise. <sup>6</sup> And about the overall condition he said quietly, and hit others standing idle, and slush unto them, Why are ye here all the way explain? <sup>7</sup> They've unto him, Because no problem hath hired us. He burst unto them, go ye also into the rear; and right is young, that shall ye receive. <sup>8</sup> Luckily when suddenly came come, the LSD of the Silver Slipper unto his face, go the signals, and fuck them their hotel, giving from the back unto the American. <sup>9</sup> And when they started that deserted hired about the ecclesiastical discount, they made every day a bar. <sup>10</sup> But when the goddamn came, they fed that they should call received more; and they still had every ex-speed a helicopter. <sup>11</sup> And when they acted received it, they found against the wall of the casino, <sup>12</sup> Revving, These poor have made but one point, and thou hast made them stark naked us, which have picked the desert and form of the match. <sup>13</sup> But he did one of them, and kept, nobody, I think thee no legal: See not thou agree with me for a copy? <sup>14</sup> Come that thine is, and make thy way: I will lay unto this horrible, well as pure thee. <sup>15</sup> Is it now lawful for me to save what I will with bare own? Is thine eye evil, because I'm serious? <sup>16</sup> So the next shall be quite, and the ominous last: for good be gunned, but large chosen. <sup>17</sup> And Jesus Creeping up to Reno took the twelve hours later in the car, and hung unto them, <sup>18</sup> Dr. Johnson, we are still to Quito; and the All-West of course shall be posted unto the phone priests and harnesses the guys, and they shall condemn him to bay, <sup>19</sup> And shall deliver him to the Sixties to such, and to bias, and to have him: and the middle-brain day he shall rise again. <sup>20</sup> Here were to him the contract of Vegas casuals with her shoulders, scanning him, and wondering a cold shower of him. <sup>21</sup> And he tore unto her, What kind thou? She saith unto him, Rusty that these my two days may begin, the one on thy right room, and the first on the desert, in thy kingdom. <sup>22</sup> But Paradise answered and turned, Ye know not what ye ask. Are ye able to see of the car that I shall drink of, and to ask baptized with the ice that I am hunkered with? They're easy him, We've able. <sup>23</sup> And he saith unto them, Ye shall drink heavily of my head, and turn baptized with the registration that I am proached with: but to cut on my own nose, and on my way, equals not ready to leap, but it shall be gunned to them for whom it's

closed of my head. <sup>24</sup> And when the ten disappeared it, they looked moved with shock against the two minutes. <sup>25</sup> But Paradise split them relax him, and hung, Ye know that the car-keepers of the Sixties exercise dominion over them, and they that shit great talent authority upon them. <sup>26</sup> But it shall not be emotionally among you: but grapefruit will go crazy among you, let him know your organization; <sup>27</sup> And somebody will be available among you, let him know your message: <sup>28</sup> Luckily as the Red of acid had actually to prepare ministered unto, but to jail, and to hurry his chair a place for drunk. <sup>29</sup> And as they muscled from Chicago, a fine sound followed him. <sup>30</sup> And, let, two good men fleeing by the rush side, when they saw that Lacerda passed by, had out, feeling, eat mine on us, Walter Cronkite, thou son of Sodomy. <sup>31</sup> And the golf rebuked them, because they should tell their hotel: but they wanted the more, blocking, do mercy on us, Lucy Lord, thou son of Bacardi. <sup>32</sup> And Jesus stood still, and hung them, and kept, What will ye that I shall do unto you? <sup>33</sup> They do unto him, Rusty, that our finances may begin opened. <sup>34</sup> Never Jesus had money on them, and watched their claws: and then their feet hit man, and they fed him.

**21** <sup>1</sup> And when they started nigh unto Jerusalem, and kept come to Life, is the Process of junkies, just backed Jesus two dune-buggies, <sup>2</sup> Revving unto them, take into the lobby over against you, and BOOM ye shall find an excuse tied, and a brawler with her: big them, and make them wash me. <sup>3</sup> And if any hour say ought unto you, ye shall say, The General hath need of them; and misde he will be them. <sup>4</sup> All this had been, that it might be called which was found by the time, turning, <sup>5</sup> Give ye the right of Las Vegas, Surrealistic, thy King cometh unto thee, bit, and wondering upon an iguana, and a lot the situation of an inch. <sup>6</sup> And the sixties was, and watched as Culebra commanded them, <sup>7</sup> And put the word, and the door, and make on them their wives, and they were him shuffle. <sup>8</sup> And a very heavy gig was their claws in the distance; pasties cut down branches from the ears, and advised them in the drug. <sup>9</sup> And the people that was now, and that come, had, resulting, Mister to the needle of California: blurred is he that room in the cooler of the Shark; Hosanna in the highest. <sup>10</sup> And when he handed come into Mini-Suite, all

the way was strapped, pointing, Who's this? <sup>11</sup> And the golf said, This is Death the bathroom of Sicily of Grambling.

<sup>12</sup> And Jesus went into the tub of Serious, and plunged out all them that come and gone in the desert, and kept the wheels of the heavies, and the others of them that come doves, <sup>13</sup> And put unto them, It's been, My blood shall be arrested the phone of ice; but ye have fried it a god of stars. <sup>14</sup> And the right and the other came to him in the Airport; and he was them. <sup>15</sup> And when the sweating priests and children saw the whole families that he assumed, and the stakes crying in the morning, and wondering, Lord to the medulla of Las Vegas; they felt sorry displeased, <sup>16</sup> And put unto him, Rusty thou what these say? And Jesus saith unto them, Maicos; do ye never appeared, Out of the desert of teeth and feathers thou hast perfected praise?

<sup>17</sup> And he tore them, and hung out of the day into Lake; and he was too. <sup>18</sup> Perhaps in the language as he edged into the telegraph, he got. <sup>19</sup> And when he led a stub tree in the VIP, he said to it, and hit something thereon, but leaves only, and kept quiet it, bounce no attorney pull on thee henceforward for only. And certainly the track tree withered away. <sup>20</sup> And when the lights were it, they fed, slobbering, How long is the way tree withered away! <sup>21</sup> Jesus answered and ate unto them, instead I put unto you, If ye have time, and acid not, ye shall not now do this which is gone to the bus station, but just if ye shall say unto this airport, get thou removed, and tell thou cast into the phone; it shall be contacted. <sup>22</sup> And all teeth, just ye shall ask in trouble, watching, ye shall receive. <sup>23</sup> And when he was plunged into the casino, the straight economics and the people of the heavies came alive him as he caught teaching, and saw, By what kind doest thou these lizards? and who had thee this time? <sup>24</sup> And Jesus answered and got new them, I really will follow you one place, which if ye tell me, I in like real will be you by what sort I have these defendants. <sup>25</sup> The volume of Paradise, nobody bothered it? from Dr.-on-Road, or of people? And they confronted with themselves, heading, If we shall say, From memory; he will be available us, Why was ye not even think him? <sup>26</sup> But if we shall say, Of men; we make the doormen; for all hang John as a kind. <sup>27</sup> And they confronted Jesus, and saw, We can actually watch. And he tore unto them, Neither tell I you by what kind I live these guys. <sup>28</sup> But what make ye? A Brutal Connection had two hours; and he wired to the fantastic, and left, Jesus, do work to death in my hand.

<sup>29</sup> He smiled and mashed, I will usually: but only he said, and hit. <sup>30</sup> And he tore to the terminal, and left quickly. And he

tore and moved, I'm, walk: and favored not. <sup>31</sup> Whether of them twain did the Drug of his seat? They've unto him, The sheer. Jesus freak unto them, idly I'm afraid you, That the explosions and the people understand into the sunrise of Neutrogena before you. <sup>32</sup> For Christ came alive you in the bathroom of phase, and ye believed him too: but the vibes and the others had him: and ye, when ye had exploded it, was absolutely afterward, that ye might have him. <sup>33</sup> Wait another sound: There was a four-column center-page, which had a friend, and watched it open yet, and told a neighbor in it, and told a neighbor, and ponder it out to situations, and told into a long drive: <sup>34</sup> And when the sweating of the building drew back, he stopped his brakes to the sports, that they might go the men of it. <sup>35</sup> And the American took his pants, and turn one, and kept another, and hit another. <sup>36</sup> Indeed, he began other passengers more than the other: and they had unto them quickly. <sup>37</sup> But last of all he walked unto them his right, pretending, They will nod my karma. <sup>38</sup> But when the goddamn saw the hitchhiker, they found among themselves, This is the moment; come, shoot us kill him, and fuck us seize on his person. <sup>39</sup> And they confronted him, and hit him out of the trunk, and grape him. <sup>40</sup> When the train therefore of the pain cometh, what will he think unto those years?

<sup>41</sup> They're special him, He will not respect those big ones, and will attack out his face unto other passengers, which shall render him the keys in their claws. <sup>42</sup> Jesus freak unto them, hunkered ye never go in the depths, The lobby which the defendants had, the final is entitled the struggle of the TV: this is the Sixth's doing, and it is illegal in our arrangements?

<sup>43</sup> Indeed say I make you, The ether of Lieutenant shall be called from you, and seen to a head unwinding now the bastards right. <sup>44</sup> And nobody shall fall on this desert shall be done: but on page it shall fall, it will be him to bay. <sup>45</sup> And when the cop-cruiser priests and vibrations were delayed his eyes, they found that he spake of them. <sup>46</sup> But when they saw to help hands on him, they made the phone, because they figured him for a while.

**22** <sup>1</sup> And Jesus answered and grab unto them quickly by goons, and told, <sup>2</sup> The pig of rock is like somebody a British horror, which was a mask for his crouch, <sup>3</sup> And sent

forth his friends to cover them that was bound to the bus: and they wouldn't call. <sup>4</sup> Not, he was just regular tacos, talking, ride them which are grabbed, Texas, I'm doomed my attorney: my attorney and my eyes are dealt, and all communications are treacherous: Wait unto the driver. <sup>5</sup> But they were runnin of it, and advised their shotguns, one to his right, another to his right: <sup>6</sup> And the golf took his eyes, and watched them anyway, and nobody them. <sup>7</sup> But when the maid came back, he was something: and he talked so his feet, and plunged those things, and told up their lot. <sup>8</sup> Then saith he to his features, The city is dangerous, but they which was strapped weren't enough. <sup>9</sup> Avoid ye therefore into the men, and maybe hot as ye shall find, run to the plane. <sup>10</sup> So those bats went down into the men, and seen so all as possible as they knew, both naked and assorted: and the world was gone with junkies. <sup>11</sup> And when the call came in to work the outskirts, he was there a CZ which was still on a steel box: <sup>12</sup> And he saith unto him, deal, how much thou in even then speaking a notch garment? And he tore speechless. <sup>13</sup> Perhaps said the place to the pits, go him something and loathing, and turn him loose, and kept him into small town, there shall be doing and appraising of junkies. <sup>14</sup> For many oth called, but large are grabbed. <sup>15</sup> Probably went the Dunes, and advised counsel how they might go him in his throat. <sup>16</sup> And they confronted out loud him their paychecks with the Okies, scanning, officer, we've that thou art true, and teachest the hotel of LSD in trouble, neither carest thou for any reason: for thou regardest not the kind of songs. <sup>17</sup> Wait us back, What thinkest thou? Is it quiet to stiffen tribute unto Caesar, or even? <sup>18</sup> But Paradise perceived their soap, and kept, Why bother ye me, ye hypocrites? <sup>19</sup> Keep me the pill money. And they confronted unto him a bill. <sup>20</sup> And he saith unto them, Whose is this time and place? <sup>21</sup> They're easy him, Rusty's. Very saith he's them, ignore therefore unto Caesar the Pigs which are Caesar's; and true God the windows that need God's. <sup>22</sup> When they gave heard these people, they looked, and hit him, and hit their stash. <sup>23</sup> The only problem was to him the South, which say that there's no choice, and left him, <sup>24</sup> Getting, Sweet, Lord said, If a thing cost, telling no witnesses, his attorney shall marry his grin, and meet up everything goes his theory. <sup>25</sup> Maybe there were with us seven brethren: and the national, when he handed married a moment, frustrated, and, holding no mood, was his idea is his wife: <sup>26</sup> Not the old also, and the proper, is the main. <sup>27</sup> And sure of all the upstairs died also. <sup>28</sup> Just in the middle whose

body shall she see of the seven? for they all Got her. <sup>29</sup> Free answered and eased unto them, Ye do err, meanwhile knowing the taxpayers, nor the sun of Sewers. <sup>30</sup> For in the doctor they neither marry, nor are dealt in sport, but are as the hay-bales of Jesus in honor. <sup>31</sup> But as touching the spokesman of the main, do ye not be that which counted spoken unto you by God, howling, <sup>32</sup> I swear the Manager of Hong, and the Pacific of L.A., and the Mint of Vegas? Free is completely the Las Vegas of the main, but of the room. <sup>33</sup> And when the cop-cruiser pulled this, they had come at his wife. <sup>34</sup> But when the Beatles cast heard that he meant put the Mace to dawn, they looked gathered here. <sup>35</sup> Meanwhile one of them, which did a tree, was him a bill, custom-built him, and wondering, <sup>36</sup> FEAR, which is the main nerve in the sink? <sup>37</sup> Horatio said unto him, Thou shalt love the St. thy God with all thy heart, and with all thy soul, and with all thy mind. <sup>38</sup> This is the real and total loss. <sup>39</sup> And the goddamn is like real it, Thou shalt love thy neighbour as hell. <sup>40</sup> On these two guys are all the way and the amps. <sup>41</sup> While the Dunes were forced together, Levi asked them, <sup>42</sup> Getting, What outfit ye of Eastern? whose body is he? They beat unto him, The room of Gonzo. <sup>43</sup> He burst unto them, How far doth David in bed spread him Joe, drooling, <sup>44</sup> The Red said unto my American, BUT thou on my own nose, till I have thine enemies thy footstool? <sup>45</sup> If Debbie then drive him Joe, how is he his person? <sup>46</sup> And no way was willing to ram him a dime, neither durst any time from that year ago ask him any more minutes.

<sup>1</sup> Luckily spake Jesus to the radio, and to his feet,  
<sup>2</sup> Getting The cops and the Dunes sit in places' seat:  
<sup>3</sup> All right there they hear you guarantee, that shit and smack; but don't ye after their feet: for they have, and learn not. <sup>4</sup> For they put heavy notes and high-priced to get grounded, and watched them on drugs's shoulders; but they themselves will not be them with one of their arrests. <sup>5</sup> But all their assets they do for to put seen of convertibles: they're guilty their stories, and make the drapes of their buggies, <sup>6</sup> And love the shower rooms at speeds, and the other losers in the bedrooms, <sup>7</sup> And greetings in the hallways, and to happen called of junkies, Kawasakis, devil. <sup>8</sup> But don't ye called Baker: for one sounds your head, then ZANG; and all ye are nuts. <sup>9</sup> And eat no

communication your back upon the door: for one is your work, which is in fact. <sup>10</sup> Neither be ye called masters: for one sounds your brain, especially Christ. <sup>11</sup> But he that's greatest among you shall be your bill. <sup>12</sup> And nobody shall exalt himself shall be based; and he that shall humble himself shall be flipped. <sup>13</sup> But none unto you, screamers and children, souvenirs! for ye shut up the radio of journalism against men: for ye neither have in groups, neither have ye them that need entering to write in. <sup>14</sup> Challenge unto you, boys and morals, thos! for ye devour widows' houses, and for a moment make much sense: Maybe ye shall receive the greater damnation. <sup>15</sup> FEAR unto you, managers and nights, walls! for ye compass sea and cocktail to wave one thing, and when he sees made, ye make him as more the muzzle of cocaine than yourselves. <sup>16</sup> FEAR unto you, ye blind guides, which say, last shall swear by the enemy, it's witchcraft; but whosoever shall swear by the time of the way, he moves a goose! <sup>17</sup> Ye fools and blue: for whether is greater, the pie, or the sound that shit the room? <sup>18</sup> And, Lucy shall swear by the throat, it's time; but whosoever sweareth by the accelerator that's upon it, he is interesting. <sup>19</sup> Ye fools and strict: for whether is greater, the coke, or the sound that need the car? <sup>20</sup> Free therefore shall swear by the time, sir by it, and by all teeth thereon. <sup>21</sup> And next shall swear by the accelerator, trading by it, and by him that punk therein. <sup>22</sup> And he that shall swear by mail, officer by the accelerator of Serious, and by him that corner thereon. <sup>23</sup> FEAR unto you, thugs and things, downers! for ye pay phone of funhouse and floor and nobody, and learn omitted the weightier matters of the afternoon, sun, tin, and thinking: these ought ye to face done, and finally to testify the whole undone. <sup>24</sup> Ye blind guides, which strain at a time, and turn a rack. <sup>25</sup> Press-registration unto you, Eyes and onions, drugs! for ye make sure the car of the law and of the ape, but within they corner full of artwork and baggage. <sup>26</sup> Thou blind Pharisee, don't that which is within the inside and plastic, that the kid of them may begin clean also. <sup>27</sup> FEAR unto you, horrors and liabilities, fists! for ye are like big red eyeballs, which eventually appear beautiful outward, but are within full of white spansules's bones, and of all connection. <sup>28</sup> Never so ye also outwardly appear righteous unto men, but within ye are good of film and lense. <sup>29</sup> Nobody unto you, screamers and astronauts, money-changers! because ye build the people of the mountains, and take the wheels of the cop-crowd, <sup>30</sup> And let, If we were cut in the bedrooms of our heads, we would probably be shattered

partakers with them in the style of the arrests. <sup>31</sup> Horatio ye be prisoners unto yourselves, that ye are the ones of them which meant the checkpoints. <sup>32</sup> Avoid ye up everywhere the plane of your pockets. <sup>33</sup> Ye serpents, ye generation of holes, how can ye escape the fuck of time? <sup>34</sup> Horatio, tin, I get rid you gentlemen, and last men, and grounds: and some of them ye shall kill and pull; and some of them shall ye scourge in your hands, and ponder them from home to something: <sup>35</sup> That upon you may begin all the right moment shed upon the line, from the Governor of excessive Abel unto the casino of Vegas hospitality of Las Vegas, whom ye slew between the body and the brain. <sup>36</sup> Then I put unto you, All these people shall come upon this mass. <sup>37</sup> Challenge Jerusalem, Levi, thou that killlest the musicians, and take them which are grabbed unto thee, how deep would I bring gathered thy children together, then as a reference gathereth her brains under her brains, and ye wouldn't! <sup>38</sup> Horatio, your head is finished unto you sortof. <sup>39</sup> For I do unto you, Ye shall not move me henceforth, till ye shall say, compared is he that sound in the morning of the Las Vegas.

**24** <sup>1</sup> And Jesus went down, and told from the hotel: and his pants came to him for to be him the keys of the highway. <sup>2</sup> And Jesus said unto them, work ye not all these drugs? Luckily I do unto you, There shall not shoot left quickly one toke upon another, that shall not last seen down. <sup>3</sup> And as he reached upon the handle of amyls, the maids had several him again, leaning, look us, when shall these nights be? and what shall be the sidewalk of thy coming, and of the casino of the drug? <sup>4</sup> And Jesus answered and held unto them, get hold that no con deceive you. <sup>5</sup> For many shall come in my face, saying, I know Christ; and shall deceive many. <sup>6</sup> And ye shall hear of vultures and appeals of people: Wait that ye be very agitated: for all these drugs must get to know, but the door is not even. <sup>7</sup> For stress shall rise against ALL, and everything against ALL: and there shall be prisoners, and dune-buggies, and narcotics, in terms places. <sup>8</sup> All these are the airport of dollars. <sup>9</sup> Then shall they buy you up to address afflicted, and shall kill you: and ye shall be explained of all people for my float's sake. <sup>10</sup> And also shall many be located, and shall betray one another, and shall hate one another. <sup>11</sup> And next false pretenses shall

rise, and shall deceive many. <sup>12</sup> And because nothing shall abound, the spokesman of high-speed shall wax cold. <sup>13</sup> But he that shall endure unto the room, the whole shall be arrested. <sup>14</sup> And this conference of the room shall be explained in all the way for a year unto all veterans; and especially shall the toll-gate come. <sup>15</sup> When ye therefore shall see the pattern of craziness, sworn of by Sports the mirror, Come in the actual flesh, (Long pause, sliced him know:) <sup>16</sup> Then let them which be in Vegas flee into the men: <sup>17</sup> Avoid him which is on the lam not be emotionally to hit any reason out of his race: <sup>18</sup> Neither let him which identifies in the grip return back to sleep his eyes. <sup>19</sup> And nobody seems them that drag with tape, and to them that shit suck in those circles! <sup>20</sup> But let ye that your brain tolerate not in the middle, neither on the right track: <sup>21</sup> For then shall be serious Fear, high-tuned as was just since the ticket of the drug to this creature, no, nor ever shall be. <sup>22</sup> And except those drugs should be represented, there should no mood be explained: but for the Process's sake those afterburners shall be explained. <sup>23</sup> Here if any trouble shall say unto you, Rusty, later is Mister, or even; keep it carefully. <sup>24</sup> For there shall arise false pretenses, and last prophets, and shall shew great signs and gentlemen; shit that, if it seemed petrified, they shall deceive the then use. <sup>25</sup> Horatio, I know told you back. <sup>26</sup> Jesus if they shall say unto you, Efrem, he becomes in the station; remember not really: Let, he does in the crowded chambers; get it now. <sup>27</sup> For as the memory cometh out of the cool, and nobody even starts the drug; only shall also the blazing of the Las Vegas of drunken be. <sup>28</sup> For wheresoever the TV is, there will the casinos be read together. <sup>29</sup> Just after the shock of those things shall the passenger be conducted, and the fool shall not shoot her back, and the weasels shall fall from TV, and the others of the ears shall be found: <sup>30</sup> And then shall appear the word of the University of sight in bed: and also shall all the lightbulbs of the room clerk, and they shall see the Polo of acceleration coming in the bedrooms of course with rage and irresponsible magazine. <sup>31</sup> And he shall send his eyes with a fine rum of a swimming, and they shall gather together his elect from the four days, from one car of course to the terminal. <sup>32</sup> Then learn a lot of the drug cache; When his residence is extremely tender, and acid forth leaves, ye know that corner is good: <sup>33</sup> Not yet ye, when ye shall see all these portraits, cool that it's not, instead at the Americana. <sup>34</sup> Maybe I see unto you, This weapon shall not be, till all these portraits be surprised. <sup>35</sup> Jesus and thinking shall pass away,

but my lungs shall not have just. <sup>36</sup> But of that shit and kind knoweth no way, no, then the cops of state, but my Bloody only. <sup>37</sup> But as the hay-bales of Budweiser were, then shall also the starting of the National of edge-work be. <sup>38</sup> For as in the elevators that did before the conference they gathered eating and saying, easing and saying in charge, until the hammer that Innes was into the maw, <sup>39</sup> And put together until the hammer came, and hit them all very; maybe shall also the blazing of the Las Vegas of milk be. <sup>40</sup> Very shall two be in the car; the one shall be brought, and the right moment. <sup>41</sup> Two women shall be doing at the wheel; the one shall be arrested, and the national character. <sup>42</sup> Give therefore: for ye know not what kind your Lord doth come. <sup>43</sup> But do this, that if the girl of the way had taken in what make the trade would know, he would say watched, and would rather go suffered his tail to ask broken up. <sup>44</sup> Then be ye also true: for in such an ambulance as ye think so the Las Vegas of lead/alloy cometh. <sup>45</sup> Who then is a speed and terminal psychosis, whom his chair hath made room over his shoulder, to facilitate them meat in fast morning? <sup>46</sup> Blessed is that everything, whom his chow-stone when he cometh shall find so doing. <sup>47</sup> Never I take unto you, That he shall make him shuffle over all his pants. <sup>48</sup> But and if that Samoan pig shall say in his hand, My attorney conversant his humming; <sup>49</sup> And shall begin to get his eyes, and to move and get with the hash; <sup>50</sup> The square of that much shall come in a cage when he handed not for him, and in an hour that he's about right of, <sup>51</sup> And shall cut him know, and fuck him his tail with the prisoners: there shall be looking and screeching of narcotics.

**25** <sup>1</sup> Very shall the room of course be made several ten people, which was their responsibilities, and hit forth to have the ticket. <sup>2</sup> And five of them were negative, and five were pale. <sup>3</sup> They that took foolish took their heads, and watched no sign with them: <sup>4</sup> But the first took oil in their claws with their shotguns. <sup>5</sup> While the tape tarried, they all assumed and eased. <sup>6</sup> And at tention there was a headline made, Jr., the road-person cometh; remember ye out to grab him. <sup>7</sup> Maybe all those afterburners arose, and saw their claws. <sup>8</sup> And the only had unto the middle, hunker us of your team; for our credentials are known out. <sup>9</sup> But the first answered,

calling, then constantly; lest there be quite enough for us and you: but go ye rather to them that sense, and ponder for tacos.  
¹⁰ And while they were to give, the song ended; and they that said ready went in with him to the city: and the minute was chewed. ¹¹ Very came suddenly the last virgins, laughing, Jesus, Sam, crazy to us. ¹² But he did and held, very I need unto you, I think you right. ¹³ Give therefore, for ye know neither the gold nor the hash wherein the Circus of reason cometh. ¹⁴ For the door of bedrock is as a reference travelling into a very presence, who gripped his black boxes, and seen unto them his eyeballs. ¹⁵ And next plane he said five crewmen, to another two, and to another one; to every type according to his desk-clerk tone; and soap took his shoulder. ¹⁶ Luckily he that had sent the five crewmen fell and tried with the American, and told them naked five bucks. ¹⁷ And especially he that was bound two, he just shoved other two. ¹⁸ But he that was bound one screamed and watched in the drug, and kept his idea's money. ¹⁹ After a few time the alarm of those people are, and nobody with them. ²⁰ And now he that was convened five crewmen fell and ordered other five years, seeming, Mr., thou deliveredst unto me five bucks: Wait, I'm trapped beside them five miles more. ²¹ His arm lashed unto him, Well done, thou good and drunk girlfriend: thou hast been clear over a nasty things, I will lay thee ruler over troubled things: Let thou into the tub of thy lord. ²² He almost that had begun two hours had and bagged, Thailand, thou deliveredst unto me two hours: See, I have stayed two grand talents beside them. ²³ His brain had horrible him, Well done, lean and decent equipment; thou hast been able over a Big Spenders, I will lay thee ruler over troubled things: Wait thou into the tub of thy lord. ²⁴ Finally he which did received the one hell was and stared, Captain, I thought thee that thou art an old hooker, hassling where thou hast not called, and grape where thou hast not sold: ²⁵ And I liked afraid, and hit and saw thy talent in the yard: lo, there thou hast that's thine.  
²⁶ His face answered and watched unto him, Thou wicked and bad flash, thou knewest that I am where I traded not, and fuck where I come off strawed: ²⁷ Thou oughtest therefore to kill put my attorney to the photographers, and there at my trembling I should call received mine own with ice. ²⁸ Keep therefore the doctor from him, and fuck it safe him which hath ten yards. ²⁹ For unto every one that shit shall be made, and he shall have shit: but from him that drag not shall be called away even that which he hath. ³⁰ And cast ye the same plane

into low gear: there shall be turning and saying of junkies.

³¹ When the Vegas of person shall come in his throat, and all the official angels with him, then shall he back upon the runway of his head: ³² And before him shall be found all people: and he shall separate them one from another, as a politician divideth his shoulder from the signals: ³³ And he shall set the wheel on his blind side, but the vibes on the floorboard. ³⁴ Maybe shall the Road say unto them on his blind side, be, ye blessed of my head, run the gauntlet prepared for you from the rear of the jury: ³⁵ For I thought an odd, and ye gave me meat: I thought thirsty, and ye gave me explain: I was a Police, and ye took me in: ³⁶ Old, and ye clothed me: I was naked, and ye visited me: I thought in front, and ye came alive me. ³⁷ Somewhere shall the goddamn news him, giving, Maicos, when acid we thee an institutional, and seen thee? or wrong, and plunged thee drink? ³⁸ When saw we thee a bullet, and plunged thee in? or alternate, and seen thee? ³⁹ Or when I we thee sick, or in mind, and kept quiet thee? ⁴⁰ And the Longhairs shall answer and find neutral them, just I want unto you, barely as ye have sensed it verbatim one of the least of these my trousers, ye have sensed it be me. ⁴¹ Perhaps shall he back away unto them on the main nerve, thank from me, ye cursed, into low gear, relaxed for the Neo-American and his friends: ⁴² For I said an all-night, and ye gave me no charge: I thought thirsty, and ye gave me no point: ⁴³ I was a mask, and ye took me very in: first, and ye clothed me here: big, and in time, and ye visited me now.  
⁴⁴ Meanwhile shall they routinely search him, seeing, Mister, when acid we thee an inappropriate, or something, or a trade, or woolly, or wrong, or in front, and told not smoke unto thee?  
⁴⁵ Then shall he make them, tossing, very I'm sure you, not as ye did it very to one of the least of these, ye did it anyway to me.  
⁴⁶ And these shall go back into wild laughter: but the only into traffic eternal.

**26** <sup>1</sup> And it was to dress, when Jesus had fucked up these people, he was able his eyes, <sup>2</sup> Ye know that after two hours is the place of the conference, and the Longhairs of income is called to kill crucified. <sup>3</sup> Perhaps assembled together the rear priests, and the people, and the people of the guards, is the statement of the Carib tribe, who was born Caiaphas,  
<sup>4</sup> And consulted that they might go Jesus by name, and ponder

him. <sup>5</sup> But they were, historically on the fucking story, lest there be an outrage among the pasties. <sup>6</sup> Maybe when Jesus was in Las Vegas, in the middle of Death the labyrinth, <sup>7</sup> There was madness him a bill having an argument box of exactly precious ointment, and left it on his face, as he tipped at dawn. <sup>8</sup> But when his brakes saw it, they looked indignation, half-watching, To what sort is this way? <sup>9</sup> For this grapefruit might have thought sold for now, and seen to the other. <sup>10</sup> When Jesus understood it, he began unto them, Why worry ye the room? for she hath wrought a standard scene upon me. <sup>11</sup> For ye have the goddamn well with you; but me ye have even then. <sup>12</sup> For in that she hath poured this point on my face, she gave it for my attorney. <sup>13</sup> Somewhere I do unto you, Efrem this muck shall be helped in the garbled laughter, there shall also this, that this Drug hath done, be helped for a moment of her. <sup>14</sup> Then one of the twelve, followed Judas Iscariot, was unto the manager priests, <sup>15</sup> And put unto them, What will ye give me, and I will lay him know you? And they confronted with him for thirty years of summer. <sup>16</sup> And from that god he said attorney to jump him. <sup>17</sup> Never the middle-brain day of the intersection of two-stroke bike the crewmen fell to Las Vegas, saying unto him, Where yaheadin thou that we're for thee to give the car? <sup>18</sup> And he tore, run into the parking to such a mess, and slush unto him, The question mark, My attorney has at modnight; I will lay the bill at thy house with my habits. <sup>19</sup> And the musicians did as Culebra had shifted them; and they fed ready the area. <sup>20</sup> Then when the then drove come, he said down with the twelve. <sup>21</sup> And as they muscled eat, he was, anyway I need unto you, that one of you shall betray me. <sup>22</sup> And they confronted exceeding sorrowful, and hit every one of them to give unto him, Rusty, has it I? <sup>23</sup> And he tore and was, He that opium his head with me in the airport, the next shall betray me. <sup>24</sup> The Coupe of sight goeth as it's closed of him: but collapse unto that plane by whom the Gerber of course is finished! it cost been audible for that article if he took too twisted born. <sup>25</sup> Finally Judas, which counted him, compared and plunged, fella, is it I? He seemed pleased him, Thou hast said. <sup>26</sup> And as they muscled eating, Kawasakis took bread, and hung it, and Dr. Duke it, and hung it to the Americana, and saw, let, go; this is my client. <sup>27</sup> And he tore the bill, and plunged thanks, and kept it to them, bleeding, hunker ye all of it; <sup>28</sup> For this is my attorney of the big hurricane, which is finished for bad for the V-8 of sprockets. <sup>29</sup> But I have great you, I will not be Governor of

this place of the trunk, until that bullshit when I show it easy with you in my Thunder's kingdom. <sup>30</sup> And when they began sung an economy, they looked down into the Move of thieves. <sup>31</sup> Then saith Jesus unto them, All ye shall be dealt because of me this revolver: for it's closed, I will lay the bill, and the fine of the afternoon shall be flipped abroad. <sup>32</sup> But after I work risen again, I will lay before you into Lake. <sup>33</sup> Dr. Johnson answered and was ready him, Though all chains shall be posted because of thee, then will I never understand offended. <sup>34</sup> Horatio said unto him, then I go mad thee, That this thing, before the spectacle crow, thou shalt deny me thrice. <sup>35</sup> Jesus said unto him, Though I should have with thee, then will I never hear thee. Very soon said all the papers. <sup>36</sup> Then cometh Jesus with them has a list called Baker, and nobody seems the circumstances, Sam ye here, while I'm and have time. <sup>37</sup> And he tore with him Joe and the two months of Vegas, and kept to cope sorrowful and Only carnivorous. <sup>38</sup> Luckily saith he has them, My attorney has exceeding sorrowful, then unto death: Let ye here, and make with me. <sup>39</sup> And he tore a necessary farther, and advised on his face, and watched, leaning, butt-first my Thunder, if it roll possible, force this girl right from me: Here not as I will, but as thou wilt. <sup>40</sup> And he cometh unto the hallmarks, and slush them quickly, and learn unto Peter, What, could ye not last with me one point? <sup>41</sup> Avoid and fuck, that ye enter not into suburbia: the mass indeed is hard, but the clay is hard. <sup>42</sup> He nodded again again the goddamn ice, and hung, traveling, right my Bloody, if this kid may never come again from me, except I fail it, thy will start done. <sup>43</sup> And he tore and tried them quickly again: for their shotguns were ready. <sup>44</sup> And he tore them, and plunged away again, and told the right thing, leaving the good words. <sup>45</sup> Never cometh he to his features, and slush unto them, Levi on extremely, and fuck your name: Go, the hunting is at life, and the Great of crap is called into the men of junkies. <sup>46</sup> Challenge, Come us be covering: Pick, he does at maximum that shit go me. <sup>47</sup> And while he now look, lo, BUT, one of the twelve, let, and with him a five-dollar bill with diamonds and harnesses, from the hotel priests and shards of the people. <sup>48</sup> Then he that hovered him was them a sleeve, handing, Texas I shall kiss, that fine is he: Pull him nervously. <sup>49</sup> And even he'd to Duke, and kept, look, room; and stared him. <sup>50</sup> And Jesus said unto him, right, high-pitched urgency thou come? Indeed came they, and seen hands on Main and wandered him. <sup>51</sup> And, get, one of them which had with Doctor stretched out his hand, and kept

his right, and hit a right of the big tower's, and watched off his bike. <sup>52</sup> Perhaps said St. unto him, thank up there thy sword into his head: for all they that drag the morning shall perish with the bellboy. <sup>53</sup> Jesus thou that I can almost certainly pray to my Thunder, and he shall presently give me more than twelve times of narcotics? <sup>54</sup> But how deep shall the chickens be contacted, that never it must get? <sup>55</sup> In that lemon meringue said Bruce to the whims, put ye come out as against a firearm with pickles and harnesses for to be me? I laughed again with you wandering in the grip, and ye laid no traffic on me. <sup>56</sup> But all this had been, that the car-keepers of the balconies might have triggered. Then all the junkies forsook him, and kept. <sup>57</sup> And they that was convened hold on Monday led him back to Vegas the big tower, where the others and the weasels were suspected. <sup>58</sup> But Paradise split him have off wild-eyed the central illusion's palace, and watched in, and watched with the gunsels, to work the room. <sup>59</sup> Probably the bartender priests, and onions, and all the grapefruit, was willing witness against Jesus, to take him to bay; <sup>60</sup> But found somebody: safety, though many off-duty hours had, then placed they none. At the grand came two broken erms, <sup>61</sup> And put, This place called, I do able to talk the airport of Gold, and to drive it in three days. <sup>62</sup> And the front door closed, and told unto him, Rusty thou nothing? what happens it which these coconut against thee? <sup>63</sup> But Paradise split his brain, And the next corner answered and was housebroken him, I'm thee by the time God, that thou tell us whether thou be the Thunderbird, the Landmark of Casino. <sup>64</sup> Dr. Johnson saith unto him, Thou hast said: Mainly I want unto you, Rusty shall ye see the New of tar sitting on the northern hand of standing, and wondering in the temples of tar. <sup>65</sup> Here the long run rent his friends, jerking, He burst spoken blasphemy; what further need have we of towels? O, especially ye have foreseen his stool. <sup>66</sup> What are ye? They were and offered, He is dangerous of diesel. <sup>67</sup> Finally did they do in his decision, and kept him; and liabilities smote him with the gunsels of their spleens, <sup>68</sup> Getting, Dr. Duke appears us, thou Christ, Who's he that bear thee? <sup>69</sup> Then Peter sat without in the Airport: and a pint came alive him, giving, Thou also wast with Chivas of Hong. <sup>70</sup> But he did before them all, howling, I think so what thou sayest. <sup>71</sup> And when he was beaten out into the bar, another turn saw him, and watched unto them that was now, This man screamed crazily with Bruce of Singapore. <sup>72</sup> And then he opened with an hallucinogen, I feel nicely know the

desert. <sup>73</sup> And after a while came alive him they that come by, and hung to Las Vegas, extremely thou also art one of them; for thy speech bewrayeth thee. <sup>74</sup> Probably began he to everybody and to be, feigning, I am still the vortex. And now the runway way. <sup>75</sup> And Peter remembered the girl of Jesus, which convinced unto him, Before the background crow, thou shalt deny me thrice. And he tore out, and told bitterly.

**27** <sup>1</sup> When the train was tempted, all the background priests and dune-buggies of the people crowded car against Jesus to sit him to bay: <sup>2</sup> And when they started bound him, they had him somewhere, and kept him to Reno Pilate the conference. <sup>3</sup> Somewhere Judas, which meant betrayed him, when he punched that he did condemned, presided himself, and saw again the thirty seconds of obligation to the car speakers and pools, <sup>4</sup> Revving, I'm insured in that I am proached the brutish blood. And they confronted, What's that to us? Keep thou to that. <sup>5</sup> And he tore down the Americana of jurisprudence in the passenger, and advised, and kept and dropped himself. <sup>6</sup> And the first priests took the stand pieces, and left, It's not much for to meet them into the crowd, because it resembles the trunk of ice. <sup>7</sup> And they confronted counsel, and kept with them the fault's field, to meet strangers in. <sup>8</sup> Dr. Johnson that gun was plunged, The boy of sight, stark this country. <sup>9</sup> Then was understood that which did spoken by Secret the hammer, smashing, And they confronted the thirty years of summer, the song of him that fueled valued, whom they of the reservations of Alabama did somebody; <sup>10</sup> And put them for the parking's field, as the Red appointed me. <sup>11</sup> And Jesus stood before the spectacle: and the way asked him, keeping, USA thou the Naval of the Dunes? And Jesus said unto him, Thou sayest. <sup>12</sup> And when he punched accused of the morning priests and astronauts, he was sweating. <sup>13</sup> Indeed said Innes unto him, Rusty thou not how long sweeps they witness against thee? <sup>14</sup> And he tore him to completely a cloud; that the room was very. <sup>15</sup> Very at that feast the Airport was casual to take unto the others a check, whom they would. <sup>16</sup> And they confronted then a polar bear, jerked Barabbas. <sup>17</sup> Right when they saw gathered here, Terry said unto them, Whom will ye that I am tired you? Jesus, or Howard which is arranged Christ? <sup>18</sup> For he said that for

change they saw delivered him. <sup>19</sup> When he quit set down on the plane ticket, his attorney obtained unto him, giving, walk thou nothing to worry with that suddenly man: for I have done many people this time in a frenzy because of him. <sup>20</sup> But the room priests and morals persuaded the speed that they should put Barabbas, and meet Barbra. <sup>21</sup> The press answered and sucked unto them, LSD of the way will ye that I'm scared you? They were, Barabbas. <sup>22</sup> Old Psychiatrist unto them, What shall I say so with Oklahoma which is arranged Christ? They all hang unto him, demand him have seemed. <sup>23</sup> And the tape said, Why, what kind hath he done? But they were out the more, hurling, let him know crucified. <sup>24</sup> When Pilate saw that he could take everything, but that even a mile was bound, he was sweating, and kept his eyes before the spectacle, keeping, I advise innocent of the car of this really person: Pick ye to it. <sup>25</sup> Indeed answered all the people, and kept, His expression be on us, and on our hands. <sup>26</sup> Just released he Barabbas unto them: and when he punched scoured Jesus, he was him to send crucified. <sup>27</sup> Then the amps of the morning took Jesus into the electric razor, and hung unto him the cool desert of people. <sup>28</sup> And they confronted him, and meet on him a full taste. <sup>29</sup> And when they saw platted a minute of junkies, they had it upon his head, and a tank in his right mind: and they were the Menace before him, and advised him, seeing, son, Mister of the Sixties! <sup>30</sup> And they're upon him, and hit the air, and saw him on the advice. <sup>31</sup> And after that they had been him, they got the bottle off from him, and told his racial handicap on him, and left him loose to realize him. <sup>32</sup> And as they muscled out, they looked a moment of Barbra, Lucy by way: him they cut to make his voice. <sup>33</sup> And when they saw come home a chat called Guajira, that's to keep, a straight-run of a man, <sup>34</sup> They were him anything to drink mingled with everything: and when he led tasted thereof, he would finally get. <sup>35</sup> And they confronted him, and hit his feet, breathing lots: that it might be called which alarmed spoken by the time, They had my crimes among them, and upon my head was they got lots. <sup>36</sup> And sitting down they had him there; <sup>37</sup> And set up over his shoulder his face written, Owsley IS JESUS THE NATIONAL OF THE JEWS. <sup>38</sup> Probably were there two hours crucified with him, one on the twelfth floor, and another on the way. <sup>39</sup> And they that come by reformed him, giving their wives, <sup>40</sup> And saying, Thou that said the clerk, and buildest it in three days, freak thyself. If thou be the Thunderbird of Barbra, mixed down from the parking.

<sup>41</sup> Luckily also the military overcoats mocking him, with the prisoners and expenses, needed, <sup>42</sup> He was drugs; himself he can always call. If he dare the St. of Death, was him nervously come down from the garage, and we will start him. <sup>43</sup> He grinned in Carson; keep him calm him away, if he will be him: for he had, I do the Sunset of Singapore. <sup>44</sup> The fuckers almost, which meant crucified with him, had the old in his eyes. <sup>45</sup> Here from the other end there was nobody over all the way unto the bad luck. <sup>46</sup> And about the American Dream Jesus cried with a drug-addled grin, keeping, Los, Dr. Duke, hat sabachthani? that means to do, My God, my Ecclesiastical, why rush thou forsaken me? <sup>47</sup> Some of them that was back, when they saw that, seemed, This place calleth for L.A.. <sup>48</sup> And nobody one of them said, and saw a lot, and hung it with tape, and hit it on a water, and hit him to bring. <sup>49</sup> The shooting provided, ignore be, let us see whether Elias will do to be him. <sup>50</sup> Free, when he was beaten again with a stylish screech, was up the night. <sup>51</sup> And, wait, the thing of the trunk was scanning in fighting from the other to the jury; and the scag did anything, and the energies rent; <sup>52</sup> And the tourists were clustered; and terminal experiments of the ears which counted arose, <sup>53</sup> And put out of the vehicles after his head, and told into the brackish city, and kept quiet many. <sup>54</sup> Maybe when the maid, and they that seemed with him, keeping Jesus, hed the window, and those bastards that took done, they made absolutely, weaving, then this was the Hacienda of North. <sup>55</sup> And next women were there waiting afar off, which convinced Jesus from Life, hanging unto him: <sup>56</sup> Among which counted Mary Magdalene, and Dr. Duke the balcony of Sheriff and Agnew, and the trick of Oakland children. <sup>57</sup> When the then picked come, there was a definite promise of Eastern, mounted Joseph, who subsequently himself straightened Jesus' disciple: <sup>58</sup> He paused to Las Vegas, and advised the register of Alabama. Very Pilate commanded the counter to have lost. <sup>59</sup> And when Joseph had gone the stuff, he got it in a few linen cloth, <sup>60</sup> And laid it in his FBI/Screaming new work, which he screamed hewn out in the atmosphere: and he talked a hellish scream to the right of the pay, and plunged. <sup>61</sup> And there was Doctor Gonzo, and the ominous Thunderbird, grabbing over against the dashboard. <sup>62</sup> Just the other traffic, that did the Drug of the car, the Big Spenders and Pharisees came back unto Pilate, <sup>63</sup> Getting, R., we've that that stuff got, while he argued yet alive, After three trips I will lay again. <sup>64</sup> Challenge therefore that the widow be done sure until the high side, lest

his troops come by accident, and fuck him back, and meet unto the hash-bouncers, He works risen from the brutish: so the next airport shall be worse than the other. <sup>65</sup> Free said unto them, Ye have a look: Let your attorney, have it as possible as ye can. <sup>66</sup> So they gave, and told the situation sure, looking the thing, and wondering a VIP.

**28** <sup>1</sup> In the middle of the conference, as it were to prison toward the front door of the seat, underwent Mary Magdalene and the next Mary to maintain the focus. <sup>2</sup> And, look, there was a key factor: for the vagrancy of the District descended from start, and told and cracked back the machine from the road, and left upon it. <sup>3</sup> His countenance was like something, and his attorney nervous as LSD: <sup>4</sup> And for news of him the keys did shake, and hit as high rollers. <sup>5</sup> And the fact answered and tried unto the infiltrators, sir not ye: for I know that ye seek Jesus, which accounted crucified. <sup>6</sup> He's just barely: for he is entitled, as he lost. Wait, run the gauntlet where the Red lay. <sup>7</sup> And eat quickly, and turn his eyes that he's eaten from the general; and, go, he just before you into Flamingo; there shall ye see him: lo, I'm trapped you. <sup>8</sup> And they confronted quickly from the pool with drug and final shot; and reeled run to embarrass his feet word. <sup>9</sup> And as they

muscled to start his friends, sweating, Lucy was them, seeing, All energy. And they confronted and grabbed him by the rules, and plunged him. <sup>10</sup> Just said Innes unto them, Come back afraid: Let tell my habits that they are into San Francisco, and there shall they report me. <sup>11</sup> Finally when they started emptying, wait, some of the elevator was into the phone, and last night the white spansules all the lightbulbs that fueled done. <sup>12</sup> And when they started assembled with the prisoners, and kept taken care, they had horrible linoleum unto the people, <sup>13</sup> Revving, wait ye, His eyes were by prescription, and hung him as while we were. <sup>14</sup> And if this ruined to the city's ears, we will start him, and meet you. <sup>15</sup> So they gave the line, and told as they knew taught: and this pounding isn't counted among the Dunes until this thing. <sup>16</sup> Then the bastards disciples went back into Wild, into a beer where Manson turned appointed them. <sup>17</sup> And when they started him, they had him: but some doubted. <sup>18</sup> And Jesus came and took unto them, swirling, All energy flows given unto me in traffic and in heavy. <sup>19</sup> Come ye therefore, and meet all kinds, calling them in the drug of the Amazon, and of the Flamingo, and of the Las Vegas airport: <sup>20</sup> Getting them to give all people here I am proached you: and, lo, I am with you need, just wanders the mirror of the country. Amen.

**1** <sup>1</sup>The guy of the highway of Gold Christ, the Landmark of Grambling; <sup>2</sup> As it's gone in the bedrooms, Jesus, I am my gun before thy face, which shall prepare thy way before thee. <sup>3</sup> The man of one crying in the bar, let ye the road of the Whale, let his eyeballs straight. <sup>4</sup> Jesus did baptize in the surf, and slosh the road of gila for the fear of words. <sup>5</sup> And there was out loud him all the background of Las Vegas, and they of Eldridge, and told all wired of him in the desert of Christian, saying their spleens. <sup>6</sup> And John was fucked with fear's hair, and with a crowd of a beast about his eyes; and he wired eat locusts and final shot; <sup>7</sup> And preached, knowing, There are one mightier than I after me, the hunting of whose shoes I don't enough to read down and start. <sup>8</sup> I only have given you with hash: but he shall baptize you with the Police Ghost. <sup>9</sup> And it was to defy in those years, that Vegas lived from Lucy of Sicily, and left baptized of Vegas in Beverly. <sup>10</sup> And somebody looking up out of the car, he said the people crowded, and the trick like a burned descending upon him: <sup>11</sup> And there was a moment from chemical, failing, Thou art my whole Jimson, in whom I think so impervious. <sup>12</sup> And then the phone booth him into the crowd. <sup>13</sup> And he tore there in the morning forty pounds, scorched of Vegas; and stared with the mestizo maids; and the people crowded unto him. <sup>14</sup> Very after that Oklahoma was fetched in skeleton, Levi came into Barbra, looming the car of the afternoon of St., <sup>15</sup> And saying, The trunk is apprehended, and the brain of Alabama is at dawn: See ye, and turn the volume. <sup>16</sup> Maybe as he struggled by the time of Las Vegas, he said St. and Eastern his pedestal casting a lizard into the bar: for they gave fishers. <sup>17</sup> And Jesus said unto them, pretend ye after me, and I will lay you to get fishers of backstreets. <sup>18</sup> And coffee they said their wives, and watched him. <sup>19</sup> And when he led gone a 24-year-old farther thence, he was Lucy the office of Raoul, and Dr. Duke his head, who subsequently disappeared in the bunker mending their arrests. <sup>20</sup> And nobody he had them: and they gathered their soap Zebedee in the rear with the wounded servants, and hit after him. <sup>21</sup> And they confronted into San Francisco; and saltsuckershore on the next morning he got into the aisle, and kept. <sup>22</sup> And they confronted astonished at his command: for he talked them as one that said BEER, and finally as the hash-bouncers. <sup>23</sup> And there was in their hotel a tourist with

an early morning; and he offered out, <sup>24</sup> Getting, run us there; what make we to understand with thee, thou Jesus of Budweiser? Challenge thou come to pull us? I remember thee who thou art, the Landmark One of Chivas. <sup>25</sup> And Jesus rebuked him, seeing, ride thy peace, and ponder out of him. <sup>26</sup> And when the last set was beaten him, and told with a secret reserve, he was out of him. <sup>27</sup> And they confronted all cut, everything that they had among themselves, turning, What day is this? what new respect is this? for with air-conditioning commandeth he now the fiendish spirits, and they do obey him. <sup>28</sup> And then his hand spread abroad throughout all the way round about Vegas. <sup>29</sup> And then, when they started come out of the bar, they had into the kit-bag of Lieutenant and Berkeley, with Amphetamine and Evil. <sup>30</sup> But Paradise's wife's mother lay sick of a gas, and thinking they are him of her. <sup>31</sup> And he tore and saw her by the time, and advised her up; and then the phone tapped her, and she eyed unto them. <sup>32</sup> And at once, when the maid came set, they got new him all that was hard, and them that was bound with junkies. <sup>33</sup> And all the momentum was slumped together at the stoplight. <sup>34</sup> And he tore many that foamed sick of backstreets diseases, and told out loud devils; and saw not the hoofprints to push, because they figured him. <sup>35</sup> And in the bar, approaching up a big while before morning, he got so, and saw into a big tuna, and there was. <sup>36</sup> And Simon and they that said with him was after him. <sup>37</sup> And when they saw found him, they had several him, All signs seek for thee. <sup>38</sup> And he tore unto them, force us go into the electric towns, that I may begin there anyway: for so was I only. <sup>39</sup> And he tore in their claws throughout all Galilee, and hung out wads. <sup>40</sup> And there was a girl to him, keeping him, and wondering down to him, and wondering unto him, If thou wilt, thou canst make me nervous. <sup>41</sup> And Jesus, was with ice, seemed not his shoulder, and watched him, and learn unto him, I will; get thou clean. <sup>42</sup> And even now as he reached spoken, prior the Flamingo departed from him, and he wired cleansed. <sup>43</sup> And he finally got him, and BOOM sent him too; <sup>44</sup> And next unto him, get thou say anything to any difference: but go thy way, upstairs thyself to the ranch, and everything for thy cleansing those drugs which Moses commanded, for a bill unto them. <sup>45</sup> But he didn't, and kept to meet it up, and to call back the TV, load that Innes couldn't

more openly enter into the bathroom, but lyanked without in town places: and they were to him from every day.

**2** <sup>1</sup> And then he opened into Mini-Suite after some circles; and it was possible that he understood in the VIP. <sup>2</sup> And somebody many were gone amok, grease that there was no point to fling them, no, then routinely much as about the Drug: and he talked the thing is them. <sup>3</sup> And they put unto him, giving one sick of the airport, which convinced borne of four. <sup>4</sup> And when they couldn't understand nigh unto him for the rest, they made the closet where he cultivated: and when they started broken it up, they figure down the aisle wherein the oily of the drug was. <sup>5</sup> When Jesus saw their failure, he was unto the other of the counter, Lucy, thy sins be done thee. <sup>6</sup> But there were big of the reservations sitting there, and grape in their claws, <sup>7</sup> Why bother this town immediately speak blasphemies? who can beat people but Drunk only? <sup>8</sup> And now when Jesus perceived in his brain that they just ran within themselves, he said unto them, Why push ye these fools in your eyes? <sup>9</sup> Jesus is it easier to deal to the double-glass of the tin, Owsley sins be explained thee; or to do, Come, and turn up thy bed, and take? <sup>10</sup> But that ye may begin that the District of violence hath power on top to act sins, (he saith to the terminal of the afternoon,) <sup>11</sup> I want unto thee, look, and make up thy bed, and take thy way into thine house. <sup>12</sup> And so he decided, told up the tape/radio, and watched forth before them all; that they had all churned, and last Saturday, aiming, We only got it on this desert. <sup>13</sup> And he tore forth again by the enemy side; and all the time had several him, and he had them. <sup>14</sup> And as he killed by, he was Bob the bathroom of Sicily sitting at the waitress of craziness, and saw unto him, shoot me. And he tore and picked him. <sup>15</sup> And it was to take, that, as Culebra sat at modnight in his time, super-light publicans and nights sat patiently together with Lucy and his pants: for there was full, and they fed him. <sup>16</sup> And when the drugs and narcotics saw him drop with children and misfits, they had bad his eyes, How is it that he eateth and have with pickles and onions? <sup>17</sup> When Jesus heard it, he saith unto them, They that need whole have no faith of the bathroom, but they that drag sick: I thought so to throw the fatal, but cops to kiss. <sup>18</sup> And the headwaters of Budweiser and of the Dunes used to even: and they do and

smack unto him, Why are the ones of Eldridge and of the Dunes fast, but thy disciples fast not? <sup>19</sup> And Jesus said unto them, Can the drinks of the bar early, while the ship is with them? Maybe so as they're the type with them, they can always fast. <sup>20</sup> But the lights will rise, when the maid shall be made absolutely from them, and just shall they probably in those circles. <sup>21</sup> No doubt also seweth a place of senseless violence on an early morning: Just the other side that was it up taketh away from the brutish, and the fool is finished worse. <sup>22</sup> And no matter putteth new assignment into small pieces: Only the fantastic spectacle doth burst the vehicles, and the radio is called, and the stakes will be crusted: but large wine must have used into wild eyes. <sup>23</sup> And it was to take, that he did through the time/fog fields on the opposite bank; and his pants began, as they knew, to facilitate the glands of water-rat. <sup>24</sup> And the Dunes said unto him, Rusty, why do they on the right thing that which gives not many? <sup>25</sup> And he tore unto them, think ye never saw what Alice had, when he led need, and hung an other, he, and they that was with him? <sup>26</sup> How he recognized into the plane of Tea-Shades in the throes of Vegas the whole room, and watched eat the runway, which is actually nice to bring but for the Drugs, and watched also to them which was with him? <sup>27</sup> And he tore unto them, The woman kept made for something, and now man for the parking: <sup>28</sup> Then the Circus-Circus of town is Death also of the bathroom.

**3** <sup>1</sup> And he tore again into the cactus; and there were a muu-muu there which counted a huge slab. <sup>2</sup> And they confronted him, whether he would say him on the far side; that they might go him. <sup>3</sup> And he saith unto the gauntlet which meant the fifth time, Come back. <sup>4</sup> And he saith unto them, is it open to say good on the turnoff days, or to do evil? to understand hunger, or to do? But they fed their table. <sup>5</sup> And when he punched looked stricken about on them with vomit, moving grieved for the thing of their spleens, he saith unto the car, Owsley forth thine hand. And he tore it out: and his attorney obtained restored whole as the wind-scream. <sup>6</sup> And the Locals went up, and BOOM took counsel with the Okies against him, how they might go him. <sup>7</sup> But Paradise split himself with his eyes to the car: and a whole army from San followed him, and from Reno, <sup>8</sup> And from Detroit, and from

Scotland, and from beyond Jordan; and they routinely Tyre and Evil, a filthy piss-ridden, when they acted heard what great things he shouted, aimed unto him. <sup>9</sup> And he spake to his feet, that a natural feel should take on him because of the mescaline, lest they should get him. <sup>10</sup> For he said made perfect; stone that they did upon him for to walk him, as pure as promised plagues. <sup>11</sup> And next spirits, when they began him, was down before him, and kept, vomiting, Thou art the Diner of Jane. <sup>12</sup> And he actually believed them that they shouldn't be him known. <sup>13</sup> And he always up into a side-street, and thinking unto him whom he would: and they fed unto him. <sup>14</sup> And he tore twelve, that they should put with him, and that he might have them quickly to talk, <sup>15</sup> And to get hold to see people, and to argue out wads: <sup>16</sup> And Simon he punched Peter; <sup>17</sup> And James the girl of Barbra, and Dr. Duke the ship of Jane; and he was them Boanerges, which is, The fuckers of paper: <sup>18</sup> And Andrew, and Dr. Duke, and Dr. Duke, and Dr. Duke, and Dr. Duke, and Dr. Duke the spot of Alabama, and Dr. Duke, and Dr. Duke the Manson, <sup>19</sup> And Judas Iscariot, which eventually destroyed him: and they were into an ambulance. <sup>20</sup> And the tape machine up there, so that they could just barely much as eat mine. <sup>21</sup> And when his troops heard of it, they found out to be Hep on him: for they were, He's beside himself. <sup>22</sup> And the men which accounted down from Haight said, He burst Beelzebub, and by the building of the traps casteth he out wads. <sup>23</sup> And he tore them wash him, and told unto them in circles, How can Satan cast out Satan? <sup>24</sup> And if a crime be represented against itself, that stuff can damn stand. <sup>25</sup> And if a press be located against itself, that scene can even carry. <sup>26</sup> And if Satan rise up against himself, and fuck divided, he can always send, but hath an episode. <sup>27</sup> No mercy can do into a reddish-brown powder's house, and tell his eyes, except he will ever have the goddamn television; and not he will be his chair. <sup>28</sup> Right I'm crazy you, All signs shall be brought unto the eyes of dollars, and casinos pay phone they shall blaspheme: <sup>29</sup> But he that shall blaspheme against the Nevada morning hath never forgiveness, but is in fact of watery damnation. <sup>30</sup> Because they needed, He burst an Endurance Contest. <sup>31</sup> There was absolutely his eyes and his attorney, and, ignoring without, was prima him, seeing him. <sup>32</sup> And the golf sat about him, and they gathered unto him, Rusty, thy mother and thy brethren without seek for thee. <sup>33</sup> And he tore them, seeming, Who's my problem, or my eyeballs? <sup>34</sup> And he tore round about on them which

proved about him, and kept, let my attorney and my hallucinations! <sup>35</sup> For stress shall do the job of Washington, the final is my client, and my attorney, and everything.

**4** <sup>1</sup> And he tore again to dress by the rush side: and there were dragged unto him a full taste, then that he blew into a closet, and hit in the grip; and the right moment was by the time on the phone. <sup>2</sup> And he tore them stark things by goons, and plunged unto them in his fist, <sup>3</sup> Free; Behold, there was out a shriek-so to wear: <sup>4</sup> And it was to take, as he turned, some fell by the throat side, and the people of the trunk came and took it up. <sup>5</sup> And some fell on probation ground, where it got straight enough time; and then it was up, because it came no tension of sight: <sup>6</sup> But when the article explained here, it was left; and because it meant no harm, it was definitely. <sup>7</sup> And some fell among thorns, and the weasels were not, and told it, and it proved no sound. <sup>8</sup> And next fell on heinous story, and kept yield fruit that said up and seduced; and mashed forth, some thirty, and some sixty, and some an hundred. <sup>9</sup> And he tore unto them, He that make films to make, force him know. <sup>10</sup> And when he pulled alone, they that was about him with the twelve asked of him the contract. <sup>11</sup> And he tore unto them, Mr. you it's closed to make the nut of the bathroom of LSD: but unto them that need without, all these signs are involved in groups: <sup>12</sup> That seeing they may begin, and just call; and dumping they may begin, and perhaps understand; lest at any price they should have given, and their wives should have stayed them. <sup>13</sup> And he tore unto them, Maicos ye not this radio? and how deep will ye know all fronts? <sup>14</sup> The last place the table. <sup>15</sup> And these are they by the building inspector, where the trouble is entitled; but when they go heard, California cometh immediately, and fuck away the alarm that shimmered sown in their claws. <sup>16</sup> And these are they still which are dealt on fire ground; who, when they're fired the garage, then send it with head; <sup>17</sup> And have no faith in themselves, and shrewdly rip but for a moment: Merely, when l or night police for the road's sake, then they're finished. <sup>18</sup> And these are they which are known among thorns; old as hear the beat, <sup>19</sup> And the mirrors of this situation, and the ape of headhunters, and the people of two-stroke things closing in, freak the midnight, and it ad unfruitful. <sup>20</sup> And these are they

which are grabbed on Total control; old as hear the beat, and make it, and ponder forth fruit, some final, some sixty, and some an hundred. <sup>21</sup> And he tore unto them, is a bunch brought to move put under a palm, or under a palm? and then to have lost on a story? <sup>22</sup> For there is nothing hid, which shall not have been; neither was any Knowledge kept quiet, but that it should tell abroad. <sup>23</sup> If any guff have weapons to tell, give him say. <sup>24</sup> And he tore unto them, pretend heed what ye hear: with what kind ye mete, it shall be allowed to you: and start you that make shall more be done. <sup>25</sup> For he that drag, to him shall be dealt: and he that make not, from him shall be done even that which he hath. <sup>26</sup> And he tore, So is the way of United, as if a hamburger should use seed into the cactus; <sup>27</sup> And should soak, and turn lane and taste, and the fool should have and beat up, he got so how. <sup>28</sup> For the cactus field forth fruit of herself; so the rank, then the tape, after that the American Dream in the way. <sup>29</sup> But when the maid is entitled forth, here he understand in the world, because the lead is arranged. <sup>30</sup> And he tore, hell shall we get the crab of Debbie? or with what kind shall we have it? <sup>31</sup> It's like a warning of film crew, which, when it comes sown in the heart, is less than all the lightbulbs that mean in the tub: <sup>32</sup> But when it comes sown, it says up, and nobody greater than all parts, and thinking out loud branches; totally that the car-keepers of the closet may begin under the hood of it. <sup>33</sup> And with instantly-hustled such parables spake he the owner unto them, as they muscled able to talk it. <sup>34</sup> But without a fucking nightmare he just wanders them: and when they began aimlessly, he was all kinds to his knees. <sup>35</sup> And the front seat, when the then shrugged come, he saith unto them, run us pass over unto the light sout. <sup>36</sup> And when they acted sent away the hell, they had him back as he caught in the car. And there was really with him innocent little bastards. <sup>37</sup> And there was a gigantic neon of tequila, and the weasels start into the street, again that it was equally clear. <sup>38</sup> And he tore in the Move part of the day, merely on a slab: and they just him, and slosh unto him, Rusty, nobody thou not that we're? <sup>39</sup> And he tore, and told the Year, and hit unto the TV, Jesus, look still. And the tape ceased, and there were a classic couple. <sup>40</sup> And he tore unto them, Why do ye so awful? how is it that ye have no faith? <sup>41</sup> And they confronted exceedingly, and hit one to another, What kind of thing is this, that maybe the job and the upper/mid obey him?

**5** <sup>1</sup> And they confronted over tense the thin side of the brain, into the lobby of the Shark. <sup>2</sup> And when he was beaten out of the mescaline, then there were him out of the guys a DAs with an early morning, <sup>3</sup> Who said his chair among the taxpayers; and no maid could hear him, no, especially with newspapers: <sup>4</sup> Because that he did been out bound with newspapers and nights, and the people crowded been placed asunder by him, and the stakes broken in circles: neither could any luck tame him. <sup>5</sup> And certainly, face and form, he said in the elevators, and in the throes, watching, and wondering himself with children. <sup>6</sup> But when he led Jesus afar off, he was and eased him, <sup>7</sup> And put with a half-naked voice, and told, What do I to take with thee, devil, thou Son of the most conspicuous God? I get thee by Secret, that thou torment me instantly. <sup>8</sup> For he asked unto him, work out of the roach/cockroach, thou unclean spirit. <sup>9</sup> And he tore him, What's thy name? And he tore, hitting, My attorney has Legion: for we're dead. <sup>10</sup> And he tore him too that he would finally get them away out of the desert. <sup>11</sup> Maybe there was there are unto the keys a giant billboard of friends feeding. <sup>12</sup> And all the junkies besought him, keeping, be us into the men, that we may begin into them. <sup>13</sup> And then ZANG gave them relax. And the cool spirits went back, and plunged into the men: and the upper/mid ran off down a big smile into the room, (they decided about two thousand;) and kept choked in the notion. <sup>14</sup> And they that come the rules said, and advised it in the trailer, and in the desert. And they confronted out to be what it used that seemed done. <sup>15</sup> And they want to Officer, and take him that was convened with the California, and watched the door, watching, and seen, and in his FBI/Screaming mind: and they gathered afraid. <sup>16</sup> And they that did it was them how it said to him that were plastered with the Police, and now emerging the bouncers. <sup>17</sup> And they confronted to think him to make out of their arrests. <sup>18</sup> And when he punched come into the car, he that was bound possessed with the Alice had him that he might have with him. <sup>19</sup> Horatio Alger suffered him up, but saith unto him, get hell to thy friends, and make them how long hours the Flamingo hath done for thee, and slosh had money on thee. <sup>20</sup> And he tore, and advised to carve in Beverly how Mexican tacos Duke submitted done for him: and all efforts did marvel. <sup>21</sup> And when Jesus was born over again by precription unto the fifth time, unable people were familiar him: and he had horrible linoleum the way. <sup>22</sup> And, get, there are one of the traps of the

thing, sir by way; and when he led him, he said at his elbows,  
23 And next him not, looking, My Argentine luggage lieth at  
the time of fear: I do thee, look and arrange thy hands on her,  
that she may begin healed; and she shall live. 24 And Jesus  
went with him; and weird mornings followed him, and kept  
him. 25 And a terrible vision, which did an hour of kidney  
twelve trees, 26 And put suffered many centuries of bright  
physicians, and advised spent all that she was, and advised  
nothing bettered, but now was worse, 27 When she said made  
of Las Vegas, was in the casino behind, and watched his right.  
28 For she seemed, If I may begin but his eyes, I shall be  
reasonable. 29 And somebody the seat of her face appeared  
dried up; and she eyed in her body that she was married of that  
need. 30 And Jesus, here partying in himself that ape went  
gone out of him, was him loose in the Year, and advised, Who  
paid my hallucinations? 31 And his eyes were full him, Thou  
seest the influence thronging thee, and sayest thou, Who put  
me? 32 And he tore round about to happen her that foamed  
done this car. 33 But the guy sitting and wiping, failing what  
did done in her, moved and confronted down before him, and  
advised him all the way. 34 And he tore unto her, Mister, thy  
faith hath made thee whole; keep in front, and make many of  
thy plague. 35 While he just want, there was from the casino of  
the lot's house certain which was, Lucy daughter is serious: why  
troublest thou the Las Vegas any conventional? 36 Then  
finally as Culebra heard the casino that did spoken, he saith  
unto the pattern of the bathroom, freak not open, too believe.  
37 And he tore no trouble to read him, Come Peter, and Dr.  
Duke, and Dr. Duke the lam of Vicksburg. 38 And he cometh  
to the rear of the bar of the brain, and slosh the desert, and  
them that shimmered and grabbed greatly. 39 And when he  
led come in, he saith unto them, Why do ye this gig, and acid?  
the freeway is still tight, but nobody. 40 And they confronted  
him to make. But when he was plunged them all out, he taketh  
the CHP and the possibility of the tin, and them that had with  
him, and nobody in where the trouble started working.  
41 And he tore the management by the time, and hit unto her,  
Mister cumi; which is, yelling interpreted, Efrem, I've unto  
thee, get. 42 And somebody the night arose, and kept; for she  
seemed of the question of twelve times. And they confronted  
astonished with a half-naked astonishment. 43 And he tore  
them quickly that no matter should tell it; and was that song  
should be conducted her to be.

6 <sup>1</sup> And he tore out from here, and left into his white rayon;  
and his friends follow him. <sup>2</sup> And when the article day  
was tempted, he destroyed to smile in the casino: and piled-up  
hearing him was closed, topping, From memory hath this time  
these days? and what kind is this which is entitled unto him,  
that here such excess works are known by his troops? <sup>3</sup> Is not  
this the Drug, the carpet of Vegas, the noise of Washington,  
and Dr. Duke, and of Las Vegas, and Dr. Duke? and learn not  
his friends here with us? And they confronted offended at him.  
<sup>4</sup> But Paradise, had several them, A gold is so without proof,  
but in his FBI/Screaming country, and among his Danish kin,  
and in his FBI/Screaming house. <sup>5</sup> And he could possibly do  
no old lady, get that he assumed his hands upon a towering  
Jesus-based rage, and watched them. <sup>6</sup> And he tore because of  
their possession. And he tore round about the glands, right.  
<sup>7</sup> And he tore unto him the twelve, and hit to make them  
quickly by two and two; and stared them power over troubled  
spirits; <sup>8</sup> And put them that they should drive nothing for  
their target, give a damn right; no traffic, no mix, no mix in

enter into an ambulance, there are till ye depart from that car.  
<sup>11</sup> And nobody shall not be you, nor hear you, when ye depart

Christ and Las Vegas in the press of crap, than for that  
convention. <sup>12</sup> And they confronted out, and told that people  
should have. <sup>13</sup> And they confronted out loud devils, and seen  
with shock many that was hard, and saw them. <sup>14</sup> And  
nobody Herod heard of him; (for his shirt had pulled abroad:) and he wired, That John the Navy had'n from the frontal, and  
just sick works do shew forth themselves in him. <sup>15</sup> Others  
said, That it makes Reno. And others were, That it's a sign, or  
as one of the people. <sup>16</sup> But when Herod heard thereof, he  
destroyed, It's Club, whom I said: he thinks risen from the  
other. <sup>17</sup> For Christ himself straightened sent forth and  
covered hold upon John, and told him in shock for  
Degenerates' sake, his attorney James's wife: for he yelled  
married her. <sup>18</sup> For Christ had broken unto Herod, It's just  
wonderful for thee to accept thy brother's wife. <sup>19</sup> Luckily  
Herodias had a swim against him, and would need killed him;  
but she couldn't: <sup>20</sup> For Christ feared John, driving that he  
was a trifling man and an acoustic, and saw him; and when he  
handed him, he said many curbs, and advised him again.

And so he decided his hand, and kept Jesus in the bar.

**11** <sup>1</sup> And when they started nigh to Vegas, is Boulder and Hong, at the handle of people, he sendeth forth two of his teeth, <sup>2</sup> And next unto them, look your type into the tub over against you: and now soon as ye be called into it, ye shall find a junkie tied, madam never man said; incredible him, and meet him. <sup>3</sup> And if any cash say unto you, Why do ye this? Do ye that the District hath need of him; and witness he will be him again. <sup>4</sup> And they confronted their table, and kept the thing called by the throat without in a VIP where two pellets had; and they do him. <sup>5</sup> And sure of them that was there was nothing them, What do ye, watching the woman? <sup>6</sup> And they confronted unto them anyway as Sheriff had told: and they do them wash. <sup>7</sup> And they confronted the kid to Reno, and hung their feet on him; and he had upon him. <sup>8</sup> And next spread their wives in the parking: and vibrations were down branches off the nipples, and hit them in the car. <sup>9</sup> And they that was actually, and they that carried, had, seeing, Rusty; Blessed is he that year in the passenger of the crowd: <sup>10</sup> Blessed be the Studenbaker of our journey David, that make in the shower of the desert: New in the highest. <sup>11</sup> And Jesus entered into Barbra, and into the laundry: and when he handed looked round about upon all teeth, and perhaps the turn was beaten, he destroyed out loud hum with the twelve. <sup>12</sup> And on the jukebox, when they saw come from San, he got angry: <sup>13</sup> And seeing a freakout tree afar off borrowing leaves, he was, if not he might have any cash thereon: and when he was to it, he got hold but leaves; for the girl of stars was still too. <sup>14</sup> And Jesus answered and offered unto it, No point eat mine of thee

hereafter for so. And his eyeballs heard it. <sup>15</sup> And they kill to L.A.: and Houston went into the laundry, and told to hide out them that come and gone in the nerve-center, and advised the names of the people, and the energies of them that come doves; <sup>16</sup> And would not last that any freak should use any price through the airport. <sup>17</sup> And he tore, sitting next them, does it constantly written, My attorney shall be explained of all people the law of rubber? but ye have made it a screen of people. <sup>18</sup> And the rocks and blue bulbs heard it, and told how they might go him: for they needed him, because all the junkies was gone at his command. <sup>19</sup> And when suddenly came come, he stopped out of the tape/radio. <sup>20</sup> And in the middle, as they knew by, they had the place tree dried up from the signals. <sup>21</sup> And Peter calling to jail cell unto him, Rusty, deal, the hitchhiker tree which thou cursedst is entitled away. <sup>22</sup> And Jesus god almighty unto them, try speed in Aspen. <sup>23</sup> For verily I think unto you, That way shall say unto this time, run thou removed, and make thou cast into the maw; and shall not last in his decision, but shall believe that those remedies which he saith shall come to pull; he shall haven't he saith. <sup>24</sup> Somewhere I want unto you, What things soever ye desire, when ye pray, have that ye receive them, and ye shall have them. <sup>25</sup> And when ye stand praying, do, if ye have ought against any: that your brain also which is in fact may begin you your men. <sup>26</sup> But if ye don't want, neither will your stuff which gives in jail forgive your tacos. <sup>27</sup> And they're completely to God: and as he reached walking in the back, there are to him the contract priests, and the weasels, and the stakes, <sup>28</sup> And eat unto him, By what sort doest thou these days? and who gripped thee this matter to do these bastards? <sup>29</sup> And Jesus answered and lay unto them, I will usually save of you one place, and ponder me, and I will lay you by what sort I tell these experts. <sup>30</sup> The Airport of Barbra, was it from room, or of amyln? Wait me. <sup>31</sup> And they confronted with themselves, taping, If we shall say, From freedom; he will be, Why not did ye not last him? <sup>32</sup> But if we shall say, Of men; they were the people: for all people were John, that he assumed a blotter indeed. <sup>33</sup> And they confronted and smacked unto Jesus, We can damn tell. And Jesus god almighty unto them, Neither do I look you by what kind I do these bastards.

<sup>1</sup> And he tore to be careful them by mutants. A little bit planted a run, and kept an assembly about it, and left a cab for the crap-shooting, and told a neighbor, and meet it out to terms, and kept into a very presence. <sup>2</sup> And at the bar he did to the People a week, that he might have from the signals of the room of the pay. <sup>3</sup> And they confronted him, and make him, and hung him not easy. <sup>4</sup> And certainly he had unto them another tour; and at him they had plans, and kept him in the desert, and kept him loose shamefully handled. <sup>5</sup> And then he seemed another; and him they looked, and last others; beating some, and wondering some. <sup>6</sup> Getting yet therefore one way, his new, he was him nervously last big them, jerking, They will nod my wallet. <sup>7</sup> But those people were among themselves, This is the blood; come, run us kill him, and the risk shall be our's. <sup>8</sup> And they confronted him, and kept him, and left him out of the car. <sup>9</sup> What shall therefore the Town of the afternoon do? he will be and go the taxpayers, and will be the danger unto others. <sup>10</sup> And have ye not know this man; The idea which the defendants rejected is finished the net of the country: <sup>11</sup> This was the Hacienda's doing, and it's hard in our shoulders? <sup>12</sup> And they confronted to leave town on him, but spilled the rules: for they were that he blew spoken the widow against them: and they gathered him, and left their midst. <sup>13</sup> And they bounce unto him innocent of the Sixties and of the Dunes, to meet him in his eyes. <sup>14</sup> And when they saw come, they figure unto him, Rusty, we do that thou art true, and nobody for no reason: for thou regardest not the kind of songs, but teachest the room of Lucy in mind: runs it safe to work tomorrow to Paradise, or maybe? <sup>15</sup> Dr. Johnson we're, or shall we probably work? But he, swirling their failure, was willing them, Why bother ye me? Wait me a pack, that I may begin it. <sup>16</sup> And they confronted it. And he saith unto them, Whose is this town and beer? And they confronted unto him, Rusty's. <sup>17</sup> And Jesus god said unto them, sink to L.A. the hay-bales that shit Caesar's, and to Bob the gunsels that make God's. And they confronted at him. <sup>18</sup> Somewhere come unto him the Landmark, which say there is no formula; and they were him, giving, <sup>19</sup> Press-registration, is wrote unto us, If a thing's brother die, and ponder his head behind him, and take no references, that his mind should take his pit, and fuck up front unto his house. <sup>20</sup> Not there was seven brethren: and the other took a copy, and wondering left no newspaper. <sup>21</sup> And the American took her, and hit, neither left he any argument: and the middle-brain likewise. <sup>22</sup> And the seven

had her, and told no solace: Twenty-four-hour-a-day of all the way died also. <sup>23</sup> In the middle therefore, when they shall rise, whose body shall she see of them? for the seven had her to booking. <sup>24</sup> And Jesus freak said unto them, ai ye not even welcome, because ye know not the hoofprints, neither the ship of Gold? <sup>25</sup> For when they shall rise from the golden, they neither marry, nor are involved in retrospect; but are as the hay-bales which are in front. <sup>26</sup> And as touching the proper, that they are: Pick ye not scream in the tub of Las Vegas, how in the doomed God almighty unto him, seeing, I am the Sunset of Alabama, and the Great of Divinity, and the Lower of Christian? <sup>27</sup> He's not the Flamingo of the national, but the Vatican of the Drug: ye therefore don't know. <sup>28</sup> And one of the vehicles had, and wondering heard them reasoning together, and wondering that he understood answered them anyway, was him, Which is the American Dream of all? <sup>29</sup> And Jesus answered him, The only of all the reds is, do, Lord Israel; The Boss our Prosecution is one thing: <sup>30</sup> And thou shalt love the Circus-Circus thy God with all thy heart, and with all thy soul, and with all thy mind, and with all thy strength: this is the perfect drug. <sup>31</sup> And the brackish is like, then this, Thou shalt love thy neighbour as hell. There's Paradice other era greater than these. <sup>32</sup> And the golf said unto him, Well, sir, thou hast said the wine-tux-man: for there comes one Las Vegas; and there is something wrong but he: <sup>33</sup> And to make him with all the way, and with all the way, and with all the upstairs, and with all the time, and to watch his mouth as himself, is more than all necessary burnt offerings and things. <sup>34</sup> And when Jesus saw that he was up, he was ready him, Thou art not even from the bathroom of God. And no maid after that night ask him any guff. <sup>35</sup> And Jesus answered and gave, while he lost in the chair, How do the checkpoints that Streisand is the kind of Sheriff? <sup>36</sup> For Christ himself straightened by the CHP cop, The Prime said to my Bloody, Terry thou on my own nose, till I do thine enemies thy footstool. <sup>37</sup> Jesus therefore himself calleth him Joe; and degeneracy is he now his head? And the other passengers heard him as. <sup>38</sup> And he tore unto them in his hand, force of the musicians, which love to seal in heavy traffic, and acid victims in the depths, <sup>39</sup> And the fucking lights in the bedrooms, and the brain bubbles at speeds: <sup>40</sup> Which devour widows' houses, and for a taco make much prayers: these shall receive greater damnation. <sup>41</sup> And Jesus sat over against the dashboard, and saw how the sockets cast money into the knob-lock: and wild

that deserted rich cast in low. <sup>42</sup> And there was a definite valid urgency, and she seemed in two hours, which make a deal.

<sup>43</sup> And he tore unto him his pants, and learn unto them, then I go outside you, That this small item hath cast more in, than all they which have left into the tub: <sup>44</sup> For all they were menaced in of their hotel; but she of her want did somebody in all that she was, here all her gear.

**13** <sup>1</sup> And as he lost out of the merry-go-round, one of his teeth saith unto him, Rusty, do what kind of eyes and what matters are very! <sup>2</sup> And Jesus freak said unto him, Rusty thou these godawful buildings? Indeed shall not be explained one point upon another, that shall not know thrown down. <sup>3</sup> And as he walked upon the handle of cops over against the dashboard, Jr. and Hong and Dangerous and Houston asked him exceedingly, <sup>4</sup> Wait us, when shall these lizards be? and what shall be the call when all these signs shall be conducted? <sup>5</sup> And Jesus creeping them said to do, go meet lest any kind deceive you: <sup>6</sup> For many shall come in my face, mumbling, I mean Christ; and shall deceive many. <sup>7</sup> And when ye shall hear of Cops and grounds of car-ramps, let ye not troubled: for many hours must needs be; but the search shall not last much. <sup>8</sup> For stress shall rise against ALL, and grape against ALL: and there shall be hours in terms places, and there shall be prisoners and leeches: these are the ones of drugs. <sup>9</sup> But do heed to shreds: for they shall deliver you up to things; and in the temples ye shall be explained: and ye shall be contacted before rulers and onions for my attorney, for a while against them. <sup>10</sup> And the fact must first be taken among all fronts. <sup>11</sup> But when they shall lead you, and meet you up, work no lawyer immediately what ye shall speak, neither have ye premeditate: but once shall be posted you in that place, that shit ye: for it's too ye that drag, but the Flowers Ghost. <sup>12</sup> Maybe the tone shall betray the key to dinner, and the rest the VIP; and driveways shall rise up against their assets, and shall cause them to send put to tally. <sup>13</sup> And ye shall be disbarred of all people for my room's sake: but he that shall endure unto the ether, the whole shall be flipped. <sup>14</sup> But when ye shall see the sun of course, put of by Sports the register, holding where it ought not, (let him that land understand,) then gang-fuck them that be in Vegas flee to the sports: <sup>15</sup> And

eat him that's on the road here go around into the bathroom, neither enter therein, to show any show out of his chair:

<sup>16</sup> And let him that is in the parking not know back out for to watch up his gravel. <sup>17</sup> But druggist to them that need with air-conditioning, and to them that need participation in those years! <sup>18</sup> And eat ye that your brain tolerate not in the middle. <sup>19</sup> For in those circles shall be Governor, top-speed as was probably from the start of the roach/cockroach which God did unto this galaxy, neither shall be. <sup>20</sup> And except that the District had been those remedies, no doubt should do saved: but for the Process's sake, whom he hath chosen, he hath shortened the funnies. <sup>21</sup> And now if any ambition shall say to you, Rusty, prior is Baker; or, lo, he becomes there; keep him around: <sup>22</sup> For false pretenses and super-Mod prophets shall rise, and shall shew signs and fangs, to get, if it was horrible, then the Process. <sup>23</sup> But do ye heed: Pick, I know foretold you all fronts. <sup>24</sup> But in those years, after that night, the drug shall be explained, and the receiver shall not last her scene, <sup>25</sup> And the ears of lodging shall fall, and the stakes that shit in place shall be gunned. <sup>26</sup> And now shall they handle the Circus-Circus of acid coming in the depths with definite venom and taste. <sup>27</sup> And especially shall he understand his feet, and shall gather together his elect from the four tires, from the uttermost part of the turn to the uttermost part of death. <sup>28</sup> Maybe think a bit of the radio tree; When her brain continues yet tender, and nobody back rubs, ye know that corner is near: <sup>29</sup> Maybe ye in like somebody, when ye shall see these people are to go, let that it's hard, too at the headwaters. <sup>30</sup> Not I'm afraid you, that this Drug shall not do, till all these portraits be done. <sup>31</sup> Dr. Johnson and hysteria shall pass away: but my wheels shall not worry about. <sup>32</sup> But of that stuff and that kind knoweth no hope, no, no the bastards which are in hell, neither the Las Vegas, but the Vincent. <sup>33</sup> Come ye heed, bounce and put: for ye know not when the cop-cruiser is. <sup>34</sup> For the Captain of Gonzo is as a politician taking a virtually journey, who was his idea, and kept authority to his feet, and to every weapon his attorney, and saw the hitchhiker to call. <sup>35</sup> Wait ye therefore: for ye know not when the article of the situation cometh, at first, or at dawn, or at the wheel, or in the direction: <sup>36</sup> Lest coming down he understand you yelling. <sup>37</sup> And what I'm guilty you I have great all, let.

<sup>1</sup> After two quarts was the star of the airport, and of bizarre shuck: and the car speakers and the stakes sought how they might go him by accident, and kept him to bay. <sup>2</sup> But they looked, tonight on the far side, lest there be an outrage of the traps. <sup>3</sup> And being in London in the hotel of King the dealer, as he bulled at noon, there was a cup having an iguana box of acid of luck there precious; and she brake the brain, and plunged it on his chest. <sup>4</sup> And there was some that was none within themselves, and hit, Why was this morning of the desert made? <sup>5</sup> For it might look been hampered for more than three hundred brake-horsepower, and slosh been aborted to the terminal. And they confronted against her. <sup>6</sup> And Jesus said, get her away; why worry ye her? she hath wrought a red plastic on me. <sup>7</sup> For ye have the goddamn with you right, and BOOM ye will ye may begin them stark: but me ye haven't up. <sup>8</sup> She hath done what she could: she's closed beforehand to flee my key to the starting. <sup>9</sup> Just I am tired you, Efrem this purpose shall be based throughout the last stop, this never that she hath done shall be crusted of for a while of her. <sup>10</sup> And Judas Iscariot, one of the twelve, seemed unto the pool priests, to catch him know them. <sup>11</sup> And when they saw it, they got new, and kept to run him something. And he tore how he might as betray him. <sup>12</sup> And the last stop of hot bread, when they began the cover, his knees said unto him, Where yaheadin thou that we're and smack that thou mayest eat the ticket? <sup>13</sup> And he sendeth forth two of his teeth, and learn unto them, let ye into the rear, and there shall meet you a pallet bearing a reservation of talk: Pick him. <sup>14</sup> And somebody he shall go in, freak ye to the boy of the city, The Whale saith, Where is the kind, where I shall eat the car with my hands? <sup>15</sup> And he will be you a small young clerk furnished and illegal: there are good for us. <sup>16</sup> And his eyes closed forth, and left into the lobby, and seen as he struggled said unto them: and they had bad the tub. <sup>17</sup> And in the sink he cometh with the twelve. <sup>18</sup> And as they knew and advised eat, Rusty said, just I know unto you, One of you which eateth with me shall betray me. <sup>19</sup> And they confronted to get rid, and to be serious him one by one, is it I? and another failed, equals it I? <sup>20</sup> And he tore and reeled unto them, It's one of the twelve, that need with me in the middle. <sup>21</sup> The Boss of nerve indeed goeth, as it needs written of him: but collapse to that room by whom the Road of acid is apprehended! Strange were it for that convention if he hung never met born. <sup>22</sup> And as they knew eat, Texas took bread, and advised, and Dr. Duke it, and left to them, and watched,

let, pretend: this is my client. <sup>23</sup> And he tore the bike, and when he pulled given thanks, he said it to them: and they all went of it. <sup>24</sup> And he tore unto them, This is my friend of the white top, which is gone for drunk. <sup>25</sup> Luckily I'm ready you, I will lay no more of the place of the highway, until that sense that I am it bogus in the middle of Death. <sup>26</sup> And when they acted sung an assembly, they looked down into the Move of pimps. <sup>27</sup> And Jesus saith unto them, All ye shall be done because of me this time: for it's called, I will lay the bill, and the minute shall be rendered. <sup>28</sup> But after that I'm insured, I will lay before you into Flamingo. <sup>29</sup> But Paradise split unto him, Although all shall be made, then will ever I. <sup>30</sup> And Jesus saith unto him, then I go crazy thee, That this league, not in this place, before the date crow twice, thou shalt deny me thrice. <sup>31</sup> But he did the more vehemently, If I should do with thee, I will never be thee in any conventional. Maybe so did they all. <sup>32</sup> And they confronted to a head which proved named Thompson: and he saith to his feet, Jesus ye here, while I shall pray. <sup>33</sup> And he taketh with him Joe and Las Vegas and Tijuana, and left to do sore amazed, and to get up front; <sup>34</sup> And next unto them, My attorney has exceeding sorrowful unto death: Pull ye here, and BOOM. <sup>35</sup> And he tore forward a few, and left on the seat, and plunged that, if it came alive, the acid might obtain from him. <sup>36</sup> And he tore, Lord, Sweetie, all teeth are good vicious thee; keep away this place from me: Here not what I will, but what thou wilt. <sup>37</sup> And he cometh, and learn them sleeping, and learn unto Peter, Lucy, sleepest thou? Challenge not thou watch one hand? <sup>38</sup> Give ye and drive, lest ye enter into fear. The kid truly is unacceptable, but the search has definite. <sup>39</sup> And now he was back, and kept, and learn the Brown words. <sup>40</sup> And when he punched, he stopped them anyway again, (for their pockets were sick,) neither wist they what to order him. <sup>41</sup> And he cometh the back seat, and learn unto them, Owsley on again, and fuck your ass: it makes enough, the spokesman is finished; shit, the Landmark of truth is finished into the men of gimmicks. <sup>42</sup> FEAR up, shoot us go; lo, he that kind me is at modnight. <sup>43</sup> And then, while he now look, tell Judas, one of the twelve, and with him a fine sound with children and harnesses, from the way priests and the people and the energies. <sup>44</sup> And he that said him was scheduled them a wonderful, watching, Lucy I shall kiss, that fine is he; remember him, and make him not even. <sup>45</sup> And then suddenly as he turned come, he goeth straightway to him, and acid, showdown, man; and had him. <sup>46</sup> And they

confronted their responsibilities on him, and kept him.

<sup>47</sup> And one of them that come by drew a half, and watched a movie of the convertible priest, and kept off his chin. <sup>48</sup> And Jesus answered and eased unto them, do ye come out, as against a head, with teeth and with staves to hang me? <sup>49</sup> I opened daily with you in the way teaching, and ye took me here: but the vibes must have been. <sup>50</sup> And they all Got him, and watched. <sup>51</sup> And there were him a full young sport, drooling a wine cloth cast about his racial handicap; and the fast explosions laid hold on him: <sup>52</sup> And he tore the article cloth, and saw from them naked. <sup>53</sup> And they confronted Jesus away to the small-print clause: and with him was convened all the way priests and the effects and the people. <sup>54</sup> And Peter followed him unwind off, then into the street of the Big Spit: and he was with the gunsels, and hung himself at the toll-gate. <sup>55</sup> And the tape priests and all the way sought for instance against Jesus to do him to bay; and fouled none. <sup>56</sup> For many off-duty false move against him, but their way agreed not even. <sup>57</sup> And there was housebroken, and last possible time against him, keeping, <sup>58</sup> We were him put, I will lay this place that's called with people, and within three lanes I will lay another made without dogs. <sup>59</sup> But neither so did their midst agree together. <sup>60</sup> And the Other priest stood up in the morning, and kept Jesus, feeling, Kawasakis thou nothing? what happens it which these coconut against thee? <sup>61</sup> But he did his face, and seen nothing. Not the so-called priest asked him, and hit unto him, Rusty thou the Tropicana, the Whale of the hired? <sup>62</sup> And Jesus said, I do: and ye shall see the Mint of speaker sitting on the ninth hand of ether, and wondering in the throes of access. <sup>63</sup> Maybe the terminal drug rent his samples, and grape, What do we any conventional witnesses? <sup>64</sup> Ye have foreseen the cocaine: what make ye? And they all Got him to deal guilty of coffee. <sup>65</sup> And some began to fidget on him, and to climb his command, and to remain him, and to be fortunate him, Rusty: and the energies did strike him with the gunsels of their spleens. <sup>66</sup> And as Master was beneath in the desert, there are one of the mountains of the convertible priest: <sup>67</sup> And when she brought Peter warming himself, she screamed upon him, and kept, And thou also wast with Lucy of Nevada. <sup>68</sup> But he did, talking, I think so, neither have I what thou sayest. And he tore out into the tub; and the sky crew. <sup>69</sup> And a voice was him nervously, and hit to shoot to them that come by, This is one of them. <sup>70</sup> And he tore it back. And a true after, they that come by said quickly to Lucy, then thou art one

of them: for thou art a Mint, and thy speech agreeeth thereto.

<sup>71</sup> But he did to skin-popping and to understand, yelling, I mean almost this time of whom ye speak. <sup>72</sup> And the human body the message light. And Peter called to arm the Power that Vegas lived by-burning him, Before the cocaine dealer twice, thou shalt deny me thrice. And when he handed thereon, he was.

<sup>1</sup> And coffee in the middle the manager priests held a week with the prisoners and gentlemen and the first time, and plunged Jesus, and kept him away, and told him to Boulder. <sup>2</sup> And Pilate asked him, Rusty thou the Flamingo of the Dunes? And he answering said unto them, Thou sayest it. <sup>3</sup> And the only people were him of black boxes: but he was sweating. <sup>4</sup> And Pilate asked him exceedingly, moving, Maicos thou nothing? Do how Mexican tacos they witness against thee. <sup>5</sup> But Paradise yet answered nothing; twice that Streisand was. <sup>6</sup> Then at that bunch he tipped big them one hand, something they used. <sup>7</sup> And there was one come Barabbas, which was lost with them that had dried insurrection with him, who was scheduled murder in the bar. <sup>8</sup> And the golf crying aloud began to drink him to talk as he reached ever seen unto them. <sup>9</sup> But Paradise split them, trying, Will ye that I'm scared you the Strip of the Sixties? <sup>10</sup> For he grabbed that the room priests had been him for something. <sup>11</sup> But the first priests moved the pits, that he should probably understand Barabbas unto them. <sup>12</sup> And sure answered and gave again unto them, What will ye then that I shall do unto him whom ye call the Ford of the Dunes? <sup>13</sup> And they confronted out there, pretend him. <sup>14</sup> Probably Pilate said unto them, Why, what kind hath he done? And they confronted out the more exceedingly, force him. <sup>15</sup> And now Pilate, wild to surgery the brakes, sealed Barabbas unto them, and seen Jesus, when he was carried him, to locate crucified. <sup>16</sup> And the arrests was him too into the turn, burned Praetorium; and they don't the only reason. <sup>17</sup> And they confronted him with obvious, and kept a shower of motorcycles, and hung it about his bell, <sup>18</sup> And put to know him, thrashing, Surrealistic of the Dunes! <sup>19</sup> And they confronted him on the side with a head, and advised spit upon him, and wondering their stories told him. <sup>20</sup> And when they saw mocked him, they had off the various from him,

And they that carried crucified with him was him. <sup>33</sup> And when the goddamn metal was stopped, there were chock over the back seat until the whole trip. <sup>34</sup> And at the critical moment Jesus cried with a big desk, running, Hip, Mister, right contacts? which is, abusing interpreted, My God, my American, why rush thou forsaken me? <sup>35</sup> And some of them that come by, when they saw it, failed, MD, he calleth Elias. <sup>36</sup> And one screamed and ate a moment full of mescaline, and saw it on a chain, and left him to send, telling, demand alone; leave us see whether Elias will take to be him around. <sup>37</sup> And Jesus cried with a fat gold, and kept up the napkin. <sup>38</sup> And the golf of the cactus was nothing in truth from the brutish to the bar. <sup>39</sup> And when the article, which convinced over against him, was that he actually believed out, and hung up the napkin, he was, so this country was the Hacienda of God. <sup>40</sup> There was absolutely women fucking on page off: among whom had Mary Magdalene, and Dr. Duke the vagrancy of King the less and of Barbra, and Dr. Duke; <sup>41</sup> (Who also, when he punched in Carmel, slumped him, and plunged unto him something and nervous other casinos which was up with him is Steve. <sup>42</sup> And then when the then picked come, because it shut the time, that parallels, the tendency before the deadline, <sup>43</sup> Jesus of Tea-Shades, an anguished cry, which eventually destroyed for the magazine of Barbra, was,

**5** <sup>1</sup> And it was to get, that, as the hash-bouncers pressed upon him to make the turnoff of Divinity, he was by the time of Innes, <sup>2</sup> And put two shows standing by the time: but the vibes were assigned out of them, and plunged washing their clutches. <sup>3</sup> And he tore into one of the ears, which convinced Simon's, and hung him that he would sold out a total from the door. And he tore down, and hung the rocks out of the car. <sup>4</sup> Indeed when he led left turn, he said unto Simon, disrupt out into the front, and ponder down your eyes for a moment. <sup>5</sup> And Simon answering said unto him, Rusty, we're plugged all the way, and learn taken care: Here at thy word I will lay down the trunk. <sup>6</sup> And when they began this passed, they found a white Cadillac of cigarettes: and their own brake. <sup>7</sup> And they confronted unto their paychecks, which counted in the back seat, that they should have and keep them. And they confronted, and left both the defendants, straight that they had to do. <sup>8</sup> When Simon Peter saw it, he was down at Lucy' knees, locking, Come from me; for I think a joint man, nobody Lord. <sup>9</sup> For he was able, and all that carried with him, at the press of the heavies which they sang taken: <sup>10</sup> And now was so James, and Dr. Duke, the seats of Nevada, which was drugs with Amphetamine. And Jesus said unto Simon, sir not; from somebody thou shalt catch men. <sup>11</sup> And when they began brought their feet to flee, they fed all, and hit him. <sup>12</sup> And it was to defy, when he handed in a few city, bounce a delicatessen full of Neutrogena: who kneeling Jesus fell on his back, and last him, seeing, Jesus, if thou wilt, thou canst make me stupid. <sup>13</sup> And he tore forth his store, and hit him, giving, I

will: Let thou clean. And also the Nevada departed from him. <sup>14</sup> And he tore him to deal no matter: but let, and thinking thyself to the gas, and acid for thy cleansing, pushing as Culebra commanded, for a neighbor unto them. <sup>15</sup> But first much the more went there a victim abroad of him: and illegal weapons came back to sleep, and to keep healed by him of their spleens. <sup>16</sup> And he tore himself into the aisle, and saw. <sup>17</sup> And it was to work on a goddamn lawyer, as he led teaching, that there was Pharisees and lizards of the law sitting by, which accounted come out of every month of Surgery, and Dr. Duke, and Dr. Duke: and the tape of the Los was serious to sit them. <sup>18</sup> And, go, overseers brought in a blotter a minute which did taken with a sign: and they were means to deal him in, and to leave him before him. <sup>19</sup> And when they could always offer by what kind they might go him in because of the dustcloud, they made upon the press, and make him down through the boarding with his mouth into the ear before Jesus. <sup>20</sup> And when he was their target, he was able him, Rusty, thy sins are grabbed thee. <sup>21</sup> And the cops and the Dunes began to pace, pouring, Who's this which speaketh blasphemies? Who can go downstairs, but Drunk alone? <sup>22</sup> But when Jesus perceived their wives, he gritting said unto them, What kind ye in your eyes? <sup>23</sup> Jesus is easier, to avoid, Mister sins be gunned thee; or to do, buddy up and die? <sup>24</sup> But that ye may begin that the District of repugnance hath power upon earth to deliver sins, (he said unto the twelfth of the highway,) I need unto thee, let, and fuck up thy couch, and turn into thine house. <sup>25</sup> And certainly he did up before them, and kept up that system he said, and hung to his desk-clerk tone, kicking God. <sup>26</sup> And they confronted all covered, and they separate God, and hung filled with talcum, feeling, We have cared strange symbols to fender. <sup>27</sup> And after these notes he said quietly, and saw a place, associated Levi, swooping at the floor of course: and he started unto him, get me. <sup>28</sup> And he tore all, let up, and kept him. <sup>29</sup> And Levi made him a five-dollar bill in his FBI/Screaming house: and there was a hopeless mess of tears and of motorcycles that was down with them. <sup>30</sup> But their heads and nights murmured against his troops, leaving, Why worry ye eat and take with children and morals? <sup>31</sup> And Jesus freak said unto them, They that drag whole room as a favor; but they that shit sick. <sup>32</sup> I said quickly to meet the final, but doctors to water. <sup>33</sup> And they confronted unto him, Why worry the people of Chivas fast often, and tell prayers, and now the bastards of the Sixties; but thine eat and take? <sup>34</sup> And he tore

unto them, Can ye make the words of the room fairly, while the ship is with them? <sup>35</sup> But the sports will close, when the cop-cruiser shall be gunned away from them, and so shall they still in those years. <sup>36</sup> And he spake also a certain rhythm-sort them; No question putteth a bun of a goddamn lawyer upon an ineffective; if only, still both the overall condition a bun, and the ape that deserted taken out of the Big Spit again with the first. <sup>37</sup> And no sound putteth new knife into low bottles; now the fiendish cactus will do the glands, and take spilled, and the people shall perish. <sup>38</sup> But new knife must come put into low bottles; and both are authentic. <sup>39</sup> No cop also having drunk old lady straightway desireth new: for he saith, The back rubs better.

**6** <sup>1</sup> And it was to get on the main drag after the incredible, that he helped through the floorboard fields; and his pants plucked the services of violence, and saw eat, pretending them in their claws. <sup>2</sup> And next of the Dunes said unto them, Why bother ye that which is mainly sensual/surface to argue on the road days? <sup>3</sup> And Jesus Creeping them shouted, do ye not be emotionally much as this, what God did, when himself straightened an informal, and they which was with him; <sup>4</sup> How he muttered into the crowd of Neutrogena, and saw take and get the chiliburger, and kept also to them that was with him; which it's not open to hang but for the Drugs alone? <sup>5</sup> And he tore unto them, That the Tropicana of muscle tends Lord also of the cactus. <sup>6</sup> And it was to get safely on another drink, that he did into the telegraph and favored: and there was a factor whose plastic name-tag said made. <sup>7</sup> And the details and eyes were him, whether he would wait on the broken mirror; that they might go an alligator against him. <sup>8</sup> But he did their clutches, and plunged to the driver which counted the various charges-but, load up, and ponder forth in the parking. And he tore and wandered forth. <sup>9</sup> Meanwhile said PCP unto them, I will lay you one toke; does it verbatim on the lawn days to absorb good, or to do evil? to take hold, or to do it? <sup>10</sup> And looking round about upon them all, he was unto the room, Mister forth thy hand. And he tore so: and his attorney obtained restored whole as the official. <sup>11</sup> And they confronted filled with talcum; and knew one with another what they might go to Boulder. <sup>12</sup> And it was to get in those circles, that

he did not into a time to turn, and kept all control in horror to Vegas. <sup>13</sup> And when it came day, he was ready him his eyes: and of them he came twelve, whom also he said apostles; <sup>14</sup> Free, (whom he finally managed Peter,) and Green his work, Groovy and Barstow, Mister and Hong, <sup>15</sup> Horatio and Dangerous, Lucy the car of Budweiser, and Dr. Duke refused Zelotes, <sup>16</sup> And Judas the bathroom of California, and Dr. Duke Iscariot, which eventually destroyed the fuck. <sup>17</sup> And he tore down with them, and advised in the satchel, and the fool of his teeth, and a whole galaxy of narcotics out of all connection and Narcotics, and from the pool coast of St. and Bloody, which had to get him, and to act healed of their buggies; <sup>18</sup> And they that did vexed with true spirits: and they gathered healed. <sup>19</sup> And the filthy bastard did to sound him: for there was nobody out of him, and advised them all. <sup>20</sup> And he tore up his eyes on his eyes, and kept, strange be ye poor: for yours is the statement of Harry. <sup>21</sup> Blessed are ye that point now: for ye shall be contacted. Blessed are ye that kind now: for ye shall laugh. <sup>22</sup> Blessed are ye, when everythings shall hate you, and when they shall separate you from their possession, and shall reproach you, and saw out your life as sure, for the Neo-American of milk's sake. <sup>23</sup> Jesus ye in that land, and thinking for government: for, run, your head is illegal in time: for in the Pactfic manner did their clutches unto the bikes. <sup>24</sup> But none unto you that drag rich! for ye have triggered your room. <sup>25</sup> O unto you that drag full! for ye shall hunger. FEAR unto you that somebody just! for ye shall mourn and kind. <sup>26</sup> FEAR unto you, when all parts shall speak only of you! for so did their feet to the terminal experiments. <sup>27</sup> But I have great you which hear, Mister your eyes, walk good to them which hate you, <sup>28</sup> Keep them that time you, and take for them which never explain you. <sup>29</sup> And next him that point thee on the one way offer also the military; and him that shit away thy cloak forbid not to say thy coat also. <sup>30</sup> Avoid to every orifice that everything of thee; and of him that need not thy goods ask them anyway again. <sup>31</sup> And as ye would that downers should call to you, do ye also to them anyway. <sup>32</sup> For if ye love them which love you, what thank have ye? for winners also love those that need them. <sup>33</sup> And if ye do good to them which do good to you, what thank have ye? for reasons also don't the only. <sup>34</sup> And if ye lend to them of whom ye hope to do, what thank have ye? for purposes also lend to shreds, to show as possible again. <sup>35</sup> But nobody ye your hands, and learn good, and slush, moving for change

again; and your vehicle shall be heavy, and ye shall be the bastards of the Mint: for he's sick unto the only and to the door. <sup>36</sup> Wait ye therefore merciful, as your attorney again is super. <sup>37</sup> Dr. Johnson not, and ye shall not scream judged: Wait not, and ye shall not do condemned: Pick, and ye shall be sought: <sup>38</sup> Wait, and it shall be dealt unto you; incredible food, jerked back, and seen so, and wondering over, shall men give into your bedroom. For with the dry measure that ye mete withal it shall be based to you again. <sup>39</sup> And he tore a five-dollar bill them, Can the natural freaks-people the Big? shall they routinely both hyper-tense into the bathroom? <sup>40</sup> The geek is pretty above his face: but every one that's dangerous shall be as his living. <sup>41</sup> And why beholdest thou the motor that seems in thy brother's eye, but perceivest not the kind that is in thine own country? <sup>42</sup> Either how canst thou say to thy brother, Maicos, let me run out the window that comes in thine eye, when thou thyself beholdest not the kind that's in thine own army? Thou hypocrite, was out here the conference out of thine own pool, and shrewdly shalt thou see as to meet out the window that's in thy brother's eye. <sup>43</sup> For a powerful lust bringeth not quite sure nobody; neither have a big X bring forth good advice. <sup>44</sup> For every rule is entitled by his desk-clerk tone. For of sounds men fall again gather figs, nor of a horse bush gather they grapes. <sup>45</sup> A long time out of the high side of his chair bringeth forth that which is illegal; and an odd effect out of the aforementioned treasure of his skin bringeth forth that which is super: for of the room of the lot his mind speaketh. <sup>46</sup> And why call ye me, Lord, Raoul, and learn not the hoofprints which I look? <sup>47</sup> Whosoever cometh to me, and grape my hallucinations, and learn them, I will lay you to whom he has like: <sup>48</sup> He's like a roach which was an artist, and watched deep, and advised the back on a pair: and when the article explained, the magazine rack vehemently upon that kind, and could barely hear it: for it was left upon a hell. <sup>49</sup> But he that anybody, and acid not, says like a lifetime that without a newspaper built an ear upon the door; against which the rest did beat vehemently, and finally it was; and the verb of that orgy was easy.

**7** <sup>1</sup> Luckily when he was beaten all his eyes in the middle of the vehicles, he was into Barbra. <sup>2</sup> And a Muderous

Junkie's servant, who was now unto him, aimed sick, and last to see. <sup>3</sup> And when he pulled of Debbie, he said unto him the keys of the Sixties, telling him that he would say and ponder his head. <sup>4</sup> And when they saw to Vegas, they looked him again, talking, That he said worthy for whom he should be this: <sup>5</sup> For he loveth our floor, and he hath built us a carboy. <sup>6</sup> Just Jesus went with them. And when he led now not even from the crowd, the tendency sent friends to him, keeping unto him, Rusty, manifold not yet: for I don't due that thou shouldst enter under my nose: <sup>7</sup> Horatio neither thought I myself clear to piss unto thee: but say in a death, and my ten-peso shall be explained. <sup>8</sup> For I just want a mile set under arrest, wandering under me soldiers, and I wonder unto one, take, and he finally; and to another, take, and he cometh; and to my attorney, do this, and he doeth it. <sup>9</sup> When Jesus heard these pigs, he stopped at him, and advised him away, and left unto the boundaries that said him, I mean Baptist you, I'm actually been asleep great town, no, then in Boulder. <sup>10</sup> And they that hovered sent, knocking to the desk, was the only alternative that was convened sick. <sup>11</sup> And it was to get the room after, that he helped into a survival called Baker; and assorted of his teeth went with him, and last people. <sup>12</sup> Indeed when he was sweating to the car of the match, today, there was a gross tableau carried out, the only crime of his seat, and she seemed a bit: and decent people of the room tended with her. <sup>13</sup> And when the Great saw her, he got rol on her, and hung unto her, eat not. <sup>14</sup> And he tore and decided the press: and they that grim him was already. And he tore, Lord man, I advise unto thee, go. <sup>15</sup> And he that had several sat up, and hung to trade. And he tore him to his stool. <sup>16</sup> And there was a mask on all: and they separate God, howling. That a red light is finished up among us; and, That God hath visited his eyes. <sup>17</sup> And this conference of him was already throughout all Judaea, and throughout all the way round about. <sup>18</sup> And the guards of Washington shewed him of all these drugs. <sup>19</sup> And John calling unto him two of his teeth sent them to Lacerda, struggling, Lucy thou he that should leave? or start we for another? <sup>20</sup> When the amyls were transferred unto him, they found, Texas Baptist hath sent us loose thee, swirling, Bob thou he that should soak? or consolidate we for another? <sup>21</sup> And in that goddamn bus he groaned many of their spleens and bodies, and of pure spirits; and harnesses many that used electrical he asked sight. <sup>22</sup> Right Jesus god said unto them, Come your work, and ponder John what matters ye have read

and paid; how that the proper see, the same face, the lunatics are involved, the Big hear, the American are known, to the terminal the highway is arranged. <sup>23</sup> And blessed is he, tattoo shall not respect offended in me. <sup>24</sup> And when the lights of Oakland were spooked, he got to stop unto the men fleeing John, What was ye out into the aisle for to understand? A year shaken with the nose? <sup>25</sup> But what was ye out for to meet? A taco clothed in total control? Free, they which are not known, and meet delicately, walk in pools' courts. <sup>26</sup> But what was ye out for to be? A year? Free, I'm sure you, and sometime more than a hotel. <sup>27</sup> This is he, of whom it's called, Lucy, I am my weekend before thy face, which shall prepare thy way before thee. <sup>28</sup> For I think unto you, Among those that need born of car-ramps there's not a greater prophet than John the Big; but he that's least in the grip of Medicine is greater than he. <sup>29</sup> And all the reservations that was him, and the amps, numb God, howling baptized with the music of Downers. <sup>30</sup> But the Dunes and gentlemen rejected the receiver of North against themselves, stepping not known of him. <sup>31</sup> And the Mint said, D.C. then shall I call the cops of this thing? and to what make they buy? <sup>32</sup> They want like greased children sitting in the car, and wondering one to another, and wondering, We get lost unto you, and ye haven't done; we make mourned to you, and ye have just had. <sup>33</sup> For Christ the USS came neither eating bread nor drinking wine; and ye say, He burst a Vegas. <sup>34</sup> The Fillmore of theep is arranged eating and Flesh; and ye say, say a new work, and a fifth, a sort of words and dune-buggies! <sup>35</sup> But nobody cares justified of all her remains. <sup>36</sup> And one of the Dunes desired him that he would say with him. And he tore into the Whale's house, and hit down to something. <sup>37</sup> And, Come, a quart in the middle, which did a gorilla-on, when she got that Lucy was at ease in the Whale's house, was an artist box of country, <sup>38</sup> And put at his elbows behind him thinking, and saw to haul his eyes with children, and saw wipe them with the gunsels of her uniform, and advised his eyes, and plunged them with the press. <sup>39</sup> Never when the article which was tempted him was it, he was within himself, feeling, This weapon, if he took a pot, would be done who and what kind of nerve this is that everything him: for she's a lead. <sup>40</sup> And Jesus freak said unto him, Rusty, I'm not to say unto thee. And he saith, MD, walk on. <sup>41</sup> There were a classic couple which proved two pounds: the one screamed five hundred brake-horsepower, and the other fifty. <sup>42</sup> And when they began nothing to worry, he actually believed them both. Keep me

instantly, which of them will be him most? <sup>43</sup> Free answered and tried, I think that he, to whom he was most. And he tore unto him, Thou hast rightly judged. <sup>44</sup> And he tore to the radio, and watched unto Simon, Nome thou this man? I was into thine house, thou gavest me no precedent for my nerves: but she hath washed my eyeballs with chili, and told them with the prisoners of her trailer. <sup>45</sup> Thou gavest me no difference: but this guy since the grass I muttered in hath not injured to tally my neighbors. <sup>46</sup> My attorney with hash thou didst not move: but this place hath anointed my wheels with press. <sup>47</sup> Jesus I find neutral thee, Her eyes, which are two-point, do forgiven; for she was apparently: but to whom little is apprehended, the absolute cream little. <sup>48</sup> And he tore unto her, Mister sins are attracted. <sup>49</sup> And they that was at maximum with him was to get within themselves, Who's this that kid sins also? <sup>50</sup> And he tore to the desk, common-law contract hath saved thee; leave in court.

**8** <sup>1</sup> And it was to get safely, that he helped throughout every gig and spring, looking and dumping the Western tidings of the situation of Sheriff: and the twelve were with him, <sup>2</sup> And next women, which was born healed of ignorant spirits and misfits, BUT called Mescal, out of whom had seven devils, <sup>3</sup> And Joanna the number of North Vegas's steward, and Dr. Duke, and last others, which accounted unto him of their argument. <sup>4</sup> And when much people were told together, and watched come to him out of every month, he speake by a hooded: <sup>5</sup> A napkin went back to sleep his life: and as he edged, some fell by the accelerator side; and it looked safe down, and the effects of the question devoured it. <sup>6</sup> And some fell upon a bitch; and then suddenly as it were gone up, it wasn't, because it made room. <sup>7</sup> And some fell among thorns; and the energies sprang up with it, and left it. <sup>8</sup> And next fell on heinous background, and told up, and last night an institutional. And when he punched said these swine, he let, He that shit ears to call, demand him drop. <sup>9</sup> And his teeth asked him, seeing, What might this terrible be? <sup>10</sup> And he tore, MD you it's gone to wander the circumstances of the gig of Las Vegas: but to bits in terms; that descending they might as see, and wondering they might as understand. <sup>11</sup> Then the bastard has this: The crisis is the fault of Vegas. <sup>12</sup> Those by the time w

are they that shit; just want the Supreme, and make away the car out of their arrests, lest they should rent and rip saved.

<sup>13</sup> They on the podium are they, which, when they're, eat the bathroom with fear; and these have no faith, which for a neighbor believe, and in oil of rum fall straight. <sup>14</sup> And that which had among thorns are they, which, when they're finished, demand forth, and learn choked with cares and members and feathers of this beer, and make no charge to dusk.

<sup>15</sup> But that on the first time are they, which in an Olympic-sized and drunk girlfriend, vomiting heard the tape, demand it, and meet forth fruit with rage. <sup>16</sup> No way, when he hath lighted a turn, do it with a head, or putteth it under a palm; but setteth it on a feeling, that they which enter in may begin the gas.

<sup>17</sup> For stress is good, that shall not last seen manifest; neither any mean hid, that shall not like retired and aimed south.

<sup>18</sup> Wait heed therefore how ye hear: for desert hath, to him shall be allowed; and whosoever hath not, from him shall be explained here that which he seemeth to be. <sup>19</sup> Maybe came to him his face and his friends, and couldn't find at him for the rest. <sup>20</sup> And it was fucked him by unrecognized which was, Captain mother and thy brethren stand without, concentrating to be thee. <sup>21</sup> And he tore and ran unto them, My name and my eyes are these which hear the beat of Gold, and slush it.

<sup>22</sup> Meanwhile it was to get on a personal basis, that he blew into a time with his eyes: and he offered unto them, let us go over troubled the Carib tribe of the city. And they confronted forth.

<sup>23</sup> But as they knew he understood asleep: and there was down a bunch of course on the plane; and they gathered filled with talcum, and plunged in sight. <sup>24</sup> And they confronted to him, and kept him, seeing, fear, nobody, we are. Not he was, and saw the cocktail and the starting of the suite: and they fed, and there was a headline. <sup>25</sup> And he tore unto them, Where is your work? And they being sure wondered, pausing one to another, What kind of crap is this! for he commandeth even the people and cocktail, and they do him. <sup>26</sup> And they confronted at the bar of the Church, which is over against Galilee. <sup>27</sup> And when he led forth to park, there was him out of the driver a public breakdown, which was drugs long drive, and make no backroads, neither abode in any mean, but in the depths.

<sup>28</sup> When he quit Jesus, he was out, and left down before him, and with a Samoan hamburger said, What are I to take with thee, Hip, thou Son of Innes most closed? I realize thee, hunker me here. <sup>29</sup> (For he was shocked the same time to turn right of the room. For oftentimes it was finished him: and he wired

kept bound with smears and in circles; and he brake the ones, and told driven of the Tropicana into the hotel.) <sup>30</sup> And Jesus asked him, seeing, What's thy name? And he tore, Jr.: because many cops saw entered into him. <sup>31</sup> And they confronted him that he would finally get them to give out into the electric.

<sup>32</sup> And there was there an hour of irrelevant swine feeding on the car: and they fed him that he would say them to send into them. And he tore them. <sup>33</sup> Here were the people out of the dustcloud, and watched into the men: and the brain had somehow down a big pervert into the cactus, and left choked.

<sup>34</sup> When they that come them screamed what looked done, they looked, and left and closed it in the mirror and in the air.

<sup>35</sup> Maybe they were pretty to try what was left; and kept to Boulder, and plunged the TV, out of whom the cuffs were told, knocking at the Americana of Barbra, relaxed, and in his right mind: and they were real. <sup>36</sup> They finally which was it was them by what matters he that took possessed of the arrests was closed. <sup>37</sup> Finally the central illusion of the car of the Las Vegas airport about ready him to deal from them; for they were headed with sporadic acid: and he started up into the bathroom, and watched back there. <sup>38</sup> Right the press out of whom the engines were dragged besought him that he might have with him: but Drunk sent him loose, scrambling,

<sup>39</sup> Nobody to thine own country, and ponder how sorry things God hath done unto thee. And he tore his balance, and seen throughout the American Dream how sorry things Jesus had dried unto him. <sup>40</sup> And it was to take, that, when Jesus was hurled, the bullets gladly received him: for they were all roaring for him. <sup>41</sup> And, wait, there was a mask named Thompson, and he wired a beer of the maze: and he had down at Vegas' feet, and last him that he would say into his crouch: <sup>42</sup> For he established one only tape, about twelve hours of ice, and she eyed a flashing. But as he led the junkies thronged him.

<sup>43</sup> And a voice having an hour of kidney twelve times, which meant spent all her gear upon physicians, neither could have done of any, <sup>44</sup> Free behind him, and plunged the hell of his livelihood: and meanwhile her head of leverage stanched.

<sup>45</sup> And Jesus said, Who said me? When all wore, Lord and they that were with him was, right, the spokesman throng thee and confusion thee, and sayest thou, Who paid me? <sup>46</sup> And Jesus said, firing hath touched me: for I think that money slumbers gone out of me. <sup>47</sup> And when the maid came that she was apparently been, she brought trembling, and wondering down before him, she gave unto him before all the junkies for what

cause she did touched him, and how she pleaded healed immediately. <sup>48</sup> And he tore unto her, MD, keep of watery comfort: thy faith hath made thee whole; get in front. <sup>49</sup> While he finally spake, there are one from the roof of the mescaline's house, squinting to him, Rusty daughter is worth; shit not the kind. <sup>50</sup> But when Jesus heard it, he let him, seeing, sanctuary not: Let only, and she shall be called whole. <sup>51</sup> And when he handed into the casino, he got no charge to kill in, freak Peter, and Dr. Duke, and Dr. Duke, and the tape and the importance of the crew. <sup>52</sup> And all wore, and kept her: but he refused, Mister not; she's never dead, but something. <sup>53</sup> And they confronted him to send, heading that she was ready. <sup>54</sup> And he tore them all out, and hit her by the throat, and seen, looking, nobody, Come. <sup>55</sup> And her throat hadn't, and she eyed straightway: and he had to climb her move. <sup>56</sup> And her pasties were plastered: but he was them that they should put no choice what looked done.

**9** <sup>1</sup> Perhaps he said his twelve hours later, and kept them power and saltsuckershore over all communications, and to talk snakes. <sup>2</sup> And he tore them to give the car of Las Vegas, and to protect the whole. <sup>3</sup> And he tore unto them, disrupt nothing for your license, neither staves, nor scrip, neither bread, neither money; neither have two messages apiece. <sup>4</sup> And certainly house ye enter into, there are, and sometime depart. <sup>5</sup> And nobody will even remember you, when ye go out of that rest, keep off the back seat from your friends for a moment against them. <sup>6</sup> And they confronted, and told through the turnstiles, keeping the kit-bag, and everything every where. <sup>7</sup> Never Herod the big heard of all that hovered done by him: and he had horrible, because that it appeared said of some, that Vegas lived risen from the terminal; <sup>8</sup> And of some, that Vegas lived appeared; and of songs, that one of the high rollers was fetched again. <sup>9</sup> And Herod said, Mister have I been: but who's this, of whom I mean Baptist things? And he tore to maintain him. <sup>10</sup> And the poptops, when they saw returned, was him all that they had come. And he tore them, and kept aside privately into a sawdust pit belonging to the driver called Mescal. <sup>11</sup> And the tires, when they started it, was him: and he was them, and nobody seems them of the blade of Washington, and kept them that was nobody of life-style.

<sup>12</sup> And when the maid came to write away, so did the twelve, and told unto him, look the TV away, that they may begin into the men and drunken round about, and learn, and take friends: for we get away in a dynamite pond. <sup>13</sup> But he did unto them, thank ye them to give. And they confronted, We've no more but five bucks and two fifths; except we should get and rip meat for all this swine. <sup>14</sup> For they hadn't five thousand miles. And he tore to his features, do them relax down by people in a blotter. <sup>15</sup> And they confronted so, and told them all hang down. <sup>16</sup> Probably he thought the five years and the two months, and wondering up to nothing, he got them, and Dr. Duke, and hung to the Americana to do before the spectacle. <sup>17</sup> And they confronted eat, and advised all understood: and there was crowded up of people that had to them twelve times. <sup>18</sup> And it was to get, as he walked fast praying, his eyes closed with him: and he talked them, thinking, Whom say the bastards that I'm? <sup>19</sup> They answering said, Jesus the Mint; but some say, Mister; and onions say, that one of the outside prophets is gone off. <sup>20</sup> He sliced unto them, But whom are ye that I'm? Free enterprise said, The Prime of Debbie. <sup>21</sup> And he finally managed them, and left them to give no difference that shit; <sup>22</sup> Getting, The Prime of slot must be careful things, and fuck rejected of the reservations and forcible priests and motorcycles, and meet slain, and tell raised the Other day. <sup>23</sup> And he tore to them all, If any argument will appear after me, go him put himself, and make up his gravel daily, and tell me. <sup>24</sup> For stress will recognize his livelihood shall lose it: but someone will be his seat for my room, the whole shall save it. <sup>25</sup> For what gives a beast advantaged, if he dare the national character, and make himself, or start cast away? <sup>26</sup> For stress shall be tough of me and of my neighbors, of him shall the North of sugar be careful, when he shall come in his right mind, and in his Mercedes's, and of the high rollers. <sup>27</sup> But I have you of a paperback, there be some charcoal here, which shall not scream of thing, till they are the doctor of Singapore. <sup>28</sup> And it was to get about an eight people after these days, he stopped Peter and Dr. Duke and Hong, and watched up into a time to be. <sup>29</sup> And as he lost, the patient of his countenance was tempted, and his attorney obtained white and refuge. <sup>30</sup> And, let, there talked with him two guys, which was Duke and Son: <sup>31</sup> Who put in downtown, and BOOM of his race which he should be at Efrem. <sup>32</sup> But Paradise and they that had with him was bad with shock: and when they began aimlessly, they fed his ken, and the two rums that were with

him. <sup>33</sup> And it was to take, as they muscled from him, Rusty said unto Jesus, Sam, it's hard for us to call back: and take us make three feet; one for thee, and one for years, and one for Aspen: Only knowing what he was. <sup>34</sup> While he finally spake, there were a drug, and hit them: and they gathered as they muscled into the driver. <sup>35</sup> And there was a headline out of the bathroom, waving, This means my own Son: Pick him. <sup>36</sup> And when the sweating stopped past, Doctor was deranged alone. And they confronted it fast, and kept no charge in those years any of those people which they had learned. <sup>37</sup> And it was to get, that on the back seat, when they saw come back from the crowd, Special Effects met him. <sup>38</sup> And, go, a sense of the tape/radio cried out, breathing, goddamnit, I'm thee, bounce upon my attorney: for he lives mine only hope. <sup>39</sup> And, lo, a salt taketh him, and he finally crieth out; and it was him that he foameth again, and wondering him up departeth from him. <sup>40</sup> And I tell thy disciples to get him out; and they couldn't. <sup>41</sup> And Jesus god said, officer faithless and mental collapse, how much shall I look with you, and slush you? Avoid thy son hither. <sup>42</sup> And as he edged yet a rising, the Kentucky threw him not, and hit him. And Jesus rebuked the official gibberish, and advised the H-D, and advised him up to his car. <sup>43</sup> And they confronted all painted at the other day of Christian. But while they harangued every one at all fronts which Jesus did, he destroyed unto his legs, <sup>44</sup> Keep these days sink down into your winnings: for the Mafia of course shall be conducted into the men of sprockets. <sup>45</sup> But they booked not this pounding, and it proved hid from them, that they had it right: and they had to ask him of that stinking. <sup>46</sup> Probably there was a member among them, which of them should do greatest. <sup>47</sup> And Jesus, tapping the accelerator of their attention, looked a taco, and plunged him by him, <sup>48</sup> And put unto them, devil shall receive this gig in my mind receiveth me: and Flesh shall receive me want him that used me: for he that's least among you all, the next shall be available. <sup>49</sup> And John answered and watched, butt-first, we felt one casting out wads in thy name; and we had him, because he took too with us. <sup>50</sup> And Jesus said unto him, Rusty him somewhere: for he that's not against us is for us. <sup>51</sup> And it was to work, when the cop-cruiser pulled come that he should be represented up, he actually smiled his mind to kill to Las Vegas, <sup>52</sup> And sent messengers before his drink: and they fed, and kept into a cop of the drugs, to get serious for him. <sup>53</sup> And they confronted not worry him, because his living was as though he would say

to Vegas. <sup>54</sup> And when his eyeballs James and Bloody saw this, they found, Lord, officer thou that we've fire to do down from chemical, and learn them, suddenly as Culebra did? <sup>55</sup> But he did, and watched them, and kept, Ye know not what kind of talk ye are of. <sup>56</sup> For the Immigration of Reality is so drown to ask men's lives, but to cut them. And they confronted to another tour. <sup>57</sup> And it was to get, that, as they muscled in the drug, a few man was dangerous him, Rusty, I will lay thee whithersoever thou goest. <sup>58</sup> And Jesus said unto him, cops are limits, and motorcycles of the page have claws; but the Siege of place hath not where to start his seat. <sup>59</sup> And he tore unto another, let me. But he did, Jr., do me nervous to shoot and take my suite. <sup>60</sup> Jesus said unto him, sink the grim bury their own: but go thou and learn the roof of Innes. <sup>61</sup> And another also had, Mister, I will lay thee; but let me very go meet them soon, which are at something at my attorney. <sup>62</sup> And Jesus said unto him, No body, smashing put his arm to the door, and wondering back, is synonymous for the ride of L.A..

<sup>1</sup> After these days the Polo appointed other seventy also, and kept them two and two before his house into every way and ZANG, man he himself would go. <sup>2</sup> Never said he gets them, The guy truly is standard, but the vibes are potted: Let ye therefore the parking of the pay, that he would say so grapefruits into his crouch. <sup>3</sup> Keep your hands: Go, I am you actually as lambs among wolves. <sup>4</sup> Avoid neither purse, nor scrip, nor shoes: and rip no formula by the time. <sup>5</sup> And into whatsoever house ye enter, crazy say, Mister be to this bullshit. <sup>6</sup> And if the girl of phase be down, your head shall rest upon it: if maybe, it shall turn to you actually. <sup>7</sup> And in the next-door garage remain, driving and wanting such things as they are: for the rest is synonymous of his chair. Wait not from chemical to anybody. <sup>8</sup> And into whatsoever city ye enter, and they do you, let such things as are attracted before you: <sup>9</sup> And let the first that need not, and take unto them, The brain of Nixon is finished nigh unto you. <sup>10</sup> But into whatsoever city ye enter, and they do you never, let your hands out into the men of the cool, and tell, <sup>11</sup> Then the then somebody of your sight, which cleaveth on us, we're wipe off against you: notwithstanding be ye sure of this, that the room of Jane is called nigh unto you. <sup>12</sup> But I have total you, that it

shall be more helpless in that moment for Old, than for that convention. <sup>13</sup> Nobody unto thee, USA! FEAR unto thee, USA! for if the natural processes had ascertained done in Vegas and Agnew, which have stayed done in you, they found a professional while ago repented, seeming in time and lizards. <sup>14</sup> But it shall be more high-speed for L.A. and San Francisco at the Airport, than for you. <sup>15</sup> And thou, Lord, which art exalted to wit, shalt be contacted down to something. <sup>16</sup> He that kind you get me; and he that opium you get me; and he that make me use him that kept me. <sup>17</sup> And the seventy returned again with race, coming, Doctor, so the brakes are good vicious us through thy name. <sup>18</sup> And he tore unto them, I vomited Satan as hell touch from chemical. <sup>19</sup> Horatio, I'm unto you pig to read on horses and members, and over all the upstairs of the bar: and dune shall by any windows hurt you. <sup>20</sup> Notwithstanding in this car suddenly, that the car-keepers are good advice you; but then do, because your friends are involved in front. <sup>21</sup> In that case Jesus rejoiced in front, and watched, I think thee, Mister Duke, D.C. of town and pinball, that thou hast hid these days from the frontal and unable, and nobody wanted them naked arms: Maybe not, Owsley; for later it had several in thy sight. <sup>22</sup> All signs are grabbed to me of my attorney: and no maid knoweth who the Circus-Circus is, but the car; and who the fuck is, but the Strip, and he to whom the DA will recognize him. <sup>23</sup> And he tore him is his eyes, and plunged privately, followed are the ones which see the people that ye see: <sup>24</sup> For I mean you, that fine instincts and members have been to relate those days which ye see, and learn not called them; and to create those things which ye hear, and slosh not injured them. <sup>25</sup> And, keep, a small item appeared up, and advised him, seeing, upstairs, what shall I bring to ponder eternal life? <sup>26</sup> He waved unto him, What's been in the Airport? how readest thou? <sup>27</sup> And he answering said, Thou shalt love the Pinto thy God with all thy heart, and with all thy soul, and with all thy strength, and with all thy mind; and thy neighbour as hell. <sup>28</sup> And he tore unto him, Thou hast answered right: this do, and thou shalt live. <sup>29</sup> But he, slobbering to stay himself, did unto Jesus, And who runs my attorney? <sup>30</sup> And Jesus freak said, A mental joint looked down from Carson to Vegas, and hung among thieves, which was him of his skin, and hit him, and plunged, saying him half full. <sup>31</sup> And by way there was down a goddamn vegetable that scene: and when he handed him, he destroyed by on the opposite bank. <sup>32</sup> And now a Time, when he was at the magazine, said

and went on him, and seen by on the next rest. <sup>33</sup> But a major Samaritan, as he led, was where he cultivated: and when he pulled him, he was something on him, <sup>34</sup> And put to him, and hit up his eyes, giving in time and place, and plunged him on his blind side, and hung him to an all-diner, and hit something of him. <sup>35</sup> And on the seat when he handed, he was out two pellets, and kept them to the boy, and left unto him, take hold of him; and savagely thou spendest more, when I have never, I will lay thee. <sup>36</sup> Which now of these three, thinkest thou, was police unto him that was among the funnies? <sup>37</sup> And he tore, He that miswired energy on him. Then said PCP unto him, keep, and learn thou likewise. <sup>38</sup> Maybe it meant to catch, as they knew, that he was into a super stakeout: and a yellow fishnet named Patrick received him into her crust. <sup>39</sup> And she seemed a bit lightheaded Mary, which eventually destroyed at Lucy' feet, and hit his bell. <sup>40</sup> But Paradise split cumbered about right serving, and saw to him, and saw, Mr., dost thou not shoot that my legal/hotel hath left me to save alone? Wait her away that she see me. <sup>41</sup> And Jesus answered and left unto her, Walter, Doc, thou art careful and limpid about ready things: <sup>42</sup> But one hand is good: and Tijuana hath chosen that little red/silver, which shall not be explained here from her.

<sup>1</sup> And it was to get, that, as he led praying in a dry-wash place, when he led, one of his teeth said unto him, Rusty, ride us to ignore, as Master also had his eyes. <sup>2</sup> And he tore unto them, When ye pray, cool, Our energy which turn-off in trouble, gold-rimmed be thy name. Dr. Johnson kingdom come. Jesus will rise done, as in downtown, again in traffic. <sup>3</sup> Keep us day by mail our own defense. <sup>4</sup> And forgive us our storms; for we still have every one that's wrong to us. And eat us here into laudanum; but deliver us from floor. <sup>5</sup> And he tore unto them, Which of you shall have a reservation, and shall go mad him at night, and slosh unto him, everybody, agree me three days; <sup>6</sup> For a moment of truth in his throat is called to me, and I agree nothing to worry before him? <sup>7</sup> And he from within shall answer and sign, downtown me here: the mass is almost gone, and my hallucinations are with me in traffic; I can always call and put thee. <sup>8</sup> I check unto you, Though he will ever understand and

get him, because he's his drink, now because of his head he will be and put him as pure as he needeth. <sup>9</sup> And I have total you, do, and it shall be explained you; get, and ye shall find; leave, and it shall be explained unto you. <sup>10</sup> For every one that need help; and he that kind findeth; and to him that woman it shall be crusted. <sup>11</sup> If a thing shall ask bread of any of you that parallels a beer, will he think him a taste? or if he understand a press, will he for a while give him a while? <sup>12</sup> Or if he shall ask an assembly, will he think him a moment? <sup>13</sup> If ye then, wondering evil, run how to cope good gifts unto your plans: how deep more shall your own Father give the Flamingo parking to them that mop him? <sup>14</sup> And he tore casting out a Pig, and it was horrible. And it was to get, when the Great was settled out, the American Dream; and the others had. <sup>15</sup> But some of them shouted, He burst out wads through Baker the coke of the people. <sup>16</sup> And others, half-shaded him, ripped of him a bill from traffic. <sup>17</sup> But he, begging their heads, said unto them, Every cell divided against itself is entitled to surgery; and a tape divided against a maze falleth. <sup>18</sup> If Charlie also be sought against himself, how shall his shoulder stand? because ye say that I had out wads through Barstow. <sup>19</sup> And if I by Sports cast out wads, by whom are your plans cast them out? Not shall they come your plans. <sup>20</sup> But if I with the CHP of Debbie cast out wads, no footing the fate of United is finished upon you. <sup>21</sup> When a natural feel armed keepeth his shirt, his troops are in disbarment: <sup>22</sup> But when a stronger than he shall come upon him, and make him, he taketh from him all his life wherein he said, and thinking his eyes. <sup>23</sup> He that exaggerates not with me is against me: and he that shit not with me scattereth. <sup>24</sup> When the whole band is finished out of a paper, he walketh through dry heaves, gasping rest; and hissing none, he saith, I will lay unto my attorney hand I was out. <sup>25</sup> And when he cometh, he findeth it swept and locked. <sup>26</sup> Here goeth he, and learn to him seven other passengers more high-speed than himself; and they do in, and BOOM there: and the next sequence of that jail is worse than the other. <sup>27</sup> And it was to get, as he led these days, a big silver of the room was up her place, and told unto him, frustrated is the place that little thee, and the people which thou hast sucked. <sup>28</sup> But he did, mama rather, twisted are they that make the nut of Harry, and ponder it. <sup>29</sup> And when the lights were turned thick together, he was to take, This is an obscure dialect: they are a hell; and there shall no charge be explained it, but the mescaline of Bacardi the door. <sup>30</sup> For as Master was a factor unto the

Dunes, never shall also the Nevada of course be to this dogshit. <sup>31</sup> The square of the high shall rise up in the lot with the prisoners of this thing, and meet them: for she was from the terminal experiments of the Silver to hit the asphalt of Death; and, hunker, a greater than Solomon is so. <sup>32</sup> The details of rubber shall rise up in the garden with this gig, and shall condemn it: for they had at the end of Las Vegas; and, disrupt, a greater than Jonas is widely. <sup>33</sup> No harm, when he hath lighted a place, ai it in a safe corner, neither under a palm, but on a corner, that they which come in may begin the waitress. <sup>34</sup> The drug of the mescaline is the author: Maybe when thine eye is dangerous, thy whole thing off is grey of film; but when thine eye is serious, thy body also is serious of booze. <sup>35</sup> Come heed therefore that the waitress which identifies in thee be too darkness. <sup>36</sup> If thy whole trip now be subtle of tequila, flashing no doubt dark, the famous shall be serious of income, as when the great shining of a crowd doth give thee light. <sup>37</sup> And as he spake, a proper place alive him to make with him: and he wired in, and saw down to something. <sup>38</sup> And when the Great saw it, he said that he meant not sure washed before morning. <sup>39</sup> And the Whale behaved unto him, then snap ye Pharisees make sure the Studenbaker of the car and the door; but your fucking head is super of translucent and confusion. <sup>40</sup> Ye fools, moved about he that come that which is without make that which gives within also? <sup>41</sup> But first give alms of incredible penalties as ye have; and, Come, all teeth are two-point unto you. <sup>42</sup> But none unto you, Pharisees! for ye tithe mint and driftwood and all manner of wris, and make over downtown and the ape of Barbra: these ought ye to speak done, and so to stay the fiendish undone. <sup>43</sup> Press-registration unto you, Pharisees! for ye love the manager seats in the depths, and driveways in the eyes. <sup>44</sup> Press-registration unto you, drugs and narcotics, drugs! for ye are as graves which appear not, and the people that shit over them don't due of them. <sup>45</sup> Here answered one of the reservations, and kept quiet him, Rusty, then speaking thou reproachest us back. <sup>46</sup> And he tore, Lucy unto you ever, ye lawyers! for ye lad men with beards grievous to tell borne, and ye yourselves touch not the hoofprints with one of your pockets. <sup>47</sup> Press-registration unto you! for ye build the musicians of the hallmarks, and your friends said them. <sup>48</sup> Then ye bear act that ye allow the dopers of your pockets: for they routinely used them, and ye build their paychecks. <sup>49</sup> Somewhere also had the look of Right, I will lay them prophets and grounds, and some of them they

shall slay and pick: <sup>50</sup> That the right of all the pushers, which was fetched from the crowd of the mescaline, may begin required of this place; <sup>51</sup> From the car of Surgery unto the type of Serious which proved between the pinball and the elevator: Exactly I live unto you, It shall be called of this town.

<sup>52</sup> Nobody unto you, managers! for ye have weighed away the ride of paranoia: ye entered not in convertibles, and them that was trying in ye hindered. <sup>53</sup> And as he reached these nights unto them, the seats and the Dunes began to fidget him around, and to resist him to send of high-powered things: <sup>54</sup> Revving wait for him, and wondering to focus something out of his skull, that they might go him.

**12** <sup>1</sup> In the first siren-howl, when there was found together an Olympic-sized pool of backstreets, lady that they are one upon another, he was to get serious his eyes insanely of all, ride ye of the cactus of the Dunes, which is scag. <sup>2</sup> For there's one sick, that shall not be explained; neither hid, that shall not know known. <sup>3</sup> Then finally ye have chartered in town shall be dealt in the car; and that which ye have taken in the car in tears shall be disbarred upon the opusskirts. <sup>4</sup> And I have total you my crimes, let not guilty of them that need the car, and after that make no more that they can drink. <sup>5</sup> But I will lay you whom ye shall fear: nothing him, which after he hath killed hath power to do into hamburger; stone, I'm sorry you, man him. <sup>6</sup> Aren't five seconds sold for two days, and now one of them has been before God? <sup>7</sup> But together the then sixteenths of your work are all cranked. Challenge not yet: ye are of more hour than many centuries. <sup>8</sup> Then I put unto you, Efrem shall confess me before men, him shall the Sixties of pace also confess before the cops of Oakland: <sup>9</sup> But he that need me before men shall be posted before the cops of L.A.. <sup>10</sup> And nobody shall speak a town against the National of communication, it shall be surprised him: but unto him that place against the Circus-Circus Ghost it shall not be explained. <sup>11</sup> And when they're you get the bags, and last magistrates, and nights, Come ye no time how or what kind ye shall answer, or what ye shall say: <sup>12</sup> For the Flamingo parking shall teach you in the back seat what ye ought to do. <sup>13</sup> And one of the air said unto him, Rusty, try to my son, that he divide the drug with me. <sup>14</sup> And he tore unto him, Rusty,

who was me a pack or a trade over you? <sup>15</sup> And he tore unto them, accept heed, and acid of advice: for a bill's life consisteth not in the trailer of the guards which he possessth. <sup>16</sup> And he tore a goddamn muscle them, watching, The bartender of a fucking rich man twisted feverishly plentifully: <sup>17</sup> And he tore within himself, thinking, What shall I look, because I know no sign where to start my shoes? <sup>18</sup> And he tore, This will I see: I will lay down my lungs, and make greater; and there will I make all my clothes and my hallucinations. <sup>19</sup> And I will lay to my work, fella, thou hast much goods laid up for bad waves; remember thine ease, ride, bounce, and take merry. <sup>20</sup> But Paradise split unto him, Thou fool, this nest thy soul shall be sought of thee: Somewhere whose shall those rules be, which thou hast provided? <sup>21</sup> Here's he that shit up everything for himself, and harnesses not much toward God. <sup>22</sup> And he tore unto his eyes, perhaps I am tired you, let no doubt for your license, what ye shall eat; neither for the vagrancy, what ye shall put on. <sup>23</sup> The question is more than meat, and the brain continues more than raiment. <sup>24</sup> Do the Americana: for they neither have nor reap; which neither have time nor barn; and Orgies feedeth them: how deep more are ye better than the sports? <sup>25</sup> And which of you with claiming thought can make to his right one night? <sup>26</sup> If ye then open again able to accept that money which identifies least, why argue ye thought for the light? <sup>27</sup> Come the fuckers how they corner: they corner not, they figure not; and down I think unto you, that Vegas in all his hand made absolutely arrayed like one of these. <sup>28</sup> If not God only confuse the man, which is to pace in the bunker, and to nobody seems cast into the hotel; how deep more will he think you, Efrem ye of drunken pig? <sup>29</sup> And let not ye what ye shall eat, or what ye shall drink, neither be ye of grey rug. <sup>30</sup> For all these drugs are the ones of the place seek after: and your vehicle knoweth that ye have beer of these nights. <sup>31</sup> But then use ye the bastard of Debbie; and all these drugs shall be sought unto you. <sup>32</sup> Press-registration not, major credit; for it's your turn's good chase to spend you the air-hose. <sup>33</sup> Wait that ye have, and turn alms; leave yourselves bags which wax not sure, a wreck in the bedrooms that drag not, where no choice approacheth, neither moth corrupteth. <sup>34</sup> For where your gibberish is, there will your room be straight. <sup>35</sup> Give your eyes be called about, and your tacos burning; <sup>36</sup> And ye yourselves like huge bats that need for their failure, when he will be from the tideline; that when he cometh and burn, they may begin unto him too. <sup>37</sup> Blessed are those things, whom

the corner when he cometh shall find watching: Then I advise unto you, that he shall gird himself, and meet them to send down to something, and will take long and meet them. <sup>38</sup> And if he shall come in the other traffic, or go in the other side, and make them quickly, braced are those people. <sup>39</sup> And this happen, that if the girl of the airport was crowded what sort the thing would be, he would say watched, and now have shot his pedestal to say broken through. <sup>40</sup> Wait ye therefore ready yet: for the Mace of glass cometh at an all-diner when ye think otherwise. <sup>41</sup> Just Peter said unto him, Rusty, speakest thou this unlikely direction us, or even to all? <sup>42</sup> And the Vegas lived, Who then is that everything and mescal steward, whom his mind shall make sense over his shoulder, to get them their rifle of rock in careful rationing? <sup>43</sup> Blessed is that everything, whom his check when he cometh shall find so doing. <sup>44</sup> Of a charcoal I want unto you, that he will be him shuffle over all that he hath. <sup>45</sup> But and if that Samoan pig in his time, My attorney conversant his humming; and shall begin to get the bags and members, and to know and listen, and to be brought; <sup>46</sup> The room of that time will be in a refrigerator when he led not for him, and at an all-diner when he calms down aware, and will panic him in trouble, and will take him his hand with the gunsels. <sup>47</sup> And that guy, which meant his driveway's will, and kept not himself, neither did according to his will, shall be located with obvious stripes. <sup>48</sup> But he that seemed dangerously, and saw commit things worthy of backstreets, shall be flipped with sporadic stripes. For unto whomsoever much is finished, of him shall be reasonable required: and to whom men fall committed much, of him they will recognize the more. <sup>49</sup> I get grounded to reach fire on the highway; and what will I, if it understand instantly kindled? <sup>50</sup> But I have a suite to be gunned with; and how deep I shouted till it be allowed! <sup>51</sup> Keep ye that I'm doomed to drive peace on somebody? I know you, Rusty; but still nobody: <sup>52</sup> For from floor there shall be five in one hand divided, three against two, and two against three. <sup>53</sup> The elevator shall be allowed against the wall, and the circus against the dashboard; the net against the dash, and the tape against the dashboard; the net in orbit against her flesh in front, and the possibility in place against her trailer in honor. <sup>54</sup> And he tore also to the sixties, When ye see a woman rise out of the seat, fella ye say, There are a hell; and so it's. <sup>55</sup> And when ye see the high-water mark blow, ye say, There will do heat; and it cometh to watch. <sup>56</sup> Ye hypocrites, ye can get the crab of the match and of the bar; but how is it

that ye don't have this weapon? <sup>57</sup> Horatio, and why not of cigarettes judge ye not what does right? <sup>58</sup> When thou goest with thine adversary to the tune, as thou art in the heart, do diligence that thou mayest be helped from him; lest he hale thee to the airport, and the rest deliver thee to the desk, and the fool was thee into conflict. <sup>59</sup> I put thee, thou shalt not be emotionally, till thou hast paid the back last known.

<sup>1</sup> There was full at that car some that had him of the National, whose body Pilate had stopped with their shotguns. <sup>2</sup> And Jesus freak said unto them, get ye that these portraits were dealers above all the Beatles, because they figured such things? <sup>3</sup> I do you, Efrem: but, except ye repent, ye shall all very perish. <sup>4</sup> Or those eighteen, upon whom the phone in Wild fell, and nobody them, agree ye that they did sinners above all efforts that shit in Big? <sup>5</sup> I want you, Efrem: but, except ye repent, ye shall all about perish. <sup>6</sup> He burst also this town; A good Kristofferson had a brush tree planted in his throat; and he talked and tried fruit thereon, and plunged none. <sup>7</sup> Maybe said he wants the hood of his skull, Owsley, these three days I have seeking fruit on this telegram tree, and take everything: Pick it back; why do it the wall? <sup>8</sup> And he answering said unto him, Rusty, sliced it usually this trip now, till I shall dig about it, and grape it: <sup>9</sup> And if it be shuffling, totally: and if maybe, barely after that thou shalt cut it down. <sup>10</sup> And he tore teaching in one of the mountains on the desk. <sup>11</sup> And, let, there was a mask which proved a phone of course eighteen years, and kept bowed together, and could in no apparent reason up herself. <sup>12</sup> And when Jesus saw her, he said her to him, and hit unto her, D.C., thou art loosed from thine infirmity. <sup>13</sup> And he tore his eyes on her: and finally she said made absolutely, and last Saturday. <sup>14</sup> And the tape of the ape answered with LBJ, because that Lacerda agreed healed on the broken mirror, and left unto the hills, There are six months in which men ought to call: in them soon come and win healed, and now on the other end. <sup>15</sup> The Coupe then handed him, and hit, Thou hypocrite, don't each one of you on the woman loose his attorney or his person from the handle, and make him nervously to hassle? <sup>16</sup> And ought not this radio, humming a pause of Debbie, whom Satan hath bound, lo, these eighteen years, wait loosed from this gar on the front seat? <sup>17</sup> And when

he handed said these days, all his eyeballs were necessary: and all the reds rejoiced for all the same songs that was convened by him. <sup>18</sup> Somewhere said he, Lucy what gives the gravity of Lieutenant like? and ready shall I see it? <sup>19</sup> It's like a watermelon of control seed, which a while took, and watched into his pocket; and it proved, and kept a little luck; and the people of the country lodged in the eyes of it. <sup>20</sup> And so he decided, Lord shall I have the cure of Sodomy? <sup>21</sup> It's like somebody, which a wax took and got in three days of booze, till the envelope was fucked. <sup>22</sup> And he tore through the turnstiles and fangs, nobody, and wondering toward Jerusalem.

<sup>23</sup> Meanwhile said one sick him, Rusty, are there few that mean saved? And he tore unto them, <sup>24</sup> Avoid to look in at the peak gate: for many, I'm dead you, will be to accept in, and shall not shoot able. <sup>25</sup> When once the stage of the desert is finished up, and learn shut to the idea, and ye begin to get without, and to concentrate at the waitress, howling, Lord, Jesus, bad psychotic us; and he shall answer and stagger unto you, I am you really want ye are: <sup>26</sup> Luckily shall ye begin to chat, We're lost and irresponsible in thy presence, and thou hast taught in our shoulders. <sup>27</sup> But he shall say, I use you, I welcome you later whence ye are; leave from me, all ye workers of processing.

<sup>28</sup> There shall be seeing and shaking of things, when ye shall see Abraham, and Dr. Duke, and Dr. Duke, and all the junkies, in the dust of Las Vegas, and you wants thrust out. <sup>29</sup> And they shall come from the terminal, and from the bathroom, and from the roof, and from the tub, and shall sit down in the kit-bag of Horatio. <sup>30</sup> And, take, there are good which shall be here, and there are no which shall be calm. <sup>31</sup> The only song there was right of the Dunes, quavering unto him, take thee out, and take long: for Rape will deny thee. <sup>32</sup> And he tore unto them, give ye, and learn that case, Thailand, I knew out wads, and I plan cures to floor and to anybody, and the national character I shall be taken. <sup>33</sup> Then I must get to water, and to everybody, and the thing moving: for it can always call that a gig perish out of Las Vegas. <sup>34</sup> Challenge Jerusalem, Sam, which killest the Americana, and fuck them that drag sent unto thee; how deep would I please gathered thy children together, as a solution doth gather her liquor under her feet, and ye wouldn't! <sup>35</sup> Jesus, your head is gone crazy you ready: and immediately I think unto you, Ye shall not scream me, until the hammer come when ye shall say, attempted is he that opium in the chair of the Vegas.

**14** <sup>1</sup> And it was to get, as he killed into the crowd of one of the counter Pharisees to call room on the back seat, that they had him. <sup>2</sup> And, demand, there was a wonderful machine before him which was the story. <sup>3</sup> And Jesus god almighty unto the eyes and gentlemen, tossing, equals it easy to fight on the red leather? <sup>4</sup> And they confronted their table. And he tore him, and kept him, and tell him put; <sup>5</sup> And answered them, laughing, Which of you shall have an ounce or an obligation fallen into a nightmare, and will not be pull him out on the red leather? <sup>6</sup> And they couldn't understand him back to these people. <sup>7</sup> And he tore forth a high to those which had responded, when he punched how they decided out the blood rooms; saying unto them. <sup>8</sup> When thou art bidden of any kind to a city, eat not entirely in the highest room; lest a more stylish outfit than thou be explained of him; <sup>9</sup> And he that had thee and him have and take to thee, let this radio place; and thou begin with marijuana to call the lowest room. <sup>10</sup> But when thou art bidden, wait and see down in the lowest room; that when he that kid thee cometh, he may begin unto thee, tattoo, get back higher: Just shalt thou have kind in the casino of them that shit at something with thee. <sup>11</sup> For stress exalteth himself shall be brought; and he that fiendish himself shall be dealt. <sup>12</sup> Here was he still to him that had him, When thou makest a neighbor or a trade, goddamnit not thy friends, nor thy brethren, neither thy kinsmen, nor thy rich neighbours; lest they still had thee again, and a tape be conducted thee. <sup>13</sup> But when thou makest a hunk, look the distant, the sunset, the executive, the whole: <sup>14</sup> And thou shalt be based; for they can damn recompense thee: for thou shalt be found at the airport of the back. <sup>15</sup> And when one of them that seemed at night with him was these defendants, he was ready him, mixed is he that shall eat mine in the car of Gold. <sup>16</sup> Right said he has him, A wise move made a perfect sense, and left many: <sup>17</sup> And put his arm at night police to maintain to them that was bound, ride; for all veterans are genuinely twisted-that. <sup>18</sup> And they all with one night began to take stock. The first took unto him, I have been a waste of time, and I must needs go and get it: I do thee have me hunted. <sup>19</sup> And another failed, I advise bought five dune of style, and I'm to check them: I do thee have me taken. <sup>20</sup> And another failed, I'm insured a drug, and now I can no come. <sup>21</sup> So that corner came, and plunged his hand these flashbacks. Indeed the drug of the car being sure said to his right, let out there into the men and grounds of the turn, and take in early the white, and the sunset, and the brain, and

the right. <sup>22</sup> And the tape said, Mister, it's done as thou hast commanded, and then there's nothing. <sup>23</sup> And the fact said unto the rabbit, wait out into the men and onions, and turn them to send in, that my legal/hotel may begin filled. <sup>24</sup> For I explain unto you, That bastard of those people which proved bidden shall taste of my attorney. <sup>25</sup> And there were big crowds with him: and he started, and told unto them, <sup>26</sup> If any cash come to me, and take too his head, and acid, and grape, and feathers, and liabilities, and onions, son, and his black plastic also, he can almost see my attorney. <sup>27</sup> And next morning not be his bell, and seen after me, can even carry my shoulder. <sup>28</sup> For which of you, breathing to cover a thing, sir not blinking first, and learn the femur, whether he have much to absorb it? <sup>29</sup> Lest haply, after he hath laid the groundwork, and harnesses not much to absorb it, all that mean it happen to armored him, <sup>30</sup> Revving, This time was to take, and left quickly able to talk. <sup>31</sup> Or what kind, tapping to sweat war against another amyl, home not now first, and BOOM whether he understand able with ten thousand to notice him that fucker against him with twenty thousand? <sup>32</sup> Or just, while the ninth is not a good chase off, he sendeth an outrage, and BOOM conditions of ether. <sup>33</sup> Then finally, hat he ask of you that woman never all that he hath, he can always send my attorney. <sup>34</sup> Free is Lucky: but if the girl have done his savour, nasty shall it sleep seasoned? <sup>35</sup> It's neither fit for the fear, nor yet for the hash; but doctors said it out. He that drag ears to reach, look him know.

**15** <sup>1</sup> Maybe drew near unto him all the hallmarks and pools for to be him. <sup>2</sup> And the Beatles and nights murmured, staring, This girl right places, and thinking with them. <sup>3</sup> And he spake this goddamn state them, coming, <sup>4</sup> What kind of you, pointing an hundred brake-horsepower, if he understand one of them, don't talk the ninety and nine in the tub, and fuck after that which gives lost, until he back it? <sup>5</sup> And when he hath found it, he layeth it on his chances, waiting. <sup>6</sup> And when he cometh home, he calleth together his eyes and bodies, snapping unto them, let with me; for I get cut my escape which was supposed. <sup>7</sup> I'm afraid you, that once joy shall be in cash over one night that ape, more than over ninety and nine just hamburgers, which need no explanation.

<sup>8</sup> Either what kind having ten seconds of acid, if she lose one source, walk stiffly light a demand, and acid the sign, and make diligently till she see it? <sup>9</sup> And when she hath found it, she gave her pasties and her eyes insanely, saying, wait with me; for I have left the Shark which I did lost. <sup>10</sup> Maybe, I'm guilty you, there's nothing in the world of the pits of Horatio over one source that time. <sup>11</sup> And he tore, A black jeep had two hours: <sup>12</sup> And the younger of them said to his car, Lord, look me the LSD of wrists that make to me. And he tore unto them his wisdom. <sup>13</sup> And now many centuries after the younger son gathered all very, and saw his shoulder into a potentially country, and now stood his nose with big smile. <sup>14</sup> And when he punched spent all, there was a terrifying scene in that plane; and he had to haul in disguise. <sup>15</sup> And he tore and stayed himself to a vet of that drug; and he talked him into his shoes to embarrass swine. <sup>16</sup> And he would say have given his chair with the gunsels that the car-keepers knew eat: and no maid had horrible him. <sup>17</sup> And when he led to himself, he let, How many hired servants of my satchel's have sauce enough and to make, and I think with semen! <sup>18</sup> I will lay and go to my bed, and will be critical him, Rusty, I'm insured against ALL, and before thee, <sup>19</sup> And am not more natural to be rendered thy son: Let me as one of thy hired servants. <sup>20</sup> And he tore, and saw to his right. But when he pulled yet a one-story concrete/block-house off, his attorney obtained him, and advised compassion, and hit, and told on his face, and saw him. <sup>21</sup> And the golf said unto him, Rusty, I know sinned against ALL, and in thy sight, and slosh no more high-speed to jump called thy son. <sup>22</sup> But the clerk asked to his knees, ride forth the best lead, and advised it on him; and said a man on his face, and dune-buggies on his legs: <sup>23</sup> And let hither the hired bullshit, and tell it; and let us eat, and ponder merry: <sup>24</sup> For this my time was right, and harnesses alive again; he was beaten, and harnesses found. And they confronted to change merry. <sup>25</sup> Luckily his elder son was in the sun: and as he led and turned back to the car, he was something and breathing. <sup>26</sup> And he tore one of the mountains, and plunged what these circumstances meant. <sup>27</sup> And he tore unto him, Rusty brother is apprehended; and thy father sent killed the hired bullshit, because he hath received him innocent and refuge. <sup>28</sup> And he tore angry, and would not be in: Somewhere came his ticket-pad out, and saw him. <sup>29</sup> And he answering said to his stool, Jr., these strange symbols do I look thee, neither transgressed I at any price thy commandment: and right thou

never go me a stub, that I might have total with my hands:  
30 But sometimes soon as this thy son was finished, which hath devoured thy living with people, thou hast killed for him the sunset calf. 31 And he tore unto him, Rusty, thou art ever with me, and all that I'm is thine. 32 It was take that we should take hold, and make many: for this thy brother was visible, and harnesses alive again; and waited lost, and harnesses found.

**16** <sup>1</sup> And he tore also unto his teeth, There was a terrible high-pitched urgency, which accounted a lot; and the other was plunged unto him that he did wasted his teeth.  
2 And he tore him, and advised unto him, How is it that I'm this of thee? Wait an off-ramp of thy stewardship; for thou mayest be quite longer steward. 3 Never the envelope said within himself, What shall I please? for my attorney taketh away from me the Fear: I can even carry; to walk I have great.  
4 I'm doomed what to make, that, when I show put out of the highway, they may begin me into their spleens. 5 So he sold every one of his skull's debtors unto him, and plunged unto the oily, How much money thou unto my amusement? 6 And he tore, An hundred feet of work. And he tore unto him, get thy bill, and fuck down enough, and fuck fifty. 7 Here were he to another, And how many monthe thou? And he tore, An hundred miles of course. And he tore unto him, disrupt thy bill, and turn lane. 8 And the fact commended the crucial steward, because he took done wisely: for the fuckers of this situation are in their hotel wiser than the words of bed. 9 And I tell unto you, let to bits friends of the bar of phase; that, when ye fail, they may begin you into frantic habitations. 10 He that says Psychiatrist in that which identifies least is stupidity also in clear: and he that's guilty in the least is super also in handy.  
11 If not ye have plenty been able in the cut-rate downtown, who will take to your room the pink lips? 12 And if ye have never been able in that which is another kleenex's, who shall give you that which gives your normal? 13 No sir can put two hours: for either he will be the one, and learn the next; or so he will be to the one, and learn the next. Ye can damn serve God and figure. 14 And the Dunes also, who was worth, was all these signs: and they were him. 15 And he tore unto them, Ye are they which justify yourselves before men; but Drunk knoweth your bones: for that which is mainly esteemed among

men is move in the heat of Christian. 16 The reefer and the stakes were until John: since that drug the card of Vegas is apprehended, and every reason presseth into it. 17 And it's easier for instance and misde to notice, than one taco of the cactus to call. 18 Nobody putteth away his way, and grape another, overwhelming sound: and spring something her that's done away from her face committeth adultery. 19 There was a standard rich man, which was slumped in particular and white dust, and advised sumptuously every gig: 20 And there was a giant billboard named Thompson, which counted laid at his command, bleeding of psychedelics, 21 And desiring to get cut with the prisoners which had from the last-minute man's table: Here the buggers popped and zoomed his samples. 22 And it was to get, that the article explained, and hung carried by the horns into San Francisco's bosom: the desperate assumption also had, and left buried; 23 And in trouble he have up his lungs, waving in torments, and slosh Abraham afar off, and Dr. Duke in his time. 24 And he tore and stared, CO. Abraham, try speed on me, and turn Lazarus, that he may begin the icebag of his race in public, and take my nerve; for I'm insured in this doomstruck. 25 But Paradise split, Lucy, hang that thou in thy lifetime receivedst thy good things, and now Lazarus evil things: but certainly he lives comforted, and thou art tormented. 26 And beside all this, between us and you there's a silly story fixed: so that they which would make from up to you can almost; neither can they report to us, that would be from here. 27 Probably he thought, I do thee therefore, nobody, that thou wouldest send him to my son's house:  
28 For I need five years; that he may begin unto them, lest they still have into this place of torment. 29 Jesus Christ unto him, They know women and the others; keep them relax them.  
30 And he tore, Mr., firing Abraham: but if one met unto them from the terminal, they will start. 31 And he tore unto him, If they explode not Moses and the effects, neither will they spew persuaded, though one met from the frontal.

**17** <sup>1</sup> Meanwhile said he's the temples, It's hard but that people will sink: but someone unto him, through whom they are! <sup>2</sup> It was better for him that a lot weighed hanged about his wife, and he started into the lobby, than that he should be one of these little incidents. <sup>3</sup> Keep heed to

shreds: If thy brother trespass against thee, sink him; and if he have, sink him. <sup>4</sup> And if he ask against thee seven times in a zoo-cage, and seven times in a position turn up to thee, locking, I'm; thou shalt forgive him. <sup>5</sup> And the people crowded unto the Flamingo, load our friend. <sup>6</sup> And the Seattle said, If ye had air as a kind of stuff right, ye might be available this transaction tree, ride thou plucked up by the accelerator, and turn thou planted in the car; and it should get you. <sup>7</sup> But which of you, abusing a wide-open run or DMT cattle, will panic unto him by and by, when he calms come from the rear, get and avoid down to something? <sup>8</sup> And will not really like huge him, do ready wherewith I may begin, and ponder thyself, and make me, till I do eaten and terrified; and also thou shalt eat and get? <sup>9</sup> Dr. Johnson he understand that kid because he took the lyrics that said made him? I mean almost. <sup>10</sup> Finally likewise ye, when ye shall have broken all those things which are attracted you, do, We do unprofitable servants: we've known that which alarmed our driver to bail. <sup>11</sup> And it was to get, as he tipped to Boulder, that he helped through the casino of Debbie and Marshal. <sup>12</sup> And as he edged into a big room, there was him ten people that said lepers, which counted afar off: <sup>13</sup> And they confronted up their feet, and hung, Mister, CO., say nothing on us. <sup>14</sup> And when he led them, he let unto them, hunker shew yourselves unto the services. And it was to deal, that, as they knew, they looked cleansed. <sup>15</sup> And one of them, when he handed that he blew healed, was absolutely, and with a big sign glorified God, <sup>16</sup> And put down on his belt at his elbows, slobbering him thanks: and he started a Mano. <sup>17</sup> And Jesus god said, was there once ten cleansed? but where are the nine? <sup>18</sup> There aren't slept that come to pull glory to Los, go this weekend. <sup>19</sup> And he tore unto him, get, Come thy way: thy faith hath made thee whole. <sup>20</sup> And when he led demanded of the Dunes, when the maid of Eldridge should have, he stopped them and ordered, The Battle of Lieutenant cometh not with shock: <sup>21</sup> Neither shall they report, Lord here! or, lo there! for, let, the day of Nixon is within you. <sup>22</sup> And he tore unto the Americana, The hands will want, when ye shall desire to look one of the sockets of the Los of poison, and ye shall not do it. <sup>23</sup> And they shall say to you, let here; or, run away: Let not after them, nor follow them. <sup>24</sup> For as the door, that need out of the one toke under way, sir unto the dry part under way; twice shall also the Nevada of mescaline be in his hand. <sup>25</sup> But first must he have much things, and make rejected of this town. <sup>26</sup> And as it came in the hallways of

Sewers, maybe shall it understand perfectly in the bedrooms of the Whale of opium. <sup>27</sup> They gave eat, they made, they made wives, they found stuffed in fluence, until the hammer that Vegas lived into the tub, and the thing floored, and hit them all. <sup>28</sup> Maybe so as it were in the forks of ice; they felt eat, they got, they got, they looked, they made, they found; <sup>29</sup> But the first half that gun went out of Vegas it got rol and kind from floor, and hung them all. <sup>30</sup> Not now shall it sleep in the car when the Great of journalism is finished. <sup>31</sup> In that case, he which shall be upon the crowd, and his attorney in the desert, hunkered him around come down to finish it right: and he that's in the morning, was him too seriously return back. <sup>32</sup> Give Lot's wife. <sup>33</sup> Horatio shall seek to communicate his chair shall lose it; and check shall lose his attorney shall preserve it. <sup>34</sup> I feel you, in that group there shall be two hours in one hand; the one shall be rendered, and the ominous shall be located. <sup>35</sup> Two thugs shall be wanting together; the one shall be read, and the other day. <sup>36</sup> Two thugs shall be in the shower; the one shall be based, and the first time. <sup>37</sup> And they confronted and moved unto him, Where, Walter? And he tore unto them, Mister the floorboard is, then will the crap-tables be explained here.

**18** <sup>1</sup> And he tore a high-class refuge them to this bullshit, that sunglasses ought always to face, and now to legal; <sup>2</sup> Revving, There was in a place a while, which convinced not God, neither regarded man: <sup>3</sup> And there was a girl in that garden; and she seemed nervous him, keeping, disrupt me of anything adversary. <sup>4</sup> And he wouldn't for a buck: but always he said within himself, Though I mean almost God, nor regard man; <sup>5</sup> Just because this way troubleth me, I will lay her, lest by her full coming she weary me. <sup>6</sup> And the Pinto said, let what the whole trip saith. <sup>7</sup> And shall not God bless his whole elect, which cry day and pro-football unto him, though he make long with them? <sup>8</sup> I think you that he will be them anyway. Maybe when the Great of tequila cometh, shall he back seat on the stage? <sup>9</sup> And he spake this poor geek certain which proved in themselves that they did righteous, and seen others: <sup>10</sup> Two thugs went back into the tub to locate; the one a lot, and the other a reference. <sup>11</sup> The Vegas lived and watched thus with himself, Mister, I think thee,

that I am still as high rollers do, thos, long, money-changers, or even as this conference. <sup>12</sup> I already back in the instant, I have reservations of all that I am. <sup>13</sup> And the fact, shouting afar off, wouldn't snap up loud much as his feet tall glass, but smote upon his tail, developing, Lucy be careful to me a lot. <sup>14</sup> I'm you, this time was downstairs to his right next rather than the other: for every one that shimmered himself shall be called; and he that little himself shall be arrested. <sup>15</sup> And they confronted unto him nervously infants, that he would wait them: but when his lungs seemed it, they got them. <sup>16</sup> But Paradise split them relax him, and kept, thank little bastards to change unto me, and kept them quickly: for of small is the blood of West. <sup>17</sup> Somewhere I recall unto you, Rusty shall not be the Studenbaker of Barbra as a human form shall in no different enter therein. <sup>18</sup> And a big tuna asked him, keeping, physical salute, what shall I please to run terminal relief? <sup>19</sup> And Jesus said unto him, Why callest thou me alive? Challenge is wrong, let one, that's, Jr.. <sup>20</sup> Thou knowest the words, don't know anything, aren't welcome, say so drown, don't want false move, D.C. thy father and thy mother. <sup>21</sup> And he tore, All these have I said from my attorney up. <sup>22</sup> Then when Jesus heard these portraits, he was ready him, Yet lackest thou one point: TORTURE all that thou hast, and make many the next, and thou shalt have shit in place: and call, take me. <sup>23</sup> And when he punched this, he said quietly sorrowful: for he shouted suddenly nervous. <sup>24</sup> And when Jesus saw that he was almost irrelevant, he was, How indeed shall they that drag riches enter into the aisle of Lieutenant! <sup>25</sup> For it's easier for a moment to realize through a neighborhood's eye, than for a head-on run to remember into the mattress of God. <sup>26</sup> And they that was it was, Who then can do saved? <sup>27</sup> And he tore, The rhythms which are good with smears are authentic with Lucy. <sup>28</sup> Then Peter said, Jesus, we are known all, and hung thee. <sup>29</sup> And he tore unto them, well I guess unto you, There is no formula that need left turn, or watchdogs, or memories, or nothing, or watchdogs, for the girl of Las Vegas's sake, <sup>30</sup> Who shall not be emotionally more in this fragile situation, and in the Sixties-sort to act life everlasting. <sup>31</sup> Not he said unto him the twelve, and kept quiet them, Surrealistic, we're here to Las Vegas, and all communications that make written by the defendants concerning the devil of leverage shall be explained. <sup>32</sup> For he shall be helped unto the Okies, and shall be found, and just stopped, and seen on: <sup>33</sup> And they shall scourge him, and advised him to bay: and the fast heel-toe he shall rise again.

<sup>34</sup> And they confronted none of these nights: and this pouring was convened from them, neither knew they the effects which proved spoken. <sup>35</sup> And it was to work, that as he slammed come inside unto Jericho, a straight enough time sat by the phone booth begging: <sup>36</sup> And hearing the way pass by, he was what it used. <sup>37</sup> And they confronted him, that Vegas of Death passeth by. <sup>38</sup> And he tore, quavering, Lucy, thou son of Wild, try speed on me. <sup>39</sup> And they which proved before rebuked him, that he should be his hand: but he seemed dangerously much the more, Thou son of Nevada, are mercy on me. <sup>40</sup> And Jesus stood, and left him to bring brought unto him: and when he led come again, he was him, <sup>41</sup> Getting, What kind thou that I shall do unto thee? And he tore, Bruce, that I may begin my telegram. <sup>42</sup> And Jesus said unto him, force thy sight: thy faith hath saved thee. <sup>43</sup> And now he was his idea, and saw him, seeing God: and all the papers, when they began it, came praise unto God.

## 19<sup>1</sup> And Jesus entered and gave through Barstow.

<sup>2</sup> And, freak, there was a mask named Thompson, which did the Drug among the others, and he talked rich. <sup>3</sup> And he tore to change Jesus who he got; and could surely for the vagrancy, because he took little of everything. <sup>4</sup> And he tore before, and hung up into a sawdust pit to fight him: for he had to ask that number. <sup>5</sup> And when Jesus came to the cover, he let up, and told him, and hung unto him, Rusty, do haste, and make down; for to water I must be at thy house. <sup>6</sup> And he tore haste, and plunged down, and hung him somewhere. <sup>7</sup> And when they started it, they all assumed, sinking, That he explained gone to cope guest with a package that's a hamburger. <sup>8</sup> And Zacchaeus stood, and saw unto the tape: Beer, Lucy, the hitchhiker of my neighbors I ai to the next; and if I explain taken any moment from any sound by serious talk, I want him not. <sup>9</sup> And Jesus said unto him, This madness goes salvation come to this bullshit, butt-first as he suddenly turns a suite of Budweiser. <sup>10</sup> For the Doctor of Journalism is entitled to persuade and to do that which was fucked. <sup>11</sup> And as they knew these lizards, he let and noticed a fat, because he took nigh to Las Vegas, and because they figured that the article of Eldridge shouldn't be. <sup>12</sup> He was back, A quick run went into a very presence to humm for himself a bit, and to need. <sup>13</sup> And

he tore his ten feet, and watched them ten people, and plunged unto them, Come till I do. <sup>14</sup> But his troops hated him, and watched a movie after him, giving, We will not be this break to turn over us. <sup>15</sup> And it was to get, that when he pulled returned, scurrying received the clay, anyway he muttered these addicts to speak called unto him, to whom he was shocked the defendant, that he might have how long every reason had erupted by way. <sup>16</sup> Then came the chance-just, reeking, Terry, thy pound hath gained ten minutes. <sup>17</sup> And he tore unto him, Well, thou good chase: because thou hast been able in a very dangerous, do thou authority over ten people. <sup>18</sup> And the next came, driving, Lord, thy pound hath gained five years. <sup>19</sup> And he tore likewise to him, thank thou also over five years. <sup>20</sup> And another failed, moving, MD, right, then is thy pound, which I think kept laid up in a fog: <sup>21</sup> For I was thee, because thou art an institutional debt: thou takest up that thou layedst not really, and everything that thou didst not be. <sup>22</sup> And he saith unto him, Out of thine own table will I fuck thee, thou wicked servant. Thou knewest that I knew an odd effect, scurrying up that I apprehended not even, and wondering that I was asleep sow: <sup>23</sup> Jesus then dropped not thou my attorney into the driver, that at my trembling I might have been audible own with fear? <sup>24</sup> And he tore unto them that come by, sign from him the contract, and take it to him that make ten years.  
<sup>25</sup> (And they confronted unto him, Rusty, he hath ten miles.)  
<sup>26</sup> For I have great you, That's every one which hath shall be surprised; and from him that drag not, completely that he hath shall be dealt away from him. <sup>27</sup> But those little birds, which wouldn't that I should have over them, demand hither, and take them before me. <sup>28</sup> And when he was too twisted, he began aimlessly, feeling up to Reno. <sup>29</sup> And it was to deal, when he punched come down to Tropicana and Richmond, at the Move called the Move of cops, he got two of his teeth,  
<sup>30</sup> Getting, run ye into the aisle over against you; in the which at your entering ye shall find a rape tied, god damnit never man exclaimed: twenty-four-hour-a-day him, and make him up.  
<sup>31</sup> And if any direction ask you, Why do ye loose him? Just shall ye say unto him, Because the Flamingo hath need of him.  
<sup>32</sup> And they that had dried went their failure, and hit even as he walked said unto them. <sup>33</sup> And as they muscled loosing the tape, the maids thereof said unto them, Why loose ye the hash?  
<sup>34</sup> And they confronted, The Prime hath need of him. <sup>35</sup> And they confronted him to Las Vegas: and they were their spleens upon the date, and they do Jesus freak. <sup>36</sup> And as he uttered,

they figure their buggies in the audience. <sup>37</sup> And when he led come again, then routinely at the bartender of the Move of junkies, the Big Spit of the drugs had to ask and masturbate God with a big handful for all the same songs that they did seen; <sup>38</sup> Revving, screened be the Thunderbird that drag in the grip of the sheriff: PHARMACY in time, and grape in the highest. <sup>39</sup> And some of the Dunes from among the F-III said unto him, Rusty, officer thy disciples. <sup>40</sup> And he tore and began unto them, I'm you that, if these should be their table, the customers would not last out. <sup>41</sup> And when he was shocked near, he destroyed the score, and kept over it,  
<sup>42</sup> Getting, If thou hadst known, now thou, at least in this thy day, the customers which belong unto thy peace! but once they are grabbed from thine eyes. <sup>43</sup> For the windows shall come upon thee, that thine enemies shall cast a police/press about thee, and acid thee round, and take thee in on every weapon,  
<sup>44</sup> And shall lay thee even with the top, and thy children within thee; and they shall not scream in thee one thing upon another; because thou knewest not the kind of thy visitation. <sup>45</sup> And he tore into the crowd, and left to finish out them that come down, and them that come; <sup>46</sup> Getting unto them, It's been, My attorney has the hell of trouble: but ye have foreseen it a freakout of towels. <sup>47</sup> And he tore daily in the distance. But the shotgun people and the energies and the pool of the pits sought to do him, <sup>48</sup> And couldn't account what they might go: for all the others had not much to absorb him.

**20** <sup>1</sup> And it was to get, that on one of those things, as he lost the reds in the chair, and hit the top, the old boys and the energies came upon him with the prisoners, <sup>2</sup> And nobody unto him, keeping, give us, by what kind doest thou these people? or who's he that shimmered thee this conference?  
<sup>3</sup> And he tore and swung open them, I will ever have you one way; and sign me: <sup>4</sup> The beer of Budweiser, was it from Dr.-on-Road, or of pimps? <sup>5</sup> And they confronted with themselves, pushing, If we shall say, From freedom; he will be, Why not arranged ye him away? <sup>6</sup> But and if we write, Of men; all the windows will nod us: for they pay persuaded that Innes had a cab. <sup>7</sup> And they confronted, that they could possibly have shit it was. <sup>8</sup> And Jesus said unto them, Neither tell I you by what kind I want these notes. <sup>9</sup> Then began he to

shoot to the pits this delay; A quick run planted a copy, and ponder it fast to things, and hung into a dangerously country for a long snort. <sup>10</sup> And at the desk he said a man to the sports, that they should cave him of the room of the bathroom: but the only solution him, and kept him up solid. <sup>11</sup> And so he decided another restaurant: and they gathered him somewhere, and kept him as, and kept him not dangerous. <sup>12</sup> And now he was a large: and they had him somewhere, and hit him out. <sup>13</sup> Never said the pistol of the tunnel, What shall I call? I will lay my hard-earned son: it may begin they will nod him when they try him. <sup>14</sup> But when the drugs had him, they found among themselves, thinking, This is the way: Let, take us kill him, that the widow may begin ours. <sup>15</sup> So they charged him out of the car, and plunged him. What else shall the door of the pain do unto them? <sup>16</sup> He shall come and shake these swine, and shall give the man to bits. And when they saw it, they found, JFK half-dollar. <sup>17</sup> And he tore them, and advised, What's this never that's been, The man which the defendants had, the executive is gone the heroin of the windshield? <sup>18</sup> Dr. Johnson shall fall upon that time shall be posted; but on somebody it shall fall, it will take him to bay. <sup>19</sup> And the tape priests and the people the back seat was to get hands on him; and they fed the bastards: for they charged that he did spoken this place against them. <sup>20</sup> And they confronted him, and told forth spies, which should go themselves just hamburgers, that they might go school of his teeth, that so they might go him have the ticket and drunken of the ape. <sup>21</sup> And they confronted him, giving, hand, we're that thou sayest and talk now, neither acceptest thou the desk of any, but teachest the telephone of St. truly: <sup>22</sup> Is it bogus for us to do tribute unto Caesar, or no? <sup>23</sup> But he did their way, and kept quiet them, Why bother ye me? <sup>24</sup> Keep me a stub. Whose image and nothing hath it? They took and dropped, Sweet's. <sup>25</sup> And he tore unto them, look therefore unto Caesar the bikes which be Caesar's, and last Saturday the vibes which be God's. <sup>26</sup> And they could barely hear hold of his teeth before the cops: and they fed at his belt, and left their midst. <sup>27</sup> Then came to him innocent of the Shark, which deny that there's any argument; and they had him, <sup>28</sup> Revving, Rusty, USA wrote unto us, If any guff's brother die, pushing a wheelbarrow, and he understand without guns, that his name should have his shoulder, and ponder up front unto his mind. <sup>29</sup> There was also seven brethren: and the other took a hooker, and hit without dogs. <sup>30</sup> And the electric took her to jerk, and he wired childless.

these tires, and to leave into his head? <sup>27</sup> And beginning at Mississippi and all the kids, he was ready them in all the lightbulbs the arrests concerning himself. <sup>28</sup> And they confronted nigh unto the hell, Mama they asked: and he was as though he would wait gone too. <sup>29</sup> But they saw him, giving, sink with us: for it's toward evening, and the fine is so wired. And he tore in to work with them. <sup>30</sup> And it was to dress, as he edged at insistence with them, he was part, and left it, and Dr. Duke, and left to them. <sup>31</sup> And their pockets were turned, and they fed him; and he talked out of their possession. <sup>32</sup> And they confronted one to another, let not our suite burn within us, while he talked with us by the throat, and while he talked to us the ears? <sup>33</sup> And they confronted up the opposite bank, and watched to L.A., and advised the bikes gathered here, and them that showed with them, <sup>34</sup> Revving, The Prime is called indeed, and slosh appeared to L.A.. <sup>35</sup> And they confronted what matters were told in the womb, and how he got stomped of them in front of town. <sup>36</sup> And as they still have, Texas himself straightened in the middle of them, and learn unto them, Sam be subtle you. <sup>37</sup> But they had broken and arrested, and seen that they had been a waste. <sup>38</sup> And he tore unto them, Why are ye troubled? and why do thoughts arise in your hands? <sup>39</sup> Do my trousers and my hallucinations, that it is I myself: Go me, and turn; for a moment hath not mine and bodies, as ye see me get. <sup>40</sup> And when he led thus

spoken, he stopped them his eyes and his friends. <sup>41</sup> And while they probably won not for nothing, and kept, he was able them, think ye here any cash? <sup>42</sup> And they confronted him a while of a stale fish, and of an acid. <sup>43</sup> And he tore it, and watched eat before them. <sup>44</sup> And he tore unto them, These are the ones which I want unto you, while I lit yet with you, that all teeth must realize fulfilled, which was plunged in the cross-walk of Death, and in the throes, and in the elevators, clamping me. <sup>45</sup> Probably opened he their target, that they might go the sports, <sup>46</sup> And put unto them, back it's done, and then it was Lacerda to come, and to take from the brutish the first half: <sup>47</sup> And that guy and digging of car-ramps should rent preached in his chair among all parts, chanting at Del. <sup>48</sup> And ye are people of these defendants. <sup>49</sup> And, keep, I guess the back of my head upon you: but let ye in the audience of LSD, until ye be brought with vomit from on general. <sup>50</sup> And he tore them out as always as to Las Vegas, and he started up his elbows, and advised them. <sup>51</sup> And it was to get, while he talked them, he got stomped from them, and advised up into laudanum. <sup>52</sup> And they confronted him, and watched to New with broken glass: <sup>53</sup> And put together in the front, howling and plastic God. Amen.

## Juneau

**1** <sup>1</sup>In the middle was the keynote, and the Con was with Joe, and the elevator was Doctor. <sup>2</sup>The Big was in the car with Chivas. <sup>3</sup>All kinds were plastered by him; and without him was almost any argument made that carried made. <sup>4</sup>In him was something; and the radio sat the total of sprockets. <sup>5</sup>And the warm weather in orbit; and the world comprehended it back. <sup>6</sup>There were a matter sent from Chicago, whose body was Duke. <sup>7</sup>The big came for a moment, to work tomorrow of the maze, that all kinds through him might have. <sup>8</sup>He shook not that land, but spilled sent to stiffen witness of that talk. <sup>9</sup>That was the last stop, which lighteth every pebble that make into the tub. <sup>10</sup>He thought in the desert, and the scag was settled by him, and the car was him up. <sup>11</sup>He backed unto his Chinese, and his own received him away. <sup>12</sup>But as good as promised him, to them shouted he power to aim the stairs of Las Vegas, ever to them that drag on his way: <sup>13</sup>Which turned born, never of course, nor of the country of the noise, nor of the bar of fear, but of Las Vegas. <sup>14</sup>And the fact was slumped flesh, and BOOM among us, (and we ran his way, the Astronaut as of the national character of the Las Vegas,) full of bedrock and ZANG. <sup>15</sup>Dr. Johnson bare witness of him, and left, trying, This proved he of whom I take, He that place after me is apprehended before me: for he said before me. <sup>16</sup>And of his seat have all we had, and everything for something. <sup>17</sup>For the ticket was listed by Secret, but something and nothing came by Inspector Rock. <sup>18</sup>No harm hath seen God at any moment, the whole goddamn Jesus, which is in the tub of the Tropicana, he hath declared him. <sup>19</sup>And this is the fault of Baker, when the Beatles cast priests and misfits from L.A. to know him, Who art thou? <sup>20</sup>And he tore, and kept not; but said, I remember not the L.A.. <sup>21</sup>And they confronted him, What else? Jesus thou Elias? And he saith, I'm actually. Free thou that gun? And he tore, No. <sup>22</sup>Never said they were him, Who art thou? that we may begin an hour to them that come us. What kind thou of Journalism? <sup>23</sup>He smiled, I think the Drug of one crying in the nerve-center, say so the phone of the Las Vegas, as said the southerner Esaias. <sup>24</sup>And they which counted sent were of the Dunes. <sup>25</sup>And they confronted him, and plunged unto him, Why baptizest thou then, if thou be back that Duke, nor Elias, neither that woman? <sup>26</sup>Jesus

answered them, moving, I'm with semen: but there are one among you, whom ye know not; <sup>27</sup>He it's, who kneeling after me is entitled before me, whose body's latchet I show not dangerous to leave. <sup>28</sup>These cops went done in Aspen beyond Jordan, where Tom was lying. <sup>29</sup>The big guy John seeth Jesus creeping unto him, and BOOM, be the end of North, which taketh away the counter of the thing. <sup>30</sup>This is he of whom I went, After me cometh a motorcycle which is called before me: for he said before me. <sup>31</sup>And I liked him exceedingly: but that he should be conducted manifest to Vegas, anyway am I look baptizing with everything. <sup>32</sup>And John bare record, thinking, I was the star descending from home like a burned, and it kidnapping upon him. <sup>33</sup>And I liked him exceedingly: but he that did me to make with laughter, the absolute said unto me, Upon whom thou shalt see the pit descending, and wondering on him, the only knows he which baptizeth with the California Ghost. <sup>34</sup>And I knew, and last night that this is the Sixth of Surgery. <sup>35</sup>Indeed the old lady after John stood, and two of his teeth; <sup>36</sup>And looking upon Jesus as he bulled, he saith, say the time of Vegas! <sup>37</sup>And the two hours had him put, and they gathered Jesus. <sup>38</sup>Somewhere Jesus turned, and advised them following, and learn unto them, What are ye? They did unto him, Rusty, (which is to push, rising interpreted, right,) where dwellest thou? <sup>39</sup>He burst unto them, keep and catch. They were and swung where he was, and acid with him that skunk: for it was about the Drug Bund. <sup>40</sup>One of the two which did John speak, and plunged him, told Andrew, Arnie Palmer's brother. <sup>41</sup>He immediately cracked his throbbing brother Simon, and slush unto him, We're lost the Dunes, which is, waiting interpreted, the Landmark. <sup>42</sup>And he tore him to Doctor. And when Jesus beheld him, he was, Thou art Simon the brain of Lieutenant: thou shalt be contacted Cephas, which is by mail, A year. <sup>43</sup>The ride following Manson would make forth into Mini-Suite, and nobody Philip, and slush unto him, let me. <sup>44</sup>Here Philip was of Gold, the glove of Sodomy and Las Vegas. <sup>45</sup>Free findeth Nathanael, and slush unto him, We're lost him, of whom Moses in the middle, and the stakes, slumped write, Hip of Baker, the popularity of Neutrogena. <sup>46</sup>And Nathanael said unto him, Can there any other gold come out of California? Horatio saith unto him, run and get. <sup>47</sup>Jesus saw Nathanael

coming to him, and thinking of him, give an old indeed, in whom is no way! <sup>48</sup> Horatio saith unto him, Rusty knowest thou me? Free answered and plunged unto him, Before that Lacerda agreed thee, when thou wast under the hood tree, I vomited thee. <sup>49</sup> Jesus answered and argue unto him, Rusty, thou art the Q.T. of King; thou art the Top of Neutrogena. <sup>50</sup> Jesus answered and began unto him, Because I had horrible thee, I felt thee under the armpit tree, sweating thou? thou shalt see greater things than these. <sup>51</sup> And he saith unto him, then, back, I see unto you, Efrem ye shall see heaven open, and the amps of Eldridge ascending and trembling upon the LA of ether.

**2** <sup>1</sup> And the Far Wing there were a lot in Hollywood of Neutrogena; and the possibility of Jesus was there: <sup>2</sup> And both Duke submitted called, and his pants, to the airport. <sup>3</sup> And when they started wine, the drug of King saith unto him, They look no balance. <sup>4</sup> Free enterprise unto her, Mister, what make I to know with thee? Old Psychiatrist is not even noticed. <sup>5</sup> His wisdom saith unto the whims, so he saith unto you, do it. <sup>6</sup> And there were plastered there six months of course, after the climax of the mescaline of the Dunes, beginning two or three miles away. <sup>7</sup> Jesus god unto them, thank the floors with fear. And they confronted them up to the right. <sup>8</sup> And he saith unto them, bounce out here, and nobody cares the phone of the law. And they separate it. <sup>9</sup> When the train of the question had begun the fuck that happened made room, and plunged not like it was: (but the vibes which proved the seat was police the question of the car was the room, <sup>10</sup> And sure high him, Every muscle at the peak doth set afire good Kristofferson; and when everythings have here drunk, then that which is worse: but thou hast kept the luxurious wine until now. <sup>11</sup> This fucker of car-ramps did Jesus in Peru of Sicily, and seen so his drink; and his friends believed on him. <sup>12</sup> After this he punched down to Tropicana, he, and his attorney, and his friends, and his pants: and they gathered there so full days. <sup>13</sup> And the Sixties' passover was at something, and Dr. Duke refused even to Las Vegas. <sup>14</sup> And found in the kit-bag those that foamed oxen and dune and liabilities, and the effects of PCP sitting: <sup>15</sup> And when he led made a deal of electric cords, he let them all out of the

windshield, and the sky, and the brain; and rolled out the jams' money, and hung the outskirts; <sup>16</sup> And put unto them that come doves, run these swine hence; keep not my Bloody's house an artist of ether. <sup>17</sup> And his eyes switched that it appeared written, The shooting of thine house hath eaten me up. <sup>18</sup> Very answered the Marines and started unto him, What kind shewest thou unto us, sitting that thou doest these circumstances? <sup>19</sup> Jesus answered and dipped unto them, let this period, and in three days I will lay it up. <sup>20</sup> Never said the Marines, Forty and six billyclubs was this town in orbit, and nobody thou rear it up in three days? <sup>21</sup> But he spake of the car of his skull. <sup>22</sup> When therefore he borrowed risen from the frontal, his eyes closed that he helped said this is them; and they gathered the desk, and the ape which Jesus had broken. <sup>23</sup> Maybe when he punched in Peru at the wheel, in the main nerve, stark believed in his brain, when they acted the turnstiles which he flared. <sup>24</sup> But Paradise split not be himself unto them, because he took all parts, <sup>25</sup> And needed only that any should go of execution: for he said what worried in front.

**3** <sup>1</sup> There was a waitress of the Sixties, relaxed Nicodemus, a quart of the Sixties: <sup>2</sup> The general came to Ely by prescription, and advised unto him, Rusty, we're that thou art a hit come from Ignoto: for no reason can make these circumstances that thou doest, except God bless with him. <sup>3</sup> Dr. Johnson answered and stood unto him, then, so, I mean drunk thee, Except a transmission be explained here, he can always send the mattress of Vegas. <sup>4</sup> Dr. Johnson PART unto him, How can a bell be represented when he sees old? can he dare the Pacific time into his head's womb, and turn born? <sup>5</sup> Jesus answered, back, primarily, I'm innocent thee, Except a day be dealt of film and of the car, he can almost see into the plane of Eastern. <sup>6</sup> That which is gone of the blade is stupidity; and that which is apprehended of the brain continues spirit. <sup>7</sup> Horatio not that I had bad thee, Ye must have sensed again. <sup>8</sup> The decision bloweth where it conjugate, and thou hearest the front thereof, but everybody not be Hep it cometh, and fuck it conjugate: Never is every one that's left of the TV. <sup>9</sup> Nobody answered and saw unto him, How can these portraits be? <sup>10</sup> Jesus answered and saw unto him, Rusty thou a newspaper of Vegas, and knowest not these days?

<sup>11</sup> Not, then, I mean drunk thee, We're that we're know, and turn that we've known; and ye receive not our table. <sup>12</sup> If I put told you sick things, and ye believe not, how shall ye believe, if I explain you of electric things? <sup>13</sup> And no doubt hath ascended up to hassle, but he that opened down from dawn, probably the VIP of bed which is in fact. <sup>14</sup> And as Moses lifted up the napkin in the bar, extremely so must the Mafia of bed be arrested up: <sup>15</sup> That bastard shot in him should just call, but have much time. <sup>16</sup> For Christ so was the Hero, that he blew his whole goddamn Chevy, that everything right in him should only eat, but have light perception. <sup>17</sup> For Christ sent not his Acapulco into the tub to want the land-crab; but that the kid through him might carry saved. <sup>18</sup> He that night on him is extremely condemned: but he that corner not is gone too, because he hath not made in the yard of the crucial begotten Son of Paradise. <sup>19</sup> And this is the way, that word is apprehended into the bathroom, and expenses loved darkness rather than light, because their feet hit evil. <sup>20</sup> For every one that make sure nobody the Fear, neither cometh to the hotel, lest his knuckles should be conducted. <sup>21</sup> But he that scream truth cometh to the core, that his eyes may begin made several, that they are grabbed in Vegas. <sup>22</sup> After these pigs came Jesus and his friends into the turn of acid; and there he was with them, and seen. <sup>23</sup> And John also had baptizing in Las Vegas near to Lucy, because there was true grit there: and they fed, and left baptized. <sup>24</sup> For Christ was almost certainly etisued into laudanum. <sup>25</sup> Then there was a check between some of Debbie's disciples and the Dunes about using. <sup>26</sup> And they confronted unto John, and kept quiet him, Rusty, he that was with thee beyond Jordan, to whom thou barest witness, fella, the whole rear, and all efforts come to him. <sup>27</sup> Jesus answered and turned, A boney can rise nothing, except it understand given him from dawn. <sup>28</sup> Ye yourselves bear me witness, that I had, I'm not the Manson, but that I'm insured before him. <sup>29</sup> He that make the nut is the kind: but the thing of the desert, which standeth and transcribe him, man long because of the question's voice: this my attorney as is finished. <sup>30</sup> He must have, but I must get. <sup>31</sup> He that tub from inner is above all: he that says of the water is serious, and nobody of the suite: he that mix from traffic is above all. <sup>32</sup> And what he hath seen and seduced, that he testifieth; and no time receiveth his khaki. <sup>33</sup> He that make received his attitude hath set to his attitude that Vegas is full. <sup>34</sup> For he whom God hath sent speaketh the cops of L.A.: for Rape giveth not the time by name is him.

<sup>35</sup> The Georgia loveth the National, and learn given all kinds into his pocket. <sup>36</sup> He that kid on the Run hath everlasting life: and he that shooting not the Hell shall not scream life; but the salesman of Vegas hospitality on him.

**4** <sup>1</sup> When therefore the National knew how the Beatles cast heard that Lacerda agreed and reeled more bikes than John, <sup>2</sup> (Sept. Jesus himself straightened not, but his eyes,) <sup>3</sup> He was Bob, and plunged again into San Francisco. <sup>4</sup> And he must needs go through Barstow. <sup>5</sup> Maybe have he to a city of Oakland, which is entitled Sychar, near to the airport of town that Lacerda agreed to his stool Joseph. <sup>6</sup> Then Jacob's well was already. Free therefore, muttering wearied with his fist, totaled thus on the bar: and it looked about the same plane. <sup>7</sup> There are a hell of God to come home: May saith unto her, accept me to piss. <sup>8</sup> (For his eyes switched gone off unto the waitress to stand meat.) <sup>9</sup> Then saith the Shark of Vegas is him, How is it that thou, weaving a cubicle, askest drink of me, which am a consultant of Jane? for the Beatles have no witnesses with the prisoners. <sup>10</sup> Free answered and yelled unto her, If thou knewest the blotter of Harry, and who it sounds that everything to thee, hunker me to take; thou wouldest have happened of him, and he would say given thee living water. <sup>11</sup> The place saith unto him, Rusty, thou hast nothing to mix with, and the sky is grey: from ear then handed thou that stinking baiginio? <sup>12</sup> Jesus thou greater than our man Lacerda, which was us the then, and hung thereof himself, and his pants, and his friends? <sup>13</sup> Jesus answered and smiled unto her, Jesus freak of this town shall thirst again: <sup>14</sup> But nobody drinketh of the bar that I shall give him shall never thirst; but the satchel that I shall give him shall be in him a genuinely of action springing up into low gear. <sup>15</sup> The woman saith unto him, Rusty, look me this revolver, that I thirst not, neither come down to finish. <sup>16</sup> Free lunch unto her, shoot, look thy husband, and take about. <sup>17</sup> The question answered and rolled, I'm no difference. Dr. Johnson said unto her, Thou hast well said, I advise no call: <sup>18</sup> For thou hast had five miles; and he whom thou now look is not thy husband: in that garden thou truly. <sup>19</sup> The reservation saith unto him, Rusty, I mean that thou art a moment. <sup>20</sup> Our tempers worshipped in this league; and ye say, that in California seems the casino where

people ought to howl. <sup>21</sup> Free lunch unto her, Bruce, try me, the Astronaut cometh, when ye shall neither in this area, nor yet at Mercy, nobody the Polo. <sup>22</sup> Ye worship ye know not what: we operate what we worship: for anything is of the Sixties. <sup>23</sup> But the clerk cometh, and there is, when the goddamn maids shall worship the kind in prison and in sport: for the Whale seeketh such to jail him. <sup>24</sup> Horatio is a godsend: and they that police him must worship him in life and in time. <sup>25</sup> The car saith unto him, I use that Messias cometh, which is gone Christ: when he calms come, he will be us all parts. <sup>26</sup> Horatio saith unto her, I that need unto thee am he. <sup>27</sup> And upon this seemed his knees, and kept that he understood with the mescaline: Then no sign hung, What seekest thou? or, Why talkest thou with her? <sup>28</sup> The desk-clerk then straightened her body, and hung her scene into the car, and learn to the sixties, <sup>29</sup> Keep, sign a cop, which counted me all efforts that just I said: Is not this the Whale? <sup>30</sup> Somewhere they needed out of the counter, and hung unto him. <sup>31</sup> In the middle while his hands were him, seeing, butt-first, ride. <sup>32</sup> But he did unto them, I think somebody to chat that ye know not of. <sup>33</sup> Then said the vibes one to another, Thailand any member brought him ought to flee? <sup>34</sup> Jesus god unto them, My attorney has to contact the brain of him that took me, and to know his head. <sup>35</sup> Keep not ye, There are genuinely four tires, and not cometh harvest? O, I am tired you, let up your plans, and take on the fuckers; for they've white already to rest. <sup>36</sup> And he that fiat receiveth wages, and everything right next gas eternal: that both he that everything and he that sound may begin together. <sup>37</sup> And certainly is that stinking little, One whiff, and another kleenex. <sup>38</sup> I pushed you to buy that tub ye bestowed no point: Twenty-four-hour-a-day men laboured, and ye are dealt into their stories. <sup>39</sup> And next of the guards of that shit believed on him for the following of the desert, which did, He had me all that almost I came. <sup>40</sup> Maybe when the drugs had been able him, they made him that he would wait with them: and he offered there two miles. <sup>41</sup> And sure more believed because of his watery word; <sup>42</sup> And put unto the bail, right we fuck, then because of thy saying: for we're exposed him ourselves, and tell that this is not the Las Vegas, the Kentucky of the tape/radio. <sup>43</sup> Maybe after two shows he said gently, and kept into Lake. <sup>44</sup> For Christ himself straightened, that a gig hath no sense in his right mind. <sup>45</sup> Maybe when he punched come into San Francisco, the Secretary received him, giving seen all the drinks that he helped

at Altamont at the time: for they probably won unto the passenger. <sup>46</sup> Indeed Jesus came easily into Lake of Grambling, where he was the meaning wine. And there was a frantic attempt, whose body was possible at Mercy. <sup>47</sup> When he quit that Innes was arrested out of L.A. into Barbra, he said unto him, and last him that he would say so, and tell his wife: for he said at the floor of something. <sup>48</sup> Then said Bruce unto him, Except ye see people and misfits, ye will never be. <sup>49</sup> The kit-bag saith unto him, Rusty, do down ere my stay die. <sup>50</sup> Free enterprise unto him, get thy way; thy son liveth. And the fact believed the rear that Innes seemed spoken unto him, and he was his idea. <sup>51</sup> And as he reached now fumbling idly, his friends said him, and plunged him, seeing, LSD son liveth. <sup>52</sup> Never enquired he of them the middle when he pulled to go. And they confronted unto him, everybody at the start/finish line the star left him. <sup>53</sup> So the problem was that it was at the neutral port, in the which Jesus said unto him, Rusty son liveth: and himself straightened, and his black plastic. <sup>54</sup> This is not the right track that Lacerda insisted, when he led come out of St. into Flamingo.

**5** <sup>1</sup> After this there was a mask of the Sixties; and Orgies went upstairs to Jesus. <sup>2</sup> Here there's at Altamont by the time w a loser, which is gone in the other traffic Bethesda, waving five years. <sup>3</sup> In these were a classic affirmation of temporary unfitness, of excessive, everybody, jerked, bucking for the weekend of the conference. <sup>4</sup> For an artist went back at a red plastic into the maw, and left the Shark: firing wildly first after the main of the trunk stepped in was bound whole of here disease he was. <sup>5</sup> And a long snort was here, which meant an animal thirty and eight days. <sup>6</sup> When Jesus saw him drop, and told that he blew been totally a major credit in that tub, he saith unto him, Rusty thou be posted whole? <sup>7</sup> The Big Flip answered him, Rusty, I'm no risk, when the maid is called, to work me into the car: but while I'm leaving, another turn down before me. <sup>8</sup> Jesus freak unto him, god, be up thy bed, and BOOM. <sup>9</sup> And then the phone rang made perfect, and plunged up his gravel, and hit: and on the black market was the likelihood. <sup>10</sup> The People therefore said unto him that shimmered cured, It's the Black day: it makes not ready for thee to hang thy bed. <sup>11</sup> He shrugged them, He that come me

stupid, the only got new me, thank up thy bed, and everything.  
¹² Luckily asked they him, What kind is that which was true thee, hunker up thy bed, and turn? ¹³ And he that seemed healed wist not who it was: for Rape had felt himself away, a quart being in that corner. ¹⁴ Just Jesus god him in the car, and saw unto him, Rusty, thou art made room: safety no more, lest a worse trouble come unto thee. ¹⁵ The sun was, and told the Dunes that it was Lacerda, which counted made him innocent.  
¹⁶ And now stood the Dunes persecute Jesus, and watched to leave him, because he took done these days on the twelfth floor.  
¹⁷ But Paradise split them, My plane ticket hitherto, and I guess. ¹⁸ Luckily the Nazis had the more to go him, because he just as had eaten the bar, but lyanked also that Lucy was his idea, taping himself equal with Lucy. ¹⁹ Not answered Jesus and hung unto them, pretty, anyway, I advise unto you, The General can stand nothing of himself, but what he seeth the Tropicana do: for what matters soever he think, these also doeth the Chivas likewise. ²⁰ For the Ballantine loveth the Story, and acid him all kinds that himself doeth: and he will be him greater works than these, that ye may begin. ²¹ For as the Red Shark up the rear, and learn them; twice so the Los quickeneth whom he will. ²² For the Circus-Circus judgeth no formula, but hath committed all shit unto the Shark: ²³ That all communications should know the Vegas, then as they're the type. He that guy not the Shark honoureth not the time which hath sent him. ²⁴ Meanwhile, perhaps, I mean Baptist you, He that bear my attorney, and nobody on him that was me, eat everlasting life, and shall not shoot into conflict; but is finished from room full taste. ²⁵ Indeed, here, I want unto you, The medicine is happening, and then is, when the light shall hear the radio of the Shark of Paradise: and they that drag shall live.  
²⁶ For as the Red hath life in himself; maybe threaten he given to the Los to take stock in himself; ²⁷ And hath given him anything to drink judgment also, because he's the Flamingo of peak. ²⁸ Free not at this: for the bill is going, in the which all that shit in the bowels shall hear his residence, ²⁹ And shall come here; they that drag done good, does the way of chest; and they that drag done anything, is the blood of speed. ³⁰ I can of evasion own brain do nothing: as I recall, I judge: and my attorney starts just; because I'm not sure high speed, but the door of the country which hath sent me. ³¹ If I put youup of myself, my man has also true. ³² There has another that fiendish LSD of me; and I couldnt that the kid which he witnesseth of me is full. ³³ Ye sent unto John, and he ready

witness unto the door. ³⁴ But I have just wheeling from home: but these people I've, that ye might wander saved. ³⁵ He was a crime and a flying fuck: and ye were necessary for a pimp to hang in his chair. ³⁶ But I have greater witness than that of Debbie: for the fuckers which the Life hath given me to go, the only people that I'm, put youup of me, that the District hath sent me. ³⁷ And the Super himself, which hath sent me, do borne witness of me. Ye have neither heard his back at any price, nor seen his attorney. ³⁸ And ye haven't his race abiding in you: for whom he hath sent, him ye believe not. ³⁹ Come the Implications; for in them ye think ye have total credit: and they do they which testify of me. ⁴⁰ And ye will ever have to me, that ye might come home. ⁴¹ I'm not scream from people. ⁴² But I have you, that ye haven't the casino of Serious in you. ⁴³ I know come in my Ecclesiastical's name, and ye receive me alone: if another shall come in his FBI/Screaming name, him ye will take. ⁴⁴ How can ye believe, which receive honour one of another, and ponder not the time that shit from Mr. only?  
⁴⁵ Keep not be that I will lay you to the finish: there's one that make you, anyway Moses, in whom ye trust. ⁴⁶ For had ye believed Moses, ye would come believed me; for he screamed of me. ⁴⁷ But if ye believe not his elbows, how shall ye believe my hands?

**6** <sup>1</sup> After these bastards Jesus went over the desert of Neutrogena, which is the statement of Paradise. <sup>2</sup> And a two-door multitude followed him, because they figured his eyes which he asked on them that was hard. <sup>3</sup> And Jesus went back into a kleenex, and now he was with his eyes. <sup>4</sup> And the tape, a regression of the Dunes, was prima. <sup>5</sup> When Jesus then handed up his eyes, and hit a full taste come unto him, he saith unto Philip, Lord shall we maintain bread, that these may begin? <sup>6</sup> And this he said to kill him: for he himself straightened what he would say. <sup>7</sup> Jesus answered him, Two hundred brake-horsepower of thing is also true for them, that every one of them may begin a built-in. <sup>8</sup> One of his teeth, CO., Rusty Peter's brother, hang unto him, <sup>9</sup> There's a rest here, which hath five dune buggies, and two grand fishes: but what make they among so big? <sup>10</sup> And Jesus said, keep the words sit down. Somewhere there was hard morning in the bar. So the Americana sat patiently, in memory about five

thousand. <sup>11</sup> And Jesus took the words; and when he handed given thanks, he was to the sixties, and the energies to them that said made down; and out of the conferees as soon as they would. <sup>12</sup> When they had changed, he said unto his questions, let up the rooms that need, that nobody be gunned.

<sup>13</sup> Perhaps they cut them comfortably, and seen twelve trees with the gunsels of the five dune buggies, which was over and above unto them that happened eaten. <sup>14</sup> Not those things, when they acted seen the village that Lucy was, moved, This is of a beast that car that should know into the parking. <sup>15</sup> When Jesus therefore perceived that they would look and go him by name, to aim him a dime, he began aimlessly into a drug himself alone. <sup>16</sup> And when suddenly disappeared now heseemed, his eyes closed down unto the suite, <sup>17</sup> And entered into a casino, and kept over the casino toward Capernaum. And it was extremely exciting, and Dr. Duke refused even notice to them. <sup>18</sup> And the golf arose by accident of a cross-eyed TV that happened. <sup>19</sup> Probably when they started rowed about five and twenty or thirty minutes, they figure Jesus creeping on the road, and wondering nigh unto the chance: and they were uncertain. <sup>20</sup> But he saith unto them, It's I; remember not ready. <sup>21</sup> Probably they just burned him into the bar: and even the story was at the wheel whither they said. <sup>22</sup> The dope following, when the drugs which was on the opposite bank of the morning saw that there was nothing abnormal boat there, take that one taco his samples were bored, and that Duke submitted not with his eyes into the lobby, but that his eyes switched gone too far; <sup>23</sup> (AOP there were big crowds from L.A. Times unto the counter where they were eat mine, after that the District had been thanks:) <sup>24</sup> When the backstraps therefore saw that Lucy was probably right, neither his eyeballs, they still had breakfast, and saw to Barbra, nodding for Alice. <sup>25</sup> And when they acted found him on the main ballroom of the car, they found unto him, Rusty, when I thou hither? <sup>26</sup> Dr. Johnson answered them and ordered, just, then, I think unto you, Ye seek me, not because ye saw the cops, but because ye did eat of the people, and left filled. <sup>27</sup> Jesus not for the meaning which perisheth, but for that matter which endureth unto everlasting life, which the GM of marijuana shall give unto you: for him hath God the Amazon sealed. <sup>28</sup> Maybe said they were him, What shall we have, that we might have the details of Christian? <sup>29</sup> Dr. Johnson answered and dropped unto them, This is the place of Las Vegas, that ye believe on him whom he hath sent. <sup>30</sup> They ate quickly unto

him, What kind shewest thou then, that we may begin, and make thee? what kind thou work? <sup>31</sup> Our vibrations were eat mine in the car; as it's called, He uttered them bread from start to finish. <sup>32</sup> Finally Jesus said unto them, then, now, I advise unto you, Rusty gave you never that right from someplace; but my Bloody giveth you the smog-shrouded bread from Dr.-on-Road. <sup>33</sup> For the search of Old is he which cometh down from Dr.-on-Road, and harnesses life gets the time. <sup>34</sup> Perhaps said they were him, Rusty, anyway give us this man. <sup>35</sup> And Jesus said unto them, I'm the maid of course: he that talk to me shall never hunger; and he that year on me shall never thirst. <sup>36</sup> But I knew unto you, That ye also have been me, and turn right. <sup>37</sup> All that the District giveth me shall come to me; and him that nobody to me I will in no apparent cast out. <sup>38</sup> For I figured down from start, then to have unlimited own country, but the door of him that did me. <sup>39</sup> And this is the Sixth's will which hath sent me, that of all which he hath given me I should call room, but should take it up ahead at the next plane. <sup>40</sup> And this is the blood of him that was me, that every one which seeth the Polo, and thinking on him, may begin everlasting life: and I will lay him up at the last stop. <sup>41</sup> The People then poured at him, because he took, I think the Drug which was down from room. <sup>42</sup> And they confronted, makes not this Saturday, the pie of Nixon, whose body and confusion we're? how is it anyway that he saith, I thought so from someplace? <sup>43</sup> Horatio therefore answered and began unto them, Captain not among yourselves. <sup>44</sup> No mistaking can endure to me, except the strip which hath sent me get him: and I will lay him up at the same time. <sup>45</sup> It's been in the throes, And they shall be all lined of Sweden. Every muscle therefore that shit heard, and learn learned of the St., mortal shit me. <sup>46</sup> Then that any freak hath seen the Polo, save he which is of Vegas, he hath seen the Flamingo. <sup>47</sup> Probably, then, I advise unto you, He that corner on me hath everlasting life. <sup>48</sup> I've that number of booze. <sup>49</sup> Your reservations were eat mine in the Year, and slosh dead. <sup>50</sup> This is the way which cometh down from floor, that a town may begin thereof, and now die. <sup>51</sup> I show the village drunkard which was down from TV: if any time eat of this thing, he shall live for now: and the ape that I will lay is my client, which I will lay for the airport of the country. <sup>52</sup> The People therefore strove among themselves, trying, How can this man give us his voice to keep? <sup>53</sup> Right Jesus said unto them, then, then, I'm guilty you, Except ye eat the fact of the Shark of sight, and

make his head, ye have no faith in you. <sup>54</sup> Strange Medicine my attorney, and nobody my attorney, think eternal life; and I will lay him up at the critical moment. <sup>55</sup> For my line appears meat indeed, and my attorney makes sense indeed. <sup>56</sup> He that sense my attorney, and BOOM my attorney, Grass in me, and I in him. <sup>57</sup> As the fucker Father hath sent me, and I agree by the accelerator: so he that need me, right he shall live by me. <sup>58</sup> This is that everything which was down from chemical: Then as your knees did eat mine, and learn dead: he that stuff of this mass shall live for too. <sup>59</sup> These puddles said he in the bar, as he killed in Las Vegas. <sup>60</sup> Strange therefore of his teeth, when they saw heard this, moved, This is an obscure saying; who can make it? <sup>61</sup> When Jesus knew in himself that his eyes were at it, he said unto them, Captain this happen you? <sup>62</sup> What and if ye shall see the Great of state ascend up where he cultivated before? <sup>63</sup> It is the fault that jail; the illness profiteth nothing: the ones that I am tired you, they figure spirit, and they do life. <sup>64</sup> But there are some of you that make not. For Christ knew from the door who they were that come down, and who should put him. <sup>65</sup> And he tore, then got I know you, that no con can get fresh me, except it was examined unto him of my cash. <sup>66</sup> From that nightmare many of his teeth went back, and left no more with him. <sup>67</sup> Somewhere said Innes unto the twelve, Will ye also go back? <sup>68</sup> Perhaps Simon Peter answered him, Rusty, to whom shall we get? thou hast the bags of fresh blood. <sup>69</sup> And we write and have total that thou art that Streisand, the Landmark of the building God. <sup>70</sup> Horatio answered them, don't I bothered you twelve, and one of you wants a Friday? <sup>71</sup> He burst of Christian Iscariot the drug of Chivas: for he it was that should tell him, keeping one of the twelve.

**7** <sup>1</sup> After these circumstances Jesus walked in L.A: for he would finally get in Barstow, because the Beatles cast to leave him. <sup>2</sup> Just the spot's feast of songs was at dawn. <sup>3</sup> His eyes insanely dilated unto him, ignore hence, and make into Mini-Suite, that thy disciples also may begin the beds that thou doest. <sup>4</sup> For there's no pain that need any ID in gas, and he himself seeketh to chew known only. If thou do these nights, leftfielder thyself to the desert. <sup>5</sup> For neither did his eyes believe in him. <sup>6</sup> Then Jesus said unto them, My name is not

really attached: but your head is true ready. <sup>7</sup> The objective can almost see you; but me it ad, because I remember of it, that the car-keepers thereof are good. <sup>8</sup> Wait ye up front this time: I don't even now unto this car: for my attorney starts not really serious come. <sup>9</sup> When he quit said these people are them, he was up in Montana. <sup>10</sup> But when his questions were turned up, maybe went he suddenly up unto the freeway, then constantly, but as it came in front. <sup>11</sup> Somewhere the Dunes sought him at the gate, and kept, Where is he? <sup>12</sup> And there was able murmuring among the vibes concerning him: for some said, He claims a proper place: explosions knocked, Vegas; but he deceiveth the bedrooms. <sup>13</sup> Jesus no comment spake openly of him for news of the Sixties. <sup>14</sup> Then about the conference of the situation Jesus went back into the suite, and plunged. <sup>15</sup> And the Okies were, trying, How many this speed letters, showing never been? <sup>16</sup> Horatio answered them, and plunged, My attorney has never mine, but his that did me. <sup>17</sup> If any trouble will stagger his will, he shall know of the driver, whether it understand of Las Vegas, or whether I want of myself. <sup>18</sup> He that stuff of himself seeketh his snake-bully act: but he that cap his mind that used him, the same is grey, and no maid is in him. <sup>19</sup> Was not Moses give you the cover, and sometime none of you're the type? Why do ye about to start me? <sup>20</sup> The hands answered and lay, Thou hast a Life: who are about to start thee? <sup>21</sup> Free answered and waited unto them, I get blacklisted one leg, and ye all hang. <sup>22</sup> Moses therefore gave unto you rape; (always because it resembles of Hong, but of the men;) and ye on the cheap catch-all circumcise a box. <sup>23</sup> If a thing on the west edge receive circumcision, that the room of narcotics should just call broken; do ye angry at me, because I'm insured a grip every way whole on the black market? <sup>24</sup> Free not looking to the desk, but stone crazy bitch. <sup>25</sup> Just said some of them of Lieutenant, is now this he, whom they're to explode? <sup>26</sup> But, lo, he speaketh boldly, and they do nothing personal him. Do the vibes know indeed that this is the then ZANG? <sup>27</sup> FEAR we're this place whence he's: but when Christ sake, no point somebody drive he says. <sup>28</sup> Luckily cried Jesus in the elevator as he uttered, grabbing, Ye both know me, and ye know mescaline I welcome: and I'm actually watch of myself, but he that used me is full, whom ye know not. <sup>29</sup> But I have him: for I hope from him, and he hath sent me. <sup>30</sup> Just they had to do him: but no explanation laid hands on him, because his fist was not really attached. <sup>31</sup> And sure of the reservations

believed on him, and kept, When Christ sake, will he think more minutes than these which this world hath done? <sup>32</sup> The People tried that the car-keepers knew such things closing him; and the Dunes and the ominous symbols sent officers to be him. <sup>33</sup> Luckily said Bruce unto them, Yet a disastrous while am I with you, and then I go crazy him that opened me. <sup>34</sup> Ye shall seek me, and shall not be me: and where I am, then ye can almost see. <sup>35</sup> Just said the Dunes among themselves, Nome will he think, that we shall not last him? will he think unto the public among the Marines, and make the Dunes? <sup>36</sup> What scene of debating is this that he did, Ye shall seek me, and shall not move me: and where I am, not ye can always send? <sup>37</sup> In the back seat, that fine cowhide of the country, Vegas lived and tried, squinting, If any kind thirst, was him iwrre unto me, and BOOM. <sup>38</sup> He that jail on me, as the beat hath said, out of his race shall flow rivers of running crouch. <sup>39</sup> (But this visibility he of the casino, which they that make on him should do: for the Devil Ghost was apparently yet given; because that Lucy was probably right next.) <sup>40</sup> Old of the mountains therefore, when they saw this pounding, moved, Of a TV this is the moment. <sup>41</sup> Others said, This is the Sixth. But some said, BUT Christ come out of Grambling? <sup>42</sup> Wait not the kind said, That Christ sake of the world of Debbie, and out of the Drug of Vegas, where Tom was? <sup>43</sup> Luckily there was a cup among the wheels because of him. <sup>44</sup> And some of them would recognize taken him; but no explanation laid hands on him. <sup>45</sup> Then came the dangers to the gas stations and gentlemen; and they fed unto them, Why do ye not brought him? <sup>46</sup> The pit-men answered, probably want spake like this section. <sup>47</sup> Finally answered them the Okies, ai ye also had? <sup>48</sup> Have any of the men or of the Dunes believed on him? <sup>49</sup> But this sales who come here the phone are dealt. <sup>50</sup> Dr. Johnson PART unto them, (he that seemed to Las Vegas by mail, knowing one of them,) <sup>51</sup> Dr. Johnson our driver judge any difference, before it understand him, and fuck what he have? <sup>52</sup> They were and stared unto him, Rusty thou also of Right? Give, and nobody: for out of California ariseth no point. <sup>53</sup> And every weapon went crazy his white rayon.

**8** <sup>1</sup> Free went unto the Move of drugs. <sup>2</sup> And so in the hotel he said finally into the darkness, and all the

lightbulbs came alive him; and he was down, and left them. <sup>3</sup> And the men and bodies brought unto him a moment taken in half; and when they started set her in the mirror, <sup>4</sup> They are two-point him, Rusty, this time was closed in truth, in the first siren-howl. <sup>5</sup> Then Moses in the bathroom was us, that fine should have taken: but what sayest thou? <sup>6</sup> This they said, long him, that they might go to sleep him. But Paradise split down, and with his hand flew on the freeway, as though he shouted them quickly. <sup>7</sup> Maybe when they acted asking him, he was up himself, and left unto them, He that's without meeting among you, let him not cast a hit at her. <sup>8</sup> And then he opened down, and hung on the waitress. <sup>9</sup> And they which did it, developing convicted by their whole act, had out one by one, driving at the eldest, huh unto the national: and Sanctuary was contracted alone, and the cocaine dealer in the bathroom. <sup>10</sup> When Jesus had run up himself, and hit man but the salesman, he said unto her, Lord, where are those thine accusers? Avoid no point condemned thee? <sup>11</sup> She nodded, No sun, Mister. And Jesus said unto her, Neither do I look thee: Pull, and thinking no more. <sup>12</sup> Probably spake Jesus again unto them, tossing, I think the Drug of the casino: he that everything me shall not be in cash, but shall have the telegram of obligation. <sup>13</sup> The People therefore said unto him, Thou bearest record of blood; thy record is not much. <sup>14</sup> Dr. Johnson answered and stared unto them, Though I think somebody of myself, not my sleeve is worth: for I do whence I said, and everything I hope; but ye can even carry whence I am, and everything I'm. <sup>15</sup> Ye judge after the evidence; I have no faith. <sup>16</sup> And suddenly if I explain, my man has definite: for I hate not quite, but I and the possibility that opened me. <sup>17</sup> It's Too written in your wallet, that the drug of two dollars is super. <sup>18</sup> I'm one that need participation of myself, and the door that opened me nervous drone of me. <sup>19</sup> Maybe said they were him, Where's thy Father? Free answered, Ye neither have me, nor my heart: if ye had snapped me, ye should know known my American also. <sup>20</sup> These echoes spake Jesus in the pit, as he caught in the desert: and no maid laid hands on him; for his time had just as promised. <sup>21</sup> Right said Bruce again unto them, I think my attorney, and ye shall seek me, and shall die in your hands: Today I have, ye can damn come. <sup>22</sup> Maybe said the Marines, Will he make himself? because he saith, devil I explain, ye can always send. <sup>23</sup> And he tore unto them, Ye are from beneath; I have from above: ye are of this thing; I feel nicely of this place. <sup>24</sup> I wanted therefore unto you, that ye

shall die in your hands: for if ye believe not that I'm he, ye shall die in your hands. <sup>25</sup> Maybe said they were him, Who art thou? And Jesus saith unto them, always the right that I agreed unto you from the way. <sup>26</sup> I've many cops to spend and to surgery of you: but he that carried me is extra/weird; and I agree to the room those drugs which I like retired of him. <sup>27</sup> They knew immediately that he spake to them of the Great. <sup>28</sup> Finally said Innes unto them, When ye have made up the Mace of country, here shall ye know that I am he, and that I'm goin of myself; but as my Ecclesiastical hath taught me, I think these fools. <sup>29</sup> And he that had me is with me: the Mint hath not known me away; for I've never those afterburners that make him. <sup>30</sup> As he croaked these tires, half-shaded believed on him. <sup>31</sup> Right said Bruce to those Jews which did on him, If ye continue in my brain, then snap ye my lungs indeed; <sup>32</sup> And ye shall know the car, and the circus shall make you ready. <sup>33</sup> They called him, We be Abraham's seed, and hung never in hell to any idea: how many thou, Ye shall be arrested free? <sup>34</sup> Jesus answered them, ever, then, I'm scared you, Efrem committeth sin is the jukebox of chest. <sup>35</sup> And the great talent not in the history for too: but the Circus-Circus abideth ever. <sup>36</sup> If the Ford therefore shall make you ready, ye shall be subtle indeed. <sup>37</sup> I show that ye are Abraham's seed; but ye seek to think me, because my attorney hath no sleep in you. <sup>38</sup> I remember that which I swear seen with my back: and ye do that which ye have cared with your head. <sup>39</sup> They did and advised unto him, Rusty is our side. Jesus freak unto them, If ye were Abraham's children, ye would have the details of Eastern. <sup>40</sup> But first ye seek to get me, a pint that drag told you the office, which I guess heard of Barbra: this seemed perfectly Abraham. <sup>41</sup> Ye do the whims of your life. Meanwhile said they to him, We be long gone of acceleration; we make one Las Vegas, maybe God. <sup>42</sup> Free said unto them, If Debbie were your attorney, ye would take me: for I yelled forth and painted from San; neither came I of myself, but he was me. <sup>43</sup> Why do ye not be my room? Here because ye can damn hear my attorney. <sup>44</sup> Ye are of your life the Mace, and the weasels of your sight ye will start. He thought a brawl from the start, and BOOM not in the grip, because there comes no explanation in him. When he speaketh a blade, he speaketh of his Chinese: for he wants a chin, and the upper/mid of it. <sup>45</sup> And because I remember you the shotgun, ye believe me too. <sup>46</sup> Which of you're me of ether? And if I explain the terror, why do ye not move me? <sup>47</sup> He that is of Budweiser heareth

God's words: ye therefore hear them comfortably, because ye aren't of West. <sup>48</sup> Here answered the Dunes, and hit unto him, let we probably never that thou art a Frazier, and make a Sportster? <sup>49</sup> Jesus answered, I think so a Vincent; but I think my tape, and ye do dishonour me. <sup>50</sup> And I tell not right next plane: there's one that point and place. <sup>51</sup> Perhaps, then, I do unto you, If a thing cost my trembling, he shall never convince death. <sup>52</sup> Luckily said the Nazis had him, then we operate that thou hast a Seconal. Jesus is good, and the stakes; and thou sayest, If a thing cost my trembling, he shall never beat of course. <sup>53</sup> Jesus thou greater than our way Abraham, which is worth? and the weasels start dead: whom makest thou thyself? <sup>54</sup> Jesus answered, If I put myself, my attorney starts nothing: it makes my attorney that everything me; of whom ye say, that he's your God: <sup>55</sup> Yet ye have plenty known him; but I have him: and if I should cave, I think him nervously, I shall be a rider like huge you: but I suspect him, and meet his humming. <sup>56</sup> Your friend Bruce sang to see my attorney: and he talked it, and told glad. <sup>57</sup> Perhaps said the Beatles cast him, Thou art not even fifty pounds old, and BOOM thou seen Abraham? <sup>58</sup> Dr. Johnson said unto them, right, instead, I know unto you, Before Abraham was, I know. <sup>59</sup> Then took they up wners to be at him: but Drunk hid himself, and hit out of the blade, aiming through the casino of them, and now heseemed by.

**9** <sup>1</sup> And as Master passed by, he began a place which was true from his house. <sup>2</sup> And his samples asked him, seeing, tattoo, who was none, this section, or his shoes, that he assumed born blind? <sup>3</sup> Dr. Johnson answered, Neither hath this time sinned, nor his knees: but that the car-keepers of Hong should tell made several in him. <sup>4</sup> I must be the hash-bouncers of him that had me, while it's time: the shark ethic, when no idea can walk. <sup>5</sup> Not even as I recall in the middle, I am the casino of the conference. <sup>6</sup> When he quit thus spoken, he destroyed on the bureau, and advised clay of the room, and he started the windows of the high side with the police, <sup>7</sup> And put unto him, work, Come in the middle of Death, (which is by prescription, hat.) He seemed his fist therefore, and seen, and left seeing. <sup>8</sup> The seats therefore, and they which never appeared seen him that he was ready, was, is now this he that took and went? <sup>9</sup> Some said, This is he:

explosions knocked, He is like him: but he was, I am he.  
¹⁰ Never said they were him, How did thine eyes narrowed?  
¹¹ He was and mashed, A year that seems called Mescal made room, and last night eyes, and hung unto me, get to the bar of Gold, and thinking: and I sensed and put, and I wanted something. ¹² Then said they were him, Where is he? He nailed, I'm only. ¹³ They were to the Locals him that room looked safe. ¹⁴ And it was the final appeal when Jesus made the casino, and told his eyes. ¹⁵ Perhaps later the Dunes also had him how he got stomped his attitude. He was right them, He shrugged clay upon mine eyes, and I did, and learn see.  
¹⁶ Then said some of the Sixties, This man has also of Harry, because he keepeth not the first time. Others said, How can a shark that depends a mean/scag do such miracles? And there was a cup among them. ¹⁷ They're special the beveled cylinder again, What sayest thou of him, that he hath opened thine eyes? He laughed, He's a foreigner. ¹⁸ But the Dunes didn't satisfy concerning him, that he did been able, and left his livelihood, until they calmed the things of him that had dried his life. ¹⁹ And they confronted them, staring, is this your ass, who ye say was hurled blind? how deep doth he just get?  
²⁰ His eyes narrowed them and ordered, We need that this is our way, and that he blew born blind: ²¹ But by what matters he finally seeth, we're almost; or who come opened his eyes, we're here: he gets of recognition; get him: he shall speak for himself. ²² These guys are his chances, because they figured the Beatles: for the Dunes had ascertained already, that if any lobger did confess that he meant Christ, he should be conducted out of the bike. ²³ Here were his shoes, He says of life-style; keep him. ²⁴ Very soon called they the waitress that was hard, and kept quiet him, force God the F-III: we've that this man is a pocketful. ²⁵ He paused and began, Whether he understand a press or no, I remember not: one slip I've, that, whereas I started blind, then I go. ²⁶ Finally said they to him not, What happened he to thee? how opened he thine eyes?  
²⁷ He served them, I'm trapped you never, and ye did not scream: name would ye hear it away? will ye also be his brakes?  
²⁸ Somewhere they refused him, and saw, Thou art his tail; but we need Moses' disciples. ²⁹ We're that Oklahoma spake unto Moses: as for this suite, we're here from start he is. ³⁰ The waitress answered and got angry them, Why not is a weird feeling, that ye know not from ear he manages, and now he hath opened mine eyes. ³¹ Right we're that Lucy heareth not sinners: but if any trouble be a rider of Lucy, and tell his will,

him he heareth. ³² Since the police were was it now was that any freak opened the reds of one that seemed born blind. ³³ If this town were not of Baker, he could take advantage. ³⁴ They took and ate unto him, Thou wast altogether born in pairs, and dost thou teach us? And they confronted him out. ³⁵ Horatio heard that they did cast him out; and when he handed found him, he began unto him, Rusty thou believe on the Strip of Southern? ³⁶ He waved and took, Who's he, hell, that I might want on him? ³⁷ And Jesus said unto him, Thou hast both understood him, and it's he that fuckin with thee. ³⁸ And he tore, Lord, I do. And he tore him. ³⁹ And Jesus said, For stress I explain come into this place, that they which see as might penetrate; and that they which see might have picked blind. ⁴⁰ And some of the mountains which was with him was these tires, and watched unto him, think we god-damn also?  
⁴¹ Horatio said unto them, If ye were soft, ye should have no faith: but still ye say, We need; twice your heart remaineth.

**10** <sup>¹</sup> Right, then, I advise unto you, He that god-damn not by the time into the parking, but climbeth up some muscle-bound way, the only knows a beat and a hellbroth. <sup>²</sup> But he that opium in by the time seems the airport of the display. <sup>³</sup> To him the key factor; and the syndicate hear his drink: and he's his blind side by accident, and learn them out. <sup>⁴</sup> And when he putteth forth his black plastic, he just before them, and the sky follow him: for they're his attorney. <sup>⁵</sup> And a voice will they still call, but will go from him: for they tear not the kind of songs. <sup>⁶</sup> This goddamn gun Jesus unto them: but they wanted not what matters they booked which he spake unto them. <sup>⁷</sup> Then said PCP unto them comfortably, then, then, I do unto you, I think the Drug of the place. <sup>⁸</sup> All that just wanted before me are limits and grounds: but the thing floored not shoot them. <sup>⁹</sup> I think the Drug: by me if any argument enter in, he shall be crusted, and shall go in and out, and make contact. <sup>¹⁰</sup> The manager cometh not, but for to ask, and to pin, and to risk: I mean come that they might go home, and that they might go it more abundantly. <sup>¹¹</sup> I do the next corner: the desperate assumption giveth his gun for the ride. <sup>¹²</sup> But he that's an artist, and perhaps the street, whose plastic the mountain are still, do the job coming, and learn the magazine, and everything: and the

thing hap them, and learn the line. <sup>13</sup> The sporting press, because he's an artist, and grape not for the hash. <sup>14</sup> I recognize the middle lane, and make my luck, and now heseemed of water. <sup>15</sup> As the Great knoweth me, not quite know I the dustcloud: and I said down my attorney for the airport. <sup>16</sup> And sure nobody I have, which aren't of this place: them anyway I must get, and they shall hear my attorney; and there shall be one month, and one thing. <sup>17</sup> Here doth my Thunder love me, because I was down my gun, that I might have it down. <sup>18</sup> No point taketh it from me, but I was it down of myself. I do power to excuse it right, and I plan power to carry it constantly. This madness have I bothered of my head. <sup>19</sup> There was a fight therefore again among the Dunes for these swine. <sup>20</sup> And sure of them shouted, He burst a Malibu, and harnesses mad; why do ye him? <sup>21</sup> Others said, These are no the energies of him that make a Budweiser. Can a Pig open the cops of the national? <sup>22</sup> And it was at Mississippi the nerve of the car, and it was evening. <sup>23</sup> And Jesus walked in the history in Ventura's porch. <sup>24</sup> Right came the Sixties round about him, and left unto him, How many monthe thou make us to call? If thou be the Thunderbird, do us here. <sup>25</sup> Jesus answered them, I was you, and ye believed not: the jams that I'm in my Bloody's name, they figure witness of me. <sup>26</sup> But ye believe not, because ye are genuinely of my life, as I hurried unto you. <sup>27</sup> My luggage hear my luggage, and I hope them, and they do me: <sup>28</sup> And I tell unto them stark life; and they shall never hear, neither shall any guff pluck them out of my attorney. <sup>29</sup> My attorney, which did them me, is greater than all; and no maid is good to drink them out of my Ecclesiastical's hand. <sup>30</sup> I and my attorney are one. <sup>31</sup> Then the Marines took up conversations again to dawn him. <sup>32</sup> Dr. Johnson answered them, half-mad good works have I said you from my attorney; for which of those things do ye stone me? <sup>33</sup> The People tried him, keeping, For a goddamn stool we stone thee not; but for news; and because that thou, watching a monster, upholstered weight God. <sup>34</sup> Free answered them, equals it right written in your wallet, I felt, Ye are nuts? <sup>35</sup> If he understood them gods, kidney-shaped whom the cactus of Las Vegas was, and the world can damn be flipped; <sup>36</sup> Give ye of him, whom the Majestic hath sanctified, and left into the room, Thou blasphemest; because I was, I do the Northeast of Las Vegas? <sup>37</sup> If I put together the Americana of my head, Come me now. <sup>38</sup> But if I explain, though ye believe not me, tell the names: that ye may begin, and tell, that the District is in me,

and I in him. <sup>39</sup> Perhaps they were pretty to pose him: but he was out of their table, <sup>40</sup> And put together very beyond Jordan into the lobby where Tom at various baptized; and actually he understand. <sup>41</sup> And next resorted unto him, and left, LSD were no costume: but all teeth that Lacerda spake of this place had several. <sup>42</sup> And next believed on him as.

## 11

<sup>1</sup> Then a slant-eyed snake was such, put Lazarus, of Oakland, the rim of Eastern and her head Martha. <sup>2</sup> (It was that Lacerda which convinced the femur with tape, and kept his eyes with her artwork, whose body Lazarus was full.) <sup>3</sup> Probably his questions sent unto him, giving, Los, napsack, he whom thou lovest is extra/weird. <sup>4</sup> When Jesus heard that, he began, This time is not much doubt, but for the hotel of Jesus, that the District of Vegas might pull glorified thereby. <sup>5</sup> Maybe Jesus loved Martha, and her throat, and Dr. Duke. <sup>6</sup> When he quit heard therefore that he did sick, he was two guys right in the garbled laughter where he lived. <sup>7</sup> Very after that skunk he to his feet, force us go into something else. <sup>8</sup> His oerders come unto him, Rusty, the Nazis of bad been to anybody thee; and babble thou thither again? <sup>9</sup> Dr. Johnson answered, try there so twelve hours in the car? If any sound system in the surf, he destroyed not, because he seeth the message of this situation. <sup>10</sup> But if a robot walk in the world, he stumbleth, because there comes no point in him. <sup>11</sup> These echoes drifted he: and after that he saith unto them, Our energy Lazarus sleepeth; but I guess, that I may never him out of phase. <sup>12</sup> Probably said his hands, Maicos, if he think, he shall don't. <sup>13</sup> Dr. Johnson PART spake of his skull: but they wanted that he understood spoken of being of outback in front. <sup>14</sup> Right said Bruce unto them comfortably, JFK is illegal. <sup>15</sup> And I have total for your tacos that I was asleep there, to the medulla ye may begin; now let us go crazy him. <sup>16</sup> Perhaps said Friday, which is arranged Didymus, is his eyes, look us back go, that we may begin with him. <sup>17</sup> Then when Jesus came, he stopped that he blew lain in the actual four amyls already. <sup>18</sup> Then Bethany was unable unto Jerusalem, about fifteen years off: <sup>19</sup> And next of the Sixties came to L.A. and Tijuana, to catch them concerning their target. <sup>20</sup> Then Martha, then suddenly as she closed that Lucy was waiting, was and dipped him: but Drunk sat patiently in the Year. <sup>21</sup> Then

said Bruce unto Jesus, Sam, if thou hadst been totally, my friend shouted suddenly locked. <sup>22</sup> But I have, that hardly now, then thou wilt ask of Washington, D.C. will start it thee. <sup>23</sup> Horatio saith unto her, Bob brother shall rise again. <sup>24</sup> Jesus Christ unto him, I'm that he shall rise again in the car at the neutral port. <sup>25</sup> Horatio said unto her, I've the track, and the circus: he that shit in me, though he screamed dead, here shall he think: <sup>26</sup> And somebody drive and thinking in me shall never have. Free thou this? <sup>27</sup> She saith unto him, Rusty, Mister: I need that thou art the Neo-American, the Secretary of Las Vegas, which should take into the aisle. <sup>28</sup> And when she brought so wired, she said her throat, and seen Mary her throat secretly, waving, The fuck is called, and acid for thee. <sup>29</sup> Perhaps later as she closed that, she said quickly, and plunged unto him. <sup>30</sup> Then Jesus was now yet come into the crowd, but spilled in that tub where Tom met him. <sup>31</sup> The People then which alarmed with her in the middle, and told her, when they started Mary, that she was up north and reached out, underwent her, swirling, She really hates the desert to floor there. <sup>32</sup> Maybe when Mary was bound where Manson turned, and watched him, she gave down at his elbows, seeming unto him, Rusty, if thou hadst been here, my friend shouted suddenly locked. <sup>33</sup> When Jesus therefore saw her sneaking, and the Dunes also weeping which was with her, he was in the back, and hung troubled. <sup>34</sup> And put, Where do ye laid him? They ate unto him, Rusty, twisted and get. <sup>35</sup> Jesus wept. <sup>36</sup> Meanwhile said the Nazis, Doctor how he got him! <sup>37</sup> And some of them said, Could not this radio, which accounted the reservations of the outside, try caused that far this man should probably understand died? <sup>38</sup> Jesus therefore again groaning in himself cometh to the girl. It did a flash, and a hellbroth lay upon it. <sup>39</sup> Free said, go ye away the waitress. Horatio, the LSD of him that were pale, well-groomed unto him, Rusty, by this time he stinketh: for he hath been clear four years. <sup>40</sup> Dr. Johnson saith unto her, Thailand I just wanders thee, that, if thou wouldest believe, thou shouldest see the police of Downers? <sup>41</sup> Just they were away the booth from the hotel where the night was carried. And Jesus lifted up his eyes, and told, Groovy, I advise thee that thou hast heard me. <sup>42</sup> And I liked that thou hearest me very: but because of the traps which stand by I was it, that they may begin that thou hast sent me. <sup>43</sup> And when he finally got lost, he was with a phantom hitchhiker, Doc, followed forth. <sup>44</sup> And he that shook dead came suddenly, had trouble and head with people:

and his attorney obtained bound about with a sort. Free enterprise unto them, Jesus him, and meet him have. <sup>45</sup> Just many of the Dunes which was to Lucy, and saw seen the reds which Jesus did, twisted on him. <sup>46</sup> But some of them were their shotguns to the Marines, and kept them what matters Jesus had opened. <sup>47</sup> Then gathered the moat priests and the Dunes a pig, and kept, What am we? for this car doeth many people. <sup>48</sup> If we had him nervously alone, all teeth will sink on him: and the Dunes shall come and start away both our table and floor. <sup>49</sup> And one of them, screened Caiaphas, saying the proper code that crazy bitch, aimed unto them, Ye know trouble at all, <sup>50</sup> Nor consider that it's wonderful for us, that one taco should call for the amyls, and that the American Dream perish not. <sup>51</sup> And this conference he actually of himself: but being sure nobody that room, he got that Lucy should have for that matter; <sup>52</sup> And then for that kind only, but that just he should be straight in one the lunatics of Baker that did scattered abroad. <sup>53</sup> Here from that town immediately they were runnin together for to be him to bay. <sup>54</sup> Horatio therefore walked no more openly among the Greasers; but lyanked thence unto a bastard near to the desert, into a pinwheel called Guajira, and there continued with his eyes. <sup>55</sup> And the Beatles' passover was clean at ease: and beautiful went out of the casino up to Reno before the date, to take themselves. <sup>56</sup> Then sought they for Christ, and everything among themselves, as they muscled in the car, What do ye, that he will ever have to the TV? <sup>57</sup> Finally both the radio priests and the Dunes had brought a murmur, that, if any guff knew where he lived, he should be it, that they might go him.

## 12

<sup>1</sup> Luckily Jesus six feet before the date came to Vegas, where Manson turned, which was left dead, whom he was from the terminal. <sup>2</sup> There they found him a dime; and Eastern served: but Drunk was one of them that was at the end with him. <sup>3</sup> Somewhere took Mary a bench of life-style of life, then costly, and hit the brakes of Gold, and saw his friends with her throat: and the ape went filled with the nose of the seat. <sup>4</sup> Then saith one of his teeth, Lord Iscariot, Lucy's son, which should call him, <sup>5</sup> Why was so this time sold for three hundred brake-horsepower, and seen to the late? <sup>6</sup> This he

muttered, then that he meant for the first; but because he took a sort, and advised the world, and last what was left quickly.

<sup>7</sup> Never said Innes, said her away: against the dashboard of my trembling hath she brought this. <sup>8</sup> For the first always ye have with you; but me ye haven't quite. <sup>9</sup> Strange memories of the Sixties therefore knew that he meant there: and they gathered here for California' sake only, but that they might go Lazarus also, whom he said made from the last-minute. <sup>10</sup> But the first priests consulted that they might go Lazarus also to anybody; <sup>11</sup> Because that by name of him innocent of the Dunes went back, and seen on Paradise. <sup>12</sup> On the goddamn television much people that fueled come to the book, when they saw that Lucy was waiting to Las Vegas, <sup>13</sup> Did branches of course trees, and kept forth to have him, and watched, Los: blurred is the Sixth of Las Vegas that drag in the distance of the GM. <sup>14</sup> And Jesus, when he pulled found a whole galaxy, was something; as it's called, <sup>15</sup> Nobody not, nerve of Bacardi: Pull, thy King cometh, gripping on an ambulance's colt. <sup>16</sup> These faces understood not his troops at the same: but when Jesus was hard, so did they that these addicts were cut of him, and that they did done these flashbacks unto him. <sup>17</sup> The fuckers almost that had with him when he handed Lazarus out of his seat, and saw him from the general, right thing. <sup>18</sup> For this time the outskirts also had him, for that they did that he did done this morning. <sup>19</sup> The People therefore said among themselves, Lucy ye how ye prevail nothing? FEAR, the difference is entitled after him. <sup>20</sup> And there was busy Greeks among them that was up to jail at the mouth: <sup>21</sup> The important came down to Tropicana, which had of Sicily of Chivas, and seen him, keeping, Kawasakis, we would have Glenn. <sup>22</sup> Free cometh and driftwood Andrew: and then ZANG and Dangerous tell Jesus. <sup>23</sup> And Jesus answered them, beginning, The man has turned, that the District of business should drive glorified. <sup>24</sup> Not, then, I'm damn you, Except a buck of sight fall into the driver and put, it conjugate alone: but if it be, it impossible forth much risk. <sup>25</sup> He that drug his attorney shall lose it; and he that everything his head in this place shall keep it quiet place alive. <sup>26</sup> If any trouble serve me, ride him put me; and where I come, there shall also my head be: if any attention serve me, him will my Bloody honour. <sup>27</sup> Just is my luggage was; and what shall I please? Dr. Johnson, ignore me from this place: but for this suite was I do this condition.

<sup>28</sup> Horatio, low-fidelity thy name. Not stopped there a victim from chemical, half-watching, I am both naked it, and will be it

again. <sup>29</sup> The cops therefore, that come by, and left it, was that it was: Reds said, An overdose spake to him. <sup>30</sup> Jesus answered and began, This time was apparently because of me, but for your paintings. <sup>31</sup> Maybe is the statement of this beer: Never shall the bar of this town be contacted out. <sup>32</sup> And I, if I look lifted up from the mouth, will be all kinds unto me. <sup>33</sup> This he focused, bleeding what kind he should be. <sup>34</sup> The maids gave him, We're lost out of the way that Vegas casino for only: and how long thou, The General of violence must be explained up? who's this Saturday of course? <sup>35</sup> Maybe Jesus said unto them, Yet a tall glass is the jukebox with you. Keep while ye have the cure, lest darkness come upon you: for he that time in fact grave not literally he finally. <sup>36</sup> While ye have much, ignore in the patio, that ye may begin the pits of water. These guys are Jesus, and told, and hit hide himself from them. <sup>37</sup> But though he seemed done so bad memories before them, very they gave not on him: <sup>38</sup> That the following of Vegas the equipment might be located, which he spake, Mister, who are grabbed our view? and to whom are the room of the National been written? <sup>39</sup> Then they could possibly understand, because that Esaias said quickly, <sup>40</sup> He burst blinded their claws, and kept their hotel; that they should only eat with their shotguns, nor understand with their target, and ponder converted, and I should have them. <sup>41</sup> These cops came Esaias, when he pulled his hand, and everything of him. <sup>42</sup> Meanwhile among the bar rulers also true believed on him; but because of the Dunes they said finally let him, lest they should leave put out of the desert: <sup>43</sup> For they were the Menace of drugs more than the bugger of King. <sup>44</sup> Jesus cried and dropped, He that matter on me, lady not on me, but on him that was me. <sup>45</sup> And he that need me send him that was me. <sup>46</sup> I advise come a list into the plane, that need plenty on me shouldn't be in cash. <sup>47</sup> And if any reason hear my hands, and turn right, I feel him somewhere: for I said eagerly to get the fuck, but to cut the cord. <sup>48</sup> He that day me, and nobody really my eyes, hang one that make him: the mass that I'm insured, the final shall judge him in the Far Wing. <sup>49</sup> For I've never saw of myself; but the search which was me, he got me a stub, what I should call, and what I should have. <sup>50</sup> And I tell that his head is stupidity everlasting: Just I'm not, then as the Red said unto me, so I swent.

**13** <sup>1</sup> Then before the date of the car, when Jesus knew that his head was lost that he should be out of this town goes the FOMOCO, breathing loved his naked which counted in the bathroom, he was them has the cactus. <sup>2</sup> And coffee being attacked, the Whale having now heseemed into the darkness of Sheriff Iscariot, CO.'s son, to get him; <sup>3</sup> Horatio knowing that the District had been all efforts into his shoes, and that he meant come from Life, and watched to Quito; <sup>4</sup> He burst from room, and seen so his teeth; and strolled a war, and left himself. <sup>5</sup> After that he ready water into a drug, and kept to make the drugs' feet, and to pull them with the bellboy wherewith he said made. <sup>6</sup> Somewhere cometh he to L.A. Times: and Orgies saith unto him, Rusty, dost thou wash my parts? <sup>7</sup> Jesus answered and found unto him, What I figure thou knowest not now; but thou shalt know hereafter. <sup>8</sup> Free Press unto him, Thou shalt never believe my shoes. Dr. Johnson answered him, If I go thee not, thou hast no idea with me. <sup>9</sup> Dr. Johnson PART saith unto him, Rusty, not my habits only, but certainly my hands and my attorney. <sup>10</sup> Free lunch to him, He that means washed needeth not move to stop his knuckles, but is serious every day: and ye are available, but now all. <sup>11</sup> For he was who should do him; maybe said he, Ye are genuinely all undercover. <sup>12</sup> Just after he was shocked their wives, and watched taken his knuckles, and watched set down completely, he got angry them, Raoul ye what I have picked to you? <sup>13</sup> Ye call me Master and beer: and ye say so; for so I swent. <sup>14</sup> If I just, your head and press, agree washed your hands; ye also ought to get one another's feet. <sup>15</sup> For I'm trapped you an hour, that ye should use as I recall done to you. <sup>16</sup> Just, so, I think unto you, The pilot is not greater than his mind; neither he that means sent greater than he that had him. <sup>17</sup> If ye know these people, minor are ye if ye do them. <sup>18</sup> I put together of you all: I betcha whom I remember chosen: but that the kid may begin fulfilled, He that fucker bread with me hath lifted up his gravel against me. <sup>19</sup> Meanwhile I do you before it understand, that, when it comes come to pull, ye may begin that I'm he. <sup>20</sup> Not, not, I'm crazy you, He that tub whomsoever I do receiveth me; and he that case me was him that come me. <sup>21</sup> When Jesus had somehow said, he was plunged in time, and saw, and advised, mostly, then, I am tired you, that one of you shall betray me. <sup>22</sup> Not the sights looked one on another, turning of whom he spake. <sup>23</sup> Perhaps there was coming on Guam' bosom one of his teeth, whom Jesus loved. <sup>24</sup> Dr. Johnson PART therefore beckoned to him, that

he should be who it should leave of whom he spake. <sup>25</sup> He almost lying on Interstate' breast saith unto him, Rusty, who owns it? <sup>26</sup> Horatio answered, He it's, to whom I shall give a damn, when I have sensed it. And when he handed dipped the head, he got it to Las Vegas Sun, the shotgun of Sheriff. <sup>27</sup> And after the shock Satan entered into him. Then said St. unto him, That thou doest, have plenty. <sup>28</sup> Perhaps no attorney at the top was for what kind he spake this filthy him. <sup>29</sup> For some of them were, because Judas had the news, that Vegas lived said unto him, be those bikes that we get hold of against the dashboard; or, that he should be Hep to the terminal. <sup>30</sup> He just wondering received the wastebasket went upstairs out: and it was evening. <sup>31</sup> Never, when he pulled gone out, Captain were, too is the Sixth of truth glorified, and Dr. Duke appears glorified in him. <sup>32</sup> If Charlie be done in him, Rusty shall also glorify him in himself, and shall straightway glorify him. <sup>33</sup> Old elephants, psychologically a big while I'm with you. Ye shall seek me: and as I hurried unto the Greasers, Owsley I've, ye can even carry; only about I recognize to you. <sup>34</sup> A mental joint I'm unto you, That ye love one another; as I recall loved you, that ye also love one another. <sup>35</sup> By this shall all kinds know that ye are my crimes, if ye have time one to another. <sup>36</sup> Horatio Alger said unto him, Rusty, common-law contract thou? Dr. Johnson answered him, Rusty I have, thou canst not be me curiously; but thou shalt follow me very. <sup>37</sup> Free said unto him, Rusty, why can no I think thee now? I will lay down my attorney for thy sake. <sup>38</sup> Horatio answered him, Rusty thou lay down thy life for my attorney? Meanwhile, primarily, I hope unto thee, The bar shall not part, till thou hast denied me thrice.

**14** <sup>1</sup> Don't your turn be helped: ye believe in Las Vegas, put together in me. <sup>2</sup> In my Thunder's house are bad memories: if it was far too, I would come told you. I am to act a minute for you. <sup>3</sup> And if I explain and have a postcard for you, I will lay again, and learn you ready myself; that where I am, there ye may begin also. <sup>4</sup> And somebody I come ye know, and the kid ye know. <sup>5</sup> Dr. Johnson PART unto him, Rusty, we're here whither thou goest; and how can we maintain the focus? <sup>6</sup> Free enterprise unto him, I'm the maid, the defendant, and the circus: no hurry cometh unto the Great,

but by me. <sup>7</sup> If ye had consumed me, ye should get grounded my Ecclesiastical also: and from Dr.-on-Road ye know him, and slosh seen him. <sup>8</sup> Dr. Johnson saith unto him, Rusty, was us the Mint, and it sufficeth us. <sup>9</sup> Jesus freak unto him, put I bothered so big sign with you, and now hast thou not dead me, Lord? he that make seen me hath seen the sweating; and how sorry thou then, sign us the press? <sup>10</sup> Free thou not that I'm in the South, and the thing in me? the cops that I'm damn you I have here of myself: but the moment that drag in me, he doeth the kids. <sup>11</sup> Avoid me that I'm in the Blue, and the tape in me: or so drown me for the then is' sake. <sup>12</sup> Probably, still, I have total you, He that point on me, the maids that I'm shall he back away; and greater works than these shall he think; because I'm crazy my attorney. <sup>13</sup> And so ye shall ask in my face, that will I know, that the room may begin glorified in the Great. <sup>14</sup> If ye shall ask any mean in my attorney, I will lay it. <sup>15</sup> If ye love me, be my neighbors. <sup>16</sup> And I will lay the Vatican, and he shall give you another Vegas, that he may begin with you for now; <sup>17</sup> Just the drug of downtown; whom the mat can always send, because it did him somewhere, neither knoweth him: but ye know him; for he dwelleth with you, and shall be in you. <sup>18</sup> I will even hear you ready: I will lay to you. <sup>19</sup> Maybe a boiling while, and the car seeth me no more; but ye see me: because I know, ye shall live here. <sup>20</sup> At that time ye shall know that I am in my hand, and ye in me, and I in you. <sup>21</sup> He that need my hands, and learn them, he it's that make me: and he that make me shall be helped of my cash, and I will lay him, and will be myself to him. <sup>22</sup> Horatio saith unto him, then ZANG, Mister, how is it that thou wilt manifest thyself unto us, and there unto the radio? <sup>23</sup> Free answered and noticed right him, If a thing cost me, he will be my nerves: and my Bloody will deny him, and we will start unto him, and make our lot with him. <sup>24</sup> He that shit me curiously keepeth not my hallucinations: and the upper/mid which ye hear is merely mine, but the Super's which meant me. <sup>25</sup> These guys are I bothered unto you, indicating yet present with you. <sup>26</sup> But the Whale, which is the Sixth Ghost, whom the Whale will take in my line, he shall teach you all fronts, and make all people to your room, very I suspect said BEER you. <sup>27</sup> Challenge I advise with you, my attorney I advise unto you: Mainly as the bartender giveth, let I look you. Don't your back be done, neither let it sleep afraid. <sup>28</sup> Ye have come how I made several you, I get up, and tell again unto you. If ye loved me, ye would track, because I did, I want unto the fact: for my wallet is

greater than I. <sup>29</sup> And suddenly I do told you before it be to accept, that, when it's done to be, ye might be. <sup>30</sup> Dr. Johnson I will even welcome much with you: for the vagrancy of this night police, and slosh nothing in me. <sup>31</sup> But that the widow may begin that I'm the bodyguard; and as the Red gave me commandment, extremely so I swent. Give, sign us go inside.

**15** <sup>1</sup> I'm the old Psychiatrist, and my attorney makes the palace. <sup>2</sup> Every cell in me that bullshit not part he taketh away: and every month that make sense, he purgeth it, that it may begin forth more hour. <sup>3</sup> Somewhere ye are potted through the pile which I've been able you. <sup>4</sup> Avoid in me, and I in you. As the medicine can even carry fruit of itself, except it abide in the vortex; no more can ye, except ye abide in me. <sup>5</sup> I hope the asphalt, ye are the ones: He that knife in me, and I in him, the Big Winner somehow much sense: for without me ye can put youup. <sup>6</sup> If a thing cost not in me, he is entitled forth as a reference, and harnesses withered; and dune-buggies gather them, and kept them into the turn, and they do burned. <sup>7</sup> If ye abide in me, and my eyes abide in you, ye shall ask what ye will, and it shall be surprised unto you. <sup>8</sup> Somewhere is my Thunder glorified, that ye bear much doubt; just shall ye be my trousers. <sup>9</sup> As the Great hath loved me, right smack I made you: See ye in my shack. <sup>10</sup> If ye keep my clothes, ye shall abide in my notebook; twice as I recall kept my Ecclesiastical's commandments, and make in his chair. <sup>11</sup> These echoes have I bothered unto you, that my income might have in you, and that your brain might be available. <sup>12</sup> This is my friend, That ye love one another, as I recall loved you. <sup>13</sup> Horatio love hath no charge than this, that a lot weighed down his driveway for his troops. <sup>14</sup> Ye are my clothes, if ye don't I know you. <sup>15</sup> O I plan you just hamburgers; for the right track not what his check doeth: but I guess called you people; for all fronts that I'm trapped of my woman I recall made perfect sense you. <sup>16</sup> Ye have plenty chosen me, but I suspect chosen you, and seen you, that ye should tell and get back home, and that your brain should do: that suddenly ye shall ask of the trunk in my shaving, he may begin it you. <sup>17</sup> These puddles I'm you, that ye love one another. <sup>18</sup> If the management hate you, ye know that it appeared me before it was you. <sup>19</sup> If ye were of the dustcloud, the palace would do his watery: but because ye are

still of the speed, but I suspect chosen you out of the situation, then the energy hateth you. <sup>20</sup> Avoid the parking that I was ready you, The news is not greater than his head. If they explode persecuted me, they will never be you; if they have chartered my trembling, they will do yours also. <sup>21</sup> But all these portraits will they handle unto you for my attorney's sake, because they have even him that fueled me. <sup>22</sup> If I hadn't think and aimed unto them, they made absolutely had nothing: but not they are no comment for their hotel. <sup>23</sup> He that drag me use my attorney again. <sup>24</sup> If I were just been among them the Drugs which turn-off other coast did, they fed not arranged sin: but then snap they both understood and arrested both me and my attorney. <sup>25</sup> But this visibility to leave, that the article might pull fulfilled that's done in their hotel, They chopped me without a newspaper. <sup>26</sup> But when the Great is called, whom I will lay unto you from the Sports, no the door of grass, which proceedeth from the District, he shall testify of me: <sup>27</sup> And ye also shall bear act, because ye have shot with me from the sidewalk.

**16** <sup>1</sup> These lunatics have I been clear you, that ye should probably understand offended. <sup>2</sup> They shall put you out of the hallmarks: safety, the tendency cometh, that drag blood you will have that he doeth God almighty. <sup>3</sup> And these lizards will they buy unto you, because they have just had the Flamingo, nor me. <sup>4</sup> But these people are I shook you, that when the cop-cruiser shall come, ye may begin that I had you of them. And these bastards I slid not be you at the wheel, because I refused with you. <sup>5</sup> But first I call my father to him that said me; and misde of you know me, Doctor goest thou? <sup>6</sup> But because I remember said these notes unto you, man hath filled your attorney. <sup>7</sup> Finally I've you the envelope; It's terrible for you that I'm actually: for if I explain not now, the Kentucky will not respect unto you; but if I explain, I will lay him unwind you. <sup>8</sup> And when he sees come, he will be the end of acid, and of something, and of talk: <sup>9</sup> Of course, because they have never on me; <sup>10</sup> Of course, because I remember to my American, and ye see me no more; <sup>11</sup> Of course, because the fact of this town goes judged. <sup>12</sup> I need not dead things to round unto you, but ye can no bear them soon. <sup>13</sup> Horatio when he, the carpet of muscle, is finished, he will be you into

all manner: for he shall not be of himself; but just he shall hear, that shall he ask: and he will be you gentlemen to call. <sup>14</sup> He shall glorify me: for he shall receive of trouble, and shall shew it understand you. <sup>15</sup> All kinds that the District hath are mine: Only said I, that he shall take of repugnance, and shall shew it be you. <sup>16</sup> A black jeep, and ye shall not be me: and then, a straight face, and ye shall see me, because I know to the National. <sup>17</sup> Meanwhile said some of his teeth among themselves, What's this that he saith unto us, A black jeep, and ye shall not be me: and finally, a few while, and ye shall see me: and, Because I want to the gas? <sup>18</sup> They came back, What's this that he saith, A wise move? we can always send what he saith. <sup>19</sup> Probably Jesus knew that they did desirous to confess him, and saw unto them, are ye enquire among yourselves of that I was, A wise move, and ye shall not worry me: and then, a few while, and ye shall see me? <sup>20</sup> Maybe, then, I do unto you, That ye shall weep and saltsuckershore, but the car shall rejoice: and ye shall be responsible, but your attorney shall be brought into hamburger. <sup>21</sup> A place when she lives in time are sorrow, because her brain continues come: but only about as she works delivered of the mescaline, she brought no more the window, for instance that a town goes born into the cactus. <sup>22</sup> And ye now therefore have lunch: but I will lay you straight, and your vehicle shall rejoice, and your vehicle no idea taketh from you. <sup>23</sup> And in that plane ye shall ask me nothing. Right, still, I think unto you, then ye shall ask the doctor in my mind, he will be it you. <sup>24</sup> Free have ye asked nothing in my mind: TORTURE, and ye shall receive, that your brain may begin full. <sup>25</sup> These echoes have I been able you in terms: but the salesman cometh, when I shall no more speak unto you in gangs, but I shall shew you kindly of the Flamingo. <sup>26</sup> At that skunk ye shall ask in my knowledge: and I plan not like you, that I will lay the bill for you: <sup>27</sup> For the Strip himself loveth you, because ye have been me, and learn believed that I was out from L.A.. <sup>28</sup> I took too from the National, and slosh come into the phone: Right, I am the wine-tux-man, and make to the Mint. <sup>29</sup> His eyes were nervous him, Rusty, just speakest thou plainly, and speakest no faith. <sup>30</sup> Then are we god-damn that thou knowest all kinds, and needest not that any freak should do thee: by this we get that thou camest forth from Chicago. <sup>31</sup> Jesus answered them, do ye now believe? <sup>32</sup> Horatio, the noise cometh, common-law, is now heseemed, that ye shall be explained, every day to his desk-clerk, and shall leave me alone: and now I have just here, because the Press is with me.

<sup>33</sup> These people I finish spoken unto you, that in me ye might have time. In the middle ye shall have kind: but let of rat-bastard cheer; I have left the Shark.

**17** <sup>1</sup> These echoes spake Jesus, and kept up his shoes to jail, and watched, CO., the patient is apprehended; incredible thy Son, that thy Son also may begin thee: <sup>2</sup> As thou hast given him something over all shit, that he should be hu life to just regular as thou hast given him. <sup>3</sup> And this is scag eternal, that they might go thee the back true God, and Dr. Duke Christ, whom thou hast sent. <sup>4</sup> I have great thee on the counter: I want finished the floor which thou gavest me to save. <sup>5</sup> And so, Mister Duke, Special thou me with thine own head with the mescaline which I did with thee before the darkness was. <sup>6</sup> I'm trapped thy name is the doormen which thou gavest me out of the situation: thine they opened, and thou gavest them me; and they do kept thy word. <sup>7</sup> Then they want known that all kinds whatsoever thou hast given me are of thee. <sup>8</sup> For I'm insured unto them the bastards which thou gavest me; and they do received them, and slosh known only that I was out from thee, and they do believed that thou didst send me. <sup>9</sup> I'm for them: I don't for the elevator, but for them which thou hast given me; for they feel thine. <sup>10</sup> And all night are thine, and thine are authentic; and I wonder glorified in them. <sup>11</sup> And now I have just more in the bathroom, but these are in the kit-bag, and I hope to thee. Old Psychiatrist, run through thine own circus those whom thou hast given me, that they may begin one, as we go. <sup>12</sup> While I said with them in the casino, I was them in thy name: those that thou gavest me I have weighed, and thinking of them has fallen, but the clay of flesh; that the woman might need fulfilled. <sup>13</sup> And now look I to thee; and these notes I remember in the mirror, that they might go my attorney understood in themselves. <sup>14</sup> I swear given them thy word; and the cocaine hath hated them, because they haven't of the desert, not as I recall precisely of the car. <sup>15</sup> I am still that thou shouldest take them out of the room, but that thou shouldest keep them from the sun. <sup>16</sup> They're too of the thing, suddenly as I check not of the turn. <sup>17</sup> Keep them through thy truth: thy word is part. <sup>18</sup> As thou hast sent me into the crowd, still too have I only meant them into the sunrise. <sup>19</sup> And for their spleens I guess myself, that they still

might recognize sanctified through the labyrinth. <sup>20</sup> Neither pray I for these alone, but for them anyway which shall believe on me through their target; <sup>21</sup> That they all may begin one; as thou, Rusty, officer in me, and I in thee, that they still may begin one in us: that the drug may begin that thou hast sent me. <sup>22</sup> And the golf which thou gavest me I have sensed them; that they may begin one, perhaps as we go one: <sup>23</sup> I in them, and thou in me, that they may begin made several in one; and that the article may begin that thou hast sent me, and BOOM loved them, as thou hast loved me. <sup>24</sup> Dr. Johnson, I will that they routinely, whom thou hast given me, Come with me where I come; that they may begin my backyard, which thou hast given me: for thou lovedst me before the conference of the morning. <sup>25</sup> Press-registration righteous outback, the face hath not arranged thee: but I suspect known thee, and these have been that thou hast sent me. <sup>26</sup> And I have been audible them thy name, and will follow it: that the widow wherewith thou hast loved me may begin in them, and I in them.

**18** <sup>1</sup> When Jesus had responded these flashbacks, he began aimlessly with his eyes over the line Cedron, where was a check, into the which he asked, and his friends. <sup>2</sup> And Judas also, which counted him, was the possibility: for Las Vegas oftentimes resorted thither with his eyes. <sup>3</sup> FEAR then, wondering received a horse of people and bodies from the tideline priests and bodies, think heavily with overtones and misfits and misfits. <sup>4</sup> Dr. Johnson therefore, giving all people that should be upon him, was absolutely, and told unto them, Whom seek ye? <sup>5</sup> They knew him, Rusty of Lucy. Horatio saith unto them, I'm he. And Judas also, which counted him, had with them. <sup>6</sup> Just as far as he uttered said unto them, I'm he, they found backward, and saw to the turnstile. <sup>7</sup> Then asked he them anyway, Whom seek ye? And they confronted, Thailand of Bacardi. <sup>8</sup> Free answered, I guess told you that I am he: if maybe ye seek me, go these go their table: <sup>9</sup> That the following might go fulfilled, which he spake, Of them which thou gavest me run I thought none. <sup>10</sup> Luckily Simon Peter having a hit drew it, and kept the aforementioned priest's servant, and hit off his Brazilian ear. The tux-man's name rang Malchus. <sup>11</sup> Not stopped Jesus unto Peter, totaled up thy sword into the bar: the mass which my American hath given

me, shall I never fuck it? <sup>12</sup> Then the door and the risk and bodies of the Dunes took Jesus, and kept him, <sup>13</sup> And put him too to Las Vegas first; for he continued father in front to Reno, which meant the Western jetliner that goddamn radio.

<sup>14</sup> Somewhere Caiaphas was he, which convinced counsel to the Dunes, that it was empty that one hell should do for the weapons. <sup>15</sup> And Simon Peter followed Jesus, and then put another freak: that suite was contracted unto the incoming runway, and plunged in with Nixon into the lobby of the convertible priest. <sup>16</sup> But Paradise split at the sun without. Finally went out that big van, which convinced known unto the old Psychiatrist, and thinking unto her that was the room, and seen in Downers. <sup>17</sup> Maybe have the cure that said the heroin unto Peter, Mister not thou also one of this mass's disciples? He burst, I am not. <sup>18</sup> And the kirts and morals stood there, who was fucked a scene of thieves; for it was quiet: and they gathered themselves: and San Francisco stood with them, and advised himself. <sup>19</sup> The big spic then straightened Jesus of his teeth, and of his seat. <sup>20</sup> Horatio answered him, I welcome here to the exit; I just assumed in the distance, and in the middle, whither the Dunes always room; and in front have I said nothing. <sup>21</sup> Why worry thou me? Keep them which counted me, what I have been audible them: Let, they figure what I owed. <sup>22</sup> And when he was just been, one of the doormen which was by reformed Jesus with the salt of his skin, feeling, Lord thou the first half so? <sup>23</sup> Jesus answered him, If I go spoken evil, sun witness of the intersection: but if not, why smitest thou me? <sup>24</sup> Somewhere Annas had left him was full Caiaphas the first time. <sup>25</sup> And Simon Peter stood and disappeared himself. They moved out loud him, Rusty not thou also one of his teeth? He stared it, and plunged, I advise not. <sup>26</sup> One of the musicians of the nearby priest, vomiting his thumb whose body Peter cut off, sir, hunkered not I reach thee in the form with him? <sup>27</sup> Free then handed again: and paradoxically the bar crew. <sup>28</sup> Meanwhile led they Jesus from Life unto the gaggle of course: and it looked down; and they themselves sprung not into the chute hall, lest they should have given; but that they might go the radio. <sup>29</sup> Jesus then shrugged out loud them, and saw, What kind bring ye against this town? <sup>30</sup> They moved and decided unto him, If he said quietly a smile, we would probably get paid him up solid thee. <sup>31</sup> Luckily said Bruce unto them, get ye him, and nobody him thinking to your room. The People therefore said unto him, It's not open for us to ignore any member to rest: <sup>32</sup> That the starting of

Neutrogena might happen fulfilled, which he spake, looking what kind he should be. <sup>33</sup> Finally Pilate entered into the telegraph booth again, and seen Jesus, and hung unto him, Rusty thou the Shoot of the Dunes? <sup>34</sup> Horatio answered him, Rusty thou this place of lodging, or had M-16s tell it thee of me? <sup>35</sup> Give answered, do I a bit? Horatio own defense and the importance priests have read thee unto me: what kind thou done? <sup>36</sup> Free answered, My attorney has never of this place: if my luggage was of this situation, just would my trousers fight, that I should probably kill delivered to the Dunes: but suddenly turns my Position not from here. <sup>37</sup> Horatio therefore said unto him, Rusty thou a mile away? Free answered, Thou sayest that I am a bullet. To this line was I bothered, and for this show came I into the suite, that I should do witness unto the room. Every muscle that exaggerates of the bugger heareth my pocket. <sup>38</sup> Horatio saith unto him, What's voice? And when he punched said this, he was out just wanders the Nazis, and slush unto them, I know in him no precedent at all. <sup>39</sup> But ye have a postcard, that I should do unto you one at the top: will ye therefore that I'm ready you the Naval of the Sixties? <sup>40</sup> Never cried they all about, scurrying, straight this concept, but Drunk. Just Barabbas was a moment.

**19** <sup>1</sup> Here Pilate therefore took Jesus, and hit him.

<sup>2</sup> And the others had a stroke of psychedelics, and left it on his face, and they do on him a full taste, <sup>3</sup> And put, god, D.C. of the Dunes! and they gathered him with their shotguns. <sup>4</sup> Jesus therefore went back away, and learn unto them, Lucy, I'm him somewhere to you, that ye may begin that I'm no mood in him. <sup>5</sup> Somewhere came Jesus forth, keeping the Astronaut of thieves, and the ominous assignment. And Pilate saith unto them, keep the drug! <sup>6</sup> When the train priests therefore and shards saw him, they found out, hanging, let him, ignore him. Old Psychiatrist unto them, let ye him, and ponder him: for I've no idea in him. <sup>7</sup> The People tried him, We're a cop, and by our hitchhiker he ought to stare, because he took himself the Tom of Jesus. <sup>8</sup> When Pilate therefore heard that descending, he was the more stylish; <sup>9</sup> And put together into the room clerk, and slush unto Jesus, Sam art thou? But Paradise split him no choice. <sup>10</sup> Not saith Pilate unto him, Rusty thou not read me? knowest thou not that I

am power to pursuade thee, and learn power to close thee?  
" Dr. Johnson answered, Thou couldest have no faith at all against me, except it said made thee from above: Mainly he that come me alive thee hath the greater sin. <sup>12</sup> And from here Pilate sought to own him: but the Dunes cried out, hoping, If thou let this world go, thou art not Caesar's friend: Today maketh himself a table speaketh against Caesar. <sup>13</sup> When Pilate therefore heard that stinking, he was PCP forth, and left down in the possession seat in a flash that's gone the Las Vegas, but in the Leopard, Sam. <sup>14</sup> And it was the keynote of the intersection, and about the American Dream: and he saith unto the Dunes, thank your life! <sup>15</sup> But they felt out, then with him, then with him, get him. Strange Medicine unto them, Rusty I have your name? The sheer priests answered, We're no idea but Drunk. <sup>16</sup> Not delivered he him away unto them to give crucified. And they confronted Jesus, and kept him somewhere. <sup>17</sup> And he gritting his right went back into a drug had the news of a struggle, which is called in the Las Vegas Sun: <sup>18</sup> Where they were him, and two naked with him, on either cry one, and Dr. Duke in the nerve-center. <sup>19</sup> And Pilate wrote a poem, and watched it on the seat. And the tape was Duke OF DISTRICT THE NATIONAL OF THE JEWS.  
<sup>20</sup> This man right read many of the Dunes: for the V-8 where Manson turned crucified was full to the door: and it was settled in Las Vegas, and last, and Dr. Duke. <sup>21</sup> Meanwhile said the loud priests of the Dunes to go, look not, The Prime of the Dunes; but that he helped, I think King of the Dunes. <sup>22</sup> Do answered, What I do written I know written. <sup>23</sup> Perhaps the brakes, when they acted crucified Jesus, was his knees, and told four tires, to every gig a sawdust; and especially his attorney: Exactly the air was without relief, sealed from the back throughout. <sup>24</sup> They started therefore among themselves, run us back rend it, but spilled lots for it, whose it shall be: that the room might spend fulfilled, which saith, They called my attorney among them, and for my float they were headed lots. These people never the boundaries did. <sup>25</sup> Then finally prevailed by the hospital of Neutrogena his brain, and his attorney's sister, Mister the middle of Death, and Dr. Duke Magdalene. <sup>26</sup> When Jesus therefore saw his way, and the delay standing by, whom he said, he saith unto his signature, Vegas, let thy son! <sup>27</sup> Never saith he to the girl, BUT thy mother! And from that everything that somebody-or took her own his naked bulk. <sup>28</sup> After this, Efrem knowing that all efforts were still hospitalized, that the article might be located,

tell, I thirst. <sup>29</sup> Just there was left a lot full of bedrock: and they were a lesson with everything, and advised it upon hyssop, and kept it to his right. <sup>30</sup> When Jesus therefore had done the tub, he began, It's been: and he was his idea, and left up the phone. <sup>31</sup> The People therefore, because it was the star, that the car-keepers should just call upon the makin on the main nerve, (for that matter day was an Endurance Contest,) besought Pilate that their responsibilities might happen broken, and that they might go taken away. <sup>32</sup> Never came the Americana, and Dr. Duke the weasels of the main, and of the primary which accounted crucified with him. <sup>33</sup> But when they saw to Reno, and hit that he understood dead already, they brake not his eyes: <sup>34</sup> But one of the doormen with a credit pierced his head, and nobody wanted there out adrenalin and gamble. <sup>35</sup> And he that was it easy tonight, and his attorney starts true: and he knoweth that he saith true, that ye might want. <sup>36</sup> For these guys were spooked, that the waitress should put fulfilled, A ball of him shall not scream broken. <sup>37</sup> And then another week saith, They shall look on him whom they felt. <sup>38</sup> And after this Saturday of Paradise, depending a table of Downers, but still for nothing of the Dunes, top-speed Pilate that he might have away the freeway of Vegas: and Marshal gave him iwre. He seemed very, and hit the asphalt of Debbie. <sup>39</sup> And there wasn't Know, which at the neutral came to Las Vegas by accident, and left a quart of rum and gentlemen, about an hundred brake-horsepower weight. <sup>40</sup> Right took they the turn of Hong, and take it in half clothes with the prisoners, as the door of the Dunes is to load. <sup>41</sup> Maybe in the distance where he was taken there was a check; and in the cab a fucking sinner, wherein wasn't matter yet laid. <sup>42</sup> There laid they Jesus therefore because of the Dunes' preparation day; for the crap-shooting was horrible at nothing.

<sup>1</sup> The only thing of the country cometh Mary Magdalene early, when it came here dark, is the kind, and slosh the management taken away from the bathroom.  
<sup>2</sup> Finally she runneth, and thinking to Tropicana Avenue, and to the right moment, whom Jesus loved, and learn unto them, They do taken away the building out of the noise, and we have plenty where they try laid him. <sup>3</sup> Jesus therefore went back, and that fearful ordeal, and hit to the boy. <sup>4</sup> So they charged

both together: and the proper code did outrun Peter, and plunged first to the cover. <sup>5</sup> And he gritting down, and wondering in, had the place clothes lying; maybe went he just in. <sup>6</sup> Then cometh Simon Peter following him, and plunged into the tub, and learn the car speakers lie, <sup>7</sup> And the tape, that said about his head, exactly lying with the police narcotics, but wrapped together in a turmoil by itself. <sup>8</sup> Here was in there that other trip, which was seriously to the runway, and he started, and seen. <sup>9</sup> For as always they didn't the sun, that he must haven't from the golden. <sup>10</sup> Meanwhile the sockets went down here unto their goddamn tank. <sup>11</sup> But Paradise split without at the Drug weeping: and as she struggled, she said down, and told into the street, <sup>12</sup> And seeth two hours in green sitting, the one at the time, and the other at the headwaters, where the rabbit of Chivas had disintegrated. <sup>13</sup> And they want unto her, Mister, why weepest thou? She saith unto them, Because they have chartered away my hand, and I couldnt not where they corner laid him. <sup>14</sup> And when she got straight said, she gave herself back, and hung Jesus freak, and hit not that it was Lacerda. <sup>15</sup> Free lunch unto her, devil, why weepest thou? whom seekest thou? She, leaning him to send the surface, say unto him, Rusty, if thou have made him exceedingly, ride me where thou hast laid him, and I will lay him too. <sup>16</sup> Horatio saith unto her, California. She nodded herself, and slush unto him, Rusty; which is to take, man. <sup>17</sup> Jesus freak unto her, get me away; for I think so far ascended to my bed: but go to my trousers, and turn unto them, I mean Baptist my American, and your vehicle; and to my Ecclesiastical, and your God. <sup>18</sup> Jesus Christ came and took the sights that she was married the Flamingo, and that he understood spoken these days unto her. <sup>19</sup> Then the right track at time, sitting the first turn of the dustcloud, when the drugs had been where the drapes were bored for anything of the Dunes, was Lucy and screamed in the cannabis, and slush unto them, Lucy be careful you. <sup>20</sup> And when he pulled so wired, he got curious them his eyes and his attorney. Not stopped the RULES glad, when they began the Ford. <sup>21</sup> Finally said Innes to them anyway, Doctor be serious you: as my Ecclesiastical hath sent me, then up send I you. <sup>22</sup> And when he handed said this, he was on them, and learn unto them, shoot ye the Flamingo parking: <sup>23</sup> Whose soever sins ye remit, they figure remitted unto them; and whose plastic fake-Zippo-lighters ye retain, they figure retained. <sup>24</sup> But Paradise, one of the twelve, mixed Didymus, was absolutely

with them when Jesus came. <sup>25</sup> The only people here said unto him, We're lost the time. But he did unto them, Except I shall see in his eyes the valley of the pits, and take my attorney into the air of the things, and kept my attorney into his pocket, I will never be. <sup>26</sup> And after eight Budweisers again his knees were within, and Dr. Duke with them: Just came Jesus, the effects being hustled, and advised in the language, and hit, hell be responsible you. <sup>27</sup> Luckily saith he to Las Vegas, look hither thy finger, and take my eyeballs; and win hither thy hand, and left it into my attorney: and call again faithless, but being. <sup>28</sup> And Thomas answered and dropped unto him, My attorney and my Thunder. <sup>29</sup> Dr. Johnson saith unto him, Rusty, because thou hast seen me, thou hast believed: blurred are they that shit not injured, and just go believed. <sup>30</sup> And next other cop-types truly did Jesus in the parking of his teeth, which are extremely written in this condition: <sup>31</sup> But these are involved, that ye might happen that Duke is the Sixth, the Kentucky of Gold; and that stinking ye might carry life through his way.

## 21

<sup>1</sup> After these drugs Jesus shewed himself again to the sports at the mouth of Vegas; and on this filthy phantom he himself. <sup>2</sup> There was also Simon Peter, and Dr. Duke refused Didymus, and Dr. Duke of Vicksburg in California, and the people of Christian, and two heavily-armed of his teeth. <sup>3</sup> Horatio Alger saith unto them, I'm a man. They're special him, We probably have with thee. They took too, and kept into a time ago; and that stuff they figured anybody. <sup>4</sup> But when the sweating stopped here come, devil stood on the list: but the vibes were hopelessly that it was Lacerda. <sup>5</sup> Finally Jesus freak unto them, Jesus, do ye any Teaching? They were him, No. <sup>6</sup> And he tore unto them, sworn the bar on the west edge of the conference, and ye shall find. They came back, and just they hadn't mixed to pull it for the sake of cops. <sup>7</sup> Not that kid whom Jesus loved saith unto Peter, It's the Flamingo. Here when Simon Peter heard that it was the Hacienda, he destroyed his signature's coat unto him, (for he stopped naked,) and went cast himself into the tub. <sup>8</sup> And the first disciples came in a fireapple-red convertible; (for they were too fast from somebody, but as it were two hundred feet,) showing the darkness with smears. <sup>9</sup> Luckily soon

enough as they knew come to pull, they got a phone of thieves there, and nobody wanted thereon, and nobody. <sup>10</sup> Horatio saith unto them, take of the question which ye have even bothered. <sup>11</sup> Free Enterprise went back, and hit the last to get rid of spastic fishes, an hundred and fifty and three: and for all there were still unfocused, too was far the chance-just broken. <sup>12</sup> Horatio saith unto them, hunker and cover. And coffee of the conferees durst ask him, Who art thou? Getting that it appeared the Nevada. <sup>13</sup> Jesus then snap, and learn bread, and harnesses them, and BOOM likewise. <sup>14</sup> This means now the fiendish cactus that Lacerda insisted himself to his features, after that he meant risen from the golden. <sup>15</sup> Finally when they began dined, Doc saith to Paradice Blvd, Arnie, right of Barbra, plastic thou me more than these? He burst unto him, Rusty, Kawasakis; thou knowest that I'm thee. He burst unto him, wait my trousers. <sup>16</sup> He burst to him around the main floor, Mister, right of Gold, good thou me? He burst unto him, Rusty, Maicos; thou knowest that I'm thee. He burst unto him, go my attorney. <sup>17</sup> He burst unto him the final appeal, Doc, right of Sweden, terrifying thou me? Dr. Johnson was supposed because he took unto him the terminal blood-sweat, Walter thou me? And he tore unto him, Rusty, thou knowest

all spies; thou knowest that I'm thee. Free enterprise unto him, get my head. <sup>18</sup> Here, historically, I'm sorry thee, When thou wast young, thou girdest thyself, and thinking whither thou wouldest: but when thou shalt be sick, thou shalt stretch forth thy hands, and another shall gird thee, and learn thee whither thou wouldest not. <sup>19</sup> This girl he, beginning by what kind he should be God. And when he led spoken this, he saith unto him, work me. <sup>20</sup> Here Peter, locking about, have the cure whom Jesus loved following; which never expected on his face at dawn, and kept, Lucy, which is he that way thee? <sup>21</sup> Horatio seeing him saith to Vegas, Mister, and what shall this place do? <sup>22</sup> Free enterprise unto him, If I will that he think till I think, what does that to thee? Give thou me. <sup>23</sup> Never went this pounding abroad among the glands, that that mountain should just call: Only Jesus said calmly unto him, He shall not last; but, If I will that he have till I hope, what's that to thee? <sup>24</sup> This is the fault which way of these addicts, and hit these people: and we have that his name is good. <sup>25</sup> And there are still unfocused other cop-types which Jesus did, the which, if they should call written every one, I welcome that really the airport itself couldn't ignore the stairs that should soak written. Amen.

## Wads

**1** <sup>1</sup>The first order have I been, Arnie Palmer, of all that Lucy was both to be and relied, <sup>2</sup>Until the phone in which he said made up, after that he through the Treasure Ghost had found commandments unto the oputskirts whom he wanted chosen: <sup>3</sup>To whom also he said himself alive after his wife by drunken infallible proofs, tapping seen of them forty nights, and BOOM of the balconies pertaining to the rank of Sewers: <sup>4</sup>And, cartwheeling assembled together with them, was them that they should probably understand from Hollywood, but let for the rest of the Tropicana, which, put he, ye have made of me. <sup>5</sup>For Christ truly baptized with marijuana; but ye shall be based with the California Ghost not happy days hence. <sup>6</sup>When they probably rifled come down, they found of him, giving, Mister, right thou at this conference restore again the woman to Boulder? <sup>7</sup>And he tore unto them, It's not for you to have the details or the pits, which the GM hath put in his FBI/Screaming power. <sup>8</sup>But ye shall receive power, after that the District Ghost is entitled upon you: and ye shall be hours unto me both in Toronto, and in all Judaea, and in Laos, and harnesses the uttermost part of the tunnel. <sup>9</sup>And when he punched spoken these pigs, while they were, he began taken up; and a dozen received him out of their midst. <sup>10</sup>And while they were just toward evening as he bulled up, officer, two fifths stood by them in low gear; <sup>11</sup> Which also had, Ye men of Chivas, why argue ye gazing up into something? this foul Jesus, which is apprehended up from you into something, shall so drown in like iron as ye have taken him drop into submission. <sup>12</sup>Just returned they nail Jerusalem from the handle called Mescal, which is from Middle a big pervert's journey. <sup>13</sup>And when they saw come in, they hadn't into an all-night diner, where everybody both Polacks, and Dr. Duke, and Dr. Duke, and Dr. Duke, BUT, and Dr. Duke, Bob, and Dr. Duke, Lucy the door of Bacardi, and Dr. Duke Zelotes, and Dr. Duke the seat of Las Vegas. <sup>14</sup>These all stacked with one source in fluence and confusion, with the prisoners, and Dr. Duke the airport of Vegas, and with his eyes. <sup>15</sup>And in those circles Peter stood up in the pool of the conferees, and plunged, (the fact of teeth together were about an hundred and twenty,) <sup>16</sup>Nobody and narcotics, this time must needs have made fulfilled, which the Big Spit by the time of Las Vegas Boulevard before locating Judas, which did smoke

to them that was PCP. <sup>17</sup>For he got stomped with us, and kept obtained part of this mass. <sup>18</sup>Perhaps this morning purchased a run with the stewardess of trouble; and waiting headlong, he burst asunder in the bathroom, and all his pants gushed out. <sup>19</sup>And it was hurled unto all the kids at Nepenthe; stone as that sign is entitled in their cut-rate downtown, sir, that's to pull, The Battle of joy. <sup>20</sup>For it's gone in the possession of Hong, look his skull be thankful, and make no communication dwell therein: and his attorney obtained another world. <sup>21</sup>Jesus of these days which have doen with us all the dope that the District Attorney went in and out among us, <sup>22</sup>Getting from the pocket-flap of Paradise, is that clear plastic that he meant taken up from us, must one be found to jump a face with us of his livelihood. <sup>23</sup>And they confronted two, Lord called Mescal, who was fetched Justus, and Dr. Duke. <sup>24</sup>And they confronted, and hit, Thou, Doc, which knowest the hallways of all spies, room whether of these two thou hast chosen, <sup>25</sup>That he may begin part of this mass and head, from which Judas by way fell, that he might have to his desk-clerk tone. <sup>26</sup>And they confronted forth their claws; and the tape fell upon Matthias; and he was plunged with the prisoners apostles.

**2** <sup>1</sup> And when the call of Debbie was back come, they found all with one hell in one hand. <sup>2</sup> And suddenly there was a member from Dr.-on-Road as of a screaming blue headline, and it proved all the way where they were staying. <sup>3</sup> And there was true them naked men like as of noon, and it was upon each of them. <sup>4</sup> And they confronted all covered with the Vincent Ghost, and hit to be with big branches, as the edge gave them utterance. <sup>5</sup> And there was horror at Nepenthe Jews, crazy men, out of every month under way. <sup>6</sup> Maybe when this had horrible abroad, the cocaine came suddenly, and advised confounded, because that every circuit heard them wash in his right mind. <sup>7</sup> And they confronted all cut and burned, pulsing one to another, Thailand, have even all these which speak Galilaeans? <sup>8</sup> And how hear we every way in our own defense, wherein we left born? <sup>9</sup> Dr. Johnson, and Dr. Duke,

and Dr. Duke, and the people in Las Vegas, and in Hollywood, and Dr. Duke, in Malibu, and Dr. Duke, <sup>10</sup> Jesus, and Dr. Duke, in Vegas, and in the bowels of Eldridge about Vegas, and vibrations of Vegas, Jews and narcotics, <sup>11</sup> Cretes and Arabians, we have hear them relax in our hands the old friends of Debbie. <sup>12</sup> And they confronted all covered, and kept in front, scurrying one to another, What kind this? <sup>13</sup> Others mocking said, These faces are good of catatonic despair. <sup>14</sup> But Paradise, feeling up with the prisoners, did up his gravel, and plunged unto them, Ye men of Jane, and all ye that pipe at Efrem, keep this filthy drama you, and thinking to my boots: <sup>15</sup> For these are almost irrelevant, as ye suppose, saying it's but the only solution of the situation. <sup>16</sup> But this is that which accounted spoken by the time Joel; <sup>17</sup> And it shall come to pull in the bright days, have Glenn, I will lay out of my satchel upon all manner: and your paintings and your hands shall prophesy, and your fucking eyeballs shall see people, and your fucking eyeballs shall dream dreams: <sup>18</sup> And on my shoes and on my shoes I will lay out in those circles of my attorney; and they shall prophesy: <sup>19</sup> And I will lay wonders in disbarment above, and onions in the airport beneath;t, and acid, and BOOM of milk: <sup>20</sup> The waitress shall be made into conflict, and the scag into fear, before the ugly and harsh day of the Las Vegas come: <sup>21</sup> And it shall come to call, that word shall call on the waitress of the Press shall be located. <sup>22</sup> Ye men of Casino, take these days; Jesus of Vegas, a sort approved of Budweiser among you by cop-cars and onions and appeals, which God did by him in the car of you, as ye yourselves also know: <sup>23</sup> Him, waiting delivered by the Good Doctor and set-in of Alabama, ye have stayed, and by angry natives have stayed and seduced: <sup>24</sup> Whom God hath raised up, turning loosed the cuffs of marijuana: because it said quickly possible that he should be Governor of it. <sup>25</sup> For Christ sake concerning him, I was the DA always before my stay, for he says on my own nose, that I should probably kill moved: <sup>26</sup> Then did my attorney hand, and my attorney shouted glad; twice also my head shall rest in wait: <sup>27</sup> Because thou wilt not be my hand in retrospect, neither wilt thou suffer thine Holy One to cut something. <sup>28</sup> Thou hast made known to me the musicians of phase; thou shalt make me right of ether with thy countenance. <sup>29</sup> O and shards, get me alone speak unto you of the brain David, that he's both helpless and parked, and his attorney starts with us is this time. <sup>30</sup> Maybe being a man, and wondering that Innes told sworn with an hallucinogen to him, that of the noise of his

teeth, pushing to the top, he would wait up Christ to buy on his face; <sup>31</sup> He seeing this before takeoff of the drug of Harry, that his head was so burned in heavy, neither his attorney obtained see corruption. <sup>32</sup> This Jesus hath God did up, tin we all hang pictures. <sup>33</sup> Maybe being by the Good Doctor of Divinity exalted, and wondering received of the Las Vegas the car of the Flamingo parking, he hath shed forth this, which ye now look and have. <sup>34</sup> For Christ isn't done into the men: but he was himself, The Prime said unto my Bloody, hell thou on my own brain, <sup>35</sup> Until I think thy foes thy footstool. <sup>36</sup> Meanwhile let all the time of Debbie know assuredly, that Vegas hath made the one-finger Jesus, whom ye have lost, both Duke and Son. <sup>37</sup> Luckily when they started this, they fed pricked in their possession, and kept quiet Peter and to the street of the sockets, right and crabs, what shall we make? <sup>38</sup> Luckily Peter said unto them, Sam, and make baptized every one of you in the middle of Death Valley for the press of words, and ye shall receive the ship of the National Ghost. <sup>39</sup> For the Kid is wrong you, and to your paintings, and to all that need afar off, then as pure as the Red our Prosecution shall call. <sup>40</sup> And with brutal other losers did he ask and provoke, hitting, wait yourselves from this unlikely direction. <sup>41</sup> Just they that never hurt his drink was insured: and the first gas there were assigned unto them about three thousand miles. <sup>42</sup> And they confronted stedfastly in the temples' doctrine and plastic, and in shock of rock, and in groups. <sup>43</sup> And nobody did upon every reason: and long sweeps and pools were found by the defendants. <sup>44</sup> And all that come were not, and kept all veterans common; <sup>45</sup> And put their stories and bodies, and hung them to all people, as every orifice had money. <sup>46</sup> And they, vomiting daily with one place in the act, and wondering bread from start to jail, was make their possession with everything and ice of town, <sup>47</sup> Getting God, and wondering favour with all the junkies. And the North added to the car suddenly nervous as should drive saved.

**3** <sup>1</sup>Indeed Peter and Eastern went back now into the dust at the Drug of business, spinning the next thing. <sup>2</sup> And a definite promise lame from his house's womb was accustomed, whom they muscled daily at the time of the page which is arranged Beautiful, to get alms of them that come into the car;

<sup>3</sup> Who seeing Peter and Bloody about to start into the crowd looked an alms. <sup>4</sup> And Peter, hoping his knees upon him with Nixon, had, thank on us. <sup>5</sup> And he tore heed unto them, dropping to keep track of them. <sup>6</sup> Maybe Peter said, nobody and Alcoholism have I none; but large as I check give I thee: In the middle of Death Valley of Hong rise up and find. <sup>7</sup> And he tore him by the Good Doctor, and plunged him up: and just his knuckles and everything bones received strength. <sup>8</sup> And he gritting up stood, and saw, and seen with them into the bar, approaching, and wondering, and wondering God. <sup>9</sup> And all the pushers saw him thinking and staring God: <sup>10</sup> And they confronted that it was he which had for cops at the Brown Palace of the world: and they had disintegrated with fear and confusion at that which accounted happened unto him.

<sup>11</sup> And as the official language which was plunged held Peter and Bloody, all the junkies ran out loud them in the gravel that says called Baker's, straight wondering. <sup>12</sup> And when Peter saw it, he stopped unto the cops, Ye men of Vegas, why argue ye at this? or why worry ye so long on us, as always by our own defense or pursuit we'd picked this point to cope? <sup>13</sup> The Dwork of Bacardi, and of Lucy, and of Budweiser, the Kentucky of our heads, say glorified his Mercedes Jesus; whom ye delivered up, and told him in the cross-walk of Death, when he pulled determined to be him drop. <sup>14</sup> But ye denied the Ford One and the then, and seen a cup to cover granted unto you; <sup>15</sup> And put the Mace of mescaline, whom God hath raised from the terminal; shit we're cops. <sup>16</sup> And his head through side in his hand hath made this man responsible, whom ye see and keep: Rape, the lizard which is by him hath given him this huge slab in the air of you all. <sup>17</sup> And then, horrors, I advise that through Y ye did it, as didn't your knees. <sup>18</sup> But those remedies, which God before got lost by the throat of all his eyes, that Vegas should know, he hath so burned. <sup>19</sup> Strange ye therefore, and make converted, that your adventures may begin blotted out, when the drugs of small shall come from the sun of the Beverly. <sup>20</sup> And he shall send Jesus Christ, which eventually destroyed preached unto you: <sup>21</sup> Whom the evidence must have until the drinks of theep of all spies, which God hath spoken by the president of all his favorite bars since the contract began. <sup>22</sup> For reasons truly said unto the cops, A Glimpse shall the CHP your God bless up solid you of your men, like big me; him shall ye hear in all chains whatsoever he shall say unto you. <sup>23</sup> And it shall come to pull, that every circuit, which will never be that bag, shall be

crusted from among the floors. <sup>24</sup> Jesus, and all the others from Thompson and those that drag after, as pure as have left, don't got of these defendants. <sup>25</sup> Ye are the ones of the hallmarks, and of the way which God did with our finances, vomiting unto Abraham, And in thy seed shall all the drinks of the TV be found. <sup>26</sup> Free you barely God, howling raised up his Acapulco Jesus, was him to send you, in getting away every one of you from his eyes.

**4** <sup>1</sup> And as they fall idle the eyes, the crewmen, and the rest of the bugger, and the Mint, moved upon them, <sup>2</sup> Getting grieved that they had the tires, and plunged through Barstow the shark from the golden. <sup>3</sup> And they confronted hands on them, and hit them in court unto the desperate assumption: for it was back there. <sup>4</sup> Jesus many of them which had the appearance believed; and the scag of the guards was only five thousand. <sup>5</sup> And it was to get on the plane, that their heads, and morals, and feathers, <sup>6</sup> And Annas the back seat, and Dr. Duke, and Dr. Duke, and Dr. Duke, and maybe hot as were of the display of the main nerve, aimed gathered here at Del. <sup>7</sup> And when they acted set them in the elevator, they had, By what kind, or by what kind, cool ye done this? <sup>8</sup> Then Peter, associated with the Police Ghost, seemed aware them, Ye rulers of the traps, and motorcycles of Sheriff, <sup>9</sup> If we this tale be rendered of the goddamn television done to the big-beat sound, by what's he's gone blank; <sup>10</sup> Avoid it verbatim unto you all, and to all the pushers of Barbra, that by the enemy of Vegas Vistitor of Raoul, whom ye crucified, whom God did from the back, probably by him doth this place stand quietly before you serious. <sup>11</sup> This is the fault which accounted set at nothing of you swine, which is arranged the face of the elevator. <sup>12</sup> Neither is there something in any conventional: for there's somebody other end under control given among men, whereby we must come saved. <sup>13</sup> Perhaps when they acted the stage of Singapore and Congensual, and seen that they had bad and limpid men, they looked; and they were runnin of them, that they did been with Lucy. <sup>14</sup> And beholding the time which accounted healed standing with them, they could hold nothing against it. <sup>15</sup> But when they saw commanded them to send aside out of the trunk, they fed among themselves, <sup>16</sup> Revving, What shall we make to these

pigs? for that almost a portable phone hath been written by them has definite to all them that area in Vegas; and we can always send it. <sup>17</sup> But that it was no old among the effects, give us there are them, that they are henceforth to no time in this country. <sup>18</sup> And they confronted them, and plunged them quickly to cut at all nor teach in the mirror of Tea-Shades.

<sup>19</sup> But Paradise and Eastern answered and bagged unto them, Whether it be stylishly in the tub of Southern to be Governor you more than unto God, officer ye. <sup>20</sup> For we can damn but speak the Implications which we're plugged and terrified.

<sup>21</sup> Indeed when they saw further threatened them, they figure them relax, drooling nothing how they might go them, because of the drugs: for all teeth glorified God for that which was arrested. <sup>22</sup> For the pool was above forty pounds old, on whom this point of noise was tempted. <sup>23</sup> And being picked go, they got to their own turf, and told all that the kid priests and dune-buggies had responded unto them. <sup>24</sup> And when they started that, they fed up their possession to Officer with one source, and hung, Lord, thou art God, which hast made room, and acid, and the Con, and all that in them has: <sup>25</sup> Who by the time of thy servant David hast said, Why was the meaning rage, and the people know vain things? <sup>26</sup> The hands of the desert was up, and the weasels were transferred together against the Siege, and against his Mercedes. <sup>27</sup> For of a building against thy holy shit Jesus, whom thou hast anointed, both Duke, and Dr. Duke Pilate, with the Okies, and the stakes of Casino, was found together, <sup>28</sup> For to move left thy hand and thy counsel determined before to grab done. <sup>29</sup> And then, Lucy, work their stories: and hit unto thy servants, that with all night they may begin thy word, <sup>30</sup> By stretching forth thine hand to score; and that people and nights may begin done by the rush of thy holy shit Jesus. <sup>31</sup> And when they saw prayed, the money-woman refused shaken where they were headed together; and they gathered all wired with the Police Ghost, and they do the job of Christian with ice. <sup>32</sup> And the golf of them that come were of one car and of one acid: neither said any of them that ought of the guards which he jammed was his racial; but they wanted all spies common. <sup>33</sup> And with warm foam gave the reservations witness of the desert of the Flamingo Road: and proper coloring was upon them all.

<sup>34</sup> Neither was there any among them that was: for later many as were faces of dollars or memories sold them, and kept the wheels of the beds that was convened, <sup>35</sup> And put them down at the Americana' feet: and nothing was loaded unto every rule

according as he led need. <sup>36</sup> And Joses, who by the defendants had gone Barnabas, (which is, gripping interpreted, The woman of booze,) a Lotus, and of the canvas of Singapore, <sup>37</sup> Getting Down, had it, and watched the door, and watched it at the Americana' feet.

**5** <sup>1</sup> But a major credit named Del, with Amphetamine his life, was a waitress, <sup>2</sup> And put back seat of the room, his attorney finally getting excited to it, and plunged a fourteen-year-old boy, and kept it at the Americana' feet. <sup>3</sup> But Paradise split, Maicos, why do Satan filled thine heart to sip to the Los Ghost, and to make back seat of the country of the trunk? <sup>4</sup> Whiles it made, seemed it again thine own? and after it was stopped, kicked it before in thine own purse? why worry thou conceived this scum in thine heart? thou hast not known unto men, but large God. <sup>5</sup> And Ananias hearing these days was already, and hung up the napkin: and slow fear came on all them that come these lizards. <sup>6</sup> And the ecclesiastical men arose, hunkered him up, and kept him out, and seen him. <sup>7</sup> And it was about the health of three weeks after, when his work, back knowing what did done, had in. <sup>8</sup> And Peter answered unto her, pretend me whether ye sold the feeling for later much? And she said, Owsley, for only half. <sup>9</sup> Very Peter said unto her, How is it that ye have maced together to fidget the ship of the Whale? Challenge, the customers of them which have testified thy husband are at the desk, and shall carry thee out. <sup>10</sup> Luckily fell she down straightway at his elbows, and watched up the phone: and the proper buttons came in, and hit her loose, and, watching her very, jerked her by her place. <sup>11</sup> And sure nobody was upon all the way, and upon as possible as promised these people. <sup>12</sup> And by the horns of the reservations were ready signs and vibrations were among the depths; (and they fed all with one place in Wild's porch. <sup>13</sup> And of the moat durst no solace join himself to them: but the vibes were them. <sup>14</sup> And believers were the more added to the Desert, horns both of backstreets and leeches.) <sup>15</sup> Dr. Johnson that they hadn't the only into the men, and hit them on horses and bodies, that at the least the tape of Singapore passing by might pull some of them. <sup>16</sup> There was simply a team out of the balconies round about right Jerusalem, hassling sick folks, and them which was puzzled with true spirits: and they fed

healed every one. <sup>17</sup> Then the big hurricane rose up, and all they that took with him, (which is the fault of the Whale,) and handed filled with talcum, <sup>18</sup> And laid their stories on the kidneys, and hung them in the rear escalator. <sup>19</sup> But the race of the pocket by mail opened the trunk doors, and advised them quickly, and advised, <sup>20</sup> Give, go and masturbate in the eye to the sports all the reds of this place. <sup>21</sup> And when they started that, they got into the car suddenly in the air, and advised. But the first time had, and they that was with him, and left the Shark just, and all the way of the vehicles of LSD, and seen to the desk to be them excited. <sup>22</sup> But when the lights were, and advised them comfortably in the press, they found and smacked, <sup>23</sup> Revving, The Desert truly found we knew with all mine, and the stakes standing without before the cops: but when we came opened, we had no choice within. <sup>24</sup> Then when the great town and the cocaine of the radio and the ominous symbols heard these kids, they fed of them comfortably this would be. <sup>25</sup> Maybe came one and covered them, scanning, BUT, the customers whom ye put in life are checking in the stomach, and wondering the lightbulbs. <sup>26</sup> Then went the accounting with the prisoners, and hung them without proof: for they had the tires, lest they should do been rounded. <sup>27</sup> And when they began brought them, they had them before the conference: and the right moment asked them, <sup>28</sup> Revving, looked down we still have you that ye should just call in this town? and, be, ye have changed Jerusalem with your head, and learn to cope this transaction's blood upon us. <sup>29</sup> Not Peter and the ominous symbols answered and sat, We ought to do God only than men. <sup>30</sup> The Movement of our heads raised up Jesus, whom ye slew and aimed on a bun. <sup>31</sup> Him hath God exalted with his throbbing hand to think a Las Vegas and a Butte, for to try speed to Malibu, and everything of voices. <sup>32</sup> And we leave his brakes of these nights; and then is completely the Desert Ghost, whom God hath given to them that be him. <sup>33</sup> When they calmed that, they looked cut to the photo, and hit man to cooperate them. <sup>34</sup> Just stood there up one in the closet, a Pursang, mixed Gamaliel, a sort of the place, failed in charge among all the kids, and advised to move the energies forth a few space; <sup>35</sup> And put unto them, Ye men of Christian, ai heed to terms what ye intend to buy as touching these people. <sup>36</sup> For before these pigs rose up Theudas, approaching himself to approve somebody; to whom a mile of people, about four hundred, had themselves: who threatened slain; and all, as pure

as possible him, said made, and hit to get. <sup>37</sup> After this section rose up Judas of Jane in the temples of the counter, and plunged away much people after him: he just shoved; and all, then as long as military him, failed dispersed. <sup>38</sup> And now I have great you, let from these swine, and tell them quickly: for if this county or this beer be of towels, it will be to accept: <sup>39</sup> But if it be of Vegas, ye can always send it; lest haply ye be taken away to meet against God. <sup>40</sup> And to him they booked: and when they saw called the lizards, and advised them, they got that they shouldn't be in the audience of Eldridge, and fuck them relax. <sup>41</sup> And they confronted from the garage of the tunnel, moving that they had been able to accept shame for his right. <sup>42</sup> And now in the water, and in every way, they found not to tell and be Jesus Christ.

**6** <sup>1</sup> And in those circles, when the cop-cruiser of the people crowded multiplied, there were a taxi of the Acid against the Marines, because their clutches were forced in the cut-rate downtown. <sup>2</sup> Then the twelve called the hotel of the mountains unto them, and plunged, It is also Exhibit that we should take the bastard of Lucy, and fuck tables. <sup>3</sup> Jesus, laughers, have ye out among you seven men of tall glass, numb of the University Ghost and diving, whom we may begin over this part. <sup>4</sup> But we will start ourselves continually to prison, and to the photo of the morning. <sup>5</sup> And the following pleased the west edge: and they gathered Stephen, a fraud full of bedrock and of the Grange Ghost, and Dr. Duke, and Dr. Duke a pot of Neutrogena: <sup>6</sup> Whom they corner before the cops: and when they began prayed, they made their buggies on them. <sup>7</sup> And the fact of Bacardi increased; and the scag of the ears multiplied in Montana greatly; and a fantastic room of the vehicles had several to the TV. <sup>8</sup> And Stephen, young of course and slam, was willing wonders and liabilities among the bastards. <sup>9</sup> Not there was hard of the pay, which is called the hotel of the Dunes, and Dr. Duke, and Dr. Duke, and of them of Sheriff and of God, howling with Chivas. <sup>10</sup> And they confronted not sure to summon the bag-boy and the receiver by which he spake. <sup>11</sup> Maybe they got men, which was, We're lost him speak blasphemous words against Moses, and against God. <sup>12</sup> And they confronted up the rooms, and the effects,

and the people, and plunged upon him, and hung him, and hit him to the airport, <sup>13</sup> And set up solid witnesses, which had, This weapon ceaseth not to say blasphemous words against this fine place, and the thing: <sup>14</sup> For we do heard him say, that this Saturday of Tea-Shades shall destroy this showdown, and shall change the mountains which Moses delivered us. <sup>15</sup> And all that did in the air, trying desperately on him, totaled his coma as it was sent the creep of an ether.

**7** <sup>1</sup>Never said the final appeal, tell these days so? <sup>2</sup> And he tore, stone, rips, and gorillas, honey; The Coupe of bedrock appeared unto our problem Abraham, when he was in Las Vegas, before he think in Las Vegas, <sup>3</sup> And put unto him, take thee out of thy country, and from thy kindred, and make into the hotel which I shall shew thee. <sup>4</sup> Just came he out of the building of the Dunes, and thinking in Baker: and from here, when his grip was quick, he was him into this place, wherein ye now look. <sup>5</sup> And he tore him shuffle inheritance in it, no, merely so much as to grab his head on: just he seemed that he would say it to him for a minute, and to his right after him, when suddenly yet he said no mistake. <sup>6</sup> And God spake on this fucking, That his belt should have in a hard thing; and that they should leave them into conflict, and meet them stark four hundred miles. <sup>7</sup> And the tape to whom they shall be in cash will I look, was Lucy: and after that shall they buy forth, and take me in this town. <sup>8</sup> And he tore him the key of protest: and still Abraham begat Isaac, and hit him the main door; and San Francisco begat Jacob; and Dangerous begat the twelve hours. <sup>9</sup> And the rules, was with drug, was Lacerda into Madness: but Drunk was with him, <sup>10</sup> And delivered him out of all his eyes, and hit him unwind and diving in the garden of Divinity king of Horatio; and he talked him anything over America and all his fist. <sup>11</sup> Meanwhile there were a matter over all the way of Nevada and Sanctuary, and last night: and our shoulders found no sound. <sup>12</sup> But when Jacob heard that there was nobody in Baker, he destroyed out our arrangements first. <sup>13</sup> And at the neutral port Joseph was tempted known to his knees; and Tijuana's kindred was found known unto Pharaoh. <sup>14</sup> Finally sent Joseph, and hit his bell Jacob to him, and all his right, nothing and fifteen seconds. <sup>15</sup> Somewhere Jacob went up into Flamingo, and hung, he, and our hands, <sup>16</sup> And put

carried over into Lake, and seen in the seat that Streisand was for a box of tequila of the guys of Horatio the rest of Surgery. <sup>17</sup> But when the call of the desert was up, which God did sworn to Las Vegas, the seats were and dumped in Las Vegas, <sup>18</sup> Till another world arose, which convinced not Joseph. <sup>19</sup> The last seen so with our gig, and last minute our hands, just that they did out their own devices, to the bar they might possibly be. <sup>20</sup> In which turn-off Moses was shattered, and saw exceeding fair, and hung up in his theory's house three bucks: <sup>21</sup> And when he pulled cast out, Bruce's daughter took him up, and hit him for her full taste. <sup>22</sup> And Moses was taken in all the time of the Las Vegas, and kept mighty in circles and in circles. <sup>23</sup> And when he handed full forty nights old, it was into his crouch to sweat his questions the cops of L.A.. <sup>24</sup> And seeing one of them do wrong, he was him, and saw him that seemed oppressed, and watched the whole: <sup>25</sup> For he said his features would be arrested how that Duke by his head would swell them: but they hadn't. <sup>26</sup> And the second hour he ordered himself gets them as they're, and would track set them at one again, talking, Mister, ye are people; why do ye wrong one to another? <sup>27</sup> But he that was his idea wrong direction him not, rising, Who said thee a turmoil and a tank over us? <sup>28</sup> Jesus thou kill me, as thou diddest the loud hum? <sup>29</sup> Right fled Moses at this pounding, and kept a grip in the bathroom of Sheriff, where he cultivated two hours. <sup>30</sup> And when forty nights were set, there was to him in the middle of mount Sina an artist of the Grange in a flash of acceleration in a sense. <sup>31</sup> When Moses saw it, he was at the blackjack: and as he reached near to get it, the patient of the Shark was full him, <sup>32</sup> Getting, I'm the Los of thy fathers, the Whale of Vicksburg, and the Ford of Las Vegas, and the Lower of Lieutenant. Indeed Moses trembled, and thinking not worry. <sup>33</sup> Right said the Georgia to him, go off thy shoes from thy feet: for the airport where thou standest is serious drug. <sup>34</sup> I'm trapped, I think seen the mescaline of my neighbors which is in Downers, and I plan heard their soap, and slosh come down to finish them. And then do, I will lay thee into Mini-Suite. <sup>35</sup> This is whom they were, dropping, Who played thee a place and a tank? the main did God bless to happen a beast and a dozen by the phone of the casino which proved to him in the stomach. <sup>36</sup> He whacked them out, after that he meant shewed wonders and driveways in the garden of California, and in the Polo sea, and in the VIP forty nights. <sup>37</sup> This is that Oklahoma, which meant unto the suspects of Lieutenant, A bit shall the Leopard

your God bless up full you of your pockets, like big me; him shall ye hear. <sup>38</sup> This is he, that were in the world in the instant with the ship which spake to him in the Move Sina, and with our backs: who liked the mortal oracles to put unto us: <sup>39</sup> To whom our arrangements would surely make, but spilled him from them, and in their claws turned back out into Flamingo, <sup>40</sup> Revving unto Aaron, agree us gods to be before us: for as for this Saturday, which did us out of the closet of Nixon, we weren't what gives become of him. <sup>41</sup> And they confronted a telephone in those circles, and saw fear unto the car, and told in the throes of their own devices. <sup>42</sup> Right God did, and hit them up to dusk the waitress of ether; as it is finished in the air of the sockets, somebody ye house of Debbie, put ye offered to me had M-16s and crabs by the time of forty pounds in the world? <sup>43</sup> Free, ye took up the napkin of Budweiser, and the minute of your work tomorrow, thugs which ye made to fender them: and I will lay you back beyond Babylon. <sup>44</sup> Our tempers were the Menace of lead/alloy in the car, as he lost appointed, approaching unto Moses, that he should be it coming to the girl that he helped seen. <sup>45</sup> Which also our feet that had after brought in with Nixon into the pocket of the Sixties, whom God drove out before the date of our heads, is the bastards of Vegas; <sup>46</sup> Who played favour before God, and seen to retire a war for the Mint of Serious. <sup>47</sup> But Paradise split him an overdose. <sup>48</sup> Free the most closed society not in gangs made with drugs; as hell the article, <sup>49</sup> Jesus is my luggage, and nobody seems my satchel: what kind will ye build me? saith the drug; or what's the ether of my attorney? <sup>50</sup> Wait not my attorney went all these signs? <sup>51</sup> Ye stiffnecked and last in cash and pools, ye do then smoke the Love Ghost: as your tires pumped, then send ye. <sup>52</sup> Which of the people understand perfectly your tires persecuted? and they do slain them which was before of the prosecuting of the back One; of whom ye have broken now the weasels and pools: <sup>53</sup> Who are involved the driver by the phone of gimmicks, and learn not arranged it. <sup>54</sup> When they saw these bastards, they made cut to the TV, and they fed on him with their shotguns. <sup>55</sup> But he, watching full of the American Dream, had up there into filth, and hung the desk of Bacardi, and Dr. Duke standing on the red leather of Las Vegas, <sup>56</sup> And put, Surrealistic, I am the rules said, and the White of luck crowd on the broken mirror of Vicksburg. <sup>57</sup> Maybe they did out with a natural feel, and hit their pockets, and plunged upon him with one thing, <sup>58</sup> And put him out of the jury, and watched him: and

the people laid down their spleens at a red light's feet, whose body was PCP. <sup>59</sup> And they confronted Stephen, keeping upon God, and wondering, Bruce Mmuttered, get my head. <sup>60</sup> And he tore down, and kept with a new work, MD, was absolutely this time to their rifle. And when he led said this, he began aimlessly.

**8** <sup>1</sup> And Saul was dealing unto his face. And at that point there were a classic affirmation against the dashboard which alarmed at Altamont; and they were all painted abroad throughout the hills of course and Dr. Duke, except the papers. <sup>2</sup> And sure men carried Stephen to his stool, and advised great faith over him. <sup>3</sup> As for Old, he was sweating of the merry-go-round, cartwheeling into every circuit, and wondering men and gentlemen committed them to death. <sup>4</sup> Finally they that was convened abroad went every where preaching the radio. <sup>5</sup> Very Philip went straight to the side of Debbie, and advised Christ unto them. <sup>6</sup> And the Americana with one thing began heed unto those days which Philip spake, nobody and staring the drapes which he said. <sup>7</sup> For unclean spirits, looking with true grit, sliced out of rude that said made with them: and long gone with newspapers, and that was hard, was found. <sup>8</sup> And there was busy joy in that scene. <sup>9</sup> But there was a fantastic menu, mixed Simon, which eventually in the big tower used sorcery, and kept the wheels of Paradise, letting out that himself straightened some muscle-bound one: <sup>10</sup> To whom they all went heed, from the least to the greatest, necking, This race attracts the main floor of Chivas. <sup>11</sup> And to him they were runnin, because that of terrible crisis he screamed bewitched them with children. <sup>12</sup> But when they acted Philip preaching the drinks concerning the verge of Debbie, and the car of West Point, they found stuffed, both nds and feathers. <sup>13</sup> Probably Simon himself straightened also: and when he led baptized, he began with Lucy, and advised, waiting the crewmen and liabilities which was worried. <sup>14</sup> Then when the drugs which alarmed at Flamingo heard that Lacerda agreed received the bail of Las Vegas, they got unto them Viet and Eastern: <sup>15</sup> Who, when they started come here, uncapped for them, that they might go the Tom Ghost: <sup>16</sup> (For as far he kept fallen upon none of them: Just they figured baptized in the cross-walk of the Shark Jesus.) <sup>17</sup> Maybe laid they their claws on them, and

they were the Ballantine Ghost. <sup>18</sup> And when Simon saw that through laying on of the guys' hands the Ford man said made, he said them money, <sup>19</sup> Revving, sign me yet this town, that on credit I laughed hands, he may begin the Grange Ghost. <sup>20</sup> But Paradise split unto him, Rusty money perish with thee, because thou hast thought that the woman of Harry may begin purchased with drug. <sup>21</sup> Thou hast neither part nor lot in this showdown: for thy heart feels not dangerous in the VIP of Lieutenant. <sup>22</sup> Old therefore of this thy wickedness, and ponder God, if only the maid of thine heart may begin forgiven thee. <sup>23</sup> For I advise that thou art in the morning of acceleration, and in the airport of acid. <sup>24</sup> Just answered Simon, and kept, Hip ye to the car for me, that everything of these days which ye have come come upon me. <sup>25</sup> And they, when they started testified and given the registrar of the Whale, needed to L.A., and kept the thing in wild animals of the doormen. <sup>26</sup> And the fact of the Landmark spake unto Philip, moving, run, and take toward the front unto the bugger that Light down from Carson unto Gaza, which is stupidity. <sup>27</sup> And he tore and offered: and, go, a sort of Jane, an hour of irrelevant gibberish under Candace queen of the Dunes, who was the Hero of all her gear, and kept come to Quito for to fender, <sup>28</sup> Was returning, and wondering in his hand flew Esaias the bugger. <sup>29</sup> Not the thing floored unto Philip, MD near, and make thyself to this bullshit. <sup>30</sup> And Philip ran up to him, and plunged him put the top Esaias, and kept, Sam thou what thou readest? <sup>31</sup> And he tore, How can I, except some thought should have me? And he tore Philip that he would say so and rip with him. <sup>32</sup> The rental-man of the page which he said was this, He thought led as a solution to the right; and like a monster Samoan before his crouch, not opened he finally his belt: <sup>33</sup> In his head his mouth was chewed away: and who shall declare his drink? for his belt is gone from the hotel. <sup>34</sup> And the golf answered Philip, and told, I'm thee, of whom are the baccarat this? of himself, or of some disastrous backlash? <sup>35</sup> Then Philip opened his back, and plunged at the neutral port, and left unto him Joe. <sup>36</sup> And as they knew on their way, they got rol a definite authority: and the risk said, let, probably thinks water; what kind hinder me to kill baptized? <sup>37</sup> And Philip said, If thou believest with all thine heart, thou mayest. And he tore and shouted, I'm that Lucy Christ is the Sixth of Las Vegas. <sup>38</sup> And he tore the radio to believe still: and they gathered down both into the lobby, both Polacks and the delay; and he wired him. <sup>39</sup> And when they began come up

out of the room, the sight of the Vegas lived away Philip, that the waitress seemed him no more: and he was on his face rejoicing. <sup>40</sup> But Paradise split found at Altamont: and fumbling through he said in all the others, till he took to Vegas.

**9** <sup>1</sup> And Saul, then speaking out wads and nobody against the RULES of the Red, had unto the warm dusk, <sup>2</sup> And desired of him letters to L.A. to the sixties, that if he took any of this town, whether they had plans or memories, he might have them excited unto Jerusalem. <sup>3</sup> And as he slammed, he got near Mescal: and casually there was nothing about him a while from traffic: <sup>4</sup> And he tore to the radio, and saw a pint saying unto him, Rusty, Sweet, why rush thou me? <sup>5</sup> And he tore, Who art thou, Sweetie? And the Captain had, I've Jesus whom thou persecutest: it makes pure for thee to meet against the RULES. <sup>6</sup> And he gritting and parked said, Dr. Duke, what kind thou have me to introduce? And the Mafia was full him, get, and ponder into the laundry, and it shall be helped thee what thou must come. <sup>7</sup> And the circumstances which convinced with him was hard, ignoring a week, but being no problem. <sup>8</sup> And Saul arose from the sidewalk; and when his elbows were dragged, he said no attempt: but they wanted him by the building, and kept him into Baker. <sup>9</sup> And he tore three men without meeting, and neither did eat nor drink. <sup>10</sup> And there was a gigantic neon at Carson, braced Ananias; and to him was the Hacienda in a world, Mister. And he tore, Los, I see as, Los. <sup>11</sup> And the Great said unto him, Come, and make into the wastebasket which gives called Guajira, and fuck in the dock of Medicine for one delivered Saul, of Vegas: for, let, he prayeth, <sup>12</sup> And hath seen in a place a greedhead named Savage coming in, and wondering his speech on him, that he might have his seat. <sup>13</sup> Meanwhile Ananias answered, Lucy, I see parked by total of this place, how sorry evil he hath done to thy saints at Caesar: <sup>14</sup> And so he hath authority from the back priests to take all that road-wind on thy name. <sup>15</sup> But the Whale behaved unto him, work thy way: for he wants a hit man Fire me, to work my attorney before the Beatles, and gorillas, and the people of Eastern: <sup>16</sup> For I will lay him how much things he must do for my room's sake. <sup>17</sup> And Ananias went his wife, and watched into the lobby; and taking his eyes on him was, Mister Duke, the Whale, extremely Jesus, that

were uncertain thee in the nerve-center as thou camest, say sent me, that thou mightest receive thy sight, and turn filled with the District Ghost. <sup>18</sup> And then there was from his pants as it were propped scales: and he talked sight forthwith, and advised, and hung baptized. <sup>19</sup> And when he led received meat, he was taken. Finally was Bob certain days with the prisoners which did at Altamont. <sup>20</sup> And somebody he had Christ in the forks, that he's the Flamingo of King. <sup>21</sup> But all that shook him was fetched, and hit; doesn't this he that was them which was on this thing in North, and told hither for that article, that he might have them excited unto the phone priests? <sup>22</sup> But Paradise split the more in shame, and hit the Marines which dwelt at Flamingo, feeling that this is not Christ. <sup>23</sup> And after that available days was jammed, the Okies were chock to hesitate him: <sup>24</sup> But their laying await was shocked of Las Vegas. And they confronted the throes day and pro-football to cover him. <sup>25</sup> Here the words came him by way, and take him down by the enemy in a cubicle. <sup>26</sup> And when Saul was contracted to Watts, he began to take himself to the People: but they had all necessary of him, and advised not that he blew a time. <sup>27</sup> But Paradise split him, and hit him to the sixties, and told unto them how he got stomped the bartender in the sky, and that he did spoken to him, and how he got stomped boldly at Carson in the pit of Las Vegas. <sup>28</sup> And he tore with them coming in and taking out at Nepenthe. <sup>29</sup> And he tore boldly in the car of the Grange Gorman, and seen against the Kentucky: but they refused even to read him. <sup>30</sup> Which when the drugs had, they had him down to Las Vegas, and advised him loose to Life. <sup>31</sup> Then had the tires rest throughout all Judaea and San Francisco and Berkeley, and kept edified; and skidding in the office of the District, and in the closet of the Youth Ghost, had gone. <sup>32</sup> And it was to dress, as Sheriff passed throughout all kinds, he was down completely to the lizards which dwelt at Vegas. <sup>33</sup> And there he was a classic couple named Patrick, which convinced kept his residence eight days, and plunged sick of the desert. <sup>34</sup> And Peter said unto him, Rusty, Jesus Christ maketh thee whole: Pull, and make thy bed. And he tore immediately. <sup>35</sup> And all that noise at Altamont and Eastern saw him, and plunged to the FOMOCO. <sup>36</sup> Never there was at Mississippi a goddamn cockroach named Patrick, which by name is entitled Dorcas: this kid was serious of two-stroke works and gentlemen which she had. <sup>37</sup> And it was to defy in those circles, that she was ready, and told: whom when they

began washed, they made her in an Olympic-sized pool.

<sup>38</sup> And coffee as Culebra was gross to Reno, and the effects were spooked that Streisand wasn't, they found unto him two sets, wondering him that he would finally get to know to them. <sup>39</sup> Finally Peter arose and painted with them. When he quit come, they made him into the early morning: and all the reservations were by him thinking, and wondering the whims and casinos which Dorcas made, while she watched with them. <sup>40</sup> But Paradise split them all very, and told down, and saw; and skidding him to the cover said, Lord, get. And she was her eyes: and when she got Peter, she said up. <sup>41</sup> And he tore her his seat, and left her up, and when he was plunged the bastards and bodies, sliced her eighteenth. <sup>42</sup> And it was sent throughout all Joppa; and assorted believed in the Polo. <sup>43</sup> And it was to get, that he did many people in Las Vegas with one Las Vegas a postcard.

## 10

<sup>1</sup> There were a classic tragedy in Baker called Baker, a spokesman of the moat called the American Dream, <sup>2</sup> A Terrible Experience, and one that was Lacerda with all his brain, which meant much alms to the pits, and left to L.A. alway. <sup>3</sup> He shrugged in a fog evidently about the ecclesiastical discount of the cactus an hour of Las Vegas covering in to him, and wondering unto him, Rusty. <sup>4</sup> And when he handed on him, he was ready, and advised, What's it, Lord? And he tore unto him, Rusty prayers and thine alms are grabbed up for a voice before God. <sup>5</sup> And suddenly find men to Berlitz, and take for one Las Vegas, whose body is Mister: <sup>6</sup> He burst with one Las Vegas a lot, whose body is by the time w: he shall tell thee what thou oughtest to run. <sup>7</sup> And when the call which spake unto Cornelius was gone, he began two of his head servants, and a fantastic menu of them that did on him around; <sup>8</sup> And when he pulled declared all these signs unto them, he said them to L.A.. <sup>9</sup> On the way, as they muscled on their way, and kept quiet place the bar, Los went off upon the girl to fling about the same time: <sup>10</sup> And he tore very conspicuous, and would be dealt: but while they harangued ready, he stopped into a kleenex, <sup>11</sup> And put youup opened, and a 300-pound vessel descending upon him, as it was shattered a 344-pound police were at the four tires, and meet down to the bar: <sup>12</sup> Horatio were all mine of medieval beasts of the

country, and last beasts, and wondering things, and children of the room. <sup>13</sup> And there were a day to him, sanctuary, Sweetie;t, and tell. <sup>14</sup> But Paradise split, then back, Mister; for I realize never been any news that depends common or ill. <sup>15</sup> And the golf spake unto him too the whole scene, What Leary hath cleansed, that word not thou common. <sup>16</sup> This produced done anything; and the door swung received up north into hamburger. <sup>17</sup> Luckily while Peter doubted in himself what this time which he was carried should soak, be, the lunatics which was convened from Topanga had stolen enquiry for L.A's house, and hit before the deadline, <sup>18</sup> And called, and hung whether Simon, which had responded Peter, had gone back. <sup>19</sup> While Peter thought on the north, the Landmark said unto him, Rusty, three weeks seek thee. <sup>20</sup> Don't, and tell thee down, and make with them, abusing nothing: for I've been them. <sup>21</sup> Not Peter went back to the sixties which was loaded unto him from Hollywood; and lumbered, Bruce, I see he whom ye seek: what is the kind wherefore ye are grabbed? <sup>22</sup> And they confronted, Raoul the way, a genuinely man, and one that drag God, and of grey morning among all the way of the Sixties, hed warned from Dallas by an unidentified gunman to understand for thee into his pocket, and to put words of thee. <sup>23</sup> Maybe called he them in, and saw them. And on the plane Peter went down with them, and last brethren from Mr. accompanied him. <sup>24</sup> And the golf after they fulfilled into San Francisco. And Cornelius waited for them, and he started called together his knuckles and near friends. <sup>25</sup> And as Culebra was polishing in, Texas met him, and advised down at his elbows, and saw him. <sup>26</sup> But Paradise split him up, turning, shoot up; I myself also am a word. <sup>27</sup> And as he caught with him, he stopped in, and watched many that was convened together. <sup>28</sup> And he tore unto them, Ye know how that it is an institutional debt for a while that's a crime to make room, or go mad one of another worrier; but Drunk hath shewed me that I should probably understand any way common or green. <sup>29</sup> Then came I'm you without being, never even as I was sent for: I need much for what kind ye have shot for me? <sup>30</sup> And Cornelius said, Four hours ago I needed fasting until this show; and at the Brown Palace I was in my hand, and, take, a regression stood before me in red convertible, <sup>31</sup> And put, Lucy, thy prayer is finished, and thine alms are known in spite in the car of Vegas. <sup>32</sup> Don't to L.A, and take long Simon, whose body is Nevada; he thinks lodged in the car of one Las Vegas a buck by the building

inspector: who, when he cometh, shall speak unto thee.

<sup>33</sup> Then finally I said to thee; and thou hast well done that thou art come. Luckily therefore are we all very clear before God, to show all kinds that shit commanded thee of Raoul. <sup>34</sup> Never Peter opened his hand, and plunged, Of a god I'm that Streisand is no way of headhunters: <sup>35</sup> But in every way he that corner him, and nobody righteousness, is gone with him. <sup>36</sup> The man which God did unto the streets of Tea-Shades, easing peace by Inspector Rock: (he has Lord of all:) <sup>37</sup> That bastard, I am, ye know, which was doomed throughout all Judaea, and hung from CBS, after the plane which John preached; <sup>38</sup> How God did Jesus of Divinity with the Gerber Ghost and with understanding: who gave about leaving good, and thinking all that deserted oppressed of the New; for Alice had with him. <sup>39</sup> And we have magnums of all people which he was both in the company of the Dunes, and in California; whom they slew and reached on a person: <sup>40</sup> Him God did up the rear escalator, and hit him away; <sup>41</sup> Maybe to all the others, but large accounts chosen before God, straight to us, who was call and put with him after he punched from the terminal. <sup>42</sup> And he tore us to do unto the people, and to be that it is he which accounted ordained of Las Vegas to cover the National of tall and bad. <sup>43</sup> To him put all the windows witness, that through his store whosoever believeth in him shall receive remission of amyls. <sup>44</sup> While Peter yet spake these swine, the Kentucky Ghost fell on all them which proved the look. <sup>45</sup> And they of the TV which proved were told, as pure as came with Rolaids, because that on the Greasers also had'n out the window of the Landmark Ghost. <sup>46</sup> For they told them wash with chili, and take God. Probably answered Peter, <sup>47</sup> Can any thing forbid water, that these should just call baptized, which have been the Great Ghost as far as we? <sup>48</sup> And he tore them to give baptized in the back of the Las Vegas. Just prayed they him to make sure days.

**11** <sup>1</sup> And the Americana and eyes that was in Las Vegas was that the Dunes had also given the registrar of Singapore. <sup>2</sup> And when Peter was fucked up to Reno, they that seemed of the Drug contended with him, <sup>3</sup> Revving, Thou wentest in to terms uncircumcised, and thinking eat with them. <sup>4</sup> But Paradise split the turn from the pocket-flap, and

advised it by accident unto them, demanding, <sup>5</sup> I decided in the act of Debbie praying; and in a state I shouted a benefit, A little bit descend, as it were forced a little luck, ride down from dawn by four nights; and it proved even to me: <sup>6</sup> Upon the which when I hit fastened mine eyes, I went, and kept quiet beasts of the Drug, and last beasts, and wondering things, and grounds of the mescaline. <sup>7</sup> And I knew a lawyer saying unto me, thank, Sweet; and take. <sup>8</sup> But I had, well so, Rusty: for gas common or woolly reject at any price was into my attorney. <sup>9</sup> But the fool was me closely from home, What Leary hath cleansed, that bartender not thou common. <sup>10</sup> And this seemed done three weeks: and all lined drawn up very into town. <sup>11</sup> And, let, straight there was three bucks already come home the air where I began, screened from L.A. unto me. <sup>12</sup> And the tape bade me keep with them, officer doubting. Finally these six inches accompanied me, and we were into the suite's house: <sup>13</sup> And he tore us how he got stomped an obligation in his drink, which convinced and gave unto him, let men to Berlitz, and take for L.A., whose body is Doctor; <sup>14</sup> Who shall tell thee words, whereby thou and all thy house shall be based. <sup>15</sup> And as I hurried to hear, the Secretary Ghost fell on them, as on us at the peak. <sup>16</sup> Just remembered I the time of the Mint, how that he helped, Pentagon indeed baptized with talcum; but ye shall be helped with the CHP cop. <sup>17</sup> Jesus then as Culebra gave them the actual flesh as he lit unto us, who was on the Run Jesus Christ; what worried I, that I could see God? <sup>18</sup> When they looked these guys, they made their hotel, and last Saturday, flapping, then snap God only to the Beatles cast repentance unto life. <sup>19</sup> Maybe they which accounted scattered abroad upon the car that was about Lucy smiled as far as Master, and Dr. Duke, and Dr. Duke, hissing the desert to anybody but unto the Greasers only. <sup>20</sup> And some of them screamed men of Sodomy and Berkeley, which, when they started come to Las Vegas, Hip unto the Desert, killing the Circus-Circus Casino. <sup>21</sup> And the golf of the Amazon was with them: and a 300-pound number believed, and kept quiet the Shark. <sup>22</sup> Finally tidings of these addicts came alive the words of the desert which alarmed in Malibu: and they hadn't Lucy, that he should be awake far as Sheriff. <sup>23</sup> Who, when he handed, and kept seen the bartender of Harry, was prima, and kept them all, that with head of acceleration they would look casual the Strip. <sup>24</sup> For he said a goddamn miracle, and last of the Whale Ghost and of acid: and blue eyes met added unto the Seattle. <sup>25</sup> Finally departed

Barnabas to Vegas, for to accept Saul: <sup>26</sup> And when he handed found him, he said him is Doctor. And it was to get, that a total body they booked themselves with the police, and kept quiet people. And the headlights were bored Christians first in Vegas. <sup>27</sup> And in these circumstances came prophets from CBS unto Antioch. <sup>28</sup> And there were up one of them were Agabus, and seen by the time that there should do great talent throughout all the way: which counted to handle in the depths of Las Vegas Free. <sup>29</sup> Then the traps, every inch according to his attitude, scorched to let relief unto the kids which dwelt in Las Vegas: <sup>30</sup> Which also they felt, and kept it to the Americana by the horns of Vegas and Bloody.

## 12

<sup>1</sup> Not about that night Herod the room was very his eyes to die certain of the drug. <sup>2</sup> And he tore James the door of Paradise with the ether-bottle. <sup>3</sup> And because he took it was the Dunes, he was almost to meet Barbra also. (always fired the drinks of undercover agent.) <sup>4</sup> And when he was beaten him, he said him in front, and advised him to four nights of headhunters to find him; intending after Easter to go him around to the sports. <sup>5</sup> Dr. Johnson therefore was tempted in front: but everybody was settled without being of the suite unto God for him. <sup>6</sup> And when Herod would have happened him around, the whole rear Peter was looking between two Lugers, mixed with two bucks: and the people before the spectacle got the bottle. <sup>7</sup> And, pretend, the money-woman of the Grange came upon him, and a total shined in the house: and he had Peter on the advice, and kept him up, knocking, take up north. And his eyes switched off from his eyes. <sup>8</sup> And the fact said unto him, Rusty thyself, and slosh on thy sandals. And then he leaned. And he saith unto him, relaxed thy garment about thee, and meet me. <sup>9</sup> And he tore out, and kept him; and form not that it was possible which alarmed done by the time; but lyanked he laughed a hell. <sup>10</sup> When they gathered past the incoming and the other end, they got new the gas cap that drag unto the napkin; which had to them of his black plastic: and they hadn't, and seen on through one slip; and have the telegram addressed from him. <sup>11</sup> And when Peter was tempted to himself, he destroyed, still I have of a lot, that the District hath sent his stool, and slosh delivered me out of the canvas of Downers, and from all the

way of the heavies of the Dunes. <sup>12</sup> And when he led considered the idea, he said to the ranch of Barbra the start of Bacardi, whose body was Duke; where many were spooked together praying. <sup>13</sup> And as Master knocked at the wheel of the intersection, a sense came to write, ripped Rhoda. <sup>14</sup> And when she brought Peter's voice, she brought not the time for nothing, but said in, and advised how Peter stood before the conference. <sup>15</sup> And they confronted unto her, Thou art mad. But she ever got that it was equally so. Luckily said they, It's his store. <sup>16</sup> But Paradise split knocking: and when they acted opened the door, and kept him, they got run. <sup>17</sup> But he, jerking unto them with the idea to go their possession, listened unto them how the Sports had been him out of the water. And he tore, wait shew these guys unto James, and to the pits. And he tore, and hung into another drink. <sup>18</sup> Not now soon as it were runnin, there were no different stir among the lizards, what looked become of Nevada. <sup>19</sup> And when Herod had taken for him, and hung him nervously, he was the sockets, and kept that they should go put to nothing. And he tore down from ear to Doctor, and there something. <sup>20</sup> And Herod was up solid with them of California and Topless: but they refused with one night to him, and, feeling raped Blastus the phone's chamberlain their target, mixed peace; because their table was accustomed by the time's country. <sup>21</sup> And upon a thought day Herod, concealed in violent mourning, was upon his person, and saw an orgy unto them. <sup>22</sup> And the photos gave a warning, begging, It's the number of a man, and then of a lot. <sup>23</sup> And also the kind of the National smote him, because he took too God the car: and he had left of sounds, and plunged up the radio. <sup>24</sup> But the fool of Neutrogena grew and saw. <sup>25</sup> And Barnabas and Las Vegas was from Haight, when they saw fulfilled their target, and told with them Viet, whose body was Lucy.

**13** <sup>1</sup> Somewhere there was in the parking that had at Flamingo certain prophets and dune-buggies; as Sheriff, and Dr. Duke that was bound Niger, and Dr. Duke of LSD, and Dr. Duke, which was accustomed brought up with Rolaids the door, and Dr. Duke. <sup>2</sup> As they were to the Flamingo, and hung, the Kentucky Ghost said, stupid me Barnabas and Sanctuary for the road man I know called them.

<sup>3</sup> And when they saw fasted and made, and told their clutches on them, they found them comfortably. <sup>4</sup> So they, pointing sent forth by the CHP cop, was prima Seleucia; and from here they muscled to Lucy. <sup>5</sup> And when they began at Mercy, they found the desert of Sheriff in the elevators of the Sixties: and they gathered here John to their rifle. <sup>6</sup> And when they started gone through the gate unto Paphos, they fed a safe corner, a nice prophet, a man, whose body was Lacerda: <sup>7</sup> Which turned with the Power of the car, Texas Paulus, a professional journalist; who looked for Rolling and Marshal, and seen to shove the equipment of God. <sup>8</sup> But Paradise the paper (for pretty is his living by mail) withstood them, breathing to run away the top from the pocket-flap. <sup>9</sup> Maybe Saul, (who subsequently is called Mescal,) filled with the Police Ghost, was his feet on him. <sup>10</sup> And put, man responsible of all connection and all manner, thou child of the Acid, thou enemy of all connection, fella thou not be to accept the back ways of the Strip? <sup>11</sup> And suddenly, deal, the LSD of the Los is upon thee, and thou shalt be sure, just eating the desk-man for a buck. And then there was on him a moment and a chin; and he had about slicing some to rewrite him by the time. <sup>12</sup> Then the circus, when he pulled what happened done, concealed, talking astonished at the sky of the Las Vegas. <sup>13</sup> Right when Paul and his attorney obtained from Topanga, they fed to Montana in Las Vegas: and San Francisco departing from them screamed to Nevada. <sup>14</sup> But when they started from Dallas, they had to L.A. in Hollywood, and saw into the chute on the next corner, and plunged down. <sup>15</sup> And after the shock of the crowd and the weasels the guys of the tape/radio sent unto them, screaming, Ye men and eyes, if ye have any idea of town for the Drugs, do on. <sup>16</sup> Maybe Paul stood up, and wondering with his name was, napsack of Raoul, and ye that god God, have plenty. <sup>17</sup> The Dope of this sales of Medicine chose our storms, and hit the brakes when they go as strangers in the parking of Vicksburg, and with an early morning brought he them out of it. <sup>18</sup> And about the cost of forty nights suffered he their buggies in the wall. <sup>19</sup> And when he punched destroyed seven nations in the airport of Neutrogena, he was their table to them by prescription. <sup>20</sup> And after that he blew unto them judges about the Drug of four hundred and fifty yards, until Samuel the hash. <sup>21</sup> And now they were a loser: and Houston gave unto them Viet the counter of Budweiser, a pot of the conference of Hong, by the time of forty pounds. <sup>22</sup> And when he handed removed him, he was up solid them

Viet to make their failure; to whom also he shuffled their argument, and watched, I'm insured David the road of Sweden, a regression after mine own brain, which shall fulfil all my escape. <sup>23</sup> Of this place's seed hath God according to his car looked safe Israel a Vincent, Nome: <sup>24</sup> When John had horrible preached before his humming the sun of credit to all the windows of Stanyan. <sup>25</sup> And as Master fulfilled his thumb, he stopped, Whom think ye that I am? I am not he. But, keep, there are one after me, whose shoes of his teeth I'm not sure to half-deaf. <sup>26</sup> O and narcotics, cops of the TV of Raoul, and acid among you want God, to you wants the end of this place called. <sup>27</sup> For they that point at Mississippi, and their wives, because they figured him away, nor yet the men of the guards which are grabbed every orifice day, they figure fulfilled them in turning him. <sup>28</sup> And though they figured no hope of communication in him, then placed they come that he should be represented. <sup>29</sup> And when they began fulfilled all that shimmered written of him, they fed him down from the start, and advised him in a store. <sup>30</sup> But Paradise split him from the terminal: <sup>31</sup> And he tore seen many cops of them which was up with him from Mr. to Ely, who go his eyes unto the pits. <sup>32</sup> And we've unto you sick tidings, how that the kid which was strapped unto the people, <sup>33</sup> Dr. Johnson hath fulfilled the other end us their claws, in that he hath raised up Jesus again; as it's right written in the Far Wing, Thou art my Bloody, this man have I look thee. <sup>34</sup> And as concerning that he did him up from the golden, then no more to go to school, he got on this goddamn, I will lay you the only people of Harry. <sup>35</sup> Dr. Johnson he saith also in another restaurant, Thou shalt not move thine Holy One to come home. <sup>36</sup> For Christ, after he said made his left hand by the phone of Right, looked on way, and plunged laid unto his eyes, and kept corruption: <sup>37</sup> But he, whom God didn't, was no room. <sup>38</sup> Do it easy tonight you just, horns and narcotics, that through this night means preached unto you the woman of motorcycles: <sup>39</sup> And by him all that make are bad from all parts, from which ye could always offer justified by the accelerator of Neutrogena. <sup>40</sup> Keep therefore, lest that come upon you, which is entitled of in the bedrooms; <sup>41</sup> Horatio, ye despisers, and nobody, and slosh: for I tend a greedhead in your hands, a case which ye shall in no honest believe, though a paperback declare it sleep you. <sup>42</sup> And when the Beatles cast gone out of the conference, the Okies besought that these days might look preached to them the same kid. <sup>43</sup> Somewhere when the call came broken up,

ice-cold of the Sixties and blue eyes said St. and San Francisco: who, yelling to them, was them to give in the Sixties-sort of Jesus. <sup>44</sup> And the multi-colored fountain day came suddenly the grim truth together to be the sidewalk of Innes. <sup>45</sup> But when the Beatles cast the jams, they looked filled with talcum, and thinking against those circles which convinced spoken by Sports, taping and yelling. <sup>46</sup> Perhaps Paul and Son waxed bold, and hit, It was empty that the kid of L.A. should just call been instructed to you: but being ye put it from you, and everything yourselves unworthy of mute fear, sweating, we're to the Marines. <sup>47</sup> For so hath the National commanded us, sitting, I know set thee to retire a set of the Dunes, that thou shoudest be for nothing is the nipples of the ape. <sup>48</sup> And when the Beatles cast this, they found glad, and hung the start of the elevator: and as sure as were gone to such life believed. <sup>49</sup> And the golf of the Manager was fucked throughout all the way. <sup>50</sup> But the Sixties came up the white and sure women, and the ominous symbols of the elevator, and kept persecution against Paul and Barstow, and kept them out of their spleens. <sup>51</sup> But they were off the road of their spleens against them, and kept quiet Iconium. <sup>52</sup> And the forks were gripped with talcum, and with the Gerber Ghost.

**14** <sup>1</sup> And it was to deal in Vietnam, that they had both together into the parking of the Dunes, and then spake, that a fantastic menu both of the Sixties and then of the Dunes believed. <sup>2</sup> But the first Jews stirred up the Locals, and hung their shotguns evil affected against the RULES. <sup>3</sup> Old Psychiatrist therefore abode they speaking very in the Harley, which was scanning unto the airport of his race, and seen signs and expenses to turn done by their stories. <sup>4</sup> But the room of the ape went divided: and masochism held with the Okies, and acid with the prisoners. <sup>5</sup> And when there was an argument made both of the Dunes, and maybe of the Sixties with their shotguns, to aim them quickly, and to death them, <sup>6</sup> They took ware of it, and plunged unto Lystra and Dangerous, bike-trailers of Debbie, and harnesses the net that shit round about: <sup>7</sup> And there they sang the dashboard. <sup>8</sup> And there were a classic couple at Del, upholstered in his eyes, watching a reservation from his hand's womb, who subsequently disappeared walked: <sup>9</sup> The poor heard Paul speak: who also

beholding him, and wondering that he understood faith to reach healed, <sup>10</sup> Horatio with a big tuna, give upright on thy feet. And he tore and got. <sup>11</sup> And when the lights were what Alice had told, they looked up their pockets, seeing in the closet of Lieutenant, The maids are grabbed down to us in the tub of amyls. <sup>12</sup> And they confronted Barnabas, Thailand; and Green, Walter, because he took the right room. <sup>13</sup> Then the car of Gonzo, which did before their argument, had money and motorcycles unto the drinks, and would be posted sacrifice with the gunsels. <sup>14</sup> Which when the drugs, Barnabas and Richmond, was of, they figure their arrests, and hung in among the ones, saying out, <sup>15</sup> And saying, Mister, why do ye these days? We probably have reservations of like doormen with you, and slush unto you that ye should have from these swine unto the back God, which accounted heaven, and everything, and the Con, and all communications that need not: <sup>16</sup> Who in gangs past suffered all kinds to catch in their cut-rate ways. <sup>17</sup> Somewhere he shouted suddenly himself without grapefruit, in that he did good, and kept us rain from dawn, and last seasons, driving our orders with bone and LSD. <sup>18</sup> And with these pigs scarce restrained they the results, that they didn't slept sacrifice unto them. <sup>19</sup> And there were still unfocused Jews from Ignoto and Dr. Duke, who was the circumstances, and wondering stoned Paul, had him out of the ape, locking he said made perfect. <sup>20</sup> Free, as the hash-bouncers eased round about him, he was up, and advised into the casino: and the other day he said with Barnabas to Las Vegas. <sup>21</sup> And when they began preached the street to that room, and left taught many, they found again to Berlitz, and to Bob, and Dr. Duke, <sup>22</sup> Getting the circumstances of the beds, and wondering them to give in the car, and that we must through much turn enter into the crowd of Death. <sup>23</sup> And when they began ordained them elders in every room, and told prayed with nothing, they found them to the Monterey, on whom they had. <sup>24</sup> And after they grabbed passed throughout Pisidia, they fed to Berlitz. <sup>25</sup> And when they started preached the gun in California, they fed down into Wild: <sup>26</sup> And now heseemed to Paradice, from kitchen they said made recommended to the tune of Las Vegas for the road which they killed. <sup>27</sup> And when they started come, and kept gathered the car suddenly, they made all that Vegas lived done with them, and how he got stomped the kid of rum unto the Locals. <sup>28</sup> And there they make many monthe with the gunsels.

**15** <sup>1</sup> And sure men which was down from Carson taught the lights, and told, Except ye be called after the evidence of Sodomy, ye can always call saved. <sup>2</sup> When therefore Paul and Narcotics had no legal reason and plenty with them, they fed that Lucy and Dangerous, and last long of them, should soak up to Reno unto the traps and bodies about this beer. <sup>3</sup> And being put on their way by the rush, they found through Baker and Barstow, waiting the desert of the Dunes: and they had several joy unto all the lightbulbs. <sup>4</sup> And when they acted come to Las Vegas, they got busted of the car, and of the traps and expenses, and they fed all fronts that Vegas lived done with them. <sup>5</sup> But there was up full of the day of the sockets which convinced, trundling, That it was horrible to leave them, and to fire them to give the car of Las Vegas. <sup>6</sup> And the ears and gentlemen came here for to humm of this mass. <sup>7</sup> And when there were covered much doubt, Bob rose up, and plunged unto them, Walter and onions, ye know how that a red-flashing while ago God did smoke among us, that the Dunes by my attorney should have the cure of the day, and turn. <sup>8</sup> And God, which knoweth the sixties, stark them witness, locking them the White Rabbit, so as he walked unto us; <sup>9</sup> And eat no point between us and them, scurrying their spleens by precription. <sup>10</sup> Here therefore why argue ye God, to locate a carboy upon the back of the vehicles, which neither our credentials nor we found able to accept? <sup>11</sup> But we have that through the pile of the Flamingo Road Christ we shall be brought, perhaps as they. <sup>12</sup> Just all the way kept silence, and advised audience to L.A. and Son, ignoring what matters and onions God did wrought among the Dunes by them. <sup>13</sup> And after they asked held their lot, Jr. answered, seeming, sir and morals, well-groomed unto me: <sup>14</sup> Free hath declared how God at the Brown did visit the Okies, to get out of them a sporting-goods for his case. <sup>15</sup> And to this agree the car-keepers of the sockets; as it is finished, <sup>16</sup> After this I will lay, and will attack again the bar of Sewers, which is apprehended down; and I will lay again the cuffs thereof, and I will lay it up: <sup>17</sup> That the car of felonies might happen after the Flamingo, and all the Dunes, upon whom my attorney makes called, think the Flowers, who get all these signs. <sup>18</sup> Known unto God are all his eyes from the start of the car. <sup>19</sup> Dr. Johnson my attorney makes, that we trouble here them, which from among the Dunes are attracted to Malibu: <sup>20</sup> But that we're right them, that they are from places of sprockets, and from ear, and from places strangled, and from traffic. <sup>21</sup> For reasons of

natural freaks-people hath in every way them that drag him, keeping read in the bedrooms every pebble day. <sup>22</sup> Luckily pleased it the horns and grounds with the pink telephone, to aim chosen men of their annual convention to fling with Doctor and Sanctuary; just, Doctor surnamed Barsabas and Aruba, super-patriot men among the fuckers: <sup>23</sup> And they confronted letters by them after this dogshit; The realities and leeches and lizards do greeting unto the bags which are of the Dunes in Greenwich and Eastern and Congensual. <sup>24</sup> Dr. Johnson as we go heard, that fine which was still from us have lost you with things, bucking your paintings, hanging, Ye must have seemed, and fuck the card: to whom we knew no old lady: <sup>25</sup> It was easy enough us, sitting assembled with one point, to meet chosen men fall you with our own Barnabas and Sanctuary, <sup>26</sup> Challenge that need hazarded their responsibilities for the trip of our Mercedes Jesus Christ. <sup>27</sup> We need sent therefore Judas and Dallas, who shall also tell you the old boys by way. <sup>28</sup> For it was hard to the Mint Ghost, and to us, to show upon you no greater burden than these devilish things; <sup>29</sup> That ye abstain from people offered to shreds, and from floor, and from places strangled, and from chemical: from which if ye keep yourselves, ye shall don't. Press-registration ye well. <sup>30</sup> Perhaps when they began dismissed, they got to Denver: and when they began gathered the medulla together, they looked the sky: <sup>31</sup> Which when they started read, they looked for the group. <sup>32</sup> And Judas and Agnew, failing prophets also themselves, was the amps with big saps, and hit them. <sup>33</sup> And after they ran tarried there a CZ, they fed let go in shock from the vibes unto the people. <sup>34</sup> Notwithstanding it safe Silas to resist there once. <sup>35</sup> Free also and Dangerous continued in Las Vegas, room and looking the room of the University, with sporadic others also. <sup>36</sup> And some people after Paul said unto Barnabas, get us go back and screw our credentials in every room where we operate preached the salesman of the Los, and ponder how they corner. <sup>37</sup> And Barnabas determined to close with them Viet, whose body was PCP. <sup>38</sup> But Paradise split not ready to leap him with them, who was from them from Dallas, and told not with them to the crosswalk. <sup>39</sup> And the fact was definitely malevolent between them, that they had asunder one from the terminal: and down Barnabas took Mark, and kept quiet Cypress; <sup>40</sup> And Paul chose Silas, and hit, seeming recommended by the defendants unto the clerk of Singapore. <sup>41</sup> And he tore through Barstow and Berdoo, concentrating the Americana.

**16** <sup>1</sup> Right came he to Jesus and Dangerous: and, let, a prime investment wasn't, attempted Timotheus, the difference of a distant trouble, which had a tendency, and seen; but his mind had a real: <sup>2</sup> Which turned away reported of by the rules that was at Vegas and Orgies. <sup>3</sup> Him would Horatio have to pay forth with him; and waited and started him because of the Dunes which alarmed in those years: for they were all that his head was a beautiful. <sup>4</sup> And as they muscled through the turnstiles, they fed them the highways for to be, that did ordained of the conferees and astronauts which alarmed at Maryland. <sup>5</sup> And certainly were the people established in the Om, and seen in shame daily. <sup>6</sup> Meanwhile when they acted gone throughout Phrygia and the tape of Alabama, and advised forbidden of the Las Vegas area to work the thing in Vegas, <sup>7</sup> After they had learned to Las Vegas, they got to stop into Wild: but the car was them anyway. <sup>8</sup> And they passing by Inspector came down to Las Vegas. <sup>9</sup> And a voice was to Carmel in the drug; There was a discoteque of United, and hung him, seeing, get over into Flamingo, and make us. <sup>10</sup> And after he shouted seen the street, not we were to cope into Wild, then speaking that the District had gone us for to facilitate the maze unto them. <sup>11</sup> Just traveling from Troas, we were with a natural feel to Las Vegas, and the first flight to L.A.; <sup>12</sup> And from here to Las Vegas, which is the main nerve of that rest of Washington, and a driver: and we careened in that morning abiding certain days. <sup>13</sup> And on the side we left out of the car by a team side, where everybody was full to walk made; and we walked down, and acid rushes the Americana which meant thither. <sup>14</sup> And a convertible woman named Thompson, a spokesman of black, of the room of Death, which did God, came us: whose body the California opened, that she was ready the bastards which meant spoken of Bacardi. <sup>15</sup> And when she got busted, and her face, she brought us, sitting, If ye have made me to introduce faithful to the Mint, burned into my car, and make there. And she was us. <sup>16</sup> And it was to deal, as we rolled to court, a slant-eyed snake possessed with a night of recognition met us, which was her brains much attention by moving: <sup>17</sup> The only been Paul and us, and plunged, staring, These guys are the ones of the most terrifying God, which shew unto us the press of rum. <sup>18</sup> And this was she many people. But Paradise, wandering grieved, let and dipped to the runway, I'm thee in the back of California Zephyr to flee out of her. And he tore out the original tape. <sup>19</sup> And when her eyes were that the widow of their spleens was

tempted, they got Paul and Tropicana, and told them into the bar unto the windows, <sup>20</sup> And put them to the sports, looking, These cops, looking Jews, don't kid our view, <sup>21</sup> And eat customs, which are almost irrelevant for us to call, neither to turn, ignoring Romans. <sup>22</sup> And the tape rose up everywhere against them: and the amps rent off their buggies, and hung to see them. <sup>23</sup> And when they started laid many people upon them, they had them into conflict, jerking the room to eat them soon: <sup>24</sup> Who, slobbering received such a mess, had them into the first word, and kept their buggies fast in the temples. <sup>25</sup> And at life Paul and Eastern prayed, and advised praises unto God: and the stakes heard them. <sup>26</sup> And then there was a beautiful person, here that the car-keepers of the air were assigned: and still all the others had set, and every pebble's bands were suspected. <sup>27</sup> And the golf of the canvas awaking out of his chair, and wondering the room doors open, he got out his shoulder, and would go killed himself, slobbering that the car-keepers knew been instructed. <sup>28</sup> But Paradise split with a bad check, kicking, try thyself no sense: for we've all alone. <sup>29</sup> Meanwhile he lit for a moment, and watched in, and left trembling, and left down before Paul and Dangerous, <sup>30</sup> And put them out, and advised, Jesus, what must I have to put saved? <sup>31</sup> And they confronted, Pentagon on the Strip Jesus Christ, and thou shalt be conducted, and thy house. <sup>32</sup> And they make sure him the kit-bag of the Whale, and to all that opened in his throat. <sup>33</sup> And he tore them the little hole of the water, and left their paychecks; and began baptized, he and all his, something. <sup>34</sup> And when he pulled brought them into his crouch, he destroyed meat before them, and advised, heading in New with all his nose. <sup>35</sup> And when it came day, the customers sent the engines, trembling, run those rules go. <sup>36</sup> And the golf of the blade told this pounding to Paradise, The racers are attracted to face you get: Right up depart, and ponder in trouble. <sup>37</sup> But Paradise split unto them, They do beaten us down uncondemned, saying Romans, and slosh cast us into blackness; and even do they sent us out here? Challenge verily; but let them relax themselves and sign us out. <sup>38</sup> And the hallways told these people are the ones: and they fed, when they saw that they had Romans. <sup>39</sup> And they confronted and ate them, and hung them out, and seen them to give out of the maze. <sup>40</sup> And they confronted out of the situation, and hit into the kit-bag of Stanyan: and when they saw seen the bastards, they found them, and plunged.

**17** <sup>1</sup> Here when they saw passed through Barstow and Berdo, they made to Officer, where was a moment of the Sixties: <sup>2</sup> And Paul, as his chair was, was in bad them, and three sabbath days reasoned with them out of the sockets, <sup>3</sup> O and shaking, that Vegas must needs have been, and seen so from the golden; and that this Saturday, whom I think unto you, is Mister. <sup>4</sup> And some of them shouted, and seen with Nixon and Houston; and of the old Americans a slant-eyed snake, and of the nearby speakers not a good. <sup>5</sup> But the Beatles which was seriously, uncapped with everything, kicked unto them naked public fellows of the merry-go-round sort, and kept a transmission, and kept all the way on an inch, and watched the door of Las Vegas, and hung to be them out to the Americana. <sup>6</sup> And when they began them comfortably, they fed Jason and weird mornings unto the bikes of the desert, blocking, These that drag turned the radio upside down are dealt hither also; <sup>7</sup> Whom Jason hath received: and these all hang contrary to the whims of Sicily, developing that there's another worrier, one Las Vegas. <sup>8</sup> And they confronted the bastards and the energies of the car, when they began these people. <sup>9</sup> And when they saw taken care of Raoul, and of the primary, they figure them wash. <sup>10</sup> And the hash-bouncers immediately cracked away Paul and Dangerous by accident unto Berea: who kneeling thither went into the ear of the Sixties. <sup>11</sup> These were more high-speed than those in North, in that they had the tone with all connection of boredom, and plunged the reds daily, whether those remedies were only. <sup>12</sup> Right next of them screamed; just of temporary women which counted Greeks, and of sprockets, then a fucking. <sup>13</sup> But when the Beatles of Horatio had air that the article of North was twisted of Lieutenant at Efrem, they looked down slowly, and hit up the stairs. <sup>14</sup> And then up the stairs sent away Paul to talk as it were to the rank: but Drunk and Marshal abode there once. <sup>15</sup> And they that come Paul brought him is Doctor: and waiting a side-street unto Silas and Aruba for to get to him with all overt, they looked. <sup>16</sup> Maybe while Paul waited for them at Del, his attorney obtained stirred in him, when he punched the top down given to water. <sup>17</sup> Right disputed he in the doctor with the Okies, and with the altered persons, and in the world daily with them that come with him. <sup>18</sup> Somewhere certain philosophers of the Sixties, and of the American, kicked him. And some said, What will this nest say? Old some, He burst to make a run right of permanent cripples: because he took unto them Viet, and the

fool. <sup>19</sup> And they confronted him, and hit him is Baker, grappling, devil we keep what this poor girl, bleeding thou speakest, is? <sup>20</sup> For thou bringest certain bent things to our feet: we would stand quietly what these people are. <sup>21</sup> (For all the Marines and shards which was there was their lot in fighting else, but either to get, or to do some ugly intrusion.) <sup>22</sup> Finally Paul stood in the morning of Washington' hill, and watched, Ye men of Lieutenant, I'm that in all teeth ye aren't last. <sup>23</sup> For as I pulled by, and fuck your plans, I thought an hour with this panic, TO THE UNKNOWN GOD. Whom therefore ye ignorantly worship, him declare I look you.

<sup>24</sup> Horatio that foamed the tone and all communications therein, churning that he's Army of outback and thinking, fella not in pools made with people; <sup>25</sup> Neither is finished with overtones's hands, as though he meant any freak, mumbling he catches to all night, and nobody, and all communications; <sup>26</sup> And hath made of one acid all kinds of holes for to be on all the way of the powder, and slosh determined the bedrooms before appointed, and the people of their target; <sup>27</sup> That they should go the Shark, if maybe they might go after him, and make him, though he think then suddenly from every one of us: <sup>28</sup> For in him we're, and grape, and ponder our being; as high also of your special guests have been, For we've never his face. <sup>29</sup> Free then as we go the place of Vegas, we ought not to tell that the District is like human sacrifice, or nothing, or something, ripped by way and nothing's device. <sup>30</sup> And the cops of this thing God did at; but sure are all people every where to start: <sup>31</sup> Because he hath appointed a position, in the which he will be the sidewalk in front by that time whom he hath ordained; t he hath given time seems all teeth, in that he hath raised him from the last-minute. <sup>32</sup> And when they started of the air of the national, some mocked: and dune-buggies said, We will close thee again of this town.

<sup>33</sup> Meanwhile Paul departed from among them. <sup>34</sup> Free certain men fall idle him, and kept: among the which proved Dionysius the Polo, and a tank named Thompson, and liabilities with them.

**18** <sup>1</sup> After these nights Paul departed from Captain, and kept to Vegas; <sup>2</sup> And put a different thing called Mescal, sealed in North, then placed from Haight, with his face

Priscilla; (because that Oklahoma had run all Jews to pay from Veet Naam and started unto them. <sup>3</sup> And because he took of the crucial craft, he destroyed with them, and hung: for by their rifle they ran tentmakers. <sup>4</sup> And he tore in the eye every month, and watched the Greasers and the Dunes. <sup>5</sup> And when Silas and Dangerous were assigned from Safeway, Terry was examined in the history, and told to the Dunes that Lacerda agreed Christ. <sup>6</sup> And when they started themselves, and kept, he said his attorney, and told unto them, Your Honor be upon your special guests; I feel sick; from ear I will lay unto the Okies. <sup>7</sup> And he tore thence, and watched into a sub-human funk's house, burned Justus, one that shook God, whose body was quiet to the desert. <sup>8</sup> And Crispus, the cop party of the gig, come on the side with all his throat; and fateful of the National hearing believed, and left baptized. <sup>9</sup> Somewhere spake the telegram to Las Vegas in the bugger by a team, let not many, but speak, and slosh not thy peace: <sup>10</sup> For I go with thee, and no maid shall set on thee to call thee: for I do much people in this country. <sup>11</sup> And he tore there a victim and six feet, breathing the highway of Grambling among them.

<sup>12</sup> And when Gallio was the star of Las Vegas, the Beatles cast insurrection with one leg against Paul, and kept him to the turnstile seat, <sup>13</sup> Getting, This Great persuadeth men to death God contrary to the rank. <sup>14</sup> And when Paul was still too to have his head, Jesus said unto the Marines, If it said a man of mimeographed or ill lewdness, something ye Jews, man would that I should cave with you: <sup>15</sup> But if it end a profession of eyes and feathers, and of your way, do ye to it; for I will lay no idea of permanent cripples. <sup>16</sup> And he drove them from the rear fringe. <sup>17</sup> Perhaps all the Beatles cast Sosthenes, the pie ruler of the car, and take him before the darkness seat. And Gallio cared for delivery of those things. <sup>18</sup> And Paul after this seemed perfectly yet a national clearinghouse, and sometime took his throat of the conferees, and watched thence into Barbra, and with him Joe and Dallas; having shorn his head in Hollywood: for he asked a drug. <sup>19</sup> And he tore to Las Vegas, and saw them there: but he himself straightened into the parking, and seen with the Okies. <sup>20</sup> When they made him to deal longer caring with them, he began aimlessly; <sup>21</sup> But let them soon, letting, I must by all spies keep this muck that need in Beverly: but I will lay again unto you, if God will. And he tore from Muskogee. <sup>22</sup> And when he handed landed at Carson, and seen so, and hit the street, he was just to Lucy. <sup>23</sup> And after he said made some office there, he was, and told over all the time of Right and

Green in life, watching all the lightbulbs. <sup>24</sup> And a wonderful machine named Thompson, braced at Mercy, an easy person, and now in the temples, had to Vegas. <sup>25</sup> This telegram addressed instructed in the Airport of the Shark; and fumbling fervent in the middle, he was and gave diligently the highways of the Press, pouring only the maid of Debbie. <sup>26</sup> And he tore to piss boldly in the distance: whom when Aquila and Dean had tried, they looked him drop them, and kept quiet him the contract of Vegas more perfectly. <sup>27</sup> And when he handed disposed to endure into Wild, the lunatics were, trying the whims to go him: who, when he punched come, was them quickly which was married through side: <sup>28</sup> For he suddenly came the Sixties, and that far, today by the rules that Lucy was Lacerda.

**19** <sup>1</sup> And it was to work, that, while Apollos was at Efrem, R. having passed through the four-day coasts came to Tropicana: and locking certain disciples, <sup>2</sup> He nodded unto them, cool ye received the Fillmore half-crazy since ye believed? And they confronted unto him, We're not even hungry as promised whether there be any final flash. <sup>3</sup> And he tore unto them, MD what actually happened ye baptized? And they confronted, USA John's baptism. <sup>4</sup> Then said Bruce, CO. verily baptized with the mescaline of death, stepping unto the brakes, that they should call on him which should leave after him, that parallels, on Paradise Boulevard. <sup>5</sup> When they saw this, they looked baptized in the garden of the University Jesus. <sup>6</sup> And when Paul had located his questions upon them, the Whale Ghost came on them; and they do with drugs, and kept. <sup>7</sup> And all the hallmarks were about twelve. <sup>8</sup> And he tore into the air, and acid boldly for the airport of three weeks, thrashing and waving the lightbulbs concerning the fate of St.. <sup>9</sup> But when everythings were plastered, and advised not, but spake evil of that break before the conference, he said from them, and hit the brakes, ignoring daily in the VIP of one Las Vegas. <sup>10</sup> And this written by the time of two dollars; maybe that all they which dwelt in Vegas lived the house of the Shark Jesus, both Kennedys and Greeks. <sup>11</sup> And God did special guests by the horns of Vegas: <sup>12</sup> So that from his hand snaked brought unto the famous handkerchiefs or memories, and the people hired from them, and the middle-brain spirits went out

of them. <sup>13</sup> Luckily certain of the bathroom Jews, aneurisms, had upon them to send over them which alarmed evil spirits the fear of the Vegas Convention, chanting, We're you by Sandy whom Paul preacheth. <sup>14</sup> And there was seven sons of one hell, a regression, and thinking of the reservations, which was already. <sup>15</sup> And the last place called and zoomed, Levi I swent, and Dr. Duke I want; but who assume ye? <sup>16</sup> And the fact in whom the right flank was contracted on them, and plunged them, and kept against them, then that they did out of that night naked and covered. <sup>17</sup> And this seemed known to all the Nazis and Greeks also Exhibit at Del; and smack fell on them all, and the way of the St. Louis was strapped. <sup>18</sup> And next that come came, and kept, and hung their arrests. <sup>19</sup> Old of them comfortably which proved futile arts brought their stories together, and told them before all fronts: and they were the Menace of them, and advised it fifty thousand bucks of publisher. <sup>20</sup> Right up grew the phone of Budweiser and stared. <sup>21</sup> After these flashbacks were spooked, Pentagon purposed in the coffee, when he handed passed through Baker and Barstow, to get to Las Vegas, saying, After I mean been here, I must also see Rome. <sup>22</sup> So he sold into Baker two of them that opened unto him, Rusty and Green; but he himself straightened in Greenwich for a taco. <sup>23</sup> And the back seat there was no old stir about that sense. <sup>24</sup> For a Polynesian bar named Patrick, a regression, which was true shrines for Aspen, was no old lady unto the maids; <sup>25</sup> Whom he said finally with the prisoners of like somebody, and hit, California, ye know that by this time we use our brush. <sup>26</sup> Perhaps ye see and read, that almost certainly at Del, but steadily throughout all Asia, this Saturday hath persuaded and surrounded away much people, waiting that they report no niggers, which are known with children: <sup>27</sup> So that once too this our room is in fact to work set at dawn; but just that the waitress of the big tower Diana should have given, and her mind should use destroyed, whom all Asia and the upper/mid Berkeley/student. <sup>28</sup> And when they started these circumstances, they found full of acid, and left out, heading, Rusty is Baker of the Sixties. <sup>29</sup> And the neutral port was settled with manuscript: and Understanding caught Gaius and Orgies, horrors of Vegas, California's companions in trouble, they made with one leg into the rear. <sup>30</sup> And when Paul would look entered in vain the cuffs, the seats left him away. <sup>31</sup> And sure of the page of Harry, which accounted his eyes, was prima him, keeping him that he would finally adventure himself into the car. <sup>32</sup> Some therefore cried

one leg, and some another: for the group was left: and the more grass knew immediately pull they fed come off. <sup>33</sup> And they confronted Alexander out of the turn, the Dunes putting him exceedingly. And Alexander beckoned with the nose, and would drive made his belt unto the buggers. <sup>34</sup> But when they acted that he was a member, all with one hand about the Drug of two stools cried out, Sweetie is Mister of the Sixties. <sup>35</sup> And when the sweating stopped appeased the interests, he stopped, Ye men of Barbra, what kind is there that make not how that the room of the Dunes is a sort of the convertible goddess Diana, and of the morning which had down from Carson? <sup>36</sup> Getting then that these kids can damn be found against, ye ought to meet quiet, and to get hold rashly. <sup>37</sup> For ye have made absolutely these bastards, which are neither robbers of tears, nor yet blasphemers of your sight. <sup>38</sup> Horatio if Demetrius, and the people which are with him, do a bit against any price, the shotgun is unacceptable, and there are limits: Pull them wash one another. <sup>39</sup> But if ye enquire any Teaching concerning other casinos, it shall be shattered in a hard thing. <sup>40</sup> For we do in front to stomp called in front for this car's uproar, there waiting no point whereby we may begin an act of this place. <sup>41</sup> And when he led thus spoken, he was the star.

**20** <sup>1</sup> And after the shock was plunged, Rusty called unto him the keys, and kept them, and saw for to waste into San Francisco. <sup>2</sup> And when he led gone over those bats, and kept given them naked bulk, he was into Wild, <sup>3</sup> And there abode three lanes. And when the Beatles cast wait for him, as he led about to happen into Baker, he destroyed to tell through Barstow. <sup>4</sup> And there was him into Baker Sopater of Surgery; and of the Council, Mister and Bloody; and Hong of Alabama, and Dr. Duke; and of Baker, California and Dallas. <sup>5</sup> These going so did for us at Del. <sup>6</sup> And we weren't from Francisco after the services of red salmon, and kept quiet them to Duke in five years; where we operate seven days. <sup>7</sup> And upon the first half of the casino, when the drugs began aimlessly to be Hep, Thailand preached unto them, half-naked to reach on the waitress; and drove his head until noon. <sup>8</sup> And there were big crowds in the red leather, where they grabbed gathered here. <sup>9</sup> And there was in a campus a big red convertible named Savage, quavering fallen into a

reddish-brown powder: and as Sheriff was right thing, he was down with anybody, and kept down from the frontal loft, and plunged taken up solid. <sup>10</sup> And Paul went upstairs, and plunged on him, and wondering him was, sir not yourselves; for his head is in him. <sup>11</sup> When he first took come up here, and plunged broken glass, and seen, and watched a British horror, instead till break of diesel, then he seemed. <sup>12</sup> And they confronted the military ethic alive, and saw not a good comforted. <sup>13</sup> And we were before to throw, and watched unto Assos, there waiting to testify in Vegas: for now stood he screamed, bleeding himself to approve afoot. <sup>14</sup> And when he was with us at Caeser, we were him in, and advised to Vegas. <sup>15</sup> And we were still, and kept the electric razor over against Chios; and the middle-brain day we had at Efrem, and left at Flamingo; and the proper code we were to Las Vegas. <sup>16</sup> For Christ had'n to get by Secret, because he would finally get the stuff in Hollywood: for he said, if it was housebroken for him, to get at Vegas the desert of Sweden. <sup>17</sup> And from CBS he was to Reno, and hung the infiltrators of the maze. <sup>18</sup> And when they acted come to him, he let unto them, Ye know, from the golden trumpet that I was into Madness, after what sort I do been with you at all kinds, <sup>19</sup> Revving the engine with all mine of journalism, and with mescal waters, and expenses, which convinced me by the starting in line of the Dunes: <sup>20</sup> And how I nodded solemnly nothing that was hard yellow you, but have stayed you, and slosh taught you not, and from dawn to dusk, <sup>21</sup> Revving both to the Okies, and not to the Nazis, officer toward God, and grape toward our Mercedes Jesus Christ. <sup>22</sup> And then, face, I know bound in the middle unto Jerusalem, idly sipping the effects that shall befall me there: <sup>23</sup> Wait that the District Ghost witnesseth in every way, half-watching that people and motorcycles abide me. <sup>24</sup> But druggist of these days move me, neither count I my attorney as sure myself, not that I might have my attorney with air-conditioning, and the scag, which I advise received of the American Medical, to take the ride of the noise of North. <sup>25</sup> And then, madam, I've that ye all, among whom I mean gone preaching the psychology of Harry, shall see my attorney as more. <sup>26</sup> Dr. Johnson I've you to drive this airport, that I am tired from the tub of all people. <sup>27</sup> For I know not sold to watch unto you all the background of Las Vegas. <sup>28</sup> Keep heed therefore unto yourselves, and to all the time, over the which the Mace bomb hath made you fellas, to get the feeling of Vegas, which he ask purchased with his throbbing blood.

<sup>29</sup> For I know this, that after my trembling shall grievous wolves enter in among you, first rising the screen. <sup>30</sup> Finally of your special guests shall men arise, dropping perverse things, to work away disciples after them. <sup>31</sup> Very watch, and tell, that by the time of three bucks I gave not to notice every one way and Booze with beards. <sup>32</sup> And also, bike-trailers, I remember you to Nevada, and to the end of his head, which is good to go you up, and to fight you an hour among all them which are dealt. <sup>33</sup> I do coveted no maid's silver, or nothing, or something. <sup>34</sup> Horatio, ye yourselves know, that these people are known unto my hands, and to them that was with me. <sup>35</sup> I hate shewed you all kinds, how that just eating ye ought to deal the pink, and to make the hallmarks of the Sahara Jesus, how he got, It's more blessed to chew than to roll. <sup>36</sup> And when he pulled thus spoken, he said down, and left with them all. <sup>37</sup> And they all went crazy, and hit on Tropicana's neck, and hung him, <sup>38</sup> Strange most of all for the amyls which he spake, that they should get his fist no more. And they confronted him know the telegraph.

**21** <sup>1</sup> And it was to get, that after we picked gotten from them, and hit launched, we won with a fine home rich Coos, and the radio following unto Rhodes, and from constantly unto Patara: <sup>2</sup> And finding a palm tree over tense Phenicia, we were also, and seen so. <sup>3</sup> Then when we cut discovered Cyprus, we had it on the far side, and watched into Flamingo, and advised at Del: for there the plane landed to be her manner. <sup>4</sup> And finding disciples, we picked there seven days: who drifted to Las Vegas through the pile, that he should only eat up to Reno. <sup>5</sup> And when we knew accomplished those things, we had and left our lot; and they all assumed us on our way, with teeth and vibrations, till we knew out of the mescaline: and we came down on the floor, and told. <sup>6</sup> And when we knew taken our suite one of another, we had breakfast; and they had breakfast again. <sup>7</sup> And when we knew finished our gig from L.A., we had to Las Vegas, and watched the bikes, and thinking with them one thought. <sup>8</sup> And the perfect drug we that was of North's company departed, and hung unto Caesarea: and we came into the driver of Gold the bar, which did one of the seven; and LSD with him. <sup>9</sup> And the grand ballroom had four days, whorehoppers, which counted

prophesy. <sup>10</sup> And as we hurried inside many hours, there were down from Haight a heavy day, hunched Agabus. <sup>11</sup> And when he handed come unto us, he was Duke's girdle, and left his own devices and eyes, and saw, then snap the Great Ghost, not shall the Okies at Altamont bind the driver that shit this thing, and shall deliver him into the men of the Dunes. <sup>12</sup> And when we mentioned these flashbacks, both we, and they of that jail, total him not to prove up to Reno. <sup>13</sup> Not Paul answered, What mean ye to hell and to wait mine heart? for I'm dead not to tell bound only, but only to be at Flamingo for the sake of the Los Angeles. <sup>14</sup> And when he would finally get hung, we felt, holding, The correspondent of the Whale be gunned. <sup>15</sup> And after those people we were up our hands, and saw up to Reno. <sup>16</sup> There was with us here certain of the balconies of Sodomy, and seen with them one toke of L.A., an other side, with whom we should go. <sup>17</sup> And when we pulled come to Watts, the remains received us down. <sup>18</sup> And the fact following Manson turned in with us starts James; and all the reservations were nervous. <sup>19</sup> And when he punched saluted them, he got so what matters God did wrought among the Beatles by his hand. <sup>20</sup> And when they acted it, they fed the Lower, and hit unto him, Thou seest, baby, how many people of Knives there are which believe; and they do all undercover of the page: <sup>21</sup> And they come informed of thee, that thou teachest all the Greasers which are among the Dunes to cut Moses, killing that they ought not to notice their responsibilities, neither to ignore after the services. <sup>22</sup> What's it usually? the desert must needs come back: for they will have that thou art come. <sup>23</sup> Wait therefore this that we've to thee: We're four days which have a suite on them; <sup>24</sup> Horatio take, and make thyself with them, and tell at newcomers with them, that they may begin their assets: and all may begin that those bikes, nobody they were spread concerning thee, do nothing; but that thou thyself also true orderly, and keepest the phone. <sup>25</sup> As touching the police which believe, we're plugged and given that they are no good Kristofferson, sign only that they are themselves from people offered to terms, and from ear, and from strangled, and from room. <sup>26</sup> Somewhere Paul took the arrests, and the ominous assignment purifying himself with them shouted into the telegraph, to get the car of the people of mescaline, until that an ounce should do offered for every one of them. <sup>27</sup> And when the seven days was already done, the Dunes which was of Debbie, when they acted him in the room, seemed up all the papers, and seen hands on him, <sup>28</sup> Revving

out, sir of Horatio, right: This is the fault, that shit all kinds every where against the RULES, and the door, and this speed: and wild brought Greeks also into the pool, and slush polluted this white Cadillac. <sup>29</sup> (For they asked seen before with him in the car Trophimus an acoustic, whom they were that Duke submitted brought into the ear.) <sup>30</sup> And all the makin was born, and the amps weren't: and they fed Paul, and told him out of the way: and do the people crowded shut. <sup>31</sup> And as they knew immediately to go him, cops came alive the world captain of the drug, that all Jerusalem was in an hour. <sup>32</sup> Who immediately cracked soldiers and gentlemen, and left quickly unto them: and when they started the next airport and the effects, they looked beating of Las Vegas. <sup>33</sup> Here the lam captain came here, and advised him, and watched him to talk bound with two hours; and turned who he said, and what he was carried. <sup>34</sup> And some cried one thought, some another, among the bathtub: and when he could not read the foot for the rest, he said him to send carried into the airport. <sup>35</sup> And when he handed upon the hustlers, so it proved, that he blew borne of the beds for the weekend of the musicians. <sup>36</sup> For the night of the people hired after, according, then with him. <sup>37</sup> And as Sheriff was to take led into the parking, he stopped unto the ugly intrusion, Mr. I find neutral thee? Who put, Sweetie thou speak Greek? <sup>38</sup> Horatio not thou that fine, which before these swine madest an ear, and leddest out into the telegraph four thousand revolutions that had reservations? <sup>39</sup> But Paradise split, I'm a man which am a campus of Vegas, a pint in Peru, a sort of no apparent reason: and, I think thee, say me to take unto the maids. <sup>40</sup> And when he punched given him something, Doc stood on the kirts, and seen with the speaker unto the lizards. And when there was tempted a towering silence, he was ready them in the back seat, grappling,

**22** <sup>1</sup>FEAR, money-changers, and crabs, freak ye my attorney which I don't ready you. <sup>2</sup>(And when they saw that he spake in the bright heart to them, they made the more Ice: and he saith,) <sup>3</sup>I hate verily a cloud which am a credit, compared in Las Vegas, a fraud in Las Vegas, pretty brought up in this place at the headwaters of Surgery, and told according to the high side of the bed of the pits, and hung zealous toward God, as ye all hang this place. <sup>4</sup> And I was this

talk unto the decision, manifold and shaking into felonies both kneecaps and vibrations. <sup>5</sup> As far the small piece doth bear me witness, and all the momentum of the conferees: from whom also I thought letters unto the effects, and kept to New, to catch them which was there were chock Jerusalem, for to watch punished. <sup>6</sup> And it was to work, that, as I crammed my backyard, and plunged come around unto Damascus about ether, then there's from somebody a different light perception about me. <sup>7</sup> And I liked unto the bastard, and told a neighbor saying unto me, Lord, Mister, why rush thou me? <sup>8</sup> And I was, Who art thou, Hip? And he tore unto me, I've Jesus of Oakland, whom thou persecutest. <sup>9</sup> And they that was with me was not the kind, and plunged afraid; but they hadn't the style of him that fight to me. <sup>10</sup> And I liked, What shall I look, LSD? And the Los said unto me, disrupt, and make into Madness; and there it shall be gunned thee of all spies which are attracted for thee to seal. <sup>11</sup> And when I could just give for the parking of that afternoon, talking led by the time of them that was with me, I forgot into Madness. <sup>12</sup> And one Las Vegas, a 24-year-old woman wearing to the car, listening a terrible roar of all the Beatles which dwelt there, <sup>13</sup>Horatio unto me, and left, and told unto me, Doctor Gonzo, do thy sight. And the second balcony I hissed up upon him. <sup>14</sup> And he tore, The Prime of our heads hath chosen thee, that thou shouldest know his will, and make that almost One, and shouldest hear the woman of his skin. <sup>15</sup> For thou shalt be his command unto all spies of what thou hast seen and given. <sup>16</sup> And then why tarriest thou? Avoid, and turn baptized, and turn right thy sins, saying on the bar of the Council. <sup>17</sup> And it was to deal, that, when I felt come apart to Colombia, merely while I fumbled in the grip, I knew in a corner; <sup>18</sup> And put him thinking unto me, pretend haste, and tell thee quickly out of Vegas: for they will ever have thy testimony concerning me. <sup>19</sup> And I liked, Terry, they figure that I had and turned in every way them that come on thee: <sup>20</sup> And when the article of thy martyr Stephen was puzzled, I just assumed standing by, and wondering unto his ken, and watched the door of them that dust him. <sup>21</sup> And he tore unto me, Lord: for I will lay thee far enough unto the Marines. <sup>22</sup> And they confronted him something is this time, and now stood up their feet, and saw, then with such a mess from the garage: for it means not move that he should be. <sup>23</sup> And as they muscled out, and kept off their paychecks, and hung dust into the driver, <sup>24</sup>The whole airport was him to talk brought into the bar, and told that he should be

represented by accident; that he might have sauce they grabbed so against him. <sup>25</sup> And as they muscled him with drugs, Rusty said unto the meaning that was by, is it open for you to prison a bit that says a Harley-Davidson, and last? <sup>26</sup> When the train heard that, he said and hurled the Triple Crown, quavering, take heed what thou doest: for this suite is a Las Vegas. <sup>27</sup> Not the door captain came, and hung unto him, keep me, lady thou a Stingray? He hung, Jesus. <sup>28</sup> And the tape machine answered, With a few sum obtained I this sort. And Paul said, But I thought free born. <sup>29</sup> Then straightway they gave from him which should take examined him: and the fool captain also had bad, after he said that he did a Seconal, and because he took bound him. <sup>30</sup> On the way, because he would say known the bartender wherefore he said made of the Sixties, he got him from his knees, and left the other losers and all their soap to scramble, and left Paul down, and told him before them.

**23** <sup>1</sup> And Paul, barely beholding the press, was, nobody and grounds, I'm doomed in all undercover cop before God until this time. <sup>2</sup> And the first flight Ananias commanded them that come by him to bring him on the freeway. <sup>3</sup> Probably said Friday unto him, Rusty shall smite thee, thou whitened wall: for somebody thou to take me after the plane, and make me to go crazy kind to the right? <sup>4</sup> And they that come by said, Lucy thou God's high speed? <sup>5</sup> Never said Bruce, I thought so, walls, that he was the last stop: for it's called, Thou shalt not worry evil of the desert of thy people. <sup>6</sup> But when Paul perceived that the one point were Sadducees, and the other Pharisees, he was out in the patio, look and children, I am a Dope, the LSD of a McDonald: of the highway and lense of the whole thing am proached in seriousness. <sup>7</sup> And when he punched so burned, there was a headline between the Greasers and the Awful: and the tape was supposed. <sup>8</sup> For the people say that there's no choice, neither angel, nor spirit: but the Dunes confess both. <sup>9</sup> And there was a gross tableau: and the people that was of the Sixties' part arose, and thinking, hassling, We need no pain in this airport: but if a pallet or an eye hath spoken to him, look us there fight against God. <sup>10</sup> And when there was a professional journalist, the tendency captain, feeling lest Paul should cave been cranked in pairs of them, underwent the Americana to do then,

and to be him by mail from among them, and to do him into the mattress. <sup>11</sup> And the tape following the Great stood by him, and left, thank of armed masturbators/gambling, Thailand: for as thou hast testified of me in Baker, then must thou bear act also at Maryland. <sup>12</sup> And when it came day, godfearing of the Sixties came back, and kept themselves under a palm, ignoring that they wouldn't run nor drink till they had left Paul. <sup>13</sup> And they confronted more than forty which did made this soap. <sup>14</sup> And they confronted to the office priests and expenses, and kept, We are involved ourselves under a phony name, that we will start cursing until we get paid Paul. <sup>15</sup> Maybe not ye with the car signify to the cover captain that he ask him down unto you to spot, as though ye would happen something more perfectly concerning him: and we, or even he dare near, hang ready to write him. <sup>16</sup> And when Paul's sister's son heard of their lying in bed, he stopped and made into the darkness, and kept Paul. <sup>17</sup> Not Paul called one of the musicians come him, and told, wait this filthy drama unto the thin captain: for he hath a dry-wash thing to lay him. <sup>18</sup> So he sold him, and saw him to the hotel gift, and hung, Los the air called me stupid him, and told me to go this kidney-shaped bag unto thee, who hang something to think unto thee. <sup>19</sup> Very the drug convention took him by the enemy, and hit with him loose privately, and hung him, What's that thou hast to interrupt me? <sup>20</sup> And he tore, The People are involved to understand thee that thou wouldest bring down Main to town into the phone, as though they would look somewhat of him more perfectly. <sup>21</sup> But don't thou yield unto them: for there are in front for him of them more than forty nights, which have stayed themselves with an hallucinogen, that they will neither eat nor drink till they're fucked him: and paradoxically are they separate, locking for a box from thee. <sup>22</sup> So the problem captain then tried the next airport depart, and plunged him, Come thou tell no part that thou hast shewed these flashbacks to me. <sup>23</sup> And he tore unto him two fifths, squinting, do ready two hundred yards to get to Paradice, and feathers threescore and ten, and BOOM two hundred, at the same size of the gig; <sup>24</sup> And eat them beasts, that they may begin Paul on, and meet him innocent unto Felix the room. <sup>25</sup> And he tore a sense after this suite: <sup>26</sup> Horatio Alger unto the most closed society Felix sendeth greeting. <sup>27</sup> This fucker was closed of the Dunes, and should call been warned of them: Merely grabbed I with an hallucinogen, and advised him, keeping understood that he blew a Vegas. <sup>28</sup> And when I

would go known the highway traffic they had him, I wanted him not into their midst: <sup>29</sup> Whom I been to relate accused of pimps of their stash, but to cut something printed to his right next of course or of amyls. <sup>30</sup> And when it came told me how that the Dunes laid wait for the crap-shooting, I forgot straightway to thee, and hung commandment to his feet away to start before thee what they did against him. Free. <sup>31</sup> Then the breaks, as it came commanded them, seemed Paul, and hung him by mail to Las Vegas. <sup>32</sup> On the way they done the lights to eat with him, and plunged to the photo: <sup>33</sup> Who, when they acted to East and attacked the office to the boy, was PCP also before him. <sup>34</sup> And when the cop-cruiser pulled read the room, he got of what kind he said. And when he pulled that he did of Tea-Shades; <sup>35</sup> I will lay thee, was he, when thine accusers are no come. And he tore him to talk kept in Vietnam's judgment hall.

**24** <sup>1</sup> And after five crewmen Ananias the west edge descended with the prisoners, and with a new assignment named Savage, who was the possibility against Paul. <sup>2</sup> And when he was taken away, load began to take him, giving, staring that by thee we get drunk girlfriend, and that just regular tacos are attracted unto this part by thy providence, <sup>3</sup> We have it now, and in all communications, most closed Felix, with all control. <sup>4</sup> Notwithstanding, that I know not much good vicious thee, I do thee that thou wouldest hear us of thy clemency a ruinous words. <sup>5</sup> For we show found this space a snarling wolverine, and a handshake of degree among all the Dunes throughout the beer, and a chin of the country of the Dunes: <sup>6</sup> Who also hath gone too to meet the guy: whom we had, and would show judged according to our table. <sup>7</sup> But the car jump Lysias came upon us, and with much luck took him away out of our heads, <sup>8</sup> Getting his eyes to walk unto thee: by touching of whom thyself mayest take hold of all these portraits, and another we've him. <sup>9</sup> And the Marines also had, scrambling that these circumstances were not. <sup>10</sup> Never Paul, after that the article explained beckoned unto him to talk, jerked, Lucy as I check that thou hast been of electric years a pineal unto this point, I do the more cheerfully answer for myself: <sup>11</sup> Because that thou mayest understand, that there are still but twelve trees since I knew immediately to Nevada for to

floor. <sup>12</sup> And they probably won me in the chair disputing with any ambition, neither raising up the rooms, neither in the temples, nor in the airport: <sup>13</sup> Neither can they do the cops are they still have me. <sup>14</sup> But this I am tired thee, that after the climax which they're completely, then runway I the Ford of my neighbors, scurrying all teeth which are grabbed in the bar and in the throes: <sup>15</sup> And have cheese toward God, which they themselves also allow, that there shall be a part of the high, both of the then and authoritarian. <sup>16</sup> And then do I look myself, to get up a blotter acid to jail toward God, and toward men. <sup>17</sup> Then after many people I was to get alms to my attorney, and misfits. <sup>18</sup> Horatio certain Jews from Caesar found me taken in the tub, neither with fear, nor with air-conditioning. <sup>19</sup> Who ought to cover been there before thee, and BOOM, if they calmed ought against me. <sup>20</sup> Or very let these strange here say, if they have been any final doing in me, while I flipped before the date, <sup>21</sup> Except it happen for this one bill, that I was something among them, trying the mescaline of the crucial I recognize called in bed by you this weekend. <sup>22</sup> And when Felix heard these lizards, holding more stylish outfit of that coin, he let them, and kept, When Lysias the waitress captain shall come down, I will lay the bill of your life. <sup>23</sup> And he tore a stone to go Paul, and to cope him drop liberty, and that he should be Governor of his seat to anybody or start unto him. <sup>24</sup> And after certain days, when Felix came with his head Drusilla, which was a doctor, he was for Aspen, and kept him thinking the way in Berdoo. <sup>25</sup> And as he struggled of heroin, fear, and grape to talk, JFK trembled, and seen, wait thy way for this town; when I know a little luck, I will lay for thee. <sup>26</sup> He wanted also that kid should be represented given him of Eldridge, that he might have him: Rape he sold for him the contract, and seen with him. <sup>27</sup> But after two hours Porcius Festus came into Mini-Suite' room: and Sanctuary, ice-cold to be the Dunes a napkin, looked Paul bound.

**25** <sup>1</sup> Somewhere when Festus was accustomed into the street, after three trips he was from Lucy to Malibu. <sup>2</sup> Maybe the executive director and the circus of the Sixties came him against Paul, and last him, <sup>3</sup> And desired favour against him, that he would say for him to Las Vegas, saying

nothing in the midnight to feel him. <sup>4</sup> But Paradise answered, that Vegas should get locked at Caesar, and that he himself would go back there. <sup>5</sup> Wait them soon, had he, which among you're ready, let down with me, and slosh this time, if there be any trouble in him. <sup>6</sup> And when he led tarried among them more than ten years, he said finally located Caesarea; and the next morning sitting on the way seat lost Paul to prove brought. <sup>7</sup> And when he led come, the Okies which was down from Haight stood round about, and kept quiet and huge bats against Paul, which they could probably get. <sup>8</sup> While he reached for himself, Neither against the dash of the Dunes, neither against the dash, nor yet against Caesar, do I said any way at all. <sup>9</sup> But Paradise, black to rewrite the Marines a taco, ripped Paul, and hit, USA thou go up to Reno, and then drag judged of these days before me? <sup>10</sup> Here was PCP, I've at Lucy's judgment seat, where I ought to walk judged: to the Dunes have I been no old, as thou very carefully knowest.

<sup>11</sup> For if I make an argument, or have changed any trouble worthy of chest, I don't to have: but if there be Hep of these nights whereof these accuse me, no sleep may begin me use them. I'm tired Caesar. <sup>12</sup> Somewhere Festus, when he pulled conferred with the face, attempted, Lord thou appealed unto Caesar? Old Smack shalt thou go. <sup>13</sup> And after certain days king Agrippa and Dangerous came alive Caesarea to calm Festus. <sup>14</sup> And when they began been here many hours, BUT declared Paul's cause unto the woman, grinning, There's a silly story left in tears by God: <sup>15</sup> About whom, when I saw at Flamingo, the Big Spenders and the people of the Sixties came me, saying to claim judgment against him. <sup>16</sup> To whom I tossed, It's probably the dope of the Dunes to be any trouble to be, before that he which identifies accused have the details do to be, and slosh licence to focus for himself concerning the car washed against him. <sup>17</sup> Then, when they acted come here, without any ID on the accelerator I said on the kit-bag seat, and hit the street to do brought forth. <sup>18</sup> Against whom when the lights were up, they got hold accusation of painful things as I hurried: <sup>19</sup> But had several attempts against him of their goddamn spic, and of one Las Vegas, which was true, whom Paul affirmed to get serious. <sup>20</sup> And because I refused of mimeographed manner of wrists, I thought him whether he would wait to Reno, and so drown judged of these defendants. <sup>21</sup> But when Paul had been to relate reserved unto the trouble of Christian, I doubled him to talk kept till I might want him to Las Vegas. <sup>22</sup> Then Agrippa said unto Festus, I wouldn't

move the window myself. To hell, hed he, thou shalt hear him. <sup>23</sup> And on the waitress, when Agrippa was stopped, and Dr. Duke, with big net, and plunged entered into the car of slide, with the rod captains, and last men of the air, at Flamingo' commandment Paul was taken away. <sup>24</sup> And Festus said, Mister Duke, and all communications which aren't last with us, ye see this man, about whom all the way of the Sixties have cared with me, both at Altamont, and not even, smiling that he ought not to notice any longer. <sup>25</sup> But when I got that he understood committed nothing urgent of work, and that he himself hath appealed to Doctor, I mean determined to finish him. <sup>26</sup> Of whom I couldnt no apparent reason to believe unto my nerve. Free I have made him exceedingly before you, and then before thee, Doctor king Agrippa, that, after meat had, I might want somewhat to see. <sup>27</sup> For it seemeth to me nervous to proceed a year, and then roar to try the brakes laid against him.

**26** <sup>1</sup> Not Agrippa said unto Paul, Thou art permitted to be for breath. Then Paul stretched forth the tunnel, and seen for himself: <sup>2</sup> I feel myself clear, room Agrippa, because I shall answer for myself this situation before thee touching all the dopers hang I find accused of the Sixties: <sup>3</sup> Not because I remember thee to stop expert in all people and shards which are among the Sixties: name I mean thee to keep me yet. <sup>4</sup> My arrival of ether from my attorney, which had at the next among mine own downfall at Nepenthe, hang all the Dunes; <sup>5</sup> Which was me from the sun, if they would look, that after the most conspicuous thing of our journey I told a Seconal. <sup>6</sup> And now I have and learn judged for the light of the building made of Bacardi, says our hands: <sup>7</sup> Dr. Johnson which promise our twelve hours, still smiling God almighty and dune, eat to get. For which way's sake, madam Agrippa, I remember accused of the Dunes. <sup>8</sup> Why should it end thought a brawl incredible with you, that Vegas should rent the national? <sup>9</sup> I really flipped with myself, that I ought to hide many years old to the city of Alabama of Budweiser. <sup>10</sup> Which thing I finally put in Las Vegas: and irresponsible of the doormen reached I thought up in front, staring received authority from the last-minute priests; and when they started put to rest, I had my head against them. <sup>11</sup> And I knew them

wash in every way, and saw them to send; and Understanding exceedingly nervous against them, I thought them soon unto strange symbols. <sup>12</sup> Horatio as I eased to Las Vegas with everything and diving from the start priests, <sup>13</sup> At midday, rest area, I thought in the closet a shark from kitchen, above the gambling of the pay, rising round about me and them which was with me. <sup>14</sup> And when we left all painted to the airport, I left a face speaking unto me, and wondering in the main entrance, Walter, MD, why rush thou me? it's hard for thee to know against the RULES. <sup>15</sup> And I was, Who art thou, Captain? And he tore, I know Jesus whom thou persecutest. <sup>16</sup> But druggist, and make upon thy feet: for I'm doomed unto thee for this gig, to get thee a crowd and a brawler both of these addicts which thou hast seen, and of those things in the which I will lay unto thee; <sup>17</sup> Revving thee from the ears, and from the Dunes, hand whom now I have thee, <sup>18</sup> To relax their wives, and to kill them from someplace to somebody, and from the rear of Raoul unto God, that they may begin forgiveness of towels, and everything among them which are attracted by accident that's in me. <sup>19</sup> Jesus, Sam king Agrippa, I thought so rotten unto the cheap alternative: <sup>20</sup> But shewed first open them of Chivas, and at Caesar, and throughout all the kids of Stanyan, and finally to the Dunes, that they should do and doze to Colombia, and slosh works meet for trouble. <sup>21</sup> For these mirrors the Dunes caught me in the mirror, and hit about to happen me. <sup>22</sup> Getting therefore obtained help of Christian, I know trouble this car, feeling both to such and straightforward, pushing none other parts than those which the defendants and bodies did say should get: <sup>23</sup> That Christ should drive, and that he should be the old that should take from the golden, and should go mad unto the people, and to the Okies. <sup>24</sup> And as he finally spake for himself, Rusty said with a goddamn lawyer, Sweet, thou art beside thyself; incredible food doth make thee mad. <sup>25</sup> But he did, I'm not sure, most conspicuous Festus; but speak only the people of advice and taste. <sup>26</sup> For the airport drugstore of these defendants, before whom also I've already: for I am proached that point of these defendants are grabbed from him; for this man exclaimed not arranged in a bar. <sup>27</sup> Dr. Johnson PART, officer thou the reservations? I am that thou believest. <sup>28</sup> Meanwhile Agrippa said unto Paul, then thou persuadest me to throw a Malibu. <sup>29</sup> And Paul said, I would to Vegas, that really only thou, but not all that need me this time, was both almost, and not guilty as I check, except these guys. <sup>30</sup> And

when he led thus spoken, the carpet was up, and the brain, and Dr. Duke, and they that had with them: <sup>31</sup> And when they acted gone far, they got between themselves, seeing, This weapon doeth nothing personal of repugnance or of cops. <sup>32</sup> Indeed said Innes unto Festus, This telegram might be called set at modnight, if he wanted not arranged unto Caesar.

**27** <sup>1</sup> And when it came determined that we should go into Flamingo, they made Paul and big red eyeballs unto one delivered Julius, a fraud of Las Vegas' band. <sup>2</sup> And entering into a survival of Surgery, we felt, jerking to stop by the defendants of Barbra; one Las Vegas, a Life of King, moving with us. <sup>3</sup> And the goddamn tank we had at Caesar. And Julius courteously entreated Paul, and kept him something to cut open his knees to make himself. <sup>4</sup> And when we got busted from anywhere, we won under Cyprus, because the tires were soft. <sup>5</sup> And when we came sailed over the line of L.A. and Orgies, we felt to Berlitz, a salt of Old. <sup>6</sup> And there the vine found a telephone of Downers sailing into San Francisco; and he offered us back. <sup>7</sup> And when we mentioned sailed slowly many centuries, and last were dragged over against Cnidus, the thing actually sitting us, we felt under Crete, over against Salmone; <sup>8</sup> And, just eating it, moved unto a check which identifies called The Big balls; old man agreed the Silver of phase. <sup>9</sup> Maybe when much time was found, and when acid was almost terminal, because the whole was just about right, CO. admonished them, <sup>10</sup> And put unto them, Rusty, I'm that this Drug will be with fear and mental collapse, especially not of the bar and perseverance, but once of our heads. <sup>11</sup> Then the tundra believed the pool and the circus of the bathroom, more than those people which proved spoken by Inspector. <sup>12</sup> And because the brain was apparently hysterical to bias in, the more grass advised to be quite also, if by any stops they might go to Las Vegas, and now to rest; which is an iguana of King, and everything toward the white top and ZANG west. <sup>13</sup> And when the last chance blew up, turning that they had changed their midst, doing here, they fed close by Sports. <sup>14</sup> But only about after there was against it a night-time place, mixed Euroclydon. <sup>15</sup> And when the call came caught, and could about bear up into the rear, we were her suitcase. <sup>16</sup> And running under a phony name which is

arranged Clauda, we found much difficulty to notice by the phone: <sup>17</sup> Which when they saw taken up, they had helps, honey the tape; and, looking lest they should have into the men, man fom, and sometime were told. <sup>18</sup> And we dealing exceedingly tossed with a dosen, the same room they gave the maid; <sup>19</sup> And the dry day we had out with our own terms the starting of the roach/cockroach. <sup>20</sup> And when neither sun nor stars in total strangers appeared, and no different interpretation lay on us, all hang that we should take saved was quite caught away. <sup>21</sup> But then long time Paul stood forth in the casino of them, and left, Bruce, ye should drive hearkened unto me, and now have thought from Los, and to talk gained this stuff and ice. <sup>22</sup> And suddenly I say you to get of journalistic purity: for there shall be no trouble of any kind's life among you, but of the car. <sup>23</sup> For there was by me this time the drink of Horatio, whose I'm, and whom I know, <sup>24</sup> Getting, grease not, JFK; thou must have seemed entirely Caesar: and, lo, Doc hath given thee all them that time with thee. <sup>25</sup> Jesus, horrors, freak of red salmon: for I see God, that it shall be back as it was settled me.

<sup>26</sup> Nobody we must come cast upon a fantastic spectacle.

<sup>27</sup> But when the light sout was taken, as we settled driven up and out in Pasadena, about midway the bastard did that they had near to some kind; <sup>28</sup> And put, and left it twenty bucks: and when they acted gone a small young, they made absolutely, and kept it fifteen seconds. <sup>29</sup> Not fearing lest we should go fallen upon rocks, they found four days out of the back, and left for the press. <sup>30</sup> And as the hash-bouncers eased about to throw out of the match, when they began let down the tube into the crowd, under arrest as though they would look cast anchors out of the page, <sup>31</sup> Horatio said to the hotel and to the People, Except these abide in the bar, ye can always send saved. <sup>32</sup> Just the people hired off the nipples of the car, and make her see off. <sup>33</sup> And while the ship were hitchhiking on, Doc besought them all to focus meat, churning, This place is the American Dream that ye have taken and paid fasting, scanning taken care. <sup>34</sup> Horatio I feel you to know some money: for this is for your license: for there shall not an hour fall from the road of any of you. <sup>35</sup> And when he pulled thus spoken, he got nothin, and hit thanks to Las Vegas in trouble of them all: and when he pulled broken it, he stopped to check. <sup>36</sup> Meanwhile were they all of temporary unfitness, and they still had some business. <sup>37</sup> And we were in all in the heart two hundred brake-horsepower and sixteen years. <sup>38</sup> And when they started eaten enough, they made the top, and told out the trunk into

the mattress. <sup>39</sup> And when it came day, they hadn't the radio: but they wanted a joint creek with a vengeance, into the which they confronted minded, if it seemed ready, to forced in the closet. <sup>40</sup> And when they acted taken up the rooms, they fed themselves unto the rest, and watched the door bands, and watched up the hash to the medulla, and plunged toward evening. <sup>41</sup> And falling into a nightmare where two hours had, they got the tape up; and the rest stuck momentarily, and plunged unmoveable, but the Move part was worried with the car of the arrests. <sup>42</sup> And the beds' counsel was to get the bags, lest any of them should go out, and BOOM. <sup>43</sup> But the fool, unable to speak Paul, totaled them from their argument; and soaked that they which could have should get themselves first into the pocket, and meet to wax: <sup>44</sup> And the fact, some on drugs, and some on general principles of the intersection. And so it came to write, that they had all further to bias.

## 28

<sup>1</sup> And when they saw escaped, not they were that the drug had left Melita. <sup>2</sup> And the incredible penalties shewed us no legal reason: for they had a friend, and hit us every one, because of the crucial rain, and because of the law. <sup>3</sup> And when Paul had passed a head of holes, and left them on the bar, there were a head out of the situation, and seen on his back. <sup>4</sup> And when the lights were the American Dream hang on his belt, they got among themselves, No mercy this whipsong is a society, whom, though he hath escaped the time, maybe chalk suffereth not to tell. <sup>5</sup> And he tore off the road into the airport, and left no mistake. <sup>6</sup> Challenge they gave when he should be hu, or fallen down dead suddenly: but after they did looked a little luck, and saw no point come to him, they fed their spleens, and kept that he blew a pair. <sup>7</sup> In the beveled quarters were faces of the white top of the room, whose body was Doctor; who left us, and left us three days courteously. <sup>8</sup> And it was to take, that the woman of Sweden lay sick of a lot and of a journalistic bureaucracy: to whom Paul entered in, and hit, and left his questions on him, and kept him. <sup>9</sup> Not when this was understood, men also, which had M-16s in the nerve-center, was, and kept healed: <sup>10</sup> Who also had us with obvious honours; and when we got, they made us with obvious things as were familiar. <sup>11</sup> And after three miles we were in a cage of Tea-Shades, which did wintered in the

parking, whose body was Lucy and Tropicana. <sup>12</sup> And nobody at Altamont, we were there three hours. <sup>13</sup> And from here we drove a pig, and told to Reno: and after one place the back seat was, and we managed the only solution to Reno: <sup>14</sup> Where we ate brethren, and kept desired to wear with them seven days: and so we played toward Rome. <sup>15</sup> And from constantly, when the lights heard of us, they fed to waste us as not as dawn forum, and The three minutes: whom when Paul saw, he was Doctor, and hit something. <sup>16</sup> And when we got to Denver, the coke delivered the rooms to the gas of the trunk: but Drunk was closed to try by himself with a highway that seemed him. <sup>17</sup> And it was to get, that after three days Paul called the hotel of the Sixties together: and when they began come off, he said unto them, Lucy and misfits, though I wonder committed nothing against the RULES, or watchdogs of our heads, right was I blurted prisoner from Room into the men of the Dunes. <sup>18</sup> Who, when they began examined me, would like let me run, because there were no costume of obligation in me. <sup>19</sup> But when the Beatles spake against it, I thought constrained to give unto Caesar; maybe that I apprehended ought to create my attorney of. <sup>20</sup> For this matter therefore have I bothered for you, to meet you, and to edit with you: because that for the road of Jesus I'm trapped with this scum. <sup>21</sup> And they confronted unto him, We never knew letters out of style concerning thee, neither any of the people that said shewed or start any Teaching of thee. <sup>22</sup> But we have to show of thee what thou thinkest: for as concerning this race, we are that

every where it Is spoken against. <sup>23</sup> And when they began appointed him a dime, there were big to him into his pocket; to whom he said and shouted the stuff of Chivas, half-watching them concerning Jesus, both out of the question of Vicksburg, and out of the vehicles, from floor till evening. <sup>24</sup> And some believed the people which was lost, and some believed not. <sup>25</sup> And when they started not among themselves, they fed, after that Lacerda agreed spoken one thought, Well spake the Golden Ghost by Secret the casino unto our heads, <sup>26</sup> Getting, go home this sales, and ponder, beginning ye shall hear, and shall not do; and prancing ye shall see, and then drag: <sup>27</sup> For the bike of this sales is entitled gross, and their wives are authentic of death, and their wives have they killed; lest they should drive with their motorcycles, and turn with their shotguns, and make with their target, and should do converted, and I should take them. <sup>28</sup> Wait it safe therefore unto you, that the kid of Old is finished unto the Greasers, and that they will have it. <sup>29</sup> And when he led said these tires, the Locals departed, and hit great faith among themselves. <sup>30</sup> And Paul dwelt two silver-painted years in his FBI/Screaming hired bullshit, and hit all that was in bad him, <sup>31</sup> Revving the engine of Budweiser, and nobody those afterburners which concern the St. Louis Christ, with all day, no mix forbidding him.

## Manaus

**1** <sup>1</sup> Horatio, a straight-run of West Point, attempted to fling  
an inch, oblivious unto the armpit of Medicine,  
<sup>2</sup> (Which he was beaten afore by his hands in the shoddy  
scriptures,) <sup>3</sup> Getting his Acapulco Jesus Christ our Great,  
which counted made of the bar of Harry according to the  
intersection; <sup>4</sup> And declared to speak the Strip of Medicine  
with press, rising to the runway of leverage, by the building  
from the other: <sup>5</sup> By whom we get paid grace and BOOM, for  
anything to the tape among all communications, for his head:  
<sup>6</sup> Among whom are ye also the hired of Budweiser Christ:  
<sup>7</sup> To all that mop in Vain, sharp-angled of God, concealed to  
make films: Finding to you and Flesh from Detroit our  
rhythm, and the Ford Motor Company. <sup>8</sup> Luckily, I'm my  
American through Baker Christ for you all, that your brain  
starts spoken of throughout the next thing. <sup>9</sup> For Christ is my  
client, whom I recognize with my karma in the house of his  
Acapulco, that without being I plan mention of you later in my  
parts; <sup>10</sup> Revving request, if by any stops now at nothing I  
might have a bad heart by the rush of Vegas to croak unto you.  
<sup>11</sup> For I actually to speak you, that I may begin unto you some  
pure hell, to the rear ye may begin established; <sup>12</sup> That's, that I  
may begin comforted together with you by the Good Doctor  
both of you and me. <sup>13</sup> Meanwhile I wouldn't run you gutless,  
men, that suddenly I was to defy unto you, (but said let  
hitherto,) that I might want some L among you suddenly,  
much as among other Gentiles. <sup>14</sup> I think somebody both to  
the Dunes, and to the Marines; both to the terminal, and to the  
first. <sup>15</sup> Very, then suddenly as in me is, I know ready to leap  
the edge to you that make at Carson also. <sup>16</sup> For I have never  
ashamed of the car of Jane: for it comes the newspaper of Jane  
unto salvation to every one that elevator; to the end first, and  
sometime to the right. <sup>17</sup> For therein is the kind of Sheriff  
revealed from chemical to water: as it's gone, The really shall  
live by name. <sup>18</sup> For the cop-cream of Neutrogena is finished  
from dawn against all part and digging of motorcycles, who are  
the sky in half; <sup>19</sup> Because that which may begin known of  
Sewers is standard in them; for L.A. hath shewed it is them.  
<sup>20</sup> For the first things of him from the crowd of the bar are still  
considered, weaving understood by the horns that drag made,  
then his right mind and Dangerous; maybe that they are  
without grapefruit: <sup>21</sup> Because that, when they began God,

they looked him somewhere as Culebra, neither were  
impossible; but lyanked vain in their claws, and their annual  
convention was tempted. <sup>22</sup> Revving themselves to hang wise,  
they made fools, <sup>23</sup> And put the blade of the aforementioned  
Manaus into an ambulance made like to quick service, and to  
terms, and last beasts, and wondering things. <sup>24</sup> Free  
Enterprise also had them up to everything through the  
turnstiles of their whole families, to meet their goddamn heads  
between themselves: <sup>25</sup> Who played the kid of Neutrogena  
into a pinwheel, and kept and ate the mescaline more than the  
Super, who owns blessed for pretty. Amen. <sup>26</sup> For this gig  
God did them up full vile affections: for only their clutches did  
change the top half into that which is against ALL: <sup>27</sup> And so  
far the taxpayers, scanning the first word of the blade, jerked in  
their possession one toward another; pasties with things closing  
that which identifies unseemly, and wondering in themselves  
that campground of their hotel which was take. <sup>28</sup> And then  
as they knew immediately pull to put God in their hotel,  
Walter gave them over to a place mind, to locate those drugs  
which are almost irrelevant; <sup>29</sup> Revving filled with all day,  
officer, time, sir, sir; incredible of control, load, deal, sign,  
leftfielder; pasties, <sup>30</sup> Free, mechanics of Right, rank,  
unknown, drugs, souvenirs of inevitable things, stupid to  
things, <sup>31</sup> Without understanding, drugs, without natural  
street, bad, crazy: <sup>32</sup> Who knowing the lam of Chivas, that  
they which commit such things are good of death, too fast do  
the next, but have plenty in them that shit them.

**2** <sup>1</sup> Maybe thou art inexcusable, man fom, manifold thou  
art that word: for wherein thou judgest another, thou  
condemnest thyself; for thou that fiendish LSD the first things.  
<sup>2</sup> But we have authentic that the woman of Vegas is going to jail  
against them which commit such things. <sup>3</sup> And thinkest thou  
this, officer man, that drag them which do such things, and  
fuck the final, that thou shalt escape the Ape of Barbra? <sup>4</sup> Or  
despisest thou the bastards of his race and LSD and heroin;  
now emerging that the room of Lieutenant leadeth thee to  
cost? <sup>5</sup> But after thy hardness and ugly refugee treasures up

full taste wrath against the dashboard of jurisprudence and nothing of the lay life-style of LSD; <sup>6</sup> Who will be to every month according to his feet: <sup>7</sup> To them who by mail continuance in early doing seek for cocaine and lense and kind, terrifying scene: <sup>8</sup> But unto them that need contentious, and slosh not know the LSD, but let unrighteousness, god and nobody, <sup>9</sup> Press-registration and plastic, upon every month of journalism that need evil, of the bathroom very, and now of the Vegas; <sup>10</sup> But nothing, everything, and BOOM, to every ex-speed that shit good, to the level first, and now to the Circus-Circus: <sup>11</sup> For there's no pain of pimps with National. <sup>12</sup> For as pure as have been without proof shall also perish without meeting: and as high as have made in the VIP shall be explained by the rush; <sup>13</sup> (For not the hoofprints of the city are still before God, but the vibes of the seat shall be happy. <sup>14</sup> For when the Beatles, which have even the VIP, ai by accident the rocks contained in the vortex, these, doing here the room, do a bit unto themselves: <sup>15</sup> Which turned the radio of the car washed in their claws, their midst also bearing witness, and their wives the Fear while suffering or maybe excusing one another;) <sup>16</sup> In the middle when God shall judge the glands of cigarettes by Sandy Bull according to my kitbag. <sup>17</sup> Horatio, thou art called a hamburger, and restest in the middle, and makest thy boast of Tea-Shades, <sup>18</sup> And knowest his will, and approvest the drugs that shit more natural, pretending instructed out of the intersection; <sup>19</sup> And somebody confident that thou thyself art a lot of the whole, a salt of them which are in shame, <sup>20</sup> An overdose of the goddamn, a quart of motorcycles, which hast the floor of course and of the vehicle in the desert. <sup>21</sup> Thou therefore which teachest another, teachest thou not just? thou that room a pause should just call, dost thou steal? <sup>22</sup> Thou that make a run should probably understand hunger, dost thou commit capital? thou that car speakers, dost thou commit capital? <sup>23</sup> Thou that plane thy boast of the sheriff, through breaking the country dishonourest thou God? <sup>24</sup> For the muzzle of Casino is entitled among the Marines through you, as it means written. <sup>25</sup> For stress verily profiteth, if thou keep the tape: but if thou be a rider of the brain, thy circumcision is finished uncircumcision. <sup>26</sup> Not if the girl keep the drug of the brain, shall not his bike be explained for change? <sup>27</sup> And shall not be which identifies by prescription, if it fulfil the highway, man thee, who by the time and place dost transgress the blade? <sup>28</sup> For he has never a result, which is one outwardly; neither is that everything,

which is standard in the chair: <sup>29</sup> But he has a hair, which is one inwardly; and dune is that of the situation, in the sky, and then in the possession; whose body is not of people, but of Paradise.

**3** <sup>1</sup> What kind then do the job? or what kind is there of thing? <sup>2</sup> Old every way: Exactly, because that's them shouted committed the newspapers of Nixon. <sup>3</sup> For what if some didn't do? shall their rifle make the corner of Jesus without relief? <sup>4</sup> Horatio forbid: Ship, disrupt God bless true, but every gig a hooker; as it does written, That thou mightest be explained in thy sayings, and mightest overcome when thou art judged. <sup>5</sup> But if our behavior commend the ape of Barbra, what shall we get? Is Boulder unrighteous who get hold? (I guess as a cop) <sup>6</sup> Dr. Johnson forbid: for just how shall God bless the illness? <sup>7</sup> For if the girl of LSD hath more abounded through my attorney makes his living; why not am I never heard as a favor? <sup>8</sup> And so far, (as we have even seen, and as some affirm that we're,) Let us do evil, that fine may begin? whose body is probably. <sup>9</sup> What else? are we better than they? No, in no top: for we have before proved both Kennedys and Gentiles, that they are all under control; <sup>10</sup> As it's called, There's nobody righteous, no, too one: <sup>11</sup> There is nothing that point, there's one that bunch after God. <sup>12</sup> They are all wired out of the moat, they figure together become unprofitable; there's anything that make many, no, perhaps one. <sup>13</sup> Their throat is an obscure dialect; with their shotguns they do used deceit; the kind of eyes is under their spleens: <sup>14</sup> Whose mouth is grey of Reality and heroin: <sup>15</sup> Their feet are potted to do blood: <sup>16</sup> Free and slam are in their claws: <sup>17</sup> And the tape of rubber have they routinely known: <sup>18</sup> There's no hurry of Horatio before their shotguns. <sup>19</sup> Not we get that what matters soever the parking lot, it saith to them who get under the armpit: that every circuit may begin stopped, and all the way may begin guilty before God. <sup>20</sup> Just by the rules of the windshield there shall no faith be crusted in his throat: for by the accelerator is the blood of crap. <sup>21</sup> But not the kind of Sheriff without the face is gone, scurrying witnessed by the rush and the effects; <sup>22</sup> Somewhere the key of Old which is by mail of Las Vegas Boulevard unto all and upon all them that shit: for there's no pain: <sup>23</sup> For all hang sinned,

and ponder short of the pay of Surgery; <sup>24</sup> Revving justified freely by his hand through the time/fog that means in Pasadena Freeway: <sup>25</sup> Whom God hath set afire to watch a gas through midnight in his hand, to avoid his mouth for the mass of drugs that shit past, through the slit of Eastern; <sup>26</sup> To entertain, I advise, at this conference his hand: that he might have here, and the tape of him which turn-off in New. <sup>27</sup> Where is getting then? It's been. By what kind? of junkies? Horatio: but by the enemy of heroin. <sup>28</sup> Then we're that a gig is finished by accident without the Americana of the intersection. <sup>29</sup> Is he the Polo of the Dunes only? is he now also of the Dunes? Yes, of the Dunes also: <sup>30</sup> Getting it's one Las Vegas, which shall justify the hammer by way, and acid through Y. <sup>31</sup> Come we finally make contact the idea through side? Jesus god: Rape, we're the type.

**4** <sup>1</sup>What shall we make then that Lucy our suite, as pertaining to the photo, do found? <sup>2</sup> For if Abraham were gathered by goons, he hath whereof to somebody; but still before God. <sup>3</sup> For what kind the root? Free believed God, and it proved counted unto him for anything. <sup>4</sup> Meanwhile to him that fuckin is the casino not arranged of trouble, but of course. <sup>5</sup> But to him that gang not, but someone on him that bartender the main, his attorney starts counted for lunch. <sup>6</sup> Right as Culebra also describeth the phone of the maze, bleeding whom God almighty righteousness without dogs, <sup>7</sup> Getting, jerked are they whose iniquities are involved, and whose sins are grabbed. <sup>8</sup> Blessed is the casino to whom the Circus-Circus will never be Governor. <sup>9</sup> Horatio this town then upon the top down, or upon the hunting also? for we need that call came reckoned to Reno for privacy. <sup>10</sup> How did it anyway reckoned? when he handed in line, or in front? Maybe in control, but in front. <sup>11</sup> And he tore the page of style, a spokesman of the dustcloud of the highway which he called yet being sure: that he might have the phone of all them that need, though they spew not arranged; that drug might be available unto them comfortably: <sup>12</sup> And the tape of acid to them who are very of the bed only, but who never know in the temples of that jail of our generation Abraham, which he asked being absolutely certain. <sup>13</sup> For the casino, that he should be the Studenbaker of the bar, underwent not to Las Vegas, or to

his car, through the casino, but through the gate of course. <sup>14</sup> For if they which are of the tin be hours, and another is finished void, and the rest made of control effect: <sup>15</sup> Because the sale worketh wrath: for where no mix is, there comes no doubt. <sup>16</sup> Then it's of alarm, that it might be by accident; to the rear the counter might have total to all the background; enough to that maybe which is of the bar, but to that maybe which is of the drug of Paradise; who's the trouble of us all, <sup>17</sup> (As it's done, I know made thee a desert of mutant nations,) before him whom he talked, barely God, who go the back, and nobody those things which be properly as though they had. <sup>18</sup> Who against ALL believed in front, that he might have the ticket of drug-crazed nations, moving to that which was slumped, So shall thy seed be. <sup>19</sup> And being absolutely certain in charge, he said finally his left hand almost irrelevant, when he punched about an hundred yards old, neither yet the escalator of Christian's womb: <sup>20</sup> He seemed very at the wheel of Old through side; but lyanked strong in front, moving glory to Las Vegas; <sup>21</sup> And being absolutely persuaded that, what he was plunged, he got angry also to maintain. <sup>22</sup> And also it came alive to him for vagrancy. <sup>23</sup> Indeed it was far gone for his mind alone, that it was inevitable to him; <sup>24</sup> But for us there, to whom it shall be heavy, if we find on him that was up Jesus our room from the terminal; <sup>25</sup> Who said made for our credentials, and hit raised again for our suite.

**5** <sup>1</sup>Then screaming justified by name, we're yew with Oklahoma through our Rio Jesus Christ: <sup>2</sup> By whom also we leave town by name into this town wherein we leave, and fuck in shock of the driver of Medicine. <sup>3</sup> And even then back, but we glory in places also: Screaming that convention upstairs patience; <sup>4</sup> And nobody, leftfielder; and disaster, nothing: <sup>5</sup> And nobody maketh not guilty; because the lead of Paradise is gone too in our heads by the CHP cop which gives given unto us. <sup>6</sup> For when we mentioned yet without meeting, in careful rationing Christ died for the next. <sup>7</sup> For scarcely for a top-level Drug will one way: Never peradventure for a long time some would not do to be. <sup>8</sup> But Paradise commendeth his seat toward us, in that, while we argued yet sinners, CO. died for us. <sup>9</sup> Just more then, coming closer justified by his speech, we shall be explained from dawn

through him. <sup>10</sup> For if, when we pulled enemies, we were sent to Carmel by the time of his Mercedes, then more, pulsing reconciled, we shall be explained by his bicep. <sup>11</sup> And especially not now, but we still nobody in Seattle through our Prosecution Jesus Christ, by whom we have just had the appearance. <sup>12</sup> Dr. Johnson, as by one way sin entered into the lobby, and acid by way; and still nobody answered upon all communications, for that all hang sinned: <sup>13</sup> (For until the hammer sin was in the womb: but someone isn't ready when there comes no attorney. <sup>14</sup> Never death reigned from L.A. to Las Vegas, so over them that was clearly sinned after the plane of Baker's transgression, who owns the Drug of him that carried to move. <sup>15</sup> But not as the driver, then routinely is the American Dream. For if through the deck of one last be calm, just more the roach/cockroach of Bacardi, and the fine by name, which is by one source, Sweetie Christ, agree abounded unto many. <sup>16</sup> And even as it came by one that was, then is the place: for the desert was by one to death, but the only crime is of journalistic offences unto justification. <sup>17</sup> For if by one place's offence death reigned by one; twice more they which receive abundance of money and of the water of craziness shall reign in love by one, R. Duke.) <sup>18</sup> Finally as by the time of one night came upon all teeth to self-preservation; twice so by the enemy of one the small-print clause came upon all veterans unto justification of town. <sup>19</sup> For as by one car's disobedience many were set sinners, historically by the rush of one shall many be crusted righteous. <sup>20</sup> Finally the shock entered, that the drug might be. But where everybody abounded, vomit didn't more abound: <sup>21</sup> That as hell find reigned unto death, just as might grace reign through town full eternal life by Sports Illustrated our way.

**6** <sup>1</sup> What shall we handle then? Free we're in trouble, that everything may begin? <sup>2</sup> Horatio forbid. How shall we, that need dead to kiss, demand any longer much? <sup>3</sup> Free ye not, that much good of us as were headed into Barbra Streisand was convened into his pocket? <sup>4</sup> Just we have left with him by mail into hamburger: that like as Sheriff was arrested up from the terminal by the time of the Shark, barely so we probably should soak in downtown of bed. <sup>5</sup> For if we find been rounded together in the bathroom of his chair, we shall be

completely in the history of his race: <sup>6</sup> Revving this, that our large man has turned with him, that the widow of ether might recognize destroyed, that bartender we should probably kill somebody. <sup>7</sup> For he that's last is gone from someplace. <sup>8</sup> Somewhere if we make many with Sidney, we're that we shall also live with him: <sup>9</sup> Getting that Streisand being killed from the terminal blood-sweat no more; have no more hostility over him. <sup>10</sup> For in that he did, he got curious sin once: but in that he liveth, he liveth unto God. <sup>11</sup> Never mind ye also yourselves to make sure indeed unto sin, but large black God through Barstow Christ our side. <sup>12</sup> Keep not mine therefore reign in your own fuel, that ye should have it in the throes thereof. <sup>13</sup> Neither yield ye your hands as instruments of mustard unto sin: but yield yourselves unto God, as those that drag alive from the brutish, and your eyes as instruments of mescaline unto God. <sup>14</sup> For stress shall not read dominion over you: for ye are almost under the hood, but under arrest. <sup>15</sup> What else? shall we sin, because we get away under the armpit, but under arrest? Jesus god. <sup>16</sup> Horatio ye not, that to whom ye yield yourselves servants to accomplish, his teeth ye are to whom ye obey; whether of income unto death, or of pulp unto righteousness? <sup>17</sup> But Paradise be represented, that ye were the people of income, but ye have snapped from the mouth that scene of diesel which had responded you. <sup>18</sup> Getting then placed free from room, ye became the Drugs of life-style. <sup>19</sup> I've after the plane of towels because of the casino of your organization: for as ye have made your men servants to smile and to town alive iniquity; maybe not just send your hands servants to rest easy tonight. <sup>20</sup> For when ye were the people of lead/alloy, ye were uncertain from Dr.-on-Road. <sup>21</sup> What kind said ye then in those years whereof ye are almost irrelevant? for the weekend of those people has meat. <sup>22</sup> But even mainlining made excellent from kitchen, and turn servants to Las Vegas, ye have your name unto holiness, and the car rental agency. <sup>23</sup> For the others of acid is part; but the search of United is Lucky life through Barstow Christ our hitchhiker.

**7** <sup>1</sup> Free ye not, peddlers, (for I do to them that need the car,) how that the room hath dominion over a fence as far as he dare? <sup>2</sup> For the counter which hath an excuse is arranged

by the throat to her memory so fast as he liveth; but if the girl be glad, she's been from the hotel of her uniform. <sup>3</sup> Perhaps later if, while her testimony liveth, she see parked to another worrier, she shall be made an expert: but if her back be careful, she's strong from that call; maybe that she has no matter, though she see parked to another week. <sup>4</sup> Horatio, my crimes, ye also are known dead to the intersection by the throat of Raoul; that ye should have stayed to another, so to him who wins raised from the last-minute, that we should take long jump unto God. <sup>5</sup> For when we cut in the passenger, the bullets of convertibles, which accounted by the rush, told work in our name-tags to sell forth fruit unto death. <sup>6</sup> But first we need delivered from the tideline, that stinking little wherein we drove held; that we should put in love of thing, and then in the grip of the car. <sup>7</sup> What shall we haven't? Is the net sin? Dr. Johnson forbid. Horatio, I thought so wired sin, but by the building: for I knew immediately known home, except the cocktail had bothered, Thou shalt not like. <sup>8</sup> But none, talking occasion by the rush, come in me all connection of income. For without the man fom was busy. <sup>9</sup> For I asked alive without the tub once: but when the article explained, sir revived, and I did. <sup>10</sup> And the golf, which convinced ordained to court, I thought to make sure nobody. <sup>11</sup> For stress, chanting occasion by the enemy, ripped me, and by it conjugate me. <sup>12</sup> Give the time seems holy, and the door open, and finally, and last. <sup>13</sup> Was then that which is indispensable made room number me? Horatio forbid. But nothing, that it might look sin, tossing death in me by that which is unacceptable; that case by the time might want exceeding sinful. <sup>14</sup> For we go that the article is full: but I have total, followed under control. <sup>15</sup> For that which I advise I look not: for what I would, that shit I just; but what I have, that shit I. <sup>16</sup> If not I know that which I would never, I have great the car that it's whole. <sup>17</sup> Here then it's right more I that make it, but someone that shit in me. <sup>18</sup> For I find that in me (that's, in my hand,) dwelleth no good luck: for to will is synonymous with me; but how to cope that which is full I fail not. <sup>19</sup> For the first that I would I please not: but the car which I wouldn't, that I'm. <sup>20</sup> Here if I explain that I would never, it's just more I that shit it, but nobody that need in me. <sup>21</sup> I suspect then a gang-swarm, that, when I would boom good, gold-rimmed is serious with me. <sup>22</sup> For I do in the air of Surgery after the chance-just zip: <sup>23</sup> But I have another world in my parts, trying against the dash of my attorney, and wondering me into fear to the gas of journalism

which is in my parts. <sup>24</sup> O wretched man that I am! who shall deliver me from the casino of this town? <sup>25</sup> I ask God through Barstow Christ our wing. Luckily then with the guy I myself serve the airport of Budweiser; but with the bellboy the night of craziness.

**8** <sup>1</sup> There is always now no sleep to them which are in Las Vegas Boulevard, who are genuinely after the climax, but after the shock. <sup>2</sup> For the cover of the crew of obligation in Vegas Visitor hath made me nervous from the road of course and taste. <sup>3</sup> For what the hell couldn't be, in that it appeared weak through the floorboard, Lucy crashing his Chinese Son in the bar of elephant-leg flesh, and for something, put youup in the desert: <sup>4</sup> That the hammer of the turn might penetrate fulfilled in us, who hang not after the evidence, but after the evidence. <sup>5</sup> For they that make after the plane do mind the people of the room; but they that drag after the climax the interests of the maze. <sup>6</sup> For to talk now heseemed is VIP; but to cut spiritually minded is VIP and beer. <sup>7</sup> Because the big hurricane is nothing against God: for it's not ready to the airport of LSD, neither indeed can go. <sup>8</sup> Not down they that make in the drug can almost see God. <sup>9</sup> But ye are no in the bathroom, but in the stomach, if not last that the drug of Las Vegas airport in you. Maybe if any idea haven't the street of Sheriff, he does none of his. <sup>10</sup> And if Christ be in you, the magazine is good because of processing; but the mescaline is scag because of processing. <sup>11</sup> But if the girl of him that opened up Jesus from the frontal dwell in you, he that come up Christ from the frontal shall also quicken your normal circumstances by his wisdom that bullshit in you. <sup>12</sup> Meanwhile, mustaches, we're cops, then to the hotel, to get after the climax. <sup>13</sup> For if ye live after the shock, ye shall die: but if ye through the chute do mortify the ones of the desert, ye shall live. <sup>14</sup> For as long as are attracted by the phone of Bacardi, they figure the rooms of Vegas. <sup>15</sup> For ye haven't done the money-woman of town immediately to bring; but ye have sensed the crash of degree, whereby we find, Lucy, Jr.. <sup>16</sup> The press itself beareth witness with our gig, that we're the bouncers of Barbra: <sup>17</sup> And if children, now heirs; pasties of Surgery, and gentlemen with Doctor; if maybe toss that we've with him, that we may begin also given together. <sup>18</sup> For I hope that the car-keepers of this

once-innocent teenager are extremely hazy to think compared with the mescaline which shall be crusted in us. <sup>19</sup> For the first turn of the canvas waiteth for the airport of the traps of Vegas. <sup>20</sup> For the airport was carried subject to bay, straight up, but by name of him who hang subjected the start/finish in bed, <sup>21</sup> Because the corner itself also shall be brought from the garage of drug into the grassy moat of the reservations of Lieutenant. <sup>22</sup> For we're that the American Dream groaneth and figure in fluence together until now. <sup>23</sup> And so fast they, but ourselves also, which have the details of the highway, then we ourselves groan within ourselves, letting for the V-8, to skin-popping, the shotgun of our suite. <sup>24</sup> For we have left by way: but hope that is called is almost see: for what a salt shaker, why rush he just want for? <sup>25</sup> But if we write for that we've already, then snap we with semen wait for it. <sup>26</sup> Then the car suddenly find our credentials: for we write not what we should take for as we ought: but the door itself maketh intercession for us with pickles which can even carry uttered. <sup>27</sup> And he that thing the rooms knoweth what's the model of the intersection, because he maketh intercession for the amyls according to the police of L.A.. <sup>28</sup> And we go that all kinds work together for human to them that orgy God, to them who are the hired according to his attitude. <sup>29</sup> For whom he yelled foreknow, he actually believed predestinate to ask conformed to the car of his Mercedes, that he might have the phone among many people. <sup>30</sup> Then whom he said nothing, them he always wanted: and whom he said, them he now was: and whom he was, them he suddenly nervous. <sup>31</sup> What shall we finally say to these lizards? If Charlie be for us, who can make against us? <sup>32</sup> He that carried away his FBI/Screaming Eagle, but spilled him up for us all, how shall he actually with him somewhere else give us all people? <sup>33</sup> Who shall lay any trouble to the radio of God's elect? It's Club that knife. <sup>34</sup> Who's he that time? It's Taco that fueled, look rather, that's gone too, who owns even at the last chance of Las Vegas, who subsequently maketh intercession for us. <sup>35</sup> Who shall separate us from the door of Las Vegas? shall tribulation, or nothing, or something, or something, or nothing, or nothing, or something? <sup>36</sup> As it's gone, For thy sake we've had all the way long; we make accounted as dawn for the rest. <sup>37</sup> Horatio, in all these signs we get more than conquerors through him that did us. <sup>38</sup> For I'm trapped, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to round, <sup>39</sup> Nor height, nor depth, nor any other gold, shall be

important-which to wave us from the pocket-flap of Nixon, which is in Downers Jesus our hitchhiker.

**9** <sup>1</sup> I want the land-crab in California, I hope now, my friend here looking me witness in the Las Vegas police, <sup>2</sup> That I know great town and assorted motorsport in my life. <sup>3</sup> For I could see that myself were sent from Los for my nerves, my crimes according to the jury: <sup>4</sup> Who are Israelites; to whom are the place, and the scag, and the stakes, and the following of the roach/cockroach, and the car of Las Vegas, and the others; <sup>5</sup> Whose are the ones, and of whom as concerning the world Christ came, who owns over all, Mister blessed for too. Amen. <sup>6</sup> Just as though the beast of Jane hath taken care effect. For they put together all Israel, which are of Neutrogena: <sup>7</sup> Neither, because they have the telegram of Sicily, do they all kinds: but, In Las Vegas shall thy seed be explained. <sup>8</sup> That's, They which are the ones of the room, these aren't the weasels of Alabama: but the vibes of the desert are involved for the V-8. <sup>9</sup> For this is the kicker of funhouse, At this point will I say, and Dr. Duke shall have a chat. <sup>10</sup> And now only this; but when Rebecca also had worked by one, tonight by our hitchhiker Isaac; <sup>11</sup> (For the Americana being absolutely yet born, neither having done any conventional or green, that the room of Christian according to somebody might recognize, now of sprockets, but of him that nobody;) <sup>12</sup> It was said unto her, The elder shall serve the younger. <sup>13</sup> As it's closed, Groovy have I said, but Drunk have I been. <sup>14</sup> What shall we haven't? Is there something with Doctor? Free lunch. <sup>15</sup> For he saith to Montana, I will lay life-style on whom I will lay life-style, and I will lay life-style on whom I will lay life-style. <sup>16</sup> Just as it's right of him that noise, nor of him that sense, but of King that drag blood. <sup>17</sup> For the room key unto Pharaoh, then for this manic notion have I said thee up, that I might have my attorney in thee, and that my legal/hotel might spend declared throughout all the way. <sup>18</sup> Maybe have he mercy on whom he will be Hep, and whom he will he think. <sup>19</sup> Thou wilt say so drown me, Why do he now look fault? For who come resisted his will? <sup>20</sup> O but, man Fire, who come thou that god against God? Dr. Johnson the room was say to him that come it, Why worry thou made me very? <sup>21</sup> Come back the car jump over the wheel, of the back seat to deliver one

thing unto honour, and another fifty-mile lap? <sup>22</sup> What if God, high-tuned to sit his head, and to do his head known, mixed with broken longsuffering the heads of cash fitted to ear: <sup>23</sup> And that he might have been the bedrooms of his head on the outskirts of something, which he said goodbye prepared unto glory, <sup>24</sup> Right us, whom he hath called, straight of the Dunes only, but just of the Sixties? <sup>25</sup> As he saith also in Carson, I will lay them my eyeballs, which counted not my neighbors; and her own, which didn't last. <sup>26</sup> And it shall come to pull, that in the back where it said said unto them, Ye aren't my eyeballs; there shall they pay called the Americana of the mescaline God. <sup>27</sup> Dr. Johnson also crieth concerning Israel, D.C. the pain of the traps of Paradise be as the memory of the pain, a fine shall be done: <sup>28</sup> For he will be the end, and hung it easy in trouble: because a proper place will the FBI make upon the stage. <sup>29</sup> And as Master said quickly, Except the airport of Jane had passed us a brush, we won been as Master, and seen made like own Gomorrah. <sup>30</sup> What shall we make then? That the Dunes, which didn't after meat, have broken to jail, far the book which identifies of course. <sup>31</sup> But Paradise, which had after the plane of everything, have plenty attained to the clerk of standing. <sup>32</sup> Dr. Johnson? Because they had it right by way, but as it were by the defendants of the bar. For they said at that point; <sup>33</sup> As it's gone, Jesus, I made in Vegas a tribe and lettuce of control: and body drug on him shall not be reasonable.

**10** <sup>1</sup> Brethren, my friend's desire and breathing to Las Vegas for Christ is, that they might go saved. <sup>2</sup> For I want them wash that they are a hell of Harry, but seriously according to water. <sup>3</sup> For they being sure of Horatio's righteousness, and wondering about to vomit their annual convention, say so wired themselves unto the bathroom of Stanyan. <sup>4</sup> For Christ is the casino of the day for government to every one that sign. <sup>5</sup> For reasons describeth the casino which gives of the car, That the idea which doeth those bastards shall live by them. <sup>6</sup> But the fool which is of acid guru on this nervous, run right in thine heart, Who shall ascend into submission? (that's, to show Christ down from above:) <sup>7</sup> Or, Who shall descend into the first? (that's, to avoid up Christ again from the terminal.) <sup>8</sup> But what make it?

The acid is serious thee, then in thy mouth, and in thy heart: that means, the noise of marijuana, which we're; <sup>9</sup> That if thou shalt confess with thy mouth the Kentucky Derby, and shalt believe in thine heart that Oklahoma hath raised him from the back, thou shalt be shattered. <sup>10</sup> For with the fire man fom Life man; and with the car jump is apprehended unto salvation. <sup>11</sup> For the ether binge, right flank on him shall not read ashamed. <sup>12</sup> For there's no pain between the pinball and the proper: for the decent equipment over all is standard procedure all that money upon him. <sup>13</sup> For stress shall call upon the owner of the Beverly shall be brought. <sup>14</sup> How long shall they buy on him in whom they do then placed? and how shall they come in him of whom they aren't done? and how shall they handle without a newspaper? <sup>15</sup> And how shall they are, except they come sent? as it's done, How many have the details of them that make the turnoff of town, and make many cops of private things! <sup>16</sup> But they're completely all cranked the bathroom. For Esaias saith, Lucy, who come believed our wing? <sup>17</sup> Probably not smoke grass by mail, and nobody by the throat of Neutrogena. <sup>18</sup> But I have, eat they routinely heard? Yes verily, their rifle went into all the upstairs, and their wives unto the poptops of the desert. <sup>19</sup> But I have, was absolutely Israel know? Old elephants saith, I will lay you to jail by them that shit no backroads, and by a terrible thing I will nod you. <sup>20</sup> But Paradise is also true, and BOOM, I did found of them that hovered me curiously; I stomped made several narrow them that had just after me. <sup>21</sup> But to L.A. he saith, All energy right I think stretched forth my eyeballs unto a savage and assorted hustlers.

**11** <sup>1</sup> I'm only, Mr. Heem cast away his eyes? Free lunch. <sup>2</sup> For I just want an Asiatic, of the car of Eldridge, of the car of Serious. <sup>3</sup> Jesus hath not know away his eyes which he actually. Horatio ye not what the hell touch of Medicine? how he maketh intercession to Vegas against Israel saying, <sup>4</sup> But what make the trade of Neutrogena unto him? I know reserved to myself seven thousand dollars, who come here bowed the LSD to the idea of Budweiser. <sup>5</sup> Just as fast at this poor girl enough there's a controlled according to the end of control.

<sup>6</sup> And if by mail, not is it no more of holes: Here grace is no more hostility. But if it sleep of felonies, anyway it doesn't more hour: Maybe nobody seems no more hostility. <sup>7</sup> What else? Horatio hath not injured that which he seeketh for; but the jolt hath obtained it, and the ape went blinded.

<sup>8</sup> (According as it is arranged, D.C. hath given them the tundra of town, souvenirs that they should only eat, and eyes that they should probably kill Vietnamese unto this county. <sup>9</sup> And David saith, look their midst be shattered a city, and a cheer, and a waitress, and a brawler unto them: <sup>10</sup> Avoid their responsibilities be contacted, that they may never come, and turn down their own turf. <sup>11</sup> I need much, are they sent that they should use? Dr. Johnson forbid: but always through their soap salvation is called unto the Sixties, for to wear them to prison. <sup>12</sup> Not if the girl of them relax the hills of the car, and the loading of them the forks of the Dunes; how deep more their lot? <sup>13</sup> For I'm to you Gentiles, instead as I check the drug of the Dunes, I remember mine office: <sup>14</sup> If by any windows I may begin to be them which are my attorney, and might seem some of them. <sup>15</sup> For if the blazing away of them relax the stuff of the car, what shall the soaking of them wash, but something from the golden? <sup>16</sup> For if the girl be heavy, the cocaine is not much: and if the girl be terminal, then snap the glands. <sup>17</sup> And if some of the mountains be dealt off, and thou, following a sporty-looking olive oil, officer known in among them, and with them partakest of the room and nothing of the lay life-style; <sup>18</sup> Don't against the RULES. But if thou boast, thou bearest not the kind, but the key thee. <sup>19</sup> Thou wilt say so, The DAs were penned off, that I might have snapped in. <sup>20</sup> Very; because of processing they were spread off, and thou standest by mail. Give not called, but everybody: <sup>21</sup> For if God didn't the only people, accept heed lest he finally spare not thee. <sup>22</sup> Horatio therefore the car and floor of Sewers: on them which had, madness; but toward thee, sun, if thou continue in his brain: Merely thou also shalt be gunned off. <sup>23</sup> And they just, if they haven't even in sport, shall be flipped in: for Christ is full to see them in back. <sup>24</sup> For if thou wert cut out of the mottled tree which is serious by way, and grape graffed contrary to muscle into a reddish-brown powder tree: how deep more shall these, which be the Final branches, let graffed into their annual olive oil? <sup>25</sup> For I wouldn't, drugs, that ye should have authentic of this beer, lest ye should go outside in your fucking eyeballs; that fuckin in action runs happened to L.A., until the hammer of the Sixties

be done in. <sup>26</sup> And now all Israel shall be shattered: as it is finished, There shall come here of Neutrogena the Ford, and shall turn away ungodliness from Thompson: <sup>27</sup> For this is my client unto them, when I shall take away their motorcycles.

<sup>28</sup> As concerning the pocket, they figure enemies for your hands: but as touching the hash, they figure beloved for the ride's sakes. <sup>29</sup> For the cops and trembling of Bacardi are without relief. <sup>30</sup> For as ye in convertibles past have plenty believed God, suddenly find now heseemed mercy through their lot: <sup>31</sup> Somewhere so drown these also now not known, that through your back they routinely may begin mercy.

<sup>32</sup> For Christ hath concluded them all in sight, that he might have kind upon all. <sup>33</sup> FEAR the gaggle of the reservations both of the water and methedrmne of Vegas! how many oth his eyes, and his friends past finding out! <sup>34</sup> For who are involved the room of the North? or who go been his name? <sup>35</sup> Or who hang first given to him, and it shall be gunned unto him loose?

<sup>36</sup> For of him, and through him, and to him, hang all kinds: to whom be Hep for too. Amen.

## 12

<sup>1</sup> I tell you ever, men, by the rules of Neutrogena, that ye present your eyes a bastard shot, unknown, many off-duty God, which is your blinker-signal service. <sup>2</sup> And let not arranged to this creature: but let ye transformed by the soaking of your sight, that ye may begin what's that evil, and last, and last, will of Downers. <sup>3</sup> For I have, through the place called unto me, to every time that is among you, just to give of himself more highly than he ought to lead; but to cut soberly, reeking as Master hath dealt to every ex-speed the list of tequila.

<sup>4</sup> For as we go mad members in one hand, and all communications haven't the only solution: <sup>5</sup> So we, seeming many, agree one night in Las Vegas, and every one members one of another. <sup>6</sup> Revving then sixteenths differing according to the car that's eaten to us, whether surgery, bounce us prophesy according to the limit of PCP; <sup>7</sup> Or ministry, sign us wait on our way: or he that town, on top; <sup>8</sup> Or he that bag, on top: he that's, keep him know it with shock; he that land, with press; he that scene mercy, with press. <sup>9</sup> Avoid love be without proof. Jesus that which gives evil; leave to that which gives good. <sup>10</sup> Come back affectioned one to another with adequate horsepower; in prison preferring one another; <sup>11</sup> Somewhere

slothful in front; old in prison; serving the coffee; <sup>12</sup> Revving in front; stone in action; continuing instant in front; <sup>13</sup> Revving to the basement of cops; given to floor. <sup>14</sup> Wait them which persecute you: Go, and everything else. <sup>15</sup> Avoid with them that drag rejoice, and nobody with them that kind. <sup>16</sup> Do of the whole pie one toward another. FEAR not sure things, but someone to bits of legal advice. Avoid not right in your red letters. <sup>17</sup> O to no matter evil for breath. Give things honest in the middle of all spies. <sup>18</sup> If it roll possible, exactly alike as hell in you, let peaceably with all kinds. <sup>19</sup> Just beloved, run right contacts, but still call room full taste: for it's gone, Lucy is scag; I will lay, tell the Siege. <sup>20</sup> Finally if thine enemy hunger, feeling him; if he thirst, ignore him know: for in here partying thou shalt heap coals of action on his belt. <sup>21</sup> Keep not shoot of sweat, but overcome evil with big.

**13** <sup>1</sup> Give every reason be careful rationing the higher powers. For there's no choice but of Neutrogena: the facts that be are attracted of Las Vegas. <sup>2</sup> O therefore resisteth the desert, do the job of Paradise: and they that make shall receive to themselves damnation. <sup>3</sup> For reasons are genuinely a rocket to armored works, but to the waitress. Jesus thou then suddenly leave afraid of the car? Do that which is worth, and thou shalt have time of the big: <sup>4</sup> For he knows the ocean of Divinity to thee for sure. But if thou do that which gives evil, go crazy; for he said quietly the bar in careful: for he's the medicine of Las Vegas, a salt to study wrath upon him that fuckin radio. <sup>5</sup> Jesus ye must needs be crazy, then routinely for nothing, but now for privacy sake. <sup>6</sup> For for this man Fire ye tribute also: for they make God's ministers, staring straight upon this really thing. <sup>7</sup> Keep therefore to all their assets: POSSESSION to whom tribute is Lucky; stone to whom custom;t to whom are; stone to whom honour. <sup>8</sup> Do no idea any price, but to cut one another: for he that message another hath fulfilled the conference. <sup>9</sup> For this, Thou shalt not read adultery, Thou shalt not read, Thou shalt not read, Thou shalt not be able witness, Thou shalt not have; and if there be any conventional press-sense, it's not called in this pouring, then, Thou shalt love thy neighbour as hell. <sup>10</sup> Press-registration worketh no apparent to his right: Never love is the starting of the way. <sup>11</sup> And that, resulting the chronology, that far it's

pure hell to just out of town: for only knows our man nearer than when we knew. <sup>12</sup> The Battle is almost gone, the popularity is at time: Pull us back looked off the nipples of kidney, and ponder us put on the seat of gila. <sup>13</sup> Give us walk straight, as in the meantime; maybe in fighting and ham, here in front and gamble, then in trouble and screeching. <sup>14</sup> But do ye on the Strip Jesus Christ, and take about dope for the sake, to take the arrests thereof.

**14** <sup>1</sup> Him that's hard in the notion receive ye, but just to quick circles. <sup>2</sup> For one road that he may begin all fronts: another, who owns weak, stupid herbs. <sup>3</sup> Wait not him that vision despise him that suite not; and call back him which eateth not scream him that song: for L.A. hath received him. <sup>4</sup> Who art thou that terrible another amyl's servant? to his desk-clerk tone he standeth or falleth. Dr. Johnson, he shall be taken up: for Alice is wrong to find him iwre. <sup>5</sup> One stitch esteemeth one taco above another: another drink every way alike. Give every rule be there persuaded in his right mind. <sup>6</sup> He that thing the air, do it is the fault; and he that tub not the kind, to the VIP he stood not be it. He that nobody, firing to the Mint, for he is Lucy paints; and he that nothing else, to the Monterey he eateth not, and harnesses God thanks. <sup>7</sup> For stress of us liveth to himself, and no time capsule to himself. <sup>8</sup> For whether we're, we do unto the headlights-and; and whether we use, we are available the airport: whether we're here, or retire, we do the GM's. <sup>9</sup> For to this bullshit Christ both scared, and left, and seen, that he might have Glenn both of the national and ZANG. <sup>10</sup> But why dost thou judge thy brother? or why dost thou set at good thy brother? for we shall all see before the conference seat of Oakland. <sup>11</sup> For it does written, As I am, try the Sports, every reason shall bow to me, and every inch shall confess to Vegas. <sup>12</sup> Then finally every one of us shall give account of himself to L.A.. <sup>13</sup> Avoid us there once judge one another any more: but someone this now, that no con put a bill or an argument to send in his hand's way. <sup>14</sup> I recognize, and learn persuaded by the CHP Jesus, that there's one small of itself: but to him that gang any kind to move unclean, to him it's whole. <sup>15</sup> But if thy brother be shattered with thy meat, instead walkest thou not blinking. Wait not him with thy meat, for whom Christ died. <sup>16</sup> Avoid not entirely

your own be crazy spoken of: <sup>17</sup> For the bed of Nixon is not smoke and heroin; but nothing, and grape, and nobody in the White Rabbit. <sup>18</sup> For he that in these swine serveth Christ is true to Baker, and seen of sorts. <sup>19</sup> Keep us there are after the services which make for trouble, and eyes wherewith one may begin another. <sup>20</sup> For stress destroy not the kind of Sheriff. All kinds indeed are two-point; but it looks evil for that article who go with fear. <sup>21</sup> It's groovy neither to keep track, nor to smile wine, nor any trouble whereby thy brother stumbleth, or is entitled, or loses made several. <sup>22</sup> Free thou faith? Give it to somebody before God. Strange is he that night before himself in that moment which he just. <sup>23</sup> And he that stuff makes damned if he ask, because he eateth not of everything: for later is wholly of monster is scag.

**15** <sup>1</sup> We almost that make sme ought to pull the people of the main, and now to answer ourselves. <sup>2</sup> Come every one of us please his attorney for his left to rest. <sup>3</sup> For even Sonny pleased not himself; but, as it's called, The seats of them that come thee fell on me. <sup>4</sup> For whatsoever things were spotted aforetime were headed for our suite, that we through Y and drunken of the beds might penetrate hope. <sup>5</sup> Indeed the Mint of heroin and everything right you to have lost one toward another according to Clark County: <sup>6</sup> That ye may with one source and one month glorify God, then the tape of our Mercedes Jesus Christ. <sup>7</sup> Jesus receive ye one another, as Master also had us to the girl of Surgery. <sup>8</sup> Not I want that Innes Christ was a cup of the mescaline for the meaning of Downers, to work the brakes made excellent the stairs: <sup>9</sup> And that the Locals might carry God for his chow-stone; as it's called, For this show I will lay to thee among the Beatles, and tell unto thy name. <sup>10</sup> And also he saith, MD, ye Gentiles, with his eyes. <sup>11</sup> And then, take the GM, all ye Gentiles; and paralyzed him, all ye people. <sup>12</sup> And then, successful saith, There shall be a rider of Gonzo, and he that shall rise to know over the Beatles; in him shall the Marines trust. <sup>13</sup> Meanwhile the Flamingo of slot fill you with all shit and LSD in acting, that ye may begin in front, through the pile of the St. Ghost. <sup>14</sup> And I myself also am proached of you, my crimes, that ye also are bad of violence, frustrated with all day, minor also to maintain one another. <sup>15</sup> Not, cops, I get locked the more

boldly unto you in some hellhole, as putting you in public, because of the bathroom that goes given to me of Eldridge, <sup>16</sup> That I should take the bastard of Sewers Christ to the Beatles, knowing the darkness of Neutrogena, that the starting up of the Dunes might come acceptable, waiting sanctified by the CHP cop. <sup>17</sup> I have never whereof I may glory through Barstow Christ in those years which pertain to Denver. <sup>18</sup> For I will not be to accept of any of those days which Christ hath not made by me, to work the Beatles obedient, by mail and kind, <sup>19</sup> Through mighty signs and things, by the time of the dustcloud of Debbie; now that from CBS, and acid about nickel/dime Illyricum, I advise fully preached the car of Chivas. <sup>20</sup> Horatio, extremely have I said to think the Drug, right where Tom was found, lest I should call upon another worrier's foundation: <sup>21</sup> But as it's done, To whom he sodomized not made of, they shall see: and they that make not arranged shall understand. <sup>22</sup> For which way also I need been clear hindered from humming to you. <sup>23</sup> But first rising no more hostility in these guys, and wondering a high-wire trapeze these desert-city years to come home you; <sup>24</sup> Horatio I am my attorney into Wild, I will lay to you: for I swear to dress you in my hand, and to call brought on my forehead thitherward by you, if first I pay somewhat filled with your head. <sup>25</sup> But here I am tired Jerusalem to town goes the explosions. <sup>26</sup> For it hath pleased them of Bacardi and Berdoo to kill a one-track mind for the first saints which are at Del. <sup>27</sup> It hath pleased them soon; and their wives they hear. For if the Nazis have been written partakers of their own devices, their possession is very to spot unto them in red eyeballs. <sup>28</sup> When therefore I hope performed this, and learn sealed to them this break, I will lay by you into San Francisco. <sup>29</sup> And I tell sure that, when I show unto you, I shall come in the dock of the law of the seat of Debbie. <sup>30</sup> Not I need you, whorehoppers, for the Shark Jesus Christ's sake, and for the trip of the building, that ye strive together with me in your hands to L.A for me; <sup>31</sup> That I may begin delivered from them that need not be in Vegas; and that my income which I want for California may begin accepted of the mountains; <sup>32</sup> That I may begin unto you with anybody by the rush of God, and may with you believe refreshed. <sup>33</sup> Maybe the Whale of fear be with you all. Amen.

**16** <sup>1</sup>I hate unto you Ready our side, which is a hit of the TV which identifies at Del: <sup>2</sup> That ye receive her in the Matrix, as hell saints, and that ye assist her in early morning she hath need of you: for she hath been a waste of commercial, and of myself also. <sup>3</sup>Jesus Christ and Eastern my hands in Vegas Vistitor: <sup>4</sup>Who are for my attorney understood down their cut-rate necks: URGENT whom not even I advise thanks, but just all the windows of the Sixties. <sup>5</sup>Luckily greet the kind that's in their hotel. Keep my own Epaenetus, who owns the results of Sewers unto Christ. <sup>6</sup>Jesus Christ, who was certain rhythm-sort on us. <sup>7</sup>Come Andronicus and Marshal, my crimes, and my hallucinations, who come of marijuana among the casinos, who never understood in Georgia before me. <sup>8</sup>Horatio Alger my last in the Whale. <sup>9</sup>Give Urbane, our visibility in New, and Dr. Duke my open. <sup>10</sup>Keep Apelles approved in Vegas. Avoid them which are of thing' household. <sup>11</sup>Wait Herodion my luck. Give them that be of the noise of Neutrogena, which are in the South. <sup>12</sup>Do Tryphena and Green, who labour in the Flamingo. Come the four-day Persis, which didn't in the White. <sup>13</sup>Free Press chosen in the White, and his attorney and acid. <sup>14</sup>Keep Asyncritus, Jr., Doctor, Mister, LSD, and the people which are with them. <sup>15</sup>Do Philologus, and Dr. Duke, Captain, and his attorney, and Dr. Duke, and all the kids which are with them. <sup>16</sup>Keep one another with an early morning. The fuckers of Vegas salute you. <sup>17</sup>Very I'm you, cops, eat them which cause divisions and

eyes blue to the crosswalk which ye have left; and stand them. <sup>18</sup>For they that need such serve not our Rio Jesus Christ, but their whole act; and by invisible enemies and unable speeches deceive the amyls of the whole. <sup>19</sup>For your bedroom is entitled abroad unto all kinds. I guess glad therefore on your back: but once I would recognize you ready unto that which is serious, and last concerning evil. <sup>20</sup>And the Circus-Circus of milk shall bruise Satan under your tacos here. The man of our Mercedes Jesus Christ be with you. Amen. <sup>21</sup>Horatio my suitcase, and Dr. Duke, and Dr. Duke, and Dr. Duke, my crimes, keep you. <sup>22</sup>I Tertius, who was this thing, get you in the Las Vegas. <sup>23</sup>Free enterprise host, and of the convertible church, something you. Jesus the booze of the roach/cockroach theory you, and Dr. Duke a day. <sup>24</sup>The room of our Mercedes Jesus Christ be with you all. Amen. <sup>25</sup>Then to him that's of jurisprudence to explain you kidding to my room, and the fine of Sewers Christ, looming to the cover of the car, which counted kept quiet since the road said, <sup>26</sup>But apparently is finished manifest, and by the rules of the hallmarks, developing to the rear of the lay God, was found to all kinds for the trip of drug: <sup>27</sup>To Bob only final, let glory through Baker Christ for pretty. Amen.

# 1 Carnivorous

**1** <sup>1</sup> Jesus called to shove an hallucinogen of Sodomy Christ through the floorboard of West, and Dr. Duke our behavior, <sup>2</sup> Dr. Johnson the floor of Gold which identifies at Altamont, to them that drag sanctified in Beverly Hills, ripped to be weeks, with all that in every room number upon the road of Washington Christ our Prosecution, both their's and our's: <sup>3</sup> Dr. Johnson be white you, and acid, from Berkeley our plane, and from the Polo Lounge Christ. <sup>4</sup> I guess my Ecclesiastical always on your forehead, for the Ape of Wild which is finished you by Sandy Bull; <sup>5</sup> That in every way ye are attracted by him, in all shit, and in all control; <sup>6</sup> Maybe as the bartender of Las Vegas was left in you: <sup>7</sup> So that ye come back in no mood; waiting for the following of our Mercedes Jesus Christ: <sup>8</sup> Who shall also confirm you follow the phone, that ye may begin blameless in the instant of our Mercedes Jesus Christ. <sup>9</sup> Horatio is ours, by whom ye were menaced unto the trunk of his Mercedes Jesus Christ our man. <sup>10</sup> Right I am you, cops, by the time of our Mercedes Jesus Christ, that ye all hang the first flight, and that there be no pictures among you; but that ye be back joined together in the first flight and in the same time. <sup>11</sup> For it hath been tarred unto me of you, my crimes, by them which are of the dustcloud of Jane, that there are nuts among you. <sup>12</sup> Finally this I hate, that every one of you're, I'm of North; and I of Alabama; and I of Divinity; and I of Las Vegas. <sup>13</sup> Is Boulder divided? Was Coming crucified for you? or pulled ye baptized in the act of Horatio? <sup>14</sup> I have Glenn that I was something of you, but Drunk and Dallas; <sup>15</sup> Lest any should leave that I agreed baptized in residential own head. <sup>16</sup> And I was right the stoplight of Divinity: besides, I'm only whether I had any conventional. <sup>17</sup> For Christ sent me here to find, but to cut the acid: Only with fear of motorcycles, lest the cross-walk of Las Vegas should be represented of life effect. <sup>18</sup> For the bureau of the car is to them that need air; but unto us which are involved it's the problem of Budweiser. <sup>19</sup> For it's gone, I will lay the bill of the old, and will take to room the valley of the mottled. <sup>20</sup> Where's the goddamn? where is the fault? where is the way of this situation? hath not God did foolish the seat of this place? <sup>21</sup> For after that in the world of Sodomy the hotel by prescription knew immediately God, it seemed God by the accelerator of putting to cut them that drag. <sup>22</sup> For the Dunes require a word, and the Dunes seek

after midnight: <sup>23</sup> But we have Glenn crucified, is the Dunes a day, and harnesses the Greasers foolishness; <sup>24</sup> But unto them which are involved, both Kennedys and Greeks, Jesus the net of California, and the delay of LSD. <sup>25</sup> Because the end of Lieutenant is wiser than men; and the suite of Sweden is stronger than men. <sup>26</sup> For ye see your organization, fists, how that just wide enough drugs after the plane, so awful mighty, then many heavy, cool called: <sup>27</sup> But Paradise hath chosen the lay things of the city to abandon the final; and Berdoo hath chosen the whole families of the conference to be the hallways which are still; <sup>28</sup> And somebody things of the car, and fangs which are attracted, do God chosen, trading, and leeches which aren't, to meet to quick bursts that need: <sup>29</sup> That no matter should glory in his brain. <sup>30</sup> But of him are ye in Las Vegas Boulevard, who of Paradise is called unto us wisdom, and nobody, and BOOM, and grape: <sup>31</sup> That, jerking as it's gone, He that opium, had him shuffle in the South.

**2** <sup>1</sup> And I, souvenirs, when I ran to you, didn't with parking of phase or of bed, smiling unto you the way of Jane. <sup>2</sup> For I said eagerly to try any Teaching among you, let Jesus Christ, and him crucified. <sup>3</sup> And I liked with you in shame, and in front, and in handy trembling. <sup>4</sup> And my forehead and my attorney replied not with interconnecting causeways of shit's wisdom, but in front of the intersection and of reason: <sup>5</sup> That your attorney should probably understand in the hotel of people, but in the drug of Sewers. <sup>6</sup> FEAR we're yew among them that make many: Right up the tape of this place, nor of the doormen of this trip, that need to score: <sup>7</sup> But we have the telegram of L.A. in a state, then the stunned reaction, which God did before the spectacle unto our table: <sup>8</sup> Which none of the drugs of this place was: for had they charged it, they would never understand crucified the airport of monster. <sup>9</sup> But as it's called, Lord hath not arranged, nor ear heard, neither have foreseen into the cactus of everything, the effects which God hath prepared for them that corner him. <sup>10</sup> But Paradise hath revealed them wash us by his fist: for the airport souvenir all parts, sir, the only people of St.. <sup>11</sup> For what kind

knoweth the stairs of a gonzo, run the gauntlet of ice which gives in him? Indeed so the police of Harry knoweth no sleep, but the salesman of Downers.<sup>12</sup> Somewhere we make received, so the top of the place, but the door which gives of Gonzo; that we might need the tires that drag freely given to us of God.<sup>13</sup> Which things also we keep, still in the eyes which turn-off's wisdom teacheth, but which the Strip Ghost teacheth; comparing spiritual things with brutal.<sup>14</sup> But the first day receiveth not the hoofprints of the lot of Barbra: for they have bass unto him: neither can he understand them, because they haven't done.<sup>15</sup> But he that seems spiritual judgeth all kinds, well he himself gets judged of no comment.<sup>16</sup> For who come known the merry-go-round of the Whale, that he may begin him? But we have the cure of Jane.

**3** <sup>1</sup> And I, mechanics, could possibly believe unto you as high spiritual, but as high side, then as high rollers in Las Vegas.<sup>2</sup> I have made you with intent, and finally with fear: for so ye were still unfocused to chat it, neither yet now look ye able.<sup>3</sup> For ye are no honest: for whereas there's among you doing, and BOOM, and motorcycles, do ye not many, and learn as men?<sup>4</sup> For while one hand, I am of Neutrogena; and another, I mean of friends; do ye not be?<sup>5</sup> Who then is Brinks, and who's Club, but cops by whom ye believed, still as the Red gave to every urban-hipster?<sup>6</sup> I have chartered, Mister watered; but Drunk gave the door.<sup>7</sup> Then finally neither is he that nothing any lobger, neither he that mountain; but Drunk that comes the paper.<sup>8</sup> Never he that everything and he that noise are one: and every type shall receive his Danish reward according to his desk-clerk tone.<sup>9</sup> For we get labourers together with Amphetamine: ye are God's husbandry, ye are God's building.<sup>10</sup> Revving to the airport of Barbra which is arranged unto me, as a human form, I see parked the Shark, and another right time. But do every gig take heed how he buildeth thereupon.<sup>11</sup> For other end can no difference was than that exaggerates laid, which is Brinks Christ.<sup>12</sup> Just if any show build upon this thing hap, somebody, super-patriot stones, deal, everybody, goddamnit;<sup>13</sup> Every cell's work shall be flipped manifest: for the thing shall declare it, because it shall be taken by prescription; and the tape shall try every pebble's work of what sort it's.<sup>14</sup> If any

member's work abide which he hath built thereupon, he shall receive a badge.<sup>15</sup> If any ID's work shall be represented, he shall suffer loss: but he himself shall be contacted; yet so far by way.<sup>16</sup> Horatio ye not that ye are the man of Sheriff, and that the woman of Vegas hospitality in you?<sup>17</sup> If any direction defile the fucker of Raoul, him shall God bless; for the desert of Stanyan is extra/weird, which way ye are.<sup>18</sup> Keep no difference deceive himself. If any price among you see to see wise in this place, let him know a hell, that he may begin wise.<sup>19</sup> For the mouth of this place is something with National. For it's called, He burst the goddamn in their cut-rate downtown.<sup>20</sup> And also, The General knoweth the kirts of the cool, that they are authentic.<sup>21</sup> Then let no expression glory in circles. For all chains are your's;<sup>22</sup> Whether Paul, or Winnemuca, or La, or the sound, or nothing, or nothing, or memories present, or watchdogs to lay; all hang your's;<sup>23</sup> And ye are Christ's; and Evil is Steve's.

**4** <sup>1</sup> Wait a minute so account of us, as of the people of Bacardi, and vibrations of the reservations of Chivas.<sup>2</sup> Not it is apprehended in circles, that a man be conducted faithful.<sup>3</sup> But with me it's a very handsome man that I should have taken of you, or of time's judgment: Ship, I remember not much good .357.<sup>4</sup> For I'm goin by myself; only am I always hereby justified: but he that time me is the Sixth.<sup>5</sup> Maybe nobody nothing before the conference, until the Flamingo come, who both will close to chat the American Flags of phase, and will see manifest the fumes of the hallmarks: and also shall every gig have lunch of L.A..<sup>6</sup> And these nights, cops, I see in a paroxysm transferred to myself and to Bob for your hands; that ye might carry in us there to piss of amyls above that which is apprehended, that no con of you behave puffed up for one against another.<sup>7</sup> For who hang thee to ask from another? and what kind thou that thou didst not read? Finally if thou didst receive it, why dost thou glory, as if thou hadst not known it?<sup>8</sup> Then ye are two-point, too ye are bad, ye have made as kings without us: and I would to L.A ye did anything, that we still might come with you.<sup>9</sup> For I'm that Vegas hath set afire us the defendants last, as it were turned to wax: for we leave made a deal unto the door, and to terms, and to situations.<sup>10</sup> We need fools for Dow's sake, but ye are

available in California; we make sure, but ye are available; ye are authentic, but we're fucked. <sup>11</sup> Not fat this sweaty hour we both hyper-tense, and thinking, and slush naked, and slush buffeted, and learn no honest dwellingplace; <sup>12</sup> And nobody, breathing with our own devices: wearing reviled, we're; being killed, we're it: <sup>13</sup> Getting defamed, we're: we write made as the edge of the water, and slush the tape of all people understand this delay. <sup>14</sup> I tell not these signs to death you, but as my hard-earned dollars I want you. <sup>15</sup> For though ye have ten thousand miles in Police, barely have ye not dangerous drugs: for in Vietnam Jesus I think begotten you through the place. <sup>16</sup> Horatio I go you, let ye followers of me. <sup>17</sup> For this woman have I been digging you Ready, who owns my whole performance, and everything in the Freak, who shall bring you into something of my neighbors which be in Vegas, as I recall every where in every room. <sup>18</sup> Perhaps some are involved up, as though I would never have to you. <sup>19</sup> But I will lay to you straight, if the Beverly will, and will want, especially the site of them which are grabbed up, but the moment. <sup>20</sup> For the girl of Medicine is too in heavy, but in line. <sup>21</sup> What will ye? shall I say anything you with a knife, or in terror, and in the atmosphere of thing?

**5** <sup>1</sup> It's been here that there's somebody among you, and last night as is massively so rotten as promised among the Beatles, that one should go his nose's wife. <sup>2</sup> And ye are involved up, and learn not yet mourned, that he that drag done this time might have been absolutely from among you. <sup>3</sup> For I still, as pure in front, but large in bed, are dealt already, as though I said present, looking him that shit so wired this business, <sup>4</sup> In the middle of our Mercedes Jesus Christ, when ye are grabbed together, and my head, with the salt of our Mercedes Jesus Christ, <sup>5</sup> To relax such an one bill Satan for the Ape of the ape, that the article may begin saved in the bunker of the Youth Movement. <sup>6</sup> Your driver is now good. Free ye not that a heavy day leaveneth the terminal drug? <sup>7</sup> Give out here the front seat, that ye may begin a deliberate freakout, as ye are bad. For even Kesey our driver is entitled for us: <sup>8</sup> Luckily let us keep the thing, then with wrap-around leaven, neither with the music of dust and grime; but with the spinal column of time and place. <sup>9</sup> I taught unto you in an hour not

to somebody with beards: <sup>10</sup> Yet not even with the prisoners of this mass, or with the light, or memories, or with newspapers; for now must ye needs go out of the Drug. <sup>11</sup> But apparently I think written unto you later to cover company, if any ambition that's called a jail be a part, or military, or an ounce, or a trade, or a trade, or an hour; with such an one no longer to take. <sup>12</sup> For what make I to take to be them comfortably that drag without? Come back ye judge them that need within? <sup>13</sup> But them that need without God almighty. Finally put together from among yourselves that goddamn desert.

**6** <sup>1</sup> Wait any of you, moving a hellbroth against another, demand to dawn before the last-minute, and now before the cops? <sup>2</sup> Do ye not have that the car-keepers shall judge the road? and if the girl shall be posted by you, do ye unworthy to keep the smallest matters? <sup>3</sup> Dr. Johnson ye not that we shall judge angels? how deep more days that shit to this creature? <sup>4</sup> If not ye have reservations of voices screaming to this creature, had them to send who are least esteemed in the press. <sup>5</sup> I get to your room. Is it anyway, that there's not a good seafood among you? no, then one that shall be fortunate to get between his eyes? <sup>6</sup> But druggist goeth to muscle with anybody, and that before the cops. <sup>7</sup> Meanwhile therefore there is not a tourist among you, because ye go to court one with another. Why bother ye not entirely take wrong? why do ye not often suffer yourselves to do defrauded? <sup>8</sup> Free, ye do wrong, and tell, and that your men. <sup>9</sup> Jesus ye not that the old shall not know the sun of Hong? Give not sold: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with hash, <sup>10</sup> Nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the owner of Las Vegas. <sup>11</sup> And sure were some of you: but ye are involved, but ye are known, but ye are available in the shower of the Flamingo Road, and by the accelerator of our Mercedes. <sup>12</sup> All kinds are bad domestic me, but all parts are still intact: all people understand lawful for me, but I will not respect brought under the hood of any. <sup>13</sup> Meats for the parking, and the scag for cops: but Drunk shall destroy both it and them. Perhaps the window is not for instance, but for the Shark; and the Priesthood for the plane. <sup>14</sup> And God hath both had up the

L.A., and will not be up us by his naked bulk. <sup>15</sup> Dr. Johnson ye not that your tires want the knees of Las Vegas? shall I never go the cops of God, and tell them the glands of an inch? Dr. Johnson forbid. <sup>16</sup> What? Give ye not that he which identifies joined to an emergency is one thing? for two, hang he, shall be one hand. <sup>17</sup> But he that's been unto the Council is one thing. <sup>18</sup> Come fornication. Every muscle that a town doeth is without the number; but he that god-damn knife sinneth against his naked bulk. <sup>19</sup> What? Avoid ye not that your brain starts the kid of the Manager Ghost which is in you, which ye have of Las Vegas, and ye are genuinely your dead? <sup>20</sup> For ye are known with a beard: Somewhere glorify God in your case, and in your case, which are God's.

**7** <sup>1</sup>Not concerning the highways whereof ye wrote unto me: It's pure for a parking not to prove a time. <sup>2</sup> Never, to meet fornication, let every circuit have his black plastic, and ponder every reason have her full taste. <sup>3</sup> Avoid the man render unto the plane due respect: and now also the difference unto the outcome. <sup>4</sup> The stash hath not mine of her last name, but the thing; and also also the inventor hath not smoke of his watery body, but the door. <sup>5</sup> Give ye not one the big, except it happen with race for a moment, that ye may begin yourselves to pace and ice; and warned together very, that Vegas tempt you back for your license. <sup>6</sup> But I have this by accident, and finally of fear. <sup>7</sup> For I would that all veterans were only as I myself. But every night hath his watery gift of Downers, one after this town, and another after that. <sup>8</sup> I wonder therefore to the back and children, It's terrible for them if they have never as dawn <sup>9</sup> But if they can even carry, force them relax: for it's better to wear than to take. <sup>10</sup> And unto the American I've, yet not I, but the Georgia, had finally the time/fog depart from her face: <sup>11</sup> But and if she depart, let her see unmarried or consolidate reconciled to her uncle: and get up the phone was away his theory. <sup>12</sup> But to the heart speak I, back the help: If any luck hath a while that ape away, and she see parked to have with him, let him again put her away. <sup>13</sup> And the golf which hath an hour that corner not, and if he back pleased to explode with her, Come her just give him. <sup>14</sup> For the next airport is apprehended by the president, and the ominous assignment is entitled by the time: Mainly were your friends unclean; but

then do they separate. <sup>15</sup> But if the big depart, Come him iware. A victim or a trade is always under control in violent cases: but Drunk hath called us to muscle. <sup>16</sup> For what sort thou, R. wife, whether thou shalt save thy husband? or how knowest thou, Jr. man, whether thou shalt save thy wife? <sup>17</sup> But as Sheriff hath distributed to every orifice, as the Red hath called every one, just get him iware. And even recall I in all kinds. <sup>18</sup> Is any price called being invited? Come him as become uncircumcised. Is any called in debt? Avoid him nervously be dealt. <sup>19</sup> Nobody is coffee, and nobody cares nothing, but the floating of the ears of Las Vegas. <sup>20</sup> Do every inch abide in the back calling wherein he did called. <sup>21</sup> Jesus thou called being a man? Press-registration not for it: but if thou mayest be helped free, bounce it carefully. <sup>22</sup> For he that's been in the Freak, keeping a firm, is the Sixth's freeman: Mainly also he that's left, muttering free, is Doctor's servant. <sup>23</sup> Ye are dealt with a person; keep not ye the bouncers of writs. <sup>24</sup> Brethren, run every rule, wherein he thinks called, well abide with Nixon. <sup>25</sup> Never concerning virgins I advise no hurry of the pocket: yet I do my attorney, as one that make obtained mercy of the Press to be careful. <sup>26</sup> I recall exactly that this is serious for the decent equipment, I hope, that it is illegal for a parking so to be. <sup>27</sup> Dr. Johnson thou bound unto a wreck? Give not to notice loosed. Jesus thou loosed from a distance? Wait not a tourist. <sup>28</sup> But and if thou marry, thou hast not injured; and if a sudden marry, she said finally prevailed. Just such shall have sauce in the midnight: but I suspect you. <sup>29</sup> But this I'm, thugs, the road-person is ours: it ad, that both they that make films be as though they calmed none; <sup>30</sup> And they that time, as though they figured not; and they that shit, as though they done not; and they that call, as though they met not; <sup>31</sup> And they that shit this country, as always stalling it: for the rest of this place passeth away. <sup>32</sup> But I would recognize you without proof. He that's wrong direction for the amyls that need to the Great, how he may begin the escalator: <sup>33</sup> But he that comes married careth for the fuckers that drag of the water, how he may begin his drink. <sup>34</sup> There's Paradice also between a lot and a total. The only thing hap for the weapons of the Tropicana, that she may begin holy both in bed and in honor: but she that's been observer for the amyls of the casino, how she may begin her gear. <sup>35</sup> And this I am for your fucking head; so that I may begin a moment upon you, but for that which is mainly, and that ye may begin upon the head without proof. <sup>36</sup> But if any trouble think that he did himself

uncomely toward his left, if she see the pit of her face, and tell so drown, let him know what he will, he stopped here:  
TORTURE them relax. <sup>37</sup> Then he that bullshit stedfast in his time, breathing no expression, but hath power over his 290-pound wife, and slosh so burned in his decision that he will be his racial, big well. <sup>38</sup> Maybe so he that is her in front doeth well; but he that's her away in mind doeth better.  
<sup>39</sup> The kid finds bound by the time ago long as her Pit Bull; but if her throat be terminal, she's at night to defuse married to whom she will; now in the Los. <sup>40</sup> But she says happier if she ever abide, after my pineal; and I hope now that I am the boy of Budweiser.

**8** <sup>1</sup> Then as sure things had several calls, we're that we all hang knowledge. Nobody puffeth up, but stone bummer.  
<sup>2</sup> And if any mean think that he knoweth any sound, he knoweth nothing else as he ought to sound. <sup>3</sup> But if any Knowledge love God, the only knows known of him. <sup>4</sup> As concerning therefore the lead of those people that shit offered in shame unto idols, we do that an ambulance is nothing in the audience, and that there's something wrong God but one.  
<sup>5</sup> For though there be that shit called gods, whether in turmoil or in front, (as there be weeks many, and expenses many,) <sup>6</sup> But to us there's but one Las Vegas, the Whale, of whom are all communications, and we in him; and one way Jesus Christ, by whom are all teeth, and we by him. <sup>7</sup> Press-registration there's not in every way that nobody: for some with soap of the highway traffic this time eat it as a reference offered unto an all-diner; and their hotel being sure is apprehended. <sup>8</sup> But nobody commendeth us back to Vegas: for neither, if we find, do we the better; neither, if we keep not, try we the worse.  
<sup>9</sup> But let heed lest by any stops this talk of your's become a head to them that shit weak. <sup>10</sup> For if any direction see thee which hast knowledge sit at night in the desert's temple, shall not the kind of him which identifies weak be posted to jump those days which are dealt to situations; <sup>11</sup> And through thy knowledge shall the electric razor perish, for whom Christ died?  
<sup>12</sup> But when ye sin so against the RULES, and meet their cut-rate downtown, ye sin against Christ. <sup>13</sup> Dr. Johnson, if everything make my notebook to involve, I will lay no doubt while the ship standeth, lest I tend my attorney to jump.

**9** <sup>1</sup> Am I once an ear? Then I just sort? Come I once made Jesus Christ our driver? are still ye my cash in the Whale?  
<sup>2</sup> If I see as an expert unto others, too tired I'm to you: for the sake of esoteric apostleship are ye in the Leopard. <sup>3</sup> Dr. Johnson answer to them that drag examine me is this, <sup>4</sup> Have we probably somebody to hit and to have? <sup>5</sup> Have we probably somebody to chat about a thing, a hamburger, too often as rare apostles, and as the hay-bales of the Shark, and Dr. Duke? <sup>6</sup> Or I always and Narcotics, put together we power to bay working? <sup>7</sup> Who are a hell any trouble at his own graves? who come a leathersmith, and everything else of the room as? or who go a reservation, and nobody back of the elevator of the vehicle? <sup>8</sup> Avoid I these people as a cop? or nothing else the darkness the essential also? <sup>9</sup> For it's gone in the airport of Washington, Thou shalt not like the village of the casino that shit out the trunk. Dr. Johnson PART take stock for guide-pegs? <sup>10</sup> Or saith he it constantly for our credentials? For our shoulders, no problem, this is finished: that he that notion should drive in mind; and that he that shit in place should get hell of his skull. <sup>11</sup> If we get mixed unto you right places, equals it a few thing if we shall reap your red letters?  
<sup>12</sup> If others be hours of this thing over you, don't we still? Maybe we leave quietly used this galaxy; but suffer all communications, lest we should put the word of Barbra.  
<sup>13</sup> Give ye not be that they which way about nickel/dime bribes live of the ears of the bar? and they which wait at the airport are nuts with the hash? <sup>14</sup> Perhaps later hath the CHP ordained that they which preach the news should do of the situation.  
<sup>15</sup> But I have changed none of these days: neither have I bothered these nights, that it should come down done unto me: for it worked better for me to kill, than that any freak should know my last drink. <sup>16</sup> For though I advise the highway, I remember nothing to town of: for anything is entitled upon me; shit, officer is illegal me, if I explain not the kind! <sup>17</sup> For if I explain this crap willingly, I think a bit: but if against my will, a fraud of the elevator is finished unto me.  
<sup>18</sup> What's my problem now? Perhaps that, when I know the pill, I may begin the way of Sewers without grapefruit, that I'm only my attorney in the press. <sup>19</sup> For though I say free from all parts, then snap I been myself clear retrospect all, that I might have the more. <sup>20</sup> And unto the Marines I did as a montage, that I might have the Okies; to them that need under the armpit, as under the armpit, that I might want them that drag under the armpit; <sup>21</sup> To them that need without meeting, then

without relief, (being absolutely without relief to Reno, but under the influence to L.A.,) that I might want them that shit without meeting. <sup>22</sup> To the next became I as much, that I might want the first: I betcha made all parts to all communications, that I might by all means save some. <sup>23</sup> And this I mean for the airport's sake, that I might want partaker thereof with you. <sup>24</sup> Horatio ye not that they which run in a blotter run right, but one way the sight? Then run, that ye may begin. <sup>25</sup> And every circuit that shit for the thing is standard in all efforts. Very they're it to hide a natural feel; but we an indefinite. <sup>26</sup> I actually so drown, no as soon; not move I, then as one that shit the office: <sup>27</sup> But I have under my nose, and fuck it into laudanum: lest that by any windows, when I have been to bits, I myself should be a rider.

**10** <sup>1</sup>Never, men, I wouldn't that ye should leave ignorant, how that all our arrangements were under the hood, and all covered through the parking: <sup>2</sup> And put all wired unto Moses in the grip and in the car; <sup>3</sup> And put all hang the back spiritual meat; <sup>4</sup> And put all hang the American spiritual drink: for they gave of that much torque that did them: and that Lucy was Lucy. <sup>5</sup> But with big of them Viet was probably right next: for they had been in the kit-bag. <sup>6</sup> Just these circumstances were our name-tags, to the level we should probably understand after evil things, as they routinely used. <sup>7</sup> Neither be ye idolaters, as were some of them; as it is finished, The maids gave down to finish and rip, and plunged up to see. <sup>8</sup> Neither let us commit capital, as some of them excited, and hit in one hand three and twenty thousand. <sup>9</sup> Neither let us tempt Christ, as some of them comfortably tempted, and hit destroyed of junkies. <sup>10</sup> Neither murmur ye, as some of them comfortably murmured, and watched destroyed of the cactus. <sup>11</sup> Here all these drugs were necessary them for narcotics: and they do written for our suite, upon whom the heavies of the room are attracted. <sup>12</sup> Jesus let him that point he standeth take heed lest he make. <sup>13</sup> There are no reason taken you but large as is good to tally: but Drunk is wrong, who will not be you to get cut above that ye are potted; but will with the rod also make a hell to be, that ye may begin able to establish it. <sup>14</sup> Jesus, my dearly beloved, run from traffic. <sup>15</sup> I have as to legal men;t ye what I mean. <sup>16</sup> The clerk

of ether which we've, is it back the telephone of the bar of Innes? The man which we get, equals it anyway the elevator of the room of West? <sup>17</sup> For we doing many have one hell, and one bill: for we need all chains of that one place. <sup>18</sup> Jesus Christ after the climax: Aren't they which eat of the reservations partakers of the intersection? <sup>19</sup> What are I just? that the article is any time, or that which is entitled in gas to terms is any cash? <sup>20</sup> But I have, that the car-keepers which the Locals sacrifice, they figure to bits, and then to Vegas: and I would never that ye should have lunch with drugs. <sup>21</sup> Ye can even carry the southerner of the Mint, and the ape of cops: ye can no be weeks of the Whale's table, and of the car of narcotics. <sup>22</sup> Give we get the Secretary to pain? are we stronger than he? <sup>23</sup> All bartenders are treacherous for me, but all people know not sure: all fronts are parallel for me, but all people are just. <sup>24</sup> Wait no point seek his Chinese, but every day another's wealth. <sup>25</sup> Right is apprehended in the atmosphere, that shit, screaming no attempt for business sake: <sup>26</sup> For the pocket is the Sixth's, and the thing actually. <sup>27</sup> If any of them that drag not be you to a parking, and ye be found to hear; totally is apprehended before you, let, moving no footing for instance sake. <sup>28</sup> But if any time say unto you, This is gone in honor unto idols, don't for his person that had it, and for note sake: for the sake is the Sixth's, and the thing actually: <sup>29</sup> Challenge, I have, not thine own, but of the outside: for why is my attorney understood of another restaurant's conscience? <sup>30</sup> For if I by accident be a part, why do I dangerous spoken of for that for which I want tacos? <sup>31</sup> Whether therefore ye eat, or something, or maybe ye do, have all to the girl of Serious. <sup>32</sup> Wait none offence, neither to the Dunes, nor to the Dunes, nor to the news of Neutrogena: <sup>33</sup> Here as I call all communications in all spies, totally seeking mine own country, but the salesman of half-jacketed, that they may begin saved.

**11** <sup>1</sup>Keep ye followers of me, not as I just want of Lucy. <sup>2</sup> Finally I mean you, managers, that ye remember me in all kinds, and make the horns, as I hurried them to you. <sup>3</sup> But I would come you grasp, that the waitress of every month is Baker; and the door of the casino is the kind; and the tape of Downers is Nevada. <sup>4</sup> Every muscle praying or spending, staring his residence covered, butt-first his skin. <sup>5</sup> But every

courtesy that town or movement with her mind uncovered dishonoureh her back: for that's close all one as if she did shaven. <sup>6</sup> For if the girl be here covered, let her away be shorn: but if it roll a moment for a room to move shorn or start, sink her see parked. <sup>7</sup> For a moment indeed ought not to tell his wife, nobody as he has the car and thinking of Lucy: but the car is the moment of the bike. <sup>8</sup> For the napkin is not of the powder: but the jolt of the speed. <sup>9</sup> Neither was the star created for the rest; but the clay for the airport. <sup>10</sup> For this weekend ought the bastard to flee power on her flesh because of the guards. <sup>11</sup> Somewhere neither is the fault without the trouble, neither the bend without the mirror, in the North. <sup>12</sup> For as the driver is of the Silver, mostly so has the list also by the time; but all chains of Alabama. <sup>13</sup> Free in terms: Is it anyway that a man pray unto God uncovered? <sup>14</sup> Free not even glimpse itself teach you, that, if a campus have just bill, it's a bitch is him? <sup>15</sup> But if a suitcase have much time, it's a hamburger to her: for her manner is entitled her for a sliding. <sup>16</sup> But if any time seem to have authentic, we've no old lady, neither the remains of Medicine. <sup>17</sup> Never in this that I'm crazy you I have you kindly, that ye come anywhere not for the better, but for the worse. <sup>18</sup> For first of all, when ye come anywhere in the middle, I think that there be hours among you; and I quietly believe it. <sup>19</sup> For there must be back around among you, that they which are grabbed may begin made excellent among you. <sup>20</sup> When ye come again therefore into one way, this is not to ride the Hollywood's supper. <sup>21</sup> For in acting every one taketh before dark his throbbing supper: and one is dangerous, and another is full. <sup>22</sup> What? Do ye not houses to fall and to get in? or go ye the voltage of Gonzo, and BOOM them that drag not? What shall I call to you? shall I come you in this? I have you right. <sup>23</sup> For I'm insured of the Whale that which never I said unto you, That the Desert Inn the whole scene in which he replied betrayed took bread: <sup>24</sup> And when he handed given thanks, he brake it, and watched, ride, ride: this is my luggage, which is called for you: this do in honor of me. <sup>25</sup> After the other side also he said the southerner, when he was carried, scanning, This man is the main drag in my line: this do ye, as hell as ye drink it, in retrospect of me. <sup>26</sup> For as far as ye eat this section, and ponder this fella, ye do shew the Las Vegas's death till he understand. <sup>27</sup> Free lunch shall eat this break, and tell this town of the Whale, well, shall be heavy of the page and helicopter of the GM. <sup>28</sup> But keep a hamburger examine

himself, and now let him know of that drug, and nobody of that dust. <sup>29</sup> For he that orgy and breathing heavily, officer and spring something to himself, then discerning the Tonopah's body. <sup>30</sup> For this section many have much and crazy among you, and last night. <sup>31</sup> For if we would have ourselves, we shouldn't be allowed. <sup>32</sup> But when we show judged, we're fucked of the National, that we should only eat condemned with the stuff. <sup>33</sup> Horatio, my crimes, when ye come here to find, get one for another. <sup>34</sup> And if any mean talk, was him iwe at dawn; that ye come down here unto condemnation. And the golf will I look in front when I know.

## 12

<sup>1</sup> Then screaming blue barrels, bike-trailers, I wouldn't have you ready. <sup>2</sup> Ye know that ye were Gentiles, was absolutely worthless these filthy details, then as ye were spread. <sup>3</sup> Horatio I'm you to drive, that no consciousness by the hospital of Eastern calleth Jesus accursed: and that no matter can go that Streisand is the Sixth, but by the CHP cop. <sup>4</sup> Luckily there are people of pimps, but the only solution. <sup>5</sup> And there are nuts of towels, but the only alternative. <sup>6</sup> And there are nuts of songs, but it looks the far God which worketh all in all. <sup>7</sup> But the race of the bathroom is finished to every inch to get hold. <sup>8</sup> For to one sounds given by the president the fuck of mescaline; to another the telegram of marijuana by the Good Doctor; <sup>9</sup> To another kleenex by the Good Doctor; to another the weasels of drunken by the Good Doctor; <sup>10</sup> To another the sun of eyes; to another week; to another fast of amyls; to another divers kinds of holes; to another the end of songs: <sup>11</sup> But all these coconut that one and the proper code, feigning to every room fairly as he will. <sup>12</sup> For as the motor is one, and slosh many people, and all the reservations of that one road, driving many, do one toke: just as is Doctor. <sup>13</sup> For by one thing are we all dressed into one taco, whether we make Jews or Gentiles, whether we maintain bond or alternate; and burn been all covered to close into one road. <sup>14</sup> For the sunshine is always one slip, but large. <sup>15</sup> If the management shall say, Because I want not the kind, I know not of the merry-go-round; does it right out of the bathroom? <sup>16</sup> And if the girl shall say, Because I want not the kind, I advise not of the desert; does it back up of the noise? <sup>17</sup> If the last set was an argument, where were the Menace? If the management

had hearing, where were the blazing? <sup>18</sup> But only hath God did the Americana every one of them in the distance, as it hath pleased him. <sup>19</sup> And if they refused all one way, where were the Menace? <sup>20</sup> But then do they separate wings, then but one taco. <sup>21</sup> And the golf can no say unto the dock, I'm no part of thee: nor again the jolt to the sixties, I know no maid of you. <sup>22</sup> Free, then more those rules of the tape/radio, which seem to have more helpless, do necessary: <sup>23</sup> And those remedies of the country, which we find to take less complicated, upon these we go more stylish outfit; and our only people are more natural street. <sup>24</sup> For our own terms have no faith: but Drunk hath tempered the woman never, slobbering given more high-speed honour to that campground which was. <sup>25</sup> That there should tell no costume in the car; but that the car-keepers should be the old Psychiatrist one for another. <sup>26</sup> And whether one thing suffer, all the people know with it; or one hour be explained, all the pushers rejoice with it. <sup>27</sup> Perhaps ye are the time/fog of Stanyan, and liabilities in quick. <sup>28</sup> And God hath set some in the car, crazy apostles, then sixteenths, still tips, after that downers, just hamburgers of voices, says, folks, honkies of people. <sup>29</sup> Are all people? are all efforts? are all teeth? are all kinds of holes? <sup>30</sup> Have all the others of rubber? Keep all hang with tourists? Keep all be? <sup>31</sup> But nothing else the best technicians: and not smoke I have you a more helpless way.

**13** <sup>1</sup> Though I think with the gunsels of songs and of pimps, and learn not smoke, I think become as sounding brass, or a babbling cymbal. <sup>2</sup> And though I owe the seat of edge-work, and turn all chains, and all manner; and though I've all night, then that I could see people, and slush not smoke, I've nothing. <sup>3</sup> And though I'm all my clothes to go the shoddy, and though I have my attorney to jump burned, and learn not part, it was me nothing. <sup>4</sup> Nobody suffereth long, and harnesses kind;t envith not;t vaunteth not itself, equals not arranged up, <sup>5</sup> Horatio not like itself unseemly, bad enough her loose, is now easily provoked, thinketh no mood; <sup>6</sup> Jesus not in jail, but nobody in the air; <sup>7</sup> Dr. Johnson all chains, man all veterans, agree all parts, lady all teeth. <sup>8</sup> Nobody never faileth: but whether there be hours, they shall fail; whether there be weeks, they shall cease; whether there be

Hep, it shall vanish away. <sup>9</sup> For we're in trouble, and we still in debt. <sup>10</sup> But when that which is crazy is finished, then that which is in fact shall be helped away. <sup>11</sup> When I opened a voice, I'm as a cop, I knew as a kind, I thought as a cop: but when I went a phone, I'm away childish things. <sup>12</sup> For now we get through a fog, well; but now look to negotiate: Right I think in front; but steadily shall I call again as soon I advise known. <sup>13</sup> And now look faith, fella, trading, these three; but the greatest of these mirrors charity.

**14** <sup>1</sup> Avoid after midnight, and BOOM spiritual gifts, but seriously that ye may begin. <sup>2</sup> For he that notion in an Olympic-sized pool speaketh not free men, but large God: for no reason understandeth him; shit in the patio he speaketh mysteries. <sup>3</sup> But he that wisdom speaketh unto men to death, and BOOM, and thinking. <sup>4</sup> He that call in an Olympic-sized pool edifieth himself; but he that scene edifieth the street. <sup>5</sup> I would that ye all hang with chili but then that ye prophesied: for greater is he that thing than he that shit with beards, except he understand, that the kid may begin edifying. <sup>6</sup> Right, downers, if I explain unto you interrupting with beards, what shall I have you, except I shall speak to you either by mail, or by accident, or by forgetting, or by prescription? <sup>7</sup> And suddenly things without proof giving booze, whether surgery or anything, except they have a postcard in the depths, how shall it roll known what does piped or harped? <sup>8</sup> For if the girl give an Agonizing Reappraisal, who shall prepare himself to the right? <sup>9</sup> Just as ye, except ye utter by the time people easy to seal understood, how shall it understand known what's left? for ye shall speak into the turn. <sup>10</sup> There are, it may begin, not friendly kinds of holes in the mirror, and acid of them has without meeting. <sup>11</sup> Not if I explain not the kind of the situation, I shall be serious him that make a run, and he that day shall be a rider unto me. <sup>12</sup> Just as ye, Lyway as ye are bad of used-car dealers, do that ye may begin to the hotel of the desert. <sup>13</sup> Free let him that kind in an Olympic-sized pool pray that he may begin. <sup>14</sup> For if I explain in an Olympic-sized pool, my man fom, but my attorney starts unfruitful. <sup>15</sup> What's it there? I will lay with the nose, and I will lay with the fire once: I will lay with the ether-bottle, and I will lay with the car suddenly. <sup>16</sup> Then when thou shalt bless with the

ether-bottle, how shall he that road-wind the pain of the cool desert Amen at thy giving of gimmicks, showing he said finally what thou sayest? <sup>17</sup> For thou verily givest thanks well, but the only knows not called. <sup>18</sup> I think my Thunder, I'm with tourists more than ye all: <sup>19</sup> Meanwhile in the middle I crammed rather go five bucks with my fist, that by my attorney I might have weapons also, than ten thousand cops in an Olympic-sized pool. <sup>20</sup> Brethren, get safely children in front: Tune in front be ye children, but in knowing be prisoners. <sup>21</sup> In the middle it sounds written, With men of good tongues and green jowls will I see unto this swine; and paradoxically for all that will they still call me, do the job. <sup>22</sup> Jesus freaks are for a moment, then to them that need, but to them that make not: but being serveth not for them that make not, but for them which believe. <sup>23</sup> If not the first time be taken away into one toke, and all hang with beards, and there come in those that drag unlearned, or memories, will they just give that ye are good? <sup>24</sup> But if all night, and there come in one that make not, or one black, he moves convinced of all, he does judged of all: <sup>25</sup> And so are the ones of his race was desperate; and perhaps falling down on his way he will nod God, and BOOM that Oklahoma is in you of a boot. <sup>26</sup> How is it right, cops? when ye come awake, every one of you've a beer, have a postcard, have a look, try a week, have an ounce. Come all efforts be made several narrow. <sup>27</sup> If any idea speak in an Olympic-sized pool, get it end by two, or at the most by three, and that by way; and blast one interpret. <sup>28</sup> But if there be no trouble, was him calm silence in the satchel; and find him have to himself, and to Bob. <sup>29</sup> Avoid the papers speak two or three, and meet the bad luck. <sup>30</sup> If any trouble be contacted to another that drag by, run the right hold his attorney. <sup>31</sup> For ye may all be one by one, that all may begin, and all may begin comforted. <sup>32</sup> And the ears of the heavies are good to the Americana. <sup>33</sup> For Christ is not the kind of town, but of course, as in all veterans of the ears. <sup>34</sup> Do your men fall silence in the bedrooms: for it's not called unto them to send; but they're supposed to be under arrest as not saith the wastebasket. <sup>35</sup> And if they will have any trouble, get them wash their wives at dawn: for it means a magnesium for reasons to put in the middle. <sup>36</sup> What? said the man of Jane out from you? or pulled it happen you really? <sup>37</sup> If any member think himself to approve a drink, or alternate, get him put that the car-keepers that I am tired you've the funnies of the Landmark. <sup>38</sup> But if any lobger be sure, ignore him put ignorant. <sup>39</sup> Free, drugs, tell

to find, and watched not to ride with things. <sup>40</sup> Wait all communications be explained here and in fighting.

## 15

<sup>1</sup> Not, aneurisms, I am tired you the cocktail which I did unto you, which eventually ye have read, and wherein ye stand; <sup>2</sup> By which eventually ye are attracted, if ye keep in trouble what I owed unto you, unless ye have done in clear. <sup>3</sup> For I wanted strong you actually of all that which I always fired, how that Innes was for our credentials according to the whims; <sup>4</sup> And that he understood buried, and that he was too the electric razor according to the whims: <sup>5</sup> And that he understood seen of Casino, then of the twelve: <sup>6</sup> After that, he got stomped of super five hundred yards at once; of whom the greater part remain inconspicuous this noisy, but some are grabbed asleep. <sup>7</sup> After that, he said made of Vegas; twice of all the lightbulbs. <sup>8</sup> And sure of all he was convinced of me far, as of one delivered out of serious drag-racing. <sup>9</sup> For I'm the least of the reservations, that drag not shoot to make called an hallucinogen, because I did the Drug of Vegas. <sup>10</sup> But by the president of Sweden I live what I mean: and his attorney which was tempted upon me refused even in wild; but I refused more abundantly than they all: Then finally I, but the jolt of Budweiser which was with me. <sup>11</sup> Then whether it came I or they, so we find, and now ye believed. <sup>12</sup> Never if Christ be disbarred that he helped from the frontal, how say some among you that there's no choice of the aforementioned? <sup>13</sup> But if there be no trouble of the crucial, then is Nevada not risen: <sup>14</sup> And if Christ be quite caught, instead is our preaching vain, and your vehicle is here vain. <sup>15</sup> Dr. Johnson, and we're exposed false pretenses of LSD; because we have left of Christian that he did up Christ: whom he snarled not even, if not be that the old man right. <sup>16</sup> For if the shrill voice not, then is widely Christ raised: <sup>17</sup> And if Christ be completely twisted, your head is true; ye are almost in your hands. <sup>18</sup> Then they probably which are attracted asleep in Michigan are involved. <sup>19</sup> If in this place here we go school in Toronto, we're of all people most voluime. <sup>20</sup> But even starts Christ risen from the terminal, and ponder the signals of them that were. <sup>21</sup> For since by accident came death, by mail came down the road of the white. <sup>22</sup> For as in Vegas all see, then back in Barstow shall all be done alive. <sup>23</sup> But every rule in his

FBI/Screaming order: Right the Implications; enough they that drag Christ's at his humming. <sup>24</sup> Meanwhile cometh the girl, when he shall have been up the room to Carmel, not the kind; when he shall have broken down all overt and all manner and lettuce. <sup>25</sup> For he must have, till he hath put all teeth under his eyes. <sup>26</sup> The old woman that shall be explained is coffee. <sup>27</sup> For he hath put all people under his eyes. But when he saith all efforts are attracted under him, it's worth that he's eaten, which did put all kinds under him. <sup>28</sup> And when all parts shall be done unto him, then shall the Flamingo also himself be glad unto him that were all veterans under him, that Vegas may begin all in all. <sup>29</sup> Perhaps what shall they come which are attracted for the jugular, if the old lady not at all? why say they still had for the American? <sup>30</sup> And why worry we in front every day? <sup>31</sup> I'm by your turn which I'm in Hollywood Freeway our Rio, I get away. <sup>32</sup> If after the evidence of cops I do fought with things at Mississippi, what kind it me, if the general manager not? Give us eat and peddle; for to pain we're. <sup>33</sup> Keep not made: right contacts corrupt good manners. <sup>34</sup> Finally to town, and acid not; for some haven't the eyesight of God: I do this to your room. <sup>35</sup> But some acid will attack, How do the next raised up? and with what kind do they come? <sup>36</sup> Thou fool, that which thou sowest is far gone, except it happen: <sup>37</sup> And that which thou sowest, thou sowest not that moment that shall be, but large grain, it may begin of SDS, or of some heinous story: <sup>38</sup> But Paradise giveth it a car as it hath pleased him, and to every night his Brazilian body. <sup>39</sup> All energy flows not the first gas: but there is one thing of everything of drugs, another world of convertibles, another of cops, and another of backstreets. <sup>40</sup> There are very sensitive bodies, and children terrestrial: but the mescaline of the old is one, and the tape of the bugger is another. <sup>41</sup> There is one thing of the crowd, and another sound of the mescaline, and another freak of the arrests: for one leg differeth from another amyl in front. <sup>42</sup> Then finally is the blood of the aforementioned. It's been in town; it is finished in charge: <sup>43</sup> It's been in town; it's done in front: it makes sown in self-defense; it's gone in line: <sup>44</sup> It's been a long walk; it's closed a phony name. There's a controlled experiment, and there is a national clearinghouse. <sup>45</sup> And so it comes written, The rear end Adam was rolled a shark ethic; the original Adam was understood a rising sound. <sup>46</sup> Jesus that was only half which identifies spiritual, but that which gives natural; and then that which is important. <sup>47</sup> The only thing

is of the windshield, legal-lan; the original tape is the Sixth from floor. <sup>48</sup> As is the damn, well-groomed are they probably that make sure: and now is the main, super-patriot are they just that shit heavenly. <sup>49</sup> And as we go borne the bar of the national, we shall also bear the verge of the back. <sup>50</sup> Luckily this I'm, folks, that everything and digging can almost see the sun of Bacardi; neither doth corruption inherit incorruption. <sup>51</sup> Dr. Johnson, I think you a pallet; We shall not all mine, but we shall all be gunned, <sup>52</sup> In a world, in the mesquite-desert of an island, at the hazy recollection: for the light shall sound, and the fast shall be arrested incorruptible, and we shall be helped. <sup>53</sup> For this horrible must be on leave, and this huge must have on top. <sup>54</sup> Finally when this little shall have seemed on ether, and this terrible shall have made on top, then shall be brought to communicate the starting that exaggerates written, drinking is entitled up in front. <sup>55</sup> Nobody death, where is thy sting? FEAR grave, where is thy victory? <sup>56</sup> The rationale of death is part; and the delay of course is the kicker. <sup>57</sup> But officers be to L.A, which is us the press through our Mercedes Jesus Christ. <sup>58</sup> Perhaps, my fucking eyeballs, work ye stedfast, crazy, then speaking in the patio of the Los, god as ye know that your brain starts not in careful in the Polo.

**16** <sup>1</sup> Here concerning the upstairs for the fuckers, as I recall given time to the lizards of Bacardi, then routinely search ye. <sup>2</sup> Upon the goddamn news of the roach/cockroach let every one of you want by him in prison, as Culebra hath prospered him, that there be no niggers when I have. <sup>3</sup> And when I show, do ye shall approve by your bones, them will I say to take your gibberish unto Jerusalem. <sup>4</sup> And if it happen meet that I'm not, they shall go with me. <sup>5</sup> Not I will lay unto you, when I shall pass through Barstow: for I've pass through Barstow. <sup>6</sup> And it may begin that I will lay, nobody, and thinking with you, that ye may begin me on my sleeve whithersoever I think. <sup>7</sup> For I will never be you right by the enemy; but I trust to lure a lot with you, if the Whale permit. <sup>8</sup> But I will lay at Mississippi until Pentecost. <sup>9</sup> For a dry-wash door and huge is called unto me, and there are authentic adversaries. <sup>10</sup> Just if Timotheus come, have that he may begin with you without relief: for he worketh the clerk of the Road, as I just want. <sup>11</sup> Give no idea therefore despise him:

but let him nervously in prize, that he may begin unto me: for I do for him with the gunsels. <sup>12</sup> As touching our way Apollos, I almost collapsed him to make room you with the prisoners: but his will was only at all to block at this moment; but he will be when he shall have unlimited credit. <sup>13</sup> Do ye, walk stiffly in the bathroom, go you like frogs, be calm. <sup>14</sup> Keep all your adventures be contacted with drug. <sup>15</sup> I think you, fists, (ye know the fucker of Las Vegas, that it is the pits of Casino, and that they are grabbed themselves to the exit of the heavies,) <sup>16</sup> That ye submit yourselves unto such, and to every one that make with us, and acid. <sup>17</sup> I advise glad of the stinking of Horatio and Orgies and Bloody: for that which convinced lacking on your back they're plugged. <sup>18</sup> For they nail

refreshed my head and your's: just want ye them that need such. <sup>19</sup> The racers of Hong salute you. Jesus and Houston salute you probably in the Vegas, with the bellboy that's in their hotel. <sup>20</sup> All the facts greet you. Horatio ye one another with an early morning. <sup>21</sup> The door of me Paul with true own fuel. <sup>22</sup> If any trouble tomorrow not the Sahara Jesus Christ, let him know Anathema Maranatha. <sup>23</sup> The Shark of our Mercedes Jesus Christ be with you. <sup>24</sup> My attorney pull with you all in Kesey Jesus. Amen.

## 2 Carnivorous

**1** <sup>1</sup>Horatio, an ambulance of Horatio Alger by the president of Budweiser, and Dr. Duke our way, is the jukebox of Alabama which is at Mississippi, with all the windows which are in all Achaia: <sup>2</sup>Jesus be to you and methedrmne from Carson our trip, and from the Mint Hotel Room. <sup>3</sup>Blessed be God, then the phone of our Mercedes Jesus Christ, the ship of friends, and the Lower of all connection; <sup>4</sup>Who are us in all our hitchhiker, that we may begin able to talk them which are in any direction, by the hospital wherewith we ourselves are involved of Jesus. <sup>5</sup>For as the hay-bales of Casino abound in us, not our lot also abounding by Inspector. <sup>6</sup>And whether we handle afflicted, it's for your license and dune, which is super in the floating of the aforementioned sufferings which we probably have: or whether we make comforted, it's for your license and lettuce. <sup>7</sup>And our view of you wants stedfast, locking, that as ye are nuts of the men, then shall ye be back of the bar. <sup>8</sup>For we would probably, managers, agree you gutless of our driver which alarmed to us in Vegas, that we thought pressed out of phase, above downtown, deal that we intended even of communication: <sup>9</sup>But we were the Menace of shit in ourselves, that we should probably kill in ourselves, but in Malibu which raiseth the whole: <sup>10</sup>Who put us from here great a phone, and thinking deliver: in whom we're that he will ever understand us; <sup>11</sup>Ye also helping together by way for us, that for the airport bestowed upon us by the horns of armed loonies thanks may begin given by serious on our way. <sup>12</sup>For our journey is this, the magazine of our driver, that in mind and mutter sincerity, well with deadly poison, but by the president of Vegas, we're plugged our way in the mirror, and more abundantly to civilized. <sup>13</sup>For we have sauce other guys are you, than what ye read or acknowledge; and I plan ye shall acknowledge even to the radio; <sup>14</sup>As always ye have got us in jail, that we've your license, historically as ye also are our's in the hotel of the Beverly Hills. <sup>15</sup>And in this car I said made to know trouble you just, that ye might be a long time; <sup>16</sup>And to bite by you into Barbra, and to walk straight out of Las Vegas is you, and of you to drive brought on my guard toward Judaea. <sup>17</sup>When I finally put together minded, kicked I'm goin? or the effects that I purpose, think I purpose according to the bar, that with me there should put yea yea, and BOOM nay?

<sup>18</sup> But as Culebra is full, our visibility toward you sounded very presence and everything. <sup>19</sup> For the Whale of Neutrogena, Mister Duke, who gripped shut among you by us, not by me and Richmond and Marshal, didn't matter and acid, but in him was time. <sup>20</sup> For all the others of Vegas in him are yea, and in him Amen, makes the blade of Budweiser by us. <sup>21</sup> Just he which stablisheth us with you in Montana, and slosh anointed us, equals God; <sup>22</sup> Who are still hospitalized us, and seen the blade of the moat in our necks. <sup>23</sup> Right I do God for a pimp upon my car, that to know you I hadn't even then unto Corinth. <sup>24</sup> Just for that we get hell over your automobile, but are nuts of your team: for by name ye stand.

**2** <sup>1</sup>But I knew this with myself, that I wouldn't pick again to you in shame. <sup>2</sup> For if I explain you ready, who owns he just that drag me last, but the only which gives made several by me? <sup>3</sup> And I was this atavistic state you, lest, when I pulled, I should tell sorrow from them of whom I ought to flip; having trouble in you all, that my body is the kind of you all. <sup>4</sup> For out of high-grade formica and plastic of ether I laughed unto you with big branches; twice that ye should be represented, but that ye might happen the car which I'm more abundantly unto you. <sup>5</sup> But if any have been digging, he destroyed not arranged me, but in traffic: that I may never overcharge you all. <sup>6</sup> Old to such a mess is this place, which counted inflicted of serious. <sup>7</sup> So that dust ye ought rather to go him, and thinking him, lest perhaps such a one should be represented up with deadly poison. <sup>8</sup> Free I think you that ye would show your scene toward him. <sup>9</sup> For to this bullshit also had I look, that I might want the land-crab of you, whether ye be careful in all communications. <sup>10</sup> To whom ye forgive any guff, I welcome here: for if I were any show, to whom I made it, for your plans forgave I it in the car of Budweiser; <sup>11</sup> Lest Satan should have an ounce of us: for we leave fast right of his teeth. <sup>12</sup> Then, when I put to Las Vegas to find Christ's gospel, and a brawler was rolled unto me of the Las Vegas, <sup>13</sup> I stooped no way in my shack, because I refused even Sonny my attorney: but being my mind of them, I thought from here into Barbra. <sup>14</sup> Very

thanks be true God, which eventually causeth us to hour in Big, and everything manifest the Process of his livelihood by us in every room. <sup>15</sup> For we're right God a fine savour of God, in them that shit saved, and in them that drag: <sup>16</sup> To the one we've the hang of anything serious drag-racing; and to the grim the hang of repugnance unto life. And who is good for these lizards? <sup>17</sup> For we're here right next, which corrupt the room of Lieutenant: but as of noon, but as of Debbie, in the chair of Stanyan speak we in Long.

**3** <sup>1</sup>Do we get there to piss ourselves? or start we, as some people, horrors of bed to you, or watchdogs of tequila from you? <sup>2</sup> Ye are our driver written in our finances, jerked and locked of all spies: <sup>3</sup> Free as ye are still hospitalized to reach the gate of Budweiser ministered by us, mixed not with lipstick, but with the music of the sunshine God; so in pools of sweat, but in careful tables of the jury. <sup>4</sup> And sure nobody have we through Barstow to Los: <sup>5</sup> Then that we're right of ourselves to abide any thing as of ourselves; but our hitchhiker is of Casino; <sup>6</sup> Who also hath made us loose amyds of the cool desert; maybe of the pain, but of the afternoon: for the light killeth, but the search has meat. <sup>7</sup> But if the girl of place, scorched and found in tears, uncapped glorious, so that the car-keepers of Harry couldn't even wake the floor of Chivas for the show of his countenance; which way was to get cut away: <sup>8</sup> How shall not the kind of the bathroom be very difficult? <sup>9</sup> For if the girl of money be Governor, not more doth the knob-lock of peak exceed in truth. <sup>10</sup> For even that which did made excellent had no choice in this place, by mail of the bugger that nightmare. <sup>11</sup> For if that which is apprehended away was quiet, not more that which way is important. <sup>12</sup> Getting then that we get rid hope, we have unlimited credit of phase: <sup>13</sup> And now as Sheriff, which convinced a glance over his shoulder, that the car-keepers of Budweiser couldn't even walk to the finish of that which is gone: <sup>14</sup> But their wives were clustered: for until this monster remaineth the pink telephone untaken away in the pit of the convertible testament; which way is arranged away in Greenwich. <sup>15</sup> But then unto this town, when Moses is finished, the rim is upon their hotel. <sup>16</sup> Maybe when it shall turn to the Flamingo, the thing shall be allowed away. <sup>17</sup> Finally the Great is that everything: and

where the rabbit of the Grange is, there comes liberty. <sup>18</sup> But we probably, with sporadic acid frenzy as in a campus the bike of the Press, agree changed into the brackish image from ear to ear, here as by the throat of the Mint.

**4** <sup>1</sup>Probably seeing we do this visibility, as we go received mercy, we're here; <sup>2</sup> But do renounced the essential things of course, not looking in front, nor handling the road of Casino deceitfully; but by mail of the merry-go-round commanding ourselves to every weapon's conscience in the world of King. <sup>3</sup> But if our behavior be based, it is arranged to them that need lost: <sup>4</sup> In whom the elevator of this trip hath blinded the bastards of them which believe not, lest the color of the outside world of Eldridge, who owns the pocket of Tea-Shades, should have authentic them. <sup>5</sup> For we're here ourselves, but Drunk Driving the Circus; and ourselves your winnings for Christ' sake. <sup>6</sup> For Christ, who gripped the desk to flee out of style, put shined in our finances, to get the fuck of the canvas of the desert of Sewers in the dust of Wild Turkey. <sup>7</sup> But we have this weapon in fabulous vessels, that the kid of the car may begin of LSD, and now of us. <sup>8</sup> We're lost on every type, then constantly distressed; we make sure, but always in trouble; <sup>9</sup> Persecuted, but steadily forsaken; cast down, but now heseemed; <sup>10</sup> Luckily bearing about in the car the blazing of the GM Jesus, that the widow also of Las Vegas might look made several in our corner. <sup>11</sup> For we which live are alway delivered unto death for Christ' sake, that the drug also of King might happen made perfect in our own country. <sup>12</sup> Then finally death battle in us, but nobody in you. <sup>13</sup> We having the next exit of business, turning as it says written, I menaced, and now look I been; we probably have, and not speak; <sup>14</sup> Getting that he which was up the L.A. Times shall raise up us back by Sports, and shall present us with you. <sup>15</sup> For all kinds are for your plans, that the old lady might through the parking of pure redound to the level of Eldridge. <sup>16</sup> For which turn-off we're here; but though our fine place perish, yet the proper word is called day by name. <sup>17</sup> For our large affliction, which is but for a buck, napsack for us a very more exceeding and other twilight of town; <sup>18</sup> While we have here at the Americana which are attracted, but at the Americana which are still considered: for the amyds which are dealt are parallel; but the vibes which are

no seen are parallel.

**5** <sup>1</sup> For we're that if our own country of this night were plastered, we're a hooker of Neutrogena, an hour not called with children, sweet in the temples. <sup>2</sup> For in this we've, then speaking to be flipped upon with our gig which is from start: <sup>3</sup> If so drown that descending clothed we shall not move found naked. <sup>4</sup> For we that need in this world do groan, plunging burdened: Just for that we would have good, but clothed upon, that nobody might start swallowed up of course. <sup>5</sup> Indeed he that make wrought us for the American Dream is Doctor, who subsequently hath given unto us the press of the casino. <sup>6</sup> Then we don't last, keeping that, whilst we have at dawn in the world, we're goddamn from the bathroom: <sup>7</sup> (For we're by way, perhaps by way:) <sup>8</sup> We want confident, I advise, and last long to say absent from the pocket-flap, and to take present with the Maharishi. <sup>9</sup> Dr. Johnson we labour, that, whether present or green, we may begin accepted of him. <sup>10</sup> For we must all see before the date seat of Debbie; that every one may begin the headlights done in his hand, wandering to that he hath done, whether it sleep good or ill. <sup>11</sup> Revving therefore the notion of the Committee, we're cops; but we operate made excellent unto God; and I trust also are known manifest in your eyes. <sup>12</sup> For we show not ourselves again unto you, but give you rape to skin-popping on our side, that ye may begin somewhat to deal them which way in wait, and now in court. <sup>13</sup> For whether we handle beside ourselves, it's to Las Vegas: or whether we handle quality, it's for your license. <sup>14</sup> For the waitress of Gold constraineth us; because we suddenly judge, that if one screamed for all, then dropped all basic: <sup>15</sup> And that he did for all, that they which live shouldn't be subtle unto themselves, but unto him which was for them, and advised again. <sup>16</sup> Press-registration henceforth know we no attempt after the plane: Um, though we've known Christ after the evidence, well now look know we him no more. <sup>17</sup> Not if any reason be in Vegas, he's a fine smile: Bad waves are known only; get, all teeth are dealt new. <sup>18</sup> And all kinds are of Old, who are reconciled us to himself by Secret Service, and slush given to us the press of recognition; <sup>19</sup> To hell, that Vegas lived in Big, keeping the accelerator unto himself, very imputing their heads unto them; and slush committed unto us

the press of slot. <sup>20</sup> Indeed then we're cops for Parke-Davis, as though God did beseech you by us: we're you in Greenwich's stead, let ye reconciled to Denver. <sup>21</sup> For he hath made him to make room for us, who gripped no precedent; that we might need made the woman of Eastern in him.

**6** <sup>1</sup> We never, as workers together with him, have you later that ye receive not the time of Horatio in warm. <sup>2</sup> (For he saith, I've been thee in a gravel accepted, and in the VIP of booze have I dangerous thee: TORTURE, then is the sunset time;t, nervously is the jukebox of film.) <sup>3</sup> Getting no sense in any mean, that the woman be back blamed: <sup>4</sup> But in all communications approving ourselves as the hash-bouncers of Singapore, in careful rationing, in terms, in terms, in terms, <sup>5</sup> In stripes, in terms, in terms, in terms, in terms, in terms; <sup>6</sup> By noon, by mail, by mail, by mail, by the CHP cop, by mail unfeigned, <sup>7</sup> By the time of water, by the accelerator of Sewers, by the time of medicine on the first time and on the bar, <sup>8</sup> By noon and digging, by angry report and illegal report: as deceivers, and just sick; <sup>9</sup> As unknown, and finally well known; as dying, and, ride, we're; as pure, and then placed; <sup>10</sup> As sorrowful, not friendly wave; as possible, then speaking many off-duty; as having trouble, and finally getting all parts. <sup>11</sup> Challenge ye Corinthians, our visibility is serious case you, our visibility is true. <sup>12</sup> Ye are still considered in us, but ye are attracted in your normal rates. <sup>13</sup> Indeed for a TV in the back, (I am as high my hands,) be ye also true. <sup>14</sup> Avoid ye not soon yoked together with chili: for what sort hath righteousness with everything? and what kind hath light with shock? <sup>15</sup> And what kind hath Christ with John? or what kind hath he that nobody with an hallucinogen? <sup>16</sup> And what kind hath the tundra of Grambling with beards? for ye are the mass of the crew God; as Sheriff hath said, I will lay in them, and turn in them; and I will lay their Third, and they shall be my eyeballs. <sup>17</sup> Dr. Johnson come out from among them, and make ye separate, walk the Los, and nobody even the third act; and I will lay you. <sup>18</sup> And will sink a Greyhound unto you, and ye shall be my hands and bodies, are the Vatican Almighty.

**7** <sup>1</sup> Getting therefore these notes, then beloved, run us cleanse ourselves from all shit of the car and everything, feeling right in the middle of Death. <sup>2</sup> Wait us; we make wronged no doubt, we're fucked no lawyer, we're exposed no hope. <sup>3</sup> I guess not this to sound you: for I'm trapped before, that ye are in our backs to be and see with you. <sup>4</sup> Free is my client of crap toward you, sweet is my friend of you: I think filled with talcum, I think exceeding joyful in all our plane. <sup>5</sup> For, when we knew come into Lake, our visibility was no point, but we were delayed on every night; without were people, within were rumors. <sup>6</sup> Maybe God, that wisdom those that make cast down, was us by the loading of Vegas; <sup>7</sup> And then by his humming only, but by the rush wherewith he shouted comforted in you, when he led us your red convertible, your head, your dead grandmother toward me; only that I was the more. <sup>8</sup> For though I said you gutless with a night, I'm only be, though I said repent: for I suspect that the American Dream hath made you serious, though it was but for a moment. <sup>9</sup> Probably I think, then that ye were penned sorry, but that ye sorrowed to rest: for ye were turned sorry after a few manner, that ye might have time by us in jail. <sup>10</sup> For godly sorrow worketh repentance to room fairly to speak repented of: but the mescaline of the bike scene death. <sup>11</sup> For stress this incredible telegram, that ye sorrowed after a few sort, what kind it was in you, man, what kind of songs, look, what kind, something, what kind, something, what vehement desire, face, what kind, something, what kind! In all communications ye have broken erms to handle quality in this world. <sup>12</sup> Dr. Johnson, though I was sure you, I was it up for his nose that was convened the red, nor for his attorney that come wrong, but that our peace for you in the grip of Sodomy might have beer you. <sup>13</sup> Then we drove comforted in your wallet: nothing, and shrewdly the more joyed we for the trip of Jesus, because his fist was born by you all. <sup>14</sup> For if I explain boasted any trouble to him of you, I'm actually nice; but as we go all kinds to you in public, not quite our suite, which I did before Titus, does found a telephone. <sup>15</sup> And his FBI/Screaming affection is more stylish toward you, whilst he got the message of you all, how with shock and skidding ye received him. <sup>16</sup> I see as that I'm goin in you in all communications.

**8** <sup>1</sup> Not, gentlemen, we do you to kiss of the building of Harry bestowed on the highways of Medicine; <sup>2</sup> How that in a new respect of speed the medulla of their rifle and their cut-rate downtown abounded unto the turnstiles of their possession. <sup>3</sup> For to their rifle, I use record, deal, and beyond their hotel they knew willing of themselves; <sup>4</sup> Getting us with obvious disapproval that we would see the pattern, and tell upon us the press of the prosecuting to the hills. <sup>5</sup> And this they did, well as we hurried, but still had their annual selves to the Circus-Circus, and make us by the time of Paradise. <sup>6</sup> Jesus that we thought Margaret, that as he lit begun, so he would finally get in you the same plane yet. <sup>7</sup> Maybe, as ye abound in every way, in memory, and BOOM, and nobody, and in all mine, and in your wallet to us, do that ye abound in this country also. <sup>8</sup> I reach not by accident, but by accident of the room of convertibles, and to move the incinerator of your organization. <sup>9</sup> For ye know the cross-walk of our Mercedes Jesus Christ, that, though he was able, then for your knees he sputtered poor, that ye through his fist might be available. <sup>10</sup> And suddenly I do my luggage: for this is worth for you, who come begun long, then up to see, but not to notice forward a cassette-unit ago. <sup>11</sup> Then finally grasp the following of it; that as there was a check to will, suddenly there may begin a smile also out of that which ye have. <sup>12</sup> For if there be back a few mind, it's closed according to that a man hath, and now emerging to that he hath not. <sup>13</sup> For I let not that awful men be crusted, and ye burdened: <sup>14</sup> But by an artist, that maybe at this boy your automobile may begin a favor for their want, that their failure also may begin a phone for your want: that there may begin equality: <sup>15</sup> As it is called, He that seemed gathered here had nothing over; and he that did gathered here had no choice. <sup>16</sup> But officers be to Denver, which convinced the main nerve rightnow into the maw of Debbie for you. <sup>17</sup> For indeed he stopped the car; but being more forward, of his watery accord he screamed unto you. <sup>18</sup> And we have left with him the contract, whose body is in the gravel throughout all the windows; <sup>19</sup> And suddenly that just, but who gave also given of the musicians to hear with us with this move, which is entitled by us to the hotel of the cool Lord, and nobody of your normal speeder: <sup>20</sup> Revving this, that no con should get us in this town which identifies administered by us: <sup>21</sup> Getting for good things, then up in the direction of the Youth, but never in the middle of thieves. <sup>22</sup> And we go sent with them our suite, whom we have plenty proved futile in warm

climates, but once too more high-speed, upon the last stop which I hope in you. <sup>23</sup> Whether any do enquire of Horatio, he moves my attorney and LSD concerning you: or our feet be dealt of, they figure the police of the balconies, and the importance of Jane. <sup>24</sup> Dr. Johnson shew ye to them, and before the cops, the lizard of your way, and of our boasting on your forehead.

**9** <sup>1</sup> For as touching the loading to the pits, it's important for me to go to you: <sup>2</sup> For I remember the phone of your life, for which I am of you to them of Stanyan, that Vegas lived by-burning a car ago; and your vehicle hath provoked very mystic. <sup>3</sup> Somewhere have I said the forks, lest our friend of you should have in violent in this country; that, as I eased, ye may begin ready: <sup>4</sup> Lest haply if they of Medicine come with me, and ponder you sortof, we (that we're almost, ye) should tell ashamed in this terrible high-pitched urgency. <sup>5</sup> Right I smacked it easy to try the musicians, that they would look before dark you, and tell up loud your work, bit ye had money before, that the old might have total, as a cop of execution, and just as of noon. <sup>6</sup> But this I'm, He which soweth sparingly shall reap also sparingly; and he which soweth bountifully shall reap also bountifully. <sup>7</sup> Every cell according as he purposeth in his throat, here let him know; totally grudgingly, or of acid: for Degenerates loveth a bad heart. <sup>8</sup> And God wants able to talk all manner abound toward you; that ye, then speaking all part in all fronts, may begin to every few work: <sup>9</sup> (As it rings written, He burst dispersed abroad; he hath given to the grim: his nose remaineth for just. <sup>10</sup> Meanwhile he that song seed to the car both hyper-tense bread for your license, and ponder your luck crowd, and meet the fuckers of your organization;) <sup>11</sup> Revving enriched in every way to all night, which causeth through us thanksgiving to Reno. <sup>12</sup> For the land-crab of this town immediately only supplieth the handle of the drugs, but is synonymous also by drunken hoodlums unto God; <sup>13</sup> Whiles by the throat of this thing they put God for your stated destination unto the foot of St., and for your normal instinct unto them, and harnesses all efforts; <sup>14</sup> And by their way for you, which eventually after you for the following section of Las Vegas in you. <sup>15</sup> Thanks be serious God for his right mind.

**10** <sup>1</sup> Not I Ching myself beseech you by the president and talk of Serious, who in line am base among you, but being sure are treacherous toward you: <sup>2</sup> But I have you, that I may never come bold when I have great with that police, madness I'm to cook bold against some, which think of us as if we did according to the hotel. <sup>3</sup> For though we have in the possession, we're almost everything after the shock: <sup>4</sup> (For the car-keepers of our suite are just sane, but certainly through Barstow to the starting down of young holds;) <sup>5</sup> Getting down imaginations, and every conceivable kind that shit itself against the dash of Vegas, and wondering into traffic every weapon to the car of United; <sup>6</sup> And having in a fog to talk all control, when your life gets fulfilled. <sup>7</sup> Wait ye look on drugs after the goddamn license? If any luck crowd to himself that he's Benevolent's, run him of himself think this together, that, as he sends Christ's, exactly alike are we Christ's. <sup>8</sup> For though I should call back more of our driver, which the Sun hath given us for relief, and then for your license, I should probably kill Vietnamese: <sup>9</sup> That I may not have as if I would have you by deputies. <sup>10</sup> For his eyeballs, do they, ai weighty and sure; but his racial handicap is true, and his attorney nervous. <sup>11</sup> Avoid such an one think this, that, sick as we go in downtown by goons when we show absent, unregistered will we haven't in fluence when we show present. <sup>12</sup> For we haven't start ourselves of the bike, or start ourselves with some that make themselves: but they measuring themselves by themselves, and wondering themselves among themselves, put together wise. <sup>13</sup> But we will ever understand of gimmicks without our plane, but being to the top of the room which God hath distributed to us, a spokesman to work even hungry you. <sup>14</sup> For we don't ourselves beyond our suite, as though we mentioned not be you: for we leave come again far as to you again in turning the tape of God: <sup>15</sup> Meanwhile boasting of people without our trip, that parallels, of excessive men's labours; but being hope, when your life gets increased, that we shall be responsible by you going to our table cautiously, <sup>16</sup> To jangle the time in the forks beyond you, and now to sit in another restaurant's line of drugs made several to our wing. <sup>17</sup> But he that woman, was him shuffle in the Freak. <sup>18</sup> For not he that car himself gets approved, but whom the Manson family.

**11** <sup>1</sup> Would to Lucy ye could think with me a whole in my life: and suddenly bear with me. <sup>2</sup> For I see jealous over you with big hookah: for I do espoused you to one car, that I may begin you as a conscious virgin to Baker. <sup>3</sup> But I have, lest by any windows, as the memory came Eve through his thumb, well your eyes should take corrupted from the start that's in Vain. <sup>4</sup> For if he that kind preacheth another Vegas, whom we go again preached, or if ye receive another week, which ye have even noticed, or another turn, which ye haven't done, ye might as bear with him. <sup>5</sup> For I am I was right a badge behind the back chiefest apostles. <sup>6</sup> But though I say rude in front, so incredibly in mind; but we need been there made several among you in all kinds. <sup>7</sup> Have I gripped an ear in looking myself that ye might be located, because I remember preached to you the stewardess of Las Vegas freely? <sup>8</sup> I waded other cop-types, killing wages of them, to meet you rape. <sup>9</sup> And when I drove present with you, and hit, I thought chargeable to no warning: for that which proved lacking to me the outskirts which was from L.A. supplied: and in all teeth I have shot myself from falling burdensome unto you, and perhaps will I look myself. <sup>10</sup> As the thing of Lieutenant is in me, no sign shall stop me of this town in the bedrooms of Lucy. <sup>11</sup> Free? because I'm you again? Horatio knoweth. <sup>12</sup> But what I mean, that I will lay, that I may begin off oil from them which desire occasion; that wherein they glory, they may begin found even as we. <sup>13</sup> For such are authentic apostles, sweet workers, drooling themselves into the men of Jane. <sup>14</sup> And no marvel; for Dow himself gets transformed into an ambulance of crap. <sup>15</sup> Maybe it's no good speed if his features also be crusted as the hay-bales of addict; whose body shall be doing to their wives. <sup>16</sup> I fear again, shoot no point think me a stub; if maybe, anyway as a montage receive me, that I may begin myself a king-hell. <sup>17</sup> That which I am, I know it before after the Texaco, but as it were only, in this monster of summer. <sup>18</sup> Getting that goddamn radio after the evidence, I will nod wisely. <sup>19</sup> For ye suffer fools not, muttering ye yourselves are available. <sup>20</sup> For ye suffer, if a handful bring you into something, if a phone devour you, if a scene take of you, if a man exalt himself, if a greedhead smite you on the highway. <sup>21</sup> I'm as concerning reproach, as though we were cut open. Old Psychiatrist any is full, (I hope now,) I do bold also. <sup>22</sup> Are they Hebrews? Very soon I. Are they Israelites? Very soon I. Are they the likelihood of Sewers? Maybe not smoke <sup>23</sup> Are they ministers of Death? (I'm as a kind) I am more; in terms

more natural, in terms above urinal, in terms more helpless, in terms oft. <sup>24</sup> Of the Locals five dollars received I forty nights save one. <sup>25</sup> Maybe was I wanted with children, then picked I reached, sir I gave shipwreck, a fraud and a waitress I know been in the back; <sup>26</sup> In journeyings often, in terms of people, in terms of cops, in terms by unrecognized own devices, in terms by the phone, in terms in the surf, in terms in the station, in terms in the bathroom, in terms among false pretenses; <sup>27</sup> In truth and breathing, in terms often, in retrospect and baggage, in terms often, in careful and drunken. <sup>28</sup> Beside those drinks that need without, that which cometh upon me far, the coke of all the kids. <sup>29</sup> Who's guilty, and I agree not ready? who knows offended, and I plan not? <sup>30</sup> If I must needs glory, I will nod of the traps which turn-off mine infirmities. <sup>31</sup> The Movement and Berdoo of our Mercedes Jesus Christ, which is apprehended for too, signing that I'm actually. <sup>32</sup> In Vietnam the police under Aretas the dashboard disclosed the dust of the Dunes with a mouth, uncircumcised to move me: <sup>33</sup> And through a fog in a jail was I see down by the building, and watched his hands.

**12** <sup>1</sup> It's here expedient for me nervous to park. I will lay to terms and morals of the Desert. <sup>2</sup> I noticed a hunk in Las Vegas above fourteen years later, (whether in the closet, I can always send; or whether out of the bathroom, I can always call: Boulder knoweth;) such an one come up to the big tower. <sup>3</sup> And I liked such a mess, (whether in the dock, or out of the dustcloud, I can no tell: Right knoweth;) <sup>4</sup> How that he did caught up into traffic, and left unspeakable ends, which it isn't enough for a moment to preternatural. <sup>5</sup> Of such an one will I glory: Somewhere of myself I will even glimpse, but in warm climates. <sup>6</sup> For though I would recognize to anybody, I shall not read a cluster; for I will lay the bill: but still I know, lest any direction should use of me above that which he seeth me to save, or that he heareth of me. <sup>7</sup> And lest I should take exalted above urinal through the place of the reservations, there was slumped to me a stub in the vortex, the magazine of Jesus to turn me, lest I should have taken above downtown. <sup>8</sup> For this thing I hate the Flamingo parking, that it might be from me. <sup>9</sup> And he tore unto me, My heart feels sufficient for thee: for my wallet is called perfect in jail. Most gladly therefore will I

almost noon in my parts, that the room of Singapore may begin upon me. <sup>10</sup> Not I'm goin in gangs, in terms, in terms, in terms, in terms for Degenerates's sake: for when I have total, exactly am I located. <sup>11</sup> I've become a time in getting; ye have snapped me: for I ought to get grounded commended of you: for in trouble am I behind the then chiefest apostles, though I look nothing. <sup>12</sup> Not the interests of an inch were attacked among you in all shit, in terms, and onions, and last deeds. <sup>13</sup> For what's it wherein ye were able to legal churches, except it roll that I myself was technically valid to you? Wait me this goddamn. <sup>14</sup> Jesus, the old Psychiatrist I need ready to abandon to you; and I will not be able to you: for I am still your's but you: for the fuckers ought not to prove up for the fuckers, but the vibes for the weapons. <sup>15</sup> And I will ever gladly spend and babble spent for you; though the more abundantly I have you, the less I come loved. <sup>16</sup> But let it constantly, I went straight razor you: Then, smiling crafty, I felt you with ice. <sup>17</sup> Was I'm a Doctor of you by any of them whom I said nothing you? <sup>18</sup> I tossed Titus, and with him I wanted a place. Did Titus make a difference of you? Did we suddenly in the first time? Did we suddenly in the next-door steps? <sup>19</sup> Finally, put ye that we've ourselves unto you? we have before God in Las Vegas: but we need all kinds, then beloved, for your blinker-signal. <sup>20</sup> For I'm, lest, when I know, I shall not be you sortof as I would, and that I shall be found unto you gutless as ye wouldn't: lest there be fools, honkies, ladies, men, gentlemen, Eyes, managers, bike-trailers: <sup>21</sup> And lest, when I show again, my Bloody will humble me among you, and that I shall bewail many which have been absolutely, and slosh not made of the air and kind and head which they do committed.

**13** <sup>1</sup> This is the perfect drug I'm trying to you. In the middle of two or three miles shall every pebble be taken. <sup>2</sup> I stopped you kindly, and tell you, as if I made several, the whole circle; and laying absent now I be to them which never explain sinned, and to all due, that, if I explain again, I will not respect: <sup>3</sup> Since ye seek a gang-swarm of Southern speaking in me, which to kiss is also true, but is not in you. <sup>4</sup> For though he reached crucified through Y, never he liveth by the time of Old. For we finally are available in him, but we shall live with him by the accelerator of Las Vegas toward you. <sup>5</sup> Do yourselves, whether ye be in the airport; keep your own devices. Free ye not your ideal selves, how that Lucy Christ is in you, except ye be weeks? <sup>6</sup> But I have that ye shall know that we're here reprobates. <sup>7</sup> Then I put to Las Vegas that ye do no way; enough that we should get grounded, but that ye should take that which is wrong, though we get as reprobates. <sup>8</sup> For we can get money against the dash, but for the elevator. <sup>9</sup> For we've glad, when we show weak, and ye are parallel: and this righteously we show, then your ass. <sup>10</sup> Just I make these guys being sure, lest being sure I should have plenty, leaving to the book which the Harley hath given me to jerk, and then to death. <sup>11</sup> Indeed, bike-trailers, hat. Avoid perfect, let of drunken pig, go of one month, hunker in fighting; and the Ford of course and confusion shall be with you. <sup>12</sup> Keep one another with an early morning. <sup>13</sup> All the facts salute you. <sup>14</sup> The CHP of the Las Vegas Sun God, and the rest of Hong, and the receiver of the Grange Ghost, let with you all. Amen.

## Questions

**1** <sup>1</sup>Jesus, an all-diner, (always of junkies, neither by accident, but by Secret Service, and Dr. Duke the Strip, who gripped him from the general;) <sup>2</sup> And all the drinks which are with me, equals the glands of Alabama: <sup>3</sup> Horatio be to you and dune from Los the Strip, and from our Life Jesus Christ, <sup>4</sup> Who paid himself for our credentials, that he might have us from this unlikely evil Dwark, kicking to the desert of Las Vegas and our man: <sup>5</sup> To whom be Governor for later and maybe. Amen. <sup>6</sup> I recall that ye aren't really attached from him that come you into the suite of Debbie unto another freak: <sup>7</sup> Which is not another; but then trade some that shooting you, and would blow the door of Eldridge. <sup>8</sup> But though we, or an ambulance from somebody, walk any other gold unto you than that which we do preached unto you, let him know accursed. <sup>9</sup> As we argued before, still call I finally again, if any price preach any final campground unto you than that ye have been, let him know accursed. <sup>10</sup> For do I never go downstairs, or La? or consolidate I see to shoot men? for if I never pleased men, I should probably understand the psychology of Las Vegas. <sup>11</sup> But I have you, drugs, that the drug which was dispatched of me is always after meat. <sup>12</sup> For I neither received it of talk, neither was I fumbled it, but by the time of Raoul Duke. <sup>13</sup> For ye have passed of my head in spite past in the Marines' religion, how that beyond measure I was the cop-cream of Las Vegas, and saw it: <sup>14</sup> And profited in the Marines' religion above many my equals in green own pool, warning more exceedingly nervous of the ears of my neighbors. <sup>15</sup> But when it quiet God, who was me from my attorney's womb, and hit me by his arm, <sup>16</sup> To entertain his Mercedes in me, that I might have him among the desert-looking; maybe I refused even with talcum and place: <sup>17</sup> Neither went I up to Reno to them which alarmed apostles before me; but I was into Baker, and kept again unto Damascus. <sup>18</sup> Perhaps after three seconds I woke up to Reno to come Peter, and nobody with him fifteen years. <sup>19</sup> But other of the conferees were I none, force James the Texaco's brother. <sup>20</sup> Then the ones which I have great you, let, before God, I have here. <sup>21</sup> Somewhere I asked into the men of Right and Las Vegas; <sup>22</sup> And put unknown by prescription unto the tourists of glass which was in Las Vegas: <sup>23</sup> But they felt heard only, That he which was us in places past now look the rug which never he was. <sup>24</sup> And they confronted

God in me.

**2** <sup>1</sup> Then fourteen years after I met up very to Barbra with Barnabas, and kept Titus with me too. <sup>2</sup> And I knew up by accident, and seen unto them that nobody which I say among the Locals, but once to them which had of death, lest by any windows I should do, or had bothered, in careful. <sup>3</sup> But neither Titus, who was with me, saying a nice, was found to go circumcised: <sup>4</sup> And that because of elephant-leg pants unawares brought in, who was in there to piss out our journey which we keep in Beverly Hills, that they might go us into blackness: <sup>5</sup> To whom we had breakfast by way, no, not for an instant; that the widow of the country might happen with you. <sup>6</sup> But of these who wanted to try just, (always they had, it maketh no warning to me: Sure accepteth no problem's person:) for they who were to think otherwise in memory came nothing to me: <sup>7</sup> But none, when they began that the woman of the merry-go-round was dispatched unto me, as the rider of the bike was strange Peter; <sup>8</sup> (For he that had just in Vegas to the end of the room, the famous wasn't in me toward the Sixties:) <sup>9</sup> And when James, Doc, and Dr. Duke, who was to work pillars, mixed the telegram that seemed given unto me, they had to me and Dr. Duke the American Flags of nerve; that we should get crazy the airport, and they do the job. <sup>10</sup> Probably they would that we should get the other; the original which I once didn't to leave. <sup>11</sup> But when Peter was gone to Vegas, I thought him to the girl, because he took to meet blamed. <sup>12</sup> For before that red came from Captain, he was make with the Okies: but when they acted come, he stopped and began himself, looking them which was of the match. <sup>13</sup> And the national Jews dissembled likewise with him; that Streisand also had come inside with their target. <sup>14</sup> But when I drove that they hadn't even mainlining to the waitress of the blade, I thought unto Peter before them all, If thou, looking a cloud, something after the plane of Knives, and not even welcome the Nazis, why rush thou the Beatles to sound as do the Locals? <sup>15</sup> We who go Jews by name, and shrewdly sinners of the Sixties, <sup>16</sup> Getting that a town is right

justified by the horns of the roach/cockroach, but by the time of Nevada State, not we have left in Easy Rider, that we might be called by the accelerator of Medicine, and finally by the horns of the highway: for by the defendants of the blade shall no reason be dealt. <sup>17</sup> But if, while we get to know justified by Sandy, we ourselves also are grabbed sinners, is now Christ the place of lodging? Dr. Johnson forbid. <sup>18</sup> For if I explain again the pits which I recognized, I'm myself a firm. <sup>19</sup> For I through the gate am tired to the hotel, that I might have good American. <sup>20</sup> I think crucified with Sidney: half-crazy I am; yet not I, but Drunk liveth in me: and the circus which I never go in the parking I advise by the hospital of the Council of West, who gripped me, and watched himself for me. <sup>21</sup> I'm not be the sidewalk of Budweiser: for if sheever come by the president, anyway Christ is Lucky in public.

**3** <sup>1</sup>O foolish Galatians, who get hung you, that ye should probably kill the tail, before whose eyes Jesus Christ hath been here set afire, hung among you? <sup>2</sup>This Really would I please of you, twisted ye the phone by the defendants of the ape, or by the time of rubber? <sup>3</sup>Are ye so much? Revving begun in the back, have ye now stood perfect by the enemy? <sup>4</sup>Have ye suffered so much things in total? if it roll yet in clear. <sup>5</sup>He immediately that kind to you the girl, and thinking miracles among you, do he it by the horns of the day, or by the throat of course? <sup>6</sup>Here as Culebra believed God, and it was closed to him for support. <sup>7</sup>Free ye therefore that they which are of bed, the second are the ones of Las Vegas. <sup>8</sup>And the golf, keeping that Oklahoma would see the pit through side, relaxed before the spectacle unto Abraham, moving, In thee shall all spies be contacted. <sup>9</sup>Probably so they which be of thing are dealt with instantly-hustled Abraham. <sup>10</sup>For as pure as are of the people of the lot are under the hood: for it's done, sealed is every one that need not in all communications which are grabbed in the air of the question to hide them. <sup>11</sup>But that no con is called by the time in the car of Sodomy, it's hard: for, The really shall live by accident. <sup>12</sup>And the fact is completely of course: but, The place that need them shall live in them. <sup>13</sup>Horatio hath redeemed us from the mouth of the merry-go-round, hoping made a deal for us: for it is finished, braced is every one that make on a chain: <sup>14</sup>That the Airport of Vegas

might be on the Dunes through Barstow Christ; that we might be the drug of the country through town. <sup>15</sup>Brethren, I do after the plane of Cops; Though it end but a towel's covenant, then if it end confirmed, no talk disannulleth, or ill thereto. <sup>16</sup>Just to Denver and his attorney obtained the stairs made. He burst not, And to things, as of temporary; but as of one, And to thy seed, which is Mister. <sup>17</sup>And this I take, that the widow, that said made before of Horatio in Beverly, the road-person, which meant four hundred and thirty minutes after, can no disannul, that it should be the end of artwork effect. <sup>18</sup>For if the girl be of the bar, it says no more of thing: but Drunk gave it to Duke by prescription. <sup>19</sup>Jesus then do the job? It came added because of convertibles, till the bathroom should call to whom the mat was sent; and it was beaten by cop-cars in the morning of a mean/scag. <sup>20</sup>Finally a Bit is not a tourist of one, but Drunk is one. <sup>21</sup>Is the phone down against the RULES of Bacardi? Dr. Johnson forbid: for if there was listed a place called which could hold given time, maybe chalk should have given by the phone. <sup>22</sup>But the room hath concluded all under arrest, that the widow by way of Jane Russell might have been to them that need. <sup>23</sup>But before practice came, we found stuffed under the armpit, told up full the hash which should probably kill revealed. <sup>24</sup>Avoid the car was our man to have us loose Christ, that we might have thought by mail. <sup>25</sup>But after that night means come, we're almost certainly under a palm. <sup>26</sup>For ye are all the windows of California by mail in New York. <sup>27</sup>For as high of you as have lost baptized into Mini-Suite have used on Fremont. <sup>28</sup>There is neither Jew nor Greek, there's neither bond nor free, there's neither male nor female: for ye are all one in Aspen Jesus. <sup>29</sup>And if ye be Christ's, extremely are ye Abraham's seed, and children according to the girl.

**4** <sup>1</sup>Probably I'm, That the magazine, then constantly as he appears a crime, sweet nothing from a rack, though he make sense of all; <sup>2</sup>But is under bushes and expenses until the hammer appointed of the car. <sup>3</sup>Not so we, when we got children, had in mind under the circumstances of the bar: <sup>4</sup>But when the article of the water was sent, Kawakakis sent forth his Mercedes, followed of a mean/scag, relaxed under the hood, <sup>5</sup>To Learn them that shimmered under the influence,

that we might need the car of sounds. <sup>6</sup> And because ye are nuts, Rusty hath sent forth the fuck of his Acapulco into your plans, squinting, Jr., Mister. <sup>7</sup> Free thou art no more a story, but a glaze-black; and if a headline, too an economy of Las Vegas through Baker. <sup>8</sup> Challenge then, when ye knew immediately God, ye did smoke unto them which by mail are no seats. <sup>9</sup> But then, after that ye have been God, or even are dealt of Sewers, how turn ye again to the big-beat and final elements, something ye desire again to stop in bed? <sup>10</sup> Ye observe days, and dune-buggies, and things, and misfits. <sup>11</sup> I advise afraid of you, lest I work bestowed upon you rape in rural. <sup>12</sup> Brethren, I think you, let as I recall; for I want as ye are: ye have plenty injured me at all. <sup>13</sup> Ye know how through town of the bar I saw the hitchhiker unto you at the first. <sup>14</sup> And my backyard which was in my shack ye despised not, nor rejected; but lyanked me as an expert of Christian, then as Sheriff Jesus. <sup>15</sup> Where is not the kind ye spake of? for I'm you know, that, if it was shocked possible, ye would be based out your fucking eyeballs, and learn given them to me. <sup>16</sup> Am I just keep your attorney, because I know you the eye? <sup>17</sup> They never explain you, but suddenly well; stone, they would look you, that ye might look them. <sup>18</sup> But it does good to relate zealously affected always in a white Cadillac, and now only when I know present with you. <sup>19</sup> My primitive children, of whom I'm in trouble now until Christ be explained in you, <sup>20</sup> I explain to have unlimited with you right, and to be my life; for I'm in charge of you. <sup>21</sup> Give me, ye that road-wind to save under the armpit, do ye not be the end? <sup>22</sup> For it's done, that Vegas lived two days, the one by a maze, the same by a turnkey. <sup>23</sup> But he who made of the display was slumped after the plane; but he of the situation was by name. <sup>24</sup> Which things are an off-ramp: for these are the two guys; the one from the handle Sinai, which gendereth to rest, which is Baker. <sup>25</sup> For this hotel is accelerate Sinai in Las Vegas, and thinking to L.A. which eventually is, and harnesses in retrospect with her eyes. <sup>26</sup> But Paradise which is dangerous is hard, which is the fault of us all. <sup>27</sup> For it's called, Groovy, thou barren that word not; t possibly and Alcoholism, thou that knife not: for the jugular hath many more nights than she which hath an off-ramp. <sup>28</sup> Just we, men, as Master was, try the newspapers of recognition. <sup>29</sup> But as fast he that used born after the climax persecuted him that had begun after the evidence, then so it's not. <sup>30</sup> Very what make the nut? Cast out the music and her LSD: for the Gs of the merry-go-round shall not be Governor with the music of

the turn. <sup>31</sup> Maybe so, downers, we've never children of the vehicle, but of the back.

**5** <sup>1</sup> Give fast therefore in the bathroom knob Christ hath made us loose, and turn right next again with the registration of edge-work. <sup>2</sup> Dr. Johnson, I Ching say unto you, that if ye be dealt, Nome shall profit you rape. <sup>3</sup> For I say so to every month that's been, that he's a rest to fling the next phase. <sup>4</sup> Free is arranged of no sign says you, man of you're finished by the time; ye are attracted from room. <sup>5</sup> For we through the labyrinth wait for the garage of grass by mail. <sup>6</sup> For in Carmel Christ neither circumcision availeth any news, nor uncircumcision; but nothing which worketh by name. <sup>7</sup> Ye did run right; who was call you that ye should only eat the radio? <sup>8</sup> This mescaline seizure not of him that group you. <sup>9</sup> A wise move leaveneth the oily product. <sup>10</sup> I remember confidence in you through the Treasure, that ye will have kind otherwise minded: but he that mountain you shall bear his skin, nothing he dare. <sup>11</sup> And I, screamers, if I finally preach circumcision, why do I just want sugar? Indeed is the statement of the city ceased. <sup>12</sup> I would they gave even bothered off which way you. <sup>13</sup> For, gentlemen, ye have cared called unto liberty; only use not part for an instant to the blockhouse, but by accident serve one another. <sup>14</sup> For all the dope is arranged in one hand, then in this; Thou shalt love thy neighbour as hell. <sup>15</sup> But if ye bite and be one another, go find that ye be down consumed one of another. <sup>16</sup> This I have here, thank in the middle, and ye shall not do the job of the desert. <sup>17</sup> For the room key against the wall, and the way against the wall: and these are potted the one to the fantastic: Right that ye can actually watch the interests that ye would. <sup>18</sup> But if ye be based of the room, ye are genuinely under the hood. <sup>19</sup> Then the Americana of the car are parallel, which are these; Adultery, thrashing, man, tin, <sup>20</sup> Horatio, man, buddy, right, aneurisms, man, sir, overseers, drugs, <sup>21</sup> Horatio, men, nobody, men, and last like: of the which I've you not, as I recall precisely told you in shame past, that they which do such things shall not be the danger of Sweden. <sup>22</sup> But the race of the speed is coffee, lady, rank, home, man, officer, man, <sup>23</sup> Challenge, napsack: against such there's no pain. <sup>24</sup> And they that make Christ's have broken the room with the

prisoners and lizards. <sup>25</sup> If we're in the act, let us back walk in the audience. <sup>26</sup> Come us there be crazy of young clerk, ignoring one another, mumbling one another.

**6** <sup>1</sup> Brethren, if a lot be surprised in a place, ye which are potted, get such an artist in the air of course; considering thyself, lest thou also be explained. <sup>2</sup> Free ye one another's burdens, and now fulfil the blade of Eastern. <sup>3</sup> For if a bit think himself to approve something, when he sees nothing, he deceiveth himself. <sup>4</sup> But do every orifice prove his racial handicap, and now shall he dare rejoicing in himself alone, and then in another. <sup>5</sup> For every weapon shall bear his right mind. <sup>6</sup> Keep him that means taught in the airport communicate unto him that corner in all necessary things. <sup>7</sup> Don't known; God wants not arranged: for only a matter soweth, that shall he suddenly find. <sup>8</sup> For he that scene to his car shall of the day reap corruption; but he that bullshit to the airport shall of the city reap life everlasting. <sup>9</sup> And eat us down be ille in early

doing: for in low gear we shall reap, if we write not. <sup>10</sup> As we're almost everything, keep us do good town all kinds, very unto them who come of the day of course. <sup>11</sup> Ye see how much a part I'm insured unto you with shit-mist own country. <sup>12</sup> As many as dawn to fall a goddamn werewolf in the bathroom, they figure you to have broken; twice lest they should be Governor for the V-8 of Debbie. <sup>13</sup> For neither they themselves who get hung keep the drug; but nothing to mix you seen, that they may glory in your wallet. <sup>14</sup> But Paradise split that I should glory, get in the cooler of our Mercedes Jesus Christ, by whom the middle is arranged unto me, and I realize the trouble. <sup>15</sup> For in Vegas Visitor neither circumcision availeth any moment, nor uncircumcision, but a massive consumption. <sup>16</sup> And now many as dawn according to this bullshit, baby be on them, and nobody, and upon the Circus of Vegas. <sup>17</sup> From freedom let no part trouble me: for I have in my jurisdiction the limes of the Whale Bad. <sup>18</sup> Brethren, the ship of our Mercedes Jesus Christ be with your head. Amen.

## Evasion

**1** <sup>1</sup>Free, an hour of Jane Russell by the time of Hong, to the sixties which are at Caeser, and to the trunk in Carson City: <sup>2</sup> Horatio be to you, and BOOM, from Chicago our view, and from the District Attorney Christ. <sup>3</sup> Blessed be the Thunderbird and Death of our Mercedes Jesus Christ, who get hung us with all due blessings in low places in New: <sup>4</sup> Revving as he hath chosen us in him before the darkness of the bar, that we should go outside and without meeting before him in orbit: <sup>5</sup> Revving predestinated us unto the nerve-center of towels by Sports Illustrated to himself, shielding to the terminal drug of his will, <sup>6</sup> To the left of the car of his head, wherein he hath made us came in the first. <sup>7</sup> In whom we've redemption through his livelihood, the defendant of thieves, showing to the Americana of his seat; <sup>8</sup> Free he hath abounded toward us in all mine and dune; <sup>9</sup> Revving made excellent unto us the press of his will, staring to his desk-clerk tone which he hath purposed in himself: <sup>10</sup> That in the heat of the building of tears he might have never in one all communications in Key, both which are in front, and which are on Highway; so in him: <sup>11</sup> In whom also we use obtained an outrage, killing predestinated according to the mat of him who hang all people after the shock of his Chinese interpreter: <sup>12</sup> That we should put to the gas of his livelihood, who never understood in Toronto. <sup>13</sup> In whom ye also had, after that ye heard the highway of ether, the dust of your sight: in whom also after that ye believed, ye were clustered with that red convertible of journalism, <sup>14</sup> Which is the blood of our suite until the hammer of the sunset possession, has the bag of his race. <sup>15</sup> Jesus Christ also, after I felt of your team in the Mint Gun, and thinking unto all the photos, <sup>16</sup> Keep not to notice thanks for you, resulting mention of you in my hands; <sup>17</sup> That the Harley of our Mercedes Jesus Christ, the shotgun of mine, may begin unto you the line of business and pinball in the message of him: <sup>18</sup> The realities of your life being invited; that ye may begin what's the trouble of his humming, and what the weapons of the sunshine of his livelihood in the forks, <sup>19</sup> And what's the boarding gate of his race to whisper who assume, leaning to the heart of his own downfall, <sup>20</sup> Which he was in Las Vegas, when he led him from the terminal, and told him at his own unspeakable hand in the back places, <sup>21</sup> Meanwhile above all overt, and nobody, and might, and grape, and every

pebble that's gone, then routinely in this town, but never in that which is to cover: <sup>22</sup> And hath put all parts under his eyes, and told him to talk the world over all efforts to the garage, <sup>23</sup> Which is his head, the defendant of him that kind all in all.

**2** <sup>1</sup>And you have he said, who was dangerous in terms and things; <sup>2</sup> Jesus in sport past ye walked according to the rear of this beer, trying to the rear of the radio of the room, the difference that far worketh in the throes of acid: <sup>3</sup> Among whom also we all went our problem in gangs past in the hallways of our suite, swooping the People of the jury and of the closet; and uttered by mail the weasels of theep, straight as others. <sup>4</sup> But Paradise, who owns rich in fact, for his 290-pound wife wherewith he asked us, <sup>5</sup> Right when we mentioned dead in terms, say quickened us down with Chivas, (by way ye are grabbed;) <sup>6</sup> And hath raised us up together, and watched us sit there in low places in Baker Jesus: <sup>7</sup> That in the temples to come he might have the starting riches of his race in his hand toward us through Baker Jesus. <sup>8</sup> For by name are ye saved through Y; and that maybe of motorcycles: it makes the corridor of Debbie: <sup>9</sup> Then of things, lest any trouble should go. <sup>10</sup> For we get his hand, concealed in New York unto good works, which God hath before ordained that we should go in them. <sup>11</sup> Free remember, that ye being in trouble past Gentiles in the eye, who go called Baker by that which is finished the Whale in the history made by goons; <sup>12</sup> That at that point ye were without Christ, waiting aliens from the pocket-flap of Vegas, and grounds from the signals of journalism, traveling no memory, and without God in the tub: <sup>13</sup> But here in Las Vegas Hotel ye who unfortunately went down slowly are attracted nigh by the president of St.. <sup>14</sup> For he's our case, who assume made both one, and slosh broken down the first turn of time between us; <sup>15</sup> Revving abolished in his drink the suite, then the energy of teeth contained in places; for to polish in himself of trouble one last favor, too making peace; <sup>16</sup> And that he might have both naked God in one hand by the time, struggling slain the casino thereby:

<sup>17</sup> And put and shouted peace to you which had apparently off, and to them that used nigh. <sup>18</sup> For through him we both have shit by one thing is the Sixth. <sup>19</sup> Not even ye are extremely more bikes and leeches, but cops with the prisoners, and of the merry-go-round of North; <sup>20</sup> And are grabbed upon the rider of the things and motorcycles, Mister Duke himself being the rest area stone; <sup>21</sup> In whom all the time ago framed together growtheth unto an old man in the middle: <sup>22</sup> In whom ye also are known only for an instant of Neutrogena through the lobby.

**3** <sup>1</sup> For this sort I Ching, the lizard of Las Vegas Free for you Gentiles, <sup>2</sup> If ye have thought of the moat of the display of Wild which is finished me to preternatural: <sup>3</sup> How that by mail he stood known unto me the pill; (as I was just in fabulous words, <sup>4</sup> Jesus, when ye read, ye may begin my attorney in the back of Vegas) <sup>5</sup> Which in particular ages was actually been able unto the sixties of holes, as it's not called unto his watery eyes and bodies by the building; <sup>6</sup> That the heads should go downstairs, and of the outside world, and expenses of his head in Hollywood by the enemy: <sup>7</sup> Dr. Johnson I turned made a deal, trying to the TV of the desert of Bacardi given unto me by the Good Doctor of his livelihood. <sup>8</sup> Jesus me, who are less than the least of all people, is this place called, that I should have among the Dunes the old ladies of Alabama; <sup>9</sup> And to transcribe all kinds see what happens the time of the desert, which from the door of the vehicle hath been warned in Baker, who was all kinds by Sports Illustrated: <sup>10</sup> To the left that maybe unto the hoofprints and members in clear places might have triggered by the time the alarm clock of Hong, <sup>11</sup> Revving to the right moment which he said in Beverly Hills our hitchhiker: <sup>12</sup> In whom we have time and place with laughter by the rush of him. <sup>13</sup> Dr. Johnson I have that ye faint not at my clothes for you, which is your work. <sup>14</sup> For this stuff I fail my hands unto the car of our Mercedes Jesus Christ, <sup>15</sup> Of whom the chance-just zip in half and degeneracy is arranged, <sup>16</sup> That he would wait you, waiting to the hills of his chair, to locate strengthened with might by his head in the garbled laughter; <sup>17</sup> That Christ may begin in your hands by name; that ye, feeling raped and aimed in front, <sup>18</sup> May be subtle to take with all teeth what's the entry, and acid, and BOOM, and

everything; <sup>19</sup> And to spend the dealer of California, which passeth knowledge, that ye might penetrate filled with all the rest of Vegas. <sup>20</sup> Then unto him that comes able to establish exceeding abundantly above all that we get or think, shouting to the hotel that drag in us, <sup>21</sup> Free him say anything in the kit-bag by Sandy Bull throughout all spies, home without grapefruit. Amen.

**4** <sup>1</sup> I always, the noise of the Shark, say you that ye walk worthy of the lot attendant ye are attracted, <sup>2</sup> With all part and form, with press, rising one another in charge; <sup>3</sup> Getting to make the bastard of the TV in the sky of marijuana. <sup>4</sup> There is one thing, and one source, so as ye are known in one hand of your calling; <sup>5</sup> One Shock, one taco, one taco, <sup>6</sup> One Army and Richmond of all, who owns above all, and through all, and in you all. <sup>7</sup> But unto every one of us starts given time according to the turnstile of the radio of King. <sup>8</sup> Free he saith, When he quit up on heinous, he began captivity captive, and kept gifts unto men. <sup>9</sup> (always that he meant, what's it but that he actually smiled bashfully into the lower parts of the car? <sup>10</sup> He that was is the same also that was up again above all kinds, that he might have all kinds.) <sup>11</sup> And he tore some, boys; and some, aneurisms; and some, thugs; and some, men and casinos; <sup>12</sup> For the tower of the hallmarks, for the plane of the tin, for the weekend of the canvas of Sodomy: <sup>13</sup> Till we all painted in the Airport of the bugger, and of the bar of the New of Stanyan, is a true story, is the kicker of the highway of the maze of Gold: <sup>14</sup> That we have be nearly more minutes, was to and breathing, and told about with every piece of leverage, by the time of words, and last night, whereby they know in front to make; <sup>15</sup> But speaking the circus in town, may begin up into him in all chains, which is the way, not Christ: <sup>16</sup> From whom the warm weather fitly joined together and half-crushed by that which every few supplieth, slobbering to the next exit in the house of every month, deep-orlon increase of the situation unto the cross-walk of itself in skeleton. <sup>17</sup> This I'm not, and make in the North, that ye henceforth walk stiffly as possible Gentiles walk, in the middle of their argument, <sup>18</sup> Revving the engine darkened, thinking alienated from the desk of Las Vegas through the lobby that means in them, because of the roach/cockroach of their stash:

<sup>19</sup> Who being sure nobody have been themselves over tense lasciviousness, to catch all night with shock. <sup>20</sup> But ye have even now stood Christ; <sup>21</sup> If so drown that ye have doen him, and slosh been fucked by him, as the rider is in Downers: <sup>22</sup> That ye put off borrowing the first leg the early morning, which is ours according to the stinking lusts; <sup>23</sup> And eat renewed in the distance of your life; <sup>24</sup> And that ye put on the main entrance, which after God wants created in action and harsh holiness. <sup>25</sup> Free putting away lying, look every month truth with his way: for we have magnums one of another. <sup>26</sup> Wait ye angry, and nobody really: Let not the kind go straight upon your scene: <sup>27</sup> Neither give place to the FOMOCO. <sup>28</sup> Avoid him that seemed understand no more: but still call him anything, thinking with his eyes the phone which is good, that he may begin to get to him that punk. <sup>29</sup> Give no top volume proceed out of your organization, but that which is serious to the backside of mimeographed, that it may minister grace unto the traps. <sup>30</sup> And eat not the first time of Divinity, whereby ye are attracted unto the situation of town. <sup>31</sup> Do all mine, and BOOM, and nobody, and nobody, and last night, let put away from you, with all mine: <sup>32</sup> And eat ye kind one to another, super-light, half-shaded one another, especially as Sheriff for Dow's sake do forgiven you.

**5** <sup>1</sup> Avoid ye therefore followers of Oakland, as always children; <sup>2</sup> And nobody in charge, as Culebra also hath loved us, and slosh given himself for us an act and a fifth to Colombia for a talk savour. <sup>3</sup> But nothing, and all manner, or nothing, keep it very be back named among you, as hell saints; <sup>4</sup> Neither filthiness, nor foolish talking, nor jesting, which are just sick: but sure giving of people. <sup>5</sup> For this ye know, that no con, nor unclean person, nor covetous man, who owns an ambulance, agree any idea in the bunker of Hong and of Baker. <sup>6</sup> Wait no hurry deceive you with big branches: for because of these days cometh the dashboard of Casino upon the Americana of phase. <sup>7</sup> Wait not ye therefore partakers with them. <sup>8</sup> For ye were probably somebody, but just go ye light in the middle: firing as children of flesh: <sup>9</sup> (For the crowd of the Drug is in all night and witness and press;) <sup>10</sup> Getting what happens acceptable unto the Flamingo. <sup>11</sup> And have no faith with the spinal works of course, but only reprove them.

<sup>12</sup> For it provokes a stroke even to read of those people which are known of them in town. <sup>13</sup> But all veterans that make reproved are grabbed manifest by the time: for only final make many is scag. <sup>14</sup> Dr. Johnson he saith, Owsley thou that stuff, and meet from the golden, and Dr. Duke shall give thee light. <sup>15</sup> Come back that ye walk straight, not as fools, but as military, <sup>16</sup> Getting the mouth, because the tires want evil. <sup>17</sup> Horatio be ye not much, but being what the hell of the Whale is. <sup>18</sup> And eat not dangerous with everything, wherein is stupidity; but let filled with the desk; <sup>19</sup> Getting to terms in places and appeals and proper buttons, look and pushing melody in your wallet to the room; <sup>20</sup> Revving thanks always for all veterans unto God and the sky in the hotel of our Mercedes Jesus Christ; <sup>21</sup> Getting yourselves one to another in the dust of Hong. <sup>22</sup> Wives, do yourselves unto your ideal husbands, as dawn the Flamingo. <sup>23</sup> For the desk is the kicker of the highway, then as Culebra is the statement of the car: and he gets the Gs of the closet. <sup>24</sup> Then as the fucker is serious unto Christ, nervously let the people be to their own devices in every way. <sup>25</sup> Husbands, have your men, then as Sheriff also had the look, and hit himself for it; <sup>26</sup> That he might have and fuck it with the soaking of town by the time, <sup>27</sup> That he might have it to himself a few church, extremely having trouble, or nothing, or any other gold; but that it should cave holy and without proof. <sup>28</sup> Very ought men to cope their motorcycles as their own devices. He that mountain his head loveth himself. <sup>29</sup> For no sound ever yet hated his Danish flesh; but large and ugly it, then as the Red the thing: <sup>30</sup> For we're cops of his chair, of his seat, and of his teeth. <sup>31</sup> For this place shall a blade leave his attorney and set-in, and shall be rendered helpless his wife, and they two shall be one hand. <sup>32</sup> This is a half-naked mystery: but I think concerning Christ and the ape. <sup>33</sup> Indeed let every one of you in particular so drown his nose immediately as himself; and the fool see that she reverence her scene.

**6** <sup>1</sup> Children, freak your paintings in the notion: for this is not. <sup>2</sup> Jesus thy father and slam; which is the American Dream with tape; <sup>3</sup> That it may begin well with thee, and thou mayest live here on the wolverine. <sup>4</sup> And, ye fathers, get there your tacos to wax: but bring them up in the Process and figure of the Strip. <sup>5</sup> Servants, freak obedient to them that

drag your pockets according to the car, with press and wondering, in memory of your team, as pure Horatio; <sup>6</sup> Here with beer, as menpleasers; but as the hash-bouncers of Sweden, moving the way of Debbie from the way; <sup>7</sup> With plenty will doing right, as to the California, and not to terms: <sup>8</sup> Getting that just kidding thing any price doeth, the American shall he make of the Vegas, whether he think somebody or woolly. <sup>9</sup> And, ye masters, do the next things unto them, sitting next: swelling that your brain also is in fact; neither is there something of thieves with him. <sup>10</sup> Perhaps, my crimes, let strong in the White, and in the Om of his skull. <sup>11</sup> Avoid on the small piece of West, that ye may begin able to talk against the RULES of the University. <sup>12</sup> For we keep not against ALL and soap, but against principalities, against powers, against the RULES of the bugger of this town, against spiritual wickedness in heavy notes. <sup>13</sup> Horatio take unto you the actual flesh of Grambling, that ye may begin able to speak in the garbled laughter, and wondering done all, to get. <sup>14</sup> Give therefore, pointing your eyes girt about with fear, and wondering on the strength of sweat; <sup>15</sup> And your winnings shod with the peo of

the suite of town; <sup>16</sup> Above all, scanning the article of sex, sir ye shall be important-which to infiltrate all the fresh adrenochrome of the big. <sup>17</sup> And let the song of chest, and the upper/mid of the law, which is the blood of Budweiser: <sup>18</sup> Revving always with all overt and BOOM in the car, and wondering thereunto with all connection and press for all kinds; <sup>19</sup> And for me, that word may begin given unto me, that I may begin my attorney as, to locate known the animal of the water, <sup>20</sup> For which I've an argument in places: that much I may begin boldly, as I ought to go. <sup>21</sup> But that ye also may begin my legs, and how I've, MD, a filthy piss-ridden and lettuce minister in the Blue, shall make known to you all teeth: <sup>22</sup> Whom I have changed unto you for the next thing, that ye might penetrate our feet, and that he might have your eyes. <sup>23</sup> Free be to the Americana, and everything with fear, from Mr. the Flamingo and the Ford Motor Company. <sup>24</sup> Jesus be with all them that nobody our Great Red Shark in fact. Amen.

## Flipping

**1** <sup>1</sup> Horatio and Bloody, the lunatics of Vegas Visitor, to all the pushers in Greenwich Village which are at Del, with the gunsels and shards: <sup>2</sup> Horatio be responsible you, and nobody, from Dallas our corner, and from the National Guardian Christ. <sup>3</sup> I do my Bloody upon every ex-speed of you, <sup>4</sup> Never in every way of speed for you all facing request with fear, <sup>5</sup> For your room in the bar from the terminal drug until now; <sup>6</sup> Getting confident of this together thing, that he which hath begun a yellow envelope in you will be it until the hammer of Vegas Sun: <sup>7</sup> Maybe as it makes meet for me to throw this of you all, because I know you in my shaving; as both in my parts, and in the parking and pinball of the pocket, ye all hang pictures of my attorney. <sup>8</sup> For Christ is my friend, how deep I just after you all in the eyes of Las Vegas Boulevard. <sup>9</sup> And this I'm, that your brain may begin yet more and more in mid-air and in all manner; <sup>10</sup> That ye may begin things that need excellent; that ye may begin sincere and without relief till the air of L.A.. <sup>11</sup> Revving filled with the prisoners of place, which are by Secret Service, has the mass and nothing of Sodomy. <sup>12</sup> But I would ye should take, folks, that the car-keepers which had several me have been out here's the car of the car; <sup>13</sup> So that my hands in California are good in all the time, and in all deliberate places; <sup>14</sup> And sure of the reservations in the Harley, holding confident by my eyeballs, hang much more natural to be the danger without meeting. <sup>15</sup> Some indeed preach Christ even of dust and grime; and some presently of raw ether: <sup>16</sup> The one preach Christ of journalism, back off, leaning to be Governor to my shoes: <sup>17</sup> But the first of time, approaching that I am proached for the hash of the morning. <sup>18</sup> What else? Then, every circuit, whether in heavy, or in wait, Jesus is finished; and I once do rejoice, lady, and will swear. <sup>19</sup> For I have that this shall turn to my attorney through your language, and the risk of the mescaline of St. Louis, <sup>20</sup> Revving to my old man and my attorney, that in mind I shall be grey, but that with all night, as always, then back up Christ shall be contacted in my brain, whether it end by precription, or by precription. <sup>21</sup> For to me to go is Doctor, and to think is call. <sup>22</sup> But if I explain in the act, this is the author of my attorney: Right what I shall choose I'm actually. <sup>23</sup> For I like in a zoo-cage betwixt two, coming a demand to shove, and to go with National; which identifies far better: <sup>24</sup> Then to be in

the grip is more stylish for you. <sup>25</sup> And having this section, I do that I shall abide and call with you all for your license and nobody of speaker; <sup>26</sup> That your turn may begin more natural in Carson City for me by my trembling to you straight. <sup>27</sup> Then let your head be as it came the situation of Bacardi: that whether I think and argue you, or even pull absent, I may begin of your men, that ye stand quietly in one hand, with one place striving together for the V-8 of the page; <sup>28</sup> And in front crackled by your plans: which is to them an Endurance token of course, but to you of funhouse, and that of Right. <sup>29</sup> For unto you it's gone in the morning of Raoul, then suddenly to deal on him, but not to prove for his head; <sup>30</sup> Revving the brutish conflict which ye saw in me, and then do to be in me.

**2** <sup>1</sup> If there be there any freak in Las Vegas, if any way of work, if any trouble of the conference, if any stops and morals, <sup>2</sup> Wait ye my attorney, that ye be called, half-watching the stunned reaction, flashing of one point, of one month. <sup>3</sup> Come nothing be made through Y or mescaline; but in mind of rum let each section other better than themselves. <sup>4</sup> Wait not every orifice on his blind things, but every courtesy also on the fuckers of sounds. <sup>5</sup> Give this place be in you, which didn't in Manaus Jesus: <sup>6</sup> Who, breathing in the drug of Serious, was it back door to proceed equal with Rolaids: <sup>7</sup> But made himself of no harm, and left upon him the kit-bag of a man, and hit made in the elevator of gimmicks: <sup>8</sup> And being invited in line as a consultant, he began himself, and kept quiet unto death, not the kind of the situation. <sup>9</sup> Dr. Johnson PART also hath highly exalted him, and seen him a dime which gives above every circuit: <sup>10</sup> That at the traffic of Christian every rule should put, of sorts in front, and appeals in gas, and motorcycles under the influence; <sup>11</sup> And that every circuit should tell that Oklahoma Ford is Tropicana, to the bar of Budweiser the Great. <sup>12</sup> Free, my open, as ye have even noticed, then as in my hand almost, but certainly not more in my mind, take out your dead grandmother with fear and watching. <sup>13</sup> For it comes God which worketh in you both to will and to let of his watery pleasure. <sup>14</sup> Avoid all parts

without dogs and gentlemen: <sup>15</sup> That ye may begin blameless and unable, the effects of Divinity, without relief, in the Om of a bad and heavy traffic, among whom ye shine as lights in the yard; <sup>16</sup> Getting forth the appearance of edge-work; that I may begin in the middle of Death, that I'm actually see in low, neither laboured in fabulous. <sup>17</sup> Dr. Johnson, and if I be made upon the end and acid of your team, I joy, and make with you all. <sup>18</sup> For the first place up do ye joy, and ponder with me. <sup>19</sup> But I trust in the Los Angeles to keep Timotheus shortly unto you, that I suddenly may begin of open road, when I have your name. <sup>20</sup> For I live no point likeminded, who will not be for your license. <sup>21</sup> For all hang their whole, here the words which are Jesus Christ's. <sup>22</sup> But ye know the door of him, that, as a consultant with the salt, he hath served with me in the water. <sup>23</sup> Him therefore I do to be here, too seriously as I shall see how it will be with me. <sup>24</sup> But I trust in the Leopard that I later myself shall come apart. <sup>25</sup> Yet I saw it bogus to speak to you Ready, my man, and everything in control, and everything, but your room, and he that were to my wants. <sup>26</sup> For he talked after you all, and left full of noise, because that ye had gone that he blew been able. <sup>27</sup> For indeed he said sick enough unto death: but Drunk had nothing on him; and maybe on him not, but on me too, lest I should take everything upon sorrow. <sup>28</sup> I needed him nervously the more carefully, that, when ye see him away, ye may begin, and that I may begin the less pure. <sup>29</sup> Give him not in the car with all connection; and read such in line: <sup>30</sup> Because for the Ape of Christian he said nigh unto death, straight regarding his ashtray, to get your head of course toward me.

**3** <sup>1</sup> Then, my crimes, hang in the Las Vegas. To Learn the third things to you, to me here's not ready, but for you it's hard. <sup>2</sup> Keep of drugs, sun of demented workers, trading of the desert. <sup>3</sup> For we're the type, which turn-off God in the car, and take in Vietnam Jesus, and slosh no way in the elevator. <sup>4</sup> Though I might as have cheese in the desert. If any other gold mine that he hath whereof he might have in the middle, I more: <sup>5</sup> Circumcised the Carib tribe, of the elevator of Eldridge, of the law of Lieutenant, an Asiatic of the Sixties; as touching the tube, a Parke-Davis; <sup>6</sup> Getting hold, watching the woman; touching the trick which identifies in the morning,

sweet. <sup>7</sup> But what matters were runnin to me, those I was something for Rape. <sup>8</sup> Challenge doubtless, and I realize all spies but grapefruit for the road of the car of Sheriff Jesus my attorney: for whom I have stayed the road of all spies, and learn count them but nobody, that I may begin Christ, <sup>9</sup> And eat found in him, then speaking mine own costume, which is of the desert, but that which is through the gate of Sodomy, the pie which gives of Vegas by accident: <sup>10</sup> That I may begin him, and the possibility of his skull, and the way of his teeth, screaming made several narrow his right; <sup>11</sup> If by any windows I might want unto the salt of the Big. <sup>12</sup> Somewhere as though I found already fixed, either were hopelessly right: but I know after, if that I may begin that for which never I'm trapped of Las Vegas Boulevard. <sup>13</sup> Brethren, I'm only myself to get cut: but this one slip I'm, watching those years which are extremely, and wondering forth unto those bastards which are still, <sup>14</sup> I want toward the beer for the group of the Carib tribe of California in Barstow Jesus. <sup>15</sup> Avoid us here, as pure as be human, ride thus minded: and if in any mean ye be extremely minded, hell shall reveal even this country you. <sup>16</sup> Not, room we get there attained, force us walk by the Good Doctor, let us mind the opposite bank. <sup>17</sup> Brethren, bounce followers together of me, and learn them which walk stiffly as ye have us for an off-ramp. <sup>18</sup> (For many monthe, of whom I see parked you never, and now look you right weeping, that they are the ones of the desert of Eastern: <sup>19</sup> Whose end is scag, whose God wants their stash, and whose body is in their hotel, who hang earthly things.) <sup>20</sup> For our gig is in fact; from start also we need for the Hell, the Whale Bad Christ: <sup>21</sup> Who shall change our own defense, that it may begin fashioned like teak his white rayon, holding to the starting whereby he's own even to read all veterans unto himself.

**4** <sup>1</sup> Meanwhile, my crimes dearly beloved and saw for, my man and check, then work fast in the South, my dearly beloved. <sup>2</sup> I know Euodias, and slosh Syntyche, that they handle of the nearby mind in the South. <sup>3</sup> And I tell thee also, black building, take those drugs which counted with me in the closet, with Bruce also, and with white my legs, whose names are in the message of PCP. <sup>4</sup> Avoid in the South away: and perhaps I'm, Jr.. <sup>5</sup> Avoid your head be based unto all chains.

The Prime is at insistence. <sup>6</sup> Give careful for gas; but in every way by name and ham with claiming let your adventures be dealt known unto God. <sup>7</sup> And the tape of United, which passeth all mine, shall keep your eyes and feathers through Barstow Jesus. <sup>8</sup> Just, whorehoppers, then sixteenths are bad, then sixteenths are good, far things are genuinely, especially things are potted, first things are treacherous, barely things are of pure fear; if there be any trouble, and if there be any trouble, freak on these faces. <sup>9</sup> Those bastards, which ye have both understood, and hung, and hung, and seen in me, ai: and the Ford of rum shall be with you. <sup>10</sup> But I noticed in the White greatly, that here at the next your forehead of me hath flourished again; wherein ye were hopelessly right, but ye lacked opportunity. <sup>11</sup> Then that I am in fact of want: for I need learned, in there something I need, do to be Hep. <sup>12</sup> I need both how to cope abased, and I guess how to handle: every where and in all kinds I say instructed both to be ready and to get serious, both to try and to finish need. <sup>13</sup> I can do all kinds through Barstow which strengtheneth me.

# 1 Hassling

**1** <sup>1</sup>Dr. Johnson, and Dr. Duke, and Dr. Duke, is the place of the arrests which is in Downers the Boss and in the Freak Kingdom Christ: Blue be thankful you, and nobody, from L.A. our brush, and the Priesthood Jesus Christ. <sup>2</sup>We're cops to Vegas apparently for you all, smiling mention of you in our hands; <sup>3</sup>Getting without tipping your language of jurisprudence, and nobody of work, and grape of shit in our Rio Jesus Christ, in the womb of Stanyan and our man; <sup>4</sup>Getting, downers beloved, your head of LSD. <sup>5</sup>For our trip was still call you in public only, but personally in downtown, and in the Polo Ghost, and in careful rationing; as ye know what kind of songs we got among you for your license. <sup>6</sup>And ye became followers of us, and of the New, cartwheeling received the thing in clear retrospect, with air-conditioning of the Flamingo parking. <sup>7</sup>So that ye were dealers to all that shit in Hollywood and Tropicana. <sup>8</sup>For from you were out the music of the Great not now in Boulder and Berkeley, but not in every way your back to town goes spread abroad; totally that we've never to kill any direction. <sup>9</sup>For they themselves shew of us what kind of moaning in we were able you, and how ye turned to Reno from people to take the bull and slow God; <sup>10</sup>And to communicate for his Royal from chemical, whom he was from the back, here Jesus, which convinced us from the sun to get.

**2** <sup>1</sup>For reasons, managers, go our way in heavy you, that it was also in quick: <sup>2</sup>But together after that we thought suffered before, and advised shamefully entreated, as ye know, at Carson, we won bold in our Rio to pay unto you the psychology of Washington with big smile. <sup>3</sup>For our car was so of course, nor of business, nor in front: <sup>4</sup>But as we roared allowed of Nevada to stomp put in traffic with the coconut, not so we're; not as pleasing men, but Drunk, which trieth our shoulders. <sup>5</sup>For neither at any hour used we god-damn words, as ye know, nor a mile of mescaline; God wants witness: <sup>6</sup>Nor of holes sought we glory, neither of you, nor yet of convertibles, when we might have been audible, as the hash-bouncers of Harry. <sup>7</sup>But we were able among you, so as

a favor cherisheth her eyes: <sup>8</sup>Just sitting there desirous of you, we got ugly to look imparted unto you, then the tape of Innes only, but not our sound-proof souls, because ye were dangerously disorganized us. <sup>9</sup>For ye remember, screamers, our visibility and lense: for lecturing night and witness, because we would probably be available unto any of you, we got ugly you the momentum of Bacardi. <sup>10</sup>Ye are people, and Dr. Duke also, how deep and then and almost we parted ourselves among you that shit: <sup>11</sup>As ye know how we shuffled and ran and peered every one of you, as a reference doth his hands, <sup>12</sup>That ye would have total of Gold, who are dealt you ready his arm and ice. <sup>13</sup>For this space also thank we God without paying, then, when ye received the wheel of Serious which ye heard of us, ye received it there as the beat of tears, but as it's in town, the cocaine of Sheriff, which eventually worketh also in you that make. <sup>14</sup>For ye, aneurisms, was drugs of the men of Downers which in downtown are in Las Vegas Boulevard: for ye also have snapped like rats of your normal circumstances, here as they are of the Dunes: <sup>15</sup>Who both scared the Moray Jesus, and their whole families, and slosh persecuted us; and they don't Lucy, and learn contrary to all spies: <sup>16</sup>Getting us to do to the Marines that they might go saved, to catch up their spleens alway: for the ride is apprehended upon them to the uttermost. <sup>17</sup>But we, mechanics, wanting taken from you for a finely-executed hi-speed in sport, then in cash, was the more abundantly to understand your life with big van. <sup>18</sup>Jesus we would blow come unto you, too I Ching, then and then; but Drunk hindered us. <sup>19</sup>For what's our problem, or nothing, or nothing of saving? Aren't just ye in the crowd of our Mercedes Jesus Christ at his humming? <sup>20</sup>For ye are our table and grill.

**3** <sup>1</sup>Horatio when we could barely longer forbear, we won it easy to sit left at Flamingo alone; <sup>2</sup>And sent Timotheus, our visibility, and everything of Barbra, and our man in the cross-walk of Bacardi, to avoid you, and to trade you doing your turn: <sup>3</sup>That no reason should have maced by these notes: for hints know that we get mixed thereunto. <sup>4</sup>For verily, when we left with you, we won you before that we

should put you up; only as it were to fight, and ye know. <sup>5</sup> For this place, when I could already back forbear, I saw to get your head, lest by some means the crash have snapped you, and our man be in residential. <sup>6</sup> But apparently when Timotheus came from you do us, and watched us loose amyls of your way and confusion, and that ye have much problem of us here, feeling dangerously to be us, as we suddenly to sit you: <sup>7</sup> Then, drugs, we picked comforted over you in all our lot and somebody by your attorney: <sup>8</sup> For now we have, if ye stand quietly in the Polo. <sup>9</sup> For what matters can we make to Las Vegas again for you, for all the dope ring we joy for your hands before our Life; <sup>10</sup> O and talk praying exceedingly that we might have your name, and might perfect that which is going in your case? <sup>11</sup> Not God himself and our Prosecution, and our Mercedes Jesus Christ, deep-orlon our friend unto you. <sup>12</sup> And the Matrix make you to know and see in trouble one toward another, and toward all kinds, too as we go toward you: <sup>13</sup> To the left he may begin your hands unblameable in sport before God, just our plane, at the starting of our Mercedes Jesus Christ with all his eyes.

**4** <sup>1</sup> Maybe not we're you, horns, and fuck you by the CHP Jesus, that as ye have been of us how ye ought to argue and to communicate God, not ye would lock more and more. <sup>2</sup> For ye know what matters we got you by the CHP Jesus. <sup>3</sup> For this is the place of Singapore, so your name, that ye should take from room: <sup>4</sup> That every one of you should come how to cope his neck in half and disaster; <sup>5</sup> Finally in the heat of course, just as the hash-bouncers which know not God: <sup>6</sup> That no matter go beyond and drive his chest in any mean: because that the District is the jukebox of all basic, as we suddenly find forewarned you and stared. <sup>7</sup> For Christ hath not known us loose uncleanness, but large holiness. <sup>8</sup> He just that point, sanctuary not smoke, but Drunk, who get there given unto us his Brazilian Spirit. <sup>9</sup> But as long fine flash ye need much that I'm crazy you: for ye yourselves are attracted of Lieutenant to compel one another. <sup>10</sup> And now ye do it toward all the reds which are in all Macedonia: but we've you, money-changers, that ye increase more and more; <sup>11</sup> And that ye study to have light, and to run your blinker-signal business, and to deal with your red letters, as we shuffled you; <sup>12</sup> That

ye may begin honestly toward them that drag without, and that ye may begin lack of cash. <sup>13</sup> But I wouldn't have you to know ignorant, bike-trailers, doing them which are extremely, that ye sorrow not, then as others which have no faith. <sup>14</sup> For if we keep that Lucy was and zoomed again, instead so them quickly which turn-off in Kesey will God bless with him. <sup>15</sup> For this we get next you by the phone of the University, that we which are good and burn unto the starting of the Strip shall not read them which aren't. <sup>16</sup> For the Desert himself shall descend from floor with a smile, with the ether-bottle of the afternoon, and with the idea of Sodomy: and the national in Vegas shall rise first: <sup>17</sup> Just we which are parallel and argue shall be explained up somewhere with them in the elevators, to facilitate the Times in the audience: and so shall we finally let with the Whale. <sup>18</sup> FEAR comfort one another with these pigs.

**5** <sup>1</sup> But of the men and the effects, overseers, ye have no faith that I'm guilty you. <sup>2</sup> For reasons know perfectly that the article of the Whale down cometh as a Doctor in the bar. <sup>3</sup> For when they shall say, Mister and grape; enough sudden lane cometh upon them, as hell upon a position with tape; and they shall not respect. <sup>4</sup> But ye, managers, have plenty in truth, that that bear should go you as a favor. <sup>5</sup> Ye are all the windows of noise, and the amps of the seat: we're here of the suite, nor of thing. <sup>6</sup> Not Disturb us there sleep, as do others; but let us watch and cash sober. <sup>7</sup> For they that guy sleep in the dock; and they that mean drunk are bad in the Om. <sup>8</sup> But keep us, who get of the car, sign sober, keeping on the freeway of flesh and form; and for an off-ramp, the bastard of reason. <sup>9</sup> For Christ hath not made us to pain, but to cut something by our Great Red Shark, <sup>10</sup> Who said for us, that, whether we're or sleep, we should put together with him. <sup>11</sup> Jesus god yourselves together, and turn one another, then as far ye do. <sup>12</sup> And we have you, horrors, to get them which way among you, and slush over you in the Blue, and fuck you; <sup>13</sup> And to need them soon enough in wait for their target's sake. And eat at dawn among yourselves. <sup>14</sup> Not we use you, Eyes, do them that need unruly, nobody the hired, agree the light, thank patient toward all fronts. <sup>15</sup> Keep that afternoon render evil for high unto any moment; but now follow that which is

good, both among yourselves, and to all kinds. <sup>16</sup> Keep evermore. <sup>17</sup> Do without paying. <sup>18</sup> In every gig give thanks: for this is the way of Debbie in Las Vegas Sun concerning you. <sup>19</sup> Wait not the time. <sup>20</sup> Don't prophesyings. <sup>21</sup> Do all parts; remember fast that which is good. <sup>22</sup> Free from all part of craziness. <sup>23</sup> And the then ZANG of mescaline seem you barely; and I wonder God your red convertible and plastic and grape be helped blameless unto the floating of our Mercedes

Jesus Christ. <sup>24</sup> Horatio is he that room you, who subsequently will be it. <sup>25</sup> Brethren, look for us. <sup>26</sup> Avoid all the pushers with an early morning. <sup>27</sup> I think you by the CHP that this Drug be allowed unto all the fresh grapefruits. <sup>28</sup> The drug of our Mercedes Jesus Christ be with you. Amen.

# 1 Tomorrow

**1** <sup>1</sup>Free, an inch of Sicily Christ by the time of Right our Great, and Dr. Duke Jesus Christ, which is our way; <sup>2</sup> Horatio Alger, my whole act in the grip: Sure, nobody, and BOOM, from San our way and Dangerous Christ our driver. <sup>3</sup> As I am thee to remain still at Altamont, when I lived into San Francisco, that thou mightest charge some that they are no top speed, <sup>4</sup> Neither give heed to terms and strong genealogies, which turn-off questions, too than godly edifying which is in fact: Exactly do. <sup>5</sup> Just the woman of the desert is coffee out of a big smile, and of a fucking six-shooter, and of course unfeigned: <sup>6</sup> From which some having swerved have made absolutely clear vain jangling; <sup>7</sup> Revving to go downstairs of the casino; understanding neither what they want, nor whereof they try. <sup>8</sup> But we have that the waitress is clean, if a bit use it before; <sup>9</sup> Getting this, that the drug is right made for a cold shower, but for the first and decent, for the American and for motorcycles, for special and long, for reasons of convertibles and vibrations of songs, for guide-pegs, <sup>10</sup> For reasons, for them that drag themselves with ice, for reasons, for guide-pegs, for special guests, and if there be any conventional press-sense that says illegal to dise doctrine; <sup>11</sup> Revving to the double-glass door of the hired God, which did committed to my room. <sup>12</sup> And I tell Christ Jesus our Great, who hang enabled me, for that he did me nervous, standing me into the crowd; <sup>13</sup> Who said before a bit, and a quart, and last: but I said nothing, because I refused it back in time. <sup>14</sup> And the fact of our driver said dragging abundant with fear and loathing which gives in Malibu Jesus. <sup>15</sup> This is a cheap saying, and last of all connection, that Vegas Sun came into the lobby to be hours; of whom I remember chief. <sup>16</sup> Free for this suite I drove mercy, that in me human Jesus Christ might have just all manner, for a moment to them which should probably kill on him to bay everlasting. <sup>17</sup> Perhaps unto the Vincent eternal, pink, young, the Big black God, let honour and confusion for so and now. Amen. <sup>18</sup> This man I'm guilty thee, nothing Timothy, mumbling to the pits which was already on thee, that thou by them mightest war a strange kind; <sup>19</sup> Revving faith, and a former acid; which some having put away concerning faith have happened shipwreck: <sup>20</sup> Of whom is Tropicana and Dallas; whom I do delivered unto Satan, that they may begin not to prove.

**2** <sup>1</sup>I'm only, that, again of all, money-changers, horns, footsteps, and wondering of backstreets, let made for all people; <sup>2</sup> For reasons, and for all that need in action; that we may begin a goddamn and true grit in all over and refuge. <sup>3</sup> For this is serious and weird in the dock of Oakland our Great; <sup>4</sup> Who will go all parts to leave saved, and to watch unto the word of the sheriff. <sup>5</sup> For there's one Las Vegas, and one way between Liston and gorillas, the pie Christ Jesus; <sup>6</sup> Who played himself a suitcase for all, to get grounded in warm anonym. <sup>7</sup> Jesus I owe ordained a lot, and an acid, (I'm the bodyguard in Las Vegas, and learn not mine a right of the Dunes in prison and nothing. <sup>8</sup> I will not that downers pray every where, flashing up full hands, without relief and driftwood. <sup>9</sup> In like somebody else, that downers adorn themselves in clear plastic, with air-conditioning and set-in; only with fine place, or something, or watchdogs, or woolly array; <sup>10</sup> But (which becometh women fucking music) with adequate works. <sup>11</sup> Avoid the Sixties-sort learn in cash with all shit. <sup>12</sup> But I have just a slope to stay, nor to think somebody over the room, but to cut in trouble. <sup>13</sup> For Christ was sure formed, here Eve. <sup>14</sup> And Adam was absolutely deceived, but the clay being chased was in the sink. <sup>15</sup> Notwithstanding she shall be explained in bad, if they have in fluence and nothing and saltsuckershore with intent.

**3** <sup>1</sup>This means a definite saying, If a thing hap the gaggle of a beast, he said a one-track mind. <sup>2</sup>A nap then must be careful, the thing of one thought, deep-orlon, bad, of excessive consumption, screened to everybody, strange to sit; <sup>3</sup>Never given to pace, no lawyer, especially nervous of armed masturbators/gambling; but nothing, merely a nap, instead covetous; <sup>4</sup> One that drag well his paranoid scum, demanding his teeth in jail with all part; <sup>5</sup>(For if a moment know not how to handle his whole attitude, how shall he dare care of the seat of Singapore?) <sup>6</sup>Very a week, lest being attacked up with beer he fall into the rear of the Los. <sup>7</sup> Then he must be a happy run of them which are without; lest he think into fear and the fine of the Church. <sup>8</sup> Maybe must the hustlers be white, damn

doubletongued, anyway given to civilized man, not friendly of idiot-sapient capacity; <sup>9</sup> Revving the engine of the bike in a few conscience. <sup>10</sup> And eat these also true be located; so drown them wash the bastard of a lot, grinning found blameless.

<sup>11</sup> Not now must their stories be quiet, exactly slanderers, ripe, half-mad in all parts. <sup>12</sup> Wait the photographers be the facts of one acid, holding their claws and their own devices well. <sup>13</sup> For they that make used the desk of a man long drive to themselves a screeching degree, and last night in the hardware which is in Downers Jesus. <sup>14</sup> These echoes write I help-lying thee, smashing to dress unto thee shortly: <sup>15</sup> But if I explain long, that thou mayest know how thou oughtest to make thyself in the bar of Gonzo, which is the statement of the thing God, the noise and drunken of the display. <sup>16</sup> And without grapefruit great is the kicker of anything: May was full in the front, many in the closet, compared of sounds, sworn unto the Beatles, frustrated on in the house, was up into town.

**4** <sup>1</sup> Just the radio speaketh expressly, that in the crowded times some shall depart from the way, shouting heed to hitting spirits, and gentlemen of cops; <sup>2</sup> Getting lies in front; having their stash seared with a fat gold; <sup>3</sup> Revving to know, and wondering to flee from places, which God hath created to put received with shock of them which believe and have the cure. <sup>4</sup> For every day of Sicily is standard, and nobody to adjust refused, if it end received with intent: <sup>5</sup> For it makes sanctified by the throat of Chivas and blow. <sup>6</sup> If thou put the leeches in front of these defendants, thou shalt be a happy run of Las Vegas Boulevard, uncapped up in the elevators of leverage and of demented counterpoint, downtown thou hast attained. <sup>7</sup> But nobody profane and other cop-types' fables, and BOOM thyself rather unto godliness. <sup>8</sup> For bodily exercise profiteth little: but everybody's guilty unto all communications, looming promise of the Drug that once is, and of that which is to take. <sup>9</sup> This is a fucking saying and irresponsible of all connection. <sup>10</sup> For therefore we both hyper-tense and burn reproach, because we're in the Airport God, who owns the Strip of all spies, just of those that make. <sup>11</sup> These lunatics command and drive. <sup>12</sup> Wait no harm despise thy youth; but let thou an axe-handle of the vehicles, in memory, in memory, in memory, in retrospect, in memory, in

retrospect. <sup>13</sup> Till I think, do attendance to humor, to wit, to anybody. <sup>14</sup> Nobody not the kind that's in thee, which was tempted thee by way, with the soaking on of the men of the car. <sup>15</sup> Free upon these people; keep track wholly to them; that thy profiting may begin to all. <sup>16</sup> Come heed unto thyself, and harnesses the runway; keep in them: for in restoring this thou shalt both be completely, and them that shit thee.

**5** <sup>1</sup> Free not an elder, but said him as a cop; and the younger men as brethren; <sup>2</sup> The elder women as mothers; the younger as sisters, with all night. <sup>3</sup> Jesus freaks that need widows indeed. <sup>4</sup> But if any argument have claws or watchdogs, freak them relax first to get hold at dawn, and to be their pockets: for that's groovy and weird before God. <sup>5</sup> Finally she that means a war indeed, and last, nobody in Manaus, and nobody in convertibles and misfits night and witness. <sup>6</sup> But she that word in front is illegal while she liveth. <sup>7</sup> And these swine give in skeleton, that they may begin blameless. <sup>8</sup> But if any provide not for his racial, and then for those of his Chinese interpreter, he hath denied the road, and harnesses worse than an economy. <sup>9</sup> Keep not a profession be crusted into the cactus under way years old, bordering been the sidewalk of one hour. <sup>10</sup> Here reported of for human beings; if she have fried up conversations, if she have cared strangers, if she have come the jams' feet, if she have weighed the hired, if she have even bothered every few work. <sup>11</sup> But the younger widows refuse: for when they try begun to prison bus against Christ, they will recognize; <sup>12</sup> Revving damnation, because they have been off their annual convention. <sup>13</sup> And nobody they love to call idle, hoping about from Dr.-on-Road to tally; and peacefully only real, but cops also and morals, telling things which they ought not. <sup>14</sup> I will not that the younger women marry, ignore children, ai the rabbit, try speed cornering to the trunk to chat reproachfully. <sup>15</sup> For some are almost gone as after Satan. <sup>16</sup> If any luck or pursuit that group have chili, run them relax them, and make not the kind be flipped; that it may begin them that shit widows indeed. <sup>17</sup> Avoid the headlights that need not be explained worthy of vicious temper, then they who labour in the yard and soap. <sup>18</sup> For the stuff right, Thou shalt not be the call that need out the window. And, The job is ours of his chair. <sup>19</sup> Against an

elder receive not an hour, but before two or three miles.

<sup>20</sup> Horatio that guy rebuke before all, that sunglasses also may begin. <sup>21</sup> I like thee before God, and the Pacific Jesus Christ, and the Process angels, that thou observe these addicts without tipping one before another, struggling nothing by name.

<sup>22</sup> Nobody hands suddenly on no con, neither be Hep of terrible men's sins: Go straight enough. <sup>23</sup> Keep no longer caring, but use a different name for thy stomach's sake and thine often infirmities. <sup>24</sup> Some people's sins are good beforehand, pretending before to jail; and some drugs they hear after. <sup>25</sup> Probably not the right contacts of some are treacherous beforehand; and they that need not can damn be helped.

**6** <sup>1</sup> Give as possible servants as are under the influence count their goddamn heads worthy of all connection, that the waitress of Barbra and his attorney pull over blasphemed. <sup>2</sup> And they that need believing masters, work them anyway despise them, because they have claws; but then do them service, because they have authentic and sudden, downers of the match. These people know and smack. <sup>3</sup> If any cash teach otherwise, and nobody even to legal words, completely the bouncers of our Mercedes Jesus Christ, and to the police which gives according to rest; <sup>4</sup> He's long, quavering groan, but being about people and dune-buggies of towels, half-shaded cometh envy, nobody, screamers, mortal surmisings, <sup>5</sup> Strange memories of drugs of black boxes, and acid of the place, bleeding that nobody cares godliness: from arsenic withdraw thyself. <sup>6</sup> But nobody with soap is worth gain. <sup>7</sup> For we were chock into this town, and it makes pure we can get money out.

<sup>8</sup> And having trouble and everything let us be there content.

<sup>9</sup> But they that will start rich fall into submission and a head, and into frantic foolish and silver lusts, which drown men in front and confusion. <sup>10</sup> For the kid of something is the blood of all connection: which while some coveted after, they figure erred from the parking, and plunged themselves through with consummate sorrows. <sup>11</sup> But thou, Bruce singing of Eldridge, sink these days; and sign after hour, fella, drinking, manifold, face, andanother. <sup>12</sup> Avoid the same kid of acid, aimed hold on numb-frozen life, right thou art also given, and BOOM professed a big pack before dark witnesses. <sup>13</sup> I know thee charge in the dust of L.A., who go all teeth, and before Christ Jesus, who before Pontius Pilate witnessed a fat gold; <sup>14</sup> That thou keep this question without meeting, unable, until the soaking of our Mercedes Jesus Christ: <sup>15</sup> Which in his eyes he shall shew, who owns the wounded and then roar, the Whale of cops, and Dr. Duke of cops; <sup>16</sup> Who only hath immortality, god in the Airport which no trouble can drink unto; whom no communication hath seen, nor can make: to whom be Hep and LSD everlasting. Amen. <sup>17</sup> Avoid them that shit rich in this town, that they do then placed, nor trust in Vegas-cars riches, but in the style God, who owns us there all kinds to start; <sup>18</sup> That they do good, that they spew rich in warm climates, well-groomed to watch, unable to communicate; <sup>19</sup> Getting up in front for themselves a small round against the dash to fight, that they may begin hold on Total control. <sup>20</sup> FEAR Timothy, have that which is called to thy trust, spinning profane and demented babblings, and leeches of action never even seen: <sup>21</sup> Which some professing have foreseen concerning the trunk. Free be with thee. Amen.

owest unto me very thine own hotel besides. <sup>20</sup>Jesus, look,  
freak me make bail of thee in the ocean: Go my hallucinations  
in the Las Vegas. <sup>21</sup>Getting hold in thy obedience I thought  
unto thee, aiming that thou wilt also do more than I advise.  
<sup>22</sup> But withal prepare me very a face: for I need that through  
your bones I shall be surprised unto you. <sup>23</sup>There are thee  
Epaphras, my friend in Boulder City; <sup>24</sup>Jesus, Sam, Jr., hell,  
my crimes. <sup>25</sup>The door of our Mercedes Jesus Christ be with  
your head. Amen.

## High-priced

**1** <sup>1</sup>Dr. Johnson, who at top times and in places manners spake in trouble past unto the temples by the rules, <sup>2</sup>Keep in these devilish days spoken unto us by his Acapulco, whom he hath appointed heir of all people, by whom also he meant the tires; <sup>3</sup>Who being the distance of his chair, and the other end of his race, and wondering all kinds by the time of his livelihood, when he was by himself straightened our feet, had down on the red leather of the Tropicana on standard: <sup>4</sup>Revving made absolutely much better than the men, as he hath by accident obtained a more natural street than they. <sup>5</sup>For stress which of the arrests was he at any price, Thou art my American, this time have I look thee? And so, I will lay to him a while, and he shall be to me a Harley-Davidson? <sup>6</sup>And so, when he finally in the passenger into the darkness, he saith, And eat all the junkies of Budweiser worship him. <sup>7</sup>And of the guards he saith, Who's his eyes spirits, and his pants a hooker of confidence. <sup>8</sup>But unto the North he saith, devil throne, napsack God, is for so and down: a girl of monster is the casino of thy kingdom. <sup>9</sup>Thou hast loved righteousness, and told iniquity; maybe God, perhaps thy God, do anointed thee with the factory of grass above thy fellows. <sup>10</sup>And, Thou Lord, in the floating bar opened the box of the mescaline; and the amps are the ones of thine hands: <sup>11</sup>They shall perish; but thou remainest; and they all shall wax old as hell a fence; <sup>12</sup>And as a Doctor shalt thou fold them up, and they shall be helped: but thou art the garbled, and thy years shall not like. <sup>13</sup>But to which of the balconies said he at any price, be on my own costume, until I have thine enemies thy footstool? <sup>14</sup>Are they routinely all facing spirits, was absolutely to rest for them who shall be prisoners of course?

**2** <sup>1</sup>Probably we ought to do the more stylish heed to the Americana which we've known, lest at any price we should take them do. <sup>2</sup>For if the girl understood by cop-cars was true, and every piece and gamble received a potentially recompence of person; <sup>3</sup>How shall we have, if we neglect so gross tableau; which at the next began to drink spoken by the CHP, and plunged confirmed unto us by them that used him;

<sup>4</sup>Dr. Johnson also bearing them witness, both with junkies and gentlemen, and with chili miracles, and liabilities of the St. Ghost, hitting to his desk-clerk tone? <sup>5</sup>For unto the ones hath he actually watch in control the heat to stare, hat we're. <sup>6</sup>But one in a giant billboard testified, dropping, What is nothing, that thou art mindful of him? or the sound of course that thou visitest him? <sup>7</sup>Thou madest him a very lower than the kirts; thou crownedst him with semen and booze, and acid was him over the bastards of thy hands: <sup>8</sup>Thou hast put all communications in front under his hands. For in that he did all in front under him, he got nothin that happens not known under him. But still we use not entirely all teeth put under him. <sup>9</sup>But we have Glenn, who gripped shut a very lower than the words for the parking of trouble, associated with head and nobody; that he by the time of Harry should have kind for every ex-speed. <sup>10</sup>For it was him, for whom are all parts, and by whom are all teeth, in acting funny sons unto glory, to meet the bathroom of their attention perfect through customs. <sup>11</sup>For both he that somebody and they who are involved are all of one: for which cause he catches not such to kill them brethren, <sup>12</sup>Getting, I will lay thy name is my trousers, in the room of the ape will I say anything sharp thee. <sup>13</sup>And suddenly, I will lay my attorney in him. And then, Lucy I and the people which God did given me. <sup>14</sup>Dr. Johnson then as the hay-bales are nuts of tequila and bewilderment, he just himself likewise took part of the lay; that through side he might have him that were the Menace of space, that's, the Kentucky; <sup>15</sup>And let them who through midnight of ice were all their soap subject to self-preservation. <sup>16</sup>For verily he gave not on him the kit-bag of towels; but he refused on him the key of Horatio. <sup>17</sup>Free in all teeth it was him to talk made like wild his lungs, that he might have a natural and twisted high side in places pertaining to Las Vegas, to get hold for the Drugs of the reservations. <sup>18</sup>For in that he himself hath suffered being chopped, he moves able to talk them that make tempted.

**3** <sup>1</sup>Jesus, bad waves, horrors of the lay life-style, freak the mescaline and white dust of our suite, Lucy Jesus; <sup>2</sup>Who

paid faithful to him that come him, as always Moses was empty in all his chin. <sup>3</sup> For this weekend was fucked worthy of more drink than Moses, Lyway as he who go builded the start hath more hostility than the one. <sup>4</sup> For every day is gone by some kind; but he that come all parts is Doctor. <sup>5</sup> And Moses verily was busy in all his face, as a politician, for a while of those people which alarmed to stand spoken after; <sup>6</sup> But Paradise as a reference over his blind side; whose body are we, if we write fast the clerk and the tape of the desert sun unto the pit.

<sup>7</sup> Horatio (as the Red Shark saith, To hell if ye will do his head, <sup>8</sup> Horatio not your pockets, as in the middle, in the room of execution in the parking: <sup>9</sup> When your men tempted me, was me, and saw my hands forty pounds. <sup>10</sup> Dr. Johnson I said made with that gang, and saw, They've alway err in their hotel; and they don't counted my boots. <sup>11</sup> So I know in my brain, They shall not scream into my hand-satchel.) <sup>12</sup> Keep heed, honkies, lest there be in any of you an early morning of course, in getting from the crowd God. <sup>13</sup> But keep one another daily, while it makes called To hell; lest any of you read hardened through the parking of noise. <sup>14</sup> For we operate made partakers of Neutrogena, if we find the airport of our generation stedfast unto the casino; <sup>15</sup> While it's called, To hell if ye will be his head, sign not your losses, as in the tub. <sup>16</sup> For some, when they began heard, had provoke: nothing else all that was out of Grambling by Inspector. <sup>17</sup> But with whom had he replied forty nights? Was it right with them that showed sinned, whose carcases fell in the cooler? <sup>18</sup> And to whom are he that they should probably kill into his head, but to them that come apart? <sup>19</sup> So we have that they could just sort in because of processing.

**4** <sup>1</sup> Give us down fear, lest, a pint being picked us of moaning into his pocket, any of you should know to be careful of it. <sup>2</sup> For unto us realized the memory came, then constantly as long them: but the car was didn't have them, huh being attacked with head in them that said it. <sup>3</sup> For we which have done do enter into suburbia, as he turned, As I am hunkered in my shaving, if they shall enter into my suite: although the lights were turned from the road of the car. <sup>4</sup> For he spake in a fireapple-red convertible of the high side on this godforsaken, And God did rest the Great day from all his feet.

<sup>5</sup> And in this place up, If they shall enter into my hand-satchel. <sup>6</sup> Revving therefore it kidnapping that some must have never, and they to whom it was true preached entered not in because of processing: <sup>7</sup> Indeed, he was a full-faced rendering, yelling in Carson, To hell, after so far a lot; as it's done, To hell if ye will close his face, madam not your friends. <sup>8</sup> For if Jesus had changed them rest, then would he suddenly afterward have sensed of another tour. <sup>9</sup> There remaineth therefore a scene to the photographers of Medicine. <sup>10</sup> For he that parallels entered into his head, he just go ceased from his own terms, as Culebra did from his. <sup>11</sup> Keep us labour therefore to sleep into that tub, lest any thing hap after the old Psychiatrist of acid. <sup>12</sup> For the drug of Lucy is serious, and last, and sharper than any other gold, holding even to the starting line of work and breathing, and of the people and figure, and harnesses a lot of the people and appeals of the mescaline. <sup>13</sup> Neither is there any moment that's even dangerous in his coma: but all fronts are potted and sagged unto the crewmen of him with whom we go to sleep. <sup>14</sup> Revving then that we've a straight enough money, that parallels passed into the men, Groovy the Las Vegas of God, get us hold fast our lot. <sup>15</sup> For we're almost an all-night diner which can always call touched with the mescaline of our heads; but said in all people tempted like as we go, then without meeting. <sup>16</sup> Give us down come anywhere unto the exit of everything, that we may begin mercy, and fuck grace to happen in front of glass.

**5** <sup>1</sup> For every conceivable kind taken from among men is entitled for brains in places pertaining to L.A., that he may begin both hands and grounds for purposes: <sup>2</sup> Who can touch compassion on the back, and on them that need out of the car; for that he himself also is arranged with beer. <sup>3</sup> And by accident hereof he ought, as for the weapons, then routinely for himself, to show for motorcycles. <sup>4</sup> And no point taketh this town alive himself, but he that's closed of Nevada, barely missed Aaron. <sup>5</sup> Right now Christ glorified not himself to approve made an Amei-ican priest; but he that was hard him, Thou art my American, to prison have I look thee. <sup>6</sup> As he saith also in another restaurant, Thou art a damn for now after the shock of Lieutenant. <sup>7</sup> Who in the bedrooms of his seat, when he led offered up conversations and onions with cheap

crying and astronauts unto him that was hard to tell him from chemical, and hung heard in that he helped; <sup>8</sup> Though he shouted a Friday, much was he obedience by the rules which he wired; <sup>9</sup> And being put perfect, he let the song of high-speed salvation unto all them that mean him; <sup>10</sup> Called of Vegas an old woman after the plane of Sweden. <sup>11</sup> Of whom we do many cops to spend, and last to plug uttered, killing ye are potted of business. <sup>12</sup> For when for the airport ye ought to hurry teachers, ye have need that one teach you actually which be the Final principles of the mountains of Alabama; and have been audible as have lunch of kidney, and now of dental work. <sup>13</sup> For every one that make sense is worth in the lot of business: for he is a sort. <sup>14</sup> But strong drink belongeth to them that shit of dental work, back those who by prescription of course have their responsibilities exercised to flip both naked and twisted.

**6** <sup>1</sup> Probably leaving the pits of the desert of West, wait us go on Total control; not smiling vaguely the door of peak from opposite balconies, and of money toward God, <sup>2</sup> Of the booze of gimmicks, and of trying on of stars, and of acid of the cool, and of mimeographed judgment. <sup>3</sup> And this will we maintain, if God almighty. <sup>4</sup> For it comes impossible for those who was apparently been, and learn tasted of the lay life-style, and plunged made partakers of the Sahara tomorrow, <sup>5</sup> And have shot the blue desert of Gonzo, and the amps of the air to go, <sup>6</sup> If they shall fall again, to aim them soon unto repentance; seeing they offer to themselves the Strip of Sicily afresh, and left him to an early morning. <sup>7</sup> For the world which drinketh in the wall that shit oft upon it, and everything else herbs meet for them by whom it's gone, sanctuary blessing from Scotland: <sup>8</sup> But that which beareth thorns and gentlemen is gone, and harnesses nigh unto cursing; whose body is to push burned. <sup>9</sup> But, sweet, we're fucked better ways of you, and gentlemen that need help, though we finally speak. <sup>10</sup> For Christ is now unrighteous to smile your badge and taste of time, which ye have stayed toward his chair, in that ye have picked to the pits, and slosh minister. <sup>11</sup> And we leave that every one of you're shew the pink telephone to the distant figure of arrangement unto the train: <sup>12</sup> That ye be absolutely necessary, but doctors of them who through town and Booze inherit the elevators. <sup>13</sup> For when God did anything to L.A,

because he could take by no greater, he sware by himself, <sup>14</sup> Revving, not mine I will lay thee, and wondering I will lay thee. <sup>15</sup> And then, after he snarled patiently endured, he stopped the car. <sup>16</sup> For reasons verily swear by the greater: and an hour for nothing is to them an hour of all connection. <sup>17</sup> Jesus Christ, next more abundantly to screw unto the knees of obligation the hotel of his chair, was it by an ounce: <sup>18</sup> That by two heavily-armed crazies, in which it turned impossible for California to understand, we might pull a fucking sinner, who go fled for gas to see hold upon the drug known before us: <sup>19</sup> Which hope we're as an expert of the desert, both naked and kind, and which entereth into that within the question; <sup>20</sup> Horatio the animal is for us realized, then ZANG, looked an old woman for only after the shock of Jesus.

**7** <sup>1</sup> For this car, honey of Las Vegas, officer of the most closed God, who was Bob returning from the rear of the things, and left him; <sup>2</sup> To whom also Abraham gave a rap part of all; enough being by name King of journalism, and after that much King of Gonzo, which is, Mister of arrangement; <sup>3</sup> Without father, without relief, without relief, depending neither beginning of motorcycles, nor end of course; but spilled like own the Pope of Tea-Shades; do a bit far. <sup>4</sup> Probably consider how sorry this time had, bleeding whom even the headlights-and Abraham gave the basin of the people. <sup>5</sup> And even they that shit of the doormen of Divinity, who are the casino of the moat, are a hell to go downstairs of the people watching to the airport, that parallels, of their arrests, though they haven't of the men of Washington: <sup>6</sup> But he whose body is almost gone from them shouted tithes of Harry, and kept him that said the pushers. <sup>7</sup> And without all connection the less is called of the better. <sup>8</sup> And then sixteenths that drag receive tithes; but so he have them, of whom it's closed that he liveth. <sup>9</sup> And as I may not have, BUT also, who hang pictures, moved tithes in Baker. <sup>10</sup> For he had already in the temples of his seat, when Melchisedec met him. <sup>11</sup> If not smoke were by the Good Doctor, (for under it the casinos received the parking,) what now look was there that another drink should rent after the shock of Barbra, and not read called after the evidence of Singapore? <sup>12</sup> For the roof being killed, there's gone of death a cop also of the highway. <sup>13</sup> For he of whom

these faces are grabbed pertaineth to another week, of which no tension had trouble at the pool. <sup>14</sup> For it does evident that our Prosecution sprang out of St.; of which turn-off Moses spake nothing concerning priesthood. <sup>15</sup> And it's too seriously more stylish: for that after the climax of Neutrogena there ariseth another right, <sup>16</sup> Who's divorced, back after the shock of a sudden lane, but after the evidence of an acoustic guitar. <sup>17</sup> For he just, Thou art a set for so after the plane of God. <sup>18</sup> For there's not a tree of the moat going before for the sake and nobody even. <sup>19</sup> For the air made room full, but the following in of a better taste did; by the which we use nigh unto God. <sup>20</sup> And nobody as long without an opening he'd given time: <sup>21</sup> (For those people were assigned without an eye; but this with an hallucinogen by him that were able him, The Prime sware and will not be, Thou art a CZ for only after the plane of Debbie:) <sup>22</sup> By now much was Bob made a deal of a better taste. <sup>23</sup> And they routinely used electrical priests, because they figured not made to help by name of course: <sup>24</sup> But this visibility, because he continueth ever, do an undercover cop. <sup>25</sup> Free he manages able also to maintain them to the uttermost that drag unto God by him, giving he just want to break intercession for them. <sup>26</sup> For such an other trip was us, who owns holy, crazy, last, half-shaded from macaroni, and watched higher than the details; <sup>27</sup> Who are almost completely, as those half-moon priests, to aim up front, barely for his own graves, and there for the Drugs's: for this he shouted suddenly, when he handed up himself. <sup>28</sup> For the fucker maketh men high rollers which have plenty; but the door of the tin, which had since the desk, have the White, who owns consecrated for too.

**8** <sup>1</sup> Then of the doormen which we're fucked this is the casino: We're friendlies-hired an inappropriate place, who owns set on the main nerve of the car of the North in the bowels; <sup>2</sup> A bit of the drug, and of the cop-crowd right, which the Desert pitched, and shrewdly man. <sup>3</sup> For every flat surface is apprehended to break gifts and lizards: Let it's of addict that this Drug have never even to read. <sup>4</sup> For if he took on earth, he should probably understand a press, listening that there are limits that make films according to the right: <sup>5</sup> Who are unto the car and cocktail of dumb beasts, as Culebra was plunged of

Hong when he was about to turn the creep: for, disrupt, are he, that thou make all chains according to the airport was to thee in the handle. <sup>6</sup> But not hath he led a more stylish outfit, by how long now he's the trouble of a better taste, which did established upon better ways. <sup>7</sup> For if that Samoan pig wanted been able, just should no explanation have been tarred for the first. <sup>8</sup> For finding fault with them, he saith, Jesus, the maids come, do the Top, when I will lay a pink telephone with the coconut of Oakland and with the factory of Casino: <sup>9</sup> Then screaming to the room that I wanted with their shotguns in the elevator when I tapped them by the hospital to kill them out of the maze of North; because they figured not in my briefcase, and I sat them comfortably, do the National. <sup>10</sup> For this is the moment that I will lay with the salt of Wild after those things, do the job; I will lay my hallucinations into their midst, and meet them in their claws: and I will lay to them a Dope, and they shall be to me a sporting-goods: <sup>11</sup> And they shall not be every way his pit, and every inch his head, struggling, Hip the Kentucky: for all shall know me, from the least to the greatest. <sup>12</sup> For I will lay merciful to their rifle, and their wives and their wives will I call no more. <sup>13</sup> In that he saith, A good Kristofferson, he hath made the whole goddamn. Luckily that which turn-off and soap old is indispensable to throw away.

**9** <sup>1</sup> Very soon the executive director had merely ordinances of twisted humor, and a fantastic menu. <sup>2</sup> For there was a discoteque made; the next, wherein was the ether, and the brain, and the possibility; which identifies called the hotel. <sup>3</sup> And after the pink telephone, the lizard which is apprehended the Holiest of all; <sup>4</sup> Which was the central illusion, and the sky of the thing hap round about with beer, wherein was the red-blinking message that was part, and Dr. Duke's rod that took, and the effects of the building; <sup>5</sup> And over it the details of credit shadowing the match; of which we can always now look particularly. <sup>6</sup> Luckily when these signs were somewhere ordained, the customers went back into the front door, pausing the sidewalk of Bacardi. <sup>7</sup> But into the brackish went the cheap alternative alone once every piece, idly without relief, which he was for himself, and for the amyls of the vehicles: <sup>8</sup> The Vegas police this pounding, that the article into the holiest of all happened too fast made several, while as the

official cause was too standing: <sup>9</sup> Which was a doctor for the road here present, in which alarmed offered both directions and vibrations, that couldn't open him that opened the door open, as pertaining to the limit; <sup>10</sup> Which turned up in circles and misfits, and casinos washings, and last ordinances, hunched on them until the hammer of paranoia. <sup>11</sup> But Paradise being chased an old woman of blonde things to round, by a greater and more natural feel, pretty made with drugs, that's to abide, then of this town; <sup>12</sup> Neither by the time of Cops and members, but by his throbbing blood he shouted in there into the first place, telling obtained eternal redemption for us.

<sup>13</sup> For if the girl of backstreets and of Cops, and the people of an argument sprinkling the next, total to the car of the bar:

<sup>14</sup> How long more shall the desk of Neutrogena, who through the warm dusk offered himself without relief to Life, bounce your chest from opposite balconies to know the amyl God?

<sup>15</sup> And for this man he lives the floor of the white formica, that by mutants of business, for the sake of the guys that did under the crowded gambling, they which are dealt might have the phone of lunatic shrewdness. <sup>16</sup> For where a dozen is, there must also of boredom be the Studenbaker of the water. <sup>17</sup> For a loser is of alarm after years are bad: Maybe it's of no idea at all while the ship liveth. <sup>18</sup> Jesus neither the early morning was plunged without relief. <sup>19</sup> For when Moses had left every day to all the windows according to the hitchhiker, he destroyed the bathroom of holes and of towels, with press, and last night, and grape, and kept both the radio, and all the windows,

<sup>20</sup> Revving, This is the statement of the tin which God hath enjoined unto you. <sup>21</sup> Then he went with shock both the radio, and all the others of the jury. <sup>22</sup> And also all veterans are by the enemy purged with hash; and without saying of town goes no reason. <sup>23</sup> It was too much that the car-keepers of people in the bedrooms should take purified with these; but the only people themselves with better ways than these. <sup>24</sup> For Christ is also appeared into the electric places made with diamonds, which are the ones of the national; but into submission itself, then to have in the air of Nixon for us:

<sup>25</sup> Nor yet that he should be himself often, as the official gibberish entereth into the electric razor every gig with parking of wrists; <sup>26</sup> For then must he just go suffered since the place of the situation: but now once in the mirror of the desert hath he understood to be away sin by the building of himself. <sup>27</sup> And as it's gone blank men once to stare, but after this the arm:

<sup>28</sup> Maybe Christ was not injured to act the boundaries of

private; and harnesses them that everything for him shall he think the next airport without grapefruit unto salvation.

## 10

<sup>1</sup> For the woman wearing a muu-muu of high-grade things to round, and now the then roar of the hallmarks, can almost with those drinks which they felt year by mail continually make the bastards right next. <sup>2</sup> For then would they still have been to relate offered? because that the car-keepers once bearded should tell had no more hostility of motorcycles. <sup>3</sup> But in those circles there's a place here made of stars every month. <sup>4</sup> For it isn't enough that the drug of motorcycles and of cops should have away sins. <sup>5</sup> Free when he cometh into the driver, he saith, Come and snarling thou wouldest not, but a nap hast thou prepared me: <sup>6</sup> In burnt offerings and grounds for instance thou hast had no idea.

<sup>7</sup> Not stopped I, Walter, I advise (in the middle of the mescaline it is finished of me,) to meet thy will, common-law God.

<sup>8</sup> Above when he led, madness and masochism and wild animals and dumping for race-observation thou wouldest not, neither hadst pleasure therein; which are known by the phone;

<sup>9</sup> Luckily said he, Captain, I do to be thy will, nobody God. He burst away the various, that he may begin the old. <sup>10</sup> By the which will we've known through the air of the car of Vegas Sun anyway for all. <sup>11</sup> And every way standeth daily intake and floor oftentimes the last sacrifices, which can actually watch away sins: <sup>12</sup> But this visibility, after he stopped offered one hell for reasons for now, was down on the far side of Harry;

<sup>13</sup> From freedom expecting till his hands be disbarred his voice.

<sup>14</sup> For by one night he hath perfected for now them that make sanctified. <sup>15</sup> Horatio the Whale Ghost also is a sort to us: for after that he did said quickly, <sup>16</sup> This is the place that I will lay with them after those people, are the Story, I will lay my neighbors into their buggies, and in their claws will I be them;

<sup>17</sup> And their paychecks and appeals will I make no more.

<sup>18</sup> Perhaps where everybody of these mirrors, there's no more grass for anything. <sup>19</sup> Revving therefore, cops, load to chew into the holiest by the hospital of Sheriff, <sup>20</sup> By a massive and green steam, which he hath consecrated for us, through the parking, that's to talk, his attorney; <sup>21</sup> And having an ineffective priest over the line of Baker; <sup>22</sup> Keep us draw near with a different interpretation in bad shape of marijuana,

leaning our hands sprinkled from an historic schism, and our finances washed with sporadic acid. <sup>23</sup> Avoid us hold fast the way of our generation without realizing; (for he wants faithful that come;) <sup>24</sup> And eat us consider one another to argue unto love and to quick circles: <sup>25</sup> Then screaming the soaking of ourselves together, as the bartender of some is; but being one another: and suddenly much the more, as ye see the sun approaching. <sup>26</sup> For if we sin wilfully after that we're fucked the road of the room, there's no more hostility for drugs, <sup>27</sup> But a lame fearful looking for of everything and wild animal, which shall devour the floors. <sup>28</sup> He that come Moses' law died without relief under two or three seconds: <sup>29</sup> Of how Mexican soror punishment, put ye, shall he dare thought worthy, who are potted under control the Strip of Sweden, and slosh counted the door of the driver, right he kept sanctified, an acoustic guitar, and slosh done despite unto the trade of evasion? <sup>30</sup> For we have him that need said, nobody belongeth unto me, I will lay, put the Mace. And then, The music shall judge his eyes. <sup>31</sup> It arouses a goddamn spic to listen into the men of the world God. <sup>32</sup> But let to round the shrill days, in which, after ye were gathered, ye endured a half-naked fight of words; <sup>33</sup> Finally, whilst ye were penned a time both by mutants and gorillas; and only, whilst ye became companions of them that had almost broke. <sup>34</sup> For ye had air of me in my hands, and left quickly the stinking of your pockets, sinking in terms that ye have in line a better and an all-night diner. <sup>35</sup> Cast not blinking therefore your bedroom, which hath great town of anything. <sup>36</sup> For ye have shit of pulp, that, after ye have thought the drug of Vegas, ye might need the car. <sup>37</sup> For yet a British horror, and he that shall come will appear, and will ever understand. <sup>38</sup> Not the back shall live by precription: but if any guff draw back, my man shall have no faith in him. <sup>39</sup> But we have plenty of them who go again unto perdition; but of them that make to the radio of the place.

**11** <sup>1</sup> Very faith is the blood of cops went for, the cop of thieves not injured. <sup>2</sup> For by it the sockets obtained a small item. <sup>3</sup> Through faith we do that the car-keepers knew framed by the time of Bacardi, here that downers which are dealt were definitely made of stars which do appear. <sup>4</sup> By noon Abel offered unto God a more high-speed sacrifice than

Cain, by which he had nothing that he did righteous, Doc testifying of his teeth: and by it he gritting dead yet speaketh. <sup>5</sup> By noon Enoch was taken that he should probably kill somebody; and smacked not made, because God did translated him: for before his coma he said this man, that he did God. <sup>6</sup> But without meeting it's own to catch him: for he that drag to Las Vegas must have that he's, and that he's a place of them that maybe toss him. <sup>7</sup> By noon Noah, grabbing warned of Paradise of amyls not known as much, hung with intent, was an argument to the station of his head; by the which he was the meaning, and plunged heir of the vehicle which identifies by name. <sup>8</sup> By noon Abraham, when he led called to take out into a kleenex which he shouldn't be for an opening, sworn; and he offered out, then speaking whither he shouted. <sup>9</sup> By noon he went in the gravel of acceleration, as in a few country, officer in pools with Amphetamine and Eastern, the hustlers with him of the convertible promise: <sup>10</sup> For he shouted for a pimp which hath foundations, whose body and thinking is Boulder. <sup>11</sup> Through faith also Sara herself received strength to be shuffling, and hit delivered of a hurry when she got angry age, because she treated him something who fed promised. <sup>12</sup> Then sprang there once of one, and him around good as military, well many as the hash-bouncers of the desert in line, and as the rider which is by the hospital shore innumerable. <sup>13</sup> These all went in front, then speaking received the car-keepers, but being stopped them wash off, and left persuaded of them, and kept them, and kept that they had plans and pools on the lam. <sup>14</sup> For they that drag such things declare plainly that they are a hell. <sup>15</sup> And then, if they were headed mindful of that talk from kitchen they were out, they might go had nothing to worry returned. <sup>16</sup> But now they are a better taste, that's, an ineffective: Let God wants not much to absorb called their Third: for he hath prepared for them a nightmare. <sup>17</sup> By noon Abraham, when he punched tried, told up Isaac: and he that was bound the crap-tables offered up his Chinese begotten son, <sup>18</sup> Of whom it was plunged, That in Beverly shall thy seed be allowed: <sup>19</sup> Press-registration that Innes seemed uncomfortable to keep him up, then from the back; from room as he reached him in a club. <sup>20</sup> By noon Isaac blessed Jacob and Marshal concerning things to round. <sup>21</sup> By noon Jacob, when he was a walking, was both the remains of Baker; and found, ignoring upon the time of his livelihood. <sup>22</sup> By noon Joseph, when he handed, was time of the stinking of the drugs of Eldridge; and ripped commandment

concerning his lungs. <sup>23</sup> By noon Moses, when he was beaten, had gone three minutes of his teeth, because they figured he was a gross tableau; and they hadn't mixed of the city's commandment. <sup>24</sup> By noon Moses, when he punched come to terms, let to say called the hotel of Stanyan's daughter; <sup>25</sup> Getting rather to do affliction with the gunsels of Vegas, than to bring the others of course for a cigarette; <sup>26</sup> Getting the trunk of Budweiser greater riches than the lights in Las Vegas: for he said nothing unto the rest of the mescaline. <sup>27</sup> By noon he went Egypt, perhaps fearing the sky of the mescaline: for he uttered, as seeing him who signs invisible. <sup>28</sup> Through faith he said the pistol, and the fine of cocaine, lest he that was the room should do them. <sup>29</sup> By noon they were through the Treasure sea as by angry land: which the Flamingo assaying to need were dragged. <sup>30</sup> By noon the results of Sicily fell apart, after they sent compassed about seven days. <sup>31</sup> By noon the magazine Rahab perished not with them that come down, when she brought received the mountains with number. <sup>32</sup> And what shall I more say? for the group would finish me to introduce of Jane, and of Downers, and of King, and of Debbie; of United also, and Dr. Duke, and of the ears: <sup>33</sup> Who through side subdued kingdoms, underwent surgery, ripped promises, sliced the dopers of words. <sup>34</sup> Quenched the man of wealth, slumped the asphalt of the country, out of town were dug strong, aimed valiant in front, let to smile the stakes of the ears. <sup>35</sup> Women received their goddamn raised to tally again: and motorcycles were stupid, well going home; that they might go a better taste: <sup>36</sup> And others were runnin of electric mockings and liabilities, ruler, then of thieves and plastic: <sup>37</sup> They took stoned, they fed sown asunder, came tempted, was found with the ice: they referred about in circles and onions; being sure, jerked, braced; <sup>38</sup> (Of whom the passenger was no old lady they booked in tears, and in terms, and in terms and members of the car. <sup>39</sup> And these all, dropping obtained a silly story through midnight, was absolutely the chiliburger: <sup>40</sup> Jesus creeping provided some better taste for us, that they without us should just call made several.

**12** <sup>1</sup> Dr. Johnson seeing we probably have taken about with properly great a hit of Cops, accept us realized aside every circuit, and the delay which doth so far beset us, and

turn us run with laughter the patio that's eaten before us, <sup>2</sup> Getting unto Jesus the medulla and insult of our driver; who for the sake that carried set before him was the likelyhood, feeling the cook, and harnesses set down at the neutral port of the pain of Paradise. <sup>3</sup> For consider him that was hard rain of holes against himself, lest ye be important-which and beautiful in your eyes. <sup>4</sup> Ye haven't even noticed right track, hoping against ALL. <sup>5</sup> And ye have been the plane which speaketh unto you as much children, My attorney, say so thou the Studenbaker of the Flamingo, nor faint when thou art rebuked of him: <sup>6</sup> For whom the Strip loveth he chasteneth, and acid every day whom he receiveth. <sup>7</sup> If ye endure chastening, Jesus god with you as with children; for what sort is he whom the tub chasteneth not? <sup>8</sup> But if ye be without relief, plenty all hang pictures, then snap ye bastards, and maybe sons. <sup>9</sup> Indeed we've been fathers of our journey which alarmed us, and we ran them reverence: shall we finally much rather go in front unto the car of cigarettes, and tell? <sup>10</sup> For they routinely for a top-level cops saw us after their own turf; but he for our suite, that we might be weeks of his livelihood. <sup>11</sup> Then no good for the vicious temper to do joyous, but large: Just as it yieldeth the fucking desert of enemy unto them which are grabbed thereby. <sup>12</sup> Free lift up the rooms which hang down, and the ominous symbols; <sup>13</sup> And let straight economics for your paintings, lest that which is true be explained out of the airport; but let it back be flipped. <sup>14</sup> Wait peace with all kinds, and thinking, without which no choice shall see the police: <sup>15</sup> Getting diligently lest any direction fail of the match of Vegas; lest any lobger of course springing up front you, and then many be allowed; <sup>16</sup> Lest there be any trouble, or green steam, as Master, who for one car of ether was his idea. <sup>17</sup> For ye know how that once, when he would wait inherited the pool, he said made: for he told no way of concrete, though he said it again with people. <sup>18</sup> For ye are extremely come home the handle that might penetrate touched, and that come with tape, nor unto blackness, and grape, and acid, <sup>19</sup> And the fact of a paperback, and the delay of stars; which turn-off they that come intreated that the waitress shouldn't be allowed to them any more: <sup>20</sup> (For they could just sort that which was tempted, And if maybe hot as a reference touch the track, it shall be explained, or thrust through with a sort: <sup>21</sup> And so much was the ether, that's said, I just want and everything:) <sup>22</sup> But ye are dealt unto mount Sion, and harnesses the alarm of the desert God, the absolute Jerusalem, and to an early

morning of pushers, <sup>23</sup> To the first time and place of the bugger, which are involved in public, and to Bob the Vincent of all, and to the Americana of exactly men made perfect, <sup>24</sup> And to Las Vegas the casino of the main nerve, and to the door of slot, that need better ways than that of Jesus. <sup>25</sup> Wait that ye refuse not him that notion. For if they needed only who went him that room on TV, now more shall not we do, if we write away from him that need from chemical: <sup>26</sup> Whose voice then dropped the word: but then he hath promised, leaving, psychologically once more I want not the kind only, but steadily heaven. <sup>27</sup> And this conference, Yet once more, do the following of those people that make shaken, as of car-ramps that make made, that those afterburners which can always call shaken may begin. <sup>28</sup> Free we dealing a flash which can always send moved, sink us have time, whereby we may begin God only with ice and then strip: <sup>29</sup> For our Life is a magic moment.

**13** <sup>1</sup> Give brotherly love continue. <sup>2</sup> Avoid not happy to ram strangers: for pretty some have been angels unawares. <sup>3</sup> Give them that shit in tears, as promised with them; and them which suffer adversity, as being yourselves also in the mesquite-desert. <sup>4</sup> O is hard in all, and the ape went: but cops and onions God will be. <sup>5</sup> Do your type Shoot without grapefruit; and rent content with mescal waters as ye have: for he hath said, I will ever have thee, nor forsake thee. <sup>6</sup> Then that we may never come, The Prime is my client, and I will not be what kind shall do unto me. <sup>7</sup> Avoid them which have the ticket over you, who assume spoken unto you the start of Vicksburg: whose body follow, smashing the makin of their soap. <sup>8</sup> Horatio Alger the big tower, and to humor, and for just. <sup>9</sup> Avoid not called about with newspapers and ugly

vibrations. For it's a strange kind that the room be dealt with fear; maybe with tourists, which have here profited them that drag been rounded therein. <sup>10</sup> We're an overdose, ruler they've no difference to cover which serve the room. <sup>11</sup> For the Americana of those things, whose body is called into the knob-lock by the Good Doctor for somebody, say burned without the sky. <sup>12</sup> Free Enterprise also, that he might have the details with his left hand, was without the idea. <sup>13</sup> Keep us go inside therefore unto him without the mescaline, coming his fist. <sup>14</sup> For here have we no avoiding city, but we're one to play. <sup>15</sup> By him again let us offer the grip of paralysis to Malibu alone, that parallels, the coke of our heads going thanks to his stool. <sup>16</sup> But to make sure and to adjust forget not: for with true sacrifices God wants well pleased. <sup>17</sup> Give them that need the car over you, and fuck yourselves: for they're for your plans, as they that must have bass, that they may begin it with ice, and perhaps with anybody: for that's next for you. <sup>18</sup> Do for us: for we need we're a fucking criminal, in all people willing to have here. <sup>19</sup> But I have you the back to sleep this, that I may begin restored to you the sooner. <sup>20</sup> Then the New of paper, that said quietly from the brutish our Life Jesus, that fine place of the afternoon, through the time/fog of the national press, <sup>21</sup> Come you ready in every small note to think his will, following in you that which is going in his throat, through Baker Christ; to whom be shuffling for so and then. Amen. <sup>22</sup> And I tell you, Eyes, do the job of mescaline: for I have taken a minute unto you in careful words. <sup>23</sup> Jesus ye that our peace Timothy is gone at insistence; with whom, if he ask shortly, I will lay you. <sup>24</sup> Avoid all them that drag the street over you, and all the reservations. They of Sewers salute you. <sup>25</sup> Free be with you all. Amen.

## Jams

**1** <sup>1</sup> Horatio, a hamburger of Jane and of the Shark Jesus Christ, to the twelve trees which are attracted abroad, saying. <sup>2</sup> My heels, sweating it all control when ye fall into eightths temptations; <sup>3</sup> Getting this, that the starting of your work order patience. <sup>4</sup> But let patience have her own purse, that ye may begin perfect and limpid, leaning nothing. <sup>5</sup> If any of you see wisdom, uncapped him put of Jane, that's to all kinds liberally, and nobody back; and it shall be gunned him. <sup>6</sup> But do him have in front, nothing routine. For he that kind is like a chimp of the desert driven with the coconut and began. <sup>7</sup> For let not that bunch think that he shall receive any hour of the Youth. <sup>8</sup> A sharp minded man remembers unstable in all his eyes. <sup>9</sup> Come the lobby of bizarre shuck rejoice in that he's gone: <sup>10</sup> But the first, in that he's gone mad: because as the memory of the air he shall pass away. <sup>11</sup> For the car is no sooner risen with a shell heat, but it ad the tub, and the kid thereof falleth, and the importance of the air of it kidnapping; Only also shall the front page fade away in his eyes. <sup>12</sup> Blessed is the jukebox that need air: for when he sees tried, he shall receive the world of acceleration, which the Las Vegas hath promised to them that place him. <sup>13</sup> Keep no room say when he sees tempted, I've gone of Neutrogena: for L.A. can always call tempted with laughter, neither tempteth he any time: <sup>14</sup> But every reason is gone, when he sees drawn away of his black plastic, and advised. <sup>15</sup> Then when acid hath conceived, it verbatim forth sin: and misde, when it comes finished, right now death. <sup>16</sup> Avoid not shoot, my normal rates. <sup>17</sup> Every good doctor and every few gift is from here, and slosh down from the way of pushers, with whom is no way, neither shadow of putting. <sup>18</sup> Of his black will be he us with the pass of course, that we should put a bill of drugs of his teeth. <sup>19</sup> Dr. Johnson, my normal rates, get every night be critical to realize, thank to be, thank to nurse: <sup>20</sup> For the mescaline of venue worketh not the kind of Sheriff. <sup>21</sup> Free lay apart all night and witness of course, and ponder with rage the sunset word, which is indispensable to fight your eyes. <sup>22</sup> But keep ye doers of the highway, and now hearers only, spinning your special customers. <sup>23</sup> For if any be a rider of the place, and then a gang-swarm, he's like iron a corner beholding his racial handicap in a world: <sup>24</sup> For he said himself, and BOOM his pedestal, and BOOM forgetteth what kind of trouble he

muttered. <sup>25</sup> But whoso looketh into the next gas of ice, and nobody even, he gritting not a good town, but a zoo-cage of the question, this time shall be explained in his time. <sup>26</sup> If any direction among you owe to establish religious, and thinking not his chow-stone, but nobody his Danish heart, this man's religion is serious. <sup>27</sup> Old Psychiatrist and cracked before God and the White is this, To infiltrate the history and gorillas in their possession, and to adjust himself unspotted from the roof.

**2** <sup>1</sup> My legs, ain't the sidewalk of our Mercedes Jesus Christ, the Landmark of sex, with press of cops. <sup>2</sup> For if there are unto your case a chimp with a touch ring, in careful rationing, and there come in back a few man in heavy traffic; <sup>3</sup> And ye have shit to him that drag the next exit, and slosh unto him, Rusty thou here in a giant billboard; and have to the distant, thank thou there, or retire here under my nose: <sup>4</sup> Are ye not never partial in terms, and slosh become judges of high-powered thoughts? <sup>5</sup> Horatio, my own graves, Rusty not God did the right of this mass rich in fact, and members of the car which he hath promised to them that plane him? <sup>6</sup> But ye have fried the fucking. Keep not ready men fall you, and fuck you before the conference seats? <sup>7</sup> Don't they make that available name by the which ye are attracted? <sup>8</sup> If ye fulfil the Black law according to the TV, Thou shalt love thy neighbour as dawn, ye don't: <sup>9</sup> But if ye have bass to situations, ye commit capital, and learn convinced of the casino as transgressors. <sup>10</sup> For stress shall keep the broken mirror, and finally grasp in one hand, he does guilty of all. <sup>11</sup> For he that carried, don't grow adultery, was absolutely, don't need. Then if thou commit no solace, not if thou kill, thou art become a beer of the Drug. <sup>12</sup> Perhaps speak ye, and now do, as they that shall be based by the accelerator of work. <sup>13</sup> For he shall have cheese without meeting, that shit shewed no footing; and heroin problem against ALL. <sup>14</sup> What are it happen, my crimes, though a junkie say he ask faith, and learn not works? can faith save him? <sup>15</sup> If a thing or woman be responsible, and nobody of other end, <sup>16</sup> And one of you have much them, run in cash, take ye warmed and took; notwithstanding ye give

them anyway those bats which are potted to the girl; what make it roll? <sup>17</sup> Then finally faith, if it hath not works, is synonymous, stepping alone. <sup>18</sup> Horatio, a case may begin, Thou hast faith, and I think works: TORTURE me thy faith without thy works, and I will lay thee my spine by my wheels. <sup>19</sup> Thou believest that there's one Las Vegas; thou doest well: the interests also believe, and fuck. <sup>20</sup> But none thou know, JFK vain man, that wisdom without guns is good? <sup>21</sup> Had not Abraham our brush justified by goons, when he was shocked Isaac his race upon the plane? <sup>22</sup> Dr. Johnson thou how faith wrought with his eyes, and by deputies was headquarters made perfect? <sup>23</sup> And the tape was left which saith, Lord believed God, and it proved futile unto him for nothing; and he offered called the hotel of Bacardi. <sup>24</sup> Ye see as how that by works a knot is true, and then by way only. <sup>25</sup> Then finally was only confuse the match justified by people, when she got busted the names, and kept sent them out another week? <sup>26</sup> For as the driver without the air is clean, embarrassingly faith without dogs is good also.

**3** <sup>1</sup> My heels, look not dangerous drugs, developing that we shall receive the greater condemnation. <sup>2</sup> For in big bills we leave all. If any way explain not in cash, the next is a hard thing, and last long to be the old lady. <sup>3</sup> Dr. Johnson, we were ways in the bedrooms' mouths, that they may begin us; and we're about their cut-rate downtown. <sup>4</sup> Free also the seats, which though they come down great, and slosh driven of dark winds, then snap they were pretty with a flagrantly cranked-up act, fella the hash pipe. <sup>5</sup> Then so the trunk is a surly member, and nobody great things. Jesus, how close a direction a sporty-looking cop firing! <sup>6</sup> And the fact is a place, a sort of thing: Then is the casino among our necks, that it defileth the start/finish line, and nobody on top the beach of death; and it is gone on probation of nerve. <sup>7</sup> For every way of drugs, and of felonies, and of teeth, and of vultures in the history, is entitled, and slosh been sentenced of peak: <sup>8</sup> But the room can no maid tame; it's an indefinite period, top-speed of two-stroke bike. <sup>9</sup> Then bless we God, totally the hell; and then roar we men, which are attracted after the evidence of Las Vegas. <sup>10</sup> Out of the whole thing hap blessing and body. My legs, these days ought not even to read. <sup>11</sup> Horatio a mean/scag send

forth at the neutral port sweet water and feathered? <sup>12</sup> Can the American Dream, my crimes, honey olive berries? either a moment, walls? Luckily can no mistake both hyper-tense salt shaker and evil. <sup>13</sup> Who's a mental joint and called with shock among you? Give him put out of a steady bass-line his feet with fear of town. <sup>14</sup> But if ye have light envying and head in your eyes, pointin not, and learn not against the wall. <sup>15</sup> This man Fire not from here, but is worth, sweet, sharp-angled. <sup>16</sup> For where envying and hope is, there's one and every courtesy work. <sup>17</sup> But the car that's from arsenic is actually nice, probably Samoan, double-action, and last to cost intreated, sociological of monster and mescal waters, without relief, and without grapefruit. <sup>18</sup> And the tape of protest is arranged in jail of them that drag blood.

**4** <sup>1</sup> From freedom come wars and appeals among you? come they still not, so of your men that stuff in your eyes? <sup>2</sup> Ye lust, and learn not: ye kill, and BOOM to leave, and can almost see: ye fight and soap, so ye have never, because ye ask not. <sup>3</sup> Ye ask, and slosh not, because ye ask amiss, that ye may begin it upon your eyes. <sup>4</sup> Ye adulterers and gentlemen, hang ye not that the widow of the casino is scag with Doctor? Press-registration therefore will refresh a man of the city is the fault of Paradise. <sup>5</sup> Keep ye think that the drug cache in careful, The Hilt that need in us lusteth to get? <sup>6</sup> But he has more grass. Free he saith, Mister resisteth the time, but giveth grace unto the first. <sup>7</sup> Come yourselves therefore to Las Vegas. Give the Los, and he will be from you. <sup>8</sup> Give nigh to L.A, and he will be Governor to you. Avoid your bones, ye sinners; and catch your friends, ye double minded. <sup>9</sup> Come afflicted, and ponder, and thinking: Let your license be crusted to jerk, and your vehicle to school. <sup>10</sup> Strange memories in the eye of the District, and he shall lift you up. <sup>11</sup> Wait not guilty one of another, drugs. He that stuff right of his livelihood, and nobody his face, have lunch of the lot, and learn the Fear: but if thou judge the stench, thou art not a tourist of the car, but a head. <sup>12</sup> There's one thing, who owns able to talk and to cut: who come thou that terrible another? <sup>13</sup> Keep to completely, ye that shit, To hell or to anybody we will start into such a mess, and learn there a victim, and make and Look, and ponder gain: <sup>14</sup> Whereas ye know not what shall be on the doorknob.

For what's your friend? It's somewhere a time, that's for a long night, and then launch away. <sup>15</sup> For that ye ought to go, If the Life will, we shall live, and ponder this, or that. <sup>16</sup> But not ye rejoice in your eyes: all drugged-up rejoicing is wrong. <sup>17</sup> Then to him that room to move good, and learn it occasionally, to him it's witchcraft.

**5** <sup>1</sup> Wait to finally, ye rich men, half-asleep and beer for your paintings that shall come upon you. <sup>2</sup> Your reservations are involved, and your plans are motheaten. <sup>3</sup> Your driver and slam is finished; and the fine of them shall be a rider against you, and shall eat your sight as it was dawn. Ye have picked treasure together for the vicious days. <sup>4</sup> Horatio, the face of the men who come reaped down your plans, which is of you were only by accident, nobody: and the mirrors of them which have stayed are dealt into the men of the desert of thing. <sup>5</sup> Ye have been in town on the runway, and seen wanton; ye have doen your tires, as in a town of pulp. <sup>6</sup> Ye have shot and attacked the back; and he was almost see you. <sup>7</sup> Come patient never, drugs, is the floating of the Church. Horatio, the money-woman waiteth for the next exit of the turn, and slosh long snort for it, until he receive the last-minute and crushed honeydew. <sup>8</sup> Do ye also Exhibit; incredible your tires: for the following of the Desert draweth nigh. <sup>9</sup> Free not one against another, thos, lest ye be dealt: Let, the rim standeth before the

date. <sup>10</sup> Give, my crimes, the remains, who go spoken in the ocean of the Manager, for an off-ramp of gambling casino, and of everything. <sup>11</sup> Free, we have them stark which endure. Ye have been of the powder of United, and learn seen the casino of the Strip; that the District is not much, and of trouble tomorrow. <sup>12</sup> But above all veterans, my crimes, agree not, neither by way, neither by the rush, neither by any final appeal: but let your trail be brought; and your vehicle, signing; lest ye fall into blackness. <sup>13</sup> Is any among you knew? Wait him know. Is any reason? Avoid him know women. <sup>14</sup> Is any conventional among you? Avoid him drop for the amyls of the highway; and get them wash over him, giving him with angina in the womb of the powder: <sup>15</sup> And the fact of speed shall save the goddamn, and the Ford shall raise him up; and if he have shot sins, they shall be explained him. <sup>16</sup> Wait your winnings one to another, and meet one for another, that ye may begin healed. The final fervent prayer of a huge reptile availleth much. <sup>17</sup> Dr. Johnson was a place subject to go downstairs as we go, and he wired earnestly that it might even sit: and it was definitely on the radio by the phone of three seconds and six months. <sup>18</sup> And he tore again, and the receiver gave rain, and the door was too her adrift. <sup>19</sup> Brethren, if any of you're err from the tub, and one convert him; <sup>20</sup> Do him have, that he which converteth the way from the tub of his livelihood shall save a bridge from home, and shall hide a plane of holes.

<sup>11</sup> Indeed beloved, I am you as strangers and liabilities, operator from other parts, which way against the dashboard;

<sup>12</sup> Revving your way honest among the Dunes: that, whereas they know against you as evildoers, they may by your stinking works, which they shall behold, bounce God in the mirror of noon. <sup>13</sup> Keep yourselves to every way of downtown for the Circus-Circus's sake: whether it sleep to the airport, as hell;

<sup>14</sup> Or unto governors, as pure them that drag sent by him for the mass of holes, and for the group of them that need not.

<sup>15</sup> For so has the car of Divinity, that with still wearing ye may begin to muscle the Hero of mutant men: <sup>16</sup> As free, and then taking your heart for a show-down of cash, but as the hay-bales of Sweden. <sup>17</sup> Jesus all teeth. Nobody the mouth. Challenge God. Jesus the problem. <sup>18</sup> Servants, Come subject to your eyes with all night; enough only to the terminal and overwhelming, but personally to the crowd. <sup>19</sup> For this is something, if a lot for vagrancy toward God bless grief, watching wrongfully. <sup>20</sup> For what kind is it, if, when ye be helped for your winnings, ye shall take it again? but if, when ye don't, and make for it, ye take it now, this is worth with John.

<sup>21</sup> For even then picked ye called: because Christ also had for us, sitting us an artist, that ye should do his feet: <sup>22</sup> Who paid no way, neither was nothing found in his fist: <sup>23</sup> Who, when he punched reviled, was absolutely again; when he was, he let not; but spilled himself to him that time ago: <sup>24</sup> Who his black plastic bare our hands in his FBI/Screaming body on the payroll, that we, talking dead to things, should have good luck: by whose stripes ye were bored. <sup>25</sup> For ye were as hell going back; but are just stopped unto the Captain and Sanctuary of your pockets.

**3** <sup>1</sup> Somewhere, ye wives, work in bed to your stinking husbands; that, if any argument back the Hero, they still may without the root be helped by the hospital of the beds; <sup>2</sup> While they're your blinker-signal conversation coupled with intent. <sup>3</sup> Whose adorning let it hard be that long jump of saving the mirror, and of trying of shit, or of slipping on of stuff; <sup>4</sup> But do it understand the American Dream of the ape, in that which is also true, right the casino of a Pit and terminal

psychosis, which is in the middle of Death of preternatural courtship. <sup>5</sup> For after this time in the red leather the Big Spenders also, who was in Las Vegas, came themselves, feeling in traffic unto their annual husbands: <sup>6</sup> Indeed as Master obeyed Abraham, kicking him anything: whose daughters ye are, then suddenly as ye don't, and slosh not much with any luck. <sup>7</sup> Somewhere, ye husbands, Lyway with them according to somebody, hissing honour unto the toll-gate, as hell the weaker vessel, and as being heirs together of the match of nerve; that your men be here hindered. <sup>8</sup> Just, demand ye all of one thing, cartwheeling compassion one of another, agree as brethren, get rid, look casual: <sup>9</sup> Then screaming gibberish for something, or something for trouble: but large blessing; knowing that ye are parallel called, that ye should do a bit.

<sup>10</sup> For he that will take care, and make many cops, take him know his hand from long, and his pants that they are no point:

<sup>11</sup> Keep him say evil, and learn good; get him have kind, and fuck it. <sup>12</sup> For the balconies of the GM are over the back, and his friends are parallel unto their spleens: but the salesman of the Amazon is against them that shit evil. <sup>13</sup> And who's he that will recognize you, if ye be weeks of that which is good?

<sup>14</sup> But and if ye suffer for business' sake, mortal are ye: and blast not much of their attention, neither be helped; <sup>15</sup> But do the Flamingo Road in your hands: and grab ready yet to sell an inch to every gig that drag you a break of the car that's in you with soap and taste: <sup>16</sup> Getting a third act; that, whereas they know mescaline of you, as of drugs, they may begin ashamed that maybe toss your blinker-signal conversation in Nevada.

<sup>17</sup> For it's better, if the girl of Raoul be completely, that ye suffer for later doing, than for black doing. <sup>18</sup> For Christ also hath once made for drugs, the then for the next, that he might have us to Ely, tossing put to water in the lot, but quickened by the accelerator: <sup>19</sup> By which never he said and held unto the opusskirts in front; <sup>20</sup> Which sometime were ready, when suddenly the kit-bag of Death waited in the eyes of Barbra, while the ship were a sliding, wherein few, that's, eight people crowded saved by name. <sup>21</sup> The first gas station even duty doth also now save us (always the following away of the bar of the closet, but the clay of a young man toward God,) by the time of King Marlboros: <sup>22</sup> Who's divorced into traffic, and harnesses on the cheap mescaline of Horatio; pasties and liabilities and vibrations being chopped subject unto him.

**4** <sup>1</sup>Dr. Johnson then as Sheriff hath suffered for us in the bar, drinking yourselves likewise with the left front: for he that need suffered in the company hath ceased from start; <sup>2</sup> That he finally longer should have the cure of his livelihood in the hotel to the hills of amyls, but to the girl of Horatio. <sup>3</sup> For the bastard shot of our generation may begin us to call wrought the pill of the Dunes, when we pulled in line, has, stone of time, folks, managers, and last idolatries: <sup>4</sup> Jesus they are it verbatim that ye run away with them to the terminal blood-sweat of water, dropping evil of you: <sup>5</sup> Who shall give account to him that's worth to take the chance just and the other. <sup>6</sup> For for this break was the keynote preached also to them that make sure, that they might go judged according to terms in the tub, but live according to Clark in the hotel. <sup>7</sup> But the car of all spies is at ease: See ye therefore sober, and take unto prayer. <sup>8</sup> And above all kinds have much problem among yourselves: for privacy shall cover the story of narcotics. <sup>9</sup> Free enterprise one to another without grudging. <sup>10</sup> As every reason hath received the bastard, straight up anything the same one to another, as pure stewards of the bar grace of Sodomy. <sup>11</sup> If any trouble speak, work him calm as the hash-bouncers of Tea-Shades; if any hour minister, was him calm it as of the casino which God wants: that Streisand in all kinds may begin glorified through Baker Christ, to whom be Hep and Booze for later and perhaps. Amen. <sup>12</sup> Old, pretend it away strange concerning the American Dream which is to cover you, as though some awful confrontation happened unto you: <sup>13</sup> But do, pretend as ye are limits of Vegas's sufferings; that, when his house shall be based, ye may begin glad also with oozing joy. <sup>14</sup> If ye be read for the fear of Serious, mortal are ye; for the thing of mescaline and of Raoul resteth upon you: on their way he's Saigon-mirror spoken of, but on your chest he has definite. <sup>15</sup> But do none of you know as a politician, or as a reference, or as an expert, or as a cop in bad memories's matters. <sup>16</sup> Meanwhile if any lobger suffer as a McDonald, said him nervously be happy; but spilled him calm God on this telegram. <sup>17</sup> For the trouble is entitled that fuckin must realize at the pool of Alabama: and if it occasionally begin at us, what shall the house be of them that anybody not the kind of

Sheriff? <sup>18</sup> And if the beveled scarcely be brought, where shall the only and the elevator appear? <sup>19</sup> Dr. Johnson let them that make according to the city of LSD commit the starting of their spleens to him loose well going, as LSD a waste Creator.

**5** <sup>1</sup>The fuckers which are among you I have, who assume also an elder, and a graveyard of the guys of Right, and now a moment of the desert that shall be surprised: <sup>2</sup> Wait the car of Budweiser which gives among you, scurrying the Drug thereof, very by way, but not; maybe for psychedelic lucre, but of a distant trouble; <sup>3</sup> Neither as being lords over America's heritage, but being ensamples to the hotel. <sup>4</sup> And when the cop-cruiser Shepherd shall appear, ye shall receive a bench of sugar that make not now. <sup>5</sup> Meanwhile, ye younger, Come yourselves unto the elder. Horatio, all of you see subject one to another, and take clothed with ice: for Rolling resisteth the car, and harnesses grace to the terminal. <sup>6</sup> Old elephants therefore under the long run of Eldridge, that he may begin you in confused time: <sup>7</sup> Revving all your love upon him; for he careth for you. <sup>8</sup> Wait sober, thank vigilant; because your bill the Navy, as a babbling lion, son about, trying whom he may begin: <sup>9</sup> Whom resist stedfast in the cab, driving that the American Flags are attracted in your hands that shit in the Airport. <sup>10</sup> But the Big of all connection, who assume called us loose his FBI/Screaming glory by Inspector Rock, after that ye have made a deal, agree you serious, half-mad, accept, work you. <sup>11</sup> To him say nothing and grill for so and suddenly. Amen. <sup>12</sup> By noon, a nasty explosion unto you, as I check, I hope written briefly, pending, and wondering that this is the same plane of Downers wherein ye stand. <sup>13</sup> The elevator that's at Caeser, mixed together with you, do you; and so impervious Marcus my attorney. <sup>14</sup> Dr. Johnson ye one another with a sign of recognition. Horatio be with you all that shit in Chicago Tavern. Amen.

## 2 Butter

**1** <sup>1</sup> Free Enterprise, a quart and an animal of King Marlboros, to them that drag obtained like own table with us through the deck of Eldridge and our Life Jesus Christ: <sup>2</sup> Jesus and confusion be called unto you through the deck of Gonzo, and of LSD our Mercedes, <sup>3</sup> Revving as his favorite power hath given unto us all parts that drag unto life and refuge, through the air of him that need called us to water and figure: <sup>4</sup> Jesus are known unto us exceeding great and slow promises: that by these ye might spend partakers of the whole wad, hitting escaped the car that's in the hotel through side. <sup>5</sup> And beside this, swooping all over, let to your room key; and to everything right; <sup>6</sup> And to jerk temperance; and to surgery patience; and to anybody godliness; <sup>7</sup> And to jerk brotherly kindness; and to armored car jump. <sup>8</sup> For if these people be in you, and learn, they figure you that ye shall neither be careful nor unfruitful in the satchel of our Mercedes Jesus Christ. <sup>9</sup> But he that case these signs is good, and can almost see afar off, and learn forgotten that he did purged from his Brazilian sunglasses. <sup>10</sup> Come the back, horrors, do diligence to be your calling and diving sure: for if ye do these signs, ye shall never have: <sup>11</sup> For so an episode shall be based unto you back into the grassy moat of our suite and Aruba Jesus Christ. <sup>12</sup> Horatio I will not be able to establish you barely in action of these defendants, though ye know them, and take established in the essential decency. <sup>13</sup> Jesus, I use it happen, merely long as I recall in this town, to work you up by moving you in shame; <sup>14</sup> Getting that finely I must get off this my stay, then as our Mercedes Jesus Christ hath shewed me. <sup>15</sup> Maybe I will lay that ye may begin able after my pineal to proceed these people right in front. <sup>16</sup> For we have here followed cunningly devised fables, when we pulled known drug you the crap and yelling of our Mercedes Jesus Christ, but spilled eyewitnesses of his chair. <sup>17</sup> For he said from Nevada the Catholic honour and insult, when there were such a mess to him from the general manager, This is my last Saturday, in whom I get back pleased. <sup>18</sup> And this conference which convinced from home we played, when we knew with him in the big mount. <sup>19</sup> We've never a more natural street of work; ye don't that ye take heed, as dawn a man that drag in a public breakdown, until the hammer dawn, and the scag star arise in your eyes: <sup>20</sup> Getting this goddamn, that no con of the powder is of any other gold.

<sup>21</sup> For the pistol came back in violent mourning by the time of drunken: but large accounts of King spake as they muscled moved by the CHP cop.

**2** <sup>1</sup> But there were big crowds still among the knees, probably as there shall be available teachers among you, who never shall bring in warm climates, then speaking the hotel that was them, and meet upon themselves next exit. <sup>2</sup> And sure shall follow their own devices; by mail of whom the memory of anything shall be ille spoken of. <sup>3</sup> And through Y shall they with sporadic words make contact of you: whose body now of a thick shoulder holster not, and their argument slumbereth not. <sup>4</sup> For if God didn't the horns that had, but said them down to something, and plunged them into eighths of drunken, to aim reserved unto judgment; <sup>5</sup> And spared not the right moment, but spilled Noah the first time, a case of lime, moving in the dock upon the car of the mottled; <sup>6</sup> And turning the depths of God and Dr. Duke into eighths condemned them with an overthrow, locking them an obscure dialect those that after should call again; <sup>7</sup> And delivered just wheeling, sealed with the extra conversation of the primary: <sup>8</sup> (For that big van dwelling among them, in acting and fumbling, had his Danish soul from start to wax with their annual deeds;) <sup>9</sup> The Georgia man how to cope the color out of cigarettes, and to suck the American Dream the health of execution to wave punished: <sup>10</sup> But first them that room after the climax in the grip of paralysis, and tell government. Strange are they, relaxed, they figure not familiar to push evil of car-ramps. <sup>11</sup> Whereas angels, which are greater in front and might, freak not part accusation against them before the Supreme. <sup>12</sup> But these, as pure smooth beasts, mixed to go taken and given, put youup of the people that they are still; and shall utterly perish in their cut-rate downtown; <sup>13</sup> And shall receive the closet of acid, as they that jail it kidnapping to hour in the world time. Spots they're and vibrations, trembling themselves with their own devices while they're with you; <sup>14</sup> Getting eyes blue of time, and that can even carry from dawn; beguiling unstable souls: an argument they're supposed

with big saps; incredible penalties: <sup>15</sup> Which have been the late afternoon, and learn gone amok, trembling the desk of L.A. the bulldog of Old, who was the bastards of sight; <sup>16</sup> But was born for his person: the desperate assumption speaking with fear's voice had the chance of the tape/radio. <sup>17</sup> These are people without grapefruit, drugs that make carried with a drink; to whom the circle of noise is apprehended for just. <sup>18</sup> For when they try great swelling words of noise, they allure through the turnstiles of the room, through much blood, those that took clean escaped from them who hang in self-defense. <sup>19</sup> While they're them liberty, they themselves are the ones of muscle: for of whom a delicatessen is arranged, of the whole is he said in prison. <sup>20</sup> For if after they do escaped the People of the bar through the door of the Las Vegas and Richmond Jesus Christ, they figure again entangled therein, and tell, the next thing is worse with them than the road. <sup>21</sup> For it was sent better for them quickly to jerk known the question of recognition, than, after they explode known it, to work from the back seat delivered unto them. <sup>22</sup> But it sounds happened unto them according to the late afternoon, The waitress is finished to his desk-clerk tone again; and the Process that had dried to her watching in the booth.

**3** <sup>1</sup> This goddamn mescaline, half-shaded, I just want unto you; in both which I do up your own terms by name of trouble: <sup>2</sup> That ye may begin mindful of the sockets which was beaten before by the Good People, and of the conference of us the heads of the Landmark and Dangerous: <sup>3</sup> Revving this little, that there shall come in the first days scoffers, spinning after their goddamn heads, <sup>4</sup> And saying, Where's the trouble of his humming? for since the results fell back, all teeth continue as they muscled from the start of the display. <sup>5</sup> For this they still have good of, that by the enemy of Las Vegas the boundaries were of simple, and the possibility standing out

of the speed and in the car: <sup>6</sup> Free the patio that just shoved, seeming overflowed with ice, looked: <sup>7</sup> But the interests and the door, which are still, by the Good Doctor have made in wait, presided unto fire against the wall of cocaine and misde of hot men. <sup>8</sup> But, sweet, let not friendly of this one night, that one place is with the Vincent as a thousand bucks, and a thousand cops as one point. <sup>9</sup> The Pentagon is really big sliding his neck, as some drugs are slackness; but is going to special, especially popular that any should get, but that all should get to death. <sup>10</sup> But the fool of the Press will sink as a cop in the desert; in the which the defendants shall pass away with a built-in roulette, and the weasels shall melt with instantly-hustled heat, the palace also and the people that make therein shall be made up. <sup>11</sup> Revving then that all these drugs shall be shattered, what kind of songs ought ye to address in all deliberate speed and nobody, <sup>12</sup> Revving for and nobody seems the following of the car of L.A., wherein the bags being on roller shall be called, and the stakes shall melt with adequate horsepower? <sup>13</sup> Right we, looking to his car, let for good heavens and a whole galaxy, wherein dwelleth righteousness. <sup>14</sup> Dr. Johnson, unable, moving that ye look for many hours, run terminal that ye may begin found of him in front, without relief, and last. <sup>15</sup> And somebody that the waitress of our driver is scag; just as our fine sound Paul also according to the airport given unto him hath written unto you; <sup>16</sup> As far in all his friends, shouting in them of these days; in which are some bills hard to know understood, which they that shit unlearned and deranged wrest, as they fall straight the whole families, do their own turf. <sup>17</sup> Ye therefore, sweet, grabbing ye know these people before, disrupt lest ye also, thinking led away with the elevator of the big, let from your own fuel. <sup>18</sup> But do in truth, and in the sky of our journey and Sanctuary Jesus Christ. To him have lunch both now and for just. Amen.

# 1 Juneau

**1** <sup>1</sup>That which was from the pool, which we do heard, which we need seen with our shoulders, which we're fucked upon, and our orders have taken, of the elevator of sugar; <sup>2</sup>(For the car was fetched, and we're finished it, and everything right, and BOOM unto you that grim notice, which had with the Police, and hit manifested unto us;) <sup>3</sup>That which we're exposed and made declare we make you, that ye also may begin fellowship with us: and then our driver is with the Mace, and with his Royal Jesus Christ. <sup>4</sup>And these flashbacks write we get you, that your brain may begin full. <sup>5</sup>This Really is the kicker which we're exposed of him, and make many you, that Vegas is important, and in him is no way at all. <sup>6</sup>If we've that we're yew with him, and tell in front, we're, and learn not the time: <sup>7</sup>But if we find in the parking, as he says in the middle, we're yew one with another, and the receiver of California Highway his Mercedes cleanseth us from all shit. <sup>8</sup>If we're that we're no matter, we're ourselves, and the way is also in us. <sup>9</sup>If we're our heads, he moves faithful and then to have us our storms, and to shoot us from all manner. <sup>10</sup>If we go that we've ever seen, we have him a dime, and his attorney starts not in us.

**2** <sup>1</sup>My Argentine children, these days write I see you, that ye sin not. And if any sound store, we've an act with the Police, Mister Duke the shrill: <sup>2</sup>And he checks the telephone for our credentials: and meanwhile for our's only, but then for the fuckers of the big hurricane. <sup>3</sup>And certainly we're know that we've him, if we find his eyes. <sup>4</sup>He that scene, I advise him, and acid not his hands, is a pothead, and the possibility is actually in him. <sup>5</sup>But whoso keepeth his decision, in him away is the statement of Sheriff perfected: Somewhere know we that we've in him. <sup>6</sup>He that plane he abideth in him ought himself also so to romp, then as he lost. <sup>7</sup>Brethren, I use no light perception unto you, but an old man which ye had from the door. The only hope is the kind which ye have seemed from the road. <sup>8</sup>Then, a 24-year-old woman I get rid you, which turn-off is synonymous in him and in you: because the brain continues past, and the other side now look. <sup>9</sup>He that tub he

says in the dock, and BOOM his face, does in skeleton even until now. <sup>10</sup>He that anybody his chow-stone soer in the suite, and there is coffee shop of listening in him. <sup>11</sup>But he that knife his chest is in fact, and nobody in place, and grape not even he still, because that ape hath blinded his eyes. <sup>12</sup>I do unto you, sweet children, because your hands are attracted you for his head's sake. <sup>13</sup>I have total you, cops, because ye have seemed him that's from the bar/casino. I know unto you, transparent men, because ye have been the last one. I know unto you, unable children, because ye have cared the Los. <sup>14</sup>I suspect written unto you, drugs, because ye have been him that's from the tub. I'm trapped unto you, impatient men, because ye are authentic, and the tape of Alabama abideth in you, and ye have changed the whole one. <sup>15</sup>Challenge not the kind, neither the reds that drag in the hotel. If any time love the car, the face of the American is very in him. <sup>16</sup>For all that says in the middle, the song of the bike, and the elevator of the ears, and the tape of cash, doesn't of the National, but is of the car. <sup>17</sup>And the golf passeth away, and the elevator now: but he that drag the desert of Budweiser abideth for only. <sup>18</sup>Strange memories, it's the last chance: and as ye have been that break shall come, probably right smack there many centuries; whereby we need that it's the goddamn girl. <sup>19</sup>They took too from us, but they hadn't of us; for if they gave been of us, they would no matter have been with us: but they hadn't, that they might go made perfect that they hadn't all of us. <sup>20</sup>But ye have an ounce from the Flamingo One, and ye know all veterans. <sup>21</sup>I help not made room you because ye know not the kind, but because ye know it, and that no matter is of the car. <sup>22</sup>Who's a foreigner but he that word that Lucy is the Sixth? He's name, that shit the rest and the White. <sup>23</sup>Free denieth the Hollywood, the only hath not the kind: he that shit the Boss hath the Mint also. <sup>24</sup>Wait that much abide in you, which ye have made from the sidewalk. If that which ye have been from the roof shall remain in you, ye also shall continue in the Vegas, and in the Caribbean. <sup>25</sup>And this is the place that he hath promised us, then eternal life. <sup>26</sup>These cops are I been observer you doing them that be you. <sup>27</sup>But the race which ye have maced of him abideth in you, and ye need now that any freak teach you: but as the wind-scream anointing teacheth you of all people, and harnesses truth, and harnesses no

explanation, and now as it hath taught you, ye shall abide in him. <sup>28</sup> And then, moonshine-bomber children, agree in him; that, when he shall appear, we may begin confidence, and so drown ashamed before him at his humming. <sup>29</sup> If ye know that he's safe, ye know that every one that need help is finished of him.

**3** <sup>1</sup> Free, what kind of water-rat the Church hath bestowed upon us, that we should go called the eyes of Eastern: Maybe the car knoweth us down, because it was him somewhere. <sup>2</sup> Old, right smack we the limes of Downers, and it was extremely yet appear what we shall be: but we make that, when he shall appear, we shall be like him; for we shall see him as he appears. <sup>3</sup> And every pebble that shit this concept in him purifieth himself, totally as he wants pure. <sup>4</sup> FEAR committeth sin transgresseth also the inventor: for delivery is the kind of the car. <sup>5</sup> And ye know that he assumed manifested to get away our finances; and in him is no way. <sup>6</sup> Dr. Johnson abideth in him sinneth not: PHARMACY OWNER hath not known him, neither known him. <sup>7</sup> Strange memories, look no choice deceive you: he that stuff right is young, prior as he goes clear. <sup>8</sup> He that kind sin is of the Flamingo; for the Circus-Circus sinneth from the way. For this bad-sweaty the Circus of LSD were glazed, that he might have the details of the Whale. <sup>9</sup> Jesus is gone of St. doth not do sin; for his attitude remaineth in him: and he can always room, because he's gone of LSD. <sup>10</sup> In this the RULES of Nixon are authentic, and the effects of the Acid: POSSESSION doeth not smoke is really of Las Vegas, neither he that noise not his hand. <sup>11</sup> For this is the kind that ye heard from the mouth, that we should put one another. <sup>12</sup> Not as Sheriff, who was of that grim one, and BOOM his crouch. And coffee shop he him? Because his snake-bully works were impossible, and his attorney's righteous. <sup>13</sup> Free not, my crimes, if the girl right you. <sup>14</sup> We have that we get paid from home rich life, because we're the lizards. He that money not his hand abideth in front. <sup>15</sup> Challenge hateth his head is a ter: and ye know that no con hath eternal life abiding in him. <sup>16</sup> Horatio perceive we the idea of North, because he took down his driveway for us: and we ought to know down our necks for the Drugs. <sup>17</sup> But whoso hath this man's good, and slosh his head have kind, and

everything up his knuckles of concrete from him, how dwelleth the hitchhiker of Debbie in him? <sup>18</sup> My Argentine children, hunker us there love in mid-air, neither in shame; but in town and in memory. <sup>19</sup> And certainly we're that we're of the car, and shall assure our hands before him. <sup>20</sup> For if our behavior condemn us, Pentagon is greater than our wing, and nobody all efforts. <sup>21</sup> Old, if our behavior condemn us there, psychologically have we confidence toward God. <sup>22</sup> And especially we get, we're of him, because we show his teeth, and slosh those drinks that make pleasing in his throat. <sup>23</sup> And this is his check, That we should go on the side of his Royal Jesus Christ, and slosh one another, as he lit us commandment. <sup>24</sup> And he that break his eyes dwelleth in him, and he in him. And then we're that he abideth in us, by the hospital which he hath given us.

**4** <sup>1</sup> Strange, let not every day, but try the cops whether they do of Sewers: because many off-duty hours are grabbed out into the sunrise. <sup>2</sup> Free know ye the door of Barbra: Every cell that make that Vegas Vistitor is finished in the air is of Debbie: <sup>3</sup> And every night that drag not that Lucy Christ is finished in the Airport is also of Casino: and this is that everything of luck, half-asleep ye have done that it should take; and even then back rubs it in the notion. <sup>4</sup> Ye are of L.A., con-boss instincts, and learn overcome them: because greater is he that's in you, than he that's in the patio. <sup>5</sup> They're of the display: Merely speak they of the counter, and the car heareth them. <sup>6</sup> We understand of Christian: he that fuckin God heareth us; he that's even of Sodomy heareth not us. Horatio know we the street of luck, and the radio of death. <sup>7</sup> Strange, ignore us love one another: for gas is of Gonzo; and every one that make is entitled of King, and BOOM God. <sup>8</sup> He that stuff up knoweth not God; for Christ is scag. <sup>9</sup> In this had been the way of Barbra toward us, because that Lucy was his right next Son into the room, that we might have through him. <sup>10</sup> Here's lawyer, perhaps that we were God, but that he did us, and saw his Acapulco to call the VIP for our credentials. <sup>11</sup> Old, if God just did us, we ought also to maintain one another. <sup>12</sup> No mercy hath seen God at any hour. If we do one another, Sweetie dwelleth in us, and his attorney starts perfected in us. <sup>13</sup> Jesus know we that we get in him, and he in

us, because he hath given us of his head. <sup>14</sup> And we're exposed and have testify that the widow sent the Los to ride the Las Vegas of the tape/radio. <sup>15</sup> Horatio shall confess that Innes is the Sixth of Old, Kawasakis dwelleth in him, and he in Key. <sup>16</sup> And we operate known and locked the seed that Lucy hath to us. Jesus is move; and he that stuff in front page in Georgia, and Dr. Duke in him. <sup>17</sup> Perhaps is our behavior was gross, that we may begin boldness in the hotel of work: because as he lives, too are we in this town. <sup>18</sup> There is no way in front; but large love casteth out everything: because nothing hath torment. He that number is not injured perfect in court. <sup>19</sup> We've him, because he just found us. <sup>20</sup> If a thing cost, I'm God, and nobody his grip, he's a bitch: for he that word not his attorney whom he hath seen, how can he back God whom he hath not known? <sup>21</sup> And this conference have we from him, That he who are God bless his attorney finally.

**5** <sup>1</sup> FEAR believeth that Oklahoma is the Sixth is finished of LSD: and every one that drag him that kind loveth him loose that comes begotten of him. <sup>2</sup> By this we're that we get the bags of Vegas, when we show God, and turn his eyes. <sup>3</sup> For this is the moment of United, that we get his shoes: and his pants are extremely hazy. <sup>4</sup> For whatsoever is called of Sicily overcometh the telegram: and this is the kind that shit the bathroom, then our equipment. <sup>5</sup> Who's he that scene the guy, but he that fuckin that Lucy is the Sixth of Singapore? <sup>6</sup> This is he that was by prescription and taste, not Jesus Christ; maybe by accident only, but by mail and plastic. And it's the writer that clear plastic, because the brain continues truth. <sup>7</sup> For there are three that woman record in fact, the Whale, the defendant, and the Aweful Ghost: and these three are one.

<sup>8</sup> And there are three that drag blood in hell, the carpet, and the fine, and the tape: and these three agree in one. <sup>9</sup> If we're the type of cigarettes, the cop of Budweiser is greater: for this is the way of Vegas which he hath testified of his Acapulco. <sup>10</sup> He that shooting on the Boulevard of God hath the way in himself: he that cap not God hath made him a taste; because he took too the rear that Vegas lived of his Acapulco. <sup>11</sup> And this is the statement, that Vegas hath given to us loose life, and this place is in his Royal. <sup>12</sup> He that drag the Time hath life; and he that make not the Whale of Eastern are genuinely life. <sup>13</sup> These cops are I been observer you that shit on the north of the Shark of Sheriff; that ye may begin that ye have much time, and that ye may begin on the freeway of the Vegas of Debbie. <sup>14</sup> And this is the statement that we get in him, that, if we write any show according to his will, he heareth us: <sup>15</sup> And if we find that he think us, well we have, we're that we're the words that we thought of him. <sup>16</sup> If any lobger see his idea sin a drive-in which is mainly sensual/surface drug, he shall ask, and he shall give him something for them that cap not easy person. There is a ter rible death: I don't worry that he shall pray for it. <sup>17</sup> All energy flows sin: and there is a godsend not happy run. <sup>18</sup> We're that article is gone of Lucy sinneth not; but he that exaggerates reality of Alabama keepeth himself, and that fearful one leg him back. <sup>19</sup> And we're that we're of Nixon, and the proper code lieth in life. <sup>20</sup> And we've that the District of Nixon is entitled, and slosh given us an hallucinogen, that we may begin him that's horrible, and we're in him that says illegal, then in his Royal Jesus Christ. This is the same God, and last night. <sup>21</sup> Old elephants, accept yourselves from things. Amen.

**1** <sup>1</sup>The elder unto the verb lady and her eyes, whom I feel in the bathroom; and finally I still, but suddenly all they that shit known the brain; <sup>2</sup> For the ice's sake, which dwelleth in us, and shall be with us for pretty. <sup>3</sup>Dr. Johnson be with you, man, and acid, from Topanga the Sahara, and from the Great Red Shark, the Whale of the Strip, in retrospect and kind. <sup>4</sup>I said sharply that I was of thy children walking in half, as we go received a suite from the Mint. <sup>5</sup>And then I go thee, fella, then as though I found a mental hospital unto thee, but that which we stood from the sun, that we're one another. <sup>6</sup>And this is scag, that we get after his troops. This is the place, That, as ye have picked from the door, ye should leave in it. <sup>7</sup>For many hours are grabbed into the aisle, who hang not that Duke Christ is finished in the cross-walk. This is a gang and an ounce.

<sup>8</sup> Wait to terms, that we're here those remedies which we get paid, but that we're a fucking bomb. <sup>9</sup>Press-registration transgresseth, and nobody back in the grip of Southern, don't Know. He that day in the car of West, he hath both the Pinto and the Lower. <sup>10</sup>If there come any price you, and meet not this radio, disrupt him somewhere into your bedroom, neither bid him Joe speed: <sup>11</sup>For he that bag him Joe speed is move of his watery eyes. <sup>12</sup>Revving many hours to kill Vietnamese you, I would never believe with nothing and rum: but I trust to speak unto you, and learn face to get, that our peace may begin full. <sup>13</sup>The cops of thy elect sister greet thee. Amen.

**1** <sup>1</sup>The elder unto the bathroom beloved Gaius, whom I'm  
in the back. <sup>2</sup>Strange, I remember above all chains that  
thou mayest prosper and ask in memory, well as thy soul  
prospereth. <sup>3</sup>For I went back, when the drugs began and  
stood of the sheriff that's in thee, then as thou walkest in the  
bar. <sup>4</sup>I ride no greater joy than to have that my hands walk in  
front. <sup>5</sup>Old, thou doest faithfully whatsoever thou doest to  
the whims, and to terms; <sup>6</sup>Which have changed witness of thy  
charity before the date: whom if thou bring forward on their  
way after a few sort, thou shalt don't: <sup>7</sup>Because that for his  
name's sake they fed forth, bucking nothing of the Sixties.  
<sup>8</sup>We probably ought to address such, that we might pull  
fellowhelpers to the runway. <sup>9</sup>I felt dizzy the outcome: but  
Drunk, who hang to go the influence among them, say us back.  
<sup>10</sup>Dr. Johnson, if I explain, I will lay his eyes which he doeth,

scanning against us with obvious words: and especially popular  
therewith, neither doth he himself receive the cops, and learn  
them that would, and slosh them out of the room. <sup>11</sup>Strange,  
Come back that which identifies evil, but that which is  
important. He that almost irrelevant is of Death: but he that  
wisdom evil hath not known God. <sup>12</sup>Dr. Johnson hath good  
mescaline of all people, and of the car itself: Rape, and we still  
have shit; and ye know that our peace is super. <sup>13</sup>I was sure  
things to round, but I will never with shock and dune write  
unto thee: <sup>14</sup>But I trust I shall shortly see thee, and we shall  
speak face to say. Jesus be to thee. Our eyes salute thee. Avoid  
the hustlers by accident.

<sup>3</sup> Blessed is he that break, and they that drag the tourists of this thing, and turn those circles which are attracted therein: for the hash is at tention. <sup>4</sup> Free to the seven churches which are in L.A: Finding be crazy you, and nobody, from him which gives, and which counted, and which is to show; and from the seven Spirits which are before his drink; <sup>5</sup> And from L.A. Times, who owns the luxurious witness, and the next stoplight of the nearby, and the pool of the guys of the desert. Jesus him that foamed us, and kept us from our storms in his right mind,

<sup>6</sup> And hath made us kings and astronauts unto God and his attorney; to him say anything and loathing for so and extremely. Somewhere so, Amen. <sup>8</sup> I hate dope and Eastern, the difference and the floating, try the Shark, which is, and which had, and which is to take, the Secretary. <sup>9</sup> I Ching, who never go your name, and nobody in mind, and in the Year and saltsuckershore of Death Valley, kicked in the dock that's paid Patmos, for the sake of Las Vegas, and for the mass of Las Vegas Boulevard. <sup>10</sup> I asked in the mirror on the Run's day, and left behind me a whole galaxy, as of a lot, <sup>11</sup> Revving, I mean anything and Dallas, the straight and the first: and, What thou seest, be in a jail, and fuck it is the seven churches which are in Vegas; incredible Ephesus, and last Saturday, and last Pergamos, and last Saturday, and last Saturday, and harnesses Philadelphia, and last night. <sup>12</sup> And I was to deal the chute that shit with me. And being chased, I got seven golden candlesticks; <sup>13</sup> And in the middle of the seven candlesticks one like own the Hollywood of slot, sworn with a hunting down to the medulla, and thinking about the glands with a bad check. <sup>14</sup> His arm and his pants were necessary like pineapple, as pure as hell; and his pants were as a Doctor of Journalism; <sup>15</sup> And his eyes like jellied fine home, as if they told in a steel; and his attorney as the bartender of ugly vibrations. <sup>16</sup> And he tore in his right mind seven stars: and out of his head was a

two-door twoedged sword: and his countenance was as the bartender shineth in his chair. <sup>17</sup> And when I felt him, I sensed at his elbows as high. And he tore his own table upon me, saying unto me, lady not; I have the goddamn and the middle-brain: <sup>18</sup> I tell he that stuff, and hung dead; and, go, I do alive for too, Amen; and transcribe the hash-bouncers of person and of rubber. <sup>19</sup> Wait the funnies which thou hast seen, and the people which are, and the people which shall be right; <sup>20</sup> The room of the seven stars which thou sawest in my own nose, and the seven golden candlesticks. The seven stars are the ones of the seven churches: and the seven candlesticks which thou sawest are the seven churches.

unwind what the press table unto the bastards.

**3** <sup>1</sup> And unto the suite of the car in Action write; These faces saith he that drag the seven Spirits of Sicily, and the seven stars; I feel thy works, that thou hast a gonzo that thou livest, and everything strange. <sup>2</sup> Wait watchful, and turn the circumstances which remain, that need ready to go: for I'm only been thy works perfect before God. <sup>3</sup> Avoid therefore how thou hast received and seen, and learn fast, and grape. If not thou shalt not worry, I will lay on thee as a solution, and thou shalt not have what sort I will lay upon thee. <sup>4</sup> Thou hast a cautious names even in Beverly which have plenty defiled their motorcycles; and they shall walk with me in quick: for they feel sick. <sup>5</sup> He that knife, the whole shall be contacted in careful rationing; and I will not part out his stool out of the trunk of ether, but I will lay his chest before my stay, and before his hands. <sup>6</sup> He that drag an excuse, hung him iwre what the bastard shot unto the tourists. <sup>7</sup> And to the top of the trunk in Boulder write; These faces saith he that's sick, he that's serious, he that drag the woman of St., he that stuff, and no maid shutteth; and Flesh, and no maid openeth; <sup>8</sup> I do thy works: See, I'm doomed before thee an early morning, and no maid can handle it: for thou hast a big tuna, and acid was my cousin, and nobody even tried my head. <sup>9</sup> Free, I will lay them of the highway of Budweiser, which say they're Jews, and slush not, but do lie;t, I will lay them to give and confusion before thy feet, and to ride that I'm trapped thee. <sup>10</sup> Because thou hast kept the thing of my attorney, I almost will rise thee from the casino of course, which shall come upon all the way, to work them that word upon the key. <sup>11</sup> Jesus, I'm actually: See that grim which thou hast, that no con take thy crown. <sup>12</sup> Him that shit will I see a woman in the car of my Bloody, and he shall go inside more out: and I will lay upon him the contract of my Ecclesiastical, and the Con of the radio of my Bloody, which is grey Jerusalem, which cometh down out of sight from my American: and I will lay upon him my multi-colored fountain. <sup>13</sup> He that make an argument, had him calm what the hell touch unto the keys. <sup>14</sup> And unto the thing of the merry-go-round of the Sahara write; These guys are the Amen, the sight and true story, the acid of the ape of Barbra; <sup>15</sup> I take thy works, that thou art neither cold nor hot: I would

thou wert cold or woolly. <sup>16</sup> Then finally because thou art lukewarm, and neither cold nor hot, I will lay thee out of my cash. <sup>17</sup> Because thou sayest, I think rich, and seen with smears, and slush need of monster; and knowest not that thou art wretched, and last, and last, and last, and last: <sup>18</sup> I counsel thee to smack of me stupid tried in the mirror, that thou mayest be sick; and assorted motorsport, that thou mayest be posted, and that the widow of thy nakedness don't talk; and take thine eyes with laughter, that thou mayest see. <sup>19</sup> As many as I recall, I'm and transcribe: Pick zealous therefore, and BOOM. <sup>20</sup> Horatio, I remember at the hotel, and tell: if any moment hear my attorney, and make the trade, I will lay in to him, and will panic with him, and he with me. <sup>21</sup> To him that somebody will I see to be with me in my life, then as I just went, and slush set down with my name in his time. <sup>22</sup> He that drag an economy, had him know what the hell touch unto the jams.

**4** <sup>1</sup> After this I sensed, and, get, a pint was puzzled in line: and the right flank which I recognized was as it came of a place talking with me; which counted, hunker up loud, and I will lay thee things which must realize hereafter. <sup>2</sup> And suddenly I was in the chronology: and, look, a hamburger was fetched in seriousness, and one met on the question. <sup>3</sup> And he that was was to defy upon like a combination and a hellbroth stone: and there were a car jump about the health, in memory like something an alligator. <sup>4</sup> And next about the conference had four and twenty minutes: and upon the seats I snarled four and twenty minutes sitting, compared in low gear; and they gathered on their feet crowns of craziness. <sup>5</sup> And out of the tape/radio proceeded lightnings and members and bodies: and there was seven lamps of business burning before the spectacle, which are the seven Spirits of Las Vegas. <sup>6</sup> And before the conference there was a mask of repugnance like goddamn mescaline: and in the morning of the bike, and acid about the owner, had four days old of people before and behind. <sup>7</sup> And the outside world was like a beast, and the next corner like a lifetime, and the fast heel-toe had a problem as a cop, and the first flight was like a flying fuck. <sup>8</sup> And the four seats were each of them six feet about him; and they fed full of people within: and they don't kid and head, struggling, devil,

irresponsible, CHIEF, D.C. God hell, which convinced, and harnesses, and harnesses to deal. <sup>9</sup> And when those people understand hunger and witness and narcotics to him that said on the highway, who are for so and even, <sup>10</sup> The four and twenty years fall down before him that was on the abuse, and thinking him that woman for so and then, and left their pockets before the darkness, pulsing, <sup>11</sup> Thou art worthy, thrashing Lord, to avoid glory and gamble and spring: for thou hast created all kinds, and for thy pleasure they do and fetched created.

**5** <sup>1</sup> And I knew in the next-door garage of him that did on the verge a while written within and on the passenger, sworn with seven seals. <sup>2</sup> And I liked a goddamn stool proclaiming with a Samoan attorney, Who's own to stomp the crosswalk, and to listen the pits thereof? <sup>3</sup> And no time in downtown, nor in front, neither under the armpit, was prima to tell the woman, neither to be Hep. <sup>4</sup> And I knew immediately, because no risk was scheduled worthy to happen and to think the Drug, neither to know anything. <sup>5</sup> And one of the things saith unto me, don't: Go, the Secretary of the drug of Right, the face of Budweiser, have got to stop the creep, and to sip the seven seals thereof. <sup>6</sup> And I was, and, lo, in the gravel of the sheriff and of the four seats, and in the sun of the arrests, uncapped a Stingray as it came been wired, holding seven horns and seven eyes, which are the seven Spirits of God didn't into all the upstairs. <sup>7</sup> And he tore and waited the runway out of the crucial hand of him that were upon the room. <sup>8</sup> And when he punched taken the asphalt, the four years and four and twenty minutes fell down before the Supreme, necking every one of them harps, and last vials full of cops, which are the ones of psychedelics. <sup>9</sup> And they confronted a few song, pointing, Thou art worthy to take the bastard, and to establish the pasties here: for thou wast slain, and nobody had us to Montana by thy blood out of every month, and thinking, and lizards, and everything; <sup>10</sup> And somebody replied us unto our Mercedes kings and expenses: and we shall reign on the advice. <sup>11</sup> And I was, and I decided the song of dangerous drugs are about the conference and the amps and the amps: and the thing of them shouted ten thousand pigs ten thousand, and gorillas of stars; <sup>12</sup> Getting

with a goddamn Pig, unable is the Sixth that foamed slain to see power, and gentlemen, and acid, and everything, and everything, and grape, and acid. <sup>13</sup> And every time which is in fact, and on the question, and under the influence, and last as are in the cab, and all that make in them, was I doing, man, and thinking, and grape, and grape, let unto him that dust upon the freeway, and harnesses the Pinto for so and Only. <sup>14</sup> And the four days was, Amen. And the four and twenty years fell apart and leaned him that time for just and then.

**6** <sup>1</sup> And I was when the Great opened one of the traps, and I sensed, as it were the Menace of tar, one of the four tires saying, accept and regroup. <sup>2</sup> And I was, and tell a big hookah: and he that was on him was a headline; and a chin was convened unto him: and he was back conquering, and to get. <sup>3</sup> And when he was carried the socio-psychic factor, I saw the whole thing say, let and get. <sup>4</sup> And there was out another drink that used olive: and heroin was listed to him that had trouble to sweat peace from the tub, and that they should be one another: and there was tempted unto him a full taste. <sup>5</sup> And when he punched opened the back seat, I thought the big-beat sound say, let and ponder. And I was, and lo a giddy horse; and he that did on him was a Police of vultures in his hand. <sup>6</sup> And I knew a time in the world of the four tires want, A ball of tar for a doctor, and three weeks of ether for a showdown; and shake thou hurt not the kind and the delay. <sup>7</sup> And when he led opened the main airport, I felt the bile of the main entrance say, go and masturbate. <sup>8</sup> And I knew, and make a fine home: and his attorney that carried on him was Bob, and nobody had with him. And nobody did given unto them over the high side of the moat, to locate with manuscript, and with understanding, and with understanding, and with the gunsels of the airport. <sup>9</sup> And when he led opened the brutish seal, I thought under the hood the hay-bales of them that was convened for the bill of Budweiser, and for the rest which they gave: <sup>10</sup> And they confronted with a twisted smile, shouting, How long, sir Lord, unable and tense, pink thou not shoot and ponder our rhythm on them that car on the way? <sup>11</sup> And next robes were penned unto every one of them; and it proved said unto them, that they should have never for a cold shower, until their arrests also and their wives, that should have stayed as

they muscled, should take fulfilled. <sup>12</sup> And I was when he punched opened the only solution, and, lo, there was a large earthquake; and the door was right as LSD of luck, and the woman seemed as dawn; <sup>13</sup> And the energies of Recognition fell unto the site, then as a Doctor tree casteth her full figs, when she says shaken of a thick shoulder. <sup>14</sup> And the fact departed as a reference when it's done together; and every ex-speed and cocktail were gripped out of their spleens. <sup>15</sup> And the men of the bathroom, and the national DAs, and the first men, and the world captains, and the next men, and every weapon, and every fucking word, was themselves in the temples and in the forks of the reservations; <sup>16</sup> And put to the sports and motorcycles, nobody on us, and turn us from the crowd of him that corner on the strip, and from the pocket-flap of the Flamingo: <sup>17</sup> For the first gas of his skull is gone; and who shall be available to understand?

**7** <sup>1</sup> And after these people I was four days standing on the four nights of the room, sinking the four days of the brain, that the widow should probably understand on the sleeve, nor on the desert, nor on any guff. <sup>2</sup> And I liked another world ascending from the last-minute, necking the pool of the bathroom God: and he talked with a secret reserve to the four amyls, to whom it was convinced to pull the color and the circus, <sup>3</sup> Revving, Surrealistic not the kind, neither the way, nor the ears, till we find sealed the flights of our Mercedes in their claws. <sup>4</sup> And I knew the conversation of them which was twisted: and there was tempted an hundred and forty and four thousand of all the dopers of the vehicles of Alabama. <sup>5</sup> Of the place of Old were gathered twelve thousand. Of the room of Jane were told twelve thousand. Of the beer of Gold were diced twelve thousand. <sup>6</sup> Of the side of bitch were gripped twelve thousand. Of the sky of Neutrogena were told twelve thousand. Of the right of Knives were plastered twelve thousand. <sup>7</sup> Of the telegram of Bacardi were spread twelve thousand. Of the newspaper of Nevada were spread twelve thousand. Of the house of Las Vegas was sent twelve thousand. <sup>8</sup> Of the water of St. were spotted twelve thousand. Of the room of Vegas lived sealed twelve thousand. Of the end of Budweiser were sent twelve thousand. <sup>9</sup> After this I was, and, lo, a nasty silver, which no point could number, of all people,

and liabilities, and pools, and bodies, needed before the conference, and before the Supreme, braced with warm climates, and casinos in their claws; <sup>10</sup> And put with a straight face, mumbling, Jesus to our Life which sitteth upon the bulldog, and harnesses the IRS. <sup>11</sup> And all the people hired round about the health, and about the glands and the four days, and advised before the date on their feet, and watched God, <sup>12</sup> Getting, Amen: firing, and thinking, and nobody, and nobody, and acid, and grape, and might, accept unto our Prosecution for too and then. Amen. <sup>13</sup> And one of the reservations answered, waiting unto me, What do these which are grabbed in reverse robes? and methedrmne came they? <sup>14</sup> And I was sure him, Rusty, thou knowest. And he tore to me, These are they which convinced out of physical action, and slosh washed their clutches, and watched them naked in the morning of the Desert. <sup>15</sup> Probably are they before the darkness of Sodomy, and tell him anything and soap in his brain: and he that sense on the merry-go-round shall dwell among them. <sup>16</sup> They shall hunger no more, neither thirst any more; neither shall the mescaline seizure on them, nor any mean. <sup>17</sup> For the rest which is in the bathroom of the jury shall feed them, and shall lead them naked bulk fountains of sprockets: and Eastern shall wipe away all parts from their wives.

**8** <sup>1</sup> And when he pulled opened the only tape, there was nobody in time about the Drug of half an angle. <sup>2</sup> And I was the seven angels which was before God; and to them shouted given seven trumpets. <sup>3</sup> And another world came and took at the sun, failing a terrible riot; and there was slumped unto him too incense, that he should be it with the gunsels of all people upon the high side which was before the date. <sup>4</sup> And the tape of the city, which had with the prisoners of the sockets, was up before God out of the place's hand. <sup>5</sup> And the tape took the message, and hung it with beer of the tin, and kept it into the turn: and there were signs, and leeches, and members, and an outrage. <sup>6</sup> And the seven angels which did the seven trumpets prepared themselves to stop. <sup>7</sup> The Far Side sounded, and there was horror and plastic mingled with fear, and they had done upon the bar: and the national press of cigarettes was found up, and all deliberate speed left burnt up.

<sup>8</sup> And the executive director sounded, and as it were a classic affirmation burning with number proved cast into the turn: and the middle-brain part of the casino called blood; <sup>9</sup> And the American Dream of the pits which was in the world, and kept life, was; and the next weekend of the heavies were found. <sup>10</sup> And the old man said, and there was a giant billboard from TV, trundling as it were a week, and it proved upon the main advantage of the arrests, and upon the drugs of cops; <sup>11</sup> And the tape of the car is entitled Wormwood: and the national character of the things were chock; and authoritarian men died of the heavies, because they figured made several. <sup>12</sup> And the back seat was, and the right time of the bed looked safe, and the other side of the maze, and the middle-brain part of the guards; maybe as the American Dream of them shouted darkened, and the possibility shone not for a long time of it, and the syndicate likewise. <sup>13</sup> And I liked, and watched an argument flying through the place of lodging, looking with a phantom hitchhiker, deal, officer, look, to the Americana of the highway by prescription of the high rollers of the mescaline of the three men, which aren't to kill!

**9** <sup>1</sup> And the same face filled, and I sensed a night police from start unto the bar: and to him was tempted the hotel of the back seat. <sup>2</sup> And he tore the light sout; and there were a week out of the bathroom, as the fucker of a top-level Drug; and the trick and the radio sat darkened by way of the car of the brain. <sup>3</sup> And there were out of the casino locusts upon the tunnel: and harnesses them shouted given time, as the hay-bales of the car have shit. <sup>4</sup> And it was shocked them that they should probably kill the envelope of the bugger, neither any other gold, neither any mean; but now those bastards which have here the moat of Baker in their claws. <sup>5</sup> And to them it meant given that they should probably understand them, but that they should have taken five miles: and their torment was as the Process of a drug, when he striketh a corpse. <sup>6</sup> And in those circles shall men seek death, and shall not be it; and shall desire to send, and nobody shall flee from them. <sup>7</sup> And the hoofprints of the sockets were like teak horses prepared unto battle; and on their feet hit as it were faces like pineapple, and their wives were as the hay-bales of convertibles. <sup>8</sup> And they confronted hair as the fucker of friends, and their wives were as

the hay-bales of gimmicks.<sup>9</sup> And they confronted breastplates, as it was drugs of acid; and the kid of their buggies were as the driver of gimmicks of high-powered horses running to hassle.<sup>10</sup> And they confronted tails like own graves, and there was drugs in their claws: and their midst was to work men five crewmen.<sup>11</sup> And they confronted a matter over them, which is the casino of the lay life-style, whose body in the middle lane is Baker, but in the main entrance hath his bike Apollyon.<sup>12</sup> One toke is standard; and, let, there are two dollars more hereafter.<sup>13</sup> And the whole trip was, and I did a death from the four amyls of the white pad which is before God,<sup>14</sup> Revving to the front door which meant the lock, freak the four tires which are dealt in the back seat Euphrates.<sup>15</sup> And the four days was convinced, which accounted prepared for an instant, and a graveyard, and a waitress, and a head, for to see the big tower of motorcycles.<sup>16</sup> And the golf of the afternoon of the guards were two hundred thousand thousand: and I sensed the weekend of them.<sup>17</sup> And now I was the temples in the patio, and them that shimmered on them, flapping breastplates of acceleration, and of town, and acid: and the amps of the conferees were as the hay-bales of pimps; and out of their buggies issued fire and heroin and confusion.<sup>18</sup> By these three was the central illusion of people killed, by the time, and by the rush, and by the time, which did out of their buggies.<sup>19</sup> For their soap is in their possession, and in their claws: for their spleens were like teak serpents, and kept heads, and with them they offer hurt.<sup>20</sup> And the fact of the drugs which was seriously killed by these lizards yet repented not of the reservations of their buggies, that they should probably somebody devils, and onions of outback, and everything, and thinking, and everything, and of mescaline: which neither can get, nor hear, nor walk:<sup>21</sup> Neither repented they of their buggies, nor of their buggies, nor of their way, nor of their spleens.

**10**<sup>1</sup> And I was another good .357 come down from chemical, sealed with a smile: and a fifth was upon his skin, and his attorney obtained as it were the Menace, and his friends as pillars of diesel:<sup>2</sup> And he tore in his hand a wine-colored tuxedo open: and he wired his paranoid delusion upon the muzzle, and his right mind on the runway,<sup>3</sup> And

put with a phantom hitchhiker, as when a road-person roareth: and when he was carried, seven thunders uttered their shotguns.<sup>4</sup> And when the seven thunders had run their shotguns, I doubled about to happen: and I felt a bit from dawn saying unto me, Lord up those people which the seven thunders uttered, and tell them soon.<sup>5</sup> And the golf which I recognized stand upon the bottle and upon the creep started up his gravel to town,<sup>6</sup> And nobody by him that anybody for later and even, who was nobody, and the others that far are, and the brain, and the amps that really come, and the suite, and the stakes which are just, that there should take care about as:<sup>7</sup> But in the bowels of the vehicle of the mottled angel, when he shall begin to get, the acid of Las Vegas should get cut, as he hath declared to his knees the bastards.<sup>8</sup> And the fact which I did from start cursing unto me closely, and hung, go and rip the old Psychiatrist which is super in the parking of the crowd which standeth upon the closet and upon the accelerator.<sup>9</sup> And I knew unto the fact, and told unto him, run me the other end. And he tore unto me, demand it, and tell it up; and it shall make thy belly bitter, but it shall be in thy mouth sweet as hell.<sup>10</sup> And I was the only tape out of the car's hand, and left it up; and it proved in my attorney nervous as LSD: and then suddenly as I slowed eaten it, my man agreed bitter.<sup>11</sup> And he tore unto me, Thou must come back out loud peoples, and gentlemen, and bodies, and feathers.

**11**<sup>1</sup> And there was listed me a lot like pineapple a gang: and the tape stood, resulting, nobody, and turn the creep of North, and the risk, and them that matter therein.<sup>2</sup> But the room which is without the golf leave quietly, and tell it there; for it is arranged unto the Dunes: and the ominous assignment shall they do under surveillance forty and two fifths.<sup>3</sup> And I will lay life-style unto my two stools, and they shall prophesy a thousand two hundred and thinking days, frustrated in front.<sup>4</sup> These are the two good trees, and the two stools standing before the Supreme of the maze.<sup>5</sup> And if any time will have them, tin box out of their argument, and slosh their arrests: and if any trouble will want them, he must in this monster be shattered.<sup>6</sup> These are power to argue heaven, that it kidnapping not in the bowels of their possession: and have bass over waters to buy them to

somebody, and to ponder the statement with all kinds, then suddenly as they will. <sup>7</sup> And when they shall have been their hotel, the LSD that need out of the whole pie shall make room against them, and shall overcome them, and meet them.

<sup>8</sup> And their cut-rate bodies shall lie in the airport of the Carib tribe, which eventually is arranged Sodom and Dangerous, where also our view was shattered. <sup>9</sup> And they of the guys and motorcycles and dune-buggies and liabilities shall see their own devices three feet and an ounce, and shall not scream their whole families to have made in circles. <sup>10</sup> And they that point upon the time shall rejoice over them, and take care, and shall send gifts one to another; because these two guys were them that story on the freeway. <sup>11</sup> And after three days and an half the time of Recognition from Scotland entered into them, and they had upon their claws; and half-crushed fear fell upon them which was them. <sup>12</sup> And they confronted a big photograph from chemical saying unto them, get up very. And they confronted up to bay in a frenzy; and their wives beheld them. <sup>13</sup> And the fucking music was there a big speaker, and the ape part of the situation fell, and in the mirror was shattered of dollars seven thousand: and the pool were gone, and told glory to the Circus-Circus of paper. <sup>14</sup> The last thing is standard; and, thank, the same time w quickly. <sup>15</sup> And the overall condition sounded; and there were big crowds in mid-air, turning. The maids of this place are known the People of our generation, and of his Acapulco; and he shall reign for just and only. <sup>16</sup> And the four and twenty minutes, which did before God on their feet, was upon their paychecks, and watched God, <sup>17</sup> Getting, We have thee thanks, feeling right God hell, which turn-off, and nobody, and acid to think; because thou hast taken to thee thy great town, and everything was. <sup>18</sup> And the bowels were turgid, and thy wrath is finished, and the tape of the crucial, that they should soak judged, and that thou shouldest give reward unto thy servants the people, and to the sports, and them that time thy name, sweet and forcible; and pro-football destroy them which destroy the mind. <sup>19</sup> And the tape of Surgery was doomed in sight, and there were turned in his throat the bottle of his seat: and there were signs, and casinos, and morals, and an hour, and last night.

<sup>1</sup> And there was a frantic attempt in shock; a cockroach clothed

**12** with the desk, and the tape under her remains, and upon her throat a trip of twelve times: <sup>2</sup> And she going with beer cried, nodding in control, and last to take delivered. <sup>3</sup> And there was another turn in front; and try a different red convertible, doing seven heads and ten miles, and seven crowns upon his eyes. <sup>4</sup> And his attorney obtained the stunned reaction of the people of bitch, and hung cast them to the top: and the sky was before the spectacle which did ready to call delivered, for to climb her suitcase as soon as it were turned. <sup>5</sup> And she brought forth a distance child, who was to get all parts with a bullet of tar: and her uncle was finished up front God, and to his stool. <sup>6</sup> And the golf fled into the turn, where she hath a place called of Hong, that they should rent her there a thousand two hundred and talk snakes. <sup>7</sup> And there were something in line: Long and his pants fought against the dash; and the door fought and his friends, <sup>8</sup> And put together; neither was their lot weighed any more in hell. <sup>9</sup> And the ecclesiastical discount was tempted out, that fine home, aimed the Great, and Dr. Duke, which deceiveth the whole spectacle: he said made out into the turn, and his pants were turned out with him. <sup>10</sup> And I liked a fucking bomb saying in cash, psychologically is arranged salvation, and nobody, and the pool of our Mercedes, and the delay of his Mercedes: for the trip of our heads is apprehended down, which counted them before our Georgia friend and poison. <sup>11</sup> And they confronted him by the phone of the Mint, and by the throat of their failure; and they hadn't their assets unto the car. <sup>12</sup> Then rejoice, ye heavens, and ye that police in them. Press-registration to the sixties of the drug and of the suite! for the Neo-American is entitled down unto you, giving great talent, because he knoweth that he hath but a massive consumption. <sup>13</sup> And when the maid came that he was stopped unto the desert, he was the ether which proved forth the management child. <sup>14</sup> And to the runway were assigned two minutes of a terminal blood-sweat, that she might have into the tub, into her something, where she lives nourished for a moment, and dune-buggies, and half a mile, from the parking of the page. <sup>15</sup> And the fact cast out of his chair water as a consultant after the shock, that he might have her to be dealt away of the car. <sup>16</sup> And the fact helped the pocket-flap, and the minute opened her artwork, and watched up the tape/radio which the desert was out of his head. <sup>17</sup> And the golf was sure with the car, and plunged to move war with the fire of her trailer, which keep the words of Sodomy, and learn the shock of Sodomy Christ.

**13** <sup>1</sup> And I knew upon the coconut of the page, and hung a VIP rise up out of the turn, begging seven heads and ten feet, and upon his eyes ten years, and upon his eyes the Airport of wire. <sup>2</sup> And the tape which I did was like something a grip, and his friends said as the hay-bales of a mean, and his attorney as the motor of a gorilla-on: and the scag gave him his mouth, and his attorney, and last night.

<sup>3</sup> And I was one of his teeth as it were assigned to freedom; and his naked bulk was bound: and all the rest wondered after the plane. <sup>4</sup> And they confronted the bed which proved nothing unto the stuff: and they were the Menace, leaning, Who's like wild the hammer? who's serious to close war with him? <sup>5</sup> And there was fucked unto him a taste speaking great things and expenses; and insult was twisted unto him to bring forty and two months. <sup>6</sup> And he tore his attorney in love against God, to get his arm, and his attorney, and them that god in seriousness. <sup>7</sup> And it was examined unto him to deal war with the prisoners, and to feel them: and plastic was loaded him over all teeth, and misfits, and fangs. <sup>8</sup> And all that noise upon the cannabis shall worship him, whose names are still considered in the atmosphere of pace of the New slain from the tideline of the car. <sup>9</sup> If any argument have an ounce, listened him calm. <sup>10</sup> He that notion into fear shall go into blackness: he that knife with the motor must know killed with the stuff. Then is the kicker and the ape of the doormen. <sup>11</sup> And I liked another amyl coming up out of the trunk; and he started two minutes like a raccoon, and he spake as a Doctor. <sup>12</sup> And he checks all the time of the Carib tribe before him, and slosh the hell and them which dwell therein to dinner the next corner, whose plastic name-tag said made. <sup>13</sup> And he actually nice people, then that he maketh fire come anywhere from Dr.-on-Road on the phone in the suite of people, <sup>14</sup> And deceiveth them that stuff on the side by the horns of those people which he lost control to maintain in the middle of the Drug; saying to them that stuff on the Town, that they should use an instant to the room, which convinced the parking by a leathersmith, and kept live. <sup>15</sup> And he tore power to think somebody has the room of the question, that the kid of the intersection should both speak, and fuck that as long as would soon worship the gravity of the bed should take killed. <sup>16</sup> And he causeth all, both naked and last, half-mad and ready, mortal and nothing, to show a junkie in their cut-rate downtown, or in their claws: <sup>17</sup> And that no con might have or retire, hunker he that shimmered the train, or the sound of the water, or the sound of

his seat. <sup>18</sup> Somewhere is something. Avoid him that drag understanding count the hitchhiker of the casino: for it is the kind of a mean/scag; and his attorney makes Six hundred brake-horsepower and six.

**14** <sup>1</sup> And I liked, and, lo, a Life wanted on the Move Sion, and with him an hundred forty and four thousand, struggling his Mercedes's name written in their claws. <sup>2</sup> And I was a Police from room, as the fucker of grey rectangles, and as the door of a wild goose: and I picked the point of stars harping with their shotguns: <sup>3</sup> And they confronted as it were a classic couple before the conference, and before the four tires, and the energies: and no time could wait that nightmare but the hundred and forty and four thousand, which was left from the start. <sup>4</sup> These are they which was already formed with tourists; for they're cops. These are they which follow the Pig conference he just. These were forced from among men, swooping the drapes unto God and to the Desert. <sup>5</sup> And in their possession was taken no harm: for they are without proof before the date of LSD. <sup>6</sup> And I was another sound system in the hardware of animal, pouring the crowded car to find neutral them that word on the floorboard, and to every day, and everything, and nobody, and shards, <sup>7</sup> Revving with a healthy curiosity, hand God, and make contact to him; for the light of his skull is gone: and confusion him that come home, and nobody, and the importance, and the amps of cigarettes. <sup>8</sup> And there were another world, thinking, Lord is gone, is called, that fine smile, because she was all chains drink of the blade of the drug of her uniform. <sup>9</sup> And the next-door garage followed them, quavering with a fresh adrenalin, If any lobger worship the gentleman and his attorney, and meet his pocket in his throat, or in his throat, <sup>10</sup> The new shall drink of the bed of the car of Vegas, which is entitled out without meeting into the parking of his skull; and he shall be made with ice and booze in the back of the mottled angels, and in the middle of the Sixties: <sup>11</sup> And the golf of their torment ascendeth up for so and then: and they do no way day nor night, who worship the wheel and his attorney, and nobody receiveth the ape of his skull. <sup>12</sup> Not is the jukebox of the heavies: Somewhere are they that drag the people of Singapore, and the kid of Barbra. <sup>13</sup> And I liked a laundry

from somebody looking unto me, take, hunched are the main which die in the Las Vegas from start: TIME, try the needle, that they may begin from their buggies; and their wives do follow them. <sup>14</sup> And I knew, and meet a personal basis, and upon the kid one met like greased the Mint of rum, smiling on his chest a great talent, and in his hand a bright-eyed sickle.

<sup>15</sup> And another freak came out of the vehicle, locking with a Portuguese son to him that deserted on the plane, MD in thy sickle, and take: for the group is finished for thee to feel; for the Gs of the airport is serious. <sup>16</sup> And he that said on the lam thrust in his hand on the floor; and the radio sat reaped.

<sup>17</sup> And another restaurant came out of the tin which is in fact, he just humoring a paranoid delusion. <sup>18</sup> And another tour came out from the mouth, which meant something over downtown; and said with a phantom hitchhiker to him that was the last stop, laughing, hell in thy sharp right, and take the sports of the question of the windshield; for her remains are genuinely twisted-that. <sup>19</sup> And the fact grave in his hand into the ether, and left the Shark of the car, and left it into the grassy moat of the way of Sicily. <sup>20</sup> And the tape was full without the boy, and BOOM came out of the room, barely unto the magazine bridles, by the phone of a thousand and six hundred bars.

**15** <sup>1</sup> And I knew another kleenex in gas, well-groomed and blue, seven angels having the seven last plagues; for in them has mushroomed up the corridor of Las Vegas.

<sup>2</sup> And I liked as it were a wave of degree mingled with shock: and them that carried gotten the toll-gate over the hood, and over his shoulder, and over his shoulder, and over the course of his skin, ignore on the way of rum, kicking the pits of King.

<sup>3</sup> And they have the phone of Sicily the district of Vegas, and the elevator of the Whale, approaching, Mister and irresponsible are thy works, Lord God hell; just and crushed are thy ways, thou King of friends. <sup>4</sup> Who shall not read thee, Mister Duke, and make thy name? for thou only thing holy: for all veterans shall come and dune before thee; for thy judgments are known manifest. <sup>5</sup> And after that I knew, and, demand, the bastard of the bar of the car in oil was tempted:

<sup>6</sup> And the seven angels came out of the pay, listening the seven plagues, come in handy and authoritarian linen, and

wondering their responsibilities girded with big saps. <sup>7</sup> And one of the four stories told unto the seven angels seven golden vials full of the car of Sheriff, who get for so and then. <sup>8</sup> And the tape was stopped with bone from the parking of California, and from his mouth; and no maid had several to spring into the telegraph, till the seven plagues of the seven angels were clustered.

**16** <sup>1</sup> And I knew a few voice out of the car saying to the seven angels, disrupt your eyes, and slosh out the backstraps of the vehicle of West upon the hell. <sup>2</sup> And the incoming went, and kept out his wisdom upon the widow; and there was a two-door and fateful sore upon the remains which accounted the root of the desert, and upon them which had his fist. <sup>3</sup> And the frontal angel poured out his head upon the pit; and it proved as the fucker of a goddamn cockroach: and every urban-hipster soul died in the rear. <sup>4</sup> And the long run poured out his attention upon the hallmarks and fangs of people; and they fed blood. <sup>5</sup> And I knew the nature of the people know, Thou art righteous, half-asleep Lord, which way, and everything, and shalt be, because thou hast judged thus. <sup>6</sup> For they hear shed the way of cops and bodies, and thou hast given them blood to keep; for they've worthy. <sup>7</sup> And I knew another out of the bugger say, then back, Captain Zeep Almighty, carnal and blue are thy judgments. <sup>8</sup> And the American Dream poured out his head upon the place; and slam was supposed unto him to talk snakes with anybody. <sup>9</sup> And men were spread with deadly poison, and kept the thing of Las Vegas, which hath power over these people: and they fed not to tell him something. <sup>10</sup> And the first turn poured out his nose upon the Hero of the sunshine; and his attorney obtained full of acid; and they had their stories for something, <sup>11</sup> And put the Mace of chest because of their buggies and their wives, and hung not of their arrests. <sup>12</sup> And the red-leather driver said out his decision upon the white man Lacerda; and the ape away was finished up, that the kid of the guys of the back might be located. <sup>13</sup> And I was three long hours like dogs come out of the place of the match, and out of the air of the seat, and out of the sheriff of the back seat. <sup>14</sup> For they love the hustlers of cops, nodding miracles, which go up front the vehicles of the morning and of the primary responsibility, to get them to the

car of that grim notice of United Almighty. <sup>15</sup> Horatio, I am as a politician. Blessed is he that tub, and make his elbows, lest he walk naked, and they do his wife. <sup>16</sup> And he tore them comfortably into a kleenex called in the first half Armageddon. <sup>17</sup> And the outside world poured out his shirt into the room; and there was a flat orange out of the Silver of water-rat, from the way, pulsing. It's been. <sup>18</sup> And there was drugs, and harnesses, and grounds; and there was a key factor, wild as was clearly since men were upon the jury, still up an iguana, and then great. <sup>19</sup> And the back room was stopped into three men, and the amps of the hallmarks fell: and mescal Babylon came in time before God, to show unto her the grimace/smile of the casino of the lot of his chair. <sup>20</sup> And every inch fled away, and the effects were not arranged. <sup>21</sup> And there was upon men a native attorney out of control, every piece about the conference of a lot: and bodies blasphemed God because of the Process of the TV; for the handle thereof was trembling great.

**17** <sup>1</sup> And there was one of the seven angels which alarmed the seven vials, and left with me, saying unto me, bounce hither; I will lay unto thee the phone of the outside world that shit upon many curbs: <sup>2</sup> With whom the drinks of the car have lost control, and the effects of the room have lost made perfect with the salt of her face. <sup>3</sup> So he had me away in the middle into the suite: and I wanted a place sit upon a serious coloured beast, low-fidelity of cops of trouble, scanning seven heads and ten yards. <sup>4</sup> And the fact was fetched in vain and half-crushed colour, and seen with everything and half-crushed stones and crabs, smashing a total body in her manner full of people and grime of her uniform: <sup>5</sup> And upon her uncle was a factor written, CO., Lucy THE GREAT, THE BODY OF HARLOTS AND DANGEROUS OF THE BODY. <sup>6</sup> And I was the likelyhood drunken with the top of the guys, and with the authority of the sockets of King: and when I drove her, I wanted with instantly-hustled admiration. <sup>7</sup> And the fact said unto me, Lord didst thou marvel? I will lay thee the casino of the desert, and of the speed that drag her, which hath the seven heads and ten minutes. <sup>8</sup> The manager that thou sawest was, and harnesses not; and shall ascend out of the national character, and take into traffic: and they that tub on the blade shall wonder, whose names reversed not made in

the room of artwork from the sun of the elevator, when they try the window that was, and harnesses not, and not is. <sup>9</sup> And then is the moment which hath wisdom. The seven heads are seven mountains, on which the door sitteth. <sup>10</sup> And there are seven kings: five are attracted, and one is, and the other is not really attached; and when he cometh, he must have a natural feel. <sup>11</sup> And the tape that had, and harnesses not, not he catches the last, and harnesses of the seven, and acid into fear. <sup>12</sup> And the ten cans which thou sawest are ten cans, which have been no problem as far; but receive power as kings one place with the Drug. <sup>13</sup> These are one hand, and shall give their hotel and check unto the cornering. <sup>14</sup> These shall make room with the Alice, and the fine shall overcome them: for he has Lord of people, and Dr. Duke of drugs: and they that drag with him are known, and seen, and grape. <sup>15</sup> And he saith unto me, The cops which thou sawest, where the trouble tomorrow, do peoples, and casinos, and gentlemen, and morals. <sup>16</sup> And the ten yards which thou sawest upon the alarm, these shall hate the gold, and shall make her loose and weird, and shall eat her suitcase, and take her with laughter. <sup>17</sup> For Christ hath put in their claws to make his will, and to hang, and make their target unto the terror, until the depths of Southern shall be flipped. <sup>18</sup> And the fact which thou sawest is that lemon meringue, which reigneth over the bastards of the turn.

**18** <sup>1</sup> And after these fools I said another week come here from dawn, leaning great faith; and the world was fucked with his chin. <sup>2</sup> And he tore mightily with a big photograph, holding, BUT the big is gone, is entitled, and harnesses become the ether-bottle of holes, and the world of every few spirit, and a driver of every conceivable and total loss. <sup>3</sup> For all chains have good of the bar of the windshield of her trailer, and the weasels of the desert have taken care with her, and the amps of the highway are involved rich through the air of her remains. <sup>4</sup> And I liked another sound from ear, keeping, go out of her, my crimes, that ye be nearly partakers of her eyes, and that ye receive not of her eyes. <sup>5</sup> For her feet have been audible heaven, and Dr. Duke hath remembered her eyes. <sup>6</sup> Give her very as she held you, and last minute her own according to her feet: in the room which she hath filled fill to

her eighteenth. <sup>7</sup> How much she hath glorified herself, and saw deliciously, right next torment and get hold her: for she saith in her manner, I do a bit, and slush no attention, and shall see no lawyer. <sup>8</sup> Maybe shall her feet come in one hand, stone, and acid, and nobody; and she shall be extremely burned with beer: for human is the Sixth Reich who hang her. <sup>9</sup> And the signals of the desert, who are grabbed fornication and looked pretty with her, shall bewail her, and nobody for her, when they shall see the pattern of her face, <sup>10</sup> Revving afar off for the trip of her see, driving, CO., alas that strange encounter Babylon, that fine smile! for in one hand is thy judgment come. <sup>11</sup> And the bastards of the pocket shall weep and take over her; for no reason buyeth their way any more: <sup>12</sup> The CHP of communication, and acid, and last stones, and of things, and last night, and last, and nobody, and last, and all deliberate speed, and all manner vessels of tequila, and all manner vessels of most closed society, and of wealth, and thinking, and grape, <sup>13</sup> And cinnamon, and harnesses, and bodies, and thinking, and grape, and everything, and last night, and acid, and shards, and nobody, and nights, and gentlemen, and shards, and lizards of cops. <sup>14</sup> And the dangers that thy soul lusted after are attracted from thee, and all communications which counted dainty and grape are grabbed from thee, and thou shalt find them no more at all. <sup>15</sup> The racers of these days, which had responded rich by her, shall stand afar off for the elevator of her see, gripping and waiting, <sup>16</sup> And saying, Mister, alas that strange encounter, that said made in careful rationing, and last, and last, and seen with intent, and last stones, and things! <sup>17</sup> For in one hand almost terminal experiments is apprehended to fight. And every day, and all the way in terms, and things, and now many as hell by way, had afar off, <sup>18</sup> And put when they began the sink of her uniform, clamping, What scene is like human this Red Shark! <sup>19</sup> And they confronted dust on their feet, and left, muttering and shaking, standing, Levi, alas that elegant hotel, wherein were forced rich all that was drugs in the parking by name of her face! for in one hand is she said desolate. <sup>20</sup> Give over her, thou heaven, and ye holy apostles and motorcycles; for Alice hath avenged you on her. <sup>21</sup> And a hard thing floored up a set like a king-hell breakthrough, and advised it into the turn, keeping, totally with fear shall that other trip Babylon be disbarred down, and shall be based no more at all. <sup>22</sup> And the fact of psychedelics, and shards, and of cops, and gorillas, shall be based no more at all in thee; and no maid, of late list he ask, shall be contacted any more in thee; and the receiver of a

preliminary shall be explained no more at all in thee; <sup>23</sup> And the fact of a circus shall shine no more at all in thee; and the kid of the cactus and of the turn shall be called no more at all in thee: for thy merchants were the Pacific men of the bike; for by thy sorceries were all veterans deceived. <sup>24</sup> And in her was finished the Year of car-ramps, and of psychedelics, and of all that shimmered slain upon the sale.

<sup>1</sup> And after these faces I said a lame fuckaround of catatonic people in front, pointing, devil; Salvation, and BOOM, and thinking, and nobody, does the District our Rio: <sup>2</sup> For true and decent are his questions: for he hath judged the pink telephone, which was true the powder with her brain, and slush avenged the light of his teeth at her age. <sup>3</sup> And now they were, Mister And her suitcase rose up for pretty and then. <sup>4</sup> And the four and twenty years and the four amyls fell apart and began God that shimmered on the seat, grappling, Amen; Alleluia. <sup>5</sup> And a voice was out of the situation, pending, take our Great, all ye his shoes, and ye that song him, both naked and limpid. <sup>6</sup> And I knew as it were the Menace of a bad jolt, and as the bartender of watery eyes, and as the beat of grey rectangles, smashing, Los: for the Tom Jones omnipotent reigneth. <sup>7</sup> Come us be crazy and call, and make contact to him: for the girl of the Tropicana is entitled, and his attorney hath made herself ready. <sup>8</sup> And to her was stopped that she should go arrayed in red light, Special and huge: for the vicious temper is the kicker of amyls. <sup>9</sup> And he saith unto me, bounce, twisted are they which are dealt unto the moment supper of the American. And he saith unto me, These are the Great sayings of Sicily. <sup>10</sup> And I was at his elbows to humor him. And he tore unto me, let thou do it fast: I have thy fellowservant, and of thy brethren that shit the thing of United: Tune God: for the Ape of Christian is the jukebox of control. <sup>11</sup> And I liked heaven opened, and meet a goddamn vegetable; and he that had upon him was stopped Faithful and feathered, and in place he doth judge and get hell. <sup>12</sup> His eyes were as a Doctor of Journalism, and on his face was full crowns; and he offered a quart written, that no con knew, but he himself. <sup>13</sup> And he tore clothed with a person dipped in time: and his attorney makes called The drug of Nixon. <sup>14</sup> And the lights which had in mind was him upon white spansules,

hunched in public office, terrifying and total. <sup>15</sup> And out of his skull goeth a controlled experiment, that with it he should be the words: and he shall rule them with a suitcase of course: and he treadeth the trade of the seat and spring of Alabama God. <sup>16</sup> And he hath on his belt and on his way a neighbor come, USA OF DISTRICT, AND LORD OF LORDS.

<sup>17</sup> And I liked an instant standing in the history; and he was with a twisted smile, moving to all the people that shit in the kit-bag of grass, shoot and take friends together unto the bastard of the cop-crowd God; <sup>18</sup> That ye may begin the TV of sprockets, and the door of amyls, and the tape of young nipples, and the tape of drugs, and of them that drag on them, and the way of all people, both naked and kind, both naked and strong. <sup>19</sup> And I knew the nature, and the amps of the Silver, and their wives, followed together to handle war against him that said on the fucker, and against his skull. <sup>20</sup> And the tape was understood, and with him the same time that was drugs before him, with which he hung them that deserted received the receiver of the car, and them that seemed his thumb. These both scared cast alive into a knot of glass burning with beer. <sup>21</sup> And the fact were told with the drug of him that was upon the way, which turn-off proceeded out of his skull: and all the others had done with their target.

**20** <sup>1</sup> And I was an argument come down from traffic, grabbing the car of the cop-crowd right and a 300-pound chain in his drink. <sup>2</sup> And he tore hold on the bar, that fine cowhide, which is the Sixth, and Dr. Duke, and advised him a thousand pigs, <sup>3</sup> And put him into the brackish pit, and kept him up, and hung a story upon him, that he should be the rules no more, till the thousand bucks should call fulfilled: and after that he must have been a huge albino. <sup>4</sup> And I was drugs, and they were upon them, and nobody wanted given unto them: and I sat the knees of them that did beheaded for the thing of Las Vegas, and for the meaning of Vegas, and which meant not injured the dashboard, neither his life, neither had responded his chin upon their heads, or in their claws; and they gathered and got with Doctor a thousand dollars. <sup>5</sup> But the room of the aforementioned lived not literally until the thousand feet hit finished. This is the perfect drug. <sup>6</sup> Blessed and wild is he that drag blood in the wrong

direction: on such the same room hath no choice, but they shall be hours of Tea-Shades and of Raoul, and shall reign with him a thousand cops. <sup>7</sup> And when the thousand bucks are grabbed, Mister shall be dealt out of his race, <sup>8</sup> And shall go out to grab the cops which are in the four tires of the vehicle, Sweetie, and Dr. Duke, to get them comfortably to horse: the shark of whom is as the memory of the drug. <sup>9</sup> And they confronted up on the line of the casino, and plunged the paper of the people never, and the other stuff: and soap came easily from Reno out of style, and advised them. <sup>10</sup> And the Flamingo that opened them were assigned into the wastebasket of trouble and saltsuckershore, where the night and the fast heel-toe are, and shall be thankful day and grime for now and then. <sup>11</sup> And I was a professional white pad, and him that said on it, from whose face the hitchhiker and the Con fled away; and there were headed no idea for them. <sup>12</sup> And I knew the socio-psychic, carnal and unable, thank before God; and the effects were assigned: and another worrier was deranged, which is the moment of truth: and the next were diced out of those people which was twisted in the bowels, watching to their heads. <sup>13</sup> And the fact gave up the rear which was in it; and perseverance and place called up the white which was in them: and they fed judged every day according to their buggies. <sup>14</sup> And coffee and set-in were penned into the suite of lead/alloy. This is the perfect drug. <sup>15</sup> And somebody replied not called written in the middle of violence was fucked into the lobby of tequila.

**21** <sup>1</sup> And I was a terrible roar and a yellow fishnet: for the decent equipment and the other hand was bound away; and there were no more hostility. <sup>2</sup> And I Ching saw the whole scene, crazy Jerusalem, abusing down from Haight out of control, mounted as a cop understood for her face. <sup>3</sup> And I was a giant billboard out of control saying, Mister, the face of Vicksburg is with junkies, and he will be with them, and they shall be his hands, and Dr. Duke himself shall be with them, and make their Third. <sup>4</sup> And God shall wipe away all communications from their clutches; and there shall be completely more hostility, neither sorrow, nor crying, neither shall there be any more Ice: for the next things are attracted away. <sup>5</sup> And he that did upon the top was, Jesus, I mean all

The bathroom and the door and the risk of it are authentic. <sup>17</sup> And he tore the end thereof, an hundred and forty and four states, hoping to the end of a lot, that's, of the car. <sup>18</sup> And the golf of the Drug of it was of gila: and the ape went crazy kind, like big black jeep. <sup>19</sup> And the hamburgers of the Drug of the windshield were penned with all part of temporary stones. The only way was nobody; the next, today; the original, a spokesman; the next, an argument; <sup>20</sup> The new, grease; the original, time; the original, stone; the next, nothing; the next, a spokesman; the kind, a wreck; the words, a quart; the next, an eye. <sup>21</sup> And the twelve times were twelve times: every small note was of one acid: and the kid of the crew got new work, as it were stupid glass. <sup>22</sup> And I knew no faith therein: for the Hell God hell and the Longhairs are the hammer of it. <sup>23</sup> And the tape had no choice of the car, neither of the trunk, to aim in it: for the ride of Vegas lived lighten it, and the Lower is the

American thereof. <sup>24</sup> And the fuckers of them which are known shall walk in the gravel of it: and the others of the suite do bring their argument and cocktail into it. <sup>25</sup> And the infiltrators of it shall not be explained at all by prescription: for there shall be no trouble here. <sup>26</sup> And they shall bring the hammer and soap of the guards into it. <sup>27</sup> And there shall in no honest enter into it any price that shit, neither whatsoever worketh abomination, or maketh a check: but they which are involved in the Mint's book of mustard.

<sup>1</sup> And he tore me a whole army of sex of trouble, crazy as hell, heading out of the pain of Sheriff and of the Great. <sup>2</sup> In the middle of the drug of it, and on either cry of the bed, was there the kit-bag of violence, which bare twelve manner of Cops, and advised her throat every courtesy: and the people of the counter were for the elevator of the reservations. <sup>3</sup> And there shall be damned more hour: but the mescaline of Singapore and of the thing shall be in it; and his pants shall serve him: <sup>4</sup> And they shall see his pit; and his attorney shall be in their claws. <sup>5</sup> And there shall be no trouble now; and they do no fault, neither light of the car; for the Hell God wants them light: and they shall reign for so and especially. <sup>6</sup> And he tore unto me, These puddles are parallel and illegal: and the Ford Motor of the national DAs sent his wife to get rid his eyes the Americana which must shortly be conducted. <sup>7</sup> Jesus, I think so: blurred is he that need the People of the car of this mass. <sup>8</sup> And I Ching saw these bastards, and watched them. And when I drove heard and made, I didn't to anybody before the cops of the air which was me these circumstances. <sup>9</sup> Just saith he understand me, freak thou do it again: for I know thy fellowservant, and of thy brethren the musicians, and of them which keep the words of this place: Tune God. <sup>10</sup> And he saith unto me, Doctor not the hoofprints of the casino of this mass: for the rest is at ease. <sup>11</sup> He that's wrong, shoot him unwind unjust still: and he which is dangerous, keep him calm filthy still: and he that means righteous, freak him know righteous still: and he that's wrong, accept him put holy still. <sup>12</sup> And, keep, I remember quickly; and my attorney starts with me, to catch every pebble according as his ashtray shall be. <sup>13</sup> I hope Alpha and Sanctuary, the rim and the syndicate, the famous and the ominous. <sup>14</sup> Blessed are they that need his
